

9713 RECRUITMENT BY SPECIAL INTEREST GROUPS

Representatives of bona fide educational institutions, occupational agencies, and the United States Armed Forces may recruit students on school premises by participation in assembly programs, career day activities, and the like and by distributing literature. Permission to recruit on school premises must be requested in writing thirty working days before the planned activity and must be approved in advance by the Superintendent or designee. The Superintendent or designee shall not favor one recruiter over another, but shall not approve an activity that, in the judgment of the Superintendent or designee, carries a substantial likelihood of disrupting the educational program of the school or school district.

Nothing in this Policy shall be construed as requiring the Board to approve or participate in an activity that appears to advance or inhibit any particular religious sect or religion generally.
