

7434 SMOKING IN SCHOOL BUILDINGS AND ON SCHOOL GROUNDS

The Board of Education believes that the right of persons to smoke must be balanced against the right of nonsmokers to breath air untainted by tobacco smoke.

For purposes of this Policy, “smoking” means the burning of, inhaling from, exhaling the smoke from, or the possession of a lighted cigar, cigarette, pipe, or any other matter or substance which contains tobacco or any other matter than can be smoked, including the use of smokeless tobacco and snuff, or the inhaling of smoke or vapor from an electronic smoking device.

For the purpose of this Policy, “electronic smoking device” means an electronic device that can be used to deliver nicotine or other substances to the person inhaling from the device, including, but not limited to, an electronic cigarette, cigar, cigarillo, or pipe.

For the purposes of this Policy, “school buildings” and “school grounds” means and includes land, portions of land, structures, buildings, and vehicles owned, operated or used for the provision of academic or extracurricular programs sponsored by the district or community provider and structures that support these buildings, such as school wastewater treatment facilities, generating facilities, and other central facilities including, but not limited to, kitchens and maintenance shops. “School buildings” and “school grounds” also includes athletic stadiums; swimming pools; any associated structures or related equipment tied to such facilities including, but not limited to, grandstands; greenhouses; garages; facilities used for non-instructional or non-educational purposes; and any structure, building, or facility used solely for school administration. “School buildings” and “school grounds” also includes other facilities as defined in N.J.A.C. 6A:26-1.2; playgrounds; and other recreational places owned by local municipalities, private entities or other individuals during those times when the school district has exclusive use of a portion of such land.

In accordance with N.J.S.A. 26:3D-58 and N.J.A.C. 8:6-7.2, the Board prohibits smoking at all times anywhere in school buildings or on school grounds.

Notwithstanding any provision of this Policy, smoking by pupils is prohibited and governed by Policy No. 5533.
