Ms. Brogan moved approval of bills reviewed by her.  
Ms. Kwak seconded the motion.

Approval of Bills carried by the following roll-call vote:

AYES: Ms. Brogan, Mr. Dani, Mr. Kaufman, Ms. Kwak, Mr. Lembo  
NAYS: none

#### **X. BOARD MEMBER ANNOUNCEMENTS**

Ms. Kwak recognized Ms. Kim Ng for being a Ridgewood High School graduate and the first woman and the first Asian American to be appointed as the general manager for a U.S. sports team. We all long to be judged for what we can do, not for what we are.

Dr. Fishbein commented that this was a story that was everywhere and in every newspaper, she is the right person for the position and she definitely worked hard to get there. He read every article and was fascinated by her story and heard a little bit about her as a student here. This was a real highlight.

Mr. Lembo said that the HSA;s are using Group Spot to get the word out on various efforts.

#### **XI. BOARD COMMITTEE REPORTS**

Mr. Lembo provided a brief update on the superintendent search being conducted by R-Pat Solutions, LLC.

The posting is currently available online, and it is printed in newspapers on Sundays. Mr. Lembo was told there are a large number of applicants including some from out-of-state. A survey to collect input from stakeholders is currently being formulated, and it will be going out to the community including parents, educators and staff. Based on R-PAT's timeline, the Board is anticipating that candidates will be narrowed down in January.

Ms. Brogan stated she was concerned about the applications going out before we received the profile from the survey.

Mr. Lembo said he agrees and he reached out to them and they stated that their process is tried and true. The board told them that we want to make sure we are basing a candidate on what Ridgewood as a community needs versus what they believe will work.

Ms. Brogan asked will there be focus groups?

Mr. Lembo stated we are trying to figure out the best way to do that.

Ms. Brogan commented that she thinks that is important. She thinks that it can reinforce what is done in the surveys or it may bring out different information that people feel comfortable talking about.

#### **XII. DISCUSSION ITEMS**

#### **XIII. ACCEPTANCE OF MINUTES**

- October 19, 2020 Executive Session Minutes

Mr. Kaufman moved Acceptance of Minutes.

Mr. Dani seconded the motion, which was unanimously approved.

#### **XIV. OTHER BUSINESS**

Mr. Kaufman stated that he wants to follow up about looking into the later start time. The American Academy of pediatrics has done so many studies, and he understands Dr. Fishbein that parents may start adding more activities for kids during that time. He is curious to know if the people who transitioned from hybrid to remote is because they can get more sleep time. He does not know but is curious because that number is so large. Over 200 kids transitioned in high school. Are the parents seeing a better experience because they are getting extra sleep?

Dr. Fishbein added that he hopes that it did not seem that we would not look at a later start time, but with the current situation there is less scheduling for the kids and they are getting more sleep. When we get back to normal, kids will schedule themselves as precovid.

Mr. Kaufman stated that we have been able to adjust with covid in a hybrid model with less school time. He thinks we can adjust the curriculum to give kids some extra sleep and still give the education that they need. When we discussed a year ago, it seemed that sports was the concern. Mental health should be number 1. We are stuck in an old way of doing things, that kids have to get up early and go to school early. He read in an article that because of busing we have to bring the high school students first, elementary second, etc. This is not necessarily the case with Ridgewood but other districts he read about and wants to see if we can make the change.

Ms. Brogan said this is the bigger issue, what happens when we go back to the schedule, if we're the only school doing it, what happens with the other surrounding schools. It's not that sports are that important, it's when you look at the number of students participating and the timing/. If we make the day longer, for example end at 3:30 do the students who participate in sports who are going to another town for a game, the start time will eat into the educational day if we are the only school in the conference who is on that schedule. This time allows us some breathing room and the issue needs to be looked at holistically. Will this change be sustainable.

Ms. Kwak asked as part of that effort, when we see the large number of people moving from hybrid to remote or remote to hybrid is there a way to capture what is the impetus for that move?

Ms. Poelstra answered we can go back and have those conversations, we did not put it on the form since it is not required for people to give us a reason. We can ask the high school to touch base with kids and find out why.

Ms. Kelly said since it is her last meeting she requested to say a few words. She stated:

*First, I would like to thank Dr. Fishbein and the previous Board of Education for giving me the opportunity to service as the Business Administrator and Board Secretary for the Ridgewood Public School District. Thank you for trusting me to do the job I was hired to do. I would also like to thank all of the support staff and the staff at the Ed Center. I wish I could thank each of you individually so that the public could know how much I appreciate each and every one of you. This district could not function without all of you. I will miss you all very much.*

*To the teaching staff: I never got the chance to meet most of you in person, but I would like you to know that I am so proud to have been a part of this amazing school district, even if it was for only a few years. I hope that I have served you well.*

*To all of the administrators: You are the greatest group of administrators with which I have ever worked. I am in awe of the knowledge, experience, and dedication that you all bring to this district on a daily basis. I will miss all of you, as well.*

*To Ms. Townes: Ojetta, I believe you have the most difficult job in the district as the supervisor of HR. I have watched you perform your duties with grace, integrity, and empathy when needed. I will miss your advice and counsel.*

*To Ms. Poelstra: Stacie, in all my years in education, I have never met an individual more knowledgeable and experienced in curriculum and instruction. I have seen you work so hard for this district, especially through this awful pandemic. You have led the administrative team*

*all the way through this terrible situation and you continue to do so on a daily basis. To Dr. Fishbein: Dan, I have learned so much from you in the two short years that we have worked together. You are a man of integrity and a man of your word, you are kind, generous, and humble. Every decision you have made for this district was always in the best interest of the students and staff, regardless of what your critics say. We know the truth. I will be forever grateful for the opportunity I had to work with you in this district. I wish you all the best in your retirement.*

*To the Board of Education members: As the district continues through these unprecedented times, it is even more important for you to work as a team to navigate through these challenging events. This community is counting on you to make decisions that keep the students and staff in the forefront. I am hopeful that you will rise to the occasion. 28 years ago, I started my career in school finance; 7 years as an auditor in governmental accounting and 21 in school business administration. I have always taken my job very seriously and had the best interest of the students and staff in mind when making my decisions. I have been very fortunate to have worked in some of the best school districts in Bergen County. When I came to Ridgewood, I was so proud to become the first female Business Administrator for the district and to be the Business Administrator for the largest school district in Bergen County. It has been an honor and a privilege to serve as your Business Administrator and Board Secretary. Finally, I would like to wish Dr. Gorman and Mr. Bisig the best of luck. I know that you will both do a great job for this school district in your roles as Acting Superintendent and Business Administrator, respectively.*

#### **XV. COMMENTS FROM THE PUBLIC**

Laura Grasso, 136 Circle Ave., As a member of the community, staff, and REA leader, I want to take this opportunity to thank Ms. Antoinette Kelly for her service to the district and wish her well in her next position. I personally am thankful for the leadership and dedication you offered this district during your time here. Best of luck. You will be missed

Boyd. A. Loving, 342 South Irving Street, To clarify the comments I made earlier this evening, the document released on October 6 by the NJ State Department of Community Affairs was labeled as "Regulations" pertaining to remote meetings. Again, the document contains regulations, not guidelines. As such, I believe the District does not have the option of conducting remote meetings in any way other than what the State of NJ has specified. Thank you.

Lynn Benson, 117 John Street, As an advocate for social-emotional learning and overall health and well-being, I'm grateful for the presentation made by Mr. Pizzuto and Ms. DePinto this evening. And, I'm especially appreciative of the later school start time conversation which you all engaged in. Due to teens' biological shift with regards to circadian rhythm, resulting in falling asleep later and the need for more sleep in the mornings, the research clearly shows the benefits of later start times, not only for mental health and teens' immune system, but it also supports better outcomes in a number of areas, such as academics, athletics, and less car accidents. Hopefully, our district will make this a reality for our next school year. But in the meantime, should we go 100% virtual, let's not miss out on this critical opportunity. Thank you all for the endless hours you engage in to benefit our district. It's very much appreciated. Also, a quick final comment, Ms. Kelly, wishing you all the best. You will be

missed.

**XVI. MOTION TO GO INTO EXECUTIVE SESSION**

At 9:30 p.m., Mr. Lembo moved the following resolution. Ms. Kwak seconded the motion, which was unanimously approved. Mr. Lembo stated the minutes of the Executive Session will be released when the need for confidentiality no longer exists.

The Open Public Meetings Act authorizes a public body to meet in Executive Session under circumstances; and

Whereas, said law requires the Board to adopt a resolution at a public meeting before it can meet in such Executive Session to discuss a presentation by RPAT Solutions regarding personnel. No action will be taken in Executive Session.

**XVII. RECONVENED PUBLIC MEETING**

**XVIII. ADJOURNMENT**

At 10:05 p.m., by a motion made by Mr. Lembo and seconded by Ms. Kwak and unanimously approved, the meeting adjourned.

Respectfully submitted,

Joann Khoury-Frias  
Acting Business Administrator/Board Secretary

Lucy Papamichael  
Assistant Board Secretary

## 0164.6 REMOTE PUBLIC BOARD MEETINGS DURING A DECLARED EMERGENCY

### A. Purpose – N.J.A.C. 5:39-1.1

1. The purpose of N.J.A.C. 5:39-1.1 et seq. and Bylaw 0164.6 is to ensure a Board of Education or Board of Trustees of a charter school can conduct official public business in an open and transparent manner whenever a declared emergency requires a local public body to conduct a public meeting without physical attendance by members of the public.
2. Nothing in N.J.A.C. 5:39-1.1 et seq. prevents a local public body from holding a remote public meeting under such other circumstances as may be permitted by the Open Public Meetings Act, N.J.S.A. 10:4-1 et seq.

### B. Definitions – N.J.A.C. 5:39-1.2

For the purpose of this Bylaw and in accordance with N.J.A.C. 5:39-1.2, the following words and terms have the following meanings, unless the context clearly indicates otherwise:

"Adequate notice" shall have the same definition as at N.J.S.A. 10:4-8; however, for the purpose of N.J.A.C. 5:39-1.1 et seq., and to the extent not otherwise set forth at N.J.S.A. 10:4-8, the notice transmitted to at least two newspapers for publication may occur through electronic mail or other electronic means that is accepted or requested by the newspaper.

"Annual notice" means a schedule of regular meetings of the public body to be held in the succeeding year noticed pursuant to N.J.S.A. 10:4-8 and 10:4-18. For the purpose of N.J.A.C. 5:39-1.1 et seq., the annual notice may be transmitted through electronic mail to newspapers and persons requesting an annual notice pursuant to N.J.S.A. 10:4-18. If the declared emergency prevents the local public body from mailing an annual notice to individuals requesting notice pursuant to N.J.S.A. 10:4-18, it shall be mailed to individuals for whom the local public body does not have an electronic mail account as soon as practicable.

"Board" or "Board of Education" means a Board of Education or a Board of Trustees of a charter school as defined as a "local public body" or "public body" as per N.J.A.C. 5:39-1.2.

"Declared emergency" means a public health emergency, pursuant to the Emergency Health Powers Act, P.L. 2005, c. 222 (N.J.S.A. 26:13-1 et seq.), or a state of emergency, pursuant to P.L. 1942, c. 251 (N.J.S.A. App.A.9-33 et seq.), or both, or a state of local disaster emergency that has been declared by the Governor and is in effect.

During a Declared Emergency

"Electronic notice" means advance notice available to the public via electronic transmission of at least forty eight hours, giving the time, date, location and, to the extent known, the agenda of any regular, special, or rescheduled meeting, which shall accurately state whether formal action may or may not be taken at such meeting.

"Internet" means the international computer network of both Federal and non-Federal interoperable packet switched data networks.

"Live streaming" means the live audio and video transmission of a remote public meeting over the Internet.

"Local public body" means any "public body," as that term is defined in N.J.S.A. 10:4-8, with territorial jurisdiction equal to or less than a county. This term shall include Boards of Education, counties, municipalities, boards and commissions created by one or more counties or municipalities, and any authorities subject to N.J.S.A. 40A:5A-1 et seq., including fire districts and other special districts, along with joint meetings or regional service agencies as defined in N.J.S.A. 40A:65-3.

"Public business" means and includes all matters which relate in any way, directly or indirectly, to the performance of the public body's functions or the conduct of its business.

"Public meeting" means and includes any gathering whether corporeal or by means of communication equipment which is attended by, or open to, all of the members of a public body, held with the intent, on the part of the members of the body present, to discuss or act as a unit upon the specific public business of that body. Meeting does not mean or include any such gathering (1) attended by less than an effective majority of the members of a public body, or (2) attended by or open to all the members of three or more similar public bodies at a convention or similar gathering.

"Remote public meeting" means a public meeting that is conducted by any means of electronic communication equipment permitted pursuant to N.J.A.C. 5:39-1.1 et seq.

C. Circumstances Under Which a Board of Education May Hold a Remote Public Meeting During a Declared Emergency for Conducting Public Business – N.J.A.C. 5:39-1.3

1. In addition to any circumstances under which public meetings held by means of communication equipment may be authorized pursuant to the Open Public Meetings Act, N.J.S.A. 10:4-1 et seq., the Board may hold a remote public meeting to conduct public business during a declared emergency if the emergency reasonably prevents the Board from safely conducting public business at a physical location with members of the public present.
2. If, during a declared emergency, the Board holds a physical meeting in a location where, pursuant to State and/or Federal guidelines meant to mitigate the risk of a

contagious infection, the declared emergency necessitates capacity restrictions reducing the number of individuals that can be present in the meeting room to an amount below that reasonably expected for the public meeting by the Board, the Board must either hold the public meeting at another location with adequate capacity for the reasonably expected attendance by the public or hold the public meeting as both an in-person meeting and a remote public meeting.

a. As set forth at N.J.A.C. 5:39-1.4(c), no in-person meeting shall proceed if the room capacity does not permit any member of the public to attend.

3. Nothing in N.J.A.C. 5:39-1.3 shall be interpreted to prevent the Board from broadcasting the audio and/or video of, or taking remote public comment during, a public meeting that the public can physically attend without being subject to public health-related capacity restrictions.

D. Minimum Technological and Procedural Requirements for Remote Public Meetings Necessitated by a Declared Emergency – N.J.A.C. 5:39-1.4

1. If a declared emergency requires the Board to hold a remote public meeting to conduct public business, the Board shall use an electronic communications technology that is routinely used in academic, business, and professional settings, and can be accessed by the public at no cost.

a. Participant capacity on the selected platform should be consistent with the reasonable expectation of the public body for public meetings of the type being held and shall not be limited to fewer than fifty public participants (beyond those persons required to conduct business at the meeting).

2. Remote public meetings may be held by means including, but not limited to, audio-only teleconferencing, electronic communications platforms with video and audio, and Internet-accessible technology, such as live-streaming.

a. If an electronic communications platform or Internet-accessible technology is being utilized for a remote public meeting, a telephonic conference line shall also be provided to allow members of the public to dial-in by telephone to listen and provide public comment as otherwise required by law.

b. The Board shall require members of the public to state, prior to providing public comment, whether they wish to speak and to identify themselves prior to speaking.

3. The Board shall provide the public with similar access to a remote public meeting as members of the Board, staff of the Board, and any individuals seeking one or more approvals from the Board.
  - a. If a remote public meeting is held by audio and video, the public shall also have the opportunity to participate in the meeting in both audio and video capacities.
  - b. The Board meeting held in-person shall not prohibit members of the public from attending in-person.
4. Any remote public meeting where sworn testimony is being taken shall be broadcast by video, as well as by audio.
  - a. All individuals giving sworn testimony at a remote public meeting shall appear by video in addition to audio.
5. Any presentations or documents that would otherwise be viewed or made available to members of the public physically attending the Board meeting shall be made visible on a video broadcast of the remote public meeting or made available on the Internet website or webpage of the entity governed by the Board, or the Internet website or webpage of the entity responsible for appointing the members of the Board.
  - a. If a document would be made available to individual members of the public in hard copy while physically attending the meeting, the document shall be made available in advance of the meeting for download through an internet link appearing either on the meeting notice, or near the posting of the meeting notice, both on the website and at the building where the meeting would otherwise be held.
  - b. If the Board does not have its own website, such documents shall be available upon request ahead of the meeting and provided through an official social media account if one
6. The Board holding a remote public meeting shall allow members of the public to make public comment by audio, or by audio and video, if the remote public meeting is held over both audio and video, during the meeting.
  - a. In advance of the remote public meeting, the Board shall allow public comments to be submitted to the Business Administrator/Board Secretary by electronic mail and in written letter form by a reasonable deadline.

- b. The Board shall accept text-based public comment received during a remote public meeting held through an electronic communications platform or Internet-accessible technology. Public comments submitted before the remote public meeting through electronic mail or by written letter shall be read aloud and addressed during the remote public meeting in a manner audible to all meeting participants and the public.
    - c. The Board shall impose a reasonable time limit, where permitted by law, of four minutes on individual public comments and the same limits shall be placed on the reading of written comments. Each comment shall be read from the beginning, until the time limit is reached. The Board may pass over duplicate written comments; however, each duplicate comment shall be noted for the record with the content summarized. If the Board elects to summarize duplicative comments, the Board must not summarize certain duplicative comments while reading other duplicative comments individually.
7. The electronic communications technology used for a remote public meeting must have a function that allows the Board to mute the audio of all members of the public, as well as allow members of the public to mute themselves.
  - a. Any electronic communications platform or Internet-accessible technology used for a remote public meeting shall also allow the Board to regulate participation by individual members of the public.
  - b. A telephonic audio conference call line must have a queueing or similar function for regulating public comment.
8. Subject to D.5. and D.6. above, the Board shall adopt, by resolution, standard procedures and requirements for public comment made during a remote public meeting, as well as for public comments submitted in writing ahead of the remote public meeting.
  - a. Such procedures and requirements shall include standards of conduct to be followed by members of the public when making comment.
  - b. The procedures and requirements for making public comment, along with an explanation of the audio muting function of the electronic communications platform being used, shall be announced at the beginning of the remote public meeting.

- c. Regulation of conduct by members of the public on a remote public meeting shall be consistent with law and practices followed if a member of the public disrupts an in-person meeting. The following procedures shall be incorporated:
  - (1) The Board shall facilitate a dialogue with the commenter to the extent permitted by the electronic communications technology;
  - (2) If a member of the public becomes disruptive during a remote public meeting, including during any period for public comment, the member of the Board charged with running the remote public meeting shall mute or continue muting, or direct appropriate staff to mute or continue muting, the disruptive member of the public and warn that continued disruption may result in being prevented from speaking during the remote public meeting or removed from the remote public meeting.
    - (a) Disruptive conduct includes sustained inappropriate behaviors, such as, but not necessarily limited to, shouting, interruption, and use of profanity.
  - (3) A member of the public who continues to act in a disruptive manner after receiving an initial warning may be muted while other members of the public are allowed to proceed with their questions or comments.
    - (a) If time permits, the disruptive individual shall be allowed to speak after all other members of the public have been given the opportunity to make their comment. Should the person remain disruptive, the individual may be muted or kept on mute for the remainder of the remote public meeting, or removed from the remote public meeting.
9. Electronic communications platforms and Internet-accessible technologies used for remote public meetings shall be hosted on FedRAMP Moderate Impact Level Authorized dedicated servers or in a FedRAMP Moderate Impact Level Authorized Cloud, unless the host of the dedicated servers or cloud provides annual evidence of satisfactory cybersecurity internal controls through a SOC2 audit report.
  - a. When using cloud services, the technology vendor shall check provider credentials and contracts to ensure FedRAMP Moderate Impact compliance unless annual evidence of satisfactory internal controls is provided through a SOC2 audit report.

- E. Notice of Remote Public Meetings; Statement in Minutes – N.J.A.C. 5:39-1.5
1. Adequate notice of a remote public meeting must include, in addition to the content required pursuant to N.J.S.A. 10:4-8, clear and concise instructions for accessing the remote public meeting, the means for making public comment, and where relevant documents, if any, will be made available.
  2. In addition to adequate notice, the Board shall also provide electronic notice of a remote public meeting, except as may be permitted pursuant to N.J.S.A. 10:4-9.3 and E.3. below.
    - a. The electronic notice shall contain the content required pursuant to N.J.S.A. 10:4-8 and 10:4-9.1 and E.1. above, and shall be posted on the Internet website or webpage of Board and/or school district, or the entity responsible for appointing the members of the Board.
      - (1) If the Board does not have a website, electronic notice shall be provided on an official social media platform of the Board; however, electronic notice is not required if the Board does not have an internet presence.
      - (2) Unless otherwise prohibited by the declared emergency, the content of the electronic notice shall also be posted on the main access door of the building where the public would routinely attend public meetings of the Board in-person. The notice must be viewable from the outside.
  3. If during a declared emergency the Board elects to issue electronic notice of a remote public meeting in lieu of, rather than in addition to, adequate public notice, as permitted pursuant to N.J.S.A. 10:4-9.3, the Board shall limit public business discussed or effectuated at the meeting to matters:
    - a. Necessary for the continuing operation of government and which relate to the emergency declaration connected with the declared emergency; or
    - b. Requiring decision during the remote public meeting due to imminent time constraints.
  4. Nothing in N.J.A.C. 5:39-1.5 prohibits the Board from holding a remote public meeting, notwithstanding the failure to provide adequate notice and electronic notice where permitted pursuant to N.J.S.A. 10:4-9.
  5. If the Board expects to conduct remote public meetings for a series of regularly scheduled meetings advertised in its annual notice, the annual notice shall be

- revised at least seven days prior to the next regularly scheduled meeting, indicating which meeting(s) will be held as a remote public meeting and shall contain clear and concise instructions for accessing those remote public meetings, the means for making public comment, and where relevant documents, if any, will be made available.
- a. In addition to the means of notice transmission required pursuant to N.J.S.A. 10:4-18, the revised annual notice shall be posted on the Internet website or webpage of the Board and/or school district, or the entity responsible for appointing the members of the Board.
  - b. If the Board does not have its own website, the revised notice shall be provided on an official social media platform unless the Board does not have an Internet presence.
  - c. Unless otherwise prohibited by the declared emergency, the content of the electronic notice shall also be posted on the door of the main public entrance to the building where the public would routinely attend public meetings held by the Board.
    - (1) Notice must also be posted on the door for any designated and clearly delineated handicap accessible entrance. These notices must be viewable from the outside.
6. If a previously scheduled Board meeting was to allow public attendance without a public health-related restriction as to capacity, but the Board intends to hold the same meeting as a remote public meeting due to a declared emergency and the change is not reflected in a revised annual notice issued pursuant to E.5. above, the Board shall issue adequate and electronic notice for said meeting pursuant to E.1. and E.2. above as if the meeting were not included in the annual notice.
7. At the commencement of every remote public meeting of the Board, the person presiding shall announce publicly, and shall cause to be entered in the minutes of the meeting, an accurate statement to the effect that:
- a. Both adequate and electronic notice of the meeting has been provided, specifying the time, place, and manner in which such notice was provided;
  - b. Only electronic notice of the meeting has been provided, specifying the time, place, and manner in which such notice was provided, and that discussion and effectuation of public business shall be limited to only those matters:

**Visitors:**

Not applicable

**II. FLAG SALUTE AND PLEDGE OF ALLEGIANCE**

Mr. Lembo led those present in the Pledge of Allegiance.

**III. OPENING STATEMENT BY PRESIDING OFFICER**

Mr. Lembo announced that pursuant to the requirements of the Open Public Meetings Act, advance notice of this meeting had been given to The Ridgewood News, The Record, and the Clerk of the Village of Ridgewood. In addition, notices were posted in the office of the Board Secretary and in all school buildings. Due to health concerns related to the COVID-19 meeting the public cannot attend the meeting and public comments can be called in or submitted through the website.

**IV. PRESENTATIONS**

**A. STUDENT REPRESENTATIVE REPORT**

The Ridgewood Public School System along with the Ridgewood Health Department decided to temporarily move RHS to an all-remote learning environment and in-person learning will resume on Wednesday, December 9. The students, teachers, and staff have been through this once before which means that we can use our previous experiences with all remote instruction to better adjust to this method of learning. Regardless, the students and teachers have still found ways to follow through with their activities despite not being in the building.

Academics:

- The school-based mental health team sent out their first mental health and well being monthly newsletter to the school community.
- The RHS students who are in the AP economics program practiced their business and accounting skills by baking treats at home and then competed against their classmates. An RHS senior raised over \$300, which he then donated to the Habitat for Humanity organization.
- The RHS Alumni Association launched the Alumni Career Series Program which provides RHS seniors with a spring externship option as well as a webinar series where prominent RHS alumni share their experiences at RHS to the students. The first speaker was Jamie Cariddi, from the class of 1995, who is the Chief Administrative Officer at Wells Fargo Securities and he shared about his life on Wall Street.

#### Arts:

- The RHS High Times chiefs, editors, and columnists have been hard at work all to make sure that the December issue is flawless.
- The Newplayers are hoping to be able to perform *Macbeth* in the spring but their virtual performance of *A Christmas Carol* will be released sometime before the holidays.
- Despite not being in school full time, the choir classes have been preparing several different pieces. They utilize Zoom breakout rooms to catch everybody up and then conduct the rehearsal.

#### Athletics:

- The varsity girls and varsity boys cross country teams won sectional titles at the NJSIAA North 1 sectional meet. The freshmen girls cross country team finished first in the freshmen state championship meet which earned them a state title.
- Several of the RHS Senior athletes have committed to playing their sport at the collegiate level. The Ridgewood community could not be more excited to see what the future holds for them.

#### Activities:

- The student government is in the process of collecting feedback from the students on virtual learning to improve for the future. The senior slideshow was canceled so they are finalizing the details for the spring events for the seniors and they are also making school merchandise for each of the classes.
- Project Interact is hosting a virtual Giving Tree project where they're encouraging the Ridgewood community to donate money to organizations based on the items they have at home. This is an excellent way for students and families all throughout the district to help out other families during this time of crisis.

#### Miscellaneous:

- A few of the RHS juniors gathered at Graydon Pool a few weekends ago to

hold a food drive. They received donations of canned food to help out local families in the area

**B. RESOLUTION HONORING DANIEL FISHBEIN, Ed.D**

Whereas, Dr. Daniel Fishbein has served with distinction as Superintendent of the Ridgewood Public Schools from 2008 until 2020;

Whereas, Dr. Fishbein, with tremendous energy, an unwavering passion for education, a genuine love of children, and a deep understanding of the complexities of human nature, has guided the district with fairness and integrity at all times;

Whereas, Dr. Fishbein, during his twelve-year tenure, engaged the community and staff in three strategic planning sessions; reaffirming the vision, beliefs, and mission of the district and formulating goals focused on our students' education, habits of learning, and continuous improvement;

Whereas, Dr. Fishbein, with his extensive knowledge of curricula, led the district to analyze and assess the course of study across all grades through a five-year review cycle aligned with the Ridgewood Public Schools' mission of providing a rich and challenging learning environment, enabling students to maximize their unique potential;

Whereas, Dr. Fishbein was instrumental in bringing full-day kindergarten to Ridgewood. With notable focus and energy, he engaged community members in discussions enumerating the key reasons why full-day kindergarten would improve educational outcomes for Ridgewood's youngest learners;

Whereas, Dr. Fishbein sought to improve special education in Ridgewood. Under his leadership, a thorough review of special education services was undertaken, training in the Orton-Gillingham approach was offered to staff, in-district programs were designed and expanded, and the STEPSS program for students ages 18 to 21 was initiated;

Whereas, Dr. Fishbein's in-depth understanding of the importance of the social and emotional learning needs of all students led to the expansion of in-school counseling services. In addition, he embraced the Stigma-Free initiative to enhance the conversation about and address mental health needs;

Whereas, Dr. Fishbein believes that the school environment is integral to quality learning, and he systematically worked to improve our school facilities by budgeting funds for maintenance and capital improvements. He spearheaded and planned the successful 2009 referendum that resulted in new instructional space added to four school buildings, major system replacements at Ridgewood High School, and expanded athletic facilities for our students and the community.

Whereas, Dr. Fishbein led the district's green initiatives through energy savings programs and the installation of solar panels at school buildings engaging students and staff in sustainability and energy conservation efforts;

Whereas, Dr. Fishbein's leadership through the 2020 pandemic has been especially

notable. Ridgewood was prepared to make the transition to remote learning because of the 1-to-1 Initiative that put a Chromebook in every student's hand and the professional development offered to staff to enhance technology skills and usage. Throughout the spring of 2020, Dr. Fishbein's weekly emails to families provided comfort, critical information, and welcome humor during dark and uncertain days. Dr. Fishbein's steady leadership through a complex and evolving reopening plan in the fall of 2020 allowed Ridgewood schools to open September 2<sup>nd</sup>, offering both in-person and remote learning options;

Whereas, Dr. Fishbein is admired for his fair and unbiased hiring practices and his ability to build a team of highly qualified administrators;

Whereas, Dr. Fishbein models positive leadership that is manifested in the relationships he builds and the ultimate success of the district and our students;

Whereas, Dr. Fishbein as an educational leader and mentor is highly respected by his fellow superintendents and the aspiring superintendents whom he teaches; and

Whereas, Dr. Fishbein is an advocate for educational excellence and is active in public education groups and associations, including the NJASA and the Garden State Coalition of Schools; now, therefore, be it

Resolved, that we, the members of the Ridgewood Board of Education, wish Dr. Daniel Fishbein all the best in retirement, and be it further

## V. COMMENTS FROM THE PUBLIC

Matthew Murphy, 315 Kenilworth Road, He stated that Dr. Fishbein started in the district when his daughter started at Somerville, at the time there was a lot of ugliness going on in the schools. Dan did what great leaders do, took his time, asked questions and checked his ego at the door. He brought the community together at a time when the community could have been split. The staff and the board of ed rallied at that time. It is not easy to be the Superintendent in a town that you live in when you are raising 5 children in the district. Our job as leaders is to represent the entire community. He has never doubted how much Dr. Fishbein loves Ridgewood, the students and the staff. He is one of the kindest, most ethical human beings. He is glad and blessed that Dan led the district during these years. He wished the entire board the best success as they move forward. He said he stood here 13 years ago and told the board that they had a local boy and you now have now he stands here again stating that you have another local boy.

Dr. Tom Gorman, Principal RHS, echoed Dr. Murphy's comments and stated that this was a beautiful proclamation. He was talking with Dr. Fishbein earlier in the day and they Agree that it is all a team effort. Dr. Fishbein has pushed and prodded everyone, but has said yes when members came to him with sound ideas and been able to move forward. Tonight he is the only one who could attend but on behalf of the administrative staff, he thanked everyone. And commented that Dr. Fishbein always got the snow day calls correct.

Bob Hutton, 265 Hillcrest Road, calling on behalf of Laurie Goodman, Mark Bombase, Joseph Valerini, Michelle and Sheila Brogan to express their respect, administration and thanks to Dan Fishbein, He discussed the pick 6 interview process of how Dr. Foishbein was hired. He was the local guy from down the street. In June they appointed him to the Ridgewood Public Schools. He thanked him for his 12 years of outstanding service. He also thanked him personally for his help during his cancer battle. He asked his former colleague, Sheila Brogan to present Dr. Fishbein with gifts from the "pick 6" board members including a colleague of photos and a gift card. He thanked him from all of the previous board members. He will be missed by many.

Michael Yannone, 320 Kenilworth Road, On behalf of the Ridgewood Education Association, I would like to wish Dr. Fishbein congratulations on his retirement and thank him for his tireless service to the district these past 12 years. Our district looked very different 12 years ago – our students learned differently and where they learned was also quite different. During Dr. Fishbein's time as superintendent Ridgewood has moved towards more individualized instruction, technology has been placed directly in the hands of our students, and our facilities have been greatly improved. Our district is better for his leadership and the teachers and secretaries of the district offer him our heartfelt thanks and wish him nothing but the best as he begins his retirement.

Lynn Benson, 117 John St., I am unable to watch the BOE meeting this evening but wanted to be sure to submit this note. Dr. Fishbein, our family wishes you all the best. Thank you for all your contributions toward the Ridgewood Public School system. In addition to adhering to the Tradition of Excellence in terms of academics, we are grateful for the increased commitment toward health and wellness over the years as well, which in return, supports academic outcomes. Under your leadership, SEL has strengthened, guidance counselors were added to support students' needs, Care Plus was implemented, and the mental health coordinator position was created...all highly important components to support our community of students, parents, and Ridgewood staff members. Also, with regards to the Covid19 pandemic, your leadership throughout has been incredible. We were one of the first districts to open our doors, and one of the last to need to go 100% virtual for periods at a time. Having to lead during this pandemic must have been one of the most challenging aspects of your time as superintendent, while simultaneously addressing so many diverse, strong opinions. The DEI focus in recent months, along with the hiring of an expert trainer is yet another initiative which we're grateful for. As evidenced by the incredible reaction and response by the RPS administrators and faculty, along with many community members when you announced your decision, you will be greatly missed. Again - wishing you all the best.

Stacey Loscalzo, 174 N. Pleasant Ave., Dr. Fishbein- Thank you so much for all your work over the past 12 years. Ridgewood Public Schools thrived under your leadership. You will be missed. Good luck in your future endeavors.

Gianna Adam, 562 Morningside Rd., When will the school travel restriction adjust to the recently updated NJ State and CDC guidelines?

Kathy Marshall 136 Linden Street, thanked Dr. Fishbein on behalf of the Marshall family. She has always appreciated Dr. Fishbein's sensitivity, leadership and presence everywhere

she went including community events, presentations and sporting events. She wished him good luck and happy retirement.

## VI. PRESENTATIONS

### A. STRATEGIC PLAN UPDATES

#### ➤ Ms. Poelstra

Ms. Poelstra provided an update on the Vision 2024 Strategic Plan and reinforced the district's commitment to the vision and goals, which are reflected in the Beliefs and Practices document. The five areas of focus are learning, teaching, culture, governance, and community.

Ms. Poelstra pointed out two indicators that support the district's belief in the area of learning and discussed how the middle school portfolio initiative aligns with these actions. The portfolios demonstrate the students' proficiency in each subject area in a way that reflects the habits of learning (critical thinking, empathy, creativity, and resilience). The growth reflection component of the portfolio relates to indicator C - students regularly reflect upon the learning process and evaluate and use feedback to demonstrate growth.

In the area of teaching, the district is committed to the ongoing professional learning of teachers, which is evident in the expansion of the New Teacher Induction Program to include four years of professional development facilitated by department supervisors. Ms. Poelstra thanked the administrators for contributing to this important opportunity to acclimate and support our new teachers. Year one focuses on introducing teachers to the district, and sessions are led by Jeannie O'Neill, Michelle Fenwick, and Joyce Cerbasi. Mark Ferreri and Chris McCullough work with year two teachers to help them expand their instructional repertoire and learn new strategies. In year three, we begin to emphasize the importance of building leadership. Teachers are asked to design a leadership project that aligns with the Beliefs and Practices of Vision 2024. Susan Nold has contributed to year four of the program, and she works with teachers to reflect on their journey.

The district began training in Diversity, Equity, and Inclusion, which was identified in the strategic planning process as an area of need. Seventy staff members are participating in training related to building cultural competence. The first of the four sessions conducted by 3CP focused on CQ Drive, which helps participants recognize their level of interest, persistence, and confidence during multicultural interactions. The remaining sessions will cover CQ Knowledge, CQ Action, and CQ Strategy.

In the governance sector, the strategic planning committee felt that communication with stakeholders must be consistent and transparent. Ms. Poelstra showed the new Communications Central website that was developed over the summer. The district communications plan, correspondence, newsletters, press releases, and media coverage are a few examples of what can be found on this website.

STEPPS (School Transition and Employment Program for Student Success) was

started for the 18-21-year-old population, and Ms. Poelstra shared some of the recent developments. A partnership with the REED Foundation is being explored, including potential internships with the hydroponic farm in Hackensack, and trial internships at a local business are beginning. Ms. Poelstra concluded by thanking the administrative team, teachers, and students for their ongoing commitment to the goals of the strategic vision for the district.

Ms. Poelstra's presentation can be found on the district website.

**B. SUPERINTENDENT SEARCH UPDATE**  
➤ **R-PAT Solutions LLC**

Mr. Lembo stated this discussion will be conducted during the executive session.

**VII. SUPERINTENDENT'S REPORT**

**A. Superintendent Comments**

Dr. Fishbein made the following statement:

*We continue to monitor the COVID-19 infection rates in our community and surrounding communities. While we have been able to stay open as a district and only close individual schools. Our neighboring districts have had to close for extended periods of time. We are starting to experience a staffing issue based on these closings. It has to do with staffing because as these districts close and go remote, this impacts our staff who have children in those districts and do not have childcare.*

*We are monitoring the situation, but it may impact our ability to stay hybrid. Thank you to the Ridgewood Board of Education both present and past Board of Education members for permitting me to serve my own community where my wife and I chose to raise our own five children.*

*We have an excellent teaching staff and I thank them for their service to the community pre-COVID and during COVID.*

*Our support staff is what makes the district run. I thank them for their service to the students and staff.*

*Our Administrators are really second to none. They work tirelessly to make sure our schools operate at a level that is envious of all other districts. Ridgewood is the standard that all other districts aspire to.*

*Over the past 12 plus years, a lot has been accomplished in the district and it was all accomplished through teamwork. I am not even going to attempt to list anything. I do want to offer some advice. Think long term when making decisions.*

- *Infrastructure is not sexy, but the bathroom you renovate will be there for at least*

*50 years. A performing arts center is not just for this generation, but for generations to come.*

- *Make changes in curriculum and instruction for thoughtful, correct reasons that are based on improving student experiences.*
- *School funding - fund our schools to a level that makes what we do, educate students, sustainable.*
- *Let administrators administer our schools at the central office and school level.*
- *Look to policy to assist the administrators for the present and future.*
- *Support the arts, athletics and all student activities to the fullest level possible.*
- *Continue to build programs that support all students especially those with learning challenges RISE, RED, REACH, NOVA, Unified Sports and STEPPS make us special because we make a statement of the importance of education to the neediest members of our educational community.*
- *Finally, treat each other with respect. Education is a service calling. Honor those who have knowledge based on successful longevity and learn from each other.*

*Thank you for allowing me to serve my community.*

Mr. Lembo read the donations into record and thanked the responsible parties.

**vii. Approve: Appointment of Architect**

The Ridgewood Board of Education, upon the recommendation of the Superintendent of Schools, authorizes the award of the Architect of Record services of FKA Architects, Oakland, NJ, for the period of December 8, 2020 through December 7, 2021, as per the rates listed on **Attachment B**.

The separate vote on item B. Administration vii. Approve: Appointment of Architect

Mr. Dani moved approval of B. Administration vii. Appointment of Architect.

Ms. Kwak seconded the motion, which was carried by the following roll-call vote:

AYES: Mr. Dani, Mr. Kaufman, Ms. Kwak, Mr. Lembo  
NAYES: Ms. Brogan

Ms. Brogan stated she is voting no because the goal was to have an engineering and architectural firm approved and she has some concerns that the board did not do its due diligence on reference checks. When she looks at capital projects the majority of them need an engineer.

Mr. Dani voted yes because he believes they did their due diligence, they had lots of applications reviewed by the committee including administrators and board members.

Mr. Kaufman stated that this is an architect that has done extensive work in neighboring districts and believes that they have been researched extensively.

Ms. Kwak thanked the administrators who put in a lot of hours and who went through the architect applications. The board also was involved and gave everyone the attention and looked through the applications. She hesitates to have a punctuation oversight prevent FKA from being approved and looks forward to working with them.

## **XII. BOARD MEMBER ANNOUNCEMENTS**

Ms. Brogan congratulated the New Players for putting on a remote presentation.

Mr. Lembo stated that the band is selling poinsettias, Ridgewood Lacrosse is doing a drive and Kelly Ann Kreegan Organization was collecting coats last Saturday. The Alumni Association has a store set up and showcases items from alumni or Ridgewood residents. The Ridgewood PD, Fire Dept and Dad's Night will be at Somerville collecting toys for

children. Every HSA also has some type of a food drive going at this time.

### **XIII. BOARD COMMITTEE REPORTS**

Ms. Kwak reported that the negotiations committee had a productive meeting, and they look forward to continuing the dialog with the REA.

Mr. Kaufman reported that the Fields Committee meets about once per month, and they have been discussing recent vandalism. Mr. Kaufman encouraged parents to speak with their children about what has been happening and also to let them know that cameras may be installed.

Mr. Lembo reported that on Saturday, November 21, the NJSBA Delegate Assembly met. A discussion took place about how to conduct QSAC remotely for districts undergoing this process. The Delegate Assembly passed a resolution that if a Board member runs for an open seat in an election and his/her current term has not yet expired, the Board member must resign the current seat.

### **XIV. DISCUSSION ITEMS**

Mr. Kaufman shared a parent's concern about the high cost of the hockey program, and he suggested that the Board consider talking about funding the program this next year.

Dr. Fishbein stated that there are several other sports are also completely funded by parents including skiing, crew, and fencing. In the past parents have commented that hockey has gotten cheaper as students went into the high school because the travel teams are so expensive. When this was originally approved, the board agreed to pay a certain amount and the rest to be funded by the parents.

Ms. Brogan asked for participation levels of each sport, budget information, etc to make a decision.

Dr. Fishbein discussed changes regarding the CDC's guidelines for COVID-19 quarantine, our health department would like us to continue to follow the 14-day quarantine at this point.

Ms. Brogan asked if there are different rules for closing at the different school levels.

Dr. Fishbein replied that the rules are the same, if there are two cases with an unknown origin within a certain amount of days, there may be a link and there is the possibility of closure of that building.

Dr. Fishbein stated that our health department, nurses, Dr. Yankus, and Mr. Kilday have done a wonderful job with the behind the scenes work. Not all districts have their own health department. We have been fortuitous to have our nurses trained in contact tracing in the spring. If we are not closed for medical reasons but for staffing issues, ITDC and Alphabest can still operate.

Mr. Dani discussed the announced shortening of the quarantine time and reduction to 7

days. Today he has heard Governor Cuomo mention that in NY State that they are stating that schools are the safest place since they are not seeing transmission happening in schools.

#### **XV. ACCEPTANCE OF MINUTES**

- November 2 Regular Public Meeting
- November 3 Executive Session
- November 11 Executive Session
- November 16 Executive Session

Ms. Kwak advised that she submitted minor edits to the November 2 Regular Public Meeting, and requested that the minutes be approved with the suggested edits. She advised the edits were minor including Mr. Dani's name was misspelled, and the word adjourn was missing.

Mr. Lembo moved Acceptance of Minutes.

Ms. Kwak seconded the motion, which was unanimously approved.

#### **XVI. OTHER BUSINESS**

#### **XVII. COMMENTS FROM THE PUBLIC**

Ann Burton Walsh, 112 South Irving Street, This is to thank Dr. Fishbein sincerely for his service to our district. Dr. Fishbein, I have always appreciated your responsiveness to parents' and community's concerns about pressing issues throughout the years, your attendance at community events and seminars, and your support of Diversity, Equity, and Inclusion. Thank you, too, for your support of the Census 2020 effort and other civic matters. We wish you all the best in your future endeavors - you will be missed! I am also writing in favor of the Board's use of focus groups or some other type of live public participation in the superintendent search

Emily Boshart, 296 Mountain Ave., Why isn't Ridgewood public schools following the new travel quarantine guidelines published by the CDC and New Jersey Department of Health? New Jersey allows quarantine to end after seven days with a negative test result but Ridgewood will not allow a student to return to school for a full two weeks.

Kate Krsnak, 25 Lee Ave., As a teacher at Ben Franklin, I would just like to thank Dr. Fishbein for his leadership and guidance, and for his part in helping to make this district a great place to work. Wishing you all the best in your retirement!

Laura Grasso, 136 Circle Ave., I wanted to personally thank Dr. Fishbein for his 12 years of service to the staff, faculty, students, and families in the district. You will be sorely missed and always remembered as a man of integrity and class. You were more than just a superintendent to this village. My wish for you is that the days ahead be filled with adventure, relaxation, reflection, and anything else you hope to accomplish. It has been my pleasure working with you and for you. I thank you for the sacrifices you made to oversee this district. I also want to personally recognize and thank your wife Susan and your five children for the mornings, days, and nights that you were out of the home to help

better this village and school district. Lastly, I want to personally thank you for your support and genuine care to me and my family during Jim's illness and following his passing. I will forever remember your kindness and words of comfort. I look forward to seeing you around town.

**XVIII. MOTION TO GO INTO EXECUTIVE SESSION**

At 8:24 p.m., Mr. Lembo moved the following resolution. Ms. Kwak seconded the motion, which was unanimously approved. Mr. Lembo stated the minutes of the Executive Session will be released when the need for confidentiality no longer exists.

The Open Public Meetings Act authorizes a public body to meet in Executive Session under circumstances; and

Whereas, said law requires the Board to adopt a resolution at a public meeting before it can meet in such Executive Session to discuss matters related to personnel. No action will be taken in Executive Session.

**XIX. RECONVENED PUBLIC MEETING**

**A. MOTION TO MOVE INTO EXECUTIVE SESSION**

Mr. Lembo moved the following resolution. Mr. Dani seconded the motion, which was unanimously approved.

Whereas, said law requires the Board to adopt a resolution at a public meeting before it can meet in such Executive Session; now therefore,

Be it resolved, by the Ridgewood Board of Education, that it does hereby determine that it is necessary to meet in Executive Session to discuss a personnel and/or litigation matter and/or negotiations and/or contract matter.

Mr. Lembo announced the Board has been meeting in Executive Session pursuant to NJSA:12. The minutes from this meeting will be released when the need for confidentiality no longer exists. The Board was meeting to discuss issues of Personnel.

**B. MOTION TO OPEN REGULAR SESSION**

At 7:02 p.m., Mr. Lembo called the Regular Public Meeting to Order.

**C. REGULAR PUBLIC MEETING SESSION CALL TO ORDER AND ROLL CALL**

**Present:**

Mr. Michael Lembo, President; Ms. Hyunju Kwak, Vice President; Ms. Sheila Brogan;

Mr. Cristopher Kaufman; Mr. Saurabh Dani

**Also Present:**

Dr. Thomas Gorman, Acting Superintendent; Ms. Stacie Poelstra, Assistant Superintendent for Curriculum, Instruction & Assessment; Mr. Scott Bisig, Business Administrator/Board Secretary, Ms. Ojetta Townes, Manager of Human Resources, Zoe Kovac, Student Representative

**Visitors:**

**II. FLAG SALUTE AND PLEDGE OF ALLEGIANCE**

Mr. Lembo led those present in the Pledge of Allegiance.

**III. OPENING STATEMENT BY PRESIDING OFFICER**

Mr. Lembo announced that pursuant to the requirements of the Open Public Meetings Act, advance notice of this meeting had been given to The Ridgewood News, The Record, and the Clerk of the Village of Ridgewood. In addition, notices were posted in the office of the Board Secretary and in all school buildings. Due to health concerns related to the COVID-19 meeting the public cannot attend the meeting and public comments can be called in or submitted through the website.

**IV. PRESENTATIONS**

**A. STUDENT REPRESENTATIVE REPORT**

Zoe Kovac stated that with winter break and the holidays approaching quickly, the students, teachers, and staff are looking forward to a well-deserved break. Until then, the students are finishing up assignments, school clubs are hosting their last meetings until we return from break, and extracurricular activities, as well as various sports teams, are getting ready for the new year.

**Academics:**

- The RHS National Honor Society held a food drive where they received a total of 400 food and non-food items which were then donated to the Social Services Association food pantry.
- The RHS InvenTeam has been working hard to find solutions to working in a safe and socially distanced fashion. They have been building all sorts of contraptions and have applied their knowledge from their science, math, and woodwork classes to improve learning during these times.
- Volunteers are needed for the RHS Cares Organization which provides support to members of the RHS community (students, teachers, administrators) and their immediate households during times of crisis. Currently, they are looking for individuals to help cook and deliver meals for a local Ridgewood family.

**Arts:**

- The Newplayers virtual performance of *A Christmas Carol* was very entertaining and it was very well done considering the circumstances of COVID-19. Many

bought tickets to see the show which helps to support the Newplayers Company but another way to help support the RHS Newplayers is to mention the Newplayers at checkout when you shop at Goffle Brook Farm in Ridgewood so that the company gets a percentage of your purchase

- The annual Asian Festival is still planning to continue its performance in 2021. As of now, they are looking for students who are interested in participating in the performance. They have followed all COVID-19 guidelines during practice but they have also allowed several students to practice from home via Zoom

**Athletics:**

- All fall sports teams were able to get through the fall season having been able to play their entire schedule and not having to be shut down at any point due to COVID. The Boys & Girls Cross Country teams, along with the Girls Tennis team won their Regional/Section titles. Boys and Girls Soccer had successful seasons as well with both teams making it to the semifinals of their tournaments. Right now the teams are in a down period between the fall and first winter season and for future sporting events, no school is allowing spectators to attend. All CDC guidelines will be enforced to ensure a safe, successful, and fun winter season.

**Activities:**

- The Cambodia Club recently hosted a fundraiser with East Coast Burger to support our sister schools in Cambodia
- Various students helped out and donated to the Holiday Toy Drive that was hosted by the Ridgewood PBA. All toys were sent to the Sanzari Children's Hospital and Tomorrow's Children Hospital.
- The RHS Deca Association has launched a new website as well as new merchandise that can be purchased on MaroonMart.com. They have taken their knowledge of business and entrepreneurship to successfully sell their new products.

**Miscellaneous:**

- Zoe will also share feedback at the BOE meeting that she's received about students' feelings regarding the hybrid and virtual models and how they are managing/handling school this year.

**V. COMMENTS FROM THE PUBLIC**

Deirdre Scali, 599 Heights Rd., I would like to formally request that Interim Superintendent Tom Gorman be kept on as the Official Superintendent of the Ridgewood Public School District. He has been in our district long enough to know the ins and outs of the district. Hiring in house at this time during COVID would seem so prudent and wise. He knows the students, he knows the faculty, he knows the district. He has been a successful leader of the high school for many years. In this time of day to day uncertainty -hiring him would be a source of much needed certainty. I vote for Tom Gorman to be the next Superintendent.

## VI. PRESENTATIONS

### A. MUSICAL PERFORMANCE

- RHS Small Band Ensemble, Chamber Choir and Chamber Orchestra

Under the leadership of Chris McCullough, Supervisor of Fine and Applied Arts, music teachers Jeffrey Haas, John Luckenbill, Kristi Geronimo, and Steven Bourque have worked with their students to prepare virtual performances in lieu of performing in-person this year.

The performance can be viewed within the BOE Meeting webcast or through the following link: <https://www.youtube.com/watch?v=RVrGUjpMSgo&feature=youtu.be>

## VII. SUPERINTENDENT'S REPORT

### A. Superintendent Opening Comments

Dr. Gorman thanked the Board for the tremendous opportunity to serve as Acting Superintendent and shared that he looks forward to working cooperatively on the district and Board of Education goals as we navigate through this unprecedented time. He also thanked Dr. Fishbein for his guidance and wisdom over the years and wished him a happy and well-deserved retirement.

Since 1890, the Ridgewood Public Schools have served this community well. This district has seen many challenges including two world wars and now its second pandemic. With each challenge, the educators, students, and parents have prevailed. The Ridgewood Public Schools have been well prepared for this hybrid learning environment. The teachers and students have continued the quality of education that is expected throughout the district.

Dr. Gorman shared that we are extremely proud of the high-quality lessons being provided by our faculty and staff and the incredible work being submitted by our students. The quality of education the students are receiving and will continue to receive is a certainty.

The Ridgewood Public Schools are known for their tradition of excellence. This motto reflects more than academic content learned, whether in the classroom or virtually. Its excellence derives from the solidarity of the students, faculty, staff, and community during difficult times; the culture of kindness, gratitude, and love for others; the relationships students nurture among their friends; and the connections created every day between students and teachers. Moving forward, the months ahead will bring their challenges, but by working together, we will succeed.

Dr. Gorman spoke about the snow day due to the recent storm and explained that, with the virtual environment, we have another option available to us. The school year is 180 days, and the district builds 184 days into the calendar to accommodate such closures.

Dr. Gorman also provided a brief COVID update. He thanked Dawn Cetrulo, Health Officer/Director, and her colleagues at the Village of Ridgewood Health Department. Dan Kilday, Supervisor of Wellness, has worked closely with the health department to determine the best course of action when COVID cases are reported to us. The school nurses have all been trained as contact tracers, and they have done a fantastic job

helping us in this process.

Last week, Ridgewood moved back down into the yellow (moderate) COVID activity category. This is good news for us, particularly as we see surrounding areas in the orange or red category. Each case is reviewed on an individual basis. Unfortunately, we have two unknown cases at Ridgewood High School; therefore, the high school transitioned to all remote instruction beginning December 22 with a return date for in-person instruction on January 4.

The district is implementing new protocols for how to use shared equipment in art, music, science, and wellness classes. The health department and school physician have reviewed these protocols.

## **XII. BOARD MEMBER ANNOUNCEMENTS**

Ms. Brogan congratulated Ms. Labenda on her work with the new RPS Bulletin. She commented on the December 18 issue of the RPS Bulletin and encouraged the community to read the newsletter as it highlights some of the excellent work going on in our schools. She added that Basil Pizzuto and Lauren DePinto presented on mental health several weeks ago, and the new mental health website is now live. Parents are encouraged to visit the site, which contains information about services, school teams, resources, and more.

Mr. Lembo remarked that it was great to see the student performances, as well as the other service initiatives and drives that have taken place recently.

Santa will be visiting all of the elementary schools on Wednesday.

Mr. Lembo provided an update on the superintendent search. He thanked everyone who took the time to complete the survey. 2,000 surveys were submitted. He noted that the survey was set up by RPAT and approved by the board, the wording was part of their process. The next step will be for the Board to go through applicants starting next month.

## **XIII. BOARD COMMITTEE REPORTS**

**XIV. DISCUSSION ITEMS**

## ➤ Wrestling Mats

Two years ago some wrestling mats were donated by the Ridgewood Junior Wrestling and the board approved to contribute \$2,000 towards the purchase at that time. The RJW will be using a different space at the YMCA and have requested to take the mats with them. The total price for the mats was \$20,000.

Mr. Lembo proposed the following motion:

The Ridgewood Board of Education, upon the recommendation of the Superintendent of Schools, approves the return of the wrestling mats to the Ridgewood Junior Wrestling Team.

Ms. Brogan seconded the motion.

The motion carried by the following roll-call vote:

AYES: Ms. Brogan, Mr. Dani, Ms. Kwak, Mr. Lembo

NAYS: none

Abstain: Mr. Kaufman

The board discussed working with the Junior Wrestling team to allow the JV/Varsity teams to use two of the mats in March, if they need them.

Mr. Kaufman discussed three topics; the gifted and talented program, later start times and hockey program funding. He discussed starting a committee to discuss the gifted and talented program. He would like the dialogue to continue regarding the potential of later start times at the High School. As the 2021-2022 budget is being developed he recommended that the district should see if there is a way to fit some money to help alleviate the cost of the hockey program to parents.

The gifted and talented committee will include Mr. Kaufman, Ms. Kwak and parents.

**XV. ACCEPTANCE OF MINUTES**

- November 12 Special Public Meeting
- November 12 Executive Session

Mr. Lembo moved Acceptance of Minutes.

Ms. Brogan seconded the motion, which was unanimously approved.

## ESL – ENGLISH AS A SECOND LANGUAGE

The English as a Second Language (ESL) Program prepares students with limited English proficiency for full-time participation in the regular educational program. Its primary goal is to ensure that English Language Learners develop sufficient fluency in all areas of English to facilitate their active participation in all academic courses and school activities. The program, delivered through small group instruction by a certified ESL teacher, focuses on grade-level academic content and skills introduced through the use of materials appropriate to language proficiency levels. While developing their oral and written communication skills, students receive support in the mastery of curriculum content from their social studies, science, mathematics and other courses. Students' mainstream courses are planned on an individual basis in response to individual language needs and personal interests. Eligibility for the English as a Second Language Program is determined by scores on the WIDA-APT. Students' English proficiency and growth are monitored frequently using a variety of formal and informal assessments. Students will exit the program based on a variety of criteria including, but not limited to, teacher recommendation, State of NJ WIDA-ACCESS score, and grades in core content courses.

### ESL – English as a Second Language

0104FL

This course provides newly arrived, non-English speaking students with a basic introduction to English. It offers intensive practice and support in the development of listening and speaking skills, vocabulary acquisition and reading comprehension. Students are “eased” into the American culture. ESL enables the student to become language proficient and achieve in mainstream classes. Enrollment in ESL classes may last six months to three years. English credit will be awarded upon successful completion of this course.

### ESL – Advanced English as a Second Language

0104FL3

This course provides more advanced level second language learners with an introduction to high level writing instruction, including how to write academic, literary and persuasive essays and how to use more complex grammatical structures, such as advanced verb tenses. It offers intensive practice and support in the development of discussion and debating skills based on reading comprehension of more complex books and articles. Students listen to authentic audio materials and discuss current issues that relate to content areas. English credit will be awarded upon successful completion of this course.

### High Intensity ESL

0104L2

This support course allows students extra time to complete their work for content area classes and to receive assistance from a certified ESL teacher. The teacher in this class interacts with content teachers to understand what is due and what is required for various assignments, then offers language support to complete the work that has been assigned. Students can complete tests and quizzes in addition to homework in High Intensity ESL and can receive assistance with the complex vocabulary and writing requirements, which are particularly challenging for second language learners.

## ALTERNATIVE PROGRAMS

### School to Careers (6009PA)

This is a vocational-technical education program by which students receive work-based instruction through written cooperative arrangements between the Ridgewood school district and employers. This instruction includes required academic courses and related vocational and technical education instruction, by alternation of study in school with paid employment in an occupational field. This alternation is planned and supervised by the district and employer so that each contributes to the education and employability of the individual. Students enrolled in the program receive up to 10 credits for employment and 5 credits for a required related class. Under this program, students attend school classes for half a day and are employed at least 15 to 34 hours per week under supervised conditions at state approved work stations. (Enrollment by permission of program coordinator and guidance counselor for students in grades 11 and 12, Elective 10-15 credits.)

### Structured Learning Experience (SLE)

Structured Learning Experiences are experiential, supervised educational activities designed to provide students with exposure to the requirements and responsibilities of specific job titles or job groups, and to assist them in gaining employment skills and making career and educational decisions. A structured learning experience may be either paid or unpaid, depending on the type of activities in which the student is involved. Structured learning experiences may include, but are not limited to:

- (1) Apprenticeships;
- (2) Community service;
- (3) Cooperative education;
- (4) Internships;
- (5) Job shadowing;
- (6) School-based enterprises;
- (7) Volunteer activities;
- (8) Vocational student organizations; and
- (9) Work Experience Career Exploration Program (WECEP)

### Satellite AM (0619SP) or PM (0629SP)

This program at Bergen County Technical Education Center in Paramus, offers a half-day, shared time program in technical education for students who have expressed an interest in developing specific work skills for entrance into the workplace or a post-secondary education trade based program. Students interested in the Satellite program have typically demonstrated a preference for hands-on learning experiences. Interested students usually begin the Satellite program in ninth or tenth grade but may enter into *some* areas as late as eleventh grade. The program begins with career exploration during which students rotate through a variety of shop experiences in areas, such as culinary arts, information technology, graphic design, automotive technology, collision repair, healthcare, landscaping, cosmetology, skincare, green building trades, small animal care, and graphic design. As they continue into eleventh and twelfth grade, students are placed in specific shops as majors. Students attend Satellite up to half of each school day; the remainder is spent at Ridgewood High School for academic instruction. Bergen County Technical Education Center offers a competency-based curriculum developed by experienced trade teachers and advisory committees, and is designed to provide students with marketable skills.

## TRANSITIONAL PROGRAM

The Transitional Program at Ridgewood High School addresses the transition needs of special education and mainstream students. It consists of a number of support services that assist the student in achieving success and independence in school, at home, in career, and in the community. A study skills course, career education classes, career-counseling sessions, interest

inventories, career fairs, job shadowing internship, self-advocacy groups, and workshops serve to better prepare students for the success in school as well as the adult professional world.

### Academic Enrichment (9039SP)

Academic Enrichment is a semester, elective course for ninth grade students. The course will offer instruction in study skills, organization strategies, goal setting, and time management techniques. Students will gain strategies to be successful in their core academic courses. There will be a focus on test-taking, note-taking, and general study techniques. Overall, students will acquire and implement skills to be effective life-long learners.

\*Courses are structured as customary programs with modifications in accordance with students' Individual Educational Plans.

Mr. Lembo led those present in the Pledge of Allegiance.

**III. OPENING STATEMENT BY PRESIDING OFFICER**

Mr. Lembo announced that pursuant to the requirements of the Open Public Meetings Act, advance notice of this meeting had been given to The Ridgewood News, The Record, and the Clerk of the Village of Ridgewood. In addition, notices were posted in the office of the Board Secretary and in all school buildings. Due to health concerns related to the COVID-19 meeting the public cannot attend the meeting and public comments can be called in or submitted through the website.

**IV. PRESENTATIONS**

**A. Student Representative Report**

Zoe Kovac reported after returning from a much needed and relaxing break, many students have shown appreciation for the all virtual learning model because it allowed them to ease back into a routine. While several have expressed disappointment that the recent holidays were celebrated while masked and socially distanced, they feel that seeing their friends and teachers--although it is over Zoom--can introduce the sense of normalcy that we're all craving right now.

Athletics:

- The RHS Hockey and Alpine Ski teams have been safely practicing and adhering to all CDC guidelines. Despite the fact that no school is currently allowing spectators at any athletic event, the players and coaches are staying hopeful that they will be able to invite fans for the spring season.

**V. COMMENTS FROM THE PUBLIC**

The following comments were submitted online.

John Cullinane, 651 Newcomb Road, It has come to my attention that some teachers at BF middle school are presenting disturbing material to students. In particular, my daughter in Grade 6, BF Middle School, was instructed to watch this Youtube video for class:

[https://youtu.be/\\_RMvlcoHvZg](https://youtu.be/_RMvlcoHvZg)

I'm not sure if there is any oversight governing how Youtube material is incorporated into the school curriculum, but this video seems highly inappropriate. Please explain why it is being used in class.

Thank You.

Scott Cavagnuolo, 800 Bingham Road, I'm a concerned BF parent because of all the political rhetoric and inappropriate discussions and exercises in classes of both my children last week

The following callers made comments:

Corrin Dillon, 217 Fairmount Road, welcomed and thanked Dr. Gorman for stepping up to be the Acting Superintendent. Thanked the Board for committing to forming a committee of stakeholders to discuss what G&T will look like. She likes the positive changes that have happened the last few months.

## VI. PRESENTATIONS

### A. 2019-2020 AUDIT REPORT

➤ Lerch, Vinci & Higgins, LLP

Mr Gary Higgins, Mr. Ralph Picone and Mr. Andrew Parente presented the 2019-2020 audit report.

The district received an unmodified audit opinion on its financial statements for the period ending June 30, 2020, the highest level of attestation that an audited entity can receive.

The year-end surplus was reviewed by the auditors, and four recommendations were made. They recommend that:

- the school purchasing program procedures are enhanced to ensure that post award notices are submitted to the Office of the State Comptroller timely
- fees collected by the Infant Toddler Development Center be deposited on a timely basis
- student activities accounts should continued efforts to properly report and account for related transactions
- all current year capital asset additions should be reflected in the district capital asset records.

Two of the recommendations are also included in the CAFR; the school purchasing program procedures, and the capital asset additions. Only one recommendation is a repeat from the previous year; which identifies that all recommendations were taken into consideration and corrected. All in all, It is an excellent report considering the state requirements and the issues related to COVID.

Questions posed by board members regarding details on line items were reviewed by Mr. Higgins and Mr. Picone and they identified the pages on the audit report where the details can be located.

Ms. Kwak asked about transfer from the General Fund to Other funds of \$1.797 million. Mr. Picone referred to p. 85, Exhibit C-1. In "Other Financing Sources [or] (Uses)" transfers from General Fund comprised of \$1.3m to the capital projects fund and \$497,672 was transferred to the Enterprise Fund. Ms. Kwak asked if the Enterprise

Fund refers to the Infant Toddler Development Center (ITDC) and is that one-time drawdown.

Mr. Picone referred to p.26 Exhibit B-5. The auditor replied that the \$497,672 is to cover the accumulated losses at ITDC, including the accumulated deficit \$73,993 plus the current year loss of \$385,126, with the differential balance remaining of \$38,553.

Mr. Picone confirmed that for the school year end 2020 ITDC deficit was \$385,126.

If a loss is incurred [at ITDC] greater than the \$38,553 balance this year, the district needs to take remedial action to fund that before school year end [2021]. The Board of Trustees need to transfer funds from other accounts to cover this deficit if there is a deficit in ITDC at school year end 2021.

Mr. Dani asked about the June 2020 surplus balance to the capital reserve. Mr. Higgins noted that the district is required to keep 2% of \$2.494 million, and then the district voted to place any excess above that 2% requirement to capital reserve. He referred to p.42 of full report.

Mr. Dani asked about future year expenditures. Mr. Picone clarified \$108,884 will be used in the 21-22 budget, \$700,00 was from 18/19 budget, \$257,000 to be used in the 21-22 budget.

Mr. Picone reviewed p.13 of Recommendation of corrective action from the Auditor's Management Report.

Mr. Picone referred to p. 143 of the Auditor's comprehensive report to provide context for the approximately \$2 million of unrecorded assets in Facilities and Capital Assets. In the capital assets amounts of \$1.267 million, most of these were additions to the capital projects fund, that were not included in the capital asset report.

Ms. Kwak asked about what happens if there is another loss at ITDC this year, why can't the loss be displayed as a loss, what is the accounting principle behind that.

Mr. Higgins clarified that the loss is displayed as a loss, [the district] just happened to remediate it prior to year end. Had [the district] not made the transfer, the Auditor would have made an audit recommendation that the deficit be remediated and that can be done in 1 of 3 ways: 1) increase revenues, (2) reduce costs or (3) make a transfer to subsidize it. The district averted an audit recommendation by making the transfer prior to closing the books at year end. But if you do nothing this year and incur a deficit that exceeds the balance that is remaining on exhibit B-5 [\$38,553], then you will see an Audit Recommendation.

Ms. Kwak asked if we do not take any action, does it necessitate a closedown.

Mr. Higgins replied that if we do nothing, then the ITDC deficit will be flagged in the Audit recommendation to take remedial action. Recommendations typically have to be cleared by the next audit.

To view this portion of the meeting including the question and answer period to the auditors, scroll to 17:16 in the BOE webcast on the district website.

**i. Acceptance of the Audit Report for the 2019-2020 School Year and Approval of**

**the Corrective Action Plan for the 2019-2020 School Year.**

The Ridgewood Board of Education, upon the recommendation of the Superintendent of Schools, approves Acceptance of the Audit Report of the 2019-2020 School Year and approval of the Corrective Action Plan for the 2019-2020 school year.

**VII. SUPERINTENDENT'S REPORT**

Dr. Gorman discussed the rationale for the two-week closure from January 4 through January 15 following the December recess. Two days after the last board meeting, a meeting was held with the Village of Ridgewood Health Department. Although Ridgewood was in a good place at that time, there were concerns based on COVID numbers, trends, and anticipated travel and holiday gatherings. The health department advised us to close for two weeks, and a decision was made to take a tactical pause, knowing that quality lessons could be delivered while keeping students and faculty safe. In-person learning is still scheduled to resume on January 19.

Prior to the new year, Ridgewood experienced an increase of over 40 COVID-19 cases, and last week, the Ridgewood Public Schools had 20 confirmed student cases with more on the horizon. In an effort to find the right balance for our students' education and safety, the district is slowly beginning to transition back in controlled settings this week. Athletics began yesterday with very strict measures and procedures in place, and new protocols are being instituted for students to use shared equipment, enriching the in-person learning experience.

Additionally, the district is exploring ways to bring more students back to school in the coming months in a safe manner. Data will be assessed on a weekly basis to determine whether individual schools need to be closed. A surgical approach will be used to make these determinations. Understanding that in-person learning is best for students, the district looks forward to resuming that type of instruction and even expanding upon the current hybrid model when possible.

Dr. Gorman expressed that we are all saddened and shocked by the events that occurred at the Capitol last week. When appropriate, teachers talked to their students about last week's events, and moving forward, the same approach will be used in discussing the inauguration. Specific questions should be directed to a child's teacher or principal.

In reference to the two written comments submitted regarding the BF video, Mr. Orsini has handled and addressed the issue. He asked the people who submitted written contents to

reach out to Mr. Orsini.

Dr. Gorman stated that we are currently on track to return to the hybrid model on January 19. The State is still guiding our health department to continue the 14 day quarantine. When we started the school year we were in the green category and now we are in the orange category. The district has been cautious and diligent and there have been no transmissions on school grounds.

Educators are in the 1B category for vaccine distribution and hopefully we can begin in the next few weeks. The vaccine is currently not mandated for staff, although it is highly recommended.

The decision to switch individual students from remote to hybrid or hybrid to remote can be done at any time, but the district asks for a two week timeframe.

## XII. BOARD MEMBER ANNOUNCEMENTS

Ms. Brogan announced that a full weekend of events is planned to honor the life and legacy of Dr. Martin Luther King Jr., beginning with a virtual screening and discussion of *Through a Lens Darkly* on Friday, a contactless pantry collection for Ridgcrest Senior

Housing on Saturday, and a hybrid webinar with religious leaders from Glen Rock and Ridgewood on Monday. She thanked the committee for putting this event together.

Ms. Brogan thanked the Friends of Music, this year's concert will be livestreamed on Friday, January 22. Tickets are \$25 per household and can be purchased on their website.

Mr. Lembo announced that the HSAs have been meeting, and many schools are hosting "no cook" fundraisers.

### **XIII. BOARD COMMITTEE REPORTS**

Mr. Lembo reported that the superintendent search is underway, and the Board is in the process of conducting the first round of interviews. Twenty viable applications were received for the position, and of those, 11 candidates possessed a doctorate. The gender representation was 15 males and 5 females. 5 candidates are in positions in their current career being represented.

### **XIV. DISCUSSION ITEM**

Mr. Kaufman discussed that the process for forming a Gifted and Talented Committee will begin this week.

Mr. Kaufman suggested that the Board form a committee to discuss later school start times. Mr. Lembo and Mr. Kaufman will be part of the committee and reach out to a group of parents who would like to present their findings. Some items that should be taken into considered are busing impacts, the impact to the greater community in relation to schedules and younger siblings, impact due to athletic schedules and losing instructional time, child care issue.

- December 21 Executive Session Meeting

Mr. Lembo moved Acceptance of Minutes.

Ms. Kwak seconded the motion, which was unanimously approved.

### **XVI. OTHER BUSINESS**

None at this time.

### **XVII. COMMENTS FROM THE PUBLIC**

The following callers addressed the board:

Tara Hastings, 150 Woodland Ave., Thanked the board and Dr. Gorman for their work. Asked the administration and board to think about what makes sense for different learners at different ages. Remote learning is challenging for our youngest learners and it is

important to get our youngest learners into in-person learning.

Boyd Loving, 342 South Irving street, he is concerned about the comments regarding the vaccine not being mandated for staff members, he believes the law says that it can be mandated as a term of employment. His concern is that as many employees as possible should get vaccinated and is not sure why the board would not mandate such action.

**XVIII. MOTION TO GO INTO EXECUTIVE SESSION**

At 8:15 p.m., Mr. Lembo moved the following resolution. Ms. Kwak seconded the motion, which was unanimously approved. Mr. Lembo stated the minutes of the Executive Session will be released when the need for confidentiality no longer exists.

The Open Public Meetings Act authorizes a public body to meet in Executive Session under circumstances; and

Whereas, said law requires the Board to adopt a resolution at a public meeting before it can meet in such Executive Session to discuss matters related to personnel. No action will be taken in the Executive Session.

**XIX. RECONVENED PUBLIC MEETING**

**XX. ADJOURNMENT**

At 9:00 pm by a motion made by Mr. Lembo, seconded by Mr. Kaufman the meeting adjourned.

**II. FLAG SALUTE AND PLEDGE OF ALLEGIANCE**

Mr. Lembo led those present in the Pledge of Allegiance.

**III. OPENING STATEMENT BY PRESIDING OFFICER**

Mr. Lembo announced that pursuant to the requirements of the Open Public Meetings Act, advance notice of this meeting had been given to The Ridgewood News, The Record, and the Clerk of the Village of Ridgewood. In addition, notices were posted in the office of the Board Secretary and in all school buildings. Due to health concerns related to the COVID-19 meeting the public cannot attend the meeting and public comments can be called in or submitted through the website.

**IV. PRESENTATIONS****A. Student Representative Report**Academics

- As the junior class is beginning their college application process, the guidance counselors have started conducting the first of many meetings to go over the logistics and details of applying to college amidst a global pandemic. I actually had my meeting with my guidance counselor recently, and I will say that I received constructive advice and I feel more confident and focused on my next steps in my college application process.
- The Guidance department is also working with the current 9th, 10th, and 11th graders to schedule their courses for next year. That process will begin in early February although some classes have already started course recommendations.
- A PSAT will be administered to 10th graders tomorrow to make up for all of the test cancellations due to COVID. While those who are registered to take the exam are taking it, the rest of the students will be starting class at 12:40 pm.

Arts

- Several of the RHS musicians auditioned and then performed in the Maroon and White Recital. The performances were recorded and can be viewed online. Whether you are watching one of the students sing or play the trumpet, their talent cannot go unnoticed.
- Various RHS artists were chosen to display some of their artwork in the Virtual Carroll art gallery which can also be viewed online. It is hard to believe that each piece that is currently on display was made by a student at RHS; their work is nothing short of beautiful.
- The Newplayers have begun arranging their showing of Cabaret and since this year is like no other, there will be no auditions so anyone can participate. The soloists will perform their songs in the Little Theatre and each solo will be recorded and then edited into a video. The shows will not be live-streamed, however, tickets will

be available online.

### Athletics

- The winter sports season is off to a great start
- The RHS Girls Ski Team placed 1st overall at the NJISRA Conference Race and the RHS Boys Ski Team placed 3rd overall

### Activities

- Lots of the clubs at RHS have been brainstorming and planning for the rest of the school year. They have also started to collaborate with other clubs within the high school to achieve all sorts of goals.
- Many of the RHS students attended some of the Martin Luther King Jr. Weekend Kick-Off events hosted by the Ridgewood Public Library and the MLK Celebration Committee of Ridgewood and Glen Rock. As RHS continues to conduct discussions regarding racial inequity, implicit bias, and so much more, events like these will always be helpful in furthering the conversation and making real change.

## **V. COMMENTS FROM THE PUBLIC**

The following comments were submitted online:

Farrah Buchanan, 294 Spring Ave., Apologies if I missed it on the agenda. When will there be an update on the next phase of returning to school - be it Phase 2 or something different based on the current environment? Can this be a standing agenda item? Thank you.

John Cullinane, 651 Newcomb Road, This public statement is intended for all parents of children enrolled in the Ridgewood School District.

I would like to make all parents aware of certain materials that may have been presented to their children in class. My daughter is currently in Grade 6 at BF Middle. She was instructed by her teacher to watch a Youtube video by the title "Woke Kindergarten 60 Second Text: Spot the Difference". I urge all parents to Google the video " Woke Kindergarten 60 Second Text: Spot the Difference" and watch. If you are OK with this material, that is perfectly fine. This statement is not intended to change anyone's point of view, merely to make people aware of the current situation in the Ridgewood School District.

I am told by senior BF Middle staff that material like this was passed around freely by its teachers, apparently without raising any objection from within the system. This speaks to the current culture at BF Middle. Again, some parents may be ok with a teaching environment where watching " Woke Kindergarten 60 Second Text: Spot the Difference" is a totally acceptable teaching moment. This statement is not for them. This statement is for parents that may have an issue with it, so that they are, at least, aware of what ideas have possibly been implanted in their children's minds.

Be aware, despite what was stated at a previous board meeting, BF Middle has shown no intention of going back to the kids and doing any sort of correction. They have apparently absolved themselves of any responsibility in this, and in doing so, expressed silent approval that it occurred. It is therefore up to parents, if they feel it necessary, to speak to their children and guide them how they see fit. The purpose of this statement is again merely to make parents aware so they can decide what's best for their kids.

I can not speak for other schools in the district. Possibly BF Middle is an outlier in this regard.

But I would urge all parents of children to search for and watch the video "Woke Kindergarten 60 Second Text: Spot the Difference " and if you have an issue with it, talk with your children and find out if they have been exposed to it, or material like it. Guide them on how to safely navigate such an environment. Considering the target audience of this video, even elementary school parents should be aware of what could be creeping into the curriculums. To be clear, I have nothing but good things to say about Hawes Elementary - Dr Sem was the best!

**VI. PUBLIC HEARING ON POLICY & REGULATION 2361 - ACCEPTANCE USE OF COMPUTER NETWORKS/COMPUTERS/PERSONAL ELECTRONIC DEVICES (PEDs) AND RESOURCES IN ACCORDANCE WITH THE CHILDREN'S INTERNET PROTECTION ACT AND THE NEIGHBORHOOD CHILDREN'S INTERNET PROTECTION ACT (as listed in Attachment A)**

**A. Discussion on changes to policy since last year.**

Dr. Gorman presented the annual renewal of policy and regulation 2361 and stated there have been no changes since last year. A number of measures are in place to address cybersecurity and internet safety, including a web filter and anti-virus software. The district subscribes to an electronic monitoring service that filters content. Administrators are notified of any issues regarding the inappropriate use of electronic devices, and follow-up discussions are held with parents and students. The IT department runs cybersecurity and phishing tests for our staff, and training in this area is provided to staff.

**B. Comments from the Public.**

There were no comments from the public.

**C. Certification of Ridgewood Public Schools compliance with the Children's Internet Protection Act and Neighborhood Children's Internet Protection Act.**

**i. Approval: Certification of Ridgewood Public Schools Compliance with the Children's Internet Protection Act and Neighborhood Children's Internet Protection Act**

The Ridgewood Board of Education, upon the recommendation of the Superintendent of Schools, approves the certification that the Ridgewood Public Schools, including media centers/libraries in district, are in compliance with the Children's Internet Protection Act and Neighborhood Children's Internet Protection Act and that the school district enforces the requirements of these Acts and Policy.

Ms. Brogan moved approval.

Mr. Lembo seconded the motion, which was carried by the following roll-call vote:

AYES: Ms. Brogan, Mr. Kaufman, Mr. Dani, Ms. Kwak, Mr. Lembo

**D. Close Public Hearing on Policy & Regulation 2361 Acceptance Use of Computer Networks/Computers/Personal Electronic Device (PEDs) and REsources in Accordance**

with the Children's Internet Protection Act and the Neighborhood Children's Internet Protection Act

## VII. PRESENTATIONS

### A. Gifted and Talented Program

Ms. Stacie Poelstra presented an update on the Gifted and Talented Program. A brief overview of current trends and the evolution of pedagogy in this area was explained. The district takes a three tier approach to gifted and talented enrichment education to meet the needs of all learners.

Tier 1 consists of universal programming, where all learners are monitored closely for potential. Educators identify advanced learners via observations, conferences, and evaluation of products. At tier 2, small groups are utilized with students who are identified for advanced opportunities, providing differentiated teaching points and work containing additional depth and breadth. The top five percent of our students, as outlined in the law, are provided with an Individualized Differentiation Plan (IDP), which is tier 3 of the district's approach. The IDP is used to identify and monitor individualized content, resources, and expectations, and it is continually evaluated. IDPs are reviewed with parents at parent/teacher conferences.

To support teachers in this area, training in differentiated instruction has been provided by content area experts. The district has also purchased effective tools and strategies to support enrichment. Ms. Poelstra shared the new Gifted and Folder that is used by all K-5 educators. This resource contains extension activities, interdisciplinary projects, and extensive math options for each subject area and aligned with each unit of study. Additionally, this comprehensive depository includes professional articles and IDP meeting resources.

Jeannie O'Neil, Elementary Supervisor and Joyce Cerbasi, Staff Curriculum developer are monitoring and working on the curriculum in light of the new Gifted and Talented policy.

Discussion regarding budgetary support to assist our teachers in providing additional support ensued, impact to the board goal, measurements of success and state requirements and guidance ensued.

## VIII. SUPERINTENDENT'S REPORT

- A. The New Jersey COVID-19 Activity Level Report indicates that our region is still at the high level. Cases in Bergen County rose the previous two weeks by 7 and 6% respectively. News reports suggest that New Jersey may have peaked; however, they also warn that March could be challenging due to the new strains of the virus entering our area.

During the two weeks that the district was closed following the December recess, 20 cases were reported each week; therefore, it is likely that schools would have closed if the district had not taken this precautionary measure. This past week, the district saw a reduction in cases, reporting a total of 16. The situation will continue to be monitored closely, and data will drive decisions.

The district is awaiting legal and medical counsel regarding the district's plan for vaccinations, but at this time, they will not be required for employees or students. Educators have been registering for vaccinations, but the process is slow. A small number of district employees have already received the first round of the vaccine.

The district is awaiting legal and medical information from experts with guidance on moving forward with vaccination requirements.

COVID notification letters will be reported daily again, and the new **COVID-19 Dashboard** on the website will be updated on Fridays. The district has had zero cases of transmission within our schools.

In an effort to safely bring more normalcy to the school year, the district is working on different stages of Phase 1 and will be sharing surveys with the school community shortly. Community input and factors such as busing, social distancing etc. will also be considered when determining opening schools full time.

The 75th performance of Jamboree - Mission imPossible will be virtual this year. The video will available February 4 - February 7. Jamboree raises need-based scholarship funds for college-bound Ridgewood High School seniors. For more information, visit [rhsjamboree/org](https://rhsjamboree.org).

The Social Studies department put out material regarding the Capital Hill Riots. A caller's concern regarding a video that was distributed that probably should not have been shared has been corrected. Ms. Poelstra and other administrators addressed the concerns with the caller and with the students. Materials are always put out to all of the teachers and shared with them when they are appropriate.

### **XIII. BOARD MEMBER ANNOUNCEMENTS**

Ms. Brogan provided some announcements.

The annual Friends of Music Concert has been moved to February 19. Tickets are still available for this online performance.

Tickets for the RHS Jamboree are now available for the stream event. <https://k12.us8.list-manage.com/track/click?u=66bff8ef2efcc67e8c4239ae2&id=fe8d1f30f9&e=8890740b83>

Last week, Ms. Brogan attended a NJSBA meeting on proposed legislation related to education and schools. She provided the following updates:

Governor Murphy signed an executive order eliminating the use of student data for this year's teacher evaluations. In essence, Student Growth Objectives (SGOs) would not be used as part of the teacher evaluations. Of course, with the elimination of the NJSLA tests last spring there would be no state data on which to base the SGOs.

Governor Murphy suspended the state graduation exam, but he has not suspended all of the state tests for this spring.

Some of the most notable pieces of legislation being discussed in committees are as follows:

- A4461/S2698 requires the state to enter into a contract and coordinate with certain cooperative purchasing systems for procurement of COVID 19 related goods and services by school districts and county colleges.
- A4544/S3150 permits retired school nurses collecting a pension to return to employment during public health emergencies and the state of emergency for COVID 19 pandemic, for up to two years without re-enrollment in TPAF (Teacher Pension and Annuity Fund).
- A5126/S3214 requires the Commissioner of Education to prepare a learning loss report and submit a report to the legislature. The report should identify what policies and resources are needed to address learning loss.
- There are a series of bills in the legislature on Mental Health Programs in schools. A4433/S2715 creates a grant program to encourage school districts to partner with colleges and universities in training school-based mental health providers. A4434/S2716 establishes Student Wellness Grant programs to assist districts in implanting school-based programs and practices that promote mental health wellness, social and emotional learning, and student resilience.
- There are also some bills regarding the teaching profession being discussed in the legislature. S2825 would establish a loan redemption program for certain bilingual education teachers who teach in bilingual programs or ESL programs in public schools. Teachers employed in low performing schools will be given priority. S2827 would require teachers to complete two hours of professional development related to cultural competence every two years.

Last week, legislation was discussed to require schools to teach students about the risks associated with marijuana use now that voters chose to legalize recreational marijuana. Although the roll-out of regulations to guide the sale of marijuana has been stalled in Trenton, legislators are now concerned with what legalizing recreational marijuana will mean to those under age 21.

Mr. Lembo made the following additional announcements:

The HSA's are using the GroupSpot app that has information about fundraisers and events. This is a great way for parents to stay informed.

Wellbeing Speaker Series is scheduled for Wednesday, January 27 when Dr. Graham Erwin will present Managing Stress in Times of Chaos.

Club Excel is a leadership club run by Ms. Danielle Wood. They are inviting Ridgewood leaders to speak to their group. Mr. Lembo was a speaker of the group and spent an hour with them discussing the topic of giving back to the community,

The RHS Alumni Association are doing an externship program. The public can Register for the RHS Alumni Career Lecture Series. For more information on the Ridgewood High School Externship program follow the link:

The STEPPS Program parents in collaboration with Mr. Arohson, the former mayor and the SPEC wireless group worked with the Ridgewood Police Department who gave a hands-on demonstration of what to expect if pulled over for students who are just learning how to drive.

#### **XIV. BOARD COMMITTEE REPORTS**

Mr. Lembo and Dr. Gorman will meet to discuss upcoming initiatives and create a roadmap on how to proceed with committees.

A discussion regarding cameras as a deterrent for vandalism occurred. The conversation can be found at 1:45 in the BOE webcast.

The Joint Review Committee (JRC) recently met to review custodial and maintenance services. The custodial staff is doing a fantastic job, and the Board expressed appreciation for their hard work.

The Board Curriculum Committee met last week, and Ms. Poelstra provided a comprehensive presentation on the Gifted and Talented Program.

#### **XV. DISCUSSION ITEMS**

Mr. Kaufman asked that the Hockey program be looked at again as the Board moves forward with the budget. He stated that the program has the least contribution from the

budget and that hockey is the most expensive sport, the other sports such as crew and the ski club are clubs and are a different financial responsibility from the parents.

This full conversation can be found at 1:50 on the BOE webcast.

Ms. Brogan provided the board with an informational article from December 2019 regarding late start times. The article contains information to consider as a roadmap when collecting data for considering late start times in Ridgewood.

**XVI ACCEPTANCE OF MINUTES**

- December 21 Regular Public Meeting
- January 5 Executive Session Meeting
- January 6 Executive Session Meeting
- January 7 Executive Session Meeting
- January 11 Executive Session Meeting
- January 11 Regular Public Meeting
- January 16 Executive Session Meeting

Ms. Kwak moved to table January 11 Regular Public Meeting.

Ms. Brogan moved Acceptance of Minutes except January 11, Regular Public Meeting Minutes.

Mr. Lembo seconded the motion, which was unanimously approved.

**XVII. OTHER BUSINESS**

None at this time.

**XVIII. COMMENTS FROM THE PUBLIC**

The following caller addressed the board:

Corrine Dillon, 217 Fairmount Road, thanked Ms. Poelstra for the G&T presentation, she questioned the budget, curriculum, best practices regarding G&T. She has reached out to other states and outside resources. She believes the district should seek professional outside guidance for meaningful engaging work. Services are the issue. It is critical that we have best practices with standardized services and curriculum. G&T kids need a community with peers that they can identify with.

Laura McKenna, 861 Bingham Road, thanked the district for keeping the schools open during the pandemic. By keeping schools open we are a shining example to other towns in Bergen county. Teachers have been asked to do tasks that are way beyond what they normally do. Hopefully, teachers and the community will be vaccinated soon and Ridgewood will get some stimulus money from the federal government. Believes extra money should go to the student population that have suffered the most, younger students, low income students, special needs students, students with English as a

second language. Special Ed students have been in their rooms by themselves since March. Friendships are mostly in the classroom. She requested to create extracurricular activities for special education students. An example would be a movie night in the gym. They will need special tutoring and make up work that should be offered to anyone who needs it on the weekends and after school. We need programs for mental health run by professionals, not just peers. Wants a promise from the board that money that comes forward will go to the kids that suffered the most this year.

Mr. Lembo mentioned that Unified Sports starts tonight, which is a program that includes general education and special education students.

Dr. Gorman stated that the elementary principles are working on some options, and there is hope that as the weather gets warmer more options will be available.

The following comment was submitted online:

Luis Amorosa, 71 Glenwood Rd., I would ask that consideration be given for full day school every day in the elementary schools. All evidence suggests transmission in this age group is extremely low and likely school is a safer environment for teachers and staff than in the community as everyone is actually masked in the schools. It boggles my mind that schools are closed or only partially open when restaurants, bars, gyms, and stores remain open. We are losing a year of learning for these kids by continuing this irrational policy of half day every other day at best. The kids are suffering because of this. Please consider childrens' mental and physical health and education in making your policy. Please rely on actual evidence-based medicine and public health. Please consider the recommendations of the American Academy of Pediatrics and other public health authorities. Please open the schools! This younger generation depends on us, and we are letting them down.

**XXI. ADJOURNMENT**

At 9:15 pm by a motion made by Mr. Lembo, seconded by Ms. Brogan the meeting adjourned.

Respectfully submitted,

Scott Bisig  
Business Administrator/Board Secretary

Lucy Papamichael  
Assistant Board Secretary

2361 ACCEPTABLE USE OF COMPUTER NETWORKS/COMPUTERS/PERSONAL  
ELECTRONIC DEVICES (PEDS)  
AND RESOURCES

The Board of Education recognizes as new technologies shift the manner in which information is accessed, communicated and transferred; these changes will alter the nature of teaching and learning. Access to technology will allow students to explore databases, libraries, Internet sites, and bulletin boards while exchanging information with individuals throughout the world. The Board supports access by students to these information sources but reserves the right to limit in-school use to materials appropriate for educational purposes. The Board directs the Superintendent to affect training of teaching staff members in skills appropriate to analyzing and evaluating such resources as to appropriateness for educational purposes.

The Board also recognizes technology allows students access to information sources that have not been pre-screened by educators using Board approved standards. The Board therefore adopts the following standards of conduct for the use of computer networks/computers and PEDs and declares unethical, unacceptable or illegal behavior as just cause for taking disciplinary action, limiting or revoking network access privileges, and/or instituting legal action.

The Board provides access to computer networks/computers and PEDs for educational purposes only. The Board retains the right to restrict or terminate student access to computer networks/computers and PEDs at any time, for any reason. School district personnel will monitor networks and online activity to maintain the integrity of the networks, ensure their proper use, and ensure compliance with Federal and State laws that regulate Internet safety.

Standards for Use of Computer Networks/Computers and PEDs

Any individual engaging in the following actions when using computer networks/computers and PEDs shall be subject to discipline or legal action:

- A. Using the computer network(s)/computers and PEDs for illegal, inappropriate or obscene purposes, or in support of such activities. Illegal activities are defined as activities that violate federal, state, local laws and regulations. Inappropriate activities are defined as those that violate the intended use of the networks. Obscene activities shall be defined as a violation of generally accepted social standards for use of publicly owned and operated communication vehicles.
- B. Using the computer network(s)/computers and PEDs to violate copyrights, institutional or third party copyrights, license agreements or other contracts.

- C. Using the computer network(s)/computers and PEDs in a manner that:
1. Intentionally disrupts network traffic or crashes the network;
  2. Degrades or disrupts equipment or system performance;
  3. Uses the computing resources of the school district for commercial purposes, financial gain, or fraud;
  4. Steals data or other intellectual property;
  5. Gains or seeks unauthorized access to the files of others or vandalizes the data of another person;
  6. Gains or seeks unauthorized access to resources or entities;
  7. Forges electronic mail messages or uses an account owned by others;
  8. Invades privacy of others;
  9. Posts anonymous messages;
  10. Possesses any data which is a violation of this Policy; and/or
  11. Engages in other activities that do not advance the educational purposes for which computer networks/computers and PEDs are provided.

## Internet Safety/Protection

As a condition for receipt of certain Federal funding, the school district shall be in compliance with the Children's Internet Protection Act, the Neighborhood Children's Internet Protection Act, and has installed technology protection measures for all computers in the school district, including computers in media centers/libraries. The technology protection must block and/or filter material and visual depictions that are obscene as defined in Section 1460 of Title 18, United States Code; child pornography, as defined in Section 2256 of Title 18, United States Code; are harmful to minors

including any pictures, images, graphic image file or other material or visual depiction that taken as a whole and with respect to minors, appeals to a prurient interest in nudity, sex, or excretion; or depicts, describes, or represents in a patently offensive way, with respect to what is suitable for minors, sexual acts or conduct; or taken as a whole, lacks serious literary, artistic, political, or scientific value as to minors.

This Policy also establishes Internet safety policy and procedures in the district as required in the Neighborhood Children's Internet Protection Act. Policy 2361 addresses access by minors to inappropriate matter on the Internet and World Wide Web; the safety and security of minors when using electronic mail, chat rooms, and other forms of direct electronic communications; unauthorized access, including "hacking" and other unlawful activities by minors online; unauthorized disclosures, use, and dissemination of personal identification information regarding minors; and measures designed to restrict minors' access to materials harmful to minors.

Notwithstanding blocking and/or filtering the material and visual depictions prohibited in the Children's Internet Protection Act and the Neighborhood Children's Internet Protection Act, the Board shall determine other Internet material that is inappropriate for minors.

In accordance with the provisions of the Children's Internet Protection Act, the Superintendent of Schools or designee will develop and ensure education is provided to every student regarding appropriate online behavior, including students interacting with other individuals on social networking sites and/or chat rooms, and cyberbullying awareness and response.

The Board will provide reasonable public notice and will hold one annual public hearing during a regular monthly Board meeting or during a designated special Board meeting to address and receive public community input on the Internet safety policy – Policy and Regulation 2361. Any changes in Policy and Regulation since the previous year's annual public hearing will also be discussed at a meeting following the annual public hearing.

The school district will certify on an annual basis, that the schools, including media centers/libraries in the district, are in compliance with the Children's Internet Protection Act and the Neighborhood Children's Internet Protection Act and the school district enforces the requirements of these Acts and this Policy.

## Consent Requirement

No student shall be allowed to use the school district's computer networks/computers Internet and any other third party online services employed by the district unless consent is given for the student by his/her parent(s) or legal guardian(s).

In order to meet our educational goals, Ridgewood Public Schools may utilize third party websites and online services, (such as sites and apps for curriculum, graphic design and foreign language), for our students. These services are used to assist with curricular and other education specific needs both inside and outside of the classroom. The school, when possible and appropriate, will utilize the education specific versions and also restrict the student information shared with these services to the minimum required for account creation.

## COPPA

Congress enacted the Children's Online Privacy Protection Act (COPPA) in 1998 with amendments in 2012. The primary purpose of COPPA is to place parents in control over the information gathered about their children by online apps. The Rule applies to commercial websites/apps that collect, use, or disclose personal information from children, and operators of general audience websites or online services with actual knowledge that they are collecting, using or disclosing personal information from children under 13.

For students under the age of 13, COPPA permits school districts, such as ours, to provide consent to the collection of personal information strictly for educational purposes on behalf of all of its students. This eliminates the need for parents to provide direct consent to each digital service the school utilizes in your child's instruction.

Parents wishing to deny access to these educational tools, must do so in writing to the principal indicating their child should be denied access to these tools. It should be noted that because RPS provides your child a relevant education through integrated technology, denying access to these educational tools will prove problematic for any classes utilizing Chromebooks for instructional purposes. For more information on COPPA, please visit <https://www.consumer.ftc.gov/articles/0031-protecting-your-childs-privacy-online>.

## G Suite For Education (Formerly Google Apps for Education or GAFE)

Ridgewood Public School District uses G Suite for Education and other digital resources to facilitate learning through research, communication, collaboration and creativity. G Suite is a collection of free online applications, such as a word processor, spreadsheet, a presentation program, as well as online file storage.

G Suite is provided by Google specifically for educational institutions. As such, Google does not collect or use student data in G Suite for advertising or ad creation. In addition, all advertisements are turned off in G Suite services. So if your child is logged into his or her G Suite account, he or she will not see ads when using Google Search.

All students are given a District-owned Google account. These accounts are managed by the District and not by Google. Your child's Google account allows access to Google's online applications and file storage (Google Drive) from any web browser. Students are expected to adhere to the rules and regulations for email use as outlined in the signed District Acceptable Use of Networks/Computers Policy (AUP).

These District-issued accounts are only for educational purposes and are NOT meant for registering to online social networks (i.e. Instagram, Facebook), or subscribing to internet/public community sites that are not educational in nature, unless otherwise directed by their teacher.

Access to and use of G SUITE at schools is considered a privilege. The District maintains the right to immediately withdraw the access and use of G SUITE when there is reason to believe that violations of law or District policies have occurred. The District also reserves the right to monitor G SUITE and any online services used by students for improper use.

## Violations

Individuals violating this Policy shall be subject to the consequences as indicated in Regulation 2361 and other appropriate discipline, which includes but are not limited to:

1. Use of the network only under direct supervision;
2. Suspension of network privileges;
3. Revocation of network privileges;
4. Suspension of computer privileges;
5. Revocation of computer privileges;
6. Suspension from school;
7. Expulsion from school; and/or
8. Legal action and prosecution by the authorities.

Federal Communications Commission: Children's Internet Protection Act

Federal Communications Commission: Neighborhood Children's Internet Protection Act.

Adopted: 7 December 2009

Revised: 18 June 2012

Revised: 24 September 2012

Revised: 6 March 2017

**R 2361 ACCEPTABLE USE OF COMPUTER NETWORK/COMPUTERS/PERSONAL  
ELECTRONIC DEVICES (PEDS) AND RESOURCES**

The school district provides computer equipment, computer services, and Internet access to its pupils and staff for educational purposes only. The purpose of providing technology resources is to improve learning and teaching through research, teacher training, collaboration, dissemination and the use of global communication resources.

For the purpose of this Policy and Regulation, “computer networks/computers and PEDs” includes but is not limited to, the school district’s computer networks, computer servers computers, other computer hardware and software, Internet equipment and access, and any other computer related equipment, including telephone systems, video surveillance system, and peripherals (document cameras, projectors, etc.) Additionally, this Policy and Regulation includes Personal Electronic Devices (PEDs) as referenced in Policy 2363.

For the purpose of this Policy and Regulation, “school district personnel” shall be the person(s) designated by the Superintendent of Schools to oversee and coordinate the school district’s computer networks/computer systems and PEDs. School district personnel will monitor networks and online activity, in any form necessary, to maintain the integrity of the networks, ensure proper use, and to be in compliance with Federal and State laws that regulate Internet safety.

Due to the complex association between government agencies and computer networks/computers and PEDs and the requirements of Federal and State laws, the end user of computer networks/computers and PEDs must adhere to strict regulations. Regulations are provided to assure staff, community, pupils, and parent(s) or legal guardian(s) of pupils are aware of their responsibilities. The school district may modify these regulations at any time. The signatures of the pupil and his/her parent(s) or legal guardian(s) on a district-approved Consent and Waiver Agreement are legally binding and indicate the parties have read the terms and conditions carefully, understand their significance, and agree to abide by the rules and regulations established under Policy and Regulation 2361.

Pupils are responsible for acceptable and appropriate behavior and conduct on school district computer networks/computers and PEDs. Communications on the computer networks/computers and PEDs are often public in nature and policies and regulations governing appropriate behavior and communications apply. The school district’s networks, Internet access, and computers are provided for pupils to conduct research, complete school assignments, and communicate with others. Access to computer networks/computers and PEDs is given to pupils who agree to act in a considerate, appropriate, and responsible manner. Parent(s) or legal guardian(s) permission is required for a pupil to access the school district’s computer networks/computers and PEDs. Access entails responsibility and individual users of the district computer networks/computers and PEDs are responsible for their behavior and communications over the computer

networks/computers and PEDs. It is presumed users will comply with district standards and will honor the agreements they have signed and the permission they have been granted. Beyond the clarification of such standards, the district is not responsible for the actions of individuals utilizing the computer networks/computers and PEDs who violate the policies and regulations of the Board.

Computer networks/computer and PEDs storage areas shall be treated in the same manner as other school storage facilities. School district personnel may review files and communications to maintain system integrity, confirm users are using the system responsibly, and ensure compliance with Federal and State laws that regulate Internet Safety. Therefore, no person should expect files stored on district servers will be private or confidential.

The following prohibited behavior and/or conduct using the school district's networks/computers and PEDs, includes-but is not limited to the following:

1. Sending or displaying offensive messages or pictures;
2. Using obscene language and/or accessing material or visual depictions that are obscene as defined in section 1460 of Title 18, United States Code;
3. Using or accessing material or visual depictions that are child pornography, as defined in section 2256 of Title 18, United States Code;
4. Using or accessing material or visual depictions that are harmful to minors including any pictures, images, graphic image files or other material or visual depictions that taken as a whole and with respect to minors, appeals to a prurient interest in nudity, sex, or excretion;
5. Depicting, describing, or representing in a patently offensive way, with respect to what is suitable for minors, sexual acts or conduct; or taken as a whole, lacks serious literary, artistic, political, or scientific value as to minors.
6. Cyberbullying (for example – see #8);
7. Inappropriate online behavior, including inappropriate interaction with other individuals on social networking sites and in chat rooms;

8. Harassing, insulting or attacking others through medias such as social networking, texts, blogs, etc.
9. Damaging computers, computer systems or computer networks/computers and PEDs;
10. Violating copyright laws;
11. Using another's username, password, or pin numbers;
12. Attempting to “hack” the district network by improperly obtaining staff member passwords, including, but not limited to, observation and/or installing key stroke recording programs.
13. Trespassing in another's folders, work or files;
14. Intentionally wasting limited resources;
15. Employing the network/computers for commercial purposes; and/or
16. Engaging in other activities that do not advance the educational purposes for which computer network/computers are provided.

**INTERNET SAFETY****Compliance with Children's Internet Protection Act**

As a condition for receipt of certain Federal funding, the school district has technology protection measures for all computers in the school district, including computers in media centers/libraries, that block and/or filter material or visual depictions that are obscene, child pornography and harmful to minors as defined in 2, 3, 4, 5, 6, and 7 above and in the Children's Internet Protection Act. The school district will certify the schools in the district, including media centers/libraries are in compliance with the Children's Internet Protection Act and the district complies with and enforces Policy and Regulation 2361.

# RIDGEWOOD BOARD OF EDUCATION

PROGRAM

R 2361/page 4 of 11

Acceptable Use of Computer Networks/  
Computers/ Personal Electronic  
Devices (PEDs) and Resources

Compliance with Neighborhood Children's Internet Protection Act

Policy 2361 and this Regulation establish an Internet safety protection policy and procedures to address:

1. Access by minors to inappropriate matter on the Internet and World Wide Web;
2. The safety and security of minors when using electronic mail, chat rooms, and other forms of direct electronic communications;
3. Unauthorized access, including "hacking" and other unlawful activities by minors online;
4. Cyberbullying;
5. Inappropriate online behavior, including inappropriate interaction with other individuals on social networking sites and in chat rooms;
6. Unauthorized disclosures, use, and dissemination of personal identification information regarding minors; and
7. Measures designed to restrict minors access to materials harmful to minors.

Notwithstanding the material or visual depictions defined in the Children's Internet Protection Act and the Neighborhood Children's Internet Protection Act, the Board shall determine Internet material that is inappropriate for minors.

The Board will provide reasonable public notice and will hold one annual public hearing during a regular monthly board meeting or during a designated special Board meeting to address and receive public community input on the Internet safety protection policy - Policy and Regulation 2361. Any changes in Policy and Regulation 2361 since the previous year's annual public hearing will also be discussed at a meeting following the annual public hearing.

## PRIVACY

Compliance with Children's Online Privacy and Protection Act (COPPA) Notice

Policy 2361 and this Regulation establish an Internet safety protection policy and procedures for children under the age of 13 to address:

1. Posting a clear and comprehensive online privacy policy describing website and app information practices for personal information collected online from children;

2. Providing direct notice to parents and obtaining verifiable parental consent, with limited exceptions, before collecting personal information online from children;
3. Giving parents the choice of consenting to the operator's collection and internal use of a child's information, but prohibiting the operator from disclosing that information to third parties (unless disclosure is integral to the site or service, in which case, this must be made clear to parents);
4. Providing parents access to their child's personal information to review and/or have the information deleted;
5. Giving parents the opportunity to prevent further use or online collection of a child's personal information;
6. Maintaining the confidentiality, security, and integrity of information they collect from children, including by taking reasonable steps to release such information only to parties capable of maintaining its confidentiality and security; and
7. Retaining personal information collected online from a child only as long as necessary to fulfill the purpose for which it was collected and delete the information using reasonable measures to protect against its unauthorized access or use.

COPPA permits school districts, such as ours, to provide consent to the collection of personal information strictly for educational purposes on behalf of all of its students. This eliminates the need for parents to provide direct consent to each digital service the school utilizes in your child's instruction.

The District will maintain a listing of websites and apps utilized by our schools on our district website ([www.ridgewood.k12.nj.us](http://www.ridgewood.k12.nj.us)). Websites and apps may not be used by all grades or by all levels. While no vendor will offer a guarantee of complete and perpetual security, the Terms of Service and Privacy Policy statements for those vendors listed have been reviewed (as are updates to change them) to verify that appropriate security and privacy measures are in place to protect those using the service. Please contact the Manager of Information Technology or the Superintendent of Schools for more information.

## Information Content and Uses of the System

Pupils may not publish on or over the system any information which violates or infringes upon the rights of any other person or any information which would be abusive, profane, or sexually offensive to a reasonable person, or which, without the approval of the Superintendent of Schools or designated school district personnel, contains any advertising or any solicitation to use goods or services. A pupil cannot use the facilities and capabilities of the system to conduct any business or solicit the performance of any activity which is prohibited by law.

Because the school district provides, through connection to the Internet, access to other computer systems around the world, pupils and their parent(s) or legal guardian(s) should be advised the Board and school district personnel have no control over content. While most of the content available on the Internet is not offensive and much of it is a valuable educational resource, some objectionable material exists.

Even though the Board provides pupils access to Internet resources through the district's computer networks/computers and PEDs with installed appropriate technology protection measures, parents and pupils must be advised that potential dangers remain and offensive material may be accessed notwithstanding the technology protection measures taken by the school district.

Pupils and their parent(s) or legal guardian(s) are advised some systems and Internet sites may contain defamatory, inaccurate, abusive, obscene, profane, sexually oriented, threatening, racially offensive, or otherwise illegal or offensive material. The Board and school district personnel do not condone the use of such materials and do not permit usage of such materials in the school environment. Parent(s) or legal guardian(s) having Internet access available to their children at home should be aware of the existence of such materials. Pupils knowingly bringing materials prohibited by Policy and Regulation 2361 into the school environment will be disciplined in accordance with Board policies and regulations and such activities may result in termination of such pupil's accounts or access on the school district's computer networks and their independent use of computers.

## On-line Conduct

Any action by a pupil or other user of the school district's computer networks/computers and PEDs that is determined by school district personnel to constitute an inappropriate use of the district's computer networks/computers or to improperly restrict or inhibit other persons from using and enjoying those resources is strictly prohibited and may result in limitation on or termination of an offending person's

access and other consequences in compliance with Board policy and regulation. The user specifically agrees not to submit, publish, or display any defamatory, inaccurate, abusive, obscene, profane, sexually oriented, threatening, racially offensive, or otherwise illegal or offensive material; nor shall a user encourage the use, sale, or distribution of controlled substances. Transmission of material, information or software in violation of any local, State or Federal law is also prohibited.

Pupils and their parent(s) or legal guardian(s) specifically agree to indemnify the Ridgewood School District and school district personnel for any losses, costs, or damages, including reasonable attorney's fees incurred by the Board relating to, or arising out of any breach of this section by the pupil.

Computer networks/computer resources and PEDs are to be used by the pupil for his/her educational use only; commercial uses are strictly prohibited.

## Software Libraries on the Network

Software libraries on or through the school district's networks are provided to pupils as an educational resource. No pupil may install, upload, or download software without the expressed consent of appropriate school district personnel. Any software having the purpose of damaging another person's accounts or information on the school district computer networks/computers (e.g., computer viruses) is specifically prohibited. School district personnel further reserve the rights to refuse posting of files and to remove files. School district personnel further reserve the right to immediately limit usage or terminate the pupil's access or take other action consistent with the Board's policies and regulations of a pupil who misuses the software libraries.

## Copyrighted Material

Copyrighted material must not be placed on any system connected to the networks/computers without authorization. Pupils may download copyrighted material for their own use in accordance with Policy and Regulation 2531 Use of Copyrighted Materials. A pupil may only redistribute a copyrighted program with the expressed written permission of the owner or authorized person. Permission must be specified in the document, on the system, or must be obtained directly from the author or authorized source.

## Public Posting Areas (Message Boards, Blogs, Etc.)

Messages are posted from systems connected to the Internet around the world and school district personnel have no control of the content of messages posted from these other systems. To best utilize system resources, school district personnel will determine message boards, blogs, etc. that are most applicable to the educational needs of the school district and will permit access to these sites through the school district computer networks. School district personnel may remove messages that are deemed to be unacceptable or in violation of Board policies and regulations. School district personnel further reserve the right to immediately terminate the access of a pupil who misuses these public posting areas.

## Real-time, Interactive, Communication Areas

School district personnel reserve the right to monitor and immediately limit the use of the computer networks/computers or terminate the access of a pupil who misuses real-time conference features (talk/chat/Internet relay chat).

## Electronic Mail

Electronic mail (“e-mail”) is an electronic message sent by or to a person in correspondence with another person having Internet mail access. The school district may or may not establish pupil email accounts. In the event the district provides email accounts, all messages sent and received on the school district computer networks/computers must have an educational purpose and are subject to review. Messages received by a district-provided email account are retained on the system until deleted by the pupil or for a period of time determined by the district. A canceled account will not retain its emails.

Pupils are expected to remove old messages within fifteen days or school district personnel may remove such messages. School district personnel may inspect the contents of e-mails sent by a pupil to an addressee, or disclose such contents to other than the sender or a recipient when required to do so by the policy, regulation or other laws and regulations of the State and Federal governments. The Board reserves the right to cooperate fully with local, State, or Federal officials in any investigation concerning or relating to any e-mail transmitted or any other information on the school district computer networks/computers.

## Disk Usage

The district reserves the right to establish maximum storage space a pupil receives on the school district's system. A pupil who exceeds his/her quota of storage space will be advised to delete files to return to compliance with the predetermined amount of storage space. A pupil who remains in noncompliance of the storage space allotment after seven school days of notification may have their files removed from the school district's system.

## Security

Security on any computer system is a high priority, especially when the system involves many users. If a pupil identifies a security problem on the computer networks/computer, the pupil must notify the appropriate school district staff member the pupil should not inform other individuals of a security problem. Passwords provided to pupils by the district for access to the district's computer networks/computers and PEDs or developed by the pupil for access to an Internet site should not be easily guessable by others or shared with other pupils. Attempts to log in to the system using either another pupil's or person's account may result in termination of the account or access.

A pupil should immediately notify the Principal or designee if a password or pin number is lost or stolen, or if they have reason to believe that someone has obtained unauthorized access to their accounts. Any pupil identified as a security risk will have limitations placed on usage of the computer networks/computers and PEDs or may be terminated as a user and be subject to other disciplinary action.

## Vandalism

Vandalism to any school district owned computer networks/computers and PEDs may result in cancellation of system privileges and other disciplinary measures in compliance with the district's discipline code. Vandalism is defined as any malicious attempt to harm or destroy data of another user, the system, or any of the agencies or other computer networks/computers and PEDs that are connected to the Internet backbone or of doing intentional damage to hardware or software on the system. This includes, but is not limited to, the uploading or creation of computer viruses. In the event vandalism results in a financial loss to the district, restitution by the offender may be required.

## Printing

The printing facilities of the computer network/computers and PEDs should be used judiciously. Unauthorized printing for other than educational purposes is prohibited.

## Internet Sites and the World Wide Web

Designated school district personnel may establish an Internet site(s) on the World Wide Web or other Internet locations. Such sites shall be administered and supervised by the designated school district personnel who shall ensure the content of the site complies with Federal, State and local laws and regulations as well as Board policies and regulations.

## Violations

Violations of the Acceptable Use of Computer Networks/Computers and PEDs and Resources Policy and Regulation may result in a loss of access as well as other disciplinary or legal action. Disciplinary action shall be taken as indicated in Policy and/or Regulation 2361 Acceptable Use of Computer Networks/Computers/PEDs and Resources, 5600 Pupil Discipline/Code of Conduct, 5610 Suspension and 5620 Expulsion as well as possible legal action and reports to the legal authorities and entities.

## Determination of Consequences for Violations

The particular consequences for violations of this Policy shall be determined by the Principal or designee. The Superintendent or designee and the Board shall determine when school expulsion and/or legal action or actions by the authorities is the appropriate course of action.

Individuals violating this Policy shall be subject to the consequences as indicated in Board Policy and Regulation 2361 and other appropriate discipline, which includes but are not limited to:

1. Use of computer networks/computers and PEDs only under direct supervision;
2. Suspension of network privileges;
3. Revocation of network privileges;
4. Suspension of computer privileges;

**II. FLAG SALUTE AND PLEDGE OF ALLEGIANCE**

Mr. Lembo led those present in the Pledge of Allegiance.

**III. OPENING STATEMENT BY PRESIDING OFFICER**

Mr. Lembo announced that pursuant to the requirements of the Open Public Meetings Act, advance notice of this meeting had been given to The Ridgewood News, The Record, and the Clerk of the Village of Ridgewood. In addition, notices were posted in the office of the Board Secretary and in all school buildings. Due to health concerns related to the COVID-19 meeting the public cannot attend the meeting and public comments can be called in or submitted through the website.

**IV. PRESENTATIONS****A. STUDENT REPRESENTATIVE REPORT**Academics

- The RHS guidance department held mandatory scheduling meetings with the entire junior class to discuss course placements for next year.
- Several students in the RHS STEM Club recently participated in a virtual competition hosted by IgniteSTEM, a branch of Princeton University's Entrepreneurship Club. They heard from a professor at Princeton and took part in brainstorming and prototyping sessions. The day concluded by playing virtual games like the very popular, Among Us.
- In an effort to make the college application process a bit less nerve-racking, a few students from the current Junior class started a College Club where they will invite RHS alumni from various colleges to speak about their experiences applying to college, describe living on their respective campuses, and answer our most pertinent questions.

Arts

- Students from the RHS Music Production class were able to submit one of the projects they worked on throughout the semester to be included in the RHS Music Production SoundCloud playlist.
- The RHS Dance Company put on a virtual Winter Performance via Zoom which received lots of excellent reviews.
- The RHS Bands are doing their annual Citrus and Fresh Fruit sale which will help to support the association.
- The RHS Newplayers are looking for students to participate in the Playwriting one-act readings which were written by some of our fellow students. Alongside that, they are also working on their production of Cabaret.

Athletics

- Since spectators are not currently allowed at high school sporting events, the

typical cheering and enthusiasm from the crowd are missed by the RHS Winter players. To combat this, many students are encouraging the RHS teachers, staff, and student body to write notes to the Winter teams cheering them onto their next victory.

#### Activities

- The RHS Psychology Club will be working with some of our special education peers to play games and work on various social skills. They are also shining a light on Mental Health Awareness by submitting articles that cover Psychology and Wellness to the school publication, The High Times.
- Last week was the official week dedicated to Black Lives Matter so the RHS Democrats Club partnered with the RHS Intersectional Feminist Club, the RHS Girl Up Chapter, and the Students for Social Justice Club to sign petitions that support black-owned businesses as well as contact local representatives to encourage them to continue to fight for what is right. They later attended a presentation hosted by Montclair State University that discussed the importance of Black Lives Matter inside the classroom.

## **V. COMMENTS FROM THE PUBLIC**

The following callers addressed the Board:

Jessica Torre 366 East Glen Ave., Statement of support for ITDC, family had two children attending the ITDC, the staff is warm and welcoming and the children are happy in the classrooms. It is a place of joy where childhood is respected and loved. Both of her children have thrived and learned colors, letters, shapes. Most importantly they have learned to be kind humans. ITDC is a second home to her children, as a working mom it is very hard and knowing the children are thriving in our absence is priceless. One child will be in K in Travel in September and the other will be in the 3's class and they look forward to seeing him graduate from the pre-k 4 class. It is our hope that the BOE support this program and the parents, teachers and students.

Kerri Miller 141 John Street, thanked Dr. Gorman for his leadership and work with the BOE to keep the schools open, her youngest child is in the ITDC and serves as president of the ITDC Parent Teacher board. The ITDC is on the agenda and she is calling to commend the teachers and staff who support the districts' youngest learners. During this uncertain time they have been a calm constant in their lives. Parents have shared heartfelt messages on how the teachers and staff have shaped their lives. The children have thrived and are prepared to excel once they leave. Her 2 year toddler comes home knowing colors, songs and her social/educational development is amazing. As a fixture in the community for over 30 years, there are countless community members who also love the school and appreciate the support for the program that has positively shaped the lives of the district's youngest learners. Thanks to the board.

Laura McKenna, 261 Bingham Rd., two weeks ago at the last BOE meeting, she said Ridgewood would be getting federal relief money and asked that Ridgewood use that money for programs that need it the most. She asked for programs such as tutoring, summer programming, mental health and social groups for special education kids. In May 2020 the federal government distributed money through the CARES Act. The State of NJ received 3

million dollars, Ridgewood received \$115,912, according to NJ.com. The intent was to be used in schools for COVID safety and professional development to help with remote education, internet access for needy kids and special ed kids. In December, congress approved another CARE package, according to the specifications, Ridgewood would receive .5 million dollars. Have we gotten that money yet? CARES money is supposed to be earmarked for covid related expenses. According to today's agenda the CARES money was spent to supplement salaries for existing staff. It is not intended to pay the salary of existing staff. She thinks Ridgewood residents should see the formal accounting for the money that came in from the CARES Act. What new programs have been spent to assist kids and families? If Ridgewood takes the money to meet existing special ed expenses. What happened to the 5,000 spent on the Aide, is it redirected towards other expenses in the budget. Is it used to pay the AP class that the special education students cannot access?

Laurie Weber, South Irving Street, wants to speak regarding ITDC, hopes the board takes a lesson from what happened with the before and after care program. As of the 2018-19 school year, the contract was automatically awarded to the same entity every year with a modest increase or sometimes no increase. For the 20-21 year, the district advertised for proposals and received 129% increase in revenue from the 2018-19 school year. Our school district owns and operates the ITDC business and last year operated at a loss, over the year prior to the pandemic the district lost hundreds of thousands of dollars that is money that is taken away from our school district. What if the district advertised for a proposal for an outside company to run the program. That way the district would guarantee not to lose any money and have a guaranteed income, the revenue can be used for sports, special education and classroom supplies. It is a win-win for the users of the ITDC program and the district, we can keep the program and the incoming company can be encouraged to keep the staff as was done by the before and aftercare program. This is a no brainer and hopes the board considers it.

Justin Fox, 325 Crest Road, Thanked the teachers and administrators for their hard work during this challenging year. Called to share facts for parents that they can verify themselves about what is happening in the immediate area surrounding Ridgewood, He identified towns that border the district and have young students in school 5 days per week, Monday through Friday without an A/B schedule: HoHokus, Allendale, Ramsey, Franklin Lakes, Waldwick, Saddle River, Woodcliff Lake. Other districts are following a hybrid schedule, some have clear and actionable reopening plans. Districts beyond our immediate vicinity, data by Governor Murphy there has been a 25% increase in schools transitioning to 5 days a week learning. Other schools have taken action or have actionable plans. So far Ridgewood is thinking, discussing or planning another survey. Every district has unique challenges, but can go outdoors, add plexiglass around desks, use all available space. Please get our youngest learners in school full time.

Brendan Heffernan, 992 East Glen Ave., calling in support of ITDC, is a career educator and has worked with K-College students. The value of the ITDC is beyond words, he speaks as a parent and an educator. He is proud of the work that is done educationally and the teachers have done a wonderful job. The program offers a great deal for the community, setting up the students for success. It has had a tough two years with the pandemic, as all schools have. He thinks everything should be done to preserve the program that has been around for 30 years, he thanked the board, Dr. Gorman and the teachers of the ITDC and

the district.

## VI. PRESENTATIONS

### A. Diversity, Equity, and Inclusion

Ms. Poelstra presented information on the district's Diversity, Equity, and Inclusion (DEI) initiative. She stated that the district has been moving forward with the initiative that is an integral component of the culture branch of the strategic plan. A detailed action plan was developed for how to achieve specific goals and objectives. Early in this process, additional holidays (Eid, Lunar New Year, and Diwali) were added to the calendar. The administrative team has read and discussed White Fragility as part of the summer administrative retreat and are currently reading Caste.

Third Culture People (3CP) has provided professional development to approximately 70 staff members, focusing on understanding cultural values and CQ competencies, as well as how to apply this knowledge. As part of this collaboration with 3CP, a staff DEI subcommittee will be formed to help determine priorities and actionable steps.

Several teachers in year 3 of the New Teacher Induction Program have chosen leadership projects that align with the district's DEI initiative, including a classroom library audit, analysis of the K-5 music curriculum to assess DEI integration, and enhancing practices with English Language Learners.

Individual departments have also established DEI goals. English teacher Patricia Hans has participated in summer training in this area for the past two years, and she has provided professional development for our social studies and English teachers at the November PD Day.

The Travell DEI Committee has been active, and they have shared an extensive list of resources for possible consideration during the curriculum review process. A new high school elective, the Philosophy of Race, is being offered next year.

Ridgewood High School has earned the College Board's AP Computer Science Female Diversity Award for expanding young women's access to AP Computer Science Principles.

Ms. Poelstra's presentation can be found on the district website:

[https://www.ridgewood.k12.nj.us/our\\_district/board\\_of\\_education/board\\_presentations](https://www.ridgewood.k12.nj.us/our_district/board_of_education/board_presentations)

The district has signed on for a one year contract with 3CP, we are committed and want to see where we end up at the end of the school year. The workshop was 4 sessions in 2 hours each via zoom. Next steps planning will be done collaboratively with the people who attended the sessions.

The course is a full year course that is in the course catalogue and is offered to 11 and 12th graders. Teachers are also bringing this information within the curriculum that already exists and integrated within the programs.

A survey of staff participants has been conducted and the results have been positive. The outside consultant is beneficial because they bring a level of expertise that we may not have, including facilitating conversations. Teachers and administrators were separated for the sessions, the feedback received from the staff is that they felt they could be honest and open with someone who is not our evaluator.

Parents who joined the DEI committee were volunteers who have an interest in this topic and want to contribute back. In some schools we waited awhile to get parents to volunteer.

## **VII. SUPERINTENDENT'S REPORT**

Dr. Gorman stated that Jamboree's first stream event, Mission imPossible, was a tremendous success, raising over \$200,000 for need-based scholarships.

Dr. Gorman thanked Aramark, our custodial and maintenance crew, who have worked extremely hard during the recent snowstorms and throughout the year to keep our buildings clean and safe.

Dr. Gorman provided an update on the pandemic response plan, beginning with a data summary. While Ridgewood has not had any COVID transmissions in school, there have been 131 transmissions in schools around the state. Our region and the state remain at the "orange" or "high" level for COVID activity. Between 25-50% of Bergen County schools are in a virtual setting.

Since opening schools in September, a number of modifications have been made to Phase 1. Adjustments were made to the middle school and high school schedules to increase instructional time. As of January 1, new protocols for sharing equipment in science, physical education, music (instrumental), and electives were established to enrich the in-person experience. Co-curricular activities and some indoor athletics were able to operate in-person as of January 11, following specific criteria and modifications. A new COVID dashboard was posted on the website on January 22, containing a summary of cases and letters from the district. The PSAT was also offered to the sophomore class.

This month, AlphaBest began to provide an all-day daycare option for parents and teachers. New playground protocols and vocal music have been established. Athletics will continue with swimming, winter track, and competition cheer. Looking ahead, the district is investigating other potential options based on parent feedback and data. Adjustments to the K-1 schedule are currently under consideration.

The criteria for making a school remote is spelled out in the New Jersey Department of Health, our nurses immediately begin contact tracing after a case is brought to our attention and work with the Village Health Department. With the contact tracing, we can make a decision to close just a class or close the whole school when necessary. If there are two unknown cases, there may be an outbreak. If the unknown cases can be determined to not have any contact or have not been in similar locations it may not be

necessary to close.

Some factors to moving to full time schedules would be when the region moves to the green zone, more people becoming vaccinated. We unfortunately are working at capacity regarding space. The six foot limitation is a major factor when changing learning models.

The presentation can be found on the district website

### **C. Approval: Amendment to Memorandum of understanding Between the Ridgewood**

**Board of Education and AlphaBest Education, Inc.**

WHEREAS, Contractor and the Board previously entered into an agreement, executed on June 5, 2020, for the provision of “Before and After School Child Care Services” (the “Existing Agreement”) in the Ridgewood’s facilities for students;

WHEREAS, Contractor and the Board previously entered into a MOU to outline the Contractor’s modified child care services (the “Modified Program”) for Ridgewood’s students and students of Ridgewood’s staff during the COVID-19 pandemic;

WHEREAS, Contractor and the Board seek to into a second MOU for Contractor’s full day child care services (hereinafter referred to as “Full Day Program”) for Ridgewood’s students during the COVID-19 pandemic; and

NOW, THEREFORE, for good and valuable consideration, the receipt of sufficiency of which are hereby acknowledged, the parties agree as follows:

1. Purpose of this MOU #2
  - a. This MOU #2 stipulates the updated temporary program and fee schedule between Contractor and the Board for the Full Day Program to be provided by Contractor for Ridgewood’s students on Mondays to Fridays from 7:00 a.m. to 6:00 p.m. at the following locations:
    - i. Somerville Elementary School; and
    - ii. Benjamin Franklin Middle School.
  - b. Contractor will operate the Full Day Program, as described in Section 1(a), as long as a minimum enrollment of five (5) students are enrolled in the Full Day Program at each location. Contractor will make the determination for the Full Day Program operation at each location on a weekly basis during the term of this MOU #2.
2. Term

The term of this MOU #2 will commence on February 1, 2021, and conclude on a later date to be mutually agreed upon in writing between Contractor and the Board, unless terminated earlier in accordance with the provisions of the Existing Agreement. It is the intent of the parties for the agreed date of termination of the MOU to be tied to the return to normal school operations following the end of the COVID-19 pandemic.
3. Schedule of Child Care Services
  - a. Contractor and the Board acknowledge and agree that the child care services will be provided in accordance with the school calendar; however, the Parties understand that the days of operation as well as the commencement of direct services for students will be dependent upon Ridgewood’s permitted days of

operation. As such, the dates of service may be subject to change.

b. Upon termination of the MOU #2, Contractor will provide child care services in accordance with Ridgewood’s regular school year calendar.

4. Fee Schedule

a. During the term of this MOU #2, the tuition fees for the Full Day Program provided by Contractor shall be specified as follows:

Registration/PPE Fee (Per child)	\$25
Late Payment Fee	\$15.00
Late pick-up fee for 1 – 15 minutes	\$15.00
Late pick-up fee for 16 – 30 minutes	\$30.00
Late pick-up fee for 31 or more minutes	\$1.00 each additional minute per family
Return Check	\$25.00
NSF Fees	Maximum allowable by law

2020 – 2021 MOU Fee Schedule – Full Day				
Enrollment Type	1:30 p.m. End Time	3:30 p.m. End Time	6:00 p.m. End Time	Frequency
1 day per week	\$45.00	\$50.00	\$55.00	Per day

5. Entire Agreement

a. Except for the items modified in the MOU and MOU #2, all terms and conditions of the Existing Agreement shall remain unchanged and in full force and effect. This MOU #2, together with the Existing Agreement and MOU, represent the entire agreement of the Parties and may not be modified in any manner except by a written instrument signed by both parties.

#### Legislative Report February 2021

**School Construction Funding:** The Education Law Center, legal advocates for equal educational opportunities, went back to the New Jersey Supreme Court, accusing the state of ignoring its responsibility to allocate funding for repairs to and/or replacement of aging school buildings in the state's poorest districts. In seeking redress, the Education Law Center cites the School Development Authority's list from 2019 that identified "urgently needed" construction projects in the neediest districts. They are asking the court to order the state to craft a spending plan for school construction by June 30th in the 2022 state budget. The last time that the state earmarked money for school construction was 2008 in the amount of \$2.9 billion. Some of this money was given to regular operating districts in the form of construction grants. Ridgewood received grant funding for its 2009 referendum projects.

**School Funding:** Districts that have seen their school funding aid cut, as a result of 2018 Senate bill S-2 that put into place a 7-year phased reduction in adjustment aid impacting 320,000 students in about 172 school districts, are speaking out against further cuts. The districts impacted argue that the state should halt the aid reductions especially in light of the pandemic and the unexpected costs that districts have incurred.

#### NJ 2022 Budget Challenges:

- Loss of revenue due to the pandemic of about 5%.
- Increase costs/liability for the New Jersey public employee pension system. This year the state put \$4.7 billion into the pension system, and in 2022, the state will need to increase this amount.
- Issued \$4 billion in emergency borrowing, a one-shot source of revenue that is not reoccurring year to year; in November 2020, helping to pay state education aid for New Jersey's school districts.
- A promise of tax relief where the state will issue checks in next year's budget worth \$500 to New Jersey families with children with incomes up to \$150,000 and to single parents with incomes up to \$75,000. The cost of this tax relief is estimated between \$350 and \$400 million.

Governor Murphy should be delivering his budget address at the end of February.

Ms. Kwak announced that the Negotiations Committee met recently over Zoom and had a productive discussion.

Mr. Lembo announced that the new Board members have been participating in the second year training sessions.

**ii. Infant Toddler Development Center**

Dr. Fenwick, Director of Special Programs presented a brief presentation on how to expand some of the programs that are currently housed in the Glen School; RED, REACH and RISE. We were already budgeted and planned to take over an additional classroom next year. She was posed with the question on how to expand to maximize the space and programming. We could add an additional REACH class or additional REACH 3 year old class - REACH is the integrated class that includes students with IEP's or tuition based general education students. Tuition based general education students can be received from other districts. In the special education realm, when it's a quality program the districts that have limited ability to provide services will seek out our program and it currently happens in our RISE program starting in Pre-school through STEPSS. While we might actualize a cost savings and see a revenue, these programs are not revenue building and usually give back to themselves because they are expensive to run.

Currently all special education students have the option to be in school everyday. The Board discussed the possible options for the future of the Infant Toddler Development Center; including going out for an RFP, streamlining the current ITDC program and expanding the REACH program.

To view this portion of the meeting scroll to 2:10:35.

Ms. Kwak asked about the REACH program. Dr. Fenwick responded that if there is

space and we had the opportunity to grow at the Glen School, we could advertise and encourage tuition general education students outside of Ridgewood to come.

Mr. Lembo asked if REACH was open every day. Dr. Fenwick stated that REACH is open 5 days, 1/2 days now and all special education students have the option to go to school every day. We are working to increase the time at the Glen School.

Mr. Kaufman asked about the ITDC losses over the last few years. Ms. Brogan responded that projected losses for this year is about \$275,000. Ms. Kwak noted the program started with \$38k to \$39k funding after the transfers so the full projected loss is about \$314,000 for this year. Mr. Kaufman noted that to put this into perspective, there are about 8300 households in Ridgewood. Before COVID, let's say if we lost on a yearly basis \$200,000, that is about \$24 a household. Ms. Kwak noted that half of ITDC are non-residents so we are using taxpayer dollars for non-residents and outside of our mandate. Ms. Kwak noted that Infant/toddler daycare is a small program that is funded by the district using taxpayer dollars. Ms. Kwak noted that Ridgewood residents do not get priority, and they do not get a discount. The only category, participants, who qualify for a discount are staff. Mr. Kaufman asked if the district has the option of restricting the program to just residents. Ms. Kwak noted that the program is not viable now.

Mr. Kaufman noted that there are 8300 households, and how many taxpayers pay for our kids to go to public school who don't have kids in the school system; Mr. Kaufman feels there is support for this program. Mr. Kaufman noted that he is flip-flopping here because last year, he said that if the program runs at a loss, then we need to walk away, but there is overwhelming support for a 30 year program also shown by the public comments which will be read later. Ms. Kaufman noted that, If we could tailor it to Ridgewood residents, streamline it, make it smaller, would I mind paying \$24? I don't think so, said Mr. Kaufman. Mr. Kaufman repeated that there are 8300 households, and so the cost per household is \$24 if it's a \$200,000 loss.

Mr. Kaufman noted that sometimes we have to look beyond the money...If we revamp this just for Ridgewood residents, still leave room for REACH/RISE/RED to grow...Again, if we are looking at \$10 per household, is that a big loss.

Ms. Kwak noted that our mandate as a Board of Education trustee is not to provide childcare for non-residents, not even childcare for residents. We are in education. Our mandate is to utilize tax payer dollars to advance public school education for resident children.

Mr. Lembo asked if there is instruction at Infant/Toddler. There are teachers at ITDC; Mr. Kaufman said the public comments indicated there was an educational process happening there.

Mr. Dani said there are 2 different types of programs at Glen School: RED/RISE/REACH run under special education division and ITDC. ITDC is a better program than normal daycare according to the feedback. Based on Mr. Dani's understanding, we have an efficiency problem with running ITDC. Mr. Dani noted, maybe, what if we go out and find out perhaps there is an outside company that can run the program, the same program, more efficiently. At the same time, as Mr. Kaufman said, if we have an option to run it more efficiently, we can come up with that option. Mr. Dani noted that we have been running money before COVID, and we are going to give up 1 room to the REACH program [which means] we will have less

kids in the ITDC program...if we go out and find an external company, a partner, to run ITDC program and keep special education as is. Mr. Dani noted that the district did a RFP for the better-and-aftercare program, so that a scenario exists of an external company running a program in our space. Mr. Kaufman asked would there be a discount for Ridgewood residents or teachers. Mr. Dani responded that there is a teacher discount already at before-and-aftercare Alphabest program.

Mr. Lembo wondered if a teacher discount was not there, whether there would be enough interest and if the program would be financially viable. Mr. Kaufman wondered if higher tuition would also discourage attendance. Mr. Dani responded that we would only find out if we go out for a RFP. We could modify the RFP that was used for before-and-aftercare to find an outside vendor to see what our options are.

Mr. Kaufman wondered if maybe it would be worth it to bring in an administrator who could run the program more efficiently in-house. Mr. Dani responded that ITDC could come up with a plan to run the program more efficiently at the same time as we go out for a RFP. [2:32:16] Mr Dani noted that there were accounting issues, this is not a new thing that we figured out at ITDC and we will be losing another room [to REACH] so not sure what the program could like longer-term, and how much money are we taking away from general ed budget. The money [to cover ITDC losses] have to come from somewhere.

Ms. Kwak noted that in 2017-18, there was no COVID, and \$179,000 had to be funded to ITDC. Mr. Kaufman noted that perhaps RFP is the only solution but he wanted to explore all possibilities before we move on from a program that has been in the district for over 30+ years. Ms. Kwak noted that ITDC is a beloved program, nobody is disputing that. Ms. Kwak noted that the issue is that it is siphoning tax payer dollars away from our constituents. This is \$314,000 that we could use for gifted and talented, diversity and equity and inclusion, special needs community...this is a finite amount of money. COVID restrictions are not going to ease up immediately and at the end of the day, it's also valuable management time. Ms. Kwak noted that every amount of time turning around this beloved program is taking away from figuring out how do we reopen schools, what are we doing to open up the elementary school maybe ahead of the high school...it is about preparing for phase 2 and phase 3 for general ed and for the special needs community. Ms. Kwak noted that she thinks we are getting away from our core mandate which is to service Ridgewood residents and their children during this difficult time.

Mr. Dani noted that the program will also lose 1 room next year. Mr. Dani noted that the district could set up the parameters in the RFP so it could put priority on [serving] Ridgewood students. Ms. Brogan noted that this is a business opportunity so you don't want to put too many restrictions because they need to make the rent and pay the staff. Mr. Dani spoke that there was a tenant in the past who was paying rent and running a successful program, we cannot speculate that no one can run the program unless we go for a RFP.

Ms. Brogan suspects that there is great anxiety amongst the ITDC families and the staff and for that she apologizes. Ms. Brogan noted that for 2 years due to COVID, we have seen a significant loss in revenue at no one's fault. This is the reality. Ms. Brogan noted that we did have a readjustment in our assets and there was a deficit of \$179,000 and next year we thought there would be a deficit but there wasn't so the program did turn around. But Ms. Brogan wondered if we could provide more opportunities for the 3s and 4s and transitional kindergarten students by expanding

the program at infant toddler at the Glen School. Because there continues to be a consistent need for special education services and integrated with general education...so perhaps this could be an opportunity to rethink the Glen School a little bit. Ms. Brogan notes that we are building a continuum with 3 and 21 with STEPSS... an opportunity exists to continue to educate from 3 to 21 with STEPSS. Ms. Brogan noted, that "When we take away infant toddler...if infant/toddler should close, can we continue to keep our 3 year olds at the Glen School, and with a combination of before and aftercare and the Glen school, would that be of help to the parents with the 3 year olds and what would close would be our infant to 2 [year olds]." Ms. Brogan noted that anxiety levels are high with the parents, and the conversation should not go so long that should it close or shut down part of the infant toddler opportunities there, that parents and staff don't have enough time to look at their options. Ms. Brogan is not keen on going out for a RFP.

Mr. Dani noted that REACH expansion means full capacity of 16 students per classroom. We have a lot of room to grow in the physical space; we have enough rooms and space to grow the special ed programs. There is no harm in doing a RFP, that way we are not disturbing any programs and making it more efficient. Each room right now is 11 students. Dr. Fenwick noted that there is room to grow.

Ms. Kwak noted that REACH/RISE can organically grow, and Dr. Fenwick and the administration could focus on getting kids back to school and addressing any learning loss. It's hard to have a business model when the numbers of students requiring special needs can change year to year. So if the REACH/RISE can organically grow, what do we do with the other space with ITDC. It's not just a budget issue, it's management attention and administrative time to turn it around. Ms. Kwak noted that she is mindful of the administrative time and the money, \$275,000 loss projected this year that could have been used to support the needs of Ridgewood residents, so that's why RFP is a viable option. Let's see what comes back from the RFP so that we can focus on phase 3 of school reopening, on elementary schools, on how do we address any learning loss when they come back.

Mr. Lembo asked about projections. Ms. Brogan said we are 55 students this year from 76 at its maximum. Dr. Gorman noted that enrollment was typically around 75 or so, and there was a modest profit until we hit difficulties. Mr. Dani noted that the profit was due to allocating some ITDC expenses to other schools. Mr. Lembo noted that rates would have to maybe increase. Mr. Lembo liked the idea of teaching and educating young kids in the blended gen ed and special ed model.

Ms. Brogan asked, Is it the will of the Board to go for a RFP? Mr. Dani responded that we could go for RFP with these 5 or 6 classrooms, because 1 classroom is split into 2, and find out if there is a company that can run the program more efficiently and provide an option for current parents to enroll there. While RFP is going on, the district will not be touching the program, and maybe the current program will come up with ways to run it more efficiently.

Mr. Dani made a motion to go out for an RFP for the infant/toddler program with the current setup, and identify if we can find a partner.

Mr. Dani noted that we can also take a vote on Ms. Brogan's proposal to close ITDC and expand the REACH program.

Ms. Kwak seconded the motion, which carried by the following roll-call vote:

AYES: Mr. Dani, Ms. Kwak, Mr. Lembo

NAYS: Ms. Brogan, Mr. Kaufman

**XIV ACCEPTANCE OF MINUTES**

- December 7 Executive Session
- January 11 Regular Public Meeting
- January 25 Regular Public Meeting
- January 25 Executive Session

Ms. Kwak requested to table the January 11 and January 25 Regular Public Meeting minutes for further review.

Dr. Gorman and Mr. Bisig will research if the meeting webcasts are stored on our district website. The meeting minutes are a quick synopsis and action items taken at the board meeting.

Mr. Lembo moved Acceptance of Minutes, except the January 11 and January 25 Regular Public Meeting.

Ms. Kwak seconded the motion, which was unanimously approved.

**XV. OTHER BUSINESS**

There was no other business.

**XVI. COMMENTS FROM THE PUBLIC**

The following callers addressed the board:

Kerri Miller 141 John Street, she stated that Mr. Dani mentioned the ITDC was not an agenda item, she pointed out that the agenda noted a closed executive session regarding the ITDC program. She is certain that the ITDC is willing to work with Dr. Fenwick to ensure the program does not bring a loss to the district. It is clear that not all members of the BOE are operating on a full set of facts to make a decision. You are all privy to numbers that we in the community do not have, and implores that the board looks at the full picture before rushing to judgement. Ms. Kwak commented earlier that the focus should be on Ridgewood students, she agrees as a taxpayer especially during this difficult time with covid, but points out that this year only 9 of the 55 students are out of district students. The vast majority are Ridgewood kids or the parents who teach in the Ridgewood district. Regarding REACH and replacing the 4s with REACH, it is easy to think this is apple to apples comparison, but the program is only from 8:45 to 1:45 the students will have to go to a broader aftercare setting which is very different from the program at ITDC. Per curriculum, there is some misinformation that it is only a daycare and not educational. She would like that restated, the program is educational and curriculum based that is the main reason that parents bring their children there instead of other programs. Implored the board to look at the program holistically and a full budget to be reconstructed before it goes out to bid. If it goes to RFP there will be bids that say they will save the district money and that will be a huge turnover

with district attendance and staff.

Brendan Heffernan, 992 East Glen Ave, echoed what Kerri Miller was saying, he is proud to be in education for a long time. He has seen things go out to bid in his career and has never seen a higher quality program for lower costs. We should tread carefully, itdc has served the community for 30 years well and prepared Ridgewood students for a lifetime of learning. It is an educational service that should be taken seriously, it's history should be embraced and respected. Thanked Ms. Brogan who recognized the amount of anxiety this is causing parents and faculty. We have to be careful of cynicism. The conversations that are being held in this public body is dooming this program. If there is a parent who would like to send their child to the itdc and hears that the board is talking about it in an incorrect way, he encourages the board on how to discuss. We should embrace the past and look to the future. ITDC serves the community with incredible staff and teachers for young children.

Ann Loving 342 South Irving St., she is happy that the vote went in favor of the RFP. it is her belief that taxpayers should not be subsidizing daycare even if it has an educational component. We should not be subsidizing Ridgewood residents or nonresidents. As a taxpayer, she is happy to pay her tax money to the schools. She campaigned for full day kindergarten, but no dollars should be spent from the budget to subsidize a daycare program.

Laurie Weber, South Irving Street, she commented about the first two callers and is not indifferent to how they are feeling. She has done a deep dive on this program about a dozen years ago and a couple of years ago when she started to have this conversation with the board about health and safety issues, she is talking about the sustainability of the program. Going back to the before care/aftercare program, we had a proposal to run the program with the same staff, same hours and same program guaranteeing that the tuition would not go up, and instead of paying \$65,000 they were paying \$95,000. This year Alphabest is paying \$150,000. When you turn the program to someone else to run it, it ensures that the possibility of a program that is losing money for a decade will be able to stay here and serve the community. A business that runs this as a business knows how to do this. As Ms. Kwak and Mr. Dani pointed out this is the road to saving this program. Noone is looking to take away the program by putting out an RFP. there should be no fear in finding out what our options are because this could be the option to save this program. In terms of how the program could grow, it remains to be seen and she would choose to see the special needs program to serve the community.

The following written comments were submitted:

Jessica Ciliento, 290 Eastbrook Rd., When will the elementary schools be moving into Phase 2, which was originally planned to take place in October?

Jessica Torre, 366 East Glen Ave., This comment is in support of the Infant Toddler Development Center and I am submitting on behalf of my husband and me.

Our children have been in a daycare setting since they were both three months old. Our oldest transitioned to ITDC when he was three and our youngest started as an infant. When

we moved to Ridgewood a few years ago, we visited multiple daycare centers in the area and we knew immediately that ITDC was the home for our children.

The entire staff was warm and welcoming. The building was clean, bright, and cheerful. But most importantly the children were happy. When we visited the classrooms, they wanted to share all of the fun things they were doing and learning. We could tell immediately that ITDC was a place of joy, where childhood is respected and children truly loved. As working parents, it means the world when you find the right fit for your children. ITDC was that fit.

Both of our children have thrived at ITDC. Not only are they learning their letters, colors, and shapes, but more importantly they are learning how to be kind humans. They are learning how to be independent, to celebrate each other's uniqueness, to be a good friend, to share, to apologize when they do wrong, and to take deep breaths when frustrated or mad. ITDC has been a second home for our children. As many can relate, it is hard being a working parent at times. Knowing that our children are continuing to grow in our absence, thanks to the kindness, patience, and love of others, is priceless. We have so much to thank the wonderful teachers and directors of ITDC for, especially this year. Our oldest son graduated from the program last year. He is currently in the Glen School's Transitional Kindergarten program and next year will be a kindergartner at Travell. When I asked him what his favorite thing about ITDC was he said, "My teachers and my friends." My youngest has two more years at ITDC and we look forward to seeing him graduate Pre-K 4 as his older brother did this past June.

ITDC is a truly special place. It is our hope that the Board of Education continues to support this wonderful program and the parents, teachers, and children that rely on it every day. Thank you for your time.

Brian D'Entremont, 411 Northern Pkwy., Hi, I'm writing in support of ITDC. Both of our children, Hugh and Neve d'Entremont, attend(ed) ITDC. We can't say enough good things about the program and the positive impact it's had on our kids. When we first moved to Ridgewood, Hugh attended a different daycare. Every morning at drop off he was in hysterics, and always quiet and sad at pick up. Within two days of moving him to ITDC he was running in the door, incredibly happy to be there.

The teachers and staff have helped greatly in the social and educational development of both of our children. The ITDC program is a valuable asset to the town and community and we're excited to have the newest member of our family (due March 2021) also attend and benefit from this great program. Big thanks to ITDC for everything it's done for our kids and others in the community.

Margarite Carmody, 66 Knickerbocker Rd., Hello. First, I want to express my appreciation for the significant amount of time all of the BOE members volunteer to help oversee our school district. I would also like to recognize the contributions of our student rep, Zoe Kovac. I truly look forward to hearing her thoughtful, comprehensive updates about the student experience and perspective, and appreciate the professional manner in which she always carries herself. Your future is bright Zoe! Second, I would like to say how happy I am that the topic of later school start times is being discussed again and I would like to voice my support for later school start times. The pandemic has brought us back to basics in many ways and the importance of sleep is one of those basics. A meaningfully higher percentage of RHS students have opted to go to school virtually during the pandemic

compared to middle and elementary school levels. The desire to get more sleep has been cited as one of the factors for the high percentage of RHS students choosing to attend school virtually. Think about the power of that message the students are sending about the importance of sleep. We have the opportunity to show our children we are listening and are willing to take action to support them - and have later school start times in place for the 2021-22 school year. I know the district has a lot of important topics on its plate during this pandemic - if there is anything that the districts needs help with in terms of sorting through the logistics to make later school times happen, I would be happy to volunteer my time to help and know others in the community would as well. Thank you again for your time

Christine Ann Denny, 44 Wearimus Rd., Our daughter attends ITDC and we could not be more in love with a program. The teachers and administrators go above and beyond. We are so grateful for this program. Our daughter loves the class and her teachers. We truly believe this school is preparing her for the next steps in her life and think it is a huge asset to the community.

Kerry Miller, 141 John St., This comment is in support of the ITDC and as part of the ITDC PTO's "Valentines for ITDC" program: Our toddler has been in the ITDC program since she was four months old. It's been such a joy to see her mature with the care of her teachers who take care of her as their own. We smile each morning as our daughter jumps out of our arms and marches right inside to her classroom. And we're amazed each evening when we pick her up - whether she's saying a new word or has an art project in her bag, she is smiling and happy. We are impressed with the curriculum she is exposed to and the love and support and love that surrounds her each day. ITDC has educated our district's children for many years, and so we're grateful that we have the opportunity to educate our daughter in this esteemed program. We love our school, and we thank the district for its ongoing support of the program that's educated our youngest learners for 30 + years

Annie Pak Brenner, 211 Pershing Ave., We love ITDC! The teachers and staff transformed our shy daughter from one who cried at drop off, to one who is friendly, eager, and excited to go to school each day. We really wanted to find a program that focuses on early education and could not have found a better fit with ITDC. Our daughter is thriving with the structure, education, and school environment. She comes home talking about what she's learned, what she's done during the day, and all the teachers and staff she loves. We cannot imagine our lives without ITDC.

Bethany Rose, 903 Hillcrest Rd., I am reaching out to show my support of Ridgewood's Infant Toddler Development Center and its talented, passionate, and caring administrators and educators. We are Ridgewood residents in our sixth year of participation in the program, first with our daughter Maya who began at 4 months until she went to Kindergarten at Willard, and now with our son Beckett who started in September at the age of nine months.

The ITDC program is an essential service for our family as my husband and I both work full-time. When we decided to move to Ridgewood, ITDC was a big part of that decision. I was impressed that Ridgewood Schools had this exceptional educational program for children in the critical development years before Kindergarten.

I understand and respect that the board must look at the finances of all programs to make sure they make sense. But please do not judge the finances and make long-term decisions

about ITDC's feasibility in the midst of this pandemic. The program is one of the crown jewels of Ridgewood Schools. Please put this conversation on hold until a more "normal" time with enrollments back at their prior levels.

Beth Hart, 329 Northern Pkwy., I'm hopeful that ITDC can be recognized for the gem that it is so that conversation can turn to how to maximize its potential instead of how to curtail it.

Kristi Reilly, 21 Austin Pl, Glen Rock, I have two children, ages 5 and 2, enrolled in ITDC and am so grateful to the school for keeping the children safe, happy, and engaged during these difficult times. They adore their teachers and are so happy to go to school each day. ITDC is the third pre-K program we've been enrolled in (we tried two others between 2016-2019 while waiting on ITDC's waitlist for a spot to open up). We are so glad we made the switch. Lisa Kontos and her staff have done a wonderful job keeping the children safe and allowing the children to enjoy normal school routines. When so much else about our children's environment has changed due to the pandemic, we are so grateful for the constancy provided by ITDC.

Katie Bielicky, 687 Wyndemere Ave., Hello! My name is Katie Bielicky and I am a proud ITDC parent, as well as a Ridgewood Public Schools employee. The ITDC has always been a special place but this year has highlighted how amazing the staff there is. Lisa, Lynda, Nurse Monica, AI and every single teacher (of which my children have been lucky to have almost all) are caring, professional, and essential. Every morning I drop off my 2 and 5-year-old and head to Somerville to teach two cohorts of 3rd graders. I drive away confident that my own children are being kept safe, learning new things, and safely interacting with their peers while I provide the same for my own students. I could not serve the community of Ridgewood without this amazing resource and I just wanted to make it clear how wonderful a place ITDC is. Thank you.

Deborah Liguori, 319 Meadowbrook Ave., I have not heard that Phase II or beyond is being considered for this school year. A lot has changed in the past several months. We have learned that COVID transmission doesn't tend to occur on surfaces and that close contact for a period of up to 15 minutes is more likely to allow transmission than a brief point of contact. Very highly effective vaccines are being distributed in New Jersey. Recently it has been reported that in the US, people in the 20 to 49 age bracket "accounted for about 72 percent of the cases after schools reopened in October. Less than 5 percent came from children, and less than 10 percent from teens."

I understand that there are private and religious-affiliated schools in New Jersey that have been successfully operating in-person full time and/or five days per week. We have been in Phase I for some time now with no specific plan for moving to the next phase. What are the District's specific metrics and plans to increase in-person instruction to 5 days per week and/or full days? Data shows that healthy children are at higher risk socially and intellectually (not to mention the increased risk of suicide) while being prohibited to attend school than they are at risk from dying of COVID-19. Why is the District not adapting to the more recent data?

I know for a fact that there are alternative child care facilities (such as the YMCA), sporting groups, and camps that have been operating successfully since the summer. These facilities allow children to play together, eat snacks and have lunch, both indoors and outdoors. Why must our children continue to sit still for hours with no opportunity to

participate in recess, lunch, PE, Music, Library, or Art class in person with other students? The failure to increase in-person learning time and playtime in our schools is detrimental to our children, not to mention working parents who are not equipped to be effective teachers. Parents who are concerned for the well-being of their children have the option for online learning, as they should. I am a parent who at this point in time has a greater concern for the emotional, social, and intellectual well-being of my children. The options for parents like me have been severely limited for nearly 11 months. I am requesting that the Board set and make public specific metrics for returning to a pre-pandemic school model. Perhaps, you will be announcing just that at tonight's meeting. I look forward to hearing your comments.

Meredith Counts-Heffernan, 992 East Glen Ave., We'd like to express our profound gratitude to the ITDC for their dedication to our children during this difficult time. As parents, there's nothing we could hope for more than to see our toddler thriving—educationally and emotionally—the way she does under the care of this wonderful program. We cannot thank the ITDC enough for their positivity and perseverance in the face of the year's unprecedented challenges.

Jennifer Van Cleve, 447 Linwood Ave., As we are on the last of our 8 years at ITDC with our two children, I am overwhelmingly grateful for the home away from home and the true sense of family it has offered for us and our children. Lisa and most of her staff, have known both of our children since they were 4 months old. The love, support, education, and structure it has provided for us over the years has been priceless. The teachers, assistants, and janitorial staff love those children like their own and it shows. For working parents, nothing offers more comfort or confidence when leaving your child for the day. The same woman who rocked our daughter when she was teething and fussy, snuggled our little boy 3 years later when he couldn't sleep. I can't imagine having had anyone else help us raise our children in their young years. We know most of the staff by their first name and them us. It is such a special, special little community to be a part of and we have gotten more out of it than we ever thought was possible and I thank them for being a big part of the reason we now have two bright, social, thriving, and loving children. I can't imagine the past eight years without them, and I will be beyond sad to leave their safe and capable arms when moving our son on to elementary school in the fall.

Tim Wuerfel, 552 Upper Blvd., My wife and I chose the village of Ridgewood as our new hometown this past fall for many reasons, but most importantly the education of our two daughters. As a teacher and a parent, I understand the importance of early education and the positive effects it has on our children's futures. In our search for early education for our youngest daughter, we were very excited to be able to enroll her in the esteemed ITDC program. We have been impressed by many aspects of ITDC including the curriculum, the administration, and especially the dedicated staff members who have been amazing with our daughter. In a few short months, we have seen her independence and self-esteem grow exponentially at ITDC. We know that this experience will play a major role in her cognitive and social development which will set the stage for future academic growth. Raising young children through a pandemic has been challenging in many aspects and we are grateful for all that ITDC has provided us. Please remember that early education is an investment in our children's future, not a cost.

Lynn Benson, 117 John St., When noticing the agenda of the presentation and update on Diversity, Equity, and Inclusion, I felt compelled to submit some thoughts. First off - thank you to the BOE for supporting this very important initiative. It was also great to read Dr. Gorman's opinion piece which I came across in The Ridgewood News. He captured key points, such as, "America is at a crossroads in history." And, "We all must realize 'the fierce urgency of now' in regards to the goals we want to accomplish." As an advocate of SEL, health and overall wellness, and the importance for us to re-evaluate life through a new lens to support students, families, and the staff of our school district, it is imperative to re-visit certain policies and initiatives. For example, I am grateful our district is engaging in the important discussion of later school start times which would fundamentally support the critical basic health requirements our teens need to function. DEI is another key area that impacts our students, families, and staff in numerous ways. This is not just about re-assessing curriculum; it's also about how to navigate these tough conversations that are taking place, and so much more. It's fantastic that our district hired a consulting expert this school year to engage up to 70 staff members with anti-bias training, and truly appreciate the progress made so far. However, there continue to be many complicated DEI related aspects that need attention with greater speed. Our district leaders are buried with attending to complicated day-to-day matters that impact the time and resources to move the needle on a greater scale that's warranted in these times. Also, as passionate and dedicated our district leaders are, they are still in "learning mode" with regards to DEI, just like most of us.

Due to the intricacy of DEI, our district needs a dedicated DEI Coordinator or Officer who has the expertise to address curricula updates, school climate issues, concerns students and parents convey, etc. Teachers and admins are working hard to make a much-needed change, and there's an emphasis for it to be accomplished with fidelity and consistency. There is also the reality for many who are passionate to move this forward often become paralyzed out of fear of messing up. A DEI Officer would provide the much-needed support for our school district and community to address all these concerns.

In terms of parent involvement, the intent of the HSA DEI committees was intended to be embedded within our schools. The structure and role of these committees need more attention so the time spent and the outcome is more meaningful.

It's also important to embrace, listen, and support the students and families of color who share their experiences. This would allow us to benefit from their voices to help us shape the changes that are needed. DEI complexities are vast. Please consider hiring a dedicated, specialized person to realize "the fierce urgency of now" to show our school district's commitment to DEI and to provide our families, teachers, and district leaders the support they deserve.

Jennifer Harms Amorosa, 71 Glenwood Rd., First, I want to thank our wonderful teachers at Willard who are going above and beyond each day with our students. That said, I URGE the board of education to be transparent regarding the state of COVID in our schools....not just reporting the number of students who are diagnosed, but instead reporting the number that truly matters and should guide decision making... the number of actual cases that are known to be transmitted within the school if any. The current scientific data does not support that our schools are the places of transmission. In the process of arbitrarily keeping our schools in the current hybrid model, while restaurants, bars, and gyms remain open and sports practices continue to happen, our students and families are suffering. I urge the board of education to re-open our schools on a full-time basis. The private schools in our

area have shown that it can be done. Thank you.

Ann M Spalding, 136 Richards Rd., Could you please address the plans for getting our children back to school at a minimum every other day full day in the next couple of months? As we all know, the data strongly suggests that school transmission is very low in relation to community transmission. Rates are dropping and should continue to do so. Vaccines are rolling out, and hopefully, educators will be next on the list. The lead ID physician in the US has stated the importance of in-person learning, and that schools should be the last of any establishment to close. Our governor has frequently discussed the same sentiment. Extending the school day will not be something that the district can pivot to overnight, and therefore, concrete plans should be in the works NOW!

Stephanie Tesser, 380 Bedford Rd., We would like to request a detailed discussion of the status of phase 2 and 3 plans in future BOE meetings. The CDC is sending out updated guidelines for schools. When will the existing plan be revised? Is thought being put into creative solutions to open school full day every day, such as COVID testing, physical barriers, and eating/classrooms outdoors? If we don't plan and act now, we are fearful the RPS schedule in the next ten months could look similar to the last 10 months.

Sarah Macone, 432 Overbrook Rd., I am writing in support of the Ridgewood Infant Toddler Development Center. My son has been enrolled at the school since he was an infant, and he will graduate this spring and head to a Ridgewood elementary school this fall. I can't thank ITDC enough for their loving, kind support of my child over these past few years. As a Ridgewood resident, it has been so meaningful that my child can attend this school with his local peers, many of whom will be his future classmates. The school takes such wonderful care of our kids, as if they are their own children, and they prepare students for their future education. This school is a staple of our community and it should remain one.

Justin Fox, 325 Crest Rd., As stated earlier, HoHoKus, Allendale, Ramsey, Glen Rock, Wyckoff, Franklin Lakes, Waldwick, Saddle River, Hillsdale, and Woodcliff Lake ALL have their elementary students in five days per week. When the morning session goes home for lunch, they have a session online and vice versa. I urge you to reach out to these immediately surrounding districts to learn more. Please buy the plexiglass if you have to - our kids are worth the money. I'm not sure why this wasn't done months ago.

Margarite Carmody, 566 Knickerbocker Rd., Regarding ITDC, had the district quantified the aggregate value of the discount provided to staff who use the center? How does this aggregate discount value compare to the pre-covid aggregate loss for running the center? If the aggregate staff discount is the driver of the loss, I don't think it is fair to consider the ITDC as operating at a loss (perhaps we could instead book the aggregate staff discount under staff benefit costs rather than build it into ITDC loss).

**XIX. ADJOURNMENT**

At 11:12 pm by a motion made by Mr. Lembo, seconded by Ms. Brogan the meeting adjourned.

1620 ADMINISTRATIVE EMPLOYMENT CONTRACTS

The Executive County Superintendent shall review and approve for all Superintendents **of Schools, Superintendents of Schools reappointed pursuant to N.J.S.A. 18A:17-20.1**, Superintendents **of Schools**, Assistant Superintendents **of Schools**, and School Business Administrators, **including any interim, acting, or person otherwise serving in these positions**, in school districts, county vocational school districts, county special services school districts and other districts, except charters, within the County under the supervision of the Executive County Superintendent:

1. New employment contracts, including contracts that replace expired contracts for existing tenured and non-tenured employees;
2. Renegotiations, extensions, amendments, or other alterations of the terms of existing employment contracts that have been previously approved by the Executive County Superintendent; and
3. Provisions for contract extensions where such terms were not included in the original employment contract or are different from the provisions contained in the original approved employment contract.

In counties where there is no Executive County Superintendent, **an Executive County Superintendent from another county shall be designated by the Commissioner to** ~~or Acting Executive County Superintendent, the Assistant Commissioner for Field Services shall~~ review and approve all above contracts **listed above**.

The contract review and approval shall take place prior to any required public notice and hearing pursuant to N.J.S.A. 18A:11-11 and prior to the Board **of Education** approval and execution of ~~these~~ **the** contracts to ensure compliance with all applicable laws, including but not limited to N.J.S.A. 18A:30-3.5, 18A:30-9, 18A:17-15.1 and 18A:11-12.

~~The public notice and public hearing required pursuant to N.J.S.A. 18A:11-11 is applicable to a Board that renegotiates, extends, amends, or otherwise alters the terms of an existing contract with the Superintendent of Schools, Deputy Superintendent, Assistant Superintendents, or School Business Administrator.~~

**[Select One Option**

~~\_\_\_\_\_ The public notice and public hearing requirements of N.J.S.A. 18A:11-11 do not apply to new contracts that replace expired contracts for existing employees in one of these positions, whether tenured or not tenured.~~

~~\_\_\_\_\_ Although the public notice and public hearing requirements of N.J.S.A. 18A:11-11 do not apply to new contracts and contracts that replace expired contracts for existing employees in one of these positions, whether tenured or not tenured, the Board may issue a public~~

**In accordance with the provisions of N.J.S.A. 18A:11-11 and N.J.A.C. 6A:23A-3.1(c)1, the public notice and public hearing required shall be applicable to a Board of Education that renegotiates, extends, amends, or otherwise alters the terms of an existing contract with a Superintendent of Schools, Superintendent of Schools, Assistant Superintendent of Schools, or School Business Administrator. In accordance with N.J.S.A. 18A:11-11, notice must be provided to the public at least thirty days prior to the scheduled action by the Board. The Board shall also hold a public hearing and shall not take any action on the matter until the hearing has been held. The Board shall provide the public with at least ten days' notice of the public hearing.**

**In accordance with N.J.A.C. 6A:23A-3.1(c)1, the public notice and public hearing required pursuant to N.J.S.A. 18A:11-11 shall not apply to new contracts, including contracts that replace expired contracts for existing employees in one of these positions, whether tenured or not tenured. Nothing shall preclude a Board from issuing a public notice and/or holding a public hearing on new contracts, including new contracts that replace expired contracts for existing tenured and non-tenured employees.**

**The public notice and public hearing required pursuant to N.J.S.A. 18A:11-11 is also required in the event an existing contract for a Superintendent of Schools, Superintendent of Schools, Assistant Superintendent of Schools, or School Business Administrator is rescinded or terminated by the Board of Education before it is due to expire and the parties agree to new employment terms.**

In connection with the Executive County Superintendent's review of the contract, the Board shall provide the Executive County Superintendent with a detailed statement setting forth the total cost of the contract for each applicable year, including salary, longevity (if applicable), benefits, and all other emoluments.

**The review and approval of the employment contracts of Superintendents of Schools, Superintendents of Schools, Assistant Superintendents of Schools, and School Business Administrators conducted by the Executive County Superintendent shall be consistent with the following additional standards outlined in N.J.S.A. 18A:7-8.1 and N.J.A.C. 6A:23A-3.1:**

1. Contracts for each class of administrative position shall be comparable with the salary, benefits and other emoluments contained in the contracts of similarly credentialed and experienced administrators in other school districts in the region with similar enrollment, academic achievement levels and challenges, and grade span.

Administrative Employment Contracts

2. No contract shall include provisions that are inconsistent with the travel requirements pursuant to N.J.S.A. 18A:11-12 and N.J.A.C. 6A:23A-7 including, but not limited to, the provisions for mileage reimbursement and reimbursement for meals and lodging in New Jersey. Any contractual provision that is inconsistent with law is superseded by the law.
3. No contract shall include provisions for the reimbursement or payment of employee contributions that are either required by law or by a contract in effect in the **school** district with other teaching staff members, such as payment of the employee's State or Federal taxes, or of the employee's contributions to FICA, Medicare, State pensions and annuities (TPAF), life insurance, disability insurance (if offered), and health benefit costs.
4. No contract shall contain a payment as a condition of separation from service that is deemed by the Executive County Superintendent to be prohibited or excessive in nature. The payment cannot exceed the lesser of the calculation of three months pay for every year remaining on the contract with pro-ration for partial years, not to exceed twelve months, or the remaining salary amount due under the contract.
5. No contract shall include benefits that supplement or duplicate benefits that are otherwise available to the employee by operation of law, an existing group plan, or other means; e.g., an annuity or life insurance plan that supplements or duplicates a plan already made available to the employee. Notwithstanding the provisions of this section, a contract may contain an annuity where those benefits are already contained in the existing contract between the employee and the district.
6. Contractual provisions regarding accumulation of sick leave and supplemental compensation for accumulated sick leave shall be consistent with N.J.S.A. 18A:30-3.5. Supplemental payment for accumulated sick leave shall be payable only at the time of retirement and shall not be paid to the individual's estate or beneficiaries in the event of the individual's death prior to retirement. Pursuant to N.J.S.A. 18A:30-3.2, a new Board of Education contract may include credit of unused sick leave in accordance with the new Board of Education's policy on sick leave credit for all employees.
7. Contractual provisions regarding accumulation of unused vacation leave and supplemental compensation for accumulated unused vacation leave shall be consistent with N.J.S.A. 18A:30-9. Contractual provisions for payments of accumulated vacation leave prior to separation can be included but only for leave accumulated prior to June 8, 2007 and remaining unused at the time of payment. Supplemental payments for unused vacation leave accrued consistent with the provisions of N.J.S.A. 18A:30-9 after June 8, 2007 as well as unused vacation leave accumulated prior to June 8, 2007 that has not been paid, shall be payable at

- the time of separation and may be paid to the individual's estate or beneficiaries in the event of the individual's death prior to separation.
8. Contractual provisions that include a calculation of per diem for twelve month employees shall be based on a two hundred sixty day work year.
  9. ~~No provision for a bonus shall be made except where payment is contingent upon achievement of measurable specific performance objectives expressly contained in a contract approved pursuant to N.J.A.C. 6A:23A-3.1, where compensation is deemed reasonable relative to the established performance objectives, and achievement of the performance objectives has been documented to the satisfaction of the Board of Education.~~ **No provision for a merit bonus shall be made except where payment is contingent upon achievement of quantitative merit criterion and/or qualitative merit criterion:**
    - a. **A contract may include no more than three quantitative merit criteria and two qualitative merit criteria per contract year.**
    - b. **The Executive County Superintendent shall approve or disapprove the selection of quantitative merit and qualitative merit criteria and the data that forms the basis of measuring the achievement of quantitative merit and qualitative merit criteria.**
    - c. **A contract may provide for merit bonuses in an amount not exceeding 3.33 percent of annual salary for each quantitative merit criterion achieved and 2.5 percent of annual salary for each qualitative merit criterion achieved. Any such merit bonus shall be considered "extra compensation" for purpose of N.J.A.C. 17:3-4.1 and shall not be cumulative.**
    - d. **The Board of Education shall submit to the Executive County Superintendent a resolution certifying that a quantitative merit criterion or a qualitative merit criterion has been satisfied and shall await confirmation of the satisfaction of that criterion from the Executive County Superintendent prior to payment of any merit bonus.**
  10. ~~No provision for payment at the time of separation or retirement shall be made for work not performed except as otherwise authorized above.~~ **No provision for a bonus shall be made except where payment is contingent upon achievement of measurable specific performance objectives expressly contained in a contract approved pursuant to N.J.A.C. 6A:23A-3.1, where compensation is deemed reasonable relative to the established performance objectives and achievement**

**of the performance objectives has been documented to the satisfaction of the Board of Education.**

- 11. No provision for payment at the time of separation or retirement shall be made for work not performed except as otherwise authorized in N.J.A.C. 6A:23A-3.1 and N.J.S.A. 18A:7-8.1.**
- 1211.** No contract shall include a provision for a monthly allowance except for a reasonable car allowance. A reasonable car allowance **shall not** ~~cannot~~ exceed the monthly cost of the average monthly miles traveled for business purposes multiplied by the allowable mileage reimbursement pursuant to applicable law and regulation and **New Jersey Office of Management and Budget (NJOMB) circulars**. If such allowance is included, the employee **shall not** ~~cannot~~ be reimbursed for business travel mileage nor assigned permanently a car for official district business. Any provision of a car for official district business must conform with N.J.A.C. 6A:23A-6.12 and be supported by detailed justification. No contract **shall** ~~can~~ include a provision of a dedicated driver or chauffeur.
- 1312.** All Superintendent contracts shall include the required provision pursuant to N.J.S.A. 18A:17-15.1 which states that in the event the Superintendent's certificate is revoked, the contract is null and void.
- 1413.** No contract shall include a provision for additional compensation upon the acquisition of a graduate degree unless the graduate degree is conferred by a **regionally duly** accredited **college or university** ~~institution of higher education~~ as defined in **applicable regulations** ~~N.J.A.C. 6A:9-2.1~~. No contract shall include a provision for assistance, ~~or~~ tuition reimbursement, or ~~for~~ additional compensation for graduate school coursework, unless **the such** ~~such~~ coursework culminates in the acquisition of a graduate degree conferred by a **regionally duly** accredited **college or university** ~~institution of higher education~~ as defined in **applicable regulations** ~~N.J.A.C. 6A:9-2.1~~.

**The review and approval of an employment contract for the Superintendent of Schools shall not include maximum salary amounts pursuant to N.J.S.A. 18A:7-8.j.**

Any actions by the Executive County Superintendent undertaken pursuant to **N.J.S.A. 18A:7-8.1**, N.J.A.C. 6A:23A-3.1, and this Policy may be appealed to the Commissioner of Education pursuant to the procedures set forth at N.J.A.C. 6A:3, **Controversies and Disputes**.

### 2431 ATHLETIC COMPETITION

It is the intent of the Ridgewood Board of Education to provide in the high school a comprehensive, well-planned, and well-balanced program of interscholastic athletics, including cheerleading, for girls and boys who can benefit from participation. The program shall be managed and teams coached in a manner to achieve the following objectives:

1. Promote individual and team desire for excellence while emphasizing that interscholastic sports be kept in perspective and that the first priority for all students is intellectual and emotional growth;
2. Encourage enjoyment of competition, a desire to win, and a healthy, constructive attitude toward winning and losing;
3. Develop the self-confidence and self-respect of each team member;
4. Develop the specialized talents, skills, and physical fitness of each participant;
5. Develop attitudes and skills which foster teamwork, cooperation, loyalty, and spirit; and
6. Develop the highest type of sportsmanship, sense of fair play, and respect for fellow athletes (teammates and opponents), coaches, and officials.

The Board directs the Superintendent to establish administrative procedures to carry out the intent of the above statement and to implement the provisions of this policy.

#### State Regulations

The conduct of interscholastic athletics shall conform to State law, New Jersey administrative code and the rules and regulations of the New Jersey State Interscholastic Athletic Association (NJSIAA) which are approved annually by the Board.

#### Responsibility

The Athletic Director is responsible for the overall supervision of the nine through twelve interscholastic athletics program, including cheerleading. Responsibility for the supervision of the athletic program in each school is that of the Principal. In the high school, the Athletic Director will assist and advise the Principal and will have responsibility for the immediate supervision and administration of the athletic program. The Athletic Director will work closely with the high school Principal.

#### Continuity and Development

The Athletic Director will ensure that coaches at all levels work together to promote a developmental approach and continuity from level to level. The primary consideration in determining such things

as schedule of games, length of practices, and coaching methodology at each level shall be the physical, mental, and emotional maturity and well-being of the students.

#### Student Participation and Eligibility

The Board shall make school facilities, supplies, and equipment available and assign staff members for the support of a program of interscholastic athletics for students in grades nine through twelve. The Board shall maintain the program of interscholastic athletics, including cheerleading, and students who wish to participate shall pay an activity fee which shall be determined annually by the Board at its Reorganization Meeting. Students eligible for free or reduced price lunches are exempt from the activity fee. Families experiencing financial hardship should request consideration by informing the coach, the advisor, or the Building Principal. Students may be required to provide supplies in accordance with Board Policy No. 2520 on instructional supplies and students may be required to assume all or part of the costs of travel and attendance at co-curricular events and trips.

Maximum participation of girls and boys in accordance with interest, maturity, and ability to benefit is to be encouraged. A suggested range for participation in each sport is contained in the administrative procedures for this policy. The number of athletes per team is determined by the nature of the sport. Facility use, coaching personnel, budgetary constraints, and transporting students safely are contributing factors to these numbers.

Participation and eligibility will conform to the bylaws of NJSIAA. A student must be in good standing academically and as a school citizen to participate on any interscholastic team.

All students in good disciplinary and academic standing, and who have paid the activity fee (except those students who are exempt), shall have equal access to all co-curricular activities.

A student who is suspended from school is not permitted to participate in any co-curricular activity during the term of suspension. The Principal, Assistant Principal, or activity supervisor may suspend a student from participation in a co-curricular activity as a consequence of unacceptable behavior or recurring disciplinary problems.

Eligibility for participation in interscholastic athletics shall require all high school students to meet, at a minimum, all the eligibility requirements of the Constitution, Bylaws, and Rules and Regulations of the New Jersey State Interscholastic Athletic Association (NJSIAA). Because of the diversity in the nature, intensity of student involvement, and time demands of non-athletic activities, however, it is not possible to establish uniform academic requirements. Further, the Board is aware that participation in activities often serves as an incentive and motivator for at-risk students. It is the intent of the Board that each case involving a student who is failing one or more courses or whose academic work has slipped be considered individually. A school administrator and the guidance counselor, after consultation with the student and parent shall decide whether or not it is in the student's best interest to curtail co-curricular participation. Where allowable and appropriate, the district will afford flexibility in the standards for participation in co-curricular activities.

Home schooled children are not eligible to participate in the high school interscholastic athletic program of this district.

A student in any grade must maintain a satisfactory record of attendance to be eligible for participation in the school district sponsored programs of athletic competition. The Athletic Director will determine if participation should continue.

A student who is absent for a school day may not participate in the school district sponsored programs of athletic competition the afternoon or evening of that school day.

A student who is serving an in-school or out-of-school suspension may not participate in the school district sponsored programs of athletic competition while serving the suspension.

A student in any grade who fails to observe school rules for student conduct may forfeit his/her eligibility for participation in school district sponsored programs of athletic competition.

Notice of the school district's eligibility requirements shall be available to

students. Opportunity and Equity

The athletic program, including but not limited to intramural, extramural, and interscholastic sports, shall be available on an equal basis to all students regardless of race, color, creed, religion, sex, ancestry, national origin, disability, sexual orientation, social or economic status. The athletic program as a whole shall be planned to insure that there are sufficient activities so that the program does not deny the participation of large numbers of students of either sex.

Required Examinations –Interscholastic or Intramural Team or Squad

Students enrolled in grades six to twelve must receive a medical examination, in accordance with the provisions of N.J.S.A. 18A:40-41.7, prior to participation on a school-sponsored interscholastic or intramural team or squad and any cheerleading program or activity.

The examination shall be conducted within 365 days prior to the first day of official practice in an athletic season with examinations being conducted at the "medical home" of the student. The "medical home" is defined as a health care provider and that provider's practice site chosen by the student's parent for the provision of health care, pursuant to N.J.A.C. 6A:16-1.3. If a student does not have a medical home, the school district shall provide the examination at the school physician's office or other comparably equipped facility. The medical examination required prior to participation shall be in accordance with the requirements as outlined in N.J.S.A. 6A:16-2.2(h)1 and Regulation 2431.2 and shall be documented using the Preparticipation Physical Evaluation form required by the Department of Education.

The school district shall distribute the Commissioner of Education developed sudden cardiac arrest pamphlet to a student participating in or desiring to participate in an athletic activity, as defined in N.J.S.A. 18A:40-41.e.,

and the student's parent(s) shall each year and prior to participation by the student in an athletic activity comply with the requirements of N.J.S.A. 18A:40-41.d.

The school district shall annually distribute the Commissioner of Education developed educational fact sheet relative to use and misuse of opioid drugs for sports related injuries to parents of students who participate in athletic activities and comply with the requirements of N.J.S.A. 18A:40-41.10.

Information concerning a student's HIV/AIDS status shall not be required as part of the medical examination or health history pursuant to N.J.S.A. 26:5C-1 et seq. The health findings of this medical examination shall be maintained as part of the student's health record.

The health history update shall include but not be limited to the following information:

1. Hospitalizations/operations;
2. Illnesses;
3. Injuries;
4. Care administered by a physician; and
5. Medications.

The medical examination conducted to determine the fitness of a student to participate in athletic competition and the health history update must include, as a minimum, the respective medical history information and physical assessments set forth in rules of the State Board of Education and incorporated in their entirety in regulations implementing this policy, and the following:

1. A medical history questionnaire, completed by the parent of the student, pupil, to determine if the student:
  - a. Has been medically advised not to participate in any sport, and the reason for such advice;
  - b. Is under a physician's care and the reasons for such care;
  - c. Has experienced loss of consciousness after an injury;
  - d. Has experienced a fracture or dislocation;
  - e. Has undergone any surgery;
  - f. Takes any medication on a regular basis, the names of such medication and the reasons for such medication;

- g. Has allergies including hives, asthma, and reaction to bee stings;
  - h. Has experienced frequent chest pains or palpitations;
  - i. Has a recent history of fatigue and undue tiredness;
  - j. Has a history of fainting with exercise; and
  - k. Has a history of family members dying suddenly.
2. A physical examination which shall include, as a minimum, no less than:
- a. Measurement of weight, height, and blood pressure;
  - b. Examination of the skin to determine the presence of infection, scars of previous surgery or trauma, jaundice, and purpura;
  - c. Examination of the eyes to determine visual acuity, use of eyeglasses or contact lenses, and examination of the sclera for the presence of jaundice;
  - d. Examination of the ears to determine the presence of acute or chronic infection, perforation of the eardrum, and gross hearing loss;
  - e. Examination of the nose to assess the presence of deformity which may affect endurance;
  - f. Assessment of the neck to determine range of motion and the presence of pain associated with such motion;
  - g. Examination of chest contour;
  - h. Auscultation and percussion of the lungs;
  - i. Assessment of the heart with attention to the presence of murmurs, noting rhythm and rate;
  - j. Assessment of the abdomen with attention to the possible presence of hepatomegaly, splenomegaly, or abnormal masses;
  - k. Assessment of the back to determine range of motion and abnormal curvature of the spine;
  - l. Examination of extremities to determine abnormal mobility or

- m. immobility, deformity, instability, muscle weakness or atrophy, surgical scars and varicosities;
- n. Examination of the testes to determine the presence and descent of both testes, abnormal masses or configurations, or hernia;
- o. Assessment of physiological maturation; and
- p. Neurological examination to assess balance and coordination and the presence of abnormal reflexes.

#### Eligibility Standards

A student who wishes to participate in a program of athletic competition, including cheerleading, must submit, on a form provided by the district, the signed consent of his/her parent. The consent of the parent of a student who wishes to participate in a program of athletic competition, including cheerleading, must include an acknowledgment of the physical hazards that may be encountered in the sport **in accordance with N.J.A.C. 6A:32-9.1 (d) and (e)**.

#### Injuries

Written procedures shall be established to ensure:

1. Adequate emergency care for any student injured in a practice or a game;
2. Proper follow-up care and treatment;
3. Communication with parent;
4. Execution of school accident reports and insurance forms; and
5. Appropriate medical release or approval before a student resumes participation.

#### Safety

Safety of athletic equipment and facilities, transportation, and playing conditions shall be given top priority by the Athletic Director, coaches, and Principals. Planning for the safety of participants and spectators at home and away games is also the responsibility of the Athletic Director, coaches, and Principals.

#### Scheduling of Games

Before the beginning of each sports season, the Athletic Director shall submit to the Superintendent a schedule of games for the high school teams to be presented to the Board of Education for approval.

Postseason contests and tournament participation must be approved by the Principal and be sanctioned by the NJSIAA. Changes during the season must be approved by the Principal.

#### Conduct at Games

The athletic Director, coaches, and Principals shall make every effort to:

1. Encourage attendance of students, parent, and the public;
2. Promote spectator enjoyment and spirit; and
3. Require sportsmanlike conduct of all players and spectators at all games.

Such efforts may include preseason and/or pre-game communication with students and the public as well as adequate supervision at games.

#### Appointment and Evaluation of Coaches

All coaches shall be appointed on an annual basis. The high school Principal shall recommend to the Superintendent the appointments of all high school coaching positions after consultation with the Athletic Director. Head coaches shall participate in the selection of assistant coaches.

The Superintendent shall establish a job description and criteria and procedures for the evaluation of coaches. The job description and evaluative criteria should emphasize coaching competence and a caring attitude and concern for every member of the team.

#### Volunteer Coaches

Volunteer coaches who are actively involved in coaching or instruction shall hold permanent New Jersey teaching certification or work under the direct supervision of the coaching staff. They must be approved by the Athletic Director, the Principal, and the Board of Education prior to assuming any coaching responsibilities. Volunteer coaches shall receive no remuneration for services. This restriction includes budgeted funds, gifts, and monies from fundraising activities. Volunteer coaches shall serve under the supervision of the professional coaching staff. Any other person assisting a team in any capacity other than coaching must be approved by the Athletic Director.

#### Emergency Procedures

Athletic coaches shall be trained in first aid to include sports-related concussion and head injuries, the use of a defibrillator, the identification of student athletes who are injured or disabled in the course of any athletic program or activity.

The Superintendent **or designee** shall prepare and present to the Board for its approval procedures for ~~the emergency treatment of~~ **responding to non-serious or non-life-threatening injury sustained by a student while participating in sports or other athletic activity.** ~~injuries and disabilities that occur in the course of any athletic program or activity.~~ ~~Emergency~~ These procedures shall be reviewed **annually, updated as necessary,** by the Board not less than once in each school year and shall be disseminated to appropriate staff members.

#### Interscholastic Standards

The Board shall approve annually a program of interscholastic athletics and shall require that all facilities utilized in that program, whether or not the property of this Board, properly safeguard both players and spectators and are kept free from hazardous conditions.

The Board adopts the Constitution, Bylaws, Rules, and Regulations of the New Jersey State Interscholastic Athletic Association as Board policy and shall review such rules on a regular basis to ascertain they continue to be in conformity with the objectives of this Board.

#### Parental Support and Involvement

Parent(s) and the general public are encouraged to attend all interscholastic athletic contests. In addition, parent(s) and the public are encouraged to attend and participate in activities which support athletic teams.

Coaches are expected to inform parent(s) about practice session times, game schedules, training rules, requirements and expectations of team members, and other pertinent information. Parent(s) are asked to give their support to the rules, requirements, and expectations so that their sons and daughters can derive maximum benefit from participation on athletic teams.

Parent(s) should contact the coach if a question or concern arises during the season. If a parent feels that a concern has not been satisfactorily addressed through informal communication with the coach, the parent should talk with the Athletic Director. If the concern is still not resolved, it can be taken to the high school Principal. Additional steps in the appeal process are outlined in Board policy.

#### Special Education Students

To participate in interscholastic competition, special education students must meet the same requirements listed above in conformity with IEPs.

#### Good Sportsmanship

The Board believes that instilling habits of good sportsmanship should be one of the primary goals of athletic endeavors and that all district employees should model good behaviors in this area.

It is especially important that the Athletic Director and coaches accept the responsibility for

encouraging young athletes to handle themselves in a sportsmanlike way and be models of self-control and dignity for players and spectators. Coaches shall include discussions on courtesy and sportsmanlike behavior as part of pre-game activities. Student fans shall be reminded that their conduct reflects on the schools of this district and that poor sportsmanship will be disciplined.

Parent(s) and other adult spectators shall also be encouraged to act as models for young people by demonstrating self-control and dignity at all athletic events.

Unsportsmanlike behavior as exhibited through verbal abuse, rude gestures, taunts, obscenities, thrown objects, etc., shall not be tolerated in students, staff, or any persons in attendance at district athletic competitions. Discipline may include, but not be limited to, eviction from the competition and prevention from attending further competitions.

The Superintendent or his/her designee shall prepare regulations on good sportsmanship and ensure their dissemination to students, parent(s), and the community.

#### Insurance

The Board will cover each participant in interscholastic football with insurance coverage as recommended by the current insurance carrier. All other interscholastic activities shall be covered at the recommendation of the insurance advisor and Superintendent.

Parent(s) or legal guardian(s) shall be strongly encouraged to participate in the supplemental student accident insurance program offered by the Board.

The Superintendent shall annually prepare, approve, and present to the Board for its consideration a program of interscholastic athletics that includes a complete schedule of athletic events and inform the Board of changes in that schedule.

2464 GIFTED AND TALENTED STUDENTS

The Board of Education recognizes its responsibility to identify gifted and talented students within the school district and to provide these students with appropriate instructional adaptations and services. To that end, the Board directs each such student in the school district be identified and offered an appropriate educational program and services.

For purposes of this Policy, “gifted and talented students” means students who possess or demonstrate high levels of ability in one or more content areas when compared to their chronological peers in the district and who require modification of their educational program if they are to achieve in accordance with their capabilities.

**For the purpose of this Policy, “instructional adaptation” means an adjustment or modification to instruction enabling a student who is gifted and talented to participate in, benefit from, and demonstrate knowledge and application of the New Jersey Student Learning Standards in one or more content areas at the instructional level of the student, not just the student’s grade level.**

**The Superintendent of Schools or designee shall ensure that the appropriate instructional adaptations are designed for students who are gifted and talented.**

~~The Superintendent will develop appropriate curricular and instructional modifications used for gifted and talented students indicating content, process, products, and learning environments.~~

**The Superintendent or designee will develop procedures for an ongoing Kindergarten through grade twelve identification process for gifted and talented students that includes multiple measures in order to identify student strengths in intellectual ability, creativity, or a specific academic area. The district shall ensure equal access to a continuum of gifted and talented education services. The identification process shall include consideration of all students, including those who are English language learners and those with Individualized Education Plans or 504 Plans. Multiple measures may include, but are not limited to: achievement test scores; grades; student performance or**

~~products; intelligence testing; parent, student, and/or teacher recommendation; and other appropriate measures. The identification methodology will be developmentally appropriate, non-discriminatory, and related to the programs and services offered by the district. The identification procedures will be reviewed annually.~~

**The Superintendent or designee will develop and document appropriate curricular and instructional modifications used for gifted and talented students indicating content, process, products, and learning environments, and including, but not limited to, additional education activities such as academic competitions, guest speakers, and lessons with a specialist.**

The Superintendent **or designee** will take into consideration the ~~Pre-Kindergarten through Grade Twelve Gifted Programming Standards of the National Association for Gifted Children, Position Statements, and White Papers of the National Association for Gifted Children in identifying and serving gifted and talented students in developing programs for gifted and talented students.~~ The educational program offered to gifted and talented students will encourage and challenge them in the specific areas of their abilities, but will not replace the basic instructional program of the various grades of this district. The program offered to gifted and talented students may include, but are not limited to: pull-out programs; classroom differentiated instruction; acceleration; flexible pacing; compacted curricula; distance learning; advanced classes; or individual programs infused into the student's regular instructional program, provided that a written description of the infusion has been prepared and filed in the student's record.

**The district will provide the time and resources to develop, review, and enhance instructional tools with modifications for helping gifted and talented students acquire and demonstrate mastery of the required knowledge and skills specified by the standards at the instructional level of the student.**

**The district will actively assist and support professional development for teachers, educational services staff, and school leaders in the area of gifted and talented instruction.**

**The district shall file with the New Jersey Department of Education Coordinator for Gifted and Talented Services a report by October 1, 2020 and thereafter on a schedule that coincides with the school district's New Jersey Quality Single Accountability Continuum (QSAC) review pursuant to N.J.S.A. 18A:7A-11. The report shall include, but not be limited to, the gifted and talented continuum of services, policies, and procedures implemented in the school district; the total number of students receiving gifted and talented services in each grade level Kindergarten through grade twelve disaggregated by race, gender, special education designation, and English language learner designation; the professional development opportunities provided for teachers, educational services staff, and school leaders about gifted and talented students, their needs, and educational development; and the number of staff employed by the school district whose job responsibilities include identification of and providing services to gifted and talented students. Programs for gifted and talented students will be periodically evaluated for their continuing efficacy and adjusted accordingly.**

The parent of any student identified as gifted or talented shall be consulted regarding any program designed to address the student's particular needs.

**Should a parent/guardian have concerns regarding the district's ability to meet a student's needs, all efforts will be made to resolve the matter through district administration.**

**An individual who believes the district has not complied with the provisions of N.J.S.A. 18A:35-34 et seq. may file a complaint with the Board of Education. This policy for filing a complaint shall be linked to the homepage of the Board's Internet website. The Board shall issue a decision, in writing, to affirm, reject, or modify the district's action in the matter. The individual may then file a petition of appeal of the Board's written decision to the Commissioner of Education through the Office of Controversies and Disputes in accordance with N.J.S.A. 18A:6-9 and the procedures set forth in State Board of Education regulations.**

**The district shall make detailed information available on its website regarding the policies and procedures used to identify students as gifted and talented and the continuum of services offered to gifted and talented students. The information shall include the criteria used for consideration for eligibility for the gifted and talented services, including the multiple measures used in the identification process to match a student's needs with services, and any applicable timelines in the identification process.**

**5330.05 SEIZURE ACTION PLAN**

The Board of Education requires the development of a seizure action plan, an individualized health care plan, and an individualized emergency health care plan for students with epilepsy or a seizure disorder to care for and treat these students while at school pursuant to N.J.S.A. 18A:40-12.34 et seq.

In accordance with N.J.S.A. 18A:40-12.35, the parent of the student with epilepsy or a seizure disorder seeking epilepsy or seizure disorder care while at school shall submit the student's seizure action plan annually to the school nurse.

The school nurse shall develop an individualized health care plan and an individualized emergency health care plan for the student, provided the parents annually provide to the Board written authorization for the provision of epilepsy or seizure disorder care. The school nurse shall update these plans on an annual basis and as necessary in the event there is a change in the health status of the student. These plans shall include the information outlined in N.J.S.A. 18A:40-12.35.

In accordance with N.J.S.A. 18A:40-12.35, all staff members including staff working with school-sponsored programs outside the regular school day shall be trained in the care of students with epilepsy and seizure disorders. All school bus drivers, contracted and district-employed, shall be provided notice and information if they are transporting a student with epilepsy or a seizure disorder pursuant to N.J.S.A. 18A:40-12.36. The school nurse shall obtain a release from the parent of the student to authorize the sharing of medical information in accordance with N.J.S.A. 18A:40-12.37.

No school employee, including a school nurse, school bus driver, school bus aid, or any other officer or agent of the Board, shall be held liable for any good faith act or omission consistent with the provisions of N.J.S.A. 18A:40-12.34 through N.J.S.A. 18A:40-12.38, nor shall an action before the New Jersey State Board of Nursing lie against a school nurse for any such action taken by a person trained in good faith by the school nurse pursuant to N.J.S.A. 18A:40-12.34 through N.J.S.A. 18A:40-12.38. Good faith shall not include willful misconduct, gross negligence, or recklessness.

## **6470.01 ELECTRONIC FUNDS TRANSFER AND** **CLAIMANT CERTIFICATION**

The Board of Education permits the School Business Administrator/Board Secretary to use standard electronic funds transfer (EFT) technologies for EFTs for payment of claims pursuant to N.J.A.C. 5:30-9A.1 et seq. and 5:31-4.1, implementing N.J.S.A. 40A:5-16.5.

“Electronic funds transfer” for the purpose of Policy and Regulation 6470.01 means any approved method of transferring moneys permitted by N.J.A.C. 5:30-9A.1 et seq. that does not involve the physical presentation of a paper check, draft, or similar paper instrument including, but not limited to, wire transfers, e-checks, automated clearing house (ACH) transfers, and transactions initiated by phone or fax.

In accordance with N.J.S.A. 40A:5-16.5.b.(1), the Board of Education authorizes the use of only the forms of standard EFT technologies that are approved to be used by a Board of Education for EFTs for payment of claims. A Board of Education may not utilize procurement cards, charge cards, charge accounts, or any payment services such as PayPal or Venmo.

In accordance with N.J.S.A. 40A:5-16.5.b.(2), the Board designates the School Business Administrator/Board Secretary as being responsible for the oversight and administration of the provisions of N.J.S.A. 40A:5-16.5, N.J.A.C. 5:30-9A.1 et seq.; N.J.A.C. 5:31-4.1, and Policy and Regulation 6470.01.

The Board of Education will only initiate and approve electronic funds in accordance with N.J.A.C. 5:30-9A.1 et seq. Standard EFT technologies shall incorporate, at a minimum, the features and safeguards outlined in N.J.A.C. 5:30-9A.4(a). The Board will only utilize standard EFT technologies upon instituting, at a minimum, the fiscal and operational controls outlined in N.J.A.C. 5:30-9A.4(b).

The School Business Administrator/Board Secretary shall initiate a claim for payment by presenting a claim that has been approved by the Board, to be paid using an EFT technology. The School Business Administrator/Board Secretary shall submit the claim for payment with all supporting documentation to the Superintendent of Schools or a designee who is not under the direct supervision of the School Business Administrator/Board Secretary, who shall review the claim for payment and authorize, in writing, the EFT claim using an EFT method.

The Board of Education shall annually approve the School Business Administrator/Board Secretary as the person authorized to initiate a claim for payment and the Superintendent of Schools or a designee not under the direct supervision of the School Business Administrator/Board

financial institution to debit or credit an account, and incorporate, at a minimum, internal controls set forth in rules promulgated by the Local Finance Board. No general purpose credit or debit card shall be considered a standard EFT technology.

"Supervisory review" means the process performed by an individual in a supervisory capacity to confirm the propriety and accuracy of standard EFT technologies use initiated by subordinates.

"Transaction" means any activity that may result in demand for payment.

"Warrant" means the draft or check of any Board of Education used in warranting disbursement of moneys and shall, in every instance, be evidenced by the issuance of a check of the Board of Education. In no instance shall it be necessary for the Board of Education to refer to, or issue, a check separate and distinct from the warrant.

## B. Authorization to Use Standard Electronic Funds Transfer Technologies for Electronic Funds Transfers – N.J.A.C. 5:30-9A.3

1. The Board of Education adopts Policy and Regulation 6470.01 to permit the School Business Administrator/Board Secretary to use only the forms of standard EFT technologies that are approved for New Jersey Boards of Education for EFTs for payment of claims pursuant to N.J.A.C. 5:30-9A.1 et seq. and 5:31-4.1, implementing N.J.S.A. 40A:5-16.5.
  - a. A Board of Education may not utilize procurement cards, charge cards, charge accounts, or any payment services such as PayPal or Venmo.
2. N.J.A.C. 5:30-9A.1 et seq. does not authorize a Board of Education to exceed the maximum bid thresholds or other limits set forth in the Public School Contracts Law, N.J.S.A. 18A:18A-1 et seq.
3. Providers of ACH and wire transfer services are to be financial institutions chartered by Federal or State authority. ACH and wire transfer services must be provided by a financial institution covered by the Governmental Unit Deposit Protection Act (GUDPA), N.J.S.A. 17:9-41 et seq.

## C. Standard Electronic Funds Transfer Technologies; Internal Controls and Conditions for Use – N.J.A.C. 5:30-9A.4

1. The Board of Education will only initiate and approve electronic funds in accordance with N.J.A.C. 5:30-9A.1 et seq. Standard EFT technologies shall incorporate, at minimum, the following features and safeguards:

**M****7440 SCHOOL DISTRICT SECURITY**

The Board of Education believes the buildings and facilities of the school district represent a substantial community investment. The Board directs the development and implementation of a plan for school district security to protect the school community's investment in the school buildings and facilities. The Board will comply with the security measures required in N.J.S.A. 18A:7G-5.2 for new school construction and for existing school buildings.

The school district security program will include: maintenance of facilities that are secure against unwelcome intrusion; protection against fire hazards and faulty equipment; and compliance with safe practices in the use of electrical, plumbing, heating, and other school building equipment.

The Board shall provide to local law enforcement authorities a copy of the current blueprints and maps for all schools and school grounds within the school district or nonpublic school. In the case of a school building located in a municipality in which there is no municipal police department, a copy of the blueprints and maps shall be provided to an entity designated by the Superintendent of the New Jersey State Police. The Board shall provide revised copies to the applicable law enforcement authorities or designated entities any time that there is a change to the blueprints or maps.

The Board directs close cooperation of district officials with law enforcement, fire officials, and other emergency agencies.

Each public elementary and secondary school building shall be equipped with at least one panic alarm for use in a school security emergency pursuant to N.J.S.A. 18A:41-10 through 13.

The Superintendent of Schools shall designate a school administrator, or a school employee with expertise in school safety and security, as a School Safety Specialist for the district in accordance with the provisions of N.J.S.A. 18A:17-43.3. The School Safety Specialist shall be required to acquire a New Jersey Department of Education School Safety Specialist certification in

accordance with the provisions of N.J.S.A. 18A:17-43.2. The School Safety Specialist shall also serve as the school district's liaison with local law enforcement and national, State, and community agencies and organizations in matters of school safety and security.

Access to school buildings and grounds outside the hours school is in session shall be limited to personnel whose employment requires their presence in the facility. An adequate key control system will be established to limit building access to authorized personnel and guard against the potential of intrusion by unauthorized persons who have obtained access improperly.

In accordance with N.J.S.A. 18A:7G-5.2.b.(15), propping open doors to buildings on school grounds is strictly prohibited and students and staff shall not open a door for any individual. All persons seeking entry into the main building shall be directed to the main entrance.

Building records and funds shall be kept in a safe place and secured as appropriate and necessary.

Protective devices designed to be used as safeguards against illegal entry and vandalism may be installed when appropriate. The Board may approve the employment of school resource officers, school security officers, and/or law enforcement officers in situations in which special risks are involved.

**The school district shall annually conduct a school safety audit for each school building in accordance with the provisions of N.J.S.A. 18A:41-14.**

## A. Definitions

“Access” means authorized access to a school building or school grounds through the use of a Board-approved key control system.

“Key control system” means the use of a key, card, code, or any other means to disengage a locking mechanism to provide entry to a school building or school grounds.

“Panic alarm” means a silent security system signal generated by the manual activation of a device intended to signal a life-threatening or emergency situation requiring a response from law enforcement.

“School buildings” and “school grounds” means and includes land, portions of land, structures, buildings, and vehicles, when used for the provision of academic or extracurricular programs sponsored by the school district or community provider and structures that support these buildings, such as school district wastewater treatment facilities, generating facilities, and other central service facilities including, but not limited to, kitchens and maintenance shops. “School buildings” and “school grounds” also includes athletic stadiums; swimming pools; any associated structures or related equipment tied to such facilities including, but not limited to, grandstands; night field lights; greenhouses; garages; facilities used for non-instructional or non-educational purposes; and any structure, building, or facility used solely for school administration. “School buildings” and “school grounds” also includes other facilities such as playgrounds; and other recreational places owned by local municipalities, private entities, or other individuals during those times when the school district has exclusive use of a portion of such land in accordance with N.J.A.C. 6A:16-1.3 and 6A:26-1.2.

## B. Access to School Buildings and School Grounds

1. Access to school buildings and grounds during the school day will be permitted to all students enrolled in the school, all authorized school staff members, and visitors pursuant to Policy and Regulation 9150.
2. Access to school buildings and grounds before and after the school day will be permitted to:
  - a. Members of the Board of Education;
  - b. Administrative and supervisory staff members, teaching staff members, and support staff members assigned to a school building or grounds in the performance of their duties;

- c. Other school staff members in the performance of their professional responsibilities;
  - d. Students involved in interscholastic athletics, co-curricular or extra-curricular activities, and authorized spectators;
  - e. Members of organizations granted the use of school premises pursuant to Policy and Regulation 7510;
  - f. Police officers, fire fighters, health inspectors, and other agents of Federal, State, and local government in the performance of their official duties;
  - g. Members of the public present to attend a public Board of Education or public school-related function; and
  - h. Others authorized by the Superintendent or designee and/or by Board Policy.
3. All visitors to a school building during a school day will be required to register their presence in the school and comply with the provisions of Policy and Regulation 9150. The school's registration and sign-in procedures may include the use of a school visitor management system requiring the visitor to present acceptable identification to access the school building.
4. Signs will be conspicuously posted to inform visitors of the requirement to register their presence into the building.

**C. Key Control System for Access to School Buildings and Facilities**

- 1. School staff members will be provided access to a school building using the school's key control system as follows:
  - a. Teaching staff members and support staff members will be provided access using the school's key control system to the school building and to other facilities on school grounds to which they require access for the performance of their professional duties.
    - (1) The Building Principal will determine the school staff members who shall be provided access to facilities within the school building and on school grounds.
    - (2) The Superintendent or designee will determine the district administrators, supervisors, and other staff members who shall be

provided access to facilities within the school building and on school grounds.

2. School staff members provided access to a school building or other facilities on school grounds shall be responsible for ensuring their key control system authorization is not shared with another individual without prior approval of the Principal or designee for school staff members, or the Superintendent or designee for district staff members. Staff members are prohibited from permitting their key control system authorization to be used by another person

unless prior approval is obtained from the Principal or designee at the building level and Superintendent or designee at the district level or in the event of an emergency.

3. A staff member's loss of a key, card, or any other device authorizing the staff member access to a school building or a facility on school grounds must be immediately reported to the Principal or Superintendent or designee. The staff member who loses a key, card, or any such access device may be responsible for the replacement cost.

**D. School Building Panic Alarm or Emergency Mechanisms (N.J.S.A. 18A:41-10 through 13)**

1. Each public elementary and secondary school building shall be equipped with at least one panic alarm for use in a school security emergency including, but not limited to, a non-fire evacuation, lockdown, or active shooter situation.
2. The alarm shall be directly linked to local law enforcement authorities or, in the case of a school building located in a municipality in which there is no municipal police department, a location designated by the Superintendent of the New Jersey State Police.
3. The alarm shall be capable of immediately transmitting a signal or message to such authorities outlined in D.2. above upon activation.
4. The alarm shall not be audible within the school building.
5. Each panic alarm required under N.J.S.A. 18A:41-11 and Policy and Regulation 7440 shall:
  - a. Adhere to nationally recognized industry standards, including the standards of the National Fire Protection Association and Underwriters Laboratories; and
  - b. Be installed solely by a person licensed to engage in the alarm business in accordance with the provisions of N.J.S.A. 45:5A-27.

6. The school district may equip its elementary and secondary school buildings with an emergency mechanism that is an alternative to a panic alarm if the mechanism is approved by the New Jersey Department of Education.

E. Staff Member Responsibilities

1. Staff members should not bring to school valuable personal items that cannot be in the staff member's personal possession at all times. The Board of Education is not responsible for a staff member's personal possession in the event the item is lost, stolen, misplaced, damaged, or destroyed.
2. In the event a staff member observes a student has a valuable item in school, the staff member will report it to the Principal or designee. A valuable item may include, but is not limited to, an unusually large amount of money, expensive jewelry or electronic equipment, or any item that is determined by the Principal or designee to be valuable to a student based on the student's age.
  - a. The Principal or designee may contact the student's parent and request the parent come to school to retrieve the valuable item;
  - b. The Principal or designee may secure the valuable item and return it to the student at the end of the school day and inform the student and the parent not to bring the valuable item to school in the future; or
  - c. The Principal or designee will permit the student to maintain the valuable item and inform the student and the parent not to bring the valuable item to school in the future.
  - d. The Board of Education is not responsible for a student's personal possession in the event the item is lost, stolen, misplaced, damaged, or destroyed when in the possession of the student.
3. Teaching staff members shall close classroom windows and shut and lock classroom doors when leaving at the end of the school day; shut and lock classroom doors during the school day when the room is not going to be in use after their assignment, and report immediately to the Principal or designee any evidence of tampering or theft.
4. Custodians shall, at the end of the work day, conduct a security check of the building to make certain that all windows are closed and all office, classroom, and building doors are shut and locked, except as such doors may be required to be open for persons with access.

5. Office personnel shall take all reasonable precautions to ensure the security of all school and district records and documents against unauthorized access, deterioration, and destruction.

**F. School Safety Specialist**

1. The Superintendent of Schools shall designate a school administrator, or a school employee with expertise in school safety and security, as a School Safety Specialist for the district in accordance with the provisions of N.J.S.A. 18A:17-43.3.
2. The School Safety Specialist shall:
  - a. Be responsible for the supervision and oversight for all school safety and security personnel, policies, and procedures in the school district;
  - b. Ensure that these policies and procedures are in compliance with State law and regulations; and
  - c. Provide the necessary training and resources to school district staff in matters relating to school safety and security.
3. The School Safety Specialist shall also serve as the school district's liaison with law enforcement and national, State, and community agencies and organizations in matters of school safety and security.
4. The School Safety Specialist shall be required to acquire a New Jersey Department of Education School Safety Specialist Certification in accordance with the provisions of N.J.S.A. 18A:17-43.2.

**G. Summoning Law Enforcement Authorities**

1. Law enforcement authorities will be summoned promptly whenever evidence is discovered that indicates: a crime has been committed on school premises or in the course of staff or student transportation to or from school; a break and entry may have occurred on school grounds; a deadly weapon is on school premises; a breach of the peace has occurred on school premises; for any reason required in the Memorandum of Understanding between the Board of Education and Law Enforcement and in accordance with Policy and Regulation 9320; or for any other reason there is concern about the health, safety, and welfare of persons on school grounds or school property.
2. Anytime law enforcement agents are summoned in accordance with G.1. above, the Superintendent will be notified as soon as possible.

**H. Annual School Safety Audit for Each School Building**

- 1. The district shall annually conduct a school safety audit for each school building using the checklist developed by the New Jersey Office of Homeland Security and Preparedness in collaboration with the Department of Education pursuant to section H.2. below.**
  - a. The district shall submit the completed audit to the New Jersey Office of Homeland Security and Preparedness and the Department of Education in accordance with the provisions of N.J.S.A. 18A:41-14.a.**
  - b. The audits shall be kept confidential and shall not be deemed a public record under N.J.S.A. 47:1A-1 et seq. or the common law concerning access to public records, but may be utilized for the purpose of allocating any State grants or loans made available for the purpose of school facility safety and security upgrades.**
- 2. The New Jersey Office of Homeland Security and Preparedness in collaboration with the Department of Education shall develop a comprehensive checklist of items to be reviewed and evaluated in the school safety audit(s) conducted by the school district pursuant to Section H.1. above.**
  - a. The checklist shall include items to assess the security features and security vulnerabilities of the school district's school buildings and grounds. The checklist shall also include items to assess the emergency notification systems used to facilitate notification to parents and other members of the community in the case of school emergencies.**
  - b. The checklist shall be reviewed annually by the New Jersey Office of Homeland Security and Preparedness and the Department of Education and updated as appropriate.**
- 3. The New Jersey Office of Homeland Security and Preparedness in collaboration with the Department of Education shall provide technical assistance to school districts to facilitate the completion of the checklists in a uniform manner.**

7450 PROPERTY INVENTORY

~~As steward of this district's school property,~~ The Board of Education recognizes that efficient management and the replacement of lost, damaged, or stolen property depends upon an accurate inventory and properly maintained ~~property~~ records.

~~The Board shall conduct~~ **The district shall maintain** a complete inventory by physical count of all district-owned equipment and supplies through a perpetual inventory.

~~For purposes of this policy, "equipment" means a unit of furniture or furnishings, an instrument, a machine, an apparatus, or a set of articles that retains its shape and appearance with use, is nonconsumable, costs at least \$500 as a single unit, and does not lose its identity when incorporated into a more complex unit.~~

**For the purpose of this Policy, "equipment" shall mean any instrument, machine, apparatus, or set of articles which meets all of the following criteria and the cost is above \$2,000:**

- 1. It retains its original shape, appearance, and character with use;**
- 2. It does not lose its identity through fabrication or incorporation into a different more complex unit or substance;**
- 3. It is nonexpendable; that is, if the item is damaged or some of its parts are lost or worn out, it is more feasible to repair the item than to replace it with an entirely new unit; and**
- 4. Under normal conditions of use, including reasonable care and maintenance, it can be expected to serve its principal purpose for at least one year.**

**Unless otherwise bound by Federal, State, or local law, the school district will use the criteria above for their equipment classification decisions.**

The **School Business Administrator/Board Secretary or designee** shall ensure that inventories are systematically and accurately recorded and that property records of equipment are adjusted annually. Major items of equipment shall be subject to annual spot check inventory. ~~to determine loss, mislocation, or depreciation; A~~ any major loss shall be reported to the Board.

Property records of consumable supplies shall be maintained on a continuous inventory basis. **An item should be classified as a "supply" if it does not meet all the stated equipment criteria outlined above and the cost is not more than the capitalization threshold of \$2,000.**

7510 USE OF SCHOOL FACILITIES

The district facilities belong to the community, which paid for them for the primary purpose of offering a full educational program for its children. Prudent use and management of school facilities outside of the regular operating schedules - providing that such use does not interfere with the orderly conduct of a thorough and efficient system of education - allows the community to benefit more broadly from the use of its own property. For the purpose of this policy, "school facilities" also includes school grounds.

The Ridgewood Board of Education will permit the use of school facilities when such permission has been requested in writing and has been approved by the Business Administrator for:

1. Uses and groups directly related to the school and the operations of the school;
2. Uses and organizations indirectly related to the school;
3. Departments or agencies of the municipal government;
4. Other governmental agencies; and
5. Community organizations formed for charitable, civic, or educational purposes.

The use of school facilities shall not be granted for partisan political purposes or any purpose which is prohibited by law. Use for partisan political purposes means use which is exclusive, by invitation or actual participation, in a meeting or other gathering primarily to members of a political party, or primarily to members or adherents of a group which advocates an ideology to address social or political concerns. Nothing contained in this definition shall be interpreted to restrict the use of a facility by a public official in the execution of the duties and responsibilities of that person's office, or any activities incident to such execution. Also, nothing contained in this definition shall be interpreted to restrict the use of a facility for any curriculum purpose deemed appropriate for instruction of the Ridgewood schools pupils.

In the event the Superintendent deems it advisable, any application may be submitted to the Board for action.

The Superintendent, School Business Administrator/Board Secretary, or the Board may refuse to grant the use of a school building whenever, in their judgment, there is good reason why permission should be refused. They shall not be required to give a reason for such refusal.

No one may bring alcoholic beverages onto any school property. All facility use shall comply with State and local fire, health, safety, and police regulations.

The buildings shall not be available for community use during holidays, vacation periods, or during the time school is not in session over the summer when the programs interfere with cleaning and maintenance schedules unless approved by the School Business Administrator/Board Secretary.

Use of school equipment in conjunction with the use of school facilities must be specifically requested in writing and may be granted by the procedure by which permission to use facilities is granted. The user of school equipment must accept liability for any damage to or loss of such equipment that occurs while it is in use. Where rules so specify, no item of equipment may be used except by a qualified operator. No district equipment shall be removed from the premises for use by non-district personnel.

The Board shall require that all users of school facilities comply with policies of this Board and rules and regulations of this district. Each user shall present evidence of the purchase of organizational liability insurance to the limit prescribed by such rules. The users of school equipment must accept liability for any damage or loss to such equipment that occurs while it is in their use, regardless of any assignment of negligence.

Authorization for use of school facilities shall not be considered as endorsement of or approval of the activity, person, group, or organization nor the purposes they represent.

**The Board shall provide to all persons who supervise youth programs that are not sponsored by the school district, but operate a program in a district building before or after school hours, on the weekend, or during a period when school is not in session, information on the district's school practices and procedures in the event of a school safety or security incident at a school including non-confidential information on evacuation procedures, emergency response protocols, and emergency contact information in accordance with the provisions of N.J.S.A. 18A:41-7.**

Recreation sports organizations that use the facilities must provide a Statement of Compliance with the Ridgewood Board of Education's policy(ies) for management of concussions and other head injuries, including Policy No. 2431.4, and shall represent all of its coaches (head and assistant coaches) have received a copy of such policy(ies) and have successfully completed a course in concussion awareness, such as the Centers for Disease Control and Prevention's "Heads-Up: Concussion in Youth Sports" or the National Federation of State High School Association's "Concussion in Sports: What You Need to Know." The organizations shall provide copies of the coaches' certificates of completion of the appropriate concussion awareness course(s) upon request.

# RIDGEWOOD BOARD OF EDUCATION

## REGULATION

PROPERTY  
R 7510/page 1 of 7  
Use of School  
Facilities

### R 7510 USE OF SCHOOL FACILITIES

The Board of Education believes that the buildings and facilities of the public schools should be available to the citizens of the community to the greatest possible extent consistent with the most effective use of school facilities for school purposes and the educational program, State statutes, and the responsibility of the Board for the maintenance of the buildings and facilities.

Regulations for the use of school facilities by outside persons and groups shall be established by the Superintendent of Schools and approved by the Board of Education. These regulations shall be printed on the district's "Application for Use of School Facilities," and shall apply to all users issued permits for use of school facilities.

In accordance with New Jersey State Statute, no use of the schools shall be granted which will in any way interfere with the most effective use of school facilities for school purposes. Activities that are part of the educational program take precedence over activities sponsored by non-school organizations.

The Board recognizes that the demand for use of some facilities exceeds availability. The Board also recognizes that overuse -- use beyond the capacity of limited maintenance resources to restore -- can lead to permanent damage to facilities. Therefore, the Superintendent of Schools shall establish and the Board shall approve classifications of users to serve as priority guidelines in granting permits for use of facilities as well as appropriate restrictions on use.

Classifications of

Users Class A

(Priority User)

- Groups and organizations directly affiliated with the Ridgewood Public Schools, Ridgewood students and staff, as approved by the School Business Administrator/Board Secretary.

Class B

- Nonprofit organizations whose primary purpose is to serve youth on a community-wide basis.
- Village government and other officially approved recreation activities sponsored by groups of the Village government.
- Not-for-profit groups that sponsor fund raising events wherein the entire proceeds, less expenses, go to assist Ridgewood Public School students.

Not-for-Profit Status - Groups qualifying as Class B users seeking to avoid rental fees (other than government or organizations recognized by the Ridgewood Fields Policy) are required to provide evidence of compliance with not-for-profit federal tax regulations. Copies of current Internal Revenue

Service filings (Form 990) serves as documentation of this status. Groups that have recently sought federal not-for-profit status and have not yet filed an initial Form 990, may provide other evidence of registration to the Business Administrator. Groups that are unable to provide not-for-profit documentation may still rent the facilities as Class C organizations at the District's published rates if they comply with all other regulations.

All Groups using District facilities (regardless whether they are Class B or Class C organizations) must submit documentation of their not-for-profit status if they indicate in their advertising that donations received are tax-deductible charitable gifts.

**TRANSITIONAL PROVISIONS:** The evidence of not-for-profit status is effective for all events after January 1, 2020.

#### Class C

- Community, civic, social, educational, cultural, recreation, professional groups, and any other groups not specifically referenced herein.

#### Charges

##### Class A

No charge

##### Class B

Groups will assume the cost of any custodians, assigned faculty advisor, lighting crew, and any other fees incurred by the school district as a result of their use of the auditorium.

##### Class C

Rental fee and groups will also assume the cost of custodians, assigned faculty advisor, lighting crew, and any other fees incurred by the school district as a result of their use of facilities.

- **Facilities not Available to Outside Groups:**  
The Frederick J. Stokely Little Theatre, the Murray Colosimo Campus Center, the television studio, the music rooms, the computer labs, and any other space the administration deems necessary at Ridgewood High School are for student use only and are not available to any other groups. Super Science Saturday, will be grandfathered. Charges: Charges are based on classification of user as defined above.
- **Custodial Overtime:**  
N.J.A.C. 34:7-1 requires that a custodian who has a Black Seal License be on duty whenever a building is in use. If a facility is to be used outside of normally scheduled working hours, a custodian will be assigned on an overtime basis and the cost will be billed to the using group.

Use of School Facilities

Groups using facilities outside of normally scheduled working hours will be billed for the custodian's overtime plus 10% to cover heat, light, administrative costs, and other expenses resulting from such use.

- **Payment of Fees:**

Rental fees will be billed after the use of facilities and are payable within thirty days. Payment in advance may be required at the discretion of the Assistant Business Administrator.

- **Liability Insurance:**

Certificate of Insurance must be produced prior to the issuance of the permit. The certificate of insurance must name the Ridgewood Board of Education as the named insured.

The Superintendent of Schools shall review and update the schedule of fees which will be approved by the Board each year at the Reorganization Meeting.

Outside sports organizations that use the facilities must provide a Statement of Compliance with the Ridgewood Board of Education's policy(ies) for management of concussions and other head injuries, including Policy No. 2431.4, and shall represent all of its coaches (head and assistant coaches) have received a copy of such policy(ies) and have successfully completed a course in concussion awareness, such as the Centers for Disease Control and Prevention's "Heads-Up: Concussion in Youth Sports" or the National Federation of State High School Association's "Concussion in Sports: What You Need to Know." The organizations shall provide copies of the coaches' certificates of completion of the appropriate concussion awareness course(s) upon request.

#### A. Application Procedures

1. Application must be made in writing and on the form supplied by the school district. The form is available in the office of the Business Administrator.
2. Application for use of school facilities must be submitted to the Business Administrator not less than 30 working days before the date of requested use. A use that requires the approval of the Board must be submitted not less than 60 working days prior to a regular Board meeting.
3. The application must be signed by an adult representative of the requesting organization, who will be considered by the Board to be an agent of the organization.
4. The application must include all the facilities that the applicant wishes to use and all the dates and times of the requested use. Approval of any application is limited to the facilities, dates,

and times expressly requested on the application. Approval does not include the privilege of additional rehearsal time or the use of rooms or buildings not expressly requested.

5. The application must include all the equipment and supplies that the applicant wishes to include in the use, pursuant to Policy No. 7520, Loan of School Equipment.

## B. Approval

1. The Business Administrator of his/her designee will review each application and check the school calendar to determine whether the facility requested is available at the date and time requested, that is, the facility has not been scheduled
  - a. For use in the instructional or co-curricular program,
  - b. For maintenance, repair, or capital improvement, or
  - c. For use by another organization.
2. If the facility is not available for use, the Business Administrator or his/her designee will so inform the representative of the organization and may suggest alternative dates, times, or facilities.
3. If the facility is available for use and the applicant meets standards set by Policy No. 7510 and these regulations, the Business Administrator will note his/her approval on the application form and will record the classification of the applicant organization and will grant final approval or refer to the Board requests that may be approved only by the Board.
4. Standards for approval include the following limitations on use:
  - a. School facilities are available for use on weekdays, including school vacations. School facilities may be available for use on Saturdays, Sundays, and other public holidays depending on appropriate and adequate custodial coverage.
  - b. School facilities are available for use only during the hours approved on the application. If applicable, the user pays an overtime fee regardless of the user's classification. School facilities are not available for use during the school day or for any use that may interfere with the school district's educational or co-curricular programs.
  - c. The use of school facilities will generally not be granted for observances or celebrations that are essentially private in nature or for meetings of small groups that can conveniently convene in private homes.

- d. In accordance with Policy No. 7510, the use of school facilities will not be granted for the advantage of any commercial or profit-making organization or partisan political activity, or any purpose that is prohibited by law.
  5. The Business Administrator, in consultation with the Field Committee, will determine the classification (I, II, or III) of the applicant organization and the fees and costs, if any, to be charged for the use of the facility. This information will be provided on the application form.
  6. In the event of a conflict between requesting organizations within the same class, the request received earlier by the district will be honored first.
  7. A copy of each approved or disapproved application will be distributed to the representative who signed the application form.
  8. The application form will include the rules governing the use of school facilities, and the representative's signature on the application will signify notice of those rules and the organization's agreement to be bound by those rules.
  9. The Board reserves the right to deny an application and to withdraw permission to use school facilities after approval has been granted and after the use has commenced. Permission may specifically be withdrawn from any organization whose representative has willfully made misrepresentation on the application or whose members violate the rules established for the use of school facilities. Such withdrawal of permission may constitute grounds for denying a future application made by the organization.
  10. Permission to use school facilities is not transferable.
  11. The organization representative must inform the Business Administrator or his/her designee of any canceled use request as soon as he/she is aware of the cancellation.
  12. Permission to use a school facility is automatically withdrawn on a day when the facility is closed for inclement weather, work stoppage, or other emergency.
- C. Rules for the Use of School Facilities
1. Users of school facilities will be bound by the law.
    - a. Users must comply strictly with all applicable statutes; municipal ordinances; and rules of the Board of Health, Fire Department, and Police Department regarding public assemblies.
    - b. The use must not exceed the established capacity of the facility used.

- c. The use must not involve gambling or games of chance.
  - d. The use, possession, and/or distribution of alcohol and/or controlled dangerous substances is absolutely prohibited, in accordance with law and Policy Nos. 5530 and 7435.
  - e. Smoking is prohibited in accordance with Policy No. 7434.
  - f. School facilities cannot be used for any purpose prohibited by law or likely to result in rioting, disturbance of the peace, damage to property or for the purpose of defaming others.
2. Users of school facilities will respect Board property.
- a. The user will not damage, destroy, or deface school property. The facility shall be used with care and left in an orderly and neat condition.
  - b. The user must request in the application and receive permission to bring and use equipment, decorations, or materials to the school facility. No equipment, decorations, or materials may be nailed to floors, walls, windows, woodwork, curtains or fixtures or affixed to the same in any manner that defaces or damages school property or grounds.
  - c. Any equipment, scenery, decorations, or other material brought to the school facility and any debris caused by the use or remaining after the use must be promptly removed by the user unless permission is granted by the Business Administrator to store the materials at the facility. Any such materials left on school premises beyond the time period approved in the application may be removed by the Board at the user's expense. The Board assumes no liability for damage to or loss of materials brought to school facilities.
  - d. The user must request in the application and receive permission to use, move, or tune a district piano. A piano may be moved only by school district staff or by a competent and experienced commercial mover approved by the Board and at the expense of the user. Any piano that has been moved must be returned to its original placement with the same care and at the expense of the user.
  - e. Users of the gymnasium must ensure that all participants wear rubber-soled footwear to prevent damage to floors.
  - f. No school facility may be used for a purpose in conflict with the purpose for which the facility was designated.

- g. Lighting equipment, ventilation systems, and thermostatic controls may be operated only by an employee of the district.
  - h. The user must request in the application and receive permission to serve and consume food and/or beverages on school premises. The service and consumption of food and/or beverages is strictly limited to the area for which permission is granted. Use of the cafeteria kitchen and cafeteria utensils requires the presence of a school district designee. The employee will be compensated by the school district and the user will be charged by the school district.
  - i. No signs, posters, advertisements, or other displays may be placed in a school building without prior approval.
  - j. No school keys shall be issued to a user.
  - k. No animal shall be allowed on school premises without prior approval.
  - l. An authorized school district staff member shall examine the school facilities and/or grounds after the use and will inform the user of any loss or damage that must be corrected.
  - m. Permission to use school facilities extends only to the facility requested. Users are not entitled to enter health offices, administrative offices, storage closets, or any other room to which permission to use has not been expressly granted. Users are not permitted to use district telephones and office equipment.
  - n. No vehicles of any type shall be operated in any area that is not designed for such vehicles without prior permission.
3. Uses Must be Property Supervised
- a. A school custodian must be on duty the entire time a use occurs. The custodian is present for the purpose of insuring the security and proper functioning of the facility and of enforcing these regulations. The custodian is paid by the Board and may not accept gratuities from users. If the custodian is needed to perform extra services as an accommodation to the user, the user may be charged an additional fee and the custodian will be compensated accordingly by the district.
  - b. The user of certain school facilities (such as kitchen and auditorium stage) require the services of school employees trained in the use of the facility. The user will be charged an additional fee and the school employee will be compensated accordingly by the district.
  - c. The user must assume full responsibility for the conduct of all participants in the

use while they are in or about school buildings and grounds and must enforce these regulations. The user must provide an adequate number of persons to supervise participants in the activity. The district, depending on the activity, may require as a condition of approval, a certain number of chaperones, law enforcement officials, and/or a school district representative(s) to be present at the activity.

- d. The user must, in consultation with the principal, anticipate the need for the assistance of police officers, fire fighters, and/or parking attendants. All such services must be arranged by the user and will be at the expense of the user. When a user refuses or fails to secure police, fire, and/or parking assistance after having been advised to do so by the Principal, the Principal may recommend that permission to use the facility be withdrawn.
- e. Board members and school officials are entitled to full and free access to any part of the school premises during any use. No user may exclude a Board member or school official from a school facility for any reason.

## **D. Provision of Training on School Safety and Security**

- 1. In accordance with the provisions of N.J.S.A. 18A:41-7.c., the Board of Education shall provide to all persons who supervise youth programs that are not sponsored by the school district, but operate a program in a district building before or after school hours, on the weekend, or during a period when school is not in session, information on the district's school practices and procedures in the event of a school safety or security incident at a school including non-confidential information on evacuation procedures, emergency response protocols, and emergency contact information.**
- 2. It shall be the responsibility of the organization that sponsors the youth program to train the program's employees and volunteers on the school security and emergency procedures in effect in the school building in which the youth program is located.**
- 3. The organization that sponsors the youth program shall file a statement of assurance with the Superintendent or designee that it has complied with the training requirements prior to the district authorizing the use of the school building.**
  - a. The statement of assurance shall be developed by the Commissioner of Education and shall be filed with the school district on an annual basis.**

**8420 EMERGENCY AND CRISIS SITUATIONS**

The Board of Education recognizes its responsibility to provide for the safety and security in each school building in the district. The district will develop and implement written plans and procedures to provide for the protection of health, safety, security, and welfare of the school population; the prevention of, intervention in, response to and recovery from emergency and crisis situations; the establishment and maintenance of a climate of civility; and supportive services for staff, students, and their families.

The Superintendent of Schools or designee shall consult with law enforcement agencies, health and social services provider agencies, emergency management planners, and school and community resources, as appropriate, in the development of the school district's plans, procedures, and mechanisms for school safety and security. The plans, procedures, and mechanisms shall be consistent with the provisions of N.J.A.C. 6A:16-5.1 and the format and content established by the Domestic Security Preparedness Task Force, pursuant to N.J.S.A. App. A:9-64 et seq., and the Commissioner of Education and shall be reviewed annually, and updated as appropriate.

A copy of the school district's school safety and security plan shall be disseminated to all school district employees. New employees shall receive a copy of the school district's safety and security plan, as appropriate, within sixty days of the effective date of their employment. All employees shall be briefed in writing, as appropriate, regarding updates and changes to the school safety and security plan.

The school district shall develop and provide an in-service training program for all school district employees to enable them to recognize and appropriately respond to safety and security concerns, including emergencies and crisis, consistent with the school district's plans, procedures, and mechanisms for school safety and security and the provisions of N.J.A.C. 6A:16-5.1. New employees shall receive this in-service training, as appropriate, within sixty days of the effective date of their employment. This in-service training program shall be reviewed annually and updated, as appropriate.

**The Board shall ensure individuals employed in the district in a substitute capacity are provided with information and training on the district's practices and procedures on school safety and security including instruction on school security drills, evacuation procedures, and emergency response protocols in the district and the school building where the individuals are employed in accordance with the provisions of N.J.S.A. 18A:41-7.**

In accordance with N.J.S.A. 18A:41-1, at least one fire drill and one school security drill will be conducted each month within school hours, including any summer months, which the school is open for instructional programs. A school security drill means an exercise, other than a fire drill, to practice procedures that respond to an emergency situation including, but not limited to, a non-fire evacuation, lockdown, bomb threat, or active shooter situation that is similar in duration to a fire drill. Schools are required to hold a minimum of two active shooter, non-fire evacuation, bomb threat, and lockdown security drills annually. Fire alarm systems shall be initiated only during a fire drill evacuation. Responses made necessary by the unplanned activation of emergency procedures or by any other emergency shall not be substituted for a required school security drill.

The Principal or designee will provide local law enforcement or other emergency responders, as appropriate, with a friendly notification at least forty-eight hours prior to holding a school security drill. Although these outside agencies are not required to observe school security drills, the Principal is encouraged to invite representatives from local law enforcement and emergency responder agencies to attend and observe at least four different security drills annually.

Such drills and in-service training programs shall be conducted in accordance with a building security drill guide and training materials that educate school employees on proper evacuation and lockdown procedures in a variety of emergency situations on school grounds as provided by the New Jersey Office of Homeland Security and Preparedness.

The school district will be required to annually submit a security drill statement of assurance to the New Jersey Department of Education by June 30 of each school year. Each school in the district will be required to complete a security drill record form as required by the New Jersey Department of Education.

0164 CONDUCT OF BOARD MEETINGS

## Parliamentary Authority

Roberts' Rules of Order, Newly Revised, shall govern the Board of Education in its deliberations and acts in all cases in which it is not inconsistent with statutes of the State of New Jersey, rules of the State Board of Education, or these bylaws.

## Presiding Officer

The President shall preside at all meetings of the Board. In the absence, disability, or disqualification of the President, the Vice President shall act in his/her place; if neither person is present, any member shall be designated by a plurality of those present to preside. The act of any person so designated shall be legal and binding.

## Announcement of Adequate Notice

The person presiding shall commence each meeting with an announcement of the notice given for the meeting or a statement regarding the lack of adequate notice, in accordance with law.

## Agenda

The Superintendent and the Administrative Cabinet, in consultation with the Board President, shall prepare an agenda of items of business to come before the Board at each meeting. The agenda shall be delivered to each Board member no later than two business days, except when an unscheduled meeting is being called, before the meeting and shall include such reports and supplementary materials as are appropriate and available.

The meeting agenda shall be posted on the district's website and circulated via the district email system 48 hours prior to the meeting time. A reminder email with the agenda shall be sent on the day of the meeting.

The order of business shall be as follows:

Call to order and roll call

Optional: Motion to go into executive session

Optional: Call to order and roll call again after returning from the closed session

#### Electronic Participation and Virtual Meetings

~~In the event of extraordinary circumstances (which shall be defined as a natural disaster, mandatory or self-imposed quarantine, a State of Emergency declared by the Governor of the State of New Jersey or similar situation), it may be necessary for the full Board to meet virtually, via teleconference or digital media platform, in order to take necessary action.~~

#### ~~A. Electronic Participation in In Person Board meetings~~

~~In the event that an individual board member is unable to attend an in-person meeting, where there is a quorum present, due to extraordinary circumstances as defined above, such member may participate telephonically or electronically, with the permission of the Board President, whose permission shall not be unreasonably withheld, provided that they are able to hear the proceedings and be heard.~~

#### ~~B. Virtual Meetings~~

~~Under extraordinary circumstances as defined above, teleconference options and digital platforms may be used to enable virtual board meetings and action even when all members of the Board are not physically present as long as prior arrangements are made to afford the public the opportunity to hear and participate in the meeting.~~

~~The Board may conduct a public meeting via teleconference or digital platform where members of the public are given appropriate notice and granted access enabling them to listen to and participate in the meeting at the appropriate time. A teleconference or virtual medium will only be used to host a public meeting of the full Board in a situation that makes it impossible or impractical for a quorum of members to meet in person due to the extraordinary circumstances as defined above.~~

**II. FLAG SALUTE AND PLEDGE OF ALLEGIANCE**

Mr. Lembo led those present in the Pledge of Allegiance.

**III. OPENING STATEMENT BY PRESIDING OFFICER**

Mr. Lembo announced that pursuant to the requirements of the Open Public Meetings Act, advance notice of this meeting had been given to The Ridgewood News, The Record, and the Clerk of the Village of Ridgewood. In addition, notices were posted in the office of the Board Secretary and in all school buildings. Due to health concerns related to the COVID-19 meeting the public cannot attend the meeting and public comments can be called in or submitted through the website.

**IV. PRESENTATIONS****A. Elementary Student Representative Report**

Isha Vitale, 5th Grader at Orchard Elementary School reported that in school, they have been working on fun projects during math, and so far she has created her own math book and lesson video.

At Orchard, they are also having some special events including a school “dress like 100” day for the 100th day of school. They are getting ready for a virtual talent show and a 5th grade Jeopardy tournament.

Leo Sorensen, 5th Grader at Orchard Elementary School reported that for fifth grade they have three different teachers for math, reading, and writing and are learning many things. In the writing class, they are creating long and factual pieces to publish and share. In a science unit based on physical science, they have learned about the periodic table, Molecules, and atoms, which are the building blocks of the universe. They will create a 3D model out of playdough and toothpicks of the elements that build up our molecule.

**B. Student Representative Report**

Zoe Kovac presented the following updates from Ridgewood High School Academics

- In accordance with Black History Month, the RHS Learning Commons has been highlighting Black authors by promoting their books and stories. Although February is Black History Month, they strive to spotlight Black voices year-round.
- Congratulations to the RHS members of the Advanced Certamen team, a group participating in Latin Quiz Bowls. They recently competed against students from a high school located in Virginia and had lots of fun.
- Another congrats to the RHS InvenTeam who has been building a portable and sustainable water bottle that uses solar power to convert water and air into a sanitizing agent that can eliminate water-borne pathogens.

Arts

- The RHS Newplayers had a successful performance of Stuck By Love where current members of the company performed original plays written by their fellow

actors. The tickets were sold on a "Pay What You Can" basis which allowed anyone to view the production and support the company.

#### Athletics

- According to Governor Murphy, spectators will now be permitted at high school sporting events though on a limited basis, thus the athletics department has recently announced that they will allow student-athletes to be accompanied by 2 family members. These same guidelines will apply for Season 3 of Athletics which includes gymnastics, wrestling, and girls volleyball.

#### Activities

- On Wednesday, the RHS Psychology Club will be hosting a meeting with Dr. Chris King, a professor at Montclair State University, where he will discuss his work in the field of Forensic Psychology.
- Lastly, members of the RHS TV Club have been busy behind the scenes. Recently they masked up and broadcasted a jazz concert which was performed by our very own RHS musicians and that can be viewed on the RHS TV website.

## **V. COMMENTS FROM THE PUBLIC**

The following people addressed the board:

Charles Reilly, 448 N. Maple Ave., Expressed his thoughts on a Board member's statements on social media in response to a letter that Mr. Reilly submitted to the newspaper.

Christie Reilly, 21 North Place, Glen Rock, expressed concern with inaccuracies communicated and the confusion about the ITDC financials. She encouraged the board to meet with the PTO to review their research. Requested that Ms. Kwak recuse herself on matters related to ITDC due to conflict of interest.

Laura Mckenna 861 Bingham Road, Expressed her thoughts and is pleased with the expanding Ridgewood STEPPS 18-21 Program. She commented on examples of similar programs in other Bergen County districts.

Ms. Miller, 141 Johns Street, Called on behalf of the ITDC PTO and requested that the BOE and the administration pause the RFP until the BOE has properly assessed the ITDC program. She requested that three points made during the last meet about the ITDC be corrected.

Jessica Torre, 366 East Glen Ave, commented that the elementary school student presentations were inspiring. She requested that the RFP for the ITDC be paused until an accurate financial analysis is presented.

Laurie Weber, 235 South Irving Street, addressed some comments that were made about online opinions of a board member's spouse. She called in favor of the RFP for the ITDC and commented about uncorrected audits that were discussed about the program in the spring.

Susan Madison, 428 Linwood Ave., discussed her concern about the limited in person learning and the consequences for the children. She has not been surveyed about her opinion since August. Discussed testing in a remote versus a virtual environment.

The following written comments were submitted:

Lis Rose, 494 Fairfield Avenue, I am writing today to implore you to take into immediate consideration a later start time for RPS, especially for RHS. We are in a mental health crisis in this country. Adolescence is a time of dramatic brain development particularly in parts of the brain that are responsible for the high-order thinking processes. This includes reasoning, problem-solving, impulse control, and good judgment. Everything parents worry about. Studies show getting the biologically correct amount of sleep helps these processes. Without the biologically necessary sleep, kids can't concentrate or pay attention. Studies show the lack of this basic biological need mimics Attention Deficit Hyperactivity Disorder (ADHD). Lack of sleep contributes to the mental health crisis including depression and suicide. Teens don't get enough sleep and it's not because of Snapchat, social lives, or hormones. It's because of public policy. It's the deprivation of sleep during the times that they need it the most. We are facing a mental health crisis as a country. You are in the position to help our students.

The state of California has successfully implemented this later start time as well as Princeton, New Jersey. There are problems to work through, please don't use them as an excuse to not implement later start times. Studies show school should start no later than 8:30. Children should be able to wake up naturally on their own. What a gift that would be. What is best for our children is the ability to reset and recharge.

Lindsay Scarangelo, 353 Linwood Ave., Hybrid learning has proven to be a safe option for both our teachers and students over the last 6 months but the amount of time children are spending in school is not enough. Understanding the concerns about teacher availability in supporting full remote & hybrid options, has the board considering issuing a moratorium on full remote options by a committed date in order to extend in-person learning? It seems that at some point, those who are not comfortable with the school system would need to home school their children until they are. In regards to the additional costs of bringing on teachers and staff, almost anyone who has a dual-income situation is spending their money at the Y or other private programs to get their children educated. Has there been any analysis of the income these third parties are receiving against the school budget/incremental budget required to get schools back on their feet? Lastly, after 6 months of status quo, when do we start planning for incremental changes to the schedule/system? If we continue to kick this can down the road until the end of the school year, it will only exacerbate the situation for the 2021/2022 school year.

Daniel Falcon, 566 Linwood Ave., It would be an absolute shame if the BOE were to allow privatization of ITDC. We moved to Ridgewood from NYC to be able to put our child into a program that educates and assists in our toddler's development, not to have the cookie-cutter McDonald's experience we have found private centers to offer.

Our hope is that the BOE can take the facts into account, those facts being that ITDC is a curriculum-based learning center, has run at financial breakeven since its inception up until 2020, the year of COVID-19, and that the taxpayers of Ridgewood are in no way subsidizing

the non-district children.

In addition to this, it should be known that the parents of ITDC largely share our thoughts on education and love this center. A private company should be fully informed not to count on the enrollment of the current student base as they prepare their financials. Personally, we spent many hours seeking out this kind of education for our child and would likely go elsewhere if ITDC was no more.

Justine Falcon, 566 Linwood Ave., To whom it may concern: as newer Ridgewood residents, my husband and I moved to this suburb to give our daughter the life she deserves. A big part of that would be where she would attend school at this early age. I searched and looked at many facilities (many of them privately owned) and was unimpressed with what I found. Until I found the ITDC. Immediately I knew this was what I wanted for my daughter. It reminded me of where I went as a child. It felt like a school. Not a daycare, not a bunch of babysitters, but a school. I signed her up on the spot. And now I have watched her thrive at this school. They have a curriculum, assignments, special projects, and beyond. I continue to be impressed by the efforts of the staff and teachers. Every staff member knows my daughter, every staff member makes the extra effort, every staff member cares. I feel at ease leaving my daughter in their care. To hear that it was insinuated that the ITDC "does not offer education" is simply a blatant lie. My daughter has learned from this facility and that is strictly because they are a curriculum-based learning center. And this is what I and the other parents specifically want for their children. I moved to the suburbs especially for a program like this. To be clear, if I wanted just another privately owned chain, I would have stayed in the city. I have already sent in a deposit for next year. When I have another child, I want to send them to the ITDC. There truly is no other program out there like it, it's a gem in our neighborhood. Therefore I plead that you listen to us, the parents, who truly know what's best for our children, to halt issuing an RFP. I can say for certain that without the ITDC, its curriculum, and staff, that any other establishment that takes its place certainly will not have my business.

Kaitlin Joyce, 217 Highland Ave., There's no reason to make a lateral move now to a different hybrid format. We should be moving towards reopening and until then keep the current hybrid format. Families have adapted their lives, schedules, childcare, etc for the current system. Children are used to this and the at-home curriculum is solid. The proposed am/pm also takes away one of the most important reasons to be in person, recess, and socializing. It's a very rushed day. What do you propose for families with one child on the am/pm and another child who's in the standard hybrid? A second grader cannot be left home alone while a parent goes to an 11:15 K pick-up. So, the option is that we must have 2 adults at home, pay for someone to drive our child home, or our older child misses whatever lesson happens between 11-11:30 on every one of their home days.

Bethany Rose, 903 Hillcrest Road, I am writing to ask that the Board takes steps to correct the inaccurate statements about ITDC in the February 8 meeting.

First, I would like to clear up the inaccuracy that ITDC "has been losing money for many years". It is my understanding that a recent independent review of the audited financials shows that ITDC has broken even every year from inception through 2019 with zero funding from the General Fund. I ask that we please review this analysis publicly.

Second, I would like to address the inaccuracy that ITDC does not have an educational component. ITDC is a curriculum-based learning center that includes a full-day program to

accommodate working parents. As employees of Ridgewood Public Schools, the educators and staff pour their hearts and souls into the defined curriculum and development of the children who attend.

Finally and going forward, I request that the Board members take a more collaborative approach to determining the future of ITDC. As it is clearly a beloved program, and differentiator for Ridgewood Public Schools, it is in our community's best interest to fully understand its financial performance and its educational importance in our Village. As such, I would ask the Board not to rush to RFP without first sitting down with our own administration and the school's business administrator.

Dina El Nabli, 207 McKinley Place, I'm writing to urge the BOE to implement an 8:30 am start time for Ridgewood students. Lack of sleep is terrible for our kids' physical and mental health as well as educationally. With extracurricular activities and sports, our kids are starting homework later and staying awake later. An extra half hour of sleep will go a long way toward alleviating their stress and helping them be their best academically. Studies also show well-rested kids make better choices, another huge benefit of starting school later. Thank you for your thoughtful action on this issue.

Anastasia Bamberg, 142 Melrose Place, Please provide some specifics about the incidence of COVID positives in the Ridgewood population versus the incidence of RPS children who are positive. Are children/teens testing positive at about the same rate as the population in total?

Katie Acevedo, 617 Upper Boulevard, Neighboring school districts have brought their students back on a full-time basis, why have we not done so here in Ridgewood? What is the exact plan and timetable for bringing the kids back full-time? Please also address the specific roadblocks there have been to date to bring the children back to school on a full-time basis and what specifically the Board has done and is doing to address these roadblocks?

Andrew Brenner, 211 Pershing Avenue, I am extremely troubled by the way ITDC has been portrayed, both in these meetings and through posts on social media, including many by Ms. Kwak's husband (his campaign against ITDC seems less than ethical, FWIW). ITDC's financial performance has been wildly understated and distorted, and the only way to resolve that is through a thorough third-party audit. In addition, I continue to hear (and read) ITDC referred to as a daycare when it is in fact a curriculum-based center that more closely resembles a school than any daycare I have ever visited. You will NEVER find dedicated, passionate, and long-serving teachers in a chain daycare; the staff at ITDC is unparalleled. ITDC is one of the reasons our family loves Ridgewood, and to RFP it out to a private company would be a black mark on the community. I ask that you please allow for a thorough review of ITDC's financial performance, and to work through the results of that analysis with the PTO.

Jeni Amorosa, 601 Morningside Road, My name is Daniel. I am 7 years old and go to Willard Elementary. Please open the schools full time again. We learn more. Thank you.

Anne Burton Walsh, 112 South Irving Street, I am writing to express my support for later school start times in middle school and high school. The research is clear that the benefits

of later school start times for our 6th through 12th graders would outweigh any inconvenience. I am very hopeful that this scheduling change can be accomplished by fall 2021, if at all possible.

## VI. INFORMATION

### A. NATIONAL MERIT SCHOLARSHIPS

Eight Ridgewood High School students have been named National Merit Scholarship finalists.

The following eight students have been designated as finalists:

**Dev Chhabra, Alexander Cho, Alexandra Jerdee,  
Aum Mundhe, Samantha Ngai, Skyler Snow, William Stewart, Saori Takahashi**

## VII. PRESENTATIONS

### A. CARES ACT BUDGET

Mr. Bisig provided a summary report of the CARES Act/Corona Relief quarterly budget. He provided a breakdown of the funds received from the Bergen County CARES Grant, the Federal CARES Grant, and the Corona Relief Grant, as well as how these funds are being used.

The presentation can be found on the district website:

<https://www.ridgewood.k12.nj.us/common/pages/DisplayFile.aspx?itemId=24924899>

This portion of the meeting can be viewed at 57:45 in the webcast.

## VIII. SUPERINTENDENT'S REPORT

Dr. Gorman provided an update on the progress of the BOE goals and the district goals for the 2020-2021 school year. The superintendent search is ongoing. In December, the Board appointed a general counsel and an engineering and architectural firm. Negotiations with the REA on a new collective bargaining agreement are ongoing. The budget is being developed with attention to preserving financial flexibility without undermining educational progress. Strides have been made to increase public participation and communication. Significant progress has also been made toward the four district goals. The school-based mental health team, which includes Care Plus, has been working to address mental health issues due to COVID-19. Adjustments have been made to the pandemic education plan. The district has been advancing our core beliefs and practices, particularly in the area of diversity, equity, and inclusion (DEI).

Current methods to address the needs of high-achieving students are being examined, while also ensuring that all students are empowered to reach their potential by providing a rich and challenging learning environment.

Additional goals include managing ongoing daily operations of school during the pandemic, addressing capital improvements, determining next steps for the Infant Toddler Development Center, and investigating alternative schedules.

As part of the process of advancing the goals, presentations are made to the BOE, task forces are being created, and parent and community input is gathered through surveys, committees, and virtual meetings.

A meeting will be held, February 23 regarding elementary pandemic schedules. Parents and community members can view the livestream from the district website.

According to the CDC guidelines, we currently remain at the medium risk level. Dr. Gorman briefly reviewed some of the changes that have been made throughout the year to enhance the educational experience, stressing that our hybrid model has been successful.

Dr. Gorman stated we are constantly discussing with other districts regarding six feet of social distancing. When reducing the six feet we will be faced with many more school/class shut downs due to the identification of more close contacts. He will have another meeting this week with the Village Health Department and district physician. He reminded everyone that many of the teachers have not been vaccinated yet due to the limited supply of vaccines. This still presents a problem. It is difficult to compare district to district, we along with Hackensack are the bigger districts in the county, we have older buildings and large class sizes. Those are challenges some other districts do not face. We have had 50% occupancy in our classrooms. There are a lot of mixed messages and contradictions. There is a liability in not following the six feet distance.

Ms. Poelstra thanked the elementary principals and stated that together they have been working hard to figure out how we can shift and maintain the six foot distancing.

Dr. Gorman stated things are constantly shifting and he is keeping options open because things may change in March or April. We will talk about the learning lag and we have done some benchmark data

He added that the district has conducted some benchmark data at the 1st grade and 4th grade levels and we have not found that there is learning loss or learning lag on a general level. We have found that our model is working however it does not mean that some students are struggling academically or socially and emotionally. We are trying to address the kids on an individual basis. We are seeing that students are on par to where they were last year even at the High School level, but we are going to address the kids who are struggling and we are putting extra supports. Hopefully with the extra money coming from the government will put in extra supports over the summer. If parents feel that their child is struggling socially, academically or emotionally they should reach out to their child's principal.

Conversation regarding social distancing, vaccinations, survey distribution, and the potential for teacher/class reassignments with the change in learning models took place.

The presentation can be found on the district website:

## **XII. BOARD MEMBER ANNOUNCEMENTS**

Ms. Brogan made the following announcements:

Friends of Music hosted a livestream of their annual concert last Friday. Students who won the songwriting competition were recognized, and their original piece was performed.

Super Science Saturday is scheduled for Saturday, March 6. The program will be livestreamed and visitors will be able to access pre-recorded videos of student presentations, as well as videos from adult presenters sharing their work in science.

Governor Murphy delivered his budget address today at 1 p.m.

Mr. Lembo announced that on Saturday, February 27, the Lemelson-MIT Program and Ridgewood High School will host a virtual Mid-Grant Technical Review. The Ridgewood High School InvenTeam will be presenting the progress on their invention, a Solar Aqua Tech water bottle.

## **XIII. BOARD COMMITTEE REPORTS**

There were no committee reports

## **XIV. DISCUSSION ITEMS**

The Board discussed the decision to move forward with the RFP process for the infant/toddler program in response to community feedback, as well as having ITDC give a presentation about their proposed plan for the program.

Mr. Kaufman made a motion to get a third party auditor to review the financials to see the accurate numbers and at the same time get a proposal from ITDC.

Dr. Gorman confirmed his action items per the conversation. He will reach out to Ms. Kontos for an ITDC presentation to the board, he will reach out to the lawyer to ask if the presentation can be made in a closed session. He confirmed that the audit will not be considered further at this time and the RFP will continue.

After the board discussion which included the benefits and concerns about the RFP process and the financials, Mr. Kaufman withdrew his motion.

This portion of the meeting can be viewed at 1:57 in the webcast.

Mr. Kaufman discussed and requested that a presentation about later start times as they affect mental health be made by Ms. Depinto and the two Assistant Principals of the Ridgewood High School at the next board meeting. He also requested that students should submit their thoughts during this presentation.

Mr. Kaufman asked if anyone had an objection to the presentation request for the next

meeting. The Board discussed that the agenda is an administrative function, discussed that their concern is that the presentation has already been made to the board and through several forums and that this is a whole district initiative which should not be a decision made in isolation.

Ms. Poelstra and Dr. Gorman explained that this would be a K-12 initiative and that a plan was developed a couple of weeks ago to investigate all aspects pertaining to alternative schedules.

The committee will meet and will also meet with a parent group for input.

This portion of the meeting can be viewed at 2:39:40.

**XV. ACCEPTANCE OF MINUTES**

- January 11 Regular Public Meeting
- January 25 Regular Public Meeting
- February 8 Executive Session
- February 8 Regular Public Meeting

Mr. Lembo moved Acceptance of Minutes, except for February 8 Executive and Regular Public Meeting.

Ms. Kwak seconded the motion, which was unanimously approved.

**XVI. OTHER BUSINESS**

**XVII. COMMENTS FROM THE PUBLIC**

No additional comments were submitted.

Ms. Miller, 141 Johns Street, called on behalf of ITDC and expressed concerns about the PTO and the district director having to create a proposal as an incumbent to the RFP. The PTO has made multiple requests to meet with board members regarding the program and has not received a response. Expressed concern with the criteria in RFP and the differences from the existing program which puts the ITDC in an unequal position to compete.

Laurie Weber, 235 South Irving St., clarified her previous points for board members regarding the ITDC program and keeping the current staff. She has information regarding legislation on the health and safety issues for the program and offered herself to attend a meeting to help this go forward in a positive way.

**XX. ADJOURNMENT**

At 10:16 pm by a motion made by Mr. Lembo, seconded by Ms. Kwak the meeting adjourned.

Respectfully submitted,

Scott Bisig  
Business Administrator/Board Secretary

Lucy Papamichael  
Assistant Board Secretary

## 1620 ADMINISTRATIVE EMPLOYMENT CONTRACTS

The Executive County Superintendent shall review and approve for all Superintendents of Schools, Superintendents of Schools reappointed pursuant to N.J.S.A. 18A:17-20.1, Superintendents of Schools, Assistant Superintendents of Schools, and School Business Administrators, including any interim, acting, or person otherwise serving in these positions, in school districts, county vocational school districts, county special services school districts and other districts, except charters, within the County under the supervision of the Executive County Superintendent:

1. New employment contracts, including contracts that replace expired contracts for existing tenured and non-tenured employees;
2. Renegotiations, extensions, amendments, or other alterations of the terms of existing employment contracts that have been previously approved by the Executive County Superintendent; and
3. Provisions for contract extensions where such terms were not included in the original employment contract or are different from the provisions contained in the original approved employment contract.

In counties where there is no Executive County Superintendent, an Executive County Superintendent from another county shall be designated by the Commissioner to review and approve all contracts listed above.

The contract review and approval shall take place prior to any required public notice and hearing pursuant to N.J.S.A. 18A:11-11 and prior to the Board of Education approval and execution of the contracts to ensure compliance with all applicable laws, including but not limited to N.J.S.A. 18A:30-3.5, 18A:30-9, 18A:17-15.1 and 18A:11-12.

In accordance with the provisions of N.J.S.A. 18A:11-11 and N.J.A.C. 6A:23A-3.1(c)1, the public notice and public hearing required shall be applicable to a Board of Education that renegotiates, extends, amends, or otherwise alters the terms of an existing contract with a Superintendent of Schools, Superintendent of Schools, Assistant Superintendent of Schools, or School Business Administrator. In accordance with N.J.S.A. 18A:11-11, notice must be provided to the public at least thirty days prior to the scheduled action by the Board. The Board shall also hold a public hearing and shall not take any action on the matter until the hearing has been held. The Board shall provide the public with at least ten days' notice of the public hearing.

In accordance with N.J.A.C. 6A:23A-3.1(c)1, the public notice and public hearing required pursuant to N.J.S.A. 18A:11-11 shall not apply to new contracts, including contracts that replace expired contracts for existing employees in one of these positions, whether tenured or not tenured. Nothing shall preclude a Board from issuing a public notice and/or holding a public hearing on new contracts, including new contracts that replace expired contracts for existing tenured and non-tenured employees.

Administrative Employment Contracts

The public notice and public hearing required pursuant to N.J.S.A. 18A:11-11 is also required in the event an existing contract for a Superintendent of Schools, Superintendent of Schools, Assistant Superintendent of Schools, or School Business Administrator is rescinded or terminated by the Board of Education before it is due to expire and the parties agree to new employment terms.

In connection with the Executive County Superintendent's review of the contract, the Board shall provide the Executive County Superintendent with a detailed statement setting forth the total cost of the contract for each applicable year, including salary, longevity (if applicable), benefits, and all other emoluments.

The review and approval of the employment contracts of Superintendents of Schools, Superintendents of Schools, Assistant Superintendents of Schools, and School Business Administrators conducted by the Executive County Superintendent shall be consistent with the following additional standards outlined in N.J.S.A. 18A:7-8.1 and N.J.A.C. 6A:23A-3.1:

1. Contracts for each class of administrative position shall be comparable with the salary, benefits and other emoluments contained in the contracts of similarly credentialed and experienced administrators in other school districts in the region with similar enrollment, academic achievement levels and challenges, and grade span.
2. No contract shall include provisions that are inconsistent with the travel requirements pursuant to N.J.S.A. 18A:11-12 and N.J.A.C. 6A:23A-7 including, but not limited to, the provisions for mileage reimbursement and reimbursement for meals and lodging in New Jersey. Any contractual provision that is inconsistent with law is superseded by the law.
3. No contract shall include provisions for the reimbursement or payment of employee contributions that are either required by law or by a contract in effect in the school district with other teaching staff members, such as payment of the employee's State or Federal taxes, or of the employee's contributions to FICA, Medicare, State pensions and annuities (TPAF), life insurance, disability insurance (if offered), and health benefit costs.
4. No contract shall contain a payment as a condition of separation from service that is deemed by the Executive County Superintendent to be prohibited or excessive in nature. The payment cannot exceed the lesser of the calculation of three months pay for every year remaining on the contract with pro-ratio for partial years, not to exceed twelve months, or the remaining salary amount due under the contract.
5. No contract shall include benefits that supplement or duplicate benefits that are otherwise available to the employee by operation of law, an existing group plan, or other means; e.g., an annuity or life insurance plan that supplements or duplicates a plan already made available to the employee. Notwithstanding the provisions of this section, a contract may contain an annuity where those benefits are already contained in the existing contract between the employee and the district.

6. Contractual provisions regarding accumulation of sick leave and supplemental compensation for accumulated sick leave shall be consistent with N.J.S.A. 18A:30-3.5. Supplemental payment for accumulated sick leave shall be payable only at the time of retirement and shall not be paid to the individual's estate or beneficiaries in the event of the individual's death prior to retirement. Pursuant to N.J.S.A. 18A:30-3.2, a new Board of Education contract may include credit of unused sick leave in accordance with the new Board of Education's policy on sick leave credit for all employees.
7. Contractual provisions regarding accumulation of unused vacation leave and supplemental compensation for accumulated unused vacation leave shall be consistent with N.J.S.A. 18A:30-9. Contractual provisions for payments of accumulated vacation leave prior to separation can be included but only for leave accumulated prior to June 8, 2007 and remaining unused at the time of payment. Supplemental payments for unused vacation leave accrued consistent with the provisions of N.J.S.A. 18A:30-9 after June 8, 2007 as well as unused vacation leave accumulated prior to June 8, 2007 that has not been paid, shall be payable at the time of separation and may be paid to the individual's estate or beneficiaries in the event of the individual's death prior to separation.
8. Contractual provisions that include a calculation of per diem for twelve month employees shall be based on a two hundred sixty day work year.
9. No provision for a merit bonus shall be made except where payment is contingent upon achievement of quantitative merit criterion and/or qualitative merit criterion:
  - a. A contract may include no more than three quantitative merit criteria and two qualitative merit criteria per contract year.
  - b. The Executive County Superintendent shall approve or disapprove the selection of quantitative merit and qualitative merit criteria and the data that forms the basis of measuring the achievement of quantitative merit and qualitative merit criteria.
  - c. A contract may provide for merit bonuses in an amount not exceeding 3.33 percent of annual salary for each quantitative merit criterion achieved and 2.5 percent of annual salary for each qualitative merit criterion achieved. Any such merit bonus shall be considered "extra compensation" for purpose of N.J.A.C. 17:3-4.1 and shall not be cumulative.
  - d. The Board of Education shall submit to the Executive County Superintendent a resolution certifying that a quantitative merit criterion or a qualitative merit criterion has been satisfied and shall await confirmation of the satisfaction of that criterion from the Executive County Superintendent prior to payment of any merit bonus.

10. No provision for a bonus shall be made except where payment is contingent upon achievement of measurable specific performance objectives expressly contained in a contract approved pursuant to N.J.A.C. 6A:23A-3.1, where compensation is deemed reasonable relative to the established performance objectives and achievement of the performance objectives has been documented to the satisfaction of the Board of Education.
11. No provision for payment at the time of separation or retirement shall be made for work not performed except as otherwise authorized in N.J.A.C. 6A:23A-3.1 and N.J.S.A. 18A:7-8.1.
12. No contract shall include a provision for a monthly allowance except for a reasonable car allowance. A reasonable car allowance shall not ~~exceed~~ exceed the monthly cost of the average monthly miles traveled for business purposes multiplied by the allowable mileage reimbursement pursuant to applicable law and regulation and New Jersey Office of Management and Budget (NJOMB) circulars. If such allowance is included, the employee shall not ~~be~~ be reimbursed for business travel mileage nor assigned permanently a car for official district business. Any provision of a car for official district business must conform with N.J.A.C. 6A:23A-6.12 and be supported by detailed justification. No contract shall ~~ean~~ include a provision of a dedicated driver or chauffeur.
13. All Superintendent contracts shall include the required provision pursuant to N.J.S.A. 18A:17-15.1 which states that in the event the Superintendent's certificate is revoked, the contract is null and void.
14. No contract shall include a provision for additional compensation upon the acquisition of a graduate degree unless the graduate degree is conferred by a regionally accredited college or university as defined in applicable regulations. No contract shall include a provision for assistance, ~~or~~ tuition reimbursement, or ~~for~~ additional compensation for graduate school coursework, unless the ~~such~~ coursework culminates in the acquisition of a graduate degree conferred by a regionally ~~only~~ accredited college or university as defined in applicable regulations

The review and approval of an employment contract for the Superintendent of Schools shall not include maximum salary amounts pursuant to N.J.S.A. 18A:7-8.j.

Any actions by the Executive County Superintendent undertaken pursuant to N.J.S.A. 18A:7-8.1, N.J.A.C. 6A:23A-3.1, and this Policy may be appealed to the Commissioner of Education pursuant to the procedures set forth at N.J.A.C. 6A:3, Controversies and Disputes.

Athletic Competition  
M

### 2431 ATHLETIC COMPETITION

It is the intent of the Ridgewood Board of Education to provide in the high school a comprehensive, well-planned, and well-balanced program of interscholastic athletics, including cheerleading, for girls and boys who can benefit from participation. The program shall be managed and teams coached in a manner to achieve the following objectives:

1. Promote individual and team desire for excellence while emphasizing that interscholastic sports be kept in perspective and that the first priority for all students is intellectual and emotional growth;
2. Encourage enjoyment of competition, a desire to win, and a healthy, constructive attitude toward winning and losing;
3. Develop the self-confidence and self-respect of each team member;
4. Develop the specialized talents, skills, and physical fitness of each participant;
5. Develop attitudes and skills which foster teamwork, cooperation, loyalty, and spirit; and
6. Develop the highest type of sportsmanship, sense of fair play, and respect for fellow athletes (teammates and opponents), coaches, and officials.

The Board directs the Superintendent to establish administrative procedures to carry out the intent of the above statement and to implement the provisions of this policy.

#### State Regulations

The conduct of interscholastic athletics shall conform to State law, New Jersey administrative code and the rules and regulations of the New Jersey State Interscholastic Athletic Association (NJSIAA) which are approved annually by the Board.

#### Responsibility

The Athletic Director is responsible for the overall supervision of the nine through twelve interscholastic athletics program, including cheerleading. Responsibility for the supervision of the athletic program in each school is that of the Principal. In the high school, the Athletic Director will assist and advise the Principal and will have responsibility for the immediate supervision and administration of the athletic program. The Athletic Director will work closely with the high school Principal.

#### Continuity and Development

The Athletic Director will ensure that coaches at all levels work together to promote a developmental approach and continuity from level to level. The primary consideration in determining such things

as schedule of games, length of practices, and coaching methodology at each level shall be the physical, mental, and emotional maturity and well-being of the students.

### Student Participation and Eligibility

The Board shall make school facilities, supplies, and equipment available and assign staff members for the support of a program of interscholastic athletics for students in grades nine through twelve. The Board shall maintain the program of interscholastic athletics, including cheerleading, and students who wish to participate shall pay an activity fee which shall be determined annually by the Board at its Reorganization Meeting. Students eligible for free or reduced price lunches are exempt from the activity fee. Families experiencing financial hardship should request consideration by informing the coach, the advisor, or the Building Principal. Students may be required to provide supplies in accordance with Board Policy No. 2520 on instructional supplies and students may be required to assume all or part of the costs of travel and attendance at co-curricular events and trips.

Maximum participation of girls and boys in accordance with interest, maturity, and ability to benefit is to be encouraged. A suggested range for participation in each sport is contained in the administrative procedures for this policy. The number of athletes per team is determined by the nature of the sport. Facility use, coaching personnel, budgetary constraints, and transporting students safely are contributing factors to these numbers.

Participation and eligibility will conform to the bylaws of NJSIAA. A student must be in good standing academically and as a school citizen to participate on any interscholastic team.

All students in good disciplinary and academic standing, and who have paid the activity fee (except those students who are exempt), shall have equal access to all co-curricular activities.

A student who is suspended from school is not permitted to participate in any co-curricular activity during the term of suspension. The Principal, Assistant Principal, or activity supervisor may suspend a student from participation in a co-curricular activity as a consequence of unacceptable behavior or recurring disciplinary problems.

Eligibility for participation in interscholastic athletics shall require all high school students to meet, at a minimum, all the eligibility requirements of the Constitution, Bylaws, and Rules and Regulations of the New Jersey State Interscholastic Athletic Association (NJSIAA). Because of the diversity in the nature, intensity of student involvement, and time demands of non-athletic activities, however, it is not possible to establish uniform academic requirements. Further, the Board is aware that participation in activities often serves as an incentive and motivator for at-risk students. It is the intent of the Board that each case involving a student who is failing one or more courses or whose academic work has slipped be considered individually. A school administrator and the guidance counselor, after consultation with the student and parent shall decide whether or not it is in the student's best interest to curtail co-curricular participation. Where allowable and appropriate, the district will afford flexibility in the standards for participation in co-curricular activities.

Home schooled children are not eligible to participate in the high school interscholastic athletic program of this district.

A student in any grade must maintain a satisfactory record of attendance to be eligible for participation in the school district sponsored programs of athletic competition. The Athletic Director will determine if participation should continue.

A student who is absent for a school day may not participate in the school district sponsored programs of athletic competition the afternoon or evening of that school day.

A student who is serving an in-school or out-of-school suspension may not participate in the school district sponsored programs of athletic competition while serving the suspension.

A student in any grade who fails to observe school rules for student conduct may forfeit his/her eligibility for participation in school district sponsored programs of athletic competition.

Notice of the school district's eligibility requirements shall be available to

students. Opportunity and Equity

The athletic program, including but not limited to intramural, extramural, and interscholastic sports, shall be available on an equal basis to all students regardless of race, color, creed, religion, sex, ancestry, national origin, disability, sexual orientation, social or economic status. The athletic program as a whole shall be planned to insure that there are sufficient activities so that the program does not deny the participation of large numbers of students of either sex.

Required Examinations –Interscholastic or Intramural Team or Squad

Students enrolled in grades six to twelve must receive a medical examination, in accordance with the provisions of N.J.S.A. 18A:40-41.7, prior to participation on a school-sponsored interscholastic or intramural team or squad and any cheerleading program or activity.

The examination shall be conducted within 365 days prior to the first day of official practice in an athletic season with examinations being conducted at the "medical home" of the student. The "medical home" is defined as a health care provider and that provider's practice site chosen by the student's parent for the provision of health care, pursuant to N.J.A.C. 6A:16-1.3. If a student does not have a medical home, the school district shall provide the examination at the school physician's office or other comparably equipped facility. The medical examination required prior to participation shall be in accordance with the requirements as outlined in N.J.S.A. 6A:16-2.2(h)1 and Regulation 2431.2 and shall be documented using the Preparticipation Physical Evaluation form required by the Department of Education.

The school district shall distribute the Commissioner of Education developed sudden cardiac arrest pamphlet to a student participating in or desiring to participate in an athletic activity, as defined in N.J.S.A. 18A:40-41.e.,

and the student's parent(s) shall each year and prior to participation by the student in an athletic activity comply with the requirements of N.J.S.A. 18A:40-41.d.

The school district shall annually distribute the Commissioner of Education developed educational fact sheet relative to use and misuse of opioid drugs for sports related injuries to parents of students who participate in athletic activities and comply with the requirements of N.J.S.A. 18A:40-41.10.

Information concerning a student's HIV/AIDS status shall not be required as part of the medical examination or health history pursuant to N.J.S.A. 26:5C-1 et seq. The health findings of this medical examination shall be maintained as part of the student's health record.

The health history update shall include but not be limited to the following information:

1. Hospitalizations/operations;
2. Illnesses;
3. Injuries;
4. Care administered by a physician; and
5. Medications.

The medical examination conducted to determine the fitness of a student to participate in athletic competition and the health history update must include, as a minimum, the respective medical history information and physical assessments set forth in rules of the State Board of Education and incorporated in their entirety in regulations implementing this policy, and the following:

1. A medical history questionnaire, completed by the parent of the student, pupil, to determine if the student:
  - a. Has been medically advised not to participate in any sport, and the reason for such advice;
  - b. Is under a physician's care and the reasons for such care;
  - c. Has experienced loss of consciousness after an injury;
  - d. Has experienced a fracture or dislocation;
  - e. Has undergone any surgery;
  - f. Takes any medication on a regular basis, the names of such medication and the reasons for such medication;

## Eligibility Standards

A student who wishes to participate in a program of athletic competition, including cheerleading, must submit, on a form provided by the district, the signed consent of his/her parent. The consent of the parent of a student who wishes to participate in a program of athletic competition, including cheerleading, must include an acknowledgment of the physical hazards that may be encountered in the sport in accordance with N.J.A.C. 6A:32-9.1 (d) and (e).

## Injuries

Written procedures shall be established to ensure:

1. Adequate emergency care for any student injured in a practice or a game;
2. Proper follow-up care and treatment;
3. Communication with parent;
4. Execution of school accident reports and insurance forms; and
5. Appropriate medical release or approval before a student resumes participation.

## Safety

Safety of athletic equipment and facilities, transportation, and playing conditions shall be given top priority by the Athletic Director, coaches, and Principals. Planning for the safety of participants and spectators at home and away games is also the responsibility of the Athletic Director, coaches, and Principals.

## Scheduling of Games

Before the beginning of each sports season, the Athletic Director shall submit to the Superintendent a schedule of games for the high school teams to be presented to the Board of Education for approval.

Postseason contests and tournament participation must be approved by the Principal and be sanctioned by the NJSIAA. Changes during the season must be approved by the Principal.

## Conduct at Games

The athletic Director, coaches, and Principals shall make every effort to:

1. Encourage attendance of students, parent, and the public;
2. Promote spectator enjoyment and spirit; and
3. Require sportsmanlike conduct of all players and spectators at all games.

Such efforts may include preseason and/or pre-game communication with students and the public as well as adequate supervision at games.

## Appointment and Evaluation of Coaches

All coaches shall be appointed on an annual basis. The high school Principal shall recommend to the Superintendent the appointments of all high school coaching positions after consultation with the Athletic Director. Head coaches shall participate in the selection of assistant coaches.

The Superintendent shall establish a job description and criteria and procedures for the evaluation of coaches. The job description and evaluative criteria should emphasize coaching competence and a caring attitude and concern for every member of the team.

## Volunteer Coaches

Volunteer coaches who are actively involved in coaching or instruction shall hold permanent New Jersey teaching certification or work under the direct supervision of the coaching staff. They must be approved by the Athletic Director, the Principal, and the Board of Education prior to assuming any coaching responsibilities. Volunteer coaches shall receive no remuneration for services. This restriction includes budgeted funds, gifts, and monies from fundraising activities. Volunteer coaches shall serve under the supervision of the professional coaching staff. Any other person assisting a team in any capacity other than coaching must be approved by the Athletic Director.

## Emergency Procedures

Athletic coaches shall be trained in first aid to include sports-related concussion and head injuries, the use of a defibrillator, the identification of student athletes who are injured or disabled in the

course of any athletic program or activity.

The Superintendent or designee shall prepare procedures for responding to non-serious or non-life-threatening injury sustained by a student while participating in sports or other athletic activity. These procedures shall be reviewed annually, updated as necessary, and disseminated to appropriate staff members.

## Interscholastic Standards

The Board shall approve annually a program of interscholastic athletics and shall require that all facilities utilized in that program, whether or not the property of this Board, properly safeguard both players and spectators and are kept free from hazardous conditions.

The Board adopts the Constitution, Bylaws, Rules, and Regulations of the New Jersey State Interscholastic Athletic Association as Board policy and shall review such rules on a regular basis to ascertain they continue to be in conformity with the objectives of this Board.

## Parental Support and Involvement

Parent(s) and the general public are encouraged to attend all interscholastic athletic contests. In addition, parent(s) and the public are encouraged to attend and participate in activities which support athletic teams.

Coaches are expected to inform parent(s) about practice session times, game schedules, training rules, requirements and expectations of team members, and other pertinent information. Parent(s) are asked to give their support to the rules, requirements, and expectations so that their sons and daughters can derive maximum benefit from participation on athletic teams.

Parent(s) should contact the coach if a question or concern arises during the season. If a parent feels that a concern has not been satisfactorily addressed through informal communication with the coach, the parent should talk with the Athletic Director. If the concern is still not resolved, it can be taken to the high school Principal. Additional steps in the appeal process are outlined in Board policy.

## Special Education Students

To participate in interscholastic competition, special education students must meet the same requirements listed above in conformity with IEPs.

## Good Sportsmanship

The Board believes that instilling habits of good sportsmanship should be one of the primary goals of athletic endeavors and that all district employees should model good behaviors in this area.

It is especially important that the Athletic Director and coaches accept the responsibility for

encouraging young athletes to handle themselves in a sportsmanlike way and be models of self-control and dignity for players and spectators. Coaches shall include discussions on courtesy and sportsmanlike behavior as part of pre-game activities. Student fans shall be reminded that their conduct reflects on the schools of this district and that poor sportsmanship will be disciplined.

Parent(s) and other adult spectators shall also be encouraged to act as models for young people by demonstrating self-control and dignity at all athletic events.

Unsportsmanlike behavior as exhibited through verbal abuse, rude gestures, taunts, obscenities, thrown objects, etc., shall not be tolerated in students, staff, or any persons in attendance at district athletic competitions. Discipline may include, but not be limited to, eviction from the competition and prevention from attending further competitions.

The Superintendent or his/her designee shall prepare regulations on good sportsmanship and ensure their dissemination to students, parent(s), and the community.

## Insurance

The Board will cover each participant in interscholastic football with insurance coverage as recommended by the current insurance carrier. All other interscholastic activities shall be covered at the recommendation of the insurance advisor and Superintendent.

Parent(s) or legal guardian(s) shall be strongly encouraged to participate in the supplemental student accident insurance program offered by the Board.

The Superintendent shall annually prepare, approve, and present to the Board for its consideration a program of interscholastic athletics that includes a complete schedule of athletic events and inform the Board of changes in that schedule.

## 2464 GIFTED AND TALENTED STUDENTS

The Board of Education recognizes its responsibility to identify gifted and talented students within the school district and to provide these students with appropriate instructional adaptations and services. To that end, the Board directs each such student in the school district be identified and offered an appropriate educational program and services.

For purpose of this Policy, “gifted and talented students” mean students who possess or demonstrate high levels of ability in one or more content areas when compared to their chronological peers in the district and who require modification of their educational program if they are to achieve in accordance with their capabilities.

For the purpose of this Policy, “instructional adaptation” means an adjustment or modification to instruction enabling a student who is gifted and talented to participate in, benefit from, and demonstrate knowledge and application of the New Jersey Student Learning Standards in one or more content areas at the instructional level of the student, not just the student’s grade level.

The Superintendent of Schools or designee shall ensure that the appropriate instructional adaptations are designed for students who are gifted and talented.

The Superintendent or designee will develop procedures for an ongoing Kindergarten through grade twelve identification process for gifted and talented students that includes multiple measures in order to identify student strengths in intellectual ability, creativity, or a specific academic area. The district shall ensure equal access to a continuum of gifted and talented education services. The identification process shall include consideration of all students, including those who are English language learners and those with Individualized Education Plans or 504 Plans.

The Superintendent or designee will develop and document appropriate curricular and instructional modifications used for gifted and talented students indicating content, process, products, and learning environments, and including, but not limited to, additional education activities such as academic competitions, guest speakers, and lessons with a specialist.

The Superintendent or designee will take into consideration the Gifted Programming Standards , Position Statements, and White Papers of the National Association for Gifted Children in identifying and serving gifted and talented students . The district will provide the time and resources to develop, review, and enhance instructional tools with modifications for helping gifted and talented students acquire and demonstrate mastery of the required knowledge and skills specified by the standards at the instructional level of the student.

The district will actively assist and support professional development for teachers, educational services staff, and school leaders in the area of gifted and talented instruction.

Gifted and Talented Students

The district shall file with the New Jersey Department of Education Coordinator for Gifted and Talented Services a report by October 1, 2020 and thereafter on a schedule that coincides with the school district's New Jersey Quality Single Accountability Continuum (QSAC) review pursuant to N.J.S.A. 18A:7A-11. The report shall include, but not be limited to, the gifted and talented continuum of services, policies, and procedures implemented in the school district; the total number of students receiving gifted and talented services in each grade level Kindergarten through grade twelve disaggregated by race, gender, special education designation, and English language learner designation; the professional development opportunities provided for teachers, educational services staff, and school leaders about gifted and talented students, their needs, and educational development; and the number of staff employed by the school district whose job responsibilities include identification of and providing services to gifted and talented students. Programs for gifted and talented students will be periodically evaluated for their continuing efficacy and adjusted accordingly.

The parent of any student identified as gifted or talented shall be consulted regarding any program designed to address the student's particular needs.

Should a parent/guardian have concerns regarding the district's ability to meet a student's needs, all efforts will be made to resolve the matter through district administration.

An individual who believes the district has not complied with the provisions of N.J.S.A. 18A:35-34 et seq. may file a complaint with the Board of Education. This policy for filing a complaint shall be linked to the homepage of the Board's Internet website. The Board shall issue a decision, in writing, to affirm, reject, or modify the district's action in the matter. The individual may then file a petition of appeal of the Board's written decision to the Commissioner of Education through the Office of Controversies and Disputes in accordance with N.J.S.A. 18A:6-9 and the procedures set forth in State Board of Education regulations.

The district shall make detailed information available on its website regarding the policies and procedures used to identify students as gifted and talented and the continuum of services offered to gifted and talented students. The information shall include the criteria used for consideration for eligibility for the gifted and talented services, including the multiple measures used in the identification process to match a student's needs with services, and any applicable timelines in the identification process.

**5330.05 SEIZURE ACTION PLAN**

The Board of Education requires the development of a seizure action plan, an individualized health care plan, and an individualized emergency health care plan for students with epilepsy or a seizure disorder to care for and treat these students while at school pursuant to N.J.S.A. 18A:40-12.34 et seq.

In accordance with N.J.S.A. 18A:40-12.35, the parent of the student with epilepsy or a seizure disorder seeking epilepsy or seizure disorder care while at school shall submit the student's seizure action plan annually to the school nurse.

The school nurse shall develop an individualized health care plan and an individualized emergency health care plan for the student, provided the parents annually provide to the Board written authorization for the provision of epilepsy or seizure disorder care. The school nurse shall update these plans on an annual basis and as necessary in the event there is a change in the health status of the student. These plans shall include the information outlined in N.J.S.A. 18A:40-12.35.

In accordance with N.J.S.A. 18A:40-12.35, all staff members including staff working with school-sponsored programs outside the regular school day shall be trained in the care of students with epilepsy and seizure disorders. All school bus drivers, contracted and district-employed, shall be provided notice and information if they are transporting a student with epilepsy or a seizure disorder pursuant to N.J.S.A. 18A:40-12.36. The school nurse shall obtain a release from the parent of the student to authorize the sharing of medical information in accordance with N.J.S.A. 18A:40-12.37.

No school employee, including a school nurse, school bus driver, school bus aid, or any other officer or agent of the Board, shall be held liable for any good faith act or omission consistent with the provisions of N.J.S.A. 18A:40-12.34 through N.J.S.A. 18A:40-12.38, nor shall an action before the New Jersey State Board of Nursing lie against a school nurse for any such action taken by a person trained in good faith by the school nurse pursuant to N.J.S.A. 18A:40-12.34 through N.J.S.A. 18A:40-12.38. Good faith shall not include willful misconduct, gross negligence, or recklessness.

## 6440 COOPERATIVE PURCHASING

The Board of Education recognizes that centralized, cooperative purchasing may maximize the value received for each dollar spent. The Board of Education is encouraged to seek savings that may accrue to the school district by means of joint agreements for the purchase of goods or services with the governing body of any municipality or county .

For the purpose of this Policy, “cooperative pricing system” means a purchasing system in which the lead agency advertises for bids, awards a master contract to the vendor providing for its own quantities and the estimated quantities submitted by the individual registered members .

For the purpose of this Policy, “cooperative purchasing system” means a cooperative pricing system, joint purchasing system, commodity resale system, county cooperative contract purchasing system, or regional cooperative pricing system which has been approved and registered subject to N.J.A.C. 5:34-7.1 et seq.

For the purpose of this Policy, “electronic data processing” means the storage, retrieval, combination, or collation of items of information by means of electronic equipment involving the translation of words, numbers, and other symbolic elements into electrical impulses or currents.

For the purpose of this Policy, “joint purchasing system” means a cooperative purchasing system in which the lead agency serves as the purchasing agent for the membership of the system with all of the duties and responsibilities attendant. The lead agency advertises for bids and awards a single contract to a vendor providing for the payment to the contractor for its own needs and for the needs of the participating registered members of the system. The only contractual relationship is between the lead agency and the vendor.

For the purpose of this Policy, “lead agency” means the contracting unit which is responsible for the management of the cooperative purchasing system.

For the purpose of this Policy, “registered members” means Boards of Education who have been approved by the Director of the New Jersey Department of Community Affairs for participation in the cooperative purchasing system.

When the lead agency is a Board of Education or Educational Service Commission and the entire membership of the cooperative purchasing system established and properly registered with the New Jersey Division of Local Government Services in the Department of Community Affairs are Boards of Education, the provision and performance of goods or services shall be conducted pursuant to the Public Schools Contract Law. (N.J.S.A. 18A:18A-11 et seq.)

The School Business Administrator/Board Secretary is hereby authorized to negotiate such joint agreements for goods and services which the Board may determine to be required and which the Board may otherwise lawfully purchase for itself with such approved contracting units as may be appropriate in accordance with State law, the policies of this Board, and the dictates of sound purchasing procedures.

Each participant's share of expenditures for purchases under any such agreement shall be appropriated and paid in the manner set forth in the agreement and in the same manner as for other expenses of the participant.

In accordance with the provisions of N.J.S.A. 18A:18A-14.2, the Board may by contract or lease provide electronic data processing services for the Board of Education of another school district; and may undertake with such other Board, the joint operation of electronic data processing of their official records and other information relative to their official activities, services and responsibilities. The records and other information originating with any Board participating in such contract or lease may be combined, compiled, and conjoined with the records and other information of any and all participating local units for the purposes of such electronic data processing; and any provisions of law requiring such records to be kept confidential or to be retained by any Board or any officer or agency thereof shall be deemed to be isolated thereby.

A contract or lease to provide electronic data processing services shall set forth the charge for all services provided, or in the case of a joint undertaking the proportion of the cost each party thereto shall assume and specify all the details of the management of the joint undertaking, and any other matters that may be deemed necessary for insertion therein, and may be amended from time to time by the contracting parties in accordance with N.J.S.A. 18A:18A-14.3.

For the purpose of carrying into execution a contract or lease for a joint enterprise under N.J.S.A. 18A:18A-14.4, any party to such contract may act as agent for any or all parties in acquiring, by lease, purchase or otherwise, any property, facilities or services, in appointing such officers and employees as may be necessary and directing its activities, to the same extent as a Board of Education is authorized to do separately.

In the event that any controversy or dispute shall arise among the parties (except a municipality or county) to any such contract , the same shall be referred to the Executive County Superintendent of the county in which the districts are situated for determination and the determination shall be binding, subject to appeal to the Commissioner of Education pursuant to law. In the event the districts are in more than one county, the controversy or dispute shall be referred to the Executive County Superintendents of the counties for joint determination, and if they shall be unable to agree upon a joint determination within thirty days, the controversy or dispute shall be referred to the Commissioner of Education for determination.

## 6470.01 ELECTRONIC FUNDS TRANSFER AND CLAIMANT CERTIFICATION

The Board of Education permits the School Business Administrator/Board Secretary to use standard electronic funds transfer (EFT) technologies for EFTs for payment of claims pursuant to N.J.A.C. 5:30-9A.1 et seq. and 5:31-4.1, implementing N.J.S.A. 40A:5-16.5.

“Electronic funds transfer” for the purpose of Policy and Regulation 6470.01 means any approved method of transferring moneys permitted by N.J.A.C. 5:30-9A.1 et seq. that does not involve the physical presentation of a paper check, draft, or similar paper instrument including, but not limited to, wire transfers, e-checks, automated clearing house (ACH) transfers, and transactions initiated by phone or fax.

In accordance with N.J.S.A. 40A:5-16.5.b.(1), the Board of Education authorizes the use of only the forms of standard EFT technologies that are approved to be used by a Board of Education for EFTs for payment of claims. A Board of Education may not utilize procurement cards, charge cards, charge accounts, or any payment services such as PayPal or Venmo.

In accordance with N.J.S.A. 40A:5-16.5.b.(2), the Board designates the School Business Administrator/Board Secretary as being responsible for the oversight and administration of the provisions of N.J.S.A. 40A:5-16.5, N.J.A.C. 5:30-9A.1 et seq.; N.J.A.C. 5:31-4.1, and Policy and Regulation 6470.01.

The Board of Education will only initiate and approve electronic funds in accordance with N.J.A.C. 5:30-9A.1 et seq. Standard EFT technologies shall incorporate, at a minimum, the features and safeguards outlined in N.J.A.C. 5:30-9A.4(a). The Board will only utilize standard EFT technologies upon instituting, at a minimum, the fiscal and operational controls outlined in N.J.A.C. 5:30-9A.4(b).

The School Business Administrator/Board Secretary shall initiate a claim for payment by presenting a claim that has been approved by the Board, to be paid using an EFT technology.

The School Business Administrator/Board Secretary shall submit the claim for payment with all supporting documentation to the Superintendent of Schools or a designee who is not under the direct supervision of the School Business Administrator/Board Secretary, who shall review the claim for payment and authorize, in writing, the EFT claim using an EFT method.

The Board of Education shall annually approve the School Business Administrator/Board Secretary as the person authorized to initiate a claim for payment and the Superintendent of Schools or a designee not under the direct supervision of the School Business Administrator/Board

Secretary as the person responsible to review a claim for payment presented by the School Business Administrator/Board Secretary and authorize payment using an approved EFT method.

On no less than a weekly basis, activity reports on all transactions utilizing standard EFT technologies shall be reviewed by an individual designated and approved by the Board that is not under the direct supervision of the School Business Administrator/Board Secretary and is not empowered to initiate or authorize EFTs.

Claimant certification for a Board of Education shall be in accordance with the provisions of N.J.S.A. 18A:19-3 and rules promulgated by the New Jersey Department of Education.

Providers of ACH and wire transfer services must be financial institutions chartered by a State or Federal agency, with the further requirement that these financial institutions providing ACH and wire transfer services be covered under the Governmental Unit Deposit Protection Act (GUDPA), N.J.S.A. 17:9-41 et seq.

EFTs through ACH must utilize Electronic Data Interchange (EDI) technology, which provide transaction related details including invoice numbers, pay dates, and other identifying information as appropriate for each transaction. The Board must approve an ACH Origination Agreement with the financial institution(s).

## 7440 SCHOOL DISTRICT SECURITY

The Board of Education believes the buildings and facilities of the school district represent a substantial community investment. The Board directs the development and implementation of a plan for school district security to protect the school community's investment in the school buildings and facilities. The Board will comply with the security measures required in N.J.S.A. 18A:7G-5.2 for new school construction and for existing school buildings.

The school district security program will include: maintenance of facilities that are secure against unwelcome intrusion; protection against fire hazards and faulty equipment; and compliance with safe practices in the use of electrical, plumbing, heating, and other school building equipment.

The Board shall provide to local law enforcement authorities a copy of the current blueprints and maps for all schools and school grounds within the school district or nonpublic school. In the case of a school building located in a municipality in which there is no municipal police department, a copy of the blueprints and maps shall be provided to an entity designated by the Superintendent of the New Jersey State Police. The Board shall provide revised copies to the applicable law enforcement authorities or designated entities any time that there is a change to the blueprints or maps.

The Board directs close cooperation of district officials with law enforcement, fire officials, and other emergency agencies.

Each public elementary and secondary school building shall be equipped with at least one panic alarm for use in a school security emergency pursuant to N.J.S.A. 18A:41-10 through 13.

The Superintendent of Schools shall designate a school administrator, or a school employee with expertise in school safety and security, as a School Safety Specialist for the district in accordance with the provisions of N.J.S.A. 18A:17-43.3. The School Safety Specialist shall be required to acquire a New Jersey Department of Education School Safety Specialist certification in

accordance with the provisions of N.J.S.A. 18A:17-43.2. The School Safety Specialist shall also serve as the school district's liaison with local law enforcement and national, State, and community agencies and organizations in matters of school safety and security.

Access to school buildings and grounds outside the hours school is in session shall be limited to personnel whose employment requires their presence in the facility. An adequate key control system will be established to limit building access to authorized personnel and guard against the potential of intrusion by unauthorized persons who have obtained access improperly.

In accordance with N.J.S.A. 18A:7G-5.2.b.(15), propping open doors to buildings on school grounds is strictly prohibited and students and staff shall not open a door for any individual. All persons seeking entry into the main building shall be directed to the main entrance.

Building records and funds shall be kept in a safe place and secured as appropriate and necessary.

Protective devices designed to be used as safeguards against illegal entry and vandalism may be installed when appropriate. The Board may approve the employment of school resource officers, school security officers, and/or law enforcement officers in situations in which special risks are involved.

The school district shall annually conduct a school safety audit for each school building in accordance with the provisions of N.J.S.A. 18A:41-14.

## 7450 PROPERTY INVENTORY

The Board of Education recognizes that efficient management and the replacement of lost, damaged, or stolen property depends upon an accurate inventory and properly maintained records.

The district shall maintain a complete inventory by physical count of all district-owned equipment .

For the purpose of this Policy, “equipment” shall mean any instrument, machine, apparatus, or set of articles which meets all of the following criteria and the cost is above \$2,000:

1. It retains its original shape, appearance, and character with use;
2. It does not lose its identity through fabrication or incorporation into a different more complex unit or substance;
3. It is nonexpendable; that is, if the item is damaged or some of its parts are lost or worn out, it is more feasible to repair the item than to replace it with an entirely new unit; and
4. Under normal conditions of use, including reasonable care and maintenance, it can be expected to serve its principal purpose for at least one year.

Unless otherwise bound by Federal, State, or local law, the school district will use the criteria above for their equipment classification decisions.

The School Business Administrator/Board Secretary or designee shall ensure that inventories are systematically and accurately recorded and that property records of equipment are adjusted annually. Major items of equipment shall be subject to annual spot check inventory. A major loss shall be reported to the Board.

Property records of supplies shall be maintained on a continuous inventory basis. An item should be classified as a “supply” if it does not meet all the stated equipment criteria outlined above and the cost is not more than the capitalization threshold of \$2,000.

The School Business Administrator/Board Secretary or designee shall maintain a system of property records that show, as appropriate to the item recorded, description and identification, manufacturer, year of purchase, initial cost, location, condition and depreciation, and current evaluation in conformity with insurance requirements.

Use of School Facilities

## 7510 USE OF SCHOOL FACILITIES

The district facilities belong to the community, which paid for them for the primary purpose of offering a full educational program for its children. Prudent use and management of school facilities outside of the regular operating schedules - providing that such use does not interfere with the orderly conduct of a thorough and efficient system of education - allows the community to benefit more broadly from the use of its own property. For the purpose of this policy, "school facilities" also includes school grounds.

The Ridgewood Board of Education will permit the use of school facilities when such permission has been requested in writing and has been approved by the Business Administrator for:

1. Uses and groups directly related to the school and the operations of the school;
2. Uses and organizations indirectly related to the school;
3. Departments or agencies of the municipal government;
4. Other governmental agencies; and
5. Community organizations formed for charitable, civic, or educational purposes.

The use of school facilities shall not be granted for partisan political purposes or any purpose which is prohibited by law. Use for partisan political purposes means use which is exclusive, by invitation or actual participation, in a meeting or other gathering primarily to members of a political party, or primarily to members or adherents of a group which advocates an ideology to address social or political concerns. Nothing contained in this definition shall be interpreted to restrict the use of a facility by a public official in the execution of the duties and responsibilities of that person's office, or any activities incident to such execution. Also, nothing contained in this definition shall be interpreted to restrict the use of a facility for any curriculum purpose deemed appropriate for instruction of the Ridgewood schools pupils.

In the event the Superintendent deems it advisable, any application may be submitted to the Board for action.

The Superintendent, School Business Administrator/Board Secretary, or the Board may refuse to grant the use of a school building whenever, in their judgment, there is good reason why permission should be refused. They shall not be required to give a reason for such refusal.

No one may bring alcoholic beverages onto any school property. All facility use shall comply with State and local fire, health, safety, and police regulations.

Use of School Facilities

The buildings shall not be available for community use during holidays, vacation periods, or during the time school is not in session over the summer when the programs interfere with cleaning and maintenance schedules unless approved by the School Business Administrator/Board Secretary.

Use of school equipment in conjunction with the use of school facilities must be specifically requested in writing and may be granted by the procedure by which permission to use facilities is granted. The user of school equipment must accept liability for any damage to or loss of such equipment that occurs while it is in use. Where rules so specify, no item of equipment may be used except by a qualified operator. No district equipment shall be removed from the premises for use by non-district personnel.

The Board shall require that all users of school facilities comply with policies of this Board and rules and regulations of this district. Each user shall present evidence of the purchase of organizational liability insurance to the limit prescribed by such rules. The users of school equipment must accept liability for any damage or loss to such equipment that occurs while it is in their use, regardless of any assignment of negligence.

Authorization for use of school facilities shall not be considered as endorsement of or approval of the activity, person, group, or organization nor the purposes they represent.

The Board shall provide to all persons who supervise youth programs that are not sponsored by the school district, but operate a program in a district building before or after school hours, on the weekend, or during a period when school is not in session, information on the district's school practices and procedures in the event of a school safety or security incident at a school including non-confidential information on evacuation procedures, emergency response protocols, and emergency contact information in accordance with the provisions of N.J.S.A. 18A:41-7.

Recreation sports organizations that use the facilities must provide a Statement of Compliance with the Ridgewood Board of Education's policy(ies) for management of concussions and other head injuries, including Policy No. 2431.4, and shall represent all of its coaches (head and assistant coaches) have received a copy of such policy(ies) and have successfully completed a course in concussion awareness, such as the Centers for Disease Control and Prevention's "Heads-Up: Concussion in Youth Sports" or the National Federation of State High School Association's "Concussion in Sports: What You Need to Know." The organizations shall provide copies of the coaches' certificates of completion of the appropriate concussion awareness course(s) upon request.

Emergency and Crisis Situations

**M**

## 8420 EMERGENCY AND CRISIS SITUATIONS

The Board of Education recognizes its responsibility to provide for the safety and security in each school building in the district. The district will develop and implement written plans and procedures to provide for the protection of health, safety, security, and welfare of the school population; the prevention of, intervention in, response to and recovery from emergency and crisis situations; the establishment and maintenance of a climate of civility; and supportive services for staff, students, and their families.

The Superintendent of Schools or designee shall consult with law enforcement agencies, health and social services provider agencies, emergency management planners, and school and community resources, as appropriate, in the development of the school district's plans, procedures, and mechanisms for school safety and security. The plans, procedures, and mechanisms shall be consistent with the provisions of N.J.A.C. 6A:16-5.1 and the format and content established by the Domestic Security Preparedness Task Force, pursuant to N.J.S.A. App. A:9-64 et seq., and the Commissioner of Education and shall be reviewed annually, and updated as appropriate.

A copy of the school district's school safety and security plan shall be disseminated to all school district employees. New employees shall receive a copy of the school district's safety and security plan, as appropriate, within sixty days of the effective date of their employment. All employees shall be briefed in writing, as appropriate, regarding updates and changes to the school safety and security plan.

The school district shall develop and provide an in-service training program for all school district employees to enable them to recognize and appropriately respond to safety and security concerns, including emergencies and crisis, consistent with the school district's plans, procedures, and mechanisms for school safety and security and the provisions of N.J.A.C. 6A:16-5.1. New employees shall receive this in-service training, as appropriate, within sixty days of the effective date of their employment. This in-service training program shall be reviewed annually and updated, as appropriate.

The Board shall ensure individuals employed in the district in a substitute capacity are provided with information and training on the district's practices and procedures on school safety and security including instruction on school security drills, evacuation procedures, and emergency response protocols in the district and the school building where the individuals are employed in accordance with the provisions of N.J.S.A. 18A:41-7.

In accordance with N.J.S.A. 18A:41-1, at least one fire drill and one school security drill will be conducted each month within school hours, including any summer months, which the school is open for instructional programs. A school security drill means an exercise, other than a fire drill, to practice procedures that respond to an emergency situation including, but not limited to, a non-fire evacuation, lockdown, bomb threat, or active shooter situation that is similar in duration to a fire drill. Schools are required to hold a minimum of two active shooter, non-fire evacuation, bomb threat, and lockdown security drills annually. Fire alarm systems shall be initiated only during a fire drill evacuation. Responses made necessary by the unplanned activation of emergency procedures or by any other emergency shall not be substituted for a required school security drill.

Emergency and Crisis Situations

**M**

The Principal or designee will provide local law enforcement or other emergency responders, as appropriate, with a friendly notification at least forty-eight hours prior to holding a school security drill. Although these outside agencies are not required to observe school security drills, the Principal is encouraged to invite representatives from local law enforcement and emergency responder agencies to attend and observe at least four different security drills annually.

Such drills and in-service training programs shall be conducted in accordance with a building security drill guide and training materials that educate school employees on proper evacuation and lockdown procedures in a variety of emergency situations on school grounds as provided by the New Jersey Office of Homeland Security and Preparedness.

The school district will be required to annually submit a security drill statement of assurance to the New Jersey Department of Education by June 30 of each school year. Each school in the district will be required to complete a security drill record form as required by the New Jersey Department of Education.

Due to health concerns related to the COVID-19 meeting the public cannot attend the meeting and public comments can be called in or submitted through the website.

**IV. PRESENTATIONS**

**A. Student Representative Report**

- Rylee Chen, Hawes Elementary School

**B. Student Representative Report**

- Zoe Kovac, Ridgewood High School

Academics

- The 33rd but 1st virtual Super Science Saturday will be held on Saturday March 6. The participants will enjoy viewing the Zoo Livestream, Earth's satellites, and learning how to code. This fun-packed day will be informative and fun, and will truly bring the community together and put smiles on a lot of faces.
- An SAT will be administered at RHS this coming Saturday (13th) with all safety precautions to be followed.
- The freshman, sophomore, and junior classes have officially submitted their course selections for next school year to their respective guidance counselor
- Many RHS students from all grade levels have voiced their opinion on the possibility of later start times with some stating that "the students are overloaded with work causing them to go to bed at a much later time which negatively impacts their mental state in the mornings" another stating that "I really like this idea and feel it can be very beneficial to both the students and the teachers" and another stating that "I finally feel heard by the Ridgewood Board of Education."

Arts

- To finish Black History Month with a bang, a ceramics class studied the history of African American pottery and later tried making the intricate jugs for themselves. Students in the class stated that they enjoyed incorporating relevant themes into their own curriculum.
- A big congratulations to the several student artists who received the Montclair Art Museum 2021 Scholastic Art & Writing Award, an honorable achievement for any young artist.

Athletics

- Some of the RHS Girls Varsity Lacrosse players recently held a lacrosse clinic for lacrosse players in grades 1-8 to practice various skills and techniques.

- The second wave of spring athletics is set to begin April 1st which will cause an overlap between the sports that started on March 1st, something that has never occurred before.

#### Activities

- The RHS community outreach club has been busy selling stickers where the proceeds will go to both hurricane and wildfire survivors.

## **V. COMMENTS FROM THE PUBLIC**

The following visitors addressed the board:

Kerry Miller, President of the ITDC parent teacher organization, spoke about the ITDC RFP, pleased that the proposal from ITDC will be heard. Privatizing will take away health benefits from the teachers. Read a statement for the public record: The program has not cost any funding from Ridgewood taxpayers prior to the pandemic. It has not cost Ridgewood taxes hundreds of thousands of dollars. Its only material funding from the general fund has been to date due to covid in 2020. It is self-sustaining which is what it was set up to be. Last March, covid required the school district to shut down and it was required by law to pay staff. Now it is being put out to bid due to circumstances outside of everyone's control.

Kristi Reilly, 21 Austin Place Glenrock, thanked administrators and board for meeting with ITDC, and spoke in favor of stopping the RFP. Expressed thoughts on private providers and wages, healthcare they provide to employees. Discussed salary in US and UK and amounts required for childcare at a daycare. Privatizing will hurt working parents, teachers and the community.

Allison Harris, spoke in favor of reopening to daily in-person instruction. Requested option for full day in person learning for all grade levels.

Rebecca Katzman, 70 Brooks Rd., spoke in favor of reopening schools to in-person school, reviewed palm beach florida school reopening models.

Kara Murry, 703 Belmont Rd., spoke in favor of reopening of schools full time for all students, both mainstream and those who have IEPs.

The following callers addressed the board:

Meredith Koontz, 919 East Glen Ave, spoke in favor of stopping the RFP for the ITDC. Asking that ITDC does not become privatized.

Dan Gioia, 447 Fairway Rd., called on behalf of the Alpine Race Ski team, setting the record straight that they are a varsity team that competes against other schools and not a club. Requested funding for the team.

Ms. Torre, no address provided, spoke in favor of ITDC and urged the BOE to stop the RFP because it is damaging the program.

Megan Boedges, 272 Mulberry Place, spoke in favor of increasing in-person learning in the

schools. Reviewed Massachusetts reopening guidelines and discussed other NJ district reopening plans.

Susan Madison, 428 Linwood Ave., Spoke in favor of increasing in-person learning. Referenced states who have increased their in-person learning during the last two weeks.

Gassia Fox, 325 Crest Road, Spoke in favor of increasing in-person learning for grades 3-5 in addition to the k-1 grade levels.

Jenny Amorosa, 71 Glenwood Road, spoke in favor of increasing in-person learning on a daily basis.

Deirdre Byrne, 360 Westfield Avenue, Is B.O.E. tracking students leaving district schools for parochial? Parents need to make informed decisions about the 21-22 school year. With parochial in full day, it makes more sense for families to choose parochial over the unknown in Ridgewood public schools if their children need in-person instruction. Please report out students who have left this year, if higher than the last regular year (2018-2019), and the B.O.E's commitment to having all students in school in 2021-22. Students who are forced to quarantine due to exposure are receiving sub-par education and support from schools. My K and 2nd grader were given a stack of paper handouts and got a half hour (30 mins) of live instruction a day, not counting "specials". This is woefully inadequate. My second-grader, who should be receiving BSI support, has gotten none. When requesting access to the remote classroom for the quarantine period (14 days), the family was denied, unless permanently chosen. The remote classroom should have been programmed to account for at least 1-2 quarantined children per week OR classrooms should be live-streamed. How will B.O.E. improve this situation NOW and in the next school year? There is no way students are meeting current standards (K and 2nd grader). How will B.O.E. address students advancing to grades that they are not prepared for due to this year of instruction?

Gabrielle Sullivan, 150 California Street, Firstly, congratulations Dr. Gorman on your new appointment. I am certain it is well deserved. Secondly, I would like to thank the Ridgewood B.O.E. for your service, as I know it is a tireless task. I have been relatively silent as it pertains to the opening of our schools, as I truly felt the B.O.E. was steadfastly working to ensure a safe and productive opening plan. In September, my husband and I sang the praises of our town for having the children attend school on a hybrid schedule. However, it is now March and I am beyond concerned with the lack of action taken to offer daily in-person instruction. It is especially worrying that this topic, which should be at the forefront of every meeting and discussion held by the B.O.E., is not even on tonight's agenda. As a parent of a 1st and 3rd grader, I can not express enough how unbelievably important I believe it is for our children to be in school every day. I respectfully ask you to provide the families of Ridgewood a solid, forward-thinking plan to reopen our schools THIS YEAR. We are frequently told there are constraints to opening the schools for everyday learning. Please advise WHY we can not address these constraints individually by looking to the many other districts who have been successful in their efforts for guidance. What is the TIMELINE the B.O.E. has in place for each grade and school? How is the B.O.E. assisting our incredible educators to secure vaccine appointments? While I appreciate that the administration continually tells us they are

working tirelessly to achieve these goals, the parents and children of this town deserve transparency along with solid answers to these questions.

I have been witness to countless plans implemented by other districts that have allowed their students to safely be in the classroom full time, or their plans to achieve this soon. This includes schools of comparable (or larger) size as Ridgewood. Friends and family in Westchester, Connecticut, Pennsylvania, other parts of New Jersey, and even some neighboring towns, have figured this out. NYC, our former home and one of the largest school districts in the country has found a way. I believe Ridgewood is an outlier and not the norm. I'm extremely disappointed in this-- and would like to know WHY this is the case. Lastly, WHY are families not invited to be a part of the reopening process?

The science shows that the risks of keeping our children from attending school in-person, full-time greatly outweigh the risk of COVID-19 transmission in schools to students and teachers. The science also indicates in-person learning is needed for the psychological and physical well-being of our children. The negative effects on students of virtual/hybrid schooling seem to be universal in our town. I see it in my own home. My children dread virtual school days, are unmotivated, and are not forming good study habits. Even with time and money spent on outside tutoring, they are struggling academically and emotionally. Our children deserve better and I am not satisfied with the scientifically invalid justifications for keeping our schools hybrid. There is no time to lose and the future of our children is in your hands.

Lindsay Scarangelo, 353 Linwood Avenue, Please add the in-person extension to grades beyond K-1 to the agenda for the next B.O.E. meeting. CDC and NJ guidelines continue to progress and with teachers on the priority vaccine list, looking to understand how this modifies the board position.

Katie Bielicky, 687 Wyndemere Avenue, My name is Katie Bielicky and I am a Ridgewood resident, Ridgewood Public School Teacher and a parent of two children enrolled at Infant Toddler Development Center.

I love Ridgewood and am proud that my children will attend the same amazing schools that I did.

The past year has been incredibly stressful, both as a teacher and a parent. But, the worst stress of all has come from listening to the disparaging and mischaracterizing remarks made by citizens and board members about the daycare that we've lovingly sent our children to since they were infants. It continues to negatively impact my life. I am not compensated enough to pay for both daycare and extras for our children. The teacher discount I am given at ITDC is better than the private daycares we looked at initially in our search. This discount allows our family to pay for things like swimming and soccer. The real-life implications of changing the ITDC to a private company would have lasting, negative effects on my children. The staff at ITDC are caring, professional and patient. Teachers know what to look for in other educators. The ITDC would not be the same place without the leadership of Lisa, Lynda, and the team of teachers who work there. Longevity and consistency are what makes the center so special. If you choose to privatize then you will lose all of those educators because health benefits won't likely be offered. I will not continue to send my daughter and will be forced to look at other daycare centers in the midst of a global pandemic. Please stop your RFP for the privatization of the ITDC. It will have negative implications for many families, including my own. If you truly represent the teachers, citizens, and parents of this district then you need to hear us too, not just the vocal minority.

Kristen Schultz, 123 Heights Road, Given the fact that numerous classes at the high school have minimal amounts of children in attendance, would it be possible to allow those who actually show-up to go every day? There are days when my child's class has 2-3 students. Wouldn't it make sense to send out an updated hybrid/virtual survey to all parents?? With concrete data, perhaps sending those who want to be there every day will be more feasible than you think. ESPECIALLY on the high school level, where kids are flip-flopping from hybrid/virtual on a daily basis. Parents need to make a COMMITMENT. Enough with the wishy-washy. Please please please find alternate spaces within the elementary schools so that these young children can go to school each day. Time to be creative-gyms, cafeterias, libraries, outdoor spaces, music/art rooms. These kids are struggling. The 'report cards' that have been used to validate their "fine" performance thus far this year are a joke. Report cards do nothing to measure a child's social and emotional well-being. These kids are lonely, bored, and relying on too much screen time for socialization and comfort. They need the normalcy and health of daily in-person school

Christine Clay, 47 Heights Road, I am surprised and concerned that B.O.E. has not begun working on a phase 2 plan for getting students back to school all day and without a hybrid model. This should be the number one priority of the B.O.E., not a later start-up or the Glen School preschool, etc but how to get our students back to school full time for the 2020-2021 school year. I won't repeat all of the evidence I know has been cited by other residents that 1. being home is detrimental to our student's mental health and 2. that the science shows COVID is not being spread in schools. Plenty of other districts have gone back to school without 6ft of social distancing. 6ft is a guideline not a legal requirement. Many districts are doing 3ft. Have you polled the residents to see if they would want to try 3ft with masks and plexiglass partitions? It seems the B.O.E. has not been proactive in handling this situation at all. Was the plan just to wait until the CDC said it was safe to go back? This is a local, not a national decision. Our children need leadership from our B.O.E.

Nothing is without risk. We don't not go to school during flu season and we don't not drive our cars because there are car accidents. Our Bergen County number of cases are 10-25 per 100,000, this is 0.025%. This means that with teachers getting vaccinated and students wearing masks and some other precautions, the time has come to make a plan to get all the students in the building full time.

Caroline Harris, 58 Phelps Road, I am an 8th Grade student at GW. I am writing to express my voice for the return of ALL students back to daily full-time in person instruction. I don't like going to school anymore because nobody is there. My parents made me go until December but it was lonely. When my mom picked me up, I would beg her to not make me go in-person anymore. After a lot of discussion, my parents let me go virtual because they knew how much I hated going in and seeing no one there. After all of the challenges we faced last year, my parents decided my overall well-being was important. I would love the chance to spend the last few months full day in-person with my 8th grade class. Many of us have been together since Kindergarten and it would mean a lot to be able to spend time before some go their own separate ways. Please give us a plan or a date of when we can expect to come back. Thank you!

Elizabeth Frers, 618 Morningside Road, Hello RW Board members, I would like to know when the current hybrid model will be re-assessed especially now that 1) teachers can be

vaccinated, and many parents have volunteered to help teachers secure appointments, 2) the CDC has stated that heavy COVID spread is not traced back to schools and 3) our district is already in possession of PPE and plexiglass, which allows for desks to be 3ft vs. 6ft apart. Thank you

Daria Linnington, 307 Highland Avenue, Why is the High School not allowing current hybrid students to come in 5 mornings a week since only 15% of total students are in school on any given day?

Deirdre Scali, 599 Heights Road, Congratulations to Dr Gorman. My family and I are excited to have some new perspective in the position and are happy that you were given the opportunity to continue to help Ridgewood School District onward and upward. Thank you to all within the district ~ Admin, all teachers and staff and B.O.E. that have helped the children and families during this pandemic. Last year was a nationwide, worldwide medical crisis. We as a community, came together during this emergency. We as families pitched in, we taught, we helped, we were active participants in the Ridgewood School District. It worked. We saved lives. We had some schooling, we survived. I think more than ever that needs to be the case once again. We now need to move to thriving and not just surviving! Covid will be a part of life, dare I say it, forever. We need to adjust and get back to school.

Why aren't families part of the dialogue of getting ALL students back to school everyday? We see and hear it everywhere "We are all in this together" BUT not in our district. Many districts across the county, state and country have had positive collaborations with families and schools, but not here. We are made to feel that our voices are not being heard. My family specifically has suffered tremendously. There has not been one week, not one, this entire year where severe sadness, sobbing crying and depression have not been displayed by each of my children and or myself. I have had countless phone calls, Zoom meetings, emails with my children's principals, teachers and counselors, that often brought me to hysterical crying. Mental health is dire right now! I take personal offense to the comments that were made aloud during the 2/23 Elementary School presentation that stated "K-1 students are suffering the most, they are desperate for less screen time, they stand to lose the most academically." Most children in our entire district are suffering, are desperate for less screen and are in fact having learning loss, NOT JUST K-1 children.

~If the primary focus from all within the district as was said repeatedly by the B.O.E. and admins throughout this year, is to get all children back to school everyday, why isn't there anything, anything about that on tonight's agenda? If we as a community are to believe those sentiments, shouldn't we see and hear the steps being taken to move in that direction, week after week? Shouldn't there be at least one bullet point each B.O.E. meeting about this until every student that wants to be back in school, every day can?

~Has the district or union made attempts to secure time for all members to be vaccinated like other districts have done for their members?

Again, I thank you to all as my family and I understand how difficult all of this is on many levels, but with grit, hard work, thinking outside the box, creativity and making this the number one bullet point on every agenda, it can work. "Where there is a will, there is away!" Show the families by your actions and not your words, that this in fact is the primary goal and focus of the district!

Gabrielle Winnert, 719 Parsons Road, Thank you for getting our kindergarten through first grade students back in the classroom five days a week. Please consider doing the same for

all elementary school students. It is this age group of students who are struggling the most to keep up with virtual classrooms. It is extremely difficult for them to have the focus or attention span to learn off a computer 4+ hours a day. If we can make it happen for kindergarten and first, we should be able to make it happen for the balance of the elementary school children.

Linda McNamara, 575 Knickerbocker Road, Dr. Gorman, Members of the Board of Education and school administrators, In the spring of 2019, the NJAAP ( Task Force on Adolescence Sleep & School Start Times) was formed to raise awareness and educate the community at large about the impact of better/more sleep on the physical and mental health and well being of students.. The AAP, CDC and the AMA along with other organizations have issued policy statements that the secondary school day should begin at 8:30 AM or later. Studies show that adolescents experience a circadian rhythm (sleep phase) that inhibits them from falling asleep before 11PM and are in sleep mode until approximately 8 AM. Schools around the country that have instituted later start times to better serve the students have seen positive educational outcomes and improved mental health concerns. We are coming out of a very difficult time due to the effects of the Pandemic which have impacted our schools in many ways. We are all aware of the stress this has caused individuals of all ages but especially in our adolescence community. It appears that this might be the right time to implement later starting times at our middle schools and high school. We know it can be done because other districts have accomplished the shift and after all that our administration has dealt successfully with over the last year, this would be a far less difficult task and such a positive response to the needs of our student body. I do understand all that is on your plate including the budget but if it is on the agenda in the way of presentations, more information and a possible timeline to bring it to a vote at the Board level, I believe that would be a satisfactory response to those advocating for later start times. Thank you for allowing me to voice my opinion.

Suzanne Laffey, 422 Upper Boulevard, I think you all for your efforts. I think the best way to understand risk is with numbers and facts, which speak for themselves. According to the Ridgewood Pandemic Team PPT report dated February 8, 2021, there have been zero (0) COVID-19 transmissions in the schools. These statistics should put teachers and parents minds at ease and the focus should now turn to the next phase of increasing in-person learning. We cannot make our children wait until the next school year, we should be striving to get them back in the classroom like our neighboring towns. According to the Ridgewood Pandemic Team PPT report dated February 8, 2021, there have been a total of 151 COVID cases since Sept 1, that is 2.5% of the student/teacher body (based on a student/staff population of 6,000). So, on any given day within our schools, the % of active COVID-19 cases is considerably lower. These statistics should put parents and teachers minds at ease and we should now focus on offering parents who opt for full day to send their children to school. At the January GWHSA meeting, Dr. K stated that 45-50% of GW students are virtual. At the very least, students who are attending in person should be offered the option to attend school every day! On the Feb 23 Elementary school meeting, the statistics that the administration shared attempting to prove that students have not digressed should be analyzed further by including the time parents have dedicated to reteaching concepts to our children and the additional investment that parents have spent on tutors, learning centers and babysitters compared to the same time period last year. Our children are behind and those statistics are not accurate. We need to acknowledge that the virtual school model is not working without these additional measures. Our children will suffer from this past year in

ways we have not even begun to understand, so we need to make a change now!

Robert Gessmann, 550 Morningside Road, There's going to be a certain level of risk to teachers and students for many months, if not years, when in-person school resumes. We can't wait to reopen schools until there is zero risk of exposure to Covid 19 for everyone. That day may never come. People are going to supermarkets, restaurants, the dentist's office, church, malls, big box stores, flying in planes, staying in hotels, and many other crowded places. If recommended precautions are taken and PPE is used properly, the risk is minimal in schools for teachers and students. If someone is in an age or health risk group, they should take a leave of absence. The risk is far more ominous for the minds and bodies of our children with continued virtual/hybrid schooling. The science clearly shows that irreparable damage to these kids is occurring with each passing day. You don't need research papers or psychologists to tell you what is happening, just look at them. They're obviously depressed, spending unhealthy amounts of time in their beds and bedrooms, unhealthy amounts of time in front of the TV or smartphones, unhealthy amounts of time in front of a computer staring at a teacher from some remote location. They're rotting from the inside out. My wife is a nurse working regularly in Covid 19 wards with dozens of patients for almost a year now. She worries every day that she may become infected, but she uses and trusts her PPE. No teacher or student is going to be exposed at that level on a daily basis. The CDC has recognized that fact and has issued guidance for reopening schools. There will be some Covid 19 in the schools, there will be some classes or even entire schools closed periodically, but this is the new normal, and it will occur whether we open now, or six months from now. The schools should continue to offer a virtual option synchronously for parents that are uncomfortable with in-person education. One of the convenient justifications for postponing normalcy is lunch hour. There is no lunch hour with minimal day school, and if full day is offered students can eat in the classroom they are in before lunch period. Enough excuses. Let's get our kids back in school.

NYC just announced they are ready to open their high schools . If they can do it surely Ridgewood is capable. Please let us know what the plan is to open our schools outside of the elementary schools . What is the plan?

Lis Rose, 494 Fairfield Avenue, NYC just announced they are ready to open their high schools . If they can do it surely Ridgewood is capable. Please let us know what the plan is to open our schools outside of the elementary schools . What is the plan?

Vanessa Fuchs, 472 Beverly Road, I received A blanket letter email response to my email about schools opening. It mentions specific challenges that Ridgewood faces as opposed to our neighboring towns that have opened. I would like to know what the specific challenges to our town are. Thank you.

Carolynne Harvey, 472 Beverly Road, What is the plan to reopen Ridgewood Public Schools for all children? What can parents do to support and help the immediate reopening process?

April Gelnow, 85 Pershing Avenue, Please provide an option for full time, in person instruction, for all schools.

Lauren Cuneo, 373 Mountain Avenue, As an Orchard Elementary and GW Middle School parent, I write this comment in strong support of reopening schools for daily in-person

full-time instruction. I am requesting Dr. Gorman, administration, and the B.O.E. work together with parents to take immediate steps to provide an option for full-day daily in-person learning for ALL Ridgewood Students.

It is now clear the risks of keeping our children from attending school in-person full-time outweigh the risk of COVID-19 transmission in the schools to students and teachers. According to CDC.gov, "Based on the data available, in-person learning in schools has not been associated with substantial community transmission."

Evidence is mounting that school closures and limited in-person learning present significant harms to children and adolescents. Mental health-related visits for children aged 5-11 and 12-17 increased 24% and 31%, respectively, in 2020 compared to the prior year. Suicide ideation has increased in young adults since COVID-19 pandemic restrictions began. Other harms from prolonged remote and hybrid learning include increased depression, rising obesity rates, on-line addictions, and social isolation. Behind these statistics are the faces of the students here in our district.

As a community we will never achieve zero percent risk from COVID-19. With a changing landscape and the distribution of vaccines in New Jersey it is time to make a change back to a healthier environment for everyone.

Please consider using the 3ft social distancing guideline to ensure that our large schools can accommodate all students.

Students are struggling academically. Students are struggling socially. Data from 2 national testing programs (Renaissance Learning Inc. and NWEA) show widespread performance declines academically. And every month we delay, the gap worsens.

Given the information outlined above, I respectfully request the Ridgewood Board of Education and RPS Superintendent, Dr. Gorman, and District Administration, act immediately to provide parents and students with a plan including a date for a return for ALL students back to full-day daily in-person learning

Jadwiga Jankowski, 439 Red Birch Court, Given that most of not all districts around us & even huge districts like NYC have released plans to get all elementary (and some including High School) kids back to school 5 days a week, what are the factors that make this not an option in Ridgewood? If NYC can do it and we all know their class sizes are bigger, infection rates are not smaller, buildings are older, space is more limited - how can Ridgewood be the one and only district not able to deliver?

Since March 2020 the entire world has been asked to be flexible - flexible with childcare, rent, school, work, life. We have asked our kids to just deal with it, just adjust. No, it's not everything they want in school or life; No, it's not everything they need; but we told them to just deal with it & we explained that everyone is doing the same. Now however, as we expect hotels to operate (spring break here we all come!), stores to all be open (Paramus Park parking lot is pretty full all weekends), restaurants to be open, and especially as our kids see all other kids go back to school 5 days a week - what do we tell the kids? That they can't go back because the teacher's contract requires an hour break from them so this district can't figure out how to do lunch? That they aren't as important as other kids in all adjacent towns?

Melissa Barry, 525 Wyndemere Avenue, The harm we are inflicting on our kids with the current school model is far greater than the risk of returning to full time in person instruction. There will never be a zero risk environment. We need a plan that allows for kids to return to

school as soon as possible.

Annie Brenner, 211 Pershing Avenue The focus today should be on the safe reopening of our schools, but I want to continue to shed light on the ITDC and put a stop to the RFP. I am concerned about the RFP and its potential for privatization. If the program goes private, I will NOT send my child there. I have experienced private programs with high staff turnover and lack of focus on education. The privatization of the program jeopardizes the future of the teachers and staff who have bravely been on the frontline during this pandemic teaching our children. Privatizing the program would strip them of their current benefits and many families will leave, including ours. Lastly, the pandemic related shortfall represents a mere 0.3% of the overall RPS budget! Stop the RFP, stop jeopardizing the future of the program and the future and wellbeing of the teachers. Thank you.

Kate Corcoran, 337 Downs Street, I am the parent of a fifth grader and a first grader at Travell. First, I want to express my gratitude to the teaching staff and administrators for working so hard during these unprecedented times. As a teacher, I completely understand what a challenge this past year has been and how all of the changes occurring now continue to keep us, as educators, on our toes.

Having said that, I am writing to express my concern at the lack of instruction that will be provided for kindergarten and first grade students if they need to quarantine for any reason as we move into the new model later in the month. After a year of learning how to teach with children live streaming into lessons periodically, it makes no sense to say that there will be no live instruction in a quarantined situation once the children move to a five day a week schedule on March 22nd.

Logistically, I believe that there is no excuse for this because the kids and teachers both have the technology to make it work. With COVID cases rising, there will certainly be more fluidity with students moving between home and school as we head into the spring. My expectation is that teachers need to make learning feasible in all scenarios. After the challenges we have overcome in the past year with schooling and technology, sending home a reading book and a packet is not going to cut it.

Jessie Long, 376 Beechwood Road, I am a pediatrician and mother of 3, a 6th grader, 3rd grader, and preschooler that will be entering kindergarten in the fall. I feel it is very important to get our kids back to daily in person schooling. The mental toll virtual schooling has had on our children immeasurable. Over the past year, I have seen climbing rates of depression, anxiety, suicidal ideation and eating disorders. The behavioral issues in the younger children are at an all time high as well. This all then leads to strain on the families and further mental health and behavioral problems.

On a personal note, I have seen my happy, enthusiastic 3rd grader become angry, frustrated and at times just plain mean. I changed my entire work schedule so that I could be home with him on most virtual mornings to help him with his school work, as he particularly struggles with reading and writing. We have daily battles about school and how much he hates it. Most home days end with both of us in tears. The days he is able to go into school though, he is happy. I have also spent hours and hours and a large amount of money on tutors and tutoring programs just to try to get him up to grade level.

Over the last few months, experts have compiled solid evidence that schools are not a significant source of the spread of COVID-19 when masking and social distancing are enforced. We have data from daycare centers and the many schools that have been open to

support this claim, as well as verification from the Centers for Disease Control and Protection. Additionally, the American Academy of Pediatrics advocates for children to return to in-person schooling. I ask that we all work together to get our kids back to school daily as soon as possible.

Sonya Caren, 714 Wellington Road, Please consider reopening grades 2-5. The elementary school children are suffering academically and emotionally. A six foot distance between each child is not a requirement. If we have the plastic shields for each desk we should absolutely consider reducing the 6ft space between each child as the shield provides another layer of protection we aren't currently using. It's time to reevaluate. We have children suffering across our school district. Other school districts have moved to the next phase, it is time for Ridgewood to do the same for our children.

Alexandra Smith, 375 Fairmount Road, The high school needs a plan to bring back students 5 days a week and for full days. Next week marks one year that students have missed. Despite the efforts of teachers, my two daughters feel the teacher is teaching to those online when they are present in the classroom. And conversely feel that the teacher is teaching to those in class when they are home. It's not a good experience. They are very upset that they aren't really learning anything. Students need to be together and in a school setting. This current situation is very detrimental to their academic, social and emotional development. Please come to us with a well thought out plan like other towns to return students to school full time.

Steven Gessmann, 432 Smith Place, Schools have been closed or limping along with virtual/hybrid learning for almost a year now. Many studies have concluded that the damage to our children's education and psyche may be irreversible from this type of learning. The board's primary function; to provide a safe and productive learning environment to our children. The status quo is neither. Waiting until there is no possible transmission within the schools is a fool's errand. Your medicine is killing the patient. There is going to be some risk now and in the future, and it's time to balance the risk with the mental and physical health of the students of Ridgewood. Surrounding towns are reopening schools with plexiglass shields (are they in place or ready to be deployed?), strict enforcement of masks, and other safety measures. There is no reason that Ridgewood with our "Tradition of Excellence" is falling behind in every possible way.

Michele, 1024 Hillcrest Road, Kids should be back full time!! They have snack in school right now and they can eat lunch. Let's get back full-time!

Honor Friberg, 152 Delaware Avenue, As a district employee and ITDC parent, I am one of the non-resident stakeholders contributing my statement in support of keeping the ITDC as part of Ridgewood Public Schools and against the RFP. I want to acknowledge that the board has been very thorough, and truly considerate of the concerns of their constituents. I do, however, think that the hyper focus on the net losses of the Ridgewood Infant Toddler Development Center, the bulk of which were incurred during state imposed school shutdowns, seems to be perpetuated by a few very vocal opponents of the program, and is upstaging more impactful issues on the board's heavy agenda.

I've written in before about what a great program ITDC is, and how welcome it made me and my family feel as a new district employee and placed student. One of the reasons I chose to

work at RPS was the opportunity to send my child here, including ITDC. I've planned to place my daughter at Ridgewood schools if that opportunity is still available to me when she starts kindergarten in a year. She is a future ridgewood student who attends ITDC, even though we don't live here. I've noticed that she is discounted when some board members are discussing the impact of an RFP on Ridgewood families. She is a real student who is impacted by these decisions, as are the other kids who don't live in Ridgewood. I know you all are aware of that, but it bears repeating. I didn't think of ITDC as a daycare when I enrolled my daughter there. I thought of it as a real school because it's run by a stellar school district, and thus an obvious choice. Other families have chosen ITDC for the same reason. A private daycare is the same as any other. ITDC is different. The RFP may cause a slump in enrollment. I'm also concerned about the teachers that work at Ridgewood ITDC, and what will happen to them if another program takes over. Please consider these loyal Ridgewood staff members in your decision to either post or withdraw the RFP. As for the Ridgewood teachers whose children attend ITDC, and future Ridgewood teachers with young families, privatizing the ITDC removes a great benefit and incentive for joining the RPS workforce. As someone with ten years of recruitment experience under my belt, I can say that every perk you have to offer is valuable in attracting and retaining top talent. It's not just about pay. Being valued as an employee is about being valued as a whole person, including your family. For the reasons above, please consider stopping the RFP process.

Kate White & Sam Kaestner, 881 Hillcrest Road, My family has had children at ITDC for nearly a decade, and we've been there because it's an incredible asset and resource for the Ridgewood school district. As an active duty military family, we're eligible for reduced rates at other nearby childcare programs, but we've chosen ITDC because of the high quality of care, the low staff turnover, and the strong foundational education. I know many other RPSD teachers feel the same way for their own families, and it would be thoughtless and cruel for the B.O.E. to consider an RFP, which may strip benefits from ITDC teachers, remove teacher discounts for current RPS teachers, and jeopardize future enrollment. The laser focus on ITDC's pandemic-related funding, which to put it in perspective, is only 0.3% of the overall RPS budget, is a drop in the bucket given expenditures across the district.

Joshua Shimpfky, 256 Hempstead Road, We can safely assume any teacher that wants a vaccine can now get a vaccine. Why isn't there a hard start date of April 1st to completely return to school? Statistically, there is absolutely no reason to delay any longer. Please explain what science justifies a further delay in opening. Open The Schools. We can safely assume any teacher that wants a vaccine can now get a vaccine. Why isn't there a hard start date of April 1st to completely return to school? Statistically there is absolutely no reason to delay any longer. Please explain what science justifies a further delay in opening.

Kristin Conneen, 57 North Hillside Place, We need to work as hard as possible to get our kids back in school full-time. The level of learning and development is suffering, not to mention the isolation that many kids feel at home all day. Mine are all home virtually, mostly because their classes are empty and teachers are not present. Plus, they now feel disadvantaged if they return to school, unable to look at phones or communicate during exams the way ALL students at home seem to be operating.

Beth Hart, 329 Northern Parkway, Hello Dr. Gorman and the B.O.E. First, thank you for your thoughtfulness as we navigate getting our children back in school. I know that is the primary

concern of the Board and our teachers and families--as it should be. Another looming concern is your plans for

ITDC. While you've heard from many parents, including me, about how much we love and appreciate the program, I wonder if you are overlooking the specific qualities that warrant this love and appreciation. I imagine not many parents praised the physical space of the Glen School. The building and grounds, while lovely, do not make ITDC what it is. The quality of the staff that they are able to attract far exceeds what I've witnessed in other child care programs including another program in town. Other programs may attract a few good people, but they largely attract people stopping by on their way to another job, people not sincerely interested in early childhood development. The staff at ITDC is professional. I would not dream of referring to the people who have cared for my son and daughter as anything other than "teacher." Please consider why ITDC is able to attract such talent. I suspect its affiliation with the district and its benefits are key. Should ITDC lose these elements, it will not be able to attract the same quality of staff, and ITDC joins the ranks of chain daycares where staffing is a revolving door. We are one family who will not wait around to see that happen.

Michelle Beloff Marcovici, 218 Fairmount Road, I am hopeful that the Ridgewood administrators realize they must do everything in their power to get kids in school full time as soon as possible! Every surrounding town and now NYC is weighing the risks and benefits and opening their doors now. We MUST maintain our "Tradition of Excellence" and do what's right for Ridgewood education and our children's mental and physical health. Data from numerous studies show that there is almost no transmission of Covid amongst masked students in schools, whether 6 feet or less. Can we please prioritize our kids' education and mental health and find a way to get our children back to school?

Bonita Shimpfky, 256 Hempstead, First, I'd like to thank Dr. Gorman for accepting the position for Superintendent. I am looking forward to your leadership. Many, including myself, are writing in today regarding the need for full time in person learning as soon as possible. I have a 4th and 2nd grader - they are currently in the hybrid structure. Academically, they were falling behind - I can't begin to explain the fighting and crying over inability to understand the curriculum. Homework was a constant struggle. It had gotten so bad we had to enroll them into a private supplementary education program. And finally after months of hard work and paying for a private education, they both are finally able to do their work independently. This isn't a dig at our public school system. We were thrust into a state of closure due to the pandemic and I applaud all that the teachers and administrators did to get us here today. I am appreciative that we have had a hybrid structure. But it's been a year now and we need to move forward. I won't dwell on the fact that limited in-person learning is detrimental to the mental, emotional and social well being of our children. Nor will I point out that this school district does not have a single objective and standardized metric to measure how our children are performing academically. To use report cards as a measurement of how well our children are performing is irresponsible at best.

I keep hearing this administration refer to needing to keep to the 6ft rule. There will be a certain level of risk in anything we do outside of quarantining ourselves in our households. We take a risk when we go to the grocery store or eat at a restaurant or play on a sports team. We take a risk going to work, or the doctor's office or flying. Researchers have shown if precautions are taken the risk is minimal in schools. Children are affected by this virus differently - many schools have reduced the separation to 4 ft between children while keeping the 6 ft distance for teachers. The risk of keeping our kids in a limited in-person learning far

outweighs the risks of transmission. Period. I'd like to understand what is our district doing to get us back into full in person learning? I have not seen any plans or heard any discussions. All I've heard is we can't do it because we have to keep to 6 ft separation. We can't do it because we can't figure out lunch somehow. How do we think those answers are acceptable? We need to do better and we need this district to be more creative to opening up full in learning schools immediately. We are all responsible for the well being of our children - mentally, socially and academically. How can we claim to be a tradition of excellence when so many other districts of comparable sizes across this country have found the means to having full in person learning when all we are doing is sitting on our hands waiting for this pandemic to magically disappear?

Nick Kafes, Wastena Terrace OPEN THE SCHOOLS - kids need to be in school learning. Follow the science- not just when it suits a certain narrative. In school transmission is far lower than community spread AND child to child transmission is statistically insignificant. 6' physical distancing is a guideline NOT a law. Other districts have found creative workarounds (plexi glass, PPE, etc.)

Rachel Elvgren, 240 Richards Road, Why do you keep talking about 6 feet apart for desks when the CDC says 4-6 feet apart? When are you presenting a plan to have all students go back for Phase 2? Have you looked at the private schools that space desks 3 feet apart with plexiglass dividers?

Deborah Liguori, 319 Meadowbrook Avenue, Will you please explain the specific differences in quarantine (individual and classroom) and school closing rules prescribed by the state for 6' apart versus less than 3' apart when a positive case is identified?

Michelle McGorty, 330 Bedford Road, I echo almost everything I've heard from my fellow Ridgewood citizens tonight. Rather than reiterating those points, I will just add that while we are working towards bringing our students back to school, we give current hybrid high school students the option to return 5 days rather than only on alternate days. My high school students are one of only 3 or 4 students in the room -- and in 2 cases the ONLY student in the room. Given that so many RHS students are opting for full virtual, we should give those who are willing and/or able to attend in person the option to go as often as possible, given that it will not result in unsafe numbers. I realize this may not be the situation at the lower schools, as I also have a 4th grader, and she is certainly not the only student in the room at Willard. But the high school seems to have a very large proportion of fully virtual students and this seems like a reasonable interim step. Thank you for all your efforts to keep our kids learning during these difficult times.

Stephanie Tesser, 380 Bedford Road, I am wiring to support a detailed plan for more in-person learning. Is there a plan in place for more in-person learning once teachers are vaccinated? With teachers now being a priority for the vaccine, it is time to send out another survey for all schools and to start putting together a detailed plan for phase 2. We are the only elementary school in the surrounding area with children still half day every other day. Ridgewood prides itself on it's schools. If the issue is our classrooms are smaller and class size much larger than all neighboring towns, then the Ridgewood school system is failing compared to neighboring towns and the class size issue needs to be seriously addressed even beyond COVID.

## VI. PRESENTATIONS

### A. SY 2021-22 Preliminary Budget

Dr. Gorman gave a brief overview of the district, noting our low per-pupil expenditure of \$16,930 and the many accomplishments of our students.

Mr. Bisig presented the 2021-22 preliminary budget. The preliminary budget allows us to upgrade our curriculum to align with the updated New Jersey Student Learning Standards (NJSLS) that must be implemented by September 2021. Another area of focus is professional development to support the goals of the RPS Strategic Plan.

Mr. Bisig reviewed proposed appropriations, anticipated revenue, the tax impact, and capital projects.

## VII. SUPERINTENDENT'S REPORT

Dr. Gorman provided a covid update, according to the New Jersey COVID-19 Activity Reports, our region is still at the high (orange) level. Bergen County saw an uptick in cases last week. The district reported 14 positive cases last week, and another 16 cases the week before. Over the prior week, we saw a 1.3% increase of students returning to school from remote learning with the largest gains at Orchard, Travell, Willard, Benjamin Franklin Middle School, and George Washington Middle School.

Regular discussions and analysis of data are occurring on a daily basis to help inform plans to open schools more than they are now. The district has planned for two Phase II options: (1) bringing all students back every day for 4 hours of instruction (no lunch) with remote learning in the afternoon (2) bringing all students back for a full day of instruction with lunch. The guidelines, agreement with health officials, and a significant decrease in COVID positivity rate for several weeks will factor into the option the district decides upon and when it will be executed. Implementing either of these options will require classrooms to have students at less than 6 feet apart and less than 3 feet in some cases. The decrease in distancing may impact quarantine requirements when someone tests positive.

A Prek-12 survey will be sent out next week to gather feedback from parents.

Kindergarten and grade 1 students in the hybrid model are transitioning to four (4) hours of daily in-person instruction beginning March 22. Based on the results of the elementary survey and parent meeting, this model was overwhelmingly preferred.

While socialization, independence, and developmental needs of our youngest learners will be maximized, some reassignment of students and teachers is necessary. Additionally, some classroom spaces will change.

### **XIII. BOARD MEMBER ANNOUNCEMENTS**

Ms. Brogan announced that Super Science Saturday was a huge success. Special thanks to Michael Aaron Flicker for chairing the event.

Ms. Brogan provided the board with articles regarding late start times.

Ms. Brogan provided a legislative update Governor Murphy has proposed a \$45 billion budget for fiscal year 2022. This budget represents a 10% increase in year-over-year spending. The budget does provide \$638 million more in state aid to school districts. Two-thirds of the school districts will see an increase in state aid, and one-third will see their aid reduced. The proposed aid increase for Ridgewood is \$877,007. The legislature will now begin work on the budget, and as in years past, this state aid figure could change.

For districts that will see reduced state aid, the Governor has proposed a \$50 million "stabilization fund" for districts to apply for grants if there is high need. The Governor's budget also adds \$25 million for extraordinary aid.

Last year the Legislature did not hold public hearings on the budget. This year, they are scheduling virtual public hearings. The Assembly's virtual public hearings are scheduled for March 10 and 22. The Senate has set March 16 and 23 for their hearings. All four sessions will start at 9:30 AM and can be seen on the Legislature's website.

Over the weekend, the Senate voted to approve the \$1.9 trillion American Rescue Plan. This legislation will now go back to the House for a final vote. Included in the American Rescue Plan is \$126 billion for K-12 schools. According to an article in Future Ed, "The K-12 dollars would be focused on helping schools reopen and helping students catch up on learning they have missed during the pandemic. States would be required to spend a percentage on summer learning and afterschool programs, and education technology. A portion would be used for challenge grants focused on educational equity. Amendments added during the debate on the Senate floor would provide \$800 million to support education and wraparound services for homeless children and would require districts to make public a plan for the safe return to in-person schooling. About \$7.2 billion would go toward the E-rate program that makes it easier to connect homes and libraries to the Internet."

Mr. Lembo announced that on Friday, March 5, students, staff, and community members came together for a Cheer Up Mission for a senior who is critically ill, surprising him with a drive-by caravan, a performance by the Maroon Men, over 100 video messages, balloons, and more.

The Project Graduation 2021 Fashion Show will be held virtually on Thursday, March 18.

The RHS New Players presents 2021 Virtual Cabaret.

A group of high school students has formed Homework Helpers to provide free math help to elementary students.

The HSAs are currently hosting various events and fundraisers.

The Joint Review Committee met at Benjamin Franklin Middle School. Work is happening at two of our schools to address some heating issues.

Mr. Bisig action item will be to work with Aramark and Mr. Martin on the new univent systems and future compatibility with all systems.

## **XV. DISCUSSION ITEMS**

Dr. Gorman is working with the county office and the local health department to assist staff in securing a vaccine.

The Board discussed options and scenarios related to moving to the next phase of the reopening plan.

To view this portion of the meeting scroll to 3:15.

Mr. Kaufman asked the board if we can get a viable proposal from ITDC can we stop from moving forward on the RFP?

Dr. Gorman's action will be to research if the presentation from the ITDC should be conducted during a public meeting or in an Executive session.

The Board discussed community feedback regarding the Infant Toddler Development Center (ITDC) and the scheduling of a presentation from ITDC.

To view this portion of the meeting scroll to 3:53.

## **XVI. ACCEPTANCE OF MINUTES**

- February 8, 2021 Executive Session Minutes
- February 8, 2021 Regular Public Meeting Minutes
- February 22, 2021 Executive Session Minutes

Mr. Lembo moved Acceptance of Minutes.

Ms. Kwak seconded the motion, which was unanimously approved.

## **XVII. OTHER BUSINESS**

No other business was discussed.

## **XVIII. COMMENTS FROM THE PUBLIC**

The following callers addressed the board:

Gassia Fox 325 Crest Road, spoke in favor of hearing a reopening plan, urged the board to act now and to additionally send a survey.

Laurie Weber, address was not provided, thanked the administrators for the evening's budget presentation and the K-1 instruction presentation. Thanked Mr. Dani for his questions on the budget and comments on the K-1 presentation. Thanked Ms. Kwak for putting the needs of the entire school community in perspective.

The following comments were submitted online:

Al Tretola, Fairway Road, I would like to know what are your plans to get our children back to the high school full time? I have not heard any plans or goals or incentives to get the students back in. You have had a year to plan! Where's the plan? What are we waiting for? Covid will never be fine. We need to learn how to live with Covid. It's about time that we get these students back into school and not site old CDC data that is not a law or mandate. Get creative and lead!

Mary Pilla, 333 Meadowbrook Avenue, Congratulations Dr. Gorman on your new position. Thank you to our educators, administration and Board of Ed for your service. As an educator I know how challenging teaching is during our new normal. We need to work together to create a model that is safe and support student learning in the best possible scenario. Let's create a task force to brainstorm ideas on how to make 2-5 reopening possible. I have spent over \$5,000 this year for my sons to have a place to go while I am teaching. That is a massive expense for my family that is not sustainable. The district has realized that K and 1 students need live instruction to close the gap that has been created due to COVID and lack of live in person instruction. They will be returning to school 3/22. If students have to quarantine classroom teachers must be able to pivot to allow students to watch instruction virtually. Students can not spend 2 weeks doing "busy work" and miss live instruction. Teachers have the access to teach virtually. Lessons can be taught to the class and the teacher can be on camera so that students are not missing vital instruction. This is happening in my own district; it is working. Students are active, engaged and successful with their learning. Thank you.ents need live instruction to close the gap that has been created due to COVID and lack of live in person instruction. Administrative Employment Contracts

**M**

### 1620 ADMINISTRATIVE EMPLOYMENT CONTRACTS

The Executive County Superintendent shall review and approve for all Superintendents of Schools, Superintendents of Schools reappointed pursuant to N.J.S.A. 18A:17-20.1, Superintendents of Schools, Assistant Superintendents of Schools, and School Business Administrators, including any interim, acting, or person otherwise serving in these positions, in school districts, county vocational school districts, county special services school districts and other districts, except charters, within the County under the supervision of the Executive County Superintendent:

1. New employment contracts, including contracts that replace expired contracts for existing tenured and non-tenured employees;
2. Renegotiations, extensions, amendments, or other alterations of the terms of existing employment contracts that have been previously approved by the Executive County Superintendent; and
3. Provisions for contract extensions where such terms were not included in the original employment contract or are different from the provisions contained in the original approved employment contract.

In counties where there is no Executive County Superintendent, an Executive County Superintendent from another county shall be designated by the Commissioner to review and approve all contracts listed above.

The contract review and approval shall take place prior to any required public notice and hearing pursuant to N.J.S.A. 18A:11-11 and prior to the Board of Education approval and execution of the contracts to ensure compliance with all applicable laws, including but not limited to N.J.S.A. 18A:30-3.5, 18A:30-9, 18A:17-15.1 and 18A:11-12.

In accordance with the provisions of N.J.S.A. 18A:11-11 and N.J.A.C. 6A:23A-3.1(c)1, the public notice and public hearing required shall be applicable to a Board of Education that renegotiates, extends, amends, or otherwise alters the terms of an existing contract with a Superintendent of Schools, Superintendent of Schools, Assistant Superintendent of Schools, or School Business Administrator. In accordance with N.J.S.A. 18A:11-11, notice must be provided to the public at least thirty days prior to the scheduled action by the Board. The Board shall also hold a public hearing and shall not take any action on the matter until the hearing has been held. The Board shall provide the public with at least ten days' notice of the public hearing.

In accordance with N.J.A.C. 6A:23A-3.1(c)1, the public notice and public hearing required pursuant to N.J.S.A. 18A:11-11 shall not apply to new contracts, including contracts that replace expired contracts for existing employees in one of these positions, whether tenured or not tenured. Nothing shall preclude a Board from issuing a public notice and/or holding a public hearing on new contracts, including new contracts that replace expired contracts for existing tenured and non-tenured employees.

Administrative Employment Contracts

The public notice and public hearing required pursuant to N.J.S.A. 18A:11-11 is also required in the event an existing contract for a Superintendent of Schools, Superintendent of Schools, Assistant Superintendent of Schools, or School Business Administrator is rescinded or terminated by the Board of Education before it is due to expire and the parties agree to new employment terms.

In connection with the Executive County Superintendent's review of the contract, the Board shall provide the Executive County Superintendent with a detailed statement setting forth the total cost of the contract for each applicable year, including salary, longevity (if applicable), benefits, and all other emoluments.

The review and approval of the employment contracts of Superintendents of Schools, Superintendents of Schools, Assistant Superintendents of Schools, and School Business Administrators conducted by the Executive County Superintendent shall be consistent with the following additional standards outlined in N.J.S.A. 18A:7-8.1 and N.J.A.C. 6A:23A-3.1:

1. Contracts for each class of administrative position shall be comparable with the salary, benefits and other emoluments contained in the contracts of similarly credentialed and experienced administrators in other school districts in the region with similar enrollment, academic achievement levels and challenges, and grade span.
2. No contract shall include provisions that are inconsistent with the travel requirements pursuant to N.J.S.A. 18A:11-12 and N.J.A.C. 6A:23A-7 including, but not limited to, the provisions for mileage reimbursement and reimbursement for meals and lodging in New Jersey. Any contractual provision that is inconsistent with law is superseded by the law.
3. No contract shall include provisions for the reimbursement or payment of employee contributions that are either required by law or by a contract in effect in the school district with other teaching staff members, such as payment of the employee's State or Federal taxes, or of the employee's contributions to FICA, Medicare, State pensions and annuities (TPAF), life insurance, disability insurance (if offered), and health benefit costs.
4. No contract shall contain a payment as a condition of separation from service that is deemed by the Executive County Superintendent to be prohibited or excessive in nature. The payment cannot exceed the lesser of the calculation of three months pay for every year remaining on the contract with pro-ration for partial years, not to exceed twelve months, or the remaining salary amount due under the contract.
5. No contract shall include benefits that supplement or duplicate benefits that are otherwise available to the employee by operation of law, an existing group plan, or other means; e.g., an annuity or life insurance plan that supplements or duplicates a plan already made available to the employee. Notwithstanding the provisions of this section, a contract may contain an annuity where those benefits are already contained in the existing contract between the employee and the district.

6. Contractual provisions regarding accumulation of sick leave and supplemental compensation for accumulated sick leave shall be consistent with N.J.S.A. 18A:30-3.5. Supplemental payment for accumulated sick leave shall be payable only at the time of retirement and shall not be paid to the individual's estate or beneficiaries in the event of the individual's death prior to retirement. Pursuant to N.J.S.A. 18A:30-3.2, a new Board of Education contract may include credit of unused sick leave in accordance with the new Board of Education's policy on sick leave credit for all employees.
7. Contractual provisions regarding accumulation of unused vacation leave and supplemental compensation for accumulated unused vacation leave shall be consistent with N.J.S.A. 18A:30-9. Contractual provisions for payments of accumulated vacation leave prior to separation can be included but only for leave accumulated prior to June 8, 2007 and remaining unused at the time of payment. Supplemental payments for unused vacation leave accrued consistent with the provisions of N.J.S.A. 18A:30-9 after June 8, 2007 as well as unused vacation leave accumulated prior to June 8, 2007 that has not been paid, shall be payable at the time of separation and may be paid to the individual's estate or beneficiaries in the event of the individual's death prior to separation.
8. Contractual provisions that include a calculation of per diem for twelve month employees shall be based on a two hundred sixty day work year.
9. No provision for a merit bonus shall be made except where payment is contingent upon achievement of quantitative merit criterion and/or qualitative merit criterion:
  - a. A contract may include no more than three quantitative merit criteria and two qualitative merit criteria per contract year.
  - b. The Executive County Superintendent shall approve or disapprove the selection of quantitative merit and qualitative merit criteria and the data that forms the basis of measuring the achievement of quantitative merit and qualitative merit criteria.
  - c. A contract may provide for merit bonuses in an amount not exceeding 3.33 percent of annual salary for each quantitative merit criterion achieved and 2.5 percent of annual salary for each qualitative merit criterion achieved. Any such merit bonus shall be considered "extra compensation" for purpose of N.J.A.C. 17:3-4.1 and shall not be cumulative.
  - d. The Board of Education shall submit to the Executive County Superintendent a resolution certifying that a quantitative merit criterion or a qualitative merit criterion has been satisfied and shall await confirmation of the satisfaction of that criterion from the Executive County Superintendent prior to payment of any merit bonus.

10. No provision for a bonus shall be made except where payment is contingent upon achievement of measurable specific performance objectives expressly contained in a contract approved pursuant to N.J.A.C. 6A:23A-3.1, where compensation is deemed reasonable relative to the established performance objectives and achievement of the performance objectives has been documented to the satisfaction of the Board of Education.
11. No provision for payment at the time of separation or retirement shall be made for work not performed except as otherwise authorized in N.J.A.C. 6A:23A-3.1 and N.J.S.A. 18A:7-8.1.
12. No contract shall include a provision for a monthly allowance except for a reasonable car allowance. A reasonable car allowance shall not ~~exceed~~ exceed the monthly cost of the average monthly miles traveled for business purposes multiplied by the allowable mileage reimbursement pursuant to applicable law and regulation and New Jersey Office of Management and Budget (NJOMB) circulars. If such allowance is included, the employee shall not ~~be~~ be reimbursed for business travel mileage nor assigned permanently a car for official district business. Any provision of a car for official district business must conform with N.J.A.C. 6A:23A-6.12 and be supported by detailed justification. No contract shall ~~ean~~ include a provision of a dedicated driver or chauffeur.
13. All Superintendent contracts shall include the required provision pursuant to N.J.S.A. 18A:17-15.1 which states that in the event the Superintendent's certificate is revoked, the contract is null and void.
14. No contract shall include a provision for additional compensation upon the acquisition of a graduate degree unless the graduate degree is conferred by a regionally accredited college or university as defined in applicable regulations. No contract shall include a provision for assistance, ~~or~~ tuition reimbursement, or ~~for~~ additional compensation for graduate school coursework, unless the ~~such~~ coursework culminates in the acquisition of a graduate degree conferred by a regionally ~~only~~ accredited college or university as defined in applicable regulations

The review and approval of an employment contract for the Superintendent of Schools shall not include maximum salary amounts pursuant to N.J.S.A. 18A:7-8.j.

Any actions by the Executive County Superintendent undertaken pursuant to N.J.S.A. 18A:7-8.1, N.J.A.C. 6A:23A-3.1, and this Policy may be appealed to the Commissioner of Education pursuant to the procedures set forth at N.J.A.C. 6A:3, Controversies and Disputes.

## POLICY

PROGRAM  
2431/page 1 of 9  
Athletic Competition  
M

### 2431 ATHLETIC COMPETITION

It is the intent of the Ridgewood Board of Education to provide in the high school a comprehensive, well-planned, and well-balanced program of interscholastic athletics, including cheerleading, for girls and boys who can benefit from participation. The program shall be managed and teams coached in a manner to achieve the following objectives:

1. Promote individual and team desire for excellence while emphasizing that interscholastic sports be kept in perspective and that the first priority for all students is intellectual and emotional growth;
2. Encourage enjoyment of competition, a desire to win, and a healthy, constructive attitude toward winning and losing;
3. Develop the self-confidence and self-respect of each team member;
4. Develop the specialized talents, skills, and physical fitness of each participant;
5. Develop attitudes and skills which foster teamwork, cooperation, loyalty, and spirit; and
6. Develop the highest type of sportsmanship, sense of fair play, and respect for fellow athletes (teammates and opponents), coaches, and officials.

The Board directs the Superintendent to establish administrative procedures to carry out the intent of the above statement and to implement the provisions of this policy.

#### State Regulations

The conduct of interscholastic athletics shall conform to State law, New Jersey administrative code and the rules and regulations of the New Jersey State Interscholastic Athletic Association (NJSIAA) which are approved annually by the Board.

#### Responsibility

The Athletic Director is responsible for the overall supervision of the nine through twelve interscholastic athletics program, including cheerleading. Responsibility for the supervision of the athletic program in each school is that of the Principal. In the high school, the Athletic Director will assist and advise the Principal and will have responsibility for the immediate supervision and administration of the athletic program. The Athletic Director will work closely with the high school Principal.

#### Continuity and Development

The Athletic Director will ensure that coaches at all levels work together to promote a developmental approach and continuity from level to level. The primary consideration in determining such things

as schedule of games, length of practices, and coaching methodology at each level shall be the physical, mental, and emotional maturity and well-being of the students.

## Student Participation and Eligibility

The Board shall make school facilities, supplies, and equipment available and assign staff members for the support of a program of interscholastic athletics for students in grades nine through twelve. The Board shall maintain the program of interscholastic athletics, including cheerleading, and students who wish to participate shall pay an activity fee which shall be determined annually by the Board at its Reorganization Meeting. Students eligible for free or reduced price lunches are exempt from the activity fee. Families experiencing financial hardship should request consideration by informing the coach, the advisor, or the Building Principal. Students may be required to provide supplies in accordance with Board Policy No. 2520 on instructional supplies and students may be required to assume all or part of the costs of travel and attendance at co-curricular events and trips.

Maximum participation of girls and boys in accordance with interest, maturity, and ability to benefit is to be encouraged. A suggested range for participation in each sport is contained in the administrative procedures for this policy. The number of athletes per team is determined by the nature of the sport. Facility use, coaching personnel, budgetary constraints, and transporting students safely are contributing factors to these numbers.

Participation and eligibility will conform to the bylaws of NJSIAA. A student must be in good standing academically and as a school citizen to participate on any interscholastic team.

All students in good disciplinary and academic standing, and who have paid the activity fee (except those students who are exempt), shall have equal access to all co-curricular activities.

A student who is suspended from school is not permitted to participate in any co-curricular activity during the term of suspension. The Principal, Assistant Principal, or activity supervisor may suspend a student from participation in a co-curricular activity as a consequence of unacceptable behavior or recurring disciplinary problems.

Eligibility for participation in interscholastic athletics shall require all high school students to meet, at a minimum, all the eligibility requirements of the Constitution, Bylaws, and Rules and Regulations of the New Jersey State Interscholastic Athletic Association (NJSIAA). Because of the diversity in the nature, intensity of student involvement, and time demands of non-athletic activities, however, it is not possible to establish uniform academic requirements. Further, the Board is aware that participation in activities often serves as an incentive and motivator for at-risk students. It is the intent of the Board that each case involving a student who is failing one or more courses or whose academic work has slipped be considered individually. A school administrator and the guidance counselor, after consultation with the student and parent shall decide whether or not it is in the student's best interest to curtail co-curricular participation. Where allowable and appropriate, the district will afford flexibility in the standards for participation in co-curricular activities.

Athletic Competition

M

Home schooled children are not eligible to participate in the high school interscholastic athletic program of this district.

A student in any grade must maintain a satisfactory record of attendance to be eligible for participation in the school district sponsored programs of athletic competition. The Athletic Director will determine if participation should continue.

A student who is absent for a school day may not participate in the school district sponsored programs of athletic competition the afternoon or evening of that school day.

A student who is serving an in-school or out-of-school suspension may not participate in the school district sponsored programs of athletic competition while serving the suspension.

A student in any grade who fails to observe school rules for student conduct may forfeit his/her eligibility for participation in school district sponsored programs of athletic competition.

Notice of the school district's eligibility requirements shall be available to

students. Opportunity and Equity

The athletic program, including but not limited to intramural, extramural, and interscholastic sports, shall be available on an equal basis to all students regardless of race, color, creed, religion, sex, ancestry, national origin, disability, sexual orientation, social or economic status. The athletic program as a whole shall be planned to insure that there are sufficient activities so that the program does not deny the participation of large numbers of students of either sex.

Required Examinations –Interscholastic or Intramural Team or Squad

Students enrolled in grades six to twelve must receive a medical examination, in accordance with the provisions of N.J.S.A. 18A:40-41.7, prior to participation on a school-sponsored interscholastic or intramural team or squad and any cheerleading program or activity.

The examination shall be conducted within 365 days prior to the first day of official practice in an athletic season with examinations being conducted at the "medical home" of the student. The "medical home" is defined as a health care provider and that provider's practice site chosen by the student's parent for the provision of health care, pursuant to N.J.A.C. 6A:16-1.3. If a student does not have a medical home, the school district shall provide the examination at the school physician's office or other comparably equipped facility. The medical examination required prior to participation shall be in accordance with the requirements as outlined in N.J.S.A. 6A:16-2.2(h)1 and Regulation 2431.2 and shall be documented using the Preparticipation Physical Evaluation form required by the Department of Education.

The school district shall distribute the Commissioner of Education developed sudden cardiac arrest pamphlet to a student participating in or desiring to participate in an athletic activity, as defined in N.J.S.A. 18A:40-41.e.,

and the student's parent(s) shall each year and prior to participation by the student in an athletic activity comply with the requirements of N.J.S.A. 18A:40-41.d.

The school district shall annually distribute the Commissioner of Education developed educational fact sheet relative to use and misuse of opioid drugs for sports related injuries to parents of students who participate in athletic activities and comply with the requirements of N.J.S.A. 18A:40-41.10.

Information concerning a student's HIV/AIDS status shall not be required as part of the medical examination or health history pursuant to N.J.S.A. 26:5C-1 et seq. The health findings of this medical examination shall be maintained as part of the student's health record.

The health history update shall include but not be limited to the following information:

1. Hospitalizations/operations;
2. Illnesses;
3. Injuries;
4. Care administered by a physician; and
5. Medications.

The medical examination conducted to determine the fitness of a student to participate in athletic competition and the health history update must include, as a minimum, the respective medical history information and physical assessments set forth in rules of the State Board of Education and incorporated in their entirety in regulations implementing this policy, and the following:

1. A medical history questionnaire, completed by the parent of the student, pupil, to determine if the student:
  - a. Has been medically advised not to participate in any sport, and the reason for such advice;
  - b. Is under a physician's care and the reasons for such care;
  - c. Has experienced loss of consciousness after an injury;
  - d. Has experienced a fracture or dislocation;
  - e. Has undergone any surgery;
  - f. Takes any medication on a regular basis, the names of such medication and the reasons for such medication;

## Eligibility Standards

A student who wishes to participate in a program of athletic competition, including cheerleading, must submit, on a form provided by the district, the signed consent of his/her parent. The consent of the parent of a student who wishes to participate in a program of athletic competition, including cheerleading, must include an acknowledgment of the physical hazards that may be encountered in the sport in accordance with N.J.A.C. 6A:32-9.1 (d) and (e).

## Injuries

Written procedures shall be established to ensure:

1. Adequate emergency care for any student injured in a practice or a game;
2. Proper follow-up care and treatment;
3. Communication with parent;
4. Execution of school accident reports and insurance forms; and
5. Appropriate medical release or approval before a student resumes participation.

## Safety

Safety of athletic equipment and facilities, transportation, and playing conditions shall be given top priority by the Athletic Director, coaches, and Principals. Planning for the safety of participants and spectators at home and away games is also the responsibility of the Athletic Director, coaches, and Principals.

## Scheduling of Games

Before the beginning of each sports season, the Athletic Director shall submit to the Superintendent a schedule of games for the high school teams to be presented to the Board of Education for approval.

Postseason contests and tournament participation must be approved by the Principal and be sanctioned by the NJSIAA. Changes during the season must be approved by the Principal.

## Conduct at Games

The athletic Director, coaches, and Principals shall make every effort to:

1. Encourage attendance of students, parent, and the public;
2. Promote spectator enjoyment and spirit; and
3. Require sportsmanlike conduct of all players and spectators at all games.

Such efforts may include preseason and/or pre-game communication with students and the public as well as adequate supervision at games.

## Appointment and Evaluation of Coaches

All coaches shall be appointed on an annual basis. The high school Principal shall recommend to the Superintendent the appointments of all high school coaching positions after consultation with the Athletic Director. Head coaches shall participate in the selection of assistant coaches.

The Superintendent shall establish a job description and criteria and procedures for the evaluation of coaches. The job description and evaluative criteria should emphasize coaching competence and a caring attitude and concern for every member of the team.

## Volunteer Coaches

Volunteer coaches who are actively involved in coaching or instruction shall hold permanent New Jersey teaching certification or work under the direct supervision of the coaching staff. They must be approved by the Athletic Director, the Principal, and the Board of Education prior to assuming any coaching responsibilities. Volunteer coaches shall receive no remuneration for services. This restriction includes budgeted funds, gifts, and monies from fundraising activities. Volunteer coaches shall serve under the supervision of the professional coaching staff. Any other person assisting a team in any capacity other than coaching must be approved by the Athletic Director.

## Emergency Procedures

Athletic coaches shall be trained in first aid to include sports-related concussion and head injuries, the use of a defibrillator, the identification of student athletes who are injured or disabled in the

course of any athletic program or activity.

The Superintendent or designee shall prepare procedures for responding to non-serious or non-life-threatening injury sustained by a student while participating in sports or other athletic activity. These procedures shall be reviewed annually, updated as necessary, and disseminated to appropriate staff members.

## Interscholastic Standards

The Board shall approve annually a program of interscholastic athletics and shall require that all facilities utilized in that program, whether or not the property of this Board, properly safeguard both players and spectators and are kept free from hazardous conditions.

The Board adopts the Constitution, Bylaws, Rules, and Regulations of the New Jersey State Interscholastic Athletic Association as Board policy and shall review such rules on a regular basis to ascertain they continue to be in conformity with the objectives of this Board.

## Parental Support and Involvement

Parent(s) and the general public are encouraged to attend all interscholastic athletic contests. In addition, parent(s) and the public are encouraged to attend and participate in activities which support athletic teams.

Coaches are expected to inform parent(s) about practice session times, game schedules, training rules, requirements and expectations of team members, and other pertinent information. Parent(s) are asked to give their support to the rules, requirements, and expectations so that their sons and daughters can derive maximum benefit from participation on athletic teams.

Parent(s) should contact the coach if a question or concern arises during the season. If a parent feels that a concern has not been satisfactorily addressed through informal communication with the coach, the parent should talk with the Athletic Director. If the concern is still not resolved, it can be taken to the high school Principal. Additional steps in the appeal process are outlined in Board policy.

## Special Education Students

To participate in interscholastic competition, special education students must meet the same requirements listed above in conformity with IEPs.

## Good Sportsmanship

The Board believes that instilling habits of good sportsmanship should be one of the primary goals of athletic endeavors and that all district employees should model good behaviors in this area.

It is especially important that the Athletic Director and coaches accept the responsibility for

encouraging young athletes to handle themselves in a sportsmanlike way and be models of self-control and dignity for players and spectators. Coaches shall include discussions on courtesy and sportsmanlike behavior as part of pre-game activities. Student fans shall be reminded that their conduct reflects on the schools of this district and that poor sportsmanship will be disciplined.

Parent(s) and other adult spectators shall also be encouraged to act as models for young people by demonstrating self-control and dignity at all athletic events.

Unsportsmanlike behavior as exhibited through verbal abuse, rude gestures, taunts, obscenities, thrown objects, etc., shall not be tolerated in students, staff, or any persons in attendance at district athletic competitions. Discipline may include, but not be limited to, eviction from the competition and prevention from attending further competitions.

The Superintendent or his/her designee shall prepare regulations on good sportsmanship and ensure their dissemination to students, parent(s), and the community.

## Insurance

The Board will cover each participant in interscholastic football with insurance coverage as recommended by the current insurance carrier. All other interscholastic activities shall be covered at the recommendation of the insurance advisor and Superintendent.

Parent(s) or legal guardian(s) shall be strongly encouraged to participate in the supplemental student accident insurance program offered by the Board.

The Superintendent shall annually prepare, approve, and present to the Board for its consideration a program of interscholastic athletics that includes a complete schedule of athletic events and inform the Board of changes in that schedule.

## 2464 GIFTED AND TALENTED STUDENTS

The Board of Education recognizes its responsibility to identify gifted and talented students within the school district and to provide these students with appropriate instructional adaptations and services. To that end, the Board directs each such student in the school district be identified and offered an appropriate educational program and services.

For purpose of this Policy, “gifted and talented students” mean students who possess or demonstrate high levels of ability in one or more content areas when compared to their chronological peers in the district and who require modification of their educational program if they are to achieve in accordance with their capabilities.

For the purpose of this Policy, “instructional adaptation” means an adjustment or modification to instruction enabling a student who is gifted and talented to participate in, benefit from, and demonstrate knowledge and application of the New Jersey Student Learning Standards in one or more content areas at the instructional level of the student, not just the student’s grade level.

The Superintendent of Schools or designee shall ensure that the appropriate instructional adaptations are designed for students who are gifted and talented.

The Superintendent or designee will develop procedures for an ongoing Kindergarten through grade twelve identification process for gifted and talented students that includes multiple measures in order to identify student strengths in intellectual ability, creativity, or a specific academic area. The district shall ensure equal access to a continuum of gifted and talented education services. The identification process shall include consideration of all students, including those who are English language learners and those with Individualized Education Plans or 504 Plans.

The Superintendent or designee will develop and document appropriate curricular and instructional modifications used for gifted and talented students indicating content, process, products, and learning environments, and including, but not limited to, additional education activities such as academic competitions, guest speakers, and lessons with a specialist.

The Superintendent or designee will take into consideration the Gifted Programming Standards , Position Statements, and White Papers of the National Association for Gifted Children in identifying and serving gifted and talented students . The district will provide the time and resources to develop, review, and enhance instructional tools with modifications for helping gifted and talented students acquire and demonstrate mastery of the required knowledge and skills specified by the standards at the instructional level of the student.

The district will actively assist and support professional development for teachers, educational services staff, and school leaders in the area of gifted and talented instruction.

Gifted and Talented Students

The district shall file with the New Jersey Department of Education Coordinator for Gifted and Talented Services a report by October 1, 2020 and thereafter on a schedule that coincides with the school district's New Jersey Quality Single Accountability Continuum (QSAC) review pursuant to N.J.S.A. 18A:7A-11. The report shall include, but not be limited to, the gifted and talented continuum of services, policies, and procedures implemented in the school district; the total number of students receiving gifted and talented services in each grade level Kindergarten through grade twelve disaggregated by race, gender, special education designation, and English language learner designation; the professional development opportunities provided for teachers, educational services staff, and school leaders about gifted and talented students, their needs, and educational development; and the number of staff employed by the school district whose job responsibilities include identification of and providing services to gifted and talented students. Programs for gifted and talented students will be periodically evaluated for their continuing efficacy and adjusted accordingly.

The parent of any student identified as gifted or talented shall be consulted regarding any program designed to address the student's particular needs.

Should a parent/guardian have concerns regarding the district's ability to meet a student's needs, all efforts will be made to resolve the matter through district administration.

An individual who believes the district has not complied with the provisions of N.J.S.A. 18A:35-34 et seq. may file a complaint with the Board of Education. This policy for filing a complaint shall be linked to the homepage of the Board's Internet website. The Board shall issue a decision, in writing, to affirm, reject, or modify the district's action in the matter. The individual may then file a petition of appeal of the Board's written decision to the Commissioner of Education through the Office of Controversies and Disputes in accordance with N.J.S.A. 18A:6-9 and the procedures set forth in State Board of Education regulations.

The district shall make detailed information available on its website regarding the policies and procedures used to identify students as gifted and talented and the continuum of services offered to gifted and talented students. The information shall include the criteria used for consideration for eligibility for the gifted and talented services, including the multiple measures used in the identification process to match a student's needs with services, and any applicable timelines in the identification process.

**5330.05 SEIZURE ACTION PLAN**

The Board of Education requires the development of a seizure action plan, an individualized health care plan, and an individualized emergency health care plan for students with epilepsy or a seizure disorder to care for and treat these students while at school pursuant to N.J.S.A. 18A:40-12.34 et seq.

In accordance with N.J.S.A. 18A:40-12.35, the parent of the student with epilepsy or a seizure disorder seeking epilepsy or seizure disorder care while at school shall submit the student's seizure action plan annually to the school nurse.

The school nurse shall develop an individualized health care plan and an individualized emergency health care plan for the student, provided the parents annually provide to the Board written authorization for the provision of epilepsy or seizure disorder care. The school nurse shall update these plans on an annual basis and as necessary in the event there is a change in the health status of the student. These plans shall include the information outlined in N.J.S.A. 18A:40-12.35.

In accordance with N.J.S.A. 18A:40-12.35, all staff members including staff working with school-sponsored programs outside the regular school day shall be trained in the care of students with epilepsy and seizure disorders. All school bus drivers, contracted and district-employed, shall be provided notice and information if they are transporting a student with epilepsy or a seizure disorder pursuant to N.J.S.A. 18A:40-12.36. The school nurse shall obtain a release from the parent of the student to authorize the sharing of medical information in accordance with N.J.S.A. 18A:40-12.37.

No school employee, including a school nurse, school bus driver, school bus aid, or any other officer or agent of the Board, shall be held liable for any good faith act or omission consistent with the provisions of N.J.S.A. 18A:40-12.34 through N.J.S.A. 18A:40-12.38, nor shall an action before the New Jersey State Board of Nursing lie against a school nurse for any such action taken by a person trained in good faith by the school nurse pursuant to N.J.S.A. 18A:40-12.34 through N.J.S.A. 18A:40-12.38. Good faith shall not include willful misconduct, gross negligence, or recklessness.

## 6440 COOPERATIVE PURCHASING

The Board of Education recognizes that centralized, cooperative purchasing may maximize the value received for each dollar spent. The Board of Education is encouraged to seek savings that may accrue to the school district by means of joint agreements for the purchase of goods or services with the governing body of any municipality or county .

For the purpose of this Policy, “cooperative pricing system” means a purchasing system in which the lead agency advertises for bids, awards a master contract to the vendor providing for its own quantities and the estimated quantities submitted by the individual registered members .

For the purpose of this Policy, “cooperative purchasing system” means a cooperative pricing system, joint purchasing system, commodity resale system, county cooperative contract purchasing system, or regional cooperative pricing system which has been approved and registered subject to N.J.A.C. 5:34-7.1 et seq.

For the purpose of this Policy, “electronic data processing” means the storage, retrieval, combination, or collation of items of information by means of electronic equipment involving the translation of words, numbers, and other symbolic elements into electrical impulses or currents.

For the purpose of this Policy, “joint purchasing system” means a cooperative purchasing system in which the lead agency serves as the purchasing agent for the membership of the system with all of the duties and responsibilities attendant. The lead agency advertises for bids and awards a single contract to a vendor providing for the payment to the contractor for its own needs and for the needs of the participating registered members of the system. The only contractual relationship is between the lead agency and the vendor.

For the purpose of this Policy, “lead agency” means the contracting unit which is responsible for the management of the cooperative purchasing system.

For the purpose of this Policy, “registered members” means Boards of Education who have been approved by the Director of the New Jersey Department of Community Affairs for participation in the cooperative purchasing system.

When the lead agency is a Board of Education or Educational Service Commission and the entire membership of the cooperative purchasing system established and properly registered with the New Jersey Division of Local Government Services in the Department of Community Affairs are Boards of Education, the provision and performance of goods or services shall be conducted pursuant to the Public Schools Contract Law. (N.J.S.A. 18A:18A-11 et seq.)

The School Business Administrator/Board Secretary is hereby authorized to negotiate such joint agreements for goods and services which the Board may determine to be required and which the Board may otherwise lawfully purchase for itself with such approved contracting units as may be appropriate in accordance with State law, the policies of this Board, and the dictates of sound purchasing procedures.

In accordance with the provisions of N.J.S.A. 18A:18A-12, a cooperative or joint purchase agreement(s) shall be entered into by resolution adopted by each participating Board of Education, municipality, or county, and shall set forth the categories of goods or services to be provided or performed ; the manner of advertising for bids and the awarding of contracts; the method of payment by each participating Board of Education, municipality or county, and other matters deemed necessary to carry out the purposes of the agreement. Agreements for cooperative and joint purchasing will be subject to all bidding requirements imposed by law. Purchases made through the State Treasury Department may be made without bid.

Each participant's share of expenditures for purchases under any such agreement shall be appropriated and paid in the manner set forth in the agreement and in the same manner as for other expenses of the participant.

In accordance with the provisions of N.J.S.A. 18A:18A-14.2, the Board may by contract or lease provide electronic data processing services for the Board of Education of another school district; and may undertake with such other Board, the joint operation of electronic data processing of their official records and other information relative to their official activities, services and responsibilities. The records and other information originating with any Board participating in such contract or lease may be combined, compiled, and conjoined with the records and other information of any and all participating local units for the purposes of such electronic data processing; and any provisions of law requiring such records to be kept confidential or to be retained by any Board or any officer or agency thereof shall be deemed to be isolated thereby.

A contract or lease to provide electronic data processing services shall set forth the charge for all services provided, or in the case of a joint undertaking the proportion of the cost each party thereto shall assume and specify all the details of the management of the joint undertaking, and any other matters that may be deemed necessary for insertion therein, and may be amended from time to time by the contracting parties in accordance with N.J.S.A. 18A:18A-14.3.

For the purpose of carrying into execution a contract or lease for a joint enterprise under N.J.S.A. 18A:18A-14.4, any party to such contract may act as agent for any or all parties in acquiring, by lease, purchase or otherwise, any property, facilities or services, in appointing such officers and employees as may be necessary and directing its activities, to the same extent as a Board of Education is authorized to do separately.

In the event that any controversy or dispute shall arise among the parties (except a municipality or county) to any such contract , the same shall be referred to the Executive County Superintendent of the county in which the districts are situated for determination and the determination shall be binding, subject to appeal to the Commissioner of Education pursuant to law. In the event the districts are in more than one county, the controversy or dispute shall be referred to the Executive County Superintendents of the counties for joint determination, and if they shall be unable to agree upon a joint determination within thirty days, the controversy or dispute shall be referred to the Commissioner of Education for determination.

## 6470.01 ELECTRONIC FUNDS TRANSFER AND CLAIMANT CERTIFICATION

The Board of Education permits the School Business Administrator/Board Secretary to use standard electronic funds transfer (EFT) technologies for EFTs for payment of claims pursuant to N.J.A.C. 5:30-9A.1 et seq. and 5:31-4.1, implementing N.J.S.A. 40A:5-16.5.

“Electronic funds transfer” for the purpose of Policy and Regulation 6470.01 means any approved method of transferring moneys permitted by N.J.A.C. 5:30-9A.1 et seq. that does not involve the physical presentation of a paper check, draft, or similar paper instrument including, but not limited to, wire transfers, e-checks, automated clearing house (ACH) transfers, and transactions initiated by phone or fax.

In accordance with N.J.S.A. 40A:5-16.5.b.(1), the Board of Education authorizes the use of only the forms of standard EFT technologies that are approved to be used by a Board of Education for EFTs for payment of claims. A Board of Education may not utilize procurement cards, charge cards, charge accounts, or any payment services such as PayPal or Venmo.

In accordance with N.J.S.A. 40A:5-16.5.b.(2), the Board designates the School Business Administrator/Board Secretary as being responsible for the oversight and administration of the provisions of N.J.S.A. 40A:5-16.5, N.J.A.C. 5:30-9A.1 et seq.; N.J.A.C. 5:31-4.1, and Policy and Regulation 6470.01.

The Board of Education will only initiate and approve electronic funds in accordance with N.J.A.C. 5:30-9A.1 et seq. Standard EFT technologies shall incorporate, at a minimum, the features and safeguards outlined in N.J.A.C. 5:30-9A.4(a). The Board will only utilize standard EFT technologies upon instituting, at a minimum, the fiscal and operational controls outlined in N.J.A.C. 5:30-9A.4(b).

The School Business Administrator/Board Secretary shall initiate a claim for payment by presenting a claim that has been approved by the Board, to be paid using an EFT technology.

The School Business Administrator/Board Secretary shall submit the claim for payment with all supporting documentation to the Superintendent of Schools or a designee who is not under the direct supervision of the School Business Administrator/Board Secretary, who shall review the claim for payment and authorize, in writing, the EFT claim using an EFT method.

The Board of Education shall annually approve the School Business Administrator/Board Secretary as the person authorized to initiate a claim for payment and the Superintendent of Schools or a designee not under the direct supervision of the School Business Administrator/Board

## 7440 SCHOOL DISTRICT SECURITY

The Board of Education believes the buildings and facilities of the school district represent a substantial community investment. The Board directs the development and implementation of a plan for school district security to protect the school community's investment in the school buildings and facilities. The Board will comply with the security measures required in N.J.S.A. 18A:7G-5.2 for new school construction and for existing school buildings.

The school district security program will include: maintenance of facilities that are secure against unwelcome intrusion; protection against fire hazards and faulty equipment; and compliance with safe practices in the use of electrical, plumbing, heating, and other school building equipment.

The Board shall provide to local law enforcement authorities a copy of the current blueprints and maps for all schools and school grounds within the school district or nonpublic school. In the case of a school building located in a municipality in which there is no municipal police department, a copy of the blueprints and maps shall be provided to an entity designated by the Superintendent of the New Jersey State Police. The Board shall provide revised copies to the applicable law enforcement authorities or designated entities any time that there is a change to the blueprints or maps.

The Board directs close cooperation of district officials with law enforcement, fire officials, and other emergency agencies.

Each public elementary and secondary school building shall be equipped with at least one panic alarm for use in a school security emergency pursuant to N.J.S.A. 18A:41-10 through 13.

The Superintendent of Schools shall designate a school administrator, or a school employee with expertise in school safety and security, as a School Safety Specialist for the district in accordance with the provisions of N.J.S.A. 18A:17-43.3. The School Safety Specialist shall be required to acquire a New Jersey Department of Education School Safety Specialist certification in

## 7450 PROPERTY INVENTORY

The Board of Education recognizes that efficient management and the replacement of lost, damaged, or stolen property depends upon an accurate inventory and properly maintained records.

The district shall maintain a complete inventory by physical count of all district-owned equipment .

For the purpose of this Policy, “equipment” shall mean any instrument, machine, apparatus, or set of articles which meets all of the following criteria and the cost is above \$2,000:

1. It retains its original shape, appearance, and character with use;
2. It does not lose its identity through fabrication or incorporation into a different more complex unit or substance;
3. It is nonexpendable; that is, if the item is damaged or some of its parts are lost or worn out, it is more feasible to repair the item than to replace it with an entirely new unit; and
4. Under normal conditions of use, including reasonable care and maintenance, it can be expected to serve its principal purpose for at least one year.

Unless otherwise bound by Federal, State, or local law, the school district will use the criteria above for their equipment classification decisions.

The School Business Administrator/Board Secretary or designee shall ensure that inventories are systematically and accurately recorded and that property records of equipment are adjusted annually. Major items of equipment shall be subject to annual spot check inventory. A major loss shall be reported to the Board.

Property records of supplies shall be maintained on a continuous inventory basis. An item should be classified as a “supply” if it does not meet all the stated equipment criteria outlined above and the cost is not more than the capitalization threshold of \$2,000.

The School Business Administrator/Board Secretary or designee shall maintain a system of property records that show, as appropriate to the item recorded, description and identification, manufacturer, year of purchase, initial cost, location, condition and depreciation, and current evaluation in conformity with insurance requirements.

Use of School Facilities

## 7510 USE OF SCHOOL FACILITIES

The district facilities belong to the community, which paid for them for the primary purpose of offering a full educational program for its children. Prudent use and management of school facilities outside of the regular operating schedules - providing that such use does not interfere with the orderly conduct of a thorough and efficient system of education - allows the community to benefit more broadly from the use of its own property. For the purpose of this policy, "school facilities" also includes school grounds.

The Ridgewood Board of Education will permit the use of school facilities when such permission has been requested in writing and has been approved by the Business Administrator for:

1. Uses and groups directly related to the school and the operations of the school;
2. Uses and organizations indirectly related to the school;
3. Departments or agencies of the municipal government;
4. Other governmental agencies; and
5. Community organizations formed for charitable, civic, or educational purposes.

The use of school facilities shall not be granted for partisan political purposes or any purpose which is prohibited by law. Use for partisan political purposes means use which is exclusive, by invitation or actual participation, in a meeting or other gathering primarily to members of a political party, or primarily to members or adherents of a group which advocates an ideology to address social or political concerns. Nothing contained in this definition shall be interpreted to restrict the use of a facility by a public official in the execution of the duties and responsibilities of that person's office, or any activities incident to such execution. Also, nothing contained in this definition shall be interpreted to restrict the use of a facility for any curriculum purpose deemed appropriate for instruction of the Ridgewood schools pupils.

In the event the Superintendent deems it advisable, any application may be submitted to the Board for action.

The Superintendent, School Business Administrator/Board Secretary, or the Board may refuse to grant the use of a school building whenever, in their judgment, there is good reason why permission should be refused. They shall not be required to give a reason for such refusal.

No one may bring alcoholic beverages onto any school property. All facility use shall comply with State and local fire, health, safety, and police regulations.

Use of School Facilities

The buildings shall not be available for community use during holidays, vacation periods, or during the time school is not in session over the summer when the programs interfere with cleaning and maintenance schedules unless approved by the School Business Administrator/Board Secretary.

Use of school equipment in conjunction with the use of school facilities must be specifically requested in writing and may be granted by the procedure by which permission to use facilities is granted. The user of school equipment must accept liability for any damage to or loss of such equipment that occurs while it is in use. Where rules so specify, no item of equipment may be used except by a qualified operator. No district equipment shall be removed from the premises for use by non-district personnel.

The Board shall require that all users of school facilities comply with policies of this Board and rules and regulations of this district. Each user shall present evidence of the purchase of organizational liability insurance to the limit prescribed by such rules. The users of school equipment must accept liability for any damage or loss to such equipment that occurs while it is in their use, regardless of any assignment of negligence.

Authorization for use of school facilities shall not be considered as endorsement of or approval of the activity, person, group, or organization nor the purposes they represent.

The Board shall provide to all persons who supervise youth programs that are not sponsored by the school district, but operate a program in a district building before or after school hours, on the weekend, or during a period when school is not in session, information on the district's school practices and procedures in the event of a school safety or security incident at a school including non-confidential information on evacuation procedures, emergency response protocols, and emergency contact information in accordance with the provisions of N.J.S.A. 18A:41-7.

Recreation sports organizations that use the facilities must provide a Statement of Compliance with the Ridgewood Board of Education's policy(ies) for management of concussions and other head injuries, including Policy No. 2431.4, and shall represent all of its coaches (head and assistant coaches) have received a copy of such policy(ies) and have successfully completed a course in concussion awareness, such as the Centers for Disease Control and Prevention's "Heads-Up: Concussion in Youth Sports" or the National Federation of State High School Association's "Concussion in Sports: What You Need to Know." The organizations shall provide copies of the coaches' certificates of completion of the appropriate concussion awareness course(s) upon request.

8420 EMERGENCY AND CRISIS SITUATIONS

The Board of Education recognizes its responsibility to provide for the safety and security in each school building in the district. The district will develop and implement written plans and procedures to provide for the protection of health, safety, security, and welfare of the school population; the prevention of, intervention in, response to and recovery from emergency and crisis situations; the establishment and maintenance of a climate of civility; and supportive services for staff, students, and their families.

The Superintendent of Schools or designee shall consult with law enforcement agencies, health and social services provider agencies, emergency management planners, and school and community resources, as appropriate, in the development of the school district's plans, procedures, and mechanisms for school safety and security. The plans, procedures, and mechanisms shall be consistent with the provisions of N.J.A.C. 6A:16-5.1 and the format and content established by the Domestic Security Preparedness Task Force, pursuant to N.J.S.A. App. A:9-64 et seq., and the Commissioner of Education and shall be reviewed annually, and updated as appropriate.

A copy of the school district's school safety and security plan shall be disseminated to all school district employees. New employees shall receive a copy of the school district's safety and security plan, as appropriate, within sixty days of the effective date of their employment. All employees shall be briefed in writing, as appropriate, regarding updates and changes to the school safety and security plan.

The school district shall develop and provide an in-service training program for all school district employees to enable them to recognize and appropriately respond to safety and security concerns, including emergencies and crisis, consistent with the school district's plans, procedures, and mechanisms for school safety and security and the provisions of N.J.A.C. 6A:16-5.1. New employees shall receive this in-service training, as appropriate, within sixty days of the effective date of their employment. This in-service training program shall be reviewed annually and updated, as appropriate.

The Board shall ensure individuals employed in the district in a substitute capacity are provided with information and training on the district's practices and procedures on school safety and security including instruction on school security drills, evacuation procedures, and emergency response protocols in the district and the school building where the individuals are employed in accordance with the provisions of N.J.S.A. 18A:41-7.

In accordance with N.J.S.A. 18A:41-1, at least one fire drill and one school security drill will be conducted each month within school hours, including any summer months, which the school is open for instructional programs. A school security drill means an exercise, other than a fire drill, to practice procedures that respond to an emergency situation including, but not limited to, a non-fire evacuation, lockdown, bomb threat, or active shooter situation that is similar in duration to a fire drill. Schools are required to hold a minimum of two active shooter, non-fire evacuation, bomb threat, and lockdown security drills annually. Fire alarm systems shall be initiated only during a fire drill evacuation. Responses made necessary by the unplanned activation of emergency procedures or by any other emergency shall not be substituted for a required school security drill.

Emergency and Crisis Situations

M

The Principal or designee will provide local law enforcement or other emergency responders, as appropriate, with a friendly notification at least forty-eight hours prior to holding a school security drill. Although these outside agencies are not required to observe school security drills, the Principal is encouraged to invite representatives from local law enforcement and emergency responder agencies to attend and observe at least four different security drills annually.

Such drills and in-service training programs shall be conducted in accordance with a building security drill guide and training materials that educate school employees on proper evacuation and lockdown procedures in a variety of emergency situations on school grounds as provided by the New Jersey Office of Homeland Security and Preparedness.

The school district will be required to annually submit a security drill statement of assurance to the New Jersey Department of Education by June 30 of each school year. Each school in the district will be required to complete a security drill record form as required by the New Jersey Department of Education.

**MINUTES OF THE  
REGULAR MEETING  
OF THE  
BOARD OF EDUCATION**

**Bergen County, New Jersey  
March 22, 2021**

**I. CALL TO ORDER AND ROLL CALL**

**Present:**

Mr. Michael Lembo, President; Ms. Hyunju Kwak, Vice President; Ms. Sheila Brogan; Mr. Saurabh Dani; Mr. Cristopher Kaufman (arrived at 5:51 p.m.)

**Also Present:**

Dr. Thomas Gorman, Acting Superintendent; Ms. Stacie Poelstra, Assistant Superintendent for Curriculum, Instruction & Assessment; Mr. Scott Bisig, Business Administrator/Board Secretary, Ms. Ojetta Townes, Manager of Human Resources.

**A. MOTION TO MOVE INTO EXECUTIVE SESSION**

Mr. Lembo moved the following resolution. Ms. Kwak seconded the motion, which was unanimously approved.

Whereas, said law requires the Board to adopt a resolution at a public meeting before it can meet in such Executive Session; now therefore,

Be it resolved, by the Ridgewood Board of Education, that it does hereby determine that it is necessary to meet in Executive Session to discuss a personnel and/or litigation matter and/or negotiations and/or contract matter.

Mr. Lembo announced the Board has been meeting in Executive Session pursuant to NJSA:12. The minutes from this meeting will be released when the need for confidentiality no longer exists. The Board was meeting to discuss issues of Personnel.

**B. MOTION TO OPEN REGULAR SESSION**

At 7:15 p.m., Mr. Lembo called the Regular Public Meeting to Order.

**C. REGULAR PUBLIC MEETING SESSION CALL TO ORDER AND ROLL CALL**

**Present:**

Mr. Michael Lembo, President; Ms. Hyunju Kwak, Vice President; Ms. Sheila Brogan; Mr. Saurabh Dani; Mr. Cristopher Kaufman

**Also Present:**

Dr. Thomas Gorman, Acting Superintendent; Ms. Stacie Poelstra, Assistant Superintendent for Curriculum, Instruction & Assessment; Mr. Scott Bisig, Business Administrator/Board Secretary, Ms. Ojetta Townes, Manager of Human Resources

**Visitors:**

There were approximately three visitors.

**II. FLAG SALUTE AND PLEDGE OF ALLEGIANCE**

Mr. Lembo led those present in the Pledge of Allegiance.

**III. OPENING STATEMENT BY PRESIDING OFFICER**

Mr. Lembo announced that pursuant to the requirements of the Open Public Meetings Act, advance notice of this meeting had been given to The Ridgewood News, The Record, and the Clerk of the Village of Ridgewood. In addition, notices were posted in the office of the Board Secretary and in all school buildings. Due to health concerns related to the COVID-19 meeting the public cannot attend the meeting and public comments can be called in or submitted through the website.

**IV. PRESENTATIONS****A. Student Representative Report**

Vivian Ewell and Miranda Lee provided a report from George Washington Middle School.

**B. Student Representative Report**

Zoe Kovac provided the RHS report.

- AP classes are beginning to review their respective material so that the students feel prepared. The College Board has publicly announced that students can take the test virtually or paper-pencil style, however, that decision is up to the school to make. Thus far, some classes have opted for the virtual model while other AP classes are required to complete the exam on paper. RHS is accommodating the requests of the AP teachers for this year's exams.
- This coming Thursday there will be a financial aid meeting for parents of juniors at 7 pm
- Randy Levin, a college essay advisor, will be shedding some light on the essay writing process for all sophomores and juniors on April 8th at 7:30 pm.
- The Newplayers had their virtual Cabaret performance this past weekend.
- The RHS Marching Band has been nominated for the North Jersey High School "Best Band Fan Favorite Award" so they are encouraging all to vote for them on the [sportsawards.usatoday](https://sportsawards.usatoday.com) website. Voting ends on March 31 and the 3 band finalists will be announced shortly after. This is a great way to show your support for the musicians of RHS as they've persevered and continued to perform throughout the pandemic.
- More athletics are set to begin on April 1 that includes Boys Tennis, Golf, Track, Baseball, and Softball.
- The annual Project Graduation Fashion Show was this past Thursday.
- The RHS College Club held their first meeting where they had an RHS Alumn currently studying at NYU share their experiences transitioning from high school to college.
- The RHS Psychology Club has teamed up with the Psychology Honor Society from Cornell University. Students from Cornell joined their most recent meeting to discuss psychology through the lens of the college process, resume building, and research opportunities.

- A group of RHS students from all grade levels has partnered with Deputy Mayor Michael Sedon to improve Ridgewood's environment.

### **C. Ridgewood High School InventTeam**

Dr. Hsuan Lillian Labowsky, Mr. John Wohner and the student InventTeam: Patrick De Meulder, Matthew De Meulder, Elliott Ewell, Hailey Haglid, Ashli Hamilton, David Mo, Teddy Stephens, Carina Trama, Emily Truszkowski, Clare Walicki, Zun Zhang presented information on their Solar Aqua Tech water bottle. The Ridgewood High School InvenTeam is one of only 13 teams nationwide to be awarded a Lemelson-MIT InvenTEam grant.

### **V. COMMENTS FROM THE PUBLIC**

The following callers addressed the board:

Kerri Miller, 141 Johns St. spoke in favor of rescinding the motion on the RFP vote for the ITDC. Discussed the reputational damage that the RFP is causing the program.

Phil Rodriguez, 666 Grove Street, complimented the Science team who presented this evening, spoke about his concern regarding a recent RHS fundraising event that did not require students to wear masks.

Kristin Reilly, 21 Austin Place, spoke about ITDC and a previous discussion which brought up the statement stating that it is not a K-12 mandate. She referenced the Teddy Bear statue which is being protected by a 3 year pilot program. Urged that the ITDC presentation be scheduled.

Laurie Weber, 235 South Irving St., responded to Ms. Reilly's comments regarding the pilot program which will require the payment of rent and users will be charged a competitive tuition. She reviewed the legislation and offered her assistance in sharing it with anyone who is interested.

Tom Thurston, 477 Beverly Road, asked about quarantine times if a student test positive, how will it work? Shared a concern from parents about quarantine times with spring sports and having more students return to school. Athletics and activists are a big part of the High School, wants clarity on quarantine times.

Kerri Miller, responded to a previous caller stating that she was not asking to be part of a pilot program but instead to keep the program as it is. The ITDC rent is comparable to the market price.

Dr. Gorman commented on the previously asked questions:

The fashion show is not a school sponsored event, but the High School benefits greatly from their charity. As far as he knows they followed the state law and the policies of the venue.

Regarding quarantine times, the risks are similar to what they are now, we have had to shut down programs for two weeks in the past in order to quarantine. In the classroom if the students are sitting less than 6 feet, the students may have to quarantine depending upon various factors.

The following written comments were submitted:

Susan Madison, 428 Linwood Avenue, Evidence is emerging every day that lockdowns, remote learning, and quarantines are significantly worse for children and adolescents than the risk of contracting Covid-19. I commend the board and administration for recognizing this fact by agreeing to enter phase 2 for all of our students.

However, I remain concerned that we are setting ourselves up to fail by not revamping our Covid 19 quarantine and contact tracing policies to align with the CDC and the State of New Jersey which provide for shorter quarantine periods than the district's current 14-day standard. On February 15, 2021, the state of New Jersey revised its quarantine guidance related to contact tracing to add the option to reduce quarantine even in orange and red CALI zones to 10 days without a negative Covid-19 test and 7 days with negative test results collected at 5-7 days. According to the revised guidance, this reduction can be made when the 14 day quarantine period is not feasible.

It is my opinion, given what we now know about the harmful effects of quarantine and remote learning on the social-emotional and academic learning of children and adolescents that a 14 day quarantine period is clearly not feasible.

We also need to narrow our definition of close contact for quarantine purposes. The CDC states that close contact requires someone to be less than 6 feet away from a Covid positive person for 15 minutes. Assigned seating and other protocols should be used in our classrooms to restrict the number of people who need to quarantine to those immediately next to the patient 0, rather than quarantining whole classes. This more targeted approach will enable us to maintain more consistent attendance at school, something that is unequivocally best for kids. The following data is from the New Jersey Department of Health. In 2020, 14 people in New Jersey between the ages of 5 and 24 died of Covid-19. 229 people in this age group died in accidents or unintentional injuries. 72 people died of suicide. YTD in 2021 1 person between the ages 5 -24 has died of Covid-19. 21 have died of unintentional injuries and 8 have died of suicide. Our district's Covid policies need to start reflecting the fact that intentional self-harm and unintentional injuries are much bigger risks to our children than Covid 19 and keeping them out of school exacerbates this risk.

I am urging the board to take a risk-based approach to district Covid 19 policies including shortening the contact tracing quarantine and narrowing the definition of close contact. Doing so will provide the greatest reduction in overall risk to our children.

Colette Tretola, 429 Fairway Road, Thank you for all the hard work you have all done over the past couple of weeks in implementing the return of all students back to school every day for half-days. We know this is just the first step, and the community looks forward to working with you in getting to the ultimate goal of full-day school every day for our children.

As we get ready for this next phase on April 19th there is one particular hurdle that we

believe we need to get over before that date and that is the contact-tracing quarantine policy.

1) Per the updated February 15th quarantine timeframe recommendations from the NJ Department of Health the policy states that areas in high-risk or orange zones can reduce their quarantine guidelines to 10 days without testing or 7 days with negative test results collected between days 5-7 when the 14-day quarantine is not feasible or creates a significant hardship. We know you would all agree that keeping a child who is healthy and has tested negative for COVID out of school for 14 days, 7 days more than is currently recommended, is not a feasible solution. In fact, it is harmful to a child's stability and mental well-being. Our children need to be in school as many days as possible and keeping them home longer than necessary based on science is detrimental to their mental and physical health.

2) Ridgewood has already adopted the shorter quarantine recommendations for travel. We ask that you harmonize the contact-tracing quarantine policy with the travel policy, as they address the same issue – exposure to COVID. It doesn't make sense to have a longer quarantine time for being exposed to COVID within NJ than it would for being exposed to COVID outside of NJ. It is unclear what would make inconsistencies to these policies appropriate. We believe that adopting this reduced policy that was recommended on February 15th would encourage more students to come back to school for in-person learning. Some students are worried about being contact-traced in their classrooms and then being stuck at home for 14 days, missing out on extra-curricular activities and sports when in most instances they are healthy. If students knew that if they tested negative in 7 days and could return to school, they would be more likely to return to in-person learning on April 19th. We ask that you take the social and emotional well-being of our students seriously and follow other fellow Bergen County districts who have adopted the shorter policy like Ramapo Indian Hills and Harrington Park (also in orange zones) and adopt this policy.

Kelly O'Brien-Gazzini, 523 Lotus Road, Thank you for your efforts on behalf of our Ridgewood students. I am writing in support of the Smart Balance Team and the volunteer work they have pursued over the course of many years. I speak with heartfelt gratitude toward our Ridgewood educators and administration, particularly as they navigated through this past year of virtual learning. Virtual learning, of course, came with its challenges for both our students and teachers alike, but it had its benefits as well. The greatest benefit for my children by far was the extra hour of sleep it provided in the morning. Time saved on "getting ready" for school and the commute/walk to school. The American Academy of Pediatrics and the CDC cite insufficient sleep in adolescents as "one of the most common and important health risks" in this population. Stating how sleep deprivation negatively impacts their safety, physical and mental health as well as academic performance. Biological changes in sleep associated with puberty for middle and high school students result in later sleep onsets and wake times. Evidence strongly suggests earlier school start times before 8:30 a.m. contribute to insufficient sleep as well as circadian rhythm disruptions. The American Academy of Pediatrics "strongly supports" school districts working to optimize sleep for students through later school start times. As we know, for the majority of Ridgewood middle and high school students, the close of the school day is merely the halfway mark. After school clubs and activities, sports, and jobs are the norm followed by countless hours of homework mixed with a hopeful degree of social and familial interaction. This adolescent lifestyle is a product of our culture and difficult to change. We

can, however, make a difference in our adolescents' sleep schedule and follow the recommendations of the CDC and the American Academy of Pediatrics. =

One of the greatest gifts to my high school students was a "sleep-in" for the first period which the administration thankfully implemented. While this action recognizes the need for increased sleep for our adolescents, it is merely a gesture. The knowledge which this policy was based upon confirms the administration's belief in the importance of increased sleep time for our students. I implore the Board and Administration to let our transition to the 2021-2022 school year be the time to implement the American Academy of Pediatrics and CDC's recommendation for the later school start time to 8:30 a.m. for our middle and high school students. Thank you kindly for your time and concern toward this important matter.

Laura, 309 Stonycroft Road, I'd first like to thank the board for setting a date for when my children can return to in-person learning 5 days a week. The lack of in-person socialization has had a negative impact on my children and I am concerned about the long-term effects. I'd like to ask the board why there are different contract tracing & travel quarantine policies for school districts within Bergen County. I'd like to understand why there are inconsistencies versus the state guidelines and/or the CDC guidelines. As we move to 5-day in-person school, having consistent quarantine policies will become even more important and is critical to keeping our children in school.

In this regard, on Feb. 15th, 2021, the NJDOH did give districts the ability to adopt shorter quarantine periods even in Orange and Red zones if 14 day periods are not feasible. 14 days is NOT feasible for Ridgewood's kids because being out of school hurts kids!

Karen Fritz, 309 Stonycroft Road, Thank you to the superintendent and the Board for the recent decision to allow our children to attend school in-person 5 days per week. With the goal of keeping our students in-person as much as possible, I ask for your same prompt consideration to this request for a reduction of the current District quarantine timelines related to contact tracing and schools. In December 2020, the CDC released options to shorten the quarantine time period for COVID-19 close contacts, which may reduce the burden and increase willingness to adhere to public health recommendations. The guidance states "Quarantine can end after Day 10 without testing and if no symptoms have been reported during daily monitoring" and "When diagnostic testing resources are sufficient and available (then quarantine can end after Day 7 if a diagnostic specimen tests negative and if no symptoms were reported during daily monitoring." Furthermore, on Feb. 15th, 2021, the NJDOH gave districts the ability to adopt shorter quarantine periods even in Orange and Red zones if 14 day periods are not feasible. The current District policy states a 14-day quarantine, regardless of a negative PCR test, which keeps children out of school unnecessarily. As an example, my daughter has had to quarantine for 6 weeks this school year, despite never testing positive for COVID. Neighboring districts, such as Ramapo/Indian Hills, have been following the updated/reduced quarantine guidelines since December. Likewise, I request for our District to please revisit and revise the current guidelines. Thank you

Alison Harris, 58 Phelps Road, The CDC quarantine guidelines of 10 days or 7 with a negative test on day 5 aren't being followed in schools in NJ, because the NJDOH guidance is outdated and requires 14-day school closures. Similarly, the NJDOH guidance to quarantine entire classes or schools instead of CDC-defined "close contacts" (within 6' for 15 minutes or more) is outdated. The NJDOH guidance results in constant disruptions to

children and families' lives, the harm of which is now documented by our own CDC. With the goal of keeping our students in-person as much as possible and districts like Ramapo Indian Hills have already implemented. We need our policies to align with CDC guidance - test out after 7 days or 10 days with no test.

Alexandra Rivas Smith, 375 Fairmount Road, Please consider a reduced amount of required quarantine time for students post-travel or a possible exposure with appropriate PCR negative results which is more in line with current CDC guidelines. Please inform us as to the plans for full-day instruction with lunch at the high school. Let's call this phase three. With warmer weather, an open campus, and more information about the number of students returning to in-person instruction, this should be feasible.

## **VI. SUPERINTENDENT'S REPORT**

Dr. Gorman reported that the news reports and health officials warned that COVID positivity rates could be higher in March due to the new variants. We have seen an uptick in cases within our schools and the village over the past two weeks, but we are hoping to see a decline in numbers as more people receive vaccinations and spend time outdoors. To help combat the spread of the virus, everyone must do their part and follow the three Ws - watch your distance, wear a mask, and wash your hands.

Over the prior two weeks, we have seen a 3.5% increase in the number of students returning to in-person instruction. Kindergarten and first-grade students began an expanded in-person instructional model today. The District will transition to Phase II for students in grades 2-12 on April 19. This date is still tentative, as it is dependent upon the COVID positivity rate not increasing. Families will continue to have the option to choose the fully remote model for the remainder of the school year.

This week, the District will be sending surveys to parents, 6-12 students, and staff members to gather feedback on the educational experience so far this year.

Quarantine determinations are made following the New Jersey Department of Health guidelines in consultation with the local health officials and our school physician. The School-Based Mental Health Team is available for all students who need support.

Ms. Poelstra reported that the New Jersey Department of Education sent a broadcast announcing that state assessments will take place this school year. Training sessions are beginning for test administrators, and there will be a way for remote students to take the assessments. The testing window will be later this year. We have not yet received any information on the length of the tests.

Dr. Gorman discussed the letter he sent to the community earlier in the day regarding the events that occurred in Atlanta, Georgia and reconfirmed that RPS fosters a culture that values differences and promotes empathy.

Dr. Gorman will meet with the director of the ITDC regarding a presentation on how they can move forward and then will report back to the BOE.

Dr. Gorman stated that the district works closely with the police department on ensuring that

any students that may need help receive it.

#### **XI. BOARD MEMBER ANNOUNCEMENTS**

Mr. Lembo announced that as we transition to more in-person meetings, the procedure for written comments will be changing.  
The Home and School Associations have many great fundraisers taking place to support the schools.

#### **XII. BOARD COMMITTEE REPORTS**

Committee meeting minutes were sent to the Board as background information.

#### **XIII. DISCUSSION ITEMS**

Discussion regarding the transition to Phase II and Phase III of the reopening plan took

place. The district website has a section dedicated to resources for parents and students regarding emotional support.

Ms. Kwak shared her perspective as an Asian American Woman on the Board of Education.

#### **XIV. ACCEPTANCE OF MINUTES**

- February 22, 2021 Regular Public Meeting
- March 8, 2021 Executive Session Meeting

Mr. Lembo moved Acceptance of Minutes.

Ms. Kwak seconded the motion, which was unanimously approved.

#### **XV. OTHER BUSINESS**

Mr. Dani discussed feedback he received from the public regarding parent participation in pandemic response teams, questions regarding the process for picking parent representatives in committees and the design of survey questions.

Dr. Gorman confirmed that NJDOH currently is still recommending 14 days of quarantine. Dr. Gorman and Ms. Poelstra discussed how survey questions are created. The process to create the surveys is long and the district tries to be as neutral as possible while providing as many facts as possible to allow the participant to make a well informed decision. The questions are also vetted through the HSA's for feedback.

This portion of the meeting can be viewed at 1:56.

#### **XVI. COMMENTS FROM THE PUBLIC**

The following comments written comments were submitted:

Kristin Bridges, 642 Upper Boulevard, I hope the board will advocate for adopting a 10-day quarantine policy with an option to test on days 5,6 or 7 to shorten quarantine time for our schools. The CDC has said this is acceptable for low-risk populations when the burden of a longer quarantine is too great. The burden to our children of yet another week of missing school IS too great. The risk of developing and spreading the virus is significantly shorter after the 5-day mark. There have been zero cases of in-school spread. Our children are wearing masks and not eating in school. Windows are open. Teachers are 6 feet at a minimum and have had the opportunity to be vaccinated. The risk of infecting other children is small and even if infected they tend to have very mild symptoms- if they have any at all. Please please please advocate for our children. We have to stop subjecting them to this constant cycle of uncertainty and change and allow them to be in school as much as possible.

Linda McNamara, 575 Knickerbocker Road, I am so impressed with Ms. Kwak as a person and as a Board Member. I am heartbroken for the prejudice she has endured and also as a member of the Asian Community. Her comments this evening should be heard by everyone in our community and shared with our student body. How brave she is to speak out and how important it is for all of us to speak out on issues of D.E.I. I admire her and

am praying for an end to the violence we are experiencing at an increasing rate in our country.

Kristen Bridges, 642 Upper Boulevard, Other NJ school districts have already switched to a 7-day quarantine. Surrounding states as well

The following callers addressed the board:

Ann Loving, 342 South Irving Street, Expressed gratitude and support towards Ms. Kwak and concern over the recent act of violence.

Kelly Buchsbaum, Federated HSA President clarified that every HSA at every school hold meetings monthly that are open to all parents of the school. Offered her email address to address questions.

Laurie Weber, 235 South Irving Street, expressed sympathy towards Ms. Kwak. urged Mr. Lembo to monitor attacks on board members during public comments.

#### **XIX. ADJOURNMENT**

At 9:18 pm by a motion made by Mr. Lembo, seconded by Ms. Kwak, the meeting adjourned.

Respectfully submitted,

Scott Bisig  
Business Administrator/Board Secretary

Lucy Papamichael

**April 26, 2021**

**Bergen County, New Jersey**

Minutes of the Regular Public Meeting of the Board of Education held on April 26, 2021, at 7:00 p.m., at the Education Center.

**I. CALL TO ORDER AND ROLL CALL**

**Present:**

Mr. Michael Lembo, President; Ms. Hyunju Kwak, Vice President; Ms. Sheila Brogan; Mr. Saurabh Dani; Mr. Cristopher Kaufman (arrived at 5:51 p.m.)

**Also Present:**

Dr. Thomas Gorman, Superintendent; Ms. Stacie Poelstra, Assistant Superintendent for Curriculum, Instruction & Assessment; Mr. Scott Bisig, Business Administrator/Board Secretary, Ms. Ojetta Townes, Manager of Human Resources

**A. MOTION TO MOVE INTO EXECUTIVE SESSION**

Mr. Lembo moved the following resolution. Ms. Kwak seconded the motion, which was unanimously approved.

Whereas, said law requires the Board to adopt a resolution at a public meeting before it can meet in such Executive Session; now therefore,

Be it resolved, by the Ridgewood Board of Education, that it does hereby determine that it is necessary to meet in Executive Session to discuss a personnel and/or litigation matter and/or negotiations and/or contract matter.

Mr. Lembo announced the Board has been meeting in Executive Session pursuant to NJSA:12. The minutes from this meeting will be released when the need for confidentiality no longer exists. The Board was meeting to discuss issues of Personnel.

**B. MOTION TO OPEN REGULAR SESSION**

At 7:05 p.m., Mr. Lembo called the Regular Public Meeting to Order.

**C. REGULAR PUBLIC MEETING SESSION CALL TO ORDER AND ROLL CALL**

**Present:**

Mr. Michael Lembo, President; Ms. Hyunju Kwak, Vice President; Ms. Sheila Brogan; Mr. Saurabh Dani; Mr. Cristopher Kaufman

**Also Present:**

Dr. Thomas Gorman, Acting Superintendent; Ms. Stacie Poelstra, Assistant

Superintendent for Curriculum, Instruction & Assessment; Mr. Scott Bisig, Business Administrator/Board Secretary, Ms. Ojetta Townes, Manager of Human Resources

**Visitors:**

There were approximately five visitors.

**II. FLAG SALUTE AND PLEDGE OF ALLEGIANCE**

Mr. Lembo led those present in the Pledge of Allegiance.

**III. OPENING STATEMENT BY PRESIDING OFFICER**

Mr. Lembo announced that pursuant to the requirements of the Open Public Meetings Act, advance notice of this meeting had been given to The Ridgewood News, The Record, and the Clerk of the Village of Ridgewood. In addition, notices were posted in the office of the Board Secretary and in all school buildings.

**IV. PRESENTATIONS**

**A. Student Representative Report**

Students from the Ridge Elementary School Leadership Club, Isla Bender, Drew Callen, Alex Evers, Anya Lambert, Charlotte Sher presented current events at Ridge Elementary School.

**B. Student Representative Report**

Zoe Kovac, Ridgewood High School Student Representative provided the following report:

Arts:

- The New Players will be putting on a performance of Shakespeare's Macbeth this Friday at 8 pm, this Saturday at 2 pm, and again at 4:30 pm. The production will take place at the Overpeck Park Amphitheater and those who wish to attend can purchase tickets on the New Players website.
- The RHS ArtBeat Organization, a student congress committee that celebrates talented young musicians and artists at the high school level and community at large, has been recording new episodes for their podcast. They have also launched their virtual gallery on their website which showcases the stunning work of our students. They used a high definition and immersive software to replicate the gallery and it's sure to impress the audience.
- Many high schoolers partook in the 58th Maroon and White Recital which took place virtually and has now been uploaded to an online gallery for all to see. There is a diverse array of performances included and I encourage everyone to take a look because the students are phenomenal.

Athletics:

- The RHS Crew team participated in the first event of the 2021 Manny Flick Series of rowing races on the Schuylkill River in Philadelphia. Despite the crew season having a delayed start this year due to the pandemic, the Girls Varsity 4x team and the Girls Ltwt 4x team took 1st place in the race.
- The Boys Varsity Baseball Team had a successful season opener as they defeated Northern Highlands 11-1.
- The Girls Varsity Volleyball team beat Randolph in the North Jersey Section 1 Championship which hasn't happened in 25 years.

## Activities:

- The RHS College Club has played a huge role in helping underclassmen explore different colleges. So far they've had representatives from Fordham, GW, Boston College, and NYU.
- The RHS Democrats Club held an in-person event but they recently held an outdoor gathering with Karlito Almeda and his running mate Ruth Dugan who are running for NJ State Assembly. They spoke about their campaign and even offered summer internships to those who were interested. Additionally, they are in the process of seeking new leadership for the club as many of the current leaders will soon be leaving for college.
- The RHS High Times is getting ready to release the April/May issue. They have also sent out applications for those who wish to hold leadership positions next year.

## Miscellaneous:

- Following Dr. Gorman's email regarding later start times which announced that a recommendation would be made in the spring of 2022, several students voiced their disappointment that this discussion will continue to go on unresolved into the next school year. An abundant amount of students feel that this will be very beneficial to them with juniors adding that "with the college process being so stressful, it would be so helpful if we were able to catch some extra sleep" and current seniors saying "I wish this was done sooner so that my peers and I could have also benefited from it."

**V. COMMENTS FROM THE PUBLIC**

The following community members addressed the board:

Commenter did not provide name/address, Asked whether transgender identify and sexual orientation diversity lessons starting in Kindergarten in the 2021-2022 school year? Are we already teaching 8th grade students lessons regarding vaginal/oral/anal sex as per the new DOE standard? January 31 senate bill 1569 signed into law, lgbt standard was introduced. How is this implemented in Ridgewood, which grades and which subjects? How will the revisions be included?

Laurie Weber, 235 South Irving Street, read her statement and requested it be part of public record:

According to the administrative law judge and the Commissioner of Education, the law governing the use of schoolhouse rooms, adopted in 1967 and amended in 1999, never permitted their uses for infant/toddler care programs. However, barring any complaints some programs like the ITDC operated under the radar of those agencies.

It wasn't until 2018 that a complaint about a program like ours in Evesham Township NJ was adjudicated by those governing authorities and when it was, it was ordered closed. The lawyers for the Evesham Township Board of Education offered similar arguments to those offered in defense of our program regarding the intent of the law and the subject of state licensing. Each of those claims were refuted in the final decision.

If you ask the Department of Children and Families Office of Licensing, they'll tell you that they automatically give exemption from state licensing to school districts no matter what the

program is because they do not have the authority to enforce laws regarding schoolhouse use. They simply inspect, license and field complaints about licensing violations. They will tell you it is up to the Commissioner of Education to rule a use of public school space lawful or not. So the fact that the Ridgewood Public Schools requested and received exemption from licensing for the ITDC in 2015 demonstrates nothing about whether that specific use is legitimate or entitled to exemption.

In January 2020, an amendment to the governing statute was adopted, the sole purpose of which was to create a 3 year pilot program to study the impact of infant/toddler programs operated in school facilities. While the pandemic has delayed the start of the pilot program, the law is clear. The only lawful option for infant/toddler programs on school property is the pilot program which comes with specific requirements for the payment of fair market rent and tuition, financial reporting, and state licensing. The intent is to impose the same industry standards required of private businesses of the same kind.

If you ask the legislative legal counsel in Trenton, they will confirm that school district providing infant/toddler care must be licensed by the state. While for years these programs ran in spite of the law, now the law has caught up with them and closed the loophole in the Childcare Licensing Act. So for the next three years, the ITDC can continue, but it must follow the law.

I ask the superintendent and board president, what does it take for the board to acknowledge and respect the law? As you make plans for the ITDC's future, you need to ask yourselves if you're going to follow the law or do whatever you can get away with until someone files a complaint and the Commissioner of Education holds you accountable. It's time for arguing to stop and for compliance with the law to begin.

The following callers addressed the Board:

Corrin Dillin, 217 Fairmount Road, called in support of the possible new elementary ELA and Social Studies Supervisor position. She hopes there will be an effort to integrate elementary social studies and ELA instruction. Reviewed studies in support of more time on Social Studies instruction.

Bill Bond, 335 Kensington Drive, commented on COVID protocols and asked the board to comment on the protocols. Believes the district should follow the CDC recommended guidelines.

## **VI. PUBLIC HEARING ON THE 2021-2022 BUDGET**

### **A. BUDGET OVERVIEW**

Dr. Gorman, Ms. Poelstra, and Mr. Bisig presented the 2021-2022 Budget.

Dr. Gorman highlighted the district mission and provided a sampling of achievements and honors.

Ms. Poelstra shared how the budget supports the academic program and reviewed curriculum updates to align with revised New Jersey Student Learning Standards for science, visual and performing arts, world languages, and career readiness, life literacies, and key skills. She reviewed areas of focus for professional development which support the goals and objectives of the RPS Strategic Plan and provided examples of innovative academic programming in the district, such as AP Capstone, Ridgewood Academy for Health Professions (RAHP), Career Pathways in Medicine

Program (CPM), and a variety of STEAM and other interdisciplinary offerings. The 2021-2022 budget provides necessary district staff, academic offerings, extra-curricular activities, and transportation; improves the instructional program and meets contractual obligations; addresses school safety; responsibly maintains our buildings and grounds; stays within the guidelines of the New Jersey Statutory State caps; and maintains fiscally responsible budget guidelines.

Mr. Bisig reviewed the approved key appropriations, as well as anticipated revenue. The general fund tax levy increase is 1.99%. Proposed summer capital projects include electrical upgrades to Ridgewood High School, track resurfacing at Benjamin Franklin Middle School, and replacement of outdated pneumatics controls at Somerville Elementary School, Willard Elementary School, and the Education Center. A breakdown of the IT budget was provided.

#### **B. COMMENTS FROM THE PUBLIC ON THE 2021-2022 BUDGET**

There were no comments from the public.

#### **C. REMARKS BY INDIVIDUAL BOARD MEMBERS**

Board members thanked the administrators for putting together the budget and for the presentations.

Ms. Brogan asked what does the \$108,000 mean? Is it tax relief?

Mr. Bisig will speak with the auditor and attorney for clarification on what can be done with the money.

Ms. Kwak clarified that the difference in numbers between the preliminary budget versus the current budget are due to grants and entitlements that have come in. Asked if we are able to return funds to the taxpayers from unexpended funds.

Mr. Bisig will follow up with the attorney and auditor regarding this question.

Mr. Lembo asked why did some extracurriculars go down?

Mr. Bisig stated that they may have streamlined clubs.

## VII. SUPERINTENDENT REPORT

Dr. Gorman reflected on many of the great things that are happening at the Ridgewood Public Schools. It was great to welcome our students back to school five days per week and to see their excitement and joy. The educational experience is comprised of the 4 A's - academics, arts, athletics, and activities. It is important to remember all of those components. The comprehensive education provided at RPS is second to none, and many

of these things are not reflected in rankings.

The searches are underway for two leadership positions within the district: Principal of Ridgewood High School and Principal of Ridge Elementary School. Governor Murphy announced new reopening guidance today, but we are awaiting more specific information from the New Jersey Department of Education regarding events such as promotion ceremonies, prom, and graduation.

The Board and Dr. Gorman discussed COVID protocols. We are following the NJ department of health guidelines and currently the time period for student quarantine is 14 days after exposure, since we are in the yellow zone.

## **XII. BOARD MEMBER ANNOUNCEMENTS**

Ms. Brogan provided a Legislative Report regarding School Bond Referendums. April 20 was one of five dates this year that voters can decide on a school bond referendum. Five districts had their bond referendum questions approved: one in Atlantic County (Buena Regional School District,) two in Bergen County (River Vale and Waldwick), one in Hunterdon County (East Amwell), and one in Passaic County (Clifton).

River Vale saw two of their three bond proposals approved for a total of \$40,795,494. Improvements included in the proposal were front canopies and air conditioning for their three schools and the construction of a Wellness Center at their middle school. State funding for these projects is estimated at \$14,651,850 (36%).

Waldwick voters approved a \$30,550,000 bond with state funding estimated at \$10,987,020. The projects include a new secure entrance, window replacement, new lighting, HVAC replacement, and improvements to flooring and athletic fields at the high/middle school. In one elementary school wing, they will be doing window and HVAC system replacements, new lighting, and flooring upgrades. At another elementary school, they will be doing site improvements.

Of note was the approval of the \$168,282,735 referendum in Clifton. State funds are estimated at \$64,581,246. The projects for this bond referendum for their 19 buildings include bathroom renovations, HVAC replacements to systems that are 60 + years old, security upgrades with construction of vestibules and installation of new security camera systems.

Governor Murphy shared interesting figures in his press conference yesterday: 246 districts are open for in-person instruction, 470 are open for hybrid instruction, 47 are all remote learning, and 48 are using a combination of in-person or hybrid. Hybrid is still the most common option.

Dr. Gorman announced that while there has not been any clear guidance on what will happen in September, all indications are that schools will resume full-time in-person learning. There may be some medical exceptions for students.

Mr. Lembo talked about the RHS Externship Program, coordinated by Tim Monahan and Bill McCabe, that will be starting in May. Alumni from all over the world have responded to participate in the mentoring program.

## **XIII. BOARD COMMITTEE REPORTS**

Mr. Kaufman announced that the Alternative Schedules Task Force has begun meeting.

He met with the Superintendent of Radner and their process for Alternative Schedules. As the district moves forward in the process, input from parents, students, and staff members will be collected. The Board will receive a timeline on the initiative shortly.

Ms. Kwak, as chair of the Negotiations Committee, expressed appreciation for everyone involved in getting the negotiation settlement ready for ratification by the Ridgewood Education Association. It is the first time in 18 years that the district has been able to accomplish a settlement before the expiration of the contract. She noted that we are thankful that settlement has been accomplished so that we can keep our priority on keeping the schools open and the focus should be on the children. The details will be announced once the settlement has been fully ratified.

Mr. Lembo announced that the Policy Committee met to review new and revised policies, many of which are mandatory. The policies are attached to the agenda.

- Electrical Service Upgrade at Ridgewood High School
  - The Board has received background information.

Mr. Bisig provided an update that as per the engineers the 40 year old raceway, which is a pipe that runs 40 feet underground under the courtyard may cause a delay in the electrical upgrade project and therefore a delay in school opening in September; if there are any obstructions or the pipe is compromised because of the elements. The engineers believe that we can be proactive now and address it by replacing it with a new one instead of waiting to encounter the problem.

The cost of the upgrade would be \$27,000 to remove the old raceway and replace it with new piping. Funds have already been budgeted for this portion of the project within the original scope of the project. It is not an additional cost.

Mr. Lembo made a motion to proceed with the project.  
Ms. Brogan seconded the motion which carried by the following roll-call vote:

AYES: Ms. Brogan, Mr. Dani, Mr. Kaufman, Ms. Kwak, Mr. Lembo  
NAYS: none

Mr. Dani requested a slide at a future meeting regarding the criteria for an item to show up at the public meeting for board approval versus just having a bill being paid.

Dr. Gorman stated that the board met in Executive Session to discuss Infant Toddler and read the following statement:

On March 22, 2021 after discussing Infant Toddler with legal counsel and the Board of Education, Mr. Bisig and I were charged with hearing Infant Toddler's proposal on how they will at a minimum break even with the program or run at a profit for the next year. The numbers that were presented at this meeting were then to be verified by the BOE independent auditor to determine if the numbers are realistic and feasible, once this

information was received I was then to update the Board of Education. The board further decided to not release the RFP to the public for new programs until all this information was gathered and presented to them. Then the consensus of the board would decide to either continue with the RFP or allow the program to continue to operate based on the information received for the 2021-2022 school year. Therefore based on the information that Infant toddler submitted, confirmation of Infant Toddler's numbers by the auditing firm, Lerch, Vinci, & Higgins and the legality confirmation by the Board Attorney, Mr. Giacobbe, the recommendation to the Board is to give ITDC an opportunity to run a successful program in the upcoming 2021-2022 school year on probationary status. If ITDC's enrollment does not meet the projected numbers by October 31, they will be asked to make further cuts during the next school year to attempt to reach a profit, and the program will be closed at the end of the 2021-2022 school year. If they do meet their projected numbers and break even or show a surplus, the recommendation is to allow ITDC to operate in the 2022-2023 school year.

Based on timing and based on the work that Dr. Gorman and Mr. Bisig have done, Mr. Kaufman made a motion to allow the Infant Toddler Development Center to run the program for the 2021-2022 school year.

Ms. Brogan seconded the motion, which carried by the following roll call vote:

AYES: Ms. Brogan, Mr. Kaufman, Mr. Lembo  
NAYS: Mr. Dani, Ms. Kwak

Mr. Dani stated he would like his comment added to the minutes. He is voting no because, first he is ok with the financials and thanked the ITDC staff and everyone who worked on those. The financials, they have come up with a lot of efficiencies from where we started. It is unfortunate that we had to go to RFP and a lot of discussions at the board meetings to find the efficiencies which they should have found as a business, because it is an enterprise fund. Those efficiencies should have been found earlier, which he is thankful for that. On the financial side, if everything that is presented is correct which we will be monitoring, it is a positive move. There was a second part which was why should we not join the pilot program, when there is a pilot program which makes our program legal. All of this is from public comments, which we had public comments about two years ago when we closed Ridgewood Nursery school. There are residents who provided information for two years, which always puts our program in question if it is legal to run it or not legal to run it. Right now, there is an option to become fully compliant to join the pilot program. He is at a loss about why we are not joining the pilot program. The program restricts to resident students or students of teachers. We are underwriting the program with taxpayer dollars of Ridgewood, preference would be to give first preference to residents or students of teachers who work in the district and then if we still have seats available to allow Glen Rock, Westwood, Ramsey, Mahwah all other students. This is an easy condition that we can follow. The second condition was that commercially run daycares or a daycare run by churches or other nonprofit organizations have to meet more licensing requirements. But because we are run by a school we don't have to meet all those requirements and it just adds extra piece of mind that if we are a part of the pilot program we are required to meet the standards. He does not understand why we don't follow that, while we wait for our attorney's advice. It is premature since our attorneys said

they are giving further guidance.

Mr. Kaufman requested that his statement be put into record; it was at the request of certain board members that our legal attorney go out and get more information. They originally said to us that this was a legal business and he said that one of the reasons why we don't have so many requirements is because it is in a school and we fulfill those requirements; so if there was 200 requirements in a pilot program and we have 97 the way it is run now, it is because a lot of those are already in place. He said that since the guidelines to run a school are so strict, we already have those in place.

Also, as it stands now 50% of the students are Ridgewood residents, 30% are Ridgewood teachers and 20% are from outside the community. So right now, even if we don't have a first come, first serve to Ridgewood residents, there is still enough of a gap that we are able to satisfy the community without going into a pilot program.

Ms. Kwak commented that we can vote yes, no or abstain. She noted: I want to provide the context that we are still waiting for final confirmation from the Board Attorney and from the Auditor. Infant Toddler Development Center, which is ITDC, serves babies/children as young as 6 weeks old and draws upon neighboring towns including Glen Rock, New Milford and Washington Township and the program is supported by taxpayer funds earmarked for K-12 Ridgewood children. Ridgewood residents do not receive priority or discount pricing. Now, we are considering maintaining this program upon the recommendation of the Superintendent in direct contradiction to the board vote on February 8, 2021. The ITDC program to continue should apply for the state-approved pilot program and abide by all the parameters of the pilot program including health and safety. We, as a district, should not use an old exemption to waive those inspections. We should hold ourselves to the highest standards. As an advocate of children's education and safety, I cannot in good conscience vote to continue a district-funded program outside of the state-mandated pilot program with all its attendant financial, legal and safety guideposts. So I vote no.

The Board further discussed the ITDC program. The portion of the meeting can be found at 2:13.

#### **XV. ACCEPTANCE OF MINUTES**

- April 12, 2021 Executive Session Meeting
- March 22, 2021 Regular Public Meeting

Mr. Lembo moved approval of minutes. Ms. Brogan seconded the motion, which was unanimously approved.

#### **XVII. COMMENTS FROM THE PUBLIC**

Laurie Weber, 235 South Irving Street, spoke regarding the governing authority about the proper use of school property which is the Office of Administrative Law and Commissioner of Education. Discussed the road map that she submitted to the Board for what we need to do about the ITDC program legality, and the pilot program. State mandated inspection and licensing is a critical part. Offered to speak with Mr. Giacobbe, the Board Attorney to review her findings.

The following callers addressed the Board:

Deborah Steinbaum, 295 Grandview Circle, In favor of starting school later in the morning. Is the head of the Ridgewood Chapter of Start School Later. Discussed the crisis in children in terms of mental health and the major change that can be made is school later start time. Discussed a study from Minnesota regarding later start time. Referred people to [startschoollater.net](http://startschoollater.net) for information.

Allison Harris, 58 Phelps Road, not in favor of the Board's conservative quarantine approach. Asked: Can data regarding cases that are identified after 14 days be posted on the dashboard? Can data be drilled down further regarding distancing between 6 and 3 feet; and quarantine times? COVID numbers in the letters do not separate staff and students; it is not accurate to reference students only and it can be spread by both children and adults.

**XVIII. ADJOURNMENT**

At 9:36 p.m., on a motion made by Mr. Lembo, seconded by Ms. Kwak and unanimously approved, the meeting adjourned.

Respectfully submitted,

*Scott T. Bisig, M.Ed.*

Scott Bisig  
Board Secretary

Earned Sick Leave Law  
M

## R 1642 EARNED SICK LEAVE LAW

### A. Definitions Relative to Policy and Regulation 1642 and the New Jersey Earned Sick Leave Law (Act)

“Act” means the New Jersey Earned Sick Leave Law – N.J.S.A. 34:11D-1. through 34:11D-11.

“Benefit year” means the period of twelve consecutive months, July 1 through June 30, as established by an employer in which an employee shall accrue and use earned sick leave as provided pursuant to N.J.S.A. 34:11D-2, provided that once the starting date of the benefit year is established by the employer it shall not be changed unless the employer notifies the Commissioner of Labor and Workforce Development of the change in accordance with regulations promulgated pursuant to the Act. The Commissioner shall impose a benefit year on any employer the Commissioner determines is changing the benefit year at times or in ways that prevent the accrual or use of earned sick leave by an employee.

“Certified Domestic Violence Specialist” means a person who has fulfilled the requirements of certification as a Domestic Violence Specialist established by the New Jersey Association of Domestic Violence Professionals.

“Child” means a biological, adopted, or foster child, stepchild or legal ward of an employee, child of a domestic partner or civil union partner of the employee.

“Civil union” means a civil union as defined in N.J.S.A. 37:1-29.

“Commissioner” means the Commissioner of Labor and Workforce Development.

“Department” means the Department of Labor and Workforce Development.

“Designated domestic violence agency” means a county-wide organization with a primary purpose to provide services to victims of domestic violence, and which provides services that conform to the core domestic violence services profile as defined by the Division of Child Protection and Permanency in the Department of Children and Families and is under contract with the division for the express purpose of providing the services.

“Domestic or sexual violence” means stalking, any sexually violent offense, as defined in N.J.S.A. 30:4-27.26, or domestic violence as defined in N.J.S.A. 2C:25-19, and N.J.S.A. 17:29B-16.

“Domestic partner” means a domestic partner as defined in N.J.S.A. 26:8A-3.

“Employee” means, for the purposes of Policy and Regulation 1642, an individual engaged in service for compensation to a local school district, regional school district, county vocational school, or charter school of the State who is not provided with sick leave with full pay pursuant to N.J.S.A. 18A:30-2 or any other law, rule, or regulation of New Jersey and is eligible to accrue earned sick leave in accordance with the requirements of the Act.

“Employer” means, for the purposes of Policy and Regulation 1642, a local school district, regional school district, county vocational school, or charter school of the State who does not provide sick leave with full pay to an employee pursuant to N.J.S.A. 18A:30-2 or any other law, rule, or regulation of New Jersey and is required to comply with the requirements of the Act.

“Family member” means a child, grandchild, sibling, spouse, domestic partner, civil union partner, parent, or grandparent of an employee, or a spouse, domestic partner, or civil union partner of a parent or grandparent of an employee, or a sibling of a spouse, domestic partner, or civil union partner of the employee, or any other individual related by blood to the employee or whose close association with the employee is the equivalent of a family relationship.

“Health care professional” means any person licensed under Federal, State, or local law, or the laws of a foreign nation, to provide health care services, or any other person who has been authorized to provide health care by a licensed health care professional, including but not limited to doctors, nurses, and emergency room personnel.

“Parent” means a biological, adoptive, or foster parent, stepparent, or legal guardian of an employee or of the employee’s spouse, domestic partner, or civil union partner, or a person who stood in loco parentis of the employee or the employee’s spouse, domestic partner, or civil union partner when the employee, spouse or partner was a minor child.

“Retaliatory personnel action” means denial of any right guaranteed under the Act and any threat, discharge, including a constructive discharge, suspension, demotion, unfavorable reassignment, refusal to promote, disciplinary action, sanction, reduction of work hours, reporting or threatening to report the actual or suspected immigrant status of an employee or the employee’s family, or any other adverse action against an employee.

“Sibling” means a biological, foster, or adopted sibling of an employee.

“Spouse” means a husband or wife.

**B. Provision of Earned Sick Leave – N.J.S.A. 34:11D-2**

1. The employer shall provide earned sick leave in accordance with the Act for each employee working for the employer.

2. For every thirty hours worked, the employee shall accrue one hour of earned sick leave. The employer will provide an employee their full complement of earned sick leave for a benefit year as required under N.J.S.A. 34:11D-2 on the first day of each benefit year in accordance with the Act.
3. The employer will not permit the employee to accrue or use in any benefit year, or carry forward from one benefit year to the next, more than forty hours of earned sick leave.
  - a. Unless the employee has accrued earned sick leave prior to October 29, 2018, the earned sick leave shall begin to accrue on October 29, 2018 for any employee who is hired and commences employment before October 29, 2018 and the employee shall be eligible to use the earned sick leave beginning on February 26, 2019 after the employee commences employment.
  - b. If the employee's employment commences after October 29, 2018, the earned sick leave shall begin to accrue upon the date that employment commences. The employee shall be eligible to use the earned sick leave beginning on the 120<sup>th</sup> calendar day after the employee commences employment.
4. The employer shall be in compliance with N.J.S.A. 34:11D-2 if the employer offers paid time off to an employee, which is fully paid and shall include, but is not limited to personal days, vacation days, and sick days, and may be used for the purposes of N.J.S.A. 34:11D-3 in the manner provided by the Act, and is accrued at a rate equal to or greater than the rate described in N.J.S.A. 34:11D-2.
5. The employer shall pay the employee for earned sick leave at the same rate of pay with the same benefits as the employee normally earns, except that the pay rate shall not be less than the minimum wage required for the employee pursuant to N.J.S.A. 34:11-56a4.
6. Upon the mutual consent of the employee and employer, an employee may voluntarily choose to work additional hours or shifts during the same or following pay period, in lieu of hours or shifts missed, but shall not be required to work additional hours or shifts or use accrued earned sick leave. The employer may not require, as a condition of an employee using earned sick leave, that the employee search for or find a replacement worker to cover the hours during which the employee is using earned sick leave.
7. If an employee is transferred to a separate division, entity, or location, but remains employed by the same employer, then the employee shall be entitled to all earned

sick leave accrued at the prior division, entity, or location, and shall be entitled to use the accrued earned sick leave as provided in the Act.

8. If an employee is terminated, laid off, furloughed, or otherwise separated from employment with the employer, any unused accrued earned sick leave shall be reinstated upon the re-hiring or reinstatement of the employee to that employment, within six months of termination, being laid off or furloughed, or separation, and prior employment with the employer shall be counted towards meeting the eligibility requirements set forth in N.J.S.A. 34:11D-2.
9. The employer may choose the increments in which its employees may use earned sick leave, provided that the largest increment of earned sick leave an employee may be required to use for each shift for which earned sick leave is used shall be the number of hours the employee was scheduled to work during that shift.

C. Permitted Usage of Earned Sick Leave – N.J.S.A. 34:11D-3

1. The employer shall permit an employee to use the earned sick leave accrued pursuant to the Act for any of the following:
  - a. Time needed for diagnosis, care, or treatment of, or recovery from, an employee's mental or physical illness, injury or other adverse health condition, or for preventive medical care for the employee;
  - b. Time needed for the employee to aid or care for a family member of an employee during diagnosis, care, or treatment of, or recovery from, the family member's mental or physical illness, injury or other adverse health condition, or during preventive medical care for the family member;
  - c. Absence necessary due to circumstances resulting from the employee, or a family member of an employee, being a victim of domestic or sexual violence, if the leave is to allow the employee to obtain for the employee or the family member: medical attention needed to recover from physical or psychological injury or disability caused by domestic or sexual violence; services from a designated domestic violence agency or other victim services organization; psychological or other counseling; relocation; or legal services, including obtaining a restraining order or preparing for, or participating in, any civil or criminal legal proceeding related to the domestic or sexual violence;
  - d. Time during which the employee is not able to work because of:
    - (1) **Aa closure of the employee's workplace, or the school or place of care of a child of an employee, by order of a public official or because of a state of emergency declared by the Governor of**

New Jersey, due to an epidemic or other public health emergency;  
~~or because of;~~

(2) ~~The declaration of a state of emergency by the Governor of New Jersey, or the issuance by a health care provider or the New Jersey Commissioner of Health or other~~ public health authority of a determination that the presence in the community of the employee, or a member of the employee's family in need of care by the employee, would jeopardize the health of others; ~~or~~

(3) ~~A state of emergency declared by the Governor of New Jersey, or upon the recommendation, direction, or order of a healthcare provider or the New Jersey Commissioner of Health or other authorized public official, the employee undergoes isolation or quarantine, or cares for a family member in quarantine, as a result of suspected exposure to a communicable disease and a finding by the provider or authority that the presence in the community of the employee or family member would jeopardize the health of others; or~~

- e. Time needed by the employee in connection with a child of the employee to attend a school-related conference, meeting, function or other event requested or required by a school administrator, teacher, or other professional staff member responsible for the child's education, or to attend a meeting regarding care provided to the child in connection with the child's health conditions or disability.
2. If an employee's need to use earned sick leave is foreseeable, the employer will require advance notice, not to exceed seven calendar days prior to the date the leave is to begin, of the intention to use the leave and its expected duration, and shall make a reasonable effort to schedule the use of earned sick leave in a manner that does not unduly disrupt the operations of the employer. If the reason for the leave is not foreseeable, the employer will require an employee to give notice of the intention as soon as practicable, if the employer has notified the employee of this requirement.
- a. The employer may prohibit employees from using foreseeable earned sick leave on certain dates provided reasonable notice of these dates is provided to employees and the employer will require reasonable documentation if sick leave that is not foreseeable is used during those dates.

- b. For earned sick leave of three or more consecutive days, the employer will require reasonable documentation that the leave is being taken for the purpose permitted under N.J.S.A. 34:11D-3.a. and C.1. above.
- c. If the leave is permitted under N.J.S.A. 34:11D-3.a.(1) and C.1.a. above or N.J.S.A. 34:11D-3.a.(2) and C.1.b. above, documentation signed by a health care professional who is treating the employee or the family member of the employee indicating the need for the leave and, if possible, number of days of leave, shall be considered reasonable documentation.
- d. If the leave is permitted under N.J.S.A. 34:11D-3.a.(3) and C.1.c. above because of domestic or sexual violence, any of the following shall be considered reasonable documentation of the domestic or sexual violence: medical documentation; a law enforcement agency record or report; a court order; documentation that the perpetrator of the domestic or sexual violence has been convicted of a domestic or sexual violence offense; certification from a certified Domestic Violence Specialist or a representative of a designated domestic violence agency or other victim services organization; or other documentation or certification provided by a social worker, counselor, member of the clergy, shelter worker, health care professional, attorney, or other professional who has assisted the employee or family member in dealing with the domestic or sexual violence.
- e. If the leave is permitted under N.J.S.A. 34:11D-3.a.(4) and C.1.d. above, a copy of the order of the public official or the determination by the health authority shall be considered reasonable documentation.
- f. If the leave is permitted under N.J.S.A. 34:11D-3.a.(5) and C.1.e. above, tangible proof of the reasons outlined in N.J.S.A. 34:11D-3.a.(5) and C.1.e. above shall be considered reasonable documentation.
3. Nothing in the Act shall be deemed to require the employer to provide earned sick leave for an employee's leave for purposes other than those identified in N.J.S.A. 34:11D-3, or prohibit the employer from taking disciplinary action against an employee who uses earned sick leave for purposes other than those identified in N.J.S.A. 34:11D-3.
4. The employer will not pay an employee for unused earned sick leave at the end of the benefit year pursuant to N.J.S.A. 34:11D-3.c.
  - a. If the employee agrees to receive a payment, the employee shall choose a payment for the full amount of unused earned sick leave or for fifty percent of the amount of unused earned sick leave. The payment amount shall be

based on the same rate of pay that the employee earns at the time of the payment.

- b. If the employee declines a payment for unused earned sick leave, or agrees to a payment for fifty percent of the amount of unused sick leave, the employee shall be entitled to carry forward any unused or unpaid earned sick leave to the proceeding benefit year as provided pursuant to N.J.S.A. 34:11D-2.a. and B.1., B.2., and B.3. above.
  - c. If the employee agrees to a payment for the full amount of unused earned sick leave, the employee shall not be entitled to carry forward any earned sick leave to the proceeding benefit year pursuant to N.J.S.A. 34:11D-2.a. and B.1, B.2., and B.3. above.]
5. Unless the employer's policy or a collective bargaining agreement provides for the payment of accrued earned sick leave upon termination, resignation, retirement, or other separation from employment, an employee shall not be entitled under N.J.S.A. 34:11D-3 to payment of unused earned sick leave upon the separation from employment.
6. Any information the employer possesses regarding the health of an employee or any family member of the employee or domestic or sexual violence affecting an employee or employee's family member shall be treated as confidential and not disclosed except to the affected employee or with the written permission of the affected employee.
- D. Retaliation, Discrimination Prohibited – N.J.S.A. 34:11D-4 and N.J.S.A. 34:11D-12**
- 1. No employer shall take retaliatory personnel action or discriminate against an employee who accrues sick leave under the Act because the employee requests or uses earned sick leave either in accordance with the Act or the employer's own earned sick leave policy for employees covered under the Act. Any complaints alleging a violation of the Act shall be filed in accordance with the provisions of N.J.S.A. 34:11D-4.
    - a. The employer shall not count earned sick leave taken under the Act as an absence that may result in the employee being subject to discipline, discharge, demotion, suspension, a loss or reduction of pay, or any other adverse action.
  - 2. There shall be a rebuttable presumption of an unlawful retaliatory personnel action under N.J.S.A. 34:11D-4 whenever the employer takes adverse action against an employee within ninety days of when that employee:

- a. Files a complaint with the Department or a court alleging a violation of any provision of N.J.S.A. 34:11D-4;
  - b. Informs any person about the employer's alleged violation of N.J.S.A. 34:11D-4;
  - c. Cooperates with the Department or other persons in the investigation or prosecution of any alleged violation of N.J.S.A. 34:11D-4;
  - d. Opposes any policy, practice, or act that is unlawful under N.J.S.A. 34:11D-4; or
  - e. Informs any person of his or her rights under N.J.S.A. 34:11D-4.
3. Protections of N.J.S.A. 34:11D-4 shall apply to any person who mistakenly but in good faith alleges violations of the Act.
  4. Any violator of the provisions of N.J.S.A. 34:11D-4 shall be subject to relevant penalties and remedies provided by the "New Jersey State Wage and Hour Law," N.J.S.A. 34:11-56a et seq., including the penalties and remedies provided by N.J.S.A. 34:11-56a24, and relevant penalties and remedies provided by N.J.S.A. 2C:40A-2, for discharge or other discrimination.
  5. **The employer shall not, during the Public Health Emergency and State of Emergency declared by the Governor of New Jersey in Executive Order 103 of 2020 concerning the coronavirus disease 2019 pandemic, terminate or otherwise penalize an employee if the employee requests or takes time off from work based on the written or electronically transmitted recommendation of a medical professional licensed in New Jersey that the employee take that time off for a specified period of time because the employee has, or is likely to have, an infectious disease, as defined in N.J.S.A. 26:13-2, which may infect others at the employee's workplace.**
    - a. **The employer shall not, following that specified period of time as per D.5. above, refuse to reinstate the employee to employment in the position held when the leave commenced with no reduction in seniority, status, employment benefits, pay, or other terms and conditions of employment.**
- E. Violations; Remedies, Penalties, Other Measures – N.J.S.A. 34:11D-5
1. Any failure of the employer to make available or pay earned sick leave as required by the Act, or any other violation of the Act, shall be regarded as a failure to meet the wage payment requirements of the "New Jersey State Wage and Hour Law," N.J.S.A. 34:11-56a et seq., or other violation of the New Jersey State Wage

and Hour Law, as the case may be, and remedies, penalties, and other measures provided by the New Jersey State Wage and Hour Law, N.J.S.A. 34:11-58, and N.J.S.A. 2C:40A-2 for failure to pay wages or other violations of the New Jersey State Wage and Hour Law shall be applicable, including, but not limited to, penalties provided pursuant to N.J.S.A. 34:11-56a22 and 34:11-56a24, and civil actions by employees pursuant to N.J.S.A. 34:11-56a25, except that an award to an employee in a civil act shall include, in addition to the amount provided pursuant to N.J.S.A. 34:11-56a25, any actual damages suffered by the employee as the result of the violation plus an equal amount of liquidated damages.

## F. Retention of Records, Access – N.J.S.A. 34:11D-6

1. The employer shall retain records documenting hours worked by employees and earned sick leave accrued/advanced, used, paid, and paid out and carried over by/to employees, for a period of five years, and shall, upon demand, allow the Department access to those records to monitor compliance with the requirements of the Act.
  - a. If an employee makes a claim the employer has failed to provide earned sick leave required by the Act and the employer has not maintained or retained adequate records documenting hours worked by the employee and earned sick leave taken by the employee or does not allow the Department access to the records, it shall be presumed the employer has failed to provide the earned sick leave, absent clear and convincing evidence otherwise.
2. In addition, the penalties provided by the “New Jersey State Wage and Hour Law,” N.J.S.A. 34:11-56a et seq. for violations of the requirements of the New Jersey State Wage and Hour Law regarding the maintaining and disclosure of records shall apply to violations of the requirements of N.J.S.A. 34:11D-6.

## G. Notification to Employees – N.J.S.A. 34:11D-7

1. The employer shall provide notification, in a form issued by the Commissioner, to employees of their rights under the Act, including the amount of earned sick leave to which they are entitled and the terms of its use and remedies provided by the Act to employees if the employer fails to provide the required benefits or retaliates against employees exercising their rights under the Act.
  - a. The employer shall conspicuously post the notification in a place or places accessible to all employees in each of the employer’s workplaces.
  - b. The employer shall also provide each employee with a written copy of the notification: not later than thirty days after the form of the notification is

issued; at the time of the employee's hiring, if the employee is hired after the issuance; and at any time, when first requested by the employee.

- c. The Commissioner shall make the notifications available in English, Spanish, and any other language that the Commissioner determines is the first language of a significant number of workers in the State and the employer shall use the notification in English, Spanish, or any other language for which the Commissioner has provided notifications and which is the first language of a majority of the employer's workforce.

## H. Provisions Preemptive; Construction of Act – N.J.S.A. 34:11D-8

1. No provision of the Act, or any regulations promulgated to implement or enforce the Act, shall be construed as:
  - a. Requiring the employer to reduce, or justifying the employer in reducing, rights or benefits provided by the employer pursuant to the employer's policy or a collective bargaining agreement which are more favorable to employees than those required by the Act or which provide rights or benefits to employees not covered by the Act;
  - b. Preventing or prohibiting the employer from agreeing, through a collective bargaining agreement or employer policy, to provide rights or benefits which are more favorable to employees than those required by the Act or to provide rights or benefits to employees not covered by the Act;
  - c. Prohibiting the employer from establishing a policy whereby an employee may donate unused accrued earned sick leave to another employee or other employees; or
  - d. Superseding any law providing collective bargaining rights for employees, or in any way reducing, diminishing, or adversely affecting those collective bargaining rights, or in any way reducing, diminishing, or affecting the obligations of the employer under those laws.
2. Employees or employee representatives may waive the rights or benefits provided under the Act during the negotiation of a collective bargaining agreement.
3. With respect to employees covered by a collective bargaining agreement in effect on October 29, 2018, no provision of the Act shall apply until the stated expiration of the collective bargaining agreement.

## I. Severability – N.J.S.A. 34:11D-9

1. The provisions of the Act shall be deemed to be severable and if any section, subsection, paragraph, sentence or other part of the Act is declared to be unconstitutional, or the applicability thereof to any person is held invalid, the remainder of the Act shall not thereby be deemed to be unconstitutional or invalid.

1643 FAMILY LEAVE

The Board of Education will provide family leave to staff members in accordance with the New Jersey Family Leave Act (NJFLA) and the Federal Family and Medical Leave Act (FMLA). These laws have similar and different provisions that provide different rights and obligations for a staff member and the Board.

If a staff member is eligible for leave for reasons recognized under both the FMLA and NJFLA, then the time taken shall run concurrently and be applied to both laws. The NJFLA provides twelve weeks leave in a twenty-four month period and the FMLA provides twelve weeks leave in a twelve month period

A. New Jersey Family Leave Act

1. Definitions Relative to New Jersey Family Leave Act

“Base Hours” means the hours of work for which a staff member receives compensation. Base hours shall include overtime hours for which a staff member is paid additional or overtime compensation, and hours for which a staff member receives workers’ compensation benefits. Base hours shall also include hours a staff member would have worked except for having been in military service. Base hours do not include hours for when a staff member receives other types of compensation, such as administrative, personal leave, vacation, or sick leave.

“Child” means a biological, adopted, foster child, or resource family child, stepchild, legal ward, or child of a parent, including a child who becomes the child of a parent pursuant to a valid written agreement between the parent and a gestational carrier.

“Eligible employee” means any individual employed by the same employer for twelve months or more, who has worked 1,000 or more base hours during the preceding twelve month period.

“Employer” includes the State, any political subdivision thereof, and all public offices, agencies, boards, or bodies.

“Family member” means a child, parent, parent-in-law, sibling, grandparent, grandchild, spouse, domestic partner, or one partner in a civil union couple, or any other individual related by blood to a staff member, and any other individual that a staff member shows to have a close association with a staff member which is the equivalent of a family relationship.

“Health care provider” means a duly licensed health care provider or other health care provider deemed appropriate by the Director of the Division on Civil Rights in the New Jersey Department of Law and Public Safety.

“Parent” means a person who is the biological parent, adoptive parent, foster parent, resource family parent, step-parent, parent-in-law, or legal guardian, having a “parent-child relationship” with a child as defined by law, or having sole or joint legal or physical custody, care, guardianship, or visitation with a child, or who became the parent of the child pursuant to a valid written agreement between the parent and a gestational carrier.

“Serious health condition” means an illness, injury, impairment, or physical or mental condition which requires:

- a. Inpatient care in a hospital, hospice, or residential medical care facility; or
- b. Continuing medical treatment or continuing supervision by a health care provider.

As used in the definition of a serious health condition, “continuing medical treatment or continuing supervision by a health care provider” means:

- a. A period of incapacity (that is, inability to work, attend school, or perform regular daily activities due to a serious health condition, treatment therefore, and recovery therefrom) of more than three consecutive days, and any subsequent treatment or period of incapacity relating to the same condition, that also involves:
  - (1) Treatment two or more times by a health care provider; or
  - (2) Treatment by a health care provider on one occasion which results in a regimen of continuing treatment under the supervision of a health care provider;
- b. Any period of incapacity due to pregnancy, or for prenatal care;
- c. Any period of incapacity or treatment for such incapacity due to a chronic serious health condition;
- d. A period of incapacity, which is permanent or long-term, due to a condition for which treatment may not be effective (such as Alzheimer's disease, a severe stroke, or the terminal stages of a disease) where the individual is under continuing supervision of, but need not be receiving active treatment by, a health care provider; or
- e. Any period of absence to receive multiple treatments (including any period of recovery therefrom) by a health care provider or by a provider of health care services under orders of, or on referral by a health care provider, either for restorative surgery after an accident or other injury, or for a condition that would likely result in a period of incapacity of more than three consecutive calendar days

in the absence of medical intervention or treatment, such as cancer (chemotherapy, radiation, etc.), severe arthritis (physical therapy), or kidney disease (dialysis).

“Spouse” means a person to whom a staff member is lawfully married as defined by New Jersey law.

“State of emergency” means a natural or man-made disaster or emergency for which a state of emergency has been declared by the President of the United States or the Governor, or for which a state of emergency has been declared by a municipal emergency management coordinator.

## 2. Reasons for NJFLA Leave

- a. A staff member may take NJFLA leave to provide care made necessary by reason of:
  - (1) The birth of a child of the staff member, including a child born pursuant to a valid written agreement between the staff member and the gestational carrier;
  - (2) The placement of a child into foster care with the staff member or in connection with adoption of such child by a staff member;
  - (3) The serious health condition of a family member of the staff member; or
  - (4) A state of emergency declared by the Governor of New Jersey, or when indicated to be needed by the Commissioner of Health – New Jersey Department of Health or other public health authority, an epidemic or communicable disease, a known or suspected exposure to the communicable disease, or efforts to prevent spread of a communicable disease which:
    - (a) Requires in-home care or treatment of a child due to the closure of the school or place of care of the child of a staff member, by order of a public official due to the epidemic or other public health emergency;
    - (b) Prompts the issuance by a public health authority of a determination, including by mandatory quarantine, requiring or imposing responsive or prophylactic measures as a result of illness caused by an epidemic of a communicable disease or known or suspected exposure to the communicable disease because the presence in the

community of a family member in need of care by a staff member would jeopardize the health of others; or

- (c) Results in the recommendation of a health care provider or public health authority, that a family member in need of care by a staff member voluntarily undergo self-quarantine as a result of suspected exposure to a communicable disease because the presence in the community of that family member in need of care by a staff member, would jeopardize the health of others.

### 3. Staff Member Eligibility

- a. NJFLA leave may be taken for up to twelve weeks within any twenty-four month period. The NJFLA leave shall be unpaid with benefits subject to contributions required to be made by the staff member.
- b. A staff member is eligible for NJFLA leave if a staff member is employed by the same Board for twelve months or more, and has worked 1,000 or more base hours during the preceding twelve month period.
- c. The method to determine the twenty-four month period in which the twelve weeks of NJFLA leave entitlement occurs shall be

**[Select one option**

- \_\_\_\_\_ the calendar year.
- \_\_\_\_\_ any fixed “leave year,” such as a fiscal year or a year starting on a staff member's “anniversary date”.
- \_\_\_\_\_ the twenty-four month period measured forward from the date any staff member's first leave under NJFLA begins.
- \_\_\_\_\_ a “rolling” twenty-four month period measured backward from the date a staff member uses any leave under NJFLA. **(Recommended)**
- d. This Policy shall serve as notice to all staff members of the method chosen in A.3.c. above. This method shall be applied consistently and uniformly to all staff members.
- (1) If the Board transitions to another method, the Board is required to give at least sixty days’ notice to all staff members and the transition must take place in such a way that staff members retain their full benefit of twelve

weeks of NJFLA leave under whichever method affords the greatest benefit to a staff member.

- e. The Board shall grant NJFLA leave to more than one staff member from the same family (for example, a husband and a wife, or a brother and a sister) at the same time, provided such staff members are otherwise eligible for NJFLA leave.
  - f. The fact that a holiday may occur within the week taken by a staff member as NJFLA leave has no effect and the week is counted as a week of NJFLA leave.
    - (1) However, if a staff member is out on NJFLA leave and the staff member is not regularly scheduled to work for one or more weeks, the weeks the staff member is not regularly scheduled to work do not count against their NJFLA leave entitlement.
4. Types of NJFLA Leave
- a. Staff members are required to provide notice in writing for any NJFLA leave requested. In emergent circumstances, a staff member may provide the Board with oral notice when written notice is impracticable.
    - (1) Staff members must provide the Board written notice after submitting oral notice in emergent circumstances.
  - b. Consecutive NJFLA leave is NJFLA leave that is taken without interruption based upon a staff member's regular work schedule and does not include breaks in employment in which a staff member is not regularly scheduled to work.
    - (1) A staff member must provide the Board with notice of consecutive NJFLA leave no later than thirty days prior to the commencement of consecutive NJFLA leave, except where emergent circumstances warrant shorter notice.
    - (2) A staff member shall provide the Board with certification pursuant to A.5. below.
  - c. Intermittent NJFLA leave is NJFLA leave due to a single qualifying reason, taken in separate periods of time, broken up by periods in which the staff member returns to work.

- (1) A staff member is entitled to take NJFLA leave intermittently for the birth of a child of the staff member, including a child born pursuant to a valid written agreement between the staff member and a gestational carrier or the placement of a child into foster care with the staff member or in connection with adoption of such child by the staff member.
  - (a) The staff member shall provide the Board with prior notice of not less than fifteen calendar days before the first day on which NJFLA benefits are paid for the intermittent NJFLA leave, unless an emergency or other unforeseen circumstance precludes prior notice.
  - (b) The staff member shall make a reasonable effort to schedule the intermittent NJFLA leave so as not to unduly disrupt the operations of the Board and, if possible, provide the Board, prior to the commencement of intermittent NJFLA leave, with a regular schedule of the days or days of the week on which the intermittent NJFLA leave will be taken.
  - (c) A staff member shall provide the Board with certification for intermittent NJFLA leave pursuant to A.5.b. below.
- (2) The staff member is entitled to take intermittent NJFLA leave for the serious health condition of a family member of the staff member when medically necessary if:
  - (a) The total time which the intermittent NJFLA leave is taken does not exceed twelve months if taken in connection with a single serious health condition. If the intermittent NJFLA leave is taken in connection with more than one serious health condition, the intermittent NJFLA leave must be taken within a consecutive twenty-four month period or until such time the twelve week NJFLA leave is exhausted, whichever is shorter;
  - (b) The staff member provides the Board with prior notice of not less than fifteen calendar days before the first day on which benefits are paid for the intermittent NJFLA leave.
    - (i) The staff member may provide notice less than fifteen days prior to the intermittent NJFLA leave if an emergency or other unforeseen circumstance precludes prior notice;
  - (c) The staff member makes a reasonable effort to schedule the intermittent NJFLA leave so as not to unduly disrupt the operations

of the school district and, if possible, provide the school district, prior to the commencement of intermittent NJFLA leave, with a regular schedule of the days or days of the week on which the intermittent NJFLA leave will be taken; and

- (d) The staff member provides the Board with a copy of the certification outlined in A.5.c. below.
- (3) In the case of NJFLA leave taken due to an epidemic of a communicable disease, a known or suspected exposure to the communicable disease, or efforts to prevent spread of the communicable disease, the NJFLA leave may only be taken intermittently if:
- (a) The staff member provides the Board with prior notice of the intermittent NJFLA leave as soon as practicable;
  - (b) The staff member makes a reasonable effort to schedule the NJFLA leave so as not to unduly disrupt the operations of the school district and, if possible, provide the school district prior to the commencement of the intermittent NJFLA leave, with a regular schedule of the day or days of the week on which the intermittent NJFLA leave will be taken; and
  - (c) A staff member provides the Board with a copy of the certification outlined in A.5.d. below.
- (4) Intermittent leave taken on a reduced leave schedule is NJFLA leave due to a single qualifying reason, that is scheduled for fewer than a staff member's usual number of hours worked per workweek, but not for fewer than a staff member's usual number of hours worked per workday and may only be taken to care for the serious health condition of a family member of a staff member when medically necessary, except that:
- (a) A staff member shall not be entitled to intermittent NJFLA leave on a reduced leave schedule for a period exceeding twelve consecutive months for any one period of NJFLA leave;
  - (b) The staff member must provide the Board with prior notice of the intermittent NJFLA leave on a reduced leave schedule as soon as practicable;
  - (c) A staff member shall make a reasonable effort to schedule intermittent NJFLA leave on a reduced leave schedule so as not to disrupt unduly the operations of the school district. A staff member

shall provide the school district with prior notice of the care, medical treatment, or continuing supervision by a health care provider necessary due to a serious health condition of a family member, in a manner which is reasonable and practicable; and

- (d) A staff member must provide the Board with a copy of the certification outlined in A.5.c. below.
- d. NJFLA leave taken because of the birth or placement for adoption of a child of the staff member may commence at any time within a year after the date of the foster care placement, birth, or placement for adoption.
  - e. A staff member shall not, during any period of NJFLA leave, perform services on a full-time basis for any person for whom a staff member did not provide those services immediately prior to commencement of the NJFLA leave.
    - (1) A staff member on NJFLA leave may not engage in other full-time employment during the term of the NJFLA leave, unless such employment commenced prior to the NJFLA leave and is not otherwise prohibited by law.
    - (2) During the term of NJFLA leave a staff member may commence part-time employment which shall not exceed half the regularly scheduled hours worked for the Board from whom a staff member requested NJFLA leave. A staff member may continue part-time employment which commenced prior to a staff member's NJFLA leave, at the same number of hours that a staff member was regularly scheduled prior to such NJFLA leave.
    - (3) The Board may not maintain a policy or practice which prohibits part-time employment during the course of a NJFLA leave.
5. Certification
- a. The Board shall require a staff member who requests NJFLA leave to sign a form of certification established by the Board attesting that such staff member is taking NJFLA leave in accordance with the law.
    - (1) The Board may not require a staff member to sign or otherwise submit a form of certification attesting to additional facts, including a staff member's eligibility for NJFLA leave.
    - (2) The Board may subject a staff member to reasonable disciplinary measures, depending on the circumstances, when a staff member intentionally misrepresents the reason that such staff member is taking NJFLA leave.

- (3) The form of certification established by the Board shall contain a statement warning a staff member of the consequences of refusing to sign the certification or falsely certifying. Any staff member who refuses to sign the certification established by the Board may be denied the requested NJFLA leave.
  - (4) The Board requires that any period of NJFLA leave be supported by certification issued by a health care provider.
- b. Where the certification, issued by the health care provider, is for the birth of a child of a staff member, including a child born pursuant to a valid written agreement between the staff member and a gestational carrier or the placement of a child into foster care with the staff member or in connection with adoption of such child by the staff member, the certification need only state the date of birth or date of placement, whichever is appropriate.
- c. Any period of NJFLA leave for the serious health condition of a family member of a staff member shall be supported by certification provided by a health care provider. The certification shall be sufficient if it states:
- (1) The date, if known, on which the serious health condition commenced;
  - (2) The probable duration of the condition;
  - (3) The medical facts within the knowledge of the provider of the certification regarding the condition;
  - (4) The serious health condition warrants the participation of the staff member in providing health care to the family member, as provided in the "Family Leave Act," P.L. 1989, c.261 (C.34:11B-1 et seq.) and regulations adopted pursuant to the NJFLA;
  - (5) An estimate of the amount of time the staff member is needed for participation in the care of the family member;
  - (6) If the NJFLA leave is intermittent, a statement of the medical necessity for the intermittent NJFLA leave and the expected duration of the intermittent NJFLA leave; and
  - (7) If NJFLA leave is intermittent and for planned medical treatment, the dates of the treatment.
- d. In any case in which the Board has reason to doubt the validity of the certification provided pursuant to A.5.c. above, the Board may require, at its own expense, that

a staff member obtain an opinion regarding the serious health condition from a second health care provider designated or approved, but not employed on a regular basis, by the Board. If the second opinion differs from the certification provided pursuant to A.5.c. above, the Board may require, at its own expense, that a staff member obtain the opinion of a third health care provider designated or approved jointly by the Board and a staff member concerning the serious health condition. The opinion of the third health care provider shall be considered to be final and shall be binding on the Board and a staff member.

- e. Where the certification is for an epidemic of a communicable disease, a known or suspected exposure to the communicable disease, or efforts to prevent the spread of the communicable disease, the certification shall be sufficient if it includes:
- (1) For NJFLA leave taken to provide in-home care or treatment of a child due to the closure of the school or place of care of the child of a staff member, by order of a public official due to the epidemic or other public health emergency, the date on which the closure of the school or place of care of the child of a staff member commenced and the reason for such closure.
  - (2) For NJFLA leave taken due to a public health authority's issuance of a determination requiring or imposing responsive or prophylactic measures as a result of illness caused by an epidemic of a communicable disease or known or suspected exposure to the communicable disease because the presence in the community of a family member in need of care by a staff member would jeopardize the health of others, the date of issuance of the determination, and the probable duration of the determination; or
  - (3) For NJFLA leave taken because a health care provider or public health authority recommends that a family member in need of care by a staff member voluntarily undergo self-quarantine as a result of suspected exposure to a communicable disease because the presence in the community of that family member in need of care by a staff member would jeopardize the health of others, the date of the recommendation, the probable duration of the condition, and the medical or other facts within the health care provider or public health authority's knowledge regarding the condition.
- f. The Board shall not use the certification requirements as outlined in A.5. to intimidate, harass, or otherwise discourage a staff member from requesting or taking NJFLA leave or asserting any of a staff member's rights to NJFLA leave.

6. Denial or Exemption of NJFLA Leave
  - a. Denial of NJFLA Leave
    - (1) The Board may deny NJFLA leave to a staff member if:
      - (a) A staff member is a salaried staff member who is among the highest paid 5% of the Board's staff members or the seven highest paid staff members of the Board, whichever is greater;
      - (b) The denial is necessary to prevent substantial and grievous economic injury to the Board's operations; and
      - (c) The Board notifies a staff member of its intent to deny the NJFLA leave at the time the Board determines that the denial is necessary.
    - (2) The provisions of A.6.a.(1) above shall not apply when, in the event of a state of emergency declared by the Governor of New Jersey or when indicated to be needed by the Commissioner of Health – New Jersey Department of Health or other public health authority, the NJFLA leave is for an epidemic of a communicable disease, a known or suspected exposure to a communicable disease, or efforts to prevent spread of a communicable disease.
    - (3) In any case in which NJFLA leave has already commenced at the time of the notification pursuant to A.6.a.(1)(c) above, a staff member shall return to work within ten working days of the date of notification.
  - b. Reinstatement from NJFLA Leave
    - a. Upon the expiration of a NJFLA leave, a staff member shall be restored to the position such staff member held immediately prior to the commencement of the NJFLA leave. If such position has been filled, the Board shall reinstate such staff member to an equivalent position of like seniority, status, employment benefits, pay, and other terms and conditions of employment.
    - b. If, during NJFLA leave, the Board experiences a reduction in force or layoff and a staff member would have lost their position had a staff member not been on NJFLA leave, as a result of the reduction in force or pursuant to the good faith operation of a bona fide layoff and recall system including a system under a collective bargaining agreement where applicable, a staff member shall not be entitled to reinstatement to the former or an equivalent position. A staff member shall retain all rights under any applicable layoff and recall system, including a system under a

collective bargaining agreement, as if a staff member had not taken the NJFLA leave.

8. Notice to Staff Members
  - a. The Board shall display the official Family Leave Act poster of the Division on Civil Rights in the New Jersey Department of Law and Public Safety (Division) in accordance with **N.J.A.C. 13:8-2.2**. The poster is available for printing from the Division's website.
  - b. Access to and/or distribution of this Policy shall serve as school district notice to staff members of their rights pursuant to N.J.A.C. 13:14-1.14.
  
9. Local Board of Education Practices
  - a. Accrued Paid NJFLA Leave
    - (1) Whether a staff member is required to use any other accrued leave time concurrent with NJFLA leave time will depend upon either the school district's practice or a provision in a collective bargaining agreement, if applicable.
      - (a) Sick leave may only be used concurrently with the NJFLA leave in accordance with the provisions of N.J.S.A. 18A:30-1 and N.J.S.A. 34:11B-3.
  - b. Multiple Leaves of Absence
    - (1) Where a Board maintains leaves of absence which provide benefits, other than health benefits, that differ depending upon the type of leave taken, the Board shall provide those benefits to a staff member on NJFLA leave in the same manner as it provides benefits to staff members who are granted other leaves of absence which most closely resemble NJFLA leave.
  
10. New Jersey Family Leave Insurance Program (NJFLI)
  - a. Board of Education staff members are eligible to apply for benefits under the NJFLI Program administered by the State of New Jersey Department of Labor and Workforce Development.
  - b. All applications for benefits under the NJFLI Program must be filed directly with the State of New Jersey Department of Labor and Workforce Development. The eligibility requirements, wage requirements, benefit duration and amounts, and benefit limitations shall be in accordance with the provisions of the NJFLI Program

as administered by the State of New Jersey Department of Labor and Workforce Development. A formal appeal may be submitted to the State of New Jersey Department of Labor and Workforce Development if an employee or the Board disagrees with a determination on a claim.

- c. The NJFLI Program provides eligible individuals a monetary benefit and not a leave benefit. The school district administrative and related staff will comply with the State of New Jersey Department of Labor and Workforce Development requests for information in accordance with the provisions of N.J.A.C. 12:21-3.9.
- d. A printed notification of staff members' rights relative to the receipt of benefits under the NJFLI Program will be posted in each of the school district worksites and in a place or places accessible to all employees at the worksite.
- e. Each staff member shall receive a copy of this notification in writing at the time of the staff member's hiring, whenever the staff member provides written notice to the Superintendent of their intention to apply for benefits under the NJFLI Program, or at any time upon the first request of the staff member.
  - (1) The written notification may be transmitted to the staff member in electronic form.
  - (2) Access to and/or distribution of this Policy shall serve as school district notice to staff members of their rights under the NJFLI Program.

## B. Federal Family and Medical Leave Act

### 1. Definitions Relative to Federal Family and Medical Leave Act

“Covered Employer” means any public or private elementary or secondary school(s) regardless of the number of employees employed.

“Employee” means a staff member eligible for family and medical leave in accordance with the Federal Family and Medical Leave Act (FMLA).

“Hours of Service” means hours actually worked by the employee. It does not mean hours paid. Thus, non-working time – such as vacations, holidays, furloughs, sick leave, or other time-off (paid or otherwise) – does not count for purposes of calculating FMLA eligibility for the employee.

“Parent” means a biological, adoptive, step, or foster father or mother, or any other individual who stood in loco parentis to a staff member when a staff member has a son or daughter as defined below. This term does not include parents “in law.”

“Serious health condition” means an illness, injury, impairment, or physical or mental condition that involves inpatient care in a hospital, hospice, or residential medical facility or continuing treatment by a health care provider. “Serious health condition” may include treatment of substance abuse pursuant to 29 CFR §825.119.

“Son” or “daughter” means a biological, adopted, or foster child, stepchild, a legal ward, or a child of a person standing in loco parentis, who is either under age eighteen or age eighteen or older and incapable of self-care because of a mental or physical disability at the time that FMLA leave is to commence.

“Spouse” means a husband or wife. For purposes of this definition, husband or wife refers to the other person with whom an individual entered into marriage as defined or recognized under State law in the State in which the marriage was entered into or, in the case of a marriage entered into outside of any State, if the marriage is valid in the place where entered into and could have been entered into in at least one State. This definition includes an individual in a same-sex marriage or common law marriage.

“Week” or “Workweek” means the number of days a staff member normally works each calendar week.

## 2. Qualifying Reasons for FMLA Leave

- a. A staff member may take FMLA leave to provide care made necessary:
  - (1) For the birth of a son or daughter of a staff member and in order to care for such son or daughter;
  - (2) For the placement of a son or daughter with a staff member for adoption or foster care;
  - (3) In order to care for the spouse, son, daughter, or parent of a staff member if such spouse, son, daughter, or parent has a serious health condition;
  - (4) For a serious health condition that makes a staff member unable to perform the functions of the position of such staff member.
- b. FMLA leave taken in relation to military service shall be in accordance with 29 CFR §825.112.
- c. Entitlement to FMLA leave taken for the birth of a son or daughter or placement of a son or daughter with a staff member for adoption or foster care shall expire at the end of the twelve month period beginning on the date of such birth or placement.

3. Staff Member Eligibility
- a. A staff member is eligible for up to twelve weeks of FMLA leave in a twelve month period.
  - b. A staff member shall become eligible for FMLA leave after the staff member has been employed at least twelve months by the Board and employed for at least 1,250 hours of service during the twelve month period immediately preceding the commencement of the FMLA leave.
    - (1) The twelve months a staff member must have been employed need not be consecutive months pursuant to 29 CFR §825.110(b).
    - (2) The minimum 1,250 hours of service shall be determined according to the principles established under the Fair Labor Standards Act (FLSA) for determining compensable hours of work pursuant to 29 CFR §785.
    - (3) The Board shall not provide pay for FMLA leave.
  - c. The method to determine the twelve month period in which the twelve weeks of FMLA leave entitlement occurs will be

**[Select one option**

- \_\_\_\_\_ the calendar year.
- \_\_\_\_\_ a school year.
- \_\_\_\_\_ a staff member's employment anniversary date.
- \_\_\_\_\_ the twelve month period measured forward from when a staff member's first FMLA leave begins.
- \_\_\_\_\_ a "rolling" twelve month period measured backward from the date a staff member uses any FMLA leave. **(Recommended)]**
- d. Pursuant to 29 CFR §825.201, a husband and wife both employed by the Board are limited to a combined total of twelve weeks of FMLA leave during the twelve month period if the FMLA leave is taken for the birth of a son or daughter of a staff member or to care for such son or daughter after birth; for placement of a son or daughter with a staff member for adoption or foster care or in order to care for the son or daughter after placement; or to care for a staff member's parent with a serious health condition.

4. Types of FMLA leave
  - a. Continuous FMLA leave is taken by staff members for a continuous period of time. Such FMLA leave is not broken up by a period of work and is continuous when a staff member is absent for three consecutive working days or more. Continuous FMLA leave may be taken for any qualifying reason.
  - b. Intermittent FMLA leave is FMLA leave taken in separate blocks of time due to a single qualifying reason. A reduced FMLA leave schedule is a FMLA leave schedule that reduces a staff member's usual number of working hours per workweek, or hours per workday. A reduced FMLA leave schedule is a change in a staff member's schedule for a period of time, normally from full-time to part-time.
    - (1) Intermittent or reduced FMLA leave may be taken for the following qualifying reasons:
      - (a) For the serious health condition of the staff member or to care for a parent, son, or daughter with a serious health condition.
        - (i) For intermittent FMLA leave or FMLA leave on a reduced FMLA leave schedule taken for the reason outlined in B.4.b.(1)(a) above there must be a medical need for FMLA leave and it must be that such medical need can be best accommodated through an intermittent or reduced FMLA leave schedule.
        - (ii) The treatment regimen and other information described in the certification of a serious health condition and in the certification of a serious injury or illness, shall address the medical necessity of intermittent FMLA leave or FMLA leave on a reduced FMLA leave schedule.
        - (iii) Intermittent FMLA leave may be taken for a serious health condition of a parent, son, or daughter, for a staff member's own serious health condition, which requires treatment by a health care provider periodically, rather than for one continuous period of time, and may include FMLA leave of periods from an hour or more to several weeks.
      - (b) For planned and/or unanticipated medical treatment of a serious health condition when medically necessary.

- (c) To provide care or psychological comfort to a covered family member with a serious health condition when medically necessary.
  - (d) For absences where a staff member or family member is incapacitated or unable to perform the essential functions of the position because of a chronic serious health condition even if he or she does not receive treatment by a health care provider.
  - (e) For FMLA leave taken after the birth of a healthy child or placement of a healthy child for adoption or foster care, only if the Board agrees.
    - (i) The Board's agreement is not required; however, for FMLA leave during which the mother has a serious health condition in connection with the birth of her child or if the newborn child has a serious health condition.
- (2) If a staff member needs FMLA leave intermittently or on a reduced FMLA leave schedule for planned medical treatment, then a staff member must make a reasonable effort to schedule the treatment so as not to disrupt unduly the Board's operations.
- (3) When a staff member takes FMLA leave on an intermittent or reduced FMLA leave schedule basis, the Board must account for the FMLA leave using an increment no greater than the shortest period of time that the Board uses to account for use of other forms of leave provided that it is not greater than one hour and provided further that a staff member's FMLA leave entitlement may not be reduced by more than the amount of FMLA leave actually taken.
- (a) If the Board accounts for use of leave in varying increments at different times of the day or shift, the Board may not account for FMLA leave in a larger increment than the shortest period used to account for other leave during the period in which the FMLA leave is taken.
  - (b) If the Board accounts for other forms of leave use in increments greater than one hour, the Board must account for FMLA leave use in increments no greater than one hour.

**5. Staff Member Notice Requirements**

- a. A staff member eligible for FMLA leave must give at least a thirty day written advance notice to the Superintendent or designee if the need for the FMLA leave is foreseeable based on an expected birth, placement for adoption or foster care, or planned medical treatment for a serious health condition of a staff member or a family member.
- (1) If thirty days is not practical, a staff member must provide notice “as soon as practicable” which means as soon as both possible and practical, taking into account all the facts and circumstances in the individual case.
  - (2) Where it is not possible to give as much as thirty days’ notice, “as soon as practical” ordinarily would mean at least verbal notification to the Superintendent or designee within one or two business days or when the need for FMLA leave becomes known to a staff member.
  - (3) The written notice shall include the reasons for the FMLA leave, the anticipated duration of the FMLA leave, and the anticipated start of the FMLA leave.
  - (4) When planning medical treatment, a staff member must consult with the Superintendent or designee and make a reasonable effort to schedule the FMLA leave so as not to unduly disrupt the educational program, subject to the approval of the health care provider.
    - (a) Staff members are ordinarily expected to consult with the Superintendent or designee prior to scheduling of treatment that would require FMLA leave for a schedule that best suits the needs of the Board and a staff member.
  - (5) Intermittent FMLA leave or FMLA leave on a reduced FMLA leave schedule must be medically necessary due to a serious health condition or a serious injury or illness. A staff member shall advise the Board of the reasons why the intermittent/reduced FMLA leave schedule is necessary and of the schedule for treatment, if applicable.
    - (a) A staff member and the Board shall attempt to work out a schedule for such FMLA leave that meets a staff member’s needs without unduly disrupting the Board’s operations, subject to the approval of the health care provider.

- (6) Where a staff member does not comply with the Board's usual notice and procedural requirements, and no unusual circumstances justify the failure to comply, FMLA-protected leave may be delayed or denied.
- b. When the approximate timing of the need for FMLA leave is not foreseeable, a staff member should give notice to the Superintendent or designee for FMLA leave as soon as practicable under the facts and circumstances of the particular case.
  - (1) It is expected a staff member will give notice to the Superintendent or designee within no more than one or two business days of learning of the need for FMLA leave, except in extraordinary circumstances where such notice is not foreseeable.
  - (2) A staff member should provide notice to the Board either in person, by telephone, telegraph, fax machine, email, or other electronic means.
- 6. Outside Employment During FMLA Leave
  - a. A staff member during any period of FMLA leave is prohibited from performing any services on a full-time basis for any person for whom a staff member did not provide services immediately prior to commencement of the FMLA leave.
    - (1) A staff member using FMLA leave may commence part-time employment that shall not exceed half the regularly scheduled hours worked for the Board.
    - (2) A staff member may continue the part-time employment that commenced prior to the FMLA leave at the same number of hours that a staff member was regularly scheduled prior to such FMLA leave.
- 7. "Instructional Employees" Exceptions for FMLA Leave
  - a. "Instructional Employees" are those staff members whose principal function is to teach and instruct students in class, a small group, or in an individual setting. This term includes teachers, athletic coaches, driving instructors, and special education assistants, such as signers for the hearing impaired.
    - (1) Teacher assistants or aides who do not have as their principal job actual teaching or instructing, guidance counselors, child study team members, curriculum specialists, cafeteria workers, maintenance workers, and/or bus drivers are not considered instructional staff members for the purposes of this Policy.

- (2) For purposes of this Policy “Instructional Employees” shall be referred to as “Instructional Staff Members”.
- b. “Semester” means the school semester that typically ends near the end of the calendar year and the end of the spring each school year. The Board can have no more than two semesters in a school year.
  - c. FMLA leave taken at the end of the school year and continues into the beginning of the next school year is considered consecutive FMLA leave.
  - d. Eligible instructional staff members that need intermittent or reduced FMLA leave to care for a family member or for a staff member’s own serious health condition which is foreseeable based on planned medical treatment and would be on FMLA leave more than twenty percent of the total number of working days over the period the FMLA leave would extend, the Board may:
    - (1) Require a staff member to take the FMLA leave for a period or periods of a particular duration, not greater than the duration of the planned treatment; or
    - (2) Transfer a staff member temporarily to an available alternative position for which a staff member is qualified, which has equivalent pay and benefits and which better accommodates recurring periods of FMLA leave than does a staff member’s regular position.
  - e. If the instructional staff member does not give the required notice for FMLA leave that is foreseeable and desires the FMLA leave to be taken intermittently or on a reduced FMLA leave schedule, the Board may require a staff member to take FMLA leave of a particular duration, or to transfer temporarily to an alternative position. Alternatively, the Board may require a staff member to delay taking the FMLA leave until the notice provision is met.
  - f. If an instructional staff member begins FMLA leave more than five weeks before the end of the school year, the Board may require a staff member to continue taking FMLA leave until the end of the semester if:
    - (1) The FMLA leave will last three weeks; and
    - (2) A staff member would return to work during the three-week period before the end of the semester.

- g. If an instructional staff member begins FMLA leave for a purpose other than a staff member's own serious health condition during the five week period before the end of the semester, the Board may require a staff member to continue taking FMLA leave until the end of the semester if:
  - (1) The FMLA leave will last more than two weeks; and
  - (2) The staff member would return to work during the two week period before the end of the semester.
- h. If an instructional staff member begins FMLA leave for a purpose other than a staff member's own serious health condition during the three week period before the end of a semester, the Board may require a staff member to continue taking FMLA leave until the end of the semester if the FMLA leave will last more than five working days.
- i. An example of FMLA leave falling within the situations outlines in B.7.f., B.7.g., and B.7.h. above:
  - (1) If a staff member plans two weeks of FMLA leave to care for a family member which will begin three weeks before the end of the term, the Board could require a staff member to stay out on FMLA leave until the end of the term.
- j. In the case of a staff member who is required to take FMLA leave until the end of an academic term, only the period of FMLA leave until a staff member is ready and able to return to work shall be charged against a staff member's FMLA leave entitlement.
- k. The Board may require a staff member to stay on FMLA leave until the end of the school term. Any additional leave required by the Board to the end of the school term is not counted as FMLA leave; however:
  - (1) The Board shall be required to maintain a staff member's group health insurance; and
  - (2) The Board shall be required to restore a staff member to the same or equivalent job including other benefits at the conclusion of the leave.
- 8. FMLA Leave Related to Military Service
  - a. Definitions for FMLA related to military service shall be in accordance with 29 CFR §§825.122; .126; .127; and .310.

- b. The foreign deployment of the staff member's spouse, child, or parent in accordance with 29 CFR §§825.122 and .126:
    - (1) The district must grant an eligible staff member up to twelve work weeks of unpaid, job-protected FMLA leave during any twelve month period for qualifying exigencies that arise when the staff member's spouse, child, or parent is on covered active duty, or has been notified of an impending call or order to covered active duty.
  - c. Military caregiver FMLA leave provides care for a covered servicemember with a serious injury or illness in accordance with 29 CFR §§825.122 and .127:
    - (1) The district must grant up to a total of twenty-six workweeks of unpaid, job-protected FMLA leave during a "single twelve month period" to care for a covered servicemember with a serious injury or illness.
9. Verification
- a. The Board shall require that a staff member's FMLA leave to care for a staff member's covered family member with a serious health condition, or due to a staff member's own serious health condition that makes a staff member unable to perform one or more of the essential functions of a staff member's position, be supported by a certification issued by the health care provider of a staff member or a staff member's family member.
    - (1) The Board must give written notice of a requirement for certification each time a certification is required. The Board's oral request to a staff member to furnish any subsequent certification is sufficient.
  - b. The Board shall require a staff member furnish certification at the time a staff member gives notice of the need for FMLA leave or within five business days thereafter, or, in the case of unforeseen FMLA leave, within five business days after the FMLA leave commences.
    - (1) The Board may request certification at some later date if the Board later has reason to question the appropriateness of the FMLA leave or its duration.
    - (2) A staff member must provide the requested certification to the Board within fifteen calendar days after the Board's request, unless it is not practicable under the particular circumstances to do so despite a staff member's diligent, good faith efforts or the Board provides more than fifteen calendar days to return the requested certification.

- c. When FMLA leave is taken because of a staff member's own serious health condition, or the serious health condition of a family member, the Board shall require a staff member to obtain a medical certification from a health care provider that sets forth the following information:
- (1) The name, address, telephone number, and fax number of the health care provider and type of medical practice/specialization;
  - (2) The approximate date on which the serious health condition commenced, and its probable duration;
  - (3) A statement or description of appropriate medical facts regarding the patient's health condition for which FMLA leave is requested. The medical facts must be sufficient to support the need for FMLA leave.
    - (a) Such medical facts may include information on symptoms, diagnosis, hospitalization, doctor visits, whether medication has been prescribed, any referrals for evaluation or treatment (physical therapy, for example), or any other regimen of continuing treatment;
  - (4) If a staff member is the patient, information sufficient to establish that a staff member cannot perform the essential functions of a staff member's job as well as the nature of any other work restrictions, and the likely duration of such inability;
  - (5) If the patient is a covered family member with a serious health condition, information sufficient to establish that the family member is in need of care, and an estimate of the frequency and duration of the FMLA leave required to care for the family member;
  - (6) If a staff member requests FMLA leave on an intermittent or reduced schedule basis for planned medical treatment of a staff member's or a covered family member's serious health condition, information sufficient to establish the medical necessity for such intermittent or reduced schedule FMLA leave and an estimate of the dates and duration of such treatments and any periods of recovery;
  - (7) If a staff member requests FMLA leave on an intermittent or reduced schedule basis for a staff member's serious health condition, including pregnancy, that may result in unforeseeable episodes of incapacity, information sufficient to establish the medical necessity for such intermittent or reduced schedule FMLA leave and an estimate of the frequency and duration of the episodes of incapacity; and

- (8) If a staff member requests FMLA leave on an intermittent or reduced schedule basis to care for a covered family member with a serious health condition, a statement that such FMLA leave is medically necessary to care for the family member, which can include assisting in the family member's recovery, and an estimate of the frequency and duration of the required FMLA leave.
  - d. A staff member may choose to comply with the certification requirement by providing the Board with an authorization, release, or waiver allowing the Board to communicate directly with the health care provider of a staff member or his or her covered family member.
    - (1) It is a staff member's responsibility to provide the Board with complete and sufficient certification and failure to do so may result in the denial of FMLA leave.
  - e. If the Board has reason to doubt the validity of a medical certification, the Board may require a staff member to obtain a second opinion at the Board's expense.
    - (1) The Board may designate the health care provider to furnish the second opinion, but the selected health care provider may not be employed on a regular basis by the Board.
  - f. If the opinions of a staff member's and the Board's designated health care providers differ, the Board may require a staff member to obtain certification from a third health care provider, again at the Board's expense. This third opinion shall be final and binding. The third health care provider must be designated or approved jointly by the Board and the staff member.
10. Reinstatement Following FMLA Leave
- a. On return from FMLA leave a staff member is entitled to be returned to the same position a staff member held when FMLA leave commenced, or to an equivalent position with equivalent benefits, pay, and other terms and conditions of employment.
    - (1) A staff member is entitled to such reinstatement even if a staff member has been replaced or his or her position has been restructured to accommodate for a staff member's absence.
    - (2) The requirement that a staff member be restored to the same or equivalent job with the same or equivalent pay, benefits, and terms and conditions of employment does not extend to de minimis, intangible, or unmeasurable aspects of the job.

b. Denial of Reinstatement

- (1) A staff member has no greater right to reinstatement or to other benefits and conditions of employment than if a staff member had been continuously employed during the FMLA leave period.
  - (a) The Board must be able to show that a staff member would not otherwise have been employed at the time reinstatement is requested in order to deny restoration to employment.
- (2) The Board may deny job restoration to “key employees”, if such denial is necessary to prevent substantial and grievous economic injury to the operations of the Board.
  - (a) A “key employee” is a salaried FMLA-eligible staff member who is among the highest paid ten percent of all staff members employed by the Board within seventy-five miles of a staff member's worksite.
- (3) If a staff member is unable to perform an essential function of the position because of a physical or mental condition, including the continuation of a serious health condition or an injury or illness also covered by workers' compensation, a staff member has no right to restoration to another position under the FMLA.
  - (a) The Board's obligation may; however, be governed by the Americans with Disabilities Act, State leave law, or workers' compensation laws.
- (4) A staff member who fraudulently obtains FMLA leave from the Board is not protected by FMLA's job restoration or maintenance of health benefits provisions.

c. Intent to Return to Work

- (1) The Board may require a staff member on FMLA leave to report periodically on a staff member's status and intent to return to work.

d. Fitness for Duty Certification

- (1) As a condition of restoring a staff member whose FMLA leave was a result of a staff member's own serious health condition that made a staff member unable to perform a staff member's job, the Board shall require all similarly-situated staff members (i.e., same occupation, same serious health condition) who take FMLA leave for such conditions to obtain and present

certification from a staff member's health care provider that a staff member is able to resume work.

- (2) A staff member has the same obligations to participate and cooperate in the fitness-for-duty certification process as in the initial certification process.

#### 11. The Board of Education Notice

##### a. Notice of Staff Member Rights Under FMLA

- (1) The Board shall post and keep posted on its premises, in conspicuous places where staff members are employed, a notice explaining the FMLA's provisions and providing information concerning the procedures for filing complaints of violations of the FMLA with the Wage and Hour Division.
  - (a) The notice will be posted prominently where it can be readily seen by staff members and applicants for employment.
  - (b) The poster and the text will be large enough to be easily read and contain fully legible text.
  - (c) Electronic posting is sufficient to meet this posting requirement as long as it otherwise meets the requirements of B.11.
- (2) The Board shall also provide this general notice to each staff member by including the notice in staff members' handbooks or other written guidance to staff members concerning staff member benefits or FMLA leave rights, if such written materials exist, or by distributing a copy of the general notice to each new staff member upon hiring. In either case, distribution may be accomplished electronically.
- (3) Access to and/or distribution of this Policy shall serve as school district notice to staff members of their rights pursuant to 29 CFR §825 et seq.

##### b. Eligibility Notice

- (1) When a staff member requests FMLA leave, or when the Board acquires knowledge that a staff member's FMLA leave may be for an FMLA-qualifying reason, the Board must notify the staff member of the staff member's eligibility to take FMLA leave within five business days, absent extenuating circumstances.

## c. Designation Notice

- (1) The **Board** is responsible in all circumstances for designating leave as FMLA-qualifying, and for giving notice of the designation to a staff member. The **Board** must notify a staff member whether the leave will be designated and will be counted as FMLA leave within five business days absent extenuating circumstances.
- (2) If the **Board** requires paid leave to be substituted for unpaid FMLA leave, or that paid leave taken under an existing leave plan be counted as FMLA leave, the **Board** must inform a staff member of this designation at the time of designating the FMLA leave.

## 12. Local Board of Education Practices

## a. Substitution of Paid Leave

- (1) Whether a staff member is required to use sick time or any other accrued leave time concurrent with FMLA leave time will depend upon either the district's practice or a provision in the district's collective bargaining agreement, if applicable.

## b. Maintenance of Staff Member Benefits

- (1) The Board must maintain a staff member's coverage under any group health plan on the same conditions as coverage would have been provided if a staff member had been continuously employed during the entire FMLA leave period.

## C. Shared Provisions

## 1. Interference with Family Leave Rights

The NJFLA and the FMLA prohibit interference with a staff member's rights under the law, and with legal proceedings or inquiries relating to a staff member's rights. Unless permitted by the law, no staff member shall be required to take family leave or to extend family leave beyond the time requested. A staff member shall not be discriminated against for having exercised his/her rights under the NJFLA and the FMLA nor discouraged from the use of family leave.

## 2. Non-Tenured Teaching Staff

Family leave granted to a nontenured staff member cannot extend a staff member's employment beyond the expiration of his/her employment contract.

3. Record Keeping

The Superintendent or designee shall ensure the keeping of accurate attendance records that distinguish family leave from other kinds of leave so a staff member's entitlement to NJFLA leave and FMLA leave can be properly determined.

4. Processing of Complaints

a. New Jersey Family Leave Act

- (1) Any complaint alleging a violation of the NJFLA shall be processed in the same manner as a complaint filed under the terms of N.J.S.A. 10:5-1 et seq. and N.J.A.C. 13:4 through the New Jersey Department of Law and Public Safety, Division on Civil Rights.

b. Federal Family and Medical Leave Act (FMLA)

- (1) If there is a dispute between the Board and a staff member as to whether leave qualifies as FMLA leave, it should be resolved through discussion between the staff member and the Superintendent or designee. Such discussions and the decision shall be documented by the Superintendent or designee.
- (2) A staff member also may file, or have another person file on his/her behalf, a complaint with the United States Secretary of Labor. A complaint may be filed in person, by mail, or by telephone with the Wage and Hour Division, Employment Standards Administration, U.S. Department of Labor, at any local office of the Wage and Hour Division.
- (3) This Policy 1643 shall be posted on the school district website, in a manner accessible to all staff members and a hard copy shall be provided to all staff members annually prior to the beginning of the school year and upon initial employment in the school district during the school year.

Family Leave

### A. Introduction

The Board will provide family leave in accordance with the Federal Family and Medical Leave Act (FMLA) and the New Jersey Family Leave Act (NJFLA).

~~FMLA leave for eligible staff members shall be up to twelve weeks leave of absence in any twelve month period upon advance notice to the district for the birth of a son or daughter of the staff member and in order to care for such son or daughter; for the placement of a son or daughter with the staff member for adoption or foster care; in order to care for the spouse, son, daughter, or parent of the staff member if such spouse, son, daughter, or parent has a serious health condition; or for a serious health condition that makes the staff member unable to perform the functions of the position of such staff member, or because of any qualifying exigency arising out of the fact that the staff member's spouse, son, daughter or parent is a military member on active duty or call to covered active duty status (or has been notified of an impending call or order to covered active duty). In addition, eligible staff members may take up to a combined total of twenty six workweeks in a single twelve month period to care for a covered servicemember with a serious injury or illness.~~

~~NJFLA leave for teaching staff members shall be up to twelve weeks leave of absence in any twenty four month period upon advance notice to the district so that a staff member may provide care made necessary by the birth of a child of the staff member, the placement of a child with the staff member in connection with adoption of such child by the staff member, and the serious health condition of a spouse, parent, or child.~~

### B. Applicability

~~The Board will comply with requirements of the New Jersey and Federal Family Leave laws. The laws have similar and different provisions that may provide different rights and obligations for the staff member and/or the Board. The staff member shall be afforded the most favorable rights if there is a conflict in the rights afforded to the staff member under the two laws.~~

- ~~1. If the staff member is eligible for leave for reasons provided under the FMLA and NJFLA, then the time taken shall be concurrent and be applied to both laws.~~
- ~~2. The NJFLA provides twelve weeks leave in a twenty four month period while the FMLA provides twelve weeks leave in a twelve month period. A staff member is eligible for up to twelve weeks leave in the first twelve months of the twenty four month period under the NJFLA. A staff member is eligible for up to twelve weeks leave in the second twelve month period under the FMLA.~~
- ~~3. In the event the reason for the family leave is recognized under one law and not the other law, the staff member is eligible for each law's leave entitlements within one twelve month period. (Example: A staff member may use their FMLA leave for a twelve week family leave for their own pregnancy, which is considered a "serious health~~

condition” under FMLA, and upon conclusion of the twelve week FMLA leave, the staff member would be eligible for a twelve week NJFLA leave to care for their newborn or any other reasons pursuant to the NJFLA.)

**C. Definitions****1. Federal Family and Medical Leave Act (FMLA)**

“Contingency operation” means a military operation that results in the call or order to, or retention on, active duty of members of the uniformed services during a war or during a national emergency declared by the President or Congress.

“Covered active duty” or “call to covered active duty” means duty during deployment of a member with the Armed Forces to a foreign country and, in the case of a member of the Reserve components of the Armed Forces, duty during the deployment of the member with the Armed Forces to a foreign country under a Federal call or order to active duty in support of a contingency operation.

“Covered servicemember” means a current member of the Armed Forces (including National Guard or Reserves), who is undergoing medical treatment, recuperation, or therapy, is otherwise in outpatient status, or is otherwise on the temporary disability retired list for a serious injury or illness; or a covered veteran undergoing medical treatment, recuperation, or therapy for a serious injury or illness.

“Covered veteran” means an individual who was a member of the Armed Forces (including National Guard or Reserves), discharged or released under conditions other than dishonorable at any time during the five year period prior to the first date the eligible staff member takes FMLA leave to care for the covered veteran. For a veteran discharged prior to March 8, 2013, the effective date of the FMLA Final Rule, the period between October 28, 2009 and March 8, 2013 will not count towards the determination of the five year period. 29 CFR §825.127(b)(2)

“Military caregiver leave” means leave taken to care for a covered servicemember with a serious injury or illness under FMLA. 29 CFR §825.127

~~“Next of kin of a covered servicemember” means the nearest blood relative other than the covered servicemember's spouse, parent, son, or daughter, in the following order of priority: blood relatives who have been granted legal custody of the covered servicemember by court decree or statutory provisions, brothers and sisters, grandparents, aunts and uncles, and first cousins, unless the covered servicemember has specifically designated in writing another blood relative as his or her nearest blood relative for purposes of military caregiver leave under the FMLA. When no such designation is made, and there are multiple family members with the same level of relationship to the covered servicemember, all such family members shall be considered the covered servicemember's next of kin and may take FMLA leave to provide care to the covered servicemember, either consecutively or simultaneously. When such designation has been made, the designated individual shall be deemed to be the covered servicemember's only next of kin. For example, if a covered servicemember has three siblings and has not designated a blood relative to provide care, all three siblings would be considered the covered servicemember's next of kin. Alternatively, where a covered servicemember has a sibling(s) and designates a cousin as his or her next of kin for FMLA purposes, then only the designated cousin is eligible as the covered servicemember's next of kin. An employer is permitted to require an employee to provide confirmation of covered family relationship to the covered servicemember pursuant to 29 CFR §825.122(k). 29 CFR §825.127(d)(3)~~

~~“Outpatient status” means, with respect to a covered servicemember who is a current member of the Armed Forces, the status of a member of the Armed Forces assigned to either a military medical treatment facility as an outpatient; or a unit established for the purpose of providing command and control of members of the Armed Forces receiving medical care as outpatients. 29 CFR §825.127(b)(1)~~

~~“Parent” means a biological, adoptive, step or foster father or mother, or any other individual who stood in loco parentis to the employee when the employee was a son or daughter as defined below. This term does not include parents “in law.”~~

~~“Parent of a covered servicemember” means a covered servicemember’s biological, adoptive, step or foster father or mother, or any other individual who stood in loco parentis to the covered servicemember. This term does not include parents “in law.”~~

~~“Serious health condition” means an illness, injury, impairment, or physical or mental condition that involves inpatient care in a hospital, hospice, or residential medical facility or continuing treatment by a health care provider. “Serious health condition” may include treatment of substance abuse pursuant to 29 CFR §825.119.~~

~~“Serious injury or illness,” only in the case of a veteran or current member of the Armed Forces, means:~~

- ~~a. In the case of a current member of the Armed Forces, including a member of the National Guard or Reserves, an injury or illness that was incurred by the covered servicemember in the line of duty on active duty in the Armed Forces or that existed before the beginning of the member's active duty and was aggravated by service in the line of duty on active duty in the Armed Forces and that may render the servicemember medically unfit to perform the duties of the member's office, grade, rank, or rating; and~~
- ~~b. In the case of a covered veteran, an injury or illness that was incurred by the member in the line of duty on active duty in the Armed Forces (or existed before the beginning of the member's active duty and was aggravated by service in the line of duty on active duty in the Armed Forces) and manifested itself before or after the member became a veteran, and is:~~
  - ~~(1) A continuation of a serious injury or illness that was incurred or aggravated when the covered veteran was a member of the Armed Forces and rendered the servicemember unable to perform the duties of the servicemember's office, grade, rank, or rating; or~~
  - ~~(2) A physical or mental condition for which the covered veteran has received a U.S. Department of Veterans Affairs Service Related Disability Rating (VASRD) of fifty percent or greater, and such VASRD rating is based, in whole or in part, on the condition precipitating the need for military caregiver leave; or~~
  - ~~(3) A physical or mental condition that substantially impairs the covered veteran's ability to secure or follow a substantially gainful occupation by reason of a disability or disabilities related to military service, or would do so absent treatment; or~~

~~(4) — An injury, including a psychological injury, on the basis of which the covered veteran has been enrolled in the Department of Veterans Affairs Program of Comprehensive Assistance for Family Caregivers. 29 CFR §825.127(e)~~

~~“Single twelve month period” means that a military caregiver’s leave begins on the first day the staff member takes FMLA leave and ends twelve months after that date, regardless of the twelve month period established by the district for other FMLA leave reasons. 29 CFR §825.127(e)(1)~~

~~“Son” or “daughter” means a biological, adopted, or foster child, stepchild, a legal ward, or a child of a person standing in loco parentis, who is either under age eighteen or age eighteen or older and incapable of self care because of a mental or physical disability at the time that FMLA leave is to commence.~~

~~“Son or daughter of the covered servicemember” means a covered servicemember's biological, adopted or foster child, stepchild, legal ward, or a child for whom the covered servicemember stood in loco parentis, and who is of any age. 29 CFR §825.127(d)(1)~~

~~“Son or daughter on covered active duty or call to covered active duty status” means the staff member's biological, adopted or foster child, stepchild, legal ward, or a child for whom the staff member stood in loco parentis, who is on covered active duty or call to covered active duty status, and who is of any age. 29 CFR §825.126(a)(5)~~

~~“Spouse” means a husband or wife. For purposes of this definition, husband or wife refers to the other person with whom an individual entered into marriage as defined or recognized under State law in the State in which the marriage was entered into or, in the case of a marriage entered into outside of any State, if the marriage is valid in the place where entered into and could have been entered into in at least one State. This definition includes an individual in a same sex marriage or common law marriage. 29 CFR §825.122~~

~~“Staff member” means an employee eligible for family and medical leave in accordance with the Federal Family and Medical Leave Act (FMLA).~~

~~“Week” or “Workweek” means the number of days a staff member normally works each calendar week.~~

2. ~~New Jersey Family Leave Act (NJFLA)~~

~~“Child” means a biological, adopted or foster child, stepchild, legal ward, child of a parent who is under eighteen years of age or a child eighteen years of age or older but incapable of self care because of a mental or physical impairment.~~

~~“Continuing medical treatment” or “continuing supervision by a health care provider” means a period of incapacity or a period of absence in accordance with N.J.A.C. 13:14.~~

~~“Parent” means a biological, adoptive, or foster parent; step parent; parent in law; a legal guardian having a “parent child relationship” with a child as defined by law; or a person who has sole or joint legal or physical custody, care, guardianship, or visitation with a child.~~

~~“Serious health condition” means an illness, injury, impairment, or physical or mental condition that requires inpatient care in a hospital, hospice, or residential medical facility or continuing medical treatment or continuing supervision by a health care provider.~~

~~“Spouse” means a person to whom a staff member is lawfully married as defined by New Jersey law.~~

~~“Staff member” means an employee eligible for family leave in accordance with the New Jersey Family Leave Act.~~

~~“Week” or “Workweek” means the number of days a staff member normally works each calendar week.~~

D. ~~Eligibility~~1. ~~Federal Family and Medical Leave Act (FMLA)~~

~~A staff member shall become eligible for FMLA leave after he/she has been employed at least twelve months in this district and employed for at least 1250 hours of service during the twelve month period immediately preceding the commencement of the leave. The twelve months the staff member must have been employed need not be consecutive~~

~~months pursuant to 29 CFR §825 110(b). The minimum 1250 hours of service shall be determined according to the principles established under the Fair Labor Standards Act (FLSA) for determining compensable hours of work pursuant to 29 CFR §785. Entitlement to FMLA leave taken for the birth of a son or daughter or placement of a son or daughter with the staff member for adoption or foster care shall expire at the end of the twelve month period beginning on the date of such birth or placement.~~

~~Pursuant to 29 CFR §825 202, a husband and wife both employed by the district are limited to a combined total of twelve weeks of leave during the twelve month period if the leave is taken for the birth of a son or daughter of the staff member or to care for such son or daughter after birth; for placement of a son or daughter with the staff member for adoption or foster care or in order to care for the son or daughter after placement; or to care for the staff member's parent with a serious health condition.~~

~~The method to determine the twelve month period in which the twelve weeks of FMLA leave entitlement occurs will be a "rolling" twelve month period measured backward from the date a staff member uses any family leave.~~

~~A staff member during any period of FMLA leave is prohibited from performing any services on a full time basis for any person for whom the staff member did not provide services immediately prior to commencement of the leave. A staff member on FMLA leave may commence part time employment that shall not exceed half the regularly scheduled hours worked for the district. The staff member may continue the part time employment that commenced prior to the FMLA leave at the same number of hours that the staff member was regularly scheduled prior to such leave.~~

## ~~2. New Jersey Family Leave Act (NJFLA)~~

~~A staff member shall become eligible for NJFLA leave after he/she has been employed at least twelve months in this district for not less than 1,000 base hours, excluding overtime, during the immediate preceding twelve month period. The calculation of the twelve month period to determine eligibility shall commence with the commencement of the NJFLA leave. NJFLA leave taken for the birth or adoption of a healthy child may commence at any time within a year after the date of the birth or placement for adoption.~~

~~The district shall grant a family leave under NJFLA to more than one staff member from the same family (for example, a husband and a wife, or a brother and a sister) at the same time, provided such staff members are otherwise eligible for the leave. N.J.A.C. 13:14-1.12~~

~~A staff member during any period of the NJFLA leave is prohibited from performing any services on a full time basis for any person for whom the staff member did not provide services immediately prior to commencement of the leave. A staff member on NJFLA leave may commence part time employment that shall not exceed half the regularly scheduled hours worked for the district. The staff member may continue the part time employment that commenced prior to the NJFLA leave at the same number of hours that the staff member was regularly scheduled prior to such leave.~~

~~The method to determine the twenty four month period in which the twelve weeks of NJFLA leave entitlement occurs will be a "rolling" twenty four month period measured backward from the date a staff member uses any leave.~~

#### ~~E. Types of Leave~~

##### ~~1. Federal Family and Medical Leave Act (FMLA)~~

~~A staff member may take FMLA leave to include servicemember qualifying exigency leave or military caregiver leave in consecutive weeks, as intermittent leave, or as reduced leave. A staff member who requests intermittent or reduced leave shall make a reasonable effort to schedule such leave so as not to unduly disrupt the instructional/educational program.~~

- ~~a. Leave for the birth of a son or daughter or placement of a son or daughter with the staff member for adoption or foster care may not be taken by a staff member intermittently or on a reduced leave schedule.~~
- ~~b. Leave may be taken intermittently or on a reduced leave schedule when medically necessary for planned and/or unanticipated medical treatment of a related serious health condition by or under the supervision of a health care provider, or for recovery from treatment or recovery from a serious health condition.~~
- ~~c. Intermittent leave means leave scheduled for periods of time from one hour or more to several weeks; however, the total time within which the leave is taken can not exceed a twelve month period for each serious health condition episode.~~

~~Intermittent leave may be taken for a serious health condition that requires periodic treatment by a health care provider, rather than one continuous period of time. Intermittent leave may also be taken for absences where the staff member is incapacitated or unable to perform the essential functions of the position because of a serious health condition even if the staff member does not receive treatment by a health care provider. The staff member shall make a reasonable effort to schedule intermittent leave so as not to unduly disrupt the operations of the instructional/educational program.~~

- ~~d. Reduced leave means leave scheduled for fewer than the staff member's usual number of hours worked per workweek, but not fewer than a staff member's usual number of hours worked per workday, unless otherwise agreed to by the staff member and the district. A staff member is entitled, at the option of the staff member, to take leave on a reduced leave schedule not exceeding twenty-four consecutive weeks. The staff member shall make a reasonable effort to schedule reduced leave so as not to unduly disrupt the operations of the instructional/educational program. The staff member shall provide the district prior notice of the care, medical treatment or continuing supervision by a health care provider necessary due to a serious health condition of a family member in a manner that is reasonable and practicable. Leave taken on a reduced leave schedule shall not result in a reduction of the total amount of leave to which a staff member is entitled.~~
- ~~e. The fact that a holiday may occur within the week taken by a staff member as Family Leave has no effect and the week is counted as a week of Family Leave. However, if the staff member is out on Family Leave and the school district is closed and the staff member would not be expected to report for work for one or more weeks, the weeks the school district is closed for this staff member do not count against the staff member's family leave entitlement.~~

~~Any leave time remaining after a staff member has exhausted his/her entitlement to intermittent leave in any twelve month period may be taken as consecutive leave or reduced leave, and any leave time remaining after a staff member has exhausted his/her entitlement to reduced leave in any twelve month period may be taken as consecutive leave or intermittent leave.~~

- ~~f. “Instructional employees” as defined in 29 CFR §825 600(e) are those staff members whose principal function is to teach and instruct pupils in class, a small group, or in an individual setting. This term includes teachers, athletic coaches, driving instructors, and special education assistants, such as signers for the hearing impaired. Teacher assistants or aides who do not have as their principal job actual teaching or instructing, guidance counselors, child study team members, curriculum specialists, cafeteria workers, maintenance workers and/or bus drivers are not considered instructional employees for the purposes of this policy. Semester as defined in 29 CFR §825 602(a)(3)(b) means the school semester that typically ends near the end of the calendar year and the end of the spring each school year. A school district can have no more than two semesters in a school year.~~
- ~~(1) Leave taken at the end of the school year and continues into the beginning of the next school year is considered consecutive leave.~~
- ~~(2) In accordance with 29 CFR §825 601(a)(1), eligible instructional staff members that need intermittent or reduced leave to care for a family member, or for the staff member’s own serious health condition which is foreseeable based on planned medical treatment and the staff member would be on leave more than twenty percent of the total number of working days over the period the leave would extend, the district:~~
- ~~(a) May require the staff member to take the leave for a period or periods of a particular duration, not greater than the duration of the planned treatment; or~~
- ~~(b) Transfer the staff member temporarily to an available alternative position for which the staff member is qualified, which has equivalent pay and benefits and which better accommodates recurring periods of leave than does the staff member’s regular position.~~
- ~~(3) In accordance with 29 CFR §825.601, if the instructional staff member does not give the required notice for leave that is foreseeable and desires the leave to be taken intermittently or on a reduced leave schedule, the district may require the staff member to take leave of a particular duration, or to transfer temporarily to an alternative position. Alternatively, the district may require the staff member to delay taking the leave until the notice provision is met.~~

Family Leave

- (4) ~~In accordance with 29 CFR §825.602, if an instructional staff member begins leave more than five weeks before the end of the school year, the district may require the staff member to continue taking leave until the end of the semester if:~~
- (a) ~~The leave will last three weeks; and~~
  - (b) ~~The staff member would return to work during the three week period before the end of the semester.~~
- (5) ~~In accordance with 29 CFR §825.602, if an instructional staff member begins leave for a purpose other than the staff member's own serious health condition during the five week period before the end of the semester, the district may require the staff member to continue taking leave until the end of the semester if:~~
- (a) ~~The leave will last more than two weeks; and~~
  - (b) ~~The staff member would return to work during the two week period before the end of the semester.~~
- ~~(Example of leave falling within these provisions: If a staff member plans two weeks of leave to care for a family member which will begin three weeks before the end of the term, the district could require the staff member to stay out on leave until the end of the term.)~~
- (6) ~~In accordance with 29 CFR §825.602, if an instructional staff member begins leave for a purpose other than the staff member's own serious health condition during the three week period before the end of a semester, the district may require the staff member to continue taking leave until the end of the semester if the leave will last more than five working days.~~
- (7) ~~In the event the district requires the instructional staff member to take additional leave to the end of the semester in accordance with (4), (5), or (6) above, the additional leave days shall not be counted as FMLA leave.~~

- ~~g. — Servicemember qualifying exigency leave may arise out of the foreign deployment of the staff member's spouse, child, or parent 29 CFR §§825.122 and 126:~~
- ~~(1) — The district must grant an eligible staff member up to twelve work weeks of unpaid, job protected leave during any twelve-month period for qualifying exigencies that arise when the staff member's spouse, child, or parent is on covered active duty, or has been notified of an impending call or order to covered active duty.~~
  - ~~(2) — The military member must be the spouse, son, daughter, or parent of the staff member taking FMLA exigency leave.~~
  - ~~(3) — FMLA leave can be granted for one or more of the following exigencies:~~
    - ~~(a) — Short notice deployment:
 
      - ~~i. — Notification of duty seven or less calendar days prior to date of deployment;~~
      - ~~ii. — Leave can be used for a period of seven calendar days beginning on the date the military member is notified.~~~~
    - ~~(b) — Military events and related activities, including official ceremonies, programs, or events sponsored by the military and related to the covered active duty or call to covered active duty status of the military member; and to attend family support or assistance programs and informational briefings sponsored or promoted by the military, military service organizations, or the American Red Cross.~~
    - ~~(c) — Childcare and school activities including arranging for alternative childcare; providing childcare on an urgent, immediate need basis (not routine, regular, or everyday basis); to enroll in or transfer to a new school or day care facility; or to attend meetings with staff at a school or day care facility:~~

- ~~(a) — The eligible staff member must be the spouse, son, daughter, parent, or next of kin of the covered servicemember.~~
- ~~(b) — The staff member is limited to a combined total of twenty-six workweeks for any FMLA qualifying reasons during the single twelve month period. Up to twelve of the twenty six weeks may be for an FMLA qualifying reason other than military caregiver leave.~~
- ~~(c) — Spouses who are eligible for FMLA leave and are employed by the same covered employer may be limited to a combined total of twenty six workweeks of leave during a single twelve month period if the leave is taken for birth of the employee's son or daughter or to care for the child after birth, for placement of a son or daughter with the employee for adoption or foster care, or to care for the child after placement, to care for the employee's parent with a serious health condition, or to care for a covered servicemember with a serious injury or illness. If one spouse is ineligible for FMLA leave, the other spouse would be entitled to a full twenty six workweeks of FMLA leave.~~
- ~~(2) — Leave entitlement is applied on a per covered servicemember, per injury basis.~~
- ~~(a) — The staff member may take an additional twenty six weeks of leave if the leave is to care for different covered servicemembers or to care for the same servicemember with a subsequent serious injury or illness, except that no more than twenty six weeks of leave may be taken within any single twelve month period.~~
- ~~(b) — An eligible staff member may take military caregiver leave to care for more than one current service member or covered veteran at the same time or for the same family member with the same serious injury or illness both when the family member is a current servicemember and when the family member is a veteran.~~

Family Leave

~~(e) — Military caregiver leave may be taken by eligible staff members whose family members are recent veterans with serious injuries or illnesses incurred or aggravated in the line of duty on active duty, and that manifested before or after the veteran left active duty.~~

~~2. — New Jersey Family Leave Act (NJFLA)~~

~~A staff member may take NJFLA leave in consecutive weeks, as intermittent leave, or as reduced leave. A staff member who requests intermittent or reduced leave shall make a reasonable effort to schedule such leave so as not to unduly disrupt the instructional/educational program. The district shall not require a staff member to take a leave of absence beyond the period of time the staff member requests family leave. N.J.A.C. 13:14-1.5(f)~~

~~a. — In the case of a family member who has a serious health condition, leave may be taken intermittently when medically necessary. The total time within which the leave is taken, can not exceed a twelve-month period for each serious health condition episode. The staff member will provide the district with prior notice of the leave in a manner which is reasonable and practicable; and the staff member shall make a reasonable effort to schedule the leave so as not to unduly disrupt the operations of the instructional/educational program. In the case of the birth or adoption of a healthy child, the leave may be taken intermittently only if agreed to by the staff member and the district.~~

~~b. — Reduced leave means leave scheduled for fewer than the staff member's usual number of hours worked per workweek, but not fewer than a staff member's usual number of hours worked per workday, unless otherwise agreed to by the staff member and the district. A staff member is entitled, at the option of the staff member, to take leave on a reduced leave schedule for a period not exceeding twenty four consecutive weeks. The staff member is not entitled to take the leave on a reduced leave schedule without an agreement between the staff member and the district if the leave is taken for the birth or adoption of a healthy child. The staff member shall make a reasonable effort to schedule reduced leave so as not to unduly disrupt the operations of the instructional/educational program. The staff member shall provide the district prior notice of the care, medical treatment or continuing supervision by a health care provider necessary due to a serious health condition of a family member in a manner that is reasonable and practicable. Leave taken on a reduced leave schedule shall not result in a reduction of the total amount of leave to which a staff member is entitled.~~

- ~~c. The fact that a holiday may occur within the week taken by a staff member as family leave has no effect and the week is counted as a week of family leave. However, if the staff member is out on family leave and the school district is closed and the staff member would not be expected to report for work for one or more weeks, the weeks the school district is closed for this staff member do not count against the staff member's family leave entitlement.~~

~~Any leave time remaining after a staff member has exhausted his/her entitlement to intermittent leave in any twelve month period may be taken as consecutive leave or reduced leave, and any leave time remaining after a staff member has exhausted his/her entitlement to reduced leave in any twelve month period may be taken as consecutive leave or intermittent leave.~~

~~F. Notice~~

~~1. Federal Family and Medical Leave Act (FMLA)~~

- ~~a. Foreseeable Leave A staff member eligible for FMLA leave must give at least a thirty day written advance notice to the Manager of Human Resources if the need for the leave is foreseeable based on an expected birth, placement for adoption of foster care, or planned medical treatment for a serious health condition of the staff member or a family member. If thirty days is not practical, the staff member must provide notice "as soon as practicable" which means as soon as both possible and practical, taking into account all the facts and circumstances in the individual case. For foreseeable leave where it is not possible to give as much as thirty days notice "as soon as practical" ordinarily would mean at least verbal notification to the Manager of Human Resources within one or two business days or when the need for leave becomes known to the staff member. The written notice shall include the reasons for the leave, the anticipated duration of the leave and the anticipated start of the leave.~~

~~When planning medical treatment, the staff member must consult with the Manager of Human Resources and make a reasonable effort to schedule the leave so as not to unduly disrupt the educational program, subject to the approval of the health care provider. Staff members are ordinarily expected to consult with the Manager of Human Resources prior to scheduling of treatment that would require leave for a schedule that best suits the needs of the district and the staff member. The district may delay the staff member taking leave for at least thirty days if the staff member fails to give thirty days notice for foreseeable leave with no reasonable excuse for the delay.~~

- b. ~~Unforeseeable Leave~~ When the approximate timing of the need for leave is not foreseeable, a staff member should give notice to the Manager of Human Resources for leave as soon as practicable under the facts and circumstances of the particular case. It is expected the staff member will give notice to the Manager of Human Resources within no more than one or two working days of learning of the need for leave, except in extraordinary circumstances where such notice is not foreseeable. The staff member should provide notice to the employer either in person or by telephone, telegraph, facsimile machine or other electronic means.
2. ~~New Jersey Family Leave Act (NJFLA)~~
- a. ~~Foreseeable Leave~~ A staff member eligible for NJFLA leave must give at least a thirty day advance written notice to the Manager of Human Resources of the need to take family leave except where the need to take family leave is not foreseeable.
- (1) ~~Notice for leave to be taken for the birth or placement of the child for adoption shall be given at least thirty days prior to the commencement of the leave, except that if the date of the birth or adoption requires leave to begin in less than thirty days, the staff member shall provide such notice that is reasonable and practicable.~~
- (2) ~~Notice for leave to be taken for the serious health condition of a family member shall be given at least fifteen days prior to the commencement of leave, except that if the date of the treatment or supervision requires leave to begin in less than fifteen days, the staff member shall provide such notice that is reasonable and practicable.~~
- (3) ~~When the Manager of Human Resources is not made aware that a staff member was absent for family leave reasons and the staff member wants to request the leave be counted as family leave, the staff member must provide timely notice within two business days of returning to work to have the time considered for family leave in accordance with the Family Leave Act.~~

b. ~~Unforeseeable Leave~~—When the need for leave is not foreseeable, the staff member must provide notice “as soon as practicable” which shall be at least verbal notice to the Manager of Human Resources within one or two business days of the staff member learning of the need to take family leave. Whenever emergent circumstances make written notice impracticable, the staff member may give verbal notice to the Manager of Human Resources, but any verbal notice must be followed by written notice delivered within two working days.

#### G. ~~Leave Designation~~

An eligible staff member shall designate FMLA or NJFLA leave upon providing notice of the need for the leave or when the need for leave commences. The Manager of Human Resources shall provide the staff member with this Policy to assist the staff member in determining the type of leave.

#### H. ~~Benefits~~

Whether a staff member is required to use sick time or any other accrued leave time concurrent with FMLA or NJFLA leave time will depend upon either the district’s practice or a provision in the district’s collective bargaining agreement, if applicable. 29 CFR §825.100

The Board will maintain coverage under any group health insurance policy, group subscriber contract, or health care plan at the level and under the conditions coverage would have been provided if the staff member had continued to work instead of taking the leave. If the staff member was paying all or part of the premium payments prior to the leave, the staff member would continue to pay his/her share during the leave time. Any instructional employee who is on leave under NJFLA or FMLA at the end of the school year will be provided with any benefits over the summer that the staff member would normally receive if they had been working at the end of the school year.

#### I. ~~Returning from Leave~~

The Federal Family and Medical Leave Act and/or the New Jersey Family Leave Act

A staff member returning from leave shall be entitled to the position he/she held when leave commenced or to an equivalent position of like seniority, status, employment benefits, pay and other conditions of employment. If the district experiences a reduction in force or layoff and

~~the staff member would have lost his/her position had the staff member not been on family leave as a result of the reduction in force or pursuant to the good faith operation of a bona fide layoff and recall system including a system under any collective bargaining agreement, the staff member shall be entitled to reinstatement to the former or an equivalent position in accordance with applicable statutes, codes and laws. The staff member's tenure and seniority rights, if any, and other benefits shall be preserved, but the staff member shall accrue no additional time toward tenure or seniority for the period of the leave, except as may be provided by law.~~

~~The return of a staff member prior to the expiration of the requested family leave may be permitted by the Board if the return does not unduly disrupt the instructional program or require the Board to incur the cost of continuing the employment of a substitute under contract.~~

~~The Board may, in accordance with the provisions of 29 CFR §825.312 delay restoration of employment of a staff member using FMLA leave for the staff member's serious health condition until the staff member submits a fitness for duty examination from his/her health care provider indicating that the staff member is able to resume work. In the event the Board requires such a fitness for duty examination before restoration of the staff member after leave, the Board will provide the staff member specific notice either at the time the staff member gives notice of the need for leave or immediately after the leave commences and the staff member advises the Board of the medical circumstances for the leave.~~

~~If leave is taken under FMLA, and the staff member does not return to work after the leave expires, the Board is entitled to recover health insurance costs paid while the staff member was on FMLA. The Board's right to recover premiums would not apply if the staff member fails to return to work due to:~~

- ~~1. The continuation, onset or recurrence of a serious health condition of the staff member;  
or~~
- ~~2. Circumstances beyond the staff member's control.~~

~~J. Ineligible Staff Members~~

- ~~1. Federal Family and Medical Leave Act (FMLA)~~

~~The district may deny job restoration after FMLA leave if the staff member is a "key employee" as defined in 29 CFR §825.217 if such denial is necessary to prevent~~

~~substantial and grievous economic injury to the district or the district may delay restoration to a staff member who fails to provide a fitness for duty certificate to return to work for leave that was the staff member's own serious health condition. A "key employee" is a salaried, staff member who is among the highest paid ten percent of the school district staff employed by the district within 75 miles of the worksite. No more than ten percent of the school district staff within 75 miles of the worksite may be "key employees."~~

~~In the event the Manager of Human Resources believes that reinstatement may be denied to a key employee, the Manager of Human Resources must give written notice to the staff member at the time the staff member gives notice of the need for leave, or when the need for leave commences, if earlier, that he/she qualifies as a key employee. The key employee must be fully informed of the potential consequences with respect to reinstatement and maintenance of health benefits if the district should determine that substantial and grievous economic injury to the district's operations will result if the staff member is reinstated from leave. The district's notice must explain the basis for the district's finding that substantial and grievous economic injury will result, and if leave has commenced, must provide the staff member a reasonable time in which to return to work. If the staff member on leave does not return to work in response to the notice of intent to deny restoration, the staff member continues to be entitled to maintenance of health insurance.~~

~~A key employee's rights under the FMLA continue unless and until the staff member either gives notice that he/she no longer wishes to return to work or the district actually denies reinstatement at the conclusion of the leave period. A staff member is still entitled to request reinstatement at the end of the leave period even if the staff member did not return to work in response to the district's notice. The district will then again determine whether there will be substantial and grievous economic injury from reinstatement based on the facts at that time. If it is determined that substantial and grievous economic injury will result, the district will notify the staff member in writing (in person or by certified mail) of the denial of the restoration.~~

## ~~2. New Jersey Family Leave Act~~

~~The district may deny family leave to the staff member if the staff member is a salaried employee who is among the highest paid five percent of the school district staff or one of the seven highest paid employees of the district, whichever is greater, if the denial is necessary to prevent substantial and grievous economic injury to the school district's operations. The Manager of Human Resources shall notify the staff member of the intent to deny the leave at the time the Manager of Human Resources determines the~~

~~denial is necessary. If the leave has already commenced at the time of the district's notification of denial, the staff member shall be permitted to return to work within ten working days of the date of notification.~~

#### ~~K. Verification of Leave~~

##### ~~1. Federal Family and Medical Leave Act (FMLA)~~

~~The Board requires a staff member's FMLA leave to care for the staff member's seriously ill spouse, son, daughter, or parent; or for a servicemember's qualifying exigency or serious injury; or for illness due to the staff member's own serious health condition that makes the staff member unable to perform one or more of the essential functions of the staff member's position, be supported by a certification issued by the health care provider of the staff member or the staff member's ill family member. The medical certification required encompasses both physical and psychological care and includes situations where a family member is unable to care for his/her own basic medical, hygienic, or nutritional needs or safety, or is unable to transport himself/herself to the doctor. It can also include providing psychological comfort and reassurance beneficial to a child, spouse, or parent with a serious health condition who is receiving inpatient or home care and can include situations where the staff member may be needed to substitute for others who normally care for the family member or covered servicemember or to make arrangements for changes in care. The staff member need not be the only individual or family member available to care for the family member or covered servicemember. 29CFR §825.124~~

~~The certification must meet the requirements of 29 CFR §§825.306, 309, and 310 to include: which part of the definition of "serious health condition" applies; the approximate date the serious health condition commenced and its probable duration; whether it will be necessary for the staff member to take intermittent and/or reduced leave; whether the patient is presently incapacitated and the likely duration and frequency of episodes of incapacity; if additional treatments will be required for the condition; and/or if the patient's incapacity will be intermittent or will require reduced leave. The certification of a serious health condition of a family member of the staff member shall be sufficient if it states the date on which the condition commenced, the probable duration of the condition, and the medical facts within the provider's knowledge regarding the condition. Certification for the birth or placement of a child need only state the date of birth or date of placement.~~

~~In the event the Manager of Human Resources doubts the validity of the certification, in accordance with 29 CFR §825.307, the district may require, at the district's expense, the staff member obtain an opinion regarding the serious health condition from a second health care provider designated by the district, but not employed on a regular basis by the district. If the second opinion differs from the staff member's health care provider, the district may require, at the district's expense, the staff member obtain the opinion of a third health care provider designated by the district or approved jointly, in good faith, by the district and the staff member. The opinion of the third health care provider shall be final and binding on the district and the staff member.~~

~~The district may require re-certification pursuant to the requirements of 29 CFR §825.308. In accordance with 29 CFR §825.309, the staff member on leave must provide a written report to the Manager of Human Resources every thirty workdays. The report shall include the staff member's status and intended date to return to work. In the event the staff member's circumstances change, the staff member must provide reasonable notice to the Manager of Human Resources if the staff member intends to return to work on a date sooner than previously noticed to the district. The staff member is not required to take more leave than necessary to resolve the circumstance that precipitated the need for leave. As a condition of returning to work after the leave for the staff member's own serious health condition, and in accordance with 29 CFR §825.310, the district requires a staff member to provide a certification from their health care provider that the staff member is able to resume work.~~

~~In accordance with 29 CFR §825.311, the district may delay the taking of FMLA leave to a staff member who fails to provide certification within fifteen days after being requested to do so by the district. In accordance with 29 CFR §825.312, the district may delay the taking of leave until thirty days after the date the staff member provides notice to the district of foreseeable leave or the district may delay continuation of leave if a staff member fails to provide a requested medical certification in a timely manner.~~

## 2. ~~New Jersey Family Leave Act~~

~~The Board shall require the certification of a duly licensed health care provider verifying the purpose of requested NJFLA leave. Certification of a serious health condition of a family member of the staff member shall be sufficient if it states the date~~

~~on which the condition commenced, the probable duration of the condition, and the medical facts within the provider's knowledge regarding the condition. Certification for the birth or placement of a child need only state the date of birth or date of placement, whichever is appropriate.~~

~~In the event the Manager of Human Resources doubts the validity of the certification for the serious health condition of a family member of the staff member, the district may require, at the district's expense, the staff member to obtain an opinion regarding the serious health condition from a second health care provider designated or approved, but not employed on a regular basis, by the district. If the second opinion differs from the certification the district may require, at the district's expense, that the staff member obtain the opinion of a third health care provider designated or approved jointly by the district and the staff member concerning the serious health condition. The opinion of the third health care provider shall be final and binding on the district and the staff member.~~

#### ~~L. Interference with Family Leave Rights~~

~~The Federal Family and Medical Leave Act and the New Jersey Family Leave Act prohibit interference with a staff member's rights under the law, and with legal proceedings or inquiries relating to a staff member's rights. Unless permitted by the law, no staff member shall be required to take family leave or to extend family leave beyond the time requested. A staff member shall not be discriminated against for having exercised his/her rights under the Federal Family and Medical Leave Act or the New Jersey Family Leave Act nor discouraged from the use of family leave.~~

#### ~~M. Non Tenured Teaching Staff~~

~~Family leave granted to a nontenured staff member cannot extend the staff member's employment beyond the expiration of his/her employment contract.~~

#### ~~N. Record Keeping~~

~~In order that staff member's entitlement to FMLA leave and NJFLA leave can be properly determined, the Superintendent shall ensure the keeping of accurate attendance records that distinguish family leave from other kinds of leave. The Superintendent will publish a notice explaining the Act's provisions and provide information concerning the procedures for filing complaints of violations of the FMLA and NJFLA.~~

~~O. Processing of Complaints~~

~~1. Federal Family and Medical Leave Act (FMLA) 29 CFR §§825.400-401~~

~~a. If there is a dispute between the district and a staff member as to whether leave qualifies as FMLA leave, it should be resolved through discussion between the staff member and the district. Such discussions and the decision shall be documented by the school district.~~

~~b. The staff member also may file, or have another person file on his/her behalf, a complaint with the United States Secretary of Labor. A complaint may be filed in person, by mail, or by telephone with the Wage and Hour Division, Employment Standards Administration, U.S. Department of Labor, at any local office of the Wage and Hour Division.~~

**A. Introduction**

The Board will provide family leave in accordance with the Federal Family and Medical Leave Act (FMLA) and the New Jersey Family Leave Act (NJFLA).

FMLA leave for eligible staff members shall be up to twelve weeks leave of absence in any twelve month period upon advance notice to the district for the birth of a son or daughter of the staff member and in order to care for such son or daughter; for the placement of a son or daughter with the staff member for adoption or foster care; in order to care for the spouse, son, daughter, or parent of the staff member if such spouse, son, daughter, or parent has a serious health condition; or for a serious health condition that makes the staff member unable to perform the functions of the position of such staff member, or because of any qualifying exigency arising out of the fact that the employee's spouse, son, daughter, or parent is a military member on active duty or call to covered active duty status (or has been notified of an impending call or order to covered active duty). In addition, eligible employees may take up to a combined total of twenty six workweeks in a single twelve month period to care for a covered servicemember with a serious injury or illness.

NJFLA leave for eligible staff members shall be up to twelve weeks leave of absence in any twenty four month period upon advance notice to the district so that a staff member may provide care made necessary by the birth of a child of the staff member, the placement of a child with the staff member in connection with adoption of such child by the staff member, and the serious health condition of a spouse, parent, or child.

**B. Applicability**

The Board will comply with requirements of the New Jersey and Federal Family Leave laws. The laws have similar and different provisions that may provide different rights and obligations for the staff member and/or the Board. The staff member shall be afforded the most favorable rights if there is a conflict in the rights afforded to the staff member under the two laws.

1. If the staff member is eligible for leave for reasons provided under the FMLA and NJFLA, then the time taken shall be concurrent and be applied to both laws.
2. The NJFLA provides twelve weeks leave in a twenty four month period while the FMLA provides twelve weeks leave in a twelve month period. A staff member is eligible for up to twelve weeks leave in the first twelve months of the twenty four month period under the NJFLA. A staff member is eligible for up to twelve weeks leave in the second twelve month period under the FMLA.

Family Leave

3. ~~In the event the reason for the family leave is recognized under one law and not the other law, the staff member is eligible for each law's leave entitlements within one twelve-month period. (Example: A staff member may use their FMLA leave for a twelve-week family leave for their own pregnancy, which is considered a "serious health condition" under FMLA, and upon conclusion of the twelve-week FMLA leave, the staff member would be eligible for a twelve-week NJFLA leave to care for their newborn or any other reasons pursuant to the NJFLA.)~~

C. ~~Definitions~~1. ~~Federal Family and Medical Leave Act (FMLA)~~

~~"Contingency operation" means a military operation that results in the call or order to, or retention on, active duty of members of the uniformed services during a war or during a national emergency declared by the President or Congress.~~

~~"Covered active duty" or "call to covered active duty" means duty during deployment of a member with the Armed Forces to a foreign country and, in the case of a member of the Reserve components of the Armed Forces, duty during the deployment of the member with the Armed Forces to a foreign country under a Federal call or order to active duty in support of a contingency operation.~~

~~"Covered servicemember" means a current member of the Armed Forces (including National Guard or Reserves), who is undergoing medical treatment, recuperation, or therapy, is otherwise in outpatient status, or is otherwise on the temporary disability retired list for a serious injury or illness; or a covered veteran undergoing medical treatment, recuperation, or therapy for a serious injury or illness.~~

~~"Covered veteran" means an individual who was a member of the Armed Forces (including National Guard or Reserves), discharged or released under conditions other than dishonorable at any time during the five-year period prior to the first date the eligible staff member takes FMLA leave to care for the covered veteran. For a veteran discharged prior to March 8, 2013, the effective date of the FMLA Final Rule, the period between October 28, 2009 and March 8, 2013 will not count towards the determination of the five-year period. 29 CFR § 825.127(b)(2)~~

Family Leave

~~“Military caregiver leave” means leave taken to care for a covered servicemember with a serious injury or illness under FMLA. 29 CFR §825.127~~

~~“Next of kin of a covered servicemember” means the nearest blood relative other than the covered servicemember's spouse, parent, son, or daughter, in the following order of priority: blood relatives who have been granted legal custody of the covered servicemember by court decree or statutory provisions, brothers and sisters, grandparents, aunts and uncles, and first cousins, unless the covered servicemember has specifically designated in writing another blood relative as his or her nearest blood relative for purposes of military caregiver leave under the FMLA. When no such designation is made, and there are multiple family members with the same level of relationship to the covered servicemember, all such family members shall be considered the covered servicemember's next of kin and may take FMLA leave to provide care to the covered servicemember, either consecutively or simultaneously. When such designation has been made, the designated individual shall be deemed to be the covered servicemember's only next of kin. For example, if a covered servicemember has three siblings and has not designated a blood relative to provide care, all three siblings would be considered the covered servicemember's next of kin. Alternatively, where a covered servicemember has a sibling(s) and designates a cousin as his or her next of kin for FMLA purposes, then only the designated cousin is eligible as the covered servicemember's next of kin. An employer is permitted to require an employee to provide confirmation of covered family relationship to the covered servicemember pursuant to 29 CFR §825.122(k). 29 CFR §825.127(d)(3)~~

~~“Outpatient status” means, with respect to a covered servicemember who is a current member of the Armed Forces, the status of a member of the Armed Forces assigned to either a military medical treatment facility as an outpatient; or a unit established for the purpose of providing command and control of members of the Armed Forces receiving medical care as outpatients. 29 CFR § 825.127(b)(1)~~

~~“Parent” means a biological, adoptive, step or foster father or mother, or any other individual who stood in loco parentis to the employee when the employee was a son or daughter as defined below. This term does not include parents “in law.”~~

~~“Parent of a covered servicemember” means a covered servicemember’s biological, adoptive, step or foster father or mother, or any other individual who stood in loco parentis to the covered servicemember. This term does not include parents “in law.”~~

~~“Serious health condition” means an illness, injury, impairment, or physical or mental condition that involves inpatient care in a hospital, hospice, or residential medical facility or continuing treatment by a health care provider. “Serious health condition” may include treatment of substance abuse pursuant to 29 CFR §825.119.~~

~~“Serious injury or illness,” only in the case of a veteran or current member of the Armed Forces, means:~~

- ~~a. In the case of a current member of the Armed Forces, including a member of the National Guard or Reserves, an injury or illness that was incurred by the covered servicemember in the line of duty on active duty in the Armed Forces or that existed before the beginning of the member's active duty and was aggravated by service in the line of duty on active duty in the Armed Forces and that may render the servicemember medically unfit to perform the duties of the member's office, grade, rank, or rating; and~~
- ~~b. In the case of a covered veteran, an injury or illness that was incurred by the member in the line of duty on active duty in the Armed Forces (or existed before the beginning of the member's active duty and was aggravated by service in the line of duty on active duty in the Armed Forces) and manifested itself before or after the member became a veteran, and is:
 
  - ~~(1) A continuation of a serious injury or illness that was incurred or aggravated when the covered veteran was a member of the Armed Forces and rendered the servicemember unable to perform the duties of the servicemember's office, grade, rank, or rating; or~~
  - ~~(2) A physical or mental condition for which the covered veteran has received a U.S. Department of Veterans Affairs Service Related Disability Rating (VASRD) of fifty percent or greater, and such VASRD rating is based, in whole or in part, on the condition precipitating the need for military caregiver leave; or~~
  - ~~(3) A physical or mental condition that substantially impairs the covered veteran's ability to secure or follow a substantially gainful occupation by reason of a disability or disabilities related to military service, or would do so absent treatment; or~~~~

- (4) ~~An injury, including a psychological injury, on the basis of which the covered veteran has been enrolled in the Department of Veterans Affairs Program of Comprehensive Assistance for Family Caregivers. 29 CFR 825 §127(e)~~

~~“Parent” means a biological, adoptive, or foster parent; step parent; parent in law; a legal guardian having a “parent child relationship” with a child as defined by law; or a person who has sole or joint legal or physical custody, care, guardianship, or visitation with a child.~~

~~“Serious health condition” means an illness, injury, impairment, or physical or mental condition that requires inpatient care in a hospital, hospice, or residential medical facility or continuing medical treatment or continuing supervision by a health care provider.~~

~~“Spouse” means a person to whom a staff member is lawfully married as defined by New Jersey law.~~

~~“Staff member” means an employee eligible for family leave in accordance with the New Jersey Family Leave Act.~~

~~“Week” or “Workweek” means the number of days a staff member normally works each calendar week.~~

### D. ~~Eligibility~~

#### 1. ~~Federal Family and Medical Leave Act (FMLA)~~

~~A staff member shall become eligible for FMLA leave after he/she has been employed at least twelve months in this district and employed for at least 1250 hours of service during the twelve month period immediately preceding the commencement of the leave. The twelve months the staff member must have been employed need not be consecutive~~

~~months pursuant to 29 CFR §825.110(b). The minimum 1250 hours of service shall be determined according to the principles established under the Fair Labor Standards Act (FLSA) for determining compensable hours of work pursuant to 29 CFR § 785. Entitlement to FMLA leave taken for the birth of a son or daughter or placement of a son or daughter with the staff member for adoption or foster care shall expire at the end of the twelve month period beginning on the date of such birth or placement.~~

~~Pursuant to 29 CFR §825.202, a husband and wife both employed by the district are limited to a combined total of twelve weeks of leave during the twelve month period if the leave is taken for the birth of a son or daughter of the staff member or to care for such son or daughter after birth; for placement of a son or daughter with the staff member for adoption or foster care or in order to care for the son or daughter after placement; or to care for the staff member's parent with a serious health condition.~~

~~The method to determine the twelve month period in which the twelve weeks of FMLA leave entitlement occurs will be a "rolling" twelve month period measured backward from the date a staff member uses any family leave.~~

~~A staff member during any period of FMLA leave is prohibited from performing any services on a full time basis for any person for whom the staff member did not provide services immediately prior to commencement of the leave. A staff member using FMLA leave may commence part time employment that shall not exceed half the regularly scheduled hours worked for the district. The staff member may continue the part time employment that commenced prior to the FMLA leave at the same number of hours that the staff member was regularly scheduled prior to such leave.~~

## ~~2. New Jersey Family Leave Act (NJFLA)~~

~~A staff member shall become eligible for NJFLA leave after he/she has been employed at least twelve months in this district for not less than 1,000 base hours, excluding overtime, during the immediate preceding twelve month period. The calculation of the twelve month period to determine eligibility shall commence with the commencement of the NJFLA leave. NJFLA leave taken for the birth or adoption of a healthy child may commence at any time within a year after the date of the birth or placement for adoption.~~

~~The district shall grant a family leave under NJFLA to more than one staff member from the same family (for example, a husband and a wife, or a brother and a sister) at the same time, provided such staff members are otherwise eligible for the leave. N.J.A.C. 13:14-1.12~~

~~A staff member during any period of the NJFLA leave is prohibited from performing any services on a full time basis for any person for whom the staff member did not provide services immediately prior to commencement of the leave. A staff member on NJFLA leave may commence part time employment that shall not exceed half the regularly scheduled hours worked for the district. The staff member may continue the part time employment that commenced prior to the NJFLA leave at the same number of hours that the staff member was regularly scheduled prior to such leave.~~

~~The method to determine the twenty four month period in which the twelve weeks of NJFLA leave entitlement occurs will be a “rolling” twenty four month period measured backward from the date a staff member uses any leave.~~

#### E. — Types of Leave

##### 1. — Federal Family and Medical Leave Act (FMLA)

~~A staff member may take FMLA leave to include servicemember qualifying exigency leave or military caregiver leave in consecutive weeks, as intermittent leave, or as reduced leave. A staff member who requests intermittent or reduced leave shall make a reasonable effort to schedule such leave so as not to unduly disrupt the instructional/educational program.~~

- ~~a. — Leave for the birth of a son or daughter or placement of a son or daughter with the staff member for adoption or foster care may not be taken by a staff member intermittently or on a reduced leave schedule.~~
- ~~b. — Leave may be taken intermittently or on a reduced leave schedule when medically necessary for planned and/or unanticipated medical treatment of a related serious health condition by or under the supervision of a health care provider, or for recovery from treatment or recovery from a serious health condition.~~
- ~~c. — Intermittent leave means leave scheduled for periods of time from one hour or more to several weeks; however, the total time within which the leave is taken can not exceed a twelve month period for each serious health condition episode. Intermittent leave may be taken for a serious health condition that requires~~

~~periodic treatment by a health care provider, rather than one continuous period of time. Intermittent leave may also be taken for absences where the staff member is incapacitated or unable to perform the essential functions of the position because of a serious health condition even if the staff member does not receive treatment by a health care provider. The staff member shall make a reasonable effort to schedule intermittent leave so as not to unduly disrupt the operations of the instructional/educational program.~~

- ~~d. Reduced leave means leave scheduled for fewer than the staff member's usual number of hours worked per workweek, but not fewer than a staff member's usual number of hours worked per workday, unless otherwise agreed to by the staff member and the district. A staff member is entitled, at the option of the staff member, to take leave on a reduced leave schedule not exceeding twenty-four consecutive weeks. The staff member shall make a reasonable effort to schedule reduced leave so as not to unduly disrupt the operations of the instructional/educational program. The staff member shall provide the district prior notice of the care, medical treatment or continuing supervision by a health care provider necessary due to a serious health condition of a family member in a manner that is reasonable and practicable. Leave taken on a reduced leave schedule shall not result in a reduction of the total amount of leave to which a staff member is entitled.~~
- ~~e. The fact that a holiday may occur within the week taken by a staff member as Family Leave has no effect and the week is counted as a week of Family Leave. However, if the staff member is out on Family Leave and the school district is closed and the staff member would not be expected to report for work for one or more weeks, the weeks the school district is closed for this staff member do not count against the staff member's family leave entitlement.~~

~~Any leave time remaining after a staff member has exhausted his/her entitlement to intermittent leave in any twelve month period may be taken as consecutive leave or reduced leave, and any leave time remaining after a staff member has exhausted his/her entitlement to reduced leave in any twelve month period may be taken as consecutive leave or intermittent leave.~~

- (b) ~~The staff member is limited to a combined total of twenty-six workweeks for any FMLA-qualifying reasons during the single twelve-month period. Up to twelve of the twenty-six weeks may be for an FMLA-qualifying reason other than military caregiver leave.~~
- (c) ~~Spouses who are eligible for FMLA leave and are employed by the same covered employer may be limited to a combined total of twenty-six workweeks of leave during a single twelve-month period if the leave is taken for birth of the employee's son or daughter or to care for the child after birth, for placement of a son or daughter with the employee for adoption or foster care, or to care for the child after placement, to care for the employee's parent with a serious health condition, or to care for a covered servicemember with a serious injury or illness. If one spouse is ineligible for FMLA leave, the other spouse would be entitled to a full twenty-six workweeks of FMLA leave.~~

- ~~(2) Leave entitlement is applied on a per covered servicemember, per injury basis.~~
- ~~(a) The staff member may take an additional twenty six weeks of leave if the leave is to care for different covered servicemembers or to care for the same servicemember with a subsequent serious injury or illness, except that no more than twenty six weeks of leave may be taken within any single twelve month period.~~
- ~~(b) An eligible staff member may take military caregiver leave to care for more than one current service member or covered veteran at the same time or for the same family member with the same serious injury or illness both when the family member is a current servicemember and when the family member is a veteran.~~
- ~~(c) Military caregiver leave may be taken by eligible staff members whose family members are recent veterans with serious injuries or illnesses incurred or aggravated in the line of duty on active duty, and that manifested before or after the veteran left active duty.~~

A staff member is entitled, at the option of the staff member, to take leave on a reduced leave schedule for a period not exceeding twenty four consecutive weeks. The staff member is not entitled to take the leave on a reduced leave schedule without an agreement between the staff member and the district if the leave is taken for the birth or adoption of a healthy child. The staff member shall make a reasonable effort to schedule reduced leave so as not to unduly disrupt the operations of the instructional/educational program. The staff member shall provide the district prior notice of the care, medical treatment or continuing supervision by a health care provider necessary due to a serious health condition of a family member in a manner that is reasonable and practicable. ~~need for the leave is foreseeable based on an expected birth, placement for adoption of foster care, or planned medical treatment for a serious health condition of the staff member or a family member. If thirty days is not practical, the staff member must provide notice "as soon as practicable" which means as soon as both possible and practical, taking into account all the facts and circumstances in the individual case. For foreseeable leave where it is not possible to give as much as thirty days notice "as soon as practical" ordinarily would mean at least verbal notification to the Manager of Human Resources within one or two business days or when the need for leave becomes known to the staff member. The written notice shall include the reasons for the leave, the anticipated duration of the leave and the anticipated start of the leave.~~

~~When planning medical treatment, the staff member must consult with the Manager of Human Resources and make a reasonable effort to schedule the leave so as not to unduly disrupt the educational program, subject to the approval of the health care provider. Staff members are ordinarily expected to consult with the Manager of Human Resources prior to scheduling of treatment that would require leave for a schedule that best suits the needs of the district and the staff member.~~

~~The district may delay the staff member taking leave for at least thirty days if the staff member fails to give thirty days notice for foreseeable leave with no reasonable excuse for the delay.~~

~~b. Unforeseeable Leave — When the approximate timing of the need for leave is not foreseeable, a staff member should give notice to the Manager of Human Resources for leave as soon as practicable under the facts and circumstances of the particular case. It is expected the staff member will give notice to the Manager of Human Resources within no more than one or two working days of learning of the need for leave, except in extraordinary circumstances where such notice is not foreseeable. The staff member should provide notice to the employer either in person or by telephone, telegraph, facsimile machine or other electronic means.~~

2. ~~New Jersey Family Leave Act (NJFLA)~~

a. ~~Foreseeable Leave~~—A staff member eligible for NJFLA leave must give at least a thirty day advance written notice to the Manager of Human Resources of the need to take family leave except where the need to take family leave is not foreseeable.

(1) ~~Notice for leave to be taken for the birth or placement of the child for adoption shall be given at least thirty days prior to the commencement of the leave, except that if the date of the birth or adoption requires leave to begin in less than thirty days, the staff member shall provide such notice that is reasonable and practicable.~~

(2) ~~Notice for leave to be taken for the serious health condition of a family member shall be given at least fifteen days prior to the commencement of leave, except that if the date of the treatment or supervision requires leave to begin in less than fifteen days, the staff member shall provide such notice that is reasonable and practicable.~~

(3) ~~When the Manager of Human Resources is not made aware that a staff member was absent for family leave reasons and the staff member wants to request the leave be counted as family leave, the staff member must provide timely notice within two business days of returning to work to have the time considered for family leave in accordance with the Family Leave Act.~~

b. ~~Unforeseeable Leave~~—When the need for leave is not foreseeable, the staff member must provide notice “as soon as practicable” which shall be at least verbal notice to the Manager of Human Resources within one or two business days of the staff member learning of the need to take family leave. Whenever emergent circumstances make written notice impracticable, the staff member may give verbal notice to the Manager of Human Resources, but any verbal notice must be followed by written notice delivered within two working days.

G. ~~Leave Designation~~

~~An eligible staff member shall designate FMLA or NJFLA leave upon providing notice of the need for the leave or when the need for leave commences. The Manager of Human Resources shall provide the staff member with this Policy to assist the staff member in determining the type of leave.~~

**H. — Benefits**

~~Whether a staff member is required to use sick time or any other accrued leave time concurrent with FMLA or NJFLA leave time will depend upon either the district's practice or a provision in the district's collective bargaining agreement, if applicable. 29 CFR §825.100~~

~~The Board will maintain coverage under any group health insurance policy, group subscriber contract, or health care plan at the level and under the conditions coverage would have been provided if the staff member had continued to work instead of taking the leave. If the staff member was paying all or part of the premium payments prior to the leave, the staff member would continue to pay his/her share during the leave time. Any ten month staff member who is on leave under NJFLA or FMLA at the end of the school year will be provided with any benefits over the summer that the staff member would normally receive if they had been working at the end of the school year.~~

**I. — Returning from Leave**

~~The Federal Family and Medical Leave Act and/or the New Jersey Family Leave Act~~

~~A staff member returning from leave shall be entitled to the position he/she held when leave commenced or to an equivalent position of like seniority, status, employment benefits, pay and other conditions of employment. If the district experiences a reduction in force or layoff and the staff member would have lost his/her position had the staff member not been on family leave as a result of the reduction in force or pursuant to the good faith operation of a bona fide layoff and recall system including a system under any collective bargaining agreement, the staff member shall be entitled to reinstatement to the former or an equivalent position in accordance with applicable statutes, codes and laws. The staff member's tenure and seniority rights, if any, and other benefits shall be preserved, but the staff member shall accrue no additional time toward tenure or seniority for the period of the leave, except as may be provided by law.~~

~~The return of a staff member prior to the expiration of the requested family leave may be permitted by the Board if the return does not unduly disrupt the instructional program or require the Board to incur the cost of continuing the employment of a substitute under contract.~~

~~The Board may, in accordance with the provisions of 29 CFR §825.312 delay restoration of employment of a staff member using FMLA leave for the staff member's serious health condition until the staff member submits a fitness for duty examination from his/her health care~~

~~provider indicating that the staff member is able to resume work. In the event the Board requires such a fitness for duty examination before restoration of the staff member after leave, the Board will provide the staff member specific notice either at the time the staff member gives notice of the need for leave or immediately after the leave commences and the staff member advises the Board of the medical circumstances for the leave.~~

~~If leave is taken under FMLA, and the staff member does not return to work after the leave expires, the Board is entitled to recover health insurance costs paid while the staff member was on FMLA. The Board's right to recover premiums would not apply if the staff member fails to return to work due to:~~

- ~~1. The continuation, onset or recurrence of a serious health condition of the staff member;  
or~~
- ~~2. Circumstances beyond the staff member's control.~~

#### ~~J. Ineligible Staff Members~~

- ~~1. Federal Family and Medical Leave Act (FMLA)~~

~~The district may deny job restoration after FMLA leave if the staff member is a "key employee" as defined in 29 CFR §825.217 if such denial is necessary to prevent substantial and grievous economic injury to the district or the district may delay restoration to a staff member who fails to provide a fitness for duty certificate to return to work for leave that was the staff member's own serious health condition. A "key employee" is a salaried, staff member who is among the highest paid ten percent of the school district staff employed by the district within 75 miles of the worksite. No more than ten percent of the school district staff within 75 miles of the worksite may be "key employees."~~

~~In the event the Manager of Human Resources believes that reinstatement may be denied to a key employee, the Manager of Human Resources must give written notice to the staff member at the time the staff member gives notice of the need for leave, or when the need for leave commences, if earlier, that he/she qualifies as a key employee. The key employee must be fully informed of the potential consequences with respect to reinstatement and maintenance of health benefits if the district should determine that~~

~~substantial and grievous economic injury to the district's operations will result if the staff member is reinstated from leave. The district's notice must explain the basis for the district's finding that substantial and grievous economic injury will result, and if leave has commenced, must provide the staff member a reasonable time in which to return to work. If the staff member on leave does not return to work in response to the notice of intent to deny restoration, the staff member continues to be entitled to maintenance of health insurance.~~

~~A key employee's rights under the FMLA continue unless and until the staff member either gives notice that he/she no longer wishes to return to work or the district actually denies reinstatement at the conclusion of the leave period. A staff member is still entitled to request reinstatement at the end of the leave period even if the staff member did not return to work in response to the district's notice. The district will then again determine whether there will be substantial and grievous economic injury from reinstatement based on the facts at that time. If it is determined that substantial and grievous economic injury will result, the district will notify the staff member in writing (in person or by certified mail) of the denial of the restoration.~~

## ~~2. New Jersey Family Leave Act~~

~~The district may deny family leave to the staff member if the staff member is a salaried employee who is among the highest paid five percent of the school district staff or one of the seven highest paid employees of the district, whichever is greater, if the denial is necessary to prevent substantial and grievous economic injury to the school district's operations. The Manager of Human Resources shall notify the staff member of the intent to deny the leave at the time the Manager of Human Resources determines the denial is necessary. If the leave has already commenced at the time of the district's notification of denial, the staff member shall be permitted to return to work within ten working days of the date of notification.~~

## ~~K. Verification of Leave~~

### ~~1. Federal Family and Medical Leave Act (FMLA)~~

~~The Board requires a staff member's FMLA leave to care for the staff member's seriously ill spouse, son, daughter, or parent; or for a servicemember's qualifying~~

~~exigency or serious injury; or for illness due to the staff member's own serious health condition that makes the staff member unable to perform one or more of the essential functions of the staff member's position, be supported by a certification issued by the health care provider of the staff member or the staff member's ill family member. The medical certification required encompasses both physical and psychological care and includes situations where a family member is unable to care for his/her own basic medical, hygienic, or nutritional needs or safety, or is unable to transport himself/herself to the doctor. It can also include providing psychological comfort and reassurance beneficial to a child, spouse, or parent with a serious health condition who is receiving inpatient or home care and can include situations where the staff member may be needed to substitute for others who normally care for the family member or covered servicemember or to make arrangements for changes in care. The staff member need not be the only individual or family member available to care for the family member or covered servicemember. 29 CFR §825.124~~

~~The certification must meet the requirements of 29 CFR §§825.306, 309, and 310 to include: which part of the definition of "serious health condition" applies; the approximate date the serious health condition commenced and its probable duration; whether it will be necessary for the staff member to take intermittent and/or reduced leave; whether the patient is presently incapacitated and the likely duration and frequency of episodes of incapacity; if additional treatments will be required for the condition; and/or if the patient's incapacity will be intermittent or will require reduced leave. The certification of a serious health condition of a family member of the staff member shall be sufficient if it states the date on which the condition commenced, the probable duration of the condition, and the medical facts within the provider's knowledge regarding the condition. Certification for the birth or placement of a child need only state the date of birth or date of placement.~~

~~In the event the Manager of Human Resources doubts the validity of the certification, in accordance with 29 CFR § 825.307, the district may require, at the district's expense, the staff member obtain an opinion regarding the serious health condition from a second health care provider designated by the district, but not employed on a regular basis by the district. If the second opinion differs from the staff member's health care provider, the district may require, at the district's expense, the staff member obtain the opinion of a third health care provider designated by the district or approved jointly, in good faith, by the district and the staff member. The opinion of the third health care provider shall be final and binding on the district and the staff member.~~

In accordance with 29 CFR §825.312, the district may delay the taking of leave until thirty days after the date the staff member provides notice to the district of foreseeable leave or the district may delay continuation of leave if a staff member fails to provide a requested medical certification in a timely manner.~~

### 2. ~~New Jersey Family Leave Act~~

~~The Board shall require the certification of a duly licensed health care provider verifying the purpose of requested NJFLA leave. Certification of a serious health condition of a family member of the staff member shall be sufficient if it states the date on which the condition commenced, the probable duration of the condition, and the medical facts within the provider's knowledge regarding the condition. Certification for the birth or placement of a child need only state the date of birth or date of placement, whichever is appropriate.~~

~~In the event the Manager of Human Resources doubts the validity of the certification for the serious health condition of a family member of the staff member, the district may require, at the district's expense, the staff member to obtain an opinion regarding the serious health condition from a second health care provider designated or approved, but not employed on a regular basis, by the district. If the second opinion differs from the certification the district may require, at the district's expense, that the staff member obtain the opinion of a third health care provider designated or approved jointly by the district and the staff member concerning the serious health condition. The opinion of the third health care provider shall be final and binding on the district and the staff member.~~

**L. — Interference with Family Leave Rights**

~~The Federal Family and Medical Leave Act and the New Jersey Family Leave Act prohibit interference with a staff member's rights under the law, and with legal proceedings or inquiries relating to a staff member's rights. Unless permitted by the law, no staff member shall be required to take family leave or to extend family leave beyond the time requested. A staff member shall not be discriminated against for having exercised his/her rights under the Federal Family and Medical Leave Act or the New Jersey Family Leave Act nor discouraged from the use of family leave.~~

**M. — Non-Tenured Teaching Staff**

~~Family leave granted to a nontenured staff member cannot extend the staff member's employment beyond the expiration of his/her employment contract.~~

**N. — Record Keeping**

~~In order that staff member's entitlement to FMLA leave and NJFLA leave can be properly determined, the Superintendent shall ensure the keeping of accurate attendance records that distinguish family leave from other kinds of leave. The Superintendent will publish a notice explaining the Act's provisions and provide information concerning the procedures for filing complaints of violations of the FMLA and NJFLA.~~

~~Implementation of FMLA and NJFLA will be consistent with provisions in collective bargaining agreement(s) in the district.~~

**O. — Processing of Complaints****1. — Federal Family and Medical Leave Act (FMLA) 29 CFR §§825.400-401**

- ~~a. — If there is a dispute between the district and a staff member as to whether leave qualifies as FMLA leave, it should be resolved through discussion between the staff member and the district. Such discussions and the decision shall be documented by the school district.~~

New Jersey's Family Leave Insurance Program

~~3431.3~~ — NEW JERSEY'S FAMILY LEAVE INSURANCE PROGRAM

~~Board of Education employees are eligible to apply for benefits under New Jersey's Family Leave Insurance Program administered by the State of New Jersey "Department of Labor and Workforce Development. New Jersey's Family Leave Insurance Program (NJFLI) may provide up to six weeks of family leave insurance benefits payable to covered employees from either the New Jersey State Plan or an approved employer provided private plan.~~

~~A benefit provided through the NJFLI will be for the employee to bond with a child during the first twelve months after the child's birth, if the covered individual or the domestic partner or civil union partner of the covered individual is a biological parent of the child, or the first twelve months after the placement of the child for adoption with the covered individual. An employee who intends to apply to the State of New Jersey for benefits under this provision of the NJFLI must provide the Superintendent of Schools written notice thirty calendar days prior to beginning the leave. Failure to provide this thirty day notice may result in a reduction in the employee's maximum family leave insurance benefits. Intermittent leave to bond with a newborn or newly adopted child must be agreed to by the Superintendent of Schools and the employee and, if agreed to, must be taken in periods of seven days or more.~~

~~A benefit provided through the NJFLI will also be to care for a family member with a serious health condition supported by a certification provided by a health care provider. An employee who intends to apply to the State of New Jersey for benefits under this provision of the NJFLI for consecutive leave must provide the school district reasonable and practical notice unless the time of the leave is unexpected or the time of the leave changes for unforeseen reasons. An employee who intends to apply for benefits under this provision of the NJFLI for intermittent leave must provide the school district with a written notice at least fifteen calendar days prior to beginning the leave.~~

7425 LEAD TESTING OF WATER IN SCHOOLS

The health, safety, and welfare of the children in the school district are of utmost importance to the Board of Education. The potential exposure to lead-contaminated drinking water poses serious health problems, particularly for children, as well as for teachers and school personnel, since the risk of lead contamination can come from pipe and plumbing fixtures in school facilities or on school grounds. The Board shall assure the availability of potable drinking water through sanitary means in school facilities or on school grounds. The Board of Education shall provide, in accordance with N.J.A.C. 6A:26-12.4, testing for lead in all district sources of drinking water.

The Board shall conduct lead sampling and analysis in all drinking water outlets to which a student or staff member has, or may have, access in each school facility, other facility, or temporary facility, as soon as practicable, but no later than July 13, 2017, unless the district qualifies for an exemption in accordance with N.J.A.C. 6A:26-12.4(d)(h)(i)(j). This **testing lead sampling and analysis** shall be conducted with a lead sampling plan in accordance with N.J.A.C. 6A:26-12.4(d)1, 2, and 3, and shall be in accordance with the Safe Drinking Water Act, N.J.S.A. 58:12A-1.

**The Superintendent of Schools or designee shall complete a review of the final laboratory results within seventy-two hours of receipt.** Within twenty-four hours after the ~~Board~~ **Superintendent** or designee has completed a review of final laboratory results in accordance with the provisions of N.J.A.C. 6A:26-12.4(e), the test results shall be made publicly available at the school facility and on the Board of Education's website. If any results exceed the permissible lead action level, the Board shall provide written notification to the parents of all students attending the facility, facility staff, and the New Jersey Department of Education. This **written** notification shall include: a description of the measures taken by the ~~Board~~ **Superintendent** or designee to immediately end the use of each drinking water outlet where the water quality exceeded the permissible lead action level; **any additional remedial action taken or planned by the Board of Education**; the measures taken to ensure that alternate drinking water has been made available to all students and staff members; **where the water outlet(s) is located**; and information regarding the health effects of lead in accordance with N.J.A.C. 6A:26-12.4(e)1 and 2. ~~After the initial screening, the Board will conduct these lead screenings every six years and~~

**Notwithstanding the results or date of any prior testing, the Board shall continue to test drinking water outlets in the designated Statewide required testing year, which shall be every third school year beginning with the 2021-2022 school year and subsequently occurring in the 2024-2025 school year. By no later than June 30 of the designated Statewide required testing year, the Board shall test all drinking water outlets in accordance with N.J.A.C. 6A:26-12.4(g)1. The Board shall sample for lead after the replacement of any drinking water outlet or any other alteration to plumbing or service lines that may impact lead levels at the outlet, in accordance with N.J.A.C. 6A:26-12.4(f)(g)1 and 2.**

The Board shall submit to the New Jersey Department of Education by June 30 of each year a statement of assurance, that the school district completed lead testing in accordance with N.J.A.C. 6A:26-12.4; that notifications were provided consistent with N.J.A.C. 6A:26-12.4; and that alternative drinking water continues to be made available to all students and staff, if necessary, pursuant to N.J.A.C. 6A:26-12.4~~(g)~~**(i)**.

The Board may apply for reimbursement for the costs of any water supply testing and analysis conducted, in accordance with N.J.A.C. 6A:26-12.4~~(j)~~**(k)**.

**R 7425 LEAD TESTING OF WATER IN SCHOOLS**

The Board of Education shall assure the availability of potable drinking water through sanitary means in school facilities or upon school grounds and shall test the school drinking water quality in accordance with the Safe Drinking Water Act, N.J.S.A. 58:12A-1 and the Planning and Construction Standards for School Facilities, N.J.A.C. 7:10 and N.J.A.C. 6A:26-6.

The school district shall conduct lead sampling and analysis in all drinking water outlets to which a student or staff member has, or may have, access in each school facility, other facility, or temporary facility in accordance with the provisions of N.J.A.C. 6A:26-12.4.

**A. Testing of Drinking Water****1. Schedule**

a. Sampling shall be conducted in accordance with a lead sampling plan, which shall include:

(1) A plumbing survey for each facility that identifies how water enters and flows through each facility, the types of plumbing materials used in the facility, such as the service line, piping, solder, fixtures, drinking water outlets where students or staff have or may have access, and point of use treatment, such as drinking water filters;

(2) The names and responsibilities of all individuals involved in sampling; and

(3) The following sampling procedures:

(a) Samples shall be taken after water has sat undisturbed in the school pipes for at least eight hours, but no more than forty-eight hours before the sample is taken.

(i) 24-hour school facilities shall collect first-draw samples at drinking water outlets following a stagnation time that would likely result in the longest standing time;

(b) At least eight hours prior to sampling, signs shall be posted to indicate that water shall not be used and access to the buildings subject to the sampling shall be restricted to all but authorized staff members;

- (c) Existing aerators, screens, and filters shall not be replaced or removed prior to or during sampling; and
- (d) All samples shall be collected in pre-cleaned high-density polyethylene (HDPE) 250 milliliter (mL) wide-mouth single-use rigid sample containers that are properly labeled.

## 2. Analysis of Samples

### a. Analysis of samples shall be conducted as follows:

- (1) Analysis shall be conducted by a certified laboratory to analyze for lead in drinking water;
- (2) The laboratory shall use an approved analytical method pursuant to the Federal Safe Drinking Water Act at 40 CFR 141.23(k)(1); and
- (3) Sample analysis shall be conducted in accordance with a Quality Assurance Project Plan (QAPP), which shall be signed by the Board, the certified laboratory, and the individual responsible for conducting the sampling. The QAPP shall include the identification of analytical methods, chain of custody procedures, data validation and reporting processes, detection limits, reporting to three significant figures, field blanks, and quality control measures required by the certified method.

### b. The Superintendent or designee may utilize a technical guidance manual, which will be developed by the New Jersey Department of Education (NJDOE), in consultation with the Department of Environmental Protection (DEP), to assist in the school district's compliance with the sampling and analysis requirements of this Regulation.

## 3. Designated Statewide Required Testing

### a. Notwithstanding the results or date of any prior testing, the Board shall continue to test drinking water outlets as provided in A.2.a. above in the designated Statewide required testing year, which shall be every third school year beginning with the 2021-2022 school year and subsequently occurring in the 2024-2025 school year:

- (1) By no later than June 30 of the designated Statewide required testing year, the Board shall test all drinking water outlets. Sampling shall be prioritized, such that buildings and facilities that previously had outlets with results above the action level or identified in the plumbing profile as high risk for lead shall be sampled first in accordance with the sampling plan; and

(2) The Board shall sample for lead after the replacement of any drinking water outlet or any other alteration to plumbing or service lines that may impact lead levels at the outlet.

b. If the Board tests drinking water outlets for lead more frequently than the three-year cycle set forth in A.3.a. above, the notification requirements set forth in B.2.b. below shall apply.

(1) If drinking water outlets are tested more frequently in accordance with A.3.b. above, the Board shall make the most recent results for each facility available on the Board's website.

#### 4. Statement of Assurance

a. The Board shall submit to the NJDOE by June 30 each year a statement of assurance that lead testing was completed, that notifications were provided, and that alternate drinking water continues to be made available in accordance with N.J.A.C. 6A:26-12.4.

#### 5. Exception from Testing Requirements

a. The Board may request an exemption from the testing requirements set forth in A.2. above if they can demonstrate that they do not use any drinking water outlets for consumption or food preparation in any of their facilities.

b. The Board shall submit an application to the NJDOE documenting that no drinking water outlets are used in their facilities and the provisions for an alternative source of drinking water.

c. If the school district receives an exemption from the NJDOE from testing, the Board shall make available for public inspection at the school facility and on the Board's website, if applicable, confirmation that the school district is exempt from testing.

d. No later than June 30 of each Statewide required testing school year set forth in A.3. above, the Board shall either begin testing procedures in accordance with section A.3.a. above or reapply for an exemption under section A.5.

### B. Water Testing – Laboratory Results

1. The Superintendent or designee shall complete a review of final laboratory results within seventy-two hours of receipt.

2. Within twenty-four hours after the Superintendent or designee has reviewed the final laboratory results, the Superintendent or designee shall:
  - a. Make the test results of all water samples publicly available at the school facility in accordance with section B.3. below and make the results from the most recent required Statewide testing available on the Board's website; and
  - b. If any results exceed the permissible lead action level, provide written notification to the parents of all students attending the facility, facility staff, and the Department of Education. This written notification shall be posted on the Board's website and shall include a description of the following:
    - (1) Measures taken by the Board or its designee, to immediately end use of each drinking water outlet where water quality exceeds the permissible lead action level;
    - (2) Any additional remedial actions taken or planned by the Board;
    - (3) The measures taken to ensure that alternate drinking water has been made available to all students and staff members at the school(s) where the water outlet(s) is located; and
    - (4) Information regarding the health effects of lead.
3. Test results of all water samples shall remain publicly available in accordance with the timeline established by the Department of the Treasury in the Records Retention Schedule.

#### C. Reimbursement

1. The Board shall be eligible to be reimbursed for the water supply testing and analysis conducted pursuant to section A.3. above after July 1, 2021, as approved by the NJDOE and subject to available funds.
2. To be eligible to receive reimbursement, the Board shall complete and submit to the NJDOE a reimbursement application on a form, or in a format, supplied by the NJDOE.
  - a. The NJDOE will make the reimbursement application available on its website.
3. If the school district conducts additional testing in a year other than the Statewide required testing school year as set forth in A.3. above, the district shall not be eligible for reimbursement.

D. Failure to Comply

1. Failure to comply with any requirement of N.J.A.C. 6A:26-12.4 and Policy and Regulation 7425 may result in any of the following:
  - a. Board's disqualification for reimbursement pursuant to C. above;
  - b. The NJDOE's initiation of an investigation by the Office of Fiscal Accountability and Compliance; and
  - c. The Commissioner's withholding of State aid pursuant to N.J.A.C. 6A:2-1.2.

## 2415 EVERY STUDENT SUCCEEDS ACT NO CHILD LEFT BEHIND PROGRAMS

The ~~No Child Left Behind Act (NCLB) of 2001~~ **Every Student Succeeds Act (ESSA)** is a reauthorization of the Elementary and Secondary Education Act (ESEA)/~~Improving America's Schools Act (IASA) 1994,~~ **of 1965 that provides** ~~providing~~ **Federal** funds to help all New Jersey's school children achieve, ~~at a minimum, proficiency in the State standards.~~ **NCLB embodies four key principles or pillars of education reform: accountability, flexibility, choice, and methodology.** **The purpose of the ESSA is to ensure all students have equitable access to high-quality educational resources and opportunities and to close educational achievement gaps.** The Board of Education elects to augment the instructional program of students by projects supported by Federal funds allocated under ~~the ESSA NCLB~~ and the district will comply with the requirements of all the programs authorized by ~~the ESSA NCLB~~.

The district may be eligible for several grant programs funded through ~~the ESSA NCLB~~, including, but not limited to, Title I through Title VII. Many of the Titles of ~~the ESSA NCLB~~ have several parts and subparts that provide a funding source for specific purposes.

### Application Procedure

The district will submit an annual ~~ESSA No Child Left Behind~~ Consolidated Formula Subgrant Application to the New Jersey Department of Education (NJDOE). The school district's application shall include all information required by the NJDOE and ~~the ESSA NCLB~~ for the district to be considered for funding under ~~the ESSA NCLB~~.

### Covered Programs

**Formula grants under the ESSA are non-competitive grants that school districts are eligible for based on the make-up of their student bodies. These formula grants for each Title are committed to different purposes and may be used to support different activities and programs.**

~~The intent of NCLB is that all children will meet State academic achievement standards to reach their potential through improved programs. The NCLB Consolidated Formula Subgrant includes the following programs:~~

- ~~1. Title I, Part A provides the programs and resources for disadvantaged students to meet this intent. It requires the State and the district to close the achievement gap by placing a highly qualified teacher in every classroom, improving the qualifications of paraprofessionals who work with disadvantaged students, and using instructional practices that have proven to be effective.~~

2. ~~Title I, Part D serves neglected and delinquent youth in institutions, community day programs, and correctional facilities to assure they also attain high academic levels of performance.~~
3. ~~Title II, Part A provides the resources for improving teacher and Principal quality and increasing the number of highly qualified teachers and Principals in classrooms and schools, thereby raising student achievement in the academic subjects. It focuses on preparing, training, and recruiting high quality teachers and Principals and requires the State to develop plans with annual measurable objectives that will ensure all teachers teaching in core academic subjects are highly qualified by the end of the 2005-2006 school year.~~
4. ~~Title II, Part D facilitates comprehensive and integrated educational technology strategies that target the specific needs of individual schools. It improves student academic achievement through the use of technology in elementary and secondary schools, while addressing the digital divide such that every student is technologically literate by the end of eighth grade. Effective integration of technology resources and systems with teacher training and curriculum development are encouraged in order to identify and showcase best practices in educational technology.~~
5. ~~Title III, Part A focuses on the teaching of English to limited English proficient (LEP) children, including immigrant children and youth.~~
6. ~~Title IV, Part A provides resources for fostering a safe and drug free learning environment that supports academic achievement.~~
7. ~~Title V, Part A provides a flexible source of funding to help districts in the development and implementation of various innovative reform initiatives.~~
8. ~~Title VI, Part B addresses the unique needs of rural school districts.~~
9. ~~Title IX covers the general provisions applicable to some/all of the programs.~~

~~Throughout NCLB, the use of solid research to improve teaching and learning as well as student behavior is required and promoted, and parent(s)/legal guardian(s) are provided with information and options to improve the educational opportunities provided for their children. The emphasis on scientifically based methodology encourages the use of teaching techniques and practices that are founded on research and proven to produce positive results.~~

## Title I

The largest Federal program supporting elementary and secondary education is Title I. ~~The ESSA NCLB~~ strengthens Title I requirements for the State's assessments, accountability system, and support for school improvement. The law also ~~establishes~~ **requires** minimum qualifications for teachers and paraprofessionals in Title I programs.

The school district must use the best available measure for identifying children from low-income families to: identify eligible school attendance areas, determine the ranking of each area, and determine allocations as identified in the Title I guidelines and regulations.

The school district will offer Title I services to eligible children enrolled in private elementary and secondary schools. The services and benefits will be equitable in comparison to services and benefits for participating public school children.

The school district will provide the New Jersey Department of Education assurances it will provide the maximum coordination between the Title I program, the regular school program, and services provided by other programs for specialized populations. The Title I program will consider the special needs of homeless children, migrant children, children with disabilities and limited English ~~proficient (LEP)~~ **Language Learner (ELL)** children. Title I funds will be reserved so that migrant children who are otherwise eligible to receive Title I services, even if they arrive during the school year, are served.

## Type of Title I Program

The school district will offer a \_\_\_\_\_ (**School-wide or Target Assistance or Public School Choice**) Title I program.

## Target Assistance Program

Schools that are not eligible for (or do not choose to operate) school-wide Title I programs must use Title I funds to provide targeted services to low-achieving students. A Target Assistance program must be established in accordance with the Title I guidelines and regulations and the New Jersey Department of Education.]

~~Academic Standards, Academic Assessments, and Accountability~~ **New Jersey Department of Education Accountability System**

The district will comply with the **accountability system requirements established by** ~~of the New Jersey Department of Education and outlined in the New Jersey State Plan and approved by the United~~

~~States Department of Education as outlined in Policy 2415.01—Academic Standards, Academic Assessments, and Accountability in accordance with the NJDOE and NCLB.~~

#### Fiscal Responsibility

The district will comply with the requirements as outlined in Policy 2415.02 Title I – Fiscal Responsibilities in accordance with the NJDOE and ~~the ESSA NCLB~~.

#### Staff

The district will comply with the **staff certification requirements of the ESSA and the NJDOE requirements as outlined in Policy 2415.03—Highly Qualified Teachers** in accordance with the NJDOE ~~and NCLB~~. In addition, the district will ensure all paraprofessionals meet the requirements as **established** ~~required by the ESSA NCLB~~ and as outlined in Policy 4125 – Employment of Support Staff Members.

#### Parental Involvement

The district will comply with the requirements as outlined in Policy 2415.04 – Parental Involvement in accordance with the NJDOE and ~~the ESSA NCLB~~.

#### Student Surveys, Analysis, and/or Evaluations

The Protection of Pupil Rights Amendment (PPRA) applies to school districts that receive Federal funding from the United States Department of Education. The district will comply with the requirements as outlined in Policy 2415.05 - Student Surveys, Analysis, and/or Evaluations in accordance with the PPRA.

#### Unsafe School Choice Option

In the event there is a school in the district designated as Persistently Dangerous in accordance with the Victims of Violent Criminal Offenses as outlined in ~~the ESSA NCLB~~, the district will comply with the requirements of Policy 2415.06 – Unsafe School Choice Option in accordance with the NJDOE and ~~the ESSA NCLB~~.

#### Property

Property acquired through Title I funds for use in public or private schools will be acquired in accordance with the Public School Contracts Law, will be held in title by the Board of Education, and will not be used for other purposes so long as it is required in the Title I program. Property no longer required for Title I purposes will be used for other, similarly funded projects or disposed of in accordance with State and Federal guidelines.

## Capital Expenses

The Superintendent will assure the district abides by New Jersey's Public Contracts Law; consults appropriate private school officials prior to making any decisions regarding capital expenses; ensure funds that are received to cover capital expenses provide equitable Title I services to private school students; ensure accounts for any capital funding is separately maintained; and assure lease purchase agreements are consistent with applicable statute and administrative code.

## Post-Award Requirements

The school district will maintain all project records for five years following the completion of the activity for which the funds were used. The school district will prepare and submit all reports as required by the State Department of Education in a timely manner.

## Supplement, Not Supplant

Grant funds provided under Federal programs, including **the ESEA of 1965 as amended by the ESSA** ~~No Child Left Behind funding~~, shall supplement, not supplant **the funds that would, in the absence of such other non-Federal funds, be made that are available to provide programs and services to eligible from State and local sources for the education of students; participating in unless otherwise provided in the grant programs assisted under the ESEA of 1965 as amended by the ESSA.**

~~State Waiver from Certain Provisions of No Child Left Behind (NCLB)~~

~~The State of New Jersey may receive a waiver(s) from certain provisions of NCLB from the United States Department of Education. A waiver(s) may affect the applicability of the school district's NCLB policies and/or regulations. In the event a waiver(s) affects the applicability of Board of Education NCLB policies and/or regulations, the waiver provisions shall supersede current Board policies and/or regulations and the school district shall comply with the requirements as outlined by the New Jersey Department of Education in accordance with the waiver(s) application and approval(s) from the United States Department of Education.~~

## Evaluation

The Superintendent or designee will evaluate the **ESSA NCLB** programs as required by the United States and the New Jersey Departments of Education.

~~2415.01 ACADEMIC STANDARDS, ACADEMIC ASSESSMENTS,  
AND ACCOUNTABILITY~~

~~The *No Child Left Behind Act of 2001* (NCLB), a reauthorization of the *Elementary and Secondary Education Act* (ESEA), requires New Jersey to implement a single accountability system to include challenging academic content and academic achievement standards. The accountability requirements under NCLB were built on the foundation of the former *Improving America's Schools Act* (IASA).~~

~~To meet the Federal requirements, New Jersey has adopted the New Jersey Single Accountability System. State assessments in language arts literacy and mathematics are based on the New Jersey Core Curriculum Content Standards. All pupils enrolled in New Jersey public schools, plus all pupil subgroups, must meet the proficiency benchmarks to ensure the goal of 100% proficiency. Pupils must score either "proficient" or "advanced proficient" on the assessments to be counted toward meeting the benchmarks.~~

~~Schools are evaluated using adequate yearly progress (AYP) indicators. Pupil achievement is determined by grade span (Elementary School—grades three through five, Middle School—grades six through eight, and High School—grades nine through twelve) and in each content area. There are indicators that must be met (including participation and proficiency rates) plus a secondary indicator. A safe harbor calculation is applied to measure significant progress if the benchmark is missed. When a school does not meet AYP for two consecutive years in the same content area, it is designated as a "school in need of improvement."~~

~~AYP shall be calculated for all New Jersey schools under the provisions of NCLB. Schools that do not meet AYP as defined under NCLB are placed into one of the following categories. Title I schools in need of improvement must implement the sanctions for each category.~~

~~Year 1 – Early Warning: A school that does not make AYP for one year is placed into "early warning" status.~~

~~Year 2 – In Need of Improvement/School Choice: A school that does not make AYP for two consecutive years in the same content area is designated as a “school in need of improvement.” Parents/legal guardians shall be promptly notified if their child’s school has been designated as in need of improvement. For Title I schools certain interventions apply, including intradistrict school choice (or supplemental educational services if choice is not available) and development of a school improvement plan (Title I Unified Plan). The district must offer the school technical assistance to address the areas that caused the school to be in need of improvement. Parents/legal guardians shall be notified of their right to request intradistrict public school choice and parents/legal guardians of eligible pupils shall be notified of the availability of supplemental educational services, if choice is not available, including the provider list Web address.~~

~~Year 3 – In Ne ed of Improvement/Supplemental Educational Services (SES): A school that does not make AYP for three consecutive years in the same content area shall continue to be identified as a “school in need of improvement.” The Title I school must continue to offer intradistrict school choice and must *also* offer SES to eligible pupils. Technical assistance must continue to be offered by the district, parents must receive notification of the school’s status, and the school improvement plan (Title I Unified Plan) is updated annually. Parents/legal guardians of eligible pupils shall be notified of the availability of supplemental educational services, if choice is not available, including the provider list Web address.~~

~~The New Jersey Department of Education (NJDOE) offers school support by engaging a team of experienced professionals to conduct an extensive school review called Collaborative Assessment and Planning for Achievement (CAPA). The CAPA team interviews stakeholders and staff, reviews school and district documents, and conducts on-site observations to develop a report that contains recommendations for school improvement, which then becomes part of the Title I Unified Plan.~~

~~Year 4 – Corrective Action: A school that does not make AYP for four consecutive years in the same content area is identified as a school in corrective action. The Title I school must continue to offer intradistrict school choice and SES, notify parents of the school’s status, revise its school improvement plan (Title I Unified Plan), and receive technical assistance from the district and the NJDOE.~~

~~The district must take at least one of the following corrective actions:~~

- ~~1. Provide, for all relevant staff, appropriate, scientifically research based professional development that is likely to improve academic achievement of low performing pupils.~~
- ~~2. Institute a new curriculum grounded in scientifically based research and provide appropriate professional development to support its implementation.~~
- ~~3. Extend the length of the school year or school day.~~
- ~~4. Replace the school staff who are deemed relevant to the school not making adequate progress.~~
- ~~5. Significantly decrease management authority at the school.~~
- ~~6. Restructure the internal organization of the school.~~
- ~~7. Appoint one or more outside experts to advise the school how to revise and strengthen the improvement plan it created while in school improvement status and how to address the specific issues underlying the school’s continued inability to make AYP.~~

~~Year 5 – Planning for Restructuring: A Title I school that does not make AYP for five consecutive years in the same content area must plan to restructure. The restructuring plan is implemented at the beginning of the following school year if the school continues to miss AYP benchmarks and moves to Year 6. During the planning year, the Title I school must continue to offer intradistrict school choice and SES, notify parents of the school’s status and invite parent input during the restructuring process, and receive technical assistance from the district and the NJDOE. The technical assistance design for a school being restructured emphasizes the following:~~

1. ~~The importance of improving instruction by using strategies grounded in scientifically-based research so that all children in the school achieve proficiency in the core academic subjects of language arts and mathematics.~~

2. ~~The importance of analyzing and applying data in decision making.~~

~~The restructuring plan must include one of the following alternative governance systems for the school as outlined by NCLB regulations and consistent with New Jersey practice and statutes:~~

1. ~~Implement any major restructuring of the school's governance that is consistent with the principles of restructuring as set forth in the *No Child Left Behind Act*.~~

2. ~~Re-open the school as a public charter school as defined by State statute and regulation (N.J.S.A. 18A:36A-1 et seq. and N.J.A.C. 6A).~~

3. ~~Replace all or most of the school staff, which may include the Principal, who are relevant to the school's inability to make adequate progress (consistent with existing contractual provisions and applicable statutory protections in Title 18A).~~

~~Year 6—Restructuring 1: A Title I school that does not make AYP for six consecutive years in the same content area must implement the approved restructuring plan. The Title I school must continue to offer intradistrict school choice and SES, notify parents of the school's status and invite parent input and support during the implementation process, and receive technical assistance from the district and the NJDOE. Technical assistance is critical to help school staff remain focused on increasing pupil achievement while the school is adjusting to potentially radical changes in its administration and governance structures. A CAPA visit will occur at the school to determine the fidelity of implementation of the restructuring plans and to review the governance structure of the school.~~

~~Year 7 (and over) — Restructuring 2 (and over): If the school has not made AYP for seven or more consecutive years, the NJDOE will meet with school and district administrators to continually review implementation of the restructuring plan/Title I Unified Plan. Benchmark meetings with NJDOE staff, the school, and the district will occur twice a year to assess and support implementation of the school improvement plan.~~

~~Removal from Early Warning/Improvement Status: To be removed from early warning or improvement status, the school must make AYP for two consecutive years in the content area that caused the school to go into status, providing the school makes AYP in the other content areas. The first year of making AYP is a “hold year” and the school does *not* progress to the next sanction level, but must continue to implement current interventions. If the school does not make AYP the year following “hold,” the school goes back into improvement status at the level prior to the hold year.~~

## Maintenance of Effort

To be in compliance with the requirements of the ~~Elementary and Secondary Education Act of 1965 (20 U.S.C. 2701 et seq.)~~ **ESEA** as amended by the ~~ESSA No Child Left Behind Act of 2001, §1120A(a)~~, the Ridgewood Board of Education will maintain **either** a combined fiscal effort per student; or aggregate expenditures; of State and local funds with respect to the provision of the free public education ~~by~~ **in** the Local Education Agency (LEA) for the preceding fiscal year that is not less than ninety percent of the combined fiscal effort per student; or the aggregate expenditures; for the second preceding fiscal year.

## Comparability with Multiple Schools

To be in compliance with the requirements of the ~~Elementary and Secondary Education Act of 1965 (20 U.S.C. 2701 et seq.)~~ **ESEA** as amended by the ~~ESSA No Child Left Behind Act of 2001, §1120A(c)~~, the Ridgewood Board of Education directs the Superintendent to assign teachers, administrators, and auxiliary personnel to the schools in such a way that the equivalence of personnel is ensured among schools. **The school district will ensure that State and local funds are used to provide comparable services for Title I and non-Title I schools.**

## Comparability of Materials and Supplies

To be in compliance with the requirements of the ~~Elementary and Secondary Education Act of 1965 (20 U.S.C. 2701 et seq.)~~ **ESEA** as amended by the ~~ESSA No Child Left Behind Act of 2001, §1120A(e)~~, the \_\_\_\_\_ Board of Education directs the Superintendent to distribute curriculum materials and instructional supplies to the schools in such a way that the equivalence of such material is ensured among schools.

**Supplement, Not Supplant**

**Grant funds provided under Federal programs, including the ESEA as amended by the ESSA, shall supplement, not supplant the funds that would, in the absence of such Federal funds, be made available from State and local sources for the education of students participating in programs assisted under the ESEA as amended by the ESSA.**

2415.03 HIGHLY QUALIFIED TEACHERS

~~The No Child Left Behind Act (NCLB) requires all teachers be or become highly qualified in the core academic content area(s) they teach in accordance with the United States Department of Education and the New Jersey Department of Education highly qualified teacher requirements.~~

~~Teachers who have achieved highly qualified status retain highly qualified status permanently for the teaching assignment designated on the approved highly qualified teacher forms. No teacher providing direct instruction in core content areas is grandfathered or exempt from this process.~~

~~The district shall maintain the appropriate highly qualified documentation for all teachers who provide direct instruction in core content areas. When a teacher changes teaching assignments, which requires different content expertise, additional highly qualified teacher forms must be completed and kept on file within the district. Highly qualified teacher documentation should be completed for all new teachers and for those with new teaching assignments at the beginning of each school year.~~

~~When a teacher obtains employment in a new school district, the new district must contact the previous place of employment to have the teacher's official highly qualified teacher forms sent to the new district. A teacher hired from another State must hold New Jersey certification and must meet New Jersey's highly qualified teacher requirements. Out of State teachers may provide documentation to support their highly qualified teacher status from the previous State in which they taught.~~

~~All Title I schools must send out a Right to Know letter in the beginning of every school year informing parent(s) or legal guardian(s) that they have the right to know the qualifications of their child's teacher. The letter should be sent by all Title I and non Title I districts. In addition, in all Title I schools, the parent(s) or legal guardian(s) of pupils whose teacher is not yet highly qualified must be notified. Copies of these letters must be kept on file in the school.~~

2415.05 STUDENT SURVEYS, ANALYSIS, AND/OR EVALUATIONS

The Protection of Pupil Rights Amendment (PPRA) (20 U.S.C. §1232h; 34 CFR Part 98) applies to school districts that receive funding from the United States Department of Education.

Consent

PPRA requires written consent from parents/~~legal guardians~~ **of unemancipated minor students** and students who are eighteen years old or emancipated minor students before **such minor** students are required to participate in a survey, analysis, or evaluation funded in whole or in part by a program of the United States Department of Education that concerns one or more of the following ~~nine~~ areas referred to as “protected information surveys”:

1. Political affiliations or beliefs of the student or student’s parent;
2. Mental or psychological problems of the student or student’s family;
3. Sex behavior or attitudes;
4. Illegal, anti-social, self-incriminating or demeaning behavior;
5. Critical appraisals of others with whom respondents have close family relationships;
6. Legally recognized privileged or analogous relationships, such as with lawyers, physicians, and ministers;
7. Religious practices, affiliations, or beliefs of the student or parents;
8. Income (other than that required by law to determine eligibility for participation in a program or for receiving financial assistance under such program); or
9. Social security number.

This consent requirement also applies to the collection, disclosure or use of student information for marketing purposes, referred to as “marketing surveys”, and for certain physical examinations and screenings.

“Opt a Student Out” Notice

The parents **of unemancipated minor students** and ~~eligible~~ **students** who are eighteen years old or emancipated minor students will be provided an opportunity to opt a ~~student~~ out of participating in:

## POLICY

1. The collection, disclosure, or use of personal information obtained from students for marketing, to sell, or otherwise distribute information to others;
2. The administration of any other “protected information survey” not funded in whole or in part by the United States Department of Education; and
3. Any non-emergency, invasive physical examination required as a condition of attendance, administered by the school district or its agents, and not necessary to protect the immediate health and safety of a student, except for hearing, vision, scoliosis screenings, or any physical examination or screening permitted or required under State law.

### Inspection

The parents of **unemancipated minor students** and eligible students **who are eighteen years old or emancipated minor students**, upon request and before administration or use, have the right to inspect:

1. Protected information surveys of students;
2. Instruments used to collect personal information from students for any of the above marketing, sales, or other distribution purposes; and
3. Instructional material used as part of the educational curriculum.

The Superintendent shall be responsible for obtaining the consent, annual direct notification to parents and eligible students at the start of each school year and after any substantive changes of the “opt a student out” rights, and the inspection rights provisions of PPRA and this Policy. The “opt a student out” notice shall include any specific or approximate dates of the activities eligible for a student to “opt out.”

The Board shall approve the employment, fix the compensation, and establish the term of employment for every support staff member employed by this district.

The Board ~~may will~~ employ substitutes **and/or contract for substitutes** for absent support staff members in order to ensure continuity in a program. **The Board and** will annually approve a list of substitutes and rate of pay **and/or the Board will approve a contract for a contracted service provider to provide substitute support staff members.** ~~The Superintendent or designee shall select substitutes from the list approved by the Board to serve in the place of an absent support staff member.~~

~~The Board may use a private contractor to secure a substitute support staff member.~~

The Board of Education shall not employ for pay or contract for the paid services of any support staff member or any other person serving in a position which involves regular contact with students unless the Board has first determined consistent with the requirements and standards of N.J.S.A. 18A:6-7.1 et seq. that no criminal history record information exists on file in the Federal Bureau of Investigation, Identification Division, or the State Bureau of Identification which would disqualify the individual from being employed or utilized in such capacity or position.

An individual employed by the Board or a school bus contractor holding a contract with the Board, in the capacity of a school bus driver, shall be required to meet the criminal history record requirements as outlined in N.J.S.A. 18A:39-19.1.

The Board will employ paraprofessional school aides and/or classroom aides to assist in the supervision of student activities under the direction of a Principal, teacher, or other designated certified professional personnel. Aides will serve the needs of students by performing nonprofessional duties and may work only under the direct supervision of a teaching staff member(s).

In accordance with the requirements of ~~No Child Left Behind Act of 2001~~, **the Every Student Succeeds Act (ESSA)**, paraprofessionals hired after January 8, 2002, who work in a program supported with Title I, Part A funds, with certain exceptions, must meet one of the following criteria:

1. Completed at least two years of study at an institution of higher education;
2. Obtained an associate's (or higher) degree; or
3. Met a rigorous standard of quality and be able to demonstrate, through a formal State or local academic assessment, knowledge of and the ability to assist in instructing, reading, writing, and mathematics (or, as appropriate, reading readiness, writing readiness, and mathematics readiness).

Paraprofessional staff working in a Title I school, and whose salary is paid for in whole or in part with Title I funds, must ~~meet~~ ~~have met~~ one of the criteria listed above ~~by the end of the 2005-2006 school year~~. The Superintendent **or designee** will ensure paraprofessionals working in a program supported with Title I funds meet the above stated requirements

An individual employed by the Board in any substitute capacity or position shall be required to undergo a criminal history record check in accordance with the provisions of N.J.S.A. 18A:6-7.1b.

An individual, except as provided in N.J.S.A. 18A:6-7.1g, shall be permanently disqualified from employment or service in the school district if the criminal history record check reveals a record of conviction for any crime or offense as defined in N.J.S.A. 18A:6-7.1 et seq.

The Board or contracted service provider may employ an applicant on an emergent basis for a period not to exceed three months, pending completion of a criminal history record check if the Board or contracted service provider demonstrates to the Commissioner of Education that special circumstances exist which justify the emergent employment as prescribed in N.J.S.A. 18A:6-7.1c. In the event the criminal history record check is not completed for an emergent hired employee within three months, the Board or contracted service provider may petition the Commissioner for an extension of time, not to exceed two months, in order to retain the employee.

No criminal history record check shall be performed unless the applicant shall have furnished written consent to such a check. The applicant shall bear the cost for the criminal history record check, including all costs for administering and processing the check. The district will deny employment to an applicant if the applicant is required and refuses to submit to a criminal history record check.

The Board of Education prohibits any relative of a Board member or the Superintendent of Schools from being employed in an office or position in the school district in accordance with the provisions of N.J.A.C. 6A:23A-6.2 and Board Policy 0142.1 – Nepotism.

**6360 POLITICAL CONTRIBUTIONS****Political Contribution Disclosure Requirements**

In accordance with the requirements of Section 2 of P.L. 2005, Chapter 271 (N.J.S.A. 19:44A-20.26), the Board of Education shall have on file, to be maintained with other documents related to a contract, the following documents to award a contract to any business entity receiving a contract with an anticipated value in excess of \$17,500, regardless of the basis upon which the contract is awarded:

1. A Political Contribution Disclosure (PCD) form submitted by the business entity (at least ten days prior to award); and
2. A Business Registration Certificate (anytime prior to award).

“Business entity” means a **for-profit entity that is a** natural or legal person, business corporation, professional services corporation, limited liability company, partnership, limited partnership, business trust, association or any other legal commercial entity organized under the laws of New Jersey or any other State or foreign jurisdiction.

The \$17,500 contract amount is not related to the Board’s bid threshold and does not exempt the district from the requirements of the Public School Contracts Law or other applicable purchasing statutes.

The \$17,500 contract amount threshold is subject to the principle of aggregation rules in accordance with the Division of Local Government Services guidance. Unlike the Public School Contracts Law, aggregation thresholds for this Policy and Chapter 271 purposes shall be calculated at the vendor level – meaning, when a vendor receives more than \$17,500 in a school district’s fiscal year, a PCD form shall be required.

The disclosure provisions of N.J.S.A. 19:44A-20.26 do not apply in cases where there is a “public emergency” that requires the immediate delivery of goods or services.

Insurance companies and banks are prohibited under State law from making political contributions. However, because the PCD form reflects contributions made by partners, Boards of Directors, spouses, etc., PCD forms are required ten days prior to the approval of a depository designation resolution or insurance company contract awarded by the Board. A PCD form is also required when a contract in excess of \$17,500 is made to an insurance broker. A PCD form is required from the company receiving the contract, regardless of the entity issuing an insurance policy.

PCD forms are required for Board of Education contracts in excess of \$17,500 with a New Jersey Department of Education “Approved In-State Private School for the Disabled.” Chapter 271 also applies to in-State private special education schools, ~~supplemental~~ educational services under **any Federally funded program NCLB**, early childhood school providers – DHS approved, and other similar programs.

If the school district spends more than \$17,500 in a school year with a newspaper, the selection of the newspaper is subject to the provisions of Chapter 271.

PCD forms are not required for regulated public utility services, as the Board is required by the Board of Public Utilities to use a specific utility. This exception does not apply to non-regulated public utility services, such as generated energy (not tariffed), or long-distance telephone services where other procurement practices are used.

PCD forms are not required for membership to the New Jersey School Boards Association.

A non-profit organization having proper documentation from the Internal Revenue Service (IRS) showing it is registered with the IRS as a 501(c) type corporation is not required to file a PCD form.

A PCD form is not required for contracts with governmental agencies, including State colleges and universities.

If the original contract provided for the possibility of an extension(s), Chapter 271 compliance is not required if the extension/continuation is based on that original contract.

**8330 STUDENT RECORDS**

The Board of Education believes that information about individual students must be compiled and maintained in the interest of the student's educational welfare and advancement. The Board will strive to balance the student's right to privacy against the district's need to collect, retain, and use information about individual students and groups of students. The Board authorizes the establishment and maintenance of student files that include only those records mandated by law, rules of the State Board of Education, authorized administrative directive, and those records permitted by this Board.

The Superintendent shall prepare, present to the Board for approval, and distribute regulations that implement this Policy and conform to applicable State and Federal law and rules of the State Board of Education.

**General Considerations**

The Board of Education shall compile and maintain student records and regulate access, disclosure, or communication of information contained in educational records in a manner that assures the security of such records in accordance with the provisions of N.J.A.C. 6A:32-7.1 et seq. Student records shall contain only such information as is relevant to the education of the student and is objectively based on the personal observations or knowledge of the certified school personnel who originate(s) the record. The school district shall provide annual, written notification to parents, adult students, and emancipated minors of their rights in regard to student records and student participation in educational, occupational, and military recruitment programs. Copies of the applicable State and Federal laws and local policies shall be made available upon request. The school district shall make every effort to notify parents and adult students in their dominant language.

**A nonadult student may assert rights of access only through his or her parent(s). However, Nothing in this Policy N.J.A.C. 6A:32-7 shall be construed to prohibit certified school personnel from disclosing at their discretion student records to non-adult students or to appropriate persons in connection with an emergency, if such knowledge is necessary to protect the health or safety of the student or other persons.**

No liability shall be attached to any member, officer, or employee of the Board of Education-permitting access or furnishing student records in accordance with N.J.A.C. 6A:32-7.1 et seq.

**Student Information Directory**

A student information directory is a publication of the Board of Education that includes information relating to a student as defined in N.J.A.C. 6A:32-2.1. This information includes: name; grade level; date and place of birth; dates of school attendance; major field of study; participation in officially recognized activities; weight and height relating to athletic team membership; degrees; awards; the most recent educational agency attended by the student; and other similar information. The student information directory shall be used only by authorized school district personnel and for designated official use by judicial, law enforcement, and medical personnel and not for general public consumption.

In the event the school district publishes a student information directory, the Superintendent or designee will provide a parent or adult student a ten-day period to submit to the Superintendent a written statement prohibiting the school district from including any or all types of information about the student in any student information directory before allowing access to such directory to educational, occupational, and military recruiters pursuant to N.J.S.A. 18A:36-19.1 and ~~P.L. 107-110 sec. 9528~~, **20 U.S.C. §8528 - Armed Forces Recruiter Access to Students and Student Recruiting Information of the Elementary and Secondary Education Act (ESEA) of 1965** ~~No Child Left Behind Act of 2001~~. **In accordance with N.J.S.A. 18A:36-19.1, military recruiters will be provided the same access to a student information directory that is provided to educational and occupational recruiters.**

#### School Contact Directory for Official Use

A school contact directory for official use is a compilation by the school district that includes the following information for each student: name; address; telephone number; date of birth; and school enrollment. The district shall compile and maintain a school contact directory for official use that is separate and distinct from the student information directory. The student contact directory may be provided for official use only to judicial and law enforcement personnel, and to medical personnel currently providing services to the student in question. To exclude any information from the school contact directory for official use the parent, adult student, or emancipated minor shall notify the Superintendent or designee in writing.

#### Mandated and Permitted Student Records

Mandated student records are those records school districts have been directed to compile by State statute, regulations, or authorized administrative directive in accordance with N.J.A.C. 6A:32-7.3.

Permitted student records are those student records not mandated pursuant to N.J.A.C. 6A:32-7.3, but authorized by the Board to promote the student's educational welfare. The Board shall authorize the permitted records to be collected by adopting Policy and Regulation 8330, which will list such permitted records.

#### Maintenance and Security of Student Records

The Superintendent or designee shall be responsible for the security of student records maintained in the school district. Policy and Regulation 8330 assure that access to such records is limited to authorized persons.

Records for each individual student may be stored electronically or in paper format. When student records are stored electronically, proper security and back-up procedures shall be administered.

Student health records, whether stored on paper or electronically, shall be maintained separately from other student records, until such time as graduation or termination, whereupon the health history and immunization record shall be removed from the student's health record and placed in the student's mandated record. Records shall be accessible during the hours in which the school program is in operation.

Any district internet website shall not disclose any personally identifiable information about a student without receiving prior written consent from the student's parent, in accordance with the provisions of N.J.S.A. 18A:36-35. Personally identifiable information means student names; student photos; student addresses; student e-mail addresses; student phone numbers; and locations and times of class trips.

#### Access to Student Records

Only authorized organizations, agencies, or persons as defined in N.J.A.C. 6A:32-7.5 shall have access to student records, including student health records. Access to student records shall be provided to persons authorized such access under N.J.A.C. 6A:32-7.1 et seq. within ten days of a request, but prior to any review or hearing conducted in accordance with N.J.A.C. 6A.

The district shall control access to, disclosure of, and communication regarding information contained in student health records to assure access only to people permitted by Federal and State statute and regulations in accordance with N.J.A.C. 6A:32-7.5.

The district may charge a reasonable fee for reproduction of student records, not to exceed the schedule of costs set forth in N.J.S.A. 47:1A-5, provided that the cost does not effectively prevent the parents or adult students from exercising their rights under N.J.A.C. 6A:32-7 or other Federal and State rules and regulations regarding students with disabilities, including N.J.A.C. 6A:14.

Access to and disclosure of a student's health record shall meet the requirements of the Family Education Rights and Privacy Act, 34 C.F.R. Part 99 (FERPA).

Only authorized organizations, agencies, or persons as defined in N.J.A.C. 6A:32-7.5 shall have access to student records, including student health records.

Nothing in N.J.A.C. 6A:32-7.1 et seq. or in Policy and Regulation 8330 shall be construed to prohibit school personnel from disclosing information contained in the student health record to students or adults in connection with an emergency, if such knowledge is necessary to protect the immediate health or safety of the student or other persons.

In complying with N.J.A.C. 6A:32-7 – Student Records, individuals shall adhere to requirements pursuant to N.J.S.A. 47:1A-10, the Open Public Records Act (OPRA) and 34 CFR Part 99, the Family Educational Rights and Privacy Act (FERPA).

#### Conditions for Access to Student Records

All authorized organizations, agencies, and persons defined in N.J.A.C. 6A:32-7.1 et seq. shall have access to the records of a student subject to conditions outlined in N.J.A.C. 6A:32-7.6(a).

#### Rights of Appeal for Parents and Adult Students

Student records are subject to challenge by parents and adult students on the grounds of inaccuracy, irrelevancy, impermissible disclosure, inclusion of improper information or denial of access to organizations, agencies, and persons in accordance with N.J.A.C. 6A:32-7.7(a).

To request a change in the record or to request a stay of disclosure pending final determination of the challenged procedure, the parent or adult student shall follow the procedures pursuant to N.J.A.C. 6A:32-7.7(b).

Appeals relating to student records for students with disabilities shall be processed in accordance with the requirements of N.J.A.C. 6A:32-7.7(b).

Regardless of the outcome of any appeal, a parent or adult student shall be permitted to place in the student record a statement commenting upon the information in the student record or setting forth any reasons for disagreement with the decision made in the appeal. Such statements shall be maintained as part of the student record as long as the contested portion of the record is maintained. If the contested portion of the record is disclosed to any party, the statement commenting upon the information shall also be disclosed to that party.

#### Retention and Disposal of Student Records

A student record is considered to be incomplete and not subject to the provisions of the Destruction of Public Records Law, N.J.S.A. 47:3-15 et seq., while the student is enrolled in the school district. The school district shall retain the student health record and the health history and immunization record according to the School District Records Retention Schedule, as determined by the New Jersey State Records Committee.

Student records of currently enrolled students, other than that described in N.J.A.C. 6A:32-7.8(e), may be disposed of after the information is no longer necessary to provide educational services to a student and in accordance with the provisions of N.J.A.C. 6A:32-7.8(b).

Upon graduation or permanent departure of a student from the school district, the parent or adult student shall be notified in writing that a copy of the entire student record will be provided to them upon request. Information in student records, other than that described in N.J.A.C. 6A:32-7.8(e), may be disposed of, but only in accordance with the Destruction of Public Records Law, N.J.S.A. 47:3-15 et seq. Such disposition shall be in accordance with the provisions of N.J.A.C. 6A:32-7.8(c)2.

No additions shall be made to the record after graduation or permanent departure without the prior written consent of the parent or adult student.

In accordance with N.J.A.C. 6A:32-7.8(e), the New Jersey public school district of last enrollment, graduation, or permanent departure of the student from the school district shall keep for 100 years a mandated record of a student's name, date of birth, name of parents, gender, health history and immunization, standardized assessment results, grades, attendance, classes attended, grade level completed, year completed, and years of attendance

9713 RECRUITMENT BY SPECIAL INTEREST GROUPS

~~[The Board of Education will permit access to school students on school premises and access to certain information about individual students for educational, occupational, and military recruitment activities. Access for recruitment purposes will be equally available to all recruitment agencies, in accordance with law.]~~

Representatives of bona fide educational institutions, occupational agencies, and the United States Armed Forces may recruit students on school premises by participation in assembly programs, career day activities, and the like and by distributing literature. Permission to recruit on school premises must be requested in writing thirty working days before the planned activity and must be approved in advance by the Superintendent **or designee**. The Superintendent **or designee** shall not favor one recruiter over another, but shall not approve an activity that, in the Superintendent's judgment **of the Superintendent or designee**, carries a substantial likelihood of disrupting the educational program of **the school or school this district**.

~~Each representative of a bona fide educational institution, occupational agency, and the United States Armed Forces will be given, on request, a copy of the student information directory, compiled in accordance with Policy No. 8330.]~~

~~Parent(s) or legal guardian(s) and adult students will be informed annually in writing of their right to request a student's excusal from participation in all recruitment activities and/or from a listing in the student information directory distributed for recruitment purposes.~~

Nothing in this Policy shall be construed as requiring the Board to approve or participate in an activity that appears to advance or inhibit any particular religious sect or religion generally.

Emergency and Crisis Situations

M

### 8420 EMERGENCY AND CRISIS SITUATIONS

The Board of Education recognizes its responsibility to provide for the safety and security in each school building in the district. The district will develop and implement written plans and procedures to provide for the protection of health, safety, security, and welfare of the school population; the prevention of, intervention in, response to and recovery from emergency and crisis situations; the establishment and maintenance of a climate of civility; and supportive services for staff, students, and their families.

The Superintendent of Schools or designee shall consult with law enforcement agencies, health and social services provider agencies, emergency management planners, and school and community resources, as appropriate, in the development of the school district's plans, procedures, and mechanisms for school safety and security. The plans, procedures, and mechanisms shall be consistent with the provisions of N.J.A.C. 6A:16-5.1 and the format and content established by the Domestic Security Preparedness Task Force, pursuant to N.J.S.A. App. A:9-64 et seq., and the Commissioner of Education and shall be reviewed annually, and updated as appropriate.

A copy of the school district's school safety and security plan shall be disseminated to all school district employees. New employees shall receive a copy of the school district's safety and security plan, as appropriate, within sixty days of the effective date of their employment. All employees shall be briefed in writing, as appropriate, regarding updates and changes to the school safety and security plan.

The school district shall develop and provide an in-service training program for all school district employees to enable them to recognize and appropriately respond to safety and security concerns, including emergencies and crisis, consistent with the school district's plans, procedures, and mechanisms for school safety and security and the provisions of N.J.A.C. 6A:16-5.1. New employees shall receive this in-service training, as appropriate, within sixty days of the effective date of their employment. This in-service training program shall be reviewed annually and updated, as appropriate.

The Board shall ensure individuals employed in the district in a substitute capacity are provided with information and training on the district's practices and procedures on school safety and security including instruction on school security drills, evacuation procedures, and emergency response protocols in the district and the school building where the individuals are employed in accordance with the provisions of N.J.S.A. 18A:41-7.

In accordance with N.J.S.A. 18A:41-1, at least one fire drill and one school security drill will be conducted each month within school hours, including any summer months, which the school is open for instructional programs. A school security drill means an exercise, other than a fire drill, to practice procedures that respond to an emergency situation including, but not limited to, a non-fire evacuation, lockdown, bomb threat, or active shooter situation that is similar in duration to a fire drill. Schools are required to hold a minimum of two active shooter, non-fire evacuation, bomb threat, and lockdown security drills annually. ~~Fire alarm systems shall be initiated only during a fire drill evacuation.~~ Responses made necessary by the unplanned activation of emergency procedures or by any other emergency shall not be substituted for a required school security drill.

The Principal or designee will provide local law enforcement or other emergency responders, as appropriate, with a friendly notification at least forty-eight hours prior to holding a school security drill. Although these outside agencies are not required to observe school security drills, the Principal is encouraged to invite representatives from local law enforcement and emergency responder agencies to attend and observe at least four different security drills annually.

Such drills and in-service training programs shall be conducted in accordance with a building security drill guide and training materials that educate school employees on proper evacuation and lockdown procedures in a variety of emergency situations on school grounds as provided by the New Jersey Office of Homeland Security and Preparedness.

The school district will be required to annually submit a security drill statement of assurance to the New Jersey Department of Education by June 30 of each school year. Each school in the district will be required to complete a security drill record form as required by the New Jersey Department of Education.

**IV. PRESENTATIONS**

**A. Student Presentation**

Somerville Children's Theatre performed.

**B. Student Representative Report**

Zoe Kovac presented the following Ridgewood High School report:

**Academics:**

- In honor of Teacher Appreciation Week, several students showed their support to the teachers and staff by writing their teachers' emails, sending their teachers' gifts, and showing an extra appreciation for them this past week. Additionally, the Home and School Association gave thoughtful gifts to the teachers and staff to emphasize

just how grateful the community is for all that they do.

- The juniors who are enrolled in a foreign language class were recently invited to take the NJ Seal of Biliteracy exam. The Seal of Biliteracy seeks to encourage students to study languages, certify attainment of biliteracy, provide prospective employers and universities with a method of identifying people with advanced biliteracy skills, promote second language instruction in public schools, and affirm the value of diversity. There will be several foreign languages tested and the exam will be administered on June 19th at 8:00 am at RHS and the last day to sign up is tomorrow.
- A couple of the AP Exams will be administered this week but the majority of them will be administered starting next week and the week after that. The testing format varies throughout so some subjects need to be taken in person, while others can be taken digitally. Each foreign language exam must be taken in person but the other subjects are more flexible which raises questions about how the AP exams will be administered from now on.
- Last week the front lawn at RHS was covered with seniors wearing the shirts of the college or university they will be attending next school year.

#### **Arts:**

- The Ridgewood ARTBeat Organization has announced that their beloved bandshell event will be held this year on June 1st from 7-9 pm at Vets Field. They released the lineup and as of now, 7 different RHS student music groups will be performing.
- There are about 2 weeks until the debut of Asian Fest and they are now selling merchandise which was designed by RHS senior, Tammi David.

#### **Athletics:**

- The RHS Cheer team won the championship at Nationals for varsity music. They have worked so hard so congratulations to them.

#### **Activities:**

- The RHS Green Club has been hard at work lately. Recently, they worked with the Village Department of Public Works to spread compost in the school garden. As the weather warms up, composting is such a great way to get outside, maintain a healthy environment and promote healthy plant growth.

## **V. PRESENTATIONS**

### **A. Ridgewood High School Alumni Association**

Bill McCabe, President of the Ridgewood High School Alumni Association (RHSAA), and Tara Augustine, Past President of the RHSAA, provided an overview of their organization and made a historic announcement. Recognizing the strong affinity that generations of alumni have for RHS, Dr. Gorman, as the Principal of Ridgewood High School, spearheaded an effort to establish an alumni organization. The RHSAA formed as a 501(c)(3) in 2014.

To foster *A Tradition of Excellence*, the RHSAA strives to strengthen connections between alumni and the RHS community and enhance the student experience through various events and initiatives including Reunion Weekend, the Distinguished Alumni

Society, the RHS Alumni Externship Program, and the Alumni Career Speaker Series. This past weekend, members of the RHSAA hung senior banners around town to honor the Class of 2021.

Since 2014, RHSAA has gifted or facilitated over \$1 million to Ridgewood High School. The RHSAA announced the largest single gift in Ridgewood Public School's history, a \$635,000 grant from esteemed alumnus Dave Duffield (RHS '58) through the Dave & Cheryl Duffield Foundation. The Duffield STEAM Initiative encompasses significant enhancements and state-of-the-art upgrades to the Innovation & Makerspace Lab, the Media Lab, and the Culinary Arts Lab.

Dave Duffield is a tech entrepreneur who helped shape the software industry and founder of innovative companies including Workday, PeopleSoft, and Ridgeline. Mr. Duffield is the father of ten children, a husband, and a philanthropist. While at RHS, he won the school's highest honor in math and achieved a perfect math SAT score. He was also co-captain of the baseball team where he earned All State honors and threw the first no-hitter in RHS history. This generous gift was inspired by his parents, Albert and Mary.

## VI. COMMENTS FROM THE PUBLIC

Terry Miller, 14 Johns Street, Thanked Dr. Gorman and the Board members who supported the Infant Toddler Development center at the last meeting of the Infant Toddler Development Center. Shared that in one month, enrollment is up to 77 students which is an 18% increase from two months ago and 54% increase from September 2020. ITDC will be a financial success and its losses were due to the pandemic.

Laurie Weber, 327 South Irving Street, Discussed the board vote about the ITDC from the last meeting and it seems that the entire conversation was completed at an executive session. Questioned where is the transparency of this? Her OPRA request was not responded to within the deadline. Seems that the board is crusading to cut corners on state mandated health and safety requirements, in spite of Mr. Kaufman's statement, RPS does not meet the health and safety requirements for children aged 6 weeks to pre-K. Needs for younger children are different. She asked the Board to look at the court ruling that she provided to them. Can you confirm if the new plan includes budgeting for a nurse? Thanked Mr. Dani and Ms. Kwak for taking the unpopular information that was provided to the board and reviewing it.

The following callers addressed the board:

Jeni Amorosa, 71 Glenwood Rd., Supporting students going back to school full time as soon as possible.

## VII. PRESENTATIONS

**A. Mental Health Month**

Mr. Pizzuto and Ms. DePinto presented an update on School-Based Mental Health (SBMH) and Wellbeing during Phase II and beyond. The SBMH team continues to focus on school culture and climate, provide Social-Emotional Learning and counseling via a tiered continuum of support, and further develop a virtual platform to expand outreach. At all tiers, COVID-19 specific supportive practices have been implemented including student wellness check-ins, K-5 SEL program, small group teacher meetings focused on a trauma-sensitive classroom framework, and monitoring and screening of students.

At the elementary and middle school levels, students are participating in community assemblies, morning announcements, and a mental health month self-care challenge. At the high school, morning announcements include a daily self-care tip. The High Times is featuring student articles on mental health in the new wellbeing section. The RHS Mental Health Awareness Club is engaging students in a roundtable discussion. At the district level, the SBMH Monthly Newsletter will focus on a mental health awareness message. CarePlus will also be providing parent presentations.

**VI. SUPERINTENDENT REPORT**

The District has had several successful weeks of Phase II with students attending in-person instruction every day.

Last week, a survey was sent to parents, 6-12 students, and staff to gather feedback on the current school experience and the remainder of the school year.

The search for the next high principal has concluded, and the search for the principal of Ridge Elementary School is underway.

Governor Murphy has announced new guidance on proms, graduation, and other events. Once those details become available, further determinations can be made about how the District will proceed with these events.

The Ridgewood Alumni Association has been extremely successful with all of its recent initiatives, particularly the Duffield STEAM Initiative and the senior banners. The outpouring of support from the RPS community is tremendous, and we continue to see this through the hard work of the Ridgewood Education Foundation, the Home and School Associations, and individual donors.

Thursday is a professional development day for teachers.

In recognition of Eid al-Fitr, students do not have school on Thursday, May 13.

## **XI. BOARD MEMBER ANNOUNCEMENTS**

The senior banners that were a gift to the Class of 2021 from the Ridgewood High School Alumni Association were hung around town.

Ms. Brogan provided the Board with an article from the Start School Later website. There are currently 5 New Jersey school districts who have joined the group.

Mr. Kaufman brought up an incident regarding a Swastika painted outside of the Somerville School. Discussed the importance of educating young kids on implicit bias.

Mr. Lembo discussed the new safety measures taken to project the Ridgewood School Fields during the evening hours.

Board members toured the Ridgewood Water treatment plant with Congressman Josh Gottheimer, as this is one of the top infrastructure projects that he supports.

Last week was Teacher Appreciation Week, and the HSA's planned many things in recognition of the hard work of our teachers.

## **XII. BOARD COMMITTEE REPORTS**

The Alternative Schedules Committee is planning for the next meeting. The Alternative Schedules Task Force Parent Application that was emailed to parents must be completed by midnight on Wednesday, May 12. A small number of parents will be able to participate on the task force, but there will be other opportunities for parents to provide input throughout the process. The entire scope of planning for later start time will be analyzed during the process.

The Joint Review Committee brought up the possibility of adding the Zabriskie Schedler House to the tour of Ridgewood that is part of the third-grade curriculum.

**XIII. DISCUSSION ITEMS**

The Board discussed the Committee of a Whole for Finance and Facilities. The Facilities and Finance Committee of the Whole were created during a board meeting to allow for transparency of discussion items. Since the committees were formed, discussions have been minimal on facilities and finance.

Mr. Dani asked how can we make the facility project process more transparent and how do we select the projects?

Mr. Lembo confirmed that the district will go back to a two Board member committee for both Facilities and Finance. The committees will meet and then a discussion will take place during the board meetings.

Mr. Bisig and Dr. Gorman will create a list of facility needs and provide them to the Board.

The Board discussed exploring other options for the professional services contract for the auditing firm.

Mr. Dani proposed to contact other districts for recommendations on the firms that they use, not to do an RFP for a new firm due to time constraints.

Mr. Bisig and Dr. Gorman reviewed the procedure for financial review.

Ms. Kwak asked: If we switch to a different firm as of July 1, will the new firm be responsible for the current year, or will the new firm?

Mr. Bisig will research the answer.

Mr. Dani made a motion that before the Board finalizes an auditor for the 2021-2022 year the Board should research new firms.

Mr. Lembo questioned if the Board needs to have a vote to call other districts for opinions on Auditing Firms.

Ms. Brogan does not believe that it is professional to call other districts to ask about their opinions on the auditing form they are using.

Mr. Dani confirmed his motion to explore other auditing firms and discuss before the May meeting in which the Auditor will be approved.

Ms. Kwak seconded the motion, the following roll-call vote followed:

AYES: Mr. Dani, Ms. Kwak

NAYES: Ms. Brogan, Mr. Kaufman, Mr. Lembo

To view this portion of the meeting scroll to 2:31.

Ms. Kwak congratulated and thanked Dr. Gorman for his involvement in the Ridgewood

Alumni Association. The Alumni are the ambassadors in the real world.

Ms. Kwak applauded that enrollment went up in the ITDC. She asked: How will the district recapture profits from the ITDC if it is not part of the pilot program?

Mr. Bisig explained that profits from Enterprise funds come into the general budget and any extra funds can be taken to support or improve the building or can be pulled out at the Board’s discretion. The district is not in the business of making profit. He will find out additional details from the Auditor.

Conversation regarding the pilot program ensued.

This portion of the meeting can be viewed at 2:55.

**XV. OTHER BUSINESS**

None at this time.

**XVI. COMMENTS FROM THE PUBLIC**

Laurie Weber, 235 South Irving Street, Reminded Mr. Lembo that the reason those committees became a committee of the whole was because there was a transparency issue. The dates of the meetings, people who attended and the subject matter and minutes were not kept. In reference to ITDC, Dr. Fishbein filed an injunction to stop a 2019 trustee election because he did it for clarification. Mr. Kaufman had made a comment that he agreed with that. The documentation that she has provided is direct evidence regarding the legality of the program. Believes that we should defer to the courts, which is to file a complaint and the proper authorities can weigh in. She is happy to do it, if it will bring the final clarity. There is no excuse for avoiding state compliance for children 6 weeks to pre-K.

Kerry Miller, as parents of ITDC they are respectfully asking BOE members to focus their attention outside of matters about the ITDC. There are more urgent district matters. There is additional time tonight spent on ITDC questioning the auditors and business office which is a waste of taxpayer dollars. The BOE is confused about what tonight's motion is or was.

They are elated about ITDC and They are saddened about the divisive debates that have occurred tonight and the past three months. It is obvious to the community that the discourse is not about what is best for the education of our children. Would like on public record: “the BOE never asked questions about a pilot program until the ITDC delivered a viable plan for this coming year and subsequently two BOE members are moving the goal posts with comments about the program’s efficiency and inclusion in a pilot program that

is already well under way. The ITDC program has been politicized and the comments are divisive and that is disheartening to the community.”

Boyd Loving, 342 South Irving Street, called regarding the incident that happened at the High School on May 1, Thanked Mr. Dani for bringing up the incident. This was a serious incident and I'm thankful to the police department. The press release shows there were 8 local police departments that provided assistance to Ridgewood. There were 200 individuals in the area, in 2017 there was an extremely serious incident with a serious assault and hospitalization. The press release does not mention where the people came from. He read an excerpt from the letter from Dr. Gorman that identified they were teenagers from surrounding towns. He will get the OPRA request results to gather additional information regarding the source of where the individuals came from.

**XVII. ADJOURNMENT**

At 10:13 p.m., on a motion made by Mr. Lembo, seconded by Ms. Kwak and unanimously approved, the meeting adjourned.

Respectfully submitted,

*Scott T. Bisig, M.Ed.*

1643 FAMILY LEAVE

The Board of Education will provide family leave to staff members in accordance with the New Jersey Family Leave Act (NJFLA) and the Federal Family and Medical Leave Act (FMLA). These laws have similar and different provisions that provide different rights and obligations for a staff member and the Board.

If a staff member is eligible for leave for reasons recognized under both the FMLA and NJFLA, then the time taken shall run concurrently and be applied to both laws. The NJFLA provides twelve weeks leave in a twenty-four month period and the FMLA provides twelve weeks leave in a twelve month period

A. New Jersey Family Leave Act

1. Definitions Relative to New Jersey Family Leave Act

“Base Hours” means the hours of work for which a staff member receives compensation. Base hours shall include overtime hours for which a staff member is paid additional or overtime compensation, and hours for which a staff member receives workers’ compensation benefits. Base hours shall also include hours a staff member would have worked except for having been in military service. Base hours do not include hours for when a staff member receives other types of compensation, such as administrative, personal leave, vacation, or sick leave.

“Child” means a biological, adopted, foster child, or resource family child, stepchild, legal ward, or child of a parent, including a child who becomes the child of a parent pursuant to a valid written agreement between the parent and a gestational carrier.

“Eligible employee” means any individual employed by the same employer for twelve months or more, who has worked 1,000 or more base hours during the preceding twelve month period.

“Employer” includes the State, any political subdivision thereof, and all public offices, agencies, boards, or bodies.

“Family member” means a child, parent, parent-in-law, sibling, grandparent, grandchild, spouse, domestic partner, or one partner in a civil union couple, or any other individual related by blood to a staff member, and any other individual that a staff member shows to have a close association with a staff member which is the equivalent of a family relationship.

“Health care provider” means a duly licensed health care provider or other health care provider deemed appropriate by the Director of the Division on Civil Rights in the New Jersey Department of Law and Public Safety.

“Parent” means a person who is the biological parent, adoptive parent, foster parent, resource family parent, step-parent, parent-in-law, or legal guardian, having a “parent-child relationship” with a child as defined by law, or having sole or joint legal or physical custody, care, guardianship, or visitation with a child, or who became the parent of the child pursuant to a valid written agreement between the parent and a gestational carrier.

“Serious health condition” means an illness, injury, impairment, or physical or mental condition which requires:

- a. Inpatient care in a hospital, hospice, or residential medical care facility; or
- b. Continuing medical treatment or continuing supervision by a health care provider.

As used in the definition of a serious health condition, “continuing medical treatment or continuing supervision by a health care provider” means:

- a. A period of incapacity (that is, inability to work, attend school, or perform regular daily activities due to a serious health condition, treatment therefore, and recovery therefrom) of more than three consecutive days, and any subsequent treatment or period of incapacity relating to the same condition, that also involves:
  - (1) Treatment two or more times by a health care provider; or
  - (2) Treatment by a health care provider on one occasion which results in a regimen of continuing treatment under the supervision of a health care provider;
- b. Any period of incapacity due to pregnancy, or for prenatal care;
- c. Any period of incapacity or treatment for such incapacity due to a chronic serious health condition;
- d. A period of incapacity, which is permanent or long-term, due to a condition for which treatment may not be effective (such as Alzheimer's disease, a severe stroke, or the terminal stages of a disease) where the individual is under continuing supervision of, but need not be receiving active treatment by, a health care provider; or
- e. Any period of absence to receive multiple treatments (including any period of recovery therefrom) by a health care provider or by a provider of health care services under orders of, or on referral by a health care provider, either for restorative surgery after an accident or other injury, or for a condition that would likely result in a period of incapacity of more than three consecutive calendar days

in the absence of medical intervention or treatment, such as cancer (chemotherapy, radiation, etc.), severe arthritis (physical therapy), or kidney disease (dialysis).

“Spouse” means a person to whom a staff member is lawfully married as defined by New Jersey law.

“State of emergency” means a natural or man-made disaster or emergency for which a state of emergency has been declared by the President of the United States or the Governor, or for which a state of emergency has been declared by a municipal emergency management coordinator.

## 2. Reasons for NJFLA Leave

- a. A staff member may take NJFLA leave to provide care made necessary by reason of:
  - (1) The birth of a child of the staff member, including a child born pursuant to a valid written agreement between the staff member and the gestational carrier;
  - (2) The placement of a child into foster care with the staff member or in connection with adoption of such child by a staff member;
  - (3) The serious health condition of a family member of the staff member; or
  - (4) A state of emergency declared by the Governor of New Jersey, or when indicated to be needed by the Commissioner of Health – New Jersey Department of Health or other public health authority, an epidemic or communicable disease, a known or suspected exposure to the communicable disease, or efforts to prevent spread of a communicable disease which:
    - (a) Requires in-home care or treatment of a child due to the closure of the school or place of care of the child of a staff member, by order of a public official due to the epidemic or other public health emergency;
    - (b) Prompts the issuance by a public health authority of a determination, including by mandatory quarantine, requiring or imposing responsive or prophylactic measures as a result of illness caused by an epidemic of a communicable disease or known or suspected exposure to the communicable disease because the presence in the

community of a family member in need of care by a staff member would jeopardize the health of others; or

- (c) Results in the recommendation of a health care provider or public health authority, that a family member in need of care by a staff member voluntarily undergo self-quarantine as a result of suspected exposure to a communicable disease because the presence in the community of that family member in need of care by a staff member, would jeopardize the health of others.

### 3. Staff Member Eligibility

- a. NJFLA leave may be taken for up to twelve weeks within any twenty-four month period. The NJFLA leave shall be unpaid with benefits subject to contributions required to be made by the staff member.
- b. A staff member is eligible for NJFLA leave if a staff member is employed by the same Board for twelve months or more, and has worked 1,000 or more base hours during the preceding twelve month period.
- c. The method to determine the twenty-four month period in which the twelve weeks of NJFLA leave entitlement occurs shall be a “rolling” twenty-four month period measured backward from the date a staff member uses any leave under NJFLA.
- d. This Policy shall serve as notice to all staff members of the method chosen in A.3.c. above. This method shall be applied consistently and uniformly to all staff members.
  - (1) If the Board transitions to another method, the Board is required to give at least sixty days’ notice to all staff members and the transition must take place in such a way that staff members retain their full benefit of twelve weeks of NJFLA leave under whichever method affords the greatest benefit to a staff member.

- e. The Board shall grant NJFLA leave to more than one staff member from the same family (for example, a husband and a wife, or a brother and a sister) at the same time, provided such staff members are otherwise eligible for NJFLA leave.
  - f. The fact that a holiday may occur within the week taken by a staff member as NJFLA leave has no effect and the week is counted as a week of NJFLA leave.
    - (1) However, if a staff member is out on NJFLA leave and the staff member is not regularly scheduled to work for one or more weeks, the weeks the staff member is not regularly scheduled to work do not count against their NJFLA leave entitlement.
4. Types of NJFLA Leave
- a. Staff members are required to provide notice in writing for any NJFLA leave requested. In emergent circumstances, a staff member may provide the Board with oral notice when written notice is impracticable.
    - (1) Staff members must provide the Board written notice after submitting oral notice in emergent circumstances.
  - b. Consecutive NJFLA leave is NJFLA leave that is taken without interruption based upon a staff member's regular work schedule and does not include breaks in employment in which a staff member is not regularly scheduled to work.
    - (1) A staff member must provide the Board with notice of consecutive NJFLA leave no later than thirty days prior to the commencement of consecutive NJFLA leave, except where emergent circumstances warrant shorter notice.
    - (2) A staff member shall provide the Board with certification pursuant to A.5. below.
  - c. Intermittent NJFLA leave is NJFLA leave due to a single qualifying reason, taken in separate periods of time, broken up by periods in which the staff member returns to work.

- (1) A staff member is entitled to take NJFLA leave intermittently for the birth of a child of the staff member, including a child born pursuant to a valid written agreement between the staff member and a gestational carrier or the placement of a child into foster care with the staff member or in connection with adoption of such child by the staff member.
  - (a) The staff member shall provide the Board with prior notice of not less than fifteen calendar days before the first day on which NJFLI benefits are paid for the intermittent NJFLA leave, unless an emergency or other unforeseen circumstance precludes prior notice.
  - (b) The staff member shall make a reasonable effort to schedule the intermittent NJFLA leave so as not to unduly disrupt the operations of the Board and, if possible, provide the Board, prior to the commencement of intermittent NJFLA leave, with a regular schedule of the days or days of the week on which the intermittent NJFLA leave will be taken.
  - (c) A staff member shall provide the Board with certification for intermittent NJFLA leave pursuant to A.5.b. below.
- (2) The staff member is entitled to take intermittent NJFLA leave for the serious health condition of a family member of the staff member when medically necessary if:
  - (a) The total time which the intermittent NJFLA leave is taken does not exceed twelve months if taken in connection with a single serious health condition. If the intermittent NJFLA leave is taken in connection with more than one serious health condition, the intermittent NJFLA leave must be taken within a consecutive twenty-four month period or until such time the twelve week NJFLA leave is exhausted, whichever is shorter;
  - (b) The staff member provides the Board with prior notice of not less than fifteen calendar days before the first day on which benefits are paid for the intermittent NJFLA leave.
    - (i) The staff member may provide notice less than fifteen days prior to the intermittent NJFLA leave if an emergency or other unforeseen circumstance precludes prior notice;
  - (c) The staff member makes a reasonable effort to schedule the intermittent NJFLA leave so as not to unduly disrupt the operations

of the school district and, if possible, provide the school district, prior to the commencement of intermittent NJFLA leave, with a regular schedule of the days or days of the week on which the intermittent NJFLA leave will be taken; and

- (d) The staff member provides the Board with a copy of the certification outlined in A.5.c. below.
- (3) In the case of NJFLA leave taken due to an epidemic of a communicable disease, a known or suspected exposure to the communicable disease, or efforts to prevent spread of the communicable disease, the NJFLA leave may only be taken intermittently if:
- (a) The staff member provides the Board with prior notice of the intermittent NJFLA leave as soon as practicable;
  - (b) The staff member makes a reasonable effort to schedule the NJFLA leave so as not to unduly disrupt the operations of the school district and, if possible, provide the school district prior to the commencement of the intermittent NJFLA leave, with a regular schedule of the day or days of the week on which the intermittent NJFLA leave will be taken; and
  - (c) A staff member provides the Board with a copy of the certification outlined in A.5.d. below.
- (4) Intermittent leave taken on a reduced leave schedule is NJFLA leave due to a single qualifying reason, that is scheduled for fewer than a staff member's usual number of hours worked per workweek, but not for fewer than a staff member's usual number of hours worked per workday and may only be taken to care for the serious health condition of a family member of a staff member when medically necessary, except that:
- (a) A staff member shall not be entitled to intermittent NJFLA leave on a reduced leave schedule for a period exceeding twelve consecutive months for any one period of NJFLA leave;
  - (b) The staff member must provide the Board with prior notice of the intermittent NJFLA leave on a reduced leave schedule as soon as practicable;

- (c) A staff member shall make a reasonable effort to schedule intermittent NJFLA leave on a reduced leave schedule so as not to disrupt unduly the operations of the school district. A staff member shall provide the school district with prior notice of the care, medical treatment, or continuing supervision by a health care provider necessary due to a serious health condition of a family member, in a manner which is reasonable and practicable; and
    - (d) A staff member must provide the Board with a copy of the certification outlined in A.5.c. below.
  - d. NJFLA leave taken because of the birth or placement for adoption of a child of the staff member may commence at any time within a year after the date of the foster care placement, birth, or placement for adoption.
  - e. A staff member shall not, during any period of NJFLA leave, perform services on a full-time basis for any person for whom a staff member did not provide those services immediately prior to commencement of the NJFLA leave.
    - (1) A staff member on NJFLA leave may not engage in other full-time employment during the term of the NJFLA leave, unless such employment commenced prior to the NJFLA leave and is not otherwise prohibited by law.
    - (2) During the term of NJFLA leave a staff member may commence part-time employment which shall not exceed half the regularly scheduled hours worked for the Board from whom a staff member requested NJFLA leave. A staff member may continue part-time employment which commenced prior to a staff member's NJFLA leave, at the same number of hours that a staff member was regularly scheduled prior to such NJFLA leave.
    - (3) The Board may not maintain a policy or practice which prohibits part-time employment during the course of a NJFLA leave.
- 5. Certification
  - a. The Board shall require a staff member who requests NJFLA leave to sign a form of certification established by the Board attesting that such staff member is taking NJFLA leave in accordance with the law.
    - (1) The Board may not require a staff member to sign or otherwise submit a form of certification attesting to additional facts, including a staff member's eligibility for NJFLA leave.

- (2) The Board may subject a staff member to reasonable disciplinary measures, depending on the circumstances, when a staff member intentionally misrepresents the reason that such staff member is taking NJFLA leave.
  - (3) The form of certification established by the Board shall contain a statement warning a staff member of the consequences of refusing to sign the certification or falsely certifying. Any staff member who refuses to sign the certification established by the Board may be denied the requested NJFLA leave.
  - (4) The Board requires that any period of NJFLA leave be supported by certification issued by a health care provider.
- b. Where the certification, issued by the health care provider, is for the birth of a child of a staff member, including a child born pursuant to a valid written agreement between the staff member and a gestational carrier or the placement of a child into foster care with the staff member or in connection with adoption of such child by the staff member, the certification need only state the date of birth or date of placement, whichever is appropriate.
- c. Any period of NJFLA leave for the serious health condition of a family member of a staff member shall be supported by certification provided by a health care provider. The certification shall be sufficient if it states:
- (1) The date, if known, on which the serious health condition commenced;
  - (2) The probable duration of the condition;
  - (3) The medical facts within the knowledge of the provider of the certification regarding the condition;
  - (4) The serious health condition warrants the participation of the staff member in providing health care to the family member, as provided in the "Family Leave Act," P.L. 1989, c.261 (C.34:11B-1 et seq.) and regulations adopted pursuant to the NJFLA;
  - (5) An estimate of the amount of time the staff member is needed for participation in the care of the family member;
  - (6) If the NJFLA leave is intermittent, a statement of the medical necessity for the intermittent NJFLA leave and the expected duration of the intermittent NJFLA leave; and

- (7) If NJFLA leave is intermittent and for planned medical treatment, the dates of the treatment.
- d. In any case in which the Board has reason to doubt the validity of the certification provided pursuant to A.5.c. above, the Board may require, at its own expense, that a staff member obtain an opinion regarding the serious health condition from a second health care provider designated or approved, but not employed on a regular basis, by the Board. If the second opinion differs from the certification provided pursuant to A.5.c. above, the Board may require, at its own expense, that a staff member obtain the opinion of a third health care provider designated or approved jointly by the Board and a staff member concerning the serious health condition. The opinion of the third health care provider shall be considered to be final and shall be binding on the Board and a staff member.
- e. Where the certification is for an epidemic of a communicable disease, a known or suspected exposure to the communicable disease, or efforts to prevent the spread of the communicable disease, the certification shall be sufficient if it includes:
- (1) For NJFLA leave taken to provide in-home care or treatment of a child due to the closure of the school or place of care of the child of a staff member, by order of a public official due to the epidemic or other public health emergency, the date on which the closure of the school or place of care of the child of a staff member commenced and the reason for such closure.
  - (2) For NJFLA leave taken due to a public health authority's issuance of a determination requiring or imposing responsive or prophylactic measures as a result of illness caused by an epidemic of a communicable disease or known or suspected exposure to the communicable disease because the presence in the community of a family member in need of care by a staff member would jeopardize the health of others, the date of issuance of the determination, and the probable duration of the determination; or
  - (3) For NJFLA leave taken because a health care provider or public health authority recommends that a family member in need of care by a staff member voluntarily undergo self-quarantine as a result of suspected exposure to a communicable disease because the presence in the community of that family member in need of care by a staff member would jeopardize the health of others, the date of the recommendation, the probable duration of the condition, and the medical or other facts within the health care provider or public health authority's knowledge regarding the condition.
- f. The Board shall not use the certification requirements as outlined in A.5. to intimidate, harass, or otherwise discourage a staff member from requesting or taking NJFLA leave or asserting any of a staff member's rights to NJFLA leave.

6. Denial or Exemption of NJFLA Leave
  - a. Denial of NJFLA Leave
    - (1) The Board may deny NJFLA leave to a staff member if:
      - (a) A staff member is a salaried staff member who is among the highest paid 5% of the Board's staff members or the seven highest paid staff members of the Board, whichever is greater;
      - (b) The denial is necessary to prevent substantial and grievous economic injury to the Board's operations; and
      - (c) The Board notifies a staff member of its intent to deny the NJFLA leave at the time the Board determines that the denial is necessary.
    - (2) The provisions of A.6.a.(1) above shall not apply when, in the event of a state of emergency declared by the Governor of New Jersey or when indicated to be needed by the Commissioner of Health – New Jersey Department of Health or other public health authority, the NJFLA leave is for an epidemic of a communicable disease, a known or suspected exposure to a communicable disease, or efforts to prevent spread of a communicable disease.
    - (3) In any case in which NJFLA leave has already commenced at the time of the notification pursuant to A.6.a.(1)(c) above, a staff member shall return to work within ten working days of the date of notification.
7. Reinstatement from NJFLA Leave
  - a. Upon the expiration of a NJFLA leave, a staff member shall be restored to the position such staff member held immediately prior to the commencement of the NJFLA leave. If such position has been filled, the Board shall reinstate such staff member to an equivalent position of like seniority, status, employment benefits, pay, and other terms and conditions of employment.
  - b. If, during NJFLA leave, the Board experiences a reduction in force or layoff and a staff member would have lost their position had a staff member not been on NJFLA leave, as a result of the reduction in force or pursuant to the good faith operation of a bona fide layoff and recall system including a system under a collective bargaining agreement where applicable, a staff member shall not be entitled to reinstatement to the former or an equivalent position. A staff member shall retain all rights under any applicable layoff and recall system, including a system under a

collective bargaining agreement, as if a staff member had not taken the NJFLA leave.

8. Notice to Staff Members
  - a. The Board shall display the official Family Leave Act poster of the Division on Civil Rights in the New Jersey Department of Law and Public Safety (Division) in accordance with **N.J.A.C. 13:8-2.2**. The poster is available for printing from the Division's website.
  - b. Access to and/or distribution of this Policy shall serve as school district notice to staff members of their rights pursuant to N.J.A.C. 13:14-1.14.
9. Local Board of Education Practices
  - a. Accrued Paid NJFLA Leave
    - (1) Whether a staff member is required to use any other accrued leave time concurrent with NJFLA leave time will depend upon either the school district's practice or a provision in a collective bargaining agreement, if applicable.
      - (a) Sick leave may only be used concurrently with the NJFLA leave in accordance with the provisions of N.J.S.A. 18A:30-1 and N.J.S.A. 34:11B-3.
  - b. Multiple Leaves of Absence
    - (1) Where a Board maintains leaves of absence which provide benefits, other than health benefits, that differ depending upon the type of leave taken, the Board shall provide those benefits to a staff member on NJFLA leave in the same manner as it provides benefits to staff members who are granted other leaves of absence which most closely resemble NJFLA leave.
10. New Jersey Family Leave Insurance Program (NJFLI)
  - a. Board of Education staff members are eligible to apply for benefits under the NJFLI Program administered by the State of New Jersey Department of Labor and Workforce Development.
  - b. All applications for benefits under the NJFLI Program must be filed directly with the State of New Jersey Department of Labor and Workforce Development. The eligibility requirements, wage requirements, benefit duration and amounts, and benefit limitations shall be in accordance with the provisions of the NJFLI Program

as administered by the State of New Jersey Department of Labor and Workforce Development. A formal appeal may be submitted to the State of New Jersey Department of Labor and Workforce Development if an employee or the Board disagrees with a determination on a claim.

- c. The NJFLI Program provides eligible individuals a monetary benefit and not a leave benefit. The school district administrative and related staff will comply with the State of New Jersey Department of Labor and Workforce Development requests for information in accordance with the provisions of N.J.A.C. 12:21-3.9.
- d. A printed notification of staff members' rights relative to the receipt of benefits under the NJFLI Program will be posted in each of the school district worksites and in a place or places accessible to all employees at the worksite.
- e. Each staff member shall receive a copy of this notification in writing at the time of the staff member's hiring, whenever the staff member provides written notice to the Superintendent of their intention to apply for benefits under the NJFLI Program, or at any time upon the first request of the staff member.
  - (1) The written notification may be transmitted to the staff member in electronic form.
  - (2) Access to and/or distribution of this Policy shall serve as school district notice to staff members of their rights under the NJFLI Program.

## B. Federal Family and Medical Leave Act

### 1. Definitions Relative to Federal Family and Medical Leave Act

“Covered Employer” means any public or private elementary or secondary school(s) regardless of the number of employees employed.

“Employee” means a staff member eligible for family and medical leave in accordance with the Federal Family and Medical Leave Act (FMLA).

“Hours of Service” means hours actually worked by the employee. It does not mean hours paid. Thus, non-working time – such as vacations, holidays, furloughs, sick leave, or other time-off (paid or otherwise) – does not count for purposes of calculating FMLA eligibility for the employee.

“Parent” means a biological, adoptive, step, or foster father or mother, or any other individual who stood in loco parentis to a staff member when a staff member has a son or daughter as defined below. This term does not include parents “in law.”

“Serious health condition” means an illness, injury, impairment, or physical or mental condition that involves inpatient care in a hospital, hospice, or residential medical facility or continuing treatment by a health care provider. “Serious health condition” may include treatment of substance abuse pursuant to 29 CFR §825.119.

“Son” or “daughter” means a biological, adopted, or foster child, stepchild, a legal ward, or a child of a person standing in loco parentis, who is either under age eighteen or age eighteen or older and incapable of self-care because of a mental or physical disability at the time that FMLA leave is to commence.

“Spouse” means a husband or wife. For purposes of this definition, husband or wife refers to the other person with whom an individual entered into marriage as defined or recognized under State law in the State in which the marriage was entered into or, in the case of a marriage entered into outside of any State, if the marriage is valid in the place where entered into and could have been entered into in at least one State. This definition includes an individual in a same-sex marriage or common law marriage.

“Week” or “Workweek” means the number of days a staff member normally works each calendar week.

## 2. Qualifying Reasons for FMLA Leave

- a. A staff member may take FMLA leave to provide care made necessary:
  - (1) For the birth of a son or daughter of a staff member and in order to care for such son or daughter;
  - (2) For the placement of a son or daughter with a staff member for adoption or foster care;
  - (3) In order to care for the spouse, son, daughter, or parent of a staff member if such spouse, son, daughter, or parent has a serious health condition;
  - (4) For a serious health condition that makes a staff member unable to perform the functions of the position of such staff member.
- b. FMLA leave taken in relation to military service shall be in accordance with 29 CFR §825.112.
- c. Entitlement to FMLA leave taken for the birth of a son or daughter or placement of a son or daughter with a staff member for adoption or foster care shall expire at the end of the twelve month period beginning on the date of such birth or placement.

3. Staff Member Eligibility
  - a. A staff member is eligible for up to twelve weeks of FMLA leave in a twelve month period.
  - b. A staff member shall become eligible for FMLA leave after the staff member has been employed at least twelve months by the Board and employed for at least 1,250 hours of service during the twelve month period immediately preceding the commencement of the FMLA leave.
    - (1) The twelve months a staff member must have been employed need not be consecutive months pursuant to 29 CFR §825.110(b).
    - (2) The minimum 1,250 hours of service shall be determined according to the principles established under the Fair Labor Standards Act (FLSA) for determining compensable hours of work pursuant to 29 CFR §785.
    - (3) The Board shall not provide pay for FMLA leave.
  - c. The method to determine the twelve month period in which the twelve weeks of FMLA leave entitlement occurs will be a “rolling” twelve month period measured backward from the date a staff member uses any FMLA leave.
  - d. Pursuant to 29 CFR §825.201, a husband and wife both employed by the Board are limited to a combined total of twelve weeks of FMLA leave during the twelve month period if the FMLA leave is taken for the birth of a son or daughter of a staff member or to care for such son or daughter after birth; for placement of a son or daughter with a staff member for adoption or foster care or in order to care for the son or daughter after placement; or to care for a staff member’s parent with a serious health condition.
4. Types of FMLA leave
  - a. Continuous FMLA leave is taken by staff members for a continuous period of time. Such FMLA leave is not broken up by a period of work and is continuous when a staff member is absent for three consecutive working days or more. Continuous FMLA leave may be taken for any qualifying reason.
  - b. Intermittent FMLA leave is FMLA leave taken in separate blocks of time due to a single qualifying reason. A reduced FMLA leave schedule is a FMLA leave schedule that reduces a staff member’s usual number of working hours per workweek, or hours per workday. A reduced FMLA leave schedule is a change in

a staff member's schedule for a period of time, normally from full-time to part-time.

- (1) Intermittent or reduced FMLA leave may be taken for the following qualifying reasons:
  - (a) For the serious health condition of the staff member or to care for a parent, son, or daughter with a serious health condition.
    - (i) For intermittent FMLA leave or FMLA leave on a reduced FMLA leave schedule taken for the reason outlined in B.4.b.(1)(a) above there must be a medical need for FMLA leave and it must be that such medical need can be best accommodated through an intermittent or reduced FMLA leave schedule.
    - (ii) The treatment regimen and other information described in the certification of a serious health condition and in the certification of a serious injury or illness, shall address the medical necessity of intermittent FMLA leave or FMLA leave on a reduced FMLA leave schedule.
    - (iii) Intermittent FMLA leave may be taken for a serious health condition of a parent, son, or daughter, for a staff member's own serious health condition, which requires treatment by a health care provider periodically, rather than for one continuous period of time, and may include FMLA leave of periods from an hour or more to several weeks.
  - (b) For planned and/or unanticipated medical treatment of a serious health condition when medically necessary.
  - (c) To provide care or psychological comfort to a covered family member with a serious health condition when medically necessary.
  - (d) For absences where a staff member or family member is incapacitated or unable to perform the essential functions of the position because of a chronic serious health condition even if he or she does not receive treatment by a health care provider.
  - (e) For FMLA leave taken after the birth of a healthy child or placement of a healthy child for adoption or foster care, only if the Board agrees.

- (i) The Board's agreement is not required; however, for FMLA leave during which the mother has a serious health condition in connection with the birth of her child or if the newborn child has a serious health condition.
    - (2) If a staff member needs FMLA leave intermittently or on a reduced FMLA leave schedule for planned medical treatment, then a staff member must make a reasonable effort to schedule the treatment so as not to disrupt unduly the Board's operations.
    - (3) When a staff member takes FMLA leave on an intermittent or reduced FMLA leave schedule basis, the Board must account for the FMLA leave using an increment no greater than the shortest period of time that the Board uses to account for use of other forms of leave provided that it is not greater than one hour and provided further that a staff member's FMLA leave entitlement may not be reduced by more than the amount of FMLA leave actually taken.
      - (a) If the Board accounts for use of leave in varying increments at different times of the day or shift, the Board may not account for FMLA leave in a larger increment than the shortest period used to account for other leave during the period in which the FMLA leave is taken.
      - (b) If the Board accounts for other forms of leave use in increments greater than one hour, the Board must account for FMLA leave use in increments no greater than one hour.
5. Staff Member Notice Requirements
- a. A staff member eligible for FMLA leave must give at least a thirty day written advance notice to the Superintendent or designee if the need for the FMLA leave is foreseeable based on an expected birth, placement for adoption or foster care, or planned medical treatment for a serious health condition of a staff member or a family member.
    - (1) If thirty days is not practical, a staff member must provide notice "as soon as practicable" which means as soon as both possible and practical, taking into account all the facts and circumstances in the individual case.
    - (2) Where it is not possible to give as much as thirty days' notice, "as soon as practical" ordinarily would mean at least verbal notification to the Superintendent or designee within one or two business days or when the need for FMLA leave becomes known to a staff member.

- (3) The written notice shall include the reasons for the FMLA leave, the anticipated duration of the FMLA leave, and the anticipated start of the FMLA leave.
  - (4) When planning medical treatment, a staff member must consult with the Superintendent or designee and make a reasonable effort to schedule the FMLA leave so as not to unduly disrupt the educational program, subject to the approval of the health care provider.
    - (a) Staff members are ordinarily expected to consult with the Superintendent or designee prior to scheduling of treatment that would require FMLA leave for a schedule that best suits the needs of the Board and a staff member.
  - (5) Intermittent FMLA leave or FMLA leave on a reduced FMLA leave schedule must be medically necessary due to a serious health condition or a serious injury or illness. A staff member shall advise the Board of the reasons why the intermittent/reduced FMLA leave schedule is necessary and of the schedule for treatment, if applicable.
    - (a) A staff member and the Board shall attempt to work out a schedule for such FMLA leave that meets a staff member's needs without unduly disrupting the Board's operations, subject to the approval of the health care provider.
  - (6) Where a staff member does not comply with the Board's usual notice and procedural requirements, and no unusual circumstances justify the failure to comply, FMLA-protected leave may be delayed or denied.
- b. When the approximate timing of the need for FMLA leave is not foreseeable, a staff member should give notice to the Superintendent or designee for FMLA leave as soon as practicable under the facts and circumstances of the particular case.
- (1) It is expected a staff member will give notice to the Superintendent or designee within no more than one or two business days of learning of the need for FMLA leave, except in extraordinary circumstances where such notice is not foreseeable.
  - (2) A staff member should provide notice to the Board either in person, by telephone, telegraph, fax machine, email, or other electronic means.

6. Outside Employment During FMLA Leave
  - a. A staff member during any period of FMLA leave is prohibited from performing any services on a full-time basis for any person for whom a staff member did not provide services immediately prior to commencement of the FMLA leave.
    - (1) A staff member using FMLA leave may commence part-time employment that shall not exceed half the regularly scheduled hours worked for the Board.
    - (2) A staff member may continue the part-time employment that commenced prior to the FMLA leave at the same number of hours that a staff member was regularly scheduled prior to such FMLA leave.
7. “Instructional Employees” Exceptions for FMLA Leave
  - a. “Instructional Employees” are those staff members whose principal function is to teach and instruct students in class, a small group, or in an individual setting. This term includes teachers, athletic coaches, driving instructors, and special education assistants, such as signers for the hearing impaired.
    - (1) Teacher assistants or aides who do not have as their principal job actual teaching or instructing, guidance counselors, child study team members, curriculum specialists, cafeteria workers, maintenance workers, and/or bus drivers are not considered instructional staff members for the purposes of this Policy.
    - (2) For purposes of this Policy “Instructional Employees” shall be referred to as “Instructional Staff Members”.
  - b. “Semester” means the school semester that typically ends near the end of the calendar year and the end of the spring each school year. The Board can have no more than two semesters in a school year.
  - c. FMLA leave taken at the end of the school year and continues into the beginning of the next school year is considered consecutive FMLA leave.
  - d. Eligible instructional staff members that need intermittent or reduced FMLA leave to care for a family member or for a staff member’s own serious health condition which is foreseeable based on planned medical treatment and would be on FMLA leave more than twenty percent of the total number of working days over the period the FMLA leave would extend, the Board may:

- (1) Require a staff member to take the FMLA leave for a period or periods of a particular duration, not greater than the duration of the planned treatment; or
  - (2) Transfer a staff member temporarily to an available alternative position for which a staff member is qualified, which has equivalent pay and benefits and which better accommodates recurring periods of FMLA leave than does a staff member's regular position.
- e. If the instructional staff member does not give the required notice for FMLA leave that is foreseeable and desires the FMLA leave to be taken intermittently or on a reduced FMLA leave schedule, the Board may require a staff member to take FMLA leave of a particular duration, or to transfer temporarily to an alternative position. Alternatively, the Board may require a staff member to delay taking the FMLA leave until the notice provision is met.
- f. If an instructional staff member begins FMLA leave more than five weeks before the end of the school year, the Board may require a staff member to continue taking FMLA leave until the end of the semester if:
- (1) The FMLA leave will last three weeks; and
  - (2) A staff member would return to work during the three-week period before the end of the semester.
- g. If an instructional staff member begins FMLA leave for a purpose other than a staff member's own serious health condition during the five week period before the end of the semester, the Board may require a staff member to continue taking FMLA leave until the end of the semester if:
- (1) The FMLA leave will last more than two weeks; and
  - (2) The staff member would return to work during the two week period before the end of the semester.
- h. If an instructional staff member begins FMLA leave for a purpose other than a staff member's own serious health condition during the three week period before the end of a semester, the Board may require a staff member to continue taking FMLA leave until the end of the semester if the FMLA leave will last more than five working days.
- i. An example of FMLA leave falling within the situations outlines in B.7.f., B.7.g., and B.7.h. above:

- (1) If a staff member plans two weeks of FMLA leave to care for a family member which will begin three weeks before the end of the term, the Board could require a staff member to stay out on FMLA leave until the end of the term.
- j. In the case of a staff member who is required to take FMLA leave until the end of an academic term, only the period of FMLA leave until a staff member is ready and able to return to work shall be charged against a staff member's FMLA leave entitlement.
- k. The Board may require a staff member to stay on FMLA leave until the end of the school term. Any additional leave required by the Board to the end of the school term is not counted as FMLA leave; however:
  - (1) The Board shall be required to maintain a staff member's group health insurance; and
  - (2) The Board shall be required to restore a staff member to the same or equivalent job including other benefits at the conclusion of the leave.
- 8. FMLA Leave Related to Military Service
  - a. Definitions for FMLA related to military service shall be in accordance with 29 CFR §§825.122; .126; .127; and .310.
  - b. The foreign deployment of the staff member's spouse, child, or parent in accordance with 29 CFR §§825.122 and .126:
    - (1) The district must grant an eligible staff member up to twelve work weeks of unpaid, job-protected FMLA leave during any twelve month period for qualifying exigencies that arise when the staff member's spouse, child, or parent is on covered active duty, or has been notified of an impending call or order to covered active duty.
  - c. Military caregiver FMLA leave provides care for a covered servicemember with a serious injury or illness in accordance with 29 CFR §§825.122 and .127:
    - (1) The district must grant up to a total of twenty-six workweeks of unpaid, job-protected FMLA leave during a "single twelve month period" to care for a covered servicemember with a serious injury or illness.

## 9. Verification

- a. The Board shall require that a staff member's FMLA leave to care for a staff member's covered family member with a serious health condition, or due to a staff member's own serious health condition that makes a staff member unable to perform one or more of the essential functions of a staff member's position, be supported by a certification issued by the health care provider of a staff member or a staff member's family member.
  - (1) The Board must give written notice of a requirement for certification each time a certification is required. The Board's oral request to a staff member to furnish any subsequent certification is sufficient.
- b. The Board shall require a staff member furnish certification at the time a staff member gives notice of the need for FMLA leave or within five business days thereafter, or, in the case of unforeseen FMLA leave, within five business days after the FMLA leave commences.
  - (1) The Board may request certification at some later date if the Board later has reason to question the appropriateness of the FMLA leave or its duration.
  - (2) A staff member must provide the requested certification to the Board within fifteen calendar days after the Board's request, unless it is not practicable under the particular circumstances to do so despite a staff member's diligent, good faith efforts or the Board provides more than fifteen calendar days to return the requested certification.
- c. When FMLA leave is taken because of a staff member's own serious health condition, or the serious health condition of a family member, the Board shall require a staff member to obtain a medical certification from a health care provider that sets forth the following information:
  - (1) The name, address, telephone number, and fax number of the health care provider and type of medical practice/specialization;
  - (2) The approximate date on which the serious health condition commenced, and its probable duration;
  - (3) A statement or description of appropriate medical facts regarding the patient's health condition for which FMLA leave is requested. The medical facts must be sufficient to support the need for FMLA leave.
    - (a) Such medical facts may include information on symptoms, diagnosis, hospitalization, doctor visits, whether medication has

been prescribed, any referrals for evaluation or treatment (physical therapy, for example), or any other regimen of continuing treatment;

- (4) If a staff member is the patient, information sufficient to establish that a staff member cannot perform the essential functions of a staff member's job as well as the nature of any other work restrictions, and the likely duration of such inability;
  - (5) If the patient is a covered family member with a serious health condition, information sufficient to establish that the family member is in need of care, and an estimate of the frequency and duration of the FMLA leave required to care for the family member;
  - (6) If a staff member requests FMLA leave on an intermittent or reduced schedule basis for planned medical treatment of a staff member's or a covered family member's serious health condition, information sufficient to establish the medical necessity for such intermittent or reduced schedule FMLA leave and an estimate of the dates and duration of such treatments and any periods of recovery;
  - (7) If a staff member requests FMLA leave on an intermittent or reduced schedule basis for a staff member's serious health condition, including pregnancy, that may result in unforeseeable episodes of incapacity, information sufficient to establish the medical necessity for such intermittent or reduced schedule FMLA leave and an estimate of the frequency and duration of the episodes of incapacity; and
  - (8) If a staff member requests FMLA leave on an intermittent or reduced schedule basis to care for a covered family member with a serious health condition, a statement that such FMLA leave is medically necessary to care for the family member, which can include assisting in the family member's recovery, and an estimate of the frequency and duration of the required FMLA leave.
- d. A staff member may choose to comply with the certification requirement by providing the Board with an authorization, release, or waiver allowing the Board to communicate directly with the health care provider of a staff member or his or her covered family member.
- (1) It is a staff member's responsibility to provide the Board with complete and sufficient certification and failure to do so may result in the denial of FMLA leave.

- e. If the Board has reason to doubt the validity of a medical certification, the Board may require a staff member to obtain a second opinion at the Board's expense.
    - (1) The Board may designate the health care provider to furnish the second opinion, but the selected health care provider may not be employed on a regular basis by the Board.
  - f. If the opinions of a staff member's and the Board's designated health care providers differ, the Board may require a staff member to obtain certification from a third health care provider, again at the Board's expense. This third opinion shall be final and binding. The third health care provider must be designated or approved jointly by the Board and the staff member.
10. Reinstatement Following FMLA Leave
- a. On return from FMLA leave a staff member is entitled to be returned to the same position a staff member held when FMLA leave commenced, or to an equivalent position with equivalent benefits, pay, and other terms and conditions of employment.
    - (1) A staff member is entitled to such reinstatement even if a staff member has been replaced or his or her position has been restructured to accommodate for a staff member's absence.
    - (2) The requirement that a staff member be restored to the same or equivalent job with the same or equivalent pay, benefits, and terms and conditions of employment does not extend to de minimis, intangible, or unmeasurable aspects of the job.
  - b. Denial of Reinstatement
    - (1) A staff member has no greater right to reinstatement or to other benefits and conditions of employment that if a staff member had been continuously employed during the FMLA leave period.
      - (a) The Board must be able to show that a staff member would not otherwise have been employed at the time reinstatement is requested in order to deny restoration to employment.
    - (2) The Board may deny job restoration to "key employees", if such denial is necessary to prevent substantial and grievous economic injury to the operations of the Board.

- (a) A “key employee” is a salaried FMLA-eligible staff member who is among the highest paid ten percent of all staff members employed by the Board within seventy-five miles of a staff member's worksite.
    - (3) If a staff member is unable to perform an essential function of the position because of a physical or mental condition, including the continuation of a serious health condition or an injury or illness also covered by workers’ compensation, a staff member has no right to restoration to another position under the FMLA.
      - (a) The Board’s obligation may; however, be governed by the Americans with Disabilities Act, State leave law, or workers’ compensation laws.
    - (4) A staff member who fraudulently obtains FMLA leave from the Board is not protected by FMLA's job restoration or maintenance of health benefits provisions.
  - c. Intent to Return to Work
    - (1) The Board may require a staff member on FMLA leave to report periodically on a staff member's status and intent to return to work.
  - d. Fitness for Duty Certification
    - (1) As a condition of restoring a staff member whose FMLA leave was a result of a staff member's own serious health condition that made a staff member unable to perform a staff member's job, the Board shall require all similarly-situated staff members (i.e., same occupation, same serious health condition) who take FMLA leave for such conditions to obtain and present certification from a staff member's health care provider that a staff member is able to resume work.
    - (2) A staff member has the same obligations to participate and cooperate in the fitness-for-duty certification process as in the initial certification process.
11. The Board of Education Notice
- a. Notice of Staff Member Rights Under FMLA
    - (1) The Board shall post and keep posted on its premises, in conspicuous places where staff members are employed, a notice explaining the FMLA’s provisions and providing information concerning the procedures for filing

complaints of violations of the FMLA with the Wage and Hour Division.

- (a) The notice will be posted prominently where it can be readily seen by staff members and applicants for employment.
  - (b) The poster and the text will be large enough to be easily read and contain fully legible text.
  - (c) Electronic posting is sufficient to meet this posting requirement as long as it otherwise meets the requirements of B.11.
- (2) The Board shall also provide this general notice to each staff member by including the notice in staff members' handbooks or other written guidance to staff members concerning staff member benefits or FMLA leave rights, if such written materials exist, or by distributing a copy of the general notice to each new staff member upon hiring. In either case, distribution may be accomplished electronically.
  - (3) Access to and/or distribution of this Policy shall serve as school district notice to staff members of their rights pursuant to 29 CFR §825 et seq.
- b. Eligibility Notice
    - (1) When a staff member requests FMLA leave, or when the Board acquires knowledge that a staff member's FMLA leave may be for an FMLA-qualifying reason, the Board must notify the staff member of the staff member's eligibility to take FMLA leave within five business days, absent extenuating circumstances.
  - c. Designation Notice
    - (1) The Board is responsible in all circumstances for designating leave as FMLA-qualifying, and for giving notice of the designation to a staff member. The Board must notify a staff member whether the leave will be designated and will be counted as FMLA leave within five business days absent extenuating circumstances.
    - (2) If the Board requires paid leave to be substituted for unpaid FMLA leave, or that paid leave taken under an existing leave plan be counted as FMLA leave, the Board must inform a staff member of this designation at the time of designating the FMLA leave.

a. Substitution of Paid Leave

- (1) Whether a staff member is required to use sick time or any other accrued leave time concurrent with FMLA leave time will depend upon either the district's practice or a provision in the district's collective bargaining agreement, if applicable.

b. Maintenance of Staff Member Benefits

- (1) The Board must maintain a staff member's coverage under any group health plan on the same conditions as coverage would have been provided if a staff member had been continuously employed during the entire FMLA leave period.

C. Shared Provisions

1. Interference with Family Leave Rights

The NJFLA and the FMLA prohibit interference with a staff member's rights under the law, and with legal proceedings or inquiries relating to a staff member's rights. Unless permitted by the law, no staff member shall be required to take family leave or to extend family leave beyond the time requested. A staff member shall not be discriminated against for having exercised his/her rights under the NJFLA and the FMLA nor discouraged from the use of family leave.

2. Non-Tenured Teaching Staff

Family leave granted to a nontenured staff member cannot extend a staff member's employment beyond the expiration of his/her employment contract.

3. Record Keeping

The Superintendent or designee shall ensure the keeping of accurate attendance records that distinguish family leave from other kinds of leave so a staff member's entitlement to NJFLA leave and FMLA leave can be properly determined.

4. Processing of Complaints

a. New Jersey Family Leave Act

- (1) Any complaint alleging a violation of the NJFLA shall be processed in the same manner as a complaint filed under the terms of N.J.S.A. 10:5-1 et seq. and N.J.A.C. 13:4 through the New Jersey Department of Law and Public Safety, Division on Civil Rights.

- b. Federal Family and Medical Leave Act (FMLA)
- (1) If there is a dispute between the Board and a staff member as to whether leave qualifies as FMLA leave, it should be resolved through discussion between the staff member and the Superintendent or designee. Such discussions and the decision shall be documented by the Superintendent or designee.
  - (2) A staff member also may file, or have another person file on his/her behalf, a complaint with the United States Secretary of Labor. A complaint may be filed in person, by mail, or by telephone with the Wage and Hour Division, Employment Standards Administration, U.S. Department of Labor, at any local office of the Wage and Hour Division.
  - (3) This Policy 1643 shall be posted on the school district website, in a manner accessible to all staff members and a hard copy shall be provided to all staff members annually prior to the beginning of the school year and upon initial employment in the school district during the school year.

New Jersey's Family Leave Insurance Program

~~3431.3~~ — NEW JERSEY'S FAMILY LEAVE INSURANCE PROGRAM

~~Board of Education employees are eligible to apply for benefits under New Jersey's Family Leave Insurance Program administered by the State of New Jersey "Department of Labor and Workforce Development. New Jersey's Family Leave Insurance Program (NJFLI) may provide up to six weeks of family leave insurance benefits payable to covered employees from either the New Jersey State Plan or an approved employer provided private plan.~~

~~A benefit provided through the NJFLI will be for the employee to bond with a child during the first twelve months after the child's birth, if the covered individual or the domestic partner or civil union partner of the covered individual is a biological parent of the child, or the first twelve months after the placement of the child for adoption with the covered individual. An employee who intends to apply to the State of New Jersey for benefits under this provision of the NJFLI must provide the Superintendent of Schools written notice thirty calendar days prior to beginning the leave. Failure to provide this thirty day notice may result in a reduction in the employee's maximum family leave insurance benefits. Intermittent leave to bond with a newborn or newly adopted child must be agreed to by the Superintendent of Schools and the employee and, if agreed to, must be taken in periods of seven days or more.~~

~~A benefit provided through the NJFLI will also be to care for a family member with a serious health condition supported by a certification provided by a health care provider. An employee who intends to apply to the State of New Jersey for benefits under this provision of the NJFLI for consecutive leave must provide the school district reasonable and practical notice unless the time of the leave is unexpected or the time of the leave changes for unforeseen reasons. An employee who intends to apply for benefits under this provision of the NJFLI for intermittent leave must provide the school district with a written notice at least fifteen calendar days prior to beginning the leave.~~

~~For the purposes of this Policy, a "family member" means a child, spouse, domestic partner, civil union partner, or parent of a covered individual. "Child" means a biological, adopted, or foster child, stepchild, or legal ward of a covered individual, child of a domestic partner of the covered individual, or child of a civil union partner of the covered individual, who is less than nineteen years of age or is nineteen years of age or older but incapable of self care because of mental or physical impairment.~~

~~An employee will be required to use ten workdays of earned vacation, personal, or other earned leave in connection with a period of paid leave from the NJFLI. In accordance with N.J.S.A. 18A:30-1, sick leave is only to be used for personal disability due to illness or injury and therefore may not be used for NJFLI purposes.~~

**A. Introduction**

The Board will provide family leave in accordance with the Federal Family and Medical Leave Act (FMLA) and the New Jersey Family Leave Act (NJFLA).

FMLA leave for eligible staff members shall be up to twelve weeks leave of absence in any twelve month period upon advance notice to the district for the birth of a son or daughter of the staff member and in order to care for such son or daughter; for the placement of a son or daughter with the staff member for adoption or foster care; in order to care for the spouse, son, daughter, or parent of the staff member if such spouse, son, daughter, or parent has a serious health condition; or for a serious health condition that makes the staff member unable to perform the functions of the position of such staff member, or because of any qualifying exigency arising out of the fact that the employee's spouse, son, daughter, or parent is a military member on active duty or call to covered active duty status (or has been notified of an impending call or order to covered active duty). In addition, eligible employees may take up to a combined total of twenty six workweeks in a single twelve month period to care for a covered servicemember with a serious injury or illness.

NJFLA leave for eligible staff members shall be up to twelve weeks leave of absence in any twenty four month period upon advance notice to the district so that a staff member may provide care made necessary by the birth of a child of the staff member, the placement of a child with the staff member in connection with adoption of such child by the staff member, and the serious health condition of a spouse, parent, or child.

**B. Applicability**

The Board will comply with requirements of the New Jersey and Federal Family Leave laws. The laws have similar and different provisions that may provide different rights and obligations for the staff member and/or the Board. The staff member shall be afforded the most favorable rights if there is a conflict in the rights afforded to the staff member under the two laws.

1. If the staff member is eligible for leave for reasons provided under the FMLA and NJFLA, then the time taken shall be concurrent and be applied to both laws.
2. The NJFLA provides twelve weeks leave in a twenty four month period while the FMLA provides twelve weeks leave in a twelve month period. A staff member is eligible for up to twelve weeks leave in the first twelve months of the twenty four month period under the NJFLA. A staff member is eligible for up to twelve weeks leave in the second twelve month period under the FMLA.

3. ~~In the event the reason for the family leave is recognized under one law and not the other law, the staff member is eligible for each law's leave entitlements within one twelve-month period. (Example: A staff member may use their FMLA leave for a twelve-week family leave for their own pregnancy, which is considered a "serious health condition" under FMLA, and upon conclusion of the twelve-week FMLA leave, the staff member would be eligible for a twelve-week NJFLA leave to care for their newborn or any other reasons pursuant to the NJFLA.)~~

C. ~~Definitions~~

1. ~~Federal Family and Medical Leave Act (FMLA)~~

~~"Contingency operation" means a military operation that results in the call or order to, or retention on, active duty of members of the uniformed services during a war or during a national emergency declared by the President or Congress.~~

~~"Covered active duty" or "call to covered active duty" means duty during deployment of a member with the Armed Forces to a foreign country and, in the case of a member of the Reserve components of the Armed Forces, duty during the deployment of the member with the Armed Forces to a foreign country under a Federal call or order to active duty in support of a contingency operation.~~

~~"Covered servicemember" means a current member of the Armed Forces (including National Guard or Reserves), who is undergoing medical treatment, recuperation, or therapy, is otherwise in outpatient status, or is otherwise on the temporary disability retired list for a serious injury or illness; or a covered veteran undergoing medical treatment, recuperation, or therapy for a serious injury or illness.~~

~~"Covered veteran" means an individual who was a member of the Armed Forces (including National Guard or Reserves), discharged or released under conditions other than dishonorable at any time during the five-year period prior to the first date the eligible staff member takes FMLA leave to care for the covered veteran. For a veteran discharged prior to March 8, 2013, the effective date of the FMLA Final Rule, the period between October 28, 2009 and March 8, 2013 will not count towards the determination of the five-year period. 29 CFR § 825.127(b)(2)~~

Family Leave

~~“Military caregiver leave” means leave taken to care for a covered servicemember with a serious injury or illness under FMLA. 29 CFR §825.127~~

~~“Next of kin of a covered servicemember” means the nearest blood relative other than the covered servicemember's spouse, parent, son, or daughter, in the following order of priority: blood relatives who have been granted legal custody of the covered servicemember by court decree or statutory provisions, brothers and sisters, grandparents, aunts and uncles, and first cousins, unless the covered servicemember has specifically designated in writing another blood relative as his or her nearest blood relative for purposes of military caregiver leave under the FMLA. When no such designation is made, and there are multiple family members with the same level of relationship to the covered servicemember, all such family members shall be considered the covered servicemember's next of kin and may take FMLA leave to provide care to the covered servicemember, either consecutively or simultaneously. When such designation has been made, the designated individual shall be deemed to be the covered servicemember's only next of kin. For example, if a covered servicemember has three siblings and has not designated a blood relative to provide care, all three siblings would be considered the covered servicemember's next of kin. Alternatively, where a covered servicemember has a sibling(s) and designates a cousin as his or her next of kin for FMLA purposes, then only the designated cousin is eligible as the covered servicemember's next of kin. An employer is permitted to require an employee to provide confirmation of covered family relationship to the covered servicemember pursuant to 29 CFR §825.122(k). 29 CFR §825.127(d)(3)~~

~~“Outpatient status” means, with respect to a covered servicemember who is a current member of the Armed Forces, the status of a member of the Armed Forces assigned to either a military medical treatment facility as an outpatient; or a unit established for the purpose of providing command and control of members of the Armed Forces receiving medical care as outpatients. 29 CFR § 825.127(b)(1)~~

~~“Parent” means a biological, adoptive, step or foster father or mother, or any other individual who stood in loco parentis to the employee when the employee was a son or daughter as defined below. This term does not include parents “in law.”~~

~~“Parent of a covered servicemember” means a covered servicemember’s biological, adoptive, step or foster father or mother, or any other individual who stood in loco parentis to the covered servicemember. This term does not include parents “in law.”~~

~~“Serious health condition” means an illness, injury, impairment, or physical or mental condition that involves inpatient care in a hospital, hospice, or residential medical facility or continuing treatment by a health care provider. “Serious health condition” may include treatment of substance abuse pursuant to 29 CFR §825.119.~~

~~“Serious injury or illness,” only in the case of a veteran or current member of the Armed Forces, means:~~

- ~~a. In the case of a current member of the Armed Forces, including a member of the National Guard or Reserves, an injury or illness that was incurred by the covered servicemember in the line of duty on active duty in the Armed Forces or that existed before the beginning of the member's active duty and was aggravated by service in the line of duty on active duty in the Armed Forces and that may render the servicemember medically unfit to perform the duties of the member's office, grade, rank, or rating; and~~
- ~~b. In the case of a covered veteran, an injury or illness that was incurred by the member in the line of duty on active duty in the Armed Forces (or existed before the beginning of the member's active duty and was aggravated by service in the line of duty on active duty in the Armed Forces) and manifested itself before or after the member became a veteran, and is:
 
  - ~~(1) A continuation of a serious injury or illness that was incurred or aggravated when the covered veteran was a member of the Armed Forces and rendered the servicemember unable to perform the duties of the servicemember's office, grade, rank, or rating; or~~
  - ~~(2) A physical or mental condition for which the covered veteran has received a U.S. Department of Veterans Affairs Service Related Disability Rating (VASRD) of fifty percent or greater, and such VASRD rating is based, in whole or in part, on the condition precipitating the need for military caregiver leave; or~~
  - ~~(3) A physical or mental condition that substantially impairs the covered veteran's ability to secure or follow a substantially gainful occupation by reason of a disability or disabilities related to military service, or would do so absent treatment; or~~~~

- (4) ~~An injury, including a psychological injury, on the basis of which the covered veteran has been enrolled in the Department of Veterans Affairs Program of Comprehensive Assistance for Family Caregivers. 29 CFR 825 §127(e)~~

~~“Single twelve month period” means that a military caregiver’s leave begins on the first day the staff member takes FMLA leave and ends twelve months after that date, regardless of the twelve month period established by the district for other FMLA leave reasons. 29 CFR §825.127(e)(1)~~

~~“Son” or “daughter” means a biological, adopted, or foster child, stepchild, a legal ward, or a child of a person standing in loco parentis, who is either under age eighteen or age eighteen or older and incapable of self-care because of a mental or physical disability at the time that FMLA leave is to commence.~~

~~“Son or daughter of the covered servicemember” means a covered servicemember's biological, adopted or foster child, stepchild, legal ward, or a child for whom the covered servicemember stood in loco parentis, and who is of any age. 29 CFR §825.127(d)(1)~~

~~“Son or daughter on covered active duty or call to covered active duty status” means the staff member's biological, adopted or foster child, stepchild, legal ward, or a child for whom the staff member stood in loco parentis, who is on covered active duty or call to covered active duty status, and who is of any age. 29 CFR §825.126(a)(5)~~

~~“Spouse” means a husband or wife. For purposes of this definition, husband or wife refers to the other person with whom an individual entered into marriage as defined or recognized under State law in the State in which the marriage was entered into or, in the case of a marriage entered into outside of any State, if the marriage is valid in the place where entered into and could have been entered into in at least one State. This definition includes an individual in a same-sex marriage or common law marriage. 29 CFR §825.122~~

~~“Staff member” means an employee eligible for family and medical leave in accordance with the Federal Family and Medical Leave Act (FMLA).~~

~~“Week” or “Workweek” means the number of days a staff member normally works each calendar week.~~

## 2. ~~New Jersey Family Leave Act (NJFLA)~~

~~“Child” means a biological, adopted or foster child, stepchild, legal ward, child of a parent who is under eighteen years of age or a child eighteen years of age or older but incapable of self care because of a mental or physical impairment.~~

~~“Continuing medical treatment” or “continuing supervision by a health care provider” means a period of incapacity or a period of absence in accordance with N.J.A.C. 13:14.~~

~~“Parent” means a biological, adoptive, or foster parent; step parent; parent in law; a legal guardian having a “parent child relationship” with a child as defined by law; or a person who has sole or joint legal or physical custody, care, guardianship, or visitation with a child.~~

~~“Serious health condition” means an illness, injury, impairment, or physical or mental condition that requires inpatient care in a hospital, hospice, or residential medical facility or continuing medical treatment or continuing supervision by a health care provider.~~

~~“Spouse” means a person to whom a staff member is lawfully married as defined by New Jersey law.~~

~~“Staff member” means an employee eligible for family leave in accordance with the New Jersey Family Leave Act.~~

~~“Week” or “Workweek” means the number of days a staff member normally works each calendar week.~~

## D. ~~Eligibility~~

### 1. ~~Federal Family and Medical Leave Act (FMLA)~~

~~A staff member shall become eligible for FMLA leave after he/she has been employed at least twelve months in this district and employed for at least 1250 hours of service during the twelve month period immediately preceding the commencement of the leave. The twelve months the staff member must have been employed need not be consecutive~~

~~months pursuant to 29 CFR §825.110(b). The minimum 1250 hours of service shall be determined according to the principles established under the Fair Labor Standards Act (FLSA) for determining compensable hours of work pursuant to 29 CFR § 785. Entitlement to FMLA leave taken for the birth of a son or daughter or placement of a son or daughter with the staff member for adoption or foster care shall expire at the end of the twelve month period beginning on the date of such birth or placement.~~

~~Pursuant to 29 CFR §825.202, a husband and wife both employed by the district are limited to a combined total of twelve weeks of leave during the twelve month period if the leave is taken for the birth of a son or daughter of the staff member or to care for such son or daughter after birth; for placement of a son or daughter with the staff member for adoption or foster care or in order to care for the son or daughter after placement; or to care for the staff member's parent with a serious health condition.~~

~~The method to determine the twelve month period in which the twelve weeks of FMLA leave entitlement occurs will be a "rolling" twelve month period measured backward from the date a staff member uses any family leave.~~

~~A staff member during any period of FMLA leave is prohibited from performing any services on a full time basis for any person for whom the staff member did not provide services immediately prior to commencement of the leave. A staff member using FMLA leave may commence part time employment that shall not exceed half the regularly scheduled hours worked for the district. The staff member may continue the part time employment that commenced prior to the FMLA leave at the same number of hours that the staff member was regularly scheduled prior to such leave.~~

## ~~2. New Jersey Family Leave Act (NJFLA)~~

~~A staff member shall become eligible for NJFLA leave after he/she has been employed at least twelve months in this district for not less than 1,000 base hours, excluding overtime, during the immediate preceding twelve month period. The calculation of the twelve month period to determine eligibility shall commence with the commencement of the NJFLA leave. NJFLA leave taken for the birth or adoption of a healthy child may commence at any time within a year after the date of the birth or placement for adoption.~~

~~The district shall grant a family leave under NJFLA to more than one staff member from the same family (for example, a husband and a wife, or a brother and a sister) at the same time, provided such staff members are otherwise eligible for the leave. N.J.A.C. 13:14-1.12~~

~~A staff member during any period of the NJFLA leave is prohibited from performing any services on a full time basis for any person for whom the staff member did not provide services immediately prior to commencement of the leave. A staff member on NJFLA leave may commence part time employment that shall not exceed half the regularly scheduled hours worked for the district. The staff member may continue the part time employment that commenced prior to the NJFLA leave at the same number of hours that the staff member was regularly scheduled prior to such leave.~~

~~The method to determine the twenty four month period in which the twelve weeks of NJFLA leave entitlement occurs will be a “rolling” twenty four month period measured backward from the date a staff member uses any leave.~~

#### E. — Types of Leave

##### 1. — Federal Family and Medical Leave Act (FMLA)

~~A staff member may take FMLA leave to include servicemember qualifying exigency leave or military caregiver leave in consecutive weeks, as intermittent leave, or as reduced leave. A staff member who requests intermittent or reduced leave shall make a reasonable effort to schedule such leave so as not to unduly disrupt the instructional/educational program.~~

- ~~a. — Leave for the birth of a son or daughter or placement of a son or daughter with the staff member for adoption or foster care may not be taken by a staff member intermittently or on a reduced leave schedule.~~
- ~~b. — Leave may be taken intermittently or on a reduced leave schedule when medically necessary for planned and/or unanticipated medical treatment of a related serious health condition by or under the supervision of a health care provider, or for recovery from treatment or recovery from a serious health condition.~~
- ~~c. — Intermittent leave means leave scheduled for periods of time from one hour or more to several weeks; however, the total time within which the leave is taken can not exceed a twelve month period for each serious health condition episode. Intermittent leave may be taken for a serious health condition that requires~~

**RIDGEWOOD****POLICY****BOARD OF EDUCATION****SUPPORT STAFF MEMBERS**

4431.1/page 11 of 25

**Family Leave**

~~periodic treatment by a health care provider, rather than one continuous period of time. Intermittent leave may also be taken for absences where the staff member is incapacitated or unable to perform the essential functions of the position because of a serious health condition even if the staff member does not receive treatment by a health care provider. The staff member shall make a reasonable effort to schedule intermittent leave so as not to unduly disrupt the operations of the instructional/educational program.~~

- ~~d. Reduced leave means leave scheduled for fewer than the staff member's usual number of hours worked per workweek, but not fewer than a staff member's usual number of hours worked per workday, unless otherwise agreed to by the staff member and the district. A staff member is entitled, at the option of the staff member, to take leave on a reduced leave schedule not exceeding twenty-four consecutive weeks. The staff member shall make a reasonable effort to schedule reduced leave so as not to unduly disrupt the operations of the instructional/educational program. The staff member shall provide the district prior notice of the care, medical treatment or continuing supervision by a health care provider necessary due to a serious health condition of a family member in a manner that is reasonable and practicable. Leave taken on a reduced leave schedule shall not result in a reduction of the total amount of leave to which a staff member is entitled.~~
- ~~e. The fact that a holiday may occur within the week taken by a staff member as Family Leave has no effect and the week is counted as a week of Family Leave. However, if the staff member is out on Family Leave and the school district is closed and the staff member would not be expected to report for work for one or more weeks, the weeks the school district is closed for this staff member do not count against the staff member's family leave entitlement.~~

~~Any leave time remaining after a staff member has exhausted his/her entitlement to intermittent leave in any twelve month period may be taken as consecutive leave or reduced leave, and any leave time remaining after a staff member has exhausted his/her entitlement to reduced leave in any twelve month period may be taken as consecutive leave or intermittent leave.~~

- f. ~~Servicemember qualifying exigency leave may arise out of the foreign deployment of the staff member's spouse, child, or parent 29 CFR §§825.122 and 126:~~
- ~~(1) The district must grant an eligible staff member up to twelve work weeks of unpaid, job protected leave during a twelve month period for qualifying exigencies that arise when the staff member's spouse, child, or parent is on covered active duty, or has been notified of an impending call or order to covered active duty.~~
  - ~~(2) The military member must be the spouse, son, daughter, or parent, of the staff member taking FMLA exigency leave.~~
  - ~~(3) FMLA leave can be granted for one or more of the following exigencies:
    - ~~(a) Short notice deployment:
      - ~~i. Notification of duty seven or less calendar days prior to date of deployment;~~
      - ~~ii. Leave can be used for a period of seven calendar days beginning on the date the military member is notified.~~~~
    - ~~(b) Military events and related activities, including official ceremonies, programs, or events sponsored by the military and related to the covered active duty or call to covered active duty status of the military member; and to attend family support or assistance programs and informational briefings sponsored or promoted by the military, military service organizations, or the American Red Cross.~~~~

- ~~(c) — Childcare and school activities including arranging for alternative childcare; providing childcare on an urgent, immediate need basis (not routine, regular, or everyday basis); to enroll in or transfer to a new school or day care facility; or to attend meetings with staff at a school or day care facility:
  - ~~i. — The son or daughter must be the son or daughter of the covered servicemember.~~~~
- ~~(d) — Financial and legal arrangements made to address the military member's absence while on covered active duty or call to covered active duty status.~~
- ~~(e) — Counseling, provided by someone other than a health care provider for oneself, for the military member, or qualified child, if the need arises from the covered active duty or call to covered active duty status of the military member.~~
- ~~(f) — Rest and Recuperation (R&R) to spend time with the military member on short term, temporary R&R leave during a term of deployment:
  - ~~i. — Can be used for a period of fifteen calendar days beginning on the date the military member commences each instance of R&R leave.~~~~
- ~~(g) — Post deployment activities such as ceremonies or briefings including any that arise from the death of the military member while on covered active duty.~~
- ~~(h) — Parental care for one meeting the definition of a "parent" and incapable of self care including: arranging alternative care; providing care on an immediate need basis; and to attend meetings or arrange services at a care facility.~~

- ~~(c) Military caregiver leave may be taken by eligible staff members whose family members are recent veterans with serious injuries or illnesses incurred or aggravated in the line of duty on active duty, and that manifested before or after the veteran left active duty.~~

~~2. New Jersey Family Leave Act (NJFLA)~~

~~A staff member may take NJFLA leave in consecutive weeks, as intermittent leave, or as reduced leave. A staff member who requests intermittent or reduced leave shall make a reasonable effort to schedule such leave so as not to unduly disrupt the instructional/educational program. The district shall not require a staff member to take a leave of absence beyond the period of time the staff member requests family leave. N.J.A.C. 13:14 1.5(f)~~

- ~~a. In the case of a family member who has a serious health condition, leave may be taken intermittently when medically necessary. The total time within which the leave is taken, can not exceed a twelve month period for each serious health condition episode. The staff member will provide the district with prior notice of the leave in a manner which is reasonable and practicable; and the staff member shall make a reasonable effort to schedule the leave so as not to unduly disrupt the operations of the instructional/educational program. In the case of the birth or adoption of a healthy child, the leave may be taken intermittently only if agreed to by the staff member and the district.~~

- b. ~~Reduced leave means leave scheduled for fewer than the staff member's usual number of hours worked per workweek, but not fewer than a staff member's usual number of hours worked per workday, unless otherwise agreed to by the staff member and the district. A staff member is entitled, at the option of the staff member, to take leave on a reduced leave schedule for a period not exceeding twenty four consecutive weeks. The staff member is not entitled to take the leave on a reduced leave schedule without an agreement between the staff member and the district if the leave is taken for the birth or adoption of a healthy child. The staff member shall make a reasonable effort to schedule reduced leave so as not to unduly disrupt the operations of the instructional/educational program. The staff member shall provide the district prior notice of the care, medical treatment or continuing supervision by a health care provider necessary due to a serious health condition of a family member in a manner that is reasonable and practicable. Leave taken on a reduced leave schedule shall not result in a reduction of the total amount of leave to which a staff member is entitled.~~
- e. ~~The fact that a holiday may occur within the week taken by a staff member as family leave has no effect and the week is counted as a week of family leave. However, if the staff member is out on family leave and the school district is closed and the staff member would not be expected to report for work for one or more weeks, the weeks the school district is closed for this staff member do not count against the staff member's family leave entitlement.~~

~~Any leave time remaining after a staff member has exhausted his/her entitlement to intermittent leave in any twelve month period may be taken as consecutive leave or reduced leave, and any leave time remaining after a staff member has exhausted his/her entitlement to reduced leave in any twelve month period may be taken as consecutive leave or intermittent leave.~~

F. ~~Notice~~

1. ~~Federal Family and Medical Leave Act (FMLA)~~

- a. ~~Foreseeable Leave—A staff member eligible for FMLA leave must give at least a thirty day written advance notice to the Manager of Human Resources if the~~

~~need for the leave is foreseeable based on an expected birth, placement for adoption of foster care, or planned medical treatment for a serious health condition of the staff member or a family member. If thirty days is not practical, the staff member must provide notice "as soon as practicable" which means as soon as both possible and practical, taking into account all the facts and circumstances in the individual case. For foreseeable leave where it is not possible to give as much as thirty days notice "as soon as practical" ordinarily would mean at least verbal notification to the Manager of Human Resources within one or two business days or when the need for leave becomes known to the staff member. The written notice shall include the reasons for the leave, the anticipated duration of the leave and the anticipated start of the leave.~~

~~When planning medical treatment, the staff member must consult with the Manager of Human Resources and make a reasonable effort to schedule the leave so as not to unduly disrupt the educational program, subject to the approval of the health care provider. Staff members are ordinarily expected to consult with the Manager of Human Resources prior to scheduling of treatment that would require leave for a schedule that best suits the needs of the district and the staff member.~~

~~The district may delay the staff member taking leave for at least thirty days if the staff member fails to give thirty days notice for foreseeable leave with no reasonable excuse for the delay.~~

~~b. Unforeseeable Leave — When the approximate timing of the need for leave is not foreseeable, a staff member should give notice to the Manager of Human Resources for leave as soon as practicable under the facts and circumstances of the particular case. It is expected the staff member will give notice to the Manager of Human Resources within no more than one or two working days of learning of the need for leave, except in extraordinary circumstances where such notice is not foreseeable. The staff member should provide notice to the employer either in person or by telephone, telegraph, facsimile machine or other electronic means.~~

2. ~~New Jersey Family Leave Act (NJFLA)~~

a. ~~Foreseeable Leave~~—A staff member eligible for NJFLA leave must give at least a thirty day advance written notice to the Manager of Human Resources of the need to take family leave except where the need to take family leave is not foreseeable.

(1) ~~Notice for leave to be taken for the birth or placement of the child for adoption shall be given at least thirty days prior to the commencement of the leave, except that if the date of the birth or adoption requires leave to begin in less than thirty days, the staff member shall provide such notice that is reasonable and practicable.~~

(2) ~~Notice for leave to be taken for the serious health condition of a family member shall be given at least fifteen days prior to the commencement of leave, except that if the date of the treatment or supervision requires leave to begin in less than fifteen days, the staff member shall provide such notice that is reasonable and practicable.~~

(3) ~~When the Manager of Human Resources is not made aware that a staff member was absent for family leave reasons and the staff member wants to request the leave be counted as family leave, the staff member must provide timely notice within two business days of returning to work to have the time considered for family leave in accordance with the Family Leave Act.~~

b. ~~Unforeseeable Leave~~—When the need for leave is not foreseeable, the staff member must provide notice “as soon as practicable” which shall be at least verbal notice to the Manager of Human Resources within one or two business days of the staff member learning of the need to take family leave. Whenever emergent circumstances make written notice impracticable, the staff member may give verbal notice to the Manager of Human Resources, but any verbal notice must be followed by written notice delivered within two working days.

G. ~~Leave Designation~~

~~An eligible staff member shall designate FMLA or NJFLA leave upon providing notice of the need for the leave or when the need for leave commences. The Manager of Human Resources shall provide the staff member with this Policy to assist the staff member in determining the type of leave.~~

**H. — Benefits**

~~Whether a staff member is required to use sick time or any other accrued leave time concurrent with FMLA or NJFLA leave time will depend upon either the district's practice or a provision in the district's collective bargaining agreement, if applicable. 29 CFR §825.100~~

~~The Board will maintain coverage under any group health insurance policy, group subscriber contract, or health care plan at the level and under the conditions coverage would have been provided if the staff member had continued to work instead of taking the leave. If the staff member was paying all or part of the premium payments prior to the leave, the staff member would continue to pay his/her share during the leave time. Any ten month staff member who is on leave under NJFLA or FMLA at the end of the school year will be provided with any benefits over the summer that the staff member would normally receive if they had been working at the end of the school year.~~

**I. — Returning from Leave**

~~The Federal Family and Medical Leave Act and/or the New Jersey Family Leave Act~~

~~A staff member returning from leave shall be entitled to the position he/she held when leave commenced or to an equivalent position of like seniority, status, employment benefits, pay and other conditions of employment. If the district experiences a reduction in force or layoff and the staff member would have lost his/her position had the staff member not been on family leave as a result of the reduction in force or pursuant to the good faith operation of a bona fide layoff and recall system including a system under any collective bargaining agreement, the staff member shall be entitled to reinstatement to the former or an equivalent position in accordance with applicable statutes, codes and laws. The staff member's tenure and seniority rights, if any, and other benefits shall be preserved, but the staff member shall accrue no additional time toward tenure or seniority for the period of the leave, except as may be provided by law.~~

~~The return of a staff member prior to the expiration of the requested family leave may be permitted by the Board if the return does not unduly disrupt the instructional program or require the Board to incur the cost of continuing the employment of a substitute under contract.~~

~~The Board may, in accordance with the provisions of 29 CFR §825.312 delay restoration of employment of a staff member using FMLA leave for the staff member's serious health condition until the staff member submits a fitness for duty examination from his/her health care~~

~~provider indicating that the staff member is able to resume work. In the event the Board requires such a fitness for duty examination before restoration of the staff member after leave, the Board will provide the staff member specific notice either at the time the staff member gives notice of the need for leave or immediately after the leave commences and the staff member advises the Board of the medical circumstances for the leave.~~

~~If leave is taken under FMLA, and the staff member does not return to work after the leave expires, the Board is entitled to recover health insurance costs paid while the staff member was on FMLA. The Board's right to recover premiums would not apply if the staff member fails to return to work due to:~~

- ~~1. The continuation, onset or recurrence of a serious health condition of the staff member;  
or~~
- ~~2. Circumstances beyond the staff member's control.~~

#### ~~J. Ineligible Staff Members~~

- ~~1. Federal Family and Medical Leave Act (FMLA)~~

~~The district may deny job restoration after FMLA leave if the staff member is a "key employee" as defined in 29 CFR §825.217 if such denial is necessary to prevent substantial and grievous economic injury to the district or the district may delay restoration to a staff member who fails to provide a fitness for duty certificate to return to work for leave that was the staff member's own serious health condition. A "key employee" is a salaried, staff member who is among the highest paid ten percent of the school district staff employed by the district within 75 miles of the worksite. No more than ten percent of the school district staff within 75 miles of the worksite may be "key employees."~~

~~In the event the Manager of Human Resources believes that reinstatement may be denied to a key employee, the Manager of Human Resources must give written notice to the staff member at the time the staff member gives notice of the need for leave, or when the need for leave commences, if earlier, that he/she qualifies as a key employee. The key employee must be fully informed of the potential consequences with respect to reinstatement and maintenance of health benefits if the district should determine that~~

~~substantial and grievous economic injury to the district's operations will result if the staff member is reinstated from leave. The district's notice must explain the basis for the district's finding that substantial and grievous economic injury will result, and if leave has commenced, must provide the staff member a reasonable time in which to return to work. If the staff member on leave does not return to work in response to the notice of intent to deny restoration, the staff member continues to be entitled to maintenance of health insurance.~~

~~A key employee's rights under the FMLA continue unless and until the staff member either gives notice that he/she no longer wishes to return to work or the district actually denies reinstatement at the conclusion of the leave period. A staff member is still entitled to request reinstatement at the end of the leave period even if the staff member did not return to work in response to the district's notice. The district will then again determine whether there will be substantial and grievous economic injury from reinstatement based on the facts at that time. If it is determined that substantial and grievous economic injury will result, the district will notify the staff member in writing (in person or by certified mail) of the denial of the restoration.~~

## ~~2. New Jersey Family Leave Act~~

~~The district may deny family leave to the staff member if the staff member is a salaried employee who is among the highest paid five percent of the school district staff or one of the seven highest paid employees of the district, whichever is greater, if the denial is necessary to prevent substantial and grievous economic injury to the school district's operations. The Manager of Human Resources shall notify the staff member of the intent to deny the leave at the time the Manager of Human Resources determines the denial is necessary. If the leave has already commenced at the time of the district's notification of denial, the staff member shall be permitted to return to work within ten working days of the date of notification.~~

## ~~K. Verification of Leave~~

### ~~1. Federal Family and Medical Leave Act (FMLA)~~

~~The Board requires a staff member's FMLA leave to care for the staff member's seriously ill spouse, son, daughter, or parent; or for a servicemember's qualifying~~

~~exigency or serious injury; or for illness due to the staff member's own serious health condition that makes the staff member unable to perform one or more of the essential functions of the staff member's position, be supported by a certification issued by the health care provider of the staff member or the staff member's ill family member. The medical certification required encompasses both physical and psychological care and includes situations where a family member is unable to care for his/her own basic medical, hygienic, or nutritional needs or safety, or is unable to transport himself/herself to the doctor. It can also include providing psychological comfort and reassurance beneficial to a child, spouse, or parent with a serious health condition who is receiving inpatient or home care and can include situations where the staff member may be needed to substitute for others who normally care for the family member or covered servicemember or to make arrangements for changes in care. The staff member need not be the only individual or family member available to care for the family member or covered servicemember. 29 CFR §825.124~~

~~The certification must meet the requirements of 29 CFR §§825.306, 309, and 310 to include: which part of the definition of "serious health condition" applies; the approximate date the serious health condition commenced and its probable duration; whether it will be necessary for the staff member to take intermittent and/or reduced leave; whether the patient is presently incapacitated and the likely duration and frequency of episodes of incapacity; if additional treatments will be required for the condition; and/or if the patient's incapacity will be intermittent or will require reduced leave. The certification of a serious health condition of a family member of the staff member shall be sufficient if it states the date on which the condition commenced, the probable duration of the condition, and the medical facts within the provider's knowledge regarding the condition. Certification for the birth or placement of a child need only state the date of birth or date of placement.~~

~~In the event the Manager of Human Resources doubts the validity of the certification, in accordance with 29 CFR § 825.307, the district may require, at the district's expense, the staff member obtain an opinion regarding the serious health condition from a second health care provider designated by the district, but not employed on a regular basis by the district. If the second opinion differs from the staff member's health care provider, the district may require, at the district's expense, the staff member obtain the opinion of a third health care provider designated by the district or approved jointly, in good faith, by the district and the staff member. The opinion of the third health care provider shall be final and binding on the district and the staff member.~~

~~The district may require re-certification pursuant to the requirements of 29 CFR §825.308. In accordance with 29 CFR §825.309, the staff member on leave must provide a written report to the Manager of Human Resources every thirty workdays. The report shall include the staff member's status and intended date to return to work. In the event the staff member's circumstances change, the staff member must provide reasonable notice to the Manager of Human Resources if the staff member intends to return to work on a date sooner than previously noticed to the district. The staff member is not required to take more leave than necessary to resolve the circumstance that precipitated the need for leave. As a condition of returning to work after the leave for the staff member's own serious health condition, and in accordance with 29 CFR § 825.310, the district requires a staff member to provide a certification from their health care provider that the staff member is able to resume work.~~

~~In accordance with 29 CFR §825.311, the district may delay the taking of FMLA leave to a staff member who fails to provide certification within fifteen days after being requested to do so by the district. In accordance with 29 CFR §825.312, the district may delay the taking of leave until thirty days after the date the staff member provides notice to the district of foreseeable leave or the district may delay continuation of leave if a staff member fails to provide a requested medical certification in a timely manner.~~

### 2. ~~New Jersey Family Leave Act~~

~~The Board shall require the certification of a duly licensed health care provider verifying the purpose of requested NJFLA leave. Certification of a serious health condition of a family member of the staff member shall be sufficient if it states the date on which the condition commenced, the probable duration of the condition, and the medical facts within the provider's knowledge regarding the condition. Certification for the birth or placement of a child need only state the date of birth or date of placement, whichever is appropriate.~~

~~In the event the Manager of Human Resources doubts the validity of the certification for the serious health condition of a family member of the staff member, the district may require, at the district's expense, the staff member to obtain an opinion regarding the serious health condition from a second health care provider designated or approved, but not employed on a regular basis, by the district. If the second opinion differs from the certification the district may require, at the district's expense, that the staff member obtain the opinion of a third health care provider designated or approved jointly by the district and the staff member concerning the serious health condition. The opinion of the third health care provider shall be final and binding on the district and the staff member.~~

**L. — Interference with Family Leave Rights**

~~The Federal Family and Medical Leave Act and the New Jersey Family Leave Act prohibit interference with a staff member's rights under the law, and with legal proceedings or inquiries relating to a staff member's rights. Unless permitted by the law, no staff member shall be required to take family leave or to extend family leave beyond the time requested. A staff member shall not be discriminated against for having exercised his/her rights under the Federal Family and Medical Leave Act or the New Jersey Family Leave Act nor discouraged from the use of family leave.~~

**M. — Non-Tenured Teaching Staff**

~~Family leave granted to a nontenured staff member cannot extend the staff member's employment beyond the expiration of his/her employment contract.~~

**N. — Record Keeping**

~~In order that staff member's entitlement to FMLA leave and NJFLA leave can be properly determined, the Superintendent shall ensure the keeping of accurate attendance records that distinguish family leave from other kinds of leave. The Superintendent will publish a notice explaining the Act's provisions and provide information concerning the procedures for filing complaints of violations of the FMLA and NJFLA.~~

~~Implementation of FMLA and NJFLA will be consistent with provisions in collective bargaining agreement(s) in the district.~~

**O. — Processing of Complaints****1. — Federal Family and Medical Leave Act (FMLA) 29 CFR §§825.400-401**

- a. —** ~~If there is a dispute between the district and a staff member as to whether leave qualifies as FMLA leave, it should be resolved through discussion between the staff member and the district. Such discussions and the decision shall be documented by the school district.~~

New Jersey's Family Leave Insurance Program

~~3431.3~~ — NEW JERSEY'S FAMILY LEAVE INSURANCE PROGRAM

~~Board of Education employees are eligible to apply for benefits under New Jersey's Family Leave Insurance Program administered by the State of New Jersey "Department of Labor and Workforce Development. New Jersey's Family Leave Insurance Program (NJFLI) may provide up to six weeks of family leave insurance benefits payable to covered employees from either the New Jersey State Plan or an approved employer provided private plan.~~

~~A benefit provided through the NJFLI will be for the employee to bond with a child during the first twelve months after the child's birth, if the covered individual or the domestic partner or civil union partner of the covered individual is a biological parent of the child, or the first twelve months after the placement of the child for adoption with the covered individual. An employee who intends to apply to the State of New Jersey for benefits under this provision of the NJFLI must provide the Superintendent of Schools written notice thirty calendar days prior to beginning the leave. Failure to provide this thirty day notice may result in a reduction in the employee's maximum family leave insurance benefits. Intermittent leave to bond with a newborn or newly adopted child must be agreed to by the Superintendent of Schools and the employee and, if agreed to, must be taken in periods of seven days or more.~~

~~A benefit provided through the NJFLI will also be to care for a family member with a serious health condition supported by a certification provided by a health care provider. An employee who intends to apply to the State of New Jersey for benefits under this provision of the NJFLI for consecutive leave must provide the school district reasonable and practical notice unless the time of the leave is unexpected or the time of the leave changes for unforeseen reasons. An employee who intends to apply for benefits under this provision of the NJFLI for intermittent leave must provide the school district with a written notice at least fifteen calendar days prior to beginning the leave.~~

**5330.01 ADMINISTRATION OF MEDICAL CANNABIS**

The Board of Education, in accordance with the requirements of N.J.S.A. 18A:40-12.22, must adopt a Policy authorizing parents and designated caregiver(s) to administer medical cannabis to a qualifying student patient while on school grounds, aboard a school bus, or attending a school-sponsored event. The parent of a qualifying student patient requesting the administration of medical cannabis to the student while on school grounds, aboard a school bus, or attending a school-sponsored event must comply with the provisions of N.J.S.A. 18A:40-12.22 and N.J.S.A. 24:6I-1 et seq. and Policy and Regulation 5330.01.

A student enrolled in the school district must be authorized to engage in the medical use of cannabis pursuant to N.J.S.A. 24:6I-1 et seq. and that the parent or designated caregiver be authorized to assist the student with the medical use of cannabis pursuant to N.J.S.A. 24:6I-1 et seq. The student and the designated primary caregiver(s) must complete registration with the Cannabis Regulatory Commission in accordance with the requirements of N.J.S.A. 24:6I-4.

The parent of the student authorized to engage in the medical use of cannabis must submit a written request with supporting documentation to the Principal requesting approval to have a designated caregiver(s) assist in the administration of medical cannabis to the qualifying student patient while on school grounds, aboard a school bus, or attending a school-sponsored event. The Principal, in consultation with the school nurse, the school physician, and the Superintendent of Schools, will review each request and upon approval will inform the parent in writing of the approval with details for the administration of medical cannabis to the qualifying student patient. The medical use of cannabis by a qualifying student patient while on school grounds, aboard a school bus, or attending a school-sponsored event will only be authorized after the written approval from the Principal is provided to the parent.

Medical cannabis may only be administered to the qualifying student patient while the student is on school grounds, aboard a school bus, or attending a school-sponsored event by the designated caregiver(s) in accordance with the provisions of N.J.S.A. 18A:40-12.22 and N.J.S.A. 24:6I-1 et seq. The prescribed medical cannabis must be in the possession of the designated caregiver(s) at all times, except during the administration process. The designated caregiver(s) shall comply with the requirements of the Principal's written approval for the administration of medical cannabis to the qualifying student patient while on school grounds, aboard a school bus, or attending a school-sponsored event.

All health records related to the administration of medical cannabis to a qualifying student patient while on school grounds, aboard a school bus, or attending a school-sponsored event shall be maintained in accordance with the requirements of N.J.A.C. 6A:16-2.4 and N.J.A.C. 6A:32-7.4.

No person shall be subject to arrest or prosecution for constructive possession, conspiracy, or any other offense for simply being in the presence or vicinity of the medical use of cannabis as authorized under N.J.S.A. 24:6I-1 et seq. or N.J.S.A. 18A:40-12.22. No custodial parent or person who has legal custody of a qualifying student patient who is a minor shall be subject to arrest or prosecution for constructive possession, conspiracy, or any other offense for assisting the minor in the medical use of cannabis as authorized under N.J.S.A. 24:6I-1 et seq. or N.J.S.A. 18A:40-12.22.

7425 LEAD TESTING OF WATER IN SCHOOLS

The health, safety, and welfare of the children in the school district are of utmost importance to the Board of Education. The potential exposure to lead-contaminated drinking water poses serious health problems, particularly for children, as well as for teachers and school personnel, since the risk of lead contamination can come from pipe and plumbing fixtures in school facilities or on school grounds. The Board shall assure the availability of potable drinking water through sanitary means in school facilities or on school grounds. The Board of Education shall provide, in accordance with N.J.A.C. 6A:26-12.4, testing for lead in all district sources of drinking water.

The Board shall conduct lead sampling and analysis in all drinking water outlets to which a student or staff member has, or may have, access in each school facility, other facility, or temporary facility, as soon as practicable, but no later than July 13, 2017, unless the district qualifies for an exemption in accordance with N.J.A.C. 6A:26-12.4(j). This lead sampling and analysis shall be conducted with a lead sampling plan in accordance with N.J.A.C. 6A:26-12.4(d)1, 2, and 3, and shall be in accordance with the Safe Drinking Water Act, N.J.S.A. 58:12A-1.

The Superintendent of Schools or designee shall complete a review of the final laboratory results within seventy-two hours of receipt. Within twenty-four hours after the Superintendent or designee has completed a review of final laboratory results in accordance with the provisions of N.J.A.C. 6A:26-12.4(e), the test results shall be made publicly available at the school facility and on the Board of Education's website. If any results exceed the permissible lead action level, the Board shall provide written notification to the parents of all students attending the facility, facility staff, and the New Jersey Department of Education. This written notification shall include: a description of the measures taken by the Superintendent or designee to immediately end the use of each drinking water outlet where the water quality exceeded the permissible lead action level; any additional remedial action taken or planned by the Board of Education; the measures taken to ensure that alternate drinking water has been made available to all students and staff members; where the water outlet(s) is located; and information regarding the health effects of lead in accordance with N.J.A.C. 6A:26-12.4(e)1 and 2.

Notwithstanding the results or date of any prior testing, the Board shall continue to test drinking water outlets in the designated Statewide required testing year, which shall be every third school year beginning with the 2021-2022 school year and subsequently occurring in the 2024-2025 school year. By no later than June 30 of the designated Statewide required testing year, the Board shall test all drinking water outlets in accordance with N.J.A.C. 6A:26-12.4(g)1. The Board shall sample for lead after the replacement of any drinking water outlet or any other alteration to plumbing or service lines that may impact lead levels at the outlet, in accordance with N.J.A.C. 6A:26-12.4(g)2.

The Board shall submit to the New Jersey Department of Education by June 30 of each year a statement of assurance, that the school district completed lead testing in accordance with N.J.A.C. 6A:26-12.4; that notifications were provided consistent with N.J.A.C. 6A:26-12.4; and that alternative drinking water continues to be made available to all students and staff, if necessary, pursuant to N.J.A.C. 6A:26-12.4(i).

The Board may apply for reimbursement for the costs of any water supply testing and analysis conducted, in accordance with N.J.A.C. 6A:26-12.4(k).

2415 EVERY STUDENT SUCCEEDS ACT

The Every Student Succeeds Act (ESSA) is a reauthorization of the Elementary and Secondary Education Act (ESEA) of 1965 that provides Federal funds to help all New Jersey's school children achieve.. The purpose of the ESSA is to ensure all students have equitable access to high-quality educational resources and opportunities and to close educational achievement gaps. The Board of Education elects to augment the instructional program of students by projects supported by Federal funds allocated under the ESSA and the district will comply with the requirements of all the programs authorized by the ESSA .

The district may be eligible for several grant programs funded through the ESSA , including, but not limited to, Title I through Title VII. Many of the Titles of the ESSA have several parts and subparts that provide a funding source for specific purposes.

**Application Procedure**

The district will submit an annual ESSA Consolidated Formula Subgrant Application to the New Jersey Department of Education (NJDOE). The school district's application shall include all information required by the NJDOE and the ESSA for the district to be considered for funding under the ESSA .

**Covered Programs**

Formula grants under the ESSA are non-competitive grants that school districts are eligible for based on the make-up of their student bodies. These formula grants for each Title are committed to different purposes and may be used to support different activities and programs.

**Title I**

The largest Federal program supporting elementary and secondary education is Title I. The ESSA strengthens Title I requirements for the State's assessments, accountability system, and support for school improvement. The law also requires minimum qualifications for teachers and paraprofessionals in Title I programs.

The school district must use the best available measure for identifying children from low-income families to: identify eligible school attendance areas, determine the ranking of each area, and determine allocations as identified in the Title I guidelines and regulations.

The school district will offer Title I services to eligible children enrolled in private elementary and secondary schools. The services and benefits will be equitable in comparison to services and benefits for participating public school children.

The school district will provide the New Jersey Department of Education assurances it will provide the maximum coordination between the Title I program, the regular school program, and services provided

by other programs for specialized populations. The Title I program will consider the special needs of homeless children, migrant children, children with disabilities and limited English Language Learner (ELL) children. Title I funds will be reserved so that migrant children who are otherwise eligible to receive Title I services, even if they arrive during the school year, are served.

#### Type of Title I Program

The school district will offer a Target Assistance program.

#### Target Assistance Program

Schools that are not eligible for (or do not choose to operate) school-wide Title I programs must use Title I funds to provide targeted services to low-achieving students. A Target Assistance program must be established in accordance with the Title I guidelines and regulations and the New Jersey Department of Education.]

#### New Jersey Department of Education Accountability System

The district will comply with the accountability system established by the New Jersey Department of Education and outlined in the New Jersey State Plan and approved by the United States Department of Education .

#### Fiscal Responsibility

The district will comply with the requirements as outlined in Policy 2415.02 Title I – Fiscal Responsibilities in accordance with the NJDOE and the ESSA .

#### Staff

The district will comply with the staff certification requirements of the ESSA and the NJDOE . In addition, the district will ensure all paraprofessionals meet the requirements as established by the ESSA and as outlined in Policy 4125 – Employment of Support Staff Members.

#### Parental Involvement

The district will comply with the requirements as outlined in Policy 2415.04 – Parental Involvement in accordance with the NJDOE and the ESSA .

#### Student Surveys, Analysis, and/or Evaluations

The Protection of Pupil Rights Amendment (PPRA) applies to school districts that receive Federal funding from the United States Department of Education. The district will comply with the requirements as outlined in Policy 2415.05 - Student Surveys, Analysis, and/or Evaluations in accordance with the PPRA.

#### Unsafe School Choice Option

In the event there is a school in the district designated as Persistently Dangerous in accordance with the Victims of Violent Criminal Offenses as outlined in the ESSA , the district will comply with the requirements of Policy 2415.06 – Unsafe School Choice Option in accordance with the NJDOE and the ESSA .

#### Property

Property acquired through Title I funds for use in public or private schools will be acquired in accordance with the Public School Contracts Law, will be held in title by the Board of Education, and will not be used for other purposes so long as it is required in the Title I program. Property no longer required for Title I purposes will be used for other, similarly funded projects or disposed of in accordance with State and Federal guidelines.

#### Capital Expenses

The Superintendent will assure the district abides by New Jersey’s Public Contracts Law; consults appropriate private school officials prior to making any decisions regarding capital expenses; ensure funds that are received to cover capital expenses provide equitable Title I services to private school students; ensure accounts for any capital funding is separately maintained; and assure lease purchase agreements are consistent with applicable statute and administrative code.

#### Post-Award Requirements

The school district will maintain all project records for five years following the completion of the activity for which the funds were used. The school district will prepare and submit all reports as required by the State Department of Education in a timely manner.

#### Supplement, Not Supplant

Grant funds provided under Federal programs, including the ESEA of 1965 as amended by the ESSA , shall supplement, not supplant the funds that would, in the absence of such Federal funds, be made

available from State and local sources for the education of students participating in programs assisted under the ESEA of 1965 as amended by the ESSA.

#### Evaluation

The Superintendent or designee will evaluate the ESSA programs as required by the United States and the New Jersey Departments of Education.

~~2415.01 ACADEMIC STANDARDS, ACADEMIC ASSESSMENTS,  
AND ACCOUNTABILITY~~

~~The *No Child Left Behind Act of 2001* (NCLB), a reauthorization of the *Elementary and Secondary Education Act* (ESEA), requires New Jersey to implement a single accountability system to include challenging academic content and academic achievement standards. The accountability requirements under NCLB were built on the foundation of the former *Improving America's Schools Act* (IASA).~~

~~To meet the Federal requirements, New Jersey has adopted the New Jersey Single Accountability System. State assessments in language arts literacy and mathematics are based on the New Jersey Core Curriculum Content Standards. All pupils enrolled in New Jersey public schools, plus all pupil subgroups, must meet the proficiency benchmarks to ensure the goal of 100% proficiency. Pupils must score either "proficient" or "advanced proficient" on the assessments to be counted toward meeting the benchmarks.~~

~~Schools are evaluated using adequate yearly progress (AYP) indicators. Pupil achievement is determined by grade span (Elementary School—grades three through five, Middle School—grades six through eight, and High School—grades nine through twelve) and in each content area. There are indicators that must be met (including participation and proficiency rates) plus a secondary indicator. A safe harbor calculation is applied to measure significant progress if the benchmark is missed. When a school does not meet AYP for two consecutive years in the same content area, it is designated as a "school in need of improvement."~~

~~AYP shall be calculated for all New Jersey schools under the provisions of NCLB. Schools that do not meet AYP as defined under NCLB are placed into one of the following categories. Title I schools in need of improvement must implement the sanctions for each category.~~

~~Year 1 – Early Warning: A school that does not make AYP for one year is placed into "early warning" status.~~

~~Year 2 – In Need of Improvement/School Choice: A school that does not make AYP for two consecutive years in the same content area is designated as a “school in need of improvement.” Parents/legal guardians shall be promptly notified if their child’s school has been designated as in need of improvement. For Title I schools certain interventions apply, including intradistrict school choice (or supplemental educational services if choice is not available) and development of a school improvement plan (Title I Unified Plan). The district must offer the school technical assistance to address the areas that caused the school to be in need of improvement. Parents/legal guardians shall be notified of their right to request intradistrict public school choice and parents/legal guardians of eligible pupils shall be notified of the availability of supplemental educational services, if choice is not available, including the provider list Web address.~~

~~Year 3 – In Ne ed of Improvement/Supplemental Educational Services (SES): A school that does not make AYP for three consecutive years in the same content area shall continue to be identified as a “school in need of improvement.” The Title I school must continue to offer intradistrict school choice and must *also* offer SES to eligible pupils. Technical assistance must continue to be offered by the district, parents must receive notification of the school’s status, and the school improvement plan (Title I Unified Plan) is updated annually. Parents/legal guardians of eligible pupils shall be notified of the availability of supplemental educational services, if choice is not available, including the provider list Web address.~~

~~The New Jersey Department of Education (NJDOE) offers school support by engaging a team of experienced professionals to conduct an extensive school review called Collaborative Assessment and Planning for Achievement (CAPA). The CAPA team interviews stakeholders and staff, reviews school and district documents, and conducts on-site observations to develop a report that contains recommendations for school improvement, which then becomes part of the Title I Unified Plan.~~

~~Year 4 – Corrective Action: A school that does not make AYP for four consecutive years in the same content area is identified as a school in corrective action. The Title I school must continue to offer intradistrict school choice and SES, notify parents of the school’s status, revise its school improvement plan (Title I Unified Plan), and receive technical assistance from the district and the NJDOE.~~

~~The district must take at least one of the following corrective actions:~~

- ~~1. Provide, for all relevant staff, appropriate, scientifically research based professional development that is likely to improve academic achievement of low performing pupils.~~
- ~~2. Institute a new curriculum grounded in scientifically based research and provide appropriate professional development to support its implementation.~~
- ~~3. Extend the length of the school year or school day.~~
- ~~4. Replace the school staff who are deemed relevant to the school not making adequate progress.~~
- ~~5. Significantly decrease management authority at the school.~~
- ~~6. Restructure the internal organization of the school.~~
- ~~7. Appoint one or more outside experts to advise the school how to revise and strengthen the improvement plan it created while in school improvement status and how to address the specific issues underlying the school’s continued inability to make AYP.~~

~~Year 5 – Planning for Restructuring: A Title I school that does not make AYP for five consecutive years in the same content area must plan to restructure. The restructuring plan is implemented at the beginning of the following school year if the school continues to miss AYP benchmarks and moves to Year 6. During the planning year, the Title I school must continue to offer intradistrict school choice and SES, notify parents of the school’s status and invite parent input during the restructuring process, and receive technical assistance from the district and the NJDOE. The technical assistance design for a school being restructured emphasizes the following:~~

1. ~~The importance of improving instruction by using strategies grounded in scientifically-based research so that all children in the school achieve proficiency in the core academic subjects of language arts and mathematics.~~

2. ~~The importance of analyzing and applying data in decision making.~~

~~The restructuring plan must include one of the following alternative governance systems for the school as outlined by NCLB regulations and consistent with New Jersey practice and statutes:~~

1. ~~Implement any major restructuring of the school's governance that is consistent with the principles of restructuring as set forth in the *No Child Left Behind Act*.~~

2. ~~Re-open the school as a public charter school as defined by State statute and regulation (N.J.S.A. 18A:36A-1 et seq. and N.J.A.C. 6A).~~

3. ~~Replace all or most of the school staff, which may include the Principal, who are relevant to the school's inability to make adequate progress (consistent with existing contractual provisions and applicable statutory protections in Title 18A).~~

~~Year 6—Restructuring 1: A Title I school that does not make AYP for six consecutive years in the same content area must implement the approved restructuring plan. The Title I school must continue to offer intradistrict school choice and SES, notify parents of the school's status and invite parent input and support during the implementation process, and receive technical assistance from the district and the NJDOE. Technical assistance is critical to help school staff remain focused on increasing pupil achievement while the school is adjusting to potentially radical changes in its administration and governance structures. A CAPA visit will occur at the school to determine the fidelity of implementation of the restructuring plans and to review the governance structure of the school.~~

~~Year 7 (and over) — Restructuring 2 (and over): If the school has not made AYP for seven or more consecutive years, the NJDOE will meet with school and district administrators to continually review implementation of the restructuring plan/Title I Unified Plan. Benchmark meetings with NJDOE staff, the school, and the district will occur twice a year to assess and support implementation of the school improvement plan.~~

~~Removal from Early Warning/Improvement Status: To be removed from early warning or improvement status, the school must make AYP for two consecutive years in the content area that caused the school to go into status, providing the school makes AYP in the other content areas. The first year of making AYP is a “hold year” and the school does *not* progress to the next sanction level, but must continue to implement current interventions. If the school does not make AYP the year following “hold,” the school goes back into improvement status at the level prior to the hold year.~~

2415.02 TITLE I – FISCAL RESPONSIBILITIES

The Ridgewood Board of Education will comply with the requirements of the Elementary and Secondary Education Act (ESEA) of 1965 (20 U.S.C. 2701 et seq.) as amended by the Every Student Succeeds Act (ESSA) .

**Maintenance of Effort**

To be in compliance with the requirements of the ESEA as amended by the ESSA , the Ridgewood Board of Education will maintain either a combined fiscal effort per student or aggregate expenditures of State and local funds with respect to the provision of the free public education by the Local Education Agency (LEA) for the preceding fiscal year that is not less than ninety percent of the combined fiscal effort per student or the aggregate expenditures for the second preceding fiscal year.

**Comparability with Multiple Schools**

To be in compliance with the requirements of the ESEA as amended by the ESSA , the Ridgewood Board of Education directs the Superintendent to assign teachers, administrators, and auxiliary personnel to the schools in such a way that the equivalence of personnel is ensured among schools. The school district will ensure that State and local funds are used to provide comparable services for Title I and non-Title I schools.

**Comparability of Materials and Supplies**

To be in compliance with the requirements of the ESEA as amended by the ESSA , the Board of Education directs the Superintendent to distribute curriculum materials and instructional supplies to the schools in such a way that the equivalence of such material is ensured among schools.

**Supplement, Not Supplant**

Grant funds provided under Federal programs, including the ESEA as amended by the ESSA, shall supplement, not supplant the funds that would, in the absence of such Federal funds, be made available from State and local sources for the education of students participating in programs assisted under the ESEA as amended by the ESSA.

2415.03 HIGHLY QUALIFIED TEACHERS

~~The No Child Left Behind Act (NCLB) requires all teachers be or become highly qualified in the core academic content area(s) they teach in accordance with the United States Department of Education and the New Jersey Department of Education highly qualified teacher requirements.~~

~~Teachers who have achieved highly qualified status retain highly qualified status permanently for the teaching assignment designated on the approved highly qualified teacher forms. No teacher providing direct instruction in core content areas is grandfathered or exempt from this process.~~

~~The district shall maintain the appropriate highly qualified documentation for all teachers who provide direct instruction in core content areas. When a teacher changes teaching assignments, which requires different content expertise, additional highly qualified teacher forms must be completed and kept on file within the district. Highly qualified teacher documentation should be completed for all new teachers and for those with new teaching assignments at the beginning of each school year.~~

~~When a teacher obtains employment in a new school district, the new district must contact the previous place of employment to have the teacher's official highly qualified teacher forms sent to the new district. A teacher hired from another State must hold New Jersey certification and must meet New Jersey's highly qualified teacher requirements. Out of State teachers may provide documentation to support their highly qualified teacher status from the previous State in which they taught.~~

~~All Title I schools must send out a Right to Know letter in the beginning of every school year informing parent(s) or legal guardian(s) that they have the right to know the qualifications of their child's teacher. The letter should be sent by all Title I and non Title I districts. In addition, in all Title I schools, the parent(s) or legal guardian(s) of pupils whose teacher is not yet highly qualified must be notified. Copies of these letters must be kept on file in the school.~~

2415.05 STUDENT SURVEYS, ANALYSIS, AND/OR EVALUATIONS

The Protection of Pupil Rights Amendment (PPRA) (20 U.S.C. §1232h; 34 CFR Part 98) applies to school districts that receive funding from the United States Department of Education.

**Consent**

PPRA requires written consent from parents of unemancipated minor students and students who are eighteen years old or emancipated minor students before such students are required to participate in a survey, analysis, or evaluation funded in whole or in part by a program of the United States Department of Education that concerns one or more of the following areas referred to as “protected information surveys”:

1. Political affiliations or beliefs of the student or student’s parent;
2. Mental or psychological problems of the student or student’s family;
3. Sex behavior or attitudes;
4. Illegal, anti-social, self-incriminating or demeaning behavior;
5. Critical appraisals of others with whom respondents have close family relationships;
6. Legally recognized privileged or analogous relationships, such as with lawyers, physicians, and ministers;
7. Religious practices, affiliations, or beliefs of the student or parents;
8. Income (other than that required by law to determine eligibility for participation in a program or for receiving financial assistance under such program); or
9. Social security number.

This consent requirement also applies to the collection, disclosure or use of student information for marketing purposes, referred to as “marketing surveys”, and for certain physical examinations and screenings.

**“Opt a Student Out” Notice**

The parents of unemancipated minor students and students who are eighteen years old or emancipated minor students will be provided an opportunity to opt out of participating in:

1. The collection, disclosure, or use of personal information obtained from students for marketing, to sell, or otherwise distribute information to others;
2. The administration of any other “protected information survey” not funded in whole or in part by the United States Department of Education; and
3. Any non-emergency, invasive physical examination required as a condition of attendance, administered by the school district or its agents, and not necessary to protect the immediate health and safety of a student, except for hearing, vision, scoliosis screenings, or any physical examination or screening permitted or required under State law.

### Inspection

The parents of unemancipated minor students and students who are eighteen years old or emancipated minor students, upon request and before administration or use, have the right to inspect:

1. Protected information surveys of students;
2. Instruments used to collect personal information from students for any of the above marketing, sales, or other distribution purposes; and
3. Instructional material used as part of the educational curriculum.

The Superintendent shall be responsible for obtaining the consent, annual direct notification to parents and eligible students at the start of each school year and after any substantive changes of the “opt a student out” rights, and the inspection rights provisions of PPRA and this Policy. The “opt a student out” notice shall include any specific or approximate dates of the activities eligible for a student to “opt out.”

### PPRA Consent/Opt Out Violations

Parents or students who believe their rights under PPRA may have been violated may file a complaint with United States Department of Education.

2415.20 EVERY STUDENT SUCCEEDS ACT COMPLAINTS

The Every Student Succeeds Act (ESSA) reauthorized the Elementary and Secondary Education Act of 1965 (ESEA). A Board of Education shall adopt a policy and written procedures for resolving a written complaint presented by an individual or organization that alleges violations in the administration of the ESSA programs as identified by the New Jersey Department of Education (NJDOE).

Policy and Regulation 2415.20 set forth the requirements for resolving complaints presented by any individual or organization that:

1. A school, school district, other agency authorized by the school district, or by the NJDOE violated the administration of education programs authorized by the ESEA as amended by the ESSA ; and/or
2. The NJDOE violated the administration of education programs required by the ESEA as amended by the ESSA .

Complaints regarding nonpublic school officials alleging school district noncompliance must pertain to at least one of the following three specific reasons:

1. The school district did not engage in consultation that was meaningful and timely;
2. The school district did not give due consideration to the views of the nonpublic school officials; or
3. The school district did not make a decision that treats the nonpublic school or its students equitable and in accordance with ESEA Section 1117 or Section 8501.

A complaint shall be written and must identify, at a minimum, the alleged ESEA violation; a description of previous steps taken to resolve the matter; the facts supporting the alleged violation as understood by the complainant at the time of submission; and any supporting documentation.

A complaint alleging a school in the district, school district, or other agency authorized by the school district, or the NJDOE violated the administration of a program must be submitted to the \_\_\_\_\_ (district administrator responsible for ESSA compliance). The \_\_\_\_\_ (district administrator responsible for ESSA compliance) shall be responsible to coordinate the investigation of the complaint. The \_\_\_\_\_ (district

administrator responsible for ESSA compliance) shall submit a written report regarding the outcome of the investigation to the complainant.

If the complainant is not satisfied with the outcome of the investigation by the school district, the complainant must submit a written complaint to the Executive County Superintendent for the county where the school district is located. This process does not apply to alleged violations concerning participation of nonpublic school children.

The Executive County Superintendent will coordinate the investigation of a complaint. When the investigation is complete, the Executive County Superintendent will notify the complainant in writing regarding the outcome of the investigation. If it is determined a violation has occurred, the Executive County Superintendent will identify and impose the appropriate consequences or corrective action in accordance with statute and/or regulation to resolve the complaint. If the complainant is not satisfied with the determination that is made by the Executive County Superintendent, the complainant may submit a written request for review of that determination to the Assistant Commissioner.

A complaint alleging the NJDOE violated the administration of a program must be submitted to the designated New Jersey Department of Education Assistant Commissioner. The appropriate NJDOE Office assigned by the Assistant Commissioner will coordinate the investigation of a complaint. When the investigation is complete, the Assistant Commissioner will notify the complainant in writing regarding the outcome of the investigation. If it is determined a violation has occurred, the Assistant Commissioner will identify and impose the appropriate consequences or corrective actions as required by statute and/or regulation to resolve the complaint. If a complainant does not agree with the NJDOE's decision, the complainant may appeal to the Secretary of the United States Department of Education.

To initiate a complaint regarding participation of nonpublic school children, a complainant must submit a written complaint to the NJDOE Nonpublic Ombudsman in accordance with NJDOE procedures.

4125 EMPLOYMENT OF SUPPORT STAFF MEMBERS

The Board of Education believes it is vital to the successful operation of the district that support staff positions be filled with highly qualified and competent employees.

In accordance with the provisions of N.J.S.A. 18A:27-4.1, the Board shall appoint, transfer, remove, or renew a certificated or non-certificated officer or employee only upon the recommendation of the Superintendent of Schools and by a recorded roll call majority vote of the full membership of the Board. The Board shall not withhold its approval for arbitrary and capricious reasons. The Board shall approve the employment, fix the compensation, and establish the term of employment for every support staff member employed by this district.

The Board may employ substitutes and/or contract for substitutes for absent support staff members in order to ensure continuity in a program. The Board will annually approve a list of substitutes and rate of pay and/or the Board will approve a contract for a contracted service provider to provide substitute support staff members.

The Board of Education shall not employ for pay or contract for the paid services of any support staff member or any other person serving in a position which involves regular contact with students unless the Board has first determined consistent with the requirements and standards of N.J.S.A. 18A:6-7.1 et seq. that no criminal history record information exists on file in the Federal Bureau of Investigation, Identification Division, or the State Bureau of Identification which would disqualify the individual from being employed or utilized in such capacity or position.

An individual employed by the Board or a school bus contractor holding a contract with the Board, in the capacity of a school bus driver, shall be required to meet the criminal history record requirements as outlined in N.J.S.A. 18A:39-19.1.

The Board will employ paraprofessional school aides and/or classroom aides to assist in the supervision of student activities under the direction of a Principal, teacher, or other designated certified professional personnel. Aides will serve the needs of students by performing nonprofessional duties and may work only under the direct supervision of a teaching staff member(s).

In accordance with the requirements of , the Every Student Succeeds Act (ESSA), paraprofessionals hired after January 8, 2002, who work in a program supported with Title I, Part A funds, with certain exceptions, must meet one of the following criteria:

1. Completed at least two years of study at an institution of higher education;
2. Obtained an associate's (or higher) degree; or
3. Met a rigorous standard of quality and be able to demonstrate, through a formal State or local academic assessment, knowledge of and the ability to assist in instructing, reading, writing, and mathematics (or, as appropriate, reading readiness, writing readiness, and mathematics readiness).

Paraprofessional staff working in a Title I school, and whose salary is paid for in whole or in part with Title I funds, must meet one of the criteria listed above . The Superintendent or designee will ensure paraprofessionals working in a program supported with Title I funds meet the above stated requirements. An individual employed by the Board in any substitute capacity or position shall be required to undergo a criminal history record check in accordance with the provisions of N.J.S.A. 18A:6-7.1b.

An individual, except as provided in N.J.S.A. 18A:6-7.1g, shall be permanently disqualified from employment or service in the school district if the criminal history record check reveals a record of conviction for any crime or offense as defined in N.J.S.A. 18A:6-7.1 et seq.

The Board or contracted service provider may employ an applicant on an emergent basis for a period not to exceed three months, pending completion of a criminal history record check if the Board or contracted service provider demonstrates to the Commissioner of Education that special circumstances exist which justify the emergent employment as prescribed in N.J.S.A. 18A:6-7.1c. In the event the criminal history record check is not completed for an emergent hired employee within three months, the Board or contracted service provider may petition the Commissioner for an extension of time, not to exceed two months, in order to retain the employee.

No criminal history record check shall be performed unless the applicant shall have furnished written consent to such a check. The applicant shall bear the cost for the criminal history record check, including all costs for administering and processing the check. The district will deny employment to an applicant if the applicant is required and refuses to submit to a criminal history record check.

The Board of Education prohibits any relative of a Board member or the Superintendent of Schools from being employed in an office or position in the school district in accordance with the provisions of N.J.A.C. 6A:23A-6.2 and Board Policy 0142.1 – Nepotism.

6360 POLITICAL CONTRIBUTIONS

## Political Contribution Disclosure Requirements

In accordance with the requirements of Section 2 of P.L. 2005, Chapter 271 (N.J.S.A. 19:44A-20.26), the Board of Education shall have on file, to be maintained with other documents related to a contract, the following documents to award a contract to any business entity receiving a contract with an anticipated value in excess of \$17,500, regardless of the basis upon which the contract is awarded:

1. A Political Contribution Disclosure (PCD) form submitted by the business entity (at least ten days prior to award); and
2. A Business Registration Certificate (anytime prior to award).

“Business entity” means a for-profit entity that is a natural or legal person, business corporation, professional services corporation, limited liability company, partnership, limited partnership, business trust, association or any other legal commercial entity organized under the laws of New Jersey or any other State or foreign jurisdiction.

The \$17,500 contract amount is not related to the Board’s bid threshold and does not exempt the district from the requirements of the Public School Contracts Law or other applicable purchasing statutes.

The \$17,500 contract amount threshold is subject to the principle of aggregation rules in accordance with the Division of Local Government Services guidance. Unlike the Public School Contracts Law, aggregation thresholds for this Policy and Chapter 271 purposes shall be calculated at the vendor level – meaning, when a vendor receives more than \$17,500 in a school district’s fiscal year, a PCD form shall be required.

The disclosure provisions of N.J.S.A. 19:44A-20.26 do not apply in cases where there is a “public emergency” that requires the immediate delivery of goods or services.

Insurance companies and banks are prohibited under State law from making political contributions. However, because the PCD form reflects contributions made by partners, Boards of Directors, spouses, etc., PCD forms are required ten days prior to the approval of a depository designation resolution or insurance company contract awarded by the Board. A PCD form is also required when a contract in excess of \$17,500 is made to an insurance broker. A PCD form is required from the company receiving the contract, regardless of the entity issuing an insurance policy.

PCD forms are required for Board of Education contracts in excess of \$17,500 with a New Jersey Department of Education “Approved In-State Private School for the Disabled.” Chapter 271 also applies to in-State private special education schools, educational services under any Federally funded program, early childhood school providers – DHS approved, and other similar programs.

If the school district spends more than \$17,500 in a school year with a newspaper, the selection of the newspaper is subject to the provisions of Chapter 271.

PCD forms are not required for regulated public utility services, as the Board is required by the Board of Public Utilities to use a specific utility. This exception does not apply to non-regulated public utility services, such as generated energy (not tariffed), or long-distance telephone services where other procurement practices are used.

PCD forms are not required for membership to the New Jersey School Boards Association.

A non-profit organization having proper documentation from the Internal Revenue Service (IRS) showing it is registered with the IRS as a 501(c) type corporation is not required to file a PCD form.

A PCD form is not required for contracts with governmental agencies, including State colleges and universities.

If the original contract provided for the possibility of an extension(s), Chapter 271 compliance is not required if the extension/continuation is based on that original contract.

**8330 STUDENT RECORDS**

The Board of Education believes that information about individual students must be compiled and maintained in the interest of the student's educational welfare and advancement. The Board will strive to balance the student's right to privacy against the district's need to collect, retain, and use information about individual students and groups of students. The Board authorizes the establishment and maintenance of student files that include only those records mandated by law, rules of the State Board of Education, authorized administrative directive, and those records permitted by this Board.

The Superintendent shall prepare, present to the Board for approval, and distribute regulations that implement this Policy and conform to applicable State and Federal law and rules of the State Board of Education.

**General Considerations**

The Board shall compile and maintain student records and regulate access, disclosure, or communication of information contained in educational records in a manner that assures the security of such records in accordance with the provisions of N.J.A.C. 6A:32-7.1 et seq. Student records shall contain only such information as is relevant to the education of the student and is objectively based on the personal observations or knowledge of the certified school personnel who originate(s) the record. The school district shall provide annual, written notification to parents, adult students, and emancipated minors of their rights in regard to student records and student participation in educational, occupational, and military recruitment programs. Copies of the applicable State and Federal laws and local policies shall be made available upon request. The school district shall make every effort to notify parents and adult students in their dominant language.

A nonadult student may assert rights of access only through his or her parent(s). However, nothing in N.J.A.C. 6A:32-7 shall be construed to prohibit certified school personnel from disclosing at their discretion student records to non-adult students or to appropriate persons in connection with an emergency, if such knowledge is necessary to protect the health or safety of the student or other persons.

No liability shall be attached to any member, officer, or employee of the Board permitting access or furnishing student records in accordance with N.J.A.C. 6A:32-7.1 et seq.

**Student Information Directory**

A student information directory is a publication of the Board that includes information relating to a student as defined in N.J.A.C. 6A:32-2.1. This information includes: name; grade level; date and place of birth; dates of school attendance; major field of study; participation in officially recognized activities; weight and height relating to athletic team membership; degrees; awards; the most recent educational agency attended by the student; and other similar information. The student information directory shall be used only by authorized school district personnel and for designated official use by judicial, law enforcement, and medical personnel and not for general public consumption.

In the event the school district publishes a student information directory, the Superintendent or designee will provide a parent or adult student a ten-day period to submit to the Superintendent a written statement prohibiting the school district from including any or all types of information about the student in any student information directory before allowing access to such directory to educational, occupational, and military recruiters pursuant to N.J.S.A. 18A:36-19.1 and 20 U.S.C. §8528 - Armed Forces Recruiter Access to Students and Student Recruiting Information of the Elementary and Secondary Education Act (ESEA) of 1965 . In accordance with N.J.S.A. 18A:36-19.1, military recruiters will be provided the same access to a student information directory that is provided to educational and occupational recruiters.

#### School Contact Directory for Official Use

A school contact directory for official use is a compilation by the school district that includes the following information for each student: name; address; telephone number; date of birth; and school enrollment. The district shall compile and maintain a school contact directory for official use that is separate and distinct from the student information directory. The student contact directory may be provided for official use only to judicial and law enforcement personnel, and to medical personnel currently providing services to the student in question. To exclude any information from the school contact directory for official use the parent, adult student, or emancipated minor shall notify the Superintendent or designee in writing.

#### Mandated and Permitted Student Records

Mandated student records are those records school districts have been directed to compile by State statute, regulations, or authorized administrative directive in accordance with N.J.A.C. 6A:32-7.3.

Permitted student records are those student records not mandated pursuant to N.J.A.C. 6A:32-7.3, but authorized by the Board to promote the student's educational welfare. The Board shall authorize the permitted records to be collected by adopting Policy and Regulation 8330, which will list such permitted records.

#### Maintenance and Security of Student Records

The Superintendent or designee shall be responsible for the security of student records maintained in the school district. Policy and Regulation 8330 assure that access to such records is limited to authorized persons.

Records for each individual student may be stored electronically or in paper format. When student records are stored electronically, proper security and back-up procedures shall be administered.

Student health records, whether stored on paper or electronically, shall be maintained separately from other student records, until such time as graduation or termination, whereupon the health history and immunization record shall be removed from the student's health record and placed in the student's mandated record. Records shall be accessible during the hours in which the school program is in operation.

Any district internet website shall not disclose any personally identifiable information about a student without receiving prior written consent from the student's parent, in accordance with the provisions of N.J.S.A. 18A:36-35. Personally identifiable information means student names; student photos; student addresses; student e-mail addresses; student phone numbers; and locations and times of class trips.

#### Access to Student Records

Only authorized organizations, agencies, or persons as defined in N.J.A.C. 6A:32-7.5 shall have access to student records, including student health records. Access to student records shall be provided to persons authorized such access under N.J.A.C. 6A:32-7.1 et seq. within ten days of a request, but prior to any review or hearing conducted in accordance with N.J.A.C. 6A.

The district shall control access to, disclosure of, and communication regarding information contained in student health records to assure access only to people permitted by Federal and State statute and regulations in accordance with N.J.A.C. 6A:32-7.5.

The district may charge a reasonable fee for reproduction of student records, not to exceed the schedule of costs set forth in N.J.S.A. 47:1A-5, provided that the cost does not effectively prevent the parents or adult students from exercising their rights under N.J.A.C. 6A:32-7 or other Federal and State rules and regulations regarding students with disabilities, including N.J.A.C. 6A:14.

Access to and disclosure of a student's health record shall meet the requirements of the Family Education Rights and Privacy Act, 34 C.F.R. Part 99 (FERPA).

Only authorized organizations, agencies, or persons as defined in N.J.A.C. 6A:32-7.5 shall have access to student records, including student health records.

Nothing in N.J.A.C. 6A:32-7.1 et seq. or in Policy and Regulation 8330 shall be construed to prohibit school personnel from disclosing information contained in the student health record to students or adults in connection with an emergency, if such knowledge is necessary to protect the immediate health or safety of the student or other persons.

In complying with N.J.A.C. 6A:32-7 – Student Records, individuals shall adhere to requirements pursuant to N.J.S.A. 47:1A-10, the Open Public Records Act (OPRA) and 34 CFR Part 99, the Family Educational Rights and Privacy Act (FERPA).

#### Conditions for Access to Student Records

All authorized organizations, agencies, and persons defined in N.J.A.C. 6A:32-7.1 et seq. shall have access to the records of a student subject to conditions outlined in N.J.A.C. 6A:32-7.6(a).

#### Rights of Appeal for Parents and Adult Students

Student records are subject to challenge by parents and adult students on the grounds of inaccuracy, irrelevancy, impermissible disclosure, inclusion of improper information or denial of access to organizations, agencies, and persons in accordance with N.J.A.C. 6A:32-7.7(a).

To request a change in the record or to request a stay of disclosure pending final determination of the challenged procedure, the parent or adult student shall follow the procedures pursuant to N.J.A.C. 6A:32-7.7(b).

Appeals relating to student records for students with disabilities shall be processed in accordance with the requirements of N.J.A.C. 6A:32-7.7(b).

Regardless of the outcome of any appeal, a parent or adult student shall be permitted to place in the student record a statement commenting upon the information in the student record or setting forth any reasons for disagreement with the decision made in the appeal. Such statements shall be maintained as part of the student record as long as the contested portion of the record is maintained. If the contested portion of the record is disclosed to any party, the statement commenting upon the information shall also be disclosed to that party.

#### Retention and Disposal of Student Records

A student record is considered to be incomplete and not subject to the provisions of the Destruction of Public Records Law, N.J.S.A. 47:3-15 et seq., while the student is enrolled in the school district. The school district shall retain the student health record and the health history and immunization record according to the School District Records Retention Schedule, as determined by the New Jersey State Records Committee.

Student records of currently enrolled students, other than that described in N.J.A.C. 6A:32-7.8(e), may be disposed of after the information is no longer necessary to provide educational services to a student and in accordance with the provisions of N.J.A.C. 6A:32-7.8(b).

Upon graduation or permanent departure of a student from the school district, the parent or adult student shall be notified in writing that a copy of the entire student record will be provided to them upon request. Information in student records, other than that described in N.J.A.C. 6A:32-7.8(e), may be disposed of, but only in accordance with the Destruction of Public Records Law, N.J.S.A. 47:3-15 et seq. Such disposition shall be in accordance with the provisions of N.J.A.C. 6A:32-7.8(c)2.

No additions shall be made to the record after graduation or permanent departure without the prior written consent of the parent or adult student.

In accordance with N.J.A.C. 6A:32-7.8(e), the New Jersey public school district of last enrollment, graduation, or permanent departure of the student from the school district shall keep for 100 years a mandated record of a student's name, date of birth, name of parents, gender, health history and

immunization, standardized assessment results, grades, attendance, classes attended, grade level completed, year completed, and years of attendance

**9713 RECRUITMENT BY SPECIAL INTEREST GROUPS**

Representatives of bona fide educational institutions, occupational agencies, and the United States Armed Forces may recruit students on school premises by participation in assembly programs, career day activities, and the like and by distributing literature. Permission to recruit on school premises must be requested in writing thirty working days before the planned activity and must be approved in advance by the Superintendent or designee. The Superintendent or designee shall not favor one recruiter over another, but shall not approve an activity that, in the judgment of the Superintendent or designee, carries a substantial likelihood of disrupting the educational program of the school or school district.

Nothing in this Policy shall be construed as requiring the Board to approve or participate in an activity that appears to advance or inhibit any particular religious sect or religion generally.

Petty cash funds may be disbursed only for the immediate payment of comparatively small expenditures and may not be used to circumvent the regular purchasing procedures of this district. Each request for petty cash funds must be in a written document that is signed by the person making the request; supporting documents, if any, will be affixed to the request.

The custodian of a petty cash fund shall submit to the Board Secretary a request for replenishment when the moneys available in the fund have declined to ten percent or less of the authorized amount of the fund. The Board Secretary shall prepare a voucher for approval by the Board. The voucher will include disbursement slips to support the amount of the replenishment and its allocation to any account.

The petty cash box must be secured daily. All petty cash funds will be closed out for audit at the end of the school year, and unused funds will be returned to the depository. The custodian of each fund will report to the Board on amounts disbursed from the fund not less than once each year.

8420 EMERGENCY AND CRISIS SITUATIONS

The Board of Education recognizes its responsibility to provide for the safety and security in each school building in the district. The district will develop and implement written plans and procedures to provide for the protection of health, safety, security, and welfare of the school population; the prevention of, intervention in, response to and recovery from emergency and crisis situations; the establishment and maintenance of a climate of civility; and supportive services for staff, students, and their families.

The Superintendent of Schools or designee shall consult with law enforcement agencies, health and social services provider agencies, emergency management planners, and school and community resources, as appropriate, in the development of the school district’s plans, procedures, and mechanisms for school safety and security. The plans, procedures, and mechanisms shall be consistent with the provisions of N.J.A.C. 6A:16-5.1 and the format and content established by the Domestic Security Preparedness Task Force, pursuant to N.J.S.A. App. A:9-64 et seq., and the Commissioner of Education and shall be reviewed annually, and updated as appropriate.

A copy of the school district’s school safety and security plan shall be disseminated to all school district employees. New employees shall receive a copy of the school district’s safety and security plan, as appropriate, within sixty days of the effective date of their employment. All employees shall be briefed in writing, as appropriate, regarding updates and changes to the school safety and security plan.

The school district shall develop and provide an in-service training program for all school district employees to enable them to recognize and appropriately respond to safety and security concerns, including emergencies and crisis, consistent with the school district’s plans, procedures, and mechanisms for school safety and security and the provisions of N.J.A.C. 6A:16-5.1. New employees shall receive this in-service training, as appropriate, within sixty days of the effective date of their employment. This in-service training program shall be reviewed annually and updated, as appropriate.

The Board shall ensure individuals employed in the district in a substitute capacity are provided with information and training on the district’s practices and procedures on school safety and security including instruction on school security drills, evacuation procedures, and emergency response protocols in the district and the school building where the individuals are employed in accordance with the provisions of N.J.S.A. 18A:41-7.

In accordance with N.J.S.A. 18A:41-1, at least one fire drill and one school security drill will be conducted each month within school hours, including any summer months, which the school is open for instructional programs. A school security drill means an exercise, other than a fire drill, to practice procedures that respond to an emergency situation including, but not limited to, a non-fire evacuation, lockdown, bomb threat, or active shooter situation that is similar in duration to a fire drill. Schools are required to hold a minimum of two active shooter, non-fire evacuation, bomb threat, and lockdown security drills annually. Responses made necessary by the unplanned activation of emergency procedures or by any other emergency shall not be substituted for a required school security drill.

The Principal or designee will provide local law enforcement or other emergency responders, as appropriate, with a friendly notification at least forty-eight hours prior to holding a school security drill. Although these outside agencies are not required to observe school security drills, the Principal is encouraged to invite representatives from local law enforcement and emergency responder agencies to attend and observe at least four different security drills annually.

Such drills and in-service training programs shall be conducted in accordance with a building security drill guide and training materials that educate school employees on proper evacuation and lockdown procedures in a variety of emergency situations on school grounds as provided by the New Jersey Office of Homeland Security and Preparedness.

The school district will be required to annually submit a security drill statement of assurance to the New Jersey Department of Education by June 30 of each school year. Each school in the district will be required to complete a security drill record form as required by the New Jersey Department of Education.

REGULAR MEETING OF THE  
RIDGEWOOD BOARD OF EDUCATION**

**May 24, 2021**

**Bergen County, New Jersey**

**I. CALL TO ORDER AND ROLL CALL**

**Present:**

Mr. Michael Lembo, President; Ms. Hyunju Kwak, Vice President; Ms. Sheila Brogan; Mr. Saurabh Dani; Mr. Christopher Kaufman

**A. MOTION TO MOVE INTO EXECUTIVE SESSION**

Mr. Lembo moved the following resolution. Ms. Kwak seconded the motion, which was unanimously approved.

Whereas, said law requires the Board to adopt a resolution at a public meeting before it can meet in such Executive Session; now therefore,

Be it resolved, by the Ridgewood Board of Education, that it does hereby determine that it is necessary to meet in Executive Session to discuss a personnel and/or litigation matter and/or negotiations and/or contract matter.

Mr. Lembo announced the Board has been meeting in Executive Session pursuant to NJSA:12. The minutes from this meeting will be released when the need for confidentiality no longer exists. The Board was meeting to discuss issues of Personnel.

**B. MOTION TO OPEN REGULAR SESSION**

At 7:01 p.m., Mr. Lembo called the Regular Public Meeting to Order.

**C. REGULAR PUBLIC MEETING SESSION CALL TO ORDER AND ROLL CALL**

**Present:**

Mr. Michael Lembo, President; Ms. Hyunju Kwak, Vice President; Ms. Sheila Brogan; Mr. Saurabh Dani; Mr. Christopher Kaufman

**Also Present:**

Dr. Thomas Gorman, Superintendent; Ms. Stacie Poelstra, Assistant Superintendent for Curriculum, Instruction & Assessment; Mr. Scott Bisig, Business Administrator/Board Secretary, Ms. Ojetta Townes, Manager of Human Resources

**Visitors:**

There were approximately 30 visitors.

**II. FLAG SALUTE AND PLEDGE OF ALLEGIANCE**

Mr. Lembo led those present in the Pledge of Allegiance.

**III. OPENING STATEMENT BY PRESIDING OFFICER**

Mr. Lembo announced that pursuant to the requirements of the Open Public Meetings Act, advance notice of this meeting had been given to The Ridgewood News, The Record, and the Clerk of the Village of Ridgewood. In addition, notices were posted in the office of the Board Secretary and in all school buildings.

**IV. PRESENTATIONS****A. Student Representative Report**

Students from Travell Elementary School, Riley Lubkemann and Luan Song, presented current events at Travell.

**B. RESOLUTION HONORING SCHOOL HEALTH PROFESSIONALS**

School health professionals were recognized for their outstanding work. This year, they served as contact tracers and main points of contact regarding COVID-related issues in addition to all of their responsibilities.

Mr. Kilday, Supervisor of Wellness, named the team members being recognized and read the Resolution Honoring School Health Professionals.

The Ridgewood Board of Education, upon the recommendation of the Superintendent of Schools, approves the following resolution:

WHEREAS, students are the future and, by investing in them today, we are ensuring our world for tomorrow; and

WHEREAS, families deserve to feel confident that their children will be cared for when they are at school; and

WHEREAS, all students have a right to have their physical and mental health needs safely met while in the school setting; and

WHEREAS, students today face more complex and life-threatening health problems requiring care in school; and

WHEREAS, the COVID-19 pandemic has emphasized the essential role school nurses play in student health and academic success; and

WHEREAS, school health professionals have served a critical role in improving public health and in ensuring student's academic success for more than 100 years; and

WHEREAS, school health professionals address the home and community factors (e.g., social determinants) that impact students' health; and

WHEREAS, school nurses act as a liaison to the school community, families, and healthcare providers on behalf of children's health by promoting wellness and improving health outcomes for our nation's children; and

WHEREAS, school nurses support the health and educational success of children and youth by providing access to care when children's cognitive development is at its peak; and

WHEREAS, school health professionals are members of school-based teams (e.g., school health services, 504/IEP, disaster/emergency planning) to address the school population; and

WHEREAS, school health professionals understand the link between health and learning and are in a position to make a positive difference for children every day, therefore be it

RESOLVED, that the Ridgewood Public School District celebrates and acknowledges the accomplishments of school health professionals and their efforts of meeting the needs of today's students by improving the delivery of healthcare in our schools and offers gratitude for the school health professionals, who contribute to our local community by helping students stay healthy, in school, and ready to learn.

RESOLVED, That this resolution be entered into the official minutes of the Board of Education meeting held on the 24<sup>th</sup> day of May, 2021.

**C. DECA Club High School Presentation**

Ridgewood High School students; Cole Cunningham, Caroline Loscalzo and Emily Schmitt provided an overview of DECA, the requirements to participate, and the types of competitions. DECA is a global organization that prepares emerging leaders and entrepreneurs in marketing, finance, hospitality, and management in high schools and colleges. At RHS, over 180 students participate in DECA.

Cole, Caroline, and Emily shared what DECA means to each of them, highlighting leadership experience, connections with students in all grades, and the development of valuable communication and public speaking skills. Despite the challenges of this year, the RHS results from all three phases of competition were remarkable.

#### **D. COVID Updates**

Dr. Yankus, District School Physician, and Mr. Kilday, Supervisor of Wellness, gave an informal update on the local COVID activity and answered questions from the Board.

Although the state remains in moderate COVID transmission, numbers have been steadily declining. Based on information shared at the Governor's conference today, nothing has changed regarding wearing masks or social distancing for PreK-12 schools. Dr. Yankus noted that guidance is fluid, and the District must be nimble.

Dr. Yankus and Mr. Kilday expressed their appreciation for the great team of school health professionals who have collaborated throughout the year.

The Governor indicated that the NJDOE is expected to release another "return to learn" document with guidance over the summer.

#### **E. Resolution of Appreciation for Outgoing Ridgewood High School Student Representative**

It is recommended that the Board approve the following resolution of appreciation in honor of Zoe Kovac.

WHEREAS, Zoe has served as the student representative to the Board of Education during the 2020-2021 school year; and

WHEREAS, It has been her responsibility to voice the student perspective to the Board at their public meetings and she has been diligent and conscientious in attending the Board of Education meetings; and

WHEREAS, Zoe has conducted herself with poise and courtesy while listening attentively to many lengthy discussions pertaining to the governance of the school district; and

WHEREAS, Zoe has presented thoughtful and informative reports to the Board of Education on issues and events at the high school; and

WHEREAS, Zoe is a member of the RHS Speech and Debate team; and

WHEREAS, Zoe is an actor for the RHS New Players and writer for the RHS High Times, and

WHEREAS, Zoe is the leader of the RHS Democrats; and

WHEREAS, Zoe is an active volunteer for NYC food banks and homeless shelters and has worked as an intern for two congressional campaigns; and

WHEREAS, Zoe has consistently maintained high honors through her high school career; and

WHEREAS, Zoe is recognized and appreciated for her genuine interest in the democratic process and her recognition of the importance of students as stakeholders in the district; and

WHEREAS Zoe's passion for this process elevated the role of the student representative on the Board, therefore, be it

RESOLVED, That the members of the Ridgewood Board of Education express their gratitude and appreciation to Zoe Kovac for her service to the student body and Board of Education and send her their best wishes for success in all future endeavors; and be it further

RESOLVED, That this resolution be entered into the official minutes of the Board of Education meeting held on the 24<sup>th</sup> day of May, 2021.

#### **F. Introduction of New Ridgewood High School Student Representative**

Zoe Kovac introduced Norah Train, the incoming Ridgewood High School Representative to the Board of Education

#### **G. Student Representative Report**

Zoe Kovac provided the following Ridgewood High Student Representative Report:

Academics:

- RHS reintroduced the beloved open campus to all in-person students. The students have reported that their days are even more enjoyable with this privilege but the seniors are especially grateful that they get to enjoy the open campus rule one last time before graduating.
- The National Honor Society had its 2021-2022 induction ceremony for the new members.
- With AP exams in full swing, I am thankful to report that the teachers are being cognizant of the stress, fatigue, and anxiety that students are facing at the moment.
- Governor Murphy has stated that virtual school will not be offered next school year, concerning some about what guidelines will be put in place for students and staff.
- On June 10th the graduating seniors will find out which awards and scholarships they have been granted. There are 524 awards and over 50 scholarships being given to end their high school chapter on a high note and begin their next chapter

strong as well.

Arts:

- The New Players just wrapped up a successful showing of their One-act plays. The audience got to view the performance in-person and there has been nothing but positive reviews of the show. They also held Concert auditions last week to kick off the best part of Newplayers, according to those in the organization.

Athletics:

- The Track and Field teams had their final meet of the season last Monday.

Activities:

- There is a new club at RHS called the Coexist Club that provides a safe space for discussions regarding different religions, faiths, cultures, and backgrounds.
- The Psychology Club is planning an informative and fun-filled Mental Health Day for students at RHS with the hopes of inspiring other local high schools to do the same.
- The Students for Social Justice Club has partnered with The Cookie Connect to raise money for the Stop Asian Hate movement. Specifically, the proceeds will be going to an organization called Welcome to Chinatown. This fundraiser is taking place on June 4th which also happens to be the day of the senior prom

## V. SUPERINTENDENT REPORT

This school year, Ridgewood Public Schools has taken a phase-in approach to educating the students. Each decision weighed numerous factors, analyzed survey data, and collected input from all stakeholders including the HSAs, Pandemic Response Teams, emails, and public comments to name a few. The two top priorities in selecting this phase-in approach were the health and safety of students and staff, along with an instructional model that provided ample in-person instruction.

After Phase II of everyday in-person learning was implemented on April 19, the District immediately began working on the Phase III plan to offer full-day instruction with lunch. If Phase II did not work as well as it did, the District might not have been able to even consider a transition to Phase III. The administrators worked with their teachers to figure out the best ways to offer instruction, move classrooms, make accommodations, offer lunch, and provide supervision for the students. The custodial, food service, and bus vendors were also looking into whether they could accommodate the District's needs. The data were being collected, and all factors were being considered simultaneously and in real time. There was no reason to assume that any of the vendors would not be able to accommodate a change in the schedule.

Unfortunately, the bus vendors could not accommodate the District's request for 3:00 bus runs due to their own challenges and a shortage of drivers. The District has reached out to County and State officials for guidance on whether there can be a waiver available to not offer transportation for eligible students; however, there is no pending legislation as of now to allow districts to be granted this waiver. The District is waiting to hear back on a final decision on this question.

Going out for Request for Proposal for different bus companies at this time could require

cancellation of the current contracts with the bus vendors and take several weeks to complete. Furthermore, this still may not be a feasible option due to the shortage of bus drivers. Another alternative could be to pay aid in lieu of transportation if all eligible parents agreed to find their own transportation in a very short amount of time. This would be an additional cost to the District since the contract with the bus companies would still be in effect.

The Governor has announced that schools statewide will fully reopen in September. Additionally, he indicated that parents or guardians will not be able to opt out of in-person instruction during the 2021-2022 school year, but in the event of a localized outbreak, remote learning may be permitted. While many families hoped to transition to Phase III in the coming weeks, the journey forward is bright. We are fortunate to have reached a point where some end-of-year activities and milestone events can be held according to the current guidelines.

We look forward to making the full transition in September 2021. An RPSeAlert regarding mask wearing and travel guidelines was emailed last Thursday and an FAQ went out on Friday to assist the community with many of their questions.

## VI. COMMENTS FROM THE PUBLIC

Tara Hastings 150 Woodland Ave., Framing of science matters, talking about transition of the virus and not discussing student mental health is not in the right context. A year ago we learned that parents were not involved in the return to school plan. Parent representation was asked at the district level. Parents want to be collaborative. She has not heard anything in response to her suggestions for various strategies. Not confident that there will be parent input and there will be transparency in the plan for the next school year.

Colette Tratolla, Dr. Yankus said you don't have the authority to make the decisions on items that we are asking about; according to the Bergen County Board of Commissioner says the opposite; those concerned were asked to reach out to the local school boards, superintendent and State Legislators. NJ leaves decisions on the local school boards.

Alioson Harris. 58 Phelps Road, spoke about reopening plans in September, requesting parent involvement in making decisions for the September reopening plan. Consider students first, everyone and everything else should be second.

Kristen Heitman, 2020 West End Avenue, since she transitioned her children to private school they have been in school full time with lunch. Would like them to be transitioned back to Ridgewood Schools. Wants more details about the September plan. Echoed Mr. Lembo that a scenario analysis should be provided in June.

Susan Madison, 428 Linwood Ave., asked questions: why did the BOE wait until May 24 to provide a public presentation from the Health Official? Why was his presentation not noticed? How many people/staff the Ridgewood Dept. of Health have? Do any of those people hold medical degrees or are experts in infectious disease? How much lower does Dr. Yankus think numbers need to be in order to drop the restrictions? How many children were quarantined due to close contact in schools? Of those children, how many tested positive? What is Dr. Yankus opinion on the impact on quarantine, remote learning and the impact on

mental health? What is the scientific basis to mask children outdoors? Why isn't our district taking advantage of our operational ability to drop the mask mandate? What is the scientific basis for social distancing? What is the problem with lunch if there is no scientific basis? Dr. Gorman: She has been told by many politicians that NJ is a home rule state and the superintendent is the final authority on policies and procedures. Is this correct?

Laura Grasso, 136 Circle Ave., As the Chief Negotiator for the Ridgewood Education Association, thanked the BOE negotiating team for their efforts on reaching a 3 year settlement and the entire Board's support. Thanked Mr. Bisig and Ms. Poelstra and Ms. Townes for their efforts on the negotiating efforts. She looks forward to starting the 21-22 school year with a settled contract. As a parent, she thanked Dr. Gorman for his work and research on the scenarios and concerns raised by the public that he spends endless hours looking into while running the district.

Laura McKenna 861 Bingham Road, only one person in two weeks tested positive in Ridgewood, she believes we need a second opinion. The children, families and teachers have endured months of hybrid education. Many kids will return in September with learning loss and mental issues, reduced muscle strength when sitting in a desk all day. Kids and teens are struggling. Case managers/teachers in the district will be able to discuss the long waiting list for students looking for help. Other districts have school psychologists in the buildings, train teachers on mental issues. What percentage of students participate in the RHS clubs? How many clubs have more than 10 students and how often do they meet? We need after school clubs that meet every week and are staffed by mental health professionals.

Kerry Miller, 141 John Street, parents are dismayed that we are not reopening for phase 3 due to bussing issues. If 3:00 pm is an issue, let's look at a 2:00 pm dismissal. The community will also volunteer and feels has not had a seat at the table for making these decisions. How can parents help and be part of the process?

Deborah Liguori, 319 Meadowbrook Ave., The superintendent has the authority to loosen restrictions as the governor and other districts have. SHE has not heard anything from the Dr. in keeping the restrictions the way they are, since we only have one case in the district. Parents and teachers can choose to vaccinate, if you choose to vaccinate you can choose to keep your kid home. Wants child to be in school and travel requirements reduced.

Gassia Fox, 325 Crest Road, 5 days a week has been a home run for her family. Thanked the teachers. Students need to be back full time for as much as the school year as possible. Quoted parents from other districts whose children's returned to school full day. Looking at Dr. Gorman and the full board for a return to school in a collaborative effort.

## **VII. Phase II Survey Results and Transition to September**

Ms. Poelstra shared an overview of the Phase II survey results. Approximately 1800 parents responded to the PreK-5 survey. The middle school and high school surveys each received approximately 600 responses. Overall, at all three levels, the feedback was largely positive with some areas that can be addressed. The samples for the student surveys were much smaller with 183 responses to the middle school survey and 275 responses to the

high school survey.

In terms of summer programming, ESSER II grants are allocated for learning acceleration. The District would like to offer the Summer Adventure program tuition-free to certain students who qualify as per the criteria of the grant. A summer Academy Transition Program is being planned for students in grades 6-12. This program will combine academics, counseling, community connections, and transition back to school.

The summer professional development offerings will support the goals of the strategic plan, as well as incorporate strategies based on this year's learning experience.

The Diversity, Equity, and Inclusion Subcommittee has met several times, and a staff survey will be administered in June. Summer curriculum writing will incorporate content and standards to support NJ Law A4454. New texts will be purchased for elementary classroom libraries. The new RHS courses, *Philosophy of Race* and *The Power of One*, will be developed over the summer. The District is reapplying for the Unified Sports Program grant and exploring a new quarter elective physical education course to be offered in 2022-2023.

The Start Strong Assessments will take place in the early fall since NJSLA was canceled this spring.

## VII. CONSENT ITEMS: REGULAR AND ROUTINE ISSUES

Dr. Gorman presented for consideration A. Attendance at Conferences.

### A. ATTENDANCE AT CONFERENCES

The Ridgewood Board of Education, upon the recommendation of the Superintendent of Schools, approves Attendance at Conferences, as listed on **Attachment A**.

Ms. Kwak moved approval of A. Attendance of Conferences

Ms. Brogan seconded the motion, which was carried by the following roll-call vote:

AYES: Ms. Brogan, Mr. Dani, Mr. Kaufman, Ms. Kwak, Mr. Lembo

NAYS: none

Mr. Dani asked a question regarding item viii. Designation of Newspapers. He believes there was legislation to allow online newspapers to be the designated newspapers. Does it have to be in print?

Mr. Bisig is not aware of anything online and that's why we do it in the newspaper in print. The goal is to get the largest distribution of our ad.

Ms. Kwak moved to amend B. xi. Appointment of Auditor, to read "not to exceed \$54,000" instead of "not to exceed \$58,000".

Mr. Dani seconded the motion, which carried by the following roll call vote:

AYES: Ms. Brogan, Mr. Dani, Mr. Kaufman, Ms. Kwak, Mr. Lembo

NAYS: none

Ms. Brogan asked to pull for separate vote items: ix. Approval: Appointment of Architect and x. Approval: Appointment of General Board Counsel

Mr. Dani requested to pull for separate vote item xi. Approval: Appointment of Auditor.

Mr. Lembo request to pull for separate vote item vii. Adoption: NJSBA Code of Ethics.

Dr. Gorman presented B. Administration for consideration, excluding ix., x., ix., and vii.

The Ridgewood Board of Education, upon the recommendation of the Superintendent of Schools, approves substitutes for the 2020-2021 school year, as listed below.

**Teacher: Anthony Carpentieri, Troy Frey, and Elizabeth Hamilton**

Mr. Lembo moved approval of D. Human Resources.

Ms. Kwak seconded the motion, which was carried by the following roll-call vote:

AYES: Ms. Brogan, Mr. Kaufman, Ms. Kwak, Mr. Lembo  
Mr. Dani; except item ii.

NAYS: Mr. Dani for item ii.; requested his comment be included in the minutes: "he is conflicted because he understands the value but after the last presentation he was hoping that there are some responsibilities that were transferred, there would be reduction in the expense. He wanted to see something that would have been outsourced would not be outsourced. This year we are pulling 408,000 from reserve, we can pull from reserve one time, we cannot pull money as a recurring expense. A full time position is recurring. He is hoping that anything we bring in the future will come with a corresponding offset to expenses."

Mr. Dani asked to discuss item vi. Student Activity Fee; did not make a formal motion but asked if anyone would like to increase the fee.

Ms. Brogan requested to pull for discussion xix.

Ms. Kwak requested to pull for a separate vote items xi., xii.

Dr. Gorman presented for consideration E. Finance, with the addendum regarding Alphabest; excluding items xx. xii. and xiv. the bid thresholds have increased to \$43,000 as per the change in the law; remove for discussion and separate vote items xix. xi., xii.

Mr. Lembo read the donations into record and thanked the responsible parties.

**xii. Authorization for the Business Administrator/Board Secretary to Award Bids During the Summer**

The Ridgewood Board of Education, upon the recommendation of the Superintendent of Schools, authorizes the Business Administrator/Board Secretary to award bids during the months of July and August to the lowest responsive bidder as needed, for projects not to exceed \$43,000. All awards will be placed on the next agenda for ratification.

A discussion ensued regarding item xix. Approval: Rental Fees for Use of Facilities

**xix. Approval: Rental Fees for Use of Facilities**

The Ridgewood Board of Education, upon the recommendation of the Superintendent of Schools, approves rental fees for the use of facilities for the 2021-2022 school year, as listed on **Attachment AG**.

Ms. Brogan had a concern about the rental rate increases. Suggested that the rental fee be different for groups that are nonprofit versus for profit.

The Board discussed the facility rental fees.

Ms. Brogan moved to have the rates remain flat and not increase for the 2021-2022 SY.

There was no second to the motion.

Ms. Kwak made a motion to revise the rates to a 2% increase.

Mr. Dani seconded the motion which carried by the following roll-call vote:

AYES: Ms. Brogan, Mr. Kaufman, Ms. Kwak, Mr. Lembo, Mr. Dani

NAYES: none

**VIII. RESOLUTIONS AND MOTIONS NOT INCLUDED IN CONSENT AGENDA Dr. Gorman**

#### **X. BOARD MEMBER ANNOUNCEMENTS**

Ms. Brogan announced that the RHS acapella groups performed on the lawn of the high school on Sunday, and it was a great day for the performance. Seniors were recognized at the event.

Mr. Dani mentioned that during tonight's meeting there were many negative questions, concerns, etc. since we only have a small amount of time we cannot discuss all of the positive things.

Ms. Kwak announced that the Joint Review committee meeting was very positive.

Mr. Lembo announced Dad's Night 77 was held this past weekend, and it was a huge success. Throughout the year, organizers host various fundraisers, and the show is prepared in just eight weeks.

#### **XI. BOARD COMMITTEE REPORTS**

Ms. Brogan followed up regarding the JRC Meeting. Aramark has received many positive comments regarding their work.

Mr. Kaufman discussed the Alternative Schedule Meeting, there is a roadmap that will be

distributed when the details are finalized.

## **XII. DISCUSSION ITEMS**

The Board discussed Phase III, planning for the transition to September, committee meetings, parent involvement and a change in quarantine times for students who travel.

To view this portion of the meeting scroll to 3:07.

Ms. Kwak presented a motion that unvaccinated students that travel outside the tri-state area for more than 24 hours must provide a negative test upon return, a ten day quarantine is required if the individual is not tested.

Mr. Lembo stated that you should be tested 3-5 days after exposure.

Mr. Dani stated that he understands the intent and it is noble, however believes the final decision should be on Dr. Gorman. Does not believe the Board should vote on the motion.

Dr. Gorman stated we must be careful what guidance we follow from the NJ Department of Health, we should not cherry pick which part of the guidance is chosen. This may open up the district to liability.

Ms. Kwak withdrew her motion and asked Dr. Gorman to review.

## **XIII. ACCEPTANCE OF MINUTES**

None at this time.

## **XIV. OTHER BUSINESS**

None at this time.

## **XV. COMMENTS FROM THE PUBLIC**

None at this time.

## **XVI. ADJOURNMENT**

At 10:28 p.m. on a motion made by Mr. Lembo, seconded by Ms. Kwak and unanimously approved, the meeting adjourned.

Respectfully submitted,

*Scott T. Bisig, M.Ed.*

1643 FAMILY LEAVE

The Board of Education will provide family leave to staff members in accordance with the New Jersey Family Leave Act (NJFLA) and the Federal Family and Medical Leave Act (FMLA). These laws have similar and different provisions that provide different rights and obligations for a staff member and the Board.

If a staff member is eligible for leave for reasons recognized under both the FMLA and NJFLA, then the time taken shall run concurrently and be applied to both laws. The NJFLA provides twelve weeks leave in a twenty-four month period and the FMLA provides twelve weeks leave in a twelve month period

A. New Jersey Family Leave Act

1. Definitions Relative to New Jersey Family Leave Act

“Base Hours” means the hours of work for which a staff member receives compensation. Base hours shall include overtime hours for which a staff member is paid additional or overtime compensation, and hours for which a staff member receives workers’ compensation benefits. Base hours shall also include hours a staff member would have worked except for having been in military service. Base hours do not include hours for when a staff member receives other types of compensation, such as administrative, personal leave, vacation, or sick leave.

“Child” means a biological, adopted, foster child, or resource family child, stepchild, legal ward, or child of a parent, including a child who becomes the child of a parent pursuant to a valid written agreement between the parent and a gestational carrier.

“Eligible employee” means any individual employed by the same employer for twelve months or more, who has worked 1,000 or more base hours during the preceding twelve month period.

“Employer” includes the State, any political subdivision thereof, and all public offices, agencies, boards, or bodies.

“Family member” means a child, parent, parent-in-law, sibling, grandparent, grandchild, spouse, domestic partner, or one partner in a civil union couple, or any other individual related by blood to a staff member, and any other individual that a staff member shows to have a close association with a staff member which is the equivalent of a family relationship.

“Health care provider” means a duly licensed health care provider or other health care provider deemed appropriate by the Director of the Division on Civil Rights in the New Jersey Department of Law and Public Safety.

“Parent” means a person who is the biological parent, adoptive parent, foster parent, resource family parent, step-parent, parent-in-law, or legal guardian, having a “parent-child relationship” with a child as defined by law, or having sole or joint legal or physical custody, care, guardianship, or visitation with a child, or who became the parent of the child pursuant to a valid written agreement between the parent and a gestational carrier.

“Serious health condition” means an illness, injury, impairment, or physical or mental condition which requires:

- a. Inpatient care in a hospital, hospice, or residential medical care facility; or
- b. Continuing medical treatment or continuing supervision by a health care provider.

As used in the definition of a serious health condition, “continuing medical treatment or continuing supervision by a health care provider” means:

- a. A period of incapacity (that is, inability to work, attend school, or perform regular daily activities due to a serious health condition, treatment therefore, and recovery therefrom) of more than three consecutive days, and any subsequent treatment or period of incapacity relating to the same condition, that also involves:
  - (1) Treatment two or more times by a health care provider; or
  - (2) Treatment by a health care provider on one occasion which results in a regimen of continuing treatment under the supervision of a health care provider;
- b. Any period of incapacity due to pregnancy, or for prenatal care;
- c. Any period of incapacity or treatment for such incapacity due to a chronic serious health condition;
- d. A period of incapacity, which is permanent or long-term, due to a condition for which treatment may not be effective (such as Alzheimer's disease, a severe stroke, or the terminal stages of a disease) where the individual is under continuing supervision of, but need not be receiving active treatment by, a health care provider; or
- e. Any period of absence to receive multiple treatments (including any period of recovery therefrom) by a health care provider or by a provider of health care services under orders of, or on referral by a health care provider, either for restorative surgery after an accident or other injury, or for a condition that would likely result in a period of incapacity of more than three consecutive calendar days

in the absence of medical intervention or treatment, such as cancer (chemotherapy, radiation, etc.), severe arthritis (physical therapy), or kidney disease (dialysis).

“Spouse” means a person to whom a staff member is lawfully married as defined by New Jersey law.

“State of emergency” means a natural or man-made disaster or emergency for which a state of emergency has been declared by the President of the United States or the Governor, or for which a state of emergency has been declared by a municipal emergency management coordinator.

## 2. Reasons for NJFLA Leave

- a. A staff member may take NJFLA leave to provide care made necessary by reason of:
  - (1) The birth of a child of the staff member, including a child born pursuant to a valid written agreement between the staff member and the gestational carrier;
  - (2) The placement of a child into foster care with the staff member or in connection with adoption of such child by a staff member;
  - (3) The serious health condition of a family member of the staff member; or
  - (4) A state of emergency declared by the Governor of New Jersey, or when indicated to be needed by the Commissioner of Health – New Jersey Department of Health or other public health authority, an epidemic or communicable disease, a known or suspected exposure to the communicable disease, or efforts to prevent spread of a communicable disease which:
    - (a) Requires in-home care or treatment of a child due to the closure of the school or place of care of the child of a staff member, by order of a public official due to the epidemic or other public health emergency;
    - (b) Prompts the issuance by a public health authority of a determination, including by mandatory quarantine, requiring or imposing responsive or prophylactic measures as a result of illness caused by an epidemic of a communicable disease or known or suspected exposure to the communicable disease because the presence in the

community of a family member in need of care by a staff member would jeopardize the health of others; or

- (c) Results in the recommendation of a health care provider or public health authority, that a family member in need of care by a staff member voluntarily undergo self-quarantine as a result of suspected exposure to a communicable disease because the presence in the community of that family member in need of care by a staff member, would jeopardize the health of others.

### 3. Staff Member Eligibility

- a. NJFLA leave may be taken for up to twelve weeks within any twenty-four month period. The NJFLA leave shall be unpaid with benefits subject to contributions required to be made by the staff member.
- b. A staff member is eligible for NJFLA leave if a staff member is employed by the same Board for twelve months or more, and has worked 1,000 or more base hours during the preceding twelve month period.
- c. The method to determine the twenty-four month period in which the twelve weeks of NJFLA leave entitlement occurs shall be a “rolling” twenty-four month period measured backward from the date a staff member uses any leave under NJFLA.
- d. This Policy shall serve as notice to all staff members of the method chosen in A.3.c. above. This method shall be applied consistently and uniformly to all staff members.
  - (1) If the Board transitions to another method, the Board is required to give at least sixty days’ notice to all staff members and the transition must take place in such a way that staff members retain their full benefit of twelve weeks of NJFLA leave under whichever method affords the greatest benefit to a staff member.

- e. The Board shall grant NJFLA leave to more than one staff member from the same family (for example, a husband and a wife, or a brother and a sister) at the same time, provided such staff members are otherwise eligible for NJFLA leave.
  - f. The fact that a holiday may occur within the week taken by a staff member as NJFLA leave has no effect and the week is counted as a week of NJFLA leave.
    - (1) However, if a staff member is out on NJFLA leave and the staff member is not regularly scheduled to work for one or more weeks, the weeks the staff member is not regularly scheduled to work do not count against their NJFLA leave entitlement.
4. Types of NJFLA Leave
- a. Staff members are required to provide notice in writing for any NJFLA leave requested. In emergent circumstances, a staff member may provide the Board with oral notice when written notice is impracticable.
    - (1) Staff members must provide the Board written notice after submitting oral notice in emergent circumstances.
  - b. Consecutive NJFLA leave is NJFLA leave that is taken without interruption based upon a staff member's regular work schedule and does not include breaks in employment in which a staff member is not regularly scheduled to work.
    - (1) A staff member must provide the Board with notice of consecutive NJFLA leave no later than thirty days prior to the commencement of consecutive NJFLA leave, except where emergent circumstances warrant shorter notice.
    - (2) A staff member shall provide the Board with certification pursuant to A.5. below.
  - c. Intermittent NJFLA leave is NJFLA leave due to a single qualifying reason, taken in separate periods of time, broken up by periods in which the staff member returns to work.

- (1) A staff member is entitled to take NJFLA leave intermittently for the birth of a child of the staff member, including a child born pursuant to a valid written agreement between the staff member and a gestational carrier or the placement of a child into foster care with the staff member or in connection with adoption of such child by the staff member.
  - (a) The staff member shall provide the Board with prior notice of not less than fifteen calendar days before the first day on which NJFLI benefits are paid for the intermittent NJFLA leave, unless an emergency or other unforeseen circumstance precludes prior notice.
  - (b) The staff member shall make a reasonable effort to schedule the intermittent NJFLA leave so as not to unduly disrupt the operations of the Board and, if possible, provide the Board, prior to the commencement of intermittent NJFLA leave, with a regular schedule of the days or days of the week on which the intermittent NJFLA leave will be taken.
  - (c) A staff member shall provide the Board with certification for intermittent NJFLA leave pursuant to A.5.b. below.
- (2) The staff member is entitled to take intermittent NJFLA leave for the serious health condition of a family member of the staff member when medically necessary if:
  - (a) The total time which the intermittent NJFLA leave is taken does not exceed twelve months if taken in connection with a single serious health condition. If the intermittent NJFLA leave is taken in connection with more than one serious health condition, the intermittent NJFLA leave must be taken within a consecutive twenty-four month period or until such time the twelve week NJFLA leave is exhausted, whichever is shorter;
  - (b) The staff member provides the Board with prior notice of not less than fifteen calendar days before the first day on which benefits are paid for the intermittent NJFLA leave.
    - (i) The staff member may provide notice less than fifteen days prior to the intermittent NJFLA leave if an emergency or other unforeseen circumstance precludes prior notice;
  - (c) The staff member makes a reasonable effort to schedule the intermittent NJFLA leave so as not to unduly disrupt the operations

of the school district and, if possible, provide the school district, prior to the commencement of intermittent NJFLA leave, with a regular schedule of the days or days of the week on which the intermittent NJFLA leave will be taken; and

- (d) The staff member provides the Board with a copy of the certification outlined in A.5.c. below.
- (3) In the case of NJFLA leave taken due to an epidemic of a communicable disease, a known or suspected exposure to the communicable disease, or efforts to prevent spread of the communicable disease, the NJFLA leave may only be taken intermittently if:
- (a) The staff member provides the Board with prior notice of the intermittent NJFLA leave as soon as practicable;
  - (b) The staff member makes a reasonable effort to schedule the NJFLA leave so as not to unduly disrupt the operations of the school district and, if possible, provide the school district prior to the commencement of the intermittent NJFLA leave, with a regular schedule of the day or days of the week on which the intermittent NJFLA leave will be taken; and
  - (c) A staff member provides the Board with a copy of the certification outlined in A.5.d. below.
- (4) Intermittent leave taken on a reduced leave schedule is NJFLA leave due to a single qualifying reason, that is scheduled for fewer than a staff member's usual number of hours worked per workweek, but not for fewer than a staff member's usual number of hours worked per workday and may only be taken to care for the serious health condition of a family member of a staff member when medically necessary, except that:
- (a) A staff member shall not be entitled to intermittent NJFLA leave on a reduced leave schedule for a period exceeding twelve consecutive months for any one period of NJFLA leave;
  - (b) The staff member must provide the Board with prior notice of the intermittent NJFLA leave on a reduced leave schedule as soon as practicable;

- (c) A staff member shall make a reasonable effort to schedule intermittent NJFLA leave on a reduced leave schedule so as not to disrupt unduly the operations of the school district. A staff member shall provide the school district with prior notice of the care, medical treatment, or continuing supervision by a health care provider necessary due to a serious health condition of a family member, in a manner which is reasonable and practicable; and
    - (d) A staff member must provide the Board with a copy of the certification outlined in A.5.c. below.
  - d. NJFLA leave taken because of the birth or placement for adoption of a child of the staff member may commence at any time within a year after the date of the foster care placement, birth, or placement for adoption.
  - e. A staff member shall not, during any period of NJFLA leave, perform services on a full-time basis for any person for whom a staff member did not provide those services immediately prior to commencement of the NJFLA leave.
    - (1) A staff member on NJFLA leave may not engage in other full-time employment during the term of the NJFLA leave, unless such employment commenced prior to the NJFLA leave and is not otherwise prohibited by law.
    - (2) During the term of NJFLA leave a staff member may commence part-time employment which shall not exceed half the regularly scheduled hours worked for the Board from whom a staff member requested NJFLA leave. A staff member may continue part-time employment which commenced prior to a staff member's NJFLA leave, at the same number of hours that a staff member was regularly scheduled prior to such NJFLA leave.
    - (3) The Board may not maintain a policy or practice which prohibits part-time employment during the course of a NJFLA leave.
- 5. Certification
  - a. The Board shall require a staff member who requests NJFLA leave to sign a form of certification established by the Board attesting that such staff member is taking NJFLA leave in accordance with the law.
    - (1) The Board may not require a staff member to sign or otherwise submit a form of certification attesting to additional facts, including a staff member's eligibility for NJFLA leave.

- (2) The Board may subject a staff member to reasonable disciplinary measures, depending on the circumstances, when a staff member intentionally misrepresents the reason that such staff member is taking NJFLA leave.
  - (3) The form of certification established by the Board shall contain a statement warning a staff member of the consequences of refusing to sign the certification or falsely certifying. Any staff member who refuses to sign the certification established by the Board may be denied the requested NJFLA leave.
  - (4) The Board requires that any period of NJFLA leave be supported by certification issued by a health care provider.
- b. Where the certification, issued by the health care provider, is for the birth of a child of a staff member, including a child born pursuant to a valid written agreement between the staff member and a gestational carrier or the placement of a child into foster care with the staff member or in connection with adoption of such child by the staff member, the certification need only state the date of birth or date of placement, whichever is appropriate.
- c. Any period of NJFLA leave for the serious health condition of a family member of a staff member shall be supported by certification provided by a health care provider. The certification shall be sufficient if it states:
- (1) The date, if known, on which the serious health condition commenced;
  - (2) The probable duration of the condition;
  - (3) The medical facts within the knowledge of the provider of the certification regarding the condition;
  - (4) The serious health condition warrants the participation of the staff member in providing health care to the family member, as provided in the "Family Leave Act," P.L. 1989, c.261 (C.34:11B-1 et seq.) and regulations adopted pursuant to the NJFLA;
  - (5) An estimate of the amount of time the staff member is needed for participation in the care of the family member;
  - (6) If the NJFLA leave is intermittent, a statement of the medical necessity for the intermittent NJFLA leave and the expected duration of the intermittent NJFLA leave; and

- (7) If NJFLA leave is intermittent and for planned medical treatment, the dates of the treatment.
- d. In any case in which the Board has reason to doubt the validity of the certification provided pursuant to A.5.c. above, the Board may require, at its own expense, that a staff member obtain an opinion regarding the serious health condition from a second health care provider designated or approved, but not employed on a regular basis, by the Board. If the second opinion differs from the certification provided pursuant to A.5.c. above, the Board may require, at its own expense, that a staff member obtain the opinion of a third health care provider designated or approved jointly by the Board and a staff member concerning the serious health condition. The opinion of the third health care provider shall be considered to be final and shall be binding on the Board and a staff member.
- e. Where the certification is for an epidemic of a communicable disease, a known or suspected exposure to the communicable disease, or efforts to prevent the spread of the communicable disease, the certification shall be sufficient if it includes:
- (1) For NJFLA leave taken to provide in-home care or treatment of a child due to the closure of the school or place of care of the child of a staff member, by order of a public official due to the epidemic or other public health emergency, the date on which the closure of the school or place of care of the child of a staff member commenced and the reason for such closure.
  - (2) For NJFLA leave taken due to a public health authority's issuance of a determination requiring or imposing responsive or prophylactic measures as a result of illness caused by an epidemic of a communicable disease or known or suspected exposure to the communicable disease because the presence in the community of a family member in need of care by a staff member would jeopardize the health of others, the date of issuance of the determination, and the probable duration of the determination; or
  - (3) For NJFLA leave taken because a health care provider or public health authority recommends that a family member in need of care by a staff member voluntarily undergo self-quarantine as a result of suspected exposure to a communicable disease because the presence in the community of that family member in need of care by a staff member would jeopardize the health of others, the date of the recommendation, the probable duration of the condition, and the medical or other facts within the health care provider or public health authority's knowledge regarding the condition.
- f. The Board shall not use the certification requirements as outlined in A.5. to intimidate, harass, or otherwise discourage a staff member from requesting or taking NJFLA leave or asserting any of a staff member's rights to NJFLA leave.

6. Denial or Exemption of NJFLA Leave
    - a. Denial of NJFLA Leave
      - (1) The Board may deny NJFLA leave to a staff member if:
        - (a) A staff member is a salaried staff member who is among the highest paid 5% of the Board's staff members or the seven highest paid staff members of the Board, whichever is greater;
        - (b) The denial is necessary to prevent substantial and grievous economic injury to the Board's operations; and
        - (c) The Board notifies a staff member of its intent to deny the NJFLA leave at the time the Board determines that the denial is necessary.
      - (2) The provisions of A.6.a.(1) above shall not apply when, in the event of a state of emergency declared by the Governor of New Jersey or when indicated to be needed by the Commissioner of Health – New Jersey Department of Health or other public health authority, the NJFLA leave is for an epidemic of a communicable disease, a known or suspected exposure to a communicable disease, or efforts to prevent spread of a communicable disease.
      - (3) In any case in which NJFLA leave has already commenced at the time of the notification pursuant to A.6.a.(1)(c) above, a staff member shall return to work within ten working days of the date of notification.
    - b. Upon the expiration of a NJFLA leave, a staff member shall be restored to the position such staff member held immediately prior to the commencement of the NJFLA leave. If such position has been filled, the Board shall reinstate such staff member to an equivalent position of like seniority, status, employment benefits, pay, and other terms and conditions of employment.
    - c. If, during NJFLA leave, the Board experiences a reduction in force or layoff and a staff member would have lost their position had a staff member not been on NJFLA leave, as a result of the reduction in force or pursuant to the good faith operation of a bona fide layoff and recall system including a system under a collective bargaining agreement where applicable, a staff member shall not be entitled to reinstatement to the former or an equivalent position. A staff member shall retain all rights under any applicable layoff and recall system, including a system under a
7. Reinstatement from NJFLA Leave
  - a. Upon the expiration of a NJFLA leave, a staff member shall be restored to the position such staff member held immediately prior to the commencement of the NJFLA leave. If such position has been filled, the Board shall reinstate such staff member to an equivalent position of like seniority, status, employment benefits, pay, and other terms and conditions of employment.
  - b. If, during NJFLA leave, the Board experiences a reduction in force or layoff and a staff member would have lost their position had a staff member not been on NJFLA leave, as a result of the reduction in force or pursuant to the good faith operation of a bona fide layoff and recall system including a system under a collective bargaining agreement where applicable, a staff member shall not be entitled to reinstatement to the former or an equivalent position. A staff member shall retain all rights under any applicable layoff and recall system, including a system under a

collective bargaining agreement, as if a staff member had not taken the NJFLA leave.

8. Notice to Staff Members
  - a. The Board shall display the official Family Leave Act poster of the Division on Civil Rights in the New Jersey Department of Law and Public Safety (Division) in accordance with **N.J.A.C. 13:8-2.2**. The poster is available for printing from the Division's website.
  - b. Access to and/or distribution of this Policy shall serve as school district notice to staff members of their rights pursuant to N.J.A.C. 13:14-1.14.
9. Local Board of Education Practices
  - a. Accrued Paid NJFLA Leave
    - (1) Whether a staff member is required to use any other accrued leave time concurrent with NJFLA leave time will depend upon either the school district's practice or a provision in a collective bargaining agreement, if applicable.
      - (a) Sick leave may only be used concurrently with the NJFLA leave in accordance with the provisions of N.J.S.A. 18A:30-1 and N.J.S.A. 34:11B-3.
  - b. Multiple Leaves of Absence
    - (1) Where a Board maintains leaves of absence which provide benefits, other than health benefits, that differ depending upon the type of leave taken, the Board shall provide those benefits to a staff member on NJFLA leave in the same manner as it provides benefits to staff members who are granted other leaves of absence which most closely resemble NJFLA leave.
10. New Jersey Family Leave Insurance Program (NJFLI)
  - a. Board of Education staff members are eligible to apply for benefits under the NJFLI Program administered by the State of New Jersey Department of Labor and Workforce Development.
  - b. All applications for benefits under the NJFLI Program must be filed directly with the State of New Jersey Department of Labor and Workforce Development. The eligibility requirements, wage requirements, benefit duration and amounts, and benefit limitations shall be in accordance with the provisions of the NJFLI Program

as administered by the State of New Jersey Department of Labor and Workforce Development. A formal appeal may be submitted to the State of New Jersey Department of Labor and Workforce Development if an employee or the Board disagrees with a determination on a claim.

- c. The NJFLI Program provides eligible individuals a monetary benefit and not a leave benefit. The school district administrative and related staff will comply with the State of New Jersey Department of Labor and Workforce Development requests for information in accordance with the provisions of N.J.A.C. 12:21-3.9.
- d. A printed notification of staff members' rights relative to the receipt of benefits under the NJFLI Program will be posted in each of the school district worksites and in a place or places accessible to all employees at the worksite.
- e. Each staff member shall receive a copy of this notification in writing at the time of the staff member's hiring, whenever the staff member provides written notice to the Superintendent of their intention to apply for benefits under the NJFLI Program, or at any time upon the first request of the staff member.
  - (1) The written notification may be transmitted to the staff member in electronic form.
  - (2) Access to and/or distribution of this Policy shall serve as school district notice to staff members of their rights under the NJFLI Program.

## B. Federal Family and Medical Leave Act

### 1. Definitions Relative to Federal Family and Medical Leave Act

“Covered Employer” means any public or private elementary or secondary school(s) regardless of the number of employees employed.

“Employee” means a staff member eligible for family and medical leave in accordance with the Federal Family and Medical Leave Act (FMLA).

“Hours of Service” means hours actually worked by the employee. It does not mean hours paid. Thus, non-working time – such as vacations, holidays, furloughs, sick leave, or other time-off (paid or otherwise) – does not count for purposes of calculating FMLA eligibility for the employee.

“Parent” means a biological, adoptive, step, or foster father or mother, or any other individual who stood in loco parentis to a staff member when a staff member has a son or daughter as defined below. This term does not include parents “in law.”

“Serious health condition” means an illness, injury, impairment, or physical or mental condition that involves inpatient care in a hospital, hospice, or residential medical facility or continuing treatment by a health care provider. “Serious health condition” may include treatment of substance abuse pursuant to 29 CFR §825.119.

“Son” or “daughter” means a biological, adopted, or foster child, stepchild, a legal ward, or a child of a person standing in loco parentis, who is either under age eighteen or age eighteen or older and incapable of self-care because of a mental or physical disability at the time that FMLA leave is to commence.

“Spouse” means a husband or wife. For purposes of this definition, husband or wife refers to the other person with whom an individual entered into marriage as defined or recognized under State law in the State in which the marriage was entered into or, in the case of a marriage entered into outside of any State, if the marriage is valid in the place where entered into and could have been entered into in at least one State. This definition includes an individual in a same-sex marriage or common law marriage.

“Week” or “Workweek” means the number of days a staff member normally works each calendar week.

## 2. Qualifying Reasons for FMLA Leave

- a. A staff member may take FMLA leave to provide care made necessary:
  - (1) For the birth of a son or daughter of a staff member and in order to care for such son or daughter;
  - (2) For the placement of a son or daughter with a staff member for adoption or foster care;
  - (3) In order to care for the spouse, son, daughter, or parent of a staff member if such spouse, son, daughter, or parent has a serious health condition;
  - (4) For a serious health condition that makes a staff member unable to perform the functions of the position of such staff member.
- b. FMLA leave taken in relation to military service shall be in accordance with 29 CFR §825.112.
- c. Entitlement to FMLA leave taken for the birth of a son or daughter or placement of a son or daughter with a staff member for adoption or foster care shall expire at the end of the twelve month period beginning on the date of such birth or placement.

3. Staff Member Eligibility
  - a. A staff member is eligible for up to twelve weeks of FMLA leave in a twelve month period.
  - b. A staff member shall become eligible for FMLA leave after the staff member has been employed at least twelve months by the Board and employed for at least 1,250 hours of service during the twelve month period immediately preceding the commencement of the FMLA leave.
    - (1) The twelve months a staff member must have been employed need not be consecutive months pursuant to 29 CFR §825.110(b).
    - (2) The minimum 1,250 hours of service shall be determined according to the principles established under the Fair Labor Standards Act (FLSA) for determining compensable hours of work pursuant to 29 CFR §785.
    - (3) The Board shall not provide pay for FMLA leave.
  - c. The method to determine the twelve month period in which the twelve weeks of FMLA leave entitlement occurs will be a “rolling” twelve month period measured backward from the date a staff member uses any FMLA leave.
  - d. Pursuant to 29 CFR §825.201, a husband and wife both employed by the Board are limited to a combined total of twelve weeks of FMLA leave during the twelve month period if the FMLA leave is taken for the birth of a son or daughter of a staff member or to care for such son or daughter after birth; for placement of a son or daughter with a staff member for adoption or foster care or in order to care for the son or daughter after placement; or to care for a staff member’s parent with a serious health condition.
4. Types of FMLA leave
  - a. Continuous FMLA leave is taken by staff members for a continuous period of time. Such FMLA leave is not broken up by a period of work and is continuous when a staff member is absent for three consecutive working days or more. Continuous FMLA leave may be taken for any qualifying reason.
  - b. Intermittent FMLA leave is FMLA leave taken in separate blocks of time due to a single qualifying reason. A reduced FMLA leave schedule is a FMLA leave schedule that reduces a staff member’s usual number of working hours per workweek, or hours per workday. A reduced FMLA leave schedule is a change in

a staff member's schedule for a period of time, normally from full-time to part-time.

- (1) Intermittent or reduced FMLA leave may be taken for the following qualifying reasons:
  - (a) For the serious health condition of the staff member or to care for a parent, son, or daughter with a serious health condition.
    - (i) For intermittent FMLA leave or FMLA leave on a reduced FMLA leave schedule taken for the reason outlined in B.4.b.(1)(a) above there must be a medical need for FMLA leave and it must be that such medical need can be best accommodated through an intermittent or reduced FMLA leave schedule.
    - (ii) The treatment regimen and other information described in the certification of a serious health condition and in the certification of a serious injury or illness, shall address the medical necessity of intermittent FMLA leave or FMLA leave on a reduced FMLA leave schedule.
    - (iii) Intermittent FMLA leave may be taken for a serious health condition of a parent, son, or daughter, for a staff member's own serious health condition, which requires treatment by a health care provider periodically, rather than for one continuous period of time, and may include FMLA leave of periods from an hour or more to several weeks.
  - (b) For planned and/or unanticipated medical treatment of a serious health condition when medically necessary.
  - (c) To provide care or psychological comfort to a covered family member with a serious health condition when medically necessary.
  - (d) For absences where a staff member or family member is incapacitated or unable to perform the essential functions of the position because of a chronic serious health condition even if he or she does not receive treatment by a health care provider.
  - (e) For FMLA leave taken after the birth of a healthy child or placement of a healthy child for adoption or foster care, only if the Board agrees.

- (i) The Board's agreement is not required; however, for FMLA leave during which the mother has a serious health condition in connection with the birth of her child or if the newborn child has a serious health condition.
- (2) If a staff member needs FMLA leave intermittently or on a reduced FMLA leave schedule for planned medical treatment, then a staff member must make a reasonable effort to schedule the treatment so as not to disrupt unduly the Board's operations.
- (3) When a staff member takes FMLA leave on an intermittent or reduced FMLA leave schedule basis, the Board must account for the FMLA leave using an increment no greater than the shortest period of time that the Board uses to account for use of other forms of leave provided that it is not greater than one hour and provided further that a staff member's FMLA leave entitlement may not be reduced by more than the amount of FMLA leave actually taken.
  - (a) If the Board accounts for use of leave in varying increments at different times of the day or shift, the Board may not account for FMLA leave in a larger increment than the shortest period used to account for other leave during the period in which the FMLA leave is taken.
  - (b) If the Board accounts for other forms of leave use in increments greater than one hour, the Board must account for FMLA leave use in increments no greater than one hour.

#### 5. Staff Member Notice Requirements

- a. A staff member eligible for FMLA leave must give at least a thirty day written advance notice to the Superintendent or designee if the need for the FMLA leave is foreseeable based on an expected birth, placement for adoption or foster care, or planned medical treatment for a serious health condition of a staff member or a family member.
  - (1) If thirty days is not practical, a staff member must provide notice "as soon as practicable" which means as soon as both possible and practical, taking into account all the facts and circumstances in the individual case.
  - (2) Where it is not possible to give as much as thirty days' notice, "as soon as practical" ordinarily would mean at least verbal notification to the Superintendent or designee within one or two business days or when the need for FMLA leave becomes known to a staff member.

- (3) The written notice shall include the reasons for the FMLA leave, the anticipated duration of the FMLA leave, and the anticipated start of the FMLA leave.
  - (4) When planning medical treatment, a staff member must consult with the Superintendent or designee and make a reasonable effort to schedule the FMLA leave so as not to unduly disrupt the educational program, subject to the approval of the health care provider.
    - (a) Staff members are ordinarily expected to consult with the Superintendent or designee prior to scheduling of treatment that would require FMLA leave for a schedule that best suits the needs of the Board and a staff member.
  - (5) Intermittent FMLA leave or FMLA leave on a reduced FMLA leave schedule must be medically necessary due to a serious health condition or a serious injury or illness. A staff member shall advise the Board of the reasons why the intermittent/reduced FMLA leave schedule is necessary and of the schedule for treatment, if applicable.
    - (a) A staff member and the Board shall attempt to work out a schedule for such FMLA leave that meets a staff member's needs without unduly disrupting the Board's operations, subject to the approval of the health care provider.
  - (6) Where a staff member does not comply with the Board's usual notice and procedural requirements, and no unusual circumstances justify the failure to comply, FMLA-protected leave may be delayed or denied.
- b. When the approximate timing of the need for FMLA leave is not foreseeable, a staff member should give notice to the Superintendent or designee for FMLA leave as soon as practicable under the facts and circumstances of the particular case.
- (1) It is expected a staff member will give notice to the Superintendent or designee within no more than one or two business days of learning of the need for FMLA leave, except in extraordinary circumstances where such notice is not foreseeable.
  - (2) A staff member should provide notice to the Board either in person, by telephone, telegraph, fax machine, email, or other electronic means.

6. Outside Employment During FMLA Leave
  - a. A staff member during any period of FMLA leave is prohibited from performing any services on a full-time basis for any person for whom a staff member did not provide services immediately prior to commencement of the FMLA leave.
    - (1) A staff member using FMLA leave may commence part-time employment that shall not exceed half the regularly scheduled hours worked for the Board.
    - (2) A staff member may continue the part-time employment that commenced prior to the FMLA leave at the same number of hours that a staff member was regularly scheduled prior to such FMLA leave.
7. “Instructional Employees” Exceptions for FMLA Leave
  - a. “Instructional Employees” are those staff members whose principal function is to teach and instruct students in class, a small group, or in an individual setting. This term includes teachers, athletic coaches, driving instructors, and special education assistants, such as signers for the hearing impaired.
    - (1) Teacher assistants or aides who do not have as their principal job actual teaching or instructing, guidance counselors, child study team members, curriculum specialists, cafeteria workers, maintenance workers, and/or bus drivers are not considered instructional staff members for the purposes of this Policy.
    - (2) For purposes of this Policy “Instructional Employees” shall be referred to as “Instructional Staff Members”.
  - b. “Semester” means the school semester that typically ends near the end of the calendar year and the end of the spring each school year. The Board can have no more than two semesters in a school year.
  - c. FMLA leave taken at the end of the school year and continues into the beginning of the next school year is considered consecutive FMLA leave.
  - d. Eligible instructional staff members that need intermittent or reduced FMLA leave to care for a family member or for a staff member’s own serious health condition which is foreseeable based on planned medical treatment and would be on FMLA leave more than twenty percent of the total number of working days over the period the FMLA leave would extend, the Board may:

- (1) Require a staff member to take the FMLA leave for a period or periods of a particular duration, not greater than the duration of the planned treatment; or
  - (2) Transfer a staff member temporarily to an available alternative position for which a staff member is qualified, which has equivalent pay and benefits and which better accommodates recurring periods of FMLA leave than does a staff member's regular position.
- e. If the instructional staff member does not give the required notice for FMLA leave that is foreseeable and desires the FMLA leave to be taken intermittently or on a reduced FMLA leave schedule, the Board may require a staff member to take FMLA leave of a particular duration, or to transfer temporarily to an alternative position. Alternatively, the Board may require a staff member to delay taking the FMLA leave until the notice provision is met.
- f. If an instructional staff member begins FMLA leave more than five weeks before the end of the school year, the Board may require a staff member to continue taking FMLA leave until the end of the semester if:
- (1) The FMLA leave will last three weeks; and
  - (2) A staff member would return to work during the three-week period before the end of the semester.
- g. If an instructional staff member begins FMLA leave for a purpose other than a staff member's own serious health condition during the five week period before the end of the semester, the Board may require a staff member to continue taking FMLA leave until the end of the semester if:
- (1) The FMLA leave will last more than two weeks; and
  - (2) The staff member would return to work during the two week period before the end of the semester.
- h. If an instructional staff member begins FMLA leave for a purpose other than a staff member's own serious health condition during the three week period before the end of a semester, the Board may require a staff member to continue taking FMLA leave until the end of the semester if the FMLA leave will last more than five working days.
- i. An example of FMLA leave falling within the situations outlines in B.7.f., B.7.g., and B.7.h. above:

- (1) If a staff member plans two weeks of FMLA leave to care for a family member which will begin three weeks before the end of the term, the Board could require a staff member to stay out on FMLA leave until the end of the term.
- j. In the case of a staff member who is required to take FMLA leave until the end of an academic term, only the period of FMLA leave until a staff member is ready and able to return to work shall be charged against a staff member's FMLA leave entitlement.
- k. The Board may require a staff member to stay on FMLA leave until the end of the school term. Any additional leave required by the Board to the end of the school term is not counted as FMLA leave; however:
  - (1) The Board shall be required to maintain a staff member's group health insurance; and
  - (2) The Board shall be required to restore a staff member to the same or equivalent job including other benefits at the conclusion of the leave.
- 8. FMLA Leave Related to Military Service
  - a. Definitions for FMLA related to military service shall be in accordance with 29 CFR §§825.122; .126; .127; and .310.
  - b. The foreign deployment of the staff member's spouse, child, or parent in accordance with 29 CFR §§825.122 and .126:
    - (1) The district must grant an eligible staff member up to twelve work weeks of unpaid, job-protected FMLA leave during any twelve month period for qualifying exigencies that arise when the staff member's spouse, child, or parent is on covered active duty, or has been notified of an impending call or order to covered active duty.
  - c. Military caregiver FMLA leave provides care for a covered servicemember with a serious injury or illness in accordance with 29 CFR §§825.122 and .127:
    - (1) The district must grant up to a total of twenty-six workweeks of unpaid, job-protected FMLA leave during a "single twelve month period" to care for a covered servicemember with a serious injury or illness.

## 9. Verification

- a. The Board shall require that a staff member's FMLA leave to care for a staff member's covered family member with a serious health condition, or due to a staff member's own serious health condition that makes a staff member unable to perform one or more of the essential functions of a staff member's position, be supported by a certification issued by the health care provider of a staff member or a staff member's family member.
  - (1) The Board must give written notice of a requirement for certification each time a certification is required. The Board's oral request to a staff member to furnish any subsequent certification is sufficient.
- b. The Board shall require a staff member furnish certification at the time a staff member gives notice of the need for FMLA leave or within five business days thereafter, or, in the case of unforeseen FMLA leave, within five business days after the FMLA leave commences.
  - (1) The Board may request certification at some later date if the Board later has reason to question the appropriateness of the FMLA leave or its duration.
  - (2) A staff member must provide the requested certification to the Board within fifteen calendar days after the Board's request, unless it is not practicable under the particular circumstances to do so despite a staff member's diligent, good faith efforts or the Board provides more than fifteen calendar days to return the requested certification.
- c. When FMLA leave is taken because of a staff member's own serious health condition, or the serious health condition of a family member, the Board shall require a staff member to obtain a medical certification from a health care provider that sets forth the following information:
  - (1) The name, address, telephone number, and fax number of the health care provider and type of medical practice/specialization;
  - (2) The approximate date on which the serious health condition commenced, and its probable duration;
  - (3) A statement or description of appropriate medical facts regarding the patient's health condition for which FMLA leave is requested. The medical facts must be sufficient to support the need for FMLA leave.
    - (a) Such medical facts may include information on symptoms, diagnosis, hospitalization, doctor visits, whether medication has

been prescribed, any referrals for evaluation or treatment (physical therapy, for example), or any other regimen of continuing treatment;

- (4) If a staff member is the patient, information sufficient to establish that a staff member cannot perform the essential functions of a staff member's job as well as the nature of any other work restrictions, and the likely duration of such inability;
  - (5) If the patient is a covered family member with a serious health condition, information sufficient to establish that the family member is in need of care, and an estimate of the frequency and duration of the FMLA leave required to care for the family member;
  - (6) If a staff member requests FMLA leave on an intermittent or reduced schedule basis for planned medical treatment of a staff member's or a covered family member's serious health condition, information sufficient to establish the medical necessity for such intermittent or reduced schedule FMLA leave and an estimate of the dates and duration of such treatments and any periods of recovery;
  - (7) If a staff member requests FMLA leave on an intermittent or reduced schedule basis for a staff member's serious health condition, including pregnancy, that may result in unforeseeable episodes of incapacity, information sufficient to establish the medical necessity for such intermittent or reduced schedule FMLA leave and an estimate of the frequency and duration of the episodes of incapacity; and
  - (8) If a staff member requests FMLA leave on an intermittent or reduced schedule basis to care for a covered family member with a serious health condition, a statement that such FMLA leave is medically necessary to care for the family member, which can include assisting in the family member's recovery, and an estimate of the frequency and duration of the required FMLA leave.
- d. A staff member may choose to comply with the certification requirement by providing the Board with an authorization, release, or waiver allowing the Board to communicate directly with the health care provider of a staff member or his or her covered family member.
- (1) It is a staff member's responsibility to provide the Board with complete and sufficient certification and failure to do so may result in the denial of FMLA leave.

- e. If the Board has reason to doubt the validity of a medical certification, the Board may require a staff member to obtain a second opinion at the Board's expense.
    - (1) The Board may designate the health care provider to furnish the second opinion, but the selected health care provider may not be employed on a regular basis by the Board.
  - f. If the opinions of a staff member's and the Board's designated health care providers differ, the Board may require a staff member to obtain certification from a third health care provider, again at the Board's expense. This third opinion shall be final and binding. The third health care provider must be designated or approved jointly by the Board and the staff member.
10. Reinstatement Following FMLA Leave
- a. On return from FMLA leave a staff member is entitled to be returned to the same position a staff member held when FMLA leave commenced, or to an equivalent position with equivalent benefits, pay, and other terms and conditions of employment.
    - (1) A staff member is entitled to such reinstatement even if a staff member has been replaced or his or her position has been restructured to accommodate for a staff member's absence.
    - (2) The requirement that a staff member be restored to the same or equivalent job with the same or equivalent pay, benefits, and terms and conditions of employment does not extend to de minimis, intangible, or unmeasurable aspects of the job.
  - b. Denial of Reinstatement
    - (1) A staff member has no greater right to reinstatement or to other benefits and conditions of employment that if a staff member had been continuously employed during the FMLA leave period.
      - (a) The Board must be able to show that a staff member would not otherwise have been employed at the time reinstatement is requested in order to deny restoration to employment.
    - (2) The Board may deny job restoration to "key employees", if such denial is necessary to prevent substantial and grievous economic injury to the operations of the Board.

- (a) A “key employee” is a salaried FMLA-eligible staff member who is among the highest paid ten percent of all staff members employed by the Board within seventy-five miles of a staff member's worksite.
- (3) If a staff member is unable to perform an essential function of the position because of a physical or mental condition, including the continuation of a serious health condition or an injury or illness also covered by workers’ compensation, a staff member has no right to restoration to another position under the FMLA.
  - (a) The Board’s obligation may; however, be governed by the Americans with Disabilities Act, State leave law, or workers’ compensation laws.
- (4) A staff member who fraudulently obtains FMLA leave from the Board is not protected by FMLA's job restoration or maintenance of health benefits provisions.
- c. Intent to Return to Work
  - (1) The Board may require a staff member on FMLA leave to report periodically on a staff member's status and intent to return to work.
- d. Fitness for Duty Certification
  - (1) As a condition of restoring a staff member whose FMLA leave was a result of a staff member's own serious health condition that made a staff member unable to perform a staff member's job, the Board shall require all similarly-situated staff members (i.e., same occupation, same serious health condition) who take FMLA leave for such conditions to obtain and present certification from a staff member's health care provider that a staff member is able to resume work.
  - (2) A staff member has the same obligations to participate and cooperate in the fitness-for-duty certification process as in the initial certification process.
- 11. The Board of Education Notice
  - a. Notice of Staff Member Rights Under FMLA
    - (1) The Board shall post and keep posted on its premises, in conspicuous places where staff members are employed, a notice explaining the FMLA’s provisions and providing information concerning the procedures for filing

complaints of violations of the FMLA with the Wage and Hour Division.

- (a) The notice will be posted prominently where it can be readily seen by staff members and applicants for employment.
  - (b) The poster and the text will be large enough to be easily read and contain fully legible text.
  - (c) Electronic posting is sufficient to meet this posting requirement as long as it otherwise meets the requirements of B.11.
- (2) The Board shall also provide this general notice to each staff member by including the notice in staff members' handbooks or other written guidance to staff members concerning staff member benefits or FMLA leave rights, if such written materials exist, or by distributing a copy of the general notice to each new staff member upon hiring. In either case, distribution may be accomplished electronically.
  - (3) Access to and/or distribution of this Policy shall serve as school district notice to staff members of their rights pursuant to 29 CFR §825 et seq.
- b. Eligibility Notice
    - (1) When a staff member requests FMLA leave, or when the Board acquires knowledge that a staff member's FMLA leave may be for an FMLA-qualifying reason, the Board must notify the staff member of the staff member's eligibility to take FMLA leave within five business days, absent extenuating circumstances.
  - c. Designation Notice
    - (1) The Board is responsible in all circumstances for designating leave as FMLA-qualifying, and for giving notice of the designation to a staff member. The Board must notify a staff member whether the leave will be designated and will be counted as FMLA leave within five business days absent extenuating circumstances.
    - (2) If the Board requires paid leave to be substituted for unpaid FMLA leave, or that paid leave taken under an existing leave plan be counted as FMLA leave, the Board must inform a staff member of this designation at the time of designating the FMLA leave.

a. Substitution of Paid Leave

- (1) Whether a staff member is required to use sick time or any other accrued leave time concurrent with FMLA leave time will depend upon either the district's practice or a provision in the district's collective bargaining agreement, if applicable.

b. Maintenance of Staff Member Benefits

- (1) The Board must maintain a staff member's coverage under any group health plan on the same conditions as coverage would have been provided if a staff member had been continuously employed during the entire FMLA leave period.

C. Shared Provisions

1. Interference with Family Leave Rights

The NJFLA and the FMLA prohibit interference with a staff member's rights under the law, and with legal proceedings or inquiries relating to a staff member's rights. Unless permitted by the law, no staff member shall be required to take family leave or to extend family leave beyond the time requested. A staff member shall not be discriminated against for having exercised his/her rights under the NJFLA and the FMLA nor discouraged from the use of family leave.

2. Non-Tenured Teaching Staff

Family leave granted to a nontenured staff member cannot extend a staff member's employment beyond the expiration of his/her employment contract.

3. Record Keeping

The Superintendent or designee shall ensure the keeping of accurate attendance records that distinguish family leave from other kinds of leave so a staff member's entitlement to NJFLA leave and FMLA leave can be properly determined.

4. Processing of Complaints

a. New Jersey Family Leave Act

- (1) Any complaint alleging a violation of the NJFLA shall be processed in the same manner as a complaint filed under the terms of N.J.S.A. 10:5-1 et seq. and N.J.A.C. 13:4 through the New Jersey Department of Law and Public Safety, Division on Civil Rights.

- b. Federal Family and Medical Leave Act (FMLA)
- (1) If there is a dispute between the Board and a staff member as to whether leave qualifies as FMLA leave, it should be resolved through discussion between the staff member and the Superintendent or designee. Such discussions and the decision shall be documented by the Superintendent or designee.
  - (2) A staff member also may file, or have another person file on his/her behalf, a complaint with the United States Secretary of Labor. A complaint may be filed in person, by mail, or by telephone with the Wage and Hour Division, Employment Standards Administration, U.S. Department of Labor, at any local office of the Wage and Hour Division.
  - (3) This Policy 1643 shall be posted on the school district website, in a manner accessible to all staff members and a hard copy shall be provided to all staff members annually prior to the beginning of the school year and upon initial employment in the school district during the school year.

~~3431.3~~ — NEW JERSEY'S FAMILY LEAVE INSURANCE PROGRAM

~~Board of Education employees are eligible to apply for benefits under New Jersey's Family Leave Insurance Program administered by the State of New Jersey "Department of Labor and Workforce Development. New Jersey's Family Leave Insurance Program (NJFLI) may provide up to six weeks of family leave insurance benefits payable to covered employees from either the New Jersey State Plan or an approved employer provided private plan.~~

~~A benefit provided through the NJFLI will be for the employee to bond with a child during the first twelve months after the child's birth, if the covered individual or the domestic partner or civil union partner of the covered individual is a biological parent of the child, or the first twelve months after the placement of the child for adoption with the covered individual. An employee who intends to apply to the State of New Jersey for benefits under this provision of the NJFLI must provide the Superintendent of Schools written notice thirty calendar days prior to beginning the leave. Failure to provide this thirty day notice may result in a reduction in the employee's maximum family leave insurance benefits. Intermittent leave to bond with a newborn or newly adopted child must be agreed to by the Superintendent of Schools and the employee and, if agreed to, must be taken in periods of seven days or more.~~

~~A benefit provided through the NJFLI will also be to care for a family member with a serious health condition supported by a certification provided by a health care provider. An employee who intends to apply to the State of New Jersey for benefits under this provision of the NJFLI for consecutive leave must provide the school district reasonable and practical notice unless the time of the leave is unexpected or the time of the leave changes for unforeseen reasons. An employee who intends to apply for benefits under this provision of the NJFLI for intermittent leave must provide the school district with a written notice at least fifteen calendar days prior to beginning the leave.~~

~~For the purposes of this Policy, a "family member" means a child, spouse, domestic partner, civil union partner, or parent of a covered individual. "Child" means a biological, adopted, or foster child, stepchild, or legal ward of a covered individual, child of a domestic partner of the covered individual, or child of a civil union partner of the covered individual, who is less than nineteen years of age or is nineteen years of age or older but incapable of self care because of mental or physical impairment.~~

~~An employee will be required to use ten workdays of earned vacation, personal, or other earned leave in connection with a period of paid leave from the NJFLI. In accordance with N.J.S.A. 18A:30-1, sick leave is only to be used for personal disability due to illness or injury and therefore may not be used for NJFLI purposes.~~

New Jersey's Family Leave Insurance Program

~~All applications for benefits under the NJFLI must be filed directly with the State of New Jersey—Department of Labor and Workforce Development. The eligibility requirements, wage requirements, benefit duration and amounts, and benefit limitations shall be in accordance with the provisions of the NJFLI as administered by the State of New Jersey—“Department of Labor and Workforce Development. A formal appeal may be submitted to the State of New Jersey—“Department of Labor and Workforce Development if an employee or the Board disagrees with a determination on a claim.~~

~~The NJFLI provides eligible individuals a monetary benefit and not a leave benefit. The school district administrative and related staff will comply with the State of New Jersey—Department of Labor and Workforce Development requests for information in accordance with the provisions of N.J.A.C. 12:21-3.9.~~

~~The Board may elect to provide employees with Family Leave Insurance benefits coverage under a private plan which must be approved by the State of New Jersey's Department of Labor and Workforce Development.~~

~~A printed notification of covered individuals' rights relative to the receipt of benefits under the NJFLI will be posted in each of the school district worksites and in a place or places accessible to all employees at the worksite. Each employee shall receive a copy of this notification in writing at the time of the employee's hiring, whenever the employee provides written notice to the Superintendent of their intention to apply for benefits under the NJFLI, or at any time upon the first request of the employee. The written notification may be transmitted to the employee in electronic form.~~

**A. Introduction**

The Board will provide family leave in accordance with the Federal Family and Medical Leave Act (FMLA) and the New Jersey Family Leave Act (NJFLA).

FMLA leave for eligible staff members shall be up to twelve weeks leave of absence in any twelve month period upon advance notice to the district for the birth of a son or daughter of the staff member and in order to care for such son or daughter; for the placement of a son or daughter with the staff member for adoption or foster care; in order to care for the spouse, son, daughter, or parent of the staff member if such spouse, son, daughter, or parent has a serious health condition; or for a serious health condition that makes the staff member unable to perform the functions of the position of such staff member, or because of any qualifying exigency arising out of the fact that the employee's spouse, son, daughter, or parent is a military member on active duty or call to covered active duty status (or has been notified of an impending call or order to covered active duty). In addition, eligible employees may take up to a combined total of twenty six workweeks in a single twelve month period to care for a covered servicemember with a serious injury or illness.

NJFLA leave for eligible staff members shall be up to twelve weeks leave of absence in any twenty four month period upon advance notice to the district so that a staff member may provide care made necessary by the birth of a child of the staff member, the placement of a child with the staff member in connection with adoption of such child by the staff member, and the serious health condition of a spouse, parent, or child.

**B. Applicability**

The Board will comply with requirements of the New Jersey and Federal Family Leave laws. The laws have similar and different provisions that may provide different rights and obligations for the staff member and/or the Board. The staff member shall be afforded the most favorable rights if there is a conflict in the rights afforded to the staff member under the two laws.

1. If the staff member is eligible for leave for reasons provided under the FMLA and NJFLA, then the time taken shall be concurrent and be applied to both laws.
2. The NJFLA provides twelve weeks leave in a twenty four month period while the FMLA provides twelve weeks leave in a twelve month period. A staff member is eligible for up to twelve weeks leave in the first twelve months of the twenty four month period under the NJFLA. A staff member is eligible for up to twelve weeks leave in the second twelve month period under the FMLA.

Family Leave

3. ~~In the event the reason for the family leave is recognized under one law and not the other law, the staff member is eligible for each law's leave entitlements within one twelve-month period. (Example: A staff member may use their FMLA leave for a twelve-week family leave for their own pregnancy, which is considered a "serious health condition" under FMLA, and upon conclusion of the twelve-week FMLA leave, the staff member would be eligible for a twelve-week NJFLA leave to care for their newborn or any other reasons pursuant to the NJFLA.)~~

C. ~~Definitions~~1. ~~Federal Family and Medical Leave Act (FMLA)~~

~~"Contingency operation" means a military operation that results in the call or order to, or retention on, active duty of members of the uniformed services during a war or during a national emergency declared by the President or Congress.~~

~~"Covered active duty" or "call to covered active duty" means duty during deployment of a member with the Armed Forces to a foreign country and, in the case of a member of the Reserve components of the Armed Forces, duty during the deployment of the member with the Armed Forces to a foreign country under a Federal call or order to active duty in support of a contingency operation.~~

~~"Covered servicemember" means a current member of the Armed Forces (including National Guard or Reserves), who is undergoing medical treatment, recuperation, or therapy, is otherwise in outpatient status, or is otherwise on the temporary disability retired list for a serious injury or illness; or a covered veteran undergoing medical treatment, recuperation, or therapy for a serious injury or illness.~~

~~"Covered veteran" means an individual who was a member of the Armed Forces (including National Guard or Reserves), discharged or released under conditions other than dishonorable at any time during the five-year period prior to the first date the eligible staff member takes FMLA leave to care for the covered veteran. For a veteran discharged prior to March 8, 2013, the effective date of the FMLA Final Rule, the period between October 28, 2009 and March 8, 2013 will not count towards the determination of the five-year period. 29 CFR § 825.127(b)(2)~~

Family Leave

~~“Military caregiver leave” means leave taken to care for a covered servicemember with a serious injury or illness under FMLA. 29 CFR §825.127~~

~~“Next of kin of a covered servicemember” means the nearest blood relative other than the covered servicemember's spouse, parent, son, or daughter, in the following order of priority: blood relatives who have been granted legal custody of the covered servicemember by court decree or statutory provisions, brothers and sisters, grandparents, aunts and uncles, and first cousins, unless the covered servicemember has specifically designated in writing another blood relative as his or her nearest blood relative for purposes of military caregiver leave under the FMLA. When no such designation is made, and there are multiple family members with the same level of relationship to the covered servicemember, all such family members shall be considered the covered servicemember's next of kin and may take FMLA leave to provide care to the covered servicemember, either consecutively or simultaneously. When such designation has been made, the designated individual shall be deemed to be the covered servicemember's only next of kin. For example, if a covered servicemember has three siblings and has not designated a blood relative to provide care, all three siblings would be considered the covered servicemember's next of kin. Alternatively, where a covered servicemember has a sibling(s) and designates a cousin as his or her next of kin for FMLA purposes, then only the designated cousin is eligible as the covered servicemember's next of kin. An employer is permitted to require an employee to provide confirmation of covered family relationship to the covered servicemember pursuant to 29 CFR §825.122(k). 29 CFR §825.127(d)(3)~~

~~“Outpatient status” means, with respect to a covered servicemember who is a current member of the Armed Forces, the status of a member of the Armed Forces assigned to either a military medical treatment facility as an outpatient; or a unit established for the purpose of providing command and control of members of the Armed Forces receiving medical care as outpatients. 29 CFR § 825.127(b)(1)~~

~~“Parent” means a biological, adoptive, step or foster father or mother, or any other individual who stood in loco parentis to the employee when the employee was a son or daughter as defined below. This term does not include parents “in law.”~~

~~“Parent of a covered servicemember” means a covered servicemember’s biological, adoptive, step or foster father or mother, or any other individual who stood in loco parentis to the covered servicemember. This term does not include parents “in law.”~~

~~“Serious health condition” means an illness, injury, impairment, or physical or mental condition that involves inpatient care in a hospital, hospice, or residential medical facility or continuing treatment by a health care provider. “Serious health condition” may include treatment of substance abuse pursuant to 29 CFR §825.119.~~

~~“Serious injury or illness,” only in the case of a veteran or current member of the Armed Forces, means:~~

- ~~a. In the case of a current member of the Armed Forces, including a member of the National Guard or Reserves, an injury or illness that was incurred by the covered servicemember in the line of duty on active duty in the Armed Forces or that existed before the beginning of the member's active duty and was aggravated by service in the line of duty on active duty in the Armed Forces and that may render the servicemember medically unfit to perform the duties of the member's office, grade, rank, or rating; and~~
- ~~b. In the case of a covered veteran, an injury or illness that was incurred by the member in the line of duty on active duty in the Armed Forces (or existed before the beginning of the member's active duty and was aggravated by service in the line of duty on active duty in the Armed Forces) and manifested itself before or after the member became a veteran, and is:
 
  - ~~(1) A continuation of a serious injury or illness that was incurred or aggravated when the covered veteran was a member of the Armed Forces and rendered the servicemember unable to perform the duties of the servicemember's office, grade, rank, or rating; or~~
  - ~~(2) A physical or mental condition for which the covered veteran has received a U.S. Department of Veterans Affairs Service Related Disability Rating (VASRD) of fifty percent or greater, and such VASRD rating is based, in whole or in part, on the condition precipitating the need for military caregiver leave; or~~
  - ~~(3) A physical or mental condition that substantially impairs the covered veteran's ability to secure or follow a substantially gainful occupation by reason of a disability or disabilities related to military service, or would do so absent treatment; or~~~~

(4) ~~An injury, including a psychological injury, on the basis of which the covered veteran has been enrolled in the Department of Veterans Affairs Program of Comprehensive Assistance for Family Caregivers. 29 CFR 825 §127(e)~~

~~“Single twelve month period” means that a military caregiver’s leave begins on the first day the staff member takes FMLA leave and ends twelve months after that date, regardless of the twelve month period established by the district for other FMLA leave reasons. 29 CFR §825.127(e)(1)~~

~~“Son” or “daughter” means a biological, adopted, or foster child, stepchild, a legal ward, or a child of a person standing in loco parentis, who is either under age eighteen or age eighteen or older and incapable of self-care because of a mental or physical disability at the time that FMLA leave is to commence.~~

~~“Son or daughter of the covered servicemember” means a covered servicemember’s biological, adopted or foster child, stepchild, legal ward, or a child for whom the covered servicemember stood in loco parentis, and who is of any age. 29 CFR §825.127(d)(1)~~

~~“Son or daughter on covered active duty or call to covered active duty status” means the staff member’s biological, adopted or foster child, stepchild, legal ward, or a child for whom the staff member stood in loco parentis, who is on covered active duty or call to covered active duty status, and who is of any age. 29 CFR §825.126(a)(5)~~

~~“Spouse” means a husband or wife. For purposes of this definition, husband or wife refers to the other person with whom an individual entered into marriage as defined or recognized under State law in the State in which the marriage was entered into or, in the case of a marriage entered into outside of any State, if the marriage is valid in the place where entered into and could have been entered into in at least one State. This definition includes an individual in a same-sex marriage or common law marriage. 29 CFR §825.122~~

~~“Staff member” means an employee eligible for family and medical leave in accordance with the Federal Family and Medical Leave Act (FMLA).~~

~~“Week” or “Workweek” means the number of days a staff member normally works each calendar week.~~

## 2. ~~New Jersey Family Leave Act (NJFLA)~~

~~“Child” means a biological, adopted or foster child, stepchild, legal ward, child of a parent who is under eighteen years of age or a child eighteen years of age or older but incapable of self care because of a mental or physical impairment.~~

~~“Continuing medical treatment” or “continuing supervision by a health care provider” means a period of incapacity or a period of absence in accordance with N.J.A.C. 13:14.~~

~~“Parent” means a biological, adoptive, or foster parent; step parent; parent in law; a legal guardian having a “parent child relationship” with a child as defined by law; or a person who has sole or joint legal or physical custody, care, guardianship, or visitation with a child.~~

~~“Serious health condition” means an illness, injury, impairment, or physical or mental condition that requires inpatient care in a hospital, hospice, or residential medical facility or continuing medical treatment or continuing supervision by a health care provider.~~

~~“Spouse” means a person to whom a staff member is lawfully married as defined by New Jersey law.~~

~~“Staff member” means an employee eligible for family leave in accordance with the New Jersey Family Leave Act.~~

~~“Week” or “Workweek” means the number of days a staff member normally works each calendar week.~~

## D. ~~Eligibility~~

### 1. ~~Federal Family and Medical Leave Act (FMLA)~~

~~A staff member shall become eligible for FMLA leave after he/she has been employed at least twelve months in this district and employed for at least 1250 hours of service during the twelve month period immediately preceding the commencement of the leave. The twelve months the staff member must have been employed need not be consecutive~~

~~months pursuant to 29 CFR §825.110(b). The minimum 1250 hours of service shall be determined according to the principles established under the Fair Labor Standards Act (FLSA) for determining compensable hours of work pursuant to 29 CFR § 785. Entitlement to FMLA leave taken for the birth of a son or daughter or placement of a son or daughter with the staff member for adoption or foster care shall expire at the end of the twelve month period beginning on the date of such birth or placement.~~

~~Pursuant to 29 CFR §825.202, a husband and wife both employed by the district are limited to a combined total of twelve weeks of leave during the twelve month period if the leave is taken for the birth of a son or daughter of the staff member or to care for such son or daughter after birth; for placement of a son or daughter with the staff member for adoption or foster care or in order to care for the son or daughter after placement; or to care for the staff member's parent with a serious health condition.~~

~~The method to determine the twelve month period in which the twelve weeks of FMLA leave entitlement occurs will be a "rolling" twelve month period measured backward from the date a staff member uses any family leave.~~

~~A staff member during any period of FMLA leave is prohibited from performing any services on a full time basis for any person for whom the staff member did not provide services immediately prior to commencement of the leave. A staff member using FMLA leave may commence part time employment that shall not exceed half the regularly scheduled hours worked for the district. The staff member may continue the part time employment that commenced prior to the FMLA leave at the same number of hours that the staff member was regularly scheduled prior to such leave.~~

## ~~2. New Jersey Family Leave Act (NJFLA)~~

~~A staff member shall become eligible for NJFLA leave after he/she has been employed at least twelve months in this district for not less than 1,000 base hours, excluding overtime, during the immediate preceding twelve month period. The calculation of the twelve month period to determine eligibility shall commence with the commencement of the NJFLA leave. NJFLA leave taken for the birth or adoption of a healthy child may commence at any time within a year after the date of the birth or placement for adoption.~~

~~The district shall grant a family leave under NJFLA to more than one staff member from the same family (for example, a husband and a wife, or a brother and a sister) at the same time, provided such staff members are otherwise eligible for the leave. N.J.A.C. 13:14-1.12~~

~~A staff member during any period of the NJFLA leave is prohibited from performing any services on a full time basis for any person for whom the staff member did not provide services immediately prior to commencement of the leave. A staff member on NJFLA leave may commence part time employment that shall not exceed half the regularly scheduled hours worked for the district. The staff member may continue the part time employment that commenced prior to the NJFLA leave at the same number of hours that the staff member was regularly scheduled prior to such leave.~~

~~The method to determine the twenty four month period in which the twelve weeks of NJFLA leave entitlement occurs will be a “rolling” twenty four month period measured backward from the date a staff member uses any leave.~~

#### E. — Types of Leave

##### 1. — Federal Family and Medical Leave Act (FMLA)

~~A staff member may take FMLA leave to include servicemember qualifying exigency leave or military caregiver leave in consecutive weeks, as intermittent leave, or as reduced leave. A staff member who requests intermittent or reduced leave shall make a reasonable effort to schedule such leave so as not to unduly disrupt the instructional/educational program.~~

- a. — ~~Leave for the birth of a son or daughter or placement of a son or daughter with the staff member for adoption or foster care may not be taken by a staff member intermittently or on a reduced leave schedule.~~
- b. — ~~Leave may be taken intermittently or on a reduced leave schedule when medically necessary for planned and/or unanticipated medical treatment of a related serious health condition by or under the supervision of a health care provider, or for recovery from treatment or recovery from a serious health condition.~~
- c. — ~~Intermittent leave means leave scheduled for periods of time from one hour or more to several weeks; however, the total time within which the leave is taken can not exceed a twelve month period for each serious health condition episode. Intermittent leave may be taken for a serious health condition that requires~~

**RIDGEWOOD****POLICY****BOARD OF EDUCATION****SUPPORT STAFF MEMBERS**

4431.1/page 11 of 25

**Family Leave**

~~periodic treatment by a health care provider, rather than one continuous period of time. Intermittent leave may also be taken for absences where the staff member is incapacitated or unable to perform the essential functions of the position because of a serious health condition even if the staff member does not receive treatment by a health care provider. The staff member shall make a reasonable effort to schedule intermittent leave so as not to unduly disrupt the operations of the instructional/educational program.~~

- ~~d. Reduced leave means leave scheduled for fewer than the staff member's usual number of hours worked per workweek, but not fewer than a staff member's usual number of hours worked per workday, unless otherwise agreed to by the staff member and the district. A staff member is entitled, at the option of the staff member, to take leave on a reduced leave schedule not exceeding twenty-four consecutive weeks. The staff member shall make a reasonable effort to schedule reduced leave so as not to unduly disrupt the operations of the instructional/educational program. The staff member shall provide the district prior notice of the care, medical treatment or continuing supervision by a health care provider necessary due to a serious health condition of a family member in a manner that is reasonable and practicable. Leave taken on a reduced leave schedule shall not result in a reduction of the total amount of leave to which a staff member is entitled.~~
- ~~e. The fact that a holiday may occur within the week taken by a staff member as Family Leave has no effect and the week is counted as a week of Family Leave. However, if the staff member is out on Family Leave and the school district is closed and the staff member would not be expected to report for work for one or more weeks, the weeks the school district is closed for this staff member do not count against the staff member's family leave entitlement.~~

~~Any leave time remaining after a staff member has exhausted his/her entitlement to intermittent leave in any twelve month period may be taken as consecutive leave or reduced leave, and any leave time remaining after a staff member has exhausted his/her entitlement to reduced leave in any twelve month period may be taken as consecutive leave or intermittent leave.~~

Family Leave

- f. ~~Servicemember qualifying exigency leave may arise out of the foreign deployment of the staff member's spouse, child, or parent 29 CFR §§825.122 and 126:~~
- ~~(1) The district must grant an eligible staff member up to twelve work weeks of unpaid, job protected leave during a twelve month period for qualifying exigencies that arise when the staff member's spouse, child, or parent is on covered active duty, or has been notified of an impending call or order to covered active duty.~~
  - ~~(2) The military member must be the spouse, son, daughter, or parent, of the staff member taking FMLA exigency leave.~~
  - ~~(3) FMLA leave can be granted for one or more of the following exigencies:~~
    - ~~(a) Short notice deployment:
 
      - ~~i. Notification of duty seven or less calendar days prior to date of deployment;~~
      - ~~ii. Leave can be used for a period of seven calendar days beginning on the date the military member is notified.~~~~
    - ~~(b) Military events and related activities, including official ceremonies, programs, or events sponsored by the military and related to the covered active duty or call to covered active duty status of the military member; and to attend family support or assistance programs and informational briefings sponsored or promoted by the military, military service organizations, or the American Red Cross.~~

- ~~(c) — Childcare and school activities including arranging for alternative childcare; providing childcare on an urgent, immediate need basis (not routine, regular, or everyday basis); to enroll in or transfer to a new school or day care facility; or to attend meetings with staff at a school or day care facility:
  - ~~i. — The son or daughter must be the son or daughter of the covered servicemember.~~~~
- ~~(d) — Financial and legal arrangements made to address the military member's absence while on covered active duty or call to covered active duty status.~~
- ~~(e) — Counseling, provided by someone other than a health care provider for oneself, for the military member, or qualified child, if the need arises from the covered active duty or call to covered active duty status of the military member.~~
- ~~(f) — Rest and Recuperation (R&R) to spend time with the military member on short term, temporary R&R leave during a term of deployment:
  - ~~i. — Can be used for a period of fifteen calendar days beginning on the date the military member commences each instance of R&R leave.~~~~
- ~~(g) — Post deployment activities such as ceremonies or briefings including any that arise from the death of the military member while on covered active duty.~~
- ~~(h) — Parental care for one meeting the definition of a "parent" and incapable of self care including: arranging alternative care; providing care on an immediate need basis; and to attend meetings or arrange services at a care facility.~~

- (a) ~~The eligible staff member must be the spouse, son, daughter, parent, or next of kin of the covered servicemember.~~
- (b) ~~The staff member is limited to a combined total of twenty-six workweeks for any FMLA-qualifying reasons during the single twelve-month period. Up to twelve of the twenty-six weeks may be for an FMLA-qualifying reason other than military caregiver leave.~~
- (c) ~~Spouses who are eligible for FMLA leave and are employed by the same covered employer may be limited to a combined total of twenty-six workweeks of leave during a single twelve-month period if the leave is taken for birth of the employee's son or daughter or to care for the child after birth, for placement of a son or daughter with the employee for adoption or foster care, or to care for the child after placement, to care for the employee's parent with a serious health condition, or to care for a covered servicemember with a serious injury or illness. If one spouse is ineligible for FMLA leave, the other spouse would be entitled to a full twenty-six workweeks of FMLA leave.~~

- ~~(2) Leave entitlement is applied on a per covered servicemember, per injury basis.~~
- ~~(a) The staff member may take an additional twenty six weeks of leave if the leave is to care for different covered servicemembers or to care for the same servicemember with a subsequent serious injury or illness, except that no more than twenty six weeks of leave may be taken within any single twelve month period.~~
- ~~(b) An eligible staff member may take military caregiver leave to care for more than one current service member or covered veteran at the same time or for the same family member with the same serious injury or illness both when the family member is a current servicemember and when the family member is a veteran.~~
- ~~(c) Military caregiver leave may be taken by eligible staff members whose family members are recent veterans with serious injuries or illnesses incurred or aggravated in the line of duty on active duty, and that manifested before or after the veteran left active duty.~~

~~2. New Jersey Family Leave Act (NJFLA)~~

~~A staff member may take NJFLA leave in consecutive weeks, as intermittent leave, or as reduced leave. A staff member who requests intermittent or reduced leave shall make a reasonable effort to schedule such leave so as not to unduly disrupt the instructional/educational program. The district shall not require a staff member to take a leave of absence beyond the period of time the staff member requests family leave. N.J.A.C. 13:14 1.5(f)~~

- ~~a. In the case of a family member who has a serious health condition, leave may be taken intermittently when medically necessary. The total time within which the leave is taken, can not exceed a twelve month period for each serious health condition episode. The staff member will provide the district with prior notice of the leave in a manner which is reasonable and practicable; and the staff member shall make a reasonable effort to schedule the leave so as not to unduly disrupt the operations of the instructional/educational program. In the case of the birth or adoption of a healthy child, the leave may be taken intermittently only if agreed to by the staff member and the district.~~

- b. ~~Reduced leave means leave scheduled for fewer than the staff member's usual number of hours worked per workweek, but not fewer than a staff member's usual number of hours worked per workday, unless otherwise agreed to by the staff member and the district. A staff member is entitled, at the option of the staff member, to take leave on a reduced leave schedule for a period not exceeding twenty four consecutive weeks. The staff member is not entitled to take the leave on a reduced leave schedule without an agreement between the staff member and the district if the leave is taken for the birth or adoption of a healthy child. The staff member shall make a reasonable effort to schedule reduced leave so as not to unduly disrupt the operations of the instructional/educational program. The staff member shall provide the district prior notice of the care, medical treatment or continuing supervision by a health care provider necessary due to a serious health condition of a family member in a manner that is reasonable and practicable. Leave taken on a reduced leave schedule shall not result in a reduction of the total amount of leave to which a staff member is entitled.~~

~~need for the leave is foreseeable based on an expected birth, placement for adoption of foster care, or planned medical treatment for a serious health condition of the staff member or a family member. If thirty days is not practical, the staff member must provide notice "as soon as practicable" which means as soon as both possible and practical, taking into account all the facts and circumstances in the individual case. For foreseeable leave where it is not possible to give as much as thirty days notice "as soon as practical" ordinarily would mean at least verbal notification to the Manager of Human Resources within one or two business days or when the need for leave becomes known to the staff member. The written notice shall include the reasons for the leave, the anticipated duration of the leave and the anticipated start of the leave.~~

~~When planning medical treatment, the staff member must consult with the Manager of Human Resources and make a reasonable effort to schedule the leave so as not to unduly disrupt the educational program, subject to the approval of the health care provider. Staff members are ordinarily expected to consult with the Manager of Human Resources prior to scheduling of treatment that would require leave for a schedule that best suits the needs of the district and the staff member.~~

~~The district may delay the staff member taking leave for at least thirty days if the staff member fails to give thirty days notice for foreseeable leave with no reasonable excuse for the delay.~~

~~b. Unforeseeable Leave — When the approximate timing of the need for leave is not foreseeable, a staff member should give notice to the Manager of Human Resources for leave as soon as practicable under the facts and circumstances of the particular case. It is expected the staff member will give notice to the Manager of Human Resources within no more than one or two working days of learning of the need for leave, except in extraordinary circumstances where such notice is not foreseeable. The staff member should provide notice to the employer either in person or by telephone, telegraph, facsimile machine or other electronic means.~~

2. ~~New Jersey Family Leave Act (NJFLA)~~

a. ~~Foreseeable Leave~~—A staff member eligible for NJFLA leave must give at least a thirty day advance written notice to the Manager of Human Resources of the need to take family leave except where the need to take family leave is not foreseeable.

(1) ~~Notice for leave to be taken for the birth or placement of the child for adoption shall be given at least thirty days prior to the commencement of the leave, except that if the date of the birth or adoption requires leave to begin in less than thirty days, the staff member shall provide such notice that is reasonable and practicable.~~

(2) ~~Notice for leave to be taken for the serious health condition of a family member shall be given at least fifteen days prior to the commencement of leave, except that if the date of the treatment or supervision requires leave to begin in less than fifteen days, the staff member shall provide such notice that is reasonable and practicable.~~

(3) ~~When the Manager of Human Resources is not made aware that a staff member was absent for family leave reasons and the staff member wants to request the leave be counted as family leave, the staff member must provide timely notice within two business days of returning to work to have the time considered for family leave in accordance with the Family Leave Act.~~

b. ~~Unforeseeable Leave~~—When the need for leave is not foreseeable, the staff member must provide notice “as soon as practicable” which shall be at least verbal notice to the Manager of Human Resources within one or two business days of the staff member learning of the need to take family leave. Whenever emergent circumstances make written notice impracticable, the staff member may give verbal notice to the Manager of Human Resources, but any verbal notice must be followed by written notice delivered within two working days.

G. ~~Leave Designation~~

~~An eligible staff member shall designate FMLA or NJFLA leave upon providing notice of the need for the leave or when the need for leave commences. The Manager of Human Resources shall provide the staff member with this Policy to assist the staff member in determining the type of leave.~~

**H. — Benefits**

~~Whether a staff member is required to use sick time or any other accrued leave time concurrent with FMLA or NJFLA leave time will depend upon either the district's practice or a provision in the district's collective bargaining agreement, if applicable. 29 CFR §825.100~~

~~The Board will maintain coverage under any group health insurance policy, group subscriber contract, or health care plan at the level and under the conditions coverage would have been provided if the staff member had continued to work instead of taking the leave. If the staff member was paying all or part of the premium payments prior to the leave, the staff member would continue to pay his/her share during the leave time. Any ten month staff member who is on leave under NJFLA or FMLA at the end of the school year will be provided with any benefits over the summer that the staff member would normally receive if they had been working at the end of the school year.~~

**I. — Returning from Leave**

~~The Federal Family and Medical Leave Act and/or the New Jersey Family Leave Act~~

~~A staff member returning from leave shall be entitled to the position he/she held when leave commenced or to an equivalent position of like seniority, status, employment benefits, pay and other conditions of employment. If the district experiences a reduction in force or layoff and the staff member would have lost his/her position had the staff member not been on family leave as a result of the reduction in force or pursuant to the good faith operation of a bona fide layoff and recall system including a system under any collective bargaining agreement, the staff member shall be entitled to reinstatement to the former or an equivalent position in accordance with applicable statutes, codes and laws. The staff member's tenure and seniority rights, if any, and other benefits shall be preserved, but the staff member shall accrue no additional time toward tenure or seniority for the period of the leave, except as may be provided by law.~~

~~The return of a staff member prior to the expiration of the requested family leave may be permitted by the Board if the return does not unduly disrupt the instructional program or require the Board to incur the cost of continuing the employment of a substitute under contract.~~

~~The Board may, in accordance with the provisions of 29 CFR §825.312 delay restoration of employment of a staff member using FMLA leave for the staff member's serious health condition until the staff member submits a fitness for duty examination from his/her health care~~

~~provider indicating that the staff member is able to resume work. In the event the Board requires such a fitness for duty examination before restoration of the staff member after leave, the Board will provide the staff member specific notice either at the time the staff member gives notice of the need for leave or immediately after the leave commences and the staff member advises the Board of the medical circumstances for the leave.~~

~~If leave is taken under FMLA, and the staff member does not return to work after the leave expires, the Board is entitled to recover health insurance costs paid while the staff member was on FMLA. The Board's right to recover premiums would not apply if the staff member fails to return to work due to:~~

- ~~1. The continuation, onset or recurrence of a serious health condition of the staff member;  
or~~
- ~~2. Circumstances beyond the staff member's control.~~

#### ~~J. Ineligible Staff Members~~

- ~~1. Federal Family and Medical Leave Act (FMLA)~~

~~The district may deny job restoration after FMLA leave if the staff member is a "key employee" as defined in 29 CFR §825.217 if such denial is necessary to prevent substantial and grievous economic injury to the district or the district may delay restoration to a staff member who fails to provide a fitness for duty certificate to return to work for leave that was the staff member's own serious health condition. A "key employee" is a salaried, staff member who is among the highest paid ten percent of the school district staff employed by the district within 75 miles of the worksite. No more than ten percent of the school district staff within 75 miles of the worksite may be "key employees."~~

~~In the event the Manager of Human Resources believes that reinstatement may be denied to a key employee, the Manager of Human Resources must give written notice to the staff member at the time the staff member gives notice of the need for leave, or when the need for leave commences, if earlier, that he/she qualifies as a key employee. The key employee must be fully informed of the potential consequences with respect to reinstatement and maintenance of health benefits if the district should determine that~~

~~substantial and grievous economic injury to the district's operations will result if the staff member is reinstated from leave. The district's notice must explain the basis for the district's finding that substantial and grievous economic injury will result, and if leave has commenced, must provide the staff member a reasonable time in which to return to work. If the staff member on leave does not return to work in response to the notice of intent to deny restoration, the staff member continues to be entitled to maintenance of health insurance.~~

~~A key employee's rights under the FMLA continue unless and until the staff member either gives notice that he/she no longer wishes to return to work or the district actually denies reinstatement at the conclusion of the leave period. A staff member is still entitled to request reinstatement at the end of the leave period even if the staff member did not return to work in response to the district's notice. The district will then again determine whether there will be substantial and grievous economic injury from reinstatement based on the facts at that time. If it is determined that substantial and grievous economic injury will result, the district will notify the staff member in writing (in person or by certified mail) of the denial of the restoration.~~

## 2. ~~New Jersey Family Leave Act~~

~~The district may deny family leave to the staff member if the staff member is a salaried employee who is among the highest paid five percent of the school district staff or one of the seven highest paid employees of the district, whichever is greater, if the denial is necessary to prevent substantial and grievous economic injury to the school district's operations. The Manager of Human Resources shall notify the staff member of the intent to deny the leave at the time the Manager of Human Resources determines the denial is necessary. If the leave has already commenced at the time of the district's notification of denial, the staff member shall be permitted to return to work within ten working days of the date of notification.~~

The medical certification required encompasses both physical and psychological care and includes situations where a family member is unable to care for his/her own basic medical, hygienic, or nutritional needs or safety, or is unable to transport himself/herself to the doctor. It can also include providing psychological comfort and reassurance beneficial to a child, spouse, or parent with a serious health condition who is receiving inpatient or home care and can include situations where the staff member may be needed to substitute for others who normally care for the family member or covered servicemember or to make arrangements for changes in care. The staff member need not be the only individual or family member available to care for the family member or covered servicemember. 29 CFR §825.124~~

~~The certification must meet the requirements of 29 CFR §§825.306, 309, and 310 to include: which part of the definition of "serious health condition" applies; the approximate date the serious health condition commenced and its probable duration; whether it will be necessary for the staff member to take intermittent and/or reduced leave; whether the patient is presently incapacitated and the likely duration and frequency of episodes of incapacity; if additional treatments will be required for the condition; and/or if the patient's incapacity will be intermittent or will require reduced leave. The certification of a serious health condition of a family member of the staff member shall be sufficient if it states the date on which the condition commenced, the probable duration of the condition, and the medical facts within the provider's knowledge regarding the condition. Certification for the birth or placement of a child need only state the date of birth or date of placement.~~

~~In the event the Manager of Human Resources doubts the validity of the certification, in accordance with 29 CFR § 825.307, the district may require, at the district's expense, the staff member obtain an opinion regarding the serious health condition from a second health care provider designated by the district, but not employed on a regular basis by the district. If the second opinion differs from the staff member's health care provider, the district may require, at the district's expense, the staff member obtain the opinion of a third health care provider designated by the district or approved jointly, in good faith, by the district and the staff member. The opinion of the third health care provider shall be final and binding on the district and the staff member.~~

~~The district may require re-certification pursuant to the requirements of 29 CFR §825.308. In accordance with 29 CFR §825.309, the staff member on leave must provide a written report to the Manager of Human Resources every thirty workdays. The report shall include the staff member's status and intended date to return to work. In the event the staff member's circumstances change, the staff member must provide reasonable notice to the Manager of Human Resources if the staff member intends to return to work on a date sooner than previously noticed to the district. The staff member is not required to take more leave than necessary to resolve the circumstance that precipitated the need for leave. As a condition of returning to work after the leave for the staff member's own serious health condition, and in accordance with 29 CFR § 825.310, the district requires a staff member to provide a certification from their health care provider that the staff member is able to resume work.~~

~~In accordance with 29 CFR §825.311, the district may delay the taking of FMLA leave to a staff member who fails to provide certification within fifteen days after being requested to do so by the district. In accordance with 29 CFR §825.312, the district may delay the taking of leave until thirty days after the date the staff member provides notice to the district of foreseeable leave or the district may delay continuation of leave if a staff member fails to provide a requested medical certification in a timely manner.~~

### ~~2. New Jersey Family Leave Act~~

~~The Board shall require the certification of a duly licensed health care provider verifying the purpose of requested NJFLA leave. Certification of a serious health condition of a family member of the staff member shall be sufficient if it states the date on which the condition commenced, the probable duration of the condition, and the medical facts within the provider's knowledge regarding the condition. Certification for the birth or placement of a child need only state the date of birth or date of placement, whichever is appropriate.~~

~~In the event the Manager of Human Resources doubts the validity of the certification for the serious health condition of a family member of the staff member, the district may require, at the district's expense, the staff member to obtain an opinion regarding the serious health condition from a second health care provider designated or approved, but not employed on a regular basis, by the district. If the second opinion differs from the certification the district may require, at the district's expense, that the staff member obtain the opinion of a third health care provider designated or approved jointly by the district and the staff member concerning the serious health condition. ~~3431.3~~ — NEW JERSEY'S FAMILY LEAVE INSURANCE PROGRAM

~~Board of Education employees are eligible to apply for benefits under New Jersey's Family Leave Insurance Program administered by the State of New Jersey "Department of Labor and Workforce Development. New Jersey's Family Leave Insurance Program (NJFLI) may provide up to six weeks of family leave insurance benefits payable to covered employees from either the New Jersey State Plan or an approved employer provided private plan.~~

~~A benefit provided through the NJFLI will be for the employee to bond with a child during the first twelve months after the child's birth, if the covered individual or the domestic partner or civil union partner of the covered individual is a biological parent of the child, or the first twelve months after the placement of the child for adoption with the covered individual. An employee who intends to apply to the State of New Jersey for benefits under this provision of the NJFLI must provide the Superintendent of Schools written notice thirty calendar days prior to beginning the leave. Failure to provide this thirty day notice may result in a reduction in the employee's maximum family leave insurance benefits. Intermittent leave to bond with a newborn or newly adopted child must be agreed to by the Superintendent of Schools and the employee and, if agreed to, must be taken in periods of seven days or more.~~

~~A benefit provided through the NJFLI will also be to care for a family member with a serious health condition supported by a certification provided by a health care provider. An employee who intends to apply to the State of New Jersey for benefits under this provision of the NJFLI for consecutive leave must provide the school district reasonable and practical notice unless the time of the leave is unexpected or the time of the leave changes for unforeseen reasons. An employee who intends to apply for benefits under this provision of the NJFLI for intermittent leave must provide the school district with a written notice at least fifteen calendar days prior to beginning the leave.~~

5330.01 ADMINISTRATION OF MEDICAL CANNABIS

The Board of Education, in accordance with the requirements of N.J.S.A. 18A:40-12.22, must adopt a Policy authorizing parents and designated caregiver(s) to administer medical cannabis to a qualifying student patient while on school grounds, aboard a school bus, or attending a school-sponsored event. The parent of a qualifying student patient requesting the administration of medical cannabis to the student while on school grounds, aboard a school bus, or attending a school-sponsored event must comply with the provisions of N.J.S.A. 18A:40-12.22 and N.J.S.A. 24:6I-1 et seq. and Policy and Regulation 5330.01.

A student enrolled in the school district must be authorized to engage in the medical use of cannabis pursuant to N.J.S.A. 24:6I-1 et seq. and that the parent or designated caregiver be authorized to assist the student with the medical use of cannabis pursuant to N.J.S.A. 24:6I-1 et seq. The student and the designated primary caregiver(s) must complete registration with the Cannabis Regulatory Commission in accordance with the requirements of N.J.S.A. 24:6I-4.

The parent of the student authorized to engage in the medical use of cannabis must submit a written request with supporting documentation to the Principal requesting approval to have a designated caregiver(s) assist in the administration of medical cannabis to the qualifying student patient while on school grounds, aboard a school bus, or attending a school-sponsored event. The Principal, in consultation with the school nurse, the school physician, and the Superintendent of Schools, will review each request and upon approval will inform the parent in writing of the approval with details for the administration of medical cannabis to the qualifying student patient. The medical use of cannabis by a qualifying student patient while on school grounds, aboard a school bus, or attending a school-sponsored event will only be authorized after the written approval from the Principal is provided to the parent.

Medical cannabis may only be administered to the qualifying student patient while the student is on school grounds, aboard a school bus, or attending a school-sponsored event by the designated caregiver(s) in accordance with the provisions of N.J.S.A. 18A:40-12.22 and N.J.S.A. 24:6I-1 et seq. The prescribed medical cannabis must be in the possession of the designated caregiver(s) at all times, except during the administration process. The designated caregiver(s) shall comply with the requirements of the Principal's written approval for the administration of medical cannabis to the qualifying student patient while on school grounds, aboard a school bus, or attending a school-sponsored event.

All health records related to the administration of medical cannabis to a qualifying student patient while on school grounds, aboard a school bus, or attending a school-sponsored event shall be maintained in accordance with the requirements of N.J.A.C. 6A:16-2.4 and N.J.A.C. 6A:32-7.4.

No person shall be subject to arrest or prosecution for constructive possession, conspiracy, or any other offense for simply being in the presence or vicinity of the medical use of cannabis as authorized under N.J.S.A. 24:6I-1 et seq. or N.J.S.A. 18A:40-12.22. No custodial parent or person who has legal custody of a qualifying student patient who is a minor shall be subject to arrest or prosecution for constructive possession, conspiracy, or any other offense for assisting the minor in the medical use of cannabis as authorized under N.J.S.A. 24:6I-1 et seq. or N.J.S.A. 18A:40-12.22.

7425 LEAD TESTING OF WATER IN SCHOOLS

The health, safety, and welfare of the children in the school district are of utmost importance to the Board of Education. The potential exposure to lead-contaminated drinking water poses serious health problems, particularly for children, as well as for teachers and school personnel, since the risk of lead contamination can come from pipe and plumbing fixtures in school facilities or on school grounds. The Board shall assure the availability of potable drinking water through sanitary means in school facilities or on school grounds. The Board of Education shall provide, in accordance with N.J.A.C. 6A:26-12.4, testing for lead in all district sources of drinking water.

The Board shall conduct lead sampling and analysis in all drinking water outlets to which a student or staff member has, or may have, access in each school facility, other facility, or temporary facility, as soon as practicable, but no later than July 13, 2017, unless the district qualifies for an exemption in accordance with N.J.A.C. 6A:26-12.4(j). This lead sampling and analysis shall be conducted with a lead sampling plan in accordance with N.J.A.C. 6A:26-12.4(d)1, 2, and 3, and shall be in accordance with the Safe Drinking Water Act, N.J.S.A. 58:12A-1.

The Superintendent of Schools or designee shall complete a review of the final laboratory results within seventy-two hours of receipt. Within twenty-four hours after the Superintendent or designee has completed a review of final laboratory results in accordance with the provisions of N.J.A.C. 6A:26-12.4(e), the test results shall be made publicly available at the school facility and on the Board of Education's website. If any results exceed the permissible lead action level, the Board shall provide written notification to the parents of all students attending the facility, facility staff, and the New Jersey Department of Education. This written notification shall include: a description of the measures taken by the Superintendent or designee to immediately end the use of each drinking water outlet where the water quality exceeded the permissible lead action level; any additional remedial action taken or planned by the Board of Education; the measures taken to ensure that alternate drinking water has been made available to all students and staff members; where the water outlet(s) is located; and information regarding the health effects of lead in accordance with N.J.A.C. 6A:26-12.4(e)1 and 2.

Notwithstanding the results or date of any prior testing, the Board shall continue to test drinking water outlets in the designated Statewide required testing year, which shall be every third school year beginning with the 2021-2022 school year and subsequently occurring in the 2024-2025 school year. By no later than June 30 of the designated Statewide required testing year, the Board shall test all drinking water outlets in accordance with N.J.A.C. 6A:26-12.4(g)1. The Board shall sample for lead after the replacement of any drinking water outlet or any other alteration to plumbing or service lines that may impact lead levels at the outlet, in accordance with N.J.A.C. 6A:26-12.4(g)2.

The Board shall submit to the New Jersey Department of Education by June 30 of each year a statement of assurance, that the school district completed lead testing in accordance with N.J.A.C. 6A:26-12.4; that notifications were provided consistent with N.J.A.C. 6A:26-12.4; and that alternative drinking water continues to be made available to all students and staff, if necessary, pursuant to N.J.A.C. 6A:26-12.4(i).

The Board may apply for reimbursement for the costs of any water supply testing and analysis conducted, in accordance with N.J.A.C. 6A:26-12.4(k).

2415 EVERY STUDENT SUCCEEDS ACT

The Every Student Succeeds Act (ESSA) is a reauthorization of the Elementary and Secondary Education Act (ESEA) of 1965 that provides Federal funds to help all New Jersey's school children achieve.. The purpose of the ESSA is to ensure all students have equitable access to high-quality educational resources and opportunities and to close educational achievement gaps. The Board of Education elects to augment the instructional program of students by projects supported by Federal funds allocated under the ESSA and the district will comply with the requirements of all the programs authorized by the ESSA .

The district may be eligible for several grant programs funded through the ESSA , including, but not limited to, Title I through Title VII. Many of the Titles of the ESSA have several parts and subparts that provide a funding source for specific purposes.

**Application Procedure**

The district will submit an annual ESSA Consolidated Formula Subgrant Application to the New Jersey Department of Education (NJDOE). The school district's application shall include all information required by the NJDOE and the ESSA for the district to be considered for funding under the ESSA .

**Covered Programs**

Formula grants under the ESSA are non-competitive grants that school districts are eligible for based on the make-up of their student bodies. These formula grants for each Title are committed to different purposes and may be used to support different activities and programs.

**Title I**

The largest Federal program supporting elementary and secondary education is Title I. The ESSA strengthens Title I requirements for the State's assessments, accountability system, and support for school improvement. The law also requires minimum qualifications for teachers and paraprofessionals in Title I programs.

The school district must use the best available measure for identifying children from low-income families to: identify eligible school attendance areas, determine the ranking of each area, and determine allocations as identified in the Title I guidelines and regulations.

The school district will offer Title I services to eligible children enrolled in private elementary and secondary schools. The services and benefits will be equitable in comparison to services and benefits for participating public school children.

The school district will provide the New Jersey Department of Education assurances it will provide the maximum coordination between the Title I program, the regular school program, and services provided

by other programs for specialized populations. The Title I program will consider the special needs of homeless children, migrant children, children with disabilities and limited English Language Learner (ELL) children. Title I funds will be reserved so that migrant children who are otherwise eligible to receive Title I services, even if they arrive during the school year, are served.

#### Type of Title I Program

The school district will offer a Target Assistance program.

#### Target Assistance Program

Schools that are not eligible for (or do not choose to operate) school-wide Title I programs must use Title I funds to provide targeted services to low-achieving students. A Target Assistance program must be established in accordance with the Title I guidelines and regulations and the New Jersey Department of Education.]

#### New Jersey Department of Education Accountability System

The district will comply with the accountability system established by the New Jersey Department of Education and outlined in the New Jersey State Plan and approved by the United States Department of Education .

#### Fiscal Responsibility

The district will comply with the requirements as outlined in Policy 2415.02 Title I – Fiscal Responsibilities in accordance with the NJDOE and the ESSA .

#### Staff

The district will comply with the staff certification requirements of the ESSA and the NJDOE . In addition, the district will ensure all paraprofessionals meet the requirements as established by the ESSA and as outlined in Policy 4125 – Employment of Support Staff Members.

#### Parental Involvement

The district will comply with the requirements as outlined in Policy 2415.04 – Parental Involvement in accordance with the NJDOE and the ESSA .

#### Student Surveys, Analysis, and/or Evaluations

The Protection of Pupil Rights Amendment (PPRA) applies to school districts that receive Federal funding from the United States Department of Education. The district will comply with the requirements as outlined in Policy 2415.05 - Student Surveys, Analysis, and/or Evaluations in accordance with the PPRA.

#### Unsafe School Choice Option

In the event there is a school in the district designated as Persistently Dangerous in accordance with the Victims of Violent Criminal Offenses as outlined in the ESSA , the district will comply with the requirements of Policy 2415.06 – Unsafe School Choice Option in accordance with the NJDOE and the ESSA .

#### Property

Property acquired through Title I funds for use in public or private schools will be acquired in accordance with the Public School Contracts Law, will be held in title by the Board of Education, and will not be used for other purposes so long as it is required in the Title I program. Property no longer required for Title I purposes will be used for other, similarly funded projects or disposed of in accordance with State and Federal guidelines.

#### Capital Expenses

The Superintendent will assure the district abides by New Jersey’s Public Contracts Law; consults appropriate private school officials prior to making any decisions regarding capital expenses; ensure funds that are received to cover capital expenses provide equitable Title I services to private school students; ensure accounts for any capital funding is separately maintained; and assure lease purchase agreements are consistent with applicable statute and administrative code.

#### Post-Award Requirements

The school district will maintain all project records for five years following the completion of the activity for which the funds were used. The school district will prepare and submit all reports as required by the State Department of Education in a timely manner.

#### Supplement, Not Supplant

Grant funds provided under Federal programs, including the ESEA of 1965 as amended by the ESSA , shall supplement, not supplant the funds that would, in the absence of such Federal funds, be made

available from State and local sources for the education of students participating in programs assisted under the ESEA of 1965 as amended by the ESSA.

#### Evaluation

The Superintendent or designee will evaluate the ESSA programs as required by the United States and the New Jersey Departments of Education.

2415.01 ACADEMIC STANDARDS, ACADEMIC ASSESSMENTS,  
AND ACCOUNTABILITY

~~The *No Child Left Behind Act of 2001* (NCLB), a reauthorization of the *Elementary and Secondary Education Act* (ESEA), requires New Jersey to implement a single accountability system to include challenging academic content and academic achievement standards. The accountability requirements under NCLB were built on the foundation of the former *Improving America’s Schools Act* (IASA).~~

~~To meet the Federal requirements, New Jersey has adopted the New Jersey Single Accountability System. State assessments in language arts literacy and mathematics are based on the New Jersey Core Curriculum Content Standards. All pupils enrolled in New Jersey public schools, plus all pupil subgroups, must meet the proficiency benchmarks to ensure the goal of 100% proficiency. Pupils must score either “proficient” or “advanced proficient” on the assessments to be counted toward meeting the benchmarks.~~

~~Schools are evaluated using adequate yearly progress (AYP) indicators. Pupil achievement is determined by grade span (Elementary School—grades three through five, Middle School—grades six through eight, and High School—grades nine through twelve) and in each content area. There are indicators that must be met (including participation and proficiency rates) plus a secondary indicator. A safe harbor calculation is applied to measure significant progress if the benchmark is missed. When a school does not meet AYP for two consecutive years in the same content area, it is designated as a “school in need of improvement.”~~

~~AYP shall be calculated for all New Jersey schools under the provisions of NCLB. Schools that do not meet AYP as defined under NCLB are placed into one of the following categories. Title I schools in need of improvement must implement the sanctions for each category.~~

~~Year 1 – Early Warning: A school that does not make AYP for one year is placed into “early warning” status.~~

~~Year 2 – In Need of Improvement/School Choice: A school that does not make AYP for two consecutive years in the same content area is designated as a “school in need of improvement.” Parents/legal guardians shall be promptly notified if their child’s school has been designated as in need of improvement. For Title I schools certain interventions apply, including intradistrict school choice (or supplemental educational services if choice is not available) and development of a school improvement plan (Title I Unified Plan). The district must offer the school technical assistance to address the areas that caused the school to be in need of improvement. Parents/legal guardians shall be notified of their right to request intradistrict public school choice and parents/legal guardians of eligible pupils shall be notified of the availability of supplemental educational services, if choice is not available, including the provider list Web address.~~

~~Year 3 – In Ne ed of Improvement/Supplemental Educational Services (SES): A school that does not make AYP for three consecutive years in the same content area shall continue to be identified as a “school in need of improvement.” The Title I school must continue to offer intradistrict school choice and must *also* offer SES to eligible pupils. Technical assistance must continue to be offered by the district, parents must receive notification of the school’s status, and the school improvement plan (Title I Unified Plan) is updated annually. Parents/legal guardians of eligible pupils shall be notified of the availability of supplemental educational services, if choice is not available, including the provider list Web address.~~

~~The New Jersey Department of Education (NJDOE) offers school support by engaging a team of experienced professionals to conduct an extensive school review called Collaborative Assessment and Planning for Achievement (CAPA). The CAPA team interviews stakeholders and staff, reviews school and district documents, and conducts on-site observations to develop a report that contains recommendations for school improvement, which then becomes part of the Title I Unified Plan.~~

~~Year 4 – Corrective Action: A school that does not make AYP for four consecutive years in the same content area is identified as a school in corrective action. The Title I school must continue to offer intradistrict school choice and SES, notify parents of the school’s status, revise its school improvement plan (Title I Unified Plan), and receive technical assistance from the district and the NJDOE.~~

~~The district must take at least one of the following corrective actions:~~

- ~~1. Provide, for all relevant staff, appropriate, scientifically research based professional development that is likely to improve academic achievement of low performing pupils.~~
- ~~2. Institute a new curriculum grounded in scientifically based research and provide appropriate professional development to support its implementation.~~
- ~~3. Extend the length of the school year or school day.~~
- ~~4. Replace the school staff who are deemed relevant to the school not making adequate progress.~~
- ~~5. Significantly decrease management authority at the school.~~
- ~~6. Restructure the internal organization of the school.~~
- ~~7. Appoint one or more outside experts to advise the school how to revise and strengthen the improvement plan it created while in school improvement status and how to address the specific issues underlying the school’s continued inability to make AYP.~~

~~Year 5 – Planning for Restructuring: A Title I school that does not make AYP for five consecutive years in the same content area must plan to restructure. The restructuring plan is implemented at the beginning of the following school year if the school continues to miss AYP benchmarks and moves to Year 6. During the planning year, the Title I school must continue to offer intradistrict school choice and SES, notify parents of the school’s status and invite parent input during the restructuring process, and receive technical assistance from the district and the NJDOE. The technical assistance design for a school being restructured emphasizes the following:~~

Academic Standards, Academic Assessments,  
and Accountability

1. ~~The importance of improving instruction by using strategies grounded in scientifically-based research so that all children in the school achieve proficiency in the core academic subjects of language arts and mathematics.~~

2. ~~The importance of analyzing and applying data in decision making.~~

~~The restructuring plan must include one of the following alternative governance systems for the school as outlined by NCLB regulations and consistent with New Jersey practice and statutes:~~

1. ~~Implement any major restructuring of the school's governance that is consistent with the principles of restructuring as set forth in the *No Child Left Behind Act*.~~

2. ~~Re-open the school as a public charter school as defined by State statute and regulation (N.J.S.A. 18A:36A-1 et seq. and N.J.A.C. 6A).~~

3. ~~Replace all or most of the school staff, which may include the Principal, who are relevant to the school's inability to make adequate progress (consistent with existing contractual provisions and applicable statutory protections in Title 18A).~~

~~Year 6—Restructuring 1: A Title I school that does not make AYP for six consecutive years in the same content area must implement the approved restructuring plan. The Title I school must continue to offer intradistrict school choice and SES, notify parents of the school's status and invite parent input and support during the implementation process, and receive technical assistance from the district and the NJDOE. Technical assistance is critical to help school staff remain focused on increasing pupil achievement while the school is adjusting to potentially radical changes in its administration and governance structures. A CAPA visit will occur at the school to determine the fidelity of implementation of the restructuring plans and to review the governance structure of the school.~~

Academic Standards, Academic Assessments,  
and Accountability

~~Year 7 (and over) — Restructuring 2 (and over): If the school has not made AYP for seven or more consecutive years, the NJDOE will meet with school and district administrators to continually review implementation of the restructuring plan/Title I Unified Plan. Benchmark meetings with NJDOE staff, the school, and the district will occur twice a year to assess and support implementation of the school improvement plan.~~

~~Removal from Early Warning/Improvement Status: To be removed from early warning or improvement status, the school must make AYP for two consecutive years in the content area that caused the school to go into status, providing the school makes AYP in the other content areas. The first year of making AYP is a “hold year” and the school does *not* progress to the next sanction level, but must continue to implement current interventions. If the school does not make AYP the year following “hold,” the school goes back into improvement status at the level prior to the hold year.~~

2415.02 TITLE I – FISCAL RESPONSIBILITIES

The Ridgewood Board of Education will comply with the requirements of the Elementary and Secondary Education Act (ESEA) of 1965 (20 U.S.C. 2701 et seq.) as amended by the Every Student Succeeds Act (ESSA) .

**Maintenance of Effort**

To be in compliance with the requirements of the ESEA as amended by the ESSA , the Ridgewood Board of Education will maintain either a combined fiscal effort per student or aggregate expenditures of State and local funds with respect to the provision of the free public education by the Local Education Agency (LEA) for the preceding fiscal year that is not less than ninety percent of the combined fiscal effort per student or the aggregate expenditures for the second preceding fiscal year.

**Comparability with Multiple Schools**

To be in compliance with the requirements of the ESEA as amended by the ESSA , the Ridgewood Board of Education directs the Superintendent to assign teachers, administrators, and auxiliary personnel to the schools in such a way that the equivalence of personnel is ensured among schools. The school district will ensure that State and local funds are used to provide comparable services for Title I and non-Title I schools.

**Comparability of Materials and Supplies**

To be in compliance with the requirements of the ESEA as amended by the ESSA , the Board of Education directs the Superintendent to distribute curriculum materials and instructional supplies to the schools in such a way that the equivalence of such material is ensured among schools.

**Supplement, Not Supplant**

Grant funds provided under Federal programs, including the ESEA as amended by the ESSA, shall supplement, not supplant the funds that would, in the absence of such Federal funds, be made available from State and local sources for the education of students participating in programs assisted under the ESEA as amended by the ESSA.

2415.03 HIGHLY QUALIFIED TEACHERS

~~The No Child Left Behind Act (NCLB) requires all teachers be or become highly qualified in the core academic content area(s) they teach in accordance with the United States Department of Education and the New Jersey Department of Education highly qualified teacher requirements.~~

~~Teachers who have achieved highly qualified status retain highly qualified status permanently for the teaching assignment designated on the approved highly qualified teacher forms. No teacher providing direct instruction in core content areas is grandfathered or exempt from this process.~~

~~The district shall maintain the appropriate highly qualified documentation for all teachers who provide direct instruction in core content areas. When a teacher changes teaching assignments, which requires different content expertise, additional highly qualified teacher forms must be completed and kept on file within the district. Highly qualified teacher documentation should be completed for all new teachers and for those with new teaching assignments at the beginning of each school year.~~

~~When a teacher obtains employment in a new school district, the new district must contact the previous place of employment to have the teacher's official highly qualified teacher forms sent to the new district. A teacher hired from another State must hold New Jersey certification and must meet New Jersey's highly qualified teacher requirements. Out of State teachers may provide documentation to support their highly qualified teacher status from the previous State in which they taught.~~

~~All Title I schools must send out a Right to Know letter in the beginning of every school year informing parent(s) or legal guardian(s) that they have the right to know the qualifications of their child's teacher. The letter should be sent by all Title I and non Title I districts. In addition, in all Title I schools, the parent(s) or legal guardian(s) of pupils whose teacher is not yet highly qualified must be notified. Copies of these letters must be kept on file in the school.~~

2415.05 STUDENT SURVEYS, ANALYSIS, AND/OR EVALUATIONS

The Protection of Pupil Rights Amendment (PPRA) (20 U.S.C. §1232h; 34 CFR Part 98) applies to school districts that receive funding from the United States Department of Education.

## Consent

PPRA requires written consent from parents of unemancipated minor students and students who are eighteen years old or emancipated minor students before such students are required to participate in a survey, analysis, or evaluation funded in whole or in part by a program of the United States Department of Education that concerns one or more of the following areas referred to as “protected information surveys”:

1. Political affiliations or beliefs of the student or student’s parent;
2. Mental or psychological problems of the student or student’s family;
3. Sex behavior or attitudes;
4. Illegal, anti-social, self-incriminating or demeaning behavior;
5. Critical appraisals of others with whom respondents have close family relationships;
6. Legally recognized privileged or analogous relationships, such as with lawyers, physicians, and ministers;
7. Religious practices, affiliations, or beliefs of the student or parents;
8. Income (other than that required by law to determine eligibility for participation in a program or for receiving financial assistance under such program); or
9. Social security number.

This consent requirement also applies to the collection, disclosure or use of student information for marketing purposes, referred to as “marketing surveys”, and for certain physical examinations and screenings.

## “Opt a Student Out” Notice

The parents of unemancipated minor students and students who are eighteen years old or emancipated minor students will be provided an opportunity to opt out of participating in:

1. The collection, disclosure, or use of personal information obtained from students for marketing, to sell, or otherwise distribute information to others;
2. The administration of any other “protected information survey” not funded in whole or in part by the United States Department of Education; and
3. Any non-emergency, invasive physical examination required as a condition of attendance, administered by the school district or its agents, and not necessary to protect the immediate health and safety of a student, except for hearing, vision, scoliosis screenings, or any physical examination or screening permitted or required under State law.

### Inspection

The parents of unemancipated minor students and students who are eighteen years old or emancipated minor students, upon request and before administration or use, have the right to inspect:

1. Protected information surveys of students;
2. Instruments used to collect personal information from students for any of the above marketing, sales, or other distribution purposes; and
3. Instructional material used as part of the educational curriculum.

The Superintendent shall be responsible for obtaining the consent, annual direct notification to parents and eligible students at the start of each school year and after any substantive changes of the “opt a student out” rights, and the inspection rights provisions of PPRA and this Policy. The “opt a student out” notice shall include any specific or approximate dates of the activities eligible for a student to “opt out.”

### PPRA Consent/Opt Out Violations

Parents or students who believe their rights under PPRA may have been violated may file a complaint with United States Department of Education.

2415.20 EVERY STUDENT SUCCEEDS ACT COMPLAINTS

The Every Student Succeeds Act (ESSA) reauthorized the Elementary and Secondary Education Act of 1965 (ESEA). A Board of Education shall adopt a policy and written procedures for resolving a written complaint presented by an individual or organization that alleges violations in the administration of the ESSA programs as identified by the New Jersey Department of Education (NJDOE).

Policy and Regulation 2415.20 set forth the requirements for resolving complaints presented by any individual or organization that:

1. A school, school district, other agency authorized by the school district, or by the NJDOE violated the administration of education programs authorized by the ESEA as amended by the ESSA ; and/or
2. The NJDOE violated the administration of education programs required by the ESEA as amended by the ESSA .

Complaints regarding nonpublic school officials alleging school district noncompliance must pertain to at least one of the following three specific reasons:

1. The school district did not engage in consultation that was meaningful and timely;
2. The school district did not give due consideration to the views of the nonpublic school officials; or
3. The school district did not make a decision that treats the nonpublic school or its students equitable and in accordance with ESEA Section 1117 or Section 8501.

A complaint shall be written and must identify, at a minimum, the alleged ESEA violation; a description of previous steps taken to resolve the matter; the facts supporting the alleged violation as understood by the complainant at the time of submission; and any supporting documentation.

A complaint alleging a school in the district, school district, or other agency authorized by the school district, or the NJDOE violated the administration of a program must be submitted to the \_\_\_\_\_ (district administrator responsible for ESSA compliance). The \_\_\_\_\_ (district administrator responsible for ESSA compliance) shall be responsible to coordinate the investigation of the complaint. The \_\_\_\_\_ (district

administrator responsible for ESSA compliance) shall submit a written report regarding the outcome of the investigation to the complainant.

If the complainant is not satisfied with the outcome of the investigation by the school district, the complainant must submit a written complaint to the Executive County Superintendent for the county where the school district is located. This process does not apply to alleged violations concerning participation of nonpublic school children.

The Executive County Superintendent will coordinate the investigation of a complaint. When the investigation is complete, the Executive County Superintendent will notify the complainant in writing regarding the outcome of the investigation. If it is determined a violation has occurred, the Executive County Superintendent will identify and impose the appropriate consequences or corrective action in accordance with statute and/or regulation to resolve the complaint. If the complainant is not satisfied with the determination that is made by the Executive County Superintendent, the complainant may submit a written request for review of that determination to the Assistant Commissioner.

A complaint alleging the NJDOE violated the administration of a program must be submitted to the designated New Jersey Department of Education Assistant Commissioner. The appropriate NJDOE Office assigned by the Assistant Commissioner will coordinate the investigation of a complaint. When the investigation is complete, the Assistant Commissioner will notify the complainant in writing regarding the outcome of the investigation. If it is determined a violation has occurred, the Assistant Commissioner will identify and impose the appropriate consequences or corrective actions as required by statute and/or regulation to resolve the complaint. If a complainant does not agree with the NJDOE's decision, the complainant may appeal to the Secretary of the United States Department of Education.

To initiate a complaint regarding participation of nonpublic school children, a complainant must submit a written complaint to the NJDOE Nonpublic Ombudsman in accordance with NJDOE procedures.

**4125 EMPLOYMENT OF SUPPORT STAFF MEMBERS**

The Board of Education believes it is vital to the successful operation of the district that support staff positions be filled with highly qualified and competent employees.

In accordance with the provisions of N.J.S.A. 18A:27-4.1, the Board shall appoint, transfer, remove, or renew a certificated or non-certificated officer or employee only upon the recommendation of the Superintendent of Schools and by a recorded roll call majority vote of the full membership of the Board. The Board shall not withhold its approval for arbitrary and capricious reasons. The Board shall approve the employment, fix the compensation, and establish the term of employment for every support staff member employed by this district.

The Board may employ substitutes and/or contract for substitutes for absent support staff members in order to ensure continuity in a program. The Board will annually approve a list of substitutes and rate of pay and/or the Board will approve a contract for a contracted service provider to provide substitute support staff members.

The Board of Education shall not employ for pay or contract for the paid services of any support staff member or any other person serving in a position which involves regular contact with students unless the Board has first determined consistent with the requirements and standards of N.J.S.A. 18A:6-7.1 et seq. that no criminal history record information exists on file in the Federal Bureau of Investigation, Identification Division, or the State Bureau of Identification which would disqualify the individual from being employed or utilized in such capacity or position.

An individual employed by the Board or a school bus contractor holding a contract with the Board, in the capacity of a school bus driver, shall be required to meet the criminal history record requirements as outlined in N.J.S.A. 18A:39-19.1.

The Board will employ paraprofessional school aides and/or classroom aides to assist in the supervision of student activities under the direction of a Principal, teacher, or other designated certified professional personnel. Aides will serve the needs of students by performing nonprofessional duties and may work only under the direct supervision of a teaching staff member(s).

In accordance with the requirements of , the Every Student Succeeds Act (ESSA), paraprofessionals hired after January 8, 2002, who work in a program supported with Title I, Part A funds, with certain exceptions, must meet one of the following criteria:

1. Completed at least two years of study at an institution of higher education;
2. Obtained an associate's (or higher) degree; or
3. Met a rigorous standard of quality and be able to demonstrate, through a formal State or local academic assessment, knowledge of and the ability to assist in instructing, reading, writing, and mathematics (or, as appropriate, reading readiness, writing readiness, and mathematics readiness).

Paraprofessional staff working in a Title I school, and whose salary is paid for in whole or in part with Title I funds, must meet one of the criteria listed above . The Superintendent or designee will ensure paraprofessionals working in a program supported with Title I funds meet the above stated requirements. An individual employed by the Board in any substitute capacity or position shall be required to undergo a criminal history record check in accordance with the provisions of N.J.S.A. 18A:6-7.1b.

An individual, except as provided in N.J.S.A. 18A:6-7.1g, shall be permanently disqualified from employment or service in the school district if the criminal history record check reveals a record of conviction for any crime or offense as defined in N.J.S.A. 18A:6-7.1 et seq.

The Board or contracted service provider may employ an applicant on an emergent basis for a period not to exceed three months, pending completion of a criminal history record check if the Board or contracted service provider demonstrates to the Commissioner of Education that special circumstances exist which justify the emergent employment as prescribed in N.J.S.A. 18A:6-7.1c. In the event the criminal history record check is not completed for an emergent hired employee within three months, the Board or contracted service provider may petition the Commissioner for an extension of time, not to exceed two months, in order to retain the employee.

No criminal history record check shall be performed unless the applicant shall have furnished written consent to such a check. The applicant shall bear the cost for the criminal history record check, including all costs for administering and processing the check. The district will deny employment to an applicant if the applicant is required and refuses to submit to a criminal history record check.

The Board of Education prohibits any relative of a Board member or the Superintendent of Schools from being employed in an office or position in the school district in accordance with the provisions of N.J.A.C. 6A:23A-6.2 and Board Policy 0142.1 – Nepotism.

6360 POLITICAL CONTRIBUTIONS

## Political Contribution Disclosure Requirements

In accordance with the requirements of Section 2 of P.L. 2005, Chapter 271 (N.J.S.A. 19:44A-20.26), the Board of Education shall have on file, to be maintained with other documents related to a contract, the following documents to award a contract to any business entity receiving a contract with an anticipated value in excess of \$17,500, regardless of the basis upon which the contract is awarded:

1. A Political Contribution Disclosure (PCD) form submitted by the business entity (at least ten days prior to award); and
2. A Business Registration Certificate (anytime prior to award).

“Business entity” means a for-profit entity that is a natural or legal person, business corporation, professional services corporation, limited liability company, partnership, limited partnership, business trust, association or any other legal commercial entity organized under the laws of New Jersey or any other State or foreign jurisdiction.

The \$17,500 contract amount is not related to the Board’s bid threshold and does not exempt the district from the requirements of the Public School Contracts Law or other applicable purchasing statutes.

The \$17,500 contract amount threshold is subject to the principle of aggregation rules in accordance with the Division of Local Government Services guidance. Unlike the Public School Contracts Law, aggregation thresholds for this Policy and Chapter 271 purposes shall be calculated at the vendor level – meaning, when a vendor receives more than \$17,500 in a school district’s fiscal year, a PCD form shall be required.

The disclosure provisions of N.J.S.A. 19:44A-20.26 do not apply in cases where there is a “public emergency” that requires the immediate delivery of goods or services.

Insurance companies and banks are prohibited under State law from making political contributions. However, because the PCD form reflects contributions made by partners, Boards of Directors, spouses, etc., PCD forms are required ten days prior to the approval of a depository designation resolution or insurance company contract awarded by the Board. A PCD form is also required when a contract in excess of \$17,500 is made to an insurance broker. A PCD form is required from the company receiving the contract, regardless of the entity issuing an insurance policy.

PCD forms are required for Board of Education contracts in excess of \$17,500 with a New Jersey Department of Education “Approved In-State Private School for the Disabled.” Chapter 271 also applies to in-State private special education schools, educational services under any Federally funded program, early childhood school providers – DHS approved, and other similar programs.

If the school district spends more than \$17,500 in a school year with a newspaper, the selection of the newspaper is subject to the provisions of Chapter 271.

PCD forms are not required for regulated public utility services, as the Board is required by the Board of Public Utilities to use a specific utility. This exception does not apply to non-regulated public utility services, such as generated energy (not tariffed), or long-distance telephone services where other procurement practices are used.

PCD forms are not required for membership to the New Jersey School Boards Association.

A non-profit organization having proper documentation from the Internal Revenue Service (IRS) showing it is registered with the IRS as a 501(c) type corporation is not required to file a PCD form.

A PCD form is not required for contracts with governmental agencies, including State colleges and universities.

If the original contract provided for the possibility of an extension(s), Chapter 271 compliance is not required if the extension/continuation is based on that original contract.

**8330 STUDENT RECORDS**

The Board of Education believes that information about individual students must be compiled and maintained in the interest of the student's educational welfare and advancement. The Board will strive to balance the student's right to privacy against the district's need to collect, retain, and use information about individual students and groups of students. The Board authorizes the establishment and maintenance of student files that include only those records mandated by law, rules of the State Board of Education, authorized administrative directive, and those records permitted by this Board.

The Superintendent shall prepare, present to the Board for approval, and distribute regulations that implement this Policy and conform to applicable State and Federal law and rules of the State Board of Education.

**General Considerations**

The Board shall compile and maintain student records and regulate access, disclosure, or communication of information contained in educational records in a manner that assures the security of such records in accordance with the provisions of N.J.A.C. 6A:32-7.1 et seq. Student records shall contain only such information as is relevant to the education of the student and is objectively based on the personal observations or knowledge of the certified school personnel who originate(s) the record. The school district shall provide annual, written notification to parents, adult students, and emancipated minors of their rights in regard to student records and student participation in educational, occupational, and military recruitment programs. Copies of the applicable State and Federal laws and local policies shall be made available upon request. The school district shall make every effort to notify parents and adult students in their dominant language.

A nonadult student may assert rights of access only through his or her parent(s). However, nothing in N.J.A.C. 6A:32-7 shall be construed to prohibit certified school personnel from disclosing at their discretion student records to non-adult students or to appropriate persons in connection with an emergency, if such knowledge is necessary to protect the health or safety of the student or other persons.

No liability shall be attached to any member, officer, or employee of the Board permitting access or furnishing student records in accordance with N.J.A.C. 6A:32-7.1 et seq.

**Student Information Directory**

A student information directory is a publication of the Board that includes information relating to a student as defined in N.J.A.C. 6A:32-2.1. This information includes: name; grade level; date and place of birth; dates of school attendance; major field of study; participation in officially recognized activities; weight and height relating to athletic team membership; degrees; awards; the most recent educational agency attended by the student; and other similar information. The student information directory shall be used only by authorized school district personnel and for designated official use by judicial, law enforcement, and medical personnel and not for general public consumption.

In the event the school district publishes a student information directory, the Superintendent or designee will provide a parent or adult student a ten-day period to submit to the Superintendent a written statement prohibiting the school district from including any or all types of information about the student in any student information directory before allowing access to such directory to educational, occupational, and military recruiters pursuant to N.J.S.A. 18A:36-19.1 and 20 U.S.C. §8528 - Armed Forces Recruiter Access to Students and Student Recruiting Information of the Elementary and Secondary Education Act (ESEA) of 1965 . In accordance with N.J.S.A. 18A:36-19.1, military recruiters will be provided the same access to a student information directory that is provided to educational and occupational recruiters.

#### School Contact Directory for Official Use

A school contact directory for official use is a compilation by the school district that includes the following information for each student: name; address; telephone number; date of birth; and school enrollment. The district shall compile and maintain a school contact directory for official use that is separate and distinct from the student information directory. The student contact directory may be provided for official use only to judicial and law enforcement personnel, and to medical personnel currently providing services to the student in question. To exclude any information from the school contact directory for official use the parent, adult student, or emancipated minor shall notify the Superintendent or designee in writing.

#### Mandated and Permitted Student Records

Mandated student records are those records school districts have been directed to compile by State statute, regulations, or authorized administrative directive in accordance with N.J.A.C. 6A:32-7.3.

Permitted student records are those student records not mandated pursuant to N.J.A.C. 6A:32-7.3, but authorized by the Board to promote the student's educational welfare. The Board shall authorize the permitted records to be collected by adopting Policy and Regulation 8330, which will list such permitted records.

#### Maintenance and Security of Student Records

The Superintendent or designee shall be responsible for the security of student records maintained in the school district. Policy and Regulation 8330 assure that access to such records is limited to authorized persons.

Records for each individual student may be stored electronically or in paper format. When student records are stored electronically, proper security and back-up procedures shall be administered.

Student health records, whether stored on paper or electronically, shall be maintained separately from other student records, until such time as graduation or termination, whereupon the health history and immunization record shall be removed from the student's health record and placed in the student's mandated record. Records shall be accessible during the hours in which the school program is in operation.

Any district internet website shall not disclose any personally identifiable information about a student without receiving prior written consent from the student's parent, in accordance with the provisions of N.J.S.A. 18A:36-35. Personally identifiable information means student names; student photos; student addresses; student e-mail addresses; student phone numbers; and locations and times of class trips.

#### Access to Student Records

Only authorized organizations, agencies, or persons as defined in N.J.A.C. 6A:32-7.5 shall have access to student records, including student health records. Access to student records shall be provided to persons authorized such access under N.J.A.C. 6A:32-7.1 et seq. within ten days of a request, but prior to any review or hearing conducted in accordance with N.J.A.C. 6A.

The district shall control access to, disclosure of, and communication regarding information contained in student health records to assure access only to people permitted by Federal and State statute and regulations in accordance with N.J.A.C. 6A:32-7.5.

The district may charge a reasonable fee for reproduction of student records, not to exceed the schedule of costs set forth in N.J.S.A. 47:1A-5, provided that the cost does not effectively prevent the parents or adult students from exercising their rights under N.J.A.C. 6A:32-7 or other Federal and State rules and regulations regarding students with disabilities, including N.J.A.C. 6A:14.

Access to and disclosure of a student's health record shall meet the requirements of the Family Education Rights and Privacy Act, 34 C.F.R. Part 99 (FERPA).

Only authorized organizations, agencies, or persons as defined in N.J.A.C. 6A:32-7.5 shall have access to student records, including student health records.

Nothing in N.J.A.C. 6A:32-7.1 et seq. or in Policy and Regulation 8330 shall be construed to prohibit school personnel from disclosing information contained in the student health record to students or adults in connection with an emergency, if such knowledge is necessary to protect the immediate health or safety of the student or other persons.

In complying with N.J.A.C. 6A:32-7 – Student Records, individuals shall adhere to requirements pursuant to N.J.S.A. 47:1A-10, the Open Public Records Act (OPRA) and 34 CFR Part 99, the Family Educational Rights and Privacy Act (FERPA).

#### Conditions for Access to Student Records

All authorized organizations, agencies, and persons defined in N.J.A.C. 6A:32-7.1 et seq. shall have access to the records of a student subject to conditions outlined in N.J.A.C. 6A:32-7.6(a).

#### Rights of Appeal for Parents and Adult Students

Student records are subject to challenge by parents and adult students on the grounds of inaccuracy, irrelevancy, impermissible disclosure, inclusion of improper information or denial of access to organizations, agencies, and persons in accordance with N.J.A.C. 6A:32-7.7(a).

To request a change in the record or to request a stay of disclosure pending final determination of the challenged procedure, the parent or adult student shall follow the procedures pursuant to N.J.A.C. 6A:32-7.7(b).

Appeals relating to student records for students with disabilities shall be processed in accordance with the requirements of N.J.A.C. 6A:32-7.7(b).

Regardless of the outcome of any appeal, a parent or adult student shall be permitted to place in the student record a statement commenting upon the information in the student record or setting forth any reasons for disagreement with the decision made in the appeal. Such statements shall be maintained as part of the student record as long as the contested portion of the record is maintained. If the contested portion of the record is disclosed to any party, the statement commenting upon the information shall also be disclosed to that party.

#### Retention and Disposal of Student Records

A student record is considered to be incomplete and not subject to the provisions of the Destruction of Public Records Law, N.J.S.A. 47:3-15 et seq., while the student is enrolled in the school district. The school district shall retain the student health record and the health history and immunization record according to the School District Records Retention Schedule, as determined by the New Jersey State Records Committee.

Student records of currently enrolled students, other than that described in N.J.A.C. 6A:32-7.8(e), may be disposed of after the information is no longer necessary to provide educational services to a student and in accordance with the provisions of N.J.A.C. 6A:32-7.8(b).

Upon graduation or permanent departure of a student from the school district, the parent or adult student shall be notified in writing that a copy of the entire student record will be provided to them upon request. Information in student records, other than that described in N.J.A.C. 6A:32-7.8(e), may be disposed of, but only in accordance with the Destruction of Public Records Law, N.J.S.A. 47:3-15 et seq. Such disposition shall be in accordance with the provisions of N.J.A.C. 6A:32-7.8(c)2.

No additions shall be made to the record after graduation or permanent departure without the prior written consent of the parent or adult student.

In accordance with N.J.A.C. 6A:32-7.8(e), the New Jersey public school district of last enrollment, graduation, or permanent departure of the student from the school district shall keep for 100 years a mandated record of a student's name, date of birth, name of parents, gender, health history and

immunization, standardized assessment results, grades, attendance, classes attended, grade level completed, year completed, and years of attendance

**9713 RECRUITMENT BY SPECIAL INTEREST GROUPS**

Representatives of bona fide educational institutions, occupational agencies, and the United States Armed Forces may recruit students on school premises by participation in assembly programs, career day activities, and the like and by distributing literature. Permission to recruit on school premises must be requested in writing thirty working days before the planned activity and must be approved in advance by the Superintendent or designee. The Superintendent or designee shall not favor one recruiter over another, but shall not approve an activity that, in the judgment of the Superintendent or designee, carries a substantial likelihood of disrupting the educational program of the school or school district.

Nothing in this Policy shall be construed as requiring the Board to approve or participate in an activity that appears to advance or inhibit any particular religious sect or religion generally.

Petty cash funds may be disbursed only for the immediate payment of comparatively small expenditures and may not be used to circumvent the regular purchasing procedures of this district. Each request for petty cash funds must be in a written document that is signed by the person making the request; supporting documents, if any, will be affixed to the request.

The custodian of a petty cash fund shall submit to the Board Secretary a request for replenishment when the moneys available in the fund have declined to ten percent or less of the authorized amount of the fund. The Board Secretary shall prepare a voucher for approval by the Board. The voucher will include disbursement slips to support the amount of the replenishment and its allocation to any account.

The petty cash box must be secured daily. All petty cash funds will be closed out for audit at the end of the school year, and unused funds will be returned to the depository. The custodian of each fund will report to the Board on amounts disbursed from the fund not less than once each year.

8420 EMERGENCY AND CRISIS SITUATIONS

The Board of Education recognizes its responsibility to provide for the safety and security in each school building in the district. The district will develop and implement written plans and procedures to provide for the protection of health, safety, security, and welfare of the school population; the prevention of, intervention in, response to and recovery from emergency and crisis situations; the establishment and maintenance of a climate of civility; and supportive services for staff, students, and their families.

The Superintendent of Schools or designee shall consult with law enforcement agencies, health and social services provider agencies, emergency management planners, and school and community resources, as appropriate, in the development of the school district’s plans, procedures, and mechanisms for school safety and security. The plans, procedures, and mechanisms shall be consistent with the provisions of N.J.A.C. 6A:16-5.1 and the format and content established by the Domestic Security Preparedness Task Force, pursuant to N.J.S.A. App. A:9-64 et seq., and the Commissioner of Education and shall be reviewed annually, and updated as appropriate.

A copy of the school district’s school safety and security plan shall be disseminated to all school district employees. New employees shall receive a copy of the school district’s safety and security plan, as appropriate, within sixty days of the effective date of their employment. All employees shall be briefed in writing, as appropriate, regarding updates and changes to the school safety and security plan.

The school district shall develop and provide an in-service training program for all school district employees to enable them to recognize and appropriately respond to safety and security concerns, including emergencies and crisis, consistent with the school district’s plans, procedures, and mechanisms for school safety and security and the provisions of N.J.A.C. 6A:16-5.1. New employees shall receive this in-service training, as appropriate, within sixty days of the effective date of their employment. This in-service training program shall be reviewed annually and updated, as appropriate.

The Board shall ensure individuals employed in the district in a substitute capacity are provided with information and training on the district’s practices and procedures on school safety and security including instruction on school security drills, evacuation procedures, and emergency response protocols in the district and the school building where the individuals are employed in accordance with the provisions of N.J.S.A. 18A:41-7.

In accordance with N.J.S.A. 18A:41-1, at least one fire drill and one school security drill will be conducted each month within school hours, including any summer months, which the school is open for instructional programs. A school security drill means an exercise, other than a fire drill, to practice procedures that respond to an emergency situation including, but not limited to, a non-fire evacuation, lockdown, bomb threat, or active shooter situation that is similar in duration to a fire drill. Schools are required to hold a minimum of two active shooter, non-fire evacuation, bomb threat, and lockdown security drills annually. Responses made necessary by the unplanned activation of emergency procedures or by any other emergency shall not be substituted for a required school security drill.

The Principal or designee will provide local law enforcement or other emergency responders, as appropriate, with a friendly notification at least forty-eight hours prior to holding a school security drill. Although these outside agencies are not required to observe school security drills, the Principal is encouraged to invite representatives from local law enforcement and emergency responder agencies to attend and observe at least four different security drills annually.

Such drills and in-service training programs shall be conducted in accordance with a building security drill guide and training materials that educate school employees on proper evacuation and lockdown procedures in a variety of emergency situations on school grounds as provided by the New Jersey Office of Homeland Security and Preparedness.

The school district will be required to annually submit a security drill statement of assurance to the New Jersey Department of Education by June 30 of each school year. Each school in the district will be required to complete a security drill record form as required by the New Jersey Department of Education.

Pupil Representatives to the Board of Education

### 0143.2 PUPIL REPRESENTATIVES TO THE BOARD OF EDUCATION

The Board recognizes that pupils are the primary reason for the existence of the school district. It considers the experience gained by pupils in the district to be a valued source for improving the operation of the school district. The Board is also desirous of furthering the experience of pupils in the governance process and providing opportunities for pupils to contribute to the future direction of the school district. To this end, the Board authorizes the appointment of one pupil representative to the Board.

#### Term

Pupil representatives to the Board shall serve a term of one year, and shall be limited to one term of service.

Each pupil representative shall be appointed by the High School Principal.

Appointment shall occur at least four weeks prior to the organizational meeting of the Board.

Pupil representatives shall attend all public meetings of the Board and shall be entitled to speak at the discretion of the Board President on all matters before the Board except as may be prohibited by New Jersey Statute or Code. Pupil representatives shall not be entitled to vote. All confidential information obtained by virtue of membership shall be held as such by pupil representatives. Pupil representatives shall be held to the same code of ethics as elected and appointed members of the Board.

#### Duties and Responsibilities

Pupil representatives:

1. Attend all public Board meetings.
2. Shall be excluded from executive sessions of the Board.
3. Represent the views of the student body.
4. Suggest through appropriate channels Board agenda items.
5. Participate in Board discussions and deliberations at the discretion of the Board President.

8. Receive all Board public agendas.
9. May attend the Board orientation sponsored by the New Jersey School Boards Association.
10. Perform such duties as determined by the Board President in consultation with the Superintendent.

Pupil representatives are expected to adhere to all bylaws, policies and regulations of the Board in their role. The Board in no way relinquishes any of its authority, powers, prerogatives or responsibilities but rather adds to its membership a non-voting pupil representative(s) for the mutual benefit of the Board, student body, and the school district.

**NJSBA CODE OF ETHICS**

1. I will uphold and enforce all laws, state board rules and regulations, and court orders pertaining to schools. Desired changes should be brought about only through legal and ethical procedures.
2. I will make decisions in terms of the educational welfare of children and will seek to develop and maintain public schools which meet the individual needs of all children regardless of their ability, race, creed, sex or social standing.
3. I will confine my board action to policymaking, planning, and appraisal, and I will help to frame policies and plans only after the board has consulted those who will be affected by them.
4. I will carry out my responsibility, not to administer the schools, but together with my fellow board members, to see that they are well run.
5. I will recognize that authority rests with the board of education and make no personal promises nor take any private action which may compromise the board.
6. I will refuse to surrender my independent judgment to special interest or partisan political groups or to use the schools for personal gain or the gain of my friends.
7. I will hold confidential all matters pertaining to the schools which, if disclosed, would needlessly injure individuals or the schools. But in all other matters, I will provide accurate information and, in concert with my fellow board members, interpret to the staff the aspirations to the community for its schools.
8. I will vote to appoint the best qualified personnel available after consideration of the recommendation of the chief administrative officer.
9. I will support and protect school personnel in proper performance of their duties.
10. I will refer all complaints to the chief administrative officer and will act on such complaints at public meetings only after failure of an administrative solution.

Notice of Board Meetings

### 0162 NOTICE OF BOARD MEETINGS

The Board of Education will give notice of all meetings in accordance with law.

#### Public Notice

The Board Secretary shall notify, in writing and no later than forty-eight hours in advance of the meeting, each Board member and each person who has duly requested such notification of the time, date, location, and, to the extent it is known, the agenda of any regular, special, or rescheduled meeting. Forty-eight hour notice shall also be posted in a public place reserved for such announcements, delivered to two newspapers designated by the Board, and filed with the clerk of the municipality, except that forty-eight hour notice is not required where the time, date, and location of the meeting has been published in the annual list of meetings approved by the Board in accordance with law.

Upon the affirmative vote of three-quarters of the members present, the Board may meet in the absence of adequate notice, provided that discussion and action is limited to specific and unforeseen or unforeseeable matters of such urgency and importance that delay for the provision of notice would be likely to result in substantial harm to the public interest and that notice is given as soon as possible after the call of the meeting in accordance with the provisions of law and this bylaw.

#### Personal Notice of Meeting

The Board shall provide personal notice in writing to an adult pupil, the parent(s) or legal guardian(s) of a minor pupil, an employee or officer of this district, or a prospective employee whose privacy may be invaded or whose employment may be affected by the Board's deliberations in private session. Such personal notice will include the date and time of the private meeting, the subject or subjects scheduled for discussion at the private meeting, and the right of the individual given notice to request that the discussions be conducted at a public meeting. Personal notice will be given no less than two days in advance of the private meeting.

A written request for public discussion must be signed by the person making the request and must be submitted to the Board Secretary prior to the commencement of the meeting. Any such properly submitted request will be granted. In the event that one or more, but fewer than all, of a group of persons whose employment will be discussed request a public meeting, the discussion regarding the person or persons who have submitted the request will be severed from the rest and will be conducted publicly.

Notice of Board Meetings

A discussion held in public by reason of the written request of an individual will be conducted at a regularly scheduled meeting for which annual notice has been given or at a meeting for which adequate public notice has been given in accordance with law.

Nothing in this bylaw will permit an employee to request or the Board to grant the public discussion of tenure charges or permit the public disclosure of information regarding a disabled pupil.

## ESL – ENGLISH AS A SECOND LANGUAGE

The English as a Second Language (ESL) Program prepares students with limited English proficiency for full-time participation in the regular educational program. Its primary goal is to ensure that English Language Learners develop sufficient fluency in all areas of English to facilitate their active participation in all academic courses and school activities. The program, delivered through small group instruction by a certified ESL teacher, focuses on grade-level academic content and skills introduced through the use of materials appropriate to language proficiency levels. While developing their oral and written communication skills, students receive support in the mastery of curriculum content from their social studies, science, mathematics and other courses. Students' mainstream courses are planned on an individual basis in response to individual language needs and personal interests. Eligibility for the English as a Second Language Program is determined by scores on the WIDA-APT. Students' English proficiency and growth are monitored frequently using a variety of formal and informal assessments. Students will exit the program based on a variety of criteria including, but not limited to, teacher recommendation, State of NJ WIDA-ACCESS score, and grades in core content courses.

### ESL – English as a Second Language

0104FL

This course provides newly arrived, non-English speaking students with a basic introduction to English. It offers intensive practice and support in the development of listening and speaking skills, vocabulary acquisition and reading comprehension. Students are "eased" into the American culture. ESL enables the student to become language proficient and achieve in mainstream classes. Enrollment in ESL classes may last six months to three years. English credit will be awarded upon successful completion of this course.

### ESL – Advanced English as a Second Language

0104FL3

This course provides more advanced level second language learners with an introduction to high level writing instruction, including how to write academic, literary and persuasive essays and how to use more complex grammatical structures, such as advanced verb tenses. It offers intensive practice and support in the development of discussion and debating skills based on reading comprehension of more complex books and articles. Students listen to authentic audio materials and discuss current issues that relate to content areas. English credit will be awarded upon successful completion of this course.

### High Intensity ESL

0104L2

This support course allows students extra time to complete their work for content area classes and to receive assistance from a certified ESL teacher. The teacher in this class interacts with content teachers to understand what is due and what is required for various assignments, then offers language support to complete the work that has been assigned. Students can complete tests and quizzes in addition to homework in High Intensity ESL and can receive assistance with the complex vocabulary and writing requirements, which are particularly challenging for second language learners.

## ALTERNATIVE PROGRAMS

### School to Careers (6009PA)

This is a vocational-technical education program by which students receive work-based instruction through written cooperative arrangements between the Ridgewood school district and employers. This instruction includes required academic courses and related vocational and technical education instruction, by alternation of study in school with paid employment in an occupational field. This alternation is planned and supervised by the district and employer so that each contributes to the education and employability of the individual. Students enrolled in the program receive up to 10 credits for employment and 5 credits for a required related class. Under this program, students attend school classes for half a day and are employed at least 15 to 34 hours per week under supervised conditions at state approved work stations. (Enrollment by permission of program coordinator and guidance counselor for students in grades 11 and 12, Elective 10-15 credits.)

### Structured Learning Experience (SLE)

Structured Learning Experiences are experiential, supervised educational activities designed to provide students with exposure to the requirements and responsibilities of specific job titles or job groups, and to assist them in gaining employment skills and making career and educational decisions. A structured learning experience may be either paid or unpaid, depending on the type of activities in which the student is involved. Structured learning experiences may include, but are not limited to:

- (1) Apprenticeships;
- (2) Community service;
- (3) Cooperative education;
- (4) Internships;
- (5) Job shadowing;
- (6) School-based enterprises;
- (7) Volunteer activities;
- (8) Vocational student organizations; and
- (9) Work Experience Career Exploration Program (WECEP)

### Satellite AM (0619SP) or PM (0629SP)

This program at Bergen County Technical Education Center in Paramus, offers a half-day, shared time program in technical education for students who have expressed an interest in developing specific work skills for entrance into the workplace or a post-secondary education trade based program. Students interested in the Satellite program have typically demonstrated a preference for hands-on learning experiences. Interested students usually begin the Satellite program in ninth or tenth grade but may enter into *some* areas as late as eleventh grade. The program begins with career exploration during which students rotate through a variety of shop experiences in areas, such as culinary arts, information technology, graphic design, automotive technology, collision repair, healthcare, landscaping, cosmetology, skincare, green building trades, small animal care, and graphic design. As they continue into eleventh and twelfth grade, students are placed in specific shops as majors. Students attend Satellite up to half of each school day; the remainder is spent at Ridgewood High School for academic instruction. Bergen County Technical Education Center offers a competency-based curriculum developed by experienced trade teachers and advisory committees, and is designed to provide students with marketable skills.

## TRANSITIONAL PROGRAM

The Transitional Program at Ridgewood High School addresses the transition needs of special education and mainstream students. It consists of a number of support services that assist the student in achieving success and independence in school, at home, in career, and in the community. A study skills course, career education classes, career-counseling sessions, interest inventories, career fairs, job shadowing internship, self-advocacy groups, and workshops serve to better prepare students for the success in school as well as the adult professional world.

### Academic Enrichment (9039SP)

Academic Enrichment is a semester, elective course for ninth grade students. The course will offer instruction in study skills,

**I. CALL TO ORDER AND ROLL CALL**

**Present:**

Mr. Michael Lembo, President; Ms. Hyunju Kwak, Vice President; Ms. Sheila Brogan; Mr. Saurabh Dani; Mr. Cristopher Kaufman

**Also Present:**

Dr. Thomas Gorman, Superintendent; Ms. Stacie Poelstra, Assistant Superintendent for Curriculum, Instruction & Assessment; Mr. Scott Bisig, Business Administrator/Board Secretary, Ms. Ojetta Townes, Manager of Human Resources

**A. MOTION TO MOVE INTO EXECUTIVE SESSION**

Mr. Lembo moved the following resolution. Ms. Kwak seconded the motion, which was unanimously approved.

Whereas, said law requires the Board to adopt a resolution at a public meeting before it can meet in such Executive Session; now therefore,

Be it resolved, by the Ridgewood Board of Education, that it does hereby determine that it is necessary to meet in Executive Session to discuss a personnel and/or litigation matter and/or negotiations and/or contract matter.

Mr. Lembo announced the Board has been meeting in Executive Session pursuant to NJSA:12. The minutes from this meeting will be released when the need for confidentiality no longer exists. The Board was meeting to discuss issues of Personnel.

**B. MOTION TO OPEN REGULAR SESSION**

At 7:01 p.m., Mr. Lembo called the Regular Public Meeting to Order.

**C. REGULAR PUBLIC MEETING SESSION CALL TO ORDER AND ROLL CALL**

**Present:**

Mr. Michael Lembo, President; Ms. Hyunju Kwak, Vice President; Ms. Sheila Brogan; Mr. Saurabh Dani; Mr. Cristopher Kaufman

**Also Present:**

Dr. Thomas Gorman, Superintendent; Ms. Stacie Poelstra, Assistant Superintendent for Curriculum, Instruction & Assessment; Mr. Scott Bisig, Business Administrator/Board Secretary, Ms. Ojetta Townes, Manager of Human Resources

**Visitors:**

There were approximately 20 visitors.

**II. FLAG SALUTE AND PLEDGE OF ALLEGIANCE**

Mr. Lembo led those present in the Pledge of Allegiance.

**III. OPENING STATEMENT BY PRESIDING OFFICER**

Mr. Lembo announced that pursuant to the requirements of the Open Public Meetings Act, advance notice of this meeting had been given to The Ridgewood News, The Record, and the Clerk of the Village of Ridgewood. In addition, notices were posted in the office of the Board Secretary and in all school buildings.

**IV. PRESENTATIONS****A. Student Representative Report**

Students Dan Loughlin and Jack Sherman presented updates from Benjamin Franklin Middle School.

**B. West Point - Dwight D. Eisenhower Leadership Award**

Stephen Kalish, former Army Officer and a graduate of the United States Military Academy at West Point, presented the Dwight D. Eisenhower Leadership Award on behalf of the West Point Society of New Jersey.

Mr. Kalish read through the previous awardees before announcing this year's recipient, Samuel Saraceno. Samuel is a member of the National Honor Society and the Spanish National Honor Society. He has taken multiple honors courses. Samuel is the starting point guard on the varsity basketball team, the president of the junior class, and a peer counselor. Additionally, he has been involved in several service groups including Unified Sports.

**C. Student Representative Report**

Zoe Kovak presented the following Ridgewood High School Student Representative Report:

**Academics:**

- The NJ Biliteracy exam was administered this past Wednesday to all interested students currently enrolled in a foreign language class.
- The Senior Award ceremony will be held Thursday June 10 where the graduating class finds out which of the 524 awards handed out were granted to them and 67 different scholarships were also awarded to various students. Additionally, they are getting ready for graduation and hoping that the weather will hold up for the ceremony, but in any case, the RHS TV club will be filming the graduation and live streaming the event.
- As the RHS Chapter of the National Honor Society celebrated their honor awardees, merit awardees, and zero hero awardees, they inducted the new members of the National Honor Society into the program with a pre-recorded montage that described the program, the members' responsibilities, and the importance of leadership and playing an active role in one's community.
- The Student Congress election for Senior Class Officers is underway and will close

on Thursday.

- The current Juniors have started thinking about Letters of Recommendation and which teachers they want to have write their letters.

Arts:

- The end-of-year band, orchestra, and choir concerts were this past week. As per usual, each of our talented students wowed the crowd with their skills.
- Artbeat's annual bandshell concert attracted a large audience a couple of weeks ago. The weather was perfect for the outdoor concert and the beautiful sunset that was present made for some awesome photographs.

Activities:

- It was so nice to see the students, both virtually and in person, dress up in green clothing to show their support for mental health awareness during the last week of May which was mental health awareness month. The "Green Out" was hosted by the Mental Health Awareness club who also recorded a roundtable discussion they had about breaking the stigma surrounding mental health and how students can advocate for and support the cause.
- RHS's DECA organization is ending the year with its typical Krispy Kreme fundraiser.
- The Senior Prom was a couple of weeks ago and the students couldn't have been more grateful for getting the opportunity to celebrate with their peers in a slightly normal fashion. While masks were enforced at all times, the event played out as it would have pre-pandemic with a DJ and dance floor, buffet-style dinner, and the lively atmosphere that completes every special occasion.

Before opening up to public comments, Dr. Gorman read a statement regarding the next school year:

School will be open full time with lunch next year. He will be presenting the details at the June 28 Board Meeting. We are finalizing our contracts with the bus companies and they have assured us that they will be fully functional next year. If over the summer there was a problem and the bus company cannot fulfill their contract, we would be allowed to end the contract, which we were not allowed to do recently, and find another company to substitute them. If we were to have a problem finding another bus company to fulfill the runs, we could pay parents aid-in-lieu of, which means they could arrange for driving and services on their own and the Board of Education would cut them a check for reimbursement of their cost. Lunch is the other issue on people's minds, each school level has their own plans depending on the guidelines set forth by the state. The first option would be that there are no restrictions and we would operate as pre-pandemic. The second option at the elementary level, is to have two lunches with some grades playing outside while others are eating inside, and some eating in their classrooms. At the Middle School Level, we will have three sections: some students will be eating outside, in the cafeteria, and setting up tables in the gymnasiums. The High School will operate as normal with an open campus.

Promptonians will be staffed. We have sent out a flyer asking for workers, which is normal. If they are short workers or the guidelines will not allow for buffet lunches, then they will be pre-packaging lunches. Students can always bring their own lunch from home. We will be sending out information about how people can become substitutes so they can be put on a list and we can call them for when we need help with lunch aides or substitutes throughout

the year.

## V. COMMENTS FROM THE PUBLIC

Mr. Lembo stated that there will be a special public comment section later during the meeting just for the American Rescue Plan Presentation.

Deidre Scali 599 Heights Rd., Emailed the board on May 20 using the words crisis, my children, depression, separation anxiety, how can you help, not one person emailed her back. Discussed mental health and the union NJREA. Her 10 year old is suffering from depression and separation anxiety and is the opposite of last year. Her other 10 year old has stopped learning how to play the guitar and will only play in the backyard which is the opposite of one year ago. Her children has not done that since last summer because they are afraid to be yelled at for not wearing a mask. Her Middle schooler was afraid of contact tracing and most days was the only child in the classroom. When will the families be first?

Alexandra Smith, 375 Fairmount Road, representing Ridgewood Parents United, Ms. Brogan was the only board member who was willing to meet with the group. Concerned about issues that are not transparent: the masking policies are uneven and not explained with clarity. Gave examples of groups playing with/without masks. Asked for a different mask policy at the High School for next year. Tradition of Excellence is at huge risk since we did not offer in person instructions this year as per other districts. Teachers marked her childrens as absent when they were actually there. A+ only went to the towns that offered full day in person instruction during this school year. School Board has the authority to make policies.

Tara Hastings, 150 Woodland Ave., made comments regarding the district's interpretation of the science and regarding additional parent involvement in the process. None of the Ridge parents were notified last week that in the heat wave the students did not have to wear a mask. Does not support 6 foot distancing when outside without a mask. The administration has decision making power regarding this. Implored the board to diversify the medical voices that are advising you. Parents want to see a plan presented on how the board and administration plan to interact with parents in the future.

## VI. PRESENTATIONS

### A. 6-12 Science Curriculum Presentation

Ms. Taylor, Supervisor of Science, presented the 6-12 Science Curriculum and Program Review. Ms. Taylor reviewed the timeline, research study process and explained the district's vision and mission, as well as curriculum alignment to the New Jersey Student Learning Standards.

Enhancements made since the previous five-year study include implementation of Biology Advanced, AP Environmental Science, AP Physics C, Career Pathways in Medicine Program, and AP Capstone program into RAHP. In all of the core classes, the department has been focusing on environmental science and sustainability.

Through donations from the Jones family and the Ridgewood Education Foundation, lab facilities and equipment have been upgraded and enhanced with an Anatomage Table,

microscopes, a greenhouse, an outdoor classroom, physics lab equipment, and more. As part of the study, data was collected through parent, student, and teacher surveys to gain their perspective on the program. Based on the findings of the study, one recommendation for the 2021-2022 school year is to develop a high school engineering program. Once this program is implemented, options for the expansion of the program will be researched and explored to give students real-world opportunities in engineering.

## **B. American Rescue Plan Requirements for Federal Grant Application**

Ms. Poelstra presented the requirements for the American Rescue Plan Federal Grant were presented. The information presented tonight is the first part of the application to the government that we need to submit in 1,000 words or less according to current submissions and is subject to change every 60 days as per conditions. We cannot take any additional steps to receive the grant until the first step is completed.

The ARP (American Rescue Plan) Act provides \$122 billion in funding to states and school districts to facilitate the reopening and safe operation of schools. The portion expected for Ridgewood Public Schools is approximately \$1.1 million.

How the grant can be spent is still being determined by the federal government. As more information about allowable uses of these funds becomes available, plans will be developed with community input and communicated.

The first step in acquiring our allocation is to provide information to the state and federal government on specific areas of our operation (Safe Return Plan), allow public comment, and then include these summaries on the first phase of the application. The Safe Return Plan template addresses eight (8) areas of operation, which are as follows:

- Universal and correct wearing of masks
- Physical distancing
- Hand washing and respiratory etiquette
- Cleaning and maintaining healthy facilities, including improving ventilation
- Contact tracing, in combination with isolation and quarantine
- Diagnostic and screening testing
- Efforts to provide vaccines to educators, other staff, and students, if eligible
- Appropriate accommodations for children with disabilities with respect to health and safety policies

Write-in comments pertaining to the eight (8) areas of operation identified in the template can also be submitted via the form link on slide 15. The template is limited to 1,000 characters for each area of operation. The public comment form will close at 12:00 p.m. on Monday, June 21, 2021.

Currently the Governor's Executive Order 175 is in effect and the mask mandate is required for the schools, with the exception of extreme heat. As this changes, the submissions will change as well.

Mr. Dani asked can we look at when there are periods of low covid numbers, change the

mask mandate?

Dr. Gorman answered as of right now the answer is no, but it may change for next year.

Dr. Gorman stated that the quarantine times are not part of the information required for submission of this grant.

The Board discussed ways for parents to directly communicate and provide feedback regarding school reopening updates.

## VII. COMMENTS FROM THE PUBLIC ON THE AMERICAN RESCUE PLAN

Susan Madison, commented that the template that the survey is from is from the State of New Jersey not the Federal Government. The three main concerns for children are masking quarantine, contact tracing and isolation. She would write the plan to submit as: masking will be as 2019, contact tracing will be as 2019, we will not be held to county records next year. Wants parent involvement in creating the plan for June 28.

Alexandra Smith, 375 Fairmont Road, does not see us leading with excellence. Expects Ridgewood to plan for known challenges, look at other districts who did robocalls, surveys and comments. Communication to parents should use responsive design for all parents.

Kerry Miller, 141 John Street, Ridgewood uses the cali metrics and are not reflective of Ridgewood specifically. Implores that the Ridgewood health department use district data for the 2020 school year. Requests that funding be used for data analysis. Requesting the district form a functioning pandemic response group. Formal communication for an overview of the plan and that allows for parent comments.

Tara Hastings, echoed previous parents, quarantine periods are what parents are thinking about and parents have concerns with that part. It is unfortunate that summer school will be virtual this year. The district is paying high rate to nurses for contact tracing. Would like the board to get more clarity on summer school nurses, if summer school will be virtual.

Ms. Poelstra stated the first Broadcast regarding the ARP grant prior to the issuance of the template from the NJDOE was on May 24. The ARP grant was first announced on May 12, but without the specific details and requirements.

Rebecca Boulin, 706 Morningside Road, Was thrilled that in the fall we came back to school and grateful; but is disappointed since then with the lack of communication and transparency. Requested more transparency. Requested a parent task force for parent involvement.

Debra Logori, 319 Meadowbrook Ave., Does not like the 14 day quarantine and masking for next school year. Imagines that a lot of children have been damaged from a mental

standpoints and should look at this liability.

Beth Gould Creller, 719 Belmont Road, parents want the administration and board to be successful. We want to be part of these plans. Parents are resources to get children back to the 2019 standards.

Alexandra Smith, what is the town submitting for the parent section of the ARP submission.

Dr. Gorman stated that this is the special public comment period as per the grant requirement, information received tonight will be included. In addition, the online survey for comment submission is open until June 21. Information gathered from that will be included within the 1,000 character allowance in the grant proposal.

Mr. Lembo reminded that this is just the grant proposal and not the full plan.

Dr. Gorman stated that on June 28 the presentation will be the plan with the contingencies, but changes will be ongoing based upon changes.

Ms. Poelstra read the American Rescue Grant Requirement: Describe how the LEA sought public comment on its plan.

The requirement was fulfilled by:

- Each of the bullet points was presented at a public meeting and posted on the district website
- A Special public comment period was opened during tonight's BOE meeting
- Online open public comments remained opened for one week and that is how public comments were secured

Laura McKenna, it would help parents if we started off with a presentation on what the American Rescue plan actually is and how much the grant is for. Is the grant going to be tied to mental health. Requested that the funds be used for new programs.

Dr. Gorman replied that the question that Ms. McKenna is asking was included in Ms. Poelstra's presentation this evening.

Ms. Poelstra added that this is the first gateway for us to request the grant money, we will receive information on what the grant money can be used for after the first submission. How we plan to use the money is due in November. We will do a needs assessment for each use and it will have to align with the allowable uses assigned from the government.

Allison Harris, 58 Phelps Road, has written the same concerns since February. Would it be possible to see the slide with the public comments section again. What is the process to have stakeholder involvement every 60 days? Can we clarify that we have some type of mental health specialist's input as well?

Dr. Gorman presented the Submission of the American Rescue Plan for consideration.

## **VIII. APPROVAL: SUBMISSION OF THE AMERICAN RESCUE PLAN**

The Ridgewood Board of Education, upon the recommendation of the Superintendent of

Schools, approves the submission of the American Rescue Plan.

Mr. Dani made a motion to amend the resolution to read:

The Ridgewood Board of Education, upon the recommendation of the Superintendent of Schools, approves that the American Rescue Plan will be posted on the district website. Public Comments will be open for the next seven days and approves the submission of the American Rescue Plan once the public comments are submitted and incorporated where needed by the Administration.

Mr. Lembo seconded the motion, which carried by the following roll-call vote:

AYES: Ms. Brogan, Mr. Dani, Ms. Kwak, Mr. Lembo

NAYS: Mr. Kaufman

The board discussed that there are two entities: the submission of the grant application to get the money and the actual reopening plan.

Ms. Brogan made a motion to meet for a special public meeting on Monday June 21, 2021 at 7:00 pm to see the final product before the ARP grant application is submitted.

Mr. Kaufman seconded the motion, which carried by the following roll-call vote:

AYES: Ms. Brogan, Mr. Dani, Ms. Kwak, Mr. Lembo, Mr. Kaufman, Mr. Lembo

NAYS: none

Mr. Dani stated that we have already voted on the submission of the plan and confirmed that the June 21 meeting is just for a presentation.

A special public meeting will be held on Monday June 21, 2021 at 7:00 pm to present the final template for the grant submission.

## **IX. SUPERINTENDENT REPORT**

The switchgear controls at the high school will be upgraded this summer. The power will be shut off on June 24 and returned in mid-August. The switchgear is approximately 70 years old, and it runs the power for the old section of the building. The fitness area and the 1999 wing should still have power through the summer.

The Governor is allowing all end-of-year ceremonies and promotions without restrictions, and masks will be optional at these events as per his guidance. The District looks forward to ending the year on a positive and uplifting note.

Mr. Dani made a motion to amend resolution viii. To a 2% increase instead of the rates listed to align with other increases.

Ms. Brogan seconded the motion, which carried by the following roll call vote:

AYES: Ms. Brogan, Mr. Kaufman, Mr. Lembo, Mr. Dani, Ms. Kwak

NAYS: none

Dr. Gorman presented ix. for consideration.

ix. **Approval: 2021-2022 Infant/Toddler Development Center (ITDC) Tuition Rates**

The Ridgewood Board of Education, upon the recommendation of the Superintendent of Schools, approves the 2021-2022 ITDC tuition rates, as listed on **Attachment K**.

Mr. Kaufman moved approval of ix.

Ms. Brogan seconded the motion, which carried by the following roll call vote:

AYES: Ms. Brogan, Mr. Kaufman, Mr. Lembo

NAYS:

ABSTAIN: Ms. Kwak, Mr. Dani

Mr. Dani requested his statement to be in the record that at the April 26 meeting, we were informed that our attorney is looking into exemptions and by the next meeting we will have those details and we still do not have those details.

Dr. Gorman presented x. for consideration.

x. **Approval: Lease of Unused Classrooms for the 2021-2022 School Year**

The Ridgewood Board of Education, upon the recommendation of the Superintendent of Schools, approves the lease of unused classrooms for the 2021-2022 school year as listed on **Attachment L**.

Ms. Kwak noted that this is the lease of unused classrooms which is primarily the space at the Glen School for ITDC rate has no increase for this year versus everything else for the rest of the world has gone up 2%. She wanted to point that.

Mr. Dani moved a motion to increase the rate by 2%.

Ms. Kwak seconded the motion, which carried by the following roll call vote:

AYES: Mr. Dani, Mr. Lembo, Ms. Kwak

NAYS: Ms. Brogan, Mr. Kaufman

Mr. Kaufman would like to see this program not be touched and reassessed next year.

Mr. Dani would like on record that the financial projections that they have look great, the team has work hard to make the financials work and there should be no doubt that the program will suffer to increase by 2% and it should be universal.

Ms. Kwak stated every other year the Glen school has had a 2% increase and there is a 2% for everything else.

#### **XI. RESOLUTIONS AND MOTIONS NOT INCLUDED IN CONSENT AGENDA**

Dr. Gorman presented for consideration A. Agreement with Field-Turf USA in Conjunction with CRAFCO to complete the resurfacing of the BFMS Track.

##### **A. Approval: Agreement with Field-Turf USA in Conjunction with CRAFCO to complete the resurfacing of the BFMS Track.**

The Ridgewood Board of Education, upon the recommendation of the Superintendent of Schools, approves the award of contract for the repair and resurfacing of the existing running track oval at the industry standard of 5MM, Pressure Washing/Cleaning, Protection, Line Marking, area at Benjamin Franklin Middle School to Field-Turf in conjunction with Copeland Coating & Sport Surfaces through ESCNJ/MRESC program, in the total amount of \$263,000.00, which includes a three (3) year warranty.

The ESCNJ is a member of the Association of Educational Purchasing Agencies (AEPA) program (AEPA IFB #020), a purchasing co-op that provides member schools with pre-determined preferential pricing by approved vendors. Since the product has already been bid at the national level, individual schools do not have to duplicate the formal bid processes.

The Board has received background information.

Ms. Kwak made a motion for the approval of the agreement instead of with Field Turf it would be with ATT to complete the resurfacing of the BFMS track for 2163425 based on background information provided by the business office.

Mr. Dani seconded the motion.

Ms. Brogan requested to discuss this item and wants to understand why we are suggesting to go with the company that is charging more.

Ms. Kwak stated that this covers more space, and requested to just vote and is based on the overall consideration of the package. Ms. Brogan is welcomed to discuss it.

Ms. Brogan wants to understand what is driving not taking the lower price to do the work?

Is it something about Field Turf??

Ms. Kwak stated that she is basing her decision on the background information that was provided.

Ms. Brogan asked if there is additional background information instead of the contracts.

Further discussion regarding the proposals ensued.

To view this portion of the meeting scroll to 3:15.

seconded the motion, which was carried by the following roll-call vote:

AYES: Mr. Dani, Ms. Kwak, Mr. Lembo

NAYS: Mr. Brogan, Mr. Kaufman

Mr. Kaufman requested his statement be put on record that this has been the least conversation that they have ever had on any subject and is extremely confused as to how we make a switch without any discussion as to why.

Ms. Kwak requested her statement be put on record that we have had Field Turf almost to the day, June 15 last year, and she looked at the background information thoroughly.

Dr. Gorman presented for consideration B: 2021-2022 Tax Levy Certification - Form A

Ms. Kwak seconded the motion which was unanimously approved.

### **XIII. BOARD MEMBER ANNOUNCEMENTS**

Ms. Brogan congratulated the RHS staff on the Senior Awards Ceremony and to all of our students who received recognition.

Mr. Dani asked the Alternative Schedule committee to look at the High School bus arrival times when considering the new schedules.

Mr. Lembo announced that the elementary schools have had their field day, and everyone is excited for the end-of-year promotions and graduation.

### **XIV. BOARD COMMITTEE REPORTS**

The Alternative Schedules Committee held a meeting this week with members from all of the subcommittees. The focus of this meeting was the efficient use of time.

The Facilities Committee met for the first time. The committee will be looking at facilities issues going forward and making sure that everything is ready for reopening school.

The Joint Review Committee held its last meeting for the school year. A review of all of the buildings was done, and they scored very well.

The Finance Committee met for the first time. The committee was able to review all of the different accounts and ask questions.

### **XV. DISCUSSION ITEMS**

Policy 5111 - Eligibility of Resident/Nonresident Students **Attachment N**

Dr. Gorman reviewed the Board Policy Committee's suggested policy changes to Policy 5111. The main change is the request to allow special education students as tuition students.

Ms. Brogan asked if these would be Universal placements? She asked how would behavior plans with children with IEP's work? She requested that Mr. Rubin to review the policy changes.

Ms. Brogan was concerned about the additional change is a 35% increase in new staff tuition rates as of enrollments for January 1, 2022.

Mr. Lembo explained the rationale that this change is for new hires after January 1, 2022.

Mr. Dani stated that the proposed change was based on data from other districts. He stated Mr. Rubin will review the changes, if he has minor changes we will move forward. If there are major changes the policy committee will meet again.

Mr. Dani discussed that minutes from the last few months the discussion have been abbreviated as agreed by the board, in addition to the public comments being abbreviated. He would like the public comments to be posted in more detail and not a one line summary.

The Board discussed the format of the minutes and how much detail should be included regarding public comments.

Mr. Bisig will ask the Board attorney input on minutes for public comments.

The view this portion of the meeting scroll to 3:47.

Ms. Kwak if it is possible that for the District Administrator contracts we get the same level of information as other personnel.

Ms. Townes confirmed that District Administrator contracts, including the salary are approved by the County annually and after the Board approves them they are posted on the website. This is a legal requirement.

The Board discussed adding some more detail on the agenda regarding contracts for district administrators for next year.

To view this portion of the meeting scroll to 3:56

Ms. Kwak opened a discussion regarding a two tier sitting fee for photographs and does not find it equitable. She believes there should be no sitting fee since the same vendor does not charge other districts.

Dr. Gorman stated that a sitting fee is typical and we were charged with the previous vendor. He will review their pricing structure.

The Board discussed the sitting fee from the vendor who takes senior portraits.

**XVI. ACCEPTANCE OF MINUTES**

- April 26, 2021 Regular Public Meeting
- May 24, 2021 Executive Session Meeting

Mr. Lembo pulled the April 26 meetings from consideration.

Mr. Dani Moved approval of the May 24 Executive Session Minutes. Mr. Lembo seconded the motion, which was unanimously approved.

**XVII. OTHER BUSINESS**

None at this time.

**XVIII. COMMENTS FROM THE PUBLIC**

Laurie Weber, 235 South Irving Street, thanked Mr. Dani who brought up the abbreviation of the meeting minutes. They are a valuable tool since not everyone can watch the meetings. The Village Council posts a technology where they post an agenda and you can click on that and it takes you to that part of the meeting.

**XXI. ADJOURNMENT**

AT 11:07 p.m., on a motion made by Mr. Lembo, seconded by Ms. Kwak and unanimously approved, the meeting adjourned.

Respectfully Submitted,

*Scott T. Bisig, M.Ed.*

Scott Bisig  
Board Secretary

5111 ELIGIBILITY OF RESIDENT/NONRESIDENT STUDENTS

The Board of Education shall admit to its schools, free of charge, persons over five and under twenty years of age, pursuant to N.J.S.A. 18A:38-1, or such younger or older students as is otherwise entitled by law to a free public education.

## Eligibility to Attend School

The Board shall admit students eligible to attend school free of charge that are domiciled within the district as defined in N.J.A.C. 6A:22-3.1.

A child who is domiciled within the school district and resides with a parent or guardian who is a member of the New Jersey National Guard or a member of the reserve component of the armed forces of the United States who is ordered into active military service in a time of war or national emergency shall be permitted to remain enrolled in the school district in which the child is domiciled at the time of the parent or guardian being ordered into active military service, regardless of where the child resides during the period of active duty. Following the return of the child's parent or guardian from active military service, the child's eligibility to remain enrolled in the school district pursuant to N.J.A.C. 18A:38-3.1 shall cease at the end of the current school year unless the child is domiciled in the school district.

The Board shall also admit any student that is kept in the home of a person other than the student's parent or guardian, where the person is domiciled in the school district and is supporting the student without remuneration as if the student were his or her own child in accordance with N.J.A.C. 6A:22-3.2. A student is only eligible to attend school in the district pursuant to N.J.A.C. 6A:22-3.2 if the student's parent or guardian files, together with documentation to support its validity, a sworn statement that he or she is not capable of supporting or providing care for the student due to family or economic hardship and the student is not residing with the other person solely for the purpose of receiving a free public education. In addition, the person keeping the student must file, if so required by the Board of Education, a sworn statement that he or she: is domiciled within the school district; is supporting the child without remuneration and intends to do so for a time longer than the school term; will assume all personal obligations for the student relative to school requirements; and provides a copy of his or her lease if a tenant, a sworn landlord's statement if residing as a tenant without a written lease, or a mortgage or tax bill if an owner. Pursuant to N.J.S.A. 18A:38-1, any person who fraudulently allows a child of another person to use his or her residence and is not the primary financial supporter of that child and any person who fraudulently claims to have given up custody of his or her child to a person in another district commits a disorderly person's offense.

A student is eligible to attend school in this school district free of charge pursuant to N.J.S.A. 18A:38- 1 if the student is kept in the home of a person domiciled in the school district, who is not the parent or guardian and the parent or guardian is a member of the New Jersey National Guard or the reserve component of the United States armed forces and has been ordered into active military service in the United States armed forces in time of war or national emergency. Eligibility under this provision shall cease at the end of the current school year during which the parent or guardian returns from active military duty.

A student is eligible to attend school in this school district free of charge pursuant to N.J.S.A. 18A:38- 1 if the student's parent or guardian temporarily resides within the school district and elects to have the student attend the school district of temporary residence, notwithstanding the existence of a domicile elsewhere. When required by the Board of Education, the parent or guardian shall demonstrate the temporary residence is not solely for purposes of a student attending the school district of temporary residence. When one of a student's parents or guardians temporarily resides in the school district while the other is domiciled or temporarily resides elsewhere, eligibility to attend school shall be determined in accordance with the criteria of N.J.A.C. 6A:22-3.1(a)1.i.

A student is eligible to attend this school district free of charge:

1. If the student's parent or guardian moves to another school district as the result of being homeless, subject to the provisions of N.J.A.C. 6A:17-2 - Education of Homeless Children;
2. If the student is placed by court order or by a society, agency, or institution in the home of a school district resident pursuant to N.J.S.A. 18A:38-2;
3. If the student previously resided in the school district and if the parent(s) or legal guardian(s) is a member of the New Jersey National Guard or the United States reserves and has been ordered to active service in time of war or national emergency, resulting in the relocation of the student out of the school district, pursuant to N.J.S.A. 18A:38-3. The school district shall not be obligated for transportation costs; and
4. If the student resides on federal property within the State pursuant to N.J.S.A.18A:38-7.7 et seq.

Notwithstanding the provisions of N.J.S.A. 18A:38-1 or any other law, rule, or regulation to the contrary, a student who moves out of the school district as a result of domestic violence, sexual abuse, or other family crises shall be permitted to remain enrolled in the school district for the remainder of the school year in pursuant to N.J.S.A. 18A:38-1.1 and in accordance with the provisions of N.J.A.C. 6A:22-3.2(h). If the student remains enrolled in the school district for the remainder of the school year, the school district shall provide transportation services to the student, provided the student lives remote from school, and the State shall reimburse the school district for the cost of the transportation services. Nothing in N.J.S.A. 18A:38-1.1 shall be construed to affect the rights of homeless students pursuant to N.J.S.A. 18A:7B-12, N.J.S.A. 18A:7B-12.1, or any other applicable State or Federal law.

A student's eligibility to attend this school shall not be affected by the physical condition of an applicant's housing or his or her compliance with local housing ordinances or terms of lease.

Except as set forth in N.J.A.C. 6A:2-3.3(b)1, immigration/visa status shall not affect eligibility to attend school and the school district shall not condition enrollment in the school district on immigration status. A student's immigration/visa status and their eligibility to attend school shall be in accordance with N.J.A.C. 6A:22-3.3(b) and Regulation 5111.

#### Proof of Eligibility

The Board of Education shall accept a combination of forms of documentation from persons attempting to demonstrate a student's eligibility for enrollment in the school district in accordance with the provisions of N.J.A.C. 6A:22-3.4. The Board of Education shall consider the totality of information and documentation offered by an applicant, and shall not deny enrollment based on failure to provide a particular form or a subset of documents, without regard to other evidence presented.

The Board of Education shall not condition enrollment on the receipt of information or documents protected from disclosure by law, or pertaining to criteria that are not a legitimate basis for determining eligibility to attend school as outlined in N.J.A.C. 6A:22-3.4(d). The Board of Education may consider, in a manner consistent with Federal law, documents or information referenced in N.J.A.C. 6A:22-3.4(d) or pertinent parts thereof if voluntarily disclosed by the applicant. The Board of Education may not, directly or indirectly, require or request such disclosure as an actual or implied condition of enrollment. In the case of a dispute between the school district and the parent or guardian of a student in regard to the student's eligibility to enroll in the school district or to remain enrolled in the school district pursuant to the provisions of N.J.S.A. 18A:38-1, the school district may request from the

Motor Vehicle Commission (NJMVC) the parent or guardian's name and address for use in verifying a student's eligibility for enrollment in the school district in accordance with the provisions of N.J.S.A. 18A:38-1-3. The NJMVC shall disclose to a school district the information requested in accordance with procedures established by the NJMVC. However, the school district shall not condition enrollment in the district on immigration status or on the fact that the NJMVC does not have the name or address of the parent on file.

#### Registration Forms and Procedures for Initial Assessment

Registration and initial determinations of eligibility will be in accordance with N.J.A.C. 6A:22-4.1. The Board of Education shall use Commissioner-provided registration forms or locally developed forms that are consistent with the forms provided by the Commissioner. A district-level administrator designated by the Superintendent shall be clearly identified to applicants and available to assist persons who experience difficulties with the enrollment process.

Initial eligibility determinations shall be made upon presentation of an enrollment application, and enrollment shall take place immediately except in cases of clear, uncontested denials. Enrollment shall take place immediately when an applicant has provided incomplete, unclear, or questionable information, but the applicant shall be notified that the student will be removed from the school district if defects in the application are not corrected, or an appeal is not filed, in accordance with subsequent notice to be provided pursuant to N.J.A.C. 6A:22-4.2.

When a student appears ineligible based on the information provided in the initial application, the school district shall issue a preliminary written notice of ineligibility, including an explanation of the right to appeal to the Commissioner of Education. Enrollment shall take place immediately if the applicant clearly indicates disagreement with the district's determination and an intent to appeal to the Commissioner of Education. An applicant whose student is enrolled pursuant to this provision shall be notified that the student will be removed, without a hearing before the Board, if no appeal is filed within the twenty-one day period established by N.J.S.A. 18A:38-1.

When enrollment is denied and no intent to appeal is indicated, applicants shall be advised they shall comply with compulsory education laws. When the student is between the ages of six and sixteen, applicants also shall be asked to complete a written statement indicating the student will be attending school in another school district or a nonpublic school, or receiving instruction elsewhere than at a school pursuant to N.J.S.A. 18A:38-25. In the absence of this written statement, designated staff shall report to the school district of actual domicile or residence, or the Department of Children and Families, a potential instance of "neglect" for the purposes of ensuring compliance with compulsory education law, N.J.S.A. 9:6-1. Staff shall provide the school district or the Department of Children and Families with the student's name, the name(s) of the parent/guardian/resident, and the student's address to the extent known. Staff shall also indicate admission to the school district has been denied based on residency or domicile, and there is no evidence of intent to arrange for the child to attend school or receive instruction elsewhere.

Enrollment or attendance at the school district shall not be conditioned on advance payment of tuition when enrollment is denied and an intent to appeal is indicated, or when enrollment is provisional and subject to further review or information. The Board of Education shall ensure the registration process identifies information suggesting an applicant may be homeless so procedures may be implemented in accordance with N.J.A.C. 6A:17-2, Education of Homeless Children. Enrollment or attendance in the school district shall not be denied based upon the absence of the certified copy of the student's birth certificate or other proof of a student's identity as required within thirty days of initial enrollment, pursuant to N.J.S.A. 18A:36-25.1.

Enrollment in the school district shall not be denied based upon absence of student medical information. However, actual attendance at school may be deferred until the student complies with student immunization rules set forth in N.J.A.C. 8:57-4.

When enrollment in the school district, attendance at school, or the receipt of educational services in the regular education program appears inappropriate, the student shall not be denied based upon the absence of a student's prior educational record. However, the applicant shall be advised the student's initial educational placement may be subject to revision upon the school district's receipt of records or further assessment of the student.

#### Notice of Ineligibility

When a student is found ineligible to attend the school district pursuant to N.J.A.C. 6A:22 or the student's initial application is found to be deficient upon subsequent review or investigation, the school district immediately shall provide to the applicant notice that is consistent with Commissioner-provided sample form(s) and meets requirements of N.J.A.C. 6A:22-4 et. seq. Notices shall be in writing; in English and in the native language of the applicant; issued by the Superintendent; and directed to the address at which the applicant claims to reside. Notices of ineligibility shall include information as outlined in N.J.A.C. 6A:22-4.2.

#### Removal of Currently Enrolled Students

Nothing in N.J.A.C. 6A:22 et seq. and this Policy shall preclude the Board of Education from identifying through further investigation or periodic requests for revalidation of eligibility, students enrolled in the school district who may be ineligible for continued attendance due to error in initial assessment, changed circumstances, or newly discovered information.

When a student who is enrolled and attending school based on an initial eligibility determination is later determined to be ineligible for continued attendance, the Superintendent may apply to the Board of Education for the student's removal in accordance with the provisions of N.J.A.C. 6A:22-4.3. No student shall be removed from school unless the parent, guardian, adult student, or resident keeping an "affidavit student" (as defined in N.J.A.C. 6A:22-1.2) has been informed of his or her entitlement to a hearing before the Board of Education. Once the hearing is held, or if the parent, guardian, adult student or resident keeping an "affidavit student", does not respond within the designated time frame to the

Superintendent's notice or appear for the hearing, the Board of Education shall make a prompt determination of the student's eligibility and shall immediately provide notice in accordance with N.J.A.C. 6A:22-4.2. Hearings required pursuant to N.J.A.C. 6A:22-4.3 may be conducted by the full Board or a Board Committee, at the discretion of the full Board. If the hearing(s) is conducted by a Board Committee, the Committee shall make a recommendation to the full Board for action. No student may be removed except by vote of the Board taken at a meeting duly convened and conducted pursuant to N.J.S.A. 10:4-6 et seq., the Open Public Meetings Act.

#### Appeal to the Commissioner

An applicant may appeal to the Commissioner of Education the school district's determination that a student is ineligible to attend its schools. Appeals shall be initiated by petition which shall be filed in accordance with N.J.S.A. 18A:3-1 and N.J.A.C. 6A:3-8.1 and shall proceed as a contested case pursuant to N.J.A.C. 6A:3. Pursuant to N.J.S.A. 18A:38-1., appeals of "affidavit student" eligibility determinations shall be filed by the resident keeping the student.

#### Assessment and Calculation of Tuition

If no appeal to the Commissioner is filed following notice of an ineligibility determination, the Board may assess tuition for up to one year of a student's ineligible attendance, including the twenty-one day period provided by N.J.S.A. 18A:38-1 for appeal to the Commissioner. Tuition will be assessed and calculated in accordance with N.J.A.C. 6A:22-6.3 et seq. If the responsible party does not pay the tuition assessment, the Board of Education may petition the Commissioner pursuant to N.J.A.C. 6A:3 for an order assessing tuition, enforceable in accordance with N.J.S.A. 2A:58-10 through recording, upon request of the Board of Education pursuant to N.J.A.C. 6A:3-12, on the judgment docket of the Superior Court, Law Division.

If an appeal to the Commissioner is filed and the petitioner does not sustain the burden of demonstrating the student's right to attend the school district, or the petitioner withdraws the appeal, fails to prosecute, or abandons the appeal by any means other than settlement agreeing to waive or reduce tuition, the Commissioner may assess tuition in accordance with the provisions of N.J.A.C. 6A:22-6.2(a). Upon the Commissioner's finding that an appeal has been abandoned, the Board of Education may remove the student from school and seek tuition in accordance with N.J.A.C. 6A:22-6.2.

#### Nonresident Students

The admission of a nonresident student to school free of charge must be approved by the Board, upon the recommendation of the Superintendent and subject to the needs of the district. No student otherwise eligible shall be denied admission on the basis of the student's race, color, creed, religion, national origin, ancestry, age, marital status, affectional or sexual orientation or sex, social or economic status, or disability. A written request for permission to enroll a child of a nonresident staff member, including school preference, must be submitted to and approved in writing by the Superintendent at least thirty days prior

to admittance. Transportation will be provided by the staff member. The continued enrollment of any nonresident student shall be contingent upon the student's maintenance of good standards of citizenship, academic standing and discipline, as well as family behavior toward school personnel and/or the needs of the district.

#### Change in Residence

Seniors who have completed their junior year in Ridgewood High School and whose parent(s) or legal guardian(s) change their residence out of the district after that time may finish their studies at Ridgewood High School on a tuition basis. Other students may finish the year on a tuition basis if parent(s) or legal guardian(s) change residence out of district February 1 or later. Students whose parent(s) or legal guardian(s) change residence after May 1 may continue schooling on a non-tuition basis for the remainder of the school year.

#### Other Nonresident Children

Other nonresident children, otherwise eligible for attendance, may be admitted to school in this district with payment of tuition if their admission is warranted by the inaccessibility of school in their home district, the singular availability of an appropriate educational program in this district, the avoidance of transfer and readmission of a child whose legal custody is shared by a parent(s) or legal guardian(s) residing in this district, or other good cause. The parent(s) or legal guardian(s) must submit an application to the Superintendent for review and consideration. *Special Education students may not be enrolled in the district under this provision.* ~~Students in this provision are not eligible for any formal educational intervention services.~~

- a. **An application for permission to enroll a child of a nonresident must be submitted to and approved in writing by the Superintendent at least thirty (30) days prior to admittance.**
- b. **Annually, the nonresident must submit a letter to the Superintendent requesting their child to be approved for admittance in the district in the subsequent school year. All such letters must be received by the Superintendent by May 15 of the current school year in order for the child to be considered for admittance in the following school year. The Superintendent will notify the nonresident of the decision, in writing, no later than June 15 of the current school year. A written request for permission to enroll a child of a nonresident, including school preference, must be submitted to and approved in writing by the Superintendent at least thirty (30) days prior to admittance.**
- c. **Approval of enrollment shall be based on availability of space in the schools; the Superintendent shall review the availability of space on an annual basis.**
- d. **A contract for educational services must be signed.**
- e. **Enrollment can begin anytime during the school year. Tuition will be billed on a prorated basis.**

- f. **By August 1 preceding the new school year, all nonresident will be billed by the Business Office at the rates established prior to the end of the school year. Payment is due to the Business Office no later than the last Friday prior to the opening of school for students. If this payment is not received in a timely fashion, interest will be charged at a rate of 1% per month until payment is received. If payment is not received by the last Friday in January, the nonresident will be required to meet with the Superintendent to explain the reason for nonpayment. Within three days of that meeting, the Superintendent will issue, in writing, the decision concerning the continued enrollment of the non-resident student(s).**
- g. **Tuition will cover only the typical costs associated with an education in the Ridgewood School District. Any extraordinary costs will be borne by the parent(s)/guardian(s). Examples of extraordinary costs include, but are not limited to, fees for OT/PT, aides, out-of-district transportation, etc. Non-resident parent(s)/guardian(s) shall be assessed the Board approved out-of-district tuition rate.**
- h. **Responsibility for pupil transportation shall be assumed by the parent(s)/guardian(s).**
- i. **All discipline and other pupil records from a student's prior school shall be reviewed; the Superintendent and/or Board of Education may deny enrollment based on the discipline record of a non-resident student.**
- j. **The continued enrollment of any nonresident student, shall be contingent upon the student's maintenance of good standards of citizenship and discipline. Infractions of the student code of conduct may result in immediate disenrollment from the school district.**

#### Children of District Employees

Children of nonresident permanent, salaried staff members of the Board of Education may be admitted to the schools of the district at a tuition rate, set annually by the Board of Education ~~at its Reorganization Meeting prior to the end of the school year,~~ upon the recommendation of the Superintendent and the approval of the Board. ~~*Special Education students may not be enrolled in the district under this provision.*~~ ~~Students in this provision are not eligible for any formal educational intervention services.~~

- a. A written request for permission to enroll a child of a nonresident staff member, including school preference, must be submitted to and approved in writing by the Superintendent at least thirty (30) days prior to admittance. ~~Transportation will be provided by the staff member.~~
- b. Annually, the nonresident staff member must submit a letter to the Superintendent requesting their child to be approved for admittance in the district in the subsequent school year. All such letters must be received by the Superintendent by May 15 of the current school year in order for the child to be considered for admittance in the following school year. The Superintendent will

- e. **Enrollment can begin anytime during the school year. Tuition will be billed on a prorated basis.**
- f. By August 1 preceding the new school year, all nonresident staff members will be billed by the Business Office at the rates established ~~at the annual reorganization meeting~~, **prior to the end of the school year**. Payment is due to the Business Office no later than the last Friday prior to the opening of school for students. If this payment is not received in a timely fashion, interest will be charged at a rate of 1% per month until payment is received. If payment is not received by the last Friday in January, the nonresident staff member will be required to meet with the Superintendent to explain the reason for nonpayment. Within three days of that meeting, the Superintendent will issue, in writing, his decision concerning the continued enrollment of the staff member's child(ren).
- g. **Tuition will cover only the typical costs associated with an education in the Ridgewood School District. Any extraordinary costs will be borne by the parent(s)/guardian(s). Examples of extraordinary costs include, but are not limited to, fees for OT/PT, aides, out-of-district transportation, etc. Children of any district employee hired after January 1, 2022 shall be assessed a tuition rate of 35% of the Board approved out-of-district tuition rate.**
- h. **Responsibility for pupil transportation shall be assumed by the employee.**
- i. **All discipline and other pupil records from a student's prior school shall be reviewed; the Superintendent and/or Board of Education may deny enrollment based on the discipline record of a non-resident student.**
- j. **This benefit shall not interfere with the before or after school responsibilities of the employee.**
- k. **The continued enrollment of any nonresident pupil, including that of the child of a staff member, shall be contingent upon the pupil's maintenance of good standards of citizenship and discipline. Infractions of the student code of conduct may result in immediate disenrollment from the school district.**

### Home Construction

Families domiciled in the school district for a minimum of 12 months and attending the Ridgewood Public Schools prior to major home renovations where the family must vacate the premises, must obtain Board of Education approval to continue attending the district schools free of charge for a period of 18 months with proof of building permits/documentation. After 18 months, a one-time extension for a period of 6 months can be obtained and will necessitate additional proof of building status and progress. The Board of Education will assess tuition for students after the initial 24-month period. The Board of Education will require proof of occupancy when residence is reoccupied.

### F-1 and J-1 Visa Students

The school district is not required to, but may permit the attendance of F-1 and J-1 Visa students into the school district only with the payment of full tuition and a signed tuition contract. The district may require advance payment of full tuition before providing the requested I-20 Form, in accordance with the provisions of Federal regulation 8 CFR 214.3. An F-1 Visa is granted to a foreign student through an application process that must include, but is not limited to, signed approval by the receiving school district exhibiting the receiving school district will accept the foreign student for enrollment and the foreign student's proof of financial means to pay the full tuition to the receiving school district for the academic year. The host family must be domiciled in the school district and shall submit a request to the Superintendent of Schools with supporting documentation as determined by the Superintendent or designee. A student with an F-1 or J-1 Visa must be approved by the Board for attendance in the school district. The student's continued attendance in the school district shall be conditioned on a satisfactory attendance and disciplinary record.

**MINUTES OF THE  
SPECIAL PUBLIC MEETING OF THE  
RIDGEWOOD BOARD OF EDUCATION**

**June 21, 2021**

**Bergen County, New Jersey**

At 7:01 p.m., Mr. Lembo called the Special Public Meeting to Order.

**I. CALL TO ORDER AND ROLL CALL**

**Present:**

Mr. Michael Lembo, President; Ms. Hyunju Kwak, Vice President; Ms. Sheila Brogan; Mr. Saurabh Dani; Mr. Cristopher Kaufman

**Also Present:**

Dr. Thomas Gorman, Superintendent; Ms. Stacie Poelstra, Assistant Superintendent for Curriculum, Instruction & Assessment; Mr. Scott Bisig, Business Administrator/Board Secretary, Ms. Ojetta Townes, Manager of Human Resources

**II. FLAG SALUTE AND PLEDGE OF ALLEGIANCE**

Mr. Lembo led those present in the Pledge of Allegiance.

**III. OPENING STATEMENT BY PRESIDING OFFICER**

Mr. Lembo announced that pursuant to the requirements of the Open Public Meetings Act, advance notice of this meeting had been given to The Ridgewood News, The Record, and the Clerk of the Village of Ridgewood. In addition, notices were posted in the office of the Board Secretary and in all school buildings.

**IV. COMMENTS FROM THE PUBLIC**

None at this time.

**V. PRESENTATIONS**

**A. American Rescue Plan Requirements for Federal Grant Application**

Dr. Gorman reported that Ms. Poelstra would present the plan requirements, highlighting areas that were adjusted to reflect community input.

Ms. Poelstra presented the requirements for the American Rescue Plan Federal Grant. The ARP (American Rescue Plan) Act provides \$122 billion in funding to states and school districts to facilitate the reopening and safe operation of schools. The portion expected for Ridgewood Public Schools is approximately \$1.1 million. The first step in acquiring our allocation is to provide information to the state and federal government on specific areas of our operation (Safe Return Plan), allow public comment, and then include these summaries on the first phase of the application. The Safe Return Plan template addresses eight (8) areas of operation, which are as follows:

- Universal and correct wearing of masks
- Physical distancing

- Hand washing and respiratory etiquette
- Cleaning and maintaining healthy facilities, including improving ventilation
- Contact tracing, in combination with isolation and quarantine
- Diagnostic and screening testing
- Efforts to provide vaccines to educators, other staff, and students, if eligible
- Appropriate accommodations for children with disabilities with respect to health and safety policies

Modifications to the template included language about determining local guidelines for mask wearing, physical distancing, and quarantine protocols if districts are authorized to do so while considering the risks/benefits for the physical/mental health of the students and staff. The District will not be using the Electronic Symptom Checking Questionnaire or taking temperature checks next year. Plans are subject to change based on updated guidance.

The full presentation can be viewed at the links below, and is posted on the district website under District News and Board Presentations.

Dr. Gorman stated that the governor's executive order to wear masks in schools is currently still in effect. The order may change sometime in July.

Mr. Kaufman confirmed that if we do not like the guidance requirements in the future to receive the grant, we are not obligated to accept the grant.

The Board discussed the grant requirements, timelines, and submission.

## VI. COMMENTS FROM THE PUBLIC

Laura Mckenna, 861 Bingham Road, asked about the \$1.1 million dollars and would like to know what our next step is? What will we do with that money? She would like to know what the money will go to instead of dumping it into the budget.

Susan Madison, Linwood Ave., The grant clearly says that the parents and stakeholders need to be involved in the development of the plan and need to be involved every 60 days. Has been a pattern that we don't do what the guidance says we have to do. Last summer we were supposed to have a restart and recovery team with parents and students and we have not done that. Believes we opened up too slowly and kept protocols in place that are hurting the children.

Alexandra Smith, 375 Fairmount Road, Asking that parents are included in plans and would like to see formal opportunities for parents to be involved. She has seen a lack of being proactive to look at problems that are coming. Would like to see how parents will be involved and how will the district be more proactive.

Kerri Miller 141 Johns St., Thanked the administration and Board for holding the special board meeting. Suggestion to gather additional feedback from the community, the plan and

survey was not posted in the news section. Would like to have more communication and elevate the call for feedback on the district website. Also, sending out more communication similar to the covid letters.

Boyd Loving, 342 South Irving Street, fully supports tonight's application and does not see anything that is not in the best interest of the students.

Ms. Brogan asked if this is the initial presentation of what September will look like? What is the expectation?

Dr. Gorman replied that draft one will be presented at the July 26 meeting and we are planning to host a parent night in the beginning of August.

Mr. Lembo made a motion to approve the submission of the American Rescue Plan. Ms. Kwak seconded the motion which carried by the following roll-call vote:

AYES: Ms. Brogan, Mr. Dani, Mr. Kaufman, Ms. Kwak, Mr. Lembo  
NAYS: none

**VII. ADJOURNMENT**

AT 7:49 p.m., on a motion made by Mr. Lembo, seconded by Ms. Brogan and unanimously approved, the meeting adjourned.

Respectfully Submitted,

*Scott T. Bisig, M.Ed.*

Scott Bisig  
Board Secretary

**MINUTES OF THE  
REGULAR MEETING OF THE  
RIDGEWOOD BOARD OF EDUCATION**

**June 28, 2021**

**Bergen County, NJew Jersey**

**I. CALL TO ORDER AND ROLL CALL**

**Present:**

Mr. Michael Lembo, President; Ms. Hyunju Kwak, Vice President; Ms. Sheila Brogan; Mr. Saurabh Dani; Mr. Cristopher Kaufman

**Also Present:**

Dr. Thomas Gorman, Superintendent; Ms. Stacie Poelstra, Assistant Superintendent for Curriculum, Instruction & Assessment; Mr. Scott Bisig, Business Administrator/Board Secretary, Ms. Ojetta Townes, Manager of Human Resources

**A. MOTION TO MOVE INTO EXECUTIVE SESSION**

Mr. Lembo moved the following resolution. Ms. Kwak seconded the motion, which was unanimously approved.

Whereas, said law requires the Board to adopt a resolution at a public meeting before it can meet in such Executive Session; now therefore,

Be it resolved, by the Ridgewood Board of Education, that it does hereby determine that it is necessary to meet in Executive Session to discuss a personnel and/or litigation matter and/or negotiations and/or contract matter.

Mr. Lembo announced the Board has been meeting in Executive Session pursuant to NJSA:12. The minutes from this meeting will be released when the need for confidentiality no longer exists. The Board was meeting to discuss issues of Personnel.

**B. MOTION TO OPEN REGULAR SESSION**

At 5:04 p.m., Mr. Lembo called the Regular Public Meeting to Order.

**C. REGULAR PUBLIC MEETING SESSION CALL TO ORDER AND ROLL CALL**

**Present:**

Mr. Michael Lembo, President; Ms. Hyunju Kwak, Vice President; Ms. Sheila Brogan; Mr. Saurabh Dani; Mr. Cristopher Kaufman

**Also Present:**

Dr. Thomas Gorman, Superintendent; Ms. Stacie Poelstra, Assistant Superintendent for Curriculum, Instruction & Assessment; Mr. Scott Bisig, Business Administrator/Board Secretary, Ms. Ojetta Townes, Manager of Human Resources

**Visitors:**

There were approximately 5 visitors.

**II. FLAG SALUTE AND PLEDGE OF ALLEGIANCE**

Mr. Lembo led those present in the Pledge of Allegiance.

**III. OPENING STATEMENT BY PRESIDING OFFICER**

Mr. Lembo announced that pursuant to the requirements of the Open Public Meetings Act, advance notice of this meeting had been given to The Ridgewood News, The Record, and the Clerk of the Village of Ridgewood. In addition, notices were posted in the office of the Board Secretary and in all school buildings.

**SEPTEMBER SCHOOL OPENING DRAFT AND SCENARIOS**

Dr. Gorman presented the draft of the September School Opening and possible Scenarios. He stated that a few hours before the Board meeting, Governor Murphy announced that masks will be optional in the fall; however, the District has not yet received any specific guidance. As a result, some of the information in the presentation regarding school operations and scenarios for the 2021-2022 school year is already outdated.

Schools will be open for full-time, in-person instruction with lunch, and the goal is to operate at pre-pandemic norms. Modifications have been made to health and safety protocols and will continue to be updated as more information becomes available. Should districts be authorized to make decisions on a local level, RPS will collaborate with the VOR Health Department, School Physician, and District Mental Health Coordinator to determine local guidelines.

Possible scenarios pertaining to transportation, food service, and lunch were shared. Parent volunteers will be allowed in the buildings next year, and facilities used by the Community School and parent organizations will be fully available.

A Multi-Tiered System of Supports (MTSS) is used to address both academic and mental health needs. The District is offering summer professional development to support educators, and the Start Strong Assessments will provide additional data about student performance. Shared equipment will be used in accordance with pre-pandemic norms, and all after-school activities and programs will follow pre-pandemic norms. While parents will not be able to opt out of in-person instruction, remote learning may be used in the event of a localized outbreak.

**IV. COMMENTS FROM THE PUBLIC**

Laura Mckenna, 861 Bingham Road, Asked: Wants to know more about the busing issue. Why didn't Paramus and Glen Rock has issues? Was it because we have a different bus company or because we started later? Due to the learning regression, how will parents go about talking to somebody to get help for their child during the summer.

Dr. Gorman responded to the questions:  
Paramus has their own buses. Ridgewood has to contract out to bus companies.  
Parents can reach out to the principals or guidance counselors during the summer for assistance.

Ms. Poelstra stated that reading assessments were done at the end of the year. A Lot of the work that the supervisors will do this summer is to look at that data from the assessments.

Eduard Skylar, requested that the BOE meetings be scheduled later than 5:00 pm. Asked if it is commonly done that 50 students of employees are allowed to attend the schools.

Alex Smith, 375 Fairmount Road, met with Mr. McCullough regarding the uneven masking policies in the district, referenced the athletics and music departments requirements. Documents Mr. McCullough provided for reference were how the schools could allow masking, not that is was required.

## **V. SUPERINTENDENT REPORT**

As a follow up to a previous Board meeting, Dr. Gorman explained that Ridgewood High School portrait sitting fee is \$25 which is similar to other school districts. He reviewed the Chattam District does not have a fee, however there are benefits that they do not receive as part of their contract. If there is a hardship for any student there is always assistance through the district.

This District was able to hold traditional end-of-year events including promotion ceremonies, prom, and graduation. Events were also live streamed for family members who were unable to attend in person. The school year ended on a positive note.

Mr. Lembo moved approval of E. Finance.

Ms. Brogan seconded the motion, which was carried by the following roll-call vote:

AYES: Ms. Brogan, Mr. Dani, Mr. Kaufman, Ms. Kwak, Mr. Lembo

NAYS: none

Mr. Dani asked for clarification regarding what items make it to the agenda versus what does not make it here.

Ms. Kwak added that she would like more rather than less and appreciates when items are added that are less than 43,000.

Dr. Gorman clarified that the pest management fee is not a set fee, they are called upon based upon our needs.

Mr. Bisig stated that all professional contracts have to be Board approved.

Mr. Lembo read the donations into record and thanked the responsible parties.

Dr. Gorman presented viii. with the change to read: Authority to appropriate Year-End Surplus.

Ms. Kwak stated that maintenance currently has \$765,000 we can put up to 5 million. Maintenance is a good account to have more money into and in the past we have put the excess into it. She requested to make changes to the bullets to move excess money to the maintenance reserve account.

The Board discussed the amounts that can be included in maintenance, capital and emergency reserves.

To view this portion of the meeting scroll to 1:07

Dr. Gorman stated that building a capital reserve is good to start to chip away as projects come up.

Mr. Bisig stated that earmarked items for reserve accounts must be county approved to draw from it. The county will ask why this wasn't in your long range plan and why it is considered an emergency. When funds are reserved in the emergency reserve accounts it is for emergencies examples. A district this size should have at least 1

million dollars. Mr. Bisig stated he believes the money should be included in Capital.

Ms. Kwak made a motion to amend resolution viii. with the following changes:

From:

- Plus not to exceed \$500,000 to be transferred to the Maintenance Reserve account;

To:

- Plus not to exceed \$500,000 to be transferred to the Capital Reserve account;

From:

- Any excess above this amount is to be transferred to the Capital Reserve account in an amount not to exceed the maximum allowable, as per N.J.A.C. 6A:23A-14.1.

To:

- Any excess above this amount is to be transferred to the Maintenance Reserve account in an amount not to exceed the maximum allowable, as per N.J.A.C. 6A:23A-14.1.

Ms. Brogan's concern is regarding the 4%. She stated when the state allows for an increase in the surplus and the state runs into a financial trouble, is it wise to build it to 4%?

Mr. Bisig stated that If you put it in capital, the State cannot touch it. The State can pull from our capital, maintenance or emergency reserve accounts.

Mr. Dani stated that the way the resolution is drafted money can be allocated anywhere. All line items are flexible.

**viii. Approval: Authority to Appropriate Year-End Surplus**

The Ridgewood Board of Education, upon the recommendation of the Superintendent of Schools, approves the following resolution:

WHEREAS, N.J.A.C 6A:23A-14.3 and 14.4 permit a Board of Education to establish and/or deposit into certain reserve accounts at year end, and

WHEREAS, the aforementioned statutes authorize procedures, under the authority of the Commissioner of Education, which permit a Board of Education to transfer anticipated excess current revenue or unexpended appropriations into reserve accounts during the month of June by Board resolution, and

WHEREAS, the Village of Ridgewood Board of Education wishes to deposit anticipated current year surplus into their Capital Reserve account and Maintenance Reserve account at year end, and

WHEREAS, the Village of Ridgewood Board of Education has determined to designate surplus for the year end June 30, 2021 as follows:

- Maintain a Fund Balance not to exceed the state mandated 4% cap of current

year expenditures plus any general fund state aids in excess of amounts budgeted in accordance with N.J.S.A. 18A:7F-7;

- Plus not to exceed \$500,000 to be transferred to the Capital Reserve account;
- Plus not to exceed \$350,000 to be transferred to Emergency Reserve account;
- Plus not to exceed \$257,000 to be designated for future year's expenditures,
- Plus not to exceed \$650,000 to appropriated in the SY 2022-2023 budget,
- Any excess above this amount is to be transferred to the Maintenance Reserve account in an amount not to exceed the maximum allowable, as per N.J.A.C. 6A:23A-14.1.

NOW, THEREFORE, BE IT RESOLVED, by the Village of Ridgewood Board of Education that it hereby authorizes the district's Business Administrator to make this transfer consistent with all applicable laws and regulations.

Ms. Kwak moved approval of viii. with the amendments.

Mr. Dani seconded the motion, which was carried by the following roll-call vote:

AYES: Mr. Dani, Mr. Kaufman, Ms. Kwak, Mr. Lembo

NAYS: Ms. Brogan,

## VII. RESOLUTIONS AND MOTIONS NOT INCLUDED IN CONSENT AGENDA

## **IX. BOARD MEMBER ANNOUNCEMENTS**

Ms. Brogan presented a Legislative Report. In February, Governor Murphy proposed a \$44.8 billion budget. Last Thursday, the legislature approved a \$46.4 billion budget and the expectation is that Governor Murphy will sign it before the deadline of July 1.

Revenues for the state budget and the increases proposed by the legislature include \$6 billion in federal aid from the American Rescue Plan, \$4 billion from emergency borrowing this year, and better than expected tax collection from the income tax, sales tax, and taxes from home sales.

The revised state budget left unchanged the direct state aid payments to school districts at \$9.3 billion, an increase of \$578 million from this year's budget. However, extraordinary aid given for special education will see an increase of \$125 million. Governor Murphy had originally proposed an increase of \$25 million, and the legislature increased this by \$100 million. The expectation is that it will cover 85% of high costs for special education students in out-of-district placements, self-contained classes in district, and specialized therapies.

The revised budget increases the pension payment by \$505 million, from \$6.4 billion to \$6.9 billion. This is the largest pension payment made in any one budget year.

For school districts that are slated for a decrease in their state aid due to enrollment decline, the state is proposing that if they voluntarily participate in a plan to regionalize they could recapture a portion of the lost aid.

The Homestead Benefit, a popular property tax relief program will see an increase in funding, and the base year tax on which the benefit is paid will be changed from 2006 to 2017. This means the average credit to seniors and disabled homeowners will increase by \$130 and low-income homeowners on average will see an increase of \$145.

Concerns about the revised budget are its reliance on non-recurring federal aid, the \$4 billion emergency borrowing, and the higher than expected tax revenues. Time will tell if the budget increases will pose problems for future state budgets.

Mr. Lembo congratulated the graduates and students were promoted. The HSAs were able to hold their final meeting of the year outdoors in person.

## **X. BOARD COMMITTEE REPORTS**

Mr. Lembo stated the Finance committee did not meet last week and will be meeting shortly.

## **XI. DISCUSSION ITEMS**

Ms. Brogan would be in favor to allow public comments to continue as a dial-in and

in-person.

Mr. Dani added the Village Council removed the phone-in option. For BOE, there are two audiences: parents with small children and seniors who have been in the district for 30-40 years but do not have the time to sit here for 4-5 hours. He does not see a benefit to taking away the phone option.

Mr. Kaufman is also in favor in keeping the phone comments.

The Board agreed to keep the phone-in comments during public comment period.

Mr. Dani stated regarding the Policy committee meeting for changes to the policy for resident/nonresident students. The attorney is reviewing the changes and will get back to the Board.

Mr. Kaufman stated for the record: This year there were a lot of parents who were unhappy since sports were brought to different fields. The FYI to the Board identified that the vendor for the BF track will be delaying the project. Mr. Kaufman reviewed the timeline: two bids came in from 2 vendors, our athletic director and administration chose the lower bid. This vendor was able to start the project immediately after school ended and the project would have been completed in the next week or two without any delays. We went with the second vendor, who after the agenda came out at 3:00 pm, an email came out at 3:17 pm with some adjustments that he finds interesting in the timeline. The second vendor who was awarded the bid was higher, with a vote of 3-2, cannot complete the project until August and there is a chance for additional delays. This affects the community school, high school track and any related sporting events.

He requested this statement to be put in the record, because if in August if this is not complete and it pushes further, we will have to delve into this further why we did not go with a vendor who would complete the project in the timeline and was supported by our Athletic Director.

Mr. Dani questioned how you would know if the other vendor can complete it in a week or two.

Mr. Bisig stated when the district made the decision to hire Field Turf to do the project, we had conversations with Field Turf once they were selected by the district to be the winner of the proposal, they said they can accommodate our request to come in and start as soon as school starts.

A conversation continued regarding the timeline and the vendor submissions ensued.

To view this portion of the meeting scroll to 1:50.

Mr. Kaufman followed up regarding the public comment on Arts/Music and Sports during the 20-21 school year. Believes we should put just as much attention to the Arts as we do in sports.

Dr. Gorman stated that the NJSIAA that governs sports gave different parameters and that is why we had the difference.

**XII. ACCEPTANCE OF MINUTES**

- June 14, 2021 Executive Session Meeting

Dr. Gorman removed the June 14 minutes from consideration so that changes can be made per Board member requests.

**XIII. OTHER BUSINESS**

The Board already approved the 2% increase for the lease rate updates at the previous meeting, for auditing purposes we need to make it a public document to include the approved rates.

The below resolution was included to make the attachment a public document.

**A. Listing of Lease Rates of Unused Classrooms for the 2021-2022 School Year**

The Ridgewood Board of Education, upon the recommendation of the Superintendent of Schools, approved the lease of unused classrooms for the 2021-2022 school year as listed on **Attachment G** at the June 14, 2021 Regular Public Meeting.

**XIV. COMMENTS FROM THE PUBLIC**

Anne Loving, 342 South Irving Street, expressed gratitude to the board for continuing to allow comments from home.

Laurie Weber, 235 South Irving Street, referenced the Field Turf conversation, Board members are not clairvoyant if information comes in after a decision is made, attempting to hold board members responsible is petty and self serving. If the Board is part of the decision making process, they need to know everything. In favor of the continuation of the remote comments.

Boyd Loving, 342 South Irving Street, the field turf was an unfortunate discussion, as a taxpayer he votes for members of the BOE and does not vote for the AD. It is his expectation that decision are made by the Board members and not experts who are employed by the district.

**XV. ADJOURNMENT**

At 7:21 p.m., on a motion made by Mr. Lembo, seconded by Ms. Kwak and unanimously approved, the meeting adjourned.

Respectfully submitted,

*Scott T. Bisig, M.Ed.*

Scott Bisig  
Board Secretary
