

**MINUTES OF THE  
SPECIAL MEETING  
OF THE  
BOARD OF EDUCATION**

**Ridgewood Public Schools**

**Bergen County, New Jersey  
July 10, 2020**

Minutes of the Special Public Meeting of the Board of Education held on July 10, 2020, at 9:00 a.m., utilizing videoconferencing.

**I. CALL TO ORDER AND ROLL CALL**

**Mr. Lembo**

At 9:01 a.m. Mr. Lembo called the special public meeting to order and asked for a roll call.

Mr. Lembo announced that pursuant to the requirements of the Open Public Meetings Act, advance notice of this meeting had been given to The Ridgewood News, The Record, and the Clerk of the Village of Ridgewood. In addition, notices were posted in the office of the Board Secretary and in all school buildings.

**Present:**

Mr. Michael Lembo, President; Ms. Hyunju Kwak, Vice President; Ms. Sheila Brogan; Mr. Cristopher Kaufman; Mr. Saurabh Dani

**Also Present:**

Dr. Daniel Fishbein, Superintendent; Ms. Stacie Poelstra, Assistant Superintendent for Curriculum, Instruction & Assessment; Ms. Antoinette Kelly, Business Administrator/Board Secretary, Ms. Ojetta Townes, Manager of Human Resources, Zoe Kovac, Student Representative

**Visitors:**

Not applicable

**II. FLAG SALUTE AND PLEDGE OF ALLEGIANCE**

**Mr. Lembo**

Mr. Lembo led those present in the Pledge of Allegiance.

**III. COMMENTS FROM THE PUBLIC**

**Mr. Lembo**

The following callers addressed the board:

Laurie Weber, 235 South Irving St., regarding the infant toddler development center with the covid 19 changes and maximum capacity has been reduced by 35-50 %, enrollment is currently down to 13% across the state and sanitizing and equipment have risen, staff demands, businesses are running at a loss. Is this the year to run the daycare center, we must preserve our funds for the K-12 program. She

is concerned about the RPS committing to the daycare business and has the following questions:

How many users does the ITDC typically have and what percentage of their maximum capacity does that represent? What capacity level must the daycare reach to break even? What percentage of our normal capacity is left after compliance with the new social distancing restrictions? How many of our customers have committed to being ready to come back and what percentage of our capacity does that represent? What will the new cleaning and sanitizing requirements, additional supplies needed, PPE and sanitizing equipment do to our overhead? She doesn't know how the board can commit to a tuition rate and should not open this year. Can our school administration guarantee that under the current conditions, our ITDC will be self-sustaining?

The following comments were submitted online:

David Yoo, 300 Brookmere Court, Is it now okay for village residents to use BOE Ridgewood Public Schools athletic fields for exercise, walking, running, etc. I am specifically referring to the BFMS track which I already see people using.

Dr. Fishbein addressed the comments and explained that we will look into the questions that Ms. Weber raised and provide answers at the July 27 meeting. The current agenda items are simply setting the rates for tuition.

Dr. Fishbein will be meeting the facilities people and plans to open the school fields. In reference to the BF field specifically, we have done a lot of work on the grass and the plan was that the field encompassing the track would be closed for the summer. It is unfortunate that there are people who are cutting the locks on our gates and jumping our fences to get onto the field.

The athletic groups are aware that the BF field would be closed during the summer. The only other areas that will be closed are Orchard and Stevens.

**V. CONSENT ITEMS**

**Dr. Fishbein**

Dr. Fishbein presented for consideration A. Finance.

Mr. Dani requested to remove items i. and ii. from the Consent Items.

**A. FINANCE**

**Dr. Fishbein**

**iii. Approval: Bid Award Replacement of Ridgewood High School Gymnasium #3 Floor**

**Dr. Fishbein**

The Ridgewood Board of Education, upon the recommendation of the Superintendent, approves the bid award for Replacement of Gym #3 Floor at Ridgewood High School to Mathusek, Inc. of Oakland, NJ, the lowest responsible bidder, in the total amount of \$96,997.00. Below is a summary of all received bids.

Bids have been reviewed by the Board attorney and LAN Associates.

<b>Company</b>	<b>Base Contract Amount</b>
<b><i>Mathusek, Inc.</i></b>	<b><i>\$96,997.00</i></b>
Commercial Interiors Direct	\$107,489.00
Abacus Sports Installation	\$109,900.00

Mr. Lembo moved Approval A. Finance with the exception of items i. And ii.

Mr. Dani seconded the motion, which carried by the following roll call vote:

AYES: Ms. Brogan, Mr. Kaufman, Ms. Kwak, Mr. Lembo

NAYES: none

ABSTAIN: Mr. Dani

**i. Approval: Lease of Unused Classrooms for the 2020-2021 School Year**

**Dr. Fishbein**

The Ridgewood Board of Education, upon the recommendation of the Superintendent of Schools, approves the lease of unused classrooms for the 2020-2021 school year as listed on **Attachment A**.

**ii. Approval: 2020-2021 Infant/Toddler Development Center (I/TDC) Tuition Rates**

**Dr. Fishbein**

The Ridgewood Board of Education, upon the

recommendation of the Superintendent of Schools, approves the 2020-2021 I/TDC tuition rates, as listed on **Attachment B**.

Ms. Brogan moved approval of i. Lease of Unused Classrooms for the 2020-2021 School Year and ii. 2020-2021 Infant/Toddler Development Center tuition rates.

Mr. Kaufman seconded the motion.

Mr. Dani began the conversation about the two agenda items. He does not want to run the ITDC business if it is taking money away from the K-12 program. He mentioned that he understood the need to inform the ITDC parents about reopening plans, but he doesn't understand why we need to provide that information to ITDC parents before finalizing and informing about plans to our RED and REACH program's who share the building with ITDC. He asked if we know that we have enough space and resources at the Glen School to run both programs due to social distancing. Do we know that any covid19 related regulations won't take money away from K-12 programs?

Dr. Fishbein replied to the comments and stated that it has been widely reported on the news that schools will be open in the fall unless there is an increase in infection rates that would require us to go to remote learning.

As far as prioritizing, Ridgewood parents do receive prioritization. However, if a section is full and a Ridgewood family comes to us for that section we put them on a waiting list and would not kick someone out of the program who has already registered. If 2 parents come to register at the same time, the priority is to the Ridgewood parents. The vast majority of people in the program are Ridgewood residents, the second largest group are Ridgewood employees, and approximately 7-8 students do not have any affiliation to Ridgewood.

We will have additional information including answers to the questions asked at the July 27th meeting. These agenda items are just to establish the rates.

We have enough space in our RED/REACH program as of now, we will have additional information for the ITDC program on the 27th.

For 33 years, we have charged ourselves rent for the ITDC at a reasonable cost since it is our program. As far as cleaning and disinfecting, we purchase that equipment prior to being sent out of school for remote learning, since we were anticipating something like this happening. While there may be

increased custodial time for the Glen school itself, it will be incremental since it takes up the least amount of space in the Glen school.

Our goal is and has always been that the program does not cost the district money.

Ms. Kelly reviewed the financials. She stated that we started the year with a surplus of \$88,249.000 from the year before, and is part of the offset. In May, the original shortfall was estimated at \$358,000.

Ms. Kelly had projected an unexpended budget of \$59,000, the net that we would be in a deficit was \$446,000, the surplus was applied and the net was \$358,000 at that time. Now we are at \$304,000 since we did not spend all of our money on salaries since most staff are hourly, and we only paid the base salary during the time that schools were closed.

In response to Mr. Dani's question, Ms. Kelly reviewed that we would not charge the infant toddler the full amount of their health expenses to absorb the cost and not have a deficit, since we would be written up if there is a deficit.

Our goal is to run the program at a break even point, but we can have an ongoing profit. We can reinvest the surplus into items such as for the improvement of the facility that the ITDC uses. This has been done in the past.

Mr. Lembo explained that we are looking to approve the tuition rates now, and then we will review the actual program.

Dr. Fishbein was asked to provide answers to the questions posed by the caller and several board members.

Dr. Fishbein reiterated that he plans on providing this information on July 27th. As of now, we have a commitment from 57 students, 10 are saying maybe and 10 people who have made inquiries and put their name on the list. We begin to sign people up in January, since the majority of the registrations are repeat families.

We are slated to open in some form in September with the current public health numbers, if things change, we may have to pivot to remote learning at the last minute. That is the situation for all of our programs, we can never say that we can 100% guarantee that this will work out at break even or with a surplus. These are extenuating circumstances and hopefully we will never see them again. We have made a 33 year commitment to this program with people for no fault of theirs or

ours that believe this program will work.

Ms. Kwak feels that there are other businesses who can provide this service and we should outreach and not take the business risk.

Dr. Fishbein reiterated that the program has been part of our core business for 33 years. Normally Dr. Fishbein and Ms. Kelly spend very little time on this topic, it runs on it's own. Also, we follow the same handbook as regular day care centers, Chapter 52 from the Department of Child and Family services that we've used since the regulations were put in place. If we do not approve rates, we will need to tell parents that they can budget and find another child care provider if necessary.

The board discussed the possibility of changing the rate if additional costs arise due to additional safety requirements that may arise.

Ms. Kwak requested to table these items. If we open the school and because of distancing requirements we can't satisfy the students, she wonders who would take priority; the contract or the district.

Ms. Brogan, stated by voting today and setting the rate, it sends the message that we are moving forward and allows parents to budget their costs, as they prepare to go back to work. There is no guarantee for anything at this time and the deficit was created because of the new law that was passed. When we closed in March, we did not anticipate that we would be closed through the end of the year. We should give our staff the marching orders to set the groundwork to move forward. She feels that she has enough information to set the rates and move forward with making decisions after the July 27 meeting.

In response to Mr. Dani's concern regarding setting the rates when we don't know if we will open, Mr. Kaufman stated that the approval is saying that if we are able to open and not have restrictions, these are the rates they can budget. It does not guarantee that we will be open.

Ms. Poelstra also added that if parents don't have the rates they cannot decide if they want to come back or not because they may not be able to afford it.

Discussion continued regarding the ITDC program, the impact of not approving the rates and the voting process on agenda

items.

The motion to approve items ii. and iii. was carried by the following roll call vote.

AYES: Ms. Brogan, Mr. Kaufman, Mr. Lembo

NAYES: Mr. Dani, Ms. Kwak

**VI. APPROVAL OF BILLS**

**Mr. Lembo**

The Ridgewood Board of Education, upon the recommendation of the Superintendent of Schools, approves the payment of bills as listed below.

DATES	DESCRIPTION	CHECK NUMBER	AMOUNTS	REVIEWED BY
July 7	Columbia Bank On-Line	098358-098409	802,720.32	M. Lembo
July 3	Electronic Transfer	R31140	109.38	M. Lembo
July 3	Columbia Bank Void Check	096994	(2,125)	M. Lembo
July 3	Columbia Bank Void Check	097945	(299.00)	M. Lembo
<b>TOTAL</b>			<b>800,405.70</b>	

Mr. Lembo moved approval of all bills reviewed by him.  
 Ms. Kwak seconded the motion, which carried by the following roll-call vote:

AYES: Ms. Brogan, Mr. Dani, Mr. Kaufman, Ms. Kwak, Mr. Lembo

NAYES: none

**VII. BOARD MEMBER ANNOUNCEMENTS**

**Mr. Lembo**

Ms. Brogan thanked the High School Administration, faculty, custodial staff and everyone involved in the graduation. It was beautifully done and well orchestrated and thoughtful. It was wonderful seeing the students as a class and how supportive they

were of each other. Congratulations on a really difficult planning process.

Dr. Fishbien thanked the parents and community for being respectful and viewing the ceremony from the live stream. He also thanked the High School administration for their efforts.

Mr. Lembo also reiterated that the graduation went very well and was a great experience.

**VIII. BOARD COMMITTEE REPORTS**

**Mr. Lembo**

None at this time.

**IX. COMMENTS FROM THE PUBLIC**

**Mr. Lembo**

The following callers addressed the board:

Laurie Weber, 235 South Irving St. commented on the board's discussion about the ITDC. She disagrees with some statements. She added that the annual audits show in 2016 \$80,739.00 went from general fund to the ITDC program fund, 2017 \$124,963.00 2018 \$20,859 from the capital projects fund to the ITDC. Nowhere was that money returned to those funds. In the 2019 audit, it stopped detailing which enterprise funds money was transferred from.

In the event that we have to pivot to remote learning we have to consider that the building will close and we will have to commit to the staff costs. We will suffer the same loss and the families will be out of luck if we are ordered to close. She doesn't understand why there is a rush to do this when there is so much unknown. It is a disservice to the users of the program and the students that go to our schools and the families whose tax dollars support the district.

**X. DISCUSSION ITEMS**

**Mr. Lembo**

Ms. Kwak thinks that a committee is warranted and should be developed to look at the ITDC program.

Ms. Kelly stated with all due respect to the caller, she is not reading the financials properly and the data she is commenting on is not fully accurate.

Ms. Kelly stated that she has provided the board with full financial details.

Mr. Dani said that oversight and board policy are the board's job. There is a caller who is concerned and has questions and has not received answers.

Dr. Fishbein reiterated that he has explained that all of the questions will be answered at the July 27th meeting.

Mr. Lembo created a committee to answer questions prior to the next meeting. All questions from the Board should be sent to the committee members and they can work on gathering the answers. The committee members will include Ms. Brogan and Mr. Dani.

**XI. OTHER BUSINESS**

None at this time.

**Mr. Lembo**

**XII. ADJOURNMENT**

AT 10:03 a.m., on a motion made by Mr. Lembo, seconded by Ms. Kwak and unanimously approved, the meeting adjourned.

**Mr. Lembo**

Respectfully submitted,

Antoinette Kelly  
Board Secretary

Lucy Papamichael  
Assistant Board Secretary

**MINUTES OF THE  
SPECIAL MEETING  
OF THE  
BOARD OF EDUCATION**

**Ridgewood Public Schools**

**Bergen County, New Jersey  
July 23, 2020**

Minutes of the Special Public Meeting of the Board of Education held on July 23, 2020, at 5:00 p.m., utilizing videoconferencing.

**I. CALL TO ORDER AND ROLL CALL**

At 5:03 p.m. Mr. Lembo called the special public meeting to order and asked for a roll call.

Mr. Lembo announced that pursuant to the requirements of the Open Public Meetings Act, advance notice of this meeting had been given to The Ridgewood News, The Record, and the Clerk of the Village of Ridgewood. In addition, notices were posted in the office of the Board Secretary and in all school buildings.

**Present:**

Mr. Michael Lembo, President; Ms. Hyunju Kwak, Vice President; Ms. Sheila Brogan; Mr. Christopher Kaufman; Mr. Saurabh Dani

**Also Present:**

Dr. Daniel Fishbein, Superintendent; Ms. Stacie Poelstra, Assistant Superintendent for Curriculum, Instruction & Assessment; Ms. Antoinette Kelly, Business Administrator/Board Secretary, Ms. Ojetta Townes, Manager of Human Resources, Zoe Kovac, Student Representative

**Visitors:**

Not applicable

**II. FLAG SALUTE AND PLEDGE OF ALLEGIANCE**

Mr. Lembo led those present in the Pledge of Allegiance.

**III. OPENING STATEMENT BY PRESIDING OFFICER**

Mr. Lembo stated that we will go through the presentation first and then take the many online questions and the callers who are waiting on hold. Some of the questions may be answered during the presentation.

**IV. PRESENTATIONS**

**A. Proposed Return to School Plan**

Dr. Fishbein began by explaining that this is an administrative task that we know will not make everyone happy, the primary concern when developing the reopening plan was the health and safety of our students and staff. Since districts are getting

information from the Governor's office and the Department of Education daily, everything is subject to change, and we need to be prepared to pivot at any time. The presentation, along with a link to a survey, will be embedded in a letter to parents which is being emailed on Tuesday, July 28.

Transition to September was presented by Ms. Poelstra, who began by thanking the many stakeholders for their input and contributions to the development of the plan.

At the start of the presentation, Ms. Poelstra shared data about the severity of the pandemic in New Jersey and how the actions we have taken have helped to mitigate the spread of the virus. She then reviewed the timeline from the mandatory emergency school closing on March 13 through July 31 when the district reopening plan is due to the County for review and approval. In May and June, administrative subcommittees were created to begin to think about what the district would need to do to transition back to school. The New Jersey Department of Education released The Road Back: Restart and Recovery Plan for Education on June 26. Since that time, the district started to develop its plans based on the guidance.

This process involved administering staff and parent surveys, holding subcommittee meetings, attending NJDOE/Legal One webinars, collaborating with neighboring districts, and organizing comprehensive professional development for teachers over the summer. Last Friday, Governor Murphy announced that families will be allowed to choose an all-remote option, which is another challenge facing school districts. A few days ago, the deadline for the submission of the reopening plan was changed from July 27 to July 31. We still do not have a checklist or template from the NJDOE about what needs to be included in the plan, yet districts are required to share our schedules with all stakeholders four weeks before the opening of school. This timeline reflects the rapidly changing situation, and we must be flexible and adaptable. Our goal is to have an education plan in place that allows our students to continue to learn while meeting the required health and safety standards.

The Road Back focuses on four areas: conditions for learning, leadership and planning, policy and funding, and continuity of learning. Within those four areas, there are ten critical areas of operations that districts must examine and take into consideration as the reopening plans are developed. While there are some recommendations and descriptors in the guidance, the bulk of the decision making is placed on the districts. Based on the ten critical areas of operations defined in The Road Back, the specific roles and responsibilities of the district subcommittees were determined, and school committees will be working on building specific logistics and operations through August.

Ms. Poelstra reviewed the anticipated minimum standards from the State of New Jersey that we must abide by as outlined in The Road Back. She pointed out that we are required to social distance within the classroom to the maximum extent practicable, which means that our classrooms will look very different. Students and staff will be screened every single day prior to coming into the building using new software to gather daily health symptoms data. Additionally, entrance into the buildings will be spaced out, and temperature screenings will be required. Every classroom will

have a hand-sanitizing station, and many other protocols are being put into place to help us be as successful as possible in phase 1 of our tiered model.

Ms. Poelstra introduced the phased approach to bringing kids back to school. Phase 1, which is planned for September 1 through October 16, would include 50% reduced capacity, an A/B rotating schedule, and half-session school days to avoid lunch. She explained that the district feels very strongly that our success in phase 1 will give us the best chance to have students continue to attend school in-person. Assuming we are successful in phase 1, then the district would determine how to move into phase 2 and eventually phase 3.

Over 6,000 responses were received from the most recent parent survey, and that data indicated that 83.6% of families were comfortable sending their children back to school in September. A slightly higher percentage of families indicated that they preferred the alternating A/B schedule model versus the rotating morning/afternoon model. Regarding transportation, survey results showed that half of the parents will have their child continue to ride the bus.

Ms. Poelstra presented the hybrid model for the district which is an alternating A/B schedule (A Day: A-K and B Day: L-Z). This model allows family units to be kept together with children in a family attending school on the same days. However, there are some exceptions that may work outside of the A/B rotation. The Elementary Hybrid schedule presented has instruction from 8:45 a.m. - 12:45 p.m. Ms. Poelstra explained what the in-person and remote learning days would look like. Students will engage in in-person learning in all academic areas, and remote academic work will be an extension of live instruction. On the remote learning days, students will have live virtual sessions with specials teachers, as well as a virtual check-in with the classroom teacher. Ms. Poelstra emphasized the following health and safety measures that were taken into consideration when developing the models: no lunch, no recess, limited movement throughout the building, a four-hour threshold for masks, and ample time to implement cleaning protocols. She then shared the remote schedule should we have to move to an entirely virtual model, pointing out that based on parent feedback this schedule has a significant increase in live instruction on a daily basis.

Next, the middle school hybrid plan was introduced. The middle school hybrid schedule would have in-person instruction for half of the students on the A/B rotation, while the other half has remote instruction. All students would have virtual instruction in the afternoon, making it a full-day from 8:00 a.m. - 3:00 p.m. with office hours until 3:15 p.m. It is important to note that for virtual instruction in the afternoons, students will be required to attend at the assigned class time and have their cameras on during instruction. Also, attendance will be taken in class. The remote schedule follows the four-day rotation with three periods in the morning and three periods in the afternoon followed by office hours. Again, teachers will do virtual live instruction using Google Meet or Zoom for all scheduled classes for at least part of the period with a check-in at the end.

The high school hybrid plan is a full-day of instruction with all periods meeting every day. Similar to the middle school schedule, all morning classes will follow the A/B

rotation and all afternoon classes will be virtual. Similarly, it is important to note that for virtual instruction in the afternoons, students will be required to attend at the assigned class time and have their cameras on during instruction. Also, attendance will be taken in class. The remote plan follows the four-day rotation with three periods in the morning and three periods in the afternoon. All teachers will hold live sessions via Google Meet or Zoom for at least part of the period with a check-in at the end, and attendance will be taken in real-time for all class periods.

Ms. Poelstra highlighted some other ways that we have been preparing for reopening in September. Over 300 teachers participated in summer professional development focused on remote instruction enhancement and collaborative unit revision. Additionally, Lauren DePinto, Coordinator of School-Based Mental Health Services, ran two sessions for Counselors, Child Study Team members, and Specialists on Trauma-Informed Care and Building Relationships in Virtual Settings. Ms. Poelstra applauded our teachers who took advantage of this opportunity so they feel ready to welcome our students back in September. The district also purchased a variety of instructional tools that support a blended learning environment including RazPlus, Kami, Screencastify, and EdPuzzle.

Students enrolled in self-contained Special Education programs will be attending school in-person every day for a half-day. AlphaBest will also run before and aftercare programs, and students may attend these programs on the day they attend school in-person

On Tuesday, July 28 a letter will be emailed to parents with a video link of this presentation, a parent FAQ, hybrid and remote schedules, and a survey. Results from the parent survey and our staff survey will be analyzed to determine how to meet the needs of both our students and staff.

As the governor shared in mid-July, parents will have the option to select a remote model of instruction that districts will be required to implement. The details of that model are incumbent upon the number of families who select the remote option, along with the number of staff who are unable to return to school for the hybrid model. We will need to build the specifics of this model based on survey results, and we will do our best to create that model as quickly as we can once we have the data that we need. While we will aim to build a model that is closest to the full district remote model, the extent to which we will be able to exactly mirror that model is uncertain until we know the number of students, number of teachers, certification requirements, and other pertinent details that will come through in the survey results.

Upon the conclusion of Ms. Poelstra's presentation, Dr. Fishbein reiterated that there is a lot of work that has been done and there is still work that needs to be done. We have a strong skeleton set up and will work on adding meat to the bones of the plan and will have it ready before the start of school.

## **V. COMMENTS FROM THE PUBLIC**

The following callers addressed the board:

Terry Kim, no address provided, Thanked everyone for the work that has gone into this plan. He asked what the 4 hour threshold is for masks? Are all students required to wear masks for the full 4 hours?

Mr. Lembo stated that the board is hearing comments and questions will not be answered at this time. All questions can be asked and will be answered in the FAQ.

Kevin McCullough, no address provided, Willard district parent, thanked everyone for the preparation that went into this meeting. He has kids in 3 different schools and across 2 different districts that did not do well with remote learning in the spring. It is great to hear the plan. Thanked everyone for the detailed presentation. Stated as science is coming through, it seems that children are more resilient to this virus. He is glad the school district is moving forward, there is a lot students will miss if we don't move forward.

Michelle Polarito, no address, parent of children at 3 different schools. Asked, how will you plan to manage families who have students who are at multiple schools to ensure that exposure is kept to a minimum. Schedules between elementary, middle and HS are very different. Is there consideration to keeping days to a consistent schedule to meet the needs of working parents?

Ms. Kwak asked when are the survey's due back since the plan is due on July 31st?  
Dr. Fishbein replied, that the plan including free and reduced lunch, etc is different than the schedule.

Kristine Corbitt, Heights Road, her main goal is to maximize time in school, while keeping her daughter healthy. Will there be procedures if people are not well, would those people have to switch to virtual? If there is exposure to covid, will there be tracing required? She would like to volunteer as a parent to do the tracking and tracing of the virus?

Dr. Fishbein replied that the Village Department of Health will be doing the contact tracing and we will have a policy in place for testing.

No name provided, no address provided, Caller has 3 children at the Willard school, and thanked everyone for preparing the presentation. He also appreciates giving the public the chance to make these comments. He feels that when the board and the public are saying that children are exposed and at risk, it doesn't take into consideration that children are not and that influenza has a higher mortality rate. With that data, children would never go back to school. It is better to say that we are protecting the health of the elderly, teachers, or people who are compromised. If children are not attending school, probably most children will be in some kind of daycare since the parents will be working so they will be exposed, so this plan will not make any sense since they will be in a daycare for the majority of the children. Asked, are the buses going to be running?

Dr. Fishbein replied yes the buses will be running.

Bridgette Donahue, no address provided, She has 2 kids in the High School, she feels that she is the odd man out because She doesn't feel that the virus has gone away and does feel it is safe for the kids to be back in school. She is in favor of online learning and is

wondering if it is a choice that parents can make. Her kids want to be back in school, but she does not want to keep circulating the virus. She believes this is the reason why New Jersey is doing so well and is concerned about jumping into something that we're not ready for.

Dr. Fishbein answered that we will have the option to stay remote.

Alexandra Herwin, Wall Street, appreciates that figuring out distance learning is extremely complicated, she knows that there aren't perfect options. She is concerned about employing an alternating day model, younger kids appear to have a lower risk for the virus and appear to pose less risk. Our youngest learners are the ones who need in person instruction the most, she stated that it seems that prioritizing instruction for in person learning for younger kids is a win- win and the alternating schedule will be very difficult for the younger kids. She expressed her skepticism for the survey results, since some people may not have understood the survey and that half days were part of the alternating schedule. Is there a way to take advantage of outdoor space or gyms for younger learners? Shorter days may have increased risks if kids are going to other facilities interacting with other kids outside of their classroom. Asked that the board share more detail regarding the adjustments to the curriculum. Independent learning should be a key skill that should be emphasized. She asked that more communication between teachers, students and parents happens in the fall. The vision is one of phases, but from everything we've heard the expectations will be that as we move through the fall conditions will be worse as the weather gets colder. The beginning of the year may be the best time we have to maximize in person learning for younger kids.

Mathew Mister, Hyland Ave, thanked everyone for their effort and understands that everyone cannot be made happy. Most of the points he wanted to discuss have already been hit, but wanted to add his vote to them. Has a Kindergarten child and logistically as a parent and as a routine, they are vastly different in terms of effectiveness for the alternating schedule and everyday.

Tatiana Constantinople, Ridge District, expanding outdoor learning and using the gym/cafeteria and accessing those for greater periods of time. We are fortunate to have a lot of outdoor space for our schools and hopes that our educators can include it in this year's curriculum. Believes that it can make a difference for the students, it can be fun and an opportunity to try something new. The administration has been quick to respond to the challenging circumstances and this is another opportunity to do that.

Tina Alloco, Hawes district, will Alphabest be available during the child's virtual day? Or only on the days where the child is present in school. If they are not available during the virtual days will the school provide other options to ensure that care can be provided for them.

Dr. Fishbein advised that Alphabest will be available for students that are in school only. He added that we are researching if there is something that can be done for the younger kids with an outside group for the days that they are remote. This is very preliminary at this time.

Alison Fago, no address, Orchard parent, thanked the administration for taking to heart parent feedback. Based on the presentation she was happy to see if she does the full remote option, there will be more face to face live instruction. Her son would have done better with face to face instruction. She is leaning on doing full time remote learning. Her son is in the I&RS program and would like to know what would be offered to those children? Will he be able to get the help on both ends, basic skills or extra help club?

Laura Mckenna, 861 Bingham Road, has a special education concern and is hoping that there could be a special meeting just for special ed parents in the future because their issues are specific to their kids. The spring was disastrous for her son, Ridgewood sends him to another public school outside of the district, since he has high functioning autism and benefits from a smaller school. The school he was sent to was not able to provide live instruction. Her son has not had any contact with other kids since March. He needs compensatory education and she wants to know what can be done. Can there be a full day for special ed kids, since they need school every single day. Kids on the spectrum have major social skills deficits and need remedial help. Their only contact with peers is in the classroom. She wants a special ed only presentation.

Mary Tilla, teacher and parent in Ridgewood, thanked the administration, teachers and board members who are trying to get us back to school. The survey was very basic and limited and there could have been some more feedback asked of parents. It was not clear and has talked to many people who are confused about the options. The k-2 students were the most impacted with online learning, they were impacted academically, emotionally and socially. We should model some colleges and get as much learning in the beginning of school to establish relationships and build community especially K-2, and working with special ed teachers. Even if we ask our phys ed teachers to do a read aloud, be creative to support the students. How are students being tracked to see how they are doing and how far they have fallen? There were no grades and the comments were very vague.

Working parents will need daycare, my two kids will have to go to a daycare every other day. We need to look at elementary with a different lens than we are looking at MS and HS. How are students who need O/T, counseling, speech getting those services during this time?

David Barger, no address, Somerville parent, thanked everyone and a good job on the presentation. Asked for a clarification, the presentation indicated a start time of 8:20 and a departure of 12:45, Currently his son went to school from 8:35 and had to be in his seat by 8:40. Is the 8:20 when the bell actually starts or does it start the 4 hours of instruction?

Clarification what the difference is if we leave at 12:45 versus 3:00, what the difference in cleaning would be in the 2 hours. He understands that 4 hours will be a long time to go without food, will there be a continuation for a break to allow for a snack even if it is eaten in the classroom.

Nat Hearn, Beechwood Road, thanked everyone for their hard work. The district has been put in an impossible situation and even with the review of guidance from the state, that was lackluster and shocked that they left so much of the detail to local school districts. His wife and he both work and this has been a mess and not fun, can relate to all the comments from other parents. clearly it is better for kids to be in school, if all things are equal. Science will tell us that 9- 19 year olds have an infection rate of 10 percent, therefore if we

look at the number of kids in the district 4-500 kids will be sick and some will be in the ICU. Are we the community prepared to fill the ICU beds? This is tough and people have to work but as a community we need to take a leadership role to stop the spread and returning to school will be a mistake. He is surprised that he has not heard more voices about the kids that will inevitably get sick.

Denise Tolada, no address provided, parent of 2 children at Orchard School. She is a professional educator for the past 16 years. As a parent and educator she wants to express the challenge that this is. She knows how difficult it is to come up with this plan. Since she will be required to be in the school starting in September she does not have the means to put her children in private school or hire someone to take care of them while she is at work. She agrees that the younger grades need more in person instruction. She Asks the board to consider the younger students to have the opportunity for more in person instruction since it is the most valuable way to learn. She doesn't want her children sitting in front of the screen for all those hours, in addition to the social emotional support being in school provides for the younger children.

Trango Salgia, Nagle Street, Daughter attends 1st Grade in Travell, he appreciates everyone's hard work and understands other parents' sentiments who are eager to send students back to school, the kids learn better at school. The point he wants to make is that more than 100 cases are now being reported in Bergen County. Kids are resilient and not a lot of children cases, but they can be carriers. Even though there are rules in place, kids are more focus on having fun when they see their friends. There have been a lot of efforts put in by everyone in NJ and there is great progress. A lot of lives have been lost, look at the first responders who are putting their lives on the line. Remote learning is not the best way, but we are putting in a lot of efforts and the fall will bring the flu season and he hopes that it does not bite us back.

Patrick Demilder, Crest road, student, wants to go back to school and see friends, and go to clubs. Would want to go to a school that is safe with people wearing masks, and testing capabilities that exceed the amount of cases that are treated. If testing takes 5 days to come back, how do we know if those people are affecting himself and peers. He lives in a multigenerational home and he takes the risk to bring back the virus to people who are more vulnerable. He understands that remote learning is not as effective, but if part of the students choose remote and the others choose partially remote, the students choosing remote will be at a disadvantage since they are trying to keep themselves and their family safe. He wants the board to take this into consideration.

Max, no address, he thinks last year we were caught unaware and the remote learning was not what we are used to in the Ridgewood School system. Daughter in 1st grade had only 3-4 google meet sessions that were more social, there was no homework or anything that required feedback to see where she needed help in her learning. Moving forward, there should be more in person, ideally in school. If remote learning, there should be more google meets so they get more education. He was confused with the AB schedule, he did not realize it was half a day. He wants to mention that most corporations in NY are at a 7 day schedule, one week in the office one week from home. This would help if school systems can get on the same page so everyone can do the same thing and limit the amount of kids going to daycare. He thinks that we should prepare for the fact that we will

open in September and at some point we will have to close again. He said to expect a reclosing followed by a reopening. If we look at cdc guidelines and other countries who were successful in opening schools, there should be a trigger identified as to when to close. Once a trigger is picked, the district should share with parents so we can keep track of it and parents can decide if we want to take kids out early or prepare.

Jason Weinder, a child in the Willard district entering Kindergarten, thanked everyone for their hard work. Shared with the sentiment of other parents that each age group has different developmental characteristics, any facilities that are available including gym and outdoor should be considered. He also noted the psychological effect and policies as far as social distancing and wearing of masks in the classroom, what are the psychological effects on the different age groups. Asked that the board take in mind existing daycares that have been open and operating effectively during the last couple of weeks and how they have been successful in mitigating the virus with younger kids and not sacrificing education and socialization.

Kevin, lives in the Willard district, two kids in Willard and a third in Ridge. Wants to go back to a caller about 8 callers ago, he stated the infection rate and the fatality rate. That is false, the cdc has not recorded the death of a single child. There has been one death of a child under the age of 18 and that was not due to covid. This is important since when we were told that children were secret carriers of the virus and killing people that they came into contact with, Dr. Fauci has reported recently that it is the opposite it is almost impossible for children to transmit the disease to each other and other people. If anyone has a problem with sending their children, there is an option for the remote. If you don't like it, lump it, stay home and do the work that you feel is the best for your children. Do not take away the option for children who need the services and the daily interaction with teachers to learn best. It will not be helpful and will not create a better community in Ridgewood.

Erin Toddy, Bogert Ave, thanked everyone, her youngest child is entering senior year. She is concerned about RHS if it is remote, how they will navigate the college application process. When her older son went through the process, there were meetings with guidance counselors and she wanted to make sure that it will be done now since they will be applying for college in the autumn months.

Dr. Fishbein advised that counselors will be involved with students in the college process.

No name provided, She has an emerging 2nd grader, Kindergarten coming from the Glen school and a child in ITDC, wanted to address the psychological aspect that a previous caller mentioned. Kids are in camps and are adapting to social distancing requirements, they don't have an issue with it. They are able to stay distant from their peers and she does not have issues with any psychological trauma as a result of these policies.

Having a full day would minimize the cleaning and can help parents coordinate full days versus half days instead of morning and afternoon. Leveraging outdoor space would be fantastic unless we have advanced HVAC systems, since they circulate air.

Remote learning will need to have more face to face and learning sessions instead of just a social aspect. The transitional program in Glen did the best job of remote learning, where they actually taught during the sessions and did one on one teaching and gave the

students the opportunity to present.

Michelle Pinky, Fairmont Road, noticed with elementary students there is a half day and nothing virtual in the afternoon, the elementary age students are the most affected since they learn so much at this age. Virtual is not the most effective way for young learners and thought that elementary would get more time, or equal.

Healthier Holder, Ridge, has 3 children at the school, wanted to echo other parents. Many students are participating in sports, both public and private are in full force and practicing on fields. Kids are out there and having a great time, people are swimming in private and public pools, people are going to grocery stores and having small gatherings. She is seeing Ridgewood teachers at a lot of these public places. The thing that is different this time around in September, than it was in March, is that the students had established a bond with their teachers and virtual learning was doable. Now especially in elementary school, they don't have bonds and relationships with teachers and they need to get to know the teacher. It is important to the development of a child. She was hopeful for a full day program. At Ridge school we know the teachers that the children will have, but if dividing the schools alphabetically, will students be reassigned teachers? If a full day model happens can they go home for lunch? How will water breaks be handled? What happens with children who cannot sit the full interval with a mask when it gets warm. Will there be added fans/air conditioning? What happens when a kid refuses to wear a mask? Special education parents and students should be talked to and presented with more information. Specifically with aids, virtual learning cannot happen for those kids since they don't have an aid during virtual learning. How will those children be supported properly and participate in learning like their peers?

Candace Weinder, son going into Kindergarten when presented with the options she thought it was a full day and not half a day. It would be more beneficial for learning. Within the past 24 hours they are dropping the quarantine time and by the time we open things may be less difficult.

Frank, no address provided, looks forward to having the kids back to school. His 4 year old going to Glen school, would the Glen school be on the same schedule as on the agenda? How will it work with Alphabest?

Dr. Fishbein advised it is a blended program with special education students. It will be half days for 5 days for self contained and special education programs.

Monica Yula, 3 children at Willard taking the bus if it is still running, why wasn't a full day program allowed or presented in the survey to the parents? Those who are afraid of the virus are free to be virtual, they should be using that. As parents who work, it is very difficult to figure this out about what we will do with multiple children. Will we need to place in camp or daycare, the whole purpose of exposure will be lost. Children are now going to pools, parties and small gatherings. Children are not getting sick, bringing the kids for half a day will bring repercussions in the long term. The spring virtual learning in her household was a failure, as a frontline worker working 7 days a week there was nobody home to help her. Who will be home to teach them? She believes she is not the only parent outraged and a full day school option should be available for those that want to send their children to school. This is going out to teachers, if they are afraid to go to work, they need to know

that everyone is afraid to go to work, just like the frontline workers who are working and using PPE when necessary, this should be applied to teachers if they need to use PPE there is no reason why they don't. Asked to please consider the full day program. It is outraged that so many people are afraid to send kids to school, that is where they belong. We pay high Ridgewood taxes so they can be in school.

Josh Olivera, Frederick Street, daycare was mentioned and additional expenses mentioned a few times, if we do not return full time it will introduce additional expenses and may be a village council question, but wanted to know if there will be a tax adjustment if we are not receiving full educational services. Is this financial situation of parents being taken into consideration?

The following comments were submitted online:

Louis Gerber, 599 Upper Blvd, My two daughters attended IDTC. The staff there is wonderful, caring, and compassionate. My youngest daughter had a medical emergency while at ITDC. The actions of the whole staff and Lisa and Linda in particular protected the health and well-being of my daughter. I will be forever grateful to them. I strongly support ITDC!

Stacy Wilson, 114 Avondale Road, Thank you for your BOE service. Why are there no full-day options for students, virtual or physical?

Also, teacher availability ends, at the elementary level, at 12:45. Why won't teachers be available physically or virtually until the end of a school day? Thank you

Laura Waisnor, 444 South Pleasant Avenue, If families opt for virtual learning in September, will there be opportunities to re-evaluate that decision during the course of the school year?

Ann Kautzman, 625 Belmont Rd, Why can't we offer a full-day option for the students? Rotate like college (m/w/f & t/th)? Won't am/pm offerings present stress on the cleaning of the schools between sessions, let alone the challenges for families with working parent(s) and/or multi children with a mix of schedules?

Will the school strictly enforce the safety precautions—temps taken? face coverings to make sure there is continuity throughout the students and staff to keep students & staff safe? No mask—the student is sent home & marked absent?

How will the school handle classes where students share equipment (ex: science labs) during their coursework?

Frank Hackett, 435 Cambridge Road, You want the Ridgewood teachers to go in, but you want to take away the daycare from their children? Who is behind this decision? What are you basing this decision off of and do you know what impact this will have on the community? What happens if other daycare centers close due to COVID? Where are these kids going to go? Do you realize there is a 2-year waiting period to get in here and at least a year in most other Ridgewood daycares? Has anyone on the board thought this through?

Vanessa Burke, 48 Boyce Pl, Dear Board of Education Members,

I am writing to voice my strong opinion that ITDC must remain open for the 2020-2021 school year. I am a Ridgewood resident and all 3 of my children have had the privilege to learn and grow at ITDC. I am also a teacher in the Ho-Ho-Kus School District.

Initially, when I sat down to write this email, I immediately thought of the Vision 2024 graphic that Ridgewood has been using to symbolize its Strategic Plan. In each quadrant, Resilience,

Creativity, Empathy, and Critical Thinking, infused with the help of Teaching, Governance, Culture, and Community to strengthen and fortify. I will speak to Community, Empathy, and Resilience and how these 3 tenets demonstrate why closing ITDC would be disastrous for the Ridgewood community.

This past year, my 4-year-old daughter, Vivienne, cried for the last weeks of March, missing her friends. Many of the children have been in class together since they were infants. Though they are tiny, their hearts are enormous and they care greatly for each other. Vivienne missed her COMMUNITY greatly, and so have all of us.

We are a family of 2 working parents, raising 3 kids. School is set to open in 1 month. Please look at our situations with EMPATHY. How do you honestly think we are all going to line up childcare in the next month in the middle of a PANDEMIC! The decision to close ITDC is completely immoral and wrong.

If there is one thing I've learned through this time, it is RESILIENCE. I have homeschooled my kindergartener, while teaching my 70 students via Google Meets, all while changing diapers, attempting to make dinner and fold laundry. I have discovered that I can greatly withstand difficult conditions. I have every belief that whatever budgetary strife ITDC is under, the Ridgewood School District will work creatively to recover and help ITDC grow stronger.

Thank you very much for reading my message. ITDC is a wonderful place where our children grow, love, and learn. Please do not take away the stability that they need.

Joseph Prota, 332 Cedar Avenue, ITDC Program Support, It has come to our attention that the ITDC Program may be shut down due to some concerns from a few families.

We are writing in support of the ITDC Program. Our children have attended for years and the experience has been nothing but exceptional. The staff is warm and engaging, creating a safe space for the children to grow and learn. We have come to know the staff and feel their charter and intention are of the highest quality. Losing their service would be a detriment to our children and community.

In this time of uncertainty, it will be extremely disruptive to families to have to find new childcare on short notice should the program be shut down. Other programs will need to increase the capacity to support the displaced kids from ITDC. Parents will be forced to make difficult choices about where to send their kids instead of sending them to a trusted location.

Please work to keep to the ITDC Program open, making any adjustments necessary to rectify the concerns brought about by the current issue.

Rachel Herbert, 706 Midwood Road, For children with an IEP: how will the least restrictive environment work? Will there be push-in therapies given in the classroom as dictated by the IEP? If not, how are you planning to ensure that children who receive multiple services get enough time in the classroom (especially if there are only half days)?

Sandy Deb, 250 Phelps Rd., What is the remediation/mitigation plan if a student or teacher tests CV +ve after school reopens? Assuming school-as-usual is 100% exposure (to CV), what is the assumed % exposure of the various reopening plans being proposed by the Board? What data/research/official guidance did the Board use to estimate these numbers?

Jennifer Hallowell, 126 Avondale Rd. Ridgewood, Are there any options where having a full day, not half-day, of school is being considered? Be it either in person, virtual, or a combination?

Gianna Adam, 562 Morningside Rd., How are Virtual classrooms, in my case second graders, going to have instructions targeting a true virtual classroom, not just a group zoom meeting/free for all. Now the kids need shared workspaces, where students and their teacher can read together, present materials, and engage in lessons in a group setting, instead of homeschooling which was

done last school year. Please explain how this will happen. Thank you. How are kids going to be academically assessed based on a mixed environment? What are the security/checkpoints to ensure the health and mental safety measurements to ensure that children and school staff are in a position to go back to school each day?

Louis Amorosa, 71 Glenwood Rd., Please consider outdoor classrooms as a safe and viable alternative to half-day/half capacity schooling. Between the back of Willard and Habernickel, there is plenty of space for it at least in the Willard district, and I suspect in the other districts as well. Cold/increment weather should not be a deterrent as tents and outdoor heaters can be placed.

Jonathan Teichmann, 64 Park Slope, Was a full day with rotating groups option considered? Having full days, even if every other, would be far more favorable for households with working parent(s). Additionally, is there a significant increase in exposure/transmission being in school for 3.5 hours versus 6 hours? To the extent that it is feasible, has the BOE considered changing the school calendar? I.e. starting after Labor Day or eliminating the November teacher's conference break (to avoid opportunities for people to travel to hotspots)? To the extent it is not addressed in the presentation, what is the procedure for positive cases with students or teachers?

Kristina Arocho, 314 Oak Street, Apt. TI, How will self-contained classes adhere to CDC guidelines if in-person? (Plexiglass or partition around desks, reading groups, 1:1 with teacher, progress monitoring, student desk separation, etc)

How will virtual learning for afternoon be structured for self-contained classes and what time would it begin factoring in school pickup, driving home, and eating lunch?

Will parents of any classroom population have the option for all remote learning and how will that be structured (camera in the classroom, pre recorded videos made by teacher)?

Jessica Franklin, 334 Grandview Circle, I have not received an explanation of why the kids cannot go to school for a full day - for example, group A goes Mondays and Tuesdays, on Wednesday the school would be terminally cleaned and group B goes Thursday and Friday. Why was this model not considered? I am worried that elementary school education (especially young elementary school) is being very compromised by on-line learning. Under duress in March, this was understandable. Going forward, it would be ridiculous for teachers to submit slides for us to teach our children science with. What are the expectations of educators in providing interactive teaching with your elementary school children?

David Barger, 167. Pleasant Avenue, It appears from the survey that the only in-school options are half days. Why is a full-day option not offered? If they are already going into the building and remaining in their classroom, it would seem that they may as well remain for a full day.

For the in-school half-day options, how are they determining which half of the day will be used (e.g., 8:45-12:00 or 12:00-3:00 for elementary school)? Does either of those options assume no lunch will be eaten in school, either bought or brought from home? Could lunch be eaten in the classroom?

Should we assume that all outside-of-classroom programs (e.g., art, music, gym, library for elementary school) will not be offered in school?

Rachel Meehan, 222 East Glen Avenue, If online instruction will be part of the plan for the fall for general education, has thought been given to holding in-person instruction for special education self-contained classrooms that have very small class sizes and could easily socially distance, wear masks and apply appropriate cleaning protocols?

If online instruction will be part of the plan for the fall for special education, will children with IEPs that include one-on-one aides have an in-home aide?

My daughter is unable to independently navigate the online learning platforms. From March to June, it was incredibly difficult to get her where she needed to be and keep her there. She also does not have the short term memory to follow instructions that are given by the teacher on the screen on what to do next. Just as she does in in-person special education settings, she needs one-on-one assistance for online learning.

Louis Amorosa, 71 Glenwood Rd., Please consider outdoor classrooms as a safe and viable alternative to half-day/half capacity schooling. Between the back of Willard and Habernickel, there is plenty of space for it at least in the Willard district, and I suspect in the other districts as well. Cold/increment weather should not be a deterrent as tents and outdoor heaters can be placed.

Nicole Rirodan, 467 Valley Street, If it is considered safe to reopen schools in any in-person form in six weeks, why are Board of Ed meetings still being held virtually? How can students and teachers feel safe gathering indoors when apparently gathering for Board meetings indoors is considered unsafe?

Kelly Krumenacker, 402 Linwood Avenue, Will band and chorus classes be held at school? Will students be tested for COVID on a regular basis?

Anna and Matt Salerno, 71 N Pleasant Avenue, Thank you for taking the time to consider more parent feedback on the issue of school reopening. I will have 5 children in the Ridgewood public schools this Fall - a Senior and Freshman at RHS and a 4th, 2nd, and Kindergartner at Somerville. At this point, my husband and I think we will choose the virtual learning option for all of our children. As I believe that we will, at some point in the Fall, again revert to full-time virtual school because we will see a resurgence in COVID numbers in our town, I implore the district to use the next few weeks to improve virtual learning at all grade levels. I think that students who are virtual learning should be meeting with their teachers more frequently than they were in the Spring. I think that teachers should be more responsive and available to students who are learning virtually. I know that teachers will be stretched thin if they are managing in school and virtual learning and I hope the district can come up with some way to ameliorate the workload for teachers.

Janet Reilly, 487 Dorchester Rd., For elementary schools, I would like to suggest that learning takes place outside as much as possible, even if it means that kids do not study the usual curriculum. I would prefer to see kids spend a couple of hours a day outside learning about nature or survival skills or doing sports than to be stuck in front of a computer doing Common Core math or worksheets. My daughter is in second grade, and I would support a Forest Kindergarten approach similar to what Germany has for young children.

Jessica Auerbach, 312 Walther Avenue, In regard to opening school, has the Board of Ed reached out to local corporations to gauge what their reopening plan looks like? The options presented in the parent survey were very limited and most companies in NJ and NYC are opening with a 'week in office, week home' approach to keep consistency.

In addition to making this option easier for parents and arranging childcare, I feel like an 'in-school week 1' and then a rotating 'at-home instruction week 2' would provide more routine and consistency for the children rather than an 'every other day/half day' proposal.

Has the Board of Ed thought about surveying parents on what their work situation will be in the fall? I did include these comments in the survey that was sent home but was very surprised at the 2 options that we were given to choose from since they didn't really seem to benefit the child or households with two working parents.

Has the Board of Ed considered utilizing the empty 'extra' elementary school to assist in smaller class sizes for social distancing?

Lauren Kupiec, 112 N. Walnut Street, Did Ridgewood consider what neighboring towns "back to school schedule" looks like before deciding on our proposed one?

Terry Kim, 722 Newcomb Road, Has outdoor classroom teaching utilizing parking lots, fields, and closing off streets been considered as an option?

Jiffy Vermyleng, 241 N. Walnut Street, Will all students and staff be required to show proof of a 2020/2021 flu shot? This could go a long way towards reducing overall illness and having fewer COVID false alarms. Have you given any thought to alternating week schedules instead of alternating day schedules? This seems to be ideal in terms of pod isolation and some other districts in NJ have adopted this approach.

Has RPS given any thought to prioritizing the schedule for younger elementary school children (for whom distance learning is particularly difficult)? Although nobody will be happy no matter what you decide, I just feel like middle and high school students and classes can handle distance better and I'd love to see the younger kids given in-person priority and space.

Todd Allievei, 65 Boyce Place, By choosing the 2 day on 2 day off option you have disregarded what a majority of the parents voted for which was the everyday half day option. Glen Rock is choosing the everyday half day option and Fair Lawn is choosing full day every day option for elementary and middle school and many nursery schools are choosing every day, yet Ridgewood Board of Ed thinks they themselves know better than all the other districts and more importantly even the parents of the students in their own district. The parents of the students should decide what the best option is for their children period. Additionally, you apparently send out a survey and disregard the results. The survey results have not been published. Once again, there is a lack of transparency at the Ridgewood Board of Ed. If the results happen to be shown during the live meeting, then you can disregard my last three sentences.

I fully expect any online or virtual teaching to have a live teacher via Zoom (or some other platform) and not simply dumping the online work once again on the parents like was done this past spring semester. You have now had plenty of time to prepare, so there is no excuse for a repeat of the Spring 2020 semester. In case you don't realize it, some families have both parents working full time, and yes, this statement includes sarcasm.

Deidre Scali, 599 Heights Rd, How will children's IEPs and related services be addressed in the school year? During crisis virtual school, services were drastically reduced due to scheduling and general conflicts. Will families be allowed flexibility with when and how services can be administered, especially if it will be virtual?

Will families be subsidized monetarily if children with IEPs need to outsource services because Ridgewood can't honor the requirements?

Rose Mary McCotter, 672 Ellington Road, Prior to the start of school can the administration send home what the facilities (classrooms) will look like as well as the final plan for school schedules. In order to make an informed decision as a parent I would need to see how my child's classroom is set up as well as the schedule that they will have to follow.

Marcus Rivera, 621 Spring Ave, What is the plan to address the risk of mental illness from being isolated? The kids need the social experience as much as they need the academic learning.

Why not consider outdoor learning and using tents at least until November?

I was not pleased with the online learning last Spring. Many of the teachers simply posted assignments and only allowed written questions. Will there be live instruction, different from the chaos of Spring 2020? It would be better if the live instructions corresponded to the traditional

school day, with similar length of classes for all of the subjects.

Rachel Arnt-Schemmel, 38 High St., 50 years from now, it won't matter if our kids had sub-par schooling for a year or two when they were young. All kids are in the same situation, so no one will be "falling behind" anyone else. However, 50 years from now the friends and family of the person who dies as a result of opening school too early will still feel that pain. If that person is a teacher, and it likely will be, every student in the building will be forever affected by the memory.

Attempting to resume in-person instruction in the middle of a pandemic is pure foolishness. This will become clear when the first person gets sick and dies as a result. Instead of waiting for that realization, let's have it now.

Attempting to resume in-person instruction because our case numbers are down is the logical equivalent of a person saying, "Since I started taking this medication, I feel so much better. So I'm going to stop taking it."

Please take heed of the South Korean study that found kids 10 and older transmit coronavirus as well as adults do.

Lauren Imbruglia, 3030 S. Pleasant Ave., Obtaining substitutes can be challenging. I am concerned that with the possible spotty teacher absences due to exposure, what will be done if subs cannot be obtained?

Scott Cavagnuolo, 800 Bingham Rd., If our kids won't be physically attending school FULL time will there be a rebate or refund for our property taxes?

As a physician and concerned parent why is the school board not listening to the American Academy of Pediatrics which is encouraging to "have students physically present in school" and so is the head of the CDC

If teachers are not returning to work full time will their salaries be reduced like everyone else?

Anne and Devin Corkery, 238 N. Walnut St., Although the Ridgewood teachers did the best they could in an emergency situation, virtual learning doesn't hold a candle to in person learning. As we all saw this past school year, our kids suffered both academically and socially. This is especially true for the elementary students. Remote learning neither works for families who have both parents working, nor does it work for families who have multiple children (especially if they have babies or toddlers).

A hybrid model would be an attempt to make everyone happy, but in reality would make no one happy. As there appears to be a divide in our community about the best approach to educating our children in the midst of a pandemic, it would be best to allow each family to determine what is best for their child. By fully opening the schools in September, parents could choose to either send their kids to schools or have them participate via online schooling (and by doing so, make it easier to socially distance in the classroom). In addition, based on the data from the over twenty countries that have opened their schools successfully since the pandemic, it doesn't appear that elementary aged children are at risk for being diagnosed with COVID. Furthermore, elementary school children appear far less capable of spreading COVID, which should alleviate much of the concern for the faculty and staff. If anything, the low risk of COVID to our elementary school children is more than outweighed by detrimental side effects of not attending school in person.

Several schools across NJ, including the Fair Lawn School District, plan to open their elementary schools fully. Virtually learning should be the backup plan, not the first plan. Our kids desperately need REAL school.

We know our children and we know what's best for them.

Brian Koscuiszka, 552 Hillcrest Road, Will the AlphaBest before/after care program be allowed to operate and provide care for children during the hours they are not in school?

Given the dramatically improved numbers in NJ, Bergen County, and Ridgewood specifically, has consideration been given to a more comprehensive opening? If not, is consideration being given to doing this later in the year if things hold steady or continue to improve?

Nancy Kennedy, 346 Northern Parkway, What will be done in regards to the nurses offices at all schools. Will there be separate quarters for those who come in sick and for those who come in for a band aid? For those with medical needs, will the nurse be able to go into classrooms and assist if needed as to avoid the nurses office at all costs?

In order to provide a full day schedule, why can't lunches be eaten in the class prior to lunch?

With the shortened schedules, Why can't the core subjects be only taught, and put the others such as electives, gym, art, music etc on the back burner temporarily. Utilize those teachers in other areas while paying them their full salary?

Allyson Sklar, 413 Sheffield Road, Can we supply all the teachers and children face masks?

Denise Talotta, 186 Ackerman Ave., I am a single parent of 5 year old twins; I am also a professional educator of 20 years that currently works in a nearby public school that will require me to attend work full-time from 7:30am - 3 or 4pm Monday through Friday.

I have no family in the area to help with childcare, and I cannot afford to hire someone to homeschool nor for my children to attend private school

Can you please consider letting those who desire to homeschool to do that, but let those parents in a difficult situation or those that prefer to attend school full-time to do that?

Elizabeth King, 502 Darby Court, Please let people into the call.

Ryann Friend, 852 East Ridgewood Ave., Could you discuss the RED program children and what their IEPs and therapy will look like? Thanks

Helen Shaw, 14 Crestwood Mews, I'm curious about the thoughts and plans for preschool classes at Glen School.

Richard Timmers, 166 Lexington, Risk analysis consists of the combination of probability of an adverse event occurring, as well as that event's severity. We know the probability of passing COVID-19 from one person to another is uniquely high, and the severity of the disease is also high. What made you decide to follow up a high risk rating with the conclusion to have children go back to school, particularly when this is generally not being done for other aspects of society (large indoor gatherings, movie theaters, most workplaces, etc)? The risk level and the action to return on-site are not aligned.

Robyn Brown, 444 Linwood Ave., Will you be doing outdoor classrooms? How will you filter indoor air? Will you be adding plexiglass barriers at desks / shared tables? Will you be installing no-contact infrastructure (i.e.: contactless soap dispensers)? How will you keep bathrooms clean? What will you do with a child that shows up to school sick? What will be done if a child becomes sick while at school? Do you have set COVID quarantine areas? Will children who traveled to high risk areas be required to quarantine or will they be allowed in school?

How do you intend to protect high risk staff and students?

What is the format and platform for virtual learning? Will teachers be doing live learning?

Deidre Scali, 599 Heights Rd., Will travel time, eating time etc be taken into consideration with regard to coming in person school and at home?

How will family situations be taken into consideration with regard to students might not be able to

get online while at home because of at home family situations?

Jaimi Davis, 204 Avondale Road, What is the preliminary plan for the Glen School? I have a child in the RISE program.

Sarah McCourt, 216 Gardner Road, The language on the survey that went out was very confusing. I know a number of people who thought that option #2 meant A/B FULL days. It was not clear that both options were half days. I do not believe that the A/B option was the majority decision.

Gwen Sullivan, 182 McKinley Place, Are there plans for tutoring online by teachers or by students or National Honor Society members for K- up? Can set up an online list of those who can do so and when.

Have you thought about using outside areas for PE or art or singing/acting in fall when the weather is warm?

What are the benchmarks that would advance to the next phase?

Nancy Kennedy, 346 Northern Parkway, Are students in school only twice a week? What about Fridays?

Renu Vitale, 171 Bellair Rd., How will kids safely move from class to class in the middle school? I'm concerned about tight spaces in hall ways and transitions between desks in each classroom.

Lizzy Kates, 727 Newcomb Rd., Can a child switch from remote to in-person later on in the year? Thank you.

Rebecca Katzman, 70 Crest Rd., Thank you to everyone who worked to put this plan together. I think the approach is incredibly reasonable and I hope we are able to move forward with some in person learning this school year. I'm worried about the toll this has taken on my children's mental health and think any in school learning will be hugely beneficial for their social/emotional recovery.

Gwen Sullivan, 182 McKinley Place, for the parking lottery, can spots be split between AK and LZ students to help with cost and accessibility? If a teacher is not able to return to the classroom, will that class only be taught remotely? If Students don't want to change a teacher can they choose to take that class remotely? Especially for grades 11-12 where one teacher may only teach a certain course.

Lauren Turnbull, 68 North Monroe, If we choose to send our kids to school and for whatever reason (ie. the virus numbers increase to a point we personally don't feel comfortable) can we switch to fully remote when we want even if the city/state doesn't switch?

Will the children be encouraged to wear masks? Especially the elementary kids? I have a child going into kindergarten so I understand it's more difficult for the younger ones but will the teachers remind/correct the kids to wear them?

Daglas Panchal, 635 N. Monroe St Please make the presentation available to review. Thank you.

Kaitlyn Joyce, 217 Highland Ave., Was every other day even an option on the survey ? I don't remember that. This seems like the worst possible idea . I think most people have come to terms with the fact that they are going to have to spend a lot of extra money on childcare this year . This only makes it all the more difficult to need different days each week .

Amy Dischuk, 234 Gardner Rd., An am/pm schedule would give our kids the opportunity to at least

be in school every day. 2 half days one week is nothing!  
The survey was very confusing at should be done again

Beth Hart, 329 Northern Parkway, Will there be a way to find out if Alphabest will be helping to facilitate online instruction (the afternoon portion of an in-person day)--especially for younger students?

Linda Chuang, 131 Oak Street, Just wanted to express our appreciation for all the hard work the teachers and staff are doing. I think having a solid plan on what happens if a student or staff gets Covid is essential. Consider testing staff and students on a regular basis?

Tamara Amos, 544 Barnett Place, Question: Will there be testing within the schools to find non-symptomatic cases of COVID-19?

Miranda Yates, 330 Gilbert Street, Thank you for your thoughtful plan. Appreciate all your work. In the FAQ, can the school district offer clear guidance regarding expectations and ways to support students returning from one of the hot spot states on the list for a 14-day quarantine requirement?

Deidre Groehnert, George St., For students who wish to attend fully remote, is it possible to Skype the live classroom session to be viewed from home? Is there a plan to test staff and/or students for Covid-19 prior to the first day of school? Will gym class be fully remote or will there be any outdoor activities that can take place safely at the school with the students?

Rose Mary McCotter, 672 Ellington Road, If I understand correctly the K-1 will be getting a chromebook for home use. I found it very difficult to keep my Kindergartener now 1st grader online for half the day. To have to do it all day will be very difficult. Would you consider half day virtual learning for the days the kids are home all day for at least this grade level.

I also have a 9th grader. I was unclear how the changing of classes will occur and how the students will be kept social distancing during class change.

I am not sure how I can make an informed decision on sending my child in to school if the plan is in flux. I may change my decision based on what changes are made up until school starts.

Grace Oh, 211 Orchard Place, If half the students are in-person with the teacher and half are virtual, who will be teaching the virtual group?

Sarah Pollak, 11 North Irving St., I just wanted to comment that myself and many other parents I know in Ridgewood are hoping that outdoor school will be seriously explored as a possibility, especially for elementary school children.

Mike Vigliotti, 230 Lotte Road, Why isn't this an interactive session where you answer all questions raised real time vs through FAQ's...regardless how long it takes.

Is this plan the same as other schools such as Glen Rock? my understanding is Glen Rock is opening schools full time...why isn't Ridgewood

Susanne Fuhrmann, 185 W. Ridgewood Ave., By having the children in school for fragmented amounts of time, parents will be forced to find alternate care, dispersing children into different daycare settings and babysitting situations. They will be bringing this elevated level of exposure back into the classrooms, significantly increasing risk to the teachers, building maintenance team, office staff, fellow students, and tangentially, family members. Please explain how your proposed plan decreases exposure risk when compared to keeping children in a consistent and controlled environment.

Brian Koscuiszka, 552 Hillcrest Rd., It is appalling that you are claiming the decision for the alternating half-day schedule was based on the survey. It was clearly not. You saw a 2% difference between the two options on a poorly worded survey that I know many people were confused by. Further, you had folks who stated a preference for that question who previously indicated they would not be sending their kids (16% in the first survey versus 11% in the second), meaning the data could have been tipped by people who were not even planning to return their children. This is poor data collection/analysis and even worse decision making.

Himanshu Vyas, 424 S Pleasant Ave., Listening to NJ BOE discussions today, one of the concerns raised for remote learning is the availability of technical resources for all families. May we please suggest that in order to further promote the idea of remote learning for fall session, may the board institute measure(s) to allow the use of school facilities for those who may need the internet connectivity/ have other technical constraints at home, in such manner that the learning experience remains the same for every student. Their presence at school premises is solely for the purpose of facilitating technical needs while the classes and instructions are uniformly conducted remotely reducing the exposure for kids, teachers and staff. The idea is to limit the number of kids, staff and teachers being on premise where focus remains on improving remote learning. If the board prefers I am happy to further explain my thoughts.

I would like to encourage that the discussions regarding school opening should be more focused on how to make remote learning effective for kids as opposed to looking at measures on how to safely open the school. Given the CDC guideline, it is clear that there remains a risk if we open our schools, without a vaccine we are putting our kids, our staff and our teachers' lives at risk and potentially of our community.

Steven Arillo, 250 The By Way, Is there no Lunch option? If not, what about a snack? I can't imagine my 6 year old arriving at school at 8:20 and being dismissed at 12:45 without eating? Him personally will become irritable and that will affect his concentration

Vanessa Carr, 250 Gardner Road, Your first survey was poorly written and misunderstood by many, you need another survey. My son has an IEP and his goals were not met, I am worried with him barely being in school he will fall behind. Many school districts around us are sending their children to school with more hours per week, why aren't we doing the same? How did you come up with this schedule? I hope you did not base it on the survey.

Scott Jorgensen, 434 George St., I strongly disagree with the idea of alternating days of instruction. 1. That makes it very difficult for working parents to manage schedules, particularly for those parents who have kids across multiple schools. Please consider any options available for every day in-person instruction. At the very least, parents should have a choice over alternating or every day in-person instruction. 2. Our son will be a senior and has to deal with a difficult class schedule, I worry that remote instruction will make it that much harder.

Wei Wei, 210 Jeffer St., Since we're planning to go back to school in half days, why not utilize the full day? And before winter comes, fall is the best time to do the full day.

Marisol Romero, 258 Steilen Ave., Seems like a well thought out and flexible plan so thank you for working on this! I also appreciate the special consideration being given to students in the RISE, SAIL and LLD Programs by offering students a half day everyday. Can we make use of outdoor space when the weather permits to teach students or rent tents? I appreciate the increased live virtual teaching being implemented in the plan. All students at every grade level would benefit from this!

Nilay Donmez, 474 Overbrook Rd., I don't think the options are well understood by the parents. Most parents that I have spoken to, thought AM/PM session is half day, and alternating A/B is full day. If the options are re-presented and well-explained, I strongly think the distribution could change significantly, especially if 83.6% of the parents want to send their kids back. What we were lacking with remote-learning was a routine, and I don't think alternating days would help solve this issue. I strongly think children would benefit from going to school every day. I would appreciate it if the survey could be sent again and parents could present their choices again.

If a kid is sick at home or (remote learning kids), will they be able to listen to instructions online - perhaps in a more live environment? I heard some districts are setting up cameras in class. Is this an option for our school district?

Melissa Strauss, 298 Greenway Rd., I need to understand what the environment of school looks like - are they wearing the masks the entire time? gloves? plexiglass dividers? Temp checks? I'm concerned about the fear /mental impact my YOUNG children may feel toward going to school. How are you addressing the comment that MANY people didn't initially understand the survey and may not have chosen the A/B option?

Helen Shaw, 14 Crestwood Mews, I'm curious about the thoughts and plans for preschool classes at Glen School.

Josh Olivereira, 626 Frederick St., Day care was mentioned multiple times during public comments -- if we do not return full-time in-person, that will introduce an additional expense to most working parents as they will need to pay for some kind of day care.

If we do not return full-time, will the education tax levy be adjusted and/or will the taxpayers be refunded since they will not be receiving full services?

Also, have we considered the financial position we will be putting parents in who continue to work full time if we do not return full-time in person?

Gabrielle Winnert, 719 Parsons Road, I have children in RHS, GWMS and Willard and based on last spring's remote learning experience, it is imperative that our children are back in the classroom being taught by their teachers and interacting with their peers. Half a day, every other day, is absolutely not enough. Every other week, this would be ONE day of live instruction. From what I understand, Don Bosco and Delbarten are both going back full time. We have to come up with a better plan. Thank you.

David Mayland, 243 West Glen Ave., I would like to reiterate and reinforce the comments of the last single mother educator and other public comments that stress the request to reconsider the younger grades (k-2/4) to have every day instruction, even if for a half day. What arrangements if any have been made in connection with the in school before/after care programs that have been previously offered in the district and if they would be available on the "off" days. I thank the Board and administration for its consideration of this request.

Michelle Primavera, Ridgewood Employee, I am a teacher at GW Middle School who has 2 children in Orchard school. I appreciate all the work it must have taken to come up with these schedules. I want to return to work, and I want my children to return to in person instruction as per the schedules you have proposed; however, I fear that may not be possible. Do you have any suggestions for childcare so that I can be present at work every day while my children are alternating every other day?

For parents who choose to do full remote instruction in September, will those children follow the remote schedule as opposed to the hybrid schedule? If so, will certain teachers be assigned to

that schedule for those students?

John Bluemke, 500 Jackson Terrace, Has the district considered installing three sided plexiglass on each desk to limit the need for masking for hours and hours? I would venture to guess parents would be willing to fund this if cost was an issue and even find it for our neighbors who financially would find it difficult.

Anthony Bussanich, 439 Sterling Place, I understand the governor has communicated to all Superintendents his announcement on school openings will be coming on 7/30. Is there indication how this is trending?

Fei Wang, 360 N Van Dien Ave., Thank you for very detailed plans about school reopening and procedures planned to ensure kid's safety. My questions and comments are related to Glen School. I have a little one who will be going to the Reach Program and would like to know the potential plan for it. Would it be as same as the one outlined in the agenda? or it is going to run its own reopening schedule? If it is half day only, would AlphaBEST cover the remaining half day?

Gwen Sullivan, 182 McKinley, Listening to comments. Even though the only child I have in the school system is a rising RHS senior I would have no problem if the district decided to allow all K-5 students to attend a full day. In fact it would make sense for them and the fact that they only have one main teacher. PE and some other activities can be done partially outside and some specials can do online learning. Plus the Special Ed student can continue to be pulled out and utilize gyms and cafeteria space.

Lisa Negrycz-Gerstein, 641 Arcadia Road, What do I do about my child with special needs in this virtual environment? There was no true engagement in the virtual classes my high school students had. Many classes were pre-recorded with assignments with very little engagement with others

Christine Corbett, 405 Heights Road, I don't agree with the comments that younger children require more in person time. I think this is very child specific. Many kids are suffering from attempting online learning, and I would like to ask that you not prioritize younger children for more in person time. Please do what you can for all our children. As a parent of an older child I can say that online was extremely difficult.

Will testing be in place (regardless of symptoms)? is there a threshold for switching back to fully remote - either by state, county or town reaching a certain number of cases, and if so what is this? Also, is there a threshold, or other criteria for going to full day if things continue to improve?

Lisa Negrycz-Gerstein, 641 Arcadia Road, Why can't we do outdoor classrooms at the High School for a full day? Why can't we utilize enclosing our fields to supplement classroom space? What additional training have the teachers received regarding virtual education and presentation skills. What happens if a classmate tests positive for COVID? Will other classmates be notified, will school be closed?

Rachel Vassak, 94 N. Murray Ave., My daughter was part of the basic skills program at Ridge. She really needs this extra help to keep up and continue growing/learning. Is there a plan to continue these programs in person? Please release the Powerpoint presentation. It was so helpful!

Grant Movsesyan, 161 S Maple Ave., What are the plans if a student or teacher is COVID positive? What will be done to make sure that a positive case is not brought to school? What is going to happen with the freshman focus class?

Erin Moy, 358 Evergreen Place, If at all possible, it would be very helpful to provide assignments ahead of time (Friday before) for families opting for virtual school. That way younger elementary school students who need a lot of parental involvement can work over the weekend when the parents aren't working.

Karen Abraham, 415 Red Birch Court, I have two children at Travell, one second grader, and one fifth grader. I know none of this is easy to figure out, and there are no ideal solutions. But there are some major concerns that have, as of yet, not been addressed. Among other questions:

1) Mask policy/enforcement: I want to know exactly what the mask requirements will be (we are very much pro masks). If kids can just decide to take masks off because they don't feel like wearing them, it will be difficult or impossible for us to feel at all comfortable sending our kids into an enclosed indoor space (classroom) with many other unrelated kids for hours on end.

Sarah Harinstein, 310 Heights Rd., Assuming that some form of in-person learning exists and our family were to opt-out and choose 100% remote learning, please outline exactly what that plan looks like. How would my children have access to live teaching when the teachers are busy teaching in-person?

Allyson Skar, 413 Sheffield Road, Can we supply teachers and children with plastic face shields? Could be more effective than face masks alone.

Anant Narayan, 626 Delaware Avenue, For a student in 11th grade, is it going to be an option to do completely remote online learning? Can teachers teaching online make sure to use video conferencing and all technology for full engagement with the students for the entire regular duration of school hours? I'm concerned that kids going into school can be carriers and transmit to elderly in the household, not to mention that I don't take enough comfort with the statistic that kids are "unlikely" to get severe symptoms.

Monica Lula, 139 Undercliff Court, Would you calculate the number of families that are asking and begging for a full time session option and would you publicly report? and if it is an overwhelming majority in favor then will the board make a quick decision since we are running out of time. Why can't families that elect full time in person take the place of families that elect for virtual full time?

Lauren Kupiec, 112 N. Walnut St., Thank you for the well-organized and thoughtful presentation today. I am wondering if any consideration was given to doing a consistent M/W and TU/TH with alternating Fridays schedule (or something of the sort) for the 2 groups, so that children and parents have more consistency with which days there is in-person school. I believe the biggest pushback from parents will come in this area and it feels "easy" enough to accommodate.

Jiffy Vermylen, 241 N. Walnut St., I love A/B schedules. The rotating schedule will be hard for working parents and maybe kids too with inconsistent days. Would you consider M/W and TU/TH with alternating Fridays (or Friday if Monday is a holiday)? Having set days will be easier to manage logistically.

Laura Gorczyca, 231 Phelps Road, I am shocked to see the lack of in person learning elementary school children will be receiving with the proposed plan. Research has shown that virtual learning for the younger ages is far less effective than it is for older ages.

Neighboring districts have come up with plans that abide by necessary guidelines and elementary kids are achieving at least 15 hours of in person instruction per week. At most elementary school kids will be getting 12 hours...and that's every OTHER week. If a vast majority of parents are saying they want their kids back in school, why have we chosen that plan that lacks consistency

and one that doesn't maximize the hours children can have in person instruction? Many parents are going to have to look for additional day care, after care, etc. programs given they won't be in school for full days. How will we manage that risk? They will be at various facilities that have their own protocol and procedures and then bring it back into their assigned schools/districts. Wouldn't it be better for them to be with the same kids and at the same facility each day? We are actually increasing exposure vs. minimizing it with the proposed plan. Again, how is that going to be managed? If teachers see a student is falling behind, how will it be handled in this environment?

Gary Negrycz, 501 Dorchester Road, Masks are fine. How about face shields? They provide full visibility and can be washed every day and reused, Teachers with 24 to 26 students, why won't they watch on Zoom? Teachers don't touch every student in every class but students often share questions so if the teacher answers one she actually answers many. I went to school for a split session. We didn't do study halls. You did 5 classes & left. No meals, you ate at home we are not babysitters, we are educators. Gyms can become classrooms. Gym can be done in tents. Full time is not necessarily 8 to 3. How about 7:30 to 12, 1:00 to 5:30 40 min classes children are not made of fine china they need an education. Focus on the issue how to educate kids the parents have to solve their side ie child care teacher need to teach they could suit up in hospital garb for health protection one suit a day

David Mayland, 243 West Glen Ave., If Glen Rock and surrounding districts are accommodating a AM/PM schedule why can't Ridgewood. This would address concerns regarding younger (K-4) children receiving every day interaction as well as providing the opportunity to access the in school after/before care programs with AlphaBest.

Jen C. Wyndemere Ave Thank you for all your hard work. I just want to express my support for a consistent M/W and T/Th with alternating Friday schedules so that working parents can have a more predictable schedule with their jobs and secondary childcare.

## VI. BOARD MEMBER ANNOUNCEMENTS

Ms. Brogan said she can see the thoughtful work of the staff, we need to reflect on parent comments, there are some trends about our younger students and half day/full day and special education. Perhaps as the staff present more, we may want to take a look at the reasoning and rationale. It is important that the public understands that the guidelines were established loosely and other districts may do it differently and there may be other considerations that are going into smaller school decisions and it is hard to compare with other districts. She would like to reflect that there is a lot of conflicting information coming out, and spent 2 hours listening to the assembly committee presentation and the legislators there thought that the school openings should be delayed. A phased-in approach seems to be a conservative but thoughtful approach. Daycare is a concern and we need to keep talking. Ms. Brogan thanked Ms. Poelstra, Dr. Fishbein and the administrative staff.

Mr. Dani thanked Mr. Lembo and Ms. Kwak for asking for this special meeting. Thanked everyone who worked on the plan during the last few months. There were some comments about ITDC and why the board is planning to close it, this will be discussed at the July 27 meeting. There has been no board discussion during a public meeting about closing ITDC. The discussion was around setting up tuition and rent rate and what will be the efficient way to run the program. The board and the committee is currently discussing

the inspection of that program, the inspection is on the K-12 program and not on an infant to toddler program. We are not inspected as a daycare but as a school district. The board has some questions on the accounting of an enterprise fund. The board is questioning if we will go into a loss next year, where will the money come from?

Mr. Dani asked, is the mask optional?

Dr. Fishbein said that masks will be required by everyone, there will be exceptions for medical reasons. There are some students with sensory issues and those will be some exceptions.

Mr. Dani asked for elementary virtual learning, for those who opt remote learning he did not understand the specifics for that option.

Dr. Fishbein stated that we are currently surveying our staff to determine how many will be returning and who cannot when we have that information we will have a better indication of what our remote option will be, especially at the elementary level.

Ms. Poelstra said we don't have the numbers for staff and students choosing the full remote option yet. We will need to match the learning to the numbers and it will be imperative to get the information from our staff and students. The presentation about remote learning is more for when we have to go fully remote.

BF, GW, and RHS when classes are virtual will the same curriculum be taught but some are virtual and some in the classroom.

It could work a few ways, Ms. Poelstra provided some examples of giving different assignments to the students and the teachers will have the leverage to customize the lessons so that it is beneficial to all kids based upon the lesson that is being reviewed. In some cases it will be beneficial for virtual students to zoom in and listen/participate in the lesson and in some cases it does not provide a benefit and other work will be assigned.

Mr. Dani asked to give flexibility for teachers to work remote and have student leaders or aids be present in the classroom.

Dr. Fishbein advised that cannot be an option since it has to be someone who at least has a sub certificate to be in a room with children. It could not be a student or parent volunteer. Substitutes have been in shortage for a long period of time, and we may have a worse shortage when schools open up.

Mr. Dani stated that he is finding there are two different camps, some families have multi generation family members or members who are immunity suppressed and want to choose full remote. Some parents have to go to work and are essential workers, it may be complicated to work out this type of schedule and want to send their children everyday. Since some students are choosing the full remote and there will be a smaller number of kids, can we give this option to essential workers to send their children to school 5 days per week.

Dr. Fishbein replied that if we could social distance and do it everyday, we would. With our numbers from the original survey, I don't think we will have that option to allow for 5

days per week. The suggestion would put us in a situation where we would have to determine if a person is an essential worker and they get 5 days per week versus someone else, we cannot accomplish that.

Mr. Dani asked why we have half a day and not a full day?

Dr Fishbein replied one factor is lunch. Also, this is a phased in approach, we want to see what will happen in the first 4-6 weeks. Not just in the school but in the community, it is a conservative approach. In the elementary level, the teachers are checking in with students who are remote and allows for more teacher contact.

Mr. Dani suggested to make the process easier to understand and one suggestion is to make school full remote and anyone who wants to come in can come in and attend the same virtual classes from the school building, especially for Middle School and High School. They can sit outside, as long as we don't exceed the 50% capacity, the teacher can then be in school or remote and host the same google classroom wherever they are. The school building to be a workplace for whoever wants to come in.

Dr. Fishbein stated that our charge from the state is to do as much in class instruction as possible, we need to know who will be in a building on a daily basis. With the idea of outside education, there fire code and local building code issues have to be considered. The people from the state said, outdoor should be the exception and not the rule. It should not be on a large scale where everyone is out of the building, for example when a lighting storm shows up. Will everyone be racing in the building and we would not be able to keep everyone separate? There is a concern about movement in school, our hallways are wide enough to do social distancing. There will be half the kids in the building that will help in the transition between the classes, our attempt is to limit those transitions.

Ms. Poelstra noted that we are responsible to know who will be in school on each day and if kids are randomly showing up there is a safety concern for tracking attendance. If 25 kids show up on a given day, the teacher would have to decide who to allow to stay and who to turn away. Our parameters are so tight that this type of model would be difficult for teachers to orchestrate.

Mr. Kaufman stated that a lot of the callers brought up in-school learning for young kids. This is something that we should explore and seemed to be a common theme. When kids are home on the off day, they should be part of the classroom. Maybe set up a camera and the teacher speaking does so much more than when they are reading from a screen. ITDC there was an overwhelming amount of support for that program, he has not received one email to say something bad about that program. The program has his full support and wants to look forward to additional information from the committee.

Dr. Fishbein stated that we are faced with challenges, and each district has to be looked at individually based on the inventory of classrooms and teachers.

Ms. Kwak thanked Mr. Lembo for prioritizing the reopening. Two common themes are why not full days? And outdoor school?

Dr. Fishbein replied that outdoor learning as mentioned before includes weather issues

and other issues such as access to bathroom facilities. For younger kids they would be asked to go and look for a bathroom indoors. There are concerns of health and safety with tents being set up there would still need to be access for fire safety.

Dr. Fishbein added in regards to full time, it is the goal, but we want to see what will happen in the first 4-6 weeks with the numbers locally in the schools and the state. The call to close would come from the governor and in consultation with the local health official who would decide if the numbers require us to close down. We are in contact with the local health official all the time, who has reviewed our plan. Lunch is one concern and was one factor, but there are a combination of things that led us to this schedule. In elementary school, snack time can be a time to bring the reduced number of kids outside to give them a mask break and be socially distant and either go back in after or continue a lesson outside.

Ms. Poelstra stated in terms of outdoor learning, we have to think about how technology will be used and protected outdoors, some examples of items to consider are furniture, white boards, computers. The questions arise such as what we do with this equipment and how do we protect it at night or during bad weather. There are also a lot of regulations we need to follow and a lot of supplies teachers need to have a full outdoor classroom and therefore it would be a big hill to climb.

Mr. Lembo stated with ITDC we will discuss this topic on Monday, he has tried to speak to people who have contacted the board. There are no plans to close the school.

Mr. Lembo's big concerns are the young learners and special learners. It is crucial to have them in school when learning to read.

Mr. Lembo asked what exactly does asynchronous learning mean?

Ms. Poelstra answered that in some cases virtual and asynchronous can be defined the same. When the children are not in the classroom, but the teacher is touching base via google meets. The asynchronous time backs up to the time that the other half of kids are live, it may require that those kids are working on an assignment alone that they were assigned when they were in class. Some teachers may decide to have kids zoom in during a particular lesson. Asynchronous means that no teacher will be there but the students will be working on an assignment given by the teacher.

Mr. Lembo asked with the calendar when there is a holiday how will the schedule shift? Will people know in advance?

Dr. Fishbein replied that the schedule will be given ahead so parents can plan. The only exception would be a snow day and that would throw the schedule off.

## **X. ADJOURNMENT**

8:34 pm motion by Mr. Lembo and seconded by Ms. Kwak, the meeting was adjourned.

Respectfully submitted,  
Antoinette Kelly  
Board Secretary

Lucy Papamichael  
Assistant Board Secretary

**MINUTES OF THE  
REGULAR MEETING  
OF THE  
BOARD OF EDUCATION**

**Ridgewood Public Schools**

**Bergen County, New Jersey  
July 27, 2020**

Minutes of the Regular Public Meeting of the Board of Education held on July 27, 2020 at 6:00 p.m., utilizing videoconferencing.

**I. CALL TO ORDER AND ROLL CALL**

**Mr. Lembo**

At 6:01 p.m. Mr. Lembo called the special public meeting to order and asked for a roll call.

**Present:**

Mr. Michael Lembo, President; Ms. Hyunju Kwak, Vice President; Ms. Sheila Brogan; Mr. Cristopher Kaufman; Mr. Saurabh Dani

**Also Present:**

Dr. Daniel Fishbein, Superintendent; Ms. Stacie Poelstra, Assistant Superintendent for Curriculum, Instruction & Assessment; Ms. Antoinette Kelly, Business Administrator/Board Secretary, Ms. Ojetta Townes, Manager of Human Resources, Zoe Kovac, Student Representative

**Visitors:**

Not applicable

**II. FLAG SALUTE AND PLEDGE OF ALLEGIANCE**

**Mr. Lembo**

Mr. Lembo led those present in the Pledge of Allegiance.

**III. OPENING STATEMENT BY PRESIDING OFFICER**

**Mr. Lembo**

Mr. Lembo announced that pursuant to the requirements of the Open Public Meetings Act, advance notice of this meeting had been given to The Ridgewood News, The Record, and the Clerk of the Village of Ridgewood. In addition, notices were posted in the office of the Board Secretary and in all school buildings.

**IV. PRESENTATIONS**

**Mr. Lembo**

**A. 18-21 Program**

**Dr. Fishbein**

- Dr. Michelle Fenwick, Director of Special Programs

Dr. Fenwick presented an overview of 28-21 STEPSS: School Transition and Employment Program for Student Success. This program is an

in-district transition to adulthood program for students ages 18-21, who have met state graduation requirements but continue to need more time and skill development before entering independent or interdependent adulthood.

Dr. Fenwick explained that this program has been in the works since before the 2017 Special Education Review when this was identified as an area for growth for the Special Programs Office. The development of the program has included tours of other transitional programs, professional development on transition, meetings with other transition coordinators who were already engaged in 18-21 year-old programs, focus groups, surveys, and tours of potential sites. The philosophy of STEPSS that is shared with Ridgewood Public Schools and the Department of Special Programs is to provide specialized instruction and support services for meaningful readiness for employment and independence.

Dr. Fenwick explained that the STEPSS team includes members of the IEP team that have worked with a student from the age of 14. The daily schedule of the program will consist of an instructional component and a community-based component. The benefits of the STEPSS Program include continuity of learning from our in-district special education programs, training and practice within our community, and cost-effectiveness of offering our own program as opposed to sending students to out-of-district programs.

Ms. Kwak asked if this is an optional program or can they opt to go out of the district?

Dr. Fenwick replied that when developing student transition plans there is a discussion to decide what the best educational needs of the child are, the least restrictive environment and the opportunity to teach a student in their own town that allows for job opportunities and extracurricular opportunities in their town. Other options would be if there was an unusual circumstance. Parents have parental consent and they have their own rights to review and recommend their rights. We strongly promote our program based upon the benefits reviewed. Many programs have an extended year component, sometimes it is helpful for the remaining years to close the gap for independence. This is an optional program and not all students take that option.

Ms. Brogan asked if this program is being opened in BF next year?

Ms. Fenwick replied that we are planning starting in the fall, we had found a location but since the DOE has had people on furlough some of the planning of the location has been halted. It will move forward but at a glacial pace based upon the state approval delays. We are actively

pursuing places in our school buildings. We will be respectful of the age of all of our students, COVID and CDC requirements will be honored. We have a number of students who are currently in other 18-21 programs who are interested in enrolling in our program.

Mr. Dani confirmed that tonight the board is voting on the application for the program to be established. He asked what is the state/county role and how long will it take?

Dr. Fenwick replied that she does not anticipate a county level delay, they are traditional programs that are understood and they have been notified prior and have been included in our future plans. The conversation about going off campus requires state approval, since they need to ensure we have safeguarded the offsite environment. That part will take months longer that we originally anticipated.

Dr. Fishbein added that the DOE is looking at this as new construction but due to the furloughed employees we will be in the queue to be reviewed after other districts who have construction projects, it was indicated by the county business administration that it could take months or longer before we are next for approval.

Dr. Fenwick added that when the delay was identified, the district went back out to the parents and surveyed to ask if they would still be interested in joining the program prior to the new facility. Each family has replied that they are highly interested in the program regardless of the delay.

Mr. Dani asked If we have a full day of school back at BF before the new facility is secured, will there be a back up plan for the program location?

Dr. Fishbein replied that the program will have its own space at BF that won't interfere, although the goal is to get them offsite.

Dr. Fenwick added that we would shift to a greater amount of time in the community if we found that being in the building was getting more complicated. Re-entry and the intended plans are subject to change and we need to be flexible and patient.

Mr. Dani discussed lease agreement and requested to review sites in the downtown area that would have a 5 year lease.

The board continued a discussion regarding sites and lease options for facilities that could house the program.

Mr. Lembo asked how many students are interested?

Dr. Fenwick replied that we currently have 11 with a few more students who have expressed interest and the possibility of bringing additional students who are now in their Junior/Senior year.

## **B. Proposed Return to School Plan**

**Dr. Fishbein**

Ms. Poelstra first shared the proposed Return to School Plan at a Special Public Meeting on Thursday, July 23. She repeated the presentation from the July 17 Regular Public Meeting, as originally scheduled. At the start of the presentation, Ms. Poelstra shared data about the severity of the pandemic in New Jersey and how the actions we have taken have helped to mitigate the spread of the virus. She then reviewed the timeline from the mandatory emergency school closing on March 13 through July 31 when the district reopening plan is due to the County for review and approval. In May and June, administrative subcommittees were created to begin to think about what the district would need to do to transition back to school. The New Jersey Department of Education released The Road Back: Restart and Recovery Plan for Education on June 26. Since that time, the district started to develop its plans based on the guidance. This process involved administering staff and parent surveys, holding subcommittee meetings, attending NJDOE/Legal One webinars, collaborating with neighboring districts, and organizing comprehensive professional development for teachers over the summer. Last Friday, Governor Murphy announced that families will be allowed to choose an all-remote option, which is another challenge facing school districts. A few days ago, the deadline for the submission of the reopening plan was changed from July 27 to July 31. We still do not have a checklist or template from the NJDOE about what needs to be included in the plan, yet districts are required to share our schedules with all stakeholders four weeks before the opening of school. This timeline reflects the rapidly changing situation, and we must be flexible and adaptable. Our goal is to have an education plan in place that allows our students to continue to learn while meeting the required health and safety standards.

The Road Back focuses on four areas: conditions for learning, leadership and planning, policy and funding, and continuity of learning. Within those four areas, there are ten critical areas of operations that districts must examine and take into consideration as the reopening plans are developed. While there are some recommendations and descriptors in the guidance, the bulk of the decision making is placed on the districts. Based on the ten critical areas of operations defined in The Road Back, the specific roles and responsibilities of the district subcommittees were determined, and school committees will be working on building specific logistics and operations through August.

Ms. Poelstra reviewed the anticipated minimum standards from the State of New Jersey that we must abide by as outlined in The Road Back. She

pointed out that we are required to social distance within the classroom to the maximum extent practicable, which means that our classrooms will look very different. Face coverings are required for all staff, but face coverings for students is a local decision. Students and staff will be screened every single day prior to coming into the building using new software to gather daily health symptoms data. Additionally, entrance into the buildings will be spaced out, and temperature screenings will be required. Every classroom will have a hand-sanitizing station, and many other protocols are being put into place to help us be as successful as possible in phase 1 of our tiered model.

Ms. Poelstra introduced the phased approach to bringing kids back to school. Phase 1, which is planned for September 1 through October 16, would include 50% reduced capacity, an A/B rotating schedule, and half-session school days to avoid lunch. She explained that the district feels very strongly that our success in phase 1 will give us the best chance to have students continue to attend school in-person. Assuming we are successful in phase 1, then the district would determine how to move into phase 2 and eventually phase 3.

Over 6,000 responses were received from the most recent parent survey, and that data indicated that 83.6% of families were comfortable sending their child(ren) back to school in September. A slightly higher percentage of families indicated that they preferred the alternating A/B schedule model versus the rotating morning/afternoon model. Regarding transportation, survey results showed that half of the parents will have their child continue to ride the bus.

Ms. Poelstra presented the hybrid model for the district which is an alternating A/B schedule (A Day: A-K and B Day: L-Z). This model allows family units to be kept together with children in a family attending school on the same days. However, there are some exceptions that may work outside of the A/B rotation. The Elementary Hybrid schedule presented has instruction from 8:45 a.m. - 12:45 p.m. Ms. Poelstra explained what the in-person and remote learning days would look like. Students will engage in in-person learning in all academic areas, and remote academic work will be an extension of live instruction. On the remote learning days, students will have live virtual sessions with specials teachers, as well as a virtual check-in with the classroom teacher. Ms. Poelstra emphasized the following health and safety measures that were taken into consideration when developing the models: no lunch, no recess, limited movement throughout the building, a four-hour threshold for masks, and ample time to implement cleaning protocols. She then shared the remote schedule should we have to move to an entirely virtual model, pointing out that based on parent feedback this schedule has a significant increase in live instruction on a daily basis.

Next, the middle school hybrid plan was introduced. The middle school hybrid schedule would have in-person instruction for half of the students on the A/B rotation, while the other half has remote instruction. All

students would have virtual instruction in the afternoon, making it a full-day from 8:00 a.m. - 3:00 p.m. with office hours until 3:15 p.m. It is important to note that for virtual instruction in the afternoons, students will be required to attend at the assigned class time and have their cameras on during instruction. Also, attendance will be taken in class. The remote schedule follows the four-day rotation with three periods in the morning and three periods in the afternoon followed by office hours. Again, teachers will do virtual live instruction using Google Meet or Zoom for all scheduled classes for at least part of the period with a check-in at the end.

The high school hybrid plan is a full-day of instruction with all periods meeting every day. Similar to the middle school schedule, all morning classes will follow the A/B rotation and all afternoon classes will be virtual. Similarly, it is important to note that for virtual instruction in the afternoons, students will be required to attend at the assigned class time and have their cameras on during instruction. Also, attendance will be taken in class. The remote plan follows the four-day rotation with three periods in the morning and three periods in the afternoon. All teachers will hold live sessions via Google Meet or Zoom for at least part of the period with a check-in at the end, and attendance will be taken in real-time for all class periods.

Ms. Poelstra highlighted some other ways that we have been preparing for reopening in September. Over 300 teachers participated in summer professional development focused on remote instruction enhancement and collaborative unit revision. Additionally, Lauren DePinto, Coordinator of School-Based Mental Health, ran two sessions for Counselors, Child Study Team members, and Specialists on Trauma-Informed Care and Building Relationships in Virtual Settings. Ms. Poelstra applauded our teachers who took advantage of this opportunity so they feel ready to welcome our students back in September. The district also purchased a variety of instructional tools that support a blended learning environment including RazPlus, Kami, Screencastify, and EdPuzzle.

Students enrolled in self-contained Special Education programs will be attending school in-person every day for a half-day. AlphaBest will also run before and aftercare programs, and students may attend these programs on the day they attend school in-person.

On Tuesday, July 28 a letter will be emailed to parents with a video link of this presentation, a parent FAQ, hybrid and remote schedules, and a survey. Results from the parent survey and our staff survey will be analyzed to determine how to meet the needs of both our students and staff.

As the governor shared in mid-July, parents will have the option to select a remote model of instruction that districts will be required to implement. The details of that model are incumbent upon the number of families who select the remote option, along with the number of staff who are unable

to return to school for the hybrid model. We will need to build the specifics of this model based on survey results, and we will do our best to create that model as quickly as we can once we have the data that we need. While we will aim to build a model that is closest to the full district remote model, the extent to which we will be able to exactly mirror that model is uncertain until we know the number of students, number of teachers, certification requirements, and other pertinent details that will come through in the survey results.

Ms. Brogan asked when moving from phase 1 to phase 2 what will be the criteria that you will look at? Will the Middle School children move from classroom to classroom? Are additional handwashing stations being installed?

Dr. Fishbein advised that a decision will be made with consultation of health officials and what is happening in the state to make that determination. The health official is in favor of the graduated approach to returning to school. Middle school will move to different classrooms since some electives, mathematics and language arts are all different and will require movement. Cleaning and disinfecting will be done to classrooms with multiple uses. Students will be taught how to wipe down their own desk/chair before they leave the classroom. Handwashing stations are good for 30-40 uses before they need to be changed, so they did not seem to be the right way to go. Elementary classrooms have sinks in them. We have increased the availability of hand sanitizer throughout the building.

Dr. Fishbein further commented that in Florida currently there is an explosion of positive cases for students under the age of 17. We are starting to see that in some of our own high school kids, the science is too young to automatically say that the younger kids will not get it. That is why he believes this measured approach is good to allow us to see what happens when we bring people together with social distancing, mask wearing and washing hands.

Ms. Kwak asked how individual IEPs are going to be executed?

Dr. Fishbein answered that there will be in person as much as we can and there will also be remote. We would rather have all in person, for the self contained program they will be in person 5 days per week, ½ day sessions.

Ms. Kwak asked how will O/T and other services be delivered?

Dr. Fenwick replied that the goal will be to have at a minimum of one in-person session, so there is real time opportunity for assessment, oversight of information and sharing back to the families.

Ms. Kwak asked would the grading policy change?

Ms. Poelstra replied that in the spring throughout grades 6-12, grading was maintained. Teachers felt students were able to demonstrate

proficiency and progress. At K-5 we understand that we need to do some assessment and diagnostics and since they will be in school every other day there will be that opportunity.

Mr. Kaufman asked while we are in phase 1 can we lock parents in from switching from one option to the other?

Ms. Poelstra answered that is a reason why we have put so much information on our FAQ, and have given parents the opportunity to review the information and digest it. We are in a tricky situation since we don't want to tell parents that they are locked out from coming to school until October. The same applies for children who come to school late, the process requires someone to screen the child and allow them in, but we don't want to deny a child from coming to school. She is hoping that parents will understand the circumstance, we will do our best to accommodate switching from remote to a hybrid option of learning but we cannot promise it will be overnight. We don't know the answers and we cannot be definitive.

Mr. Kaufman asked when we did the school tours, there was an issue with the HVAC and ventilation, some windows didn't even open, what happens in those scenarios when air conditioning is not working?

Dr. Fishbein answered that most of the classrooms have in-window units and if one does not work we would be able to replace it. As far as ventilation, the systems may be old but what brings in the fresh air are simple motors that bring fresh air from the outside. Our facility group is charged with making sure those work and we get fresh air in. There are buildings that need window replacement, those buildings have older type windows that open on the bottom.

Mr. Lembo asked what if a student misses their check in. Is that an absence?

Ms. Poelstra answered, yes, on a typical day if a student is not in school they are marked absent. In High School if a student does not attend a virtual class they will be marked absent.

Mr. Lembo asked how are children in the same family being kept on the same schedule?

Dr. Fishbein answered that students will be broken down by last name, so they will be on the same schedule. For blended families that may have different last names, we will work with those families to ensure that they are on the same schedule.

### **C. Infant Toddler Program**

**Dr. Fishbein**

- Ms. Kelly and Dr. Fishbein

At the request of the Board, Ms. Kelly gave a presentation on the Infant

Toddler Development Program. The committee members, Ms. Brogan and Mr. Dani, met with Ms. Kelly and Dr. Fishbein to compile and discuss questions from the community and Board members, upon which Ms. Kelly conducted an analysis of the program. After providing a brief history of the program, Ms. Kelly reviewed the questions and provided responses.

At this time, 57 children have been enrolled for the program for the 2020-2021 school year. Twelve children are on the waiting list, and families of 9 other children have not yet determined if they will be returning. Under the current social distancing guidelines, the maximum number of students we can accommodate is 70. Additional custodial staff will not be needed at Glen School, and the same cleaning and disinfecting products and protocols will be used at Glen School as all other district buildings. Next, she reviewed personal protective equipment requirements, explaining that the district will not be providing cloth masks to the staff, but we will be providing face shields.

In response to a question about whether the program can be outsourced for a September opening, Ms. Kelly explained that this would not be possible since it would require a formal Request for Proposals (RFP), which would take several months. She then reviewed the timeline for the RFP process. After reviewing the responses to all of the questions, Ms. Kelly provided a financial review, and she shared the estimated 2020-2021 budget based on three enrollment scenarios (57 children, 66 children, and 70 children).

In order to break even, we would need approximately 74 students; however, as previously explained the maximum under the current social distancing guidelines would be 70 students. The loss for each scenario was provided.

Mr. Dani's concern is that if there are 57 students there will be a potential for a deficit. Where will that money come from? He stated the board was not presented the data when they were asked to vote.

Ms. Kelly replied that as part of the options from the presentation, she wouldn't recommend changing the tuition rate since we are so close to the start of school. Her opinion is going forward starting with 21-22 is maybe increasing the rate more, so parents are aware of that now and that we make an effort to fill the program to capacity. In Ms. Kelly's presentation there are three suggested options to decide where the money will come from: allow the deficit, borrow the money from the general account or fund it from the general account. The decision does not have to be made until the end of the year, to allow the board to see where we are financially. If funds are not available at the end of the year, Ms. Kelly recommends to show the deficit.

Mr. Dani asked are we giving the direction of what the minimum number of enrollments is? Is it 57? What is the board's maximum exposure on this program? If the number falls below that, do we revisit? How will we account the \$304,000 from this year? Mr. Dan contacted the auditors and they recommended that all expenses for an enterprise fund should be charged to that enterprise fund.

Dr. Fishbien replied we have to commit to a decision and it is a risk. If we have to close because of an increase in the illness rate, we are in incredible times and we cannot predict. Last year we would have been in a very good financial situation without COVID. Since we continue to be in the covid situation, this is an important program for the district and the community during this time.

Ms. Kelly stated we currently have not decided on a minimum number. Ms. Kelly's recommendation for the general fund to cover the deficit has not changed, for 19-20 in the financial report we would show all the expenses and the operating transfers coming in.

Mr. Dani stated that in the long term the board has to decide how to show the money and how we will do the inspections that a general day care does.

Ms. Kelly suggested that we can take the inspection form that the state uses and we can use it and show that we follow what the state requires.

Mr. Dani said in the long term we need to run the program efficiently so the tuition funds the program.

Ms. Kelly agreed and added that since she has come to the district the business office staff has been working with the ITDC to put an effective budget together and make sure we are charging the proper increase. We increased the tuition on 19/20, 20/21 and have started charging late fees.

Mr. Kaufman stated that 3 people reported that they were not happy with the ITDC, out of the members of the community involved in the program there is overwhelming support and the benefit to their children. Believes we have to continue the program for this year and look to next year to see if we need to outsource. Mr. Kaufman asked, if we do decide to outsource in the future would they be able to use our existing staff due to the feedback from parents involved in the program? He also asked, during a pandemic do we have to pay the staff if we outsource?

Ms. Kelly stated she believes when an RFP is put together it can require that they give first offer to our existing staff. Ms. Kelly replied that he is correct we do not have to pay the outsourced staff during this situation.

Mr. Kaufman asked out of the 57 confirmed families how many are Ridgewood residents?

Ms. Townes replied there are 38 resident family children and 14 children who are in-district teachers.

Additional discussion continued amongst the board regarding feedback received from the public and the requirements of inspections for daycares.

Ms. Kwak questioned the amounts that were reported.

Ms. Kelly responded that originally when she did the projection she said \$358,000 and did an update. The amount was less because originally all the salaries and timecarded people would be charged out, but they were not since they did not work.

Ms. Kwak stated she believes we should not be taking high risk accounting strategies. She wants to support and advance education for the 5700 students and the cost, expenses, deficit should be accurately portrayed in the program.

Ms. Kelly stated that for the 19/20 school year you could show the whole deficit of the ITDC program, if we do that she is fearful we won't be able to recover. We are ending very well for 19/20, and her recommendation is to show the expenses and then transfer from the operating budget to cover the deficit. The money would be transferred into a line called operating transfer out. For the 2020-21 school year this is a decision that can be made at the end of 2021 when all of the financials are available.

## V. COMMITTEE OF THE WHOLE REPORTS

**Dr. Fishbein  
and Ms. Kelly**

- Finance
  - State Aid

Ms. Kelly advised that a week ago we received a revised state notice that our state aid will be cut by \$446,728 which they had issued approximately a month ago. At the time, we were told to wait to implement state aid cuts until we heard from the governor. On Thursday, we were informed that we had to have an approved plan on how to address the cuts and submit by August 14.

Ms. Kelly reviewed the options:

1. Use unassigned general fund surplus to maintain budgeted appropriations.
2. Request commissioner approval to withdraw from emergency reserve. She has been told that for this instance only although we have to go through the process to be approved by the county and the commissioner, it would be much easier to get approved to utilize these

- emergency reserves for this purpose.
3. Withdraw from maintenance reserve.
  4. Reduce the budget appropriations in line items that are determined to be appropriate.
  5. A combination of the above 4 options.

On July 20, we were notified of extraordinary aid for 19/20. When we applied for reimbursement for extraordinary expenses our applications were for \$3,673,233 and were awarded \$1,798,203 which is approximately 57% of the total, which is typical of what we have been getting. This means that if nothing changes and we receive this money on October 1, it is \$221,858 more than what we anticipated in revenue. We can utilize the excess funds in the 20/21 if we need it. It can be used for anything in the general fund budget by board resolution, such as for needs for PPE. She is optimistic about the money but it is subject to change.

#### Facilities

- Orchard Remediation
- Stevens Field Turf Replacement
- Replacement of Gym #3 Floor - RHS

Dr. Fishbein reported that the Orchard project is moving along. They have been working in the perimeter and in the playground area. The big equipment will arrive on Wednesday and the company feels that they can do the work pretty quickly especially the athletic field portion.

Stevens field turf is scheduled to arrive Thursday. Both the field turf and transportation company have been told they cannot arrive before 8:00 am and should not be parked waiting to deliver the material.

The High School gym floor replacement material is due to arrive starting the first week of August and the company says it will take two weeks.

## VI. COMMENTS FROM THE PUBLIC

**Mr. Lembo**

The following callers addressed the board:

Laurie Weber, 346 Irving St. The following email was sent by the director of the Infant Toddler Development Center.

Dear parents, I hope this email finds you well. As some of you may have heard the ITDC has been the topic of conversation at the recent board of ed meeting. I assure you it stems from one resident who was making false allegations about our program I encourage you to watch the webcast from the meetings held on June 29th and July 10th the next meeting is scheduled for Monday July 27th at 6 p.m. please visit the RPS homepage for instructions on how you can phone in at the beginning of the meeting, you do not have to be a Ridgewood resident to voice your concerns, it would also be beneficial to send an email support about program I am completely consumed and heartbroken by the thought of having to close I have

struggled with the decision to send this email as I was hopeful that it would not come to this. Sadly our fate lies in the hands of 5 District board members we need to come together and make these 5 individuals realize how grossly unethical and irresponsible it is to close us one month prior to our anticipated opening. Thank you for your support Lisa.

The purpose of this email is to falsely malign a 36 year resident who has spent the majority of the years actively engaged in the betterment of our community and schools and turn the focus away from information that you as consumers have a right to know. You were summoned under false pretenses, the majority of the board members have already committed to the ITDC and the items up for discussion are not specifically tied to closing the program. You've been told that one resident has made false allegations, I have not made false allegations, I was proven to make correct observations. I have asked for a couple of years why we are advertising as being licensed, when it hasn't been licensed by the state since 2015. I have advocated for licensing standards to address the health of children aged 6 weeks to preK. I have evidence that some of the statements about how the school is inspected is false. Would like to reach out to the people who use this program so they can understand what has been happening with this program over the last 5 years. Currently the ITDC submits to a local health dept. only consisting of 21 items of inspection, the state inspection consists of over 200. Can they be considered licensed, sure they can but my dog is also licensed and I would never leave him to be in charge of toddlers and babies. The word license must be consistent with the industry standard and what the consumer expects it to be. I have asked for transparent financial information. I thank Mr. Dani who is willing to address this and accept this information. The concerns are tied directly to the pandemic crisis, if the schools are ordered closed this daycare will be closed with them. If you want the ITDC to conform to the highest possible standards and not the lowest you can email me [weber07450@gmail.com](mailto:weber07450@gmail.com) Ms. Kelly, I will OPRA the document that the state has sent regarding exemption. Mr. Kaufman, there are things that you don't understand and will appreciate if you would like to speak with me, I am open to it.

Anent Marine, 626 Delaware Ave., thanked everyone for the presentation and hard work. Some parents have children with chronic illnesses who are high risk and there are elderly at home who are high risk. Dr. Fishbein pointed out that science is too young, while he applauds your goal to have the children return to school, he is glad that governor Murphy is providing parents with the option to be fully remote. Would like to see the presentation and FAQ talk about how the full remote option would work. The presentation does not have enough time about the topic. Fully supports Mr. Dani's comment from a previous meeting that advocates giving our town residents

a choice to send the kids to school or not. For the parents who vote for the remote option the kids should not feel like they are missing out on school time. The teachers should be on call and videoconferencing with the students.

Stefan Galangihay, Oak St. voices support for the gifted and talented program, recently it has been required by state law to offer one. When he thinks about the offerings including sports, arts, languages, but pure academics is not a strong suite as Tenafly and Princeton. Those towns have a gifted and talented program and he offers his support to adopt a program. It doesn't benefit just those who benefit from the program; it establishes us as a high level of learning and inspires others as well and creates a good culture as learning. He is not familiar with the development of the program, but supports its adoption in a timely manner.

Marlene Burton, 123 Liberty St., realizes that the formulation of plans for the reopening of schools is of the utmost importance, there is another challenge facing the district. In January Governor Murphy signed into law policy A4710, the Strengthening of gifted and Talented Act. It requires a coordinator for the gifted and talented be appointed at the State level. The DOE is asking for the districts to identify teachers, parents, students to serve on the advisory committee, she would like the opportunity to serve on this committee and is offering her services. She asked who in the district is responsible for implementing the law and who of the 5 board members is serving on the committee?

Brenan Heffernan, 992 East Glen Ave. calling as a parent of a real child at the ITDC who has contacted members of the board over the last few weeks, he is a well informed citizen, career educator for 17 years, been involved in education at every level, also an administrator at a local school district. It is important to defend the parents who have become involved, they should be celebrated for being involved and supporting the district. They are well informed, talented and caring people. He wants to celebrate good education when he sees it, when his daughter was born he looks at multiple day care centers and when he walked into the Glen school he know that it was a special place and program the educators are not just educators but people who have dedicated their life to take care of other people children for a low pay. They are part of the children's lives and family while there is no plan to shut down the itdc it is important to put on record that it is a good program and resource for the community and the foundation of Ridgewood education. It is a happy, safe environment and well serves the community and anything that can be done should be done to preserve the program and celebrate the employees. Wants to celebrate Dr. Fishbein who has proven himself as an extraordinary educator, thanked him for the work he is doing for the community.

Mike Yannone 320 Kenilworth Rd. resident, parent of Ridgewood student and president of the Ridgewood Education Foundation who are your

children's teachers, counselors, therapists, nurses and office secretaries. They are nervous and scared because the principals have yet to outline unique safety protocols for our buildings, we know this is an airborne virus and the bond referendum that was being considered was supposed to go to upgrade our HVAC system. The school buildings have windows that only open a few inches and many rooms don't have temperature controls. Scared that the students will not social distance and in many rooms is not possible. Primarily scared of getting sick and bringing the virus to our families, 52 percent of us are high risk or live with someone who is high risk or care for someone who is high risk. The other 48 percent are worried about our colleagues and their families. We know teachers and students can get sick, and we know this because they have gotten sick during the spring season. These illnesses occurred while we were at home. The recent outbreak in town among high school aged children is alarming and questions the safety of returning. We love and miss students but only want to return if it is safe. This meeting of 9 members is being held via zoom but he is being asked to have 14 people in a space half the size of the board room. The building's safety protocol is another piece and looks forward to an FAQ document that outlines the safety protocols for the buildings. He thanked everyone for their work.

Emily Rizzo, RHS alum, extremely concerned for teacher's safety and hopes the BOE continues to think and prioritize their safety. Extremely concerned about schools' neglect in addressing racism in our public schools. Ridgewood for black liberation formed by alumni and students have shared a list of demands to address the forms of racism in the Ridgewood Public Schools. From her own experiences the district has failed her and it took her to go to college to see how supremacy affects the world and wants to know what the BOE is doing to address racism. There is a very clear pattern of discrimination in the RPS. There are no guidelines for identifying racism and teachers get away with explicit forms of discrimination.

Miram Berger, alum of RHS, wants to talk about a crisis that our school is facing, racism should be addressed and students have been sharing their thoughts and experiences regarding racism and has had her own experiences that were unaddressed. The Ridgewood Black Liberation has contacted the board with a list of demands that include training for teachers about diversity and a full list of other thoughtful demands that are urgently necessary. Ridgewood has seen multiple marches and the fact that the BOE has not made a formal statement is concerning. She wants to know how Ridgewood Public Schools will address the issue and fix the harm that it has caused lots of students.

Laurence Fine, current RHS student, echoed Mr. Yannone's comments, regarding the additional work that needs to be done to make sure students social distance in school. Also the topic of racism in our schools is becoming a big issue and the instagram account has been documenting the incidents of discrimination that have happened in the Ridgewood Public Schools.

People are not born racists, it is something that is taught. We have few black teachers and especially for kids growing up in this district a lot of the black people they see are janitors and custodians and it shows these are the type of jobs for black people versus white people. There is a lot of work to be done to make sure our faculty is diverse and reviewing curriculum to make sure students learn about implicit bias.

Jessica Larsen, Glenwood Rd. in reopening schools safety is paramount and appreciates all of the work. Why is there a unified experience for K-12 when the developmental needs for those ages is drastically different and the students ability to be alone at home is drastically different between elementary school and the high school? Has there been discussion to differentiate by age groups. Want everyone to work with the community so that the community members can go to work and pay the taxes to support the schools.

Samantha McCarthy 153 Oak St, echoed the sentiments regarding racism. Black Liberation for Ridgewood and @rhsamplify have identified instances of interpersonal and systemic racism and the Ridgewood police brutality. The time is now to talk about it. The demands are:

Work to actively combat interpersonal racism through a combination of antiracist training for teachers, dismantle the eurocentric curriculum by introducing new curriculum, hire and retain more black teachers staff and leadership, remove barriers for marginalized students for race, economic equality for support and sports opportunity, take a 3rd party audit to evaluate indicators such as extracurricular activities, etc., maintain an office of diversity to aid the district in the reforms listed.

We stand with teachers and recognize the serious health risk with in person schooling in the fall and recognize the inequities in social distance learning will affect low income and minoritized students.

## VII. CONSENT ITEMS

Dr. Fishbein presented for consideration A. Attendance at Conferences.

Mr. Lembo moved approval of A. Attendance at Conferences.

Ms. Brogan seconded the motion, which carried by the following roll-call vote:

AYES: Ms. Brogan, Mr. Dani, Mr. Kaufman, Ms. Kwak, Mr. Lembo

NAYS: none

### A. ATTENDANCE AT CONFERENCES

The Ridgewood Board of Education, upon the recommendation of the Superintendent of Schools, approves Attendance at Conferences, as listed on **Attachment A**.

**Dr. Fishbein**

Dr. Fishbein presented for consideration B. Administration.

Ms. Brogan moved approval of D. Human Resources

Ms. Kwak seconded the motion, which carried by the following roll-call vote:

AYES: Ms. Brogan, Mr. Dani, Mr. Kaufman, Ms. Kwak, Mr. Lembo

NAYS: none

Ms. Brogan thanked Ms. Kelly and added it has been a pleasure working with her, it has not been an easy time and this fall proves to be more challenging. She wished her luck at her next job.

Mr. Dani echoed Dr. Fishbein and Ms. Brogan's comments, he has troubled her with his OPRA requests and has always received the details and answers and appreciates her always responding.

Mr. Kaufman stated that we are losing a valuable member of this administration. It's a shame and he is sorry to see her go.

Ms. Kwak echoed everyone and wished Ms. Kelly the best.

Mr. Lembo stated the service to the district was uncanny and wished her the best.

Dr. Fishbein presented for consideration E. Finance.

Ms. Kwak requested to exclude ii. Approval: Plan on How to Address the Reduction in State Aid.

**E. FINANCE**

**Dr. Fishbein**

**i. Acceptance of Restricted Donations:**

**Dr. Fishbein**

The Ridgewood Board of Education, upon the recommendation of the Superintendent of Schools, accepts the following restricted gifts for the **2020-2021** school year, to be used as indicated.

Donor	Amount	Use	Account Number
The Allstate Foundation	\$500	To be used to promote Driver's Ed Safety	20-055-100-890-00-36-036-001

<b>TOTAL</b>			<b>3,275,611.04</b>	

Mr. Dani moved approval of all bills reviewed by him.

Mr. Kaufman seconded the motion.

Approval of Bills carried by the following roll-all vote:

AYES: Ms. Brogan, Mr. Dani, except for the bill that has his name on it, Mr. Kaufman, Ms. Kwak, Mr. Lembo except for the bill that has his name on it.

NAYES: none

The board began discussion on the items that were previously removed.

iv. **Approval: Approval to Submit a Request to Establish a New Program: 18-21 School Transition and Employment Program for Student Success (STEPSS)** **Dr. Fishbein**

The Ridgewood Board of Education, upon the recommendation of the Superintendent of Schools, approves the submission of a request to establish a new program.

The Board has received background information.

Ms. Kwak moved to separate the item and approve the establishment of the program and separately approve the site, due to concerns about hosting it in a basement.

Dr. Fishbein explained that we are not currently approving a contract on a rental space on this proposal. Item iv. is solely to approve the program. Any rental agreements would come before the board for approval.

Ms. Kwak withdrew her motion.

Dr. Fishbein commented that the space that has been looked at is a wonderful space that is very modern, it is an excellent location to provide the program that we want, it is in the middle of downtown that has access to public transportation, stores and facilities and everything we need to teach these young adults life skills.

Dr. Fenwick further added that prior use of that space had been with children.

Mr Kaufman moved approval of iv. Approval to Submit a Request to Establish a New Program: 18-21 School Transition and Employment Program for Student Success (STEPSS).

Ms. Kwak seconded the motion, which carried by the following roll-call vote:

AYES: Ms. Brogan, Mr. Dani, Mr. Kaufman, Ms. Kwak, Mr. Lembo

NAYS: none

Mr. Dani stated that he votes yes based on the assumption that we will have a long term commitment on the rental.

Dr. Fishbein reminded the board that they are not approving a rental agreement at this time and the vote is sending for approval from the county on the addition of the program.

ii. **Approval: Plan on How to Address the Reduction in State Aid**

**Dr. Fishbein**

The District's reduction of State Aid is \$446,728. Districts experiencing a reduction in state aid have the following options by board resolution:

- Use unassigned general fund surplus to maintain budgeted appropriations
- Request Commissioner approval to withdraw from emergency reserve
- Pursuant to N.J.A.C. 6A:23A-14.2(d), withdraw from maintenance receive to cover budgeted required maintenance costs
- Reduce appropriations for 2020-21
- A combination of 1,2,3, and 4 above

Ms. Kelly stated that we have \$500,000 in emergency reserve and \$765,540 in maintenance reserve.

Dr. Fishbein provided his recommendation. Emergency reserves can be used on special occasions where medical insurance goes above 2% to flatten out the increase. The state is making plan changes. He suggests since we don't know what the future holds, is to expend the reserve money and hold the other money for future cuts.

Ms. Brogan asked when you take out of emergency reserves usually its for health insurance or security, are those requirements waived?

Dr. Fishbein replied no but we were told we can ask for permission and

anticipate some flexibility. If the answer is no, we have to come back to the board.

Ms. Kelly stated that we have to tell the county what our plan is. It would be considered a budget adjustment increase the revenue side in emergency reserve. It does not have to be put into our health care cost. When we apply if it is due to the unforeseen circumstances with covid, that would be the explanation.

Ms. Brogan asked if it makes sense to take some from the maintenance reserve and some from the emergency reserve, and not drain the emergency reserve completely?

Mr. Kaufman replied that he also recommends the same option that Ms. Brogan suggested.

Ms. Kwak asked about the \$221,858 in excess funds when we receive in October where it is reflected.

Ms. Kelly stated it falls in surplus and then the board can either leave it alone or if we feel during the year we need it for a shortfall of expenses in a particular area you can do a board resolution to move it.

Mr. Dani can we provide a plan that is 446,000 - 221,000 that is 225,000 that we only return 225,000 from our reserves and include in that letter that we are getting 221,000 extra aid that we were not anticipating earlier?

Dr. Fishbein answered that there is a caveat in the letter that we are getting the money in October if the budget works out.

Ms. Kelly said they are two different types of aid and may not be able to do that.

Mr. Dani stated that we only put 200 extra in the emergency reserve, and put 700 more in maintenance, so we can take 246 from the maintenance reserve and not have to return it to the maintenance reserve.

Mr. Kaufman raised his concern that with discussions on HVAC and windows, we may need every cent currently in maintenance reserve.

Dr. Fishbein stated that we do not have to return money to the maintenance reserve.

Mr. Dani asked when are the times that we can use money from the maintenance reserve?

Ms. Kelly replied it can be appropriated during the year if you need it or

you can do it as part of the budget, it does not have to be returned back to the original number.

When asked for her opinion, Ms. Kelly said that splitting the amount is a good idea so you don't deplete either account.

Mr. Dani moved to amend the motion and that the state aid reduction will come from 223,364 from emergency reserves and 223,364 from maintenance reserves.

Ms. Brogan seconded the motion, followed by the following roll-call vote:

AYES: Ms. Brogan, Mr. Dani, Mr. Kaufman, Ms. Kwak, Mr. Lembo

NAYS: none

## **VII. BOARD MEMBER ANNOUNCEMENTS**

Mr. Lembo saw a news feed article that Ridgewood is the 4 best town to live in New Jersey and one criteria is the schools.

## **VIII. BOARD COMMITTEE REPORTS**

**None at this time.**

## **IX. COMMENTS FROM THE PUBLIC**

The following comments were submitted online:

Gail Cutler, 11 Ethelbert Pl., There seemed to be a lot of disagreement from commenters as to how at-risk children are; this was in The NY Times today & I think it should be seriously considered:  
<https://www.nytimes.com/2020/07/18/health/coronavirus-children-schools.html?referringSource=articleShare>

Rebecca Lubell, 925 Norgate Dr., I would like to know what air systems will be put into place in the classrooms? What barriers will exist between the students? How will pull outs work for OT, Speech, etc...? This information will be essential for us to formulate a decision. Thank you for your time and hard work in an effort to do what's best for our community.

Annamaria Volpe, 84 Heights Ave., To Whom It May Concern:

I am saddened to hear of the possible closure of the Infant Toddler Development Center. I have worked for ITDC since September 2002. This was not just a job for me, it became my second home. ITDC has been caring for children for over 30 years. I have seen generations of families come through this school. Parents have referred to other parents, friends, and family members to bring their children to ITDC because it has such a family-oriented and nurturing environment for each child. ITDC has been a vital part of Ridgewood Public Schools for many decades. My coworkers and I have spent countless hours

building solid foundations for children throughout the years, even our very own superintendent's children passed through ITDC as well. I know many people who work in other daycares, some of them in Ridgewood, and there's by far no comparison to the Infant Toddler Development Center.

ITDC is not just a school but it's a place where children have learned social, developmental, and cognitive skills. It's a place where memories and friends are made every day. ITDC provides a great service for our community and the surrounding communities that have always been extraordinary even after so many years. When it comes down to quality and top of the line care for your children Infant Toddler Development Center is the place where you will find it.

Christina Volpe, 84 Heights Ave., I have been working at Itdc for 16 years. ITDC is not just a school it is a family! I would not be where I am today without the love and support of the children and staff at ITDC! ITDC has always proven to be a school with many positive things! We've cared for, nurtured and grown with families for many years! I've enjoyed every day coming to work ready to do my job with a smile and a positive attitude because ITDC is the place to be.

Lisa Gilgen, 61 Pershing Ave., Hello - has the reopening committee considered having the high school meet remotely in the mornings and in-person in the afternoons? Would seem to make sense for after school athletics and other events. Also, will the high school sessions start at 830 as we did in the spring? This seems more conducive to students' sleep cycles.

Mrs. Carolyn VanderWall, 21 Brearly Crescent, Flanders NJ, I worked at I.T.D.C. for 20 years as a teacher of the Preschool class. I.T.D.C. has had an important place for children and parents in Ridgewood and the surrounding area. They receive safe and high-quality care and learning. This is such an important place! The facilities are wonderful, with plenty of outdoor play areas, a needed gym and very clean and bright classrooms with their own bathrooms. Those who work there love children and give 100% to their jobs!

I believe it is important to have a special place like I.T.D.C! If this center was not there it would be a great loss to the children, parents, and community.

Since I've been retired I still have a connection with many of my former students. They and their parents continue to express the wonderful memories and valued teaching they received.

I strongly urge the B.O.E.to to keep the I.T.D.C. open and continuing to serve the community!

Kathryn Morris, 320 Highwood Ave., Dear Dr. Fishbein and the Board of Education Members,

My name is Kathryn Morris, I am a mother of three children, ages 6, 3, and 1. Our family is currently enrolled in the Infant Toddler Development Center (ITDC) and has been a part of the community since the Fall of 2016. My oldest completed three years, 2's thru PRE-K 4, my son started as an Infant and is now heading into the PRE-K 4 room with his best buddies since infancy, and my youngest was in the Infant room until COVID. We firmly believe in the benefits of this program for our children and their educational development. The director and staff create a loving environment for kids to play and learn.

This school is more than just a place our children go during the day, it is an

extension of our home and family. The teachers and staff compassionately nurture the students so they can thrive as well as foster a space of kindness for friendships to bloom. The consistency and continuity provided throughout the day is something our children are desperate for right now.

I strongly urge the board to let ITDC remain open for the 2020-2021 school year. Our lives and the lives of our children (and all of you) were upended in March. We have spent the last few months mourning the lost moments; gym games, science experiments, art projects, field days, and feeling of togetherness as a community. The children are longing for that feeling back. My son's class held weekly zoom meetings for the students and teachers to connect; we looked forward to those moments. With school due to open in the next six weeks, it seems short-sighted as well as short notice to close a program that so many people rely on. You are not only hurting the students and their families but the teachers and staff who rely on these jobs. I implore you to explore a more compassionate way to address the budgetary issues and one that considers the long term impact of such a decision.

Sara Sethi, 210 Gateway Road, Thank you for your planning and consideration regarding schools reopening this September.

I'm very concerned about the proposal for our K-5 students; specifically, the condensed hours of in-person interaction that they will have. Why do they have less class time than our middle schoolers and high schoolers, when virtual learning will arguably be most difficult for them, our youngest students? Especially our kindergarten students, who have not yet had the chance to form relationships with their new schools, administrations and teachers in-person, and who likely do not have the attention spans for hours of virtual learning?

The proposed "hybrid" plan seems to give our children less than either option offered on the survey - half days every day, or full days every other day. With the understanding that our children's and teachers' health are paramount, if we are opting to open schools at all, why not do it in a way that best enriches the lives of our Ridgewood population?

Please consider a plan that extends the K-5 day to 3 pm as the older students' plan does if the class will only be held every other day. Or alternatively, please offer the option of class 5 days a week (with a break between the A/B groups) if only half days are possible. It is my understanding that our neighboring district, Glen Rock, is offering half days all 5 days of the week - why isn't Ridgewood?

Note that as many other parents have mentioned, K-5 students will largely require supplemental daycare for the hours that schooling is not offered, since they're not self-sufficient like our older students, potentially exposing them to a larger, more varied population of kids and germs, not to mention putting a major financial burden on working parents. Our youngest students deserve as much in-class time as our older students.

Thank you again for your thoughtful consideration.

Kristin Reilly, 21 Austin Pl., I am writing in regard to the recent discussion about Ridgewood's Infant Toddler Development Center at the Glen School. I am an RHS 1990 graduate, current Glen Rock resident, and parent of two young children at the ITDC. My contact with the school dates back to the 1990s, through my younger sister, Meaghan Reilly, who, along with fellow RHS '96 classmate, Katherine Lavery, spent their summers home from college serving as classroom aides in the infant room. This opportunity afforded them their first

professional experience in child care, one from which they both went on to teach at private schools for autism and then followed up with long careers as educators in the NYC and Denver public school systems. Fast forward some twenty years, when I had my own child, this center was my first choice to enroll my infant. Due to the popularity of the school, I put my name on the waitlist and ultimately secured a space 3 years later, enrolling my two-year-old and four-year-old in Sept of 2019. During this past year, they have benefitted from the dedicated, caring instruction of Ms. Katrina and Ms. Dawn, and the many unique programs offered by the school -- from music classes with Miss Pillow, "Friday Friends" inclusion program with RED students, the annual Halloween concert and enjoying daily fresh air in the outdoor play spaces dedicated to each classroom.

At a time when the pandemic has amplified inequities, and the role of education as an economic leveler becomes ever more important, I call on Ridgewood BOE to take the long view and recognize the value that this institution brings, not just to the students it serves but the overall community: to the Ridgewood teachers who depend on the ITDC for childcare, and who may otherwise be forced to take FMLA leave, to the budding educators like my sister and her classmate whose experiences served as the foundation for lifetime careers in education, to the Salem Ridge residents whose property values appreciate by proximity to such a successful program. ITDC will return to profitability (not many other preschools can boast a 3-year waiting list!). It would be a great loss of a well-regarded and very unique Ridgewood institution. Please give it the support it deserves.

Bethany Rose, 128 Linwood Ave., I am reaching out to show my support of Ridgewood's Infant Toddler Development Center at the Glen School. I am very concerned there is even remote consideration that this vital program would not continue in the upcoming 2020-2021 school year.

I remember my first visit to ITDC like it was yesterday -- my husband Kevin and I did not yet live in Ridgewood but we were considering a move from Jersey City and came to see ITDC with our 3-week old daughter Maya. The director took us on a wonderful tour and I was struck by the caring and passionate educators I observed that day, each taking a special interest in Maya as a potential child who would be under their care. I was immediately impressed that the Ridgewood Schools had this exceptional educational program for children in the critical developmental years before Kindergarten. Further, as my husband and I both work full time, the service is indispensable to our family.

My husband and I decided Ridgewood was the place we wanted to raise our family, and ITDC's existence was a big part of that. So we put in an offer on a house and Maya started at ITDC at four months of age. What followed was five incredible years with an educational community, served by talented educators and staff who now feel like part of our family. Today, Maya is ready to move on to Kindergarten, well-equipped for success and our seven-month-old son Beckett will start at ITDC in September for another five wonderful years.

I want to recognize the crucial and tireless work of the teachers and staff at ITDC. Please do not even consider for a moment the discontinuation of this essential and unique program. I urge you to vote to ensure the continued service of the ITDC program to the Ridgewood Community.

Denise Peragine, 16 Westervelt Pl., I was employed by the Board of Ed as an

assistant teacher at ITDC from September 2006 to June 2014. At the time it felt like a family. The staff is loving and caring. The children were cared for with love and compassion. The 3 and 4-year-old programs prepared them for grammar school. When they graduated from ITDC we felt they were well equipped for the next challenges in their life. I feel it would be a mistake to close the center and deprive future children of such a wonderful experience. Thank you for your time.

Michael Yannone, 320 Kenilworth Rd., I would like to thank Antoinette Kelly for her time and service to the district. It has been a pleasure working with her and while her time in Ridgewood was not as long as I would have liked, Ridgewood is better for her contributions. I wish her the best of luck and again thank her for all she has done. She will be missed.

Beth Fischetti, 381 Elliot Place, I am writing in full support of keeping ITDC open and running. My son attended ITDC from the age of 10 months to 5 and 1/2 years old (Sept. 2015 through June 2020). (I am also an RPS teacher.) My son had an AMAZING experience with all the teachers and staff at ITDC throughout his four and a half years, and therefore, so did me and my family. The teachers and staff are dedicated, knowledgeable, thoughtful, and loving. It is a family. This is an unprecedented time for all of us – for INNUMERABLE REASONS -- and removing childcare at this critical time creates unnecessary stress and hardship for all of those involved. Please consider the families and staff of IT/DC and keep it open. Thank you.

Anne Loving, 342 South Irving Street, Thank you to the five elected officials on the Board of Education for all that you are doing. I know this has been an especially difficult and challenging time for you with the COVID Pandemic.

I am writing to urge the Board of Education to please consider returning the Infant Toddler Development Center to State of New Jersey licensing. Under the current system, the ITDC is only inspected by the Ridgewood Health Department, meaning that only a handful of criteria are checked. When the State does the licensing, there are over 200 health, environmental, and safety items that are checked and must be satisfied. Although I am long past having children of this age, it is very dismaying to me that The Ridgewood Public Schools are operating this daycare with only the minimum of safety requirements. Why wouldn't we want the absolute best for the children?

I also have serious concerns about the finances. There are children who do not live in Ridgewood who attend the ITDC. In a year when the ITDC does not bring in sufficient income to cover costs, the Ridgewood School System (therefore we, the taxpayers) makes up the difference. This means that I am subsidizing daycare for children who do not even live in Ridgewood. This makes no sense to me.

It is glaringly apparent to me that the Ridgewood School System should not be running a daycare center with minimal safety standards and which dips into my pocketbook to cover costs for non-resident children. There are so many, MANY items that demand your attention and close supervision, so it would make sense to me that you get out of this business for the reasons stated above, but also because it would free you up to focus on other issues.

Thank you for considering my suggestions.

Katrina Middlebrooks, 222 South Broad St., My name is Katrina I have lived in Ridgewood for 47 years and I have a child in Ridgewood public schools. I work for ITDC I am writing in support for ITDC to remain open during the BOE meeting on 7/23/20 there was discussion about how there was nothing said about ITDC closing but if you listen to what Ms. Kwak and Mr. Dani were saying after Laurie Weber called in during the BOE meeting on 7/10/20 sounded very much like they didn't want or think ITDC should reopen. What also caught my attention during that meeting was Ms. Kwak saying that the board should focus on our real children K-12. I will have you know Ms. Kwak that the children at ITDC are very real and they are loved and taught by professionals. Some of our children are also children of Ridgewood public school teachers and you sit on a board that supports our school community so you should be careful with the words you use and the comments you make. ITDC is just as important as K-12.

Katie Corcoran, 337 Downs Street, Good evening,

I wanted to express the sadness that I felt when I learned that ITDC may not be permitted to continue providing a safe and nurturing learning environment to children in the upcoming years. Both of my daughters now ages 10 and 6 are products of ITDC and we could not have been happier with our time there. Their friends that they made at ITDC continue to be some of their best friends as they moved onto Travell Elementary school. To this day, the teachers at ITDC are the ones that my kids ask to go back and visit!

The teachers, aides, and assistants at ITDC, as well as Lisa Kontos, the director, are kind and caring and provide a safe place for kids to learn how to socialize, behave appropriately, and grow academically.

I have nothing but praise for the program and think that it is sad that in a time when families are already feeling unrest and uncertainty, especially as it pertains to child care challenges in this unsettled climate, this program may lose its footing. I know that many teachers in Ridgewood use ITDC for their childcare needs and, as an educator myself, I understand the importance of having a trusted childcare program in place for what promises to be a roller coaster of a school year.

I implore you to reconsider how important and valuable this program is to so many people in our community.

Anabelle Andon, 313 Woodside Ave., I am a parent of 3 children, 4, 6, & 8 years of age. While my oldest and youngest are typically developing, my middle child is a precocious child who loves learning. He, in fact, taught himself to read before he was 3. A rising 1st grader, he learned how to divide and multiply this summer. Now, while I understand that all children are exceptional, I would like to work with Ridgewood Public Schools so that children like my son receive the services they need to thrive. Last Spring when schools closed, and because everyone had to scramble to move all in-person instruction online, children at both ends of the spectrum received less attention. My son, who at that point was reading at a 4th-grade level, was asked to complete work on letter names and sounds for 2 months. I supplemented at home as I was able, but I'm concerned about him having to do the same next school year. I am my child's best advocate, and I hope the Board considers my story as they develop a way to address the needs of gifted students. I understand these are extremely challenging times and I thank the Board for their tireless work in serving our students during these incredible times. I am willing to serve as a parent

volunteer to serve on a committee that will draft a proposal on Gifted & Talented for the Board's review.

David Rossi, 17 Evergreen Street, The nation's pediatricians have come out with a strong statement in favor of bringing children back to the classroom this fall when they can do so safely. The American Academy of Pediatrics' guidance "strongly advocates that all policy considerations for the coming school year should start with a goal of having students physically present in school."

As the father of a middle-school-age child, I couldn't agree more. During the "lock-down", my son became very withdrawn, despondent, irritable, and depressed. He was frustrated that he found it harder to advocate for himself like he was accustomed to. An extremely important skill he'll carry with him throughout his life. He felt his teachers, while trying as hard as they could, didn't understand him any longer. His grades have slipped and his confidence has taken a beating.

In March, no one knew what the outcome would be to closing the schools and moving to a remote learning curriculum. But here in July, we know more about COVID. We know who is most susceptible, who are the most at risk, and most importantly, we know how to protect ourselves.

Opening can be done safely. Opening can be done responsibly. Opening is critical.

Himanshu Shah, 635 Kenwood Ave., Thank you for putting the plan together to safely open schools in September in a short time with changing directives. I must say that remote or asynchronous learning for a 5-year-old is nearly impossible. Our experience hasn't been positive so far. They need constant adult supervision during remote sessions. At least my son, who is camera shy, wasn't participating during interactive sessions or stayed more than 15 min in front of the computer. I strongly recommend considering options that allow elementary students to have in-person sessions daily for half-day (modified AM/PM option) instead of having a "One size fit all" approach for all levels of kids.

Gianna Adam, 562 Morningside Road, As the COVID numbers continue to be consistently low, why aren't we presented with an all-day school option for elementary grades?

Elizabet Timofeeva, 170 Washington Place, Based on the presentation on Thursday, July 23, and subsequent discussion, I would like to raise several comments that I hope the Board will take into consideration.

1) "Half session school days to avoid lunch" during Phase 1 was given as the reason in the presentation for in-person instruction. It is unclear why avoiding lunch is the key reason for such a decision that very heavily impacts students, teachers, administrators, and parents. Why can't students bring their own lunch to eat in the classroom as well as cafeteria and gym spaces as well as outdoors which are otherwise unused?

2) Is it correct that if the AM/PM option was chosen, then students would be spending more time at school for in-person instruction, as opposed to the A/B rotation option? Was the decision for choosing the A/B option based on the results of the parent survey (it seemed so during the presentation)? If so, it should be noted that the questionnaire was not clear enough what the A/B option would entail (i.e. half session in-person school days, half on-line

instruction). Relating to point 1 above, avoiding lunch would be possible under AM/PM option...

3) The opening up of schools is presented in a phased approach. What conditions have to be met to move to phase 2 and then phase 3? Are there specific and measurable targets that have been identified?

Andrew Schwartz, 219 Gateway Road, What will be the district's protocol when a student or an employee of the school system tests positive for COVID-19? What is the threshold for shutting down the school when someone tests positive? How will you notify parents once there is a positive test?

Zachary Schwartz, 51 North Mountain Ave., After extensively meeting with numerous preschools when we were pregnant, we chose the Ridgewood ITDC to provide child care for our son, Oliver. ITDC took great care of Oliver from 6 months old all the way through Pre-K. We had an excellent experience with the staff and administration at ITDC and felt that they genuinely cared about the overall well-being and development of our son. They were always very attentive and engaged and we fully trusted them to provide a supportive environment as well. Additionally, our son Oliver loved his ITDC teachers and classes each year and we never had a day where he didn't want to attend school. He also enjoyed the summer program with ITDC every year as well. While we only have one child, we have always recommended ITDC to others and will continue to do so.

Linda McNamara, 575 Knickerbocker Road, In regards to the discussions focusing on the Infant Toddler Center, I believe the concerns center on some very basic principles: 1) Proper accounting practices which would show actual costs to run the program and money from the general budget needed to balance the books; credits and debits. 2) Ensure that we have regular independent inspections of the facility. 3) How can we maximize optimum use of Glen School as space is now an issue: Should we consider reopening Glen as a public school, doing the necessary updates to bring it up to code for that possibility. In conclusion, I am very appreciative that the BOE is looking into the operation of the Center and allowing for public comment.

Katie Bielicky, 697 Wyndemere Road, I am writing this letter in support of the Infant Toddler Development Center, imploring you to keep it open for the 2020 - 2021 school year.

The ITDC has been a second home to my two children, Declan and Regan, for 4 ½ years. After touring multiple childcare facilities I was drawn to the feeling of love the teachers provided to each student. The friendliness of the staff is unparalleled, as is the enthusiasm they give to each child's growth and development. The classrooms are clean, well-maintained, and safe- everything a parent could ask for in a facility that is the primary place for their children to grow and learn while their parents are away at work.

As a Ridgewood Public School teacher, it is my job to be a surrogate mother to 24 of Somerville's 3rd graders. These students receive a top-notch education in an environment where they feel loved, heard, seen, safe, and supported.

The teachers at ITDC do the same for my own children. These selfless employees have volunteered to keep our children safe as we have been asked to go back to work. These women are not simply numbers, they have their own families to take care of.

Thank you for choosing to keep the ITDC open for the 2020 - 2021 school year. I am confident that you will keep your employee's best interests in mind and find a creative way to allow our children to return to their second home.

Chelsea Beser, 69 Sherman Pl., I am considering having my children participate in the virtual option, but I would love to see more details on what it will look like. Right now it seems like nothing more than a footnote to the reopening plan, but it would seem that it would benefit the community as a whole if those who can keep their children home did so. It would allow for smaller class sizes for those who need to send their children and would remove more vectors of possible transmission to the staff. In addition, it would allow staff who cannot attend in person to remain employed. It would seem beneficial to all to have this option be robust and well thought out.

Thomas Trubac, 91 Dora Ave., My name is Thomas Trubac. I am currently a teacher in the district, and have two kids. One of my kids was lucky enough to go through the Infant Toddler Day Care, another is currently enrolled. I am writing tonight in support of the daycare center and the amazing people who work there. I am constantly in awe of the professionalism and the care that the teachers and assistants provide. It always amazes me how they can get one and half-year-olds to sit still, listen to a book, and line up on a line with what appears to be such ease. Every single member of that building works extremely hard to treat every child as if they were their own.

It saddens me to know that there is a member of the community who has a grudge against the program and would like to see it shut down.

This daycare is vital to the teachers who use it for their own kids but also to every other parent who sends their children. There is no better way for these kids to be introduced to the world of learning than at the Ridgewood Infant Toddler Day Care. As a district, we should be proud of the wonderful work they do and the amazing things they do for our children.

Rebecca Rubenstein, 201 Woodland Ave., A huge thank you to the Board of Ed administration and Trustees for all their hard work navigating these uncharted territories.

Robin Fisher, 412 North Monroe Street, Is there a chance of reaching out to NJ transit and re-routing the bus from GW to Willard area to the new dismissal time? When will a special education-specific meeting be arranged so that parents can make an informed decision as to whether to choose in-person or remote learning?

Sarah Macone, 432 Overbrook Road, Dear Dr. Fishbein and the Board of Education Members, I am writing this comment in support of the Infant Toddler Development Center, urging you to keep it open for the 2020 - 2021 school year. When I was expecting my first child, I spent a lot of time researching childcare. As a teacher myself, I was immediately drawn to the Infant-Toddler Development Center (ITDC) because it was clearly a place that was supportive of working parents, especially teachers. That type of community is unusual, and knowing my children were in excellent care has allowed me to stay in the profession all of these years. My experience over the past four and a half years has exceeded my expectations. The teachers and community at ITDC have

become our second home and part of our family. This community has helped us establish roots in Ridgewood. The teachers and administrators at ITDC are exceptional; they are kind, loving, and they consistently give their all to help raise our children as they would their own. My two children have been at ITDC since they were infants, and they are who they are today because of the support and love we received from this community. This past spring was extremely challenging as an educator and a parent of two young children. My children missed their teachers and their friends tremendously. With September approaching quickly, teachers are being asked to enter the front lines and do whatever they can to help provide a sense of normalcy for their students. Our children desperately need this normalcy too, and if ITDC closes, mere weeks before the start of school, our children will be robbed of the consistency they are craving and requiring after months away. Please do whatever is possible, using creativity and compassion, to avoid closing ITDC in September. Thank you.

Ann Malbin, S Hill Road, It would be so much better if the children had a 5 day week. Consistently. Millburn/ShortHills has chosen two daily half sessions: 8:30-12:30 and 12:45-3:45 Monday thru Friday splitting the class in two, each half gets half a day. The children each have their own Sanitizing wipes to wipe down their chair/desk upon arrival/departure. I also think utilizing the gym/auditorium for the entire Kindergarten, divided into classroom sections, would free up multiple classrooms to allow for more classes. And there are sections of the Hall throughout the Ridge building which could be set up for a class and so would also free up classrooms. We need to get these children back in school full time, full days as soon as possible.

Beth Hays-Stevens, 119 California Street, if RHS will have 20 minutes of teaching then students self-teaching, then back to check in for attendance, the grading system will have to be set to Pass/Fail. Students should not be expected to do the majority of teaching themselves. Many core classes do not lend themselves to self-directed, solo work (i.e., Chemistry). This type of minimal instruction across the board will not only fail our students but will cause even greater numbers of families to make alternate educational plans. If students are going to self-teach for the majority of their school time, why would parents risk the exposure of sending them to school?

Timothy Morris, 320 Highwood Ave., As a parent of two current students of the Infant-Toddler Development Program and a third child who completed the program just over a year ago, it is of grave concern to hear that the Board is questioning the district's commitment to the program. I understand why, in light of so many pressing matters before the Board of Education this year, it can be frustrating to spend so much time on an issue that represents a small portion of the annual board expenses. However, I ask that careful consideration be given to the long term merits of a program that provides valuable and vital services to many working families of the community, as well as employees of the town and district. I believe that the Board has underestimated the benefits of this program, particularly in how other programs in the complex, which are cited as relative success stories, can defer the cost of shared resources and common areas with contributions from ITDC. Furthermore, I ask the board to consider the financial contribution ITDC has made to capital improvements of the district in prior years

and the ability of the program to again provide that financial contribution in the future before causing irreparable harm to the program based on a very specific set of circumstances. What has been built over decades of hard work by your exemplary staff and strong leadership should not be demolished by a rash decision.

Jessica Laraon, 70 Glenwood Road, What was the reasoning behind a single solution across all grades when the developmental and educational requirements vary so widely K-12 (and, as a secondary consideration, when high schoolers can be self-directed and left alone at home while elementary students require adult supervision)? Can you include supervised, socially distanced spaces during the virtual days for families that need it (for example, set up desks in the unused gyms with a few supervisors, or even volunteer parents, and students can work from there)?

Cheryl Dempsey, 38-09 Broadway, I am currently employed at the Infant Toddler Development Center at the Glen School. I first learned about this wonderful school in September 2000. At that time I was employed by the Pfeiffer family of Glen Rock as a nanny. One of my duties was to bring their daughter to school. That was when I met some of the teachers and staff. Eventually, all three of the Pfeiffer children attended ITDC. Mrs. Pfeiffer was so impressed by the school that she went so far as to suggest I try to get a job there when her children became too old for a nanny and that is exactly what I did! I became employed there in September 2009. I enjoyed working until June 2012 when my husband became very ill. As the years went by, a friend told me ITDC was hiring! I once again became employed there in September 2019. It is truly a wonderful place to send your child! Everyone is friendly, caring, and helpful! They are all hands-on all the time. The teacher/student connection is quite special (or maybe unmistakable) and it is something we all work hard for! It is a place for staff to call home!!

Kerry Miller, 141 John Street, I'm writing to provide the strongest support for the ITDC center which currently serves my infant daughter and has faithfully served the community for the past 33 years. Currently, in such an uncertain situation, parents are keen to begin planning for their children's child care for the upcoming school year. As you all well know, there is a tremendous amount of uncertainty even for the K-12 programs. In my own personal situation, my husband and I are working through career demands as well as childcare and schooling for my elementary school daughter, as well as childcare for my little one.

Please let me share with you from a parent's perspective why ITDC is so important to our family. The strong heritage of the program, and the reputation of the school within the community – and beyond – was a critical factor in seeking it out for our youngest daughter. We were thrilled last year to learn that there was a spot for her. From the moment we entered the building, the sense of community and emphasis on education was evident. We were thrilled to consider this as a home for our daughter for the next few years as she will feed into kindergarten. The center as you all know, is run impeccably by Lisa Kontos and her team. It's safe, clean, and focused on the children's well-being. I cannot speak highly enough of Bobbi Stevens and how she runs the infant room with her staff. They always made us feel safe, supported and welcomed, and it was a

joy to leave my young four-month daughter as she started her journey at ITDC. Publishing the rates for the 2020-21 school year is necessary for parents to begin planning for our coverage, and it's understandable that the situation may change as we navigate this "new normal" together. What I am certain of is that the ITDC will recalibrate through the year as needed with parents, hand in hand. That is how the Ridgewood community operates, and I am confident that the board will consider the gravity of their decision and weigh the importance of a program like ITDC for the little ones in our community.

I urge the board to remind themselves that ITDC is part of the community, and firmly entrenched in the community. We are all in the business of taking care of those youngsters in our community, and the ITDC's rich 30+ year history is a testament to how Ridgewood supports its youth's education from their earliest years.

I'm confident that the Board will take the appropriate steps during the July 27th Board meeting to keep the ITDC program for 2020-21 and for many years beyond. It's a pillar of the community, and in a difficult time, it is a true benefit for the Village.

Tasha DeLeon, North Walnut Street, In recent days there has been more data suggesting that Covid-19 is spreading from students above the age of 11.....how are these students monitored continuously throughout the day specifically in the hallways and the restrooms for social distancing and mask wearing? How does contact tracing work when a child goes to the restroom and encounters students from multiple grades and classrooms?

Everyone is so concerned about the social well being of the children....speaking from an elementary teacher's point of view....how are these young children affected by a classroom environment where everyone is in masks, the teachers can not give hugs and comfort their students, there can't be games or group projects, all independent work, social distancing, no singing etc. I assume that there can't be papers, pencils etc. passed out by the teacher.....I can't imagine a classroom environment like that....

How will substitute teachers be screened? They will potentially be subbing in multiple schools each week so their exposure will be very high

Dawn Southey, 569 Godwin Ave., To whom it may concern,

My name is Dawn Southey, I am the three's teacher at Infant Toddler Development Center in Ridgewood. My career with the ITDC family started 3 years ago. Although I have been in early childhood development for the past 11 years. I have enjoyed every moment being part of the ITDC family and when I say "family" it is true in every sense of the word. I am very disheartened at the thought the ITDC family has been reduced to a monetary value. The children's health and welfare should never be put into dollars and cents. At ITDC the children are our main concern. The beginning basic skills and socialization they obtain by being part of the ITDC family is invaluable and will be utilized their entire lives. The structure of our 33 year program not only gives our children love, growth and development needed to be ready for kindergarten as well as providing our parents with peace of mind. Our parents know as part of the ITDC family their children are in a well rounded, safe, nurturing, yet academic environment daily.

Without the ITDC family the future of our children would not be as bright as it could be.

Jessica Laraon, 70 Glenwood Road, What was the reasoning behind a single solution across all grades when the developmental and educational requirements vary so widely K-12 (and, as a secondary consideration, when high schoolers can be self-directed and left alone at home while elementary students require adult supervision)? Can you include supervised, socially distanced spaces during the virtual days for families that need it (for example, set up desks in the unused gyms with a few supervisors, or even volunteer parents, and students can work from there)?

Eugene and Catie Kearns, 632 Linwood Ave., Dear Board of Education,  
My wife and I are writing to express our support of the Infant Toddler Development Center at the Glen School. After listening to the recent Board meeting on July 10th, there were concerns brought up by board members in regards to the programs viability and overall purpose within the Ridgewood Public School System.

our opinion that these programs should receive further investment, not be subject to budget. We are current Ridgewood residents and our kids will be the 4th generation growing up in Ridgewood and going through the public school system. The public school system is one of the biggest reasons we chose to start our family in Ridgewood, so we want to thank you for all the great work you have done over the years keeping our town's public school system as one of the best in the state.

Our 3 year old daughter currently attends ITDC and our son went through the ITDC program before moving on to REACH Pre-K and Transitional Kindergarten, another great program started by the board. As working parents, we were attracted to ITDC due to its affiliation to the Ridgewood school system. Though the main reason we chose ITDC was because the program had been servicing this community for over 30 years and we received many recommendations by residents who had also sent their children there. We also liked how ITDC was used by so many Ridgewood teachers, which served as evidence to the quality of the program and a testament to a school system that would support their teachers and families. This fall our son is entering kindergarten at Somerville, and we are very happy with how prepared, academically and socially, he is due to the past 6 years following Ridgewood curriculum at ITDC and REACH.

The focus on preparing our children for Kindergarten has been a great success and we feel is one of the reasons why Ridgewood schools are unmatched in the area. Ridgewood schools have been taking progressive steps forward to continue building and improving on educational opportunities within the village by most recently voting to operate full day kindergarten as well as start the REACH Pre-K/TK program. One of the items mentioned in the BOE meeting was that the primary focus should only be K-12, which we feel would be a step back in the board's recent progress of offering programs that prepare our kids to succeed within the Ridgewood school system. We understand these are unprecedented times and you have been given a monumental task to re-open schools in the Fall, but we hope the progress made in recent years doesn't get lost in this effort. Ridgewood supporting these programs financially is an investment in our children's and town's future. While we want our school budgets to be fiscally responsible and is why we recently voted for many of the new board members, we don't want that to come at the expense of educational

opportunities that set our town apart.

Fiscal responsibility and profitability go hand in hand for businesses. While we should strive for fiscal responsibility in our school budgets, in no way are our schools a business or profit center. Educational programs that benefit our community should be the goal of the BOE. While we want to root out any waste, we don't want to cut programs that would ultimately defeat the board's goal.

We need to make every effort to support ITDC so Ridgewood residents can get back to work, especially our teachers with schools planning to open in the Fall. With such a high percentage of Ridgewood teachers utilizing ITDC, I worry about the ramifications of a closure. Opening schools in the Fall and supporting ITDC are invariably linked.

We hope that every effort is made to support RED, RISE, REACH and ITDC during times of Covid and in years to come. These programs at the Glen School should be considered a shining achievement in early childhood education by the BOE. It is y cuts or potential outsourcing.

Ping Yang, 67 John Street, First, I would like to show my appreciation for the reopening plan that BOE had put together during such a difficult time. Second, I would like to bring the attention to the BOE the Gifted & Talented program that some parents had suggested during the past meetings. I would like to see a committee formed under BOE on this issue to make sure that a working plan can be submitted to the state on time. And I am willing to volunteer to serve on such a committee if needed. Thanks

Primy Mukherjee, 500 Darby Ct., What is the risk mitigation plan- in the event that it's discovered that a teacher, or a kid came in close contact with someone who tested positive for Covid 19. (1) Will the parents be notified (2) will all the kids be required to test + their families (3) how will the communication happen across the school. This communication is important to ensure high risk patients are aware of whom they came into contact and take measures accordingly.

If a teacher gets tested Positive for Covid 19- what will be the next course for class? will it switch to online?

In the regular flu season, we have seen children coming to school with flu-like symptoms, even after nurses warning not to send kids to school. This is not the flu, and there is sometimes no definite way to understand this. Will school be making mandatory testing "on entry/Premise" to understand who has developed symptoms?

Sam Kaestner, 575 Shelton Road, Dear Ridgewood Board of Education members,

We are reaching out as concerned parents of a child in Ridgewood's Infant Toddler Development Center. We've had children enrolled continuously at ITDC since 2012, and we are saddened and anxious to hear that members of the Board have indicated that the ITDC should not open or be shut down entirely.

In this time of uncertainty and distance, the strength of our Ridgewood community has been a source of inspiration, hope, and given us optimism for the future! For our family, an important part of this community has been ITDC. As transplants to New Jersey, finding a program for our three children which has given them warm and loving friendships, nurturing teachers, and tremendous educational support has been an anchor point for our entire family. As an active

duty military family, we're also grateful for the strong connection to our community we've found through ITDC. When our middle child faced surgery and a hospital stay at 18 months, the ITDC teachers gave emotional support to our oldest child, and sent us cheerful notes and artwork from classmates; we'll never forget the love we received from the ITDC community!

After reviewing other childcare centers in the area, we believe that ITDC is the best program available. As an active duty military family, we are eligible for a childcare subsidy from the Army. Because of the nature of ITDC's license, it does not qualify for the subsidy. We believe ITDC is so far superior to other programs that we have opted to pay the unsubsidized tuition, because we want the best care for our children.

We strongly urge you to vote to ensure the continued service of the ITDC program to the Ridgewood community. We are happy to further expand upon our experience with the ITDC at the Glen School if you are interested.

Thank you for your support of the ITDC and for your service to our community.

Jean Whitehead, 170 W Ridgewood Ave., Given the recent news from the Village about "a small number of young people in Ridgewood recently tested positive for COVID-19", does that change your plan for re-opening this fall? Thank you for all the thought you have put into the current plans given the ever-changing data.

Vishu V, 238 Olivia Street, Will there be additional sanitation stations at the schools? Will there be adequate or additional soaps at the school restrooms? In general our kids have told us that they run out of soaps very frequently in the school restrooms. Are there plans to upgrade school restrooms to make it touchless (for e.g touchless flushing etc.)

Lisa Arillo, 250 The By The Way, Based on last week's meeting, the school hours are from 8:20-12:45 (arrival will now be 10-15 minutes earlier than a minimum day). What is the reality of students being able to sit in the classroom for over 4 hours, especially the K-2 grade students. Is there any way to have story time outside for 15 minutes and that's when students can have a snack and get fresh air! If there is a student or staff member who gets Covid, is the entire school shut down or just that class? how long will the class or school be shut down for? What is the plan for arrival and dismissal? Will you be using other entrances such as "exit only" to spread classes out..keeping them "socially distant".

Cathy Liu, 405 N. Monroe Street, I have the following questions: (1) For Fall semester, will the school offer "full day every other day" option? (2) For a staying home/online session, how will the teacher interact with the kids when the same teacher is physically in school for the classroom session? (3) How will the students be graded and evaluated in the future? (4) What is the latest update on the Gifted & Talented program? Who is leading the effort for compliance in this Fall? And, How can parents and teachers get involved?

Indira Raja, 23 Pershing Ave., Thank you for all your hard work in supporting our children through the pandemic. We really appreciate it. I would like to express support for the Gifted and Talented program in the district. I know my children benefited from the program since their elementary school years, and it is

important that children in our schools have continued access. Thank you!

Erin Gisonno, 15 N Pleasant Ave., Please reconsider the A/B morning and afternoon half-day schedule for the elementary schools. A straight 4 hour core curriculum in the same room without a release of energy or scenery is not an optimal learning environment for children especially in the younger grades.

Eleanor Gruber, 229 S. Irving St., I am writing to urge the Board to immediately subject the Infant Toddler Daycare Program to state licensing protocols. Nothing is more important to us than the health and welfare of our most vulnerable residents, our infants and toddlers. Parents count on the school to protect their children. I was disappointed to learn that approximately 5 years ago the Board and Supt decided to go with local, Ridgewood health department protocols rather than NJ protocols, I assume so not to be "burdened" with a longer list of requirements. Although we have an excellent health department, we should have used State requirements which were much more detailed. What you did makes no sense. I trust you all do realize that nothing will be the same when it comes to protections for our buildings, our tools, our teachers. We don't want to shortchange our children.

I think it would be prudent to go back and look at the minutes of the past meeting, approx. 5 years ago to see the reasons for selecting fewer health and safety requirements.

My second point refers to a statement made a while ago that the accounting practices at the Infant/Toddler Center were unusual. It seems that a true balance sheet was not forthcoming. I would like to know if the expenses (teacher salaries, building expenses, supplies, employee benefits, etc) and income (payment for children) are listed as a separate item in your accounting. It appears that money has been "borrowed" from the regular operating expenses and placed in the program.

**MOST IMPORTANT:** This is NOT a request to close down the School. It is an excellent program. Parents depend on the program. An infant/toddler program run by the Ridgewood Schools, who do such an excellent job in general is a good thing, purely because it is accountable to the public, and not a corporate shield.

But we should know the true costs of the program.

This is a request for transparency, both for the health and welfare of the children and teachers (and other staff), and also for the benefit of the taxpayers of Ridgewood

Ian Murphy, 152 Delaware Avenue, I am writing as a parent of a fairly recent addition to the ITDC program. My daughter Molly started with the program right around the beginning of 2020. Despite being involved for a relatively short period of time, the positive impact of the ITDC program was immediately felt in our home.

Molly was talking more about school, she was excited in the morning. Prior to our move to ITDC, she wouldn't really tell us about her activities or her teachers at the end of the day. Within her first week at the Ridgewood school, she was glowing and enthusiastic, she was sharing details with us and being more creative at home. After experiencing other daycare facilities that I would consider of a high quality, I can tell you that this program is head and shoulders

above them.

After these months of uncertainty and loss, the idea of ITDC permanently closing is truly heartbreaking. I understand that it comes down to dollars and cents, but these children will undoubtedly go on to be tremendous students within the Ridgewood system because of the foundation built at ITDC. They will grow to strengthen and enhance your core business. An investment in this program is an investment in your future K-12 students.

My wife and I have become close with the other parents since our daughter's recent enrollment. My wife is an employee of the Ridgewood school system. We speak regularly with the other parents; Ridgewood teachers, nurses and community members who have come to rely on this quality education for their young children. The idea that we all, with extremely short notice, may have to find new accommodations for our children during a pandemic is quite shocking.

But my possible inconvenience is not my reason for writing. I am writing to express how truly grateful I feel on a daily basis to have the opportunity to send my daughter to this program. I can't overstate that. She is excelling because we were lucky enough to have found ITDC

Honor Friberg, 152 Delaware Avenue, I am a Ridgewood BOE employee, and an ITDC parent. This is an excellent program, and it supports future Ridgewood K-12 students, as well as many Ridgewood teachers. Mr. Lembo has assured us that you are not voting to shut down the program, but some of the recent comments by board members regarding ITDC and the children enrolled are cause for concern for the longevity of the program. I hope you can see the value that ITDC adds to the Ridgewood community as a whole, especially the Ridgewood School District, and that the majority of you agree that floating us along during this time of need is worth the struggle.

Charley Krause, 129 Melrose Place, The summary of Ms. Poelstra's reported stated that "Over 300 teachers participated in summer professional development focused on remote instruction enhancement and collaborative unit revision." 1. Was this training mandatory? 2. If not, why not? 3. Will you make a list available showing those teachers who were trained?

The Report states, "The District purchase of instructional tools that support a blended learning environment:

- Chromebooks for K-1 students
- G Suite Enterprise: Includes advanced features for Google Meet (including attendance reports), enhanced security, originality reports, etc.
- RazPlus (RazKids and Learning A-Z) (grades K-5)
- Kami (grades K-12)
- Screencastify (grades K-12)
- EdPuzzle (grades 6-12)
- Epic (will remain free for school district for 2020-2021)
- Flipgrid (will remain free for 2020-2021)

1. What was the cost for each of these purchases? 2. What is the training being implemented for use of each of these tools? 3. Will there be an audit showing the total usage of these tools?

1. Will there be cameras in the classroom for all live/in-person classes? 2. Will a student be able to "attend" those classes remotely, and be counted as "present"

if s/he is concerned about actually going to school?

Lauren Kupiec, 112 N. Walnut St. Have you considered altering the school year (A/B) plan to have 2 consistent days each week for each group, and then 1 altering day? I.e. A goes Mon and Thur, B goes Tues and Friday and W alternates each week accordingly?

If not - why not? An inconsistent schedule is a nightmare for management and it seems easy enough to implement a more consistent one.

Jessica Franklin, 248 Pearsall Avenue, For the RHS Students, will the attendance policy be changed to allow for quarantine/illness issues?

Rebecca Lubell, 925 Norgate Avenue, How would dismissals work with social distancing? How would you be able to take all the children's temperatures while social distancing and getting the kids to their classes on time?

Lisa Negrycz-Gerstein, 641 Arcadia Road, Why can't students that are home remote into the live classroom, so pivot is seamless? There still is no explanation about exploration of expanding classrooms out to fields. Will high school course syllabi be available to parents to understand weekly classroom goals similar to the infrastructure utilized by Virtual Colleges?

Will high school course syllabi be available to parents to understand weekly classroom goals similar to the infrastructure utilized by Virtual Colleges?

Sara Chan, 35 Garfield Place, Regarding school reopening, how will fire drills and sheltering drills be approached or conducted? Specifically, will sheltering drills and protocol be changed due to social distancing? Schoolsecurity.org lists suggestions in which drills can begin as classroom discussions with teachers and administrators verbally walking through what to do in real emergencies and subsequently demonstrate appropriate techniques, identify safe locations, etc. Regarding mask-wearing in school, I would like to suggest that there be requirements describing properly fitting masks for children, which for example might suggest that masks worn by children be made FOR children, fit each child properly around the nose and face, and are checked for comfort and breathability for a period of time to ensure the child is likely to be able to comply with wearing at school. Thank you BOE and school staff for your very hard work and for including families in this very difficult planning process.

Vishu V., 238 Olivia Street, If we choose the option of completely remote learning at the beginning, are we allowed to change our option and send the kids to school after the initial 6 weeks?

Terry Levy, 84 Wildwood Road, Why isn't the middle school splitting the kids based on their house - i.e. Godwin/Monroe? Seems like a logical way as each house has their own English, Math, etc teachers?

Mike Ryter, 800 Newcomb Road, I've been researching how to teach in-person and virtual at the same time (6-8 model). The prevailing thought seems to be every student would be on a Google Meet (in front of a screen with headphones on) - even if my kids are in the room with me. This is counterintuitive to me as a teacher. I don't feel middle school students can sustain their attention for an 80 minute period. The high school schedule seems much better suited for middle

school students; this schedule also allows us to see (in person) our students more often and is certainly less complicated than the 16-day rotation schedule that is proposed.

Jaimie Davis, 204 Avondale Road, The previous survey did not address the Glen School, and the description of the surveys going out tomorrow did not include the Glen School. Will parents of Glen School students be polled?

A related question - the Power Point presentation said very little about self-contained programs. My son is in the RISE program at the Glen School - will there be more information circulated about the plan for programs like RISE (e.g., will that information be included in the FAQ)?

Jessica Kovac, 659 Midwood Ave., When will the next survey be due? It is very difficult to make a decision about things 4 weeks from now as the situation is dynamic (and we all expect things to go in the wrong direction).

Will the # of students allowed on buses be reduced? Prior to COVID, there weren't even enough seats on the buses to BF. Way too overcrowded.

Are students changing classroom locations at BF and RHS? How will hallways be handled?

Deborah Liguori, 319 Meadowbrook Avenue, The confusion with the survey was that the every other day option was presumed to be a full day. Why does the new survey not address this? If we must do half days, why not every day am or pm? I don't understand the logic in staying home if only half the kids are there. This is a huge burden for all parents and an unnecessary expense for dual income households.

Terry Levy, 84 Wildwood Road, Why is it that the Glen Rock public schools are able to have middle school and high school students attend school for a FULL day, every other day?? Why can't Ridgewood accommodate this schedule?

Kathleen Pascual, 661 Linwood Ave., What is the school reopening plan for the Red Program at the Glen School? How do we ensure that children who receive special services have the opportunity to be with typical peers in the mainstream setting when we reopen in September? Will students who are mainstreamed at least 60% of the day pre-pandemic, would five half days M-F be the schedule we would expect in the fall and how do we tailor their schedule to allow appropriate time w/ mainstream vs. services?

Wendy Schechter, 95 Glenwood Road,

It's extremely disappointing that the all-remote plan seems to be getting such a short shrift. It doesn't feel like an actual choice. It seems that if you want to keep your kids home because you believe that it is not safe for your children (and all signs point to it not being safe to return to school) then (1) you are a significant inconvenience to everyone; and (2) it seems obvious from what I'm hearing that that your child's education is going to be significantly different and certainly "lesser" than in-person.

Rose Mary McCotter, 673 Ellington Road, If I heard correctly from Dr. Fishbein during the meeting the students will be required to clean and disinfect their desks between classes at the middle and high school level? Who will be

enforcing and verifying that they are actually doing this correctly after every class change?

Jessica Kovac, 659 Midwood Road, What triggers have you identified to revert to full virtual learning? # of positive tests in school? % positive tests in the community?

Jiffy Vermylen, 241 N. Walnut Street, As Sheila Brogan just suggested, keeping the alternating days consistent each week (i.e. Monday/Wednesday and Tuesday/Thursday with Friday available as an alternating day or holiday makeup) would be so much more practical for students and parents. It would create a consistent schedule for those of us who work. The rotating schedule is a nightmare. Please establish some consistency. Why hasn't the fully virtual option been presented yet? I feel like a more robust option that doesn't seem like an afterthought would encourage more people to opt for fully virtual learning (safer overall for society). When will that plan be made available? I would like to point out the absurdity of Dr. Fishbein's comment about giving calendars out in advance "so we can tell our babysitters" about the rotating and inconsistent school days. Not everyone in this town has a babysitter or can even afford one. I would like to tell my employer with some time of consistency which days my children will be in school so that I can set meetings, etc. My children need to know their school days. It's not hard to set a consistent schedule with M/W and T/Th with Friday as the alternating of holiday makeup day. I'm willing to accept a lot, but this seems like too much. Just help us out a little bit, please.

Beth Hart, 329 Northern Parkway, I very much appreciate the work that has gone into the return to school plans. As the parent of a soon-to-be Kindergartner, I would like to register support for designated days in school instead of the current plan of alternating days. I agree with the suggestion of Friday being an alternating day--in the case of Monday holidays, that would automatically be the group that missed in-person school on the holiday. I hope that elementary teachers were consulted about which plan would work best for instruction and planning. I would think two consecutive days in and two days remote would allow for richer instructional opportunities, but I gladly defer to the teachers. I can say that when considering childcare (at home or outside location), regular days of the week are much easier to manage than handing a daycare or babysitter a list of dates

Mary Pilla, 333 Meadowbrook Ave. Kids are not social distancing outside of school. This model is impractical for working parents. You are not taking into account the needs of elementary students.

Karen Latimer, 53 Heights Rd., I think asking parents to commit to a choice, at the same time you are telling them they have to be flexible with changes because of all the unknowns is not only insensitive, it is hypocritical. You admitted the survey was confusing (in addition to offering two terrible choices.) I would like to know how much of the parental feedback actually factored into this 1/2 day every other day decision, considering many parents may have not realized what they were "voting" for. I understand reading that cases are up in other states may be paralyzing, and clearly based on Dr. Fishbein's comments about "I don't feel comfortable saying the younger kids don't get it ..." the news

reports are factoring into decisions. Please take a careful look at the latest death rates reported by the CDC. Despite the increase in cases (which is entirely to be expected due to the nature of viruses and the increase in testing), and with an open mind, consider what we are really protecting against. If an education wasn't more important than a risk of getting ill and getting better, we would have never had a public education system. Link:

[https://www.cdc.gov/nchs/nvss/vsrr/covid\\_weekly/index.htm](https://www.cdc.gov/nchs/nvss/vsrr/covid_weekly/index.htm)

Jessica Kovac, 659 Midwood Road, What will happen with specials, particularly music instruction, in the middle school? Will students have in school PE?

Ryan and Ashley Minetti, 110 Madison Place, First – thank you for the time and effort put into the plans. We were happy to see that the remote learning days will offer more teacher-led classes as opposed to our experience in the spring. However, we truly wish that there was a way to allow for full-day in-person learning as many other towns are offering. Remembering how fast the ½ day kindergarten day flew by, we just do not think the elementary kids are going to get a proper education. A 12:45 end time each day seems to be inadequate at best. By the time they get into the school and get settled, the kids will get maybe 3 hours of learning and some weeks, only twice a week. The middle school and high school schedules, although still disappointing to be ½ day in person every other day, at least offer education until 3:00. Can you please revisit the elementary school afternoon schedule?

Emily Hashem, 301 Westgate Road, I would like to hear more about how Ridgewood High School supports and ENCOURAGES low income students to attend RHS and thrive there. As a relatively affluent town, Ridgewood culture is often extremely exclusionary to low income students, and this extends to the classroom and extracurriculars which are a main focus at RHS. The intersectionality between racial justice and the injustices inflicted upon low income members of our community is also a pressing factor. Please explain how you support the development of low income students and how you are expanding to include and welcome an influx of a new diverse population of students to an already crowded school.

Corrinne Dillon, 217 Fairmount Rd. I want to start off by acknowledging the challenge the Administration faces in crafting a workable school reopening plan. This is not a task I envy the education community and no matter what choice any individual District makes, it is not going to please everyone – teachers, parents, students.

It's a monumental and unprecedented challenge, and given the time and effort it has – and will continue to – consume, it makes sense for us to come together as a community to help out where we can.

Which is why I am once again urging the Board of Education to work with a volunteer committee of passionate and dedicated parents to come up with a robust, best-in-class Gifted and Talented program for our K-12 students. The “Strengthening Gifted and Talented Education Act” was signed into law by Governor Murphy in 2020, and as of now the State has NOT extended the October 1 deadline whereby Ridgewood needs to submit a written plan detailing

how we assess and teach our gifted students.

In that report due October 1, the State will be asking for the number of identified students in K-12 with breakdowns by gender, race, IEP/504, etc. as well as how many teachers are GATE-certified (Gifted and Talented Educators.) We are expected to have all this information on our District website and to clearly outline what Ridgewood does for its G&T students as well as what we plan to do going forward.

These are unprecedented times that have forced all of us – teachers, parents, businesses – to re-evaluate and adjust how we operate over the past few months. COVID has forced us to re-think the way in which kids are taught, and the District should be able to provide more of a challenge to students who demonstrate previous mastery of grade-level skills, especially with the use of technology. How will these kids' needs be met this year? Who will ensure their right to learn new content and skills?

- Who is advocating for high-achieving Ridgewood kids?
- Who is responsible for the District's implementation of the new law?
- Who is leading the committee from the Board of Education on G&T?
- Will the committee hire a consultant to help with implementation, given that we have ZERO expertise within the District?
- How can parents and teachers get involved?

I will be following up after tonight's meeting by sending an email to Superintendent Fishbein and the five Board of Education trustees with a list of names of volunteers who are excited to serve on a committee to represent the parents and community on this matter. We will be asking for a timeline (Start date, frequency of meetings, etc.) as well as submitting a petition with a 100+ signatures from Ridgewood residents who enthusiastically support the robust implementation of a G&T program.

We have parents of elementary, middle and high schoolers, people whose families have lived in Ridgewood for generations, people who were born abroad and immigrated to the US, Irish, Polish, Italian, Chinese, Korean, and African Americans. We all want a top-notch education for kids who are in need of more of a challenge and are stepping up to volunteer our time and talent to make G&T a meaningful reality in Ridgewood.

In closing, I want to read the Administration and Board the Ridgewood Public School Mission Statement:

The Ridgewood Public Schools, committed to a tradition of excellence and innovation, in partnership with the community, provide a rich and challenging learning environment, enabling students to maximize their unique potential to become life-long learners and productive, responsible citizens.

All we're asking is that you do what you've already committed to do on paper. The community is ready to do our part. Please take us up on our offer!

Kristina Arocho, 314 Oak Street, Will students receive daily 1:1 assistance from

a teacher and small group instruction in self-contained classes? Will students in a self-contained class have partitions around their desks, have more independent time due to social distancing and have hand over hand learning? How will students receive mouth prompting for auditory assistance in self contained classes if teachers are wearing masks?

Brennan Heffernan, 995 East Glen Ave., My wife and I chose to send our daughter to the ITDC program at the Glen School because we thought that it was important that she attend a community school rather than a run-of-the-mill daycare center. We toured many different daycare centers, but when we entered that building, when we spoke with staff members and with parents, we knew that Glen School was a special place. If you ask any parent about the program at the Glen School, I assure you that you will hear the word "special" used over, and over, and over again. The teachers in that school become part of the child's family. These staff members go above and beyond their day-to-day responsibilities, and they have a truly loving relationship with the children in their care. From top to bottom the Glen School staff are extraordinary professionals. I can attest, both as a parent and as an educator, that this program is an asset to our community. This program has been the foundation for a generation of Ridgewood School students and it should be celebrated as an exemplar of early childhood education, it should be recognized as an important foundation of Ridgewood's tradition of educational excellence. As a parent and as an educator, I want to ensure that high-quality early childhood educational programs exist in our community. ITDC is one of the many things that makes the Ridgewood community unique and we should not so easily let it disappear. Finally, I think it is important to advocate for the vital work done by the teachers in that building, they have dedicated their lives to Ridgewood's children and this must be considered before any vote is taken.

I urge you, please vote to protect the IDTC program at the Glen School.

Christine Dubois, 224 Walther Ave. , I am a Ridgewood alum and a parent. I have had children in the Ridgewood school system continuously for more than 15 years. We are a transracial family including Caucasian family members and family members of color. I can assure that board that there is serious racism in the Ridgewood school system. ALL of my children have experienced racism whether they are white or black because we have members of our family who are of color. The response at the grammar school, middle school and high school levels have been mediocre at best and only occurred when I pushed teachers and administrators to address it. The diversity composition of all of the schools in Ridgewood is unacceptable. What is the board of Ed doing to change this? When I asked this question of an administrator at RHS last year in response to an incident at the school related to one of my children he told me pointedly that it is "very hard to recruit teachers from Paterson as the salary levels in Paterson are much higher". This is an unacceptable response. Until our children have some level of diversity among administrators and teachers, in other words real educators of other races who they can interact with, the environment of racism that we have experienced will continue for all future students in this school system.

Kaitlin Joyce, 217 Highland Ave., The man who thinks providing a calendar

makes it practical to arrange childcare on alternating days, has clearly never tried to arrange professional childcare. Childcare providers look for set schedules and don't want to book different days each week.

Sarah Pollak, 11 N Irving St., I am grateful that there was much more verbal discussion tonight than there was during Thursday's meeting about the ability for families who don't feel comfortable sending their children in September to opt back into in-person school on October 16 for Phase 2 and again on November 30 for Phase 3. That said, I was very disturbed to hear Mr. Kaufman discouraging that flexibility, and in fact suggesting that families be forced to be "locked into" their choices. The idea of being locked into a decision—particularly when what we know about the virus itself is evolving constantly—is deeply concerning. Was he suggesting that we be "locked in" for the whole year or just for that Phase? It's particularly unsettling because currently the "opt in" options are listed only as "recommendations" on the slides, not as any guarantee. As a parent who is very much on the fence about whether to send my child in-person, but leaning slightly towards starting all-remote due to serious concerns about the virus, it is of CRITICAL importance to understand (before filling out the survey) that if I choose to start my child remotely, that my child will not be barred from rejoining in-person school for the whole year. I truly understand and respect that a fair amount of patience and flexibility is needed of families, as the school must scramble to readjust things when families opt in, but I believe that AT LEAST at the start of every 6-week phase, families need and deserve that choice.

Thank you to the volunteer board members!!! I have my concerns (as listed in my first comment), but that does not change the gratitude, respect, and awe I have for those of you who selflessly volunteer your time and energy to this seemingly insurmountable crisis situation.

Gayle Menezes, 520 Upper Blvd., I acknowledge the challenge the Administration is facing in crafting a workable school reopening plan. The plan put forth would surely not meet the requirements of the kids above grade level. I understand that with the changing environments it is difficult to plan. But we have some deadlines coming soon and we need to meet those deadlines keeping in mind parents like me would like to provide our inputs in making sure the plan works for most kids above the curve.

Gifted and Talented program requirement by the state - I spoke regarding the State Gifted and Talented program at one of the meetings this summer. At that meeting we were told that there will be a presentation to give us additional details on what plan Ridgewood plans to submit to the State by October 1st. I do not see any information on that topic. The questions I have are

- Who is leading the committee from the Board of Education on G&T?
- Will the committee hire a consultant to help with implementation, given that we do not have any expertise within the district?
- How can parents and teachers get involved?

I strongly hope the district does not forget these kids and makes full use of the resources provided by the state to come up with the most effective plan.

Keeping the parents posted and involving them in the planning will only help the district meet the requirements of a larger number of kids in the district. I am looking forward to hearing more on this topic at the next meeting.

Current School Year Online Only Program-

I do not see any schedule for the online only program in case we decide to go that route. Can this be detailed out for us?

Stefan kahandaliyanage, 109 Hope St., I wholeheartedly support the establishment of a gifted and talented program (also required by state law). This will make our town more competitive overall in New Jersey. We are great at sports, music/the arts, but we can do much better on the academic side of things. A gifted and talented program lifts all boats. It creates a culture of academic excellence that benefits those who directly participate while inspiring those who do not directly participate to perform at a higher level. Let us take steps today to ensure "a tradition of excellence" for tomorrow!

Lynn Maki, 862 Hillcrest Rd., I listened in on last week's presentation of the Proposed Return to School Plan and want to thank everyone involved for the work put into it. While no option is ideal, I'm supportive of the proposal which has only one group attending each day for a half day. I am extremely lucky to work for a company that is making every effort to support their working parents through this tough time. That said, I am hoping the district will consider having both groups attend on consistent days each week to help working parents who may need to negotiate flexible work arrangements with their employers. I'm hoping this will be considered as the plan continues to evolve. Thank you.

Sarah Kline, 43 Ethelbert Pl., Transitional K/REACH- will it be 5 days a week like RED or 2 days like K-12?

Nina Farley, 355 Kensington Drive, Can you acknowledge the implicit and explicit bias that occurs within RPS? Have you reviewed these documented instances on the instagram page @rhs.amplify, and how do you plan to address these issues in the future? Why haven't you made a statement addressing patterns of overt and covert racism in RPS? RPS needs to create a diversity and inclusion office to support students of color, is this something you are considering?

Anne Burton Walsh, 112 south Irving Street, Hello all, I was planning to call in to ask how I can support the district's work in complying with the new law aimed at strengthening gifted and talented education in New Jersey. I would be more than happy to serve on a parents' committee – and do anything I can do - to help alleviate the burden on the district during this difficult time.

Of course, all children have gifts and are themselves gifts. However, as the law and our local policy recognize, it's important to address the special needs of the academically advanced to make sure they develop a work ethic and realize their potential. Research shows that not doing so – and just saying, wait, everyone else will catch up – can come at a real cost. Insufficient academic challenge for those who require it can lead not only to failing to develop a work ethic but to tuning out, depression and worse.

One of my children said within her first few weeks of kindergarten that "school is a place where people go to get help. Except for me, because I know everything." She sounded sad because she had been so looking forward to starting "real school." We were very fortunate that we had the support and

understanding from our principal, and that our daughter's kindergarten teacher had the knowledge and passion to work with us to get her appropriate, challenging work, as did many of her elementary school teachers afterwards. We also have had the benefit of extra math challenges as well as other enrichment provided by my mother, who is an SAT math tutor. Other parents enroll their children in extracurricular enrichment.

I know many other hard-working, passionate teachers across the district have also worked to provide appropriate, accelerated work to their students who need it.

This is GREAT not only for the reasons I mentioned but also because then children can maximize their out-of-school time for play and exercise.

As someone with personal experience with this issue and having researched the needs of G&T children, I'm willing to help out on the parents' committee to alleviate the burden on the district, especially now, to ensure that G&T is provided programmatically by all teachers across the district, particularly in the formative K-5 years.

Programmatic G&T will benefit parents who don't have the time or resources to advocate for their children or the resources to spend on getting their children extracurricular challenges and work. I am very hopeful that this difficult time will provide some opportunities – such as zoom breakout rooms – and to connect teachers to already available resources -- to provide an appropriate challenge to those kids who need it because every week, month and of course, every year, matter enormously in the life of a K-5 student in particular. Thank you for reading.

Chris Klemm, 240 Hamilton Rd., I want to know why the Ridgewood BOE has yet to respond to the demands to reform for the benefit of its black students and students of color. I would like to know why my black friends who have gone through Ridgewood high school had to teach themselves black history. All students should learn about black wall street, all students should know how black housing in Manhattan was demolished for the construction of Central Park, students need to know an accurate account of history. I don't know why these things aren't already being taught, maybe they're "uncomfortable" maybe it's uncomfortable for white students to learn how their ancestors dehumanized and murdered black people. However, the school must not care about students' comfort, because it doesn't care about black students' discomfort when English teachers say the N word in class. RHS and all Ridgewood schools need to change and address the racism that exists.

Robert Klemm, 240 Hamilton Rd., Assuming RHS is operating under the alternating A/B day schedule, what is the plan for after school extracurricular activities, such as band. Would students return to campus after their afternoon virtual sessions at home? Would afternoon programs have limited attendance policies following the A/B schedule? Have you considered using technology, such as a cell phone app to facilitate I think we would all prefer live in-person instruction. I am concerned that by planning a hybrid model, we are diluting both models. The only model that has certainty until a vaccine is available and distributed (likely late 2021) is the remote model. I would ask the board to ensure that we are investing enough in remote learning and technology. From

what I heard tonight, the administration is trying to use technology to fit into the old live model. Having every teacher create their own technology teaching plan does not take advantage of the benefits of technology. Please consider leveraging the technology- find the best teachers to develop online programs and have them broadcast it to all students in that grade. Create "broadcast" classrooms. In an extreme, one third grade teacher could teach math to all the third grade classes in the district other teachers could provide more focused small group instruction to re-enforce the online presentations. This would be a very different model but it exploits the best attributes of both in-person and remote learning. Thank you for all your hard work - I know this is not easy.

Dinesh Dcosta, 520 Upper Blvd., Support Gifted and Talented Program, I heard some time ago that Gov. Murphy enacted a law to strengthen the gifted and talented program. I have two children in the school system and have learned that we do not have any G&T program. I am aware that we as a school district have to submit a plan to the state by October 1st on how we plan to implement the program in our district.

What I'd like to know is if there has been any movement in this regard since this new law was enacted? If yes, I would like to know who is leading this effort and when does the BOE anticipate presenting the plan to the residents of Ridgewood. I truly think that this law is a great opportunity to provide our children the much needed G&T program that we lack. The October 1st deadline is fast approaching and I want to make sure that this does not get overlooked.

Re-Opening of Schools for 2020-21 - Remote Option  
At the last BOE meeting, the presentation did not include the schedule details if parents decided to go ahead with a fully remote option for their children. As a parent who is weighing the options we have, I would like the BOE to provide us with how the remote option would work. More specifically, I would like to see the use of live conferencing software that ensures constant interaction with their teacher to ensure we have a much more engaged classroom.

I do understand these are trying times and fully appreciate the time and effort you all put into making our children's schooling experience a positive and rewarding one.

Madeleine Beresford, 158 Hope St., I thank you for your work on COVID, but as other callers have mentioned, there is a second crisis that is incredibly important to address, and that's institutional racism in our schools. As a parent, I'm disappointed with how racism was neglected at RPS, and I'm eager to hear from you all regarding how you will begin to address this crisis moving forward, including what tangible actions you will take in the coming days, weeks, and years.

Sam Flynn, 399 Carlton Terrace, I'm an RPS alum and would like to know what the BOE is doing to address racism within the public school system, both overt and covert. I know the group Ridgewood for Black Liberation has sent a list of actionable demands for change within the Ridgewood Public School System and the instagram account @rhs.aplify has been highlighting many instances of discrimination. I would like to know if the board even sees these as issues that need immediate action because so far there have been no statements regarding what RPS will be doing to combat racism. I believe this must be a top priority for the board as well as ensuring the safety of staff and students during the

COVID-19 pandemic.

Cathay Hamilton, 3 High Street, What are the plans for school opening? My concerns are for the working parents. In light of recent positives what steps are we taking as a district if children are exposed? Will the entire school be placed on quarantine if one person is positive?

Mr. Dani requested to make a comment about a public comment. The deadline to submit the gifted and talented plan is October, at some point we have to present to the residents what our plan is.

Ms. Poelstra had a meeting with the subcommittee, the state was supposed to do a presentation for all districts with guidance tomorrow but that has not gotten off the ground due to the many furloughed people at the state level. The committees are going to make recommendation of what needs to be on the website, how to identify students, what type of professional development they will recommend school districts pursue. The committees are behind on the state level due to the conditions, October 1 so far has not changed, but we don't have a checklist and guidance on how to enact the law. That is still being developed on the state level.

Ms. Poelstra is a member of the state level subcommittee in collaboration with the Association for Gifted Children which have been developed to help districts interpret and understand the law and provide the districts guidance on how to enact them.

Mr. Dani wants to know per a public comment who is involved from the district to plan for the October 1 program?

Ms. Poelstra said we all will be involved when we get the guidance from the state, they are still not finalized with the steps that they want the districts to take. When the state subcommittees get the guidance to us then we will enact. The law itself has not changed much, there are certain parts of the law that are new and other parts that need to be communicated differently. Some examples include; to have in our curriculum opportunities for differentiation; which we already have; to have to be able to identify children; which we already do. The new parts of the law are if a parent does not feel that their child is not adequately serviced, they have the opportunity to go to the county and have them work with the district; that is a new part of the law that was not there before. Another new part is that the state is appointing a person at the state level who will be in charge of the gifted and talented programs, which was not there before. If you look at what is in our current policy, a lot is the same but they have added new levels to include county and state level participation in the G&T programs.

Ms. Poelstra will forward the current G&T policy that is currently on our website to the board.

Ms. Kwak asked if the G&T program is something that the curriculum subcommittee will be involved in?

Ms. Poelstra replied yes and added that every unit of study has an opportunity for enrichment for students who are demonstrating proficiency, when teachers feel a child warrants enrichment they can find that in the curriculum and instructional resources that they currently have.

**X. DISCUSSION ITEM**

None at this time.

**XI. ACCEPTANCE OF MINUTES**

**Mr. Lembo**

- June 1, 2020 Exec Session Meeting
- June 1, 2020 Regular Public Meeting
- June 4, 2020 Special Public Meeting
- June 15, 2020 Regular Public Meeting
- June 15, 2020 Exec session Meeting
- June 29, 2020 Regular Public Meeting
- June 29, 2020 Exec Session Meeting

Mr. Lembo tabled the June 1 and 29 executive session minutes, since there are additional questions and revision requests from the board.

Ms. Kwak asked to table all of the minutes to allow for further review.

It was agreed to table all of the minutes until the August 31 meeting.

**XII. OTHER BUSINESS**

**Mr. Lembo**

Mr. Dani reviewed the timeline for an RFP and asked about the progress of the first steps for the RFP on the architect and attorney.

Ms. Kelly responded that she has started the architect RFP, but work required for the opening of school and the ITDC program caused a little bit of a delay. She will get the first step done this week so she can get it to the committee. Her plan is to finish the architect RFP; done and reviewed and then do the legal RFP. She will try her best to get them both done by the end of August, but due to the additional restraints on time including the deadlines for the opening of school plans she cannot give an exact completion date.

Dr. Fishbein reminded everyone that these are extenuating times and setting up extra zoom meetings are very inefficient and time consuming. We are trying to juggle several things at the same time and some priorities that we had in the spring have changed due to the circumstances. He has asked everyone to be patient

and understanding.

Ms. Kwak stated that we all know the importance of early education and establishing the foundation early, ITDC is a good program that needs to be supported in the near term. There are a lot of numbers that have been thrown out and wants a review of any financial anomalies starting from 2013/14. On a side note, Ms. Kwak asked the committee to explore ways to expand the fee-based Pre-K program that would benefit Ridgewood families.

Ms. Kwak made a motion to approve an audit by a third party of the ITDC program from fiscal year 2013/2014 to current.

Mr. Dani seconded.

The board discussed the costs, benefits and negatives of conducting an audit.

The motion was not carried, per the following roll-call vote:

AYES: Mr. Dani, Ms. Kwak

NAYES: Ms. Brogan, Mr. Kaufman, Mr. Lembo

Ms. Brogan: No to get a 3rd party to look back, let us move forward.

Mr. Dani: The books should be clean.

Mr. Kaufman: appreciates what Mr. Dani and Ms. Kwak are saying but feels the board is on a schedule/path to look very closely at the program this year and make a decision for next year. There is nothing that a past audit will do but waste more money that we don't have.

Ms. Kwak: The rationales for this seems to be atypical loss and third party audit may prove to be a perennial loss.

Mr. Lembo: We already know there is a loss and not sure what more we would find. He thinks we need another audit done, but when we look at it in the new year, we know where we are right now and will look at it anyway and we should not spend money twice.

### **XIII. ADJOURNMENT**

8:34 pm motion by Mr. Lembo and seconded by Ms. Kwak, the meeting was adjourned.

Respectfully submitted,

**Mr. Lembo**

Antoinette Kelly  
Board Secretary

Lucy Papamichael  
Assistant Board Secretary

2020-2021 CONFERENCES FOR APPROVAL

Staff Member	Name of Conference Location & Dates	Rationale	Estimated Cost for Approval	# of Sub Days required
Ellen Wolff	Distance Learning: Successful, Practical Strategies Grades 3-5 Virtual sessions from Bureau of Education & Research, WA July 29, 2020	Professional Development	\$279.00	0
Lorna Oates-Santos	NJPSA & FEA NJL2L Mentor Re-Certification Virtual Sessions from NJPSA & FEA July 16, 2020	Professional Development	\$60.00	0
Christina Lim	Intermediate IMSE OG Training Virtual sessions from IMSE Orton Gillingham, MI August 3 - 7, 2020	Professional Development	\$1,275.00	5
Salliann Ran	Distance Learning: Successful, Practical Strategies Grades 3-5 Virtual sessions from Bureau of Education & Research, WA July 29, 2020	Professional Development	\$279.00	0
Don Friel	Distance Learning: Successful, Practical Strategies Grades 3-5 Virtual sessions from Bureau of Education & Research, WA July 29, 2020	Professional Development	\$279.00	0

The total cost for these conferences is \$2,172.00. Upon Board approval of these conferences, the total expenditure for travel and conferences for 2020-2021 will be \$19,437.81 leaving a balance of \$180,562.19.

The total cost of substitutes for these conferences is \$0. Upon Board approval of these conferences, the total expenditure for substitutes for travel and conferences for 2020-2021 will be \$1000.00.

**Contracted Therapists/ Providers for Special Education Student Services for the 2020- 2021 School Year**

<b>Contractor</b>	<b>Service</b>	<b>Schedule</b>	<b>Rates</b>

**MINUTES OF THE  
SPECIAL MEETING  
OF THE  
BOARD OF EDUCATION**

**Ridgewood Public Schools**

**Bergen County, New Jersey**

**August 28, 2020**

Minutes of the Special Public Meeting of the Board of Education held on August 28, 2020, at 3:00 p.m., utilizing videoconferencing.

**I. CALL TO ORDER AND ROLL CALL**

At 3:05 p.m. Mr. Lembo called the special public meeting to order and asked for a roll call.

Mr. Lembo announced that pursuant to the requirements of the Open Public Meetings Act, advance notice of this meeting had been given to The Ridgewood News, The Record, and the Clerk of the Village of Ridgewood. In addition, notices were posted in the office of the Board Secretary and in all school buildings.

**Present:**

Mr. Michael Lembo, President; Ms. Hyunju Kwak, Vice President; Ms. Sheila Brogan; Mr. Cristopher Kaufman; Mr. Saurabh Dani

**Also Present:**

Dr. Daniel Fishbein, Superintendent; Ms. Stacie Poelstra, Assistant Superintendent for Curriculum, Instruction & Assessment; Ms. Antoinette Kelly, Business Administrator/Board Secretary, Ms. Ojetta Townes, Manager of Human Resources

**Visitors:**

Not applicable

**II. FLAG SALUTE AND PLEDGE OF ALLEGIANCE**

Mr. Lembo led those present in the Pledge of Allegiance.

**III. OPENING STATEMENT BY PRESIDING OFFICER**

Mr. Lembo shared that this Special Public Meeting was scheduled to get more information and to discuss questions pertaining to the reopening plan. There will be no voting on the plan or to make any major changes to the plan today.

**IV. COMMENTS FROM THE PUBLIC**

**V. DISCUSSION ITEMS**

**A. Proposed Return to School Plan**

Dr. Fishbein and Ms. Poelstra gave a reopening plan update presentation. Dr. Fishbein began by thanking the administrators and teachers for their hard work and creativity in making this reopening possible. He stated that we will need to face the fear and anxiety of reopening together. We are lucky that we are doing so well with covid numbers in our region and the municipality.

A revised 2020-2021 school calendar will be approved at the August 31 Regular Public Meeting. To give teachers an extra day to prepare for the start of school, a Professional Development Day was added on August 31 and removed from October 12. Schools will be closed on October 12 for teachers and students.

The district has worked very hard on logistics and operations, and the buildings are ready for the return of students. The Pandemic Response Teams which are made up of Administration, faculty and parent representatives, have taken walkthroughs of the buildings, and the response from those teams was very positive. We continue to review and assimilate all of the new information we receive from the state and federal government. We continue to work with the health officials to monitor the situation through the start of school and until we can come back 100%.

Our reopening plan was submitted to the state, and the three areas for revision (recess, cleaning manual, and technology services) were addressed. The cleaning manual is posted on the district website.

The district has faced two particular challenges regarding reopening: 1) the requirements for flexibility in models of instruction, and 2) staffing due to leaves, particularly at the 6-12 level where teachers have subject-area certifications.

Ms. Poelstra elaborated on the challenges posed by transitions between the remote and hybrid instructional models, and she emphasized that we need to prepare for continuous shifting in sections. Additionally, as we accommodate transition requests, parents should expect their child's teacher, and possibly school, to change during the year. Protocols for Requests to Transition between Models of Instruction can be found on the Reopening Our Schools page of the district website. It is also important to note that it may take up to ten consecutive school days to accommodate these requests. Ms. Poelstra reviewed scenarios of how changes will occur for students or classes as students transition between the models. Ms. Poelstra commended the elementary principals who worked together to create schedules based upon the parent requests for the remote or hybrid schedules. She asked everyone to be flexible to shifts in student schedules as we receive different requests from parents to remote and/or hybrid schedules as well as as we receive new guidance from the State.

Ms. Brogan asked if there is a time frame for transitioning from one option to another.

Ms. Poelstra stated that we have a form on the website and parents are asked

to stay within a model for 10 consecutive school days and then submit a form for a change. When a change is requested it may take up to 10 days to accommodate.

Ms. Poelstra shared the number of elementary students who will be starting the school year in the hybrid model and the remote model, and she pointed out that our "remote school" is our largest elementary school this year. At the secondary level, the number of remote students is significantly lower; however, staffing issues pose more of a challenge. Currently, there are approximately 40 staff members who will be teaching remotely. In some instances, students who are in the hybrid model may have a substitute in the room with the teacher zooming in for instruction.

Dr. Fishbein explained that the New Jersey Department of Education provided a Checklist for the Reopening of School 2020-2021. This checklist was distributed after reopening plans were due; however, upon receiving the checklist, our reopening plan was modified accordingly. Dr. Fishbein reviewed some of the plan components.

Educational spaces have been configured to adhere to the requirement of social distancing, and hallways have been marked with lines to help students maintain social distancing when moving between classrooms. Staff will be monitoring the social distance while students move between classes. At this time, students will not be using shared supplies or equipment.

Dr. Fishbein also explained that one component is to ensure facilities have adequate ventilation. The univents in our buildings have MERV 8 filters, and the rooftop units have MERV 13 filters. Dr. Fishbein shared that he doesn't know of a district that has MERV 13 filters throughout their buildings. Merv 13 is a hospital-level filtration. If having MERV 13 filtration was a standard, all schools would have to be closed in order for the changes to be made. Our task was to open schools and have properly functioning ventilation, which we do. Our windows will be open and there will be times when we can have students go outside for instruction. Students will be wearing masks unless they are medically exempt. All medical documentation will be reviewed by our school physician. Hand sanitizer will be available in every classroom, and hand sanitizer stations have been installed at entrances and throughout the buildings. Students will be wearing masks and following social distancing to the greatest extent possible on buses.

Health screening will be conducted daily through an online questionnaire that must be completed prior to arriving at school, and temperatures will be taken at the buildings. Families received a practice questionnaire via email on Friday, August 28. Dr. Fishbein reminded everyone that families and staff are asked to wear their own mask, and he noted that, based on an email he received, valve masks should not be worn. Plexiglass has been installed in critical areas, and all faculty members will receive a face shield and disposable masks. The district is working closely with the Village of Ridgewood Health Officer/Director regarding

contact tracing and response to students and staff presenting symptoms, and our school nurses will work directly with the Health Department. A three-step cleaning process is used in all buildings, and the custodial staff will be cleaning high-touch areas during the day. Water fountains will be closed, but the hands-free water filling stations may be used to refill water bottles.

Free and reduced lunch will be delivered to students' homes. Locker rooms will not be used at this time; therefore, students will wear clothes appropriate for physical education. There will be no field trips at this time and no use of facilities by outside groups.

We are hopeful after phase 1 we will be able to expand to a full day of instruction. We want our students to return to in-school instruction both for academic and social/emotional reasons. There has been a focus and collaboration between administration and teachers to create a conservative plan. The district will continue to respond to new guidelines and evolving conditions.

## **VI. BOARD MEMBER ANNOUNCEMENTS**

## **VII. COMMENTS FROM THE PUBLIC**

The following callers addressed the Board:

Michael Yannone, President of Ridgewood Education Association, Thanked the board for scheduling the meeting. The members of the REA are eager to return to teaching in person, but only if it is safe. Right now, three days before we are set to return and 5 days before we welcome students, we believe that our buildings are not safe. This is not due to the lack of work from our administrative staff, it is simply that we have run out of time. The members of the REA want to come back, we even agreed to come back one day early. We are not flooding the administration with requests to work remotely. Some teachers have been asked to teach remotely. It is because we are willing to come back that we are strongly advocating for the safety of the buildings on behalf of the staff and the students. 25% of the Ridgewood population is made up of students. The last thing we want is to rush to pen and then have to close.

Spent two hours in a workshop about ventilation, this is complicated since some buildings use different systems. Our classroom univents use Merv 8 filters but the CDC recommends Merv 13 or higher. Can the percent of fresh air brought into the room be increased? Is it possible to fully open our rooms' dampers? Can our ventilation system work for 2 hours before and after staff arrives? Can the windows stay open? Can we purchase portable air filtration units that can be used in areas that require it, such as the nurse's office? Can our window air conditioning units be equipped with better filters. How regularly will our maintenance staff inspect our areas to make sure everything is working properly? If the system fails, how will we know. The High School plan is to assign a large number of students to common areas, this is in violation to executive order 153 for any indoor gatherings of 25 people. The district claims that schools are exempt from this order, but the only exemptions listed are for weddings, funerals, and

services of celebrations. There is still concern that we cannot social distance in our classrooms. We fear administrators are relying on virtual students to assign space. On August 14 the state issued new health guidelines that addressed having multiple isolation students to quarantine students. Those spaces need to be the best ventilated areas. We have questions about phys ed and art classes. We don't have our plastic barriers, or PPE orders. We have more questions and concerns and time is needed to answer these questions. Our administrative team needs more time to prepare for the safe return.

Kevin, Willard district family, This has been an enormous challenge and the fact that 82 % of the families are choosing in-person learning speaks to the overwhelming loss that the students have gone through and the parents are so desperate to see them return to successful educational experience, especially for children with IEPs. To the degree that the school is exceeding the state expectations on the filtration systems, those families seeking in person instruction feel very good with the plan that was done with great integrity and confidence and we ask that you respectfully do not take the recommendation of Union bosses but listen to the teachers themselves who have participated in calls with parents the tremendous desire to get back to the classroom. We are proud of the teachers who serve our kids and thankful that they have the children's best interest in mind.

The Board asked questions regarding the plan.

Ms. Brogan thanked Dr. Fishbein and Ms. Poelstra, she stated that there is excitement from our Administrators through seeing their videos and letters. She would like to move forward with the plan.

Mr. Dani asked questions within three categories: the process, infrastructure and curriculum. He stated that most of his questions are from parents and teachers. In the Road Back document it says that collaboration is critical in the district's reopening plan every school district should establish a restart committee that includes Administrators, members of the Board of Education, presidents of local Education Association and a diverse set of experts including parents, students, and the local health department. He asked who was involved in our plan?

Dr. Fishbein answered as he stated that our process to develop a plan was established well before we received the Road Back guidance and although it is not an excuse, he does take full responsibility. Principals had already engaged with their staff who are members of the REA (and satisfied that component). They have been holding meetings about the plan in the spring and throughout the summer. We have had 3 surveys to gather feedback from parents. Administration and a lot of teachers comprised the team. For the restart group, the principals involved their staff, that started well before we received the road back document.

The Road Back document also asked for a Pandemic response team and we put that in our plan this week to walk through the facility. The pandemic response team is a different group that includes parent representation. The parent representatives who are

part of that team were chosen by the principals and have been in communication with them. The principals from each school each had their own process to identify parent representatives. A board vote is not a requirement for board representation within the group. Dr. Fishbein explained that he has shared communication that he has had with the County Superintendent of schools with Mr. Dani. He further added that he cannot change history but takes responsibility for it. The pandemic teams were chosen by the principals and the names of the people are on our plan.

Mr. Dani asked were there meetings before this week from the pandemic team. If yes, how many meetings?

Dr. Fishbein explained that he believes the first time they met was this Wednesday. The principals were meeting with other staff and administrators prior to this meeting.

Mr. Dani asked do we have time to fix issues and deficiencies?

Dr. Fishbein replied that issues that have come up were and are being addressed. The issues with the Merv, we have maintained airflow in the univents, we cannot change what the univents can do as far as accepting a filter that is greater than an 8. The districts around us who have completed recent renovations of their mechanical systems don't have the Merv 13 level. We are at the same level as all districts. The NJEA has called upon the Governor to take a statewide look of all the ventilation systems of all of the schools and Dr. Fishbein welcomes that review. We've explained what level of filtration we have and that is all we can do.

Mr. Dani discussed the referendum that was proposed for the Elementary Schools and confirmed that the referendum was not for the High School, the High School was upgraded in the 2008 referendum as was defined as a state of the art system. That was our benchmark and model system. Is there a difference for Merv rating?

Dr. Fishbein replied that most of the High School univents were rebuilt, not replaced. Dr. Fishbein explained that a univent serves a dual purpose, one brings in fresh outside air and the other is the heating element. The univents themselves are antiquated but the motors are maintained and replaced when they need to be replaced. The heating side of the univents is old and antiquated. Our issues with heat are overheating and failure of steam pipes. You have to look at the univent in two ways: bringing in fresh air and heating. Dr. Fishbein does believe that they need to be replaced but the outside air part of it is working and is operable.

Mr. Dani asked is there a difference between what was proposed to be replaced versus what was already done in the high school?

Dr. Fishbein replied that when we talked about the referendum, COVID-19 was not part of our vocabulary. There was no indication back then that we would need anything higher than Merv 8. Schools that have just finished those projects have Merv-8. If we were years ahead as far as that project is concerned, we would be in the same situation because there would be no way that we would know that COVID-19 would hit us and there is no way that we would have known that the guideline that are used as a standard in all schools would be changed.

Mr. Dani asked that since we updated a long range facility plan after COVID hit, do we have provisions for new filtration systems to go to a Merv 13.

Ms. Kelly stated that we don't have to be that specific in the Long Range Plan, it would state an upgrade to the filtration system.

Mr. Dani read an excerpt from The Road Back on page 41 that includes parent and board engagement in the plan. He asked what is our plan to engage parents, the community, the board on the ongoing plan? What did not happen with involvement from parents and boards being part of the pandemic team, what will happen to change?

Dr. Fishbein answered that our principals have done an excellent job communicating with parents through letters, videos and updates along the way. Dr. Fishbein has attempted to communicate with the community about the updates through letters and will continue to do that. The middle of October will be the time to look at transitioning to a full day if everything is going well, that decision will not happen on a Friday to go live on a Monday. We will review in September so we have time to transition to full time. Dr. Fishbein explained that the Pandemic Team as per the Road Back document does not include board members as part of the team, it includes parents who are already part of the team.

Mr. Lembo added that the Pandemic response teams are school specific, Dr. Fishbein has said that for the planning team he recognized that there was no parent or board member participation.

Dr. Fishbein added that we will continue to communicate with the community and reach out to them just as we have throughout the spring and the end of school.

Mr. Dani said that although the pandemic response teams are school specific, there should be more parents involved.

Mr. Lembo confirmed that parents are involved in this team and now we are moving forward with the plan and there will be board participation regarding the future plans. Going forward there will be more participation from parents and the board.

Ms. Brogan added that now that schools are back and the HSAs are up and running they will be involved. Federated Home and School Association is a built in feedback loop, where they gather information from parents and bring back information. HSA will be helpful, the principals are in attendance to their meetings and they bring back parent feedback from the meetings they attend.

Mr. Dani stated as per a comment that was submitted, there are rooms where there are no univents or windows? Are we planning to have this corrected?

Dr. Fishbein said he cannot respond to this right now because he needs to check to see if that statement is accurate. All of the nurses offices have windows. If there is a room that does not have windows, it has rooftop units that are Merv 13. Dr. Fishbein will need to follow up on this questions to check for accuracy.

Mr. Lembo asked if there is an issue that is brought up by a teacher or a parent it would be brought up to the principal or pandemic response team and then to Dr. Fishbein for resolution?

Dr. Fishbein confirmed yes.

Mr. Dani stated that some teachers have mentioned that when they are teaching in person and then need to switch to remote there may not be enough time for travel to their home. Can they teach outside of the building while their rooms are being cleaned during their lunch time? But the wifi does not work outside of the building.

Dr. Fishbein replied if there is an individual case where a child needs access to our wifi because they could not get home during that time, the parent can work with the principal. He added that he does not know the amount of teachers who are affected by travel time during their remote teaching portion of the day, if they stay in their classroom where they teach and don't use the student desks which have already been cleaned off when the students left, there should not be a problem. The ventilation system will continue after the students leave, and after the teacher leaves, the facility will get the three step process of cleaning as explained in the presentation.

Mr. Dani asked why can't we provide wifi outside of the building so that teachers can teach outside when the weather is nice?

Dr. Fishbein answered that he and the District Head of Security attended a webinar for school safety that included topics such as fire code issues. It was made very clear to them that being outside should not be the rule for instruction for many different reasons including bathroom use issues, school security issues, students that may have allergies, there are a number of issues that classes should not be held outdoors as a rule. Even before COVID, some teachers took their classes outside for parts of their lessons, but wifi is not provided for outside.

Mr. Dani said he received questions from 2 teachers regarding hallways and changing between the classes. It is suggested to leave the classroom 30 seconds earlier to have enough time to reach from one class to the other.

Dr. Fishbein answered that the secondary schools will have 10 minutes between classes, usually they have approximately 4-5 minutes; the time has been doubled. Administrators and teachers will be in the hallways to police kids. All the buildings have a blue line, just like a highway to keep to the right, every 6 feet there is a yellow line to maintain distance between the kids. At the secondary level, it will be kid, teacher, and Administrator responsibility to travel in the hallways safely. The added time and visual cues will make it doable, plus we have half of the kids in the buildings.

Mr. Dani asked how often are the filters changed on the window air conditioning units?

Dr. Fishbein answered they are changes as per the manufacturer requirements. Additionally, they are window units that just cool the inside air, they are not hospital grade that take air from the outside to cool the air and then bring it in. The teachers have asked to open the windows and doors, that is doable. The air conditioners cannot

cool down a room when the windows are open. The doors as a rule are closed and locked for security. During this time, they can keep them open as long as they are locked, so if there is an emergency they only need to shut the door instead of having to go outside and fumble with the keys to lock.

Mr. Dani asked Dr. Fishbein to check with the custodial staff about the window unit filters because he has received emails that teachers are changing the filters, and the filters are not changed for 5 years.

Dr. Fishbein asked Mr. Dani to forward that information after the meeting and he will address it.

Mr. Lembo reiterated that we should keep these to general questions and not specific.

Mr. Dani asked if students are asked to sign liability waivers?

Dr. Fishbein replied, no that is not correct. For graduation and project graduation at the High School they used those forms. For freshman orientation they used that form. The waivers are not part of our medical checklist/check in everyday, they simply used the same form again and it should not have been used.

Mr. Dani asked will we exceed 25 in one place?

Dr. Fishbein answered that the Executive Order 175 does not apply to schools, he has confirmed with the County Superintendent and the Association. Because we are closing the High School campus, if a student has a free period they will be assigned to a study hall. They will have desks that are socially distanced and they will wear masks, the ventilation will be on.

Mr. Dani asked a lot of chatter about hiring specialized teachers for learning pods, do you think parents are losing confidence in Ridgewood Schools?

Dr. Fishbein answered that he does not know what is in the minds of parents, but we have parents who hire tutors for a number of reasons. It could be that the student needs the help, or the parent wants the student to be in a class at a higher level than the Administrators thought the student should be in, or it could be that the student wants to maintain a very high grade and needs the additional assistance. Dr. Fishbein has spoken to colleagues and read articles that these pods are happening all over the place, not just Ridgewood, this is a pandemic that has not happened in a century, it is all new to schools and parents. He will not pass judgement on parents when they want to do what they believe is the right thing for their child, that is why we put in the 10 days to move between hybrid and remote. Parents are making decisions, and our philosophy was that we will do it as fast as possible to make the change. These are parent decisions and we respect those decisions, we may not agree but we respect their opinion.

Mr. Dani stated that he has heard from some people that their kids need Ridgewood school teachers to help them, but the parents cannot afford these pods. Parents have to go to work because they are essential workers and cannot teach and work. In the

original plan, he saw that we were prepared for hybrid and all remote. Are we prepared if the pandemic increases, to provide in person education to those limited number of kids if we have to go all remote? Can we think out of the box and take teachers or parent volunteers, parent chaperones to continue to provide education who are willing to come to the school to teach those kids, if we have to go all remote.

Dr. Fishbein answered that our remote option has changed from the spring, it is not a perfect replacement for live instruction, but if we are mandated to close he cannot make up a rule that we will remain open for a few students only. If we are asked to go all remote because of an increase in the pandemic, or as in situations as detailed in the health guidelines where a building has to close, it is closed for a specific reason that the people in that building have to be quarantined. If those people are asked to quarantine from an entire building he cannot have some of those students still come in.

Mr. Dani said he understands but he still wants to find some ways to teach those kids, maybe if a building closes we can teach some of those kids outside and break the rule about outside teaching.

Dr. Fishbein answered that if a building is quarantined, he cannot peel a few kids and say they are not going to be quarantined. He is hopeful it will not occur, but people cannot think that if a building closes, some kids will be exempt from quarantine.

Mr. Dani said that is ok for 14 days, but he does not want it to occur for a 6 month period like it did.

Mr. Lembo responded that is something that the health department will mandate, we will not be able to make that decision.

Mr. Dani added one feedback about the earlier schedule, where we had a difference in the earlier schedule is the inconsistency in the days. Can we do 2 days in one week to make it easier to prepare for childcare? Today's plan is even more confusing for Elementary School. When the teachers are changing it is very complicated.

Dr. Fishbein answered that there are so many changes because we are trying to have the flexibility of change to accommodate parent requests. If the district were to say you've made the decision and you have to stay with that decision for the first marking period, we would not have the scenarios for change, but we are trying our best to accommodate parent changes for what they want to do for their child. Other districts that are doing the Tues/Thursday, Wed/Friday schedule are having one day during the week that is completely remote, we wanted to have the biggest amount of in-person instruction and therefore created this model. Also, when looking at the other model that we did not choose, due to the calendar and days off, we would have been faced with students not getting in-person instruction for 5 days. We did not want the long periods of time of gaps for kids to get in-person instruction and we did not want one day per week where we would be all remote.

Mr. Dani asked what option was provided to teachers regarding working remote or in-person?

Dr. Fishbein answered that teachers fell into 3 categories. Those with a medical excuse completed a 504 form that our physician and Ms. Towns reviewed, in these cases they are allowed to teach remotely. Some teachers have taken a year of leave. The other category are teachers with childcare issues or have family members who may be ill, those do not rise to the level to provide accommodations as per the documentation from the State. As Mr. Yannone said, while it may appear to us that we have a lot of teachers falling into those categories, compared to some of my colleagues who were forced to go remote due to staffing and the creative work by our administrators to change schedules in every building, we can meet our instructional needs for students.

Mr. Kaufman stated that he thinks the limited involvement between the teachers, the community and the board, while we can't go back, in the future we need to create a more inclusive process so it doesn't happen again. He does not appreciate the comments on social media from parents about the teachers. He asked in regards to the air quality, have we had tests to determine that the air quality is at a safe level?

Dr. Fishbein answered that he is sure that someone out there can do that, but we do our preventative maintenance on our univents, change filters on our univenets and roof top units. We do that all the time in our schools. The air flow into the rooms does occur.

Mr. Kaufman asked if we are using new cleaning products, and is there an outside company doing the cleaning?

Dr. Fishbein answered that our custodial maintenance staff are outsourced by Aramark. We have been using these new cleaners starting in January/February. As soon as this was hitting the headlines Bob and Allan were proactive in getting the disinfectants and devices. The devices look like little guns, and when Dr. Fishbein saw them last winter, he was concerned and asked that they be used only after school hours, because guns in school, even facsimiles, are not a good thing. Staff who saw them last winter also complained. Fast forward to now, Dr. Fishbein is telling the custodial staff to let everyone see what they are doing. We want to make sure our rooms are sanitized and disinfected quickly. We have been very proactive since this first started. Our rooms waiting for students to come back last spring were cleaned and disinfected to the level of summer time. This summer they were cleaned again, disinfected, the floors were waxed even though they were not used since they were cleaned. We are in a great spot and appreciate the work that our maintenance supervisor and maintenance did in being proactive.

Mr. Kaufman is concerned about students cleaning their own desk. Is that something that is the best idea? Is this an extra thing and then will be cleaned by the janitors

Dr. Fishbein answered for the elementary level, it would just be at the end of the day. At the secondary level, it will be as they leave for their last class, this is very doable. You would be surprised that kids do what they are asked to do in our schools. We are fortunate that we have great kids and we will teach them why it is important, I guarantee that the kids will step up and comply with this one task.

Mr. Kaufman asked if there is a maximum number of kids allowed per class.

Dr. Fishbein answered that each class space is different in size and we are customizing per the class size. We'll continue to split students up by alphabet, eventually we will have to have all kids in the room. We are working to eventually have all kids in school 5 days per week all day.

Mr. Kaufman asked, have we been presented with the situation where some students/teachers cannot wear a mask?

Dr. Fishbein answered that for students we are looking through those now, we are receiving medical exemptions. We have Dr. Yankus looking at those and he will be contacting physicians when necessary to discuss why the exemption may not be applicable. As far as teachers, we don't know of any at this time. The teachers with medical exemption are being taken care of and are teaching remotely. A severe medical exemption would be the requirement for a student not to wear a mask. If that is the case we may ask the child to wear a plastic shield.

Mr. Kaufman asked, were the High School kids encouraged to drink water outside of their classrooms.

Dr. Fishbein stated he will check, he does not know the answer since he has not heard that.

Mr. Kaufman asked how will entering/exiting be organized?

Dr. Fishbein answered there will be yellow lines painted 6 feet apart and there will be designated entrances/exits. The same with the bus students, they have been spread out and there are multiple entrances with designated lines.

Mr. Kaufman asked if a teacher is absent, what will happen? If a substitute is brought in, will we be in a situation that there will be multiple substitutes.

Dr. Fishbein answered if it is a scenario that a teacher will have to be out for a long period of time, we would get a long term substitute for the class. If it is a short period of time, then we may have a substitute in the room. Because we have the electronic ability there may be a time that a teacher has to be home but can still teach the class remotely. If they are sick and contagious, but will be able to teach remotely, that will be an option that we could not do in the past. There will never be a time when a group of kids are in a class by themselves without a teacher or substitute.

Mr. Kaufman asked how will the study hall desks be cleaned?

Dr. Fishbein answered at the end of the period the adult in the room will instruct the students to clean the desk before they leave.

Mr. Kaufman stated he appreciates the work of the Administration and the staff.

Ms. Kwak commented that it is admirable that the Administration started the plan

before the document, but given the circumstances it would have been nice if we could have been more involved. What are concrete ways that the involvement will be enacted?

Dr. Fishbein answered that it would be great if people joined the HSA's since they are a big source of getting information out to the community and for receiving feedback. If parents are concerned about a schedule they should go to the principal first. Our District is set up with the chain of command for providing feedback and getting answers that is posted on our District website.

Ms. Kwak asked what are the metrics that will be used to go to full time instructions? Are you looking for a zero rate?

Dr. Fishbein answered that he will continue to work with the local health official, school physician, and the State to make decisions. He will continue to look at the map as per the presentation, to see if it stays the same or has improved. He will also look at situations where we are quarantining buildings. Hopefully that will not happen since that will be a step backwards. We will need to see what happens when we open up and bring students back together. There will be changes out in the community as gyms and restaurants open up. He is hopeful that we will be able to increase the opportunity for in school instruction and open up our greater community.

Ms. Kwak asked if we see a scenario if only one building will be quarantined?

Dr. Fishbein answered yes that is the case, the Department of Health document references the situations where one building may be required to quarantine.

Ms. Kwak who will be involved in the reopening decision?

Dr. Fishbein answered that we will get input from the buildings, the pandemic teams, Administrators. There will be discussions with the Board.

Ms. Kwak asked why at the end of September will we consider when we would reevaluate the reopening?

Dr. Fishbein answered that we will be assessing along the way, but we want to communicate the changes that will occur in two weeks so families can have time to make arrangements. The decision will be independent of people moving in and out of remote learning.

Ms. Kwak asked if we can move the timeline up so that phase two is not in 6 weeks.

Dr. Fishbein answered that we can look at that, but we developed a plan so that people can plan. When we make a change to something that we've put in a document, there are always the unintended issues when changes are made. September is a fairly short month since we have several Mondays off. We want to look at what we will transpire. We will look at it daily. Every Administrator and teacher would rather have a regular opening.

Ms. Kwak asked about the cleaning and stated the barrier seems to be that we are doing in excess of what the requirement is. She thinks the teachers raised points in safety and it sounds like the district is going above and beyond what other districts are offering in regards to cleaning. That is the main reason we cannot offer a full day schedule.

Dr. Fishbein answered that there is no minimum requirement recommended through the State, but this is the protocol recommended by the professionals we consulted including our maintenance/custodial managers and the school physician. We think this is the best thing we can do for our students and staff. Any less cleaning than originally agreed upon, will affect parent decisions to send students for in-person or to be remote, this will not be valuable. Even with a full day, students will be asked to clean their desks and we will continue our cleaning process. We were doing it in February and March at the end of the day, before anyone even knew it.

Mr. Lembo stated that he answered questions from parents and students and the number continues to go up. He apologizes if he has not been able to respond yet. He knows how hard Dr. Fishbein and the staff have worked to put the plan together. The plan has been created by the professionals including the school doctor, scientist, administrators, etc. Over the last month, Dr. Fishbein and other Administrators have gone virtually to parent meetings and addressed the Federation two times although difficult they were positive since voices were heard. The principals have had FAQ's distributed.

Mr. Lembo asked are the Merv ratings recommendations or mandates?

Dr. Fishbein answered they are recommendations, if they were mandates the whole State would be shut down.

Mr. Lembo commented that the Merv filters have been in place and wondered if during flu season we see outbreaks as a result of the filtration?

Dr. Fishbein stated that we do see flu outbreaks and we have people come in to offer the flu vaccine to the staff. We hope that families will take the opportunity to have the flu vaccine this year. While we see spikes during flu season, if we see spikes in one building we have discussions with Dr. Yankus to see what he is finding out about local flu levels.

Mr. Lembo talked about the digital divide and that some students depending on the group they are in will not get their chromebooks until the second day of school.

Dr. Fishbein explained that the digital divide refers to students who have no access to chromebooks due to family situations. The students who are remote will come to pick up their devices, the students who are in group b will receive a link about the first day of school.

Mr. Lembo asked about virtual learning, will students log in to specials and be with their teachers as well during remote days.

Ms. Poelstra answered that when elementary students are remote, they will have live virtual specials and have asynchronous assignments in reading, writing math since the teacher will be live in-person with the other group. The remote students will work on assignments given the day before or that have been posted on google classroom. In the afternoon, they will check in with their teacher. Our students are very good at learning routines quickly and adapting, once they get into the every other day groove it will go smoothly.

Mr. Lembo asked about the 2:00 prep time for teachers. Will they be available for questions at that time?

Dr. Fishbein answered If a student has a question they can email the teacher and the teacher will get back to the student. Students can also ask questions during the afternoon check in with their teachers.

Mr. Lembo asked about before and after care availability for students who are remote on given days. Will AlphaBest help the students log in?

Dr. Fishbein answered the students will be taught how to login in by their teachers, but AlphaBest knows that after the inschol instruction day the students they receive may have homework or need to log in. We looked into having AlphaBest help us on opposite days, but we do not have space in our buildings to house them.

Mr. Lembo discussed the concern from parents about students' virtual days for elementary school. Parents are concerned that if they don't come home from work until 5:00 pm and their child has not logged in all day that they would miss the work and not be accounted for during that day.

Dr. Fishbein responded that hopefully whoever the parents have watching their children during the day will be able to assist them in logging in.

Mr. Lembo discussed mask wearing and what will happen if they take it off and not wear them. What about the mental wellness of children with wearing masks? Will it be punitive if they take it off to take a breath

Dr. Fishbein answered that health and safety is our main concern. He has spoken to local nursery schools who have run summer programs and have had younger than school age kids wear it all day long without a problem. At the elementary schools we will provide opportunities for kids to go outside and have a socially distanced mask break. The older kids can do this, it is a shame they are not doing this out in town now. He believes the Executive order if worded differently would help local authorities to police mask wearing.

Mr. Lembo stated that he knows there were questions that were answered about busing, but going forward if they have questions about busing will the bus company answer those questions?

Ms. Kelly answered that If it is regular education, those letters went out by our transportation coordinator today. Region I does our special needs and non-publics, they have their system in place regarding transportation. Both the bus company and our transportation coordinator are in communication with the parents. Busing questions can be addressed with Ms. Kelly or Ms. Mary Alexander, transportation coordinator.

Mr. Lembo asked what is next? Is there a plan in place for the next reopening?

Dr. Fishbein answered that during phase 2 we would go to a full day scenario. The schedule would expand and lunch and recess will be involved in elementary and Middle School. Classes will be expanding in the full day meeting live without an afternoon remote session. Dr. Fishbein anticipates we will know where we are heading by the end of September so parents can make the adjustments in their own schedules. The thing that will be added during phase 2 is that the classes in school will meet every period.

Ms. Poelstra added that phase 2 is difficult to discuss right now since we need to see how things will change. Our focus now is getting our students back to start, we will then collect data and feedback from supervisors, teachers, and the pandemic response team to help us decide what phase 2 will look like. We will think carefully how it will impact all of the components. Feedback from school teams, department meetings, Federated Home and School Association will be important and it will be a fluid process. We also need to see what the State continues to give us.

Dr. Fishbein stated that there will be a time that there is an executive order that tells us to come back. We are a compulsory education State and the State may say we need to come back at a given time. We have what phase 2 will look like in our plan, the implementation will be at K-5 level, 6-8 and 9-12. Parents are involved in the pandemic teams.

The board discussed parent involvement options.

Dr. Fishbein stated that the Home and School Association has an elected board of parents. Parents make up the HSA and all parents can join and provide feedback, thoughts and become involved through the HSA.

Mr. Brogan made a statement that there is some dissatisfaction from the board about not being on the committee, but as a board member she received information and had the opportunity to ask questions. She cautioned that sometimes when input is given there may not be agreement, sometimes our educators may think that something else makes more sense when looking at the whole district. She believes that the board has the opportunity to ask questions and provide feedback, she has felt that the administrators are responsive. The FAQs are on our district website under the reopening plan. The Board's involvement in a public meeting is looking at these plans and having a good discussion. Today was an example where questions were asked and answered. By reading the materials sent by Dan in his weekly FYI and the CDC guideline documents, she saw where we were going to go even though she did not have a preview of the plan or was not part of a committee. Ms. Brogan stated that she

has not given input on changing the plan because she believes that the plan is solid. She stated that she trusts the professionals to look at the needs of the students, instructional needs, social needs and physical well being. To approach this in a cautious manner with so many unknowns is wise. There are a lot of different viewpoints, her viewpoint has been consistent to move slowly, evaluate, reevaluate based on data within the community and then move forward to phase 2 which brings our students back to in person learning.

Mr. Lembo felt that the board did not have an opportunity to ask questions until after the plan was complete.

The board discussed the possibility of moving the timeframe for the start of phase 2.

Ms. Kwak asked Dr. Fishbein his thoughts on his plan.

This is not a plan he wrote in isolation, he orchestrated the development of the plan but it was developed through administration and administrators talking to their staff. He takes ownership of the plan. He added that there was a lot of input in developing the plan including the survey data we received. If the infection rate falls to a different level and we don't have issues, we will reevaluate it. There are very few school days when looking at the time line through October to decide when we move to phase 2. It will be important to see the behaviors of our students when they are not with us, they continue to wear masks and social distance, and good hygiene. All of the factors will go into the calculus of how we move forward.

Ms. Kwak's concern is that after the plan was made public, there was a period of several weeks where stakeholders provided input and nothing changed,

Dr. Fishbein responded that we did look at that input and we evaluated the input and as he has stated, we did not want to have an all remote day to make the model that was suggested, as have other surrounding districts. Part of the decision was because of the number of Mondays schools are closed in the beginning of the school year. He reiterated Ms. Brogan's statement that providing input and coordinating input are two different things, it is not that we did not listen and think through with the input. It is that we could not make it work with some of the cornerstones of what we wanted to do with the plan.

Ms. Kwak how can all of the stakeholders be involved in the future. Would this be discussed in an executive session?

Dr. Fishbein replied this is not an executive session topic

Mr. Lembo ended the conversation by confirming that stakeholders will be involved in future plans in some portion. He added that back in July when the plan was presented, parent group feedback was taken into consideration. He asked Dr. Fishbein to confirm this.

Dr. Fishbein repeated that one mechanism that principals use to get parent

involvement is through their HSA. The HSA is not an exclusive group, it is an inclusive group and anyone who has children in the schools can be part of the meetings where principals discuss issues, share their plans and get feedback from parents.

The following callers addressed the Board:

Tara Hastings, 160 Woodland Ave, She understands that parents will be involved through the HSA, but the roadback guidance on page 41, states that it needs to be at the district level not just the school level. Parents want to provide input and make sure it goes up through the Administration. She does not feel confident that the feedback will get back up there. She appreciates that Dr. Fishbein is taking responsibility but wants a task force to include parent representatives, administration and health officials to meet regularly to have these conversations. There is a lack of trust in the community and a willingness to collaborate at the district level through a task force. There should be a published calendar, agenda and meeting minutes that will be shared. We are not asking for communication, we are asking for a seat at the table and need to know our voices will be heard and taken into account. We want something tangible coming out of this.

Peter Masajuski, 663 Midwood Rd., Echoed tara's comments. He has 6 children, 3 of which are in the Ridgewood Schools. He stated that his children suffered in the Spring and he is concerned and worried. He has never participated in a board meeting before and is concerned about the lack of parent involvement in the decision making and does not feel that it is being fixed he is grateful that schools are opening and to Dr. Fishbein and Ms. Poelstra for opening school. The community and children want their children in school and he feels that something needs to change. The teachers have made a public statement on facebook and in this meeting and have called for 100 percent remote, they have not talked about the well being of the children. They cannot speak for themselves and he is speaking on their behalf, remote instruction is not enough, they need to be in school. He is disappointed in the teachers who feel that schools need to be like a hospital before they can be opened. Nobody has said that remote learning is as good as in-person, he cannot educate his children himself. We have an amazing school system that needs to be opened up as soon as possible. He is disappointed that the board was not involved in the process, they are my elected representatives who speak on his behalf to make this decision.

Frank, Willard District, Thanked the teacher who are willing to come back, but it is not safe to open or go back. If 94% of the teachers don't want to go back, they are the professionals who are in the schools doing their job. Great job by the union to support their teachers. Why are the teaching assistants taking temperatures, when they work with the most vulnerable children? If you don't go remote and then you have to close again, what will that do? I'm hearing that remote is not good enough, colleges have been teaching remotely, and people are paying thousands of dollars to send their kids to school. You are putting a bunch of kids in a small environment. Why aren't we getting the best for our children, we need to make a hard decision, but the right one. The kids' lives are in your hands. We are in a pandemic, a state of emergency and we are willing to just send the kids to school. We need to go all remote, the union should

not have been shut down early on. Transparency is key and it is not happening. The board needs to get on point and realize the safety of the kids is what's important.

The following comments were submitted online:

Michael, Ridgewood, How is the ventilation situation being addressed? I understand that the filters are below CDC recommendation (MRV 8 vs. 13) If a teacher tests positive for COVID-19, do all of the students that they will have seen over the course of the hybrid schedule also need to then stay home and quarantine for 14 days or until negative tests are produced? Same for a student: would their teachers or classmates in each class need to do the same? What protections will staff have for barriers until the plexiglass arrives?

Lynne Witham, 290 Lakeview Drive, How are the ventilation issues being addressed? Is it possible to delegate more funds to fix our Ventilation systems to accommodate the MERV 13? Would it be possible to adjust/repair the windows so that they all can remain open? Are we able to put funds into providing the staff with PPE?

Anthony Albergate, 634 Maxwell Place, Have all the schools in the District met all State requirements to reopen? Have the difficulties with ventilation been resolved to the satisfaction of State requirements?

Matthew Connelly, Travel Elementary Classroom Teacher, In February 2020, (pre-COVID shutdown) the BOE declared that the RPS ventilation systems were seeking \$59 million as the HIGH PRIORITY NEED in repairs and replacement to the existing HVAC system. In addition, the MERV rating on our current system is MERV 8. The CDC says that the minimum MERV rating must be MERV 13. What is the timetable for having the district's ventilation systems upgraded? Does the BOE feel that it is safe to reopen in-person instruction if ventilation cannot be upgraded before August 31? Plexiglass is part of the district's safe reopening plan. Teachers will use this to work in close proximity to individual students. Although it has been ordered, it would be reasonable to expect that the order may not arrive for quite some time after the opening of schools due to shortages in supply. How will students and teachers work together without plexiglass? Will they need to remain 6 feet away from one another without plexiglass or some other barrier?

Much of the summer has been spent waiting for guidance from the State and preparing facilities to be safe to hold students and staff. Even now Building Level Pandemic Response Teams have not been formed. The BOE is just now responding to the district's reopening plan. Not to mention teachers, no matter where they are in their careers, will be forced to adopt an entirely new pedagogy and have not received training. While the district is doing its best in extreme circumstances, why is the district holding to a September 2 start date for students when the district is still finalizing safety plans and has scheduled only two days before students arrive to prepare staff to educate them?

Patrick Thurlow, 233 Steilan Ave., The MRV ratings on current ventilation systems in the district are MRV 8. The CDC says the minimum MRV rating for a ventilation system

must be 13 to help prevent the spread of COVID. How can students and teachers feel safe attending school if the ventilation systems are not modernized in a way that helps minimize the spread of COVID? The RPS reopening plan contains vague language in some areas and fails to address specific concerns in others. For example, it is unclear if all staff will be provided with additional PPE beyond face shields, or how the district intends to notify individuals that have come into contact with a COVID-positive person. Governor Murphy did not allow much time for districts to plan for reopening. However, doesn't this mean we should start fully remote so these plans can be more carefully written and implemented first?

A CDC report in August states that 1 in 3 children who contracted COVID had to be admitted to the ICU. Additionally, we are still learning more about the way COVID spreads among younger individuals, and the long-term impacts it can have on a person's health. As a young teacher, I am terrified of how this might affect me as well as my students if we open before we are truly safe.

Julie Gordon, 1001 Cumberland Court, Mahwah, Concerned about the current ventilation problem in the buildings. Concerned about no ventilation in the bathrooms. Concerned that there is not a good system for getting students in the building. Currently, the students will be lined up in the parking lot to get tested prior to entering the building without the lot being closed for drop off (high school)

Jena Tell, 67 Woodcrest Drive, Woodcliff Lake, How is it safe to reopen with the univents not having filters that are up to code? Is it suggested that we use the window air conditioners with the windows open? It will be hot in the classrooms. Wearing masks in a hot environment is challenging for adults and children. I work at Orchard and I have had a wasp problem in my classroom for years. I don't have screens on my windows. What am I to do when there are wasps in my classroom and the students get all riled up as they always do? In the past, I've relocated to the hall. This won't be possible this year.

With Orchard's soil remediation project still underway, and us not able to use the grounds except for small areas, I'm concerned that students won't get the "break" they need from sitting at their desk all morning. As they won't be moving around the classroom much, they will need some movement which they can't get much of during our break where we are quarantined to a small outside area. This obviously is an issue specific to Orchard.

Alex, RHS, Ideally, what should asynchronous learning look like? This may be challenging for classrooms with 1 teacher. Have the ventilator systems met the standards of the State and CDC? How many teachers and students have opted for remote?

Lauren Imbruglia, 3030 South Pleasant, How will student safety (particularly occupancy) be assured in restrooms and hallways? What happens if a parent doesn't fill out the questionnaire for their child for that day? This is bound to happen. Who is taking student temperatures? Will this be a teacher? Nurse? It seems like it will be a lengthy process to get into the school building, and may be feasible now, but in bad weather, it could be quite chaotic.

Katherine Keppel, GWMS Teacher 126 Payne Ave, Midland Park, I am assigned to work in windowless rooms in the basement of GWMS. I am concerned about the lack of fresh air and ventilation. I currently share an office with 11 other people. It is extremely difficult to social distance with that many people and two small windows for ventilation. The desks are on top of one another and are currently not 6 feet apart. My desk is pushed up against a colleague's desk, facing her directly.

Kim Casey, 235 East Franklin Turnpike, First, I would like to thank you for providing the community the opportunity to discuss the concerns we have regarding the ventilation system of our school buildings. I have been a teacher in the district for 19 years and want to go back on Monday more than anything. We all know that in-person learning is optimal for our students. My fear is that without a proper ventilation system, all the safety measures, PPE and such would not be enough to protect us.

Can you assure the teachers, staff, children, and parents that the ventilation system meets the CDC standards to help kill the COVID-19 virus? If so, would you be willing to share the data with the community? Another concern I have... I want to do my job with preparedness and professionalism. Two days before the students arrive is not going to give the teachers the time they need to get things set up for this new way of learning. I am proposing next week to be a training and preparedness week for teachers and staff. Have students arrive on September 8. This would give us the time we need to contact parents to discuss how things will run, teach the students about the programs they will be using, get training on the programs, etc... Thank you for your time and consideration. Is it possible to move the remaining PD Days to the beginning of the year?

Brittany Daidone, GWMS Special Education Teacher, Good Afternoon,

My name is Brittany Daidone, and I have been a teacher in the Ridgewood Public Schools for the past nine years. I am writing to you today with my concerns about our return to school via the hybrid model.

My first concern is my special education office at GWMS. I share this office with 11 other faculty members. Even though we may have different schedules, there are many times that we are all in the office together. The way the office was left right now is extremely unacceptable. It is impossible to keep an acceptable distance between all of us. I will be forced to spend my entire first day back at school rearranging pure chaos, instead of planning and collaborating with my colleagues

My second concern is the condition of the basement classrooms of GWMS. Some of the classrooms do not have windows, and the others have windows that begin at ground level, which leaves very little opportunity for the entrance of fresh air and proper circulation. My third concern is the 16-day rotation of our schedule. I was previously asked to be on a reopening scheduling committee where I spent approximately six unpaid hours trying to figure out how we can have the easiest transition from a hybrid, to remote and/or back to full in-person sessions as smooth as possible. I was able to look at this schedule from a special education teacher's perspective. The middle school 16-day rotation that is set up was not one that was reviewed by this committee. As teachers in this district, we are struggling with the processing of this schedule. It has taken me numerous hours trying to plan for this rotation. The afternoon sessions switching each day are creating the biggest challenge. This schedule is going to cause the students, especially our population of special education students, to face unnecessary confusion. In fact, they are more likely to struggle with this model causing

greater social-emotional trauma than what they already have had to deal with up to this point.

I am very eager for a return to normalcy and want nothing more than to welcome students into my class on September 2nd. However, the health and safety of our school community take precedence over in-person teaching as opposed to remote instruction.

Chris Watkins, Teacher at GWMS, What is the plan for assistive technology devices that have traditionally been shared among teachers? Students with specific learning impairments need teachers to wear microphones for the class period. Usually, those microphones have been shared among staffers. What is the plan for use of such devices this year? This is a significant concern for teachers affected. How will ventilation be improved in the basement level of GWMS? The hallways are without windows or univents. The cafeteria is in the basement level and does have windows that can be opened -- but that air does not move throughout the caf and into the hallways without fans, which should not be used with COVID concerns. Students and staff walk through those hallways daily before school, in between classes, and after school. What plans are in place to address this concern? When the size of a classroom physically prevents students from sitting 6 feet apart from one another, how is this spacing discrepancy to be handled? "Do the best you can" is a platitude and does not adequately address the reality of failing to meet social distancing protocols. There is no single entity to "blame" for this, be it administrative or operational, but the fact of the matter is there are some classrooms that will struggle to successfully fit 12 students in the space, all 6 feet apart from one another, along with the teacher(s) and aide(s) required to be present at the same time. So in those situations: what should be done? How should classrooms handle excessive heat? A/C units can interfere with the univent systems, potentially circulating contaminated air and delaying or rerouting the intake of air through ceiling vents. As such, they are not a safe option to use in the classrooms. Many classrooms receive direct sunlight for several hours and others receive reflected sunlight (off rooftops, other windows, etc) and heat up very, very quickly. These rooms tend to have window A/C units -- some even have two units to help combat the temperature concerns -- but again, those are not safe to use. With students and staff wearing masks, and staffers potentially wearing face shields and/or goggles as well, what is the protocol for handling temperatures in excess of 75, 80, or 85 degrees in classrooms? Opening windows will not cool the rooms down, as anyone who has set foot into a school building in the summer can attest How was the middle school schedule agreed upon? It is my understanding that the middle school scheduling committee (at least at GWMS) did not see the adopted schedule prior to the administration's presentation to the BOE. The morning sessions (16-day rotation) are not matched by the afternoon "mirror" periods, but rather a different 8-day rotation. Is there a reason this particular variation for afternoon periods was approved? Planning and tracking schedules for students and staff would seem to be easier with identical afternoon periods on back to back days. For example, the current schedule is laid out as follows... 4A day morning: 4, 1, 2 4A afternoon: 8, 5, 6 4B morning: 4, 1, 2 4B afternoon: 7, 8 5. If afternoon sessions were the same -- for example, 8, 5, 6 on each 4-day, whether A or B -- it would minimize confusion over "which periods meet when" while maintaining the same number of in-person 80-minute sessions (6) as 30-minute remote sessions (6). Students would similarly go no more than 2 school days without "seeing" a class in this

modified version of the schedule. In this way, students would really only need to learn one "version" of the schedule, as the matching periods would always be the same -- just some would be in-person in the morning, others would be remote in the afternoon. (ex: 4 days & 8 days: 4, 1, 2 & 8, 5, 6; 3 days & 7 days: 3, 4, 1 & 7, 8, 5; 2 days & 6 days: 2, 3, 4 & 6, 7, 8; 1 days & 5 days: 1, 2, 3 & 5, 6, 7 ) Staff members have voiced concerns about the schedule dating back to its introduction last month, and now that the reality of school opening is only days away, many are struggling to plan lessons and activities in accordance with the complicated afternoon schedule. Modifying the afternoon portion of the schedule will not impact the plan for in-person learning (3 80-minute sessions on alternating days) but will simplify one part of the hybrid model for staff, students, and their families trying to help keep them organized. [also, if the examples of how to "simplify" the schedule seem confusing, I recommend attempting to chart out a teacher's lesson plans using the current schedule... the sample middle school schedule provided by the administration following the BOE presentation follows the "simplified" approach suggested above, not the currently-approved version of the schedule. If classrooms and spaces used by students and staff do not meet the guidelines established by the CDC and the NJ Dept of Health, is it still acceptable to hold in-person schooling in those locations and potentially expose staff and students to greater levels of exposure and contagion?

Ruth Parks, 22 Sutton Way, Township of Washington, I am a Ridgewood High School teacher with over 40 years of experience in the district.

According to a study in the Harvard Gazette, extremely high levels of COVID, often undetectable because the symptoms overlap with common childhood illnesses, have been found in children. This makes them more contagious and more likely to spread the disease to other children, as well as to adults in their own families. Large numbers of children should not be congregating in an indoor environment. According to an article published on August 25th in the British Medical Journal, the virus was shown to be able to spread beyond six feet through coughs and sneezes. The classrooms in Ridgewood High School were not designed for social distancing and are not safe for our students. Poor ventilation and windows which do not open more than six inches make the school building a very dangerous place for students and staff I have heard talk that the schools will open and then close soon after the first cases are identified. I would like to respectfully remind the Board and the community that by failing to delay the opening until such time as it can be deemed safe, they are gambling with the lives of our staff, our students, and our students' families. There is nothing more important in life than health and no justification for opening schools during a pandemic that continues to claim the lives of children and adults nationwide.

Social-emotional learning is not going to take place in classrooms where masked students sit six feet apart from a masked teacher wearing a face shield and seated behind plexiglass. Our teachers were praised for the work they did last spring and do not understand why they are being vilified now on social media. I do not know one single teacher who considers remote teaching a vacation and who would not rather be back in the classroom this year. Many of us were up until midnight or later last spring preparing online lessons that could replicate what we do in the classroom. We are not looking forward to more weeks of this.

We are well aware that delaying the school opening is inconvenient for many families and possibly disappointing to many of our students. However, there is nothing more

important in life than health. You hold the power of life and death in your hands.

Lisette Ramos, 351 Gilbert, I wish RPS spent this summer composing a remote-only option. Our boys will be remote learners. NYC Public Schools just announced remote learners will also have access to a live stream of teacher's instruction like the rest of their classmates. They would have another teacher for the virtual learning days of their group. I wish we would have that option.

Eileen D'Elia, 163 Lexington Ave. Westwood, This is not business-as-usual. Although students will be back in the physical building, the teaching that they have grown to love will not be the same because of the safety protocols we need to follow. In the virtual world, students will be able to interact and work together safely. If students and staff are exposed to the virus, how will contact tracing work? How will the individual's privacy be protected while ensuring that the people who were exposed are quarantined? We have spent the past few years focusing on the social and emotional health of students. How will students deal with the situation if one of their teachers gets sick or worse? This "new normal" will affect students emotionally. For example, if a popular student isn't wearing a mask properly, what student is going to tell him/her to fix it? Teachers can't be everywhere in the building and students may not only be exposed, but they also may feel distressed because of feeling helpless to correct the situation. We have seen videos of adults reacting to no masks or being told to wear masks and it has resulted in conflict. For example, Delta Airlines has hundreds of people on its no-fly list because they have refused to wear masks. There is already a lot of pressure to excel at the highest level. This pandemic adds another layer of stress. Students will feel the added stress. The argument of students needing to be in school for their mental health is only looking at the problem from one angle. Will these same students struggle with not being able to socialize closely with their peers? As far as communication, non-verbal communication affects us all. With mask coverings, there will be miscommunication among students. This would not be an issue on video calls. Students who are struggling with whatever issues should be dealt with one-on-one. There can be a plan in place where they can safely socially distance with friends. We should use this as an opportunity to deal with issues in another way and potentially reach more students.

Daine Abbatiello, 53 Dale Ave, Wyckoff, I have been teaching in Ridgewood for over 30 years. There is nothing that I enjoy more than instructing my students in a LIVE setting. Teaching remotely this past spring was certainly one of the more challenging obstacles I have been faced with throughout my experiences. However, I made it work, did my absolute best, and received many accolades with regard to my efforts. There is nothing that I desire more than to return to my classroom to be with my students this next year. However, our circumstances are not normal.

George Washington Middle School is a very old school. I, myself, have been moved out of my classroom in the past for over four months as it was consumed with mold. The ventilation systems are outdated. The classrooms are NOT ready. In my classroom right now, the desks are not set up at all. My supplies are piled high all over my classroom. My room is a disaster.

How will I walk into school on Monday and Tuesday with safety meetings, procedural meetings, convocation, grade-level meetings, etc. with 2 hours and 15 minutes each

day in the afternoon to prepare my lessons for a schedule that is simply incomprehensible?

Teachers are not being provided with the planning time necessary to adequately prepare for the start of school.

How is a teacher supposed to plan to teach students LIVE and REMOTE SYNCHRONOUSLY and properly monitor what their students are doing during class instruction?

How is a teacher supposed to plan to teach three eighty-minute class periods in the morning and then transition to 30 minute periods in the afternoon, with a rotating block schedule each day - that is a 16-day schedule - and keep students all aligned? It is simply impossible. It is a nightmare.

Why are teachers required to be in the classroom with students for 80 minutes in an enclosed area when NO other business has required this. My schedule sometimes requires me to spend three consecutive 80 minute periods with my students in an enclosed area without proper social distancing.

Here is a link to the NJEA guidelines - see page. 5  
[https://assets.njea.org/njea-media/NJEAMinimumAcceptableStandards\\_7-23-20.pdf](https://assets.njea.org/njea-media/NJEAMinimumAcceptableStandards_7-23-20.pdf)

Why have teachers been asked to voluntarily attend multiple informational meetings over the summer? If we do not attend, we do not get informed. So our only choice is to attend without compensation. In the 30+ years I have worked in Ridgewood Public Schools, this district continues to uphold that we maintain a "Tradition of Excellence". I beg to differ.

Why is it that in 30 years a contract has never been settled without a fight?

Why is it that we have to continually battle for proper compensation?

WHY ARE WE BEING ASKED TO RETURN TO AN ENVIRONMENT THAT IS UNSAFE? MY HEALTH IS AT RISK. MY FAMILY MEMBERS' HEALTH IS AT RISK. I AM SCARED

What will the district do to help me to alleviate the anxiety that I have with regard to returning to an unsafe environment?

What will the district do to help me to plan for a schedule that is simply incomprehensible?

What will the district do to compensate me for the endless hours I have spent at the end of the school year and throughout my summer vacation on committees for reopening plans when nothing that was suggested by these committees has come to fruition?

Why were the middle school teachers never asked about our thoughts regarding this schedule?

Our buildings are old, our ventilation systems are outdated. Why has the caliber of the filters required not yet been met in all schools? Why is it that our Superintendent and Administrators have said that it is impossible to meet all of the criteria for a safe return to school yet we are required to teach LIVE? Why isn't the plexiglass that was required in every classroom not ready yet? Why are our classrooms not yet set up appropriately for social distancing?

Al, Ridgewood High School, Will the expectations of observations change due to limited teaching methods in order to enforce social distancing? How should we assess fully virtual students? Are there any guidelines the school has offered for what asynchronous learning will/should look like? Has this been explained to parents?

Elaine Karten, Teacher at RHS, The CDC recommends the use of MERV 13 filters (at minimum) to more effectively trap COVID 19 virus particles and prevent them from circulating. Considering the aging HVAC system throughout the district's buildings and its inability to use these higher-rated filters, how can we keep students and staff safe from infection spreading within the schools? I can keep my windows open and the AC on in the hot weather, but if there is no breeze, any infectious particles in the room will not be adequately diluted to pose less of a health threat...Can all toilets have lids/covers installed, since aerosols created when they are flushed can spread the virus? In a majority of bathrooms, there are no windows, and the air is stagnant.

Robin Fisher, 412 North Monroe Street, Can you please clarify the rules for when a child gets sick for non-COVID and what they do to return to school. Rules about sick (non-COVID) and siblings.

Mariann Gelenius, Employee at BFMS, The first day of school often brings a number of students to the guidance department feeling overwhelmed and tearful (even outside of a pandemic). Will they be expected to keep on the masks and remain socially distant while crying and upset? Also, while scheduling appointments may help to keep the numbers in the small office space lower, how can students be scheduled for being upset? Is there a plan in place should we experience a late summer push of heat from Mother Nature? Once the buildings become hot- it is very difficult to cool them down (especially with the requirement to keep windows open and no fans permitted). How can students be expected to keep masks on in temperatures that can easily push toward 100 degrees? According to a New York Times Article dated 6/16/2020 titled "Flushing the Toilet May Fling Coronavirus Aerosols All Over", has the administration made plans to purchase lids for toilet seats or come up with a plan to limit the students in the restroom? Also, has consideration been given to footplates to open restroom doors instead of using handles that could negate the benefit from handwashing?

Laura Polk, Staff member, As I noted in my emails to the BOE members, I am concerned about the ventilation at RHS. The MERV filters are not up to CDC recommendation and the windows only open 6". There are so many questions regarding policy and procedures that have still not been addressed by the administration. (ie, discipline regarding masks, how to monitor bathroom occupancy, where will sick students and staff be isolated and is it safe, how will temperature checks be taken in time for the start of class, how will contact tracing happen when someone falls ill, how will remote staff members' classes be monitored, etc). Social distancing will not be possible for 4 of 5 of my classes in my room, given the alphabetical breakdown. The split is not even and 6' of space between desks will not be possible for that number in Rm 322. In fact, in 1 of my classes, there will be 13 students on an A day and 1 student on a B-day. How is that fair to that student? Or the others who will be less than 6' apart?

Paola Nadi, Benjamin Franklin Middle School, In detail, what exactly are the cleaning protocols going to be? For the classrooms? For the bathrooms? (Faculty and student?) Who is wiping down during classes? Even with masks, assuming that a student/teacher is asymptomatic, aerosols can remain in the air for hours. How can

the classroom be aired out in between classes? If a family member (child/spouse) is quarantined and we are asked to quarantine with them; how does that affect the number of days we are using up? What if we have to quarantine several times? What if we just have a cold; can we not come to work? If a student develops a fever and a cough during school and is isolated, all the classrooms and places where that student has been should be cleared and disinfected immediately to prevent community spread. Why is it safe for any student or staff member to be in any classroom at any time with the likelihood that a student or staff member WILL develop COVID?

Lauren Rosenfeld, 439 E Saddle River Road, Inevitably, as we open schools, the number of cases of the virus will begin to rise.

- 1.) What is the official district policy on # of cases that will require a class/building to go to strictly virtual teaching?
- 2.) What is the official district policy on students/staff who may come into contact with a positive person OUTSIDE of school? Will they need to quarantine? Will they need to present a negative test before returning to work/school?
- 3.) If a student(and or family member)/employee travels to an area that is designated as a high-risk zone, will they be required to quarantine for 14 days upon return? Will teachers be then allowed to teach virtually during that time? There may be students who cannot/will not wear masks in the classroom. The district has said that, as long as they provide medical documentation, they will not have to wear it while at school. Will these students be required to attend school virtually because their lack of mask-wearing will put students and teachers at a higher level of risk? Under what circumstances would these students be allowed to attend school and how can that be done safely for all involved? The ventilation systems in many of the RPS buildings perform far below the minimum required by the NJDOE to be considered safe for reopening. How can you justify placing hundreds of students in classrooms without adequate ventilation for hours at a time? What steps have been taken to specifically address these subpar filtering systems?

Patricia Piotrowski, 686 Newcomb Rd., 1- Did Dr. Fishbein submit an attestation letter stating that the buildings are safe for the students and staff?

- 2- If the schools are safe why did parents of the students attending Freshman Orientation have to sign a liability waiver for both "assumption of risk for COVID 19" along with a "waiver of claims" which waives any and all claims for liability against RPS? If the school buildings are safe why did you require this from the parents?
- 3- Will you be requiring RPS staff members to sign the same liability waiver?
- 4- Will this liability waiver be attached to the health screening like it was for the freshman? Or will the health screening be solely a health screening?
- 5- Who will be reviewing the health screenings each day and contacting parents if there is a discrepancy? If the forms are due by 7:15 am that only leaves 30 minutes for all the high school forms to be reviewed prior to the start of the school day.
- 6- What is the rationale for students cleaning their desks at the beginning and end of each period?
- 7- How will you be "training" the students on how to use the school approved cleaning products?
- 8- Will students be provided with disposable gloves to wear when using these cleaning products?

9- How will RHS be handling free periods/study halls? Where will the students spend this period and will they be supervised?

10- What is the maximum number of students allowed in each class to allow for social distancing?

11- How will RHS handle attendance issues? Will there be allowances for excessive absences due to COVID concerns?

Maria Sweeney, teacher Hawes School, If a family has two parents teaching in the district, they are twice as likely to be exposed. Do both teachers have to quarantine if only one is exposed? If a teacher becomes ill and is tested as positive, what is the district's plan if that teacher is out for an extended period? Do both teachers stay home for that period of time? When will the plexiglass be installed? Will they be installed in time for school starting? Who is installing them? When will teachers receive the portable plexiglass dividers discussed in the elementary principals' video? Can teachers still use classroom sets of textbooks? Won't this expose more students to Covid-19? How will the district provide individual materials for students (i.e., books, pencils)?

Pat Rosenfeld, 43 East Saddle River Road, Last December we were told that many of our schools' univents needed to be completely refurbished and that many of our buildings' mechanical systems were past their useful life (RBOE Public Meeting 12/16/19). Our univents are so old

that they can not use a filter higher than a MERV 8. According to the Centers for Disease Control, only MERV filters rated 13 or higher can help prevent the spread of Covid-19 ("Guidance for Building Operations During the Covid-19 Pandemic" ASHRAE Journal May 2020, p.73). Fresh air is the best ventilation against the spread of Covid-19 but the referendum proposal also listed classroom windows as another "high priority need" stating that many are inoperable (RBOE Public Meeting 2/10/20). In addition, according to State law windows that do work can only be opened six inches. How do we safely have students and staff attend school in-person when we clearly don't meet the minimum standards for healthy air exchange? Sitting in one room for 4 hours, wearing masks without adequate ventilation does not equate to a good learning experience or a safe environment. Please join the many other districts in NJ who recognize the need and have RPS begin the school year virtually. Lives may depend on it! This special meeting of BOE is virtual because "Due to the Governor's Executive Order 104 citing the CDC's recommendation for cancellation or postponement of gatherings of fifty or more people, the meeting will be held utilizing video conferencing." How is it okay for students in RPS to be required to gather in groups of more than 50 (during the change of classes in unventilated hallways or during "free" periods?

Nancy Kennedy, 346 Northern Parkway, Governor Executive Order 104 states cancellation or postponement of indoor gatherings of more than 50 people. Your BOE meeting is virtual, and you want to put hundreds of kids in the school halls? Our kids are not guinea pigs. Per the governor's orders, indoor amusement and water parks remained closed. Outdoor playgrounds, amusement parks, and water parks are allowed at 50 percent capacity. BUT you want to put our kids in school. Gyms are just reopening and indoor dining is still not allowed. BUT you want to use kids as guinea

pigs. Every student in this district deserves the exact same education whether it be in person or remote. If I choose to keep my child at home to do remote learning, my child and every other child learning remotely deserve exactly what the in-person is receiving, not asynchronous learning. This is a form of discrimination against these children. What happened to THE TRADITION OF EXCELLENCE. Keep every student in our district on the same page! and if that means going remote for everyone then so be it. Equality?

Kelly Ashford, 359 Prospect St., My question is about the daily wellness check questionnaire. My middle schooler does not have a cell phone. Will this cause delay for him in the morning if he wants to enter the building? Is he then still encouraged to fill out the questionnaire on his email himself or would it make more sense for me to do it? Thanks.

There are currently some anomalies in the A-K/L-Z model, where the alphabetical breakdown does not result in a 50/50 split. Has social distancing been confirmed to exist in all classrooms where this might be the case? (Example - The A/K portion of a class may only contain 3 students where the L/Z may contain 16). Is there any timetable as to when the buildings will receive PPE or upgrades to the building ventilation system? There is no ventilation in the hallways. How will safety to students be ensured during passing periods?

Fisher, 412 Monroe Street, It will never be a perfect plan but the kids need to go back to school!

Kerry Miller, 141 John Street, I'm writing to ask for your support in helping the community understand the following about the return to school plan, and to please add the two items listed for discussion at today's Special Public Meeting at 3PM. (I'll also submit the below items for public comments):

1. Why wasn't the BOE and the community involved in drafting the plan?
  - a. The Administration has cited that they gave parents an opportunity to provide feedback, but:
    - i. Stated on the July 27 Board Meeting that they knew the parent surveys were confusing, and did not reissue or find another mechanism to gather feedback
    - ii. Stated that principals worked with parents via HSA representatives; however, anecdotally, we have heard otherwise
  - b. The Administration has cited that they presented the plan to the BOE, but did not involve them in the creation, citing that plan development is an "administrative" task. However, the "Road Back" states plans should be developed in partnership with BOE and community
2. How will the Administration ensure deep community involvement going forward?
  - a. There will be many decisions that will need to be made in this upcoming school year, and the community – specifically parents who are very attuned to the needs of their children – needs to be a partner, along with the BOE, in making decisions that affect our children
  - b. The community does not have faith that the administration will include them, as the process to date has been non transparent.

I'm one of the parent representatives on the change.org (<https://www.change.org/p/ridgewood-board-of-education-and-dr-fishbein-ridgewood-ki>)

ds-deserve-a-better-return-to-school-plan-4013969f-c442-48ca-9a6d-c4ad27293edd?redirect=false )petition signed by over 1000 members of the Ridgewood community. I participated on the August 14th call with Dr. Fishbein, Ms. Poelstra, Dr. Yankus, and two BOE members, Mr. Lembo and Ms. Kwak. During that meeting, we asked Dr. Fishbein to listen to the 1000 members of the community who are dissatisfied with the return to school plan for Elementary. On that call, the parent representatives stated that we – and the community - are willing to partner, and we asked for clarification on decisions, and provided suggestions to alleviate some of the obstacles presented for a more robust in-person plan.

It took almost a week to get more clarity on the questions posed on that call, and we lost precious time. Dr Fishbein declined to modify the plan, stating that “A reconsideration of your request did not result in a change of the educators’ preferred model of instruction, especially after revisiting the issue.”

In addition, what is concerning to us is the open letter the REA penned on 8/20 stating that they don’t think the existing plan allows for a safe return. This is alarming as we had heard that the return to school plan had been developed, according to Dr. Fishbein with “all administrators and dozens and dozens of teachers”. The parent representatives penned a letter to Dr. Fishbein refuting those points from the REA, and while he responded that the current plan is to reopen schools, he did state “we cannot break down relationships that cannot be repaired”. We are of course not advocating for a break down in teacher relationships and are not sure how to interpret that.

It is these issues, and the lack of transparency with the community that cause concern for parents. The fact that the BOE was presented the plan, and not involved in crafting it, makes us further concerned that the community’s voice is not being heard.

As our conduits to the administration, we look to you to represent our needs and help us get our voices heard.

We respectfully ask that you support the overwhelming community desire to (1) return to school and (2) be involved in the planning process moving forward

Elizabeth Rose, 494 Fairfield Ave., What is the actually hard plan for remote learning? Are kids in resource room replacement going to be able to get help From their teachers on days they are at home or learning remotely? Are the teachers going to be less stringent when giving grades for students who struggle with remote Learning

Maria Maresciallo, 737 Colfax Ave., Pompton Lakes, As a teacher in the Ridgewood Public Schools, I do not feel safe being in a building, even at half capacity, with ventilation systems that are not up to par. We all, especially at the elementary level, would like to start the school year in person. Elementary aged children benefit so much more from in person instruction than from remote instruction. I really do feel that we should not lose sight of the fact that this virus is still out there and we need to do what is safest for all concerned. Until proper protocols are put in place for ventilation systems that are fully functional, I truly feel that it would not be safe for the students and staff to be in our buildings.As an elementary school educator, a parent and grandparent myself, as well as many of you, can attest to the fact that elementary aged children will find it difficult to spend 4 to 5 hours per day wearing a mask. Being able to see their peers, and not touch them, be near them, or work collaboratively with them will be extremely difficult for them. Working with their teachers from behind a plexiglass screen, many of which still have not been delivered, can be frightening for the younger

students. All of the concerns regarding the social emotional aspect of returning to school are a high priority. If the children are home (which is their absolute safest environment), they will not be able to interact with their peers; conversely, if the children are in school, they will still not be able to totally interact with their peers. For many, this may be more difficult to handle. Please consider this aspect of a return to in person school. We should start out remotely until these problems are solved and the virus is no longer a threat, and eventually return to school with a hybrid model, then to full in person instruction. It may not be the best model that is conducive for learning, but I believe it would be the SAFEST model for learning. Thank you for your time.

Gavin Stewart, 178 Wales Ave., River Edge, The CDC website says the following regarding face masks:

"Face masks with one-way valves or vents allow exhaled air to be expelled out through holes in the material. This can allow exhaled respiratory droplets to reach others and potentially spread the COVID-19 virus. Therefore, CDC does not recommend using masks if they have an exhalation valve or vent."

Does the school opening plan address this issue? Have students, parents, and staff been alerted to the dangers of masks with one-way valves or vents? Does the school opening plan forbid the use of these masks in our school buildings? More broadly, who will be responsible for monitoring the types of masks used by people in the building in order to maximize safety? Without such monitoring, an inappropriate face covering could provide a false sense of security and potentially spread the virus.

The CDC lists among "Adequate Supplies" the acquisition and use of "no-touch/foot-pedal trash cans" with lids to help prevent the spread of infection. Have such trash cans been supplied for classrooms, bathrooms, and offices?

As much as we all wish to return to our schools, are we in a position at this moment to honestly say, with a clear conscience, that we have done everything within our power to ensure the safety of students, staff, and their families? Providing for safety in our schools during a pandemic is a tremendously challenging task, especially since our understanding of this airborne virus is constantly evolving. For instance, there have been claims that, "this virus does not affect young people." We now know that young people have caught the virus, carried it home, and infected entire families. That has happened right here in Ridgewood. If more work needs to be done, especially with our ventilation systems, we should postpone the return to our school buildings, remedy the problems that remain, and maximize our efforts to educate our students in a virtual setting until we are fully ready to open our classroom doors. Healthcare workers in Bergen County who were on the front lines this spring will tell you that the worst-case scenarios wrought by this virus are nothing short of horrifying. The consequences of getting our school opening wrong are too serious to ignore.

Amy Nolan, 79 Grove Street, My family has already lost one person to covid and my 88 year-old mother tested positive a few days ago. Classroom exposure means I expose another elderly family member for whom I care to the virus as well. Why is the health of my family not a valid concern to the BOE? I don't think the RHS ventilation system is at the CDC-recommended capacity to protect us.

Andrew Couch, GW MS Teacher, Why, since we are aware that asymptomatic people can still spread the disease, are we not being tested prior to returning to an in-person

format? Social distancing and masks are preventative measures but do not ensure that the disease will not spread. It should be a requirement for anyone planning to go back to be tested, and tests should be provided by the district for those intending to return. Some of my classes, even split in half, have more than 15 kids in them. There is no way to social distance in this circumstance in my current classroom. This is creating a high-risk environment for anyone, regardless of whether they classify themselves as 'high-risk' per the previously sent questionnaire. What am I to do in this circumstance? If we were to request a plexiglass barrier for our classroom, since the offices are not the only place where the students will be, can we have one installed? As many students come into the classes each day as do the offices, so we shouldn't ignore the fact that they could be used elsewhere effectively - especially since many of the classrooms don't meet the ventilation requirements due to a lack of proper Univents, inoperable windows and since they are simply not large enough to enforce a social distancing policy.

Becky Catanzaro, 17 Cathy Road, The district's plan does not include providing all staff with n95 masks. This is a requirement, per OSHA. Also, the governor's executive order requires that everyone wear masks. Lately, there have been reports about the inefficiencies of cloth masks without filters as well as homemade masks. In fact, one study that was shared by the American Association for the Advancement of Science noted that wearing gator masks is WORSE than NOT wearing a mask. Is there going to be some type of clarification with staff and families to make sure that the masks they are wearing will be appropriate and safe?

<https://advances.sciencemag.org/content/early/2020/08/07/sciadv.abd3083>

<https://news.yahoo.com/neck-gaiters-may-actually-increase-covid-19-transmission-study-finds-183034882.html>

The Road Back says that districts need a minimum of MERV13 filters to address Covid-19 air particles. It is my understanding that some of our HVAC runs on MERV8, which does not meet the standard from the Road Back. How will the district address this? Will it be addressed before the students enter the building? A/C units in the wall cannot be used, what alternative will be in place to keep the air properly filtered since fans are not to be used and windows can only be open 6 inches?

What happens if someone in a teacher's household or a student's household tests positive for COVID? Students and staff will then have to seek a test. Will teachers have to use their sick days after EPSL has been used, even though they could teach remotely from home while awaiting their results?

M.C. Benintende, As a registered nurse and Ridgewood resident over 55 I have three questions regarding sending village children back to school :

With the current nursing shortage will there be enough on staff on a daily basis to assess adults and children throughout the day? What will be the nurse to student ratio? How will the teacher maintain the 6 foot CDC guidelines when addressing behavioral and/or safety emergencies?

Will teachers be responsible for checking the temperatures of students and assessing if they have any other COVID symptoms?

Thank you for your prompt reply to these questions.

GeorgeAnn Starace, 390 Windsor Road, 1. According to the newly released plans from

the Department of Health, schools may have to close if they identify two confirmed cases of Covid-19 in two different classrooms. What is the district's plan in addition to working with the local health department. Under what circumstance would the district close the school? What would be the protocol for this? 2. With a shortage of substitutes and teachers who could potentially be out due to illness or a fragile medical condition, how are you planning to cover classes? Will you be pulling special education teachers who often co-teach to cover classes? If so, won't that disparately impact special education teachers or the assistants for the children in special education, and more importantly special education students? 3. What is the district's plan to assist teachers in grades K-2 - who need to administer assessment to students 1 on \* Will there be subs? Are there enough subs?

William Cahill, 357 Sutton Place, Norwood, How will students who are not virtual have classes with non-gen-ed teachers who have remote medical accommodations? The students will be in school. The teachers with remote accommodations will be in school in isolated classrooms. Will the students be brought to a dedicated space whereby they can have remote learning? How will state requirements for some non-IEP special program students be accommodated when traveling teachers are not expected to travel between schools on any school calendar day?

Jill Rota, 916 East Glen Ave., The reopening plan states, "Teachers participated in professional development this summer to enhance their knowledge and proficiency with instructional technology tools." pg 22

Not all teachers were able to participate in this professional development.

Will time be allotted for teachers to become familiar with the different platforms and applications? Why must teachers working virtually report to their buildings? During a pandemic, the EEOC guidelines suggest that telework or working from home should be a common accommodation, if the essential functions of the job can be done from home. The EEOC also states that an employer CANNOT deny this modification based on the morale of other employees or the fact that other jobs cannot be done from home. Some heating/cooling systems have been "fixed" several times over the past years only to need repair again. If systems break during the course of the year, after once again being "fixed" since March, what will the plan be for the teachers/students in those rooms?

Deborah Gregory-Fink, 70 Circle Dr. Paramus, Who is doing temperature checks, besides the nurses? Are staff permitted to do these checks, despite not having medical certification?

How will temperature checks be conducted? Will students be tested in the presence of other students as they get off of the bus?

Is it a FERPA violation to take temperatures of students in front of their peers? Is it a FERPA violation to divide students into groups in front of their peers based on the results of temperature checks? What have you done to ensure that these protocols do not violate FERPA rights of each individual student? Staff and students must complete a survey each morning before coming to school. What happens if staff and students forget to fill out their form? Who is monitoring these surveys? Will they be responsible for ensuring that if a staff member or student hasn't completed the form, they will not be allowed to enter the building? How can each building possibly vet surveys daily in a

timely manner to protect students and staff? Is the form just a recommendation or is it actually a requirement? As a music specialist in the elementary school I believe that I have been designated as one of the teachers who will take temperatures. I wonder how students who do not have a completed form and or a temperature that is too high can safely travel to the room designated in the Pandemic plan. Do I send Kindergartener's off on their own to find the room? Will students travel through the building to get there? How can I be accountable to the other students in my roster and a student who will potentially need further evaluation?

Dawn Fleming, Teacher Travell Elementary School,

I do not feel that our ventilation system is adequate given that COVID-19 is an airborne virus. The CDC recommends MERV 13 filters to protect people from COVID-19 and our system uses MERV 8 filters and cannot accommodate MERV 13 filters. Air conditioners can spread the virus from person to person. However, it can be stifling hot in some classrooms. What is the BOE recommendation on AC use? Teachers should use air conditioners with the windows closed? Teachers should use the air conditioners with the windows opened? Some parents, teachers, and students will want the windows open for increased ventilation and some will want them closed so the room is as cool as possible. Teachers need more time to get ready for the start of the school year. Two days is not nearly adequate. Typically teachers choose to start to prepare weeks in advance, but we did not have the necessary information to do so (like whether we were teaching the hybrid model or remote) and pertinent information continues to change daily. We did not get our class lists until yesterday, 8/27, and they continue to change. Teachers desperately need training before the start of the school year. We are all teaching remotely part time or full time. We need to be proficient in a variety of computer programs, apps, and tools to do it well. Most K-2 teachers have never even used Google Classroom, but will have to use it this year. There was some professional development offered over the summer, but not all teachers were able to do it for a number of reasons including second jobs and child care needs.

Anthony Albergate, 634 Maxwell Place, As I understand it, if a decision is to be made, it won't happen until the Board meets this Monday evening. Meanwhile, hundreds of teachers and administrators would have spent all school day Monday in person at their respective schools. Why not make a decision prior to Schools reopening on Monday to avoid the risk of COVID-19?

Kacey Fischer, 351 Wyckoff Ave, Wyckoff, The reopening plan states, "Elementary staff will have information/professional development to assist in identifying emotional/social supports due to pandemic and beyond." pg 23

The students arrive next week. To date, we are not aware of any training being scheduled. When will this happen?"Student supplies will not be shared in the classroom. At the elementary level, each student will be provided with the necessary supplies that will be kept in individual desks or bags that will not come in contact with other students' supplies. While some logistics for how this is done may vary from grade level to grade level, protocols will be in place to ensure that supplies are not shared." Pg 26.

To date, teachers have not been given protocol referenced on page 26 to facilitate student supplies. How and when will this be communicated to the teachers before the

start of the student school year? The reopening plan states, "Each K-5 school will use their designated guidance counselor to provide both in-class instruction and small group/individual counseling to any student requiring support." pg 23

Is there guidance for identifying "at risk" students?

How and when would groups meet?

District Teacher, Ridgewood Public Schools, If the BOE acknowledged, in February 2020, that ventilation repairs were a "high priority need" - and we've come to understand the filtration in the univents doesn't meet CDC or NJDOE guidelines - how can we return to the classroom safely? How does the Board justify sending students, faculty, and staff back to physical schools when they still haven't held in-person board meetings? Public comment can still be call-in or write-in, so limits on capacity are not a factor. If the in-person instruction is going to be, essentially, remote instruction (due to social distancing, restrictions on class activities, and lesson planning obstacles), what is the purpose of pushing ahead with it? It will only be a Pyrrhic victory. Why accept even a low risk if instruction can be handled remotely in a manner that is simpler and values continuity?

Patricia Piotrowski, 686 Newcomb Rd., 1- Did Dr Fishbein submit an attestation letter stating that the buildings are safe for the students and staff?

2- If the schools are safe why did parents of the students attending Freshman Orientation have to sign a liability waiver for both "assumption of risk for Covid 19" along with a "waiver of claims" which waives any and all claims for liability against RPS? If the school buildings are safe why did you require this from the parents?

3- Will you be requiring RPS staff members to sign the same liability waiver?

4- Will this liability waiver be attached to the health screening like it was for freshmen? Or will the health screening be solely a health screening?

5- Who will be reviewing the health screenings each day and contacting parents if there is a discrepancy? If the forms are due by 7:15am that only leaves 30 minutes for all the high school forms to be reviewed prior to the start of the school day.

6- What is the rationale for students cleaning their desks at the beginning and end of each period?

7- How will you be "training" the students how to use the school approved cleaning products?

8- Will students be provided with disposable gloves to wear when using these cleaning products?

9- How will RHS be handling free periods/study halls? Where will the students spend this period and will they be supervised?

10- What is the maximum number of students allowed in each class to allow for social distancing?

11- How will RHS handle attendance issues? Will there be allowances for excessive absences due to Covid concerns?

Chris Kearns, classroom teacher, If fall outdoor sports in fellow Bergen County districts are deemed too dangerous currently...then why is 'ok' or 'safe' to pack hundreds of people inside schools together? ...and many of those 'people' are children and families you make great educational decisions for on a daily basis. Thank you for your attention today and listening to voices on such a delicate topic.

Sean Lynaugh, Teacher at Ridgewood High School, As a teacher at Ridgewood High School I'm writing to the Board today to request an all remote start to the school year because our buildings are not yet safe for students and staff. As a graduate of the Ridgewood Public Schools in 2001 and an employee in the district for fifteen years, I know that Ridgewood always strives to do what's right for the community. In this instance the facts tell us that it is not safe to reopen our schools yet. The main reason is due to the outdated ventilation systems in our school buildings. I know the Board recognizes this issue because you stated their replacement was a "high priority need" and included it in the District's \$59 million bond referendum proposal in February of 2020 right before the pandemic hit. Our univents are too old to use the required MERV filters rated 13 or higher that the Centers for Disease Control say are needed to prevent the spread of Covid-19. Our univents can only handle a MERV filter rated 8 which is far below the standard and makes me very worried for the health of my family, my students, and their families when a potentially deadly virus is brought home from my classroom.

We all want to get back to normal. No one wants to be teaching in person more than me but only when it is safe to do so. I am imploring the Board to recognize that under the current plan presented by the administration the students, teachers, and community are not adequately protected.

Julie Berry, 348 S Irving St., At the elementary level, when working one on one with a student, teachers will have a plexi-glass shield, according to the informational video sent home to parents. However, the plexi-glass shields have not arrived yet. How can we be certain that we will have that safety precaution when students return to school on Wednesday?

Laura Weinstein, Teacher at RHS, From the optional RHS faculty meeting today via Google Meet, it is clear that there are still many details that will need to be worked out as we live through them. Every detail potentially compromises the safety precautions that have been presented. We should not be required to live through a higher risk in order to work these out. My suggestion is to open the first two weeks at RHS fully virtual for students. Use the hybrid model plan, and let teachers go through all the daily routines our schedule involves for two rounds of an A-B-C-D type day, teaching remotely from the rooms that will have their in-person classes. Let all the plastic barriers be installed where needed (they have not yet been delivered); give teachers a chance to set up their rooms, then perhaps set them up a bit differently when they have a chance to visualize the logistics. Let teachers have time to prepare adequate communications to parents about what their particular situation will be and their particular expectations of their students. Let parents and students have time to acquire any materials that they are being asked to bring with them into the school. Then, after two weeks, we can begin having students enter the school. Two days for all of that is not even close to enough time.

One side benefit of this approach would be that all students would receive the same introductory experience to their classes, so virtual-only students would not stand out immediately as being "different." Another benefit is that teachers may start to gain some of the comfort of familiarity once they are used to being in school, and can extend that comfort more sincerely to their own in-person students. Overall, there

would not be an increased risk due to working out the operational details with 1000 people physically in the building.

I believe we are divided: some people feel it is acceptable to begin school and adjust as we go, without everything in place and procedures worked out. Others feel it is a substantial health risk to do so, and “the punches” we would roll with might be serious illness or even death. We do not all need to agree, but I believe it is vital to acknowledge the legitimacy of these perspectives if we want to build a strong sense of community within RHS.

I am missing the urgency of bringing everything together before the details are worked out, especially when there are people who feel the risks might include extended illness or even death. I still personally believe the risks are too great until all the recommended safety precautions are installed, and the entire district should open remotely in the interim.

Laura Grasso, 136 Circle Ave., What controls are in place to provide ENHANCED ventilation in the buildings? Adequate ventilation is not enough. Who inspects our ventilation systems? If Aramark, is there an outside company that can back up their inspections for faculty and staff. If yes, who is the company and can you provide the report. If no, The REA would request a third party contractor to inspect the systems are above "adequate" . Is there a checklist the REA can be provided with showing documentation of maintenance and repairs from each building so each member can see exactly what has been done in their classroom. The CO2 level in classrooms when students are present is a good tool to see if the ventilation is working. Since that is truly the only way for staff to know if ventilation systems are working properly can this be done daily in each building? Has each school increased custodial staff during the mornings? What is the district policy about outside maintenance workers entering the building while students and teachers are present? Are parents permitted in the building?

Suzanne Simone, 7 Gerald Rockaway, Around this time of the summer, I start to get a “nervous” feeling of excitement as I prepare for the start of the school year. I am absolutely terrified for the start of this school year. Are we truly prepared for this? Concerned about teaching in classrooms with no windows in the basement of GWMS as well as sharing an office with 12 teachers. It is going to be incredibly challenging to properly social distance when we are all in the workspace together.

Alissa DiStefano, GWMS, There are rooms in the basement level of GW with no windows. The remaining rooms have windows that start at ground level. Given the condition of the univents and lack of fresh air being able to enter these rooms, are these safe spaces to have students and teachers for 80 minutes at a time?

Diane Spino, 801 Newcomb Rd., How do Special Ed teachers teach classes both hybrid AND home? Teachers are very concerned about having adequate training and time. Although the district offered PD this summer, many teachers were unable to participate due to family obligations over the summer. Since Special Ed. teachers are teaching both hybrid and virtual instruction at the same time will there be cameras installed in their classrooms? Will teachers or students be asked to use cleaning, disinfecting, and sanitizing products to wipe down surfaces and rooms? If so, when is

this to take place? At the end of each instructional period?

Jennifer Thornton, Hawes School Teacher, Thank you for holding this special meeting to address the district's reopening plan. I have specific concerns about the ventilation system at Hawes and throughout the district. I was recently made aware that the filters in some of the HVAC systems are unable to be upgraded to the minimum recommendation by the CDC (MERV 13) because the system can only handle a MERV 8. The MERV 8 is only 20% effective at filtering out particles the size the virus can be transmitted through. This is very concerning, as COVID-19 is an airborne virus that could spread through and expose an entire building without the proper filters. ASHRAE has stated "little is known about the penetration of SARS-CoV-2 into HVAC systems". Since there is not much data, are we willing to leave this to chance and just hope that the virus won't be transmitted this way? My question is what can be done to upgrade the HVAC systems to make sure they are at least grade 13 or above?

Susan Ruane, 705 Kingsbridge Lane, On July 28, 2020, I requested my daughter's Benjamin Franklin records via the district OPRA (Open Public Records Act) form. To date, I have not received any of my daughter's records from my OPRA request. On August 18, 2020, I emailed Dr. Fishbein regarding the district's failure to comply with my OPRA request. To date, Dr. Fishbein has failed to reply to my email. I am bringing this matter up to the Ridgewood Board of Education attention since the district is failing to comply with New Jersey Open Public Records Act - which is a NJ State Law

Nadeer Mahmood, 499 Stevens Ave., I remain concerned about a dual track for multiple reasons. But primarily how can both tracks deliver equal educational quality? What plans are in place if a student or teacher is found positive so that there are no disruptions in the school year? Would the school be forced close, the classroom, etc. What is the harm in remote only and monitoring through the end of October if COVID remains flat in the state and then opening up schools giving a unified track to the district's kids.

Amanda McCullough, 31 Lillian Court Ramsey, I am a mathematics teacher at Ridgewood High School and I am married to Chris McCullough, District Supervisor of the Arts. Some of you know me well, as I've taught your children or worked with you. I am writing this letter in support of Mike Yannone's letter to you on August 20, 2020. This will be the beginning of my 20th year teaching in Ridgewood. I have never been more fearful for my life, and the life of my husband, than ever before and this is a result of having to return to a building that does not meet the safety requirements of the CDC. I am no longer sleeping, and I am terrified about what will happen to our two children, ages 6 and 8, should something happen to the both of us. We cannot afford for the both of us to take leaves of absence and considering we both work at the same place, there wouldn't be a point in just one of us taking a leave when the other will be exposed anyway.

I was told that my office of 20+ teachers would have a plexiglass enclosure around each of our desks. This plexiglass has neither been received nor installed. My desk chair is literally 2.5 feet from my colleagues. I've considered trying to work in my car

during my prep periods, however, after checking, the wifi doesn't work that far. This means that my prep time will be wasted because I am not willing to sit in this office.

I teach in a small classroom, where on an "A" day there will be 16 of us in one room, possibly 18 if two remote students decide to return. I invite you to visit my classroom, room 216, next week and see what that feels like. This classroom has awful ventilation. Year after year I send emails that the room is too warm, too cold. A/C and heat never work as they should. As you know the CDC says the minimum MRV rating is MRV 13, yet I'm being told to return to a building that can only accommodate MRV 8.

There will be over 900 people in the building each day at RHS beginning next week, yet in the State of NJ, indoor dining has yet to return. Major corporations are still allowing staff to work remotely. On a similar note, even the admin team of RPS did NOT meet as a group and they are only about 40 people. They held a virtual Admin Retreat. The RHS admin met OUTDOORS in the courtyard. During new teacher orientation, the Admin Team did NOT go to the Campus Center at RHS to introduce themselves, because it would have exceeded 25 people, yet the plan is to have 90 students in the RHS cafeteria. I know this because I am concerned for my husband's safety, yet he assured me he is ok, because of the precautions that were taken. Why don't these precautions apply to me and my students? I can do my job as a math teacher better from my home. In fact, the Spring went well with all five of my classes. However, now, I can't even walk over to my students in the classroom, to see the math they are doing in their notebooks, because we need to socially distance. What is the point? Have you thought about this? I am being told to stand in the front of the room, by my computer and whiteboard and to not move around. If you tell me it's for their social emotional well being, how well will they be when their teachers pass away, when they bring their germs home to their parents and grandparents and they pass away? What will my mental state be after one of them passes away? I've already lost too many students over the years due to illness and suicide. Sending us back during a pandemic, when you have the option to wait until it's safer, is asking for trouble.

You have the option of waiting to open the RPS and RHS until it is made safe. Let other schools, smaller schools in NJ, who have the proper safety protocols in place reopen for a while and let's see how that goes. Please don't make me, my husband and colleagues guinea pigs when there is a safer option.

I teach teens and adults who go to parties, who don't wear masks in the company of their large friend groups. I'm putting my life in your hands. Please be careful with it. Please consider opening at least the high school remotely until it's made safer.

Carolyn Holt, 249 Mountain Ave., This week, GW sent out an email to detail their reopening plans. In it, we learned that certain teachers of the core subjects : English, Social Studies, Science and Math would be teaching remotely into the classroom and there will be an in person aide in the classroom. The aides assigned to these classes are being referred to as subs which implies that they are not fully certified teachers. Since these are considered "core" subjects, can't the school district prioritize these classes to ensure an in person teacher is assigned to the class? I am concerned that this will not be an effective approach for in person learning for Middle School students. Thank you to all the administrators, teachers and BOE for all of their hard

work this summer to make an in person learning experience available for our students.

Elizabeth Janowski, 46 Charles ST., Will teachers be permitted to have their own air purifier next to their desk if they choose?

Stuart Lavietes, 242 Gateway Rd., I realize that class lists are in flux, but, as it stands now, my son's in-person third-grade class is divided into two very unbalanced sections based on last names: 7 students A-K and 15 students L-Z. This probably will not change, as this ratio reflects the composition of the entire third grade class. Are there any plans to balance the sections more evenly, especially as large sections make social distancing more difficult?

Nancy Sabatiel, 989 E. Ridgewood Ave, Can you please address band for middle school?

Daine Abbatiello, 53 Dale Ave., Wyckoff, Dan stated that staff who needed plexiglass would be provided with it. Shouldn't ALL teachers need that protection? All of our other essential workers are provided with it. Why wouldn't ALL teachers have plexiglass in their classrooms?

Anne Goebel Krstelj, 316 Prospect St., I have a question. If my child is enrolled in the hybrid model (example: Group A-K) and we subsequently switch her to remote only prior to the start of school ... should we then later move back to Hybrid, would my child go back to Group A-K or are they then 'permanently' assigned to a different cohort? Thank you.

Brian Koscuiskza, 552 Hillcrest Road, The first caller did not identify his address. Is he a Ridgewood resident? If not, he should not have been allowed to speak and his comments should be stricken from the record.

Gavin Stewart, 178 Wales Ave., Will students who are unable to wear a mask due to a medical condition be tested for the virus? If they are not tested, it seems they are putting others at risk of infection. I know that testing is "just a snapshot," but that snapshot could save lives. This situation seems highly problematic. Has the efficacy of opening windows in cold weather been considered?

Jennifer Cimler, 372 Grandview Circle, At the elementary level, on the days that the hybrid students are not in school they are essentially working independently on work that reinforces the previous day's lessons with the exception of two live specials. This isn't enough instruction. I teach first grade in another district. The students are streaming the whole day so we can teach the required curriculum. How will Ridgewood be able to teach the required curriculum? Also, if Ridgewood goes fully remote. What is the plan? Will the lessons be live? Will it be a full day? My boys had very different experiences in the same school at different grades. One grade level was great. The other left much to be desired.

Michael Yannone, 320 Kenilworth Rd., The State has asked that each district have a policy in place on how staff and the community will be notified of a Covid positive student or staff member. The district's reopen plan doesn't contain such a plan. The

privacy of the individual is important, but we also believe the community should know if a member of the school community tests positive.

Jeffrey Haas, RHS Music Teacher, In the Plan Components List, there is a statement that "Social Distancing will be maintained to the greatest extent possible." Is there a minimum distance that must be maintained?

Laura McKenna, 861 Bingham Rd., Studies show that students nationwide had as much as a 10-month regression in academic skills due to the school shutdowns. What measures are being taken to assess the regression levels from this spring? What measures are being taken to give students additional education to make up for these academic deficits? Students with IEP's have been particularly harmed by school shutdowns. What are the plans to address social/emotional, behavioral, and academic regressions for students with IEPs, who are not in self-contained classrooms? Thanks for all your hard work, everyone!

Diane Abbatiello, 53 Dale Ave., How can teachers feel safe if in addition to being in their classrooms with three different groups of students for 80 minutes they must also police hallways where most of the school population will be traveling? I am in a basement hallway with absolutely - NO VENTILATION.

Lauren Truncale, Ridgewood High School Teacher, I just wanted to clarify - there was a statement made saying that at the secondary school there are 10 minutes between classes but unfortunately that is incorrect. The high school has allotted 5 minutes for passing time between classes, and teachers were instructed to either let students out 30 seconds to 1 minute earlier or later, depending on if they are an even or odd number classroom. So at most, students have 6 minutes to transition between classes, but not 10 minutes.

Nancy Sabatiel, 989 E. Ridgewood Ave., All you asked for was a survey response. Now you seem to be building your plan as if this was commitment. Can you please clarify.

Michelle Primavera, Clifton, In order to maintain the scope and sequence of our lessons in a very complicated rotating schedule, middle school teachers have been told to plan all of their lessons as if they are remote. Because our live students must keep distant from each other and because we will be teaching remote students simultaneously, every student must be able to access and complete the lesson remotely. Since this is the case, what is the benefit of holding in person instruction? Does the benefits of being in person outweigh the risks?

Amanda McCullough, 31 Lillian Court, Ramsey, Just to clarify, Ridgewood High School only has 5 minute of passing time between classes, not 10. At the secondary level, we were told students WILL BE cleaning desks at the end of each period, before a new student sits there.

Diane Abbatiello, 53 Dale Ave, Wyckoff, Why is it OK with the incomprehensible Middle School Hybrid Schedule that there are days where teachers do not have a single prep

period?

Rebecca Katzman, 70 Crest Rd., I have three children in elementary school. I look forward to sending them back to school in the hybrid model. I believe great care has been taken to consider their safety as well as that of their teachers and school staff. I know this year will require flexibility from all of us and I appreciate the work that has gone into getting our children back to school.

Janette Morgan, 166 No Pleasant Ave., What are the air exchanges in the High School classrooms? My office had an air exchange inspection performed by a company. Was this type of inspection performed in the district schools?

Salvador, 651 Midwood Rd., What does #5 in the Welcome Back Procedure mean? Dropping off the kids in the surrounding streets will create total chaos, traffic, not to mention unsafe for the students. This will be very unsystematic and will not be conducive to the proper observance of social distancing procedure. There has to be a better and more systematic way to go about this. I don't see the reason why cars cannot enter the parking lot. Please explain. Thank you.

Eric Beiter, 610 Albert Pl., I'm happy to put my trust in you to make the decisions you think are best for our students, and I appreciate the efforts you are taking to make the school year as normal as possible for our students.

My question concerns eventual positive covid tests for students who are attending classes in-person.

What impact, if any, will that have on other students in those classes?

Will they be required to move to remote learning for a period of time, and furthermore, will this have any impact on their ability to participate in school athletics should a season actually occur.

Kate Krsnak, 25 Lee Ave., When and how will a teacher be notified if a student that has been in their classroom tests positive for COVID-19?

Suzanne Simone, 7 Gerald Rockaway, Around this time of the summer, I start to get a "nervous" feeling of excitement as I prepare for the start of the school year. I am absolutely terrified for the start of this school year. Are we truly prepared for this? Concerned about teaching in classrooms with no windows in the basement of GWMS as well as sharing an office with 12 teachers. It is going to be incredibly challenging to properly social distance when we are all in the workspace together.

Janet Holmes, 127 Kenilworth Road, Sorry if you already answered my comment below...It sounds like you all have the social distancing at school well in hand. Can you tell me if there is any kind of protocol you would like the parents to follow/enforce as the kids walk to and from school. I can imagine that all kids will be compliant during school but then (for some kids) those masks will be ripped off and social distancing not present as they walk to and from school together. I often see groups of kids in town who are not socially distancing and who are not wearing masks. That is a choice those children and their parents are making but now I have to worry about that as children

such as those could theoretically be in the proximity of my children...

Diane Abbatiello, 53 Dale Ave. Wyckoff, Is there a social distancing plan for fire drills and lockdowns? Have these been shared with teachers. parents and the Board of Education? I have not seen one.

Lia Littlewood, 235 Walthery Ave., Is there a reason we cannot have a response team at the district Level? I get we have them at individual schools, but there's so much feedback from all angles, everybody should have a seat and voice when it comes to these large decisions.

Jim, High School, Will people who are fully remote receive live classes in the morning?

Susan, 144 Mulberry Rd., Is it safe / fair to have teachers to do health checks/ temperature checks?

Jennifer Howarth, 625 Upper Blvd., With all of the cleaning and distancing protocols, how much actual teaching is getting done?The teachers seem to be very concerned about their health and safety, which is understandable, but will the quality of teaching suffer? If so, what is the point of in-person education, at this point?

Linda McNamara, 575 Knickerbocker Rd., The first speaker gave a very compelling reason for the need of a task force to collaborate with the Board and Administration during the planning process which may need to include changes along the way.Also, I think it would be better to read the whole comment rather than paraphrasing as the minutes will come days later. I especially would have liked to hear the teachers comments.

Eric Corcoran, BF Teacher, 312 Cardinal Pl. Paramus, With so many unanswered questions why wouldn't the district consider a "soft opening" like businesses do and have one grade in at a time to work out the so many kinks that will happen. Kids need us to feel organized to feel safe- without all of these details we will start very unorganized.

Deidre Roberts, ESL Teacher, 88 Waldron Ave., Glen Rock, Teaching ELLs language with a mask while addressing all 3 groups at the same time. Concern about students being afraid of in new culture with masks, ppe

Livia Lauro, 463 Dorchester Rd., PLEASE ask all listeners to read the full comments.. All these teachers complaining about ventilation are giving specific stories about the broken hvac's in their classrooms. Or their lack of ventilation. Or their WINDOWLESS classrooms. The listener is not hearing that. READ THE WHOLE COMMENT! The PPE is NOT in the schools yet. The plexiglass dividers are not in schools yet for classrooms. How can we start without the proper PPE?

Christie Fitzgerald, 714 Midwood Rd., Has a "pushed" start date to the Tuesday after Labor Day ever been discussed so that the teachers can receive proper and valuable professional development for hybrid learning and in the event we have to go full

remote?

Lucille Cigolini, BFMS Teacher, Public comments should be read in entirety as written.

Linda M., Teacher Ridgewood Schools, Why are aides taking temperatures and then immediately seeing students? They are paid to be with students. How will these questions be answered? Who is training teachers on safety measures and best practices?

The following caller addressed the board:

Susan Ruanne, 705 Kingsbridge Lanbe, wrote in about the OPRA not being executed and the district failed to comply with it. Sent one in on July 22 and received only the report card and Parc score sent another request on July 28 and has not heard anything. Would like to receive the daughter's records from the Benjamin Franklin Middle School.

Mr. Lembo stated that some people are upset that all of these questions are not fully being read. The answers to all of these questions will be available within the FAQs that will be posted on the website. The school specific FAQs are posted within the school websites.

## **IX. OTHER BUSINESS**

Ms. Brogan stated this is an unprecedented time and if there is a wish for the district and the board to create a taskforce she would be glad to work with the parents. She understands that Education for parents is extremely personal and if a task force would be formed it would have to include parent representation including the Federated President or a designee.

Mr. Dani stated that the meeting today had a lot of parents and teachers who submitted the comments, most of the written comments were from the teachers. He has not heard if the issues that the task force who visited the facilities on Wednesday have been addressed. He added, if the teachers don't feel confident, we need to go back and see if the issues from the tours have been resolved.

Dr. Fishbein replied that the principals went through the buildings with their pandemic teams, some issues were addressed and some are being addressed. Issues with ventilation have been explained tonight. All teachers will be supplied with a clear mask. There were questions about plexiglass, there is another shipment coming in. In the main offices there is plexiglass to protect people, it will be different and people won't be able to go behind the counter for safety reasons. When teachers arrive on Monday they will receive a bag with a face shield, some spare masks and hand sanitizers, in addition to the sanitizers throughout the classrooms and buildings. We are in good shape and many issues that were brought up have been addressed already.

## **XII. ADJOURNMENT**

At 6:56 p.m., on a motion made by Mr. Lembo, seconded by Ms. Brogan and unanimously approved, the meeting was adjourned.

Respectfully submitted,

Antoinette Kelly  
Board Secretary

Lucy Papamichael  
Assistant Board Secretary

---

**MINUTES OF THE  
REGULAR MEETING  
OF THE  
BOARD OF EDUCATION**

**Ridgewood Public Schools**

**Bergen County, New Jersey  
August 31, 2020**

Minutes of the Special Public Meeting of the Board of Education held on August 31, 2020, at 6:00 p.m., at the Education Center

**I. CALL TO ORDER AND ROLL CALL**

**Present:**

Mr. Michael Lembo, President; Ms. Hyunju Kwak, Vice President; Ms. Sheila Brogan; Mr. Cristopher Kaufman; Mr. Saurabh Dani

**Also Present:**

Dr. Daniel Fishbein, Superintendent; Ms. Stacie Poelstra, Assistant Superintendent for Curriculum, Instruction & Assessment; Ms. Antoinette Kelly, Business Administrator/Board Secretary, Ms. Ojetta Townes, Manager of Human Resources

**A. MOTION TO MOVE INTO EXECUTIVE SESSION**

Mr. Lembo moved the following resolution. Ms. Brogan seconded the motion, which was unanimously approved.

Whereas, said law requires the Board to adopt a resolution at a public meeting before it can meet in such Executive Session; now, therefore,

Be it resolved, by the Ridgewood Board of Education, that it does hereby determine that it is necessary to meet in Executive Session to discuss a personnel and/or student personnel matter.

**B. MOTION TO OPEN REGULAR SESSION**

At 6:17 p.m. Mr. Lembo called the regular public meeting to order and asked for a roll call.

**C. REGULAR PUBLIC MEETING SESSION CALL TO ORDER AND ROLL CALL**

**Present:**

Mr. Michael Lembo, President; Ms. Hyunju Kwak, Vice President; Ms. Sheila Brogan; Mr. Cristopher Kaufman; Mr. Saurabh Dani

**Also Present:**

Dr. Daniel Fishbein, Superintendent; Ms. Stacie Poelstra, Assistant Superintendent for Curriculum, Instruction & Assessment; Ms. Antoinette Kelly, Business Administrator/Board Secretary, Ms. Ojetta Townes, Manager of Human Resources

**Visitors:**

Not applicable

**II. FLAG SALUTE AND PLEDGE OF ALLEGIANCE**

Mr. Lembo led those present in the Pledge of Allegiance.

**III. OPENING STATEMENT BY PRESIDING OFFICER**

Mr. Lembo announced that pursuant to the requirements of the Open Public Meetings Act, advance notice of this meeting had been given to The Ridgewood News, The Record, and the Clerk of the Village of Ridgewood. In addition, notices were posted in the office of the Board Secretary and in all school buildings.

Mr. Lembo said that due to health concerns related to COVID the public cannot attend the meeting but they can call in or submit written comments. If we have a lot of written comments the names will be read and their comment paraphrased, the full comments will be posted in the minutes and reviewed by the board.

He welcomed everyone and stated it is good that we are in person.

Mr. Lembo stated there is a lengthy list of AP scholars on the agenda. The students have gone above and beyond for these exceptional achievements and he congratulated the students. He stated that this shows the great quality of education our students are receiving.

**IV. INFORMATION****A. ADVANCED PLACEMENT SCHOLARS**

One hundred eighty nine students at Ridgewood High School have been named AP Scholars by the College Board in recognition of their exceptional achievement on the college level Advanced Placement Examinations.

The College Board recognizes several levels of achievement based on the students' performance on AP exams.

Nineteen students qualified for the National AP Scholar Award by earning an average grade of 4.0 or higher on all AP Exams taken, and grades of 4 or higher on eight or more of these exams.

These students are: **Jongyun An, Taeseok An, Steven Cheng, Jack K. Christinger, Sarah E. Eppley, Avery Fog, Hunter Haglid, Alexandra Jerdee, Olivia N. Jerdee, Choong Jae Lee, Hunter L. Maskin, Annabel S. Mendoza, Joseph L. Micale, Edward P. O'Keefe, Brendan J. Sherman, Ethan G. Sterling, Aidan R. Voorhis-Allen, Inhyeok Yang, and Brad Yuan.**

Ninety-Eight students qualified for the AP Scholar with Distinction Award by earning an average of at least 3.5 on all AP Exams taken, and grades of 3 or higher on five or more of these exams.

These students are: **Alexander P. Abramenko, Jordan M. Afromsky, Jongyun An, Taeseok An, Reiya Aono, Katherine A. Bamberg, Cameron Blair, Walter J. Bock, Tomas Carlson, Christy S. Chang, Amelia Chen, Steven Cheng, Vanessa Cheng, Dev M. Chhabra, Alexander Y. Cho, Sean Choi, Jack K. Christinger, Natasha Cicogna, Kieran P. Corcoran, Benjamin A. Crosly, Jeffrey P. Deiss, Nora G. Donnelly, Benjamin J. Donohue, Morgan Dunican, James Ellinghaus, Sara G. Ellinghaus, Sara E. Eppley, Emily A. Ertle, John D. Flusche, Avery Fogg, Jayden A. Fraiman, Mollie G. Goetze, Hunter Haglid, Ridley P. Handley, Margaret Heuer, Sophie Howard, Katherine X. Hu, alexandra Jerdee, Olivia N. Jerdee, Donovan M. Joseph, Austin G. Karrat, Irene D. Keh, Christy Kim, Nathaniel L. Kim, Steven Korolov, Nicole J. Kye, Priyanka Lal, Choong Jae Lee, Alina Levin, Kaitlin Levine, Patric C. Mancini, Hunter L. Maskin, Jessica N. McArthur, Mary A. McDade, Annabel S. Mendoza, Joseph L. Micale, Theodore A. Moll, Chloe G. Monplaisir, Thomas L. Montgomery, Esme H. Morcom, Anirudh V. Narayan, Ann Nishida, Edward P. O'Keefe, Frank J. Orlando, Dylan N. Park, Eugene Park, Rishi Patel, Sidharth Red Patlollu, Michael S. Rego, Hoon Hee Rhew, Luca Richman, Zachary A. Rippas, Colin H. Roche, Campbell B. Romano, Evan A. Rosenfeld, Amelia M. Safai, Yaroslav M. Sakharov, Ria Santhanaraman, Rithan Santhanaraman, Gabriel G. Santiago, Alexandra K. Savage, Brendan J. Sherman, Cole B. Sherman, Daniel Son, Ethan G. Sterling, Emma Su, Saori Takahashi, Megumi Tamura, Philip W. Terman, Alexander P. Testa, Lawrence h. Tiangco, Elpiniki Tsapatsaris, Ellie N. Veenhof, Aidan R. Voorhis-Allen, Inhyeok Yang, Brad Yuan, Richard M. Zamboldi, and Baiyue Zhao.**

Thirty students qualified for the AP Scholar with Honor Award by earning an average grade of at least 3.25 on all AP exams taken, and grades of 3 or higher on four or more of these exams.

These students are: **Sarah C. Afromsky, Payton C. Angus, Benjamin C. Brodeur, Olivia N. Cha, Kevin Collier, Jaimie Douaihy, Allison H. Doyle, Cameron Doyle, Madeline S. Ewell, Laurence S. Fine, Julianne E. Flusche, Sarah M. Gnall, Elise Higgins, Nicholas Hoy H. Hoy, Alex Hua, Rachel S. Kenney, Hyein Lee, Alexandra Liu, Brooke McKenna, Cyrus Q. Nasser, Luke R. Notaro, Caitlyn M. O'Hara, Carina Rosenberg, William G. Stewart, Nicholas A. Suppiah, Sarah C. Walicki, Ilana O. Whittaker, Changgeun Yang, and Madison Yurgelonis-Pere.**

Sixty-one students qualified for the AP Scholar Award by completing three or more AP Exams with grades of 3 or higher.

These students are: **Allegra M. Alvarado, Addison R. Audette, Taylor E. Barnabi, Edmund Cheung, Bawoo Cho, Terrence S. Chun, Jennifer O. Cocchiere, Julio R. Contreras, Carley M. Cumba, Matthew J. Curtis, Matthew E. De Meulder, Patrick A. De Meulder, James M. Dolan, Emily a. Fitts, Aaron D. Friedman, Robert D. Gasaway, Shaun Goda, Anna Goto, Jeremy T. Grunat, Gregory B. Harrison, Charles Healy, Allison Hong, Donn P. Joseph, Trisha Kant, Adina E. Kestenbaum, Marin Y. Kim, Zachary Kim, Alexis L. Kvetnoy, Brandon Lee, Matthew T. Lepis, Maxwell Levy, William N. Maasarani, Grace E. Mabli, Katharine P. Maxwell, Emily M. McCarthy, John L. Mondri, Kateryna Morhun, Fiona Mulla, Aum Mundhe,**

**Samantha N. Ngai, Allison M. Olsen, Khushi Patel, Sarah Pilson, Jared R. Powers, Alessandro S. Prieto, Maya Ramasamy, Jordan Rarich, Meaghan M. Rossignol, Jake S. Rubenstein, Leanna M. Rudin, Aiko J. Schinasi, James M. Serventi, Anna M. Soderlund, Decklan L. Spencer, Claire Sullivan, Yicheng Wang, Lili R. Weissberg, Daniel Y. Woo, Noah R. Wood, Dae Yoo.**

Thirty-two award recipients are juniors. The juniors have at least one more year in which to do college-level work to possibly earn another Advanced Placement Award.

## V. PRESENTATIONS

### A. RIDGEWOOD BOE 2019-2020 SELF-EVALUATION

#### ➤ **Matt Lee, New Jersey School Boards Association**

- Board Goals
- District Goals

Mr. Lee, the district's NJSBA representative, presented the Board self-evaluation and reviewed it in detail. The Board self-evaluation is a tool used by boards across the state to get a sense of how they are operating from a governance perspective and a team perspective. It is recommended as a best practice prior to goal setting. The information can be used to find the areas of governance the board may want to work on as a team.

Mr. Lee stated that it is broken down into 3 parts:

1. ranking the important of the 9 facets of governance that the Board has to perform
2. breakdowns of how the board performs as a team and how each board member performs the 9 facets individually
3. things that presents the board with challenges and the training the board would like to participate in during the coming year.

He provided an overview of the components of the self-evaluation and shared the ratings for the 9 facets of governance. These scores are on a scale of 0 to 4.0.

1. Planning - 3.4
2. Policy - 3.3; This is the section that the board expresses to the Administration how the district needs to be run and from there the Superintendent, along with the Administration creates the regulations that allows them to facilitate the policy.
3. Student Achievement - 3.6; This is a reflection that the board has on student achievement, the board creates the environment where learning can take place.
4. Finance - 3.3; In this section the board is not involved in actual day to day transactions, but exercises an oversight goal.
5. Board Operations - 3.5; This is broken down into two different areas including operational structure as it relates to committees.
6. Board Performance - 3.3
7. Board Superintendent Relationships - 3.4; As per the board training the board/superintendent relationship is the key relationship within the structure of the district, this section breaks down how a board respects and helps to

- advance goals within the district.
8. Board/Staff Relationships - 3.6; This section is how the board creates an environment where staff can successfully interact with students.
  9. Board and Community - 3.3; This is how the board creates an open environment for the community.

Mr. Lee reviewed that there is a section for comments on the self evaluation and allowed the board time to review the comments that were submitted. Mr. Lee reviewed the charts including the scores. He noted the individual scores are higher or equal to the board scores.

Mr. Lee shared a systemic, data-informed model for setting goals and reviewed the board governance cycle. The district goals revolve around the day-to-day operation of the district, such as program and instruction, staffing, professional development, facilities, and finance; whereas, the board goals revolve around the processes and procedures that are owned by the board and can be executed by the board. The CSA evaluation is based upon the district goals that are set by the board. The Board is responsible for the what, while the Superintendent is responsible for the how.

Mr. Dani questioned the source of creating the proposed goals and the due date.

Dr. Fishbein was the source of the proposed goals that are starting points for the board to review and modify.

Ms. Brogan reviewed the normal process to create the goals. The superintendent would provide the proposed goals. Today, the board would discuss and refine the proposed goals that are presented, which may or may not make it to the forefront, for the next meeting the goals would then be solidified and voted on. This has been the previous practice.

Ms. Kwak asked Mr. Lee what the deadline for the goal development is and how the superintendent goals will be nested in to align with these goals.

Mr. Lee advised that NJSBA does not work on creating the superintendent goals; those are between the board and superintendent. For timing it is best to create the goals as soon as possible to allow for the most time in the school year, however this is a highly unusual year and there has been static advice from the DOE about opening schools, so many districts have only just started creating goals.

Dr. Fishbein reviewed that the source of creating the goals are that these are the main issues that the district is facing at this time, coming off of the 2019-2020 school year. While we have been addressing these issues and continue to address these issues, mental health issues, the idea of students learning remotely at some level, and having to do with what the whole country and community has gone through in the spring with the unfortunate deaths of people and the resulting public discussion about what we will do about diversity and equity. That is why Dr. Fishbein put them out there as positive goals. They are the three big issues we will be dealing with this year and in the future. These areas are also part of our strategic plan to review curriculum, hiring practices and

alot of other things that we can review when we look at the plan and what is measurable. The goals should push the strategic goals forward to ensure that the district is working on the Strategic Plans.

Mr. Lee stated that the proposed goals are very much in line with goals that a lot of other districts in New Jersey are focusing on. It is not surprising based on the pandemic and social issues. The nature of goals from the board point of view, looking at them at a 5000 degree level. Underneath that in the action plan the Superintendent will concentrate on ways to incorporate these goals. Mr. Lee provided examples of how they are incorporated and therefore how they are measured. He stated that the board talks about the presented goals and then the Superintendent would bring the action plan back to the board.

The proposed district goals and board goals were discussed, including options for wording. Dr. Fishbein asked the board to submit their wording suggestions to him this week so that the proposed district goals can be rephrased to incorporate suggestions and reviewed at a later meeting.

Once the final wording of the district goals has been agreed upon, the goals will be approved at a public meeting. Administrators will then begin working on the action plans to achieve the district goals, and the board would follow a similar process.

Mr. Dani asked how are board goals and superintendent goals related?

Dr. Fishbein responded that any board goal is in collaboration with the administration. The administration will do the work for the board goals including negotiations for the REA, providing numbers and data.

Discussion regarding the specifics of creating board goals continued.

Ms. Kwak questioned the RFP process and added that she provided comments regarding how the architect RFP should be written that were not included.

Ms. Kelly responded that the role of the Board Committee members in the RFP process is to review, evaluate and make a recommendation to the board for the architect or the counsel. The role of the Business Administrator is to create the RFP. Ms. Kelly has received 28 requests for the RFP, and has gotten a good crop of qualified architects. Ms. Kwak along with the rest of the committee will have the opportunity to review the candidates. Ms. Kelly added that Ms. Kwak's comments were taken into consideration and she has provided her with the reasons why the wording on the RFP should not be changed.

Mr. Lee reviewed the process for creating board and district goals. He added that the goals should be published on the district website.

## **B. Presentation with Questions from August 28 Meeting**

Dr. Fishbein presented answers to questions submitted during the public comment portion of the agenda at the August 28, 2020 meeting. The questions were broken down

into five areas:

#### Ventilation

- The district has a univent system, which brings fresh air from outside into the room and an exhaust vent goes out through the ceiling. The univents have MERV 8 filters, and the rooms without univents that have rooftop units have MERV 13 filters. Univents cannot hold Merv 13 filters, and their motors could not support them. Schools that are currently putting in brand new univents would still be using MERV 8 filters. Our units are maintained based on the manufacturer's recommendations. Our windows can be open for additional ventilation, and our classroom doors can be open. The doors will be open and locked in case of an emergency. Our window air conditioners cool and recycle the air.

#### Positive COVID-19 Test

- If the district becomes aware that someone has tested positive, district personnel must immediately contact the Village Health Officer, and contact tracing will be implemented by the local health department. Families will be notified, as appropriate, while maintaining confidentiality. If a child was in close contact with someone who tested positive, families would receive a letter indicating that their child was in close contact with someone who has tested positive and must follow certain guidelines, as per the recommendation of the Health Officer. The process for handling these scenarios is posted on our website and is outlined in the NJDOH COVID-19 Public Health Recommendations. Our school nurses and school physician will meet with the Health Officer tomorrow. If students or staff are sent home with symptoms based on the school nurse's assessment, they may be asked to get a COVID-19 test. If the test is positive, families would receive one of the types of communication described above. Communication would not be sent if the test is negative. Furthermore, if there are multiple positive cases in a building, the entire building may be quarantined and required to pivot to remote learning for that period of time.

#### Safety Protocols

- All staff will be wearing masks, and they have been provided with face shields. Students will also be wearing masks. Plexiglass shielding has been installed in the main offices. Additional personal protective equipment has been ordered, but even with PPE, everyone will be expected to maintain social distancing protocols. More items are on order and Ms. Kelly and the facilities manager have gone through all of the buildings and everyone has received their PPE.

#### Temperature Screening and Daily Questionnaire

- The district has decided to incorporate temperature screening for employees and students into the reopening plan as an added safety measure, even though it is not a requirement. To reduce capacity and promote social distancing, students were divided into A-K and L-Z groups for rotating

in-person instruction. Dr. Fishbein reiterated that it is everyone's responsibility to maintain social distancing, and he shared that we will be reinforcing this with our students. Middle school and high school students will need to travel between classrooms and to serve as a reminder, hallways have a blue line down the center and yellow markers on each side every six feet. Ridgewood High School will not have an open campus, and students will be assigned to a study hall for any free periods. Those spaces will have desks that are appropriately spaced for social distancing. Safety drills will be conducted following social distancing protocols.

- Staff members will be taking the temperatures of students upon arrival, using a non-contact digital forehead thermometer. Anyone with an elevated temperature will be brought to the nurse's office and sent home. Temperatures will be taken but not recorded. In addition to the temperature screening, all students and staff members must complete a daily electronic questionnaire prior to arriving at the building. A practice questionnaire was emailed to students and staff last week. If the questionnaire has not been completed, students will not be able to enter the building, and parents will be notified. Teachers who travel between buildings will complete the questionnaire every day in the morning, and their temperature will be taken upon arrival at each building.

#### Substitutes

- The district is planning to use substitutes as necessary, and principals will work with substitutes to facilitate the implementation of their assignments.

#### Curriculum

- The creation of the schedules was a collaborative effort done at each grade band. Administrators created the proposed schedules, held building-level meetings, and articulated plans across the district. Professional development was offered this summer to help teachers prepare for the school year, and approximately 300 teachers participated. Two professional development days (August 31 and September 1) have also been built into the schedule. Numbers of students and teacher certifications were a significant factor in determining how remote instruction could be delivered. We've learned a lot from the past spring and will capitalize on what we've learned and adapt to the new situation.

## VI. COMMITTEE OF THE WHOLE REPORTS

### ➤ Finance

#### ○ June Financial Reports

Ms. Kelly reviewed the June financials. The funds that needed to be transferred for the Infant Toddler program. There is a separate resolution on tonight's agenda that is separate from the transfers.

Ms. Kelly reviewed the ITDC financials. She, along with the committee that included Ms. Brogan and Mr. Dani, met with Mr. Parente who represents our independent

auditing firm. The committee discussed the funds for the health benefits from the 17/18 school year that were not charged at the time which was \$179,504 and discussed what to do with the \$17,222 for FICA that was not charged out for the 18/19 school year. The auditors recommendation was to do a prior period adjustment. In the July audit, the beginning balance will be restated with an increase in the fund balance and a decrease in the infant toddler fund balance, to show a beginning balance deficit. Also, in 19/20 due to COVID there was a deficit of \$394,581. There will be a footnote in the audit to explain the true expenses through the ITDC. There will be a deficit from the two years, the expenses for 19/20 and a transfer coming in to cover the deficit for the three years. If the transfer is not approved, there will be a deficit of \$497,671 in the ITDC at the end of 19/20 there will be an audit comment and that would be difficult to recover the funds, especially since we will have a deficit in 20/21 due to the situation that we are in. If this is not done the money will go to surplus and then into the Capital Reserve. We have the funds available since we are ending much better than anticipated and will give us the opportunity to save the program. The 19/20 deficit was due to covid and not due to the actual program.

Discussion regarding the auditor's recommendation ensued.

Ms. Kelly stated that the general account was better than the projection and reviewed the 19-20 budget analysis.

Estimated Year End Surplus at 6/30/20 \$3,616,964

Fund Balance budgeted for 2020-2021 - \$257,000

Transfer to Unassigned Fund Balance (EXAID) - 221,858

Transfer to Unassigned Fund Balance (NP Transportation Aid) - \$7,919

Allocation of year End Surplus

Excess Surplus budgeted for 2021-2022 - \$650,000

Unexpended balance of capital projects budgeted for 2021-2022 - \$108,884

Transfer to Maintenance Reserve - \$700,000

Transfer to Emergency Reserve - \$200,000

Transfer to Capital Reserve - \$1,471,303

Ms. Kelly reminded the board that the switchgear project at the High School has to be done, that is at least \$750,000 we had money budgeted in capital projects, but PSE&G wanted us to move the transformer to a different space which caused the project to be more expensive than anticipated.

Mr. Dani asked if we can refund the maintenance and capital accounts where money was transferred out of previously in the year?

Ms. Kelly stated she has never heard that this can be done, however she will ask if this is an option.

## VII. COMMENTS FROM THE PUBLIC

**The following callers addressed the board:**

Laura McKenna, 861 Bingham Rd., On Friday there was discussion that the school board was not part of the reopening in the fall, were you asking questions about it? There was a lot of discussion about budgetary issues and the big issues about learning and academics are not being discussed at all. She asked why are we not talking about academics and the social well being of our students? They have been at home in isolation away from school for 6 months. When the majority of parents are working we need to work on the learning loss that has happened during the last 6 months. How will you fit in a whole year of learning into a handful of instructional hours. Research shows in person instruction is the best. Seeing their teachers live on the computer, everything else is not effective. Teachers have put in a lot of work to prepare this, but we have to move forward and their kids need to see their teachers face to face. Some districts have purchased video cameras to be installed in the classrooms so they can see their teachers and classmates. We need to come back to academics as stuff we are talking about.

Michael Yannone, 20 Kenilworth Road, President of Ridgewood Education Association and a parent. When we returned to the classroom today, we found ourselves doing the work that we were told was already done over the summer, measuring the desks and chairs. What did not happen today is training to teach in person, hybrid and fully virtual. He does not know how to live stream my lesson to students at home. He was told not to expect this training. Parts of Hawes did not have hot water, if it occurred on Wednesday students would not be able to wash his hands. He thanked Dr. Fishbein on his comments about ventilation and asked if we know our univents can't take the cdc filter, what other steps will be taken to offset this. The board knows the plexiglass was not received, and some other districts are going virtual to prepare. On Friday there are 1100 students that are going virtual, if the state did not allow the students to go fully virtual what would have happened? Would we have waited until August 28 to start these discussions He would like to know if the parents were the ones calling with concerns on Friday instead of the teachers would the board have treated their concerns with a different sense of urgency. He finds it hard to believe that the board would have treated the concerns from parents the same way they treated the concerns of the employees. He added that it is a hard feeling to shake.

Laurie Weber, 235 South Irving St., She said that a few weeks back the director of the program put out an email suggesting that a resident was trying to close the ITDC, when she was only looking for an accurate accounting process and promoting health and safety. She is not looking to see the program close just to solve a few problems that have been brought up by a couple of the board members. These problems can be solved if the district would put out an RFP for the program and allow an outside vendor who can run the business at a profit and the vendor takes the financial responsibility of running the business. She asks the board to reconsider and bring this up for discussion and keep this business afloat but in a financially responsible way.

Maria Sweeney, teacher in the district, 30 years beginning with 4th grade at Hawes school, she has committed to being the best teacher she can be, just like her colleagues. The vast majority of the families she knows appreciate and respect those who work in the schools and the ed center, during the past 30 years she have not always agreed with the Board of Education but have felt that they have respected the teachers and administrators and

worked together with mutual respect to build the best education for the students and sadly she no longer believes that is true, at least for a few board members. She has recently been watching the board meetings regularly, what an eye opener. She is aghast on August 28 when she heard the comments and questions directed at Dr. Fishbein and Ms. Poelstra, the tone and the words from some of the board members were often disrespectful and not at all civil. She was also disappointed by the negative comments made by these board members about the Ridgewood teachers and their willingness to return to school. The teachers want to return to school, but only when it is safe for our students and their families. When listening to these meetings, I thought where is the civility, why the hostility? Where is the appreciation for the countless hours that Dr. Fishbein, Ms. Poelstra and the administrators put in to try to ensure the safe reopening of the schools. Where is the appreciation? While she doesn't believe the hybrid plan is safe, she knows the administrators did their best under the circumstances. She believes the negative comments of the two new board members do not reflect the will of the majority of the town. Most residents truly respect and appreciate Ridgewood Professionals and Administrators. There are some board members who are here to trash us, she believes the residents take great pride in the school and have a deep appreciation of the school. Sheila Brogan has worked tirelessly to learn and be well informed and a constructive educational leader. She questions why don't the new board members look at Sheila? She hopes the good citizens of Ridgewood begin to watch the board meetings, ask questions and see if these board members truly represent them. If you have children and appreciated the professionalism of the staff, contact the board and let them know. She asked the Board members to try to continue the tradition of the Ridgewood Public Schools that was achieved by the professionals. Teachers are not your enemy.

Frank, 174 Franklin Ave., He is disappointed in how the board is treating the teachers and students. He feels that it is turning into an appeasement for parents to house these kids for daycare centers. How are kids getting anything for 4 hours per day, send them for multiple hours virtual from home.

The following written comments were submitted:

Laura Grasso 136 Circle Ave., In Stacie's presentation, she mentioned that fully virtual students at middle school and high school are being taught solely by the hybrid teacher. This is news to me so I'm sure its news to many other staff members. All students have been placed on rosters. So, based on what you said, virtual-only students, when their group is "hybrid live" we need to provide differentiated instruction and additional lesson plans to them that is different than for the hybrid virtual student that day? So based on this planning all middle and high school teachers need to set up three different plans every other day and while we have "live" students we have two different "virtual groups" to be synchronous as well? Can you provide the REA which rooms in the different buildings use the rooftop ventilation?

Dr. Karen Latimer, 53 Heights Road, Please ensure science and not politics or agenda drives the transition back to full-time in-person learning. I have 2 students in the high school, who have never before had any emotional problems, and I watched them develop serious signs of depression and anxiety in the spring. I made the very difficult decision to move my sons out of Ridge school -- this fall will be my first in 15 years my children will not start at our local elementary. I did this because the risk of COVID to my kids is negligible, and the very well known, real mental and physical risks to them from staring at a computer terrify me. In addition to anxiety and depression, the risks include obesity, insomnia and sleep disturbances, inability to focus, and much more. It is time we start

weighing the risks instead of being fooled into thinking COVID is the only reality in our lives. We need a new metric. Viruses are something we contend with all the time and there will be cases, just as there are colds and cases of flu every year. If we used hospitalizations and deaths as our metric, it would be very clear it is overwhelmingly safe for our children and our teachers to go back to school. We have the intelligence and the means to protect the vulnerable and educate our children, something I think everyone can agree is of the utmost importance.

Finally, I think the administration should abstain from making broad sweeping comments about the mandates in place in the community and avoid shaming children who are following the rules that are in place, and not the ones they wished were in place. There is enough hate, shame, and blame, and it is in all of our best wishes for the administration to focus on what is happening in the schools.

Chao, 726 Midwood Rd., If I would like to switch my kid to remote learning, what are the processes, who I should contact, how quickly it will be done, and can I switch back to Hybrid class(A/B) any time? Will schools offer disinfectant wipes for kids to clean the desk and stuff? Are there papers, books, or any other stuff that will be passed through by students to teachers or among students?

Brian Koscuiszka, 552 Hillcrest Road, Please approve the re-opening plan. Parents who feel remote learning is in the interests of their children's well-being have been provided that option. Please allow those of us who feel in-person learning is in our children's well-being to maintain the same right to pursue that option.

Dr. Fishbein presented for consideration A. Attendance at Conferences, B. Administration, C. Curriculum and Instruction, D. Human Resources and E. Finance.

Ms. Kwak requested to remove for discussion: E. Finance iv. Approval: Budget Appropriation Transfers, v. Approval: Transfer of Operating Funds to the Infant Toddler Enterprise Fund, vi. Approval: Secretary's Line Item Certification.

Mr. Dani requested to remove for discussion: B. i. Approval: Submission of the Ridgewood School District Reopening Plan and C. Approval: New Community School Courses for Fall 2020.

## VIII. CONSENT ITEMS

### A. ATTENDANCE AT CONFERENCES

The Ridgewood Board of Education, upon the recommendation of the Superintendent of Schools, approves Attendance at Conferences, as listed on **Attachment A**.

Dr. Fishbein presented for consideration B. Administration.

### B. ADMINISTRATION

#### ii. Approval: Reading & Adoption of New Policies, to be approved in one reading as per Bylaw 0131

- Policy 1648 - Restart and Recovery Plan (**Attachment B**) *new*
- Policy 1648.02 - Remote Learning Options for Families (**Attachment C**) *new*
- Policy 1648.03 - Full Time Remote Instruction (**Attachment D**) *new*
- Policy 1649 - Federal Families First Coronavirus (COVID-19) Response Act

(FFCRA) (**Attachment E**) *new*

iii. **Approval: Revised 2020-2021 School Calendar**

The Ridgewood Board of Education, upon the recommendation of the Superintendent of Schools, approves the revised 2020-2021 School Calendar, as listed on **Attachment F**.

iv. **Approval: Settlement Agreement SE# 1/2020-2021**

The Ridgewood Board of Education, upon the recommendation of the Superintendent of Schools, approves Settlement Agreement SE#1 /2020-2021 between the parents of Student #505827 and the Ridgewood Board of Education.

The Board has received background information.

**C. CURRICULUM & INSTRUCTION**

i. **Approval: Field Trips**

None at this time

ii. **Approval: Professional Development Proposal from Jennifer L. Goeke, Ph.D.**

The Ridgewood Board of Education, upon the recommendation of the Superintendent of Schools, approves a professional development proposal from Jennifer L. Goeke, Ph.D., "High Quality IEP Development: From PLAAFP to Goals," during the 2020-2021 school year, in the amount of \$4,125.00.

The Board has received background information.

iii. **Approval: Annual Contract with Bergen County Special Services School District for Hospital Instruction**

The Ridgewood Board of Education, upon the recommendation of the Superintendent of Schools, approves the annual contract with Bergen County Special Services School District for Hospital Instruction for the 2020-2021 school year, for students who are receiving services at New Bridge Medical Center in Paramus, NJ, during school hours, at the rate of \$65 per hour, as per N.J.A.C. 6A:14, 6A:16-10.1 and 6A:16-10.2.

The Board has received background information

v. **Approval: New and Revised Curricula for the 2020-2021 School Year**

The Ridgewood Board of Education, upon the recommendation of the Superintendent of Schools, approves new and revised curricula for the 2020-2021 school year, as listed on **Attachment H**.

vi. **Approval: Budgeted 2020 Extended School Year Out of District Extraordinary Services**

The Ridgewood Board of Education, upon the recommendation of the Superintendent of Schools, approves the budgeted 2020 Extended School Year out of district extraordinary services, as listed below.

2020 - 2021 ESY Out-Of-District Extraordinary Services	
SCHOOL	# OF STUDENTS
Matheny Medical And Educational Center, Peapack, NJ	1
Pompton Lakes Board of Ed, Pompton Lakes, NJ	1

vii. **Approval: 2020-2021 Extended School Year Budgeted Out-of-District Tuition Placements**

The Ridgewood Board of Education, upon the recommendation of the Superintendent of Schools, approves the 2020 Extended School Year budgeted out of district tuition placements, as listed below

2020 - 2021 ESY Out-Of-District Tuition Placements	
SCHOOL	# OF STUDENTS
Caldwell University Ctr For Autism, Caldwell, NJ	1
Matheny Medical And Educational Center, Peapack NJ	1
Pompton Lakes Board of Ed, Pompton Lakes, NJ	1

viii. **Approval: 2020-2021 School Year Budgeted Extraordinary Services for Out of District Students**

The Ridgewood Board of Education, upon the recommendation of the Superintendent of Schools, approves the 2020-2021 school year budgeted extraordinary services for out of district students, as listed below.

ix. **Approval: 2020-2021 School Year Budgeted Out of District Tuition Placements**

The Ridgewood Board of Education, upon the recommendation of the Superintendent of Schools, approves the 2020-2021 school year out of district budgeted tuition placements as listed below.

2020 - 2021 Out-Of-District Extraordinary Services for REGULAR SCHOOL YEAR	
SCHOOL	# OF STUDENTS
Franklin Lakes Public School, Franklin Lakes, NJ	1
Glenview Academy, Fairfield, NJ	1
Matheny Medical And Educational Center, Peapack, NJ	1
Morris-Union Jointure Commission Board Of Ed, New Providence, NJ	1
Northern Valley Regional HS, Demarest, NJ	1
Phoenix Center, Nutley, NJ	2
Pompton Lakes Board of Ed, Pompton Lakes, NJ	1
Spectrum 360 – Upper School, Livingston, NJ	3

2020 – 2021 Out-Of-District Placements for REGULAR SCHOOL YEAR TUITION	
SCHOOL	# OF STUDENTS
Alpine Learning Group, Paramus, NJ	3
Banyan School, Fairfield, NJ	1
Banyan Upper School, Livingston, NJ	1
BCSS – HIP Godwin, Midland Park, NJ	2
BCSS – Washington Elem. School, Paramus, NJ	1
BCSS – Springboard Program, Paramus, NJ	1
BCSS – New Bridges, Paramus, NJ	3
Caldwell Univ., Center For Autism, Caldwell, NJ	1
The Community School Inc., Teaneck, NJ	1
Cornerstone Day School, Mountainside, NJ	2
CTC Academy, Oakland, NJ	1
EPIC, Paramus, NJ	4
Glenview Academy, Fairfield, NJ	1
Holmstead School, Ridgewood, NJ	1

ix. **Approval: 2020-2021 Received Tuition Students Paid By Parents**

The Ridgewood Board of Education, upon the recommendation of the Superintendent of Schools approves the following received tuition students for the 2020-2021 school year, listed below. Tuition will be paid by the parents.

- 2 students attending Somerville

x. **Approval: Agreement with West Side Presbyterian Church for Use of Their Parking Lot**

The Ridgewood Board of Education, upon the recommendation of the Superintendent

of Schools, approves an agreement with West Side Presbyterian Church to provide parking for George Washington Middle School faculty and staff only for the 2020-2021 school year, in the amount of \$24,700 (65 cars at \$38 per car per month). There is no increase from the 2019-2020 school year.

Parking for evening/special events is an additional \$2,300 and requires separate permission. Fees are detailed on the invoice attached to the agreement.

The Board received background information.

**xi. Approval: Award of Contracts to Cooperative Purchasing Vendors in Excess of \$40,000**

The Ridgewood Board of Education, upon the recommendation of the Superintendent of Schools, approves the award of contracts to Cooperative Purchasing Vendors in excess of \$40,000 for goods and services.

The Board has received background information.

Mr. Dani moved approval of A. Administration, B. Human Resources, C. Curriculum and Instruction, D. Human Resources and E. Finance except the items that were removed.

Ms. Kwak seconded the motion, which carried by the following roll-call vote.

AYES: Ms. Brogan, Mr. Dani, Mr. Kaufman, Ms. Kwak, Mr. Lembo  
Mr. Kaufman; except for the appointment of the assistant football coach.

NAYS: none

Ms. Brogan commented that she is pleased that the community school can perform virtual classes. She suggested adult classes to learn about using zoom.

Mr. Lembo read the donations into record and thanked the responsible parties.

**E. FINANCE**

**iv. Approval: Budget Appropriation Transfers**

The Ridgewood Board of Education, upon the recommendation of the Superintendent of Schools, approves transfers for **June 2020** as shown in the Journal Entry listing pursuant to Policy 6422.

The Board has received background information.

Mr. Kaufman moved to approve iv: Approval: Budget Appropriation Transfers  
Mr. Lembo seconded the motion, which carried by the following roll-call vote:

AYES: Ms. Brogan, Mr. Kaufman, Ms. Kwak, Mr. Lembo

NAYS: Mr. Dani

**v. Approval: Transfer of Operating Funds to the Infant Toddler Enterprise Fund**

The Ridgewood Board of Education, upon the recommendation of the Superintendent of Schools, approves the transfer of \$497,671.81 from the General Fund operating budget to the Infant Toddler Enterprise fund to cover the operating deficit in the fund. The \$497,671.81 is made of the \$179,504 prior period adjustment for the 17-18 school year, the \$17,222 prior period adjustment from 18-19 school year and the deficit from the 19-20 school year of \$300,945.81.

Ms. Kwak requested to split item v. and make it approval of restatement of the 17/18 and 18/19 school year and the second part would be the transfer.

The restatement is upon the auditors recommendation/principals and the second is a philosophical question because it is taking money from the general account that serves the district.

Ms. Kelly said taking that into consideration, unless we are allowed by the county to do differently, we do have money to cover that in the budget at this time.

**v (a): Approval: 2019-2020 Audit Prior period adjustment for the 2017-18 and 2018-19 school year in the Infant Toddler Program.**

The Ridgewood Board of Education, upon the recommendation of the Superintendent of Schools, approves the prior period adjustments for the 17-18 school year in the amount of \$179,504 and the 18-19 school year in the amount of \$17,222 to be included as part of the 2019-20 audited financial statements of the Infant Toddler Program.

Ms. Kwak moved to approve v(a): 2019-2020 Audit Prior period adjustment for the 2017-18 and 2018-19 school year in the Infant Toddler Program.

Mr. Dani seconded the motion, which was carried by the following roll-call vote:

AYES: Ms. Brogan, Mr. Dani, Mr. Kaufman, Ms. Kwak, Mr. Lembo

NAYS: none

**v(b): Approval: Transfer of Operating Funds to the Infant Toddler Enterprise Fund**

The Ridgewood Board of Education, upon the recommendation of the Superintendent

of Schools, approves the transfer of \$497,671.81 from the General Fund operating budget to the Infant Toddler Enterprise fund to cover the operating deficit in the fund. The \$497,671.81 is made of the \$179,504 prior period adjustment for the 2017-18 school year, the \$17,222 prior period adjustment from 18-19 school year and the deficit from the 2019-20 school year of \$300,945.81.

Mr. Lembo moved to approve v(b): Transfer of Operating Funds to the Infant Toddler Enterprise Fund in the amount of \$497,671.81.

Ms. Brogan seconded the motion, which was carried by the following roll-call vote:

AYES: Ms. Brogan, Mr. Dani, Mr. Kaufman, Mr. Lembo

NAYS: Ms. Kwak

**vi. Approval: Secretary's Line Item Certification**

The Ridgewood Board of Education, upon the recommendation of the Superintendent of Schools, approves the following resolution:

Whereas, the Board of Education has received the Report of the Secretary for the month of **June 2020**,

Whereas, in compliance with N.J.A.C. 6:20-2A.10(d), the secretary has certified that, as of the date of the report(s), no budgetary line item account has obligations and payments (contractual orders) which in total exceed the amount appropriated by the district board of education, now, therefore, be it,

Resolved, the Board of Education accepts the above referenced reports and certifications and orders that they be attached to and made part of the record of this meeting, and Be it Further Resolved, in compliance with N.J.A.C. 6:20-A10(e), the Board of Education certifies that, after review of the secretary's monthly financial reports (appropriate section) and upon consultation with the appropriate district officials, to the best of its knowledge, no major account or fund has been over expended in violation of N.J.A.C. 6:20-2A.10(a)(1), and that sufficient funds are available to meet the district's financial obligations for the remainder of the school year.

The Board has received background information.

Ms. Kwak moved to approve vi: Secretary's Line Item Certification.

Mr. Kaufman seconded the motion, which was carried by the following roll-call vote:

AYES: Ms. Brogan, Mr. Dani, Mr. Kaufman, Mr. Lembo

NAYS: Ms. Kwak

**B. ADMINISTRATION**

**i. Approval: Submission of the Ridgewood School District Reopening Plan**

**WHEREAS**, the plan to reopen schools for the 2020-2021 school year includes, to the extent possible and within the confines as dictated by the District's buildings and facilities, the health, safety, and "Leadership and Planning" measures identified as "Anticipated Minimum Standards" (minimum standards) in the Department of Education's *The Road Back, Restart and Recovery Plan for Education*; and

**WHEREAS**, the District's plan, to the extent possible will implement those minimum standards as outlined in the District's reopening plan: and

**WHEREAS**, the District's plan, to the extent possible, will adhere to the directives of the Governor and the Department of Education of the State of New Jersey regarding the reopening of schools for 2020-2021; and

**NOW, BE IT RESOLVED**, that the Board has considered the above and, upon the recommendation of the Superintendent, approves the submission of the District's plan for reopening schools for the 2020-2021 school year to the Department of Education.

Mr. Dani requested an explanation of what the board was voting on tonight.

Dr. Fishbein explained that the board is voting on the submission of the reopening plan as identified on the front page of the district website; including how we answered the department of ed checklist schedules and processes for reopening schools.

Mr. Dani moved to approve i. Submission of the Ridgewood School District Reopening Plan.

Mr. Lembo seconded the motion, which carried by the following roll-call vote:

AYES: Ms. Brogan, Mr. Kaufman, Ms. Kwak, Mr. Lembo

NAYS: Mr. Dani

Ms. Kwak added that she appreciates the hard work that the administration put into the plan and wishes the board and different stakeholders had more input hopes that for phase II it will be more collaborative.

Mr. Lembo added that Dr. Fishbein has answered all of the questions during the last few weeks and moving forward believes everything will be addressed.

**C. CURRICULUM AND INSTRUCTION**

**Approval: New Community School Courses for Fall 2020**

- iv.** The Ridgewood Board of Education, upon the recommendation of the Superintendent of Schools, approves the New Community School Courses for Fall 2019, as listed on **Attachment G**.

The Board has received background information.

Mr. Dani moved to approve iv. New Community School Courses for Fall 2020.  
Mr. Kaufman seconded the motion, which carried by the following roll-call vote:

AYES: Ms. Brogan, Mr. Kaufman, Ms. Kwak, Mr. Lembo

NAYS: Mr. Dani

#### IX. APPROVAL OF BILLS

The Ridgewood Board of Education, upon the recommendation of the Superintendent of Schools, approves the payment of bills as listed below.

DATES	DESCRIPTION	CHECK NUMBER	AMOUNTS	REVIEWED BY

<b>TOTAL</b>			<b>5,665,258.54</b>	

Mr. Kaufman moved approval of bills reviewed by him.

Ms. Brogan seconded the motion.

Approval of Bills carried by the following roll-call vote:

AYES: Ms. Brogan, Mr. Dani, Mr. Kaufman, Ms. Kwak, Mr. Lembo

NAYS: none

#### **X. BOARD MEMBER ANNOUNCEMENTS**

Ms. Brogan asked how convocation will happen.

Dr. Fishbein answered that you will receive a link either tonight or tomorrow morning which is asynchronous and therefore can be viewed at any time.

Ms. Brogan discussed how we will appoint and interview our professionals. In the past the full board was part of the interviews for the architect and engineer and would ask for that type of consideration. She requested the interviews to be done as part of the committee of the whole in an Exec session.

Mr. Lembo thanked Dr. Fishbein for helping the board and answered the questions that the public has. The cdc numbers changed today and he knows that Dr. Fishbein has assured the staff and pandemic response teams are meeting. The board's job is to give the superintendent the what and the superintendent's job is to do the how. Going back to school is a trying time and this year is exceptional. Has heard some great things after the first day of school and he is very excited. He does not envy Ms. Poelstra who handles the transfer requests.

#### **XI. BOARD COMMITTEE REPORTS**

Mr. Lembo stated that he met with Mr. Dani and Dr. Fishbein as part of the policy committee and the details will be discussed shortly. He and Mr. Kaufman met with the Federation and Dr. Fishbein with Ms. Poelstra and the administrators. Ms. Poelstra's presentation was discussed during that time and there was some great information. Online learning has been going on with the NJSBA. IF the public wants to look at them, they are on the website the day after.

#### **XII. COMMENTS FROM THE PUBLIC**

The following callers addressed the board:

Laurie Weber, 235 South Irving Street, addressed a previous caller and she believes that the caller had an infraction on policy Rule 3 comments shall be limited to issues, if personal remarks are made the presiding officer will require the caller to stop. She heard that the caller singled out two board members and accused them of going against the schools and questioned how they were elected into service. She believes the voters are happy with their choice, she appreciates the huge amount of their time that they give to this and their good intentions for the community and schools. She cannot imagine why the caller was not stopped and appreciates the trustees and added that the caller speaks for herself and not the community.

The following comments were submitted online:

Laura Grasso, 136 Circle Ave., I feel compelled to be very clear that I, a teacher for 30 years at GWMS and a leader of the REA for the last 25 years....., I DITTO Maria Sweeney's words. Thank you, Dan, Ojetta, Stacie, and Antoinette for your diligence and hard work.

Diane Abbatiello, 53 Dale Avenue, I am making a formal request that the Board of Education provides teachers additional time without students LIVE to prepare for reopening. We are not ready. The classrooms are not fully prepared. We need more time in our classrooms to make sure that everything is working properly, spaced properly, and functional for all students. We also need more time to learn about new technologies for the efficiency of teaching all three groupings of students. The emotional and physical well-being of the teachers after returning today is the worst I have ever experienced in over 30 years. I have had multiple conversations with Laura Grasso - REA Chief Negotiator- today who was inundated with phone calls from teachers throughout the district who are simply completely overwhelmed and stressed beyond belief. I am formally asking the administration and BOE to make a motion to allow all students to remain remote for teachers to utilize the technology in the classroom to ensure its efficiency and effectiveness for all virtual students before we have students LIVE in our classrooms. In this format, all students would receive the same instruction throughout each of their class periods. Right now, this is critical to our teachers being effective. There is simply not enough time for the training necessary for any of us to effectively teach our students. Teachers need time to collaborate with one another and our technology specialists to successfully ensure that the remote instruction is fluid and effective. This is the first time teachers have been in our buildings or any buildings since March 13th for a prolonged period of time. It would be in the best interest of staff and students to give your educators three more days of remote teaching to ensure that we are ready. I urge you to consider this.

Linda McNamara, 575 Knickerbocker Road, I heard the comments from one of our respected teachers regarding what she felt was disrespectful behavior from 2 Board members. It is so hard to be the one asking questions and seeking answers to questions that have been asked multiple times. I admire those willing to do it. I believe it takes courage. I have not heard any disrespect and want to thank all those willing to step out of the box to speak their truth: Board members, teachers, and the public.

### XIII. DISCUSSION ITEM

New Policies/Regulations and Revisions to Policies/ Regulations as listed below:

- Policy 1581 - Domestic Violence (**Attachment M**) *revised*
- Regulation 1581 - Domestic Violence (**Attachment N**) *new*
- Policy 2422 - Health and Physical Education (**Attachment O**) *revised*
- Policy 3421.13 - Postnatal Accommodations (**Attachment P**) *new*
- Policy 4421.13 - Postnatal Accommodations (**Attachment Q**) *new*
- Policy and Regulation 5330 - Administration of Medication (**Attachment R**) *revised*
- Policy 7243 - Supervision of Construction (**Attachment S**) *revised*
- Policy 8210 - School Year (**Attachment T**) *revised*
- Policy 8220 - School Day (**Attachment U**) *revised*
- Regulation 8220 - School Closings (**Attachment V**) *revised*
- Policy 8462 - Reporting Potentially Missing or Abused Children (**Attachment W**) *revised*
- Policy 2270 - Religion in Schools (**Attachment X**) *revised*
- Policy 2431.3 - Heat Participation Policy for Student - Athlete Safety (**Attachment Y**) *revised*

- Policy 2622 - Student Assessment (**Attachment Z**) *revised*
- Policy and Regulation 5111 - Eligibility of Resident/Nonresident Students (**Attachment AA**) *revised*
- Policy and Regulation 5200 - Attendance (**Attachment AB**) *revised*
- Policy and Regulation 5320 - Immunization (**Attachment AC**) *revised*
- Policy and Regulation 5330.04 - Administering an Opioid Antidote (**Attachment AD**) *revised*
- Policy 5610 Suspension (**Attachment AE**) *revised*
- Regulation 5610 - Suspension Procedures (**Attachment AF**) *revised*
- Policy 5620 - Expulsion (**Attachment AG**) *revised*
- Policy and Regulation 8320 - Personnel Records (**Attachment AH**) *revised*
- Bylaw 0143.2 - Pupil Representatives to the Board of Education (**Attachment AI**) *revised*
- Bylaw 0164 - Conduct of Board Meetings (**Attachment AJ**) *revised*
- Bylaw 0169.02 - Board Member Use of Social Media (**Attachment AK**) *revised*

Mr. Lembo reviewed that edits to policies/regulations are made based upon various factors including law mandates. The district works in collaboration with Strauss Esmay on changes.

Ms. Kwak questioned why supervision of architects was struck out within policy 7243? Who supervises the architect if they are part of the project?

Mr. Lembo answered that the architect is not always involved in that part and is not part of the building part of the project. He added that the architect would be considered a contractor of the project.

Ms. Kwak questioned bylaw 0169.02 board members use of social networks, there is a sentence that she thought was rather vague and not necessary: Board member use of social networks shall not damage the reputation of the school district.

How do you assess damage? It is very vague. We are already abiding by ethics code and she believes that this exposes the board trustees. She would like that statement deleted.

Mr. Dani agrees that it is vague and the essence of the policy is still in #1-7.

Ms. Brogan stated that ethics charges would be brought up and the ethics commission would review. This is the way that damages are assessed.

Dr. Fishbein added that this is the standard that board members should be held up to, it reflects that board member behaviors will not damage any of the items listed.

Ms. Kwak believes that this is very subjective. She would like the language tightened up so it is not very vague.

Ms. Brogan asked about the change for Bylaw 0169.2 #6 board members are entitled to express themselves publicly in any matter, including issues involving the Board and the school district. She questioned what the thoughts behind the change were and if we have reviewed the change with Strauss Esmay to ensure there are no conflicts.

Mr. Dani stated that the original #6 restricted any board member to reply to any posting, he suggested the new #6 that was taken from another bylaw called board member authority.

Mr. Lembo stated that the rationale behind the change is so that board members can speak about board business that happened in the past, not talking about future stuff. It is hard to word this item since we want to ensure we can speak as a unified group and tightened the words so we can speak.

Ms. Brogan added that as a board member you don't give up the right for freedom of speech, but as a board member you need to identify yourself that the opinion you are expressing is your own and not the opinion of the board. She thinks that any revisions should be sent to Strauss Esmay, sometimes there are unintended consequences with slight wording changes.

Ms. Brogan questioned how the two business days would impact operations in the district. This would mean that the packet would be presented to the board on Thursday, operationally there is a lot on everyone's plate and is wondering if it will make a significant difference.

Dr. Fishbein stated that the change will lead to more walk in changes on board agendas.

#### **XIV. ACCEPTANCE OF MINUTES**

- June 1, 2020 Exec Session Meeting
- June 1, 2020 Regular Public Meeting
- June 4, 2020 Special Public Meeting
- June 15, 2020 Regular Public Meeting
- June 15, 2020 Exec session Meeting
- June 29, 2020 Regular Public Meeting
- June 29, 2020 Exec Session Meeting
- July 10, 2020 Special Public Meeting
- July 23, 2020 Special Public Meeting
- July 27, 2020 Regular Public Meeting

Mr. Dani moved to approve the June 2020 meeting minutes only.

Ms. Brogan seconded the motion, which carried by the following roll-call vote:

AYES: Ms. Brogan, Mr. Dani, Mr. Kaufman, Ms. Kwak, Mr. Lembo

NAYS: none

The July meeting minutes were tabled until the September 14 meeting.

#### **XV. OTHER BUSINESS**

No other business at this time.

#### **XVI. ADJOURNMENT**

At 10:04 p.m., on a motion made by Mr. Lembo, seconded by Ms. Brogan and

unanimously approved, the meeting adjourned.

Respectfully submitted,

Antoinette Kelly  
Board Secretary

Lucy Papamichael  
Assistant Board Secretary

2020-2021 CONFERENCES FOR APPROVAL

Staff Member	Name of Conference Location & Dates	Rationale	Estimated Cost for Approval	# of Sub Days required
Erin McGuire	Handle With Care Instructor and Re-Certification Program Handle With Care Behavior Management System, NY September 16, 2020	Professional Development	457.00	0
Ariana Bray	Handle With Care Instructor and Re-Certification Program Handle With Care Behavior Management System, NY September 16, 2020	Professional Development	497.25	0
Cindy Lora	Handle With Care Instructor and Re-Certification Program Handle With Care Behavior Management System, NY September 16, 2020	Professional Development	506.00	0

The total cost for these conferences is \$1478.25. Upon Board approval of these conferences, the total expenditure for travel and conferences for 2020-2021 will be \$20,916.06 leaving a balance of \$179,083.94.

The total cost of substitutes for these conferences is \$0. Upon Board approval of these conferences, the total expenditure for substitutes for travel and conferences for 2020-2021 will be \$1000.00.

1648 RESTART AND RECOVERY PLAN

On June 26, 2020, the New Jersey Department of Education (NJDOE) published “The Road Back - Restart and Recovery Plan for Education” (Guidance), a guidance document for reopening New Jersey schools during the COVID-19 pandemic. The Guidance provided school officials with the information necessary to ensure that schools reopen safely and are prepared to accommodate staff and students’ unique needs during these unprecedented times. The NJDOE required school districts in the State to develop, in collaboration with community stakeholders, a “Restart and Recovery Plan” (Plan) to reopen schools that best fits the district’s local needs.

The Guidance requires the Board of Education to adopt certain policies and the Board adopts Policy 1648 to address those policy requirements in the Guidance. Policy 1648 shall only be effective through the current COVID-19 pandemic and will take precedence over any existing Policy on the same or similar subject, unless determined otherwise by the Superintendent.

A. NJDOE Guidance – Key Subject Area 1 – Conditions for Learning

1. Transportation

- a. If the school district is providing transportation services on a ~~district-owned~~ school bus, but is unable to maintain social distancing, a face covering must be worn **by all students** upon entering the school bus **unless doing so would inhibit the student’s health. It is necessary to acknowledge that enforcing the use of face coverings may be impractical for young children or individuals with disabilities.** ~~by all students who are able to do so in accordance with A.2.c. below.~~ **Exceptions to the face covering requirements shall be those outlined in A.2.d. below:**
  - (1) Accommodations for students who are unable to wear a face covering should be addressed according to that student's particular need and in accordance with all applicable laws and regulations.
- b. The school district shall use best practices for cleaning and disinfecting district-owned school buses and other transportation vehicles in accordance with A.3. below.
- c. District-employed school bus drivers and aides on district-owned school buses shall practice all safety actions and protocols as indicated for other school staff.

- d. If the school district is using contracted transportation services, the contractor shall ensure all Board of Education safety actions and protocols are followed by the contractor and its employees and/or its agents.
2. Screening, Personal Protective Equipment (PPE), and Response to Students and Staff Presenting Symptoms
    - a. The school district shall screen students and employees upon arrival to a school building or work location for COVID-19 symptoms and a history of exposure.
      - (1) School staff must confirm with families that students are free of COVID-19 symptoms through electronic submission of daily health checklist and temperature readings. .
      - (2) Health checks must be conducted safely and respectfully, and in accordance with any applicable privacy laws and regulations.
      - (3) Results must be documented when signs/symptoms of COVID-19 are observed.
      - (4) The screening protocol will take into account students and employees with disabilities and accommodations that may be needed in the screening process for those students and employees.
      - (5) Students and employees with symptoms related to COVID-19 must be safely and respectfully isolated from others.
      - (6) If the school district becomes aware that an individual who has spent time in a school district facility tests positive for COVID-19, district officials must immediately notify local health officials, staff, and families of a confirmed case while maintaining confidentiality.
    - b. School staff and visitors are required to wear face coverings unless doing so would inhibit the individual's health or the individual is under two years of age.
      - (1) If a visitor refuses to wear a face covering for non-medical reasons and if such covering cannot be provided to the individual at the point of entry, the visitor's entry to the school/district facility may be denied.

- c. Students are **required** ~~strongly encouraged~~ to wear face coverings ~~and are required to do so when social distancing cannot be maintained~~, unless doing so would inhibit the student's health. It is ~~also~~ necessary to acknowledge that enforcing the use of face coverings may be impractical for young children or individuals with disabilities.
- (1) Accommodations for students who are unable to wear a face covering should be addressed according to that student's need and in accordance with all applicable laws and regulations.
- d. Exceptions to the Requirement for Face Coverings
- (1) Doing so would inhibit the individual's health.
  - (2) The individual is in extreme heat outdoors.
  - (3) The individual is in water.
  - (4) A student's documented medical condition, or disability as reflected in an Individualized Education Program (IEP), precludes the use of a face covering.
  - (5) The student is under the age of two, **due to the** ~~and could~~ risk of suffocation.
  - (6) **During the period a student is eating or drinking.**
  - (7) **Face coverings should not be placed on anyone who has trouble breathing or is unconscious, or anyone who is incapacitated or otherwise unable to remove the face covering without assistance (e.g. face coverings should not be worn by Pre-K students during nap time).**
  - (8) **The student is engaged in high intensity aerobic or anaerobic activities.**
  - (9) **Face coverings may be removed during gym and music classes when individuals are in a well-ventilated location and able to maintain a physical distance of six feet apart.**
  - (10) **When wearing a face covering creates an unsafe condition in which to operate equipment or execute a task.**

3. Facilities Cleaning Practices

- a. The school district must continue to adhere to existing required facilities cleaning practices and procedures and any new specific requirements of the local health department as they arise.
- b. A procedure manual must be developed to establish cleaning and disinfecting schedules for schools and school equipment, targeted areas to be cleaned, and methods and materials to be used.

(See Appendix A. Ridgewood Public Schools Reopening and Operations Plan)

4. Wraparound Supports

a. Mental Health Supports

The school district's approach to student mental health supports will be affected by the learning environment in place at the beginning of the school year. If in-person instruction is not feasible, the district must find other ways to assess and monitor students' mental health.

(See Appendix A. Ridgewood Public Schools Reopening and Operations Plan)

5. Contact Tracing

- a. Upon notification that a resident has tested positive for COVID-19, the local health department will call the school district to determine close contacts to whom they may have spread the virus, where close contact is defined as being within six feet for a period of at least ten minutes.
- b. The school district shall assist the local health department in conducting contact tracing activities, including ongoing communication with the identified individual and/or their contacts.
- c. The school district shall ensure adequate information and training is provided to the staff as necessary to enable staff to carry out responsibilities assigned to them.
- d. A staff liaison(s) shall be designated by the Superintendent or designee and shall be responsible for providing notifications and carrying out other

components that could help ensure notifications are carried out in a prompt and responsible manner.

- e. School districts shall allow staff, students, and families to self-report symptoms and/or suspected exposure.

(See Appendix A. Ridgewood Public Schools Reopening and Operations Plan)

B. NJDOE Guidance – Key Subject Area 2 – Leadership and Planning

1. Scheduling

- a. The school district’s Plan must account for resuming in-person instruction option for remote learning and shall provide steps to shift back to virtual learning models if circumstances change and in-person instruction guidelines can no longer be followed.
- b. The school district’s Plan accommodates opportunities for both synchronous and asynchronous instruction, while ensuring requirements for a 180-day school year are met.
- c. The school district recognizes special populations will require unique considerations to ensure the continuity of learning as well as the health and safety of students and staff within the least restrictive environment.

(1) Special Education and English Language Learners (ELL)

- (a) The school district shall provide educators with professional development to best utilize the accessibility features and accommodations tools made available through technology-based formats in accordance with this Policy.
- (b) The school district shall continue to ensure students receive individualized supports that meet the requirements of the IEP and 504 Plans.

2. Staffing

- a. The school district shall comply with all applicable employment laws when making staffing and scheduling requirements, including, but not limited to,

the Americans Disabilities Act (ADA), the Health Insurance Portability and Accountability Act (HIPPA), and all applicable State laws.

- b. As the school district adjusts schedules, teaching staff members must maintain quality instruction for students pursuant to the minimum requirements set forth in NJDOE regulation.

C. NJDOE Guidance – Key Subject Area 3 – Policy and Funding

1. School Funding

a. Purchasing

The school district may likely need to purchase items not needed in the past and may experience increased demand for previously purchased goods and services to implement the Plan. The school district shall continue to comply with the provisions of the “Public School Contracts Law”, N.J.S.A. 18A:18A-1 et seq.

b. Use of Reserve Accounts, Transfers, and Cashflow

The school district shall apply for the approval from the Commissioner of Education, prior to performing certain budget actions, such as withdrawing from the emergency reserve account or making transfers that cumulatively exceed ten percent of the amount originally budgeted.

c. Costs and Contracting

The school district shall follow all New Jersey State laws and regulations applicable to local school districts for purchasing when procuring devices and connectivity or any technology related item.

D. NJDOE Guidance – Key Subject Area 4 – Continuity of Learning

1. Ensuring the Delivery of Special Education and Related Services to Students with Disabilities

- a. The school district shall continue to meet their obligations to students with disabilities to the greatest extent possible.

2. Professional Learning

- a. The school district shall prepare and support teaching staff members in meeting the social, emotional, health, and academic needs of all students throughout the implementation of the Plan.
  - (1) Professional Learning
    - (a) The school district shall grow each teaching staff member's professional capacity to deliver developmentally appropriate standards-based instruction remotely.
  - (2) Mentoring and Induction
    - (a) The school district shall ensure:
      - (i) All novice provisional teachers new to the district be provided induction;
      - (ii) One-to-one mentoring is provided to novice provisional teachers by qualified mentors;
      - (iii) Mentors can provide sufficient support and guidance to novice provisional teachers working in a remote environment;
      - (iv) Mentoring is provided in both hybrid and fully remote learning environments and that mentors and provisional teachers will agree upon scheduling, structure, and communication strategies they will use to maintain the mentoring experience; and
      - (v) The use of online collaborative tools for school staff to remain connected to other mentors, new teachers, and administrators to maintain a sense of communal support.
  - (3) Evaluation
    - (a) The school district has considered the requirements and best practices with provisional status teachers, nontenured educators, and those on Corrective Action Plans (including extra observations, extra observers, assuring more frequent feedback and face-to-face).

New Jersey Department of Education “The Road Back – Restart and  
Recovery Plan for Education”

**Memorandum – New Jersey Governor and Department of Education – Conditions for Learning –  
Health and Safety – August 3, 2020**

Adopted:

1648.02 REMOTE LEARNING OPTIONS FOR FAMILIES

On July 24, 2020, the New Jersey Governor and the Commissioner of Education published a supplemental guidance document titled “Clarifying Expectations Regarding Fulltime Remote Learning Options for Families 2020-2021” as a result of the COVID-19 pandemic. This supplemental guidance includes an additional “anticipated minimum standard,” as this phrase is used throughout “The Road Back: Restart and Recovery Plan for Education” (NJDOE Guidance). This additional “anticipated minimum standard” provides that, in addition to the methods and considerations explicitly referenced in the NJDOE Guidance for scheduling students for in-person, remote, or hybrid learning, families/guardians (hereinafter referred to as “parents”) may submit, and school districts shall accommodate, requests for full-time remote learning.

A parent may contact the Principal or designee of the building the student would attend with any questions on: a request to transition from in-person services to full-time remote learning; a request to transition from full-time remote learning to in-person services; the procedures of this Policy; and/or any other information regarding the school district’s Plan and Policy 1648.

To ensure clarity and consistency in implementation of full-time remote learning, the Board of Education adopts this Policy that addresses the following:

- A. Unconditional Eligibility for Full-time Remote Learning
  - 1. All students are eligible for full-time remote learning.
    - a. Eligibility for full-time remote learning cannot be conditioned on a parent demonstrating a risk of illness or other selective criteria.
    - b. Unconditional eligibility for full-time remote learning includes students with disabilities who attend in-district schools or receiving schools (county special services school districts, educational services commissions, jointure commissions, Katzenbach School for the Deaf, regional day schools, college operated programs, and approved private schools for students with disabilities).
- B. Procedures for Submitting Full-time Remote Learning Requests
  - 1. A parent may request a student receive full-time remote learning from the school district by submitting a written request to the Principal of the school building their child would attend. The written request shall be provided to the Principal at least 10 calendar days before the student is eligible to commence full-time remote learning in accordance with B.2. below.

2. The student may only begin full-time remote learning within 10 school days after receiving written approval of the Principal or designee.
3. The written request for the student to receive full-time remote learning shall include:
  - a. The student's name, school, and grade;
  - b. The technology the student will be using to receive full-time remote learning, including the student's connectivity capabilities;
  - c. A request for any service or combination of services that would otherwise be delivered to the student on an in-person or hybrid schedule, such as instruction, behavioral and support services, special education, and related services;
  - d. For students with disabilities, the school district staff will determine if an Individualized Education Plan (IEP) meeting or an amendment to a student's IEP is needed for full-time remote learning; and
  - e. Any additional information the Principal or designee requests to ensure the student, when receiving remote learning, will receive the same quality and scope of instruction and other educational services as any other student otherwise participating in school district programs.
    - (1) The documentation required by the school district to be provided in the parent's request for full-time remote learning shall not exclude any students from the school district's full-time remote learning option, but rather be limited to the minimum information needed to ensure proper recordkeeping and implementation of successful remote learning.
4. Upon receiving the written request, the Principal or designee may request additional information from the parent to assist the Principal or designee in providing the student the same quality and scope of instruction and other educational services as any other student otherwise participating in school district programs.

5. The Principal or designee will review the written request and upon satisfaction of the procedures outlined in this Policy, the Principal or designee will provide written approval of the parent's request for full-time remote learning.
  - a. In the event the request does not satisfy the procedures outlined in this Policy, the Principal or designee will notify the parent in writing of the issues that need to be addressed by the parent to satisfy the procedures outlined in this Policy.
6. The Principal's written approval of the request shall be provided to the parent within 10 calendar days of receiving the parent's written request.
  - a. The written approval will include the date the remote learning program will commence for the student in accordance with B.2. above.

C. Scope and Expectations of Full-Time Remote Learning

1. The scope and expectations of the school district's full-time remote learning program will include, but not be limited to, the following:
  - a. The length of the school day pursuant to N.J.A.C. 6A:32-8.3 and compliance with the Board's Attendance Policy and Regulation 5200; the provisions of the district's remote learning program outlined in the school district's Plan; and any other Board policies and regulations that govern the delivery of services to, and district expectations of, students participating in the remote learning program and their families;
  - b. The technology and the connectivity options to be used and/or provided to the student during remote learning; and
  - c. Any additional information the Principal or designee determines is needed to ensure the student, when receiving remote learning, will receive the same quality and scope of instruction and other educational services as any other student otherwise participating in school district programs (i.e. students participating in a hybrid model).
    - (1) This includes, for example, access to standards-based instruction of the same quality and rigor as afforded all other students of the district, the district making its best effort to ensure that every student participating in remote learning has access to the requisite educational technology, and the provision of special education and related services to the greatest extent possible.

- d. The school district will endeavor to provide supports and resources to assist parents, particularly those of younger students, with meeting the expectations of the school district's remote learning option.

D. Procedures to Transition from Full-Time Remote Learning to In-Person Services

1. A parent may request their student transition from full-time remote learning to in-person services, if in-person services are being provided, by submitting a written request to the Principal of the building the student will attend. This request must be submitted at least 10 calendar days before the student is eligible for in-person services.
2. A student is only eligible to transition from full-time remote learning to in-person services commencing within 10 school days after receiving written approval of the Principal or designee.
3. The written request from the parent for the student to transition from full-time remote learning to in-person services shall include:
  - a. The student's name, school, and grade;
  - b. The in-person program may only commence for a student transitioning from full-time remote learning to in-person services in accordance with D.2. above; and
  - c. Any additional information the Principal or designee determines would be important on the student's transition from full-time remote learning to in-person services.
4. A student previously approved for remote learning wanting to transition into the school district's in-person program must spend at least 10 school days in remote learning before being eligible to transition into the school district's in-person program.
  - a. This will allow parents to make the arrangements needed to effectively serve students' home learning needs and will support educators in ensuring continuity of instruction for the student.
5. The Principal or designee will review the request for compliance with this Policy, and upon satisfaction of the procedures in this Policy, will provide the parent of the student a written approval of the student entering the school district's in-person program.

- a. In the event the request does not satisfy the procedures outlined in this Policy, the Principal or designee will notify the parent in writing of the issues that need to be addressed by the parent to satisfy the procedures outlined in this Policy.
6. Upon approval of the student's transition from full-time remote learning to in-person services, the school district will provide specific student and academic services to better assist parents anticipate their student's learning needs and help educators maintain continuity of services.
7. School districts that offer Pre-K will consult their Pre-K curriculum providers regarding appropriate measures to assess a Pre-K student's learning progress during the transition from full-time remote learning to in-person learning.

E. Reporting

1. To evaluate full-time remote learning, and to continue providing meaningful guidance for school districts, it will be important for the New Jersey Department of Education (NJDOE) to understand the extent and nature of demand for full-time remote learning around the State.
  - a. The school district will be expected to report to the NJDOE data regarding participation in full-time remote learning. Data will include the number of students participating in full-time remote learning by each of the following subgroups: economically disadvantaged; major racial and ethnic groups; students with disabilities; and English learners.

F. Procedures for Communicating District Policy with Families

1. The school district will have clear and frequent communication with parents, in their home language, to help ensure this important flexibility is as readily accessible as possible. Communication must include, at a minimum, information regarding:
  - a. Summaries of, and opportunities to review, the school district's full-time remote learning Policy/Plan;
  - b. Procedures for submitting full-time remote learning requests in accordance with B. above;
  - c. Scope and expectations of full-time remote learning in accordance with C. above;
  - d. The transition from full-time remote learning to in-person services and vice-versa in accordance with B. and D. above; and

- e. The school district’s procedures for ongoing communication with families and for addressing families’ questions or concerns.

G. Home or Out-of-School Instruction

- 1. No provision of this Policy supersedes the district’s requirements to provide home or out-of-school instruction for the reasons outlined in N.J.S.A. 18A, N.J.A.C. 6A, or any applicable Board policy unless determined otherwise by the Superintendent or designee.

New Jersey Department of Education Guidance Document:  
“Clarifying Expectations Regarding Fulltime Remote Learning  
Options for Families 2020-2021”

Adopted:

1648.03 RESTART AND RECOVERY PLAN – FULL-TIME  
REMOTE INSTRUCTION

On June 26, 2020, the New Jersey Department of Education published “The Road Back - Restart and Recovery Plan for Education” (NJDOE Guidance), a guidance document for reopening New Jersey schools during the COVID-19 pandemic. The Guidance, including revisions, provided school officials with the information necessary to ensure that schools reopen safely and are prepared to accommodate staff and students’ unique needs during these unprecedented times. The NJDOE Guidance required school districts to develop, in collaboration with community stakeholders, a “Restart and Recovery Plan” (Plan) to reopen schools that best fit the district’s local needs.

The NJDOE Guidance requires the Board of Education to adopt certain policies and the Board previously adopted Policies 1648 and 1648.02 to address these policy requirements. Board policies related to Covid-19 shall only be effective through the current COVID-19 pandemic and will take precedence over any existing Policy on the same or similar subject, unless determined otherwise by the Superintendent.

On August 13, 2020, the Governor of New Jersey signed Executive Order 175 indicating public school districts shall resume partial or full-time in-person instruction during the fall of school year 2020-2021. However, Executive Order 175 also indicates public school districts that are or become unable to satisfy the health and safety requirements for in-person instruction delineated in the NJDOE’s “Checklist for Re-Opening of School 2020-2021” and detailed in the “The Road Back - Restart and Recovery Plan for Education” Guidance, may provide full-time remote instruction to all students pursuant to N.J.S.A. 18A:7F-9.

Public school districts that determine they cannot provide in-person instruction must submit documentation to the Department of Education that identifies:

1. The school building(s) or grade level(s) within the district that will provide full-time remote instruction;
2. The specific health and safety standards delineated in the NJDOE’s “Checklist for Re-Opening of School 2020-2021,” and detailed in the “The Road Back - Restart and Recovery Plan for Education” Guidance, that the school is unable to satisfy;
3. The school’s anticipated efforts to satisfy the identified health and safety standard(s); and

4. A date by which the school anticipates the resumption of in-person instruction.

Such documentation must be submitted to the Department of Education at minimum one week prior to the public school district's first day of school.

The NJDOE, by way of the Executive County Superintendent, shall request periodic updates from the Superintendent of Schools of a public school district offering only remote instruction to demonstrate the school district is actively engaged in good-faith efforts toward the resumption of in-person instruction.

All instruction, whether in-person instruction or remote instruction, for the 2020-2021 year, shall adhere to the following requirements, and any other requirements imposed by Order, statute, or regulation:

1. A school day, whether in-person or remote must consist of at least four (4) hours of active instruction to students by an appropriately certified teacher, except that one continuous session of two and one-half hours may be considered a full day in Kindergarten, pursuant to N.J.A.C. 6A:32-8.3.
2. District and school policies for attendance and instructional contact time will need to accommodate opportunities for both synchronous and asynchronous instruction, while ensuring the requirements for a 180-day school year are met pursuant to N.J.S.A. 18A:7F-9.
3. All instructional time shall be provided in accordance with the New Jersey Student Learning Standards (NJSLs).

All public school districts participating in the National School Lunch and Breakfast Programs, regardless of whether they are required to participate or voluntarily opt-in to the programs, must offer the required meals to all children, regardless of eligibility, when the school day involves at least four hours of in-person or remote instruction.

For the 2020-2021 school year, the use of student growth data based on standardized assessment or student growth percentile shall be waived and shall not be used as a measure of educator effectiveness in the overall evaluation of any educator in accordance with N.J.S.A. 18A:6-123(b)(2) and (4).

Paragraph 8 of Executive Order No. 107 (2020), which prohibits in-person dining at certain establishments that are open to the public, shall not apply to school district cafeterias provided that social distancing can be maintained and access is limited to staff and students and not available to the general public. Such cafeterias must adhere to infection control practices outlined for dining in the applicable reopening documents issued by the Department of Education.

Executive Order 175 – August 13, 2020

Adopted:

**POLICY****RIDGEWOOD  
BOARD OF EDUCATION**

ADMINISTRATION

1649/page 1 of 13

Federal Families First Coronavirus  
(COVID-19) Response Act

June 20

**M****1649 FEDERAL FAMILIES FIRST CORONAVIRUS (COVID-19)  
RESPONSE ACT**

The Federal Families First Coronavirus (COVID-19) Response Act (FFCRA) includes the Emergency Family and Medical Leave Expansion Act (EFMLEA) and the Emergency Paid Sick Leave Act (EPSLA). The EFMLEA expands the Federal Family and Medical Leave Act (FMLA) and the EPSLA provides employees with paid sick leave for specified reasons related to COVID-19.

The provisions of the FFCRA shall apply from April 1, 2020 through December 31, 2020.

**A. Emergency Family and Medical Leave Expansion Act (EFMLEA)****1. Definitions - For the purposes of the EFMLEA:**

- a. “Eligible employee” means an employee who has been employed for at least thirty calendar days by the employer with respect to whom leave is requested.
- b. “Employer” means any employer with fewer than five hundred employees.
- c. “Qualifying need related to a public health emergency” means with respect to leave, the employee is unable to work (or telework) due to a need for leave to care for the son or daughter under eighteen years of age of such employee if the school or place of care has been closed, or the child care provider of such son or daughter is unavailable, due to a public health emergency.
- d. “Public Health Emergency” means an emergency with respect to COVID-19 declared by a Federal, State, or local authority.
- e. “Child care provider” means a provider who receives compensation for providing child care services on a regular basis, including an ‘eligible child care provider’ (as defined in section 658P of the Child Care and Development Block Grant Act of 1990 (42 U.S.C. 9858n)).
- f. “School” means an ‘elementary school’ or ‘secondary school’ as such terms are defined in section 8101 of the Elementary and Secondary Education Act of 1965 (20 U.S.C. 7801).

2. Relationship to Paid EFMLEA Leave

The FFCRA includes the Emergency Family and Medical Leave Expansion Act (EFMLEA) that amended the Federal Family and Medical Leave Act of 1993 (29 U.S.C. 2611 et seq. to provide leave to an eligible employee because of a qualifying need related to a public health emergency with respect to COVID-19 - (U.S.C. 2612(a)(1)(F)).

a. Leave for Initial Ten Days

- (1) The first ten days of this FMLA leave for an eligible employee shall be paid.
- (2) If the first ten days of this FMLA leave are unpaid, an employee may elect to substitute any accrued vacation leave, personal leave, or emergency paid sick leave provided by the EPSLA for the initial ten days under the EFMLEA in accordance with 29 U.S.C. 2612(d)(2)(B).
- (3) An employee may not use sick leave under N.J.S.A. 18A:30-1 for a qualifying need related to a public health emergency. However, an employee receiving sick leave under the provisions of N.J.S.A. 18A:30-1 may only use sick leave because of personal disability due to illness or injury, or because the employee has been excluded from school by the school district’s medical authorities on account of contagious disease or of being quarantined for such a disease in his or her immediate household.

b. Paid Leave for Subsequent Days

- (1) An employer shall provide paid leave for each day of leave under the EFMLEA that an employee takes after taking such leave for ten days.
- (2) The paid leave for an employee shall be calculated based on:

- (a) An amount that is not less than two-thirds of an employee's regular rate of pay (as determined under section 7(e) of the Fair Labor Standards Act of 1938 (29 U.S.C. 207(e)); and
    - (b) The number of hours the employee would otherwise be normally scheduled to work (or the number of hours calculated under A.2.(b)(4) below).
  - (3) In no event shall such paid leave exceed \$200.00 per day and \$10,000.00 in the aggregate.
  - (4) Varying Schedule Hours Calculation – In the case of an employee whose schedule varies from week to week to such an extent that an employer is unable to determine with certainty the number of hours the employee would have worked if such employee had not taken leave under the EFMLEA, the employer shall use the following in place of such number:
    - (a) Subject to A.2.b.(4)(b) below, a number equal to the average number of hours that the employee was scheduled per day over the six-month period ending on the date on which the employee takes such leave, including hours for which the employee took leave of any type.
    - (b) If the employee did not work over such period, the reasonable expectation of the employee at the time of hiring of the average number of hours per day that the employee would normally be scheduled to work.
- c. Employee Notice to Employer
  - (1) In any case where the necessity for leave under the EFMLEA for the purpose of a qualifying need related to a public health emergency is foreseeable, an employee shall provide the employer with such notice of leave as is practicable.
    - (a) A request for such leave that is foreseeable shall be submitted to the Human Resources Manager prior to commencing the leave.

- (b) A need for such leave that is not foreseeable shall be submitted to the Human Resources Manager within one business day of the first day of the leave being taken by the employee.
  - (c) The employee shall provide to the Human Resources Manager the name of the employee’s child, the name of the school, place of care, or child care provider that has closed or become unavailable, and a statement that no other suitable person is available to care for the child.
- d. Restoration to Position
- (1) The employee shall be restored to the same or equivalent position held by the employee when the leave commenced pursuant to 29 CFR 825.214. The requirement to restore the employee to the same or equivalent position held when the leave commenced does not apply to an employer who employs fewer than twenty-five employees if all four of the following conditions are met:
    - (a) The employee takes leave under the EFMLEA.
    - (b) The position held by the employee when the leave commenced does not exist due to economic conditions or other changes in operating conditions of the employer
      - i. That affect employment; and
      - ii. Are caused by a public health emergency during the period of leave.
    - (c) The employer makes reasonable efforts to restore the employee to a position equivalent to the position the employee held when the leave commenced with equivalent employment benefits, pay, and other terms and conditions of employment
    - (d) If the reasonable efforts of the employer under A.2.d.(1)(c) above fail, the employer makes reasonable efforts during the period described in A.2.d.(2) below to contact the employee if an equivalent position described in A.2.d.(1)(c) above becomes available.

(2) Contact Period

(a) The period described under A.2.d. above is the one-year period beginning on the earlier of:

- i. The date on which the qualifying need related to a public health emergency concludes; or
- ii. The date that is twelve weeks after the date on which the employee's leave under the EFMLEA commences.

B. Emergency Paid Sick Leave Act (EPSLA)

The FFCRA includes the EPSLA, which provides paid sick time to an employee to the extent the employee is unable to work or (telework) due to a need related to COVID-19. The paid sick time provided by the EPSLA and outlined in B.1. below cannot be taken with any other paid leave time provided by the employer.

1. Definitions

a. For purposes of the EPSLA and this Policy:

- (1) "Employee" means an individual who is employed by a private employer with fewer than five hundred employees and public employers with at least one employee.
- (2) "Employer" means a private person or entity that employs fewer than five hundred employees and public employers that employ at least one employee.
  - (a) "Covered employer" includes any person engaged in commerce or in any industry or activity affecting commerce that:

- ii. In the case of a public agency or any other entity that is not a private entity or individual, employs one or more employees.
  - (b) “Covered employer” also includes:
    - i. Any person acting directly or indirectly in the interest of an employer in relation to an employee (within the meaning of such phrase in section 3(d) of the Fair Labor Standards Act of 1938 (29 U.S.C. 203(d)); and
    - ii. Any successor in interest of an employer; and any “public agency”, as defined in section 3(x) of the Fair Labor Standards Act of 1938 (29 U.S.C. 203(x)).
  - (c) “Covered employer” also includes any “public agency” as defined in section 3(x) of the Fair Labor Standards Act of 1938 (29 U.S.C. 203(x)).
- (3) “Employ” and “State” have the meanings given such terms in section 3 of the Fair Labor Standards Act of 1938 (29 U.S.C. 203).
- (4) “Health care provider” and “son or daughter” have the meanings given such terms in section 101 of the Family and Medical Leave Act of 1993 (29 U.S.C. 2611).
- (5) “Paid sick time” means an increment of compensated leave that:
  - (a) Is provided by an employer for use during an absence from employment for a reason described in any paragraph of B.2.a. below; and

- (b) Is calculated based on the employee’s required compensation under B.1.a.(6) below and the number of hours the employee would otherwise be normally scheduled to work (or the number of hours calculated under (B.1.a.(7) below), except that in no event shall such paid sick time exceed:
  - i. \$511.00 per day and \$5,110.00 in the aggregate for a use described in B.2.a.(1), (2), or (3) below; and
  - ii. \$200.00 per day and \$2,000.00 in the aggregate for a use described in B.2.a.(4), (5), or (6) below.
  
- (6) “Required Compensation” subject to B.1.a.(5)(b) above, the employee’s “required compensation” shall be not less than the greater of the following:
  - (a) The employee’s regular rate of pay (as determined under section 7(e) of the Fair Labor Standards Act of 1938 (29 U.S.C. 207(e)).
  - (b) The minimum wage rate in effect under section 6(a)(1) of the Fair Labor Standards Act of 1938 (29 U.S.C. 206(a)(1)).
  - (c) The minimum wage rate in effect for such employee in the applicable State or locality, whichever is greater, in which the employee is employed.  
Subject to B.1.a.(5)(b) above, with respect to any paid sick time provided for any use described in B.2.a.(4), (5), or (6) below, the employee’s required compensation shall be two-thirds of the amount described in B.1.a.(6) above.
  
- (7) “Varying Schedule Hours Calculation” means in the case of a part-to employee described in B.3.b.(2) below whose schedule varies from week to week to such an extent that an employer is unable to determine with certainty the number of hours the

employee would have worked if such employee had not taken paid sick time under B.2.a. below, the employer shall use the following in place of such number:

- (a) Subject to clause B.1.a.(7)(b) below, a number equal to the average number of hours that the employee was scheduled per day over the six-month period ending on the date on which the employee takes the paid sick time, including hours for which the employee took leave of any type.
- (b) If the employee did not work over such period, the reasonable expectation of the employee at the time of hiring of the average number of hours per day that the employee would normally be scheduled to work.

2. Paid Sick Leave Requirement

- a. An employer shall provide to each employee employed by the employer paid sick time to the extent that the employee is unable to work (or telework) due to a need for leave because:
  - (1) The employee is subject to a Federal, State, or local quarantine or isolation order related to COVID-19.
  - (2) The employee has been advised by a health care provider to self-quarantine due to concerns related to COVID-19.
  - (3) The employee is experiencing symptoms of COVID-19 and seeking a medical diagnosis.
  - (4) The employee is caring for an individual who is subject to an order as described in B.2.a.(1) above or has been advised as described in B.2.a.(2) above.

- (5) The employee is caring for a son or daughter of such employee if the school or place of care of the son or daughter has been closed, or the child care provider of such son or daughter is unavailable, due to COVID-19 precautions.
      - (6) The employee is experiencing any other substantially similar condition specified by the Secretary of Health and Human Services in consultation with the Secretary of the Treasury and the Secretary of Labor.
3. Duration of Paid Sick Time
  - a. An employee shall be entitled to paid sick time for an amount of hours determined under B.3.b. below.
  - b. The amount of hours of paid sick time to which an employee is entitled shall be as follows:
    - (1) For full-time employees, eighty hours.
    - (2) For part-time employees, a number of hours equal to the number of hours that such employee works, on average, over a two-week period.
  - c. Paid sick time under the EPSLA shall not carry over from one year to the next.
4. Employer's Termination of Paid Sick Time
  - a. Paid sick time provided to an employee under the EPSLA shall cease beginning with the employee's next scheduled work shift immediately following the termination of the need for paid sick time under B.2.a. above.
5. Prohibition
  - a. An employer may not require, as a condition of providing paid sick time under the EPSLA, that the employee involved search for or find a replacement employee to cover the hours during which the employee is using paid sick time.

6. Use of Paid Sick Time

- a. The paid sick time under B.2.a. above shall be available for immediate use by the employee for the purposes described in the EPSLA, regardless of how long the employee has been employed by an employer.
- b. Sequencing Leave Time
  - (1) An employee may first use the paid sick time under B.2.a. above for the purposes described in the EPSLA.
  - (2) An employer may not require an employee to use other paid leave provided by the employer to the employee before the employee uses the paid sick time under B.2.a. above.

7. Notice

- a. Each employer shall post and keep posted, in conspicuous places on the premises of the employer where notices to employees are customarily posted, a notice, to be prepared or approved by the Secretary of Labor, of the requirements described in the EPSLA.
- b. Not later than seven days after the date of enactment of this Act, the Secretary of Labor shall make publicly available a model of a notice that meets the requirements of B.7.a. above.

8. Prohibited Acts

- a. It shall be unlawful for any employer to discharge, discipline, or in any other manner discriminate against any employee who:

- (1) Takes leave in accordance with the EPSLA; and
- (2) Has filed any complaint or instituted or caused to be instituted any proceeding under or related to the EPSLA (including a proceeding that seeks enforcement of the EPSLA), or has testified or is about to testify in any such proceeding.

9. Enforcement

a. Unpaid Sick Leave - An employer who violates B.2. through B.6. of this Policy shall:

- (1) Be considered to have failed to pay minimum wages in violation of section 6 of the Fair Labor Standards Act of 1938 (29 U.S.C. 206); and
- (2) Be subject to the penalties described in sections 16 and 17 of the Fair Labor Standards Act of 1938 (29 U.S.C. 216; 217) with respect to such violation.

b. Unlawful Termination - An employer who willfully violates B.8. above shall:

- (1) Be considered to be in violation of section 15(a)(3) of the Fair Labor Standards Act of 1938 (29 U.S.C. 215(a)(3)); and
- (2) Be subject to the penalties described in sections 16 and 17 of the Fair Labor Standards Act of 1938 (29 U.S.C. 216; 217) with respect to such violation.

10. Rules of Construction

a. Nothing in the EPSLA shall be construed:

(1) To in any way diminish the rights or benefits that an employee is entitled to under any:

(a) Other Federal, State, or local law;

(b) Collective bargaining agreement; or

(c) Existing employer policy; or

(2) To require financial or other reimbursement to an employee from an employer upon the employee's termination, resignation, retirement, or other separation from employment for paid sick time under the EPSLA that has not been used by such employee.

11. Guidelines

a. Not later than fifteen days after the date of the enactment of the EPSLA, the Secretary of Labor shall issue guidelines to assist employers in calculating the amount of paid sick time under the EPSLA.

12. Reasonable Notice

a. After the first workday (or portion thereof) an employee receives paid sick time under the EPSLA, an employer may require the employee to follow reasonable notice procedures in order to continue receiving such paid sick time.

b. The request for such leave shall be submitted to the Human Resources Manager, who may request documentation from the employee in support of the emergency paid sick leave.

- c. The documentation shall include a signed statement containing the following information: the employee’s name; the date(s) for which leave is requested; the COVID-19 qualifying reason for leave; and a statement representing that the employee is unable to work or telework because of the COVID-19 qualifying reason.
- d. An employee requesting to take emergency paid sick leave under the EPSLA or the EFMLEA to care for his or her child must provide the following information: the name of the child being care for; the name of the school; place of care; or child care provider that closed or became unavailable due to COVID-19 reasons; and a statement representing that no other suitable person is available to care for the child during the period of requested leave.

13. Regulatory Authorities

- a. The Secretary of Labor shall have the authority to issue regulations for good cause under sections 553(b)(B) and 553(d)(A) of Title 5, United States Code:
  - (1) To exempt small businesses with fewer than fifty employees from the requirements of B.2.a.5. when the imposition of such requirements would jeopardize the viability of the business as a going concern; and
  - (2) As necessary, to carry out the purposes of the EPSLA, including to ensure consistency between the EPSLA and Division C and Division G of the FFCRA.

~~Victim of Domestic or Sexual Violence Leave~~  
M

## 1581 VICTIM OF DOMESTIC OR SEXUAL VIOLENCE LEAVE

~~In accordance with the provisions of N.J.S.A. 34:11C-1 et seq., an employee who was a victim of an incident of domestic violence as defined in Section 3 of P.L.1991, c.261 (C.2C:25-19) or a sexually violent offense as defined in Section 3 of P.L.1998, c.71 (C.30:4-27.26), or whose child, parent, spouse, domestic partner, or civil union partner was a victim shall be entitled to unpaid leave of no more than twenty days in one twelve-month period, to be used in the twelve-month period following any incident of domestic violence or any sexually violent offense as provided in N.J.S.A. 34:11C-1 et seq.~~

~~For the purposes of N.J.S.A. 34:11C-1 et seq. and this Policy, an "employee" means a person who is employed for at least twelve months by the Board of Education, with respect to whom benefits are sought under N.J.S.A. 34:11C-1 et seq. "NJ SAFE Act" for not less than 1,000 hours during the immediately preceding twelve-month period.~~

~~For the purposes of N.J.S.A. 34:11C-3 and this Policy, each incident of domestic violence or any sexually violent offense shall constitute a separate offense for which an employee is entitled to unpaid leave, provided the employee has not exhausted the allotted twenty days for the twelve-month period. The unpaid leave may be taken intermittently in intervals of no less than one day, as needed for the purpose of engaging in any of the following activities as they relate to the incident of domestic violence or a sexually violent offense:~~

- ~~1. Seeking medical attention for, or recovering from, physical or psychological injuries caused by domestic or sexual violence to the employee or the employee's child, parent, spouse, domestic partner, or civil union partner;~~
- ~~2. Obtaining services from a victim services organization for the employee or the employee's child, parent, spouse, domestic partner, or civil union partner;~~
- ~~3. Obtaining psychological or other counseling for the employee or the employee's child, parent, spouse, domestic partner, or civil union partner;~~
- ~~4. Participating in safety planning, temporarily or permanently relocating, or taking other actions to increase the safety of the employee or the employee's child, parent, spouse, domestic partner, or civil union partner from future domestic or sexual violence or to ensure economic security;~~

- 5. ~~Seeking legal assistance or remedies to ensure the health and safety of the employee or the employee's child, parent, spouse, domestic partner, or civil union partner, including preparing for, or participating in, any civil or criminal legal proceeding related to or derived from domestic or sexual violence; or~~
- 6. ~~Attending, participating in, or preparing for a criminal or civil court proceeding relating to an incident of domestic or sexual violence of which the employee or the employee's child, parent, spouse, domestic partner, or civil union partner, was a victim.~~

~~An eligible employee may elect, or the Board of Education may require the employee, to use any of the accrued paid vacation leave, personal leave, or medical or sick leave (in accordance with the provisions of N.J.S.A. 18A:30-1) during any part of the twenty-day period of unpaid leave provided under N.J.S.A. 34:11C-1 et seq. In such case, any paid leave provided by the Board, and accrued pursuant to established policies of the Board, shall run concurrently with the unpaid leave provided under N.J.S.A. 34:11C-1 et seq. and, accordingly, the employee shall receive pay pursuant to the Board's applicable paid leave policy during the period of otherwise unpaid leave. If an employee requests leave for a reason covered by both N.J.S.A. 34:11C-1 et seq. and the "Family Leave Act," P.L.1989, c.261 (C.34:11B-1 et seq.) or the Federal "Family and Medical Leave Act of 1993," Pub.L.103-3 (29 U.S.C. § 2601 et seq.), the leave shall count simultaneously against the employee's entitlement under each respective law.~~

~~Leave granted under N.J.S.A. 34:11C-1 et seq. and this Policy shall not conflict with any rights pursuant to the "Family Leave Act," P.L.1989, c.261 (C.34:11B-1 et seq.), the "Temporary Disability Benefits Law," P.L.1948, c.110 (C.43:21-25 et seq.), or the Federal "Family and Medical Leave Act of 1993," Pub.L.103-3 (29 U.S.C. § 2601 et seq.).~~

~~Prior to taking this leave an employee shall, if the necessity for the leave is foreseeable, provide the Superintendent of Schools with written notice of the need for the leave. The notice shall be provided as far in advance as is reasonable and practical under the circumstances.~~

~~Nothing contained in N.J.S.A. 34:11C-1 et seq. and this Policy shall be construed to prohibit the Superintendent from requiring that a period of this leave be supported by the employee with documentation of the domestic violence or a sexually violent offense which is the basis for the leave. If documentation is required, the employee shall be regarded as having provided sufficient documentation if the employee provides one or more of the following:~~

- ~~1. A domestic violence restraining order or other documentation of equitable relief issued by a court of competent jurisdiction;~~
- ~~2. A letter or other written documentation from the county or municipal prosecutor documenting the domestic violence or a sexually violent offense;~~
- ~~3. Documentation of the conviction of a person for the domestic violence or a sexually violent offense;~~
- ~~4. Medical documentation of the domestic violence or a sexually violent offense;~~
- ~~5. Certification from a certified Domestic Violence Specialist or the director of a designated domestic violence agency or Rape Crisis Center, stating that the employee or employee's child, parent, spouse, domestic partner, or civil union partner is a victim of domestic violence or a sexually violent offense; or~~
- ~~6. Other documentation or certification of the domestic violence or a sexually violent offense provided by a social worker, member of the clergy, shelter worker, or other professional who has assisted the employee or employee's child, parent, spouse, domestic partner, or civil union partner in dealing with the domestic violence or a sexually violent offenses.~~

~~For the purposes of N.J.S.A. 34:11C-1 et seq. and this Policy, "Certified Domestic Violence Specialist" means a person who has fulfilled the requirements of certification as a Domestic Violence Specialist established by the New Jersey Association of Domestic Violence Professionals; and "designated domestic violence agency" means a county wide organization with a primary purpose to provide services to victims of domestic violence, and which provides services that conform to the core domestic violence services profile as defined by the Division of Child Protection and Permanency in the Department of Children and Families and is under contract with the division for the express purpose of providing the services.~~

# POLICY

# RIDGEWOOD BOARD OF EDUCATION

ADMINISTRATION

1581/page 4 of 5

~~Victim of Domestic or Sexual Violence Leave~~

~~For the purposes of N.J.S.A. 34:11C-1 et seq. and this Policy, "Rape Crisis Center" means an office, institution, or center offering assistance to victims of sexual offenses through crisis intervention, medical and legal information, and follow up counseling.~~

~~The Board shall display conspicuous notice of its employees' rights and obligations pursuant to the provisions of N.J.S.A. 34:11C-1 et seq., in such form and in such manner as the Commissioner of Labor and Workforce Development shall prescribe, and use other appropriate means to keep its employees so informed.~~

~~No provision of N.J.S.A. 34:11C-1 et seq. and this Policy shall be construed as requiring or permitting the Board to reduce employment benefits provided by the Board or required by a collective bargaining agreement which are in excess of those required by N.J.S.A. 34:11C-1 et seq. Nor shall any provision of N.J.S.A. 34:11C-1 et seq. be construed to prohibit the negotiation and provision through collective bargaining agreements of leave policies or benefit programs which provide benefits in excess of those required by N.J.S.A. 34:11C-1 et seq. This provision shall apply irrespective of the date that a collective bargaining agreement takes effect.~~

~~Nothing contained in N.J.S.A. 34:11C-1 et seq. and this Policy shall be construed as permitting the Board to:~~

- ~~1. Rescind or reduce any employment benefit accrued prior to the date on which the leave taken pursuant to N.J.S.A. 34:11C-1 et seq. commenced; or~~
- ~~2. Rescind or reduce any employment benefit, unless the rescission or reduction of the benefit is based on changes that would have occurred if an employee continued to work without taking the leave provided pursuant to N.J.S.A. 34:11C-1 et seq.~~

~~All information and/or documentation provided to the Board or Superintendent of Schools pursuant to N.J.S.A. 34:11C-1 et seq., any information regarding a leave taken pursuant to N.J.S.A. 34:11C-1 et seq., and any failure of an employee to return to work, shall be retained in the strictest confidentiality, unless the disclosure is voluntarily authorized in writing by the employee or is required by a Federal or State law, rule, or regulation.~~

Domestic Violence

Mar 20

**M****R 1581 DOMESTIC VIOLENCE**

Policy and Regulation 1581 - Section A. sets forth the New Jersey Civil Service Commission's (Civil Service Commission) Uniform Domestic Violence Policy that all public employers shall adopt and distribute to all their employees in accordance with the provisions of N.J.S.A. 11A:2-6a. The purpose of the Uniform Domestic Violence Policy is to encourage public employees who are victims of domestic violence, and those impacted by domestic violence, to seek assistance from their public employer's human resources officer(s) and provide a standard for a public employer's human resources officer(s) to follow when responding to employees.

Policy and Regulation 1581 – Section B. provides employment protection for employees of those employers as defined in N.J.S.A. 34:11C-2, who are victims of domestic violence or sexual violence in accordance with the provisions of the New Jersey Security and Financial Empowerment Act (NJ SAFE Act) - N.J.S.A. 34:11C-1 et seq.

A. Uniform Domestic Violence Policy (N.J.S.A. 11A:2-6a)

1. Definitions

The following terms are defined solely for the purposes of N.J.S.A. 11A:2-6a and Policy and Regulation 1581:

“Domestic Violence” - Acts or threatened acts, that are used by a perpetrator to gain power and control over a current or former spouse, family member, household member, intimate partner, someone the perpetrator dated, or person with whom the perpetrator shares a child in common or anticipates having a child in common if one of the parties is pregnant. Domestic violence includes, but is not limited to the following: physical violence; injury; intimidation; sexual violence or abuse; emotional and/or psychological intimidation; verbal abuse; threats; harassment; cyber harassment; stalking; economic abuse or control; damaging property to intimidate or attempt to control the behavior of a person in a relationship with the perpetrator; strangulation; or abuse of animals or pets.

“Abuser/Perpetrator” - An individual who commits or threatens to commit an act of domestic violence, including unwarranted violence against individuals and animals. Other abusive behaviors and forms of violence can include the following: bullying, humiliating, isolating, intimidating, harassing, stalking, or threatening the victim, disturbing someone’s peace, or destroying someone’s property.

“Human Resources Officer (HRO)” - An employee of a public employer with a human resources job title, or its equivalent, who is responsible for orienting, training, counseling, and appraising staff. Persons designated by the employer as the primary or secondary contact to assist employees in reporting domestic violence incidents.

“Intimate Partner” - Partners of any sexual orientation or preference who have been legally married or formerly married to one another, have a child or children in common, or anticipate having a child in common if one party is pregnant. Intimate partner also includes those who live together or have lived together, as well as persons who are dating or have dated in the past.

“Temporary Restraining Order (TRO)” - A civil court order issued by a judge to protect the life, health, or well-being of a victim. TROs can prohibit domestic violence offenders from having contact with victims, either in person or through any means of communication, including third parties. TROs also can prohibit offenders from a victim’s home and workplace. A violation of a TRO may be a criminal offense. A TRO will last approximately ten business days, or until a court holds a hearing to determine if a Final Restraining Order (FRO) is needed. In New Jersey, there is no expiration of a FRO.

“Victim” - A person who is eighteen years of age or older or who is an emancipated minor and who has been subjected to domestic violence by a spouse, former spouse, or any other person who is a present household member or was at any time a household member. A victim of domestic violence is also any person,

regardless of age, who has been subjected to domestic violence by one of the following factors: a person with whom the victim has a child in common; a person with whom the victim anticipates having a child in common, if one of the parties is pregnant; and a person with whom the victim has had a dating relationship.

“Workplace-Related Incidents” - Incidents of domestic violence, sexual violence, dating violence, and stalking, including acts, attempted acts, or threatened acts by or against employees, the families of employees, and/or their property, that imperil the safety, well-being, or productivity of any person associated with a public employee in the State of New Jersey, regardless of whether the act occurred in or outside the organization’s physical workplace. An employee is considered to be in the workplace while in or using the resources of the employer. This includes, but is not limited to: facilities; work sites; equipment; vehicles; or while on work-related travel.

2. Persons Covered Under N.J.S.A. 11A:2-6a and Policy and Regulation 1581

All New Jersey public employees are covered under N.J.S.A. 11A:2-6a and Policy and Regulation 1581 – Section A. A State of New Jersey public employer is any State, county, municipality, school district, or other political subdivision thereof, and any agency, authority, or instrumentality of the foregoing. Casual/seasonal employees, interns, volunteers, and temporary employees of any public employer at any workplace location are also covered under N.J.S.A. 11A:2-6a and Regulation 1581 – Section A.

3. Responsibility of Employer to Designate a Human Resources Officer (HRO)

- a. All public employers shall designate an HRO to assist employees who are victims of domestic violence.

- b. The designated HRO must receive training on responding to and assisting employees who are domestic violence victims in accordance with Policy and Regulation 1581 – Section A. Should the HRO be unavailable at any time, the employer must designate a secondary HRO, who must also be appropriately trained to respond and assist domestic violence victims pursuant to Policy and Regulation 1581.
  - c. Managers and supervisors are often aware of circumstances involving an employee who is experiencing domestic violence. Managers and supervisors are required to refer any employee who is experiencing domestic violence or who report witnessing domestic violence to the designated HRO. Managers and supervisors must maintain confidentiality, to the extent possible, and be sensitive, compassionate, and respectful to the needs of persons who are victims of domestic violence.
    - (1) The name and contact information of the designated HRO must be provided to all employees.
  - d. Policy and Regulation 1581 – Section A. does not supersede applicable laws, guidelines, standard operating procedures, internal affairs policies, or New Jersey Attorney General directives and guidelines that impose a duty to report.
    - (1) For example, if there is any indication a child may also be a victim, reporting is mandatory to the Department of Children and Families, Child Protection and Permanency, under N.J.S.A. 9:6-8.13.
4. Domestic Violence Reporting Procedure
- a. Employees who are victims of domestic violence are encouraged to seek immediate assistance from their HRO.

- b. Employees who have information about or witness an act of domestic violence against an employee are encouraged to report that information to the designated HRO, unless the employee is required to report the domestic violence pursuant to applicable laws, guidelines, standard operating procedures, internal affairs policies, or New Jersey Attorney General directives and guidelines that impose a duty to report, in which case the employee must report to the appropriate authority in addition to reporting to the designated HRO.
- c. Nothing in Policy and Regulation 1581 – Section A. shall preclude an employee from contacting 911 in emergency situations. HROs shall remind employees to contact 911 if they feel they are in immediate danger.
- d. Each designated HRO shall:
  - (1) Immediately respond to an employee upon request and provide a safe and confidential location to allow the employee to discuss the circumstances surrounding the domestic violence incident and the request for assistance.
  - (2) Determine whether there is an imminent and emergent need to contact 911 and/or local law enforcement.
  - (3) Provide the employee with resource information and a confidential telephone line to make necessary calls for services for emergent intervention and supportive services, when appropriate. The HRO or the employee can contact the appropriate Employee Assistance Program to assist with securing resources and confidential services.
  - (4) Refer the employee to the provisions and protections of the New Jersey Security and Financial Empowerment Act, N.J.S.A. 34:11C-1 et seq. (NJ SAFE Act), referenced in Regulation 1581 - Section B.

- 5) In cases where domestic violence involved a sexual touching or sexual assault between State employees, the HRO is also required to report the incident to their agency's Equal Employment Opportunity (EEO) Officer or Title IX Officer, as appropriate.
- (6) If there is a report of sexual assault or abuse, the victim should be offered the services of the New Jersey State Sexual Assault Response Team.
- (7) Maintain the confidentiality of the employee and all parties involved, to the extent practical and appropriate under the circumstances, pursuant to A.5. below.
- (8) Upon the employee's consent, the employee may provide the HRO with copies of any TROs, FROs, and/or civil restraint agreements that pertain to restraints in the work place and ensure that security personnel are aware of the names of individuals who are prohibited from appearing at the work location while the employee who sought the restraining order is present. All copies of TROs and FROs must be kept in a separate confidential personnel file.

## 5. Confidentiality Policy

- a. In responding to reports of domestic violence, the HRO shall seek to maintain confidentiality to protect an employee making a report of, witnessing, or experiencing domestic violence, to the extent practical and appropriate under the circumstances and allowed by law.
- b. No provision of Policy and Regulation 1581 – Section A. shall supersede applicable laws, guidelines, standard operating procedures, internal affairs policies, or New Jersey Attorney General directives and guidelines that impose a duty to report.

- c. Policy 1581 and Regulation 1581 – Section A.5. shall not prevent disclosure where to do so would result in physical harm to any person or jeopardize safety within the workplace.
    - (1) When information must be disclosed to protect the safety of individuals in the workplace, the HRO shall limit the breadth and content of such disclosure to information reasonably necessary to protect the safety of the disclosing employee and others and comply with the law.
    - (2) The HRO shall provide advance notice to the employee who disclosed information, to the extent possible, if the disclosure must be shared with other parties in order to maintain safety in the workplace or elsewhere.
    - (3) The HRO shall also provide the employee with the name and title of the person to whom they intend to provide the employee's statement and shall explain the necessity and purpose regarding the disclosure.
      - (a) For example, if the substance of the disclosure presents a threat to employees, then law enforcement will be alerted immediately.
  - d. Policy 1581 and Regulation 1581 – Section A. does not supersede applicable laws, guidelines, standard operating procedures, internal affairs policies, or New Jersey Attorney General directives and guidelines where mandatory reporting is required by the appointing authority or a specific class of employees.
6. Confidentiality of Employee Records
- a. To ensure confidentiality and accuracy of information Policy and Regulation 1581 – Section A.6. requires the HRO to keep all documents and reports of domestic violence in a confidential personnel file separate from the employee's other personnel records.

- b. These records shall be considered personnel records and shall not be government records available for public access under the Open Public Records Act. See N.J.S.A. 47:1A-10.
7. Public Employer Domestic Violence Action Plan
- a. Public employers in the State of New Jersey shall develop an action plan to identify, respond to, and correct employee performance issues that are caused by domestic violence, pursuant to N.J.S.A. 11A:2-6a, and in accordance with the following guidelines:
    - (1) Designate an HRO with responsibilities pursuant to A.3. and A.4. above.
    - (2) Recognize that an employee may need an accommodation as the employee may experience temporary difficulty fulfilling job responsibilities.
    - (3) Provide reasonable accommodations to ensure the employee's safety. Reasonable accommodations may include, but are not limited to, the following: implementation of safety measures; transfer or reassignment; modified work schedule; change in work telephone number or work-station location; assistance in documenting the violence occurring in the workplace; an implemented safety procedure; or other accommodation approved by the employer.
    - (4) Advise the employee of information concerning the NJ SAFE Act; Family and Medical Leave Act (FMLA); or Family Leave Act (FLA); Temporary Disability Insurance (TDI); or Americans with Disabilities Act (ADA); or other reasonable flexible leave options when an employee, or his or her child, parent, spouse, domestic partner, civil union partner, or other relationships as defined in applicable statutes is a victim of domestic violence.

- (5) Commit to adherence of the provisions of the NJ SAFE Act, including that the employer will not retaliate against, terminate, or discipline any employee for reporting information about incidents of domestic violence, as defined in Policy and Regulation 1581 – Section A., if the victim provides notice to their human resources office of the status or if the human resources office has reason to believe an employee is a victim of domestic violence.
- (6) Advise any employee, who believes he or she has been subjected to adverse action as a result of making a report pursuant to Policy and Regulation 1581 - Section B. of the civil right of action under the NJ SAFE Act.
  - (a) Advise any employee to contact their designated Labor Relations Officer, Conscientious Employees Protection Act (CEPA) Officer, and/or Equal Employment Opportunity Officer in the event they believe the adverse action is a violation of their collective bargaining agreement, the Conscientious Employees Protection Act, or the New Jersey Law Against Discrimination and corresponding policies.
- (7) Employers, their designated HRO, and employees should familiarize themselves with Policy and Regulation 1581. Policy and Regulation 1581 shall be provided to all employees upon Board approval and to all new employees upon hiring.
- (8) Information and resources about domestic violence are encouraged to be placed in visible areas, such as restrooms, cafeterias, breakrooms, and where other resource information is located.

8. Resources

Resources and program information will be readily available to assist victims of domestic violence. These resources should be provided by the designated HRO to any victim of domestic violence at the time of reporting.

9. Distribution of Policy

The Civil Service Commission and the Division of Local Government Services in the Department of Community Affairs shall distribute a Uniform Domestic Violence Policy, and any modifications thereto, to public employers. The Director of the Division of Local Government Services shall release Local Finance Notices setting forth any changes to the Uniform Domestic Violence Policy, as changes occur.

10. Other Applicable Requirements

In addition to Policy and Regulation 1581, the HRO and the public employer's appointing authority, if applicable, must follow all applicable laws, guidelines, standard operating procedures, internal affairs policies, and New Jersey Attorney General directives and guidelines that impose a duty to report. Additionally, to the extent that the procedures set forth in Policy and Regulation 1581 conflict with collective negotiated agreements or with the Family Educational Rights and Privacy Act (FERPA), the provisions of the negotiated agreements and the provisions of FERPA control.

11. Policy Modification and Review

- a. A public employer may seek to modify Policy and Regulation 1581 to create additional protocols to protect victims of domestic violence, but may not modify in a way that reduces or compromises the safeguards and processes set out in the Uniform Domestic Violence Policy.
- b. The Civil Service Commission will review and modify their Uniform Domestic Violence Policy periodically and as needed.

12. Policy Enforceability

The provisions of the Uniform Domestic Violence Policy are intended to be implemented by the Civil Service Commission. These provisions do not create any promises or rights that may be enforced by any persons or entities.

13. Policy Inquiries and Effective Date

Any questions concerning the interpretation or implementation of the Uniform Domestic Violence Policy shall be addressed to the Chair/Chief Executive Officer of the Civil Service Commission, or their designee. The Uniform Domestic Violence Policy and Policy and Regulation 1581 shall be enforceable upon the HRO's completion of training on the Uniform Domestic Violence Policy and Policy and Regulation 1581.

B. NJ SAFE Act – (N.J.S.A. 34:11C-1 et seq.)

1. The New Jersey Security and Financial Empowerment Act, N.J.S.A. 34:11C-1, et seq. (NJ SAFE Act), is a law that provides employment protection for victims of domestic or sexual violence.

2. Definitions (N.J.S.A. 34:11C-2)

The following terms are defined solely for the purpose of N.J.S.A. 34:11C-1 et seq. - NJ SAFE Act:

“Employee” means a person who is employed for at least twelve months by an employer, with respect to whom benefits are sought under the NJ SAFE Act, for not less than 1,000 base hours during the immediately preceding twelve-month period. Any time, up to a maximum of ninety calendar days, during which a person is laid off or furloughed by an employer due to that employer curtailing operations because of a state of emergency declared after October 22, 2012, shall be regarded as time in which the person is employed for the purpose of determining eligibility for leave time under the NJ SAFE Act. In making the determination, the base hours per week during the layoff or furlough shall be deemed to be the same as the average number of hours worked per week during the rest of the twelve-month period.

“Employer” means a person or corporation, partnership, individual proprietorship, joint venture, firm or company, or other similar legal entity which engages the services of an employee and employs twenty-five or more employees for each working day during each of twenty or more calendar work weeks in the then current or immediately preceding calendar year. “Employer” includes the State, any political subdivision thereof, and all public offices, agencies, boards, or bodies.

“State of emergency” means a natural or man-made disaster or emergency for which a state of emergency has been declared by the President of the United States or the Governor, or for which a state of emergency has been declared by a municipal emergency management coordinator.

3. Regulations Relative to Unpaid Leave for Employees and Family Members Affected by Certain Offenses (N.J.S.A. 34:11C-3)

- a. Any employee of an employer in the State of New Jersey who was a victim of an incident of domestic violence as defined in N.J.S.A. 2C:25-19, or a sexually violent offense as defined in N.J.S.A. 30:4-27.26, or whose parent-in-law, sibling, grandparent, grandchild, child, parent, spouse, domestic partner, or civil union partner individual, or any other individual related by blood to the employee, and any other individual that the employee shows to have a close association with the employee which is the equivalent of a family relationship, was a victim shall be entitled to unpaid leave of no more than twenty days in one twelve-month period, to be used in the twelve-month period next following any incident of domestic violence or any sexually violent offense as provided in N.J.S.A. 34:11C-3.

For purposes of N.J.S.A. 34:11C-3 and Regulation 1581 - Section B.3., each incident of domestic violence or any sexually violent offense shall constitute a separate offense for which an employee is entitled to unpaid leave, provided that the employee has not exhausted the allotted twenty days for the twelve-month period.

The unpaid leave may be taken intermittently in intervals of no less than one day, as needed for the purpose of engaging in any of the following activities as they relate to the incident of domestic violence or sexually violent offense:

- (1) Seeking medical attention for, or recovering from, physical or psychological injuries caused by domestic or sexual violence to the employee or the employee’s parent-in-law, sibling, grandparent, grandchild, child, parent, spouse, domestic partner, or civil union partner individual, or any other individual related by blood to the employee, and any other individual that the employee shows to have a close association with the employee which is the equivalent of a family relationship;
- (2) Obtaining services from a victim services organization for the employee or the employee’s parent-in-law, sibling, grandparent, grandchild, child, parent, spouse, domestic partner, or civil union partner individual, or any other individual related by blood to the employee, and any other individual that the employee shows to have a close association with the employee which is the equivalent of a family relationship;
- (3) Obtaining psychological or other counseling for the employee or the employee’s parent-in-law, sibling, grandparent, grandchild, child, parent, spouse, domestic partner, or civil union partner individual, or any other individual related by blood to the employee, and any other individual that the employee shows to have a close association with the employee which is the equivalent of a family relationship;

- (4) Participating in safety planning, temporarily or permanently relocating, or taking other actions to increase the safety of the employee or the employee's parent-in-law, sibling, grandparent, grandchild, child, parent, spouse, domestic partner, or civil union partner individual, or any other individual related by blood to the employee, and any other individual that the employee shows to have a close association with the employee which is the equivalent of a family relationship, from future domestic or sexual violence or to ensure economic security;
- (5) Seeking legal assistance or remedies to ensure the health and safety of the employee or the employee's parent-in-law, sibling, grandparent, grandchild, child, parent, spouse, domestic partner, or civil union partner, individual, or any other individual related by blood to the employee, and any other individual that the employee shows to have a close association with the employee which is the equivalent of a family relationship, including preparing for, or participating in, any civil or criminal legal proceeding related to or derived from domestic or sexual violence; or
- (6) Attending, participating in, or preparing for a criminal or civil court proceeding relating to an incident of domestic or sexual violence of which the employee or the employee's parent-in-law, sibling, grandparent, grandchild, child, parent, spouse, domestic partner, or civil union partner, or any other individual related by blood to the employee, and any other individual that the employee shows to have a close association with the employee which is the equivalent of a family relationship, was a victim.

- b. An eligible employee may elect to use any accrued paid vacation leave, personal leave, or medical or sick leave of the employee, or any family temporary disability leave benefits provided pursuant to N.J.S.A. 43:21-27 during any part of the twenty-day period of unpaid leave provided under N.J.S.A 34:11C-3 and Regulation 1581 - Section B.3.a.

In such case, any paid leave provided by the employer, and accrued pursuant to established policies of the employer, or family temporary disability leave benefits, shall run concurrently with the unpaid leave provided under N.J.S.A. 34:11C-3.a and Regulation 1581 - Section B.3.a. and, accordingly, the employee shall receive pay pursuant to the employer's applicable paid leave policy, or family temporary disability leave benefits, during the period of otherwise unpaid leave. If an employee requests leave for a reason covered by both N.J.S.A. 34:11C-3.a and the "Family Leave Act," N.J.S.A. 34:11B-1 et seq. or the Federal "Family and Medical Leave Act of 1993," 29 U.S.C. § 2601 et seq., the leave shall count simultaneously against the employee's entitlement under each respective law.

Leave granted under N.J.S.A. 34:11C-3 and Regulation 1581 - Section B. shall not conflict with any rights pursuant to the "Family Leave Act," the "Temporary Disability Benefits Law," N.J.S.A. 43:21-25 et al, or the Federal "Family and Medical Leave Act of 1993."

- c. Prior to taking the leave provided for in N.J.S.A. 34:11C-3 and Regulation 1581 - Section B.3.a., an employee shall, if the necessity for the leave is foreseeable, provide the employer with written notice of the need for the leave, unless an emergency or other unforeseen circumstance precludes prior notice. The notice shall be provided to the employer as far in advance as is reasonable and practical under the circumstances.

- d. Nothing contained in the NJ SAFE Act (N.J.S.A. 34:11C-1 et seq.) and Regulation 1581 - Section B. shall be construed to prohibit an employer from requiring that a period of leave provided pursuant to N.J.S.A. 34:11C-3 and Regulation 1581 - Section B. be supported by the employee with documentation of the domestic violence or sexually violent offense which is the basis for the leave.

If the employer requires the documentation, the employee shall be regarded as having provided sufficient documentation if the employee provides one or more of the following:

- (1) A domestic violence restraining order or other documentation of equitable relief issued by a court of competent jurisdiction;
- (2) A letter or other written documentation from the county or municipal prosecutor documenting the domestic violence or sexually violent offense;
- (3) Documentation of the conviction of a person for the domestic violence or sexually violent offense;
- (4) Medical documentation of the domestic violence or sexually violent offense;
- (5) Certification from a certified Domestic Violence Specialist or the director of a designated domestic violence agency or Rape Crisis Center, that the employee or employee's parent-in-law, sibling, grandparent, grandchild, child, parent, spouse, domestic partner, or civil union partner, or any other individual related by blood to the employee, and any other individual that the employee shows to have a close association with the employee which is the equivalent of a family relationship, is a victim of domestic violence or a sexually violent offense; or

- (6) Other documentation or certification of the domestic violence or sexually violent offense provided by a social worker, member of the clergy, shelter worker, or other professional who has assisted the employee or employee's parent-in-law, sibling, grandparent, grandchild, child, parent, spouse, domestic partner, or civil union partner, or any other individual related by blood to the employee, and any other individual that the employee shows to have a close association with the employee which is the equivalent of a family relationship, in dealing with the domestic violence or sexually violent offenses.

For the purpose of N.J.S.A. 34:11C-3.c and Regulation 1581 - Section B.3.d.:

- (1) "Certified Domestic Violence Specialist" means a person who has fulfilled the requirements of certification as a Domestic Violence Specialist established by the New Jersey Association of Domestic Violence Professionals;
- (2) "Designated Domestic Violence Agency" means a county-wide organization with a primary purpose to provide services to victims of domestic violence, and which provides services that conform to the core domestic violence services profile as defined by the Division of Child Protection and Permanency in the Department of Children and Families and is under contract with the Division for the express purpose of providing the services.
- (3) "Rape Crisis Center" means an office, institution, or center offering assistance to victims of sexual offenses through crisis intervention, medical and legal information, and follow-up counseling.

- e. An employer shall display conspicuous notice of its employees' rights and obligations pursuant to the provisions of the NJ SAFE Act, in such form and manner as the Commissioner of Labor and Workforce Development shall prescribe, and use other appropriate means to keep its employees so informed.
  
- f. No provision of N.J.S.A. 34:11C-1 et seq. and Policy and Regulation 1581 – Section B. shall be construed as requiring or permitting an employer to reduce employment benefits provided by the employer or required by a collective bargaining agreement which are in excess of those required by the NJ SAFE Act. Nor shall any provision of N.J.S.A. 34:11C-1 et seq. and Policy and Regulation 1581 – Section B. be construed to prohibit the negotiation and provision through collective bargaining agreements of leave policies or benefit programs which provide benefits in excess of those required by the NJ SAFE Act. N.J.S.A. 34:11C-3.e and Regulation 1581 – Section B.3.f. shall apply irrespective of the date that a collective bargaining agreement takes effect.

Nothing contained in N.J.S.A. 34:11C-1 et seq. and Policy and Regulation 1581 – Section B. shall be construed as permitting an employer to:

- (1) Rescind or reduce any employment benefit accrued prior to the date on which the leave taken pursuant to the NJ SAFE Act commenced; or
  
- (2) Rescind or reduce any employment benefit, unless the rescission or reduction of the benefit is based on changes that would have occurred if an employee continued to work without taking the leave provided pursuant to Regulation 1581 – Section B.3.a.

- g. All information provided to an employer pursuant to N.J.S.A. 34:11C-3.c and Regulation 1581 – Section B.3.d. above and any information regarding a leave taken pursuant to N.J.S.A. 34:11C-3.c and any failure of an employee to return to work, shall be retained in the strictest confidentiality, unless the disclosure is voluntarily authorized in writing by the employee or is required by a Federal or State law, rule, or regulation.

4. Certain Actions by Employer Prohibited (N.J.S.A. 34:11C-4)

An employer shall not discharge, harass, or otherwise discriminate, retaliate, or threaten to discharge, harass, or otherwise discriminate or retaliate against an employee with respect to the compensation, terms, conditions, or privileges of employment on the basis that the employee took or requested any leave to which the employee was entitled pursuant to N.J.S.A. 34:11C-3 of the NJ SAFE Act and Regulation 1581 – Section B.3. or on the basis that the employee refused to authorize the release of information deemed confidential pursuant to N.J.S.A. 34:11C-3.f and Regulation 1581 – Section B.3.g.

5. Violations; Penalties (N.J.S.A. 34:11C-5)

- a. Upon a violation of any of the provisions of N.J.S.A. 34:11C-3 and Regulation 1581 - Section B.3., or N.J.S.A. 34:11C-4 and Regulation 1581 - Section B.4., an employee or former employee may institute a civil action in the Superior Court for relief. All remedies available in common law tort actions shall be available to a prevailing plaintiff. The Court may also order any or all of the following relief:

- (1) An assessment of a civil fine of not less than \$1,000 and not more than \$2,000 for the first violation of any of the provisions of N.J.S.A. 34:11C-3 or N.J.S.A. 34:11C-4 and not more than \$5,000 for each subsequent violation;

- (2) An injunction to restrain the continued violation of any of the provisions of N.J.S.A. 34:11C-3 or N.J.S.A. 34:11C-4;
  - (3) Reinstatement of the employee to the same position or to a position equivalent to that which the employee held prior to unlawful discharge or retaliatory action;
  - (4) Reinstatement of full fringe benefits and seniority rights;
  - (5) Compensation for any lost wages, benefits, and other remuneration;
  - (6) Payment of reasonable costs and attorney's fees.
- b. An action brought under N.J.S.A. 34:11C-5 shall be commenced within one year of the date of the alleged violation.
- c. A private cause of action provided for in N.J.S.A. 34:11C-5 shall be the sole remedy for a violation of N.J.S.A. 34:11C-1 et seq.

BOARD OF EDUCATION**

PROGRAM  
2422/page 1 of 4  
Health and Physical Education  
M

**2422 HEALTH AND PHYSICAL EDUCATION**

The Board of Education requires all students to participate in a comprehensive, sequential, health and physical education program aligned with the New Jersey Student Learning Standards (NJSLS) that emphasizes the natural interdisciplinary connection between wellness and health and physical education. The primary focus of the NJSLS is the development of knowledge and skills that influence healthy behaviors within the context of self, family, school, and the local and global community.

The NJSLS incorporate New Jersey statutes related to health and well-being of students in New Jersey schools. The following statutes incorporated into the NJSLS include, but are not limited to, the following requirements:

1. Accident and Fire Prevention (N.J.S.A. 18A:6-2) requires regular courses of instruction in accident and fire prevention.
2. Breast Self-Examination (N.J.S.A. 18A:35-5.4) requires offering instruction on breast self-examination for students in grades seven to twelve.
3. Bullying Prevention Programs (N.J.S.A. 18A:37-17) requires the establishment of bullying prevention programs.
4. Cancer Awareness (N.J.S.A. 18A:40-33) requires the development of a school program on cancer awareness by the Commissioner of Education.
5. Dating Violence Education (N.J.S.A. 18A:35-4.23a) requires instruction regarding dating violence in grades seven through twelve.
6. Domestic Violence Education (N.J.S.A. 18A:35-4.23) allows instruction on problems related to domestic violence and child abuse.
7. Gang Violence Prevention (N.J.S.A. 18A:35-4.26) requires instruction in gang violence prevention for elementary school students.

8. Health, Safety, and Physical Education (N.J.S.A. 18A:35) requires that all students in grades one through twelve participate in at least two and one-half hours of health, safety, and physical education each school week.
9. Drugs, Alcohol, Tobacco, Controlled Dangerous Substances, and Anabolic Steroids (N.J.S.A. 18A:40A-1) requires instructional programs on drugs, alcohol, anabolic steroids, tobacco, and controlled dangerous substances and the development of curriculum guidelines for each grade Kindergarten through twelve.
10. Lyme Disease Prevention (N.J.S.A. 18A:35-5.1 through 5.3) requires the development of Lyme Disease curriculum guidelines and training to all teaching staff members who instruct students with Lyme Disease.
11. Organ Donation (N.J.S.A. 18A:7F-4.3) requires information relative to organ donation to be given to students in grades nine through twelve.
12. Sexual Assault Prevention (N.J.S.A. 18A:35-4.3) requires the development of a sexual assault prevention education program by the Commissioner of Education for utilization by school districts.
13. Stress Abstinence (N.J.S.A. 18A:35-4.19 through N.J.S.A. 18A:35-4.22), also known as the “AIDS Prevention Act of 1999,” requires sex education programs to stress abstinence.
14. Suicide Prevention (N.J.S.A. 18A:6-111 through 113) requires instruction in suicide prevention in public schools.
15. Cardiopulmonary Resuscitation (CPR/Automated External Defibrillator (AED) (N.J.S.A. 18A:35-4.28 and 18A:35-4.29) requires public high schools and charter schools to provide instruction in cardiopulmonary resuscitation and the use of an automated external defibrillator to each student prior to graduation.
16. Sexually Explicit Images through Electronic Means (N.J.S.A. 18A:35-4.32 and 4.33) requires instruction, once during middle school, on the social, emotional, and legal consequences of distributing and soliciting sexually explicit images through electronic means.
17. **History of Disabled and LGBT Persons (N.J.S.A. 18A:35-4.35 and 4.36) requires instruction on the political, economic, and social contributions of persons with disabilities and lesbian, gay, bisexual, and transgender people for middle and high school students.**

- 18. **Financial Literacy (N.J.S.A. 18A:35-4.34) requires instruction with basic financial literacy necessary for sound financial decision-making in each of the grades six through eight.**
- 19. Other Statutory or Administrative Codes. The Board will incorporate into its health and physical education curriculum any other requirements of the NJSLS in Comprehensive Health and Physical Education.

In accordance with the provisions of N.J.S.A. 18A:35-4.7, any student whose parent presents to the Principal a signed statement that any part of the instruction in health, family life education, or sex education is in conflict with his/her conscience or sincerely held moral or religious beliefs shall be excused from that portion of the course where such instruction is being given and no penalties as to credit or graduation shall result.

The Board of Education must provide two and one-half hours of health, safety, and physical education courses in each school week, or proportionately less when holidays fall within the week. Recess period(s) shall not be used to meet the requirements of N.J.S.A. 18A:35-5, 7, and 8.

In accordance with N.J.S.A. 18A:35-4.31, the Board of Education shall provide a daily recess period of at least twenty minutes for students in grades Kindergarten through five. A recess period is not required on a school day in which the day is substantially shortened due to a delayed opening or early dismissal. The recess period shall be outdoors, if feasible. A student shall not be denied recess for any reason, except as a consequence of a violation of the school district's Code of Student Conduct, including a harassment, intimidation, or bullying (HIB) investigation pursuant to N.J.S.A. 18A:37-13 et seq. Students may not be denied recess more than twice per week for a violation of the Code of Student Conduct or HIB investigation and these students shall be provided restorative justice activities during the recess period. Restorative justice activities mean activities designed to improve the socioemotional and behavioral responses of students through the use of more appropriate and less punitive interventions thereby establishing a more supportive and inclusive school culture. The student's recess period should be scheduled in a manner that does not interfere with the implementation of a student's Individualized Education Program (IEP). School staff may deny recess for a student on the advice of a medical professional, school nurse, or the provisions of a student's IEP and/or 504 Plan.

A copy of the NJSLS for Comprehensive Health and Physical Education and all related curriculum/course guides and instructional material shall be available for public inspection in each school.

BOARD OF EDUCATION**

TEACHING STAFF MEMBERS

3421.13/page 1 of 2

Postnatal Accommodations

Mar 20

**3421.13 POSTNATAL ACCOMMODATIONS**

The Board of Education recognizes teaching staff members may be returning to work shortly after their child's birth and may need to express breast milk during the workday. The Patient Protection and Affordable Care Act (PPACA) amended Section 7 of the Federal Fair Labor Standards Act (FLSA) for nursing mothers to be permitted reasonable break times and a private location to express breast milk for their nursing child for one year after the child's birth.

Every employee position in the school district is designated as either "non-exempt" or "exempt" by the provisions of the FLSA. Generally, a teaching staff member entitled to overtime pay is designated as "non-exempt." A teaching staff member that performs duties that are executive, administrative, or professional in nature and not entitled to overtime pay is designated "exempt." The school district administration shall refer to the comprehensive definitions of "exempt" and "non-exempt" as outlined in 29 C.F.R. 541 et seq. in determining an employee's designation.

A Board of Education is required to provide reasonable break times to non-exempt teaching staff members to express breast milk for their nursing child. The non-exempt teaching staff member shall coordinate such breaks with their immediate supervisor. The non-exempt teaching staff member will not receive compensation during this break time unless the break time is during a non-exempt teaching staff member's compensated break time.

A Board of Education is not required under the FLSA to provide such breaks to exempt teaching staff members. However, exempt teaching staff members may take such breaks provided the breaks are coordinated with their immediate supervisor. If this break is taken during the exempt teaching staff member's duty free lunch period or duty free break period during the workday, the exempt teaching staff member will not be reduced in compensation.

The Principal or the nursing mother's immediate supervisor, in consultation with the school nurse, will designate a lactation room that is shielded from view and free from intrusion from co-workers and the public. The location must be functional as a space for expressing breast milk and shall include an electrical outlet, a chair, and nearby access to running water. If the space is not dedicated to

the nursing mother's use, it must be available when needed. A space temporarily converted into a lactation room or made available when needed by a nursing mother is sufficient; however, a bathroom, even if private, is not a permissible location under the FLSA.

All exempt and non-exempt teaching staff members are required to sign-out of work to begin the break to express breast milk and shall sign-in when they return to work after the break. The break shall be for a reasonable amount of time. For compensation purposes, the immediate supervisor shall forward all sign-in and sign-out information relative to break times for nursing mothers under the FLSA to the School Business Administrator/Board Secretary.

Postnatal Accommodations

## 4421.13 POSTNATAL ACCOMMODATIONS

The Board of Education recognizes support staff members may be returning to work shortly after their child's birth and may need to express breast milk during the workday. The Patient Protection and Affordable Care Act (PPACA) amended Section 7 of the Federal Fair Labor Standards Act (FLSA) for nursing mothers to be permitted reasonable break times and a private location to express breast milk for their nursing child for one year after the child's birth.

Every employee position in the school district is designated as either "non-exempt" or "exempt" by the provisions of the FLSA. Generally, a support staff member entitled to overtime pay is designated as "non-exempt." A support staff member that performs duties that are executive, administrative, or professional in nature and not entitled to overtime pay is designated "exempt." The school district administration shall refer to the comprehensive definitions of "exempt" and "non-exempt" as outlined in 29 C.F.R. 541 et seq. in determining an employee's designation.

A Board of Education is required to provide reasonable break times to non-exempt support staff members to express breast milk for their nursing child. The non-exempt support staff member shall coordinate such breaks with their immediate supervisor. The non-exempt support staff member will not receive compensation during this break time unless the break time is during a non-exempt support staff member's compensated break time.

A Board of Education is not required under the FLSA to provide such breaks to exempt support staff members. However, exempt support staff members may take such breaks provided the breaks are coordinated with their immediate supervisor. If this break is taken during the exempt support staff member's duty free lunch period or duty free break period during the workday, the exempt support staff member will not be reduced in compensation.

The Principal or the nursing mother's immediate supervisor, in consultation with the school nurse, will designate a lactation room that is shielded from view and free from intrusion from co-workers and the public. The location must be functional as a space for expressing breast milk and shall include an electrical outlet, a chair, and nearby access to running water. If the space is not dedicated to the nursing mother's use, it must be available when needed. A space temporarily converted into a lactation room or made available when needed by a nursing mother is sufficient; however, a bathroom, even if private, is not a permissible location under the FLSA.

the nursing mother's use, it must be available when needed. A space temporarily converted into a lactation room or made available when needed by a nursing mother is sufficient; however, a bathroom, even if private, is not a permissible location under the FLSA.

All exempt and non-exempt support staff members are required to sign-out of work to begin the break to express breast milk and shall sign-in when they return to work after the break. ### 5330 ADMINISTRATION OF MEDICATION

The Board of Education disclaims any and all responsibility for the diagnosis and treatment of an illness of any student. However, in order for many students with chronic health conditions and disabilities to remain in school, medication may have to be administered during school hours. Parents are encouraged to administer medications to children at home whenever possible as medication should be administered in school only when necessary for the health and safety of students. The Board will permit the administration of medication in school in accordance with applicable law.

Medication will only be administered to students in school by the school physician, a certified or noncertified school nurse, a substitute school nurse employed by the district, the student's parent, a student who is approved to self-administer in accordance with N.J.S.A. 18A:40-12.3 and 12.4, and school employees who have been trained and designated by the certified school nurse to administer epinephrine **and hydrocortisone sodium succinate** in an emergency pursuant to N.J.S.A. 18A:40-12.5 ~~and 12.6, , 12.29, and 12.30.~~

Self-administration of medication by a student for asthma or other potentially life-threatening illness or a life threatening allergic reaction, **or adrenal insufficiency** is permitted in accordance with the provisions of N.J.S.A. 18A:40- 12.3.

~~Medication no longer required must be promptly removed by the parent.~~

The school nurse shall have the primary responsibility for the administration of epinephrine **and hydrocortisone sodium succinate to the student**. However, the ~~certified~~ school nurse may designate, in consultation with the Board or the Superintendent, additional employees of the district who volunteer to be trained in the administration of epinephrine via a pre-filled auto-injector mechanism **and the administration of hydrocortisone sodium succinate** using standardized training protocols established by the **New Jersey Department of Education (NJDOE)** in consultation with the Department of Health ~~and Senior Services~~ when the school nurse is not physically present at the scene.

In accordance with the provisions of N.J.S.A. 18A:40-12.6.d, no school employee, including a school nurse or any other officer or agent of a Board of Education or a physician **or an advanced practice nurse** providing a prescription under a standing protocol for school epinephrine pursuant to N.J.S.A. 18A:40-12.5 **and/or hydrocortisone sodium succinate pursuant to N.J.S.A. 18A:40-12.29**, shall be held liable for any good faith act or omission consistent with the provisions of N.J.S.A. 18A:40-12.5 **and N.J.S.A. 18A:40-12.29**, nor shall any action before the New Jersey State Board of Nursing lie against a school nurse for any such action taken by a person designated in good faith by the school nurse pursuant to N.J.S.A. 18A:40-12.6.d **and N.J.S.A. 18A:40-12.33**. Good faith shall not include willful misconduct, gross negligence, or recklessness.

The school nurse or designee shall be promptly available on site at the school and at school-sponsored functions in the event of an allergic reaction **or an emergency requiring the administration of hydrocortisone sodium succinate**. In addition, the parent must be informed that the school district, its employees and agents shall have no liability as a result of any injury arising from the administration of epinephrine **or hydrocortisone sodium succinate** to the student

The parent of the student must sign a statement acknowledging their understanding the district shall have no liability as a result of any injury arising from the administration of the epinephrine via a pre-filled auto-injector mechanism **or the administration of hydrocortisone sodium succinate** to the student. ~~and~~ **In addition**, the parent shall indemnify and hold harmless the district and its employees or agents against any claims arising out of the administration of the epinephrine via a pre-filled auto-injector mechanism **or the administration of hydrocortisone sodium succinate** to the student

The permission for the emergency administration of epinephrine via a pre-filled auto-injector mechanism containing epinephrine to students for anaphylaxis **and/or the emergency administration of hydrocortisone sodium succinate for adrenal insufficiency** is effective for the school year it is granted and must be renewed for each subsequent school year.

Each school in the district shall have and maintain for the use of students at least one nebulizer in the office of the school nurse or a similar accessible location. Each certified school nurse or other persons authorized to administer asthma medication will receive training in airway management and in the use of nebulizers and inhalers consistent with ~~State Department of Education~~ **NJDOE** regulations. Every student that is authorized to use self-administered asthma medication pursuant to N.J.S.A. 18A:40-12.3 or a nebulizer must have an asthma treatment plan prepared by the student's physician which shall identify, at a minimum, asthma triggers, the treatment plan and other such elements as required by the State Board of Education.

All student medications shall be appropriately maintained and secured by the school nurse, except those medications to be self-administered by students. In those instances the medication may be retained by the student with the prior knowledge of the school nurse. The school nurse may provide the Principal and other teaching staff members concerned with the student's educational progress with such information about the medication and its administration as may be in the student's best educational interests. The school nurse may report to the school physician any student who appears to be affected adversely by the administration of medication and may recommend to the Principal the student's pupil's exclusion pursuant to law.

The school nurse shall document each instance of the administration of medication to a student. Students self-administering medication shall report each incident to a teacher, coach or other individual designated by the school nurse who is supervising the student during the school activity when the student self-administers. These designated individuals shall report such incidents to the school nurse within twenty-four hours of the self-administration of medication. The school nurse shall preserve records and documentation regarding the self-administration of medication in the student's health file.

R 5330 ADMINISTRATION OF MEDICATION

A. Definitions

1. “Medication” means any prescription drug or over-the-counter medicine or nutritional supplement and includes, but is not limited to, aspirin and cough drops.
2. “Administration” means the taking of any medication by ingestion, injection, or application to any part of the body or the giving of direct physical assistance to the person who is ingesting, injecting, or applying medication.
3. “Self-administration” means carrying and taking medication without the intervention of the school nurse, approved through the school district policy and restricted to students with asthma, other potentially life-threatening illnesses, ~~or~~ life-threatening allergic reaction, **or adrenal insufficiency**.
4. “Life-threatening illness” means an illness or condition that requires an immediate response to specific symptoms or sequelae (an after effect of disease or injury) that if left untreated may lead to potential loss of life, ~~i.e. adrenaline injection in anaphylaxis~~.
5. “A pre-filled auto-injector mechanism containing epinephrine” is a medical device used for the emergency administration of epinephrine to a student for anaphylaxis.
6. “Noncertified ~~school~~ nurse” means a person who holds a current license as a registered professional nurse from the State Board of Nursing and is employed by the district, and who is not certified as a school nurse by the **New Jersey Department of Education (NJDOE)**.
7. “Substitute school nurse” means a person who holds a current license as a registered professional nurse from the State Board of Nursing and who has been issued a county substitute certificate to serve as a substitute for a certified school nurse in accordance with N.J.A.C. 6A:9B-7.6.
8. “School physician” means a physician with a current license to practice medicine or osteopathy from the New Jersey Board of Medical Examiners who works under contract or as an employee of the district. This physician is referred to as the medical inspector in N.J.S.A. 18A:40-4.1.
9. “Advanced practice nurse” means a person who holds **a current certification license** as nurse practitioner/clinical nurse specialist from the State Board of Nursing.

10. “Certified school nurse” means a person who holds a current license as a registered professional nurse from the State Board of Nursing and an Educational Services Certificate with a school nurse endorsement or school nurse/non-instructional from the Department of Education pursuant to N.J.A.C. 6A:9B-14.3 and 14.4.

B. Permission for Administration by a School Nurse or Registered Nurse

1. Permission for the administration of medication in school or at school-related sponsored events functions will be given only when it is necessary for the health and safety of the student.
2. Medication will not be administered to a student who is physically unfit to attend school or has a contagious disease. Any such student should not be permitted to attend school and may be excluded in accordance with Policy 8451.
3. Parent requests for the administration of medication in school must be made in writing and signed by the parent.
4. The parent must submit a certified statement written and signed by the student’s physician. The statement must include:
  - a. The student’s name;
  - b. The name of the medication;
  - c. The purpose of its administration to the student for whom the medication is intended;
  - d. The proper timing and dosage of medication;
  - e. Any possible side effects of the medication;
  - f. The time when the medication will be discontinued;
  - g. A statement that the student is physically fit to attend school and is free of contagious disease; and
  - h. A statement that the student would not be able to attend school if the medication is not administered during school hours.

5. The request for the administration of medication must be made to the ~~Principal~~ **Superintendent or designee** prior to any administration of medication or delivery of the medication to the school. The ~~Principal~~ **Superintendent or designee** may consult with the school nurse and the school physician in making his/her final determination to allow or deny the request.
  - a. An approved request will be signed by the ~~Principal~~ **Superintendent or designee** and given to the school nurse and the student's parent.
  - b. The parent will be informed of ~~the a~~ reason for a denied request; ~~a denied request may be appealed to the Superintendent.~~

C. Administration of Epinephrine to Students

1. **In accordance with N.J.S.A. 18A:40-12.5,** ~~t~~The parent may provide the Superintendent **or designee** authorization for the emergency administration of epinephrine via a pre-filled auto-injector mechanism containing epinephrine to a student for anaphylaxis provided:
  - a. The parent provides the Superintendent **or designee** a written authorization for the administration of epinephrine ~~with written orders from the physician or an advanced practice nurse that the student requires the administration of epinephrine for anaphylaxis.;~~
  - b. **The parent of the student provides the Superintendent or designee with written orders from the physician or an advanced practice nurse that the student requires the administration of epinephrine for anaphylaxis;**
  - ~~b. The school nurse has the primary responsibility for the administration of epinephrine. However, the school nurse shall designate, in consultation with the Board or Superintendent, additional employees of the district who volunteer to administer epinephrine via a pre-filled auto-injector mechanism to a student when the school nurse is not physically present at the scene. These volunteers shall be trained using standardized training protocols established by the New Jersey Department of Education in consultation with the Department of Health and Senior Services. The student's parent must consent in writing to the administration of epinephrine via a pre-filled auto-injector mechanism by the designee(s).~~
  - c. The parent ~~must be~~ **is** informed in writing by the Board **of Education** or Superintendent **or designee** that the school district and its employees or agents shall have no liability as a result of any injury to a student arising from the administration of epinephrine via a pre-filled auto-injector mechanism.;

- d. The parent ~~must~~ signs a statement acknowledging their understanding the district shall incur no liability as a result of any injury arising from the administration of epinephrine via a pre-filled auto-injector mechanism to the student and the parent shall indemnify and hold harmless the district and its employees or agents against any claims arising out of the administration of epinephrine via a pre-filled auto-injector mechanism to the student-;
- e. The permission for the emergency administration of epinephrine via a pre-filled auto-injector mechanism is effective for the school year it is granted and must be renewed for each subsequent school year upon the fulfillment of the requirements as outlined in a. through d. above-;
- f. **The Superintendent or designee requires:**
  - ~~f. (1)~~ **The school nurse shall be responsible for** The placement of the student's prescribed epinephrine **to be** in a secure but unlocked location easily accessible by the school nurse and trained designees to ensure prompt availability in the event of an allergic emergency at school or at a school-**sponsored** function. The location of the epinephrine shall be indicated on the student's emergency care plan. Back-up epinephrine shall also be available at the school if needed-;
  - ~~g. (2)~~ The school nurse or trained designee ~~shall~~ **to** be promptly available on site at the school and school-sponsored functions in the event of an allergic reaction-; **and**
  - ~~h. (3)~~ ~~The school nurse or trained designee shall arrange for~~ **The** transportation of the student to a hospital emergency room by emergency services personnel after the administration of epinephrine, even if the student's symptoms appear to have resolved.
- g. **The Superintendent or designee shall also:**
  - ~~i. (1)~~ ~~In accordance with the provisions of N.J.S.A. 18A:40-12.5.f,~~ **Permit** the school nurse or a ~~designated employee~~ trained **designee** to administer epinephrine via a pre-filled auto-injector mechanism ~~is permitted to administer epinephrine via a pre-filled auto-injector mechanism~~ to any student without a known history of anaphylaxis or to any student whose parent has not met the requirements outlined ~~above~~ **in Regulation 5330 – Section C.1.a., b., and d. and has not received the notice required in Regulation 5330 – Section C.1.c.** when the school nurse or trained designee in good faith believes the student is having an anaphylactic reaction-; **and**

- j- (2) **Require e**Each school in the district ~~to will~~ maintain in a secure, but unlocked and easily accessible location, a supply of epinephrine auto-injectors prescribed under a standing order from a licensed physician **or advanced practice nurse**, and ~~that~~ is accessible to the school nurse and trained designees for administration to a student having an anaphylactic reaction.
2. **In accordance with N.J.S.A. 18A:40-12.6, the school nurse shall have the primary responsibility for the administration of the epinephrine. The school nurse shall designate, in consultation with the Board of Education, additional employees of the school district who volunteer to administer epinephrine via a pre-filled auto-injector mechanism to a student for anaphylaxis when the nurse is not physically present at the scene. In the event that a licensed athletic trainer volunteers to administer epinephrine, it shall not constitute a violation of the “Athletic Training Licensure Act,” P.L.1984, c.203 (C.45:9-37.35 et seq.).**
- a. **The school nurse shall determine that:**
- (1) **The designees have been properly trained in the administration of the epinephrine via a pre-filled auto-injector mechanism using standardized training protocols established by the NJDOE in consultation with the Department of Health;**
  - (2) **The parent of the student consented in writing to the administration of the epinephrine via a pre-filled auto-injector mechanism by the designees;**
  - (3) **The Board or Superintendent or designee has informed the parent of the student in writing that the district and its employees or agents shall have no liability as a result of any injury arising from the administration of the epinephrine to the student;**
  - (4) **The parent of the student signed a statement acknowledging their understanding the district shall have no liability as a result of any injury arising from the administration of the epinephrine via a pre-filled auto-injector mechanism to the student and the parent shall indemnify and hold harmless the district and its employees or agents against any claims arising out of the administration of the epinephrine via a pre-filled auto-injector mechanism to the student; and**

- (5) The permission is effective for the school year for which it is granted and is renewed for each subsequent school year upon fulfillment of the requirements in subsections 2.a.(1) through 2.a.(4) above.
3. The NJDOE, in consultation with the Department of Health, shall require trained designees for students enrolled in a school who may require the emergency administration of epinephrine for anaphylaxis when the school nurse is not available.
4. Nothing in N.J.S.A. 18A:40-12.6 and Regulation 5330 – Section C. shall be construed to prohibit the emergency administration of epinephrine via a pre-filled auto-injector mechanism to a student for anaphylaxis by the school nurse or other employees designated pursuant to N.J.S.A. 18A:40-12.3(a)(1) when the student is authorized to self-administer epinephrine pursuant to N.J.S.A. 18A:40-12.3, or when there is a coexisting diagnosis of asthma, or when a prescription is received from a licensed health care professional for epinephrine coupled with another form of medication, or when the epinephrine is administered pursuant to N.J.S.A. 18A:40-12.5.f.
5. The certified school nurse, in consultation with the Superintendent or designee, shall recruit and train volunteer designees who are determined acceptable candidates by the school nurse within each school building as deemed necessary by the nursing services plan, in accordance with N.J.S.A. 18A:40-12.6c(b).
6. No school employee, including a school nurse, or any other officer or agent of a Board of Education, or a physician or an advanced practice nurse providing a prescription under a standing protocol for school epinephrine pursuant to N.J.S.A. 18A:40-12.5.f and Regulation 5330 – Section C.1.g., shall be held liable for any good faith act or omission consistent with the provisions of N.J.S.A. 18A:40-12.5 et seq., nor shall an action before the New Jersey State Board of Nursing lie against a school nurse for any such action taken by a person designated in good faith by the school nurse pursuant to N.J.S.A. 18A:40-12.6. Good faith shall not include willful misconduct, gross negligence, or recklessness.

**D. Administration of Hydrocortisone Sodium Succinate to Students**

- 1. In accordance with the provisions of N.J.S.A. 18A:40-12.29, the Board will permit the emergency administration of hydrocortisone sodium succinate through appropriate delivery devices and equipment to a student for adrenal insufficiency provided that:**
  - a. The parent of the student provides the Superintendent or designee a written authorization for the administration of hydrocortisone sodium succinate;**
  - b. The parent of the student provides the Superintendent or designee written orders from the physician or an advanced practice nurse that the student requires the administration of hydrocortisone sodium succinate for adrenal insufficiency;**
  - c. The Superintendent or designee informs the parent of the student in writing that the school district and its employees or agents shall have no liability as a result of any injury arising from the administration of hydrocortisone sodium succinate;**
  - d. The parent of the student signs a statement acknowledging their understanding that the district shall have no liability as a result of any injury arising from the administration of hydrocortisone sodium succinate to the student and that the parent shall indemnify and hold harmless the district and its employees or agents against any claims arising out of the administration of hydrocortisone sodium succinate to the student; and**
  - e. The permission for the administration of hydrocortisone sodium succinate is effective for the school year for which it is granted and must be renewed for each subsequent school year upon the fulfillment of the requirements as outlined in a. through d. above.**
  
- 2. In accordance with the provisions of N.J.S.A. 18A:40-12.29.b:**
  - a. The placement of the student's prescribed hydrocortisone sodium succinate shall be in a secure, but unlocked location easily accessible by the school nurse and trained designees to ensure prompt availability in the event of emergency situations at school or at a school-sponsored function. The location of the prescribed hydrocortisone sodium succinate shall be indicated on the student's emergency care plan.**

**Back-up hydrocortisone sodium succinate, provided by the student's parent, shall also be available at the school if needed;**

- b. The school nurse or trained designee shall be promptly available on site at the school and school-sponsored functions in the event of an emergency; and**
  - c. The student shall be transported to a hospital emergency room by emergency services personnel after the administration of hydrocortisone sodium succinate, even if the student's symptoms appear to have resolved.**
- 3. In accordance with N.J.S.A. 18A:40-12.30, the school nurse has the primary responsibility for the administration of hydrocortisone sodium succinate.**

**The school nurse shall designate, in consultation with the Superintendent or designee, additional employees of the school district who volunteer to administer hydrocortisone sodium succinate to a student when the school nurse is not physically present at the scene.**

**In the event that a licensed athletic trainer volunteers to administer hydrocortisone sodium succinate, it shall not constitute a violation of the "Athletic Training Licensure Act" - N.J.S.A. 45:9-37.35 et seq.**

**The school nurse shall determine that:**

- a. The designees have been properly trained in the administration of hydrocortisone sodium succinate using standardized training protocols established by the NJDOE in consultation with the Department of Health;**
- b. The parent of the student consented in writing to the administration of hydrocortisone sodium succinate by the designee(s);**
- c. The Superintendent or designee has informed the parent of the student in writing that the district and its employees or agents shall have no liability as a result of any injury arising from the administration of hydrocortisone sodium succinate to the student;**
- d. The parent of the student signed a statement acknowledging their understanding that the district shall have no liability as a result of any injury arising from the administration of hydrocortisone sodium succinate to the student and that the parent shall indemnify and hold harmless the district and its employees or agents against any claims arising out of the administration of hydrocortisone sodium succinate to the student; and**

**The permission is effective for the school year for which it is granted and is renewed for each subsequent school year upon fulfillment of the requirements in N.J.S.A. 18A:40-12.30 and D.3.a through d above.**

- 4. Nothing in N.J.S.A. 18A:40-12.30 and D.3. above shall be construed to prohibit the emergency administration of hydrocortisone sodium succinate to a student for adrenal insufficiency by the school nurse or other employees designated pursuant to N.J.S.A. 18A:40-12.30 and D.3. above when the student is authorized to self-administer hydrocortisone sodium succinate pursuant to N.J.S.A. 18A:40-12.3.**
- 5. The certified school nurse, in consultation with the Superintendent or designee, shall recruit and train volunteer designees who are determined acceptable candidates by the school nurse within each school building as deemed necessary by the nursing services plan, in accordance with N.J.S.A. 18A:40-12.32(b).**
- 6. No school employee, including a school nurse, or any other officer or agent of a Board of Education shall be held liable for any good faith act or omission consistent with the provisions of N.J.S.A. 18A:40-12.29 et al., nor shall an action before the New Jersey State Board of Nursing lie against a school nurse for any action taken by a person designated in good faith by the school nurse pursuant to N.J.S.A. 18A:40-12.30. Good faith shall not include willful misconduct, gross negligence, or recklessness, in accordance with N.J.S.A. 18A:40-12.33.**

**DE. Permission for Self-Administration of Medication**

**In accordance with N.J.S.A. 18A:40-12.3, the Board shall permit the ~~Permission for~~ self-administration of medication ~~of~~ **by** a student ~~with~~ **for** asthma, ~~or~~ other potentially life-threatening illnesses, ~~or~~ a life-threatening allergic reaction, ~~or~~ **adrenal insufficiency** ~~may~~ be granted under the following conditions **provided that:****

- 1. The ~~p~~Parent of the student ~~must~~ provides the Board ~~or Superintendent or designee~~ written authorization for the self-administration of medication;**

2. The parent of the student ~~must also~~ provides the Board **or Superintendent or designee** with a signed written certification from the physician of the student that the student has asthma or another potentially life threatening illness, ~~or~~ is subject to a life-threatening allergic reaction, **or has adrenal insufficiency** and is capable of, and has been instructed in, the proper method of self-administration of medication. The written certification must include:
  - a. The student's name;
  - b. The name of the medication;
  - c. The purpose of its administration to the student for whom the medication is intended;
  - d. The proper timing and dosage of medication;
  - e. Any possible side effects of the medication;
  - f. The time when the medication will be discontinued, **if applicable**;
  - g. A statement that the student is physically fit to attend school and is free of contagious disease; and
  - h. A statement the medication must be administered during the school day or the student would not be able to attend school.
3. **The Board or the Superintendent or designee informs the parent of the student in writing that the district and its employees or agents shall incur no liability as a result of any injury arising from the self-administration of medication by the student;**
34. The parent of the student ~~have signed~~ a statement acknowledging that the school district shall incur no liability as a result of any injury arising from the self-administration of medication by the student and that the parent shall indemnify and hold harmless the school district, the Board, and its employees or agents against any claims arising out of the self-administration of medication by the student;
45. The parent's written authorization and the physician's written certification ~~shall be~~ **is** reviewed by the Principal or designee with the school nurse and the school physician. The school nurse and the school physician must agree the student is capable of self-administration of the medication. If it is determined the student may self-administer medication in accordance with the request:
  - a. The request will be signed by the Principal and given to the school nurse and the student's parent;

- b. The parent will be informed of ~~the a~~ reason for a denied request; ~~a denied request may be appealed to the Superintendent.~~
- 56. Permission to self-administer one medication shall not be construed as permission to self-administer other medication; and
- 67. Permission shall be effective on the school year for which it is granted and shall be renewed for each subsequent school year upon fulfillment of the requirements in E.1. through E.46. above.

~~E~~F. Custodianship of Medication

- 1. Medications to be administered by the school nurse or a registered nurse:
  - a. All medications must be delivered to the school by the parent.
  - b. All medications must be in the original container, with the prescription information affixed.
  - c. The school nurse shall be custodian of students' medication, which will be properly secured.
  - d. Any unused medication must be picked up by the student's parent.
  - e. After reasonable efforts to have the parent retrieve the medication have failed, any unused medication that remains in the school at the end of the school year or two school weeks after the student stops taking the medication, whichever first occurs, must be destroyed or discarded by the school nurse, in accordance with proper medical controls.
- 2. Medications to be self-administered by a student:
  - a. Time being of the essence in cases of asthma, **or** other potentially life threatening illnesses, or a life-threatening allergic reaction, **or adrenal insufficiency**, all medications to be self-administered by a student must be kept in the student's possession.
  - b. No student may possess medication for self-administration unless the proper permission has been granted by the Principal **or designee** and a record of the medication is on file in the office of the school nurse.
  - c. Students who are permitted to self-administer medications must secure their medication in such a manner that the medication will not be available to other students. The medication must be in a sealed container and clearly

labeled with the medication name, dosage, and ordering physician. The medication, if ingested by someone other than the student, shall not cause severe illness or death.

- d. Students who are permitted to self-administer medications shall only have in their possession the quantity of medication necessary for the time period of the student's school day.
- e. Notwithstanding any other law or regulation, a student who is permitted to self-administer medication in accordance with the provisions of N.J.S.A. 18A:40-12.3 shall be permitted to carry an inhaler or prescribed medication for allergic reactions, including a pre-filled auto-injector mechanism, **or prescribed medication for adrenal insufficiency**, at all times, provided the student does not endanger himself/herself or other persons through misuse.

**FG.** Administration of Medication

- 1. No medication shall be administered to or taken by a student in school or at a school-sponsored ~~event~~ **function** except as permitted by Board ~~P~~**policy 5330** and this ~~R~~**regulation**.
- 2. Medication will only be administered to students in school by the school physician, a certified or noncertified school nurse, a substitute school nurse employed by the district, a student who is approved to self-administer in accordance with N.J.S.A. 18A:40-12.3 ~~and 12.4~~, and school employees who have been trained and designated by the certified school nurse to administer epinephrine in an emergency pursuant to N.J.S.A. 18A:40-12.5 and 12.6 **and to administer hydrocortisone sodium succinate in an emergency pursuant to N.J.S.A. 18A:40-12.29 and 12.30.**
- 3. When practicable, self-administration of medication should be observed by the school nurse.
- 4. Students self-administering medication shall report each administration of medication and any side effects to a teacher, coach, or the individual in charge of the student during school activities. Such individuals shall report all administrations and any side effects reported or observed to the school nurse within twenty-four hours.
- 5. When a student attends a school-sponsored ~~event~~ **function** at which medication may be required (such as an outdoor field trip or athletic competition) and the school nurse cannot be in attendance, the student's parent will be invited to attend. If neither the school nurse nor the parent can attend and the student does not have

permission to self-administer medication and there is a risk that the student may suffer injury from lack of medication, the student may be excused from the ~~event~~ **function**.

#### **GH.** Emergencies

1. Any medical emergency requiring medication of students will be handled in accordance with Policy 8441 and implementing regulations on first aid and, as appropriate, the school physician's standing orders for school nurses. Arrangements will be made to transport a student to a hospital emergency room after the administration of epinephrine in accordance with N.J.S.A. 18A:40-12.5.e.(3) **and after the administration of hydrocortisone sodium succinate in accordance with N.J.S.A. 18A:40-12.29.b.(3).**
- ~~2. Nothing in N.J.S.A. 18A:40-12.6 prohibits the emergency administration of epinephrine via a pre-filled auto-injector mechanism to a student for anaphylaxis by the school nurse or other trained designated employees pursuant to N.J.S.A. 18A:40-12.6 when the student is authorized to self-administer epinephrine pursuant to N.J.S.A. 18A:40-12.3, or when there is a coexisting diagnosis of asthma, or when a prescription is received from a licensed health care professional for epinephrine coupled with another form of medicine, or when the epinephrine is administered pursuant to N.J.A.C. 18A:40-12.5.~~

#### **HI.** Records

The school nurse shall include the following in a student's health record:

1. The approved written request for the administration or self-administration of medication;
2. A record of each instance of the administration of the medication by the school nurse or a registered nurse;
3. A record of reports by teachers, coaches, and other individuals in charge of school activities who report student self-administration of medication;
4. Any side effects that resulted from the administration of medication; and

5. Whether the supply of medication provided in cases where the medication is to be administered by the school nurse or a registered nurse was exhausted or the parent removed the medication or, if the parent failed to remove the medication, the medication was destroyed and the date on which that occurred.

**II.** Notification

1. The school nurse may provide the Principal and other teaching staff members concerned with the student's educational progress with information about the medication and administration when such release of information is in the student's best educational interest.
2. The school nurse will provide teachers, coaches, and other individuals in charge of school activities with a list of students who have been given permission to self-administer medication.
3. The school nurse will inform the student's parent of any difficulty in the administration of medication or any side effects.
4. The school nurse will report to the school physician any student who appears to be adversely affected by the medication.

Supervision of Construction

Mar 20

M

## 7243 SUPERVISION OF CONSTRUCTION

The Board of Education directs that the School Business Administrator/Board Secretary or designee be responsible for the supervision of all building construction in this **school** district. Supervision shall include field inspection of the **construction** contractor's operations, administrative review of the activities of the architect relating to the construction, and any other construction matters relating to the interests of the school district.

The School Business Administrator/Board Secretary and Superintendent **or designee** shall report periodically to the Board **on the progress of** that by his/her personal knowledge the work of the construction contractor(s) ~~and the architect is being performed in accordance with the plans, specifications, and contracts approved by the Board.~~

**The Board shall not employ for pay or contract for the paid services of any person serving in a position which involves regular contact with students unless the Board has first determined, consistent with the requirements and standards of N.J.S.A. 18A:6-7.1 et seq., that no criminal history record information exists on file in the Federal Bureau of Investigation, Identification Division, or the State Bureau of Identification which would disqualify the individual from being employed or utilized in such capacity or position.**

**The Superintendent shall direct the School Business Administrator/Board Secretary or designee to act as liaison to all construction contractors for school facility and construction projects to obtain a list of the individuals who will have regular contact with students and will be employed by or working for the contractor on a school district project that will be undergoing a criminal history record check pursuant to the requirements of N.J.S.A. 18A:6-7.1 et seq. The liaison shall provide the list of those contracted employees to the Superintendent or designee and the Human Resources Director. The Superintendent or designee and the Human Resources Director who receive any adverse action correspondence from the New Jersey Department of Education (NJDOE) related to the criminal history record check process shall review the contracted company list in order to determine if the subject of that correspondence is either a school employee or an employee of any contract service provider and take**

**appropriate action. No employee of a contracted service provider shall commence work at a school facility without having first obtained an approval for employment from the NJDOE. Approvals for employment of these contracted employees shall be maintained with the liaison and copies forwarded to the Superintendent's office.**

A change order involving additional cost will be submitted by ~~the architect~~ **to the for Board** for review **and approval.**

**A change order not involving monetary considerations may be acted upon solely by the Superintendent and Business Administrator and reported to the Board.**

Upon completion of a building project and a final inspection of all its aspects by the architect, contractors, and school officials, a recommendation for acceptance shall be made to the Board by the ~~architect~~ **Business Administrator or designee.**

School Year

### 8210 SCHOOL YEAR

The Board of Education recognizes that the preparation of a calendar for the instructional program of the schools is necessary for orderly educational planning and for the efficient operation of the **school** district.

The Board shall determine annually the days when the schools will be in session. Unless the Board exercises its right to alter the calendar for any particular calendar year, such school calendar shall consist of no fewer than the maximum number of instructional and staff attendance days contained in the negotiated agreements.

**A half-day class or shortened school day shall be considered the equivalent of a full day only if school is in session for four or more hours, exclusive of recess periods or lunch periods.**

The **Superintendent shall in consultation with the** Calendar Committee ~~shall~~ propose the school calendar for Board consideration. The Board reserves the right to alter the school calendar when feasible and advisable in the best interests of the children of the district; **the number of school closings during the school year extend the school year past a reasonable closing date in June; there is an extended school closing during the school year due to an unforeseen circumstance; and/or due to any reason deemed in the best interest of the student.**

The Board shall adopt annually a list of religious holidays which shall consist as a minimum of those holidays designated by the Commissioner of Education.

School Day

### 8220 SCHOOL DAY

The Board of Education shall **annually approve** ~~determine~~ the times that school will be in session, ~~for the purpose of providing adequate time for pupils to profit from the educational program of the district~~ **including the starting and ending time of a shortened day. A school day shall be in accordance with N.J.A.C. 6A:32-8.3.**

The schools of the district will be in session for pupils on those days ~~specified~~ **and times recommended by the Superintendent and annually approved** by the Board. ~~as recommended by the Superintendent.~~

The Superintendent may close ~~the~~ schools, delay the opening of school, or dismiss school early when such alteration in the regular session is required for the protection of the health and safety of pupils and staff members **or other good cause. A shortened school day, whether it is planned or emergent (as in the case of inclement weather), must meet certain requirements in order to count toward the one hundred eighty day requirement of N.J.S.A. 18A:7F-9.**

The Superintendent shall inform the Board President of any such alteration as soon as possible and shall prepare rules for the proper and timely notification of concerned persons in the event of any **delayed opening or** emergency school closing. ~~of the schools.~~

# REGULATION

## RIDGEWOOD BOARD OF EDUCATION

OPERATIONS  
R 8220/page 1 of 5  
School Closings

### R 8220 SCHOOL CLOSINGS

The following procedures will govern the unscheduled closing of school for the entire school day, the delayed opening of school, and the early closing of school. No single set of rules can anticipate the problems that may be encountered when schools must be closed, and Building Principals may be required to exercise independent judgment in individual circumstances. Any consequent deviation from these rules ~~should~~ **shall be reported approved promptly to** by the Superintendent.

#### A. Notification Provisions

1. The district's alert system, Swift Reach (reverse 911), will inform parent(s) or legal guardian(s) of the emergency closings.

A message will be placed on the Central office line at (201) 670-2600\* and on the Superintendent's line at (201) 670-2700\*\*.

\*(201) 670-2600: Emergency Closing message can only be accessed until 7:55 a.m.

\*\* (201) 670-2700: Emergency Closing message will remain in effect throughout the day.

Emergency closing information can also be obtained from the following:

TV Channel 12 – News 12 New Jersey

Web sites [www.ridgewood.k12.nj.us](http://www.ridgewood.k12.nj.us) and [www.News12.com](http://www.News12.com)

2. The district's alert system, ~~Swift Reach~~ School Messenger (Skylert), (~~reverse 911~~), will inform parent(s) or legal guardian(s) of the early dismissal. Teachers will refer to the School Dismissal Form, completed by parent(s) or legal guardian(s), to determine each parent's or legal guardian's wishes as indicated on the form.
3. The Principal of each school building shall prepare an emergency call chain for the prompt notification of all teaching staff members and support staff members who regularly report to that school.
  - a. The staff call chain will be reviewed and updated annually. Each staff member is responsible for supplying the telephone number at which he/she can be reached for notification of the closing or delayed opening of school.

- b. A copy of the complete staff call chain will be maintained by the Principal and will be kept as a confidential document.
    - c. Portions of the staff call chain will be released to staff members as necessary for the integrity and efficient operation of the call chain process.
  4. The Superintendent's office will prepare and administer a staff call chain for central office employees.
  5. Each staff call chain should be so organized as to ensure that the first called are those staff members who live farthest from the school, office, or facility to which they regularly report.
- B. All Day Closing
  1. The decision to close schools for the day will be made in accordance with Policy No. 8220. As soon as the decision is made, the Superintendent will promptly provide notification (see paragraph A1).
    - a. All Building Principals,
    - b. The Transportation Coordinator,
    - c. Board President,
    - d. Private schools to which transportation is provided for district children, and
    - e. Ridgewood Police Department.
  2. Each Building Principal and other person responsible for a call chain will promptly institute the process of notifying staff members of the closing by means of the staff call chain. Every effort should be made to notify staff members as soon as practicable.
  3. In the event a staff member cannot be reached by telephone, the caller will report that fact to the Building Principal or other person responsible for the call chain.
  4. Unless the Superintendent determines otherwise, school office personnel and custodial personnel are expected to report for work on an emergency closed day. It is the intention of this rule that all school offices be uniformly closed or open on a day when the schools are closed for emergency.

## C. Delayed Opening

1. When circumstances are such as to require the late opening of school, the school day will ordinarily be delayed by two hours. All beginning schedules will be in effect, modified only by the two hour delay.
2. The decision to delay the opening of school will be made as soon as practicable. Notice of the delayed opening will be given in accordance with B.
3. Unless the Superintendent determines otherwise, school office personnel and custodial personnel are expected to report to work on time.
4. If weather conditions ~~deteriorate~~ **change** after a delayed opening has been announced, the Superintendent may decide to close schools for the day. This decision will be made as soon as practicable. Notice of the closing of schools for the day will be given in accordance with B.
5. The Principal of each school will modify the school's schedule to accommodate the shorter day. Morning schedules may be canceled. After-school and athletic events may be canceled.
6. Lunch will be served as usual, but may be delayed.

## D. Early Dismissal

1. ~~A~~ **The decision by the Superintendent or designee** to close school early will be promptly relayed to:
  - a. Building Principals in the affected schools,
  - b. The Transportation Coordinator,
  - c. Other individuals or offices to be notified,
  - d. Private schools to which transportation is provided for district children, and
  - e. Ridgewood Police Department.
2. Building Principals in the affected schools will promptly notify all **school** staff members of the early closing, using appropriate building procedures.

3. The district's alert system, ~~Swift Reach (reverse 911)~~ Skyward (School Messenger) will inform parent(s) or legal guardian(s) of early dismissal.
4. Buses may be loaded as soon as they arrive at the school and may depart as soon as all pupils assigned to the bus have boarded.
5. A parent(s) or legal guardian(s) may come to the school and sign out his/her child at any time after the decision to close early has been made. Any removal of a child must be in strict accordance with Policy No. 5230 regarding the person(s) to whom a child may be released.
6. The Principal will designate a safe and secure location in the school building to which may be assigned pupils whose parent or temporary caretaker could not be reached by telephone or other means **or the student was unable to be released from school early for good reason.**
  - a. A teaching staff member will be assigned to supervise the pupils who remain in the school.
  - b. ~~Pupils who have remained in the school will be released at the time school regularly closes, by whatever means of transportation they would have taken were the school not closed early.~~
  - c. ~~The Principal may arrange for a late bus or transportation by private vehicle for pupils retained at the school.~~

## E. Emergency Minimum Day

The Emergency Minimum Day option is intended for emergency conditions that are known or anticipated before the start of school, and are expected to occur or worsen during the afternoon hours.

Emergency Minimum Days will be announced in the same manner as procedures for closing of schools, delayed openings, and early dismissals.

On Emergency Minimum Days pupils will attend school as follows:

Kindergarten (AM)	8:45 a.m.- <del>11:20 a.m</del> <b>12:45p.m.</b>
Grades 1 – 5	8:45 a.m. – 12:45 p.m.
Grades 6 – 8	<del>8:050</del> a.m. – 12:15 p.m.
Grades 9 – 12	<del>7:475</del> a.m. – 12: <del>06</del> <b>10</b> p.m.

# RIDGEWOOD BOARD OF EDUCATION

OPERATIONS

8462/PAGE 1 OF 3

Reporting Potentially Missing  
or Abused Children

M

## 8462 REPORTING POTENTIALLY MISSING OR ABUSED CHILDREN

The Board of Education recognizes early detection of missing, abused, or neglected children is important in protecting the health, safety, and welfare of all children. In recognition of the importance of early detection of missing, abused, or neglected children, the Board of Education adopts this Policy pursuant to the requirements of N.J.S.A. 18a:36-2 and 18A:36-25. The Board provides this Policy for its employees, volunteers, or interns for the early detection of missing, abused, or neglected children through notification of, reporting to, and cooperation with the appropriate law enforcement and child welfare authorities pursuant to N.J.S.A. 18A:36-24 and 18A:36-25 et seq., N.J.A.C. 6A:16-11.1, and N.J.S.A. 9:6-8.10, **and N.J.A.C. 6A:22-4.1(d)**.

Employees, volunteers, or interns working in the school district shall immediately notify designated child welfare authorities of incidents of alleged missing, abused, and/or neglected children. Reports of incidents of alleged missing, abused, or neglected children shall be reported to the New Jersey State Central Registry (SCR) at 1-877 NJ ABUSE or to any other telephone number designated by the appropriate child welfare authorities. If the child is in immediate danger, a call shall be placed to 911 as well as to the SCR.

**The school district shall prominently display information about the Department of Children and Families' State Central Registry, a toll-free hotline for reporting child abuse, in each school of the district. The information shall give instructions to call 911 for emergencies and shall include directions for accessing the Department of Children and Families' website or social media platforms for more information on reporting abuse, neglect, and exploitation.**

**The information shall be in a format and language that is clear, simple, and understandable. The information shall be on a poster and displayed at each school in at least one high-traffic, highly and clearly visible public area that is readily accessible to and widely used by students, pursuant to N.J.S.A. 18A:33.28.**

The person having reason to believe that a child may be missing or may have been abused or neglected may inform the Principal or other designated school official(s) prior to notifying designated child welfare authorities if the action will not delay immediate notification. The person notifying designated child welfare authorities shall inform the Principal or other designated school official(s) of the notification, if such had not occurred prior to the notification. Notice to the Principal or other designated school official(s) need not be given when the person believes that such notice would likely endanger the reporter or student involved or when the person believes that such disclosure would likely result in retaliation against the student or in discrimination against the reporter with respect to his or her employment.

The Principal or other designated school official(s) upon being notified by a person having reason to believe that a child may be missing or may have been abused or neglected, must notify appropriate law enforcement authorities. Notification to appropriate law enforcement authorities shall be made for all reports by employees, volunteers, or interns working in the school district. Confirmation by another person is not required for a school district employee, volunteer, or intern to report the suspected missing, abused, or neglected child situation.

School district officials will cooperate with designated child welfare and law enforcement authorities in all investigations of potentially missing, abused, or neglected children in accordance with the provisions of N.J.A.C. 6A:16-11.1(a)5.

The district designates the Director of Special Programs as the school district's liaison to designated child welfare authorities to act as the primary contact person between the school district and child welfare authorities with regard to general information sharing and the development of mutual training and other cooperative efforts. The district designates the Superintendent or designee as the school district's liaison to law enforcement authorities to act as the primary contact person between the school district and law enforcement authorities, pursuant to N.J.A.C. 6A:16-6.2(b)1, consistent with the Memorandum of Agreement, pursuant to N.J.A.C. 6A:16-6.2(b)13.

An employee, volunteer, or intern working in the school district who has been named as a suspect in a notification to child welfare and law enforcement authorities regarding a missing, abused, or neglected child situation shall be entitled to due process rights, including those rights defined in N.J.A.C. 6A:16-11.1(a)9.

The Superintendent or designee shall provide training to school district employees, volunteers, or interns on the district's policy and procedures for reporting allegations of missing, abused, or neglected child situations. All new school district employees, volunteers, or interns working in the district shall receive the required information and training as part of their orientation.

There shall be no reprisal or retaliation against any person who, in good faith, reports or causes a report to be made of a potentially missing, abused, or neglected child situation pursuant to N.J.S.A. 9:6-8.13.

# RIDGEWOOD BOARD OF EDUCATION

PROGRAM  
2270/page 1 of 2  
Religion in the Schools

~~The Board believes that an understanding of religions and the contributions that religion has made to the advancement of civilization is essential to the thorough education of young people and to their appreciation of a pluralistic society. To that end, the curriculum may be developed to include, as appropriate to the various ages and attainments of the pupils, instruction about the religions of the world~~

~~The Board also acknowledges the degree to which a religious consciousness has enriched the arts, literature, music, and issues of morality. The instructional and resource materials approved for use in the schools of this district frequently contain religious references or concern moral issues that have traditionally been the focus of religious concern. That such materials may, therefore, be religious in nature shall not, by itself, bar their use by the district. The Board directs that teaching staff members employing such materials be neutral in their approach and avoid using them to advance or inhibit religion in any way.~~

~~The Board recognizes that religious traditions vary in their perceptions and doctrines regarding the natural world and its processes. The curriculum is chosen for its place in the thorough and efficient education of the children of this district, not for its conformity to religious principles. Pupils should receive unbiased instruction in the schools so that they may privately accept or reject the knowledge so gained in accordance with their own religious tenets.~~

**Any issues regarding religion in the schools and the provisions of this Policy shall be referred to the Superintendent of Schools who may consult with the Board Attorney.**

## POLICY

PROGRAM

2431.3/page 1 of 2

Ridgewood High School

Heat Acclimatization

### Heat Participation Policy for Student-Athlete Safety

2431.3 ~~RIDGEWOOD HIGH SCHOOL PRACTICE AND PRE SEASON HEAT ACCLIMATIZATION FOR SCHOOL SPONSORED ATHLETICS AND EXTRA CURRICULAR ACTIVITIES~~ HEAT PARTICATIPATION POLICY FOR STUDENT-ATHLETE SAFETY

The goal of the Ridgewood High School Heat Acclimatization Policy is to insure the safety of our student-athletes while enhancing exercise heat tolerance and the ability to exercise safely and effectively in warm to hot conditions. This policy includes practice guidelines and a system of evaluating individual student-athlete's hydration levels. All Ridgewood student athletes will receive an educational presentation on proper hydration and heat illness.

Therefore, the Board of Education requires the implementation of the practice and pre-season heat acclimation procedures as recommended by the New Jersey State Interscholastic Athletic Association (NJSIAA) for students participating in all school-sponsored athletic programs and extra-curricular activities during warm weather months. The Superintendent of Schools or designee shall ensure the implementation of the Practice and Pre-Season Heat-Acclimation Procedures.

#### Practice Guidelines:

For all sports, on days one and two, athletes may not participate in more than three total hours of practice. Warm-up, stretching, cool-down activities, and strength/speed training are included as part of the three hour practice time. A three hour recovery period, in a cool environment, should be inserted between practices. All athletes should be instructed to shower in cool water after each practice in order to reduce body temperature.

For football, on day one, helmets are the only protective equipment permitted. On day two, helmets and shoulder pads are allowed to be worn.

For all sports, on days three and four, athletes may not participate in more than 3.5 hours of practice and no practice can exceed three hours. A three hour recovery period, in a cool environment, should be inserted between practices. All athletes should be instructed to shower in cool water after each practice in order to reduce body temperature.

For football, full equipment may be worn.

For all sports, any day in which athletes participate in more than three hours of practice must be followed by a day in which athletes participate in no more than 3 hours of practice.

For all sports, beginning with day five, athletes may not participate in more than four hours of practice and no practice can exceed three hours. A three hour recovery period, in a cool environment, should be inserted between practices. All athletes should be instructed to shower in cool water after each practice in order to reduce body temperature.

For all sports, after six consecutive practices, athletes are required to have one complete day of rest (no conditioning, walk-throughs, or practice).

Because the risk of exertional heat illnesses during the preseason is high, the athletic trainer must be on site before, during, and after all practices.

### Wet Bulb Globe Temperature Guidelines:

The Wet Bulb Globe Temperature (WBGT) is a composite temperature used to estimate the effect of temperature, humidity, and solar radiation. The athletic trainer will use a digital psychrometer to measure the wet bulb globe temperature 10-15 minutes before practice. The athletic trainer will inform all coaches of any necessary accommodations.

<i>Level</i>	<i>WBGT</i>	<i>Risk</i>	<i>Fluid</i>	<i>Accommodations</i>
Green	< 73°	Moderate	Every 15-20 mins	None
Yellow	73°-82°	High	Every 15-20 mins	Use caution
Red	82°-90°	Very High	Every 15 mins	Reduce intensity Modify practice Remove protective equipment for non-contact drills
Black	> 90°	Extreme	Rehydrate 24 oz per pound of wt loss	No outdoor practice

### Hydration Guidelines:

All athletes will weigh in, before and after each practice. Weight charts will be monitored daily by the coach and the athletic trainer. Athletes with weight loss greater than 3% will be held from practice until they have adequately replaced their weight.

Water will be available to athletes throughout all practices. All athletes will be instructed to replenish fluids every 15 -20 minutes.

2622 STUDENT ASSESSMENT

The Commissioner of Education, in accordance with N.J.S.A. 18A:7C-1 et seq. and 18A:7E-2 and 3, may implement assessments of student achievement in any grade(s) and by such assessments as he or she deems appropriate. The Commissioner shall report to the State Board of Education the results of such assessments.

The Commissioner shall implement a system and related schedule of Statewide assessments to evaluate student achievement of the New Jersey Student Learning Standards (NJSLs). The Commissioner, with the approval of the State Board of Education, shall define the scope and level of student performance on Statewide assessments that demonstrate thorough understanding of the knowledge and skills delineated by the NJSLs at grade levels three through twelve. After consultation with the Commissioner, the State Board of Education shall establish by resolution uniform Statewide criteria defining adequate school district progress toward meeting the NJSLs.

State assessments provide parents with important information about their child's progress; detailed information about each individual student's performance that educators, parents, and students can utilize to enhance foundational knowledge and student achievement; and include item analysis which will clarify a student's level of knowledge and understanding of a particular subject or area of a subject. The data derived from State assessments can be assessed and may be utilized by teachers and administrators to pinpoint areas of difficulty and customize instruction accordingly as a student progresses to successive school levels.

Pursuant to N.J.A.C. 6A:8-4.1(b) and (c), all students at grade levels three through twelve, and at any other grade(s) designated by the Commissioner pursuant to N.J.A.C. 6A:8-4.1(a), shall take all appropriate Statewide assessments as scheduled. There is no provision for a student to opt-out of Statewide assessments. If a student is absent on a testing date, the student will be expected to take the missed test on another school day. Parents and students will be informed of all scheduled testing dates, including make-up testing dates for students who missed the initial testing date.

Statewide Assessments System

The Superintendent of Schools shall develop and annually present to the Board for its approval an assessment program that complies with the rules of the State Board of Education.

5111 ELIGIBILITY OF RESIDENT/NONRESIDENT STUDENTS

The Board of Education shall admit to its schools, free of charge, persons over five and under twenty years of age, pursuant to N.J.S.A. 18A:38-1, or such younger or older students as is otherwise entitled by law to a free public education.

Eligibility to Attend School

The Board shall admit students eligible to attend school free of charge that are domiciled within the district as defined in N.J.A.C. 6A:22-3.1.

A child who is domiciled within the school district and resides with a parent or guardian who is a member of the New Jersey National Guard or a member of the reserve component of the armed forces of the United States who is ordered into active military service in a time of war or national emergency shall be permitted to remain enrolled in the school district in which the child is domiciled at the time of the parent or guardian being ordered into active military service, regardless of where the child resides during the period of active duty. Following the return of the child's parent or guardian from active military service, the child's eligibility to remain enrolled in the school district pursuant to N.J.A.C. 18A:38-3.1 shall cease at the end of the current school year unless the child is domiciled in the school district.

The Board shall also admit any student that is kept in the home of a person other than the student's parent or guardian, where the person is domiciled in the school district and is supporting the student without remuneration as if the student were his or her own child in accordance with N.J.A.C. 6A:22-3.2. A student is only eligible to attend school in the district pursuant to N.J.A.C. 6A:22-3.2 if the student's parent or guardian files, together with documentation to support its validity, a sworn statement that he or she is not capable of supporting or providing care for the student due to family or economic hardship and the student is not residing with the other person solely for the purpose of receiving a free public education. In addition, the person keeping the student must file, if so required by the Board of Education, a sworn statement that he or she: is domiciled within the school district; is supporting the child without remuneration and intends to do so for a time longer than the school term; will assume all personal obligations for the student relative to school requirements; and provides a copy of his or her lease if a tenant, a sworn landlord's statement if residing as a tenant without a written lease, or a mortgage or tax bill if an owner. Pursuant to N.J.S.A. 18A:38-1, any person who fraudulently allows a child of another person to use his or her residence and is not the primary financial supporter of that child and any person who fraudulently claims to have given up custody of his or her child to a person in another district commits a disorderly person's offense.

A student is eligible to attend school in this school district free of charge pursuant to N.J.S.A. 18A:38-1 if the student is kept in the home of a person domiciled in the school district, who is not the parent or guardian and the parent or guardian is a member of the New Jersey National Guard or the reserve component of the United States armed forces and has been ordered into active military service in the United States armed forces in time of war or national emergency. Eligibility under this provision shall cease at the end of the current school year during which the parent or guardian returns from active military duty.

A student is eligible to attend school in this school district free of charge pursuant to N.J.S.A. 18A:38-1 if the student's parent or guardian temporarily resides within the school district and elects to have the student attend the school district of temporary residence, notwithstanding the existence of a domicile elsewhere. When required by the Board of Education, the parent or guardian shall demonstrate the temporary residence is not solely for purposes of a student attending the school district of temporary residence. When one of a student's parents or guardians temporarily resides in the school district while the other is domiciled or temporarily resides elsewhere, eligibility to attend school shall be determined in accordance with the criteria of N.J.A.C. 6A:22-3.1(a)1.i.

A student is eligible to attend this school district free of charge:

1. If the student's parent or guardian moves to another school district as the result of being homeless, subject to the provisions of N.J.A.C. 6A:17-2 - Education of Homeless Children;
2. If the student is placed by court order or by a society, agency, or institution in the home of a school district resident pursuant to N.J.S.A. 18A:38-2;
3. If the student previously resided in the school district and if the parent(s) or legal guardian(s) is a member of the New Jersey National Guard or the United States reserves and has been ordered to active service in time of war or national emergency, resulting in the relocation of the student out of the school district, pursuant to N.J.S.A. 18A:38-3. The school districts shall not be obligated for transportation costs; and
4. If the student resides on federal property within the State pursuant to N.J.S.A. 18A:38-7.7 et seq.

Notwithstanding the provisions of N.J.S.A. 18A:38-1 or any other law, rule, or regulation to the contrary, a student who moves out of the school district as a result of domestic violence, sexual abuse, or other family crises shall be permitted to remain enrolled in the school district for the remainder of the school year in pursuant to N.J.S.A. 18A:38-1.1 and in accordance with the provisions of N.J.A.C. 6A:22-3.2(h). If the student remains enrolled in the school district for the remainder of the school year, the school district shall provide transportation services to the student, provided the student lives remote from school, and the State shall reimburse the school district for the cost of the transportation services. Nothing in N.J.S.A. 18A:38-1.1 shall be construed to affect the rights of homeless students pursuant to N.J.S.A 18A:7B-12, N.J.S.A. 18A:7B-12.1, or any other applicable State or Federal law.

A student’s eligibility to attend this school shall not be affected by the physical condition of an applicant’s housing or his or her compliance with local housing ordinances or terms of lease.

Except as set forth in N.J.A.C. 6A:2-3.3(b)1, immigration/visa status shall not affect eligibility to attend school and the school district shall not condition enrollment in the school district on immigration status. A student’s immigration/visa status and their eligibility to attend school shall be in accordance with N.J.A.C. 6A:22-3.3(b) and Regulation 5111.

**Proof of Eligibility**

The Board of Education shall accept a combination of forms of documentation from persons attempting to demonstrate a student’s eligibility for enrollment in the school district in accordance with the provisions of N.J.A.C. 6A:22-3.4. The Board of Education shall consider the totality of information and documentation offered by an applicant, and shall not deny enrollment based on failure to provide a particular form or a subset of documents, without regard to other evidence presented.

The Board of Education shall not condition enrollment on the receipt of information or documents protected from disclosure by law, or pertaining to criteria that are not a legitimate basis for determining eligibility to attend school as outlined in N.J.A.C. 6A:22-3.4(d). The Board of Education may consider, in a manner consistent with Federal law, documents or information referenced in N.J.A.C. 6A:22-3.4(d) or pertinent parts thereof if voluntarily disclosed by the applicant. The Board of Education may not, directly or indirectly, require or request such disclosure as an actual or implied condition of enrollment. ~~However,~~ In the case of a dispute between the school district and the parent or guardian of a student in regard to the student’s eligibility to enroll in the school district or to remain enrolled in the school district pursuant to the provisions of N.J.S.A. 18A:38-1, the school district may request from the

Motor Vehicle Commission (NJMVC) the parent or guardian's name and address for use in verifying a student's eligibility for enrollment in the school district in accordance with the provisions of N.J.S.A. 18A:38-1-3. **The NJMVC shall disclose to a school district the information requested in accordance with procedures established by the NJMVC. However, the school district shall not condition enrollment in the district on immigration status or on the fact that the NJMVC does not have the name or address of the parent on file.**

## Registration Forms and Procedures for Initial Assessment

Registration and initial determinations of eligibility will be in accordance with N.J.A.C. 6A:22-4.1. The Board of Education shall use Commissioner-provided registration forms or locally developed forms that are consistent with the forms provided by the Commissioner. A district-level administrator designated by the Superintendent shall be clearly identified to applicants and available to assist persons who experience difficulties with the enrollment process.

Initial eligibility determinations shall be made upon presentation of an enrollment application, and enrollment shall take place immediately except in cases of clear, uncontested denials. Enrollment shall take place immediately when an applicant has provided incomplete, unclear, or questionable information, but the applicant shall be notified that the student will be removed from the school district if defects in the application are not corrected, or an appeal is not filed, in accordance with subsequent notice to be provided pursuant to N.J.A.C. 6A:22-4.2.

When a student appears ineligible based on the information provided in the initial application, the school district shall issue a preliminary written notice of ineligibility, including an explanation of the right to appeal to the Commissioner of Education. Enrollment shall take place immediately if the applicant clearly indicates disagreement with the district's determination and an intent to appeal to the Commissioner of Education. An applicant whose student is enrolled pursuant to this provision shall be notified that the student will be removed, without a hearing before the Board, if no appeal is filed within the twenty-one day period established by N.J.S.A. 18A:38-1.

When enrollment is denied and no intent to appeal is indicated, applicants shall be advised they shall comply with compulsory education laws. When the student is between the ages of six and sixteen, applicants also shall be asked to complete a written statement indicating the student will be attending school in another school district or a nonpublic school, or receiving instruction elsewhere than at a school pursuant to N.J.S.A. 18A:38-25. In the absence of this written statement, designated staff shall report to the school district of actual domicile or residence, or the Department of Children and Families, a potential instance of “neglect” for the purposes of ensuring compliance with compulsory education law, N.J.S.A. 9:6-1. Staff shall provide the school district or the Department of Children and Families with the student’s name, the name(s) of the parent/guardian/resident, and the student’s address to the extent known. Staff shall also indicate admission to the school district has been denied based on residency or domicile, and there is no evidence of intent to arrange for the child to attend school or receive instruction elsewhere.

Enrollment or attendance at the school district shall not be conditioned on advance payment of tuition when enrollment is denied and an intent to appeal is indicated, or when enrollment is provisional and subject to further review or information. The Board of Education shall ensure the registration process identifies information suggesting an applicant may be homeless so procedures may be implemented in accordance with N.J.A.C. 6A:17-2, Education of Homeless Children. Enrollment or attendance in the school district shall not be denied based upon the absence of the certified copy of the student’s birth certificate or other proof of a student’s identity as required within thirty days of initial enrollment, pursuant to N.J.S.A. 18A:36-25.1.

Enrollment in the school district shall not be denied based upon absence of student medical information. However, actual attendance at school may be deferred until the student complies with student immunization rules set forth in N.J.A.C. 8:57-4.

When enrollment in the school district, attendance at school, or the receipt of educational services in the regular education program appears inappropriate, the student shall not be denied based upon the absence of a student’s prior educational record. However, the applicant shall be advised the student’s initial educational placement may be subject to revision upon the school district’s receipt of records or further assessment of the student.

## Notice of Ineligibility

When a student is found ineligible to attend the school district pursuant to N.J.A.C. 6A:22 or the student's initial application is found to be deficient upon subsequent review or investigation, the school district immediately shall provide to the applicant notice that is consistent with Commissioner-provided sample form(s) and meets requirements of N.J.A.C. 6A:22-4 et. seq. Notices shall be in writing; in English and in the native language of the applicant; issued by the Superintendent; and directed to the address at which the applicant claims to reside. Notices of ineligibility shall include information as outlined in N.J.A.C. 6A:22-4.2.

## Removal of Currently Enrolled Students

Nothing in N.J.A.C. 6A:22 et seq. and this Policy shall preclude the Board of Education from identifying through further investigation or periodic requests for revalidation of eligibility, students enrolled in the school district who may be ineligible for continued attendance due to error in initial assessment, changed circumstances, or newly discovered information.

When a student who is enrolled and attending school based on an initial eligibility determination is later determined to be ineligible for continued attendance, the Superintendent may apply to the Board of Education for the student's removal in accordance with the provisions of N.J.A.C. 6A:22-4.3. No student shall be removed from school unless the parent, guardian, adult student, or resident keeping an "affidavit student" (as defined in N.J.A.C. 6A:22-1.2) has been informed of his or her entitlement to a hearing before the Board of Education. Once the hearing is held, or if the parent, guardian, adult student or resident keeping an "affidavit student", does not respond within the designated time frame to the Superintendent's notice or appear for the hearing, the Board of Education shall make a prompt determination of the student's eligibility and shall immediately provide notice in accordance with N.J.A.C. 6A:22-4.2. Hearings required pursuant to N.J.A.C. 6A:22-4.3 may be conducted by the full Board or a Board Committee, at the discretion of the full Board. If the hearing(s) is conducted by a Board Committee, the Committee shall make a recommendation to the full Board for action. No student may be removed except by vote of the Board taken at a meeting duly convened and conducted pursuant to N.J.S.A. 10:4-6 et seq., the Open Public Meetings Act.

## Appeal to the Commissioner

An applicant may appeal to the Commissioner of Education the school district's determination that a student is ineligible to attend its schools. Appeals shall be initiated by petition which shall be filed in accordance with N.J.S.A. 18A:3-1 and N.J.A.C. 6A:3-8.1 and shall proceed as a contested case pursuant to N.J.A.C. 6A:3. Pursuant to N.J.S.A. 18A:38-1., appeals of "affidavit student" eligibility determinations shall be filed by the resident keeping the student.

## Assessment and Calculation of Tuition

If no appeal to the Commissioner is filed following notice of an ineligibility determination, the Board may assess tuition for up to one year of a student's ineligible attendance, including the twenty-one day period provided by N.J.S.A. 18A:38-1 for appeal to the Commissioner. Tuition will be assessed and calculated in accordance with N.J.A.C. 6A:22-6.3 et seq. If the responsible party does not pay the tuition assessment, the Board of Education may petition the Commissioner pursuant to N.J.A.C. 6A:3 for an order assessing tuition, enforceable in accordance with N.J.S.A. 2A:58-10 through recording, upon request of the Board of Education pursuant to N.J.A.C. 6A:3-12, on the judgment docket of the Superior Court, Law Division.

If an appeal to the Commissioner is filed and the petitioner does not sustain the burden of demonstrating the student's right to attend the school district, or the petitioner withdraws the appeal, fails to prosecute, or abandons the appeal by any means other than settlement agreeing to waive or reduce tuition, the Commissioner may assess tuition in accordance with the provisions of N.J.A.C. 6A:22-6.2(a). Upon the Commissioner's finding that an appeal has been abandoned, the Board of Education may remove the student from school and seek tuition in accordance with N.J.A.C. 6A:22-6.2.

## Nonresident Students

The admission of a nonresident student to school free of charge must be approved by the Board, upon the recommendation of the Superintendent and subject to the needs of the district. No student otherwise eligible shall be denied admission on the basis of the student's race, color, creed, religion, national origin, ancestry, age, marital status, affectional or sexual orientation or sex, social or economic status, or disability. A written request for permission to enroll a child of a nonresident staff member, including school preference, must be submitted to and approved in writing by the Superintendent at least thirty (30) days prior to admittance. Transportation will be provided by the staff member. The continued enrollment of any nonresident student shall be contingent upon the student's maintenance of good standards of citizenship, academic standing and discipline, as well as family behavior toward school personnel and/or the needs of the district.

## Change in Residence

Seniors who have completed their junior year in Ridgewood High School and whose parent(s) or legal guardian(s) change their residence out of the district after that time may finish their studies at Ridgewood High School on a tuition basis. Other students may finish the year on a tuition basis if parent(s) or legal guardian(s) change residence out of district February 1 or later. Students whose parent(s) or legal guardian(s) change residence after May 1 may continue schooling on a non-tuition basis for the remainder of the school year.

## Other Nonresident Children

Other nonresident children, otherwise eligible for attendance, may be admitted to school in this district with payment of tuition if their admission is warranted by the inaccessibility of school in their home district, the singular availability of an appropriate educational program in this district, the avoidance of transfer and readmission of a child whose legal custody is shared by a parent(s) or legal guardian(s) residing in this district, or other good cause. The parent(s) or legal guardian(s) must submit an application to the Superintendent for review and consideration. Special Education students may not be enrolled in the district under this provision. Students in this provision are not eligible for any formal educational intervention services.

## Children of District Employees

Children of nonresident permanent, salaried staff members of the Board of Education may be admitted to the schools of the district at a tuition rate, set annually by the Board of Education at its Reorganization Meeting, upon the recommendation of the Superintendent and the approval of the Board. Special Education students may not be enrolled in the district under this provision. Students in this provision are not eligible for any formal educational intervention services.

- a. A written request for permission to enroll a child of a nonresident staff member, including school preference, must be submitted to and approved in writing by the Superintendent at least thirty (30) days prior to admittance. Transportation will be provided by the staff member.
- b. Annually, the nonresident staff member must submit a letter to the Superintendent requesting their child to be approved for admittance in the district in the subsequent school year. All such letters must be received by the Superintendent by May 15 of the current school year in order for the child to be considered for admittance in the following school year. The Superintendent will notify the nonresident staff member of his decision, in writing, no later than June 15 of the current school year. A written request for permission to enroll a child of a nonresident staff member, including school preference, must be submitted to and approved in writing by the Superintendent at least thirty (30) days prior to admittance. Transportation will be provided by the staff member.
- b. By August 1 preceding the new school year, all nonresident staff members will be billed by

## Eligibility of Resident/Nonresident Students

the Business Office at the rates established at the annual reorganization meeting. Payment is due to the Business Office no later than the last Friday prior to the opening of school for students. If this payment is not received in a timely fashion, interest will be charged at a rate of 1% per month until payment is received. If payment is not received by the last Friday in January, the nonresident staff member will be required to meet with the Superintendent to explain the reason for nonpayment. Within three days of that meeting, the Superintendent will issue, in writing, his decision concerning the continued enrollment of the staff member's child(ren).

## Home Construction

Families domiciled in the school district for a minimum of 12 months and attending the Ridgewood Public Schools prior to major home renovations where the family must vacate the premises, must obtain Board of Education approval to continue attending the district schools free of charge for a period of 18 months with proof of building permits/documentation. After 18 months, a one-time extension for a period of 6 months can be obtained and will necessitate additional proof of building status and progress. The Board of Education will assess tuition for students after the initial 24-month period. The Board of Education will require proof of occupancy when residence is reoccupied.

## F-1 and J-1 Visa Students

The school district **is not required to, but may** ~~will~~ permit the attendance of F-1 and J-1 Visa students into the school district only with the payment of full tuition and a signed tuition contract. The district may require advance payment of full tuition before providing the requested I-20 Form, in accordance with the provisions of Federal regulation 8 CFR 214.3. An F-1 Visa is granted to a foreign student through an application process that must include, but is not limited to, signed approval by the receiving school district exhibiting the receiving school district will accept the foreign student for enrollment and the foreign student's proof of financial means to pay the full tuition to the receiving school district for the academic year. **The host family must be domiciled in the school district and shall submit a request to the Superintendent of Schools with supporting documentation as determined by the Superintendent or designee. A student with an F-1 or J-1 Visa must be approved by the Board for attendance in the school district. The student's continued attendance in the school district shall be conditioned on a satisfactory attendance and disciplinary record.**

**R 5111 ELIGIBILITY OF RESIDENT/NONRESIDENT PUPILS**

**A. Definitions**

1. “Affidavit student” means a student attending, or seeking to attend, school in a district pursuant to N.J.S.A. 18A:38-1. and N.J.A.C. 6A:22-3.2(a).
2. “Appeal” means contested case proceedings before the Commissioner of Education pursuant to N.J.A.C. 6A:3, Controversies and Disputes.
3. “Applicant” means a parent, guardian, or a resident supporting an affidavit student who seeks to enroll a student in a school district; or an unaccompanied homeless youth or adult student who seeks to enroll in a school district.
4. “Commissioner” means the Commissioner of Education or his/her designee.
5. “Guardian” means a person to whom the court or competent jurisdiction has awarded guardianship or custody of a child, provided that a residential custody order shall entitle a child to attend school in the residential custodian’s school district unless it can be proven that the child does not actually live with the custodian. “Guardian” also means the Department of Children and Families for purposes of N.J.S.A. 18A:38-1.

**B. Eligibility to Attend School – Students Domiciled in the District**

1. A student over five and under twenty years of age pursuant to N.J.S.A. 18A:38-1, or such younger or older student as is otherwise entitled by law to a free public education, is eligible to attend school in this school district if the student is domiciled within the district:
  - a. A student is domiciled in the school district when he or she is living with a parent or guardian whose domicile is located within the school district.

- (1) When a student's parents or guardians are domiciled within different school districts and there is no court order or written agreement between the parents designating the school district of attendance, the student's domicile is the school district of the parent or guardian with whom the student lives for the majority of the school year. This provision shall apply regardless of which parent has legal custody.
- (2) When a student's physical custody is shared on an equal-time, alternating week/month or other similar basis so the student is not living with one parent or guardian for a majority of the school year and there is no court order or written agreement between the parents designating the school district of attendance, the student's domicile is the present domicile of the parent or guardian with whom the student resided on the last school day prior to October 16 preceding the application date.
  - (a) When a student resided with both parents or guardians, or with neither parent or guardian, on the last school day prior to the preceding October 16, the student's domicile is the domicile of the parent or guardian with whom the parents or guardians indicate the student will be residing on the last school day prior to the ensuing October 16. When the parents or guardians do not designate or cannot agree upon the student's likely residence as of that date, or if on that date the student is not residing with the parent or guardian previously indicated, the student shall attend school in the school district of domicile of the parent or guardian with whom the student actually lives as of the last school day prior to October 16.
  - (b) When the domicile of the student with disabilities as defined in N.J.A.C. 6A:14 cannot be determined pursuant to N.J.A.C. 6A:22-3.1, nothing shall preclude an equitable determination of shared responsibility for the cost of such student's out-of-district placement.
- (3) When a student is living with a person other than a parent or guardian, nothing in N.J.A.C. 6A:22-3.1 is intended to limit the student's right to attend school in the parent or guardian's school district of domicile pursuant to the provisions of N.J.A.C. 6A:22.

- (4) No school district shall be required to provide transportation for a student residing outside the school district for all or part of the school year unless transportation is based upon the home of the parent or guardian domiciled within the school district or otherwise required by law.
  
  - b. A student is domiciled in the school district when he or she has reached the age of eighteen or is emancipated from the care and custody of a parent or guardian and has established a domicile within the school district.
  
  - c. A student is domiciled in the school district when the student has come from outside the State and is living with a person domiciled in the school district who will be applying for guardianship of the student upon expiration of the six-month "waiting period" of State residency required pursuant to N.J.S.A. 2A:34-54 ("home state" definition) and 2A:34-65.a(1). However, a student may later be subject to removal proceedings if application for guardianship is not made within a reasonable period of time following expiration of the mandatory waiting period or if guardianship is applied for and denied.
  
  - d. A student is domiciled in the school district when his or her parent or guardian resides within the school district on an all-year-round basis for one year or more, notwithstanding the existence of a domicile elsewhere.
  
  - e. A student is domiciled in the school district if the Department of Children and Families is acting as the student's guardian and has placed the student in the school district.
2. When a student's dwelling is located within two or more school districts, or bears a mailing address that does not reflect the dwelling's physical location within a municipality, the school district of domicile for school attendance purposes shall be the municipality to which the majority of the dwelling's property tax is paid, or to which the majority of the dwelling's or unit's property tax is paid.
- a. When property tax is paid in equal amounts to two or more municipalities, and there is no established assignment for students residing in the affected dwellings, the school district of domicile for school attendance purposes shall be determined through assessment of individual proofs as provided pursuant to N.J.A.C. 6A:22-3.4.

- b. This provision shall not preclude the attendance of currently enrolled students who were permitted to attend the school district prior to December 17, 2001.
  - c. When a student's parent or guardian elects to exercise such entitlement, nothing in N.J.A.C. 6A:22-3.1 shall exclude a student's right to attend the school district of domicile although the student is qualified to attend a different school district pursuant to N.J.S.A. 18A:38-1. or the temporary residency (less than one year) provision of N.J.S.A. 18A:38-1.
3. Notwithstanding the provisions of N.J.S.A. 18A:38-1 or any other section of law to the contrary, a child who is domiciled within the school district and resides with a parent or guardian who is a member of the New Jersey National Guard or a member of the reserve component of the armed forces of the United States who is ordered into active military service in any of the armed forces of the United States in a time of war or national emergency, shall be permitted to remain enrolled in the school district in which the child is domiciled at the time of the parent or guardian being ordered into active military service, regardless of where the child resides during the period of active duty. The school district shall not be responsible for providing transportation for the child if the child lives outside of the district. Following the return of the child's parent or guardian from active military service, the child's eligibility to remain enrolled in the school district pursuant to N.J.S.A. **18A:38-3.1** shall cease at the end of the current school year unless the child is domiciled in the school district.

## C. Eligibility to Attend School – Other Students Eligible to Attend School

1. A student over five and under twenty years of age pursuant to N.J.S.A. 18A:38-1, or such younger or older student as is otherwise entitled by law to a free public education, is eligible to attend school in this school district pursuant to N.J.S.A. 18A:38-1.b if that student is kept in the home of a person other than the student's parent or guardian, and the person is domiciled in the school district and is supporting the student without remuneration as if the student were his or her own child;

- a. A student is not eligible to attend this school district pursuant to this provision unless:
  - (1) The student's parent or guardian has filed, together with documentation to support its validity, a sworn statement that he or she is not capable of supporting or providing care for the student due to family or economic hardship and that the pupil is not residing with the other person solely for the purpose of receiving a free public education; and
  - (2) The person keeping the student has filed, if so required by the Board of Education:
    - (a) A sworn statement that he or she is domiciled within the school district, is supporting the child without remuneration and intends to do so for a longer time than the school term, and will assume all personal obligations for the student pertaining to school requirements; and
    - (b) A copy of his or her lease if a tenant, ~~or~~ a sworn landlord's statement if residing as a tenant without a written lease, or a mortgage or tax bill if an owner.
- b. A student shall not be deemed ineligible under this provision because required sworn statement(s) cannot be obtained when evidence is presented that the underlying requirements of the law are being met, notwithstanding the inability of the resident or pupil to obtain the sworn statement(s).
- c. A student shall not be deemed ineligible under this provision when evidence is presented that the student has no home or possibility of school attendance other than with a school district resident who is not the student's parent or guardian but is acting as the sole caretaker and supporter of the student.
- d. A student shall not be deemed ineligible under this provision solely because a parent or guardian gives occasional gifts or makes limited contributions, financial or otherwise, toward the student's welfare provided the resident keeping the student receives from the parent or guardian no payment or other remuneration for regular maintenance of the student.

- e. Pursuant to N.J.S.A. 18A:38-1.c, any person who fraudulently allows a child of another person to use his or her residence, and is not the primary financial supporter of that child, and any person who fraudulently claims to have given up custody of his or her child to a person in another school district commits a disorderly persons offense.
2. A student over five and under twenty years of age pursuant to N.J.S.A. 18A:38-1, or such younger or older student as is otherwise entitled by law to a free public education, is eligible to attend school in this school district pursuant to N.J.S.A. 18A:38-1. if the student is kept in the home of a person domiciled in the school district, who is not the parent or guardian and the parent or guardian is a member of the New Jersey National Guard or the reserve component of the United States armed forces and has been ordered into active military service in the United States armed forces in time of war or national emergency.
  - a. Eligibility under this provision shall cease at the end of the school year during which the parent or guardian returns from active military duty.
3. A student over five and under twenty years of age pursuant to N.J.S.A. 18A:38-1, or such younger or older student-as is otherwise entitled by law to a free public education, is eligible to attend school in this school district pursuant to N.J.S.A. 18A:38-1. if the student's parent or guardian temporarily resides within the school district and elects to have the student attend the school district of temporary residence, notwithstanding the existence of a domicile elsewhere:
  - a. When required by the Board of Education, the parent or guardian shall demonstrate the temporary residence is not solely for purposes of the student attending the school district of temporary residence;
  - b. When one of a student's parents or guardians temporarily resides in a school district while the other is domiciled or temporarily resides elsewhere, eligibility to attend school shall be determined in accordance with N.J.A.C. 6A:22-3.1(a)1i. However, no student shall be eligible to attend school based upon a parent or guardian's temporary residence in a district unless the parent or guardian demonstrates, if required by the Board of Education, the temporary residence is not solely for purposes of a student's attending the school district.

4. A student over five and under twenty years of age pursuant to N.J.S.A. 18A:38-1, or such younger or older student as is otherwise entitled by law to a free public education, is eligible to attend school in this school district pursuant to N.J.S.A. 18A:38-1. if the student's pupil's parent or guardian moves to another school district as the result of being homeless, subject to the provisions of N.J.A.C. 6A:17-2, Education of Homeless Children.
5. A student over five and under twenty years of age pursuant to N.J.S.A. 18A:38-1, or such younger or older student as is otherwise entitled by law to a free public education, is eligible to attend school in this school district pursuant to N.J.S.A. 18A:38-2 if the student is placed by court order or by a society, agency, or institution in the home of a school district pursuant to N.J.S.A. 18A:38-2. -As used in this section, "court order" shall not encompass orders of residential custody under which claims of entitlement to attend a school district are governed by provisions of N.J.S.A. 18A:31-1 and the applicable standards set forth in N.J.A.C. 6A:22.
6. A student over five and under twenty years of age pursuant to N.J.S.A. 18A:38-1, or such younger or older student pupil as is otherwise entitled by law to a free public education, is eligible to attend school in this school district pursuant to N.J.S.A. 18A:38-3.b if the student had previously resided in the school district and if the parent or guardian is a member of the New Jersey National Guard or the United States reserves and has been ordered to active service in time of war or national emergency, resulting in the relocation of the student out of the school district. A school district admitting a student pursuant to N.J.S.A. 18A:38-3.b shall not be obligated for transportation costs.
7. A student over five and under twenty years of age pursuant to N.J.S.A. 18A:38-1, or such younger or older student as is otherwise entitled by law to a free public education, is eligible to attend the school in the district pursuant to N.J.S.A. 18A:38-7.7 et seq. if the student pupil resides on Federal property within the State.
8. In accordance with N.J.S.A. 18A:38-1.1, a student who is not considered homeless under N.J.S.A. 18A:7B-12 and who moves to a new school district during the academic year as a result of a family crisis shall be permitted to remain enrolled in the original school district of residence for the remainder of the school year without the payment of tuition. A student attending an academic program during the summer, who is otherwise eligible except for the timing of the move, shall be permitted to remain in the school district for the remainder of the summer program if it is considered an extension of the preceding academic year.

- a. For purposes of N.J.A.C. 6A:22-3.2(h) and Policy and Regulation 5111, "family crisis" shall include, but not be limited to:
  - (1) An instance of abuse such as domestic violence or sexual abuse;
  - (2) A disruption to the family unit caused by death of a parent or guardian; or
  - (3) An unplanned displacement from the original residence such as fire, flood, hurricane, or other circumstances that render the residence uninhabitable.
- b. Upon notification of the move by the parent or guardian, the original school district of residence shall allow the student to continue attendance and shall provide transportation services to and from the student's new domicile in accordance with N.J.S.A. 18A:39-1. The original school district of residence may request from the parent or guardian and may review supporting documentation about the reason(s) for the move; however, any such review shall not interrupt the student's continued enrollment in the school district and in the current school of attendance with the provision of transportation.
  - (1) Examples of documentation include, but are not limited to, newspaper articles, insurance claims, police or fire reports, notes from health professionals, custody agreements, or any other legal document.
- c. If the parent or guardian or the relevant documentation indicates the child is homeless pursuant to N.J.S.A. 18A:7B-12, the school district liaison shall assume the coordination of enrollment procedures pursuant to N.J.A.C. 6A:17-2.5 and the student shall not be eligible for enrollment under N.J.S.A. 18A:38-1.1.
- d. If the original school district of residence determines the situation does not meet the family crisis criteria outlined in 8.a. above, the Superintendent or designee shall notify the parent or guardian in writing. The notification shall inform the parent or guardian of his or her right to appeal the decision within twenty-one calendar days of his or her receipt of the notification, and shall state that if such appeal is denied, he or she may be assessed the costs for transportation provided to the new residence during the period of ineligible attendance. It shall also state whether the parent or guardian is required to withdraw the student by the end of the twenty-one day appeal period in the absence of an appeal.

- (1) The parent or guardian may appeal by submitting the request in writing with supporting documentation to the Executive County Superintendent of the county in which the original school district of residence is situated.
  - (2) Within thirty calendar days of receiving the request and documentation, the Executive County Superintendent shall issue a determination whether the situation meets the family crisis criteria set forth at 8.a. above. The original school district of residence shall continue to enroll the student and provide transportation to the current school of attendance in accordance with N.J.S.A. 18A:39-1 until the determination is issued.
  - (3) If the Executive County Superintendent determines the situation does not constitute a family crisis, the school district may submit to the Executive County Superintendent for approval the cost of transportation to the ineligible student's new domicile. The Executive County Superintendent shall certify the transportation costs to be assessed to the parent or guardian for the period of ineligible attendance.
- e. When the original school district of residence determines the situation constitutes a family crisis pursuant to N.J.S.A. 18A:38-1.1, the Superintendent or designee shall immediately notify the parent or guardian in writing.
- (1) When the original school district of residence anticipates the need to apply for reimbursement of transportation costs, it shall send to the Executive County Superintendent a request and documentation of the family crisis for confirmation the situation meets the criteria set forth at 8.a. above.
  - (2) Within thirty days of receiving the school district's request and documentation, the Executive County Superintendent shall issue a determination of whether the situation meets the criteria for a family crisis. The original school district of residence shall continue to enroll the student and provide transportation to the current school of attendance in accordance with N.J.S.A. 18A:39-1 until the determination is issued, and shall not be reimbursed for additional transportation costs unless the Executive County Superintendent determines the situation is a family crisis or as directed by the Commissioner upon appeal.

# REGULATION

# RIDGEWOOD BOARD OF EDUCATION

STUDENTS

R 5111/page 10 of 22

Eligibility of Resident/Nonresident Students

- f. In providing transportation to students under N.J.S.A. 18A:38-1.1, the Board shall use the most efficient and cost-effective means available and in conformance with all laws governing student transportation.
  - g. At the conclusion of the fiscal year in which the Executive County Superintendent has determined the situation constitutes a family crisis, the original school district of residence may apply to the Executive County Superintendent for a reimbursement of eligible costs for transportation services.
    - (1) Eligible costs shall include transportation for students who are required to be transported pursuant to N.J.S.A. 18A:39-1.
    - (2) The school district shall provide documentation of the transportation costs for the eligible student(s) to the Executive County Superintendent who shall review and forward the information to the Department's Office of School Facilities and Finance for reimbursement payment(s) to the school district.
    - (3) Payment to the school district shall be made in the subsequent fiscal year and shall equal the approved cost less the amount of transportation aid received for the student(s).
  - h. Nothing in N.J.A.C. 6A:22-3.2 shall prevent the Board of Education from allowing a student to enroll without the payment of tuition pursuant to N.J.S.A. 18A:38-3.a.
  - i. Nothing in N.J.A.C. 6A:22-3.2 shall prevent a parent or school district from appealing the Executive County Superintendent's decision(s) to the Commissioner in accordance with N.J.A.C. 6A:3-1.3. If the Commissioner of Education determines the situation is not a family crisis, his or her decision shall state which of the following shall pay the transportation costs incurred during the appeal process: the State, school district, or parent.
9. Children of nonresident staff members under contract to the Board of Education may be admitted to the schools of the district at a tuition rate, set annually by the Board of Education at its Reorganization Meeting, upon the recommendation of the Superintendent and the approval of the Board. **Special Education pupils may not be enrolled in the district under this provision.**

- a. A written request for permission to enroll a child of a nonresident staff member, including school preference, must be submitted to and approved in writing by the Superintendent at least thirty (30) days prior to admittance. Transportation will be provided by the staff member.
- b. Annually, the nonresident staff member must submit a letter to the Superintendent requesting their child to be approved for admittance in the district in the subsequent school year. All such letters must be received by the Superintendent by May 15 of the current school year in order for the child to be considered for admittance in the following school year. The Superintendent will notify the nonresident staff member of his decision, in writing, no later than June 15 of the current school year. Students must maintain good academic standing, citizenship, and discipline. Family members must behave properly toward school personnel.
- c. By August 1 preceding the new school year, all nonresident staff members will be billed by the Business Office at the rates established at the annual reorganization meeting. Payment is due to the Business Office no later than the last Friday prior to the opening of school for students. If this payment is not received in a timely fashion, interest will be charged at a rate of 1% per month until payment is received.

If payment is not received by the last Friday in January, the nonresident staff member will be required to meet with the Superintendent to explain the reason for nonpayment. Within three days of that meeting, the Superintendent will issue, in writing, his decision concerning the continued enrollment of the staff member's child(ren).

## D. Housing and Immigration Status

1. A student's eligibility to attend school shall not be affected by the physical condition of an applicant's housing or his or her compliance with local housing ordinances or terms of lease.
2. Except as set forth in a. below, immigration/visa status shall not affect eligibility to attend school. Any student over five and under twenty years of age pursuant to N.J.S.A. 18A:38-1, or such younger or older student as is otherwise entitled by law to a free public education, who is domiciled in the school district or otherwise eligible to attend school in the district pursuant to N.J.A.C. 6A:22-3.2 shall be enrolled without regard to, or inquiry concerning, immigration status.

- a. However, the provisions of N.J.S.A. 18A:38-1 and N.J.A.C. 6A:22 shall not apply to students who have obtained, or are seeking to obtain, a Certificate of Eligibility for Nonimmigrant Student Status (INS Form I-20) from the school district in order to apply to the INS for issuance of a visa for the purpose of limited study on a tuition basis in a United States public secondary school (“F-1” Visa).

### 3. F-1 Visa Students

The school district **is not required to, but may** ~~will~~ permit the attendance of F-1 Visa students into the school district with only with the payment of full tuition and a signed tuition contract. The district may require advance payment of full tuition before providing the requested I-20 form, in accordance with the provisions of Federal regulation 8 CFR 214.3. ~~An~~ F-1 or J-1 Visa is granted to a foreign student through an application process that must include, but is not limited to, signed approval by the receiving school district exhibiting the receiving school district will accept the foreign student for enrollment and the foreign student’s proof of financial means to pay the full tuition to the receiving school district for the academic year. **The host family must be domiciled in the school district and shall submit a request to the Superintendent of Schools with documentation as determined by the Superintendent or designee. A student with a F-1 or J-1 Visa must be approved by the Board for attendance in the school district. The student’s continued attendance in the school district shall be conditioned on a satisfactory attendance and disciplinary record.**

- E. Nothing in Policy and Regulation 5111 or N.J.A.C. 6A:22-3.2 shall be construed to limit the discretion of the Board to admit nonresident students, or the ability of a nonresident student to attend school with or without payment of tuition, with the consent of the district Board pursuant to N.J.S.A. 18A:38-3(a).

### F. Proof of Eligibility

1. The Board of Education shall accept a combination of any of the following or similar forms of documentation from persons attempting to demonstrate a student’s eligibility for enrollment in the school district:
  - a. Property tax bills; deeds; contracts of sale; leases; mortgages; signed letters from landlords; and other evidence of property ownership, tenancy or residency; and

- b. Voter registrations; licenses; permits; financial account information; utility bills; delivery receipts; and other evidence of personal attachment to a particular location;
    - c. Court orders; State agency agreements; and other evidence of court or agency placements or directives
    - d. Receipts; bills; cancelled checks; insurance claims or payments; and other evidence of expenditures demonstrating personal attachment to a particular location, or where applicable, to support of the student; pupil;
    - e. Medical reports; counselor or social worker assessments; employment documents; unemployment claims; benefit statements; and other evidence of circumstances demonstrating family or economic hardship, or temporary residency;
    - f. Affidavits, certifications and sworn attestations pertaining to statutory criteria for school attendance, from the parent, legal guardian, person keeping an "affidavit student," adult student, person(s) with whom a family is living, or others as appropriate;
    - g. Documents pertaining to military status and assignment; and
    - h. Any other business record or document issued by a governmental entity.
  2. The Board of Education may accept forms of documentation not listed above, and shall not exclude from consideration any documentation or information presented by an applicant.
  3. The Board of Education shall consider the totality of information and documentation offered by an applicant, and shall not deny enrollment based on failure to provide a particular form or a subset of documents, without regard to other evidence presented.
  4. The Board of Education shall not condition enrollment on the receipt of information or documents protected from disclosure by law, or pertaining to criteria that are not a legitimate basis for determining eligibility to attend school. They include, but are not limited to:
    - a. Income tax returns;
    - b. Documentation or information relating to citizenship or immigration/visa status, except as set forth in N.J.A.C. 6A:22-3.3(b);
    - c. Documentation or information relating to compliance with local housing ordinances or conditions of tenancy; and
    - d. Social security numbers.

5. The Board of Education may consider, in a manner consistent with Federal law, documents or information referenced in 4. above, or pertinent parts thereof if voluntarily disclosed by the applicant. However, the Board of Education may not, directly or indirectly, require or request such disclosure as an actual or implied condition of enrollment.
6. In the case of a dispute between the school district and the parents or guardians of a student in regard to a student's eligibility to enroll in the school district or to remain enrolled in the school district pursuant to the provisions of N.J.S.A. 18A:38-1, the school district may request from the New Jersey Motor Vehicle Commission (NJMVC) the parent or guardian's name and address for use in verifying a student's eligibility for enrollment in the school district. **The NJMVC shall disclose to a school district the information requested in accordance with procedures established by the NJMVC. However, the school district shall not condition enrollment in the district on immigration status or on the fact that the NJMVC does not have the name or address of the parent on file.**

G. Registration Form and Procedures for Initial Assessment

1. The Board of Education shall use Commissioner-provided registration forms or locally developed forms that:
  - a. Are consistent with the forms provided by the Commissioner;
  - b. Do not seek information prohibited by N.J.A.C. 6A:22 or any other provision of statute or rule;
  - c. Summarize, for the applicant's reference, the criteria for attendance set forth in N.J.S.A. 18A:38-1 and specify the nature and form of any sworn statements to be filed;
  - d. Clearly state the purpose for which the requested information is being sought in relation to the criteria; and
  - e. Notify applicants that an initial eligibility determination is subject to a more thorough review and evaluation and that assessment of tuition is possible if an initially admitted applicant is later found ineligible.

2. The Board of Education shall make available sufficient numbers of registration forms and trained registration staff to ensure prompt eligibility determinations and enrollment. Enrollment applications may be taken by appointment, but appointments shall be promptly scheduled and shall not unduly defer a student's attendance at school.
  - a. If the school district uses separate forms for affidavit student applications rather than a single form for all types of enrollment, affidavit student forms shall comply in all respects with the provisions of G.1. above. When affidavit student forms are used, the school district shall provide them to any person attempting to register a student of whom he or she is not the parent or guardian, even if not specifically requested.
    - (1) The Board of Education or its agents shall not demand or suggest that guardianship or custody must be obtained before enrollment will be considered for a student living with a person other than the parent or guardian since such student may qualify as an affidavit student.
    - (2) The Board of Education or its agents shall not demand or suggest that an applicant seeking to enroll a student of whom the applicant has guardianship or custody produce affidavit student proofs.
  - b. A district-level administrator designated by the Superintendent shall be clearly identified to applicants and available to assist persons who experience difficulties with the enrollment process.
3. Initial eligibility determinations shall be made upon presentation of an enrollment application, and enrollment shall take place immediately except in cases of clear, uncontested denials.
  - c. Enrollment shall take place immediately when an applicant has provided incomplete, unclear, or questionable information, but the applicant shall be notified that the student will be removed from the school district if defects in the application are not corrected, or an appeal is not filed, in accordance with subsequent notice to be provided pursuant to N.J.A.C. 6A:22-4.2.
  - d. When a student appears ineligible based on information provided in the initial application, the school district shall issue a preliminary written notice of ineligibility, including an explanation of the right to appeal to the Commissioner of Education.

Enrollment shall take place immediately if the applicant clearly indicates disagreement with the school district's determination and an intent to appeal to the Commissioner.

- (1) An applicant whose student is enrolled pursuant to this provision shall be notified that the student will be removed without a hearing before the Board if no appeal is filed within the twenty-one day period established by N.J.S.A. 18A:38-1.
4. When enrollment is denied and no intent to appeal is indicated, applicants shall be advised they shall comply with compulsory education laws. When the student is between the ages of six and sixteen, applicants also shall be asked to complete a written statement indicating the student will be attending school in another school district, or a nonpublic school, or receiving instruction elsewhere than at a school pursuant to N.J.S.A. 18A:38-25. In the absence of this written statement that the student will be attending school in another school district or nonpublic school, or receiving instruction elsewhere than at a school, designated staff shall report to the school district of actual domicile or residence, or the Department of Children and Families, a potential instance of "neglect" for purposes of ensuring compliance with compulsory education laws, N.J.S.A. 9:6-1. Staff shall provide the school district or the Department of Children and Families with the student's name, the name(s) of the parent/guardian/resident, and the student's address to the extent known. Staff shall also indicate admission to the school district has been denied based on residency or domicile, and there is no evidence of intent to arrange for the child to attend school or receive instruction elsewhere.
5. Enrollment or attendance in the school district shall not be conditioned on advance payment of tuition in whole or part when enrollment is denied and an intent to appeal is indicated, or when enrollment is provisional and subject to further review or information.
6. The Board of Education shall ensure the registration process identifies information suggesting an applicant may be homeless so procedures may be implemented in accordance with N.J.A.C. 6A:17-2 - Education of Homeless Children.
7. Enrollment or attendance in the school district shall not be denied based upon absence of a certified copy of the student's birth certificate or other proof of his or her identity as required within thirty days of initial enrollment pursuant to N.J.S.A. 18A:36-25.1.

Eligibility of Resident/Nonresident Students

8. Enrollment in the school district shall not be denied based upon absence of pupil medical information. However, actual attendance at school may be deferred until the student complies with student immunization rules set forth in N.J.A.C. 8:57-4.
9. When enrollment in the school district, attendance at school, or the receipt of educational services in the regular education program appears inappropriate, the student shall not be denied based upon the absence of a student's prior educational record. However, the applicant shall be advised the student's initial educational placement may be subject to revision upon the school district's receipt of records or further assessment of the student.

## H. Notice of Ineligibility

1. When a student is found ineligible to attend the school district pursuant to N.J.A.C. 6A:22 or the student's initial application is found to be deficient upon subsequent review or investigation, the school district shall immediately provide notice to the applicant that is consistent with Commissioner-provided sample form(s) and meets the requirements of N.J.A.C. 6A:22-4 et seq.
  - a. Notices shall be in writing; in English and in the native language of the applicant; issued by the Superintendent; and directed to the address at which the applicant claims to reside.
2. Notices of ineligibility shall include:
  - a. In cases of denial, a clear description of the specific basis on which the determination of ineligibility was made:
    - (1) The description shall be sufficient to allow the applicant to understand the basis for the decision and determine whether to appeal; and
    - (2) The description shall identify the specific subsection of N.J.S.A. 18A:38-1 under which the application was decided.
  - b. In cases of provisional eligibility, a clear description of the missing documents or information that still must be provided before a final eligibility status can be attained under the applicable provision of N.J.S.A. 18A:38-1;

- c. A clear statement of the applicant's right to appeal to the Commissioner of Education within twenty-one days of the notice date, along with an informational document provided by the Commissioner describing how to file an appeal;
- d. A clear statement of the student's right to attend school for the twenty-one day period during which an appeal can be made to the Commissioner. It also shall state the student will not be permitted to attend school beyond the twenty-first day following the notice date if missing information is not provided or an appeal is not filed;
- e. A clear statement of the student's right to continue attending school while an appeal to the Commissioner is pending;
- f. A clear statement that, if an appeal is filed with the Commissioner and the applicant does not sustain the burden of demonstrating the student's right entitlement to attend the school district, or the applicant withdraws the appeal, fails to prosecute or abandons the appeal by any means other than settlement, the applicant may be assessed, by order of the Commissioner enforceable in Superior Court, tuition for any period of ineligible attendance, including the initial twenty-one day period and the period during which the appeal was pending before the Commissioner;
- g. A clear statement of the approximate rate of tuition, pursuant to N.J.A.C. 6A:22-6.3, that an applicant may be assessed for the year at issue if the applicant does not prevail on appeal, or elects not to appeal;
  - (1) If removal is based on the student's move from the school district, the notice of ineligibility shall also provide information as to whether district Policy permits continued attendance, with or without tuition, for students who move from the school district during the school year.
- h. The name of a contact person in the school district who can provide assistance in explaining the notice's contents; and of the notice

- i. When no appeal is filed, notice that the parent or guardian shall still comply with compulsory education laws. In the absence of a written statement from the parent or guardian that the student will be attending school in another school district or non-public school, or receiving instruction elsewhere than at a school, school district staff shall notify the school district of actual domicile/residence, or the Department of Children and Families, of a potential instance of “neglect” pursuant to N.J.S.A. 9:6-1. For purposes of facilitating enforcement of the State compulsory education requirement (N.J.S.A. 18A:38-25) staff shall provide the student’s name, the name(s) of the parent/guardian/resident, address to the extent known, denial of admission based on residency or domicile, and absence of evidence of intent to attend school or receive instruction elsewhere.

## I. Removal of Currently Enrolled Students

1. Nothing in N.J.A.C. 6A:22 and this Regulation shall preclude the Board of Education from identifying through further investigation or periodic requests for revalidation of eligibility, students enrolled in the school district who may be ineligible for continued attendance due to error in initial assessment, changed circumstances or newly discovered information.
2. When a student who is enrolled and attending school based on an initial eligibility determination is later determined to be ineligible for continued attendance, the Superintendent may apply to the Board of Education for the student’s removal.
  - a. The Superintendent shall issue a preliminary notice of ineligibility meeting the requirements of N.J.A.C. 6A:22-4.2. However, the notice shall also provide for a hearing before the Board of Education prior to a final decision on removal.
3. No student shall be removed from school unless the parent, guardian, adult student, or resident keeping an "affidavit student," has been informed of his or her entitlement to a hearing before the Board of Education.
4. Once the hearing is held, or if the parent, guardian, adult student, or resident keeping an "affidavit student," does not respond within the designated time frame to the Superintendent’s notice or appear for the hearing, the Board of Education shall make a prompt determination of the student’s eligibility and shall immediately provide notice in accordance with N.J.A.C. 6A:22-4.2.

# REGULATION

# RIDGEWOOD BOARD OF EDUCATION

STUDENTS

R 5111/page 20 of 22

Eligibility of Resident/Nonresident Students

5. Hearings required pursuant to N.J.A.C. 6A:22-4.3 may be conducted by the full Board of Education or a Board committee, at the discretion of the full Board. If the hearing is conducted by a Board Committee, the Committee shall make a recommendation to the full Board for action. However, no student shall be removed except by vote of the Board of Education taken at a meeting duly convened and conducted pursuant to N.J.S.A. 10:4-6 et seq., the Open Public Meetings Act.
6. The continued enrollment of a nonresident child admitted to school at the discretion of the Board, upon the recommendation of the Superintendent, shall be contingent upon the student's maintenance of good standards of citizenship, academic standing and discipline, as well as family behavior toward school personnel and/or the needs of the district.

## J. Appeal to the Commissioner

1. An applicant may appeal to the Commissioner of Education a school district determination that a student is ineligible to attend its schools. Appeals shall be initiated by petition which shall be filed in accordance with N.J.S.A. 18A:38-1 and N.J.A.C. 6A:3-8.1 and shall proceed as a contested case pursuant to N.J.A.C. 6A:3.
  - a. Pursuant to N.J.S.A. 18A:38-1.b(1), appeals of "affidavit student" ineligibility determinations shall be filed by the resident keeping the student.

## K. Assessment and Calculation of Tuition

1. If no appeal to the Commissioner is filed by the parent, guardian, adult student, or school district resident keeping an "affidavit" student following notice of ineligibility determination, the Board may assess tuition for up to one year of a student's ineligible attendance, including the twenty-one day period provided by N.J.S.A. 18A:38-1 for appeal to the Commissioner.
  - a. If the responsible party does not pay the tuition assessment, the Board of Education may petition the Commissioner pursuant to N.J.A.C. 6A:3 for an order assessing tuition, enforceable in accordance with N.J.S.A. 2A:58-10 through recording, upon request of the Board of Education pursuant to N.J.A.C. 6A:3-12, on the judgment docket of the Superior Court, Law Division.

2. If an appeal to the Commissioner is filed by the parent, guardian, adult student, or school district resident keeping an “affidavit” student and the petitioner does not sustain the burden of demonstrating the student’s right to attend the school district, or the petitioner withdraws the appeal, fails to prosecute, or abandons the appeal by any means other than settlement agreeing to waive or reduce tuition, the Commissioner may assess during which the hearing and decision on appeal were pending, and for up to one year of a student’s ineligible attendance in a school district prior to the appeal’s filing and including the twenty-one day period to file an appeal.
  - a. Upon the Commissioner’s finding that an appeal has been abandoned, the Board of Education may remove the student ~~pupil~~ from school and seek tuition for up to one year of ineligible attendance pursuant to N.J.A.C. 6A:22-6.1(a) plus the period of ineligible attendance after the appeal was filed. If the record of the appeal includes a calculation reflecting the tuition rate(s) for the year(s) at issue, the per diem tuition rate for the current year and the date on which the student’s ineligible attendance began, the Commissioner may order payment of tuition as part of his or her decision. In doing so, the Commissioner shall consider whether the ineligible attendance was due to the school district’s error. If the record does not include such a calculation and ~~but~~ the Board of Education has filed a counterclaim for tuition, the counterclaim shall proceed to a hearing notwithstanding that the petition has been abandoned.
  - b. An order of the Commissioner assessing tuition is enforceable through recording, upon request of the Board of Education pursuant to N.J.A.C. 6A:3-12, on the judgment docket of the Superior Court, Law Division, in accordance with N.J.S.A. 2A:58-10.
3. Tuition assessed pursuant to the provisions N.J.A.C. 6A:22-6 shall be calculated on a per-student basis for the period of a student’s ineligible enrollment, up to one year, by applicable grade/program category and consistent with the provisions of N.J.A.C. 6A:23A-17.1. The individual student’s record of daily attendance shall not affect the calculation.

# REGULATION

# RIDGEWOOD BOARD OF EDUCATION

STUDENTS

R 5111/page 22 of 22

Eligibility of Resident/Nonresident Students

4. Nothing in N.J.A.C. 6A:22 shall precludes an equitable determination, by the Board of Education or the Commissioner that tuition shall not be assessed for all or part of any period of a pupil's ineligible attendance in the school district when the particular circumstances of a matter so warrant. In making the determination, the Board of Education or Commissioner shall consider whether the ineligible attendance was due to the school district's error.

Issued: 7 December 2009

Revised: 19 July 2010

Revised: 9 May 2011

Revised: 26 August 2013

Revised: 18 July 2016

Revised: 1 April 2019

Revised:

The Board of Education shall, according to a schedule prescribed by the Commissioner, administer the applicable Statewide assessments, including the following major components: the elementary assessment component for grades three through five; the middle school assessment component for grades six through eight; the high school end-of-course ~~PARCC~~ assessments; and the alternative assessment for students with disabilities; and provide notification to each student entering grades three through twelve of the Statewide assessment schedule.

The Department of Education shall implement the elementary component of the Statewide assessment of the NJSLs consisting of continued administration of mathematics and English language arts in grades three, four, and five, and of science in grade ~~four~~ **five**.

The Department of Education shall implement the middle school component of the Statewide assessment of the NJSLs consisting of the following: continued administration of mathematics and English language arts in grades six, seven, and eight; and of science in grade eight.

The Department of Education shall implement a high school assessment program component of the NJSLs that assesses, at a minimum, English language arts, mathematics, and science with the exception that students may receive a waiver from the Board of Education from taking the high school end-of-course ~~PARCC~~ assessment in ELA 11 due to the student's participation in another English language/literature college placement assessment during the same school year.

The Board shall provide appropriate accommodations or modifications to the Statewide assessment system as specified by the Department of Education for English Language Learners (ELLs) and students with disabilities as defined in N.J.A.C. 6A:8-14.3 or eligible under Section 504 of the Rehabilitation Act as determined by the IEP or 504 Team in accordance with N.J.A.C. 6A:8-4.1(d)1. The Board may administer the Statewide assessments in mathematics to ELLs in their native languages, when available, and/or English. The Board of Education shall have the option for a first-year ELL of substituting a Department of Education-approved language proficiency test only for the English language arts section of the elementary or middle school component of the Statewide assessment, when the student has entered the United States after July 1 of the calendar year prior to the test administration.

The Board of Education shall ensure students with disabilities as defined in N.J.A.C. 6A:14-1.3 participate in Statewide assessments in accordance with N.J.A.C. 6A:14-4.10.

At specific times prescribed by the Commissioner of Education, the Board of Education shall administer the alternative assessment for students with disabilities to students with severe disabilities who cannot participate in other assessments due to the severity of their disabilities. The Department of Education shall implement alternative assessment for students with disabilities according to the schedules in N.J.A.C. 6A:8-4.1(c)1, 2, and 3. The alternative assessment for students with disabilities measures the progress of students who have been determined eligible for the alternative assessment for students with disabilities by the IEP team in accordance with N.J.A.C. 6A:14-4.10.

The Board of Education shall implement alternative ways for students to demonstrate graduation proficiency in accordance with N.J.A.C. 6A:8-5.1(f).

#### Test Administration Procedures and Security Measures

The Board of Education shall be responsible for ensuring the security of all components of the Statewide assessment system that are administered within the school district. All Statewide assessments shall be administered in accordance with the Department of Education's required test administration procedures and security measures. Any breach of such procedures or measures shall be immediately reported to the Superintendent or designee.

#### Documentation of Student Achievement

The Department of Education shall provide the Superintendent with documentation of student performance after each test administration in accordance with the provisions of N.J.A.C. 6A:8-4.2(a). ~~The Board shall maintain an accurate record of each student's performance on Statewide assessments in accordance with N.J.A.C. 6A:8-4.2.~~ Information regarding individual student test scores shall only be in accordance with Federal and State law.

The Board of Education shall transmit within ten business days any official records, including transcripts, of students who transfer to other school districts or institutions.

The Board of Education shall maintain an accurate record of each student's performance on Statewide assessments.

The Board of Education shall maintain for every student a ninth grade through graduation transcript that contains the following, as available:

1. Results of all applicable State assessments, including assessments that satisfy graduation requirements set forth in N.J.A.C. 6A:8-5.1(a)6;
2. Results of any English language proficiency assessments according to N.J.A.C. 6A:8-5.1(h);

3. Evidence of instructional experience and performance in the NJSLS;
4. Evidence of technological literacy;
5. Evidence of career education instructional experiences and career development activities;
6. Evidence of State-issued occupational licenses and credentials, industry-recognized occupational credentials, and/or technical skill assessments for students enrolled in Department of Education-approved career and technical education programs pursuant to N.J.A.C. 6A:19-3.2; and
7. Any other information deemed appropriate by the Board of Education.

#### Accountability

The Superintendent shall report preliminary and final results of annual assessments to the Board of Education **within sixty days of receipt of information from** ~~as required by~~ the New Jersey Department of Education **pursuant to N.J.A.C. 6A:8-4.3(a)**. The Board of Education will provide parents, students, and citizens with results of annual assessments according to N.J.A.C. 6A:8-4.2. The Board shall provide appropriate instruction to improve skills and knowledge for students performing below the established levels of student proficiency in any content area either on Statewide or local assessments. All students shall be expected to demonstrate the knowledge and skills of the NJSLS as measured by the Statewide assessment system.

#### Annual Review and Evaluation of School Districts

The Department of Education shall review the performance of schools and school districts in accordance with the provisions of N.J.A.C. 6A:8-4.4.

Public Reporting

In accordance with the requirements of N.J.A.C. 6A:8-4.5, the Department of Education shall report annually to the State Board of Education and the public on the progress of all students and student subgroups in meeting the NJSLs as measured by the Statewide assessment system by publishing and distributing the Department of Education's annual New Jersey School Report Card in accordance with N.J.S.A. 18A:7E-2 through 5. After each test administration, the Department of Education shall report to the Board **of Education** on the performance of all students and of student subgroups. The Department of Education shall report performance on the APA with the same frequency and in the same detail as it reports on other Statewide assessments, including school and school district means, and the number and percentage of participating students. In public reporting of school and district performance data, the Department of Education shall not compromise the confidentiality of individual students.

Parental Notification

Parents shall be informed of the district assessment system and of any special tests that are to be administered to their children.

**POLICY****RIDGEWOOD  
BOARD OF EDUCATION**

PUPILS

5200/page 1 of 3

Attendance

M

**5200 ATTENDANCE**

In accordance with the provisions of N.J.S.A. 18A:38-25, every parent, guardian, or other person having control and custody of a child between the ages of six and sixteen shall cause the child to regularly attend school. The Board of Education requires students enrolled in the schools district attend school regularly in accordance with the laws of the State.

**Notwithstanding the requirements of reporting student absences in the school register for State and Federal reporting purposes, “excused” and “unexcused” student absences, for the purpose of expectations and consequences regarding truancy, student conduct, promotion, and the award of course credit is a local Board decision outlined in N.J.A.C. 6A:16-7.6 and Policy and Regulation 5200.** In accordance with the provisions of N.J.A.C. 6A:16-7.6, and for the purposes of this Policy and Regulation 5200, a student’s absence from school will **either** be excused or unexcused. ~~that~~ **Unexcused absences will** counts-toward truancy.

**A parent or adult student shall provide advance notice to the school prior to the student being absent from school. In accordance with N.J.S.A. 18A:36-25.6, if a student is determined to be absent from school without valid excuse, and if the reason for the student’s absence is unknown to school personnel, the Principal or designee shall immediately attempt to contact the student’s parent to notify the parent of the absence and determine the reason for the absence.**

In order for the Board of Education to fulfill its responsibility for providing a thorough and efficient education for each student, the complete cooperation of parents/guardians and students is required to maintain a high level of school attendance.

The frequent absence of students from classroom learning experiences disrupts the continuity of the instructional process and limits the ability of students to complete the prescribed curriculum requirements successfully.

**Excused Absences**

The Board considers the following as cause for excused absence:

- a. Illness
- b. College Visit
- c. Legal obligation
- d. Death in the family

- e. Family obligation
- f. Medical appointment
  
- g. Motor vehicle test
  
- f. Such good cause as may be acceptable to the Principal.

## Regular Release Of Students Before The End Of The Normal School Day

There are varying situations which may justify release of certain students from school before the normal time for closing. Such situations are justifiable only if the release does not jeopardize the student's educational program and the reasons for such release can be shown to have positive benefits for the student.

## Truancy

The Board will report to appropriate authorities infractions of the law regarding the attendance of students below the age of sixteen. Repeated infractions by enrolled students over the age of sixteen may result in the suspension or expulsion of the student.

It shall be the policy of the Board to consider the effectiveness and appropriateness to his/her needs of the educational program that is offered each student who is habitually and repeatedly absent from his/her assigned program and to consult with the Child Study Team for its recommendations.

Students that are absent from school for any reason are responsible for the completion of assignments missed because of their absence. **In accordance with N.J.S.A. 18A:36-14, A** student who is absent from school for observing a religious holiday shall not be deprived of any award, eligibility, or opportunity to compete for any award, or deprived of the right to take an alternate test or examination that was missed because of the absence provided there is a written excuse of such absence signed by the parent.

Prolonged or repeated absences, excused or unexcused, from school or from class, deprive ~~the~~ students of the educational and classroom experiences deemed essential to learning and may result in retention at grade level or loss of credit or removal from a course that would count toward the high school diploma in accordance with policies of this Board.

Students shall be subjected to the school district's response for unexcused absences that count toward truancy during the school year as outlined in N.J.A.C. 6A:16-7.68(a)4 and Regulation 5200.

Unexcused absences from school or from classes within the school day may subject a student to

consequences that may include the denial of a student's participation in co-curricular activities and/or athletic competition. Repeated absences from school interfere with efforts of ~~this~~ **the** Board and its staff in the maintenance of good order and the continuity of classroom instruction and such absences may result in the removal of the student from a class or course of study.

The Superintendent shall calculate and monitor the average daily attendance rate for the district and for each school in the district. Whenever the average daily attendance rate does not meet the New Jersey Department of Education requirements the Superintendent or designee shall develop a district improvement plan to improve student attendance pursuant to N.J.A.C. 6A:30-5.2.

## R 5200 ATTENDANCE

### A. Definitions

1. For the purposes of school attendance, a “day in session” shall be a day on which the school is open and students are under the guidance and direction of a teacher or teachers engaged in the teaching process. Days on which school is closed for such reasons as holidays, teachers’ institutes, and inclement weather shall not be considered as days in session.
2. A “school day” shall consist of not less than four hours, except that one continuous session of two and one-half hours may be considered a full day of Kindergarten.
3. “A day of attendance” shall be one in which the student is present for a full day under the guidance and direction of a teacher while school is in session.
  - a. Whenever over-crowded conditions make it necessary to hold two separate sessions with a different group of students in each session, a student attending for all of either session shall be regarded as having attended for the full day. An excused absence for any reason shall not be counted as a day of attendance in the school register.
4. A “half-day class” shall be considered the equivalent of a full day’s attendance only if in session for four hours or more, exclusive of recess periods or lunch periods.

### B. Attendance Recording

#### 1. **Attendance Recording in the School Register (N.J.A.C. 6A:32-8.1)**

- a. **The Board of Education shall be required to carefully and accurately track enrollment and attendance of all students in a manual school register format or in an electronic form of the school's choosing.**
- b. **The Commissioner shall issue and publish on the Department's website school register guidance for recording student attendance in all public schools of the State operated by district Boards of Education, except adult high schools.**
- c. **Student attendance shall be recorded in the school register during school hours on each day school is in session.**
- d. **School registers shall be kept for students attending preschool, Kindergarten, grades one through five, grades six through eight, grades nine through twelve, each preschool class for the disabled,**

**each class for the disabled, shared-time classes for regular students, shared-time classes for students with disabilities, full-time bilingual education programs and vocational day programs, and summer schools operated by the Board of Education.**

- e. A student who has been placed on home instruction shall have his or her attendance status recorded on the regular register for the program in which the student is enrolled. For the period beginning the first day the student is unable to attend school and ending the day before the first instructional day at the student's place of confinement, the student shall be marked absent. No absences shall be recorded for the student while on home instruction, providing the hours of instruction are not less than required by N.J.A.C. 6A:14-4.8 and 4.9. The number of possible days of enrollment for a student on home instruction shall be the same as for other students in the program in which the student is enrolled.**

**2. Attendance Recording for Board Policy (N.J.A.C. 6A:32-8.3)**

- a.1-** A record of the attendance of all students on roll in a school register shall be kept each day that school is in session by a teacher or other authorized person. It shall be the duty of this person to keep the attendance records according to these rules and the specific instructions issued by the Commissioner of Education.
- b.2-** No student shall be recorded as present unless the school is in session and the student so recorded is under the guidance and direction of a teacher in the teaching process.
- c3.** A student shall be recorded as absent in the school register when not in attendance at a session of the school while a member of the school, except students excused due to religious holidays who shall be recorded as excused.
- d4.** A student shall be recorded as either present, absent, or excused for religious observance, every day the school is in session after the student enters until the date the student is transferred to another school, transferred to an individual home instruction record, or officially leaves the school system.
- e5-** The Commissioner shall annually prescribe a list of religious holidays on which it shall be mandatory to excuse students for religious observance upon the written request signed by the parent or person standing in loco parentis.
- f6-** The mere presence of a student at roll call shall not be regarded as sufficient attendance for compliance with N.J.A.C. 6A:32-8.3. In a school which is in session during both the forenoon and the afternoon, a student shall be present at least one hour during both the forenoon and the afternoon in order to be recorded as present for the full day. In a school

which is in session during either the forenoon or the afternoon, a student shall be present at least two hours in the session in order to be recorded as present for the full day.

- g7. A student not present in school because of his/her participation in an approved school activity, such as a field trip, meeting, cooperative education assignment, or athletic competition will be considered to be in attendance.

C. **Unexcused Absences That Count Toward Truancy/Excused Absences for Board Policy**

1. **Notwithstanding the requirement of reporting student absences in the school register for State and Federal reporting purposes, “excused” and “unexcused” student absences for the purpose of expectations and consequences regarding truancy, student conduct, promotion, and the award of course credit is a Board decision outlined in Policy 5200 and this Regulation.**

24. **N.J.A.C. 6A:16-7.6(a)3 requires the Board of Education policies and procedures contain, at a minimum, a definition of unexcused absence that count toward truancy.** “An unexcused absence that counts toward truancy” is a student’s absence from school for a full or a portion of a day for any reason that is not an “excused absence” as defined below.

32. “An excused absence” is a student’s absence from school for a full day or a portion of a day for the observance of a religious holiday pursuant to N.J.S.A. 18A:36-14 through 16, or any absence for the reasons listed below:

- The student’s illness supported by notification to the school by the student’s parent;
- The student’s required attendance in court;
- Where appropriate, when consistent with Individualized Education Programs, the Individuals with Disabilities Act, accommodation plans under 29 U.S.C. §§ 794 and 705(20), and individualized health care plans;
- The student’s suspension from school;
- Family illness or death supported by notification to the school by the student’s parent;
- Visits to post-secondary educational institutions;
- Interviews with a prospective employer or with an admissions officer of an institution of higher education;
- Examination for a driver's license;
- Necessary and unavoidable medical or dental appointments that cannot be scheduled at a time other than the school day; supported by written notification by the doctor’s office;
- Take Our Children to Work Day;

- An absence considered excused by **the Commissioner of Education and/or** a New Jersey Department of Education rule;
- An absence for a reason not listed above, but deemed excused by the Principal upon a written request by the student's parent stating the reason for the absence and requesting permission for the absence to be an excused absence.

43. **For cumulative unexcused absences of ten or more, a student between the ages of six and sixteen is truant, pursuant to N.J.S.A. 18A:38-25** ~~“Truancy” means ten or more cumulative unexcused absences that count toward truancy of a student between the ages of six and sixteen as determined by the Board’s Attendance Policy and Regulation pursuant to N.J.A.C. 6A:16-7.6(a)4.iii. and the definition of school day pursuant to N.J.A.C. 6A:32-8.3. Any absence not listed in C.2. above shall be an unexcused absence counted toward truancy.~~

D. Notice to School of a Student’s Absence

1. The parent or adult student ~~is requested~~ **shall notify** ~~to notify~~ the school office before ~~the start of the student’s school day~~ **when the student will not be in school.**
2. The parent of the student or an adult student who will attend the morning session, but will not attend the afternoon session ~~should call or~~ **shall** provide notice to the school office before the start of the afternoon session.
3. **The parent of a student or an adult student shall notify the school office of a future absence if the absence is foreseeable.**
- 4.3. The parent or adult student who anticipates a future absence or anticipates that an absence will be prolonged ~~should~~ **shall** notify the school office to arrange make-up work.
5. **In accordance with N.J.S.A. 18A:36-25.6, if a student is determined to be absent from school without valid excuse, and if the reason for the student’s absence is unknown to school personnel, the Principal or designee shall immediately attempt to contact the student’s parent to notify the parent of the absence and determine the reason for the absence.**

E. Readmission to School After an Absence

1. A student returning from an absence of any length must present to the attendance officer in the form of a phone call, email, written note or verbal confirmation by the parent(s) or adult student, of the reasons for the absence.
2. A note explaining a student's absence for noncommunicable illness for a period of more than five days school days must be accompanied by a physician's statement of the student's illness.
3. A student who has been absent by reason of having or being suspected of having a communicable disease must present to the school nurse written evidence of being free of communicable disease, in accordance with Policy No. 8451.
4. **The Superintendent of Schools or designee may require a student who has been absent from school due to a suspension or other reason concerning the student's conduct to receive a medical examination by a physician regarding the student's physical and/or mental fitness to return to school. The Superintendent or designee will notify the student's parent of the specific requirements of the medical examination prior to the student's return to school.**

F. Instruction

1. Teachers shall cooperate in the preparation of home assignments for students who anticipate an excused absence of three or more school days duration. The parent or student must request such home assignments.
2. A student who anticipates an absence due to a temporary or chronic health condition may be eligible for home instruction in accordance with Policy 2412. The parent must request home instruction.
3. Students absent for any reason are expected to make up the work missed. The parent or student is responsible for requesting missed assignments and any assistance required. Teachers will provide make-up assignments as necessary.
4. In general, students will be allowed a day for each day they are out to make up missed work.
5. A student who missed a test or an exam shall be offered an opportunity to take the test, exam, or an appropriate alternate test.

**G. Denial of Course Credit**

1. The teacher will determine the credit to be awarded a student for make-up work. Where class participation is a factor in the learning process, the teacher may consider a student's absence in determining a final grade, except absences for the observance of a religious holiday or absence for a student's suspension from school will not adversely affect the student's grade. The teacher may record an incomplete grade for a student who has not had a full opportunity to make up missed work.
2. A Ridgewood High School student may be dropped from the course and denied course credit when he/she has been absent thirteen times from a full year course; seven times from a semester course; or two times from a quarterly course, whatever the reason for the absence, except that absences for the observance of religious holidays and absences caused by a pupil's suspension will not count toward the total.

Grade Advisors will have the right to waive loss of credit penalties where absences are clearly legitimate. In such cases, the student need not appear before the Attendance Committee. Waivers will generally not be given by the Grade Advisor where a pattern of absence is noted in a particular class, or where there is the appearance of abuse of the Attendance Policy.

3. An elementary student may be retained at grade level, in accordance with Policy No. 5410, when he/she has been absent twenty or more school days, whatever the reason for the absence, except that absences for the observance of religious holidays and during a student's suspension will not count toward the total. Exceptions to this rule may be made for pupils whose absences are excused and who have demonstrated through completion of home assignments and/or home instruction that they have mastered the proficiencies established for the assigned courses of study.

**H. School District Response To Unexcused Absences During the School Year That Count Toward Truancy**

1. For up to four cumulative unexcused absences that count toward truancy, the Principal or designee shall:
  - a. Make a reasonable attempt to notify the student's parent of each unexcused absence prior to the start of the following school day;
  - b. Make a reasonable attempt to determine the cause of the unexcused absence, including through contact with the student's parent;
  - c. Identify, in consultation with the student's parents, needed action

- designed to address patterns of unexcused absences, if any, and to have the child return to school and maintain regular attendance;
- d. Proceed in accordance with the provisions of N.J.S.A. 9:6-1 et seq. and N.J.A.C. 6A:16-10, if a potentially missing or abused child situation is detected; and
  - e. Cooperate with law enforcement and other authorities and agencies, as appropriate.
2. For between five and nine cumulative unexcused absences that count toward truancy, the Principal or designee shall:
- a. Make a reasonable attempt to notify the student's parent of each unexcused absence prior to the start of the following school day;
  - b. Make a reasonable attempt to determine the cause of the unexcused absence, including through contact with the student's parent;
  - c. Evaluate the appropriateness of action taken pursuant to N.J.A.C. 6A:16-7.6(a)4.i.(3) and H.1.c. above;
  - d. Develop an action plan to establish outcomes based upon the student's patterns of unexcused absences and to specify the interventions for supporting the student's return to school and regular attendance, which may include any or all of the following:
    - (1) Refer or consult with the building's Intervention and Referral Services Team, pursuant to N.J.A.C. 6A:16-8;
    - (2) Conduct testing, assessments, or evaluations of the student's academic, behavioral, and health needs;
    - (3) Consider an alternate educational placement;
    - (4) Make a referral to or coordinate with a community-based social and health provider agency or other community resource;
    - (5) Refer to a court or court program pursuant to N.J.A.C. 6A:16-7.6(a)4.iv. and H.4. below;
    - (6) Proceed in accordance with N.J.S.A. 9:6-1 et seq. and N.J.A.C. 6A:16-10, if a potential missing or abused child situation is detected; and

- (7) Engage the student's family.
    - e. Cooperate with law enforcement and other authorities and agencies, as appropriate.
  3. For ten or more cumulative unexcused absences that count toward truancy, a student between the ages of six and sixteen is truant, pursuant to N.J.S.A. 18A:38-25, and the Principal or designee shall:
    - a. Make a determination regarding the need for a court referral for the truancy, per N.J.A.C. 6A:16-7.6(a)4.iv. and H.4. below;
    - b. Continue to consult with the parent and the involved agencies to support the student's return to school and regular attendance;
    - c. Cooperate with law enforcement and other authorities and agencies, as appropriate; and
    - d. Proceed in accordance with N.J.S.A. 18A:38-28 through 31, Article 3B, Compelling Attendance at School, and other applicable State and Federal statutes, as required.
  4. A court referral may be made as follows:
    - a. When unexcused absences that count toward truancy are determined by school officials to be violations of the compulsory education law, pursuant to N.J.S.A. 18A:38-25, and the Board of Education's policies, in accordance with N.J.A.C. 6A:16-7.6(a), the parent may be referred to Municipal Court.
      - (1) A written report of the actions the school has taken regarding the student's attendance shall be forwarded to the Municipal Court; or
    - b. When there is evidence of a juvenile-family crisis, pursuant to N.J.S.A. 2A:4A-22.g, the student may be referred to Superior Court, Chancery Division, Family Part.
      - (1) A written report of the actions the school has taken regarding the student's attendance shall be forwarded to the Juvenile-Family Crisis Intervention Unit.
  5. For a student with a disability, the attendance plan and its punitive and remedial procedures shall be applied, where applicable, in accordance with the student's IEP, pursuant to 20 U.S.C. §§ 1400 et seq., the Individuals with Disabilities Education Act; the procedural protections set forth in N.J.A.C. 6A:14; accommodation plan under 29

U.S.C. §§794 and 705(20); and individualized health care plan and individualized emergency healthcare plan pursuant to N.J.A.C. 6A:16-2.3(b)5.xii.

6. All receiving schools pursuant to N.J.A.C. 6A:14-7.1(a), shall act in accordance with N.J.A.C. 6A:16-7.6(a)4.i. and H.1. above for each student with up to four cumulative unexcused absences that count toward truancy.

a. For each student attending a receiving school with five or more cumulative unexcused absences that count toward truancy, the absences shall be reported to the sending school district.

(1) The sending school district shall proceed in accordance with the Board of Education's policies and procedures pursuant to N.J.A.C. 6A:16-7.6(a) and H.5. above and the provisions of N.J.A.C. 6A:16-7.6(a)4.ii. through iv. and H.2. through H.5. above, as appropriate.

## I. Discipline

1. Students may be denied participation in co-curricular activities if the Board establishes attendance standards for participation.
2. Students may be denied participation in athletic competition if the Board establishes attendance standards for participation.
3. No student who is absent from school for observance of a religious holiday may be deprived of any award or of eligibility for or opportunity to compete for any award because of the absence.

## J. Recording Attendance

1. Teachers must accurately record the students present, tardy, or absent each day in each session or each class. Attendance records must also record students' attendance at out-of-school curricular events such as field trips.
2. A record shall be maintained of each excused absence, and each unexcused absence that counts toward truancy as defined in Policy and Regulation 5200.
3. A report card will record the number of times the student was absent and tardy in each marking period.
4. A student's absence for observance of a religious holiday will not be recorded as such on any transcript or application or employment form.

## K. Appeal

1. Students may be subject to appropriate discipline for their school attendance record.
2. A student who has been retained at grade level for excessive absences may appeal that action in accordance with Policy 5410.
3. A student who has been dropped from a course and/or denied course credit for excessive absences may appeal that action in accordance with the following procedures:  
Elementary and Middle Schools
  - a. The student shall file a written appeal to the Principal or designee within five school days of receiving notice of the action. The appeal should state the reasons for each absence, any documentation that may support reducing the number of absences for the purposes of course credit, and reasons why the student should either continue to be enrolled in the course or receive course credit for a class the student completed.
  - b. The Principal or designee will respond in writing no later than seven school days after receiving the student's appeal.
  - c. If the student is not satisfied, he/she may submit a written request to the Principal for consideration by an Attendance Review Committee.
  - d. On a student's request for consideration by an Attendance Review Committee, the Principal shall convene an Attendance Review Committee. The Attendance Review Committee shall meet informally to hear the student's appeal. The student's parent and teacher(s) may attend the meeting.
  - e. The Attendance Review Committee shall decide the appeal and inform the student in writing within seven school days of the meeting.
  - f. The student may appeal an adverse decision of the Attendance Review Committee to the Superintendent, the Board of Education, and the Commissioner of Education in accordance with Policy 5710, Pupil Grievance and N.J.S.A. 18A. An appeal to the Attendance Review Committee shall be considered to have exhausted the first two steps of the grievance procedure outlined in Policy 5710.

### High School

- a. The student shall file a written appeal to the Assistant Principal within ten school days of receiving notice of the action. The appeal should state the reasons for admitted absences, documentation that would reduce the number of absences,

and reasons why the student should continue to be enrolled in the course and/or receive course credit.

- b. On the student's request, the Assistant Principal shall convene an Attendance Review Committee consisting of a teacher(s), and Administrator(s). The Attendance Review Committee shall meet informally to hear the pupil's reasons for reenrollment and/or credit. The student's parent(s) and teacher may attend the meeting.
- c. The Attendance Review Committee shall decide the appeal and inform the student in writing within seven working days of the meeting. The committee may impose conditions on any reenrollment and may require the pupil to agree to those conditions.
- d. The student may appeal an adverse decision of the Attendance Review Committee to the Principal, Superintendent, the Board of Education, and the Commissioner of Education, in that order and in accordance with Policy No. 5710, Student Grievance. Resort to the Attendance Review Committee shall be considered to have exhausted the first step of the grievance.

L. Attendance Records

- 1. Attendance records for the school district and each school will be maintained and attendance rates will be calculated as required by the New Jersey Department of Education. The school district will comply with all attendance requirements and any improvement plans as required by the Department of Education.

**POLICY****RIDGEWOOD  
BOARD OF EDUCATION**

PUPILS  
5320/page 1 of 1  
Immunization  
June 2020

**5320 IMMUNIZATION**

In order to safeguard the school community from the spread of certain communicable diseases and in recognition that prevention is a means of combating the spread of disease, the Board of Education requires the immunization of students against certain diseases in accordance with State statute and rules of the New Jersey State Department of Health and Senior Services.

A student shall not knowingly be admitted or retained in school if the parent(s) ~~or legal guardian(s)~~ has not submitted acceptable evidence of the child's immunization, according to schedules specified in N.J.A.C. 8:57-4 – Immunization of Pupils in School. **However, a child may be admitted to school on a provisional basis in accordance with the requirements as outlined in N.J.A.C. 8:57-4.5 and Regulation 5320.**

Medical or religious exemptions to immunizations shall be in accordance with the requirements as outlined in N.J.A.C. 8:57-4.3 and 4.4. ~~A child may be admitted to school on a provisional basis in accordance with the requirements as outlined in N.J.A.C. 8:57-4.5.~~ **For students with a medical exemption pursuant to N.J.A.C. 8:57-4.3, the school nurse shall annually review student immunization records to confirm the medical condition for the exemption from immunization continues to be applicable in accordance with N.J.A.C. 6A:16-2.3(b)3.v.**

No immunization program, other than that expressly required by the rules of the New Jersey State Department of Health and Senior Services or by order of the New Jersey State Commissioner of Health and Senior Services, may be conducted in district schools without the express approval of the Board.

Adopted: 7 December 2009  
Revised:

R 5320 IMMUNIZATION

A. **Proof of Immunizations on Admission (N.J.A.C. 8:57-4.2)**

1. **The No Principal or designee shall not knowingly admit or retain any child student who whose parent has not submitted acceptable evidence of the child's immunization according to the schedule(s) set forth in N.J.A.C. 8:57 et seq. and section E,I. of this Regulation, unless the student is provisionally admitted as provided in paragraph B.1. below A.2. or exempted as provided in section C.B. and D. of this Regulation, and N.J.A.C. 8:57-4.3; and 8:57-4.4.**

B. **Provisional Admission (N.J.A.C. 8:57-4.5)**

12. A student shall be admitted to ~~preschool or~~ school on a provisional basis if a physician, an advanced practice nurse, (a certified registered nurse practitioner or clinical nurse specialist) or health department can document that at least one dose of each required age-appropriate vaccine(s) or antigen(s) has been administered and that the student is in the process of receiving the remaining immunizations.
2. **Provisional admission for children under age five shall be granted in compliance with the specific requirements set forth in N.J.A.C. 8:57-4.10 through 4.15 and 4.18 for a period of time consistent with the current Advisory Committee on Immunization Practices (ACIP) of the United States Public Health Service or the American Academy of Pediatrics (AAP) immunization schedule, but shall not exceed seventeen months for completion of all immunization requirements.**
3. **Provisional admission for children five years of age or older shall be granted in compliance with the specific requirements set forth in N.J.A.C. 8:57-4.10 through 4.14 and 4.16 for a period of time consistent with the current Advisory Committee on Immunization Practices (ACIP) of the United States Public Health Service or the American Academy of Pediatrics (AAP) immunization schedule, but shall not exceed one year for completion of all immunization requirements.**

- a. ~~A child under five years of age lacking all required vaccines shall have no more than seventeen months to meet all immunization requirements in accordance with N.J.A.C. 8:57-4.5(b).~~
- b. ~~A child five years of age or older lacking all required vaccines shall have no more than one year to complete all immunization requirements in accordance with N.J.A.C. 8:57-4.5(e).~~
- 4e. Provisional status shall only be granted one time to **children** students entering or transferring into schools in New Jersey. If a student on provisional status transfers, information on their status will be sent by the original school to the new school **pursuant to N.J.A.C. 8:57-4.7(b)**. ~~Provisional status may be extended by a physician for medical reasons as indicated in N.J.A.C. 8:57-4.3.~~
- 5d. **Children** Students transferring into this district from **out-of-** another State or **out-of-** country shall be allowed a thirty day grace period in order to obtain past immunization documentation before provisional status shall begin. The thirty day grace period does not apply to students transferring **into this school district** from within the State of New Jersey.
6. **The school district shall ensure that the required vaccine/antigens are being received on schedule. If at the end of the provisional admission period the child has not completed the required immunizations, the administrative head of the school, preschool, or child care center shall exclude the child from continued school attendance until appropriate documentation has been presented.**
- e. ~~The Principal or designee shall ensure the provisionally admitted student is receiving required immunizations on schedule. If the student has not completed the immunizations at the end of the provisional period, the Principal shall exclude the student from school until appropriate documentation of completion has been presented.~~
- 7f. Students on provisional status may be temporarily excluded from school during a vaccine-preventable disease outbreak or threatened outbreak, as determined by the State Commissioner of Health and Senior Services or ~~his/her~~ designee **in accordance with the provisions of N.J.A.C. 8:57-4.5.**

**CB. Medical Exemptions from Immunization (N.J.A.C. 8:57-4.3)**

1. A **child student** shall not be required to have any specific immunization(s) **which that** are medically contraindicated.
2. **A written statement submitted to the school from a physician licensed to practice medicine or osteopathy or an advanced practice nurse (certified registered nurse practitioner or clinical nurse specialist) in any jurisdiction in the United States indicating that an immunization is medically contraindicated for a specific period of time, and the reasons for the medical contraindication, based on valid medical reasons as enumerated by the ACIP standards or the AAP guidelines, will exempt a student from the specific immunization requirements by law for the stated period of time.**
  - a. ~~A written statement from any physician licensed to practice medicine or osteopathy or an advanced practice nurse (certified registered nurse practitioner or clinical nurse specialist) in any jurisdiction in the United States indicating that an immunization is medically contraindicated for a specific period of time, and the reasons for the medical contraindication, based on valid reasons as enumerated by the Advisory Committee on Immunization Practices (ACIP) standards or the American Academy of Pediatrics (AAP) guidelines, will exempt a student from the specific immunization requirements by law for the period of time specified in the physician's statement.~~
- 3b. The physician's or an advanced practice nurse's (certified registered nurse practitioner or clinical nurse specialist) statement shall be retained by the school as part of the **child's** immunization record ~~of the student~~ and shall be reviewed annually. **When the child's medical condition permits immunization, this exemption shall thereupon terminate, and the child shall be required to obtain the immunization(s) from which he/she has been exempted.**

~~e. When the student's medical condition permits immunization, this exemption shall thereupon terminate, and the student shall be required to obtain the immunizations from which he/she has been exempted.~~

4. **Those children with medical exemptions to receiving specific immunizations may be excluded from school during a vaccine-preventable disease outbreak or threatened outbreak, as determined by the New Jersey Commissioner, Department of Health and Senior Services or designee.**

5. **As provided by N.J.S.A. 26:4-6, the school district may, on account of the prevalence of any communicable disease, or to prevent the spread of communicable diseases, prohibit the attendance of any school district teacher or student and specify the time during which the teacher or student shall remain away from school.**

a. **The Department of Health and Senior Services shall provide guidance to the school district on the appropriateness of any such prohibition.**

b. **The school district shall comply with the provisions of N.J.A.C. 8:61-2.1 regarding attendance at school by students or adults infected by Human Immunodeficiency Virus (HIV).**

**D. Religious Exemptions (N.J.A.C. 8:57-4.4)**

12. **A child student shall be exempted from mandatory immunization if the child's parent(s) or legal guardian(s) submits to the school a written, signed statement requesting an exemption pursuant to the requirements of religious exemptions established at N.J.S.A. 26:1A-9.1, on "the ground that the immunization interferes with the free exercise of the pupil's religious rights." that explains how the administration of immunizing agents conflicts with the student's exercise of bona fide religious tenets or practices. General philosophical or moral objection to immunization shall not be sufficient for an exemption on religious grounds.**

- a. **The school district is prohibited from exempting a child from mandatory immunization on the sole basis of a moral or philosophical objection to immunization.**
2. **The written statement signed by the parent(s) will be kept by the school as part of the student's immunization record.**
  - a. ~~The written statement signed by the parent(s) or legal guardian(s) will be kept by the school as part of the student's immunization record.~~
  - b. ~~Students enrolled in school before September 1, 1991 and who have previously been granted a religious exemption to immunization, shall not be required to reapply for a new religious exemption under N.J.A.C. 8:57-4.4(a).~~
3. **The school district may exclude children with religious exemptions from receiving immunization agents from school** ~~Students exempted on medical or religious grounds may be temporarily excluded from school during a vaccine-preventable disease outbreak or threatened outbreak, as determined by the State Commissioner of Health and Senior Services or designee.~~
4. **As provided by N.J.S.A. 26:4-6, the school district may, on account of the prevalence of any communicable disease, or to prevent the spread of communicable diseases, prohibit the attendance of any school district teacher or student and specify the time during which the teacher or student shall remain away from school.**
  - a. **The Department of Health and Senior Services shall provide guidance to the school district on the appropriateness of any such prohibition.**
  - b. **The school district shall comply with the provisions of N.J.A.C. 8:61-2.1 regarding attendance at school by students or adults infected by Human Immunodeficiency Virus (HIV).**

EE. ~~Documentation~~ **Accepted as Evidence of Immunization**  
(N.J.A.C. 8:57-4.6)

1. **The following documents** ~~Any of the following documents~~ shall be accepted as evidence of a **child's** ~~student's~~ immunization history, provided that the ~~document~~ **lists** the type of immunization and the ~~specific date (month, day and year)~~ when each immunization was administered **is listed**.
  - a. An official school record from any school or preschool indicating compliance with immunization requirements **of N.J.A.C. 8:57-4.1 et seq.;**
  - b. A record from any public health department indicating compliance with immunization requirements **of N.J.A.C. 8:57-4.1 et seq.;**
  - c. A certificate signed by a physician licensed to practice medicine or osteopathy or an advanced practice nurse (certified registered nurse practitioner, or clinical nurse specialist) in any jurisdiction in the United States indicating compliance with immunization requirements **of N.J.A.C. 8:57-4.1 et seq.;** or
  - d. The official record of immunization from the New Jersey Immunization Information System indicating compliance with immunization requirements **of N.J.A.C. 8:57-4.1 et seq.**
2. All immunization records submitted by a parent(s) ~~or legal guardian(s)~~ in a language other than English shall be accompanied by a translation sufficient to determine compliance with the immunization requirements of **N.J.A.C. 8:57-4.1 et seq. and this R**regulation.
3. ~~Parental verbal history or recollection or previous immunization is unacceptable documentation or evidence of immunization.~~

3. **Laboratory evidence of protective immunity, as enumerated by the Advisory Committee on Immunization Practices (ACIP) of the United States Public Health Service, shall be accepted as evidence of immunization if a parent cannot produce a documented history of immunization.**
4. **Parental verbal history or recollection of previous immunization is unacceptable documentation or evidence of immunization.**

**FD. ~~Immunization~~ Records Required (N.J.A.C. 8:57-4.7)**

1. **The school district** ~~Each school~~ shall maintain an official State of New Jersey **School** Immunization Record for every student. **This record** ~~which~~ shall include the date of each individual immunization **and shall be separated from the child's educational record and other medical records for the purpose of immunization record audit.**
- 2a. **If** ~~When~~ a child withdraws, is promoted, or transfers to another school **district**, ~~preschool or child care center~~, the immunization record, or a certified copy thereof, along with statements pertaining to religious or medical exemptions and laboratory evidence of immunity, shall be sent to the new school **district** by the original school **district** or shall be given to the parent(s) ~~or legal guardian(s)~~ upon request, within twenty-four hours of such a request.
  - b. ~~The immunization record shall be kept separate and apart from the student's other medical records for the purpose of immunization record audit.~~
  - c. ~~Child care centers, preschools, and elementary schools are to retain immunization records, or a copy thereof, for at least one year after the student has left the school. For children who are promoted from elementary to middle school or from middle school to high school within the same school system, this record retention requirement is not applicable in accordance with Department of Education rules and policies on transfer of student records.~~

3. **Parental verbal history or recollection of previous immunization is unacceptable documentation or evidence of immunization.**
4. **When a child graduates from secondary school, the record, or a certified copy thereof, shall be sent to an institution of higher education or may be given to the parent(s) upon request.**
- 5d. **Each child's student's official New Jersey Immunization Record, or a certified copy thereof, shall be retained by a secondary school for a minimum of four years after the student has left the graduates from the secondary school. Each child's official New Jersey Immunization Record, or a copy thereof, shall be retained by an elementary school for a minimum of one year after the child has left the school.**
  - e. ~~When a student graduates from secondary school, the record, or a certified copy thereof, shall be sent to an institution of higher education or may be given to the parent(s) or legal guardian(s) upon request.~~
- 6f. Any computer-generated document or list developed **by the school district** to record immunization information shall be considered a supplement to, not a replacement of, the official New Jersey **School** Immunization Record.

**G. Reports to be Sent to the Department of Health and Senior Services (N.J.A.C. 8:57-4.8)**

1. A report of the immunization status of the students in each school shall be sent each year to the State Department of Health and Senior Services by the Principal or **designee through mail or submitted electronically in accordance with N.J.A.C. 8:57-4.8(a).** ~~other person in charge of a school. The form for the report will be provided by the State Department of Health and Senior Services. The report shall be submitted by January 1 of the respective academic year. A copy of this report shall be sent to the local Board of Health in whose jurisdiction the school is located. Failure by the school district to submit such report by January 1 may result in a referral to the New Jersey Department of Education and the local health department.~~

2. **The form for the report will be provided by the New Jersey Department of Health and Senior Services.**
3. **The report shall be submitted by January 1 of the respective academic year after a review of all appropriate immunization records.**
4. **A copy of this report shall be sent to the local Board of Health in whose jurisdiction the school is located.**
5. **If the school does not submit the annual report by January 1 it shall be considered delinquent. A delinquency may be referred to the New Jersey Department of Education or the New Jersey Department of Children and Families, as appropriate based on the length of time delinquent, number of times delinquent, and efforts made toward compliance. The local health department will also be notified of the delinquency.**

**H. Records Available for Inspection (N.J.A.C. 8:57-4.9)**

13. **The Principal or designee ~~other person in charge of a~~ of each school shall maintain records of their children's immunization status. Upon twenty-four hour notice, these records shall be made ~~make immunization records~~ available for inspection by authorized representatives of the State New Jersey Department of Health and Senior Services or the local Board of Health in whose jurisdiction the school is located, ~~within twenty-four hours of notification.~~**

**IE. Immunization Requirements**

1. The immunization requirements for school age children shall be in accordance with the requirements of N.J.A.C. 8:57-4 – Immunization of Pupils in School as outlined below:

MINIMAL IMMUNIZATION REQUIREMENTS FOR SCHOOL ATTENDANCE IN NEW JERSEY N.J.A.C. 8:57-4: Immunization of Pupils in School		
DISEASE(S)	REQUIREMENTS	COMMENTS
DTaP  <b>N.J.A.C. 8:57-4.10</b>	(AGE 1-6 YEARS): 4 doses, with one dose given on or after the 4th birthday, OR any 5 doses.  (AGE 7-9 YEARS): 3 doses of Td or any previously administered combination of DTP, DTaP, and DT to equal 3 doses.	Any child entering pre-school, pre-Kindergarten, or Kindergarten needs a minimum of four doses. Students after the seventh birthday should receive adult type Td. DTP/Hib vaccine and DTaP also valid DTP doses.  <b>Children 7 years of age and older, who have not been previously vaccinated with the primary DTaP series, should receive 3 doses of Tetanus, diphtheria (Td)</b>  Laboratory evidence of immunity is also acceptable.
Tdap  <b>N.J.A.C. 8:57-4.10</b>	GRADE 6 ( <i>or comparable age level special education program with an unassigned grade</i> ): 1 dose	<del>For students entering Grade 6 on or after 9-1-08 and born on or after 1-1-97.</del>  A child does not need a Tdap dose until FIVE years after the last DTP/DTaP or Td dose.
POLIO  <b>N.J.A.C. 8:57-4.11</b>	(AGE 1-6 YEARS): 3 doses, with one dose given on or after the 4th birthday, OR any 4 doses.  (AGE 7 or OLDER): Any 3 doses.	Either Inactivated Polio Vaccine (IPV) or Oral Polio Vaccine (OPV) separately or in combination is acceptable. Polio vaccine is not required of students 18 years of age or older. Laboratory evidence of immunity is also acceptable.
MEASLES  <b>N.J.A.C. 8:57-4.12</b>	<del>If born before 1-1-90, 1 dose of a live Measles-containing vaccine.</del> <del>If born on or after 1-1-90, 2 doses of a live Measles-containing vaccine.</del>  <del>If entering a college or university after 9-1-95 and previously unvaccinated, 2 doses of a live Measles-containing vaccine.</del>	Any child over 15 months of age entering child care, pre-school, or pre-Kindergarten needs a minimum of 1 dose of measles vaccine.  Any child entering Kindergarten needs 2 doses.  <del>Previously unvaccinated students entering college after 9-1-95 need 2 doses of measles-containing vaccine or any combination containing live measles virus administered after 1968.</del>  <del>Documentation of 2 prior doses is acceptable.</del>  <del>Laboratory evidence of immunity is also acceptable.</del>  Intervals between first and second measles/MMR/MR doses cannot be less than 1 month.

Immunization

MINIMAL IMMUNIZATION REQUIREMENTS FOR SCHOOL ATTENDANCE IN NEW JERSEY N.J.A.C. 8:57-4: Immunization of Pupils in School		
DISEASE(S)	REQUIREMENTS	COMMENTS
PNEUMOCOCCAL  N.J.A.C. 8:57-4.18	(AGE 2-11 MONTHS) <sup>(1)</sup> : 2 doses (AGE 12-59 MONTHS) <sup>(2)</sup> : 1 dose	Children enrolled in child care or pre-school on or after 9-1-08. <sup>(1)</sup> Minimum of 2 doses of Pneumococcal vaccine is needed if between the ages of 2-11 months. <sup>(2)</sup> Minimum of 1 dose of Pneumococcal vaccine is needed on or after the first birthday.
MENINGOCOCCAL  N.J.A.C. 8:57-4.20	(Entering GRADE 6 <i>or comparable age level Special Ed program with an unassigned grade</i> ): 1 dose <sup>(1)</sup> (Entering a four-year college or university, previously unvaccinated and residing in a campus dormitory): 1 dose <sup>(2)</sup>	<sup>(1)</sup> For students entering Grade 6 on or after 9-1-08 and born on or after 1-1-97. <sup>(2)</sup> Previously unvaccinated students entering a four-year college or university after 9-1-04 and who reside in a campus dormitory, need 1 dose of meningococcal vaccine. Documentation of one prior dose is acceptable.
INFLUENZA  N.J.A.C. 8:57-4.19	(AGES 6-59 MONTHS): 1 dose ANNUALLY	For children enrolled in child care, pre-school or pre-Kindergarten on or after 9-1-08. 1 dose to be given between September 1 and December 31 of each year.

AGE APPROPRIATE VACCINATIONS (FOR LICENSED CHILD CARE CENTERS/PRE-SCHOOLS)	
CHILD'S AGE	NUMBER OF DOSES CHILD SHOULD HAVE (BY AGE):
2-3 Months	1 dose DTaP, 1 dose Polio, 1 dose Hib, 1 dose PCV7
4-5 Months	2 doses DTaP, 2 doses Polio, 2 doses Hib, 2 doses PCV7
6-7 Months	3 doses DTaP, 2 doses Polio, 2-3 doses Hib, 2-3 doses PCV7, 1 dose Influenza
8-11 Months	3 doses DTaP, 2 doses Polio, 2-3 doses Hib, 2-3 doses PCV7, 1 dose Influenza
12-14 Months	3 doses DTaP, 2 doses Polio, 1 dose Hib, 2-3 doses PCV7, 1 dose Influenza
15-17 Months	3 doses DTaP, 2 doses Polio, 1 dose MMR, 1 dose Hib, 1 dose PCV7, 1 dose Influenza
18 Months – 4 Years	4 doses DTaP, 3 doses Polio, 1 dose MMR, 1 dose Hib, 1 dose Varicella, 1 dose PCV7, 1 dose Influenza

PROVISIONAL ADMISSION:

Provisional admission allows a child to enter/attend school but must have a minimum of one dose of each of the required vaccines. Students must be actively in the process of completing the series. If a student is less than 5 years of age, they have 17 months to complete the immunization requirements.

If a student is 5 years of age and older, they have 12 months to complete the immunization requirements.

GRACE PERIODS:

- 4-day grace period: All vaccines doses administered less than or equal to four days before either the specified minimum age or dose spacing interval shall be counted as valid and shall not require revaccination in order to enter or remain in a school, pre-school or child care facility.
- 30-day grace period: Those children transferring into a New Jersey school, pre-school, or child care center from out of State/out of country may be allowed a 30-day grace period in order to obtain past immunization documentation before provisional status shall begin.

2. **The immunization requirements outlined in I.1. above may be revised by Statute, administrative code, and/or the Commission of Health and Senior Services.**

**JF.** Emergency Powers of the Commissioner of Health and Senior Services

- ~~1. If a threatened outbreak, or outbreak of disease, or other public health immunization emergency exists, as determined by the State Commissioner of Health and Senior Services or designee, all students with provisional, religious, or medical exemptions (which relate to the specific disease threatening or occurring) shall be excluded from school. If these students become immunized or produce serologic evidence of immunity to the specific disease the student may immediately be readmitted to school.~~
12. If **an outbreak or** threatened outbreak, ~~or outbreak~~ of disease or other public health immunization emergency exists, as determined by the State Commissioner of Health and Senior Services or designee, the State Commissioner or designee may issue either additional immunization requirements to control the outbreak or threat of an outbreak or modify immunization requirements to meet the emergency.
2. All children failing to meet the additional immunization requirements of N.J.A.C. 8:57-4.22 shall be excluded from school until the outbreak or threatened outbreak is over. These requirements shall remain in effect as outlined in **J.3. below and** N.J.A.C. 8:57-4.22(c).

3. **These requirements or amendments shall remain in effect until such time as the Commissioner, Department of Health and Senior Services or designee determines that an outbreak or a threatened outbreak no longer exists or the emergency is declared over, or for three months after the declaration of the emergency whichever one comes first. The Commissioner, Department of Health and Senior Services or designee may declare a state of emergency if the emergency has not ended.**
  
43. The Commissioner of Health and Senior Services or designee may temporarily suspend an immunization requirement **for the particular immunization** in accordance with the reasons as outlined in N.J.A.C. 8:57-4.22(d).

Administering an Opioid Antidote  
M

5330.04 ADMINISTERING AN OPIOID ANTIDOTE

N.J.S.A. 18A:40-12.24.a requires schools to adopt a Policy for the emergency administration of an opioid antidote to a student, staff member, or other person who is experiencing an opioid overdose.

N.J.S.A. 18A:40-12.24.a.(1) requires schools with any of the grades nine through twelve to comply with the provisions of the law.

N.J.S.A. 18A:40-12.24 requires a school to obtain a standing order for opioid antidotes pursuant to the “Overdose Prevention Act” - N.J.S.A. 24:6J-1 et seq. The school shall maintain a supply of opioid antidotes under the standing order in a secure, but unlocked and easily accessible location. The opioid antidotes shall be accessible in the school during regular school hours and during school-sponsored functions that take place in the school or on school grounds adjacent to the school building. **The Board may, in its discretion, make an opioid antidote accessible during school-sponsored functions that take place off school grounds.**

The school nurse and a designated employee who volunteers to administer an opioid antidote pursuant to N.J.S.A. 18A:40-12.24.c. are required to be trained for the administration of an opioid antidote in accordance with N.J.S.A. 18A:40-12.25.b. The school nurse or a designated employee who volunteers to administer an opioid antidote shall be promptly available on site at the school during regular school hours and during school-sponsored functions that take place in the school or on school grounds adjacent to the school building at any time.

N.J.S.A. 18A:40-12.24 permits the school nurse or a designated trained employee to administer an opioid antidote to any person whom the nurse or the trained designated employee who in good faith believes is experiencing an opioid overdose.

An overdose victim shall be transported to a hospital emergency room by emergency medical responders after the administration of an opioid antidote, even if the person’s symptoms appear to have resolved.

In accordance with N.J.S.A. 24:6J-4.a.(1)(f), a prescriber or other health care practitioner, as appropriate, may prescribe or dispense an opioid antidote directly or through a standing order to a school, school district, or school nurse. In accordance with N.J.S.A. 24:6J-4.a.(2)(c), whenever the law expressly authorizes or requires a school or school district to obtain a standing order for opioid antidotes, the school nurse(s) employed or engaged by the school or school district shall be presumed by the prescribing or dispensing health care practitioner to be capable of administering the opioid antidote, consistent with the express statutory requirement.

Notwithstanding the provisions of N.J.S.A. 24:6J-4.a.(3)(b) to the contrary, if the law expressly authorizes or requires a school, school district, or school nurse to administer or dispense opioid antidotes pursuant to a standing order under N.J.S.A. 24:6J-4 et seq., the standing order issued shall be deemed to grant the authority specified by the law, even if such authority is not specifically

indicated on the face of the standing order.

In accordance with the provisions of N.J.S.A. 18A:40-12.26, no school employee, including a school nurse or any other officer or agent of a Board of Education or charter school, or a prescriber of opioid antidotes for a school through a standing order, shall be held liable for any good faith act or omission consistent with the provisions of N.J.S.A. 18A:40-12.23 et seq. Good faith shall not include willful misconduct, gross negligence, or recklessness.

Any school, school district, school nurse, school employee, or any other officer or agent of a Board of Education or charter school who administers or permits the administration of an opioid antidote in good faith in accordance with the provisions of N.J.S.A. 18A:40-12.24 and pursuant to a standing order issued under N.J.S.A. 24:6J-4 shall not, as a result of any acts or omissions, be subject to any criminal or civil liability or any disciplinary action for administering, or permitting the administration of, the opioid antidote in accordance with N.J.S.A. 24:6J-1 et seq. **Nothing in this Policy shall be interpreted to prohibit the administration of an opioid antidote to a student, staff member, or other person in an emergency during school hours or during on-site school-sponsored activities by an emergency medical responder or other person authorized by law to administer an opioid antidote, in accordance with N.J.S.A. 24:6J-1 et seq.**

**The Overdose Prevention Act provides that when a person, in good faith, seeks medical assistance for an individual believed to be experiencing a drug overdose, whether the person is seeking assistance for himself/herself or another, the person calling for help and the person experiencing the overdose shall not be arrested, charged, prosecuted, or convicted for certain criminal offenses enumerated in N.J.S.A. 2C:35-30(a)(1-6) and N.J.S.A. 2C:35-31(a)(1-6).**

Notwithstanding the provisions of any law, rule, regulation, ordinance, or institutional or organizational directive to the contrary, any person or entity authorized to administer an opioid antidote pursuant to

N.J.S.A. 24:6J-4, may administer to an overdose victim, with full immunity: a single dose of any type of opioid antidote that has been approved by the United States Food and Drug Administration for use in the treatment of opioid overdoses; and up to three doses of an opioid antidote that is administered through an intranasal application, or through an intramuscular auto-injector, as may be necessary to revive the overdose victim. Prior consultation with, or approval by, a third-party physician or other medical personnel shall not be required before an authorized person or entity may administer up to three doses of an opioid antidote, as provided in N.J.S.A. 24:6J-4, to the same overdose victim.

A school district may enter into a shared services arrangement with another school district for the provision of opioid antidotes pursuant to N.J.S.A. 18A:40-12.27 if the arrangement will result

in cost savings for the districts.

This Policy and Regulation 5330.04 shall be reviewed and approved by the school physician prior to Board adoption and whenever this Policy is revised. This Policy shall be made available to school staff members, parents, and students in handbooks, on the school district's website, or through any other appropriate means of publication.

N.J.S.A.18A:40-12.23; 18A:40-12.24; 18A:40:12-25; 18A:40-12.26;

R 5330.04 ADMINISTERING AN OPIOID ANTIDOTE

A. Definitions

1. “Opioid antidote” means any drug, regardless of dosage amount or method of administration, which has been approved by the United States Food and Drug Administration (FDA) for the treatment of an opioid overdose. “Opioid antidote” includes, but is not limited to, naloxone hydrochloride, in any dosage amount, which is administered through nasal spray or any other FDA-approved means or methods.
2. “Opioid overdose” means an acute condition including, but not limited to, extreme physical illness, decreased level of consciousness, respiratory depression, coma, or death resulting from the consumption or use of an opioid drug or another substance with which an opioid drug was combined, and that a layperson would reasonably believe to require medical assistance.
3. “School-sponsored function” means any activity, event, or program occurring on or off school grounds, whether during or outside of regular school hours, that is organized or supported by the school.
  - a. **The requirements of N.J.S.A. 18A:40-12.23 through 12.27 only apply to school-sponsored functions that take place in the school or on school grounds adjacent to the school building.**

B. Acquisition, Maintenance, Accessibility, and Documentation of an Opioid Antidote

1. **In accordance with N.J.S.A. 24:6J-4(a)(1)(f) and N.J.S.A. 24:6J-4(a)(2)(c), the school physician may prescribe or dispense an opioid antidote through a standing order to the school district, school, or certified school nurse for administration to overdose victims. The school physician’s standing order must specify, at a minimum, the following:**
  - a. **The certified school nurse is authorized to directly administer the opioid antidote to overdose victims in the event of an emergency; and**
  - b. **The school district, school or certified school nurse may also dispense or grant access, in emergency situations, to other persons employed by the district or school who have certified to having received training in the administration of the opioid antidote and overdose prevention information.**

2. The school nurse in each school that includes any of the grades designated by the Board in Policy 5330.04 shall obtain a standing order for opioid antidotes pursuant to the “Overdose Prevention Act” – N.J.S.A. 24:6J-1 et seq.
  - a. **Written standing orders shall be reviewed and reissued before the beginning of the school year in accordance with N.J.A.C. 6A:16-2.3(a)4(vi).**
  
3. The school nurse shall be responsible to:
  - a. Maintain a supply of opioid antidotes that have been prescribed under a standing order in a safe and secure, but unlocked and easily accessible location in the school:
    - (1) The opioid antidotes shall be accessible in the school during regular school hours and during school-sponsored functions that take place in the school or on school grounds adjacent to the school building.
  - b. Document the administration of an opioid antidote on a student’s health record;
  - c. Monitor the on-site inventory and replacement of the opioid antidote supply; and
  - d. **Ensure the replacement of the opioid antidote supply following use or expiration of the opioid antidote; and**
  - e. Plan for the disposal of administered opioid antidote and expired opioid antidote applicators.
  
4. Opioid antidotes shall be maintained by a school pursuant to N.J.S.A. 18A:40-12.24.b.(1) in quantities and types deemed adequate by the Board, in consultation with the New Jersey Department of Education (NJDOE) and the Department of Human Services.

C. Authorization and Training for Administering an Opioid Antidote

1. The school nurse shall have the primary responsibility for the emergency administration of an opioid antidote.
2. However, the Board upon the recommendation of the Superintendent shall designate additional employees who volunteer to administer an opioid antidote in the event that a

person experiences an opioid overdose when the nurse is not physically present at the scene.

**Optional**

- a. **The district shall provide in writing to the school nurse and each employee designated by the Board written approval to administer an opioid antidote pursuant to N.J.S.A. 18A:40-12.24.c.(1). Each written approval shall be kept on file in the school nurse's office.**
  - b. **The district shall notify all school staff members of the identity of each employee approved and designated by the Board to administer an opioid antidote pursuant to N.J.S.A. 18A:40-12.24.c.(1).]**
3. The school nurse and designated employees shall only be authorized to administer opioid antidotes after receiving the training required under N.J.S.A. 18A:40-12.25.b **and N.J.S.A. 24:6J-5.**

~~a. Each school nurse and each employee designated to administer an opioid antidote pursuant to N.J.S.A. 18A:40-12.24.c.(1) shall receive training on standardized protocols for the administration of an opioid antidote to a person who experiences an opioid overdose. The training shall include the overdose prevention information described in the "Overdose Prevention Act" N.J.S.A. 24:6J-5. The school district will provide training by an appropriate entity or entities as specified by the NJDOE's guidelines. A school nurse shall not be solely responsible to train the employees designated pursuant to N.J.S.A. 18A:40-12.24.c. Each certified school nurse and each employee designated to administer an opioid antidote pursuant to N.J.S.A. 18A:40-12.24.c.(1) and N.J.S.A. 24:6J-5 shall receive training on standard protocols from the school physician issuing the standing order or through a written agreement by the school physician with an organization that addresses medical or social issues related to drug addiction.~~

**The training must address overdose prevention information, including but not limited to, the following:**

- (1) **Information on opioid overdose prevention and recognition;**
- (2) **Instruction on how to perform rescue breathing and resuscitation;**
- (3) **Information on opioid dosage and instruction on opioid**

**antidote administration;**

- (4) Information describing the importance of calling 911 Emergency telephone service for assistance with an opioid overdose; and**
- (5) Instructions for appropriate care of an overdose victim after administration of the opioid antidote.**

**b. The district shall collect and maintain written evidence of satisfactory completion of the required training program before a certified school nurse or an employee is approved to administer opioid antidote.**

- 4.** In the event a licensed athletic trainer volunteers to administer an opioid antidote pursuant to N.J.S.A. 18A:40-12.23 through 12.27, it shall not constitute a violation of the “Athletic Training Licensure Act” – N.J.S.A. 45:9-37.35 et seq.

**D. Administration of an Opioid Antidote**

- 1.** The school nurse or a trained employee designated pursuant to N.J.S.A. 18A:40-12.24.c.(1) shall be authorized to administer an opioid antidote to any person whom the nurse or trained employee in good faith believes is experiencing an opioid overdose.
  - a.** The school nurse or a trained employee designated pursuant to N.J.S.A. 18A:40-12.24.c.(1) shall be promptly available on site at the school during regular school hours and during school-sponsored functions that take place in the school or on school grounds adjacent to the school building at any time.
  - b.** Upon receiving a report or observing a possible opioid overdose in the school or at a school-sponsored function that takes place in a school or on school grounds adjacent to the school building at any time, the Principal or designee or any staff member present will immediately call the school nurse, if present, or a designated staff member who volunteered and was trained to administer an opioid antidote, and emergency medical responders.

**[Option – Option B.5. above must be included if Option D.1.c. below is selected**

- c. School-Sponsored Functions Off School Grounds: Upon receiving a report or observing a possible opioid overdose occurring at a school-sponsored function that takes place off school grounds, as designated by**

**the Superintendent or designee, a staff member shall immediately call the school nurse, if present, or a staff member who volunteered and was trained to administer an opioid antidote, if present, and emergency medical responders**

2. **The certified school nurse or employee designated to administer an opioid antidote pursuant to N.J.S.A. 18A:40-12.24.c.(1) and N.J.S.A. 24:6J-5 shall determine, in addition to the opioid antidote, whether any other emergency medical response is necessary, including but not limited to, cardiopulmonary resuscitation (CPR), Rescue Breaths, or the use of an automated external defibrillator (AED).**
3. **The certified school nurse and/or other** A staff member(s) shall **monitor the person who has received an opioid antidote and** keep the individual who may be experiencing an opioid overdose comfortable until emergency medical responders arrive on the scene.
4. An **individual overdose victim** shall be transported to a hospital emergency room by emergency medical responders after the administration of an opioid antidote, even if the person's symptoms appear to have resolved. **A student transported to the hospital shall be transported in accordance with the Board's Policy required in treating alcohol or other drug-affected students pursuant to N.J.A.C. 16-4.1(c)5.**
5. The Principal or designee shall notify the Superintendent or designee whenever an opioid antidote is administered.
6. The Principal or designee shall notify, as soon as practical, the parent of any student or a family member or other contact person for a staff member who may be experiencing an opioid overdose or has been administered an opioid antidote.
7. **Nothing in Regulation 5330.04 shall be interpreted to prohibit the administration of an opioid antidote to a student, staff member, or other person in an emergency during school hours or during on-site school-sponsored activities by an emergency medical responder or other person authorized by law to administer an opioid antidote, in accordance with N.J.S.A. 24:6J-1 et seq**

E. Use of Controlled Dangerous Substances

1. Any student or staff member who is found to be under the influence of a controlled dangerous substance shall be subject to the provisions of any applicable statutes and administrative codes and Board Policies and Regulations prohibiting the use of a controlled dangerous substance.

**F. Limitation of Liability**

- 1. Pursuant to N.J.S.A. 24:6J-4, the school district, school physician, certified school nurse, and other approved designees shall not, as a result of any acts or omissions, be subject to any criminal or civil liability for administering an opioid antidote.**
  
- 2. Any person or entity authorized under N.J.S.A. 18A:40-12.23 through 12.28 to administer an opioid antidote, may administer to an overdose victim with full immunity:**
  - a. A single dose of any type of FDA approved opioid antidote for use in treatment of opioid overdoses; and**
  
  - b. Up to three doses of an intramuscular auto injector or an intranasal application of opioid antidote, as needed to revive the overdose victim.**

**Adopted Issued:** 4 April 2019  
**Revised:**

5610 SUSPENSION

The Board of Education recognizes that even the temporary exclusion of a student from the educational program of this district is a severe sanction and one that cannot be imposed without due process.

Any student who is guilty of continued and willful disobedience, or of open defiance of the authority of any teacher or person having authority over him, or of the habitual use of profanity or of obscene language, or who shall cut, deface or otherwise injure any school property, shall be liable to punishment and to suspension or expulsion from school. Conduct which shall constitute good cause for suspension or expulsion of a student guilty of such conduct shall include, but not be limited to, the conduct as defined in N.J.S.A. 18A:37-2 and the school district's Student Discipline Code of Conduct Policy and Regulation in accordance with the N.J.A.C. 6A:16-7.1. et seq.

For the purposes of this policy, "suspension" means the temporary removal of a student from the regular instructional program.

For the purposes of this Policy, "short term suspension" means a suspension for one, but not more than ten consecutive school days or less and "long term suspension" means a suspension for more than ten consecutive school days.

In accordance with the provisions of N.J.S.A. 18A:37-4, a student may be suspended only by the Principal, who shall report any suspension to the Superintendent as soon as possible. The Superintendent shall report the suspension to the Board at its next regular meeting. The suspended student may be reinstated by the Principal or by the Superintendent prior to the second regular meeting of the Board following the suspension, unless the Board reinstates the student at the first regular meeting. No student suspended for reasons of assault upon a person in authority may be reinstated before the Board has held a hearing, within thirty calendar days of the suspension, to consider that student's expulsion from school. At its second regular meeting after the suspension and thereafter, the Board alone may reinstate the student or continue the suspension.

In accordance with the provisions of N.J.S.A. 18A:37-2a, a student in Kindergarten through grade two shall not receive an out-of-school suspension, except when the suspension is based on conduct that is of a violent or sexual nature that endangers others. Students in preschool shall not receive an out-of-school suspension except as provided pursuant to the "Zero Tolerance for Guns Act," N.J.S.A. 18A:37-7 et seq.

The district shall implement an early detection and prevention program to identify students in preschool through grade two who are experiencing behavioral or disciplinary problems and provide behavioral supports for these students which may include, but not be limited to, remediation of problem behaviors, positive reinforcements, supportive interventions, and referral services. An early detection program may be incorporated into the intervention and referral services required to be established in each school pursuant to State Board of Education regulations.

In each instance of a short-term suspension, the student will be provided oral or written notice of the charges and an informal hearing conducted by the Building Principal or designee in accordance with the procedures outlined in N.J.A.C. 6A:16-7.2. To the extent the student's presence poses a continuing danger to persons or property or an ongoing threat of disrupting the educational process, the student may be immediately removed from the student's educational program and the informal hearing shall be held as soon as practical after the suspension. In each instance of a long-term suspension, the district shall assure the rights of the student pursuant to N.J.A.C. 6A:16-7.3.

In each instance of a long-term suspension, the district shall assure the rights of the student pursuant to N.J.A.C. 6A:16-7.3.

The district will comply with the requirements of N.J.A.C. 6A:16-7.2 and 7.3, in addition to all the procedural protections set forth in N.J.A.C. 6A:14, for each student with a disability who is subject to a short-term or long-term suspension.

In each instance of a short- or long-term suspension, the district shall provide academic instruction, either in school or out of school, that addresses the New Jersey Student Learning Standards pursuant to N.J.A.C. 6A:8-3. et seq., which may include a public education program provided in accordance with the provisions of N.J.A.C. 6A:16-9 or 10. These services shall be provided within five school days of the suspension. Educational services provided to a student with a disability shall be provided consistent with the student's Individualized Education Program, in accordance with N.J.A.C. 6A:14.

may include a public education program provided in accordance with the provisions of N.J.A.C. 6A:16-9 or 10. These services shall be provided within five school days of the suspension. Educational services provided to a student with a disability shall be provided consistent with the student's Individualized Education Program, in accordance with N.J.A.C. 6A:14.

**In the event a student has experienced multiple suspensions or may be subject to a proposed expulsion from school, the Principal shall convene a meeting, as soon as practicable, between the student and a school psychologist, a school counselor, a school social worker, a student assistance coordinator, or a member of the school's intervention and referral services team in accordance with the provisions of N.J.S.A. 18A:37-2c.**

Student records are subject to challenge by parents and adult students in accordance with N.J.A.C. 6A:32-7.7 and Policy and Regulation 8330. The name of a disciplined student will not appear in the agenda or minutes of a public meeting or in any public record of this district; any such student will be designated by code.

### R 5610 SUSPENSION PROCEDURES

#### A. Short-Term Suspensions

1. In each instance of a short-term suspension, the Principal or designee, shall assure the rights of a student suspended for one, but not more than ten consecutive school days by providing for the following:
  - a. As soon as practicable, oral or written notice of charges to the student.
    - (1) When charges are denied, an explanation of the evidence forming the basis of the charges also shall be provided.
  - b. Prior to the suspension, an informal hearing in which the student is given the opportunity to present his or her version of the events regarding his or her actions leading to the short-term suspension and is provided notice of the school district's actions taken pursuant to N.J.A.C. 6A:16-7.1(c)2. and 5.
    - (1) The informal hearing shall be conducted by a school administrator or designee;
    - (2) To the extent that a student's presence poses a continuing danger to persons or property or an ongoing threat of disrupting the educational process, the student may be immediately removed from the student's educational program and the informal hearing shall be held as soon as practical after the suspension;
    - (3) The informal hearing should take place even when a school staff member has witnessed the conduct forming the basis of the charge; and
    - (4) The informal hearing and the notice given may take place at the same time.
  - c. Oral or written notification to the student's parent of the student's removal from the student's educational program prior to the end of the school day on which the Principal decides to suspend the student. The notification shall include an explanation of:
    - (1) The specific charges;

- (2) The facts on which the charges are based;
  - (3) The provision(s) of the code of conduct the student is accused of violating;
  - (4) The student's due process rights, pursuant to N.J.A.C. 6A:16-7.1 (c)3 and N.J.A.C. 6A:16-7.2; and
  - (5) The terms and conditions of the suspension.
- d. Appropriate supervision of the student while waiting for the student's parent to remove the student from school during the school day; and
- e. Academic instruction, either in school or out of school, that addresses the New Jersey Student Learning Standards.
  - (1) The student's academic instruction shall be provided within five school days of the suspension.
  - (2) At the completion of a short-term suspension, the Board of Education shall return a general education student to the general education program for which he or she was suspended.
  - (3) The academic instruction provided to a student with a disability shall be provided consistent with N.J.A.C. 6A:14.
2. The Principal suspending the student shall immediately report the suspension to the Superintendent, who shall report it to the Board of Education at its next regular meeting, pursuant to N.J.S.A. 18A:37-4.
3. An appeal of the Board's decision affecting the general education student's educational program shall be made to the Commissioner, in accordance with N.J.S.A. 18A:37-2.4 and N.J.A.C. 6A:3-1.3 through 1.17.
4. For a student with a disability, the provisions set forth in N.J.A.C. 6A:16-7.2 shall be provided in addition to all procedural protections set forth in N.J.A.C. 6A:14.

**B. Long-Term Suspensions**

1. In each instance of a long-term suspension, the Principal or designee shall assure the rights of a student suspended for more than ten consecutive school days by providing the following:
  - a. Notification to the student of the charges, prior to the student's removal from school;
  - b. Prior to the suspension, an informal hearing during which the student is given the opportunity to present his or her version of the events regarding his or her actions leading to the long-term suspension and is provided notice of the school district's actions taken pursuant to N.J.A.C. 6A:16-7.1(c)2 and 5;
  - c. Immediate notification to the student's of the student's removal from school;
  - d. Appropriate supervision of the student while waiting for the student's parent-to remove the student from school during the school day;
  - e. Written notification to the parent by the Superintendent or designee within two school days of the initiation of the suspension, stating:
    - (1) The specific charges;
    - (2) The facts on which the charges are based;
    - (3) The student's due process rights, pursuant to N.J.A.C. 6A:16-7.1(c)3 and N.J.A.C. 6A:16-7.3; and
    - (4) Further engagement by the student in conduct warranting expulsion, pursuant to N.J.S.A. 18A:37-2, shall amount to a knowing and voluntary waiver of the student's right to a free public education, in the event that a decision to expel the student is made by the Board, pursuant to N.J.S.A. 18A:37-2 and N.J.A.C. 6A:16-7.4.

- (a) The Board shall request from the parent and student written acknowledgement of the notification provided pursuant to N.J.A.C. 6A:16-7.3(a)5.iv subsequent to the removal of the student from his or her educational program, pursuant to N.J.A.C. 6A:16-7.3.
- f. A list of witnesses and their statements or affidavits, if any, no later than five days prior to the formal hearing, pursuant to j. below;
- g. For a student with a disability, a manifestation determination, pursuant to N.J.A.C. 6A:14-2.8 and the Federal regulations;
- h. Information on the student's right to secure an attorney and legal resources available in the community identified pursuant to N.J.A.C. 6A:16-7.1(c)7;
- i. Either in- or out-of-school educational services, that are comparable to those provided in the public schools for students of similar grades and attainments, pursuant to N.J.S.A. 18A:38-25, which may include a public education program provided in accordance with N.J.A.C. 6A:16-9 or 10.
- (1) The student's educational services shall be provided within five school days of the suspension.
- (2) The Board shall make decisions regarding the appropriate educational program and support services for the suspended general education student based on the New Jersey Student Learning Standards and the following considerations:
- (a) A behavioral assessment or evaluation including, but not limited to, a referral to the Child Study Team, as appropriate;
- (b) The results of relevant testing, assessments or evaluations of the student;
- (c) The student's academic, health, and behavioral records;
- (d) The recommendation of the Superintendent, Principal, or other relevant school or community resource;

- (e) Considerations of parental input; or
  - (f) Consultation with the Intervention and Referral Services Team, in accordance with N.J.A.C. 6A:16-8.
- (3) Educational services provided to a student with a disability shall be provided consistent with N.J.A.C. 6A:14.
- j. A formal hearing before the Board that shall, at a minimum:
- (1) Be conducted by the Board or delegated by the Board to a Board committee, a school administrator or an impartial hearing officer for the purpose of determining facts or making recommendations.
    - (a) Before taking final action, the Board as a whole shall receive and consider either a transcript or detailed report on the hearing.
  - (2) Include the opportunity for the student to:
    - (a) Confront and cross-examine witnesses, if there is a question of fact; and
    - (b) Present his or her own defense and produce oral testimony or written supporting affidavits.
  - (3) Take place no later than thirty calendar days following the day the student is suspended from the general education program; and
  - (4) Result in the Board's decision that shall be based, at a minimum, on the preponderance of competent and credible evidence.
- k. A written statement to the student's parent regarding the Board's decision within five school days after the close of the hearing. The statement shall include, at a minimum:
- (1) The charges considered;
  - (2) A summary of the documentary or testimonial evidence from both the student and the administration that was brought before the Board at the hearing;

- (3) Factual findings relative to each charge and the Board's determination of each charge;
  - (4) Identification of the educational services to be provided to the student pursuant to i. above;
  - (5) The terms and conditions of the suspension; and
  - (6) The right to appeal to the Commissioner of Education the Board's decision regarding the student's general education program, in accordance with N.J.S.A. 18A:37-2.4 and N.J.A.C. 6A:3-1.3 through 1.17.
- l. If at any time it is found that the student did not commit the offense, the student shall be immediately returned to the program from which he or she was removed; and
  - m. At the completion of a long-term suspension, the Board shall return the general education student to the general education program.
2. Any appeal of the Board's decision regarding the general education student's program shall be made to the Commissioner of Education, in accordance with N.J.S.A. 18A:37-2.4 and N.J.A.C. 6A:3-1.3 through 1.17.
  3. Suspension of a general education student shall not be continued beyond the Board's second regularly scheduled meeting following the suspension, unless the Board so determines, pursuant to N.J.S.A. 18A:37-5.
    - a. The Board shall determine whether to continue the suspension, pursuant to B.1 above, based on the following criteria:
      - (1) The nature and severity of the offense;
      - (2) The Board's removal decision;
      - (3) The results of any relevant testing, assessments or evaluations of the student; and

- (4) The recommendation of the Superintendent, after considering input from the Principal or Director of the alternative education program or home or other in-school or out-of-school instruction program in which the student has been placed.
    - b. The Board shall develop and adopt policies and procedures providing for action on the continuation of student suspensions in the event of cancellation of the first or second regular Board meeting pursuant to N.J.S.A. 18A:37-4 and 5.
4. When the Board votes to continue a general education student's suspension, it shall review the case, in consultation with the Superintendent, at each subsequent Board meeting for the purpose of determining:
  - a. The status of the student's suspension;
  - b. The appropriateness of the suspended student's current educational program; and
  - c. Whether the suspended student's current placement, pursuant to above, should continue or whether the student should return to the general education program.
5. When the Board votes to continue a general education student's suspension, it shall make, in consultation with the Superintendent, the final determination on:
  - a. When the student is prepared to return to the general education program;
  - b. Whether the student will remain in an alternative education program or receive home or other in-school or out-of-school instruction, based on the criteria set forth in B.3.a.(1) through (4) above; or
  - c. Whether to initiate expulsion proceedings in accordance with N.J.S.A. 18A:37-2, N.J.A.C. 6A:16-7.4 and Policy 5620.
6. The Board shall provide a general education student suspended under N.J.A.C. 6A:16-7.3 with an appropriate educational program or services, based on the criteria set forth under B.1.i.(2) above, until the student graduates from high school or reaches the age of twenty, whichever comes first.

## Procedures

- a. The educational program shall be consistent with the provisions of N.J.A.C. 6A:16-9.2 and 10.2 and 6A:14-2 and 4.3, whichever is applicable; or
  - b. The educational services provided, either in- school or out-of-school, shall be comparable to those provided in the public schools for students of similar grades and attainments, pursuant to the provisions of N.J.S.A. 18A:38-25.
7. For a student with a disability who receives a long-term suspension, the Board shall proceed in accordance with N.J.A.C. 6A:14 in determining or changing the student's educational placement to an interim or alternate educational setting.
- a. All procedural protections set forth in N.J.A.C. 6A:14 and N.J.A.C. 6A:16-7.3 shall be afforded to a student with a disability who is subjected to a long-term suspension.
  - b. All decisions concerning the student's educational program or placement shall be made by the student's Individualized Education Program team.
  - c. The provisions of B.2. through B.6. above shall not apply to students with disabilities.

### **C. Meeting with Student - Multiple Suspensions or Possible Expulsion**

1. **In accordance with the provisions of N.J.S.A. 18A:37-2c, in the event a student has experienced multiple suspensions or may be subject to a proposed expulsion from school, the Principal shall convene a meeting, as soon as practicable, between the student and a school psychologist, a school counselor, a school social worker, a student assistance coordinator, or a member of the school's intervention and referral services team.**
  - a. **The Principal may convene such a meeting, if after the student has been suspended for the first time, the Principal upon evaluation deems such a meeting appropriate.**
  - b. **The purpose of the meeting shall be to identify any behavior or health difficulties experienced by the student and, where appropriate, to provide supportive interventions or referrals to school or community resources that may assist the student in addressing the identified difficulties.**

Suspension

2. The requirements of C.1. above shall not apply when a student's immediate removal or suspension from the school's regular education program is required pursuant to:
  - a. The provisions of the "Zero Tolerance for Guns Act," (N.J.S.A. 18A:37-7 et seq.);
  - b. N.J.S.A. 18A:37-2.1 – Assault by Pupil Upon Teacher, etc.; Suspension; Expulsion Proceedings;
  - c. N.J.S.A. 18A:37-2.2 – Offense by Pupil Involving Assault, Removal from Schools Regular Education Program; or
  - d. In any other instance in which the safety and security of other students or school staff requires the student's immediate removal from school.
3. In the instances provided in C.2.a. through d. above, the meeting required in C.1. above shall take place as soon as practicable following the student's removal from the school's regular education program.
4. The provisions of N.J.S.A. 18A:37-2c and C. of this Regulation shall be construed in a manner consistent with the "Individuals with Disabilities Act," 20 U.S.C. § 1400 et seq.

**POLICY****RIDGEWOOD  
BOARD OF EDUCATION**STUDENTS  
5620/page 1 of 2  
Expulsion  
M5620 EXPULSION

The Board of Education recognizes that expulsion from this district is the most severe sanction that can be imposed upon a student.

The Board may expel a general education student from school, pursuant to N.J.S.A. 18A:37-2, only after the Board has provided the following:

1. The procedural due process rights set forth in N.J.A.C. 6A:16-7.1(c) 3 and 7.3 and as outlined in Policy and Regulation 5610, subsequent to a long-term suspension pursuant to N.J.A.C. 6A:16-7.3; and
2. An appropriate educational program or service, based on the criteria set forth under N.J.A.C. 6A:16-7.3(f) and as outlined in Regulation 5610.
  - a. The educational program or service shall be consistent with the provisions of N.J.A.C. 6A:16-9.2 – Program Criteria; and N.J.A.C. 6A:16-10.2 - Home or Out-of-School Instruction for General Education Students; and N.J.A.C. 6A:14-2.1 et seq. - Special Education, Procedural Safeguards; and N.J.A.C. 6A:14-4.3 et seq. - Special Education, Program Options, whichever are applicable; or
  - b. The educational services provided, either in school or out of school, shall be comparable to those provided in the public schools for students of similar grades and attainments, pursuant to N.J.S.A. 18A:38-25.

An appeal of the Board’s decision regarding the cessation of the student’s general education program shall be made to the Commissioner of Education in accordance with N.J.S.A. 18A:6-9 and N.J.A.C. 6A:3-1.3 through 1.17. The Board shall continue to provide an appropriate educational program or services in accordance with N.J.A.C. 6A:16-7.4(a)2 until a final determination has been made on the appeal of the Board’s action to expel a student.

In accordance with the provisions of N.J.S.A. 18A:37-2a, a student in Kindergarten through grade two shall not be expelled from school, except as provided pursuant to the “Zero Tolerance for Guns Act,” N.J.S.A. 18A:37-7 et seq. Students in preschool shall not be expelled, except as provided pursuant to the “Zero Tolerance for Guns Act,” N.J.S.A. 18A:37-7 et seq.

The district shall implement an early detection and prevention program to: identify students in preschool through grade two who are experiencing behavioral or disciplinary problems; and provide behavioral supports for these students which may include, but not be limited to, remediation of problem behaviors, positive reinforcements, supportive interventions, and referral services. An early detection program may be incorporated into the intervention and referral services required to be established in each school pursuant to State Board of Education regulations.

**In accordance with the provisions of N.J.S.A. 18A:37-2c, in the event a student may be subject to a proposed expulsion from school, the Principal shall convene a meeting, as soon as practicable, between the student and a school psychologist, a school counselor, a school social worker, a student assistance coordinator, or a member of the school’s intervention and referral services team. The purpose of the meeting shall be to identify any behavior or health difficulties experienced by the student and, where appropriate, to provide supportive interventions or referrals to school or community resources that may assist the student in addressing the identified difficulties.**

**The requirements of N.J.S.A. 18A:37-2c shall not apply when a student’s immediate removal or suspension from the school’s regular education program is required pursuant to: the provisions of the “Zero Tolerance for Guns Act,” (N.J.S.A. 18A:37-7 et seq.); N.J.S.A. 18A:37-2.1 – Assault by Pupil Upon Teacher, etc; Suspension; Expulsion Proceedings; N.J.S.A. 18A:37-2.2 – Offense by Pupil Involving Assault, Removal from Schools Regular Education Program; or in any other instance in which the safety and security of other students or school staff requires the student’s immediate removal from school. In these instances, the meeting required pursuant to N.J.S.A. 18A:37-2c shall take place as soon as practicable following the student’s removal from the school’s regular education program.**

**The provisions of N.J.S.A. 18A:37-2c shall be construed in a manner consistent with the “Individuals with Disabilities Act,” 20 U.S.C. § 1400 et seq.**

A student with a disability shall only be expelled from his or her current program in accordance with N.J.A.C. 6A:14 et seq. An expulsion of a student with a disability from a receiving school shall be handled in accordance with N.J.A.C. 6A:14 et seq.

N.J.S.A. 18A:36A-9; 18A:37-2 et seq.; 18A:37-2a; 18A:37-2b;

8320 PERSONNEL RECORDS

The Board of Education believes that the orderly operation of the school district requires the retention of all records bearing upon an employee's qualifications for employment and employment history.

The Board requires that sufficient records be compiled and maintained to demonstrate an employee's qualifications for the position assigned; compliance with federal, state, and local benefit programs; conformity to district rules; the proper conduct of evaluations; and the employee's entitlement, as appropriate, to tenure and seniority.

The Superintendent shall be responsible for the custody and maintenance of personnel records. A single, central file of documents shall be maintained; temporary, subsidiary records will be permitted for ease in data gathering only. An employee's personnel file shall be maintained for six years following his/her termination of district service, provided the employment history record card is maintained a minimum of eighty years.

**A Board of Education and private agencies that provide educational services by means of public funds shall make employee records and information available for public access pursuant to N.J.S.A. 47:1A-10, the Open Public Records Act, but in accordance with N.J.S.A. 18A:6-120.(d) and 121.(d), and as provided in Policy and Regulation 8320 - Section H. Records maintained in the personnel files of this district are not public records and are not open to inspection except as provided for in this policy. Board minutes and other public records of this district and any computerized files maintained by this district may include only an employee's name, title, position, assignments, salary, payroll record, length of service in the district and in military service, the date and reason for separation from service in this district, and the amount and type of pension a former employee receives.**

Personnel records may be inspected by school administrators to the extent that such inspection is required in the performance of the inspector's duties.

Board members may have access to confidential information in the personnel files of only those employees recommended for or subjected to an employment action requiring a vote of the Board or where access to the information is essential for the performance of the Board member's duties. Board member access to personnel files is limited to the relevant portion of the file and is available only through the Superintendent. Board members may freely inspect employment applications filed by candidates for district positions.

An employee may inspect his/her personnel file provided that the employee requests such access in writing, reviews the record in the presence of the administrator designated to maintain the file,

makes no alteration or addition to the file nor removes any material from it, and signs a log attached to the file indicating the date on which it was inspected.

An employee may appeal to the Superintendent the inclusion or exclusion of records or for appropriate administrative review of the accuracy of any record in his/her personnel file.

The Superintendent shall prepare rules enumerating the records to be maintained for each employee of this district, including, as a minimum and as appropriate to the position, the completed application form, employment contract(s), a copy of the employee's qualifying certification, transcripts, report of an employment physical examination, oath of allegiance, criminal background check, income tax forms, retirement registration, hospitalization forms, annuity forms, rate of compensation, attendance record, assignments to positions, completed evaluations, reports of disciplinary incidents, records of special awards or distinctions, and reports of annual or special physical and mental examinations.

R 8320 PERSONNEL RECORDS

## A. Content of Record

1. A personnel file shall be assembled and maintained for each person employed by this district. Each file shall contain the original or copies, as appropriate, of the following documents regarding the employee:
  - a. The employee's current correct name, address, telephone number, and birthdate;
  - b. Application form, including transcripts of all academic work, records of prior military service, and other supporting documents;
  - c. Annual employment contract and/or annual salary notice, signed by the employee;
  - d. Certificates and/or licenses required for employment;
  - e. Documentation of fulfillment of requirements for any change in salary classification;
  - f. Income tax forms;
  - g. Retirement registration;
  - h. Hospitalization forms;
  - i. Annuity forms;
  - j. Rate of compensation;
  - k. Attendance record, including the starting and ending dates of all leaves of absence, whether the leave was paid or unpaid, and the purpose for which such leaves were granted;
  - l. Assignment to positions, including position title and building to which assigned;
    - m. Completed evaluations;
  - n. Reports of disciplinary incidents;

- o. Records of special awards, commendations, or distinctions;
  - p. Oath of allegiance;
  - q. Reports of routine physical examinations; and
  - r. Reports of physical and mental examinations required for cause.
- 2. No information will be placed in an employees' file that does not pertain to the employee's position in this district and the performance of the employee's duties.
  - 3. The content of personnel files will be reviewed annually and material no longer required will be destroyed.
- B. Custodian of Personnel Records
- 1. The Superintendent is custodian of all personnel records.
  - 2. Personnel records shall be maintained in the Human Resources' office, who shall be records manager responsible for the day-to-day maintenance of the files and for supervising access to the files.
- C. Notice of Content of Files
- 1. Each employee shall be informed of the content of his/her personnel file.
  - 2. Each employee will be notified of the inclusion in his/her file of any document that was not received from the employee or at the direction of the employee.
    - a. No evaluation form will be placed in a personnel file until it has been reviewed and signed by the employee.
    - b. No copy of a memorandum or letter sent by an administrator or other school official to an employee will be placed in the employee's file unless the original and copy include the notation "cc: Personnel File" or other clear indication of the author's intention to place the memorandum or letter in the employee's file.
    - c. No report or letter or memorandum from any source, other than documents referred to in C2b above, may be placed in an

employee's file until a copy of the same has been delivered to the employee.

D. Employee Access to Personnel Records

1. Each employee shall be granted access to his/her personnel file in accordance with these regulations, except as may have been negotiated with the employee's majority representative.
2. Written request for access shall be submitted to the Human Resources. Except in unusual circumstances, access shall be granted only during the regular working hours of the office in which the file is kept.
3. The employee shall review the record in the presence of the Manager of Human Resources or designee and, at the employee's request, a representative of the employee.
4. No alteration or addition or deletion may be made to the file, except that the employee may append to any document in the file his/her comment on that document.
5. The employee may handcopy any portion of his/her file and may receive photocopies of records on payment of the copying fees established for copies of public records.

E. Appeal of Content of the File

1. The employee may appeal to the Superintendent the exclusion or inclusion of any portion of his/her personnel file or the accuracy of any information in the file.
2. An appeal must be made in writing on a form available in the office of the Superintendent.
3. The Superintendent shall render a decision on the appeal as soon as possible, but not later than ten working days from the time the written appeal is submitted. The Superintendent's decision shall be in writing and shall be delivered to the employee and the records manager responsible for the employee's file.
4. Except as may be otherwise provided by contract negotiated with the employee's majority representative, the appellant may appeal the Superintendent's decision to the Board; a decision of the Board may

be appealed to the Commissioner of Education.

F. Access by Board Members and School Officials

1. Personnel files may be inspected by school officials only as required in the discharge of their professional or statutory duties and to the extent required in the discharge of those duties.
2. Personnel files may be inspected by Board members when such inspection relates to the Superintendent's recommendation of a candidate for employment, promotion, transfer, dismissal, or discipline.
3. Much of the information included in an employee's file is confidential; access to the employee's file for professional reasons necessarily imposes on the person reviewing the file the duty to respect the confidentiality of the record.

~~G. Computerized Records~~

- ~~1. Computerized personnel records may include only the following information about an employee:
  - a. Name, address, and telephone number;
  - b. Social security number;
  - c. Current assignment;
  - d. Work experience;
  - e. Employment date; and
  - f. Salary guide and step.~~
- ~~2. Computerized information may be used only for the following purposes:
  - a. Payroll;
  - b. An employee's individual employment record; and
  - c. Studies, reports, or surveys conducted by the district or a governmental agency and authorized by the Superintendent, provided that such studies, reports, or surveys do not identify specific employees.~~

**G. Public Access to Employee Records and Information**

1. **A Board of Education and private agencies that provide educational services by means of public funds shall make employee records and information available for public access, pursuant to N.J.S.A. 47:1A-10, the Open Public Records Act, but in accordance with N.J.S.A. 18A:6-120(d) and 121.(d) in accordance with N.J.A.C. 6A:32-4.3 and as outlined in this Regulation.**
2. **In accordance with the provisions of N.J.S.A. 47:1A-10, notwithstanding the provisions of N.J.S.A. 47:1A-1 et seq. or any other law to the contrary, the personnel or pension records of any individual in the possession of a public agency, including but not limited to, records relating to any grievance filed by or against an individual, shall not be considered a government record and shall not be made available for public access, except that:**
  - a. **An individual's name, title, position, salary, payroll record, length of service, date of separation and the reason therefore, and the amount and type of any pension received shall be a government record;**
  - b. **Personnel or pension records of any individual shall be accessible when required to be disclosed by another law, when disclosure is essential to the performance of official duties of a person duly authorized by the State of New Jersey or the United States, or when authorized by an individual in interest; and**
  - c. **Data contained in information which disclose conformity with specific experiential, educational, or medical qualification required for government employment or for receipt of a public pension, but not including any detailed medical or psychological information, shall be a government record.**
3. **Information related to the evaluation of a particular employee shall be maintained by the school district, be confidential, and not be accessible to the public pursuant to N.J.S.A. 47:1A-1 et seq., as amended and supplemented, in accordance with N.J.S.A. 18A:6-120.d and 18A:6-121.d.**

BYLAWS  
0143.2/page 1 of 2  
Pupil Representatives to the Board of Education

0143.2 PUPIL REPRESENTATIVES TO THE BOARD OF EDUCATION

The Board recognizes that pupils are the primary reason for the existence of the school district. It considers the experience gained by pupils in the district to be a valued source for improving the operation of the school district. The Board is also desirous of furthering the experience of pupils in the governance process and providing opportunities for pupils to contribute to the future direction of the school district. To this end, the Board authorizes the appointment of one pupil representative to the Board.

Term

Pupil representatives to the Board shall serve a term of one year, **and shall be limited to one term of service.**

Each pupil representative shall be appointed by the High School Principal.

Appointment shall occur at least four weeks prior to the organizational meeting of the Board.

Pupil representatives shall attend all public meetings of the Board and shall be entitled to speak at the discretion of the Board President on all matters before the Board except as may be prohibited by New Jersey Statute or Code. Pupil representatives shall not be entitled to vote. All confidential information obtained by virtue of membership shall be held as such by pupil representatives. Pupil representatives shall be held to the same code of ethics as elected and appointed members of the Board.

Duties and Responsibilities

Pupil representatives:

1. Attend all public Board meetings.
2. Shall be excluded from executive sessions of the Board.
3. Represent the views of the student body.
4. Suggest through appropriate channels Board agenda items.
5. Participate in Board discussions and deliberations at the discretion of the Board President.

BYLAWS  
0143.2/page 2 of 2  
Pupil Representatives to the Board of Education

6. Serve on Board committees and attend committee meetings at the discretion of the Committee Chairperson.
7. Shall be excluded from sensitive and confidential discussions and communications (e.g. matters involving personnel, grievances, negotiations, litigation, real property purchase and other sensitive matters).
8. Receive all Board public agendas.
9. May attend the Board orientation sponsored by the New Jersey School Boards Association.
10. Perform such duties as determined by the Board President in consultation with the Superintendent.

Pupil representatives are expected to adhere to all bylaws, policies and regulations of the Board in their role. The Board in no way relinquishes any of its authority, powers, prerogatives or responsibilities but rather adds to its membership a non-voting pupil representative(s) for the mutual benefit of the Board, student body, and the school district.

## 0164 CONDUCT OF BOARD MEETINGS

### Parliamentary Authority

Roberts' Rules of Order, Newly Revised, shall govern the Board of Education in its deliberations and acts in all cases in which it is not inconsistent with statutes of the State of New Jersey, rules of the State Board of Education, or these bylaws.

### Presiding Officer

The President shall preside at all meetings of the Board. In the absence, disability, or disqualification of the President, the Vice President shall act in his/her place; if neither person is present, any member shall be designated by a plurality of those present to preside. The act of any person so designated shall be legal and binding.

### Announcement of Adequate Notice

The person presiding shall commence each meeting with an announcement of the notice given for the meeting or a statement regarding the lack of adequate notice, in accordance with law.

### Agenda

The Superintendent and the Administrative Cabinet, in consultation with the Board President, shall prepare an agenda of items of business to come before the Board at each meeting. The agenda shall be delivered to each Board member no later than ~~two days~~ **two business days**, except **when an unscheduled meeting is being called**, before the meeting and shall include such reports and supplementary materials as are appropriate and available.

**The meeting agenda shall be posted on the district's website and circulated via the district email system 48 hours prior to the meeting time. A reminder email with the agenda shall be sent on the day of the meeting.**

The order of business shall be as follows:

Call to order and roll call

**Optional:** Motion to go into executive session

**Optional: Call to order and roll call again after returning from the closed session**

Pledge of Allegiance

Opening statement by presiding officer

Initial Public Comments limited to 45 minutes total, 4 minutes per person

Presentations

Superintendent's report

~~Comments from the Public~~

Consent items – **regular and routine issues**

**Resolutions and Motions not included in the Consent Agenda**

Approval of bills  
Board member announcements  
Board committee reports  
~~Comments from the public~~  
Discussion items  
Acceptance of minutes  
Other business

**Comments from the public**

**Optional:** Motion to go into executive session

**Optional:** Reconvened public meeting

Adjournment

**Electronic Participation and Virtual Meetings**

**In the event of extraordinary circumstances (which shall be defined as a natural disaster, mandatory or self-imposed quarantine, a State of Emergency declared by the Governor of the State of New Jersey or similar situation), it may be necessary for the full Board to meet virtually, via teleconference or digital media platform, in order to take necessary action.**

**A. Electronic Participation in In-Person Board meetings**

**In the event that an individual board member is unable to attend an in-person meeting, where there is a quorum present, due to extraordinary circumstances as defined above, such member may participate telephonically or electronically, with the permission of the Board President, whose permission shall not be unreasonably withheld, provided that they are able to hear the proceedings and be heard.**

**B. Virtual Meetings**

**Under extraordinary circumstances as defined above, teleconference options and digital platforms may be used to enable virtual board meetings and action even when all members of the Board are not physically present as long as prior arrangements are made to afford the public the opportunity to hear and participate in the meeting.**

**The Board may conduct a public meeting via teleconference or digital platform where members of the public are given appropriate notice and granted access enabling them to listen to and participate in the meeting at the appropriate time. A teleconference or virtual medium will only be used to host a public meeting of the full Board in a situation that makes it impossible or impractical for a quorum of members to meet in person due to the extraordinary circumstances as defined above.**

**Telephonic participation in or the virtual hosting of closed or executive sessions of the full Board shall be limited and only used in situations where in person attendance or the holding of meetings are impossible or impractical as define. All closed or executive sessions shall be and remain confidential.**

## 0169.02 BOARD MEMBER USE OF SOCIAL NETWORKS

In accordance with the School Ethics Act - N.J.S.A. 18A:12-21 et seq., Board of Education members must avoid conduct which is in violation of the public trust or which creates a justifiable impression among the public that such trust is being violated. To avoid conduct that may be in violation or perceived to be in violation of the School Ethics Act, the Board of Education adopts this Policy to provide guidance to Board members in their use of social networks.

For the purposes of this Policy, “social network(s)” shall include, but not be limited to: Internet blogs, electronic bulletin boards, emails, social networking websites, text messages, or any other online platform where people may post or communicate interests, opinions, or any other information that may be viewed by others with or without permission from the person making such post or re-publishing such post. “Social networks” also means an Internet-based service that allows individuals to: construct a public or semi-public profile within a bounded system created by the service; create a list of other users with whom they share a connection within the system; and view and navigate their list of connections and those made by others within the system.

For the purposes of this Policy, “use of a social network” shall include, but not be limited to: posting to a social network, reposting another person’s post to a social network, messaging, or any other publication of material on a social network.

Nothing in this Policy prevents a Board of Education member from using a social network. However, a Board member must avoid conduct on a social network that would violate the School Ethics Act N.J.S.A. 18A:12-21 et seq., which includes the Code of Ethics for Board Members. Board members should be advised communications, publications, photographs, and any other information posted by the Board member or reposted by the Board member on a social network could violate the School Ethics Act and be cause for sanctions in accordance with the law.

While this Policy respects the right of Board members to use social networks, Board members shall recognize they are held to a higher standard than the general public with regard to standards of conduct and ethics. A Board member’s use of social networks shall not damage the reputation of the school district, employees, students, or their families. Board members who use social networks shall ensure their conduct is appropriate for a Board of Education member. Board members should exercise care in setting appropriate boundaries between their personal and public online behavior, understanding what is private in the digital world often has the possibility of becoming public, even without their knowledge or consent.

Board members should carefully review the privacy settings on social networks they use and exercise care and good judgment when posting content and information. When using social networks, Board members are advised to:

1. Not post anything that would violate any of the district’s policies for Board

members;

2. Uphold the district's value of respect for any individual(s) and avoid making defamatory statements about the Board of Education, the school district, employees, students, or their families;
3. Not disclose any confidential information about the school district or confidential information obtained as a result of being a Board member, about any individual(s) or organization, including students and/or their families;
4. Not use or refer to their Board of Education title or position when soliciting for a business organization that he or she or any immediate family member has an interest in, as well as posting or referencing any confidential information regarding the Board of Education or the school district obtained through their Board membership, unless authorized by law;
5. Refrain from having communications through social networks with other Board members regarding any Board of Education business to avoid any potential violation of the New Jersey Open Public Meetings Act;
- ~~6. Not respond to any postings regarding Board of Education or school district business or respond to any question or inquiry posted to the Board member or posted on any social network regarding Board of Education or school district business and shall refer any such questions or inquiries to the Superintendent of Schools to address, as appropriate; or~~
- 6. Board members are entitled to express themselves publicly on any matter, including issues involving the Board and the school district. Individual Board members cannot, however, express the position of the Board except as expressly authorized, in accordance with Board Policy No. 9120. Only the Board President or his/her designee shall authorize or make statements of official Board positions.**
7. Not post any information on a social network determined by the New Jersey School Ethics Commission to be a violation of the New Jersey School Ethics Act.

A Board member shall comply with all Board policies regarding acceptable use of computers and computer networks whenever a Board member is using a Board of Education electronic device.

If the Board or Superintendent believes a Board member's activity on any social network may violate the Board's policies or the New Jersey School Ethics Act, the Board ~~or Superintendent~~ may request the Board member cease such activity.

This Policy has been developed and adopted by this Board to provide guidance and direction to a Board member to avoid actual and/or a perceived appearance of inappropriate conduct or conduct prohibited by the School Ethics Act while using social networks.

**MINUTES OF THE  
REGULAR MEETING  
OF THE  
BOARD OF EDUCATION**

**Ridgewood Public Schools**

**Bergen County, New Jersey  
September 14, 2020**

Minutes of the Regular Public Meeting of the Board of Education held on September 14, 2020, at 7:00 p.m., at the Education Center.

**I. CALL TO ORDER AND ROLL CALL**

**Present:**

Mr. Michael Lembo, President; Ms. Hyunju Kwak, Vice President; Ms. Sheila Brogan; Mr. Cristopher Kaufman; Mr. Saurabh Dani

**Also Present:**

Dr. Daniel Fishbein, Superintendent; Ms. Stacie Poelstra, Assistant Superintendent for Curriculum, Instruction & Assessment; Ms. Antoinette Kelly, Business Administrator/Board Secretary, Ms. Ojetta Townes, Manager of Human Resources

**A. MOTION TO MOVE INTO EXECUTIVE SESSION**

Mr. Lembo moved the following resolution. Ms. Kwak seconded the motion, which was unanimously approved.

Whereas, said law requires the Board to adopt a resolution at a public meeting before it can meet in such Executive Session; now, therefore,

Be it resolved, by the Ridgewood Board of Education, that it does hereby determine that it is necessary to meet in Executive Session to discuss a personnel matter.

**B. MOTION TO OPEN REGULAR SESSION**

Mr. Lembo announced the Board has been meeting in Executive Session pursuant to NJSA:12. The minutes from this meeting will be released when the need for confidentiality no longer exists.

At 7:11 p.m. Mr. Lembo called the regular public meeting to order and asked for a roll call.

**Present:**

Mr. Michael Lembo, President; Ms. Hyunju Kwak, Vice President; Ms. Sheila Brogan; Mr. Cristopher Kaufman; Mr. Saurabh Dani

**Also Present:**

Dr. Daniel Fishbein, Superintendent; Ms. Stacie Poelstra, Assistant Superintendent for Curriculum, Instruction & Assessment; Ms. Antoinette Kelly, Business Administrator/Board Secretary, Ms. Ojetta Townes, Manager of Human Resources

**Visitors:**

Not applicable

**II. FLAG SALUTE AND PLEDGE OF ALLEGIANCE**

Mr. Lembo led those present in the Pledge of Allegiance.

**III. OPENING STATEMENT BY PRESIDING OFFICER**

Mr. Lembo announced that pursuant to the requirements of the Open Public Meetings Act, advance notice of this meeting had been given to The Ridgewood News, The Record, and the Clerk of the Village of Ridgewood. In addition, notices were posted in the office of the Board Secretary and in all school buildings. Due to health concerns related to the COVID-19 meeting the public cannot attend the meeting and public comments can be called in or submitted through the website.

**IV. PRESENTATIONS****A. SUPERINTENDENT'S OPENING OF SCHOOL REPORT**

Dr. Fishbein presented the 2020 Opening of School Report, beginning with remarks about the success of the reopening of schools. He shared enrollment figures, which reflect a decrease in enrollment as compared to June 2020.

Dr. Fishbein explained that some families of children who were beginning kindergarten opted to send their children to a private school for this school year with the intention of returning to the district the following school year. Over the summer, teachers worked on revisions to 34 courses. Additionally, five new courses were written: Soundology (grade 7), Theatre History, Algebra I Advanced, AP Capstone RAHP, and Global Citizen. There were 41 new hires, of which three are new positions (two school psychologists and one special education (STEPSS) teacher). The remaining new hires were either replacements due to resignations or retirements or leave replacements due to maternity or illness.

This summer, several facility projects were accomplished including the Orchard soil remediation project, the RHS Gym 3 floor remediation and replacement, the Stevens Field turf replacement, and work on the Somerville gym floor. Some of the funds that are typically used for various summer maintenance projects were used for COVID response items and personal protective equipment.

Upgrades were made to the district internet connection to accommodate the increased demand for video conferencing and online applications. Also, new devices and online learning tools were purchased. Dr. Fishbein shared the current number of students by grade-level bands in the hybrid and remote models, as well as the transition request as of September 14, 2020.

**B. GRADUATION PATHWAYS**

➤ Ms. Poelstra

Ms. Poelstra gave a presentation on Graduation Pathways for the Class of 2020. The state requires that school districts report graduation statistics at a public meeting.

Ms. Poelstra shared that 434 students graduated from Ridgewood High School, and 23 of those students graduated under the substitute competency test process by which a test such as the SAT or ACT can be used in place of the NJSLA. The number of students who are taking the NJSLA is much higher than it used to be, and, therefore, the number of students using a substitute competency test to meet graduation requirements has decreased. There were no students who graduated under the portfolio appeals process. Ten students received State-endorsed diplomas as a result of meeting any alternative requirements for graduation as specified in their IEPs.

Finally, there were no students denied graduation from the 12th grade solely because of failure to pass the high school end-of-course NJSLA assessments, substitute competency tests, or portfolio appeals process.

### **C. STUDENT REPRESENTATIVE REPORT**

Zoe Kovac provided the student representative report. She is sure that everyone was anticipating, this year is off to a strange start. There was and still is a lot of anxiety, uncertainty, and fear coming from students, parents, and staff. As we are all trying to adjust, it is important to remember that we truly are all in this together. While we, as students, can get easily caught up in our own work and issues as they relate to this new reality, it cannot go unnoticed how appreciative we are for ALL of the Ridgewood teachers, staff, faculty, and BOE members, who, despite their own work and issues, have made the necessary changes to their routines and have been extraordinarily flexible in meeting the needs of us students.

#### Academics

- As far as academics go, we are all experimenting with the new hybrid and all virtual schedules. So far, Ridgewood seems to be quite successful in mandating socially distanced desks, (when possible) keeping students distanced in the hallways, ensuring all students sanitize their desks when done using them, and making sure students are wearing their masks.
- Regardless of the schedule model each student has opted for (remote or hybrid), it has been quite apparent amongst the highschoolers that having all 8 classes a day is quite taxing and challenging. Pre COVID era our schedules implemented a skip of 2 periods for each day. But thankfully, we know that the administration will be working on a new schedule when Phase 2 begins.

#### Arts

- Students virtually sang songs and created dance routines on school grounds to welcome back the faculty and staff this year. It was wonderful to see the students so excited about coming back to school.

#### Athletics

- The track teams are working extremely hard to coordinate track meets but in the meantime, they have been holding captains practices and plan to start official practices on September 14th
- The soccer teams started tryouts today Monday the 14th, and hope to begin the official season early October.
- The swim teams season, unfortunately, has been pushed back but they plan to begin practices early December and begin meets toward late December
- The boys' baseball team were both county and state champions for the 2019 season so that is motivating the baseball players to continue to workout and condition in a safe fashion to maintain their successful streak
- The athletes are wearing masks, adhering to social distancing, and taking all necessary precautions to ensure a safe and successful season

#### Activities

- The RHS Community Outreach Club organized a virtual club fair in place of the annual club fair that typically takes place in the RHS gym. The virtual club fair took place via Powerpoint Presentation and included over 40 different clubs RHS has to offer.
- Several of the RHS clubs have found a way to still operate during these unusual times and have already started to hold virtual club meetings.

#### Miscellaneous

- With the tragic shooting of Jacob Blake in Kenosha, an abundant amount of Ridgewood students gathered and marched peacefully in local protests around town organized by the Ridgewood for Black Liberation organization to protest the systemic racism within our country

## **V. COMMITTEE OF THE WHOLE REPORTS**

- Finance
  - July Financial Reports

Ms. Kelly shared that, as discussed at the last Board meeting, the district ended the 2019-2020 school year well; therefore, we were in a good financial position going into July.

The biggest receivable at the beginning of the year is the tax levy, and we are on schedule with receiving these payments. The August financials will be available on the October 5 meeting.

## **VI. COMMENTS FROM THE PUBLIC**

Mr. Lembo reminded the public to state their name and address for the record and will be limited to 4 minutes. He wants everything to stay civil and either he or other board members will call point of order if it gets out of hand. He will try to regulate it and remind the public they will not be responding to any comments.

The following callers addressed the board:

Katie Kashmanian, Currently enjoying my 16th year as the Principal of George Washington Middle School. During my tenure in education, I have also served as a teacher, a technology specialist, and the Executive Vice President and COO of an educational consulting firm. I am a Ridgewood resident, the mother of a current 7th grader, and the President of the Ridgewood Administrators' Association.

Made up of 32 Principals, Assistant Principals, Supervisors, and Directors, the Ridgewood Administrators' Association serves over 5600 students and close to 7,000 parents in the Ridgewood Village School District. Based on recent events, the Association met on September 9th, 2020, and voted unanimously for the following resolution:

We, the members of the Ridgewood Administrators' Association, with over 300 collective years of service to the Ridgewood Public Schools and its students, unanimously agree that we have No Confidence in current Board of Education members Mr. Saurabh Dani and Mrs. Hyunju Kwak. The conduct of these Board members, witnessed at our public Board of Education meetings, has created a non-collaborative working environment so contentious that our school district is now without both a Business Administrator and a Superintendent during the most difficult time in the history of public education, as well as the most critical period in our lifetime for the health and safety of our children.

The Ridgewood Administrators' Association does not take this step lightly. In the entire history of the RAA, there has never been a vote of No Confidence for any Board member or Superintendent. That said, as a collective Association, we maintain that Mr. Dani and Ms. Kwak are failing to fulfill their obligations as New Jersey School Board members, and that they have created an environment in which it will be extremely difficult, if not impossible, to find anyone with the qualifications Ridgewood residents and educators demand to take on the roles of Business Administrator and Superintendent of the Ridgewood Village Schools.

We are at a pivotal time right now in the history of the Village. The decisions and actions made by this Board will reverberate throughout the years to come. We must be able to maintain the extremely high standards we have today, which are the result of teacher talent, community partnership and support, and the incredible drive, respect, and commitment which are only attained and maintained under exceptional leadership. Although Dr. Fishbein's job has been nearly impossible given the wide range of opinions and viewpoints held by village residents in this vibrant and eclectic community, he has consistently navigated throughout his tenure with the best interests of the children at the center of each and every decision he has made. His resignation is truly devastating, and should send a strong message to the community that we must wake up. We must be sure that those who are elected to serve as School Board Members, whose role is to make the best decisions possible for our students and to work collaboratively with district level administration, do so without fail. Anything less is a disservice to each and every child in Ridgewood, and erodes the public trust. Differing opinions are fine, and in fact healthy for growth. But decisions must be reached collaboratively, respectfully, productively, with continuous improvement in mind, and according to the mandates put forth by the State of New Jersey.

Tom Gorman, Ridgewood HS Principal, We began our school year on a very positive note. There were many challenges to have in-person and virtual learning, but the faculty, staff, and administrative team worked very hard this summer to create a productive learning environment for the students and succeeded. The administrators at the Ed Center played a very important role in this success.

In addition to the educational challenges presented this year, the BOE will be searching for an architect, attorney, business administrator, and superintendent. These searches will be

conducted with impending REA negotiations and while in the middle of a pandemic. The loss of leadership steering the District during this unprecedented time is of great concern.

The business administrator, Ms. Kelly, is a woman of great experience and her expertise will be sorely missed. It will be difficult to replace her. Dr. Fishbein is an incredible superintendent and the best boss I have ever worked for. He is kind, compassionate, and knowledgeable. That trifecta does not occur in most lifetimes. While working together with the administrative team at RHS, Dr. Fishbein's support has resulted in the following:

Implementation of a 1:1 Chromebook initiative for over 1,750 students, Construction of a \$100K Makerspace classroom and development of a STEM curriculum, Transformation of the library into a new \$1.4M active Learning Commons, Renovation of a \$200K state-of-the-art fitness center, Student participation rate of AP exams increased 18% and scores of 3+ increased 10%, Composite scores for SATs increased 6% and for ACTs 8%, Student acceptance rate, at most competitive through very competitive ranked colleges, increased 7% and the average number of acceptances to these schools increased 25%, and he is a supporting member of one of the country's first public high school alumni associations, which has gifted over \$300K.

During this most challenging time in education, we need to unite as a community, work together as educators, and deliver the tradition of excellence we have all come to know and expect.

Mike Yannone, 320 Kenilworth Road, father of rhs freshman and president of the REA Enough, the district cannot take anymore. Since the reorganization of the board the district has been hemorrhaging personnel. It began almost immediately with the board failing to re-appoint the board attorney, a move that the board has not been able to explain and was reiterated two weeks ago when the board set its goals for the next term. Then we lost a highly respected business administrator, She was quickly hired by a neighboring district, our loss is another district's gain. Our payroll manager has resigned, then the way this board cast aside health and safety concerns, we've had teachers resign. Again other schools benefited from our dysfunction.

Now our superintendent of 12 years, a Ridgewood resident, do you know how many districts would kill to have their superintendent live in their community? He has placed his resignation on tonight's agenda. It didn't have to be this way, but from watching your meetings these past months, the outcome seemed pretty ordained.

Why the board would treat employees this way is beyond him. Now more than ever in the middle of a pandemic we need steady hands at the helm, some of those steady heads are sitting beside you right now. Why you cast those steady hands aside is beside him. The question to the board is, who is going to lead? People talk, Just this past weekend he's fielded inquiries from four different local associations. The word is out that Ridgewood is a mess. He asked again, Who will lead? What incentive is there for someone to take a leadership position, when they know this board does not respect or trust any decisions made in this building. Dan is not only highly respected in Ridgewood, but is highly respected in the county and the state. Just a few years ago he was chosen by his peers to serve as President of the Superintendent's Association. Do you think your treatment of him will go unnoticed? Who will want to come here? Who will lead? No one will come and no one will lead. Ridgewood will get an Interim Superintendent who will collect a couple hundred bucks per day and will have zero investment in bettering this district and Ridgewood will suffer for it.

This blame for all this is squarely at your feet. This is your mess. It is time for this board to realize there is more to this district than the Infant Toddler Development Center. It is time for this board to self reflect and realize your governing style is driving good people away. You can start by apologizing to the professional educators sitting there with you tonight. I urge you to ask Dr. Fishebin to reconsider and not accept his resignation, but the healing needs to go further. This board needs to go out to every employee in the district when we see how you treat the district leadership it gives us no confidence that this board respects any of its employees. We are watching, everyone is watching. What is your next move going to be. I will end right where I began, enough.

Greg McDonald, Supervisor of Mathematics and technology, He is entering his 37th year in education an 19th year in Ridgewood. He has been fortunate in his life to be able to work in some of the best districts in Bergen county and feels like he has reached the top of the food chain here in Ridgewood. That is until now. What has transpired over the past few months for all of us has been unique, difficult, and incredibly arduous but we have made it to this point and our kids are still being educated at a high level. This is due in large part to the leadership provided by Dr. Fishbein. Other districts had to go completely virtual because they were unprepared to open their schools, not Ridgewood. They spent the summer meeting, discussing, arguing, proposing ideas, and discussing the wants and needs of the community and of the students. When September 2nd came around, our schools were open, the kids were in class if they so desired, and teachers were there to greet them for the first time since March 15th. This could not have been accomplished without the drive and determination of our leader Dr. Fishbein. His guidance, his calm demeanor, his ability to state what is required and then offer suggestions as to how we can make that happen, and his willingness to listen to his administrative team all led to a successful start to the school year.

His resignation is a huge blow to not only the district but to the reputation of Ridgewood Public Schools. Dr. Fishbein is one of the most well respected Superintendents in the State of New Jersey. He has been an advocate of many new initiatives that have kept Ridgewood on the cutting edge of education. This is not easy for a K-12 district. He pointed out to the Board of Education that replacing this man is going to be extremely difficult because the interview process for this position is a two way street. You will interview qualified candidates but they are also interviewing you by watching BOE meetings and evaluating the behavior of each of its members. Every candidate is going to notice which members are in this with the district betterment in mind and which members have come with a personal agenda. It will be up to those candidates to decide whether or not they want to come into a toxic situation like the one that has been created here. It is my understanding that we have an opening for the Business Administrator and that there are a very limited number, if any, qualified candidates applying for this position. I firmly believe that you can expect the same thing or worse once you open this position for applicants.

On a personal note, he thanked Dr. Fishbein for all of the kindness that he has shown him over the years. From stopping in to see him at the hospital so many years ago as he was recovering from Pulmonary embolisms, to the little blue cards of encouragement, to your most recent support of him as he battled Cancer, your kindness, thoughtfulness, and caring attitude did more to help him heal than you would know. Knowing that you were there for me

when I needed you the most will never be forgotten by me or my family. You will be sorely missed by every teacher, administrator, and staff member in Ridgewood. I wish you nothing but happiness and joy in your future. You have certainly earned it!

Boyd Loving, 342 South Irving Street, he is in full support of the new Ridgewood Board of Education and he trusts that they will make the right decision in regards to this matter to ensure the best education of the children.

Kim Casey, teacher at Travell for 19 years, she publicly expressed gratitude for Dr. Fishbein's support through the years, although they have had differences throughout the years, Dr. Fishbein has always been respectful and fair. The unfortunate climate displayed at the last board meetings has left her disheartened, at the lack of respect the recently appointed board members have had. The administrators, teachers and the community standing outside as a whole show the overwhelming support you have. Although she does not blame him for his decision she asks him to reconsider knowing that they all stand with him. Whatever decision he makes she wants him to know that he has made a difference and wishes him and his family peace and wellness..

Laurie Weber, 235 South Irving Street, calling in support of the new board members, they are asking difficult questions that many of us from the audience have been asking for years. She appreciates all of the information they have been able to extract, although they were sometimes labored because they were met with resistance, she appreciates that. She pointed out that the board secretary that was a highly valued member of the organization resigned in March so we can't blame that on them. The two new board members have been under attack in an unprecedented way. Over the weekend an email by core one Village One organizer Stacey Loscalzo circulated through tic toc a Ridgewood schools sponsored organization, she was a member of tic toc for about 10-12 years. The last she checked, that the acronym stands for introducing culture to our children not to instill hostility from their parents. The distributed letter contains false information toward Saurabh Dani and Hyunju kKwak who were overwhelmingly elected to the board just last may. On top of that GW Middle School Principal Katie has propagated similar allegations that can be found in an article published by NJ.com. Our district email has been used to rouse anger in the community against these individuals and caused them to demonstrate outside the education center this evening as the board members arrived for their 6:00 executive session meeting, residents have all encouraged to write emails to the board and contribute to the public comments portion of the meeting, if this is not enough the nasty display directed at tof those two board members appeared in the center of town this afternoon. She tried to personally attend the demonstration to see what was going on, but Jeff Boyd standing next to Siobhan Winograd chased her away taking pictures of her. And later her neighbor was accosted by a former councilwoman Gwen Hauck who asked him what he was doing there. Mr. Lembo, please make this stop. At the very least the Ridgewood Board of Ed employees who were involved in these propagation for the false personal attacks that led to the calls, emails and public comments encouraged against these board trustees must be severely reprimanded for the actions. Anyone responsible who uses Ridgewood Public Schools funded organization to do the same must be relieved of that position immediately. This is a new low in Ridgewood and she has not seen this before during the last 36 years that she has lived here. Mr. Lembo, our community is looking at you to lead us to that better direction.

Laurie Goodman, 711 North Monroe, former member of the Ridgewood Board of Education, she has raised her kids in the district who attended the Ridgewood Public Schools and her daughter and husband moved to town to raise their children here. She is saddened and discouraged at what she is seeing with the Board of Ed and a vocal group of a few community members and wants to share some observations. Asked boe members that their job is not to run the school district, which is a common misconception, but NJSB Code of ethics explicitly says "I will carry out my responsibility not to administer the schools, but with my fellow board members to see that they are well run." The code of ethics also states "I will confine my actions to policy making, planning and appraisal. She has watched board meetings over the last several months and has witnessed micromanaging, disrespect, lack of trust and a little bit of performance art. She is disappointed and angry. New board members have a lot to learn and they should ask questions. When she was elected, she had come in with plans to make things better, but she immediately recognized the depth of her lack of knowledge and spent hours meeting one one one with the superintendent, assistant superintendent of curriculum, business administrator, principals so that she can understand how the decisions were informed by their decades of experience, by educational research and best practices and the ridiculously complicated legislative requirements that prevent schools to be run like a regular business. She urged the board members to do their homework outside of the spotlight, become educated before you criticize our seasoned educators, by all means you should ask questions and challenge the status quo but do it with respect and in the spirit of collaboration. As the code of ethics states, concern yourself only with the holistic educational welfare of all of our children, not just the gifted or high achievers.

Her second observation, she has heard chatter on social media about comparing our test scores to other districts and rankings on various lists. This is setting off red flags and warning bells, Ridgewood recognized years ago the pressure this puts on our kids. That is why our mission statement does not say our goal is to be the best or to be placed in the highest ranked college, the mission is to enable the students to maximize their unique potential to become lifelong learners and productive responsible citizens. That's a mission that respects learners of all kinds. Anecdotally, Ridgewood students do very well in life but there is no ranking to prove it. Focusing on ranking and test scores is to the detriment of our children.

She wished the board good luck during this challenging time, and good luck finding a replacement. To Dr. Fishbein, she thanked him for his integrity, leadership expertise and immeasurable commitment to the children of Ridgewood.

Roric Halaby, 374 Evergreen Place, 51 year resident, he thanked the Ridgewood school system, his boys have been out of the district for 35 years, but still supports the system. Selfishly the Ridgewood Schools education is the driver for the housing prices. His disappointed that Ms. Kelly and Dr. F have submitted his resignation, senior experienced managers leaving at a critical time. If we ever need experience at the helm it is now. To Dr. Fishbein and Ms. Kelly, Cindy and I are saddened and wish them the best. What he finds laughable is the spin that the chairman of the Board of Ed is trying to put on this, as people are just moving on. We have all heard of D day, and the joke that Eisenhower and General Montgomery decide to retire. He refers to the school system as Ridgewood's pillars and we are seeing the beginning of the collapse. The board has always attracted the best and brightest of Ridgewood's residents, like Laurie Goodman who previously spoke. The past two elections have replaced 4 experienced people with candidates who are not just mediocre

people, but people with agendas that will cause incalculable harm to the future of the school system. It is sad that people cannot be critical at certain members of the board of ed without being labeled racists. He condemns all four of them, like anyone who cares about the school system, cares about people's backgrounds. He is being called a racist and he does not like that. It does not reflect well on certain members of the board. He hopes that we can wake up tomorrow and it will have all been a nightmare that Dr. Fishbein and Ms. Kelly are not resigning. Miracles happen but not that often. More realistic option is that the four board members resign at once and we have a new election.

Ann Loving, 342 South Irving St., Offered sincere appreciation to teachers, faculty and staff to get the schools up and running. She is aware how overwhelming this has been. Besides the teachers, she thanked Dr. Fishbein for navigating this pandemic and wished him well on his retirement. She stated her full support to the Board for their diligence, persistence, professionalism during this unprecedented time. The board makes her proud and she is truly appreciative for what they are doing and what they will do. She is confident this board will find the best possible superintendent to replace Dr. Fishbein.

Dr. Chopra, 645 Maxwell Place, the boe members were elected by Ridgewood, she believes they are looking out for the best interest of Ridgewood and the students. We support them and the team should work with them collaboratively.

Corrin Dillon, 215 Fairmont Rd., Grew up in Ridgewood and graduated in 2003, last year moved back into town, she wants to wish Dr. Fishbein well as he moves on in his retirement. She also called to voice her support administration appreciation for the new board members. She singled out Mr. Lembo for taking on the Presidency during a pandemic, her hat is off to him. The other two members, she admires their willingness to ask tough questions. She supports their new focus on rigorous academics and appreciated the hours. Saurabh Dani and Hyunju Kwak are professionals who we are lucky to have serving the best interstate of the students. She agrees when talking about student achievement that ranking is not the best measure of success. She is a firm believer that there should be no limit on student achievement. We need a cumulative curriculum starting in Kindergarten that encourages intellectual curiosity, which most children have and allows children to achieve to the best of their ability. It is something to strive for. People have spoken about social and emotional health, if she had not been able to achieve to the best of her ability and go all out in academics it would have negatively affected her emotional health. She benefitted from visionaries in the district and thanked them, They started a mandarin chinese program in Ridgewood in the 1990s. That leadership is not easy to find. We have to rip the bandaid off and find out why our rankings have fallen and are kids should receive that content rich education starting in Kindergarten. She is not an opponent for having these conversations, people will have differing opinions. But differing opinions is very good. We give a lot of lip service about diversity and social and emotional health. She is very excited that Ridgewood has elected two professional, intelligent warm people who happen to be in the minority who have differing opinions from the administration and different board members. She has been dismayed to see the attacks against them on social media. She hopes that the other board members will stand up and say no matter how much they disagree or have tough conversations, they should not stand for personal attacks from members of the community. To the caller mentioning D-Day, since they are not emphasizing vigorous education in elementary school, not all children have heard of D-Day. As a history buff, she would

volunteer to go into the schools and teach them about it. Wished Dr. Fishbein best of luck.

Lorna Oates-Santos, Principal Somerville Elementary School, This September was my 13th year in this position in Ridgewood - my 16th year as an administrator in the district - and while it brought many unique challenges, it also highlighted for me the aspects of my work that are exceedingly positive: namely being part of a strong administrative team, a devoted staff and a participatory parent community. As I spoke to colleagues across the county, state and even country, I have two college roommates who are school administrators in other states -I heard story after story about frustrations, breakdowns in communication and failed attempts to actually implement a live option for school. While I could relate to the feeling of being overwhelmed, I was the clear beneficiary of Dr. Fishbein's leadership; He set our goals, established timelines, communicated clearly and consistently and was available at any hour to talk through the latest hiccup. The result was a shared sense of investment and pride in achieving our goal together. While there were issues along the way, they were resolved in the way that I have come to expect our work in Ridgewood to be handed - through respectful discourse led by, modeled by, our CEO Dr. Fishbein. What is interesting to note is that this sense of empowerment and support was not unique to this summer or COVID. It is how I have felt for 12 years as a principal in a town with high expectations; when I have dealt with student tragedies. Dr. Fishbein has been in my office at 8 PM guiding the response; when navigating new state-mandated tests, teacher evaluations tools or goal setting, Dr. Fishbein has commandeered needed professional development and brought the team together to help us rise to the occasion. Again, I can rattle off countless examples of districts that have floundered faced with the same challenges. I feel extremely fortunate to have learned from Dr. Fishbein and to have spent 12 rewarding years as a principal under his leadership. I feel equally frustrated at the thought that anyone in this community or on this board has thought that his contributions will be easily replicated or replaced. The loss of Dr. Fishbein as the leader of our district staff and administrative team is a significant blow that will resonate for a long time. Personally, I would like to take this opportunity to say Thank you, Dan!

Jennie Smith Wilson, 312 Highland Ave., She is here with former Board of Ed Trustees Charlie Riley, Bob Hutton, Jim Morgan, Vince Loncto and Mohammed Mahmoud. Trustees with more than 50 years of combined service to the school district. They have all worked with Dr. Fishbein and have great respect and appreciation for his leadership and laser focus on what is best for every student. Dr. Fishbein has led the Ridgewood Public Schools with integrity, empathy and self sacrifice and while they did not always agree but they worked as a team for the schools. As a result of Dr. Fishbein's exceptional service to our children, Ridgewood is regarded across the state as an exemplary well led school district and our schools are the reason why families move into Ridgewood. Among Dr. Fishbein's legacies are the Administrators, principals and supervisors, many of whom are here tonight, in the face of this disruption to the leadership of the schools your role is more important now as is the role of every teacher and staff member. Educational excellence must continue. The Fishbein's are our neighbors, they are long-time Ridgewood residents and the parents of 5 Hawes, BF and Ridgewood High Schools graduates. We know this was not an easy decision for a man who has dedicated the past twelve years to the Community. As former trustees, we wish that he had not decided that this was his only course of action. We believe the behavior of this board over the last few months has resulted in a hostile work environment and a dysfunctional relationship with the superintendent. In the span of one month Ridgewood has lost the Superintendent and the Business Administrator, these are significant

leadership departures. Exceptional people are not easily or quickly replaced. As Ridgewood residents it is time to pay attention, what happens in this building tonight and on every other Monday night matters to all of us. Read the agenda, watch the meetings, speak up. Tonight we thank Dr. Fishbein to his extraordinary contributions to the community and the students who have benefited from an outstanding educational experience under his watch. It is time for the five elected board of trustees to put aside personal agendas and negativity and to commit to work collegiately with the teachers and administrators to do what is best for the students. The BOE must do better.

Jean Schoenlank, Principal of Ridge School, I am what you would call a proud Ridgewood "lifer" as I've spent my entire 35-year career here, first as a teacher, and for the past 15 years as an administrator. I have watched 35 years' worth of board meetings and board interactions with administration. I have worked for and witnessed the work of four superintendents, with my greatest influence having been Dr. Fishbein from whom I have learned the power of stable and focused leadership. I have always been extremely proud to be a Ridgewood educator, and I have always felt fully supported by supervisors, colleagues, and Board of education members alike. To me, one critical element that has made Ridgewood unique and fostered our tradition of excellence was the mutual respect that always existed between the Board of Education and the administrative team, namely the superintendent. Trust and respect were always present, even in disagreements- which of course are to be expected when leading a large organization like the Ridgewood Public Schools.

I am deeply alarmed and saddened that this long history of respect and trust has eroded in just 6 short months. How is it possible that we've come to the point where two highly regarded members of our administrative team, arguably the two most critical members, are resigning? Six months ago, it wouldn't have been possible. I believe that our school district is at a crossroads. Do we continue down this contentious unhealthy path or do we step back and recognize the loss that's taking place and what it means to the future of our schools and the education of our students. It is a choice. Please choose wisely.

Mary Ferreri, Principal Orchard School, Tonight I would like to express my deep gratitude to the students, parents, and teachers on this historic opening of schools. In my 18 years as an educator, this September has quite honestly been my proudest moment. Our teachers have worked so hard, and continue to devote so much time to their students both in person and remotely. We were one of the first to open school in the county, and we continue to lead the way for others. A job well done by our outstanding faculty and staff.

It is important to realize that none of this could have happened without the planning, guidance, and leadership from our administrative team; long before the state published reopening guidelines for us. In the business office, Ms. Kelly had the foresight to order PPE, and establish precautions all with the plan for in-person learning long before it was a state decision. Thank you to Ms. Kelly and her staff for their diligent work.

At the helm, Dr. Fishbein never wavered in his commitment to open schools. He set the tone and established that the reopening of schools would happen. He remained steady on our mission and we opened our doors to students on September 2.

Let me be clear, the outstanding staff of Ridgewood, teachers and administrators alike, could not have done this work without Ms. Kelly or Dr. Fishbein's leadership.

This year will be a challenging one, and none of us can predict where it will lead. But in making the first step to re-open schools, we have solidified our commitment to those most precious to us, our students. As we move forward this year, we will need new leadership in

two critical roles to guide that path. I hope that we will continue to be able to attract highly qualified individuals to join our team here in Ridgewood - the students of our district deserve it.

To our students, parents, staff, faculty, and fellow administrators - thank you for your continued collaboration during this unprecedented time. We are a team, and we are Ridgewood. To our Board of Education members, I implore you to join us in collaboration as we navigate this school year.

Tony Orsini, Principal Benjamin Franklin Middle School, He thanked Dr. Fishbein and Ms. Kelly for everything they have done for the children of Ridgewood. Before Dr. Fishbein was here, we had some real strife in regards to the district because we had about 6 interim superintendents in a short period of time, they were in the midst of a Strategic Plan that they all spent a ton of time putting together and we had a board that was supportive of the plan and supportive of the work at that time. Because we had so many interim superintendents, before we had the stability of Dr. Fishbein on the board, we were not able to go forward with a lot of the goals we had. It was a nice vision that was not able to go forward, despite the leadership we had on the board. Hopefully, Mr. Lembo will have the opportunity to have a positive outlook coming forward so we can move forward as a district, to go through having so many interim superintendents will put us backwards as a district.

Mohammed Mahmoud, 230 Fairfield Ave., It is easy to destroy but very difficult to build. What we're seeing here is the culmination of years and years of building an excellent school district, the staff, the administrators, the principals and the superintendent. He served on the board with Dr. Fishbein for a few months and he disagreed with him on many points, the board disagreed with him on many points, he got his way on some things and on other things he didn't. He can say with all of his heart that Dr. Fishbein had the best interest of the students, the staff, the parents and the community. Always there and present at the top of his mind for him. He said to the board and Dr. Fishbein that in any relationship, and he added that he thinks both the board and Dr. Fishbein have the best interest in their heart, no good decision ever comes in the heat of the moment when there are emotions high, ego, whatever the case is, he asks everyone to take a deep breath, look at the interstate of the school district and postpone this decision. Revisit it in a few months, a year, so we are making a rational, level headed decision for the future of our students.

Robin Fisher, joins the staff, parents and teachers who are standing outside of the Board of Education Building to give her vote of no confidence to the board members for their lack of civility has pushed for a personal agenda and has led to the loss of Ms. Kelly and Dr. Fishbein. Whose invaluable service and dedication will be impossible to replace. We all disagree, we all have things that we don't like, but there is a difference between disagreeing and rude. She has followed the boe meeting for over five years and she has not seen such disregard for the educators whose job it is... we do not agree with incivility and that is what we have seen in the BOE meetings for the last 3 or 4 months. It's ok to disagree but it is not ok to disregard people who have dedicated their entire career and especially during the last few months to making Ridgewood a better place. Respect that is what Ridgewood is all about, and that is not what is being done at the Board of Ed meetings during the last six months. She thanked Dr. Fishbein and Ms. Kelly, they will be missed and irreplaceable.

Alex Liebman 217 Fairmont Rd, Wished Dr. Fishbein the best as he moves on, he expressed

his deep gratitude to the new board members, especially Mr. Dani and Ms. Kwak who have been put under pressure by this process. He pointed out that the first thing they have done is bring attention to the capital spending, decisions and how we procure the capital dollars. These are taxpayer dollars so we can use best practices in procurement so we can figure out what we really need and agree on the scope of work and we can procure that work in the most efficient way possible. They have shined the light on that and he thanks them for that. Secondly, they have drawn attention to the most important thing to our school district which is academics and curriculum. A lot of time when you watch these board meetings, you start to see a lot of conversation about facilities and recreation which are also important, but too little time is spent on academics and curriculum. It's not about high achieving students, test scores or low achieving students. It is about refocusing on the academic outcome of our kids based on the curriculum. He hopes whoever the superintendent is, we use that process to discuss what really matters in our district, what is important, how much time we want to spend talking about facilities and how much time we spend on curriculum. He hopes the new search for a superintendent will allow us to do that and bring all of the people in the community together. All of the board members have been extremely professional and courteous and thanked them again for the time and efforts they have spent and what they have had to go through to serve the district. Thanked them and gave best wishes to all.

Maria Sweeney, Teacher in the district, Not much to add after we have heard from administrators, former board members and people who have lived here for generations lamenting over the loss of Dr. Fishbein and Ms. Kelly. We are in the midst of a crisis, Ridgewood is an amazing district and has the potential to continue to be amazing. What will we do? What can we do? Everyone who agrees that there is something amiss with the board, they should call five friends, call 10 friends and it's time to organize, time to figure out how we can pressure and change things. That's how we can make change, not just wait until the next board meeting to call in and make a comment. We should do that but make sure that 5-10 more people do that. She is worried about the future of the district, but thinks there is possibility if we organize. She asked people to reach out to the realtors who also should know about it, we will miss Dr. Fishbein who has led us through challenging times and looked forward to his emails showing people how to stay positive during this time. Dr. Fishbein and Ms. Kelly will be missed.

Ardita Singh, 182 mountain Ave., He sees teachers and administrators outside of the building, some of the teachers and administrators that spoke he knows and deeply respects them, this is a tough job. This smear campaign run against new BOE members is unprecedented. Among the callers are people who have been or tried to be in this position, these people are running a concentrated campaign against the new board, particularly Saurabh Dani and Hyunju Kwak. He watches all of the board meetings and he understands there have been questions, answers are not so collaborative, but that has not been caused against Dr. Fishbein, it has been caused by the willingness of the BOE members to go beyond what their predecessors were doing. There were concerns how the board was running the school system and these people have come in as replacement to improve the process. He understands that we are in a tough time and replacing someone like Dr. Fishbein is not easy, he has respected the work he has done, but does not doubt the new board to bring the right replacement to give the district the leader that they deserve. He expressed his appreciation for the teachers and principals who have spoken up.

Frank Hogun, 172 Franklin Ave, thanked Dr. Fishbein for everything he has done for the teachers and students of Ridgewood and feels he should rescind his resignation and the board should resign. The people of Ridgewood should call for the board to resign. The board members are not the professionals and should not be making the shots, Dr. Fishbein has done wonder for the school system, he should rescind his resignation and the board should resign.

Basil Pizzuto, Assistant Principal Ridgewood High School, understands what some of the callers talked about academic achievement, it is at the center of what we do. If you heard the stats that Dr. Gorman stated, he shared stats about the improvement in academics we have made. A little over 12 years ago the Ridgewood community was faced with a tragedy at the Graydon pool, this was Dan Fishbein's first week on the job, and although he was on the job for a few days, he was able to pull together a crisis team with key school individuals to work with the lifeguard staff, many of whom were students. This began our journey of growing as a district of mental health and social emotional learning with Dr. Fishbein at the helm. We have accomplished many things including a multi tiered mental health model, and tier one supports for a population of students that would otherwise be educated outside the Ridgewood Public Schools, this is what's best for the students. This is also a great tax savings for the Ridgewood community and the boe, the list of accomplishments goes all the way to a culture at the high school where students and staff mutual respect and collaboration allows for an environment where student self regulation is the primary student management paradigm. We have again been asked to speak at the National Conference of Advancing School based Mental Health to share what is being done at the national level. The Ridgewood BOE sets the tone for the district on collaboration and mutual respect for the students and the staff, he implored the Board to do what is right for the students of Ridgewood.

Caroline Hoffman, Principal Willard School, She has worked as an educator in Ridgewood for 20 years, 12 of those years with Dr. Fishbein as the Superintendent of Schools. With Dr. Fishbein's announcement of his resignation, she wanted to publicly thank him for his work. In her time working under Dr. Fishbein, doing what's best for kids has always been his mantra. Whether it's about safety, course offerings, or a building renovation, students are at the center of each decision. With his leadership, this philosophy has been instilled in all of the RPS administrators. At the elementary level, his recommendation for guidance counselors and a full day kindergarten program have significantly impacted the elementary experience for our children and reflect his understanding of the academic, and social emotional needs of children.

In response to the murder of George Floyd and countless others, Dr. Fishbein made a commitment to taking a closer look at district practices regarding diversity and inclusion. He hosted a listen and learn this summer with several community groups, which she had the privilege to be a part of. Teachers, parents, community members, students and administrators shared personal stories of racial bias and brainstormed ideas to improve our K-12 experience for our children. Even with the massive preparation for the opening of schools during this unprecedented time, Dr. Fishbein's message about racial injustice has not waived. His message to all staff has been clear: We must continue to study and understand racism and reflect upon our practices because we can and must do better.

Thank you, Dr. Fishbein, for your service, and for your dedication to the children of Ridgewood. We will continue to live your message of putting children first and giving our best to the students of Ridgewood.

Danielle Wood, Former teacher and current Special Education Supervisor in Ridgewood, 49 cottage place is her house and until recently has shared it with Dr. Fishbein and Antoinette Kelly who have unfortunately decided to leave. We as educators come to work each day to do what is best for our students. Dr. Fishbein has been an outstanding leader and advocate for the students of Ridgewood. She asks the board when they come together to discuss the future of the students from now on to ask themselves two questions, first, Is this best for the students and second, am I modeling respected productive behavior for our students? If the answer is yes, proceed. If the answer is no, you need to reconsider your actions or words. When I go on field trips in the community or country with her students, I remind the kids that we are Ridgewood, they know this means that at all times they must act in a way that shows the world what amazing kids we have raised. BOE members she reminds them tonight that we are Ridgewood.

Margy Leininger, former Principal of Travell School and lives at 27 Liberty Street in Ridgewood for over 30 years, She thanked the many community members elected to the BOE for many years and especially to Sheila Brogan for the time and devotion over the years to the school. She was shocked to hear of Dr. Fishbein's resignation, over the 27 years working in the district she has seen multiple Superintendents and Dr. Fishbein is one of the best. He is experienced, dedicated, hardworking, thoughtful, well intentioned and he is deeply invested in the community and cares about the children. Losing him will be a terrible loss to the district and a grave mistake to let him go. When she worked with Dr. Fishbein, he has always presented proposals that he felt were best for the district, what she has watched over the last few months at board meetings, has not been respectful. When BOE members question every presentation and proposal it delays the process and in her opinion shows disrespect for the position of the superintendent. A Superintendent, Business Administrator and Assistant Superintendent do not bring things to the board unless they have put considerable thought and research and if in their professional opinion and experience they did not believe it is the best approach. At times like we are facing now between budget issues, remote learning, loss of business administrator and possible superintendent, she implored the board not to accept Dr. Fishbein's resignation and to find a way to move forward. She encouraged them to work together with mutual respect, people in the district work extremely hard. Please show your respect for the dedication of the administration, the teachers and especially the superintendent.

Todd Rothman, father of Orchard and GW students, has been watching from afar and up close over the last couple of months and has never been more dismayed about where we are, as a town and a society. When we have a new board, he respects that they want to put their stamp on things, but at the end of the day leadership is defined by those who are led. He wonders if how often did the board speak with the people that Dr. Fishbein has led. When the board started, did they reach out to the administrators, teachers, students who and people who are standing outside the board of ed tonight to find out what kind of job he is doing rather than on social media. That is what he is wondering. He has had many interactions with Dr. Fishbein and has not always agreed with him, appreciated his approach or agreed with the resolution, but he has always been respectful. What he has always known about Dr. Fishbein is that he has always cared and had one priority, which is for the students in the district, it's not about academics and rankings, people come to Ridgewood because when they bring their children here they hope that they are raised in a respected environment

and when they leave socially, emotionally they are better off. Dr, Fishbein has done a wonderful job with that. Wonders whether the board members have thought about what this means for them, Dr. Fishbein's legacy is set. Hopefully today has proved comfort and knowledge to Dr. Fishbein that you have done wonders for so many people. For the board members, your legacy is in question, what you do during the next few months will not only define you but will define what will happen for our students for years to come. He does not care how his children strive academically, but is a wreck socially and emotionally. What matters in this world is how much you achieve in society, what you do and what mark you leave. Dr. Fishbein has left a mark here, he asks him to reconsider and maybe he can find in his heart one more selfless act when he thinks about the kids that need him. We need strong leadership and a system of balance and the vacuum of leadership from Dr. Fishbein and Ms. Kelly's absence will leave no balance. He cares about our kids and the future of Ridgewood. Read the boe ethics and what it means to serve on the board, he is very concerned about what current board members are doing online. He believes that boe members have a certain position that they have to uphold with a certain responsibility and does not believe they should argue their points through social media. Wished Dr. Fishbein the best of luck.

Erin Taddei, 419 Bogert Ave., She is really saddened to see that Dr. Fishbein is resigning abruptly, it is very concerning under the circumstances. The biggest thing that is happening is the complete lack of love and kindness throughout the world. Dr. Fishbein all of your colleagues value that in you. It is not something that is easily replaced. She hopes that he can reconsider to stay on and salvage the rest of this unique school year. Our children are starting to see a modicum of normalcy, and she strongly hopes that Dr. Fishbein can reconsider and realize that you are wanted and the district, children need you. For someone who has served our town so nobally she hopes he can reconsider. To the people on the board, she can only say what she sees, she asked them to think twice about how they speak to people and the tone that they use. What we need is more love and kindness there is enough hate in the world. Let's try to do and be better. She wished Dr. Fishbein and Ms. Kelly the best for themselves and their families. She wishes that at the 2021 graduation Dr. Fishbein is standing in front of the class as the Superintendent.

Caller did not identify his name, Stated that Dr. Fishbein and Ms. Kelly have handled themselves very well, not sure what he would do if he were in this situation, the lack of respect and knowledge of the education system that the 3 new board members have exhibited is baffling. The Village of Ridgewood thanks Dr. Fishbein for his guidance, knowledge and loyalty. It is not right to cut off the faculty calling in tonight, if they were in the Ed Center face to face you could not do that. He looks forward to when they can all attend the meetings face to face.

Jodi Weissberg, 344 Walthery Ave., a parent of 2 current RHS students, one student who started her education at the same time that Dr. Fishbein started his stellar career. She has been one of the fortunate to have worked with Dr. Fishbein when she served on the Travell HSA and Federated Board, she has been in the room with Dr. Fishbein with an ethnically diverse Federated Board where differences of opinions and backgrounds were celebrated. We didn't always agree and often the conversations were spirited, however there was always respect and always had the same goal which had a common thread of doing what is best for the students. She has attended almost all of the remote BOE meetings since the pandemic, she is happy the new BOE members are asking tough questions, it is not about asking the

tough questions, but how you approach the tough questions and the motivation of asking the tough questions. The accusatory tone and micromanagement of the board makes it almost impossible for these professionals to lead effectively. It's been jarring to continue to be on these calls. Thank you to Dr. Fishbein for his stable leadership, as a result Ridgewood has been able to thrive in a global pandemic. As we know, Ridgewood is in the minority of public schools that have opened this fall. Many of us have been celebrating Dr. Fishbein during the last few weeks, the damage done by the current Board of Ed, over the last three months will have far reaching consequences to our schools and the community. She hopes Dr. Fishbein reconsiders and that the board does not accept his resignation.

Jimmy Yu, 330 South pleasant, listening to the comments it saddens him to hear about Dr. Fishbein's departure, thanked the teachers, administrators who have worked so hard during the past few months to put together a successful opening of our schools. Also, he thanked Dr. Fishbein who has led and it is unfortunate to hear of the departure. Hats off to the newest board members, including Cris Kaufman they are all doing what they do for the best interest of the kids. He watches many hours of board members, they have clocked in a couple hundred hours just submitting public comments, they are there for the sake of the kids. Agrees with a previous caller that we are lacking respect in the world. but has not seen anything that the new board members have done that can be seen in a negative manner. He appreciates the spirit of transparency that they bring. He asked dr. Fishbein to reconsider his resignation, We realize even in corporate america when a leader steps down it is highly disruptive. For the sake of the district and the children he hopes he reconsiders.

Siobhan Winograd, proud product of Ridgewood School system, parent and active member of the community, she thanked Dr. Fishbein and Ms. Kelly for everything they have done. There are still dozens of people outside of the building, coming on top of hours earlier there were hundreds of people here. They all echo her to say Dr. Fishbein has served the district well, educated thousands of people and most importantly created a wonderful team of teachers, administrators who are out here freezing to honor you and what you have done for the district. She thanked Ms. Brogan who walked in and greeted the public who elected her, and thanked every member of the past Board of Education who took the time to come here and let the community know how important this is. The current board is not reflective of the community, do not reflect the ethics, values or morals of the community at all, the campaign in the spring where people banded together was akin in the school system as a modern day form of cheating. The meetings since then have been an embarrassment for us all to bear. Your name is the Ridgewood Board of Education, the statements made by you and the way you treat our staff members is a reflection of us as a community and she is horrified by what she has seen. Their use of social media and the targeting of specific members of the community, including herself is outrageous. She is sad to see this and makes it sadder that it is played out in front of our kids. Our kids have social media and they have watched this play out when teachers, staff and their school district are questioned all during a pandemic. She reminded the community and board what led us here is the restatement of an off-cycle election by the Village Council, two years ago the village council stepped out of their lane and took ownership of a Board of Ed decision, they reinstated a knowingly low voter turnout off cycle election that is expensive that added a security risk to our children because of the polling location. This board of ed should take that back. We are sitting here with a defeated budget, standing with a depressed staff standing outside who have to return to work tomorrow to teach our kids, she encourages the community and the board to take not this

november and vote this out.

Laurence Fine, former student rep to the Board of Ed, current senior and is out here tonight with hundreds of people. It is important to recognize the times we are in, it is the most inconvenient time to make a change like this. What if there is a surge of cases? What if we need to change our technologies to meet our needs? It is important that we have people who are experienced to discuss these issues instead of discussing who our next Superintendent is going to be. These are the topics we should have been discussing tonight. We should talk about the real issues and not about the nonsense about facebook and the back and forth, it is too much. To echo Mr. Mahmoud, he recommends to consider postponing this decision and re-evaluating at a later time. We are in a crisis right now, in the history of education, there is so much more in store and so much more we need to do. We are not talking about our classes and how difficult it is to be on zoom for eight classes, we are talking about replacing our amazing superintendent who is so kind, understanding, open and receptive to ideas. Here tonight we are talking about this, it is a problem.

Sudarshan Mandayam, 203 Kemah Road, Listening to the comments from everyone, there seems to be a conception that asking questions, requiring transparency or having disagreements is disrespectful, at no point were the new board members disrespectful. They ask hard questions, about process, parental involvement, and the safety of the students. There is also an insinuation that Dr. Fishbein resigned because of the new board members. He does not know why his personal decisions to retire are being attributed to the new board members. There is also a campaign to discredit the new board members on social media, by people doing comments today. People commented on the tone and facial expressions of the new board members that show disrespect, it saddens him that people comment on the tone of the board without acknowledgement of their cultural background. He believes that board members have the best interest of the students at heart, asking questions does not mean that they don't have the best interest of the students, on the contrary it means that they do. We cannot be devising during this unprecedented time, we have to refocus on the future with representation of people from different backgrounds. The board has his full support.

Michael Piacenza, Assistant Principal of GW Middle School, he first thanked Dr. Kelly for her service. He is currently in his 6th year as a district administrator, and also the parent of a kindergartner in the district. He credits Dr. Fishbein for continuing to engage the district administrators in self-reflection and discussion on important topics. One example of this is the training conducted with Dr. Derrick Gay, a "Diversity and Inclusion Strategist" who worked directly with the school administrators, presented to Ridgewood High School students and engaged with community members about acknowledging and embracing diversity in our community. Our community's diversity is one of our strongest assets as we educate our children. Over the past two years, members of our administration have read and discussed the national bestseller, "Why Are All the Black Kids Sitting Together in the Cafeteria?" By Dr. Beverly Daniel Tatum and New York Times Bestseller, "White Fragility" by Robin DiAngelo. These discussions center around providing the best educational experience for all of our students. Dr. Fishbein has always supported staff with resources and professional development on salient topics.

In his six years as Assistant Principal of George Washington Middle School, Dr. Fishbein has been a collaborative colleague, an educational resource and a mentor. He is a consummate professional, and his leadership and guidance will be greatly missed.

Paul Semendinger, Principal of Hawes School, We have been blessed for over 12 years to have an outstanding leader at the head of our school district and that leader is Dr. Daniel Fishbein. Dr. Fishbein has brought vision, support, community, and positivity to the district. Ridgewoods reputation for excellence has grown under his leadership, the district is thriving in large part because of his commitment to excellence that he has created. He has led us all. The loud voices you have heard this evening speak to the unbelievable leadership of Dr. Fishbein, he has been able to build a positive community of invested stakeholders because there was a common sense of purpose among all, including all of the members of the Board of Education, many of whom have spoken tonight. Everyone is working together for the districts and specifically for the kids. Ridgewood has thrived under the care and support and leadership of Dr. Fishbein who fulfilled his responsibility as Superintendent with integrity, honesty and overall excellence. We grew as professionals under his leadership, he made us all better educators. The fact that dr. Fishbein has resigned will be felt deeply in all of the schools and in all of the homes of Ridgewood, we will feel his loss for a long time. He respectfully requests that future BOE meetings be open for comments in the room, in person. If schools are open, we deserve to be heard and not cut off.

Mark Ferreri, a former graduate and longtime employee of the RPS system, first as a Social Studies instructor, and presently as the Humanities supervisor. He speaks tonight as a concerned stakeholder and citizen, one who has witnessed the Age of Accusation and Divisiveness seep from the national media and political scene to an infection at our own local level. With the unexpected and untimely resignation of our Superintendent, we are losing an essential voice of moderation, experience, and respect when we need it most. From his detailed weekly updates during our springtime Covid closure to his stewardship on matters of social justice and equity in our schools and community, Dr. Fishbein practiced the mantra of remaining agreeable when disagreements surfaced. Civilized debate based on informed judgement represents the hallmark of both a healthy democracy and effective school governance. Hostile public voices in these troubling times should heed Dr. Fishbein's call to "stay positive and keep learning," and, by doing so, they would model expectations that we demand of our own students.

Lauren Riker, 224 South Irving Street, thanked Dr. Fishbein for his service and wished him well on his retirement. She was very happy that he worked hard to ensure we offered our students in person learning, she supports his decision and wishes that he could have seen this tough year to the end. She also supports our new board members and that they are doing the job that we elected them to do, she supports Ms. Kwak and Mr. Dani, their thoughtful questions, their thoughts provide transparency to the process. They are not being paid for this oversight and are working to the best of their ability to ensure that we are providing the best to our children's education. Thanks the teachers, superintendent and the board for their service to the community.

Meg Schaeffer, 27 Corsa Terrace, long resident, 32 year veteran teacher of the RHS, and teh artistic director of the New Players company, she calls to express her deep disappointment over Dr. Fishbein's untimely resignation. Throughout his tenure in Ridgewood he has demonstrated his support for the arts programs and new players specifically, not always something that is found in an administrator. He understands the importance of art education in student's lives and has always made the new players staff feel valued for their work. She has always felt valued for her work also as a teacher by Dr. Fishbein, she may not have agreed with him on all issues, but she has not doubted his fundamental respect for the district. We are in the midst of what is the biggest crisis the RPS staff has faced in her career, the loss of dr. f 's steady honest and intelligent leadership feels particularly devastating. Since March, dr. Fishbein's thoughtful communication has been an emotional lifeline for many. She trusts him to lead us through this tough period, sadly she feels far less secure about decisions that will be made once he leaves. She asked the board to urge Dr. Fishbein to consider his decision and she thanked him for his service to the community for the past 12 years.

Jacquelin Homes, 30 Carriage Lane, thanked Dr. Fishbein and wished him well on his retirement. She understands the speakers that are dealing with this and find it difficult in putting their own wants aside, but she is sure that they have your best interest in mind. She has faith that if he has chosen to leave at this time it is because you believe that you are leaving the school in the good hands at the right time. You led us this far and they believe in your leadership and she does not think that you would do any differently. Wished him the best. And the current board that was elected by the public, she has not witnessed disrespect, she has seen a moment of difficulty for everyone in this difficult time. She thinks the board is doing an excellent job and has the faith in the public that elected you that they made the right decision.

Mr. Kaufman asked to stop the meeting from going forward because he wanted to make a statement. He said he joined the Board of Ed because he thought he was a good representative for those who elected him, he might be at odds with some of his friends with his next comment, he was deeply moved by some of the comments for Dr. Fishbein, the fact that the board's job is to make sure the schools are run well and so many principals, vice principals, administrators, former board of ed members, teachers, people who Dr. Fishbein negotiates against came out in such support of Dr. Fishbein. He asks Dr. Fishbein to reconsider before they vote to rescind his resignation and to stay on for the academic school year. He was deeply moved by everyone's comments.

Mr. Lembo asked Ms. Brogan to hold off on her statement until after they get through the consent items and then she can make her statement.

Mr. Lembo also stated that the written public comments will be read during the second public comment period.

## VII. CONSENT ITEMS

Dr. Fishbein presented for consideration A. Attendance at Conferences.

#### A. ATTENDANCE AT CONFERENCES

The Ridgewood Board of Education, upon the recommendation of the Superintendent of Schools, approves Attendance at Conferences, as listed on **Attachment A**.

Ms. Brogan moved approval of A. Attendance at Conferences.

Mr. Lembo seconded the motion, which was carried by the following roll-call vote:

AYES: Ms. Brogan, Mr. Dani, Mr. Kaufman, Ms. Kwak, Mr. Lembo

NAYS: none

Dr. Fishbein presented for consideration B. Administration.

Ms. Kwak requested to remove from consideration Bylaw 0169.02, since the board is waiting for Strauss Esmay review.

Ms. Brogan requested to remove from consideration Bylaw 0164, for discussion and not have it as first reading.

#### B. ADMINISTRATION

##### i. Approval: Receipt of Suspension and Harassment, Intimidation, and Bullying (HIB) Reports

The Ridgewood Board of Education, upon the recommendation of the Superintendent of Schools, acknowledges it has received confidential information regarding suspensions and investigations of HIB that have occurred since the last Board meeting.

The Ridgewood Board of Education, upon the recommendation of the Superintendent of Schools, approves the first reading of revisions to policies as listed below.

- Policy 1581 - Domestic Violence (**Attachment B**) *revised*
- Policy 2422 - Health and Physical Education (**Attachment C**) *revised*
- Policy 3421.13 - Postnatal Accommodations (**Attachment D**) *new*
- Policy 4421.13 - Postnatal Accommodations (**Attachment E**) *new*
- Policy 5330 - Administration of Medication (**Attachment F**) *revised*
- Policy 7243 - Supervision of Construction (**Attachment G**) *revised*
- Policy 8210 - School Year (**Attachment H**) *revised*
- Policy 8220 - School Day (**Attachment I**) *revised*
- Policy 8462 - Reporting Potentially Missing or Abused Children (**Attachment J**) *revised*
- Policy 2270 - Religion in Schools (**Attachment K**) *revised*
- Policy 2431.3 - Heat Participation Policy for Student - Athlete Safety (**Attachment L**) *revised*
- Policy 2622 - Student Assessment (**Attachment M**) *revised*

- Policy 5111 - Eligibility of Resident/Nonresident Students (**Attachment N**) *revised*
- Policy 5200 - Attendance (**Attachment O**) *revised*
- Policy 5320 - Immunization (**Attachment P**) *revised*
- Policy 5330.04 - Administering an Opioid Antidote (**Attachment Q**) *revised*
- Policy 5610 Suspension (**Attachment R**) *revised*
- Policy 5620 - Expulsion (**Attachment S**) *revised*
- Policy 8320 - Personnel Records (**Attachment T**) *revised*
- Bylaw 0143.2 - Pupil Representatives to the Board of Education (**Attachment U**) *revised*
- Bylaw 0164 - Conduct of Board Meetings (**Attachment V**) *revised*
- Bylaw 0169.02 - Board Member Use of Social Media (**Attachment W**) *revised*

Ms. Brogan moved approval of B. Administration, excluding bylaw 0164 and bylaw 0169.02

Mr. Lembo seconded the motion, which was carried by the following roll-call vote:

AYES: Ms. Brogan, Mr. Dani, Mr. Kaufman, Ms. Kwak, Mr. Lembo

NAYS: none

Dr. Fishbein presented for consideration C. Curriculum & Instruction.

## C. CURRICULUM & INSTRUCTION

### i. Approval: Field Trips

The Ridgewood Board of Education, upon the recommendation of the Superintendent of Schools, approves field trips as listed on **Attachment X**.

### ii. Approval: Agreement with FOCUS Children's Therapy Center (FOCUS-DBA)

The Ridgewood Board of Education, upon the recommendation of the Superintendent of Schools, approves an agreement with Focus Children's Therapy Center to provide occupational therapy for the 2020-2021 School Year, as specified in the contract.

The Board has received background information.

### iii. Approval: Professional Development Workshop Proposal from The College of New Jersey

The Ridgewood Board of Education, upon the recommendation of the Superintendent of Schools, approves a professional development workshop proposal from The College of New Jersey for ESL workshop in November 2020 in the amount of \$1700.00

The Board has received background information.

Ms. Brogan moved approval of C. Curriculum & Instruction.

Mr. Lembo seconded the motion, which was carried by the following roll-call vote:  
Ms. Brogan requested to remove for discussion D. v. Resignation for the Purpose of Retirement.

AYES: Ms. Brogan, Mr. Dani, Mr. Kaufman, Ms. Kwak, Mr. Lembo

NAYS: none

Dr. Fishbein presented for consideration D. Human Resources.

## D. HUMAN RESOURCES

### i. Appointments

The Ridgewood Board of Education, upon the recommendation of the Superintendent of Schools, approves the appointments listed below, subject to receipt of appropriate documentation and the New Jersey Department of Education (NJDOE) certificate, if required.

#### Teachers

The Board has received background information.

iii. **Approval: Secretary's Line Item Certification**

The Ridgewood Board of Education, upon the recommendation of the Superintendent of Schools, approves the following resolution:

Whereas, the Board of Education has received the Report of the Secretary for the month of **July 2020**,

Whereas, in compliance with N.J.A.C. 6:20-2A.10(d), the secretary has certified that, as of the date of the report(s), no budgetary line item account has obligations and payments (contractual orders) which in total exceed the amount appropriated by the district board of education, now, therefore, be it,

Resolved, the Board of Education accepts the above referenced reports and certifications and orders that they be attached to and made part of the record of this meeting, and Be it Further Resolved, in compliance with N.J.A.C. 6:20-A10(e), the Board of Education certifies that, after review of the secretary's monthly financial reports (appropriate section) and upon consultation with the appropriate district officials, to the best of its knowledge, no major account or fund has been over expended in violation of N.J.A.C. 6:20-2A.10(a)(1), and that sufficient funds are available to meet the district's financial obligations for the remainder of the school year.

The Board has received background information.

iv. **Approval: Acceptance of the Board Secretary and Treasurer Report**

The Ridgewood Board of Education, upon the recommendation of the Superintendent of Schools, approves the following resolution:

Whereas, the Board of Education has received the report of the Secretary and Treasurer for the month of **July 2020** ; now, therefore,

Be it Resolved, the Board of Education accepts the above referenced reports and orders that it be attached to and made part of the official record of this meeting.

**v. Approval: Withdrawal from Maintenance Reserve**

Whereas on Monday July 27th, 2020 the Ridgewood Board of Education approved a plan to address the reduction in State Aid of \$446,728 and

Whereas the Ridgewood Board Education authorized the Business Administrator to withdraw funds from the Maintenance Reserve to offset part of the State Aid reduction.

Therefore, be it resolved that the Ridgewood Board of Education, upon the recommendation of the Superintendent, approve the withdrawal of \$223,364 from the Maintenance Reserve to offset the reduction in State Aid.

**vi. Approval: Withdrawal from Emergency Reserve**

Whereas, New Jersey school districts were mandated to open schools under the guidelines of the COVID-19 Pandemic and Whereas, Our district designed a plan to meet the educational requirement of providing a thorough and efficient education while also providing for the health and safety of all students and staff. As a result, the district needed to purchase PPE and other supplies for the reopening of school and must continue to purchase these supplies throughout the school year and,

Whereas on Monday July 27th, 2020 the Ridgewood Board of Education approved a plan to address the reduction in its 2020-2021 State Aid of \$446,728 and

Whereas the Ridgewood Board Education authorized the Business Administrator to withdraw funds from the Emergency Reserve to offset part of the State Aid reduction.

Therefore, be it resolved that the Ridgewood Board of Education, upon the recommendation of the Superintendent, approve the withdrawal of \$223,364 from the Emergency Reserve to offset the reduction in State Aid and to address our need to purchase PPE supplies in order to provide for the health and safety of our students and staff.

**vii. Approval: Emergency Procurement and Contract Modification of the Food Service Agreement With Pomptonian due to the Coronavirus (COVID-19) Crisis.**

Due to the COVID-19 virus, and the Ridgewood School District's plans to reopen schools with less students in attendance and shortened school scheduling, it is necessary to continue an emergency agreement to facilitate the feeding of students. This is a separate and distinct program compared to the traditional contract in place between the District and Pomptonian.

Pomptonian will:

- Aid the District in complying with the NJDOE directives
- Design compliant menu for Grab-and-Go Service
- Procure necessary components
- Create separate billing for emergency feeding
- Adapt the program as guidance from the State evolves
- Maintain required production records

The billing from Pomptonian will include; all payroll costs associated with the emergency feeding, all purchases of food and supplies and any other direct expenses. Also, Pomptonian will include a fee for providing this service. The fee will be \$350 per day, which is less than half of the fee during traditional service. This emergency feeding is separate and distinct from the normal feeding program. This emergency agreement begins on September 2, 2020 and will extend until schools reopen to full service, but should not extend past June 30, 2021. Therefore be it Resolved, that the Ridgewood Board of Education, upon the recommendation of the Superintendent of Schools, approve this emergency procurement and contract modification to the food service agreement.

**viii. Approval of Memorandum of Understanding Between The Ridgewood Board of Education and AlphaBest Education, Inc.**

WHEREAS, Contractor and the Board previously entered into an agreement, executed on June 5, 2020, for the provision of “Before and After School Child Care Services” (the “Existing Agreement”) in the Ridgewood’s facilities for students;

WHEREAS, Contractor and the Board seek to enter into a MOU to outline the Contractor’s modified child care services (the “Modified Program”) for the District’s students and students of the District’s staff during the COVID-19 pandemic; and

NOW, THEREFORE, for good and valuable consideration, the receipt of sufficiency of which are hereby acknowledged, the parties agree as follows:

1. Purpose of this MOU
  - a. This MOU stipulates the updated temporary program and fee schedule between Contractor and the Board for the Modified Program to be provided by Contractor for Ridgewood’s students on Mondays to Fridays from 7 a.m. to the start of school and end of school to 7:00 p.m. at the following locations:
    - i. Glen School;
    - ii. Hawes Elementary School;
    - iii. Orchard Elementary School;
    - iv. Ridge Elementary School;

- v. Somerville Elementary School;
    - vi. Travell Elementary School; and
    - vii. Willard Elementary School.
  - b. Contractor will operate the Modified Program, as described in Section 1(a), as long as a minimum enrollment of 10 students are enrolled in the Modified Program at each location. Contractor will make the determination for the Modified Program operation at each location on a weekly basis during the term of this MOU.
- 2. Term

The term of this MOU will commence on September 2, 2020, and conclude on a later date to be mutually agreed upon in writing between Contractor and the Board, unless terminated earlier in accordance with the provisions of the Existing Agreement. It is the intent of the parties for the agreed date of termination of the MOU to be tied to the return to normal school operations following the end of the COVID-19 pandemic.
- 3. Schedule of Child Care Services
  - a. The Contractor and the Board acknowledge and agree that the child care services will be provided in accordance with the school calendar; however, the Parties understand that the days of operation as well as the commencement of direct services for students will be dependent upon Ridgewood's permitted days of operation. As such, the dates of service may be subject to change.
  - b. Upon termination of the MOU, Contractor will provide child care services in accordance with Ridgewood's regular school year calendar.
- 4. Revenue Share
  - a. During the term of this MOU and the Existing Agreement, Contractor will pay the Board a revenue share of 12% net tuition (gross tuition and fees less all discounts, bank card fees and refunds) to be paid on a monthly basis.
  - b. Pursuant to Section 4(i) of the Existing Agreement, the Board agrees to waive the guaranteed minimum revenue share requirements for the 2020 – 2021 school year.
- 5. Entire Agreement
  - a. Except for the items modified in the MOU, all terms and conditions of the Existing Agreement shall remain unchanged and in full force and effect. This MOU, together with the Existing Agreement, represents the entire agreement of the Parties and may not be modified in any manner except by a written

instrument signed by both parties.

**ix. Approval: Renewal of Broker of Record/Benefits Consultant**

The Ridgewood Board of Education, upon the recommendation of the Superintendent, approve the renewal of the contract with IMAC Insurance Management & Consulting for Broker of Record/Benefits Consultant for a fee of \$29,500 effective October 1, 2020 through September 30, 2021.

There is no increase in the fee for the 2020-21 contract period.

**x. Approval: Authorization of the Cancellation of Outstanding Columbia Bank Checks Drawn on the General Account and Payroll Account**

The Ridgewood Board of Education, upon the recommendation of the Superintendent of Schools, approves the authorization of the cancellation of outstanding Columbia Bank checks drawn on the General and Payroll Accounts as listed below.

Whereas, the Business Office has reviewed the disbursement activity of these accounts and found that these outstanding checks are approximately six months or more old and should be cancelled; now therefore,

Be It Resolved, that the Ridgewood Board of Education authorize the cancellation of the checks listed below.

<b><u>Payroll Account</u></b>		
<b>Date</b>	<b>Check #</b>	<b>Amount</b>
172455	7/30/2019	\$ 419.62
172580	8/30/2019	\$ 217.45

Ms. Brogan moved approval of bills reviewed by her.  
Ms. Kwak seconded the motion.

Approval of Bills carried by the following roll-call vote:

AYES: Ms. Brogan, Mr. Dani, Mr. Kaufman, Ms. Kwak, Mr. Lembo

NAYS: none

The board discussed bylaws 0164 and 0169.2 that were removed from the Consent Items. They will be reviewed with Strauss Esmay and the policy committee and returned to the Board for discussion.

Board members made statements regarding Dr. Fishbein's resignation.

Mr. Lembo stated he doesn't know what to say, he thanked Dr. Fishbein for his 12 years of service to the community. 26 years in education is quite a feat. He has learned the average superintendent is in a district for 2.5 years. Dr. Fishbein has been a staple at all activities since he started here in 2008. Mr. Lembo remembers seeing him from the first day he got here and everywhere he seems to go. He sees his car here early in the morning and late at night, he has continued the tradition of excellence here in the district and we are grateful for that. Whether it is a broken basketball hoop or a school breakin , r. Fishbein is always one of the first people there to help. Over the last few years he's had a working relationship with Dr. Fishbein protecting the schools and he has seen first hand that he cares about the children and the district. He has heard tonight that Dr. Fishbein is the best, he thinks those people are right, you are great. Dr. Fishbein was there to guide me when I joined the board, and stated although he can come off a little strong it is always for the best and Dr. Fishbein knew that. This summer was hard for everyone, the weeks leading up to the reopening was

trying and Dr. Fishbein kept his cool even when personally Mr. Lembo was freaking out inside. Mr. Lembo has tried to talk him out of retiring, but thinks that after Dr. Fishbein's illustrious career, it is time. He thanks him for his service and wishes the best of health for his retirement and looks forward to seeing him around town.

Ms. Brogan started by thanking the staff and community members who spoke tonight and the community members who have sent emails in support of Dr. Fishbein for his excellent work in the district and for our students. She has struggled with what to say regarding Dr. Fishbein's resignation. She has always voted to accept a resignation based on a request for retirement. But tonight is different. She will vote no to accept Dr. Fishbein's resignation with the hope that he would take some time, and the board will give him the time to reconsider his request. She knows from the emails received today and over the weekend that there are many in the community that would like your resignation rescinded.

The list of accomplishments during Dr. Fishbein's twelve years in Ridgewood of which she has first hand knowledge is impressive. She named a few:

This fall Dr. Fishbein and our administrative staff effectively planned for the reopening of schools to meet the needs of over 5600 students. Other districts have not been successful in opening and are still in full remote. We are now in our third week of school. An accomplishment worth noting.

The district was ready to make the transition to remote learning last March because Dr. Fishbein was a strong proponent of and masterminded the 1 to 1 Initiative that put a Chromebook in every student's hand in grades 3 through 12. This summer he made sure that purchases were made to allow students in kindergarten, 1st and 2nd grades to have Chromebooks. Embedded in the 1 to 1 initiative was in district and out of district professional development opportunities for our teachers and administrators. Opportunities were given and our staff participated collaboratively and with focus. Another accomplishment of note.

Under his watch, the district is on a path of continuous improvement. Our curriculum and course of study from pre - k to grade 12 is reviewed in five year cycles. A process is in place that includes identifying the curricula need/issue; involves all stakeholders; reviews best practices, resources, and materials; implements change; and once changed it is reviewed and revised as needed. This ongoing process has allowed for our curriculum and textbooks to be updated and systematically aligned with our mission of providing a rich and challenging learning environment, enabling students to maximize their unique potentials. Another accomplishment.

Dr Fishbein was instrumental in bringing full day kindergarten to Ridgewood. Full day kindergarten was a long discussed program need, but no superintendent prior to Dr. Fishbein stepped up to the challenge. She watched as he engaged community members in discussions throughout town to enumerate the reasons why full day k made educational sense for our young learners. With focus and energy he successfully advocated for full day k. One more accomplishment of note.

In special education, a thorough review was undertaken and steps to improve and expand in district programs instituted. This year we have fewer students out of district than we have had in years. Our special education programs have been expanded and resources identified to appropriately staff the programs from pre-K through age 21. She is so pleased to see the addition of our STEPSS program for students aged 18 to 21 at BF this year. For years we have discussed adding this type of program and Dr. Fishbein made it happen in

yet another accomplishment.

He has engaged the community and staff in three strategic planning sessions in his twelve years, reaffirming the vision, beliefs, and mission of the district formulating goals to keep our focus on the education of our students, our number one priority, and staying on course for continuous improvements. One more accomplishment.

It is not only the curricular needs that have been his focus, but also facility improvements. The 2009 referendum added classrooms to four of our schools - Willard, Hawes, Ridge and GW. One of the goals of this project was to add classrooms to meet the needs of our special education students who prior to the referendum would be moved from school to school, year to year, as enrollment fluctuated. Building the classrooms in our elementary schools allowed students to stay at the same school throughout their elementary years. During Dr. Fishbein's tenure, windows were replaced, asbestos flooring remediated and replaced, electrical upgrades completed, roofs replaced and repaired, site improvements made, drop off lanes created, and school security addressed. In accordance with a 2004 athletic facility evaluation done in concert with the Village, Dr. Fishbein followed through on the report's recommendations adding a new gym to GW, turfing the high school fields, and building a new track and field stadium at BF. All significant accomplishments.

Dr. Fishbein knows the importance of the social and emotional needs of students. Under his leadership the availability of counseling for students has expanded with Care Plus counselors at the high school and middle schools, expansion of guidance counselors to our elementary schools, the addition of crisis counselors, and embracing StigmaFree.

For four of Dr. Fishbein's years in the district she has served as President of the Board. She worked closely with him on several initiatives. He has tremendous energy, unwavering passion for education, a genuine love of children and a deep understanding of the complexities of human nature, he is guided by compassion and humility, he is a true advocate for our students, always acts with integrity, and is highly regarded by the staff as we've heard tonight, his fellow superintendents and the aspiring superintendents whom he teaches.

She has admired his fair and unbiased hiring practices and his ability to build a team of highly qualified administrators who work well together. He models positive leadership and it is manifested in the relationships he builds and the ultimate success of the district and our students.

Finally, her last word on this is thank you Dan for your outstanding service to the children of Ridgewood. I hope that you will reconsider and continue on a road of more accomplishments in the future.

Mr. Dani thanked Dr. Fishbein for his service and stated that he respects his decision for retirement.

Mr. Kaufman stated that listening to the phone calls. When you look at the military and judge a general by his soldiers. Listening to the administrators he was overwhelmed.

Our job as board members is to make sure that the schools are run well, it starts at the top and then it goes down to the Principals, and the teachers, If these specific people administrators, principles are here in support of Dr. Fishbein, we are not doing our job as a board if we don't try to get him to stay. He is not asking him to stay until the end of contract, that would be Dr. Fishbein's decision, but he thinks with the overwhelming support and what we're facing this year it is vital that he reconsiders his resignation for the academic school year. Although he has not always agreed with Dr. Fishbein, the passion that those members

of the community showed for their love of Dr. Fishbein and the statements were so powerful, that they touched him. He asked Dr. Fishbein to reconsider and not react with emotions. The new board members do have a right to ask questions, but thinks everyone came to a head and collided initially but thinks they can work together, and asks Dr. Fishbein not to resign.

He appreciates all of Dr. Fishbein's hard work and commitment and knows that whatever decisions he has made in the past have been, what he has thought was in the best interest for the children and the community.

Ms. Kwak echoed the statements she has seen the overwhelming support and echoed the fact that he has dedicated quite a lot of time to this community and thanked him for his years of service. It is always such a personal decision to retire and she knows that he took the time to consider. She knows that once Dr. Fishbein commits to a course of action, he is steadfast. She appreciates everything he has done, after guiding the district through a momentous spring and fall and thanked him very much.

Dr. Fishbein stated he has enjoyed his time here and some of the comments people made brought back memories of going through those situations with people. Those are things that you do as a superintendent. He has listened to the comments of the board tonight and believes it is telling and the board should vote at this time on the presented resolution and he will do what the board wishes.

Mr. Lembo asked if there was a chance for reconsideration.

Dr. Fishbein said he will go with the board's vote.

#### **v. Resignation for the Purpose of Retirement.**

The Ridgewood Board of Education, upon the recommendation of the Superintendent of Schools, approves the resignation for the purpose of retirement listed below.

**Administrator:** FISHBEIN, Daniel - Superintendent of Schools, Education Center, effective December 10, 2020, with twelve years of Ridgewood service.

Ms. Kwak moved approval of D. Human Resources, v. Resignation for the Purpose of Retirement.

Mr. Dani seconded the motion, followed by a roll-call vote:

AYES: Ms. Kwak, Mr. Dani

NAYS: Ms. Brogan, Mr. Kaufman, Mr. Lembo

Mr. Lembo stated he doesn't want to accept this, he thinks we are losing a good person and thinks it is more ceremonial and we will still have a retirement.

Mr. Kaufman added that we are dealing with a national crisis regarding racism, to project what is happening Nationally on this board is a travesty. Reading some of the comments on social media, this board has always been under scrutiny, it is the taxpayers right to question, but the narrative that the situation is racially motivated is completely unacceptable. He appreciates Mr. Dani and Ms. Kwak and appreciates what they are doing, the community has a right to question what the board does, but to turn it into a racially

motivated scenario really just censors the community.

Ms. Kwak replied as the target and actually named by the public for apologies for fulfilling her responsibility as an elected official, she objects and has a point of order. She is here to serve the community.

Mr. Lembo stated that we are a board of different individuals with the same goal in mind. The students and education of the district. The issue is that change is scary and we will miss Dr. Fishbein's leadership, but when there are targeted attacks it is not acceptable. The board is made up of volunteers and he does like people being involved, he does not like that people say they watch every second of every meeting because it is hard to do, he takes offense to some of the things that are being said, but as a community we need to move on. We are Ridgewood, strong and have a tradition of excellence for over 100 years. People need to learn from our kids, the choose to be nice initiative.

Mr. Kwak thanked Mr. Lembo and added, when there are charges and allegations publicly disseminated through email and social media alleging ethical misconduct and associating her name with it, it is unacceptable. She urged the administration and Dr. Fishbein to work collaboratively and come together as a community. She spoke to Dr. Fishbein and stated, if it is your decision to not retire, you have an obligation to heal this, she feels she was involved through no fault of her own to be harassed, intimidated and bullied. She is working in a hostile environment and asks for his support.

## **X. BOARD MEMBER ANNOUNCEMENTS**

## **XI. BOARD COMMITTEE REPORTS**

None at this time.

## **XII. COMMENTS FROM THE PUBLIC**

Mr. Lembo stated in the first part of public comment there was a problem with audio, the board was able to hear and will be part of the minutes. He asked that the written comments be paraphrased.

Jin Lee, 561 Bennington Ter., We are deeply saddened by the resignation of our superintendent Dr. Dan Fishbein. All our children -- RHS classes of 2016, 2018, and 2022 -- have benefited greatly from his leadership in Ridgewood. I imagine the past 6+ months have been the most challenging time for any superintendent, and as expected, Dr. Fishbein handled the unimaginable with professionalism and grace. His regular messages during the shutdown were just what we needed at the time. And I would like to add that his messages regarding social justice and equality, not just during recent months but throughout his entire tenure, have displayed his unwavering commitment to tolerance, acceptance and compassion. Though we wish him well in retirement, he will be greatly missed

Kerriann Reilly, 126 Highland Ave., I am Kerriann Reilly. I reside at 126 Highland Ave and have been a Ridgewood resident over 30 years. My husband and I have educated our four daughters in the Ridgewood Public School system. 15 first cousins have all been educated here. I have one daughter who is a teacher at Somerville, another who teaches

in Fair Lawn, the third is a lawyer in NYC and our youngest daughter is in nursing school in Boston. As the school nurse/ educator at BF for the last 14 years, I am thrilled with her decision to become a nurse.

I come from a long line of proud, successful educators. When my oldest daughters were contemplating a career in education my father, a lifelong educator told them, he felt "teaching is the last honorable profession". My father would be absolutely horrified by what has been happening at board meetings lately. I have been listening to them for months and my husband has asked, more than once, to please turn them off, he could not listen anymore.

What happened to civility?

What happened to decorum?

What happened to treating each other with respect?

AS educators we would not tolerate children talking to each other like that. As parents, we would not tolerate our children speaking like that.

Dan and Antoinette have embodied the dignity that education should demand. The loss of Dan and Antoinette will have a profound impact on our district.

How on earth can we continue our Ridgewood Tradition of Excellence when there is no more honor?

Sanjukta Basu, 318 Steilan Ave., Just like to send a note of appreciation to the newly elected board members along with teachers and staff for their dedication and hardwork, especially in these uncertain times. We have full faith in their competence and wish them all the very best .

Manish Shrimali, 625 Terhune Rd., I would like to acknowledge the contributions made by the new board. They are doing a great job planning and navigating this tough school year.

Kelly Buchsbaum, 113 Pine Street, Dear Ms. Brogan, Mr. Dani, Mr. Kaufman, Ms. Kwak, and Mr. Lembo: We, the Federated Home and School Association Executive Board as parent volunteer leaders in our Ridgewood Public Schools, would like to formally recognize, with gratitude and appreciation, our Superintendent, Dr. Dan Fishbein.

We feel that this is especially appropriate as we have just completed our first successful week of the district's re-opening, largely due to the hard work and dedication of our district and school administrators and our wonderful faculty and staff, all under Dan's leadership.

Dr. Fishbein's steadfast leadership over the past several months of this historic pandemic, from the day our district began all-remote instruction on March 16th to last week's school re-opening on September 2nd deserves particular commendation.

During difficult and uncertain times, Dr. Fishbein implemented and oversaw first, a totally remote learning plan which accommodated all learners, and second, a seamless, successful reopening for our students and families to safely return to school, while offering outstanding options in all-virtual and hybrid learning models. He accomplished this in the midst of a constantly changing health and regulatory landscape, while balancing the academic, physical and mental health needs of a variety of students and the professional and safety needs of his staff. This was not an easy task, and Dan and many of his colleagues worked tirelessly throughout the late spring and all summer long to develop a workable plan to meet the greatest needs of the community. At the same time, the daily business of the district was also successfully attended to, with many planned projects being completed over the summer months. We want to ensure that these extraordinary

efforts during an unprecedented time in our world are noticed and recognized.

Dr. Fishbein's leadership in guiding the Ridgewood team of District administrators, along with the outstanding Principals, Assistant Principals, Teachers and Staff, has been remarkable and exemplary.

We would like to commend Dr. Fishbein and formally express our gratitude and appreciation for his leadership. Thank you.

Sincerely,

Federated Home & School Association Executive Board 2020-21

Kelly Buchsbaum, President

Colleen Tansey, 1st Vice-President

Amy Gill, 2nd Vice-President

Valerie Auyeung, Treasurer/Secretary

Kathy Marshall, Member at Large

Fisher, 412 North Monroe St., Shame on the new board members who's lack of civility and respect has cost us the loss of now two valuable members of our community.

Manoj Wagh, 285 Midvale St., I would like to state my full support for Ms. Kwak and Mr. Dani. They are doing exactly what we elected them to do. Bringing transparency, accountability and fiscal discipline to the Ridgewood school district. Thanks.

Anshul Agarwal, 395 Hamilton Rd., In my personal opinion the BOE members are doing an excellent job by asking the right, although tough questions. Everyone on the committee in spending their precious time volunteering for the benefit of the town. I have full trust in the BOE members and they have my full support. There is no shred of doubt that the current BOE members are fully capable of conducting their duties

Sudha, 239 Lakeview Dr., I thank Board members for such great work

Garima Singh, 182 Mountain Ave., I just wanted to thank the New BOE members who stepped in such a difficult time and got right into the job, I understand that Dr. Fishbien resignation has come as a surprise and at a difficult time but I trust BOE to steer is through this difficult time and do the best they can to bring a leader suitable for our excellent school system and a capable leader for our excellent teachers and admins

Hamsavani Krishnappa, 375 Bedford Rd., I appreciate the new BOE board for their very good work so far and the transparency that's brought forward by them.

Rajiv Ohri, 544 Stevens Ave., With changes in the BOE composition, it is natural for residents to expect changes in processes and demands for more transparency

Sandipkumar Tiwari, 257 Van Emburgh Ave., I moved Just few weeks back and I was very concerned about the school opening plan, I saw all these discussions about hybrid opportunities and some board members really advocating all residents' views and asking a lot of questions on our behalf, that gave me great comfort. Our kids are in Ridgewood schools (high and middle) and we are now happy and proud that our kids go to Ridgewood schools.

Pratuyusha Singh, 583 Spring Ave., I am very happy with Dr. Daniel Fishbein & the new board of education members' work. I have known Dr. Fishbein 13- 14 yrs would not like to see him leave.

Max Bhavnani, 174 Mountain Ave., Great job BOE! Sorry to see Dr. Fishbein go but let's look ahead and find a suitable replacement.

Prerna Agarwal, 395 Hamilton Ave., New board members are doing a very good job with a sole purpose of ensuring town is providing top class education in a prudent way. I have full trust in the BOE members as they are acting in the best interest of the community

Hozefa Zariwala, 227 kemah Rd., I would like to thank Dr. Fishbein for his service to the Ridgewood Community over the years, and wish him all the best for his future. There were some reports in the media that Dr. Fishbein might have felt pressured by the new board, because of which he has resigned. I sincerely hope that is not true as someone in his position and with his long tenure would surely be able to stand up and even appreciate scrutiny. I would like to thank the new board for their hard work in trying to improve the Ridgewood school system in holistically developing our kids. We owe it our kids to try our best to improve the education system, and hold everyone accountable.

Nancy Reilly, 513 Spring Ave, Parent of 3 RPS Graduates, Teacher at RHS for 21 years I just wanted to thank Dr. Fishbein for his unwavering dedication to the Ridgewood community.

Dr. Fishbein has always been very approachable and always there to just talk or listen to my concerns. I would always catch him at a local event but knew I could always find him at the main field by the fence at sports events.

As Project Interact advisor at RHS that sponsors many fundraising events to benefit those in need I knew I could always count on Dr. Fishbein's support. He was always one of the first to contribute and join us in our fundraiser efforts. He attended Project Interact school-wide community dinner fundraisers such as Tacos for Texas, Franks for Florida and Spaghetti for Japan. Dr. Fishbein would even find the time to send a note thanking Project Interact for all their efforts to help others.

I only hope this board can find someone that has all these qualities in a new superintendent. Dr. Fishbein thank you again for all your hard work and devotion to the Ridgewood schools.

I don't know if it's too late but could or would you reconsider.

Linda Bullaro, 224 S Irving St., I have listened to several of the Board meetings and I am very pleased with the efforts of the entire Board of Education during these challenging times, and I am specifically grateful for the insightful questions by Mr. Dani and Ms. Kwak. I believe this new elected leadership seeks to provide transparency to our education process.

Lauren Dimaulo, 21 Randolph Pl., The public comments are not coming through at a high enough volume in the webcast.

Maureen LaBarr, 11 Byron Ct., We can't hear the public's comments, please fix and

please everyone speak up!

Pieush Saktawat, 583 Spring Ave., New board members are a responsible team and very respective to community needs. They should be given extended run & every opportunity to serve & deliver. Also sorry to see De Fishbein submitting his resignation. Our community won't be the same without him

Ping Yang, 67 John St., Fantastic dedication and effort from all the Board members! I would appreciate the board to give more attention to continue improving the academic standard of the district. It would be an achievement to submit the plan of G&T program in time.

Francine/Connolly, 293 Meadowbrook Ave., I support Mr Kwak and Ms Dani and I feel they are being unjustly attacked. They are volunteering their time to ensure there is proper oversight of the education process. They care about our town and our children's education.

Bonita Shimpfky, 256 Hempstead Rd., I'd like to thank Dr Fishbein for his years of service to this community. I can't imagine how challenging it is to run a district this large, much less during times like this. We have stayed strong thanks to our teachers and administrators and the reopening of our schools has been a huge step to some sort of normalcy for many of us so thank you for that. You have been a solid figure in our community – you have acted with poise throughout your tenure. So I urge you to appropriately address the series of attacks made by a few local residents, condemning your board members. It's inappropriate and shameful for them to try and create such diversion and dissidence. We push for more meaningful academics so our children can realize their fullest potential. Anything we ask, question, and demand are all done for our children, for our community. It's time for you to take a selfless act and end your tenure in grace and ensure that we as a community, a community that you live in, weather this storm. I'd like to thank the new Board for their continued push for better academics and more defined goals and expectations. We are Ridgewood and we should push for excellence.

Ravi Puli, 375 Bedford Rd., I appreciate the new BOE board for their good work so far and the commitment and transparency provided to the school community.

Anubha Tiwari, 257 Van Emburgh Ave., Moving to Ridgewood amid COVID and that too with two kids was a challenge in itself. Next challenge was schools for the kids and how they would open? We are curious about virtual or hybrid opportunities. Realized that some BOE and some board members advocating all residents view and asking a lot of questions on our behalf, what a wonderful job BOE members, you have my great confidence and belief that someone is advocating and guiding us at that level. We opted for hybrid mode and are very happy about the same. Thank you to those who spoke on our behalf and advocated for us! Kudos

Virendra Chandra, 250 Oak St., The BOE is handling well in this pandemic. I feel the hybrid model is working well. Students are fully engaged and see lots of informative email from Fishbein.

Sudarshan Mandayam, 203 Kemah Rd., There seems to be a lot of second guessing, negativity and insinuations on social media about Dr. Fishbein's departure. The new board members have been elected by the people of Ridgewood and have been doing a fantastic job by asking key questions relating to parental involvement and the go forward plan (during Covid-19). The board should strive to ensure greater transparency, fairness in process, stay united (as a board) and commit to continued excellence.

Priyanka Garg, 816 Parsons Rd., We trust the BOE members and appreciate all their efforts which have been unrelenting yet respectful. They have been doing a wonderful job to represent the community at large.

Lyudmyla Gnatenko, 174 Mountain Ave., Great job new board! Let's thank the good Doctor for his service and send him on his way. It is time to reverse this downward spiral in our school rankings.

Vierendra Sheth, 501 W Saddle River Rd., The BOE staff is doing a great job and believe in the benefit and goodwill of the town parents and students. They have brought in a lot of transparency all over and we thank them for their service.

Hannah Holland, 115 Kane Street, Brooklyn NY, I graduated from Ridgewood High School in 2011. My three younger siblings and numerous cousins also graduated from RHS. My dearest friendships are the ones I made in this school system. Many of you may know my family from their years of service and dedication to this town. I am proud to say that my aunt, Kerri Reilly, and my cousin, Katie Reilly, are currently educators at B.F. and Somerville respectfully.

Ridgewood High School has shaped me in many ways. I learned to love writing and reading. I learned to navigate a competitive environment. I learned how crucial it is to find community and to cultivate it. Perhaps, most importantly, I learned respect.

I am horrified by what has transpired at the board meetings lately, and I am so saddened by what has happened to Dr. Fishbein. Nothing I learned as a student here is evident in these meetings.

The educators of this town are dedicated to nothing but the well-being of every single student that walks through the halls of the Ridgewood public schools. I felt it when I was educated here and I see it now with my aunt and my cousin. It is clear that the Board of Education does not reciprocate that same dedication.

My grandfather, a career educator himself, once said that "teaching is the last honorable profession". Teachers in Ridgewood and across the nation deserve to be treated in this way.

It is not too late for the Board of Education to reassess their behavior and treat our students, teachers and administrators with dignity, respect and, most importantly, honor.

Respectfully,  
Hannah Holland

Pushpendra Gupta, 816 Parsons Rd., Trust Board members and their integrity in handling the proceedings in a diligent and respectful manner. BoE is doing great job keeping in mind the larger interest of the students, teachers and academics

Boyd A. Loving, 342 S Irving St., Did Dr Fishbein retire or leave because he was not happy with the Board? Without knowing this, we are wasting a whole meeting on discussing this. Our board of education has been elected to oversee the education process and they are doing their job.

Sameer Madan, 229 Orchard Pl., I fully support the Ridgewood board of education members and I am sure they will do a great job in finding a new superintendent for Ridgewood and continue to work hard in maintaining the highest standards for Ridgewood education system.

Mugdha Gangopadhyay, 341 Eastside Ave., We are one of those families who moved to Ridgewood because of its school system and strong community, and have only good things to say so far! I feel bad and have no idea why Dr. Fishbein is resigning, especially at this juncture, but to imply that he is leaving because of some specific Board Members appears to undermine the professionalism and contributions made by him and all the rest of the Board Members. Also, Covid-19 had presented an unprecedented situation with the recent school reopenings. If such an unprecedented problem was solved by the BOE and Dr. Fishbein together, then why is their teamwork being questioned? Haven't the new BOE members become BOE because of their competence, track record and support of Ridgewood residents too!? It's sad that their intentions and integrity is attacked this way!

Anna Gnatenko, 174 Mountain Ave., I fully support the new board. They are detail oriented, analytical and smart. It's unfortunate that the current superintendent could not get along with them but it is time to find someone who can.

Vaidehi Vyas, 501 W Saddle River Rd., I fully support the new BOE they are amazing

Alka Behl, 229 Orchard Pl., I fully support the Ridgewood Board of Education .

Deepa Prabhu, 405 Prospect St., The last few days have been deeply disturbing for the entire community as we have been shocked witnesses to allegations and divisive comments by our own community members against the new board members. It's sad to see people blaming the new board members for the resignation of our Superintendent. It is totally unfair. Change is the only constant and we should gracefully embrace it especially when the change is a positive one. I support the new board members totally and I am sure they will bring about an excellent change that will surely benefit our students.

Anne Loving, 342 S Irving St., I would like to offer my sincere appreciation to all the teachers, faculty, staff who have worked so tirelessly throughout the summer in order to get school up and running in this new normal. Although I do not have a student in the system anymore, I am quite aware of how overwhelming this undertaking has been. My next door neighbor and friend is a Hawes teacher who is one of those who have helped make this happen. Besides the teachers, I would like to thank Dr. Fishbein for navigating this pandemic, and I wish him well with his retirement. Finally, I would like to offer my full support to the new board, for their diligence, persistence, professionalism and preparedness during this unprecedented time. You truly make me proud, and I am most appreciative for all that you are doing and continue to do. I am fully confident that you will

find the best possible superintendent to replace Dr. Fishbein.

Jane Shinozuka, 825 Norgate Dr., The new Board has the district's betterment in mind. I disagree with the description of "disrespectful" behavior by the Board. There have been no raised voices, vulgarity or untoward behavior. Disagreement is not the same as disrespect. You can't assign that kind of insult when there is no evidence. They have been shown no respect by the very people hurling the same insult at them.

Linda McNamara 575 Knickerbocker Rd., I have been watching and attending Board meetings for approx. 40 years, some of those years as a reporter. I voted for all 5 members when they were up for a vote. The current board has only been working together for 4 1/2 months and seem to be working well together given all the unprecedented issues. Ms. Kwak and Mr. Dani have asked questions on behalf of our community which I believe needed to be brought to the table. I never saw them as anything but polite. Persistence is often seen as aggressive. I want to believe that Dr. Fishbein is resigning for positive reasons. I don't want to believe that he is leaving because of some tough questions. He has been a superintendent for too long to be intimidated by questions and would not resign because of them. I wish Ms. Kelly and Dr. Fishbein all the best and I am proud of our Board members for managing to work together despite some differences of opinion and these frightening times which have challenged us all.

Kanchan Thaokar, 49 Kira Ln., Looking at the social media post am appalled and in disbelief. I am not going to say who is right or who is wrong but just want to say that we live in a society where young kids look at adults and we should all behave in a well mannered gentle man way. These are our future leaders and they need to learn good things.

Jayesh Jesalpura, 30 Red Rock Ct., I want to thank the new board for doing the wonderful job. I have full confidence in the board that they will do the right things for our children and find the best talent for the Ridgewood public school.

Elzbieta Jastrzebska, 2115 Walton St., Fully support the new board. I believe that they will make the best decisions regarding our children and teachers, administrators and all employees of RPS.

Thank you Dr. Fishbein for promoting strong education in our Village.

John Dillon, 875 Hillcrest Rd., I am a 30 year resident of Ridgewood. Like many of my neighbors, I enthusiastically support our 3 newest board members, Mr. Dani, Ms. Kwok and Mr. Lembo. They are looking to strengthen Ridgewood's tradition of excellence and insert a higher level of accountability into our school administrative process. Thank you for your dedication and commitment as community volunteers. It saddens me to hear about the excessive negativity that has been directed at two of you. Please endure and continue your service to the community.

Gayle Menezes, 520 Upper Blvd., Full support to the Board of Education - I would like to provide my sincere support to the current BOE members. They were elected by the people of Ridgewood. I think they have added a lot of transparency. The new BOE makes us proud for being professional, articulate and inclusive. They have been criticized for

doing the right thing. Even though finding a replacement during a pandemic is going to be difficult, I am sure the new BOE will do its best. I wish Dr. Fishbein the very best in his future endeavors. I would also like to thank the teachers, principals and board for the wonderful job they did with the remote school program. The program is well developed and as a parent I think it provides our kids with everything needed to make this a successful school year. Thank you

Ila Jesalpura, 30 Red Rock Ct., Thank you BOE for great work. We love your dedication and sacrifice of your personal time for public service and making our children's future better. We are looking forward to seeing a great new year with all our publicly selected representatives. Congratulations to Dr. Fishbein for navigating the Ridgewood Public School for the last 12 years. I wish him the best for the next chapter of his life.

Robin Fishber, 412 North Monroe St., I join the hundred plus teachers, parents and staff currently standing outside the board of education building tonight to give a vote of no confidence in the new board members who's lack of civility and push for a personal agenda has led to the loss of two valuable members of our community. Shame on you!

Nicole Arilotta Penza, 660 Ellington Rd., You discriminated against certain members of the community when they DID NOT mention anyone by name but you allowed one woman to name and disparage two members of the community. You should be ashamed and taken to task on your discriminatory actions! Why are you asking people to watch their comments? You should shut up and let people speak! Disgusting. Shameful. You're ruining this village. I'm appalled by your actions tonight. Ridgewood is nothing like it was in the 90s and 2000s. I'm glad I chose to raise my family elsewhere.

Anthony Bussanich, 439 Sterling Pl., To Dr Fishbein I thank you for your service and appreciate what you have done for our school district. Since your resignation is going to take place this year what is your plan for succession? I would hope that you could share this with the community to assure the residents that you have planned for this Appropriately and prepared our community to continue the tradition of excellence. As all CEOs prepare these plans I would believe your robust plan will calm the nerves of this community and bring each other together to implement your plan.

Garima Singh, 182 Mountain Ave., Good Evening. I just wanted to thank the New BOE members who stepped in such a difficult time and got right into the job. I understand that Dr. Fishbein's resignation has come as a surprise and at a difficult time but I trust the BOE to steer us through this difficult time and do the best they can to bring a leader suitable for our excellent school system and a capable leader for our excellent teachers and administration.

Deborah Steinbaum, 295 Grandview Cir., I am confused by certain rules tonight. Are callers forbidden from being critical of the Board of Ed? Isn't the point of public comment to discuss disagreements? And yet when callers spoke poorly of certain community members by name, they were not silenced? Why?

Nicole Arilotta Penza, 660 Ellington Rd., Mr. Lembo, you should be brought up on ethics charges for selectively muting certain people and letting others ramble on.

Argawal, 676 Howard Rd., We totally support the new Board members and we stand behind them. They are asking the right questions and being very transparent

Mike Kelly, 631 Frederick, This is for Dr. Fishbein  
 If you can keep your head when all about you  
   Are losing theirs and blaming it on you,  
 If you can trust yourself when all men doubt you,  
   But make allowance for their doubting too;  
 If you can wait and not be tired by waiting,  
   Or being lied about, don't deal in lies,  
 Or being hated, don't give way to hating,  
   And yet don't look too good, nor talk too wise:

If you can dream—and not make dreams your master;  
   If you can think—and not make thoughts your aim;  
 If you can meet with Triumph and Disaster  
   And treat those two impostors just the same;  
 If you can bear to hear the truth you've spoken  
   Twisted by knaves to make a trap for fools,  
 Or watch the things you gave your life to, broken,  
   And stoop and build 'em up with worn-out tools:

If you can make one heap of all your winnings  
   And risk it on one turn of pitch-and-toss,  
 And lose, and start again at your beginnings  
   And never breathe a word about your loss;  
 If you can force your heart and nerve and sinew  
   To serve your turn long after they are gone,  
 And so hold on when there is nothing in you  
   Except the Will which says to the]m: 'Hold on!'

If you can talk with crowds and keep your virtue,  
   Or walk with Kings—nor lose the common touch,  
 If neither foes nor loving friends can hurt you,  
   If all men count with you, but none too much;  
 If you can fill the unforgiving minute  
   With sixty seconds' worth of distance run,  
 Yours is the Earth and everything that's in it,  
   And—which is more—you'll be a Man, my son!

Krupa Goradia, 2020 Mountain Ave., The new Board of Ed brings about a positive attitude and change towards the education system. There is someone to question the authorities on behalf of the taxpayers . Finally there is a sense of accountability and hopefully every dollar will be scrutinized before spending. Lots of hope for the new members

Kristin Heitmann, 2020 West End Ave., It is shocking that an administrator would say it's understandable any elementary school parent would send their child to private school

given the circumstances - as was stated in the beginning of this meeting by the Superintendent. It is not understandable. In fact it is a vote of no confidence in the RPS system. There is a silent majority of elementary school parents who are shocked by the hybrid schedule and curriculum. Please focus on the needs of our elementary school students.

Salliann Ran, 471 Berkshire Rd., I write to you as a parent of 5 Ridgewood students (Hawes, BF, RHS) and as a Willard elementary teacher. I implore you to please consider the comments made by the administrators and former BOE members at your meeting. The retirements of Dr. Fishbein and Ms. Kelly are a sign of a sad and difficult time for our district.

Dr. Fishbein is an EXCELLENT superintendent. He has led our district well with a heart for our students. As an educator, I have worked for several superintendents. Excellent educational leadership, like that of Dr. Fishbein, is very hard to find.

Please, BOE members, lead well. Listen to your constituents. Do not micromanage, but govern. You were elected to represent the community, not just a few community members, but all of us. So many people called and came to the meeting to support Dr. Fishbein. Please take that respect and love for our leader to heart.

Bernadette O'Hara, 377 Chesterfield St., I would like Dr. Fishbein to reconsider his resignation. He is an asset to this town and its schools. I would like the board to work collaboratively and for them also to ask Dr. Fishbein to reconsider. I believe you all have the interest of the students in mind. Please continue to work together.

Hannah Han, 381 Beveridge Rd., I like the way in which our newest Board members are focused on academics, and I encourage them to keep up the good work! We need a G&T program in Ridgewood. We need a more rigorous curriculum.

Robyn Davis, 14 Southern Pkwy, Thanks so much to our newest Board members for their fresh perspectives and determination in ensuring that students, parents and faculty are heard.

Pankaj Nigam, 436 Upper Blvd., I believe the new board is doing a good job and improving transparency and the necessary fiscal discipline, important for the current and future residents.

Nimisha Nigam, 436 Upper Blvd, We are very happy and satisfied with the current BOE members. The current BOE members are doing a great job and will steer us well in the current scenario/pandemic and guide the district well in the future too. They will help in establishing policies that will help in building a better future for our kids while making decisions that adhere to the "Tradition of Excellence".

Shivani Bhogra, 361 Walthery Ave., I am so deeply saddened by what's going on in Ridgewood . If someone has decided to retire or resign, why are we holding the new Board of Ed members responsible? They are just doing their job and to put up effigies is an all time low . The superintendent should see this and appeal to the town to not indulge in these low level attacks . Why is it so tough for anyone to accept non white people on the board who have been elected. It is ironic first there is a BLM March and on the other

side Asians are not allowed on the BOE. Also before Anyone says anything, I still own the house in Ridgewood and may come back if things are back to normal ... why are you spewing hatred all around the town and involving kids too?

Kathy Marshall, 136 Linden St., Please re-read the public comment from Kelly Buchsbaum - it is a letter from the Federated HSA board, not just from Kelly.

Meaghan Ozaydin, 130 South Irving St. We need Dr. Fishbein to guide this ship. I HAVE BEEN A TEACHER FOR 24 YEARS - 11 IN RIDGEWOOD. Dr. Fishbein is fair, smart, dedicated. New board members are combative and browbeat Dr. Fishbein. Why does Lembo silence speakers and not board members?

Kim Wong, 223 Orchard Pl., No one is ever 100% correct when there is an impasse. Everyone came to the table with baggage, with preconceived ideas of each other, with heels dug in. How can there be positive progress in this type of environment? Please take responsibility for the negativity that each one of you brought to the table. If Dr. Fishbein leaves under this situation it is not a win for anyone.

Gail & Jim McCarthy, 153 Hope St., Thank you Dan for all your years of service to our children. Thanks to all who volunteer.

Laura Mcenna, 861 Binham Road, I am very pleased that Dr. Fishbein will continue during this national crisis. Going forward, I hope that we can work together as a community in a productive, civil manner to advance the needs of our children.

Rory Kelsch, 49 East Glen Ave., Thank you Dr. Fishbein!

Mary Micale, 239 Heights Rd., Thank you Board Members for your thoughtful discussion regarding Dr. Fishbein's tenure. I fully support your decision not to accept his resignation and look forward to continued collaboration and success in the District.

Mike Zuckerman, 550 Bennington Ter., Dr. Fishbein, please reconsider as your leadership is needed to guide us through this pandemic. And I implore the board to treat all members with respect and to lay off social media!

Sam Flynn, 339 Carlton Ter., I am a former RHS student and I'm not completely informed on all the factors that led to Daniel Fishbein's resignation, but I do think the white board members have a responsibility to condemn the racist dog whistles being used against board members Saurabh Dani and Hyun Ju Kwak. Much of the public has been claiming they are too "aggressive" and "rude" which sounds like a pretty nasty case of tone policing to me. I do not know if the white board members have been participating in this, but I do think they have a responsibility to stand against these covert forms of racism that are bubbling up online. Whatever different opinions folks have against how to run Ridgewood Public Schools, something everyone should be united on is standing against racism.

Rahul Jain, 2020 Mountain Ave., The new board has been all about transparency and doing what is right, not what it has been doing forever without justification or a continued need. We needed the new thinking and fresh perspective which this new board has

brought to the table. It's a positive change towards our education system. Any corporation that handles finances, always has checks and balances and segregation of duties and responsibilities. This is required for keeping things and having full transparency and accountability in the process. Loving the new board members attitude and thought process. We got the long awaited and much needed questioning in the process

Brett Lyons, 224 West Glen Ave., Thank you Dr. Fishbein for all that you have done for RPS. Please reconsider your resignation. We are in the middle of an unprecedented and very difficult time. We need your stability and your leadership that our teachers, administrators, and staff stand behind. There is no perfect formula for education during a pandemic, but as a leader you need to choose a path that you feel is best for the kids and community. You have done just that, and so far so good. Thank you!

Jennifer Burke, 400 Lincoln Ave., Strongly urging Dr. Fishbein to reconsider & rescind his resignation at this time. Our children desperately need his steady leadership to guide us all through this national crisis!! BOE needs to be lightning focused on the steps to getting our students back FULL time in the classroom, and away from virtual learning. Our children are falling behind! The search for a new Superintendent wastes so much valuable time - time that would be much better spent focusing on addressing the gaps & long term harm that virtual learning has & will continue to have on our students ...and our teachers!

### **XIII. DISCUSSION ITEM**

### **XIV. ACCEPTANCE OF MINUTES**

- July 10, 2020                      Special Public Meeting
- July 23, 2020                      Special Public Meeting
- July 27, 2020                      Regular Public Meeting
- August 28, 2020                    Special Public Meeting

Mr. Dani requested to remove August 28, 2020 Special Public Meeting Minutes from being accepted.

Ms. Brogan moved Acceptance of Minutes, excluding August 28, 2020.

Mr. Lembo seconded the motion, which was unanimously approved.

### **XV. OTHER BUSINESS**

Mr. Lembo stated if Dr. Fishbein is retiring we have to begin to look for an interim superintendent and we need Dr. Fishbein's help. The board was discussing services that are out there and available, and the public should know the process.

Ms. Kwak stated that the board did not pass acceptance of Dr. Fishbein's resignation.

Mr. Kaufman confirmed that that board had a 3-2 vote, not to accept the resignation.

Mr. Lembo stated that since the resignation is on the table, the board should know what services are out there.

Ms. Brogan added that this is not the time to discuss this topic, at this time since the resolution did not pass to accept the resignation and since Dr. Fishbein said he would go with what the board decided, he needs some time to think about what happened during this long meeting.

Ms. Kwak stated that it is unprecedented for someone to submit a letter of resignation and then they are forced to work beyond their desire and she is a little confused, she is not aware that it is allowed from a governor's perspective.

Mr. Lembo stated that he is not trying to replace him, but as discussed earlier we can bring it up at the next meeting.

Mr. Dani had a discussion item. He stated that on September 2 the board was presented with goals and the process was that at this meeting, the board was supposed to discuss tonight and wordsmith the goals, but he does not see them on the agenda.

Mr. Lembo stated that we will discuss at the next meeting.

Mr. Dani stated that we have a report due to the Governor by October 1 for the gifted and talented program. So when will the board see that?

Dr. Fishbein answered that there is confusion from the State because it is asking for a lot of things that cannot be accomplished at this time. We are asking a lot of questions at the state level, one of the challenges now is identifying students since they are working remotely. Some districts won't have students come back until after that deadline, in addition to other questions Ms. Poelstra has posed to several levels.

Mr. Dani stated that we have had residents giving us a warning that this law was coming and have given examples of other districts who involved residents in the process. We have kept telling them that we are working on it.

Dr. Fishbein answered that we have stated that we have been waiting for guidance from the state that we have yet to receive.

Ms. Poelstra reviewed that we have not received the guidance from the State. The information that the state is asking for on October 1 is an identification of students in NJSMART, which is the coding system. She has put out questions to people in the state regarding how to identify gifted and talented students for coding, specifically in grades 9-12, because when you look at the definition of gifted and talented is students who need an enriched program to meet their academic needs or showing elevated ability in a subject area who need a more challenging program., so Ms. Poelstra submitted the question to the state regarding AP students, are all of these students identified as gifted and talented. Are the students in the RAHP program, who have to meet some prerequisite courses and go through an application process since that is an enriched program, all considered and coded as G&T? She ran through the gamut of questions to the state, but has not received answers. What is due to the state on October 1 is the identification of gifted and talented students in NJSMART.

Ms. Poelstra there are other things that we are continuing to explore, in terms of our own services and what we provide. We do provide enrichment for students and we do identify students , this year we don't have the njsla standardized tests, but we will be using some other things. We are moving forward and we do provide enrichment, we have individualized plans for students when they are identified that happens in the classroom, where the teacher provides differentiated instruction, We have a wealth of enrichment resources as reviewed with Ms. Kwak and the curriculum committee that teachers will be using with elementary students, we have double accelerated program in math, we have a readers/writers workshop where we level the students' reading. There is a lot happening in the realm, but we need specifics from the state regarding data reporting.

Mr. Dani asked for a presentation that reviews the requirements and what programs we currently have or are developing.

Ms. Poelstra added that we are working on a section on our website that contains detailed information regarding the programs and specifics. She stated that are some things that naturally happen with our teachers for providing enrichment opportunities, some examples including the artwork that is hanging on our walls, or if a student is excelling in playing the flute, the teacher may provide that student with more advanced pieces to play or go into a certain ensemble based on the student's skill or talent. Those are things that naturally happen, we are open and can improve our programs to highlight those opportunities.

Ms. Kwak requested to talk about phase 2 of reopening schools.

Dr. Fishbein answered that at the end of the month we will notify the community where we are heading as far as phase 2. They are putting the finishing touches on the plans and some of the complicated factors are lunch and recess, the administrators are working on that and are getting ready to make an announcement when we can pivot to full day. At this time, it is October 16 to start that.

Ms. Poelstra added that October 16 would be the last day of phase one. Overall since we have over 5,000 students and we only have 40 people changing between the models, makes it seem that people are overall happy, or they don't want another change. We are continuing to look at where we are and what the state will put out, as more districts are opening up will the state make changes to what they are allowing for full remote learning, if people bring back children safely.

We are looking at lunch and probably need to make some schedule changes, especially at the secondary levels. We are 8-9 days into our first model, but looking ahead.

Dr. Fishbien added that the next phase will include being at full day with an A and B alternating schedule. Some districts were able to do a tues, thurs, wed, friday but monday would be full remote. We stayed away from that model because the remote day eliminates a whole day of in person education. Our goal is to create schedules that have the most in person instruction.

Ms. Poelstra stated that parents are encouraged to become part of their school HSA for

opportunities to submit feedback and become involved in the process that will directly impact their school. In addition, there is parent representation on our pandemic response team.

Dr. Fishbein stated that in addition to the pandemic response teams and the parent HSA groups, if parents want to submit more feedback they can send a message directly to Dr. Fishbein or their school's principal.

Ms. Brogan stated that the best avenue is for parents to provide feedback and suggestions directly to their school principals first, since they are the ones on the ground doing the work day to day and they are the ones who bring the ideas up to Dr. Fishbein after discussing the ideas, including all challenges. Similar line of command if there are issues parents speak to their teachers first, principles and then the superintendent.

Mr. Lembo discussed the issue of before and after care and that parents are asking for it.

Dr. Fishbein answered that our contractor is providing before and after care on the days that the students are scheduled. We have looked into it for the alternative days, but we don't have the space for it in our facilities. When we eventually go back to full time, all students in school at the same time, it will be available at all times.

Discussion continued regarding the phase 2 decision process, the challenges with finding daycare and in person instruction time.

Ms. Poelstra commented that Guidance Counselors and principals are collecting data about why people are changing their schedule. She also added that students in elementary school are following the same curriculum regarding the school option they have chosen. As far as secondary in terms of pacing and curriculum all of the students are on the same page, there are some challenges with the complex number of offerings such as languages. Remote teachers have not been assigned to those types of classes, but students have been zooming into the classes.

## **XVI. ADJOURNMENT**

At 11:16 p.m. on a motion made by Mr. Lembo, seconded by Ms. Kwak and unanimously approved, the meeting adjourned.

Respectfully submitted,

Antoinette Kelly  
Board Secretary

Lucy Papamichael  
Assistant Board Secretary

2020-2021 CONFERENCES FOR APPROVAL

Staff Member	Name of Conference Location & Dates	Rationale	Estimated Cost for Approval	# of Sub Days required
Erin McGuire	Handle With Care Instructor and Re-Certification Program Handle With Care Behavior Management System, NY September 16, 2020	Professional Development	457.00	0
Ariana Bray	Handle With Care Instructor and Re-Certification Program Handle With Care Behavior Management System, NY September 16, 2020	Professional Development	497.25	0
Cindy Lora	Handle With Care Instructor and Re-Certification Program Handle With Care Behavior Management System, NY September 16, 2020	Professional Development	506.00	0

The total cost for these conferences is \$1478.25. Upon Board approval of these conferences, the total expenditure for travel and conferences for 2020-2021 will be \$20,916.06 leaving a balance of \$179,083.94.

The total cost of substitutes for these conferences is \$0. Upon Board approval of these conferences, the total expenditure for substitutes for travel and conferences for 2020-2021 will be \$1000.00.

1648 RESTART AND RECOVERY PLAN

On June 26, 2020, the New Jersey Department of Education (NJDOE) published “The Road Back - Restart and Recovery Plan for Education” (Guidance), a guidance document for reopening New Jersey schools during the COVID-19 pandemic. The Guidance provided school officials with the information necessary to ensure that schools reopen safely and are prepared to accommodate staff and students’ unique needs during these unprecedented times. The NJDOE required school districts in the State to develop, in collaboration with community stakeholders, a “Restart and Recovery Plan” (Plan) to reopen schools that best fits the district’s local needs.

The Guidance requires the Board of Education to adopt certain policies and the Board adopts Policy 1648 to address those policy requirements in the Guidance. Policy 1648 shall only be effective through the current COVID-19 pandemic and will take precedence over any existing Policy on the same or similar subject, unless determined otherwise by the Superintendent.

A. NJDOE Guidance – Key Subject Area 1 – Conditions for Learning

1. Transportation

- a. If the school district is providing transportation services on a ~~district-owned~~ school bus, but is unable to maintain social distancing, a face covering must be worn **by all students** upon entering the school bus **unless doing so would inhibit the student’s health. It is necessary to acknowledge that enforcing the use of face coverings may be impractical for young children or individuals with disabilities.** ~~by all students who are able to do so in accordance with A.2.c. below.~~ **Exceptions to the face covering requirements shall be those outlined in A.2.d. below:**
  - (1) Accommodations for students who are unable to wear a face covering should be addressed according to that student's particular need and in accordance with all applicable laws and regulations.
- b. The school district shall use best practices for cleaning and disinfecting district-owned school buses and other transportation vehicles in accordance with A.3. below.
- c. District-employed school bus drivers and aides on district-owned school buses shall practice all safety actions and protocols as indicated for other school staff.

- d. If the school district is using contracted transportation services, the contractor shall ensure all Board of Education safety actions and protocols are followed by the contractor and its employees and/or its agents.
2. Screening, Personal Protective Equipment (PPE), and Response to Students and Staff Presenting Symptoms
    - a. The school district shall screen students and employees upon arrival to a school building or work location for COVID-19 symptoms and a history of exposure.
      - (1) School staff must confirm with families that students are free of COVID-19 symptoms through electronic submission of daily health checklist and temperature readings. .
      - (2) Health checks must be conducted safely and respectfully, and in accordance with any applicable privacy laws and regulations.
      - (3) Results must be documented when signs/symptoms of COVID-19 are observed.
      - (4) The screening protocol will take into account students and employees with disabilities and accommodations that may be needed in the screening process for those students and employees.
      - (5) Students and employees with symptoms related to COVID-19 must be safely and respectfully isolated from others.
      - (6) If the school district becomes aware that an individual who has spent time in a school district facility tests positive for COVID-19, district officials must immediately notify local health officials, staff, and families of a confirmed case while maintaining confidentiality.
    - b. School staff and visitors are required to wear face coverings unless doing so would inhibit the individual's health or the individual is under two years of age.
      - (1) If a visitor refuses to wear a face covering for non-medical reasons and if such covering cannot be provided to the individual at the point of entry, the visitor's entry to the school/district facility may be denied.

- c. Students are **required** ~~strongly encouraged~~ to wear face coverings ~~and are required to do so when social distancing cannot be maintained~~, unless doing so would inhibit the student's health. It is ~~also~~ necessary to acknowledge that enforcing the use of face coverings may be impractical for young children or individuals with disabilities.
- (1) Accommodations for students who are unable to wear a face covering should be addressed according to that student's need and in accordance with all applicable laws and regulations.
- d. Exceptions to the Requirement for Face Coverings
- (1) Doing so would inhibit the individual's health.
  - (2) The individual is in extreme heat outdoors.
  - (3) The individual is in water.
  - (4) A student's documented medical condition, or disability as reflected in an Individualized Education Program (IEP), precludes the use of a face covering.
  - (5) The student is under the age of two, **due to the** ~~and could~~ risk of suffocation.
  - (6) **During the period a student is eating or drinking.**
  - (7) **Face coverings should not be placed on anyone who has trouble breathing or is unconscious, or anyone who is incapacitated or otherwise unable to remove the face covering without assistance (e.g. face coverings should not be worn by Pre-K students during nap time).**
  - (8) **The student is engaged in high intensity aerobic or anaerobic activities.**
  - (9) **Face coverings may be removed during gym and music classes when individuals are in a well-ventilated location and able to maintain a physical distance of six feet apart.**
  - (10) **When wearing a face covering creates an unsafe condition in which to operate equipment or execute a task.**

3. Facilities Cleaning Practices

- a. The school district must continue to adhere to existing required facilities cleaning practices and procedures and any new specific requirements of the local health department as they arise.
- b. A procedure manual must be developed to establish cleaning and disinfecting schedules for schools and school equipment, targeted areas to be cleaned, and methods and materials to be used.

(See Appendix A. Ridgewood Public Schools Reopening and Operations Plan)

4. Wraparound Supports

a. Mental Health Supports

The school district's approach to student mental health supports will be affected by the learning environment in place at the beginning of the school year. If in-person instruction is not feasible, the district must find other ways to assess and monitor students' mental health.

(See Appendix A. Ridgewood Public Schools Reopening and Operations Plan)

5. Contact Tracing

- a. Upon notification that a resident has tested positive for COVID-19, the local health department will call the school district to determine close contacts to whom they may have spread the virus, where close contact is defined as being within six feet for a period of at least ten minutes.
- b. The school district shall assist the local health department in conducting contact tracing activities, including ongoing communication with the identified individual and/or their contacts.
- c. The school district shall ensure adequate information and training is provided to the staff as necessary to enable staff to carry out responsibilities assigned to them.
- d. A staff liaison(s) shall be designated by the Superintendent or designee and shall be responsible for providing notifications and carrying out other

components that could help ensure notifications are carried out in a prompt and responsible manner.

- e. School districts shall allow staff, students, and families to self-report symptoms and/or suspected exposure.

(See Appendix A. Ridgewood Public Schools Reopening and Operations Plan)

B. NJDOE Guidance – Key Subject Area 2 – Leadership and Planning

1. Scheduling

- a. The school district’s Plan must account for resuming in-person instruction option for remote learning and shall provide steps to shift back to virtual learning models if circumstances change and in-person instruction guidelines can no longer be followed.
- b. The school district’s Plan accommodates opportunities for both synchronous and asynchronous instruction, while ensuring requirements for a 180-day school year are met.
- c. The school district recognizes special populations will require unique considerations to ensure the continuity of learning as well as the health and safety of students and staff within the least restrictive environment.

(1) Special Education and English Language Learners (ELL)

- (a) The school district shall provide educators with professional development to best utilize the accessibility features and accommodations tools made available through technology-based formats in accordance with this Policy.
- (b) The school district shall continue to ensure students receive individualized supports that meet the requirements of the IEP and 504 Plans.

2. Staffing

- a. The school district shall comply with all applicable employment laws when making staffing and scheduling requirements, including, but not limited to,

the Americans Disabilities Act (ADA), the Health Insurance Portability and Accountability Act (HIPPA), and all applicable State laws.

- b. As the school district adjusts schedules, teaching staff members must maintain quality instruction for students pursuant to the minimum requirements set forth in NJDOE regulation.

C. NJDOE Guidance – Key Subject Area 3 – Policy and Funding

1. School Funding

a. Purchasing

The school district may likely need to purchase items not needed in the past and may experience increased demand for previously purchased goods and services to implement the Plan. The school district shall continue to comply with the provisions of the “Public School Contracts Law”, N.J.S.A. 18A:18A-1 et seq.

b. Use of Reserve Accounts, Transfers, and Cashflow

The school district shall apply for the approval from the Commissioner of Education, prior to performing certain budget actions, such as withdrawing from the emergency reserve account or making transfers that cumulatively exceed ten percent of the amount originally budgeted.

c. Costs and Contracting

The school district shall follow all New Jersey State laws and regulations applicable to local school districts for purchasing when procuring devices and connectivity or any technology related item.

D. NJDOE Guidance – Key Subject Area 4 – Continuity of Learning

1. Ensuring the Delivery of Special Education and Related Services to Students with Disabilities

- a. The school district shall continue to meet their obligations to students with disabilities to the greatest extent possible.

2. Professional Learning

- a. The school district shall prepare and support teaching staff members in meeting the social, emotional, health, and academic needs of all students throughout the implementation of the Plan.
  - (1) Professional Learning
    - (a) The school district shall grow each teaching staff member's professional capacity to deliver developmentally appropriate standards-based instruction remotely.
  - (2) Mentoring and Induction
    - (a) The school district shall ensure:
      - (i) All novice provisional teachers new to the district be provided induction;
      - (ii) One-to-one mentoring is provided to novice provisional teachers by qualified mentors;
      - (iii) Mentors can provide sufficient support and guidance to novice provisional teachers working in a remote environment;
      - (iv) Mentoring is provided in both hybrid and fully remote learning environments and that mentors and provisional teachers will agree upon scheduling, structure, and communication strategies they will use to maintain the mentoring experience; and
      - (v) The use of online collaborative tools for school staff to remain connected to other mentors, new teachers, and administrators to maintain a sense of communal support.
  - (3) Evaluation
    - (a) The school district has considered the requirements and best practices with provisional status teachers, nontenured educators, and those on Corrective Action Plans (including extra observations, extra observers, assuring more frequent feedback and face-to-face).

New Jersey Department of Education “The Road Back – Restart and  
Recovery Plan for Education”

**Memorandum – New Jersey Governor and Department of Education – Conditions for Learning –  
Health and Safety – August 3, 2020**

Adopted:

1648.02 REMOTE LEARNING OPTIONS FOR FAMILIES

On July 24, 2020, the New Jersey Governor and the Commissioner of Education published a supplemental guidance document titled “Clarifying Expectations Regarding Fulltime Remote Learning Options for Families 2020-2021” as a result of the COVID-19 pandemic. This supplemental guidance includes an additional “anticipated minimum standard,” as this phrase is used throughout “The Road Back: Restart and Recovery Plan for Education” (NJDOE Guidance). This additional “anticipated minimum standard” provides that, in addition to the methods and considerations explicitly referenced in the NJDOE Guidance for scheduling students for in-person, remote, or hybrid learning, families/guardians (hereinafter referred to as “parents”) may submit, and school districts shall accommodate, requests for full-time remote learning.

A parent may contact the Principal or designee of the building the student would attend with any questions on: a request to transition from in-person services to full-time remote learning; a request to transition from full-time remote learning to in-person services; the procedures of this Policy; and/or any other information regarding the school district’s Plan and Policy 1648.

To ensure clarity and consistency in implementation of full-time remote learning, the Board of Education adopts this Policy that addresses the following:

- A. Unconditional Eligibility for Full-time Remote Learning
  - 1. All students are eligible for full-time remote learning.
    - a. Eligibility for full-time remote learning cannot be conditioned on a parent demonstrating a risk of illness or other selective criteria.
    - b. Unconditional eligibility for full-time remote learning includes students with disabilities who attend in-district schools or receiving schools (county special services school districts, educational services commissions, jointure commissions, Katzenbach School for the Deaf, regional day schools, college operated programs, and approved private schools for students with disabilities).
- B. Procedures for Submitting Full-time Remote Learning Requests
  - 1. A parent may request a student receive full-time remote learning from the school district by submitting a written request to the Principal of the school building their child would attend. The written request shall be provided to the Principal at least 10 calendar days before the student is eligible to commence full-time remote learning in accordance with B.2. below.

2. The student may only begin full-time remote learning within 10 school days after receiving written approval of the Principal or designee.
3. The written request for the student to receive full-time remote learning shall include:
  - a. The student's name, school, and grade;
  - b. The technology the student will be using to receive full-time remote learning, including the student's connectivity capabilities;
  - c. A request for any service or combination of services that would otherwise be delivered to the student on an in-person or hybrid schedule, such as instruction, behavioral and support services, special education, and related services;
  - d. For students with disabilities, the school district staff will determine if an Individualized Education Plan (IEP) meeting or an amendment to a student's IEP is needed for full-time remote learning; and
  - e. Any additional information the Principal or designee requests to ensure the student, when receiving remote learning, will receive the same quality and scope of instruction and other educational services as any other student otherwise participating in school district programs.
    - (1) The documentation required by the school district to be provided in the parent's request for full-time remote learning shall not exclude any students from the school district's full-time remote learning option, but rather be limited to the minimum information needed to ensure proper recordkeeping and implementation of successful remote learning.
4. Upon receiving the written request, the Principal or designee may request additional information from the parent to assist the Principal or designee in providing the student the same quality and scope of instruction and other educational services as any other student otherwise participating in school district programs.

5. The Principal or designee will review the written request and upon satisfaction of the procedures outlined in this Policy, the Principal or designee will provide written approval of the parent's request for full-time remote learning.
  - a. In the event the request does not satisfy the procedures outlined in this Policy, the Principal or designee will notify the parent in writing of the issues that need to be addressed by the parent to satisfy the procedures outlined in this Policy.
6. The Principal's written approval of the request shall be provided to the parent within 10 calendar days of receiving the parent's written request.
  - a. The written approval will include the date the remote learning program will commence for the student in accordance with B.2. above.

C. Scope and Expectations of Full-Time Remote Learning

1. The scope and expectations of the school district's full-time remote learning program will include, but not be limited to, the following:
  - a. The length of the school day pursuant to N.J.A.C. 6A:32-8.3 and compliance with the Board's Attendance Policy and Regulation 5200; the provisions of the district's remote learning program outlined in the school district's Plan; and any other Board policies and regulations that govern the delivery of services to, and district expectations of, students participating in the remote learning program and their families;
  - b. The technology and the connectivity options to be used and/or provided to the student during remote learning; and
  - c. Any additional information the Principal or designee determines is needed to ensure the student, when receiving remote learning, will receive the same quality and scope of instruction and other educational services as any other student otherwise participating in school district programs (i.e. students participating in a hybrid model).
    - (1) This includes, for example, access to standards-based instruction of the same quality and rigor as afforded all other students of the district, the district making its best effort to ensure that every student participating in remote learning has access to the requisite educational technology, and the provision of special education and related services to the greatest extent possible.

- d. The school district will endeavor to provide supports and resources to assist parents, particularly those of younger students, with meeting the expectations of the school district's remote learning option.

D. Procedures to Transition from Full-Time Remote Learning to In-Person Services

1. A parent may request their student transition from full-time remote learning to in-person services, if in-person services are being provided, by submitting a written request to the Principal of the building the student will attend. This request must be submitted at least 10 calendar days before the student is eligible for in-person services.
2. A student is only eligible to transition from full-time remote learning to in-person services commencing within 10 school days after receiving written approval of the Principal or designee.
3. The written request from the parent for the student to transition from full-time remote learning to in-person services shall include:
  - a. The student's name, school, and grade;
  - b. The in-person program may only commence for a student transitioning from full-time remote learning to in-person services in accordance with D.2. above; and
  - c. Any additional information the Principal or designee determines would be important on the student's transition from full-time remote learning to in-person services.
4. A student previously approved for remote learning wanting to transition into the school district's in-person program must spend at least 10 school days in remote learning before being eligible to transition into the school district's in-person program.
  - a. This will allow parents to make the arrangements needed to effectively serve students' home learning needs and will support educators in ensuring continuity of instruction for the student.
5. The Principal or designee will review the request for compliance with this Policy, and upon satisfaction of the procedures in this Policy, will provide the parent of the student a written approval of the student entering the school district's in-person program.

- a. In the event the request does not satisfy the procedures outlined in this Policy, the Principal or designee will notify the parent in writing of the issues that need to be addressed by the parent to satisfy the procedures outlined in this Policy.
6. Upon approval of the student's transition from full-time remote learning to in-person services, the school district will provide specific student and academic services to better assist parents anticipate their student's learning needs and help educators maintain continuity of services.
7. School districts that offer Pre-K will consult their Pre-K curriculum providers regarding appropriate measures to assess a Pre-K student's learning progress during the transition from full-time remote learning to in-person learning.

E. Reporting

1. To evaluate full-time remote learning, and to continue providing meaningful guidance for school districts, it will be important for the New Jersey Department of Education (NJDOE) to understand the extent and nature of demand for full-time remote learning around the State.
  - a. The school district will be expected to report to the NJDOE data regarding participation in full-time remote learning. Data will include the number of students participating in full-time remote learning by each of the following subgroups: economically disadvantaged; major racial and ethnic groups; students with disabilities; and English learners.

F. Procedures for Communicating District Policy with Families

1. The school district will have clear and frequent communication with parents, in their home language, to help ensure this important flexibility is as readily accessible as possible. Communication must include, at a minimum, information regarding:
  - a. Summaries of, and opportunities to review, the school district's full-time remote learning Policy/Plan;
  - b. Procedures for submitting full-time remote learning requests in accordance with B. above;
  - c. Scope and expectations of full-time remote learning in accordance with C. above;
  - d. The transition from full-time remote learning to in-person services and vice-versa in accordance with B. and D. above; and

- e. The school district’s procedures for ongoing communication with families and for addressing families’ questions or concerns.

G. Home or Out-of-School Instruction

- 1. No provision of this Policy supersedes the district’s requirements to provide home or out-of-school instruction for the reasons outlined in N.J.S.A. 18A, N.J.A.C. 6A, or any applicable Board policy unless determined otherwise by the Superintendent or designee.

New Jersey Department of Education Guidance Document:  
“Clarifying Expectations Regarding Fulltime Remote Learning  
Options for Families 2020-2021”

Adopted:

1648.03 RESTART AND RECOVERY PLAN – FULL-TIME  
REMOTE INSTRUCTION

On June 26, 2020, the New Jersey Department of Education published “The Road Back - Restart and Recovery Plan for Education” (NJDOE Guidance), a guidance document for reopening New Jersey schools during the COVID-19 pandemic. The Guidance, including revisions, provided school officials with the information necessary to ensure that schools reopen safely and are prepared to accommodate staff and students’ unique needs during these unprecedented times. The NJDOE Guidance required school districts to develop, in collaboration with community stakeholders, a “Restart and Recovery Plan” (Plan) to reopen schools that best fit the district’s local needs.

The NJDOE Guidance requires the Board of Education to adopt certain policies and the Board previously adopted Policies 1648 and 1648.02 to address these policy requirements. Board policies related to Covid-19 shall only be effective through the current COVID-19 pandemic and will take precedence over any existing Policy on the same or similar subject, unless determined otherwise by the Superintendent.

On August 13, 2020, the Governor of New Jersey signed Executive Order 175 indicating public school districts shall resume partial or full-time in-person instruction during the fall of school year 2020-2021. However, Executive Order 175 also indicates public school districts that are or become unable to satisfy the health and safety requirements for in-person instruction delineated in the NJDOE’s “Checklist for Re-Opening of School 2020-2021” and detailed in the “The Road Back - Restart and Recovery Plan for Education” Guidance, may provide full-time remote instruction to all students pursuant to N.J.S.A. 18A:7F-9.

Public school districts that determine they cannot provide in-person instruction must submit documentation to the Department of Education that identifies:

1. The school building(s) or grade level(s) within the district that will provide full-time remote instruction;
2. The specific health and safety standards delineated in the NJDOE’s “Checklist for Re-Opening of School 2020-2021,” and detailed in the “The Road Back - Restart and Recovery Plan for Education” Guidance, that the school is unable to satisfy;
3. The school’s anticipated efforts to satisfy the identified health and safety standard(s); and

4. A date by which the school anticipates the resumption of in-person instruction.

Such documentation must be submitted to the Department of Education at minimum one week prior to the public school district's first day of school.

The NJDOE, by way of the Executive County Superintendent, shall request periodic updates from the Superintendent of Schools of a public school district offering only remote instruction to demonstrate the school district is actively engaged in good-faith efforts toward the resumption of in-person instruction.

All instruction, whether in-person instruction or remote instruction, for the 2020-2021 year, shall adhere to the following requirements, and any other requirements imposed by Order, statute, or regulation:

1. A school day, whether in-person or remote must consist of at least four (4) hours of active instruction to students by an appropriately certified teacher, except that one continuous session of two and one-half hours may be considered a full day in Kindergarten, pursuant to N.J.A.C. 6A:32-8.3.
2. District and school policies for attendance and instructional contact time will need to accommodate opportunities for both synchronous and asynchronous instruction, while ensuring the requirements for a 180-day school year are met pursuant to N.J.S.A. 18A:7F-9.
3. All instructional time shall be provided in accordance with the New Jersey Student Learning Standards (NJSLs).

All public school districts participating in the National School Lunch and Breakfast Programs, regardless of whether they are required to participate or voluntarily opt-in to the programs, must offer the required meals to all children, regardless of eligibility, when the school day involves at least four hours of in-person or remote instruction.

For the 2020-2021 school year, the use of student growth data based on standardized assessment or student growth percentile shall be waived and shall not be used as a measure of educator effectiveness in the overall evaluation of any educator in accordance with N.J.S.A. 18A:6-123(b)(2) and (4).

Paragraph 8 of Executive Order No. 107 (2020), which prohibits in-person dining at certain establishments that are open to the public, shall not apply to school district cafeterias provided that social distancing can be maintained and access is limited to staff and students and not available to the general public. Such cafeterias must adhere to infection control practices outlined for dining in the applicable reopening documents issued by the Department of Education.

Executive Order 175 – August 13, 2020

Federal Families First Coronavirus  
(COVID-19) Response Act

June 20

**M**

1649 FEDERAL FAMILIES FIRST CORONAVIRUS (COVID-19)  
RESPONSE ACT

The Federal Families First Coronavirus (COVID-19) Response Act (FFCRA) includes the Emergency Family and Medical Leave Expansion Act (EFMLEA) and the Emergency Paid Sick Leave Act (EPSLA). The EFMLEA expands the Federal Family and Medical Leave Act (FMLA) and the EPSLA provides employees with paid sick leave for specified reasons related to COVID-19.

The provisions of the FFCRA shall apply from April 1, 2020 through December 31, 2020.

A. Emergency Family and Medical Leave Expansion Act (EFMLEA)

1. Definitions - For the purposes of the EFMLEA:

- a. “Eligible employee” means an employee who has been employed for at least thirty calendar days by the employer with respect to whom leave is requested.
- b. “Employer” means any employer with fewer than five hundred employees.
- c. “Qualifying need related to a public health emergency” means with respect to leave, the employee is unable to work (or telework) due to a need for leave to care for the son or daughter under eighteen years of age of such employee if the school or place of care has been closed, or the child care provider of such son or daughter is unavailable, due to a public health emergency.
- d. “Public Health Emergency” means an emergency with respect to COVID–19 declared by a Federal, State, or local authority.
- e. “Child care provider” means a provider who receives compensation for providing child care services on a regular basis, including an ‘eligible child care provider’ (as defined in section 658P of the Child Care and Development Block Grant Act of 1990 (42 U.S.C. 9858n)).
- f. “School” means an ‘elementary school’ or ‘secondary school’ as such terms are defined in section 8101 of the Elementary and Secondary Education Act of 1965 (20 U.S.C. 7801).

2. Relationship to Paid EFMLEA Leave

The FFCRA includes the Emergency Family and Medical Leave Expansion Act (EFMLEA) that amended the Federal Family and Medical Leave Act of 1993 (29 U.S.C. 2611 et seq. to provide leave to an eligible employee because of a qualifying need related to a public health emergency with respect to COVID-19 - (U.S.C. 2612(a)(1)(F)).

a. Leave for Initial Ten Days

- (1) The first ten days of this FMLA leave for an eligible employee shall be paid.
- (2) If the first ten days of this FMLA leave are unpaid, an employee may elect to substitute any accrued vacation leave, personal leave, or emergency paid sick leave provided by the EPSLA for the initial ten days under the EFMLEA in accordance with 29 U.S.C. 2612(d)(2)(B).
- (3) An employee may not use sick leave under N.J.S.A. 18A:30-1 for a qualifying need related to a public health emergency. However, an employee receiving sick leave under the provisions of N.J.S.A. 18A:30-1 may only use sick leave because of personal disability due to illness or injury, or because the employee has been excluded from school by the school district’s medical authorities on account of contagious disease or of being quarantined for such a disease in his or her immediate household.

b. Paid Leave for Subsequent Days

- (1) An employer shall provide paid leave for each day of leave under the EFMLEA that an employee takes after taking such leave for ten days.
- (2) The paid leave for an employee shall be calculated based on:

- (a) An amount that is not less than two-thirds of an employee’s regular rate of pay (as determined under section 7(e) of the Fair Labor Standards Act of 1938 (29 U.S.C. 207(e)); and
    - (b) The number of hours the employee would otherwise be normally scheduled to work (or the number of hours calculated under A.2.(b)(4) below).
  - (3) In no event shall such paid leave exceed \$200.00 per day and \$10,000.00 in the aggregate.
  - (4) Varying Schedule Hours Calculation – In the case of an employee whose schedule varies from week to week to such an extent that an employer is unable to determine with certainty the number of hours the employee would have worked if such employee had not taken leave under the EFMLEA, the employer shall use the following in place of such number:
    - (a) Subject to A.2.b.(4)(b) below, a number equal to the average number of hours that the employee was scheduled per day over the six-month period ending on the date on which the employee takes such leave, including hours for which the employee took leave of any type.
    - (b) If the employee did not work over such period, the reasonable expectation of the employee at the time of hiring of the average number of hours per day that the employee would normally be scheduled to work.
- c. Employee Notice to Employer
  - (1) In any case where the necessity for leave under the EFMLEA for the purpose of a qualifying need related to a public health emergency is foreseeable, an employee shall provide the employer with such notice of leave as is practicable.
    - (a) A request for such leave that is foreseeable shall be submitted to the Human Resources Manager prior to commencing the leave.

- (b) A need for such leave that is not foreseeable shall be submitted to the Human Resources Manager within one business day of the first day of the leave being taken by the employee.
  - (c) The employee shall provide to the Human Resources Manager the name of the employee’s child, the name of the school, place of care, or child care provider that has closed or become unavailable, and a statement that no other suitable person is available to care for the child.
- d. Restoration to Position
- (1) The employee shall be restored to the same or equivalent position held by the employee when the leave commenced pursuant to 29 CFR 825.214. The requirement to restore the employee to the same or equivalent position held when the leave commenced does not apply to an employer who employs fewer than twenty-five employees if all four of the following conditions are met:
    - (a) The employee takes leave under the EFMLEA.
    - (b) The position held by the employee when the leave commenced does not exist due to economic conditions or other changes in operating conditions of the employer
      - i. That affect employment; and
      - ii. Are caused by a public health emergency during the period of leave.
    - (c) The employer makes reasonable efforts to restore the employee to a position equivalent to the position the employee held when the leave commenced with equivalent employment benefits, pay, and other terms and conditions of employment
    - (d) If the reasonable efforts of the employer under A.2.d.(1)(c) above fail, the employer makes reasonable efforts during the period described in A.2.d.(2) below to contact the employee if an equivalent position described in A.2.d.(1)(c) above becomes available.

(2) Contact Period

(a) The period described under A.2.d. above is the one-year period beginning on the earlier of:

- i. The date on which the qualifying need related to a public health emergency concludes; or
- ii. The date that is twelve weeks after the date on which the employee’s leave under the EFMLEA commences.

B. Emergency Paid Sick Leave Act (EPSLA)

The FFCRA includes the EPSLA, which provides paid sick time to an employee to the extent the employee is unable to work or (telework) due to a need related to COVID-19. The paid sick time provided by the EPSLA and outlined in B.1. below cannot be taken with any other paid leave time provided by the employer.

1. Definitions

a. For purposes of the EPSLA and this Policy:

- (1) “Employee” means an individual who is employed by a private employer with fewer than five hundred employees and public employers with at least one employee.
- (2) “Employer” means a private person or entity that employs fewer than five hundred employees and public employers that employ at least one employee.
  - (a) “Covered employer” includes any person engaged in commerce or in any industry or activity affecting commerce that:

- ii. In the case of a public agency or any other entity that is not a private entity or individual, employs one or more employees.
  - (b) “Covered employer” also includes:
    - i. Any person acting directly or indirectly in the interest of an employer in relation to an employee (within the meaning of such phrase in section 3(d) of the Fair Labor Standards Act of 1938 (29 U.S.C. 203(d)); and
    - ii. Any successor in interest of an employer; and any “public agency”, as defined in section 3(x) of the Fair Labor Standards Act of 1938 (29 U.S.C. 203(x)).
  - (c) “Covered employer” also includes any “public agency” as defined in section 3(x) of the Fair Labor Standards Act of 1938 (29 U.S.C. 203(x)).
- (3) “Employ” and “State” have the meanings given such terms in section 3 of the Fair Labor Standards Act of 1938 (29 U.S.C. 203).
- (4) “Health care provider” and “son or daughter” have the meanings given such terms in section 101 of the Family and Medical Leave Act of 1993 (29 U.S.C. 2611).
- (5) “Paid sick time” means an increment of compensated leave that:
  - (a) Is provided by an employer for use during an absence from employment for a reason described in any paragraph of B.2.a. below; and

- (b) Is calculated based on the employee’s required compensation under B.1.a.(6) below and the number of hours the employee would otherwise be normally scheduled to work (or the number of hours calculated under (B.1.a.(7) below), except that in no event shall such paid sick time exceed:
  - i. \$511.00 per day and \$5,110.00 in the aggregate for a use described in B.2.a.(1), (2), or (3) below; and
  - ii. \$200.00 per day and \$2,000.00 in the aggregate for a use described in B.2.a.(4), (5), or (6) below.
  
- (6) “Required Compensation” subject to B.1.a.(5)(b) above, the employee’s “required compensation” shall be not less than the greater of the following:
  - (a) The employee’s regular rate of pay (as determined under section 7(e) of the Fair Labor Standards Act of 1938 (29 U.S.C. 207(e)).
  - (b) The minimum wage rate in effect under section 6(a)(1) of the Fair Labor Standards Act of 1938 (29 U.S.C. 206(a)(1)).
  - (c) The minimum wage rate in effect for such employee in the applicable State or locality, whichever is greater, in which the employee is employed.  
Subject to B.1.a.(5)(b) above, with respect to any paid sick time provided for any use described in B.2.a.(4), (5), or (6) below, the employee’s required compensation shall be two-thirds of the amount described in B.1.a.(6) above.
  
- (7) “Varying Schedule Hours Calculation” means in the case of a part-to employee described in B.3.b.(2) below whose schedule varies from week to week to such an extent that an employer is unable to determine with certainty the number of hours the

employee would have worked if such employee had not taken paid sick time under B.2.a. below, the employer shall use the following in place of such number:

- (a) Subject to clause B.1.a.(7)(b) below, a number equal to the average number of hours that the employee was scheduled per day over the six-month period ending on the date on which the employee takes the paid sick time, including hours for which the employee took leave of any type.
- (b) If the employee did not work over such period, the reasonable expectation of the employee at the time of hiring of the average number of hours per day that the employee would normally be scheduled to work.

2. Paid Sick Leave Requirement

- a. An employer shall provide to each employee employed by the employer paid sick time to the extent that the employee is unable to work (or telework) due to a need for leave because:
  - (1) The employee is subject to a Federal, State, or local quarantine or isolation order related to COVID-19.
  - (2) The employee has been advised by a health care provider to self-quarantine due to concerns related to COVID-19.
  - (3) The employee is experiencing symptoms of COVID-19 and seeking a medical diagnosis.
  - (4) The employee is caring for an individual who is subject to an order as described in B.2.a.(1) above or has been advised as described in B.2.a.(2) above.

- (5) The employee is caring for a son or daughter of such employee if the school or place of care of the son or daughter has been closed, or the child care provider of such son or daughter is unavailable, due to COVID-19 precautions.
- (6) The employee is experiencing any other substantially similar condition specified by the Secretary of Health and Human Services in consultation with the Secretary of the Treasury and the Secretary of Labor.

### 3. Duration of Paid Sick Time

- a. An employee shall be entitled to paid sick time for an amount of hours determined under B.3.b. below.
- b. The amount of hours of paid sick time to which an employee is entitled shall be as follows:
  - (1) For full-time employees, eighty hours.
  - (2) For part-time employees, a number of hours equal to the number of hours that such employee works, on average, over a two-week period.
- c. Paid sick time under the EPSLA shall not carry over from one year to the next.

### 4. Employer's Termination of Paid Sick Time

- a. Paid sick time provided to an employee under the EPSLA shall cease beginning with the employee's next scheduled work shift immediately following the termination of the need for paid sick time under B.2.a. above.

### 5. Prohibition

- a. An employer may not require, as a condition of providing paid sick time under the EPSLA, that the employee involved search for or find a replacement employee to cover the hours during which the employee is using paid sick time.

6. Use of Paid Sick Time

- a. The paid sick time under B.2.a. above shall be available for immediate use by the employee for the purposes described in the EPSLA, regardless of how long the employee has been employed by an employer.
- b. Sequencing Leave Time
  - (1) An employee may first use the paid sick time under B.2.a. above for the purposes described in the EPSLA.
  - (2) An employer may not require an employee to use other paid leave provided by the employer to the employee before the employee uses the paid sick time under B.2.a. above.

7. Notice

- a. Each employer shall post and keep posted, in conspicuous places on the premises of the employer where notices to employees are customarily posted, a notice, to be prepared or approved by the Secretary of Labor, of the requirements described in the EPSLA.
- b. Not later than seven days after the date of enactment of this Act, the Secretary of Labor shall make publicly available a model of a notice that meets the requirements of B.7.a. above.

8. Prohibited Acts

- a. It shall be unlawful for any employer to discharge, discipline, or in any other manner discriminate against any employee who:

- (1) Takes leave in accordance with the EPSLA; and
- (2) Has filed any complaint or instituted or caused to be instituted any proceeding under or related to the EPSLA (including a proceeding that seeks enforcement of the EPSLA), or has testified or is about to testify in any such proceeding.

9. Enforcement

a. Unpaid Sick Leave - An employer who violates B.2. through B.6. of this Policy shall:

- (1) Be considered to have failed to pay minimum wages in violation of section 6 of the Fair Labor Standards Act of 1938 (29 U.S.C. 206); and
- (2) Be subject to the penalties described in sections 16 and 17 of the Fair Labor Standards Act of 1938 (29 U.S.C. 216; 217) with respect to such violation.

b. Unlawful Termination - An employer who willfully violates B.8. above shall:

- (1) Be considered to be in violation of section 15(a)(3) of the Fair Labor Standards Act of 1938 (29 U.S.C. 215(a)(3)); and
- (2) Be subject to the penalties described in sections 16 and 17 of the Fair Labor Standards Act of 1938 (29 U.S.C. 216; 217) with respect to such violation.

10. Rules of Construction

a. Nothing in the EPSLA shall be construed:

(1) To in any way diminish the rights or benefits that an employee is entitled to under any:

(a) Other Federal, State, or local law;

(b) Collective bargaining agreement; or

(c) Existing employer policy; or

(2) To require financial or other reimbursement to an employee from an employer upon the employee's termination, resignation, retirement, or other separation from employment for paid sick time under the EPSLA that has not been used by such employee.

11. Guidelines

a. Not later than fifteen days after the date of the enactment of the EPSLA, the Secretary of Labor shall issue guidelines to assist employers in calculating the amount of paid sick time under the EPSLA.

12. Reasonable Notice

a. After the first workday (or portion thereof) an employee receives paid sick time under the EPSLA, an employer may require the employee to follow reasonable notice procedures in order to continue receiving such paid sick time.

b. The request for such leave shall be submitted to the Human Resources Manager, who may request documentation from the employee in support of the emergency paid sick leave.

- c. The documentation shall include a signed statement containing the following information: the employee’s name; the date(s) for which leave is requested; the COVID-19 qualifying reason for leave; and a statement representing that the employee is unable to work or telework because of the COVID-19 qualifying reason.
- d. An employee requesting to take emergency paid sick leave under the EPSLA or the EFMLEA to care for his or her child must provide the following information: the name of the child being care for; the name of the school; place of care; or child care provider that closed or became unavailable due to COVID-19 reasons; and a statement representing that no other suitable person is available to care for the child during the period of requested leave.

13. Regulatory Authorities

- a. The Secretary of Labor shall have the authority to issue regulations for good cause under sections 553(b)(B) and 553(d)(A) of Title 5, United States Code:
  - (1) To exempt small businesses with fewer than fifty employees from the requirements of B.2.a.5. when the imposition of such requirements would jeopardize the viability of the business as a going concern; and
  - (2) As necessary, to carry out the purposes of the EPSLA, including to ensure consistency between the EPSLA and Division C and Division G of the FFCRA.

~~Victim of Domestic or Sexual Violence Leave~~  
M

## 1581 VICTIM OF DOMESTIC OR SEXUAL VIOLENCE LEAVE

~~In accordance with the provisions of N.J.S.A. 34:11C-1 et seq., an employee who was a victim of an incident of domestic violence as defined in Section 3 of P.L.1991, c.261 (C.2C:25-19) or a sexually violent offense as defined in Section 3 of P.L.1998, c.71 (C.30:4-27.26), or whose child, parent, spouse, domestic partner, or civil union partner was a victim shall be entitled to unpaid leave of no more than twenty days in one twelve-month period, to be used in the twelve-month period following any incident of domestic violence or any sexually violent offense as provided in N.J.S.A. 34:11C-1 et seq.~~

~~For the purposes of N.J.S.A. 34:11C-1 et seq. and this Policy, an "employee" means a person who is employed for at least twelve months by the Board of Education, with respect to whom benefits are sought under N.J.S.A. 34:11C-1 et seq. "NJ SAFE Act" for not less than 1,000 hours during the immediately preceding twelve-month period.~~

~~For the purposes of N.J.S.A. 34:11C-3 and this Policy, each incident of domestic violence or any sexually violent offense shall constitute a separate offense for which an employee is entitled to unpaid leave, provided the employee has not exhausted the allotted twenty days for the twelve-month period. The unpaid leave may be taken intermittently in intervals of no less than one day, as needed for the purpose of engaging in any of the following activities as they relate to the incident of domestic violence or a sexually violent offense:~~

- ~~1. Seeking medical attention for, or recovering from, physical or psychological injuries caused by domestic or sexual violence to the employee or the employee's child, parent, spouse, domestic partner, or civil union partner;~~
- ~~2. Obtaining services from a victim services organization for the employee or the employee's child, parent, spouse, domestic partner, or civil union partner;~~
- ~~3. Obtaining psychological or other counseling for the employee or the employee's child, parent, spouse, domestic partner, or civil union partner;~~
- ~~4. Participating in safety planning, temporarily or permanently relocating, or taking other actions to increase the safety of the employee or the employee's child, parent, spouse, domestic partner, or civil union partner from future domestic or sexual violence or to ensure economic security;~~

5. ~~Seeking legal assistance or remedies to ensure the health and safety of the employee or the employee's child, parent, spouse, domestic partner, or civil union partner, including preparing for, or participating in, any civil or criminal legal proceeding related to or derived from domestic or sexual violence; or~~
6. ~~Attending, participating in, or preparing for a criminal or civil court proceeding relating to an incident of domestic or sexual violence of which the employee or the employee's child, parent, spouse, domestic partner, or civil union partner, was a victim.~~

~~An eligible employee may elect, or the Board of Education may require the employee, to use any of the accrued paid vacation leave, personal leave, or medical or sick leave (in accordance with the provisions of N.J.S.A. 18A:30-1) during any part of the twenty-day period of unpaid leave provided under N.J.S.A. 34:11C-1 et seq. In such case, any paid leave provided by the Board, and accrued pursuant to established policies of the Board, shall run concurrently with the unpaid leave provided under N.J.S.A. 34:11C-1 et seq. and, accordingly, the employee shall receive pay pursuant to the Board's applicable paid leave policy during the period of otherwise unpaid leave. If an employee requests leave for a reason covered by both N.J.S.A. 34:11C-1 et seq. and the "Family Leave Act," P.L.1989, c.261 (C.34:11B-1 et seq.) or the Federal "Family and Medical Leave Act of 1993," Pub.L.103-3 (29 U.S.C. § 2601 et seq.), the leave shall count simultaneously against the employee's entitlement under each respective law.~~

~~Leave granted under N.J.S.A. 34:11C-1 et seq. and this Policy shall not conflict with any rights pursuant to the "Family Leave Act," P.L.1989, c.261 (C.34:11B-1 et seq.), the "Temporary Disability Benefits Law," P.L.1948, c.110 (C.43:21-25 et seq.), or the Federal "Family and Medical Leave Act of 1993," Pub.L.103-3 (29 U.S.C. § 2601 et seq.).~~

~~Prior to taking this leave an employee shall, if the necessity for the leave is foreseeable, provide the Superintendent of Schools with written notice of the need for the leave. The notice shall be provided as far in advance as is reasonable and practical under the circumstances.~~

~~Nothing contained in N.J.S.A. 34:11C-1 et seq. and this Policy shall be construed to prohibit the Superintendent from requiring that a period of this leave be supported by the employee with documentation of the domestic violence or a sexually violent offense which is the basis for the leave. If documentation is required, the employee shall be regarded as having provided sufficient documentation if the employee provides one or more of the following:~~

- ~~1. A domestic violence restraining order or other documentation of equitable relief issued by a court of competent jurisdiction;~~
- ~~2. A letter or other written documentation from the county or municipal prosecutor documenting the domestic violence or a sexually violent offense;~~
- ~~3. Documentation of the conviction of a person for the domestic violence or a sexually violent offense;~~
- ~~4. Medical documentation of the domestic violence or a sexually violent offense;~~
- ~~5. Certification from a certified Domestic Violence Specialist or the director of a designated domestic violence agency or Rape Crisis Center, stating that the employee or employee's child, parent, spouse, domestic partner, or civil union partner is a victim of domestic violence or a sexually violent offense; or~~
- ~~6. Other documentation or certification of the domestic violence or a sexually violent offense provided by a social worker, member of the clergy, shelter worker, or other professional who has assisted the employee or employee's child, parent, spouse, domestic partner, or civil union partner in dealing with the domestic violence or a sexually violent offenses.~~

~~For the purposes of N.J.S.A. 34:11C-1 et seq. and this Policy, "Certified Domestic Violence Specialist" means a person who has fulfilled the requirements of certification as a Domestic Violence Specialist established by the New Jersey Association of Domestic Violence Professionals; and "designated domestic violence agency" means a county wide organization with a primary purpose to provide services to victims of domestic violence, and which provides services that conform to the core domestic violence services profile as defined by the Division of Child Protection and Permanency in the Department of Children and Families and is under contract with the division for the express purpose of providing the services.~~

~~Victim of Domestic or Sexual Violence Leave~~

~~For the purposes of N.J.S.A. 34:11C-1 et seq. and this Policy, "Rape Crisis Center" means an office, institution, or center offering assistance to victims of sexual offenses through crisis intervention, medical and legal information, and follow up counseling.~~

~~The Board shall display conspicuous notice of its employees' rights and obligations pursuant to the provisions of N.J.S.A. 34:11C-1 et seq., in such form and in such manner as the Commissioner of Labor and Workforce Development shall prescribe, and use other appropriate means to keep its employees so informed.~~

~~No provision of N.J.S.A. 34:11C-1 et seq. and this Policy shall be construed as requiring or permitting the Board to reduce employment benefits provided by the Board or required by a collective bargaining agreement which are in excess of those required by N.J.S.A. 34:11C-1 et seq. Nor shall any provision of N.J.S.A. 34:11C-1 et seq. be construed to prohibit the negotiation and provision through collective bargaining agreements of leave policies or benefit programs which provide benefits in excess of those required by N.J.S.A. 34:11C-1 et seq. This provision shall apply irrespective of the date that a collective bargaining agreement takes effect.~~

~~Nothing contained in N.J.S.A. 34:11C-1 et seq. and this Policy shall be construed as permitting the Board to:~~

- ~~1. Rescind or reduce any employment benefit accrued prior to the date on which the leave taken pursuant to N.J.S.A. 34:11C-1 et seq. commenced; or~~
- ~~2. Rescind or reduce any employment benefit, unless the rescission or reduction of the benefit is based on changes that would have occurred if an employee continued to work without taking the leave provided pursuant to N.J.S.A. 34:11C-1 et seq.~~

~~All information and/or documentation provided to the Board or Superintendent of Schools pursuant to N.J.S.A. 34:11C-1 et seq., any information regarding a leave taken pursuant to N.J.S.A. 34:11C-1 et seq., and any failure of an employee to return to work, shall be retained in the strictest confidentiality, unless the disclosure is voluntarily authorized in writing by the employee or is required by a Federal or State law, rule, or regulation.~~

### R 1581 DOMESTIC VIOLENCE

Policy and Regulation 1581 - Section A. sets forth the New Jersey Civil Service Commission's (Civil Service Commission) Uniform Domestic Violence Policy that all public employers shall adopt and distribute to all their employees in accordance with the provisions of N.J.S.A. 11A:2-6a. The purpose of the Uniform Domestic Violence Policy is to encourage public employees who are victims of domestic violence, and those impacted by domestic violence, to seek assistance from their public employer's human resources officer(s) and provide a standard for a public employer's human resources officer(s) to follow when responding to employees.

Policy and Regulation 1581 – Section B. provides employment protection for employees of those employers as defined in N.J.S.A. 34:11C-2, who are victims of domestic violence or sexual violence in accordance with the provisions of the New Jersey Security and Financial Empowerment Act (NJ SAFE Act) - N.J.S.A. 34:11C-1 et seq.

#### A. Uniform Domestic Violence Policy (N.J.S.A. 11A:2-6a)

##### 1. Definitions

The following terms are defined solely for the purposes of N.J.S.A. 11A:2-6a and Policy and Regulation 1581:

“Domestic Violence” - Acts or threatened acts, that are used by a perpetrator to gain power and control over a current or former spouse, family member, household member, intimate partner, someone the perpetrator dated, or person with whom the perpetrator shares a child in common or anticipates having a child in common if one of the parties is pregnant. Domestic violence includes, but is not limited to the following: physical violence; injury; intimidation; sexual violence or abuse; emotional and/or psychological intimidation; verbal abuse; threats; harassment; cyber harassment; stalking; economic abuse or control; damaging property to intimidate or attempt to control the behavior of a person in a relationship with the perpetrator; strangulation; or abuse of animals or pets.

“Abuser/Perpetrator” - An individual who commits or threatens to commit an act of domestic violence, including unwarranted violence against individuals and animals. Other abusive behaviors and forms of violence can include the following: bullying, humiliating, isolating, intimidating, harassing, stalking, or threatening the victim, disturbing someone’s peace, or destroying someone’s property.

“Human Resources Officer (HRO)” - An employee of a public employer with a human resources job title, or its equivalent, who is responsible for orienting, training, counseling, and appraising staff. Persons designated by the employer as the primary or secondary contact to assist employees in reporting domestic violence incidents.

“Intimate Partner” - Partners of any sexual orientation or preference who have been legally married or formerly married to one another, have a child or children in common, or anticipate having a child in common if one party is pregnant. Intimate partner also includes those who live together or have lived together, as well as persons who are dating or have dated in the past.

“Temporary Restraining Order (TRO)” - A civil court order issued by a judge to protect the life, health, or well-being of a victim. TROs can prohibit domestic violence offenders from having contact with victims, either in person or through any means of communication, including third parties. TROs also can prohibit offenders from a victim’s home and workplace. A violation of a TRO may be a criminal offense. A TRO will last approximately ten business days, or until a court holds a hearing to determine if a Final Restraining Order (FRO) is needed. In New Jersey, there is no expiration of a FRO.

“Victim” - A person who is eighteen years of age or older or who is an emancipated minor and who has been subjected to domestic violence by a spouse, former spouse, or any other person who is a present household member or was at any time a household member. A victim of domestic violence is also any person,

regardless of age, who has been subjected to domestic violence by one of the following factors: a person with whom the victim has a child in common; a person with whom the victim anticipates having a child in common, if one of the parties is pregnant; and a person with whom the victim has had a dating relationship.

“Workplace-Related Incidents” - Incidents of domestic violence, sexual violence, dating violence, and stalking, including acts, attempted acts, or threatened acts by or against employees, the families of employees, and/or their property, that imperil the safety, well-being, or productivity of any person associated with a public employee in the State of New Jersey, regardless of whether the act occurred in or outside the organization’s physical workplace. An employee is considered to be in the workplace while in or using the resources of the employer. This includes, but is not limited to: facilities; work sites; equipment; vehicles; or while on work-related travel.

2. Persons Covered Under N.J.S.A. 11A:2-6a and Policy and Regulation 1581

All New Jersey public employees are covered under N.J.S.A. 11A:2-6a and Policy and Regulation 1581 – Section A. A State of New Jersey public employer is any State, county, municipality, school district, or other political subdivision thereof, and any agency, authority, or instrumentality of the foregoing. Casual/seasonal employees, interns, volunteers, and temporary employees of any public employer at any workplace location are also covered under N.J.S.A. 11A:2-6a and Regulation 1581 – Section A.

3. Responsibility of Employer to Designate a Human Resources Officer (HRO)

- a. All public employers shall designate an HRO to assist employees who are victims of domestic violence.

- b. The designated HRO must receive training on responding to and assisting employees who are domestic violence victims in accordance with Policy and Regulation 1581 – Section A. Should the HRO be unavailable at any time, the employer must designate a secondary HRO, who must also be appropriately trained to respond and assist domestic violence victims pursuant to Policy and Regulation 1581.
  - c. Managers and supervisors are often aware of circumstances involving an employee who is experiencing domestic violence. Managers and supervisors are required to refer any employee who is experiencing domestic violence or who report witnessing domestic violence to the designated HRO. Managers and supervisors must maintain confidentiality, to the extent possible, and be sensitive, compassionate, and respectful to the needs of persons who are victims of domestic violence.
    - (1) The name and contact information of the designated HRO must be provided to all employees.
  - d. Policy and Regulation 1581 – Section A. does not supersede applicable laws, guidelines, standard operating procedures, internal affairs policies, or New Jersey Attorney General directives and guidelines that impose a duty to report.
    - (1) For example, if there is any indication a child may also be a victim, reporting is mandatory to the Department of Children and Families, Child Protection and Permanency, under N.J.S.A. 9:6-8.13.
4. Domestic Violence Reporting Procedure
- a. Employees who are victims of domestic violence are encouraged to seek immediate assistance from their HRO.

- b. Employees who have information about or witness an act of domestic violence against an employee are encouraged to report that information to the designated HRO, unless the employee is required to report the domestic violence pursuant to applicable laws, guidelines, standard operating procedures, internal affairs policies, or New Jersey Attorney General directives and guidelines that impose a duty to report, in which case the employee must report to the appropriate authority in addition to reporting to the designated HRO.
- c. Nothing in Policy and Regulation 1581 – Section A. shall preclude an employee from contacting 911 in emergency situations. HROs shall remind employees to contact 911 if they feel they are in immediate danger.
- d. Each designated HRO shall:
  - (1) Immediately respond to an employee upon request and provide a safe and confidential location to allow the employee to discuss the circumstances surrounding the domestic violence incident and the request for assistance.
  - (2) Determine whether there is an imminent and emergent need to contact 911 and/or local law enforcement.
  - (3) Provide the employee with resource information and a confidential telephone line to make necessary calls for services for emergent intervention and supportive services, when appropriate. The HRO or the employee can contact the appropriate Employee Assistance Program to assist with securing resources and confidential services.
  - (4) Refer the employee to the provisions and protections of the New Jersey Security and Financial Empowerment Act, N.J.S.A. 34:11C-1 et seq. (NJ SAFE Act), referenced in Regulation 1581 - Section B.

- 5) In cases where domestic violence involved a sexual touching or sexual assault between State employees, the HRO is also required to report the incident to their agency's Equal Employment Opportunity (EEO) Officer or Title IX Officer, as appropriate.
- (6) If there is a report of sexual assault or abuse, the victim should be offered the services of the New Jersey State Sexual Assault Response Team.
- (7) Maintain the confidentiality of the employee and all parties involved, to the extent practical and appropriate under the circumstances, pursuant to A.5. below.
- (8) Upon the employee's consent, the employee may provide the HRO with copies of any TROs, FROs, and/or civil restraint agreements that pertain to restraints in the work place and ensure that security personnel are aware of the names of individuals who are prohibited from appearing at the work location while the employee who sought the restraining order is present. All copies of TROs and FROs must be kept in a separate confidential personnel file.

## 5. Confidentiality Policy

- a. In responding to reports of domestic violence, the HRO shall seek to maintain confidentiality to protect an employee making a report of, witnessing, or experiencing domestic violence, to the extent practical and appropriate under the circumstances and allowed by law.
- b. No provision of Policy and Regulation 1581 – Section A. shall supersede applicable laws, guidelines, standard operating procedures, internal affairs policies, or New Jersey Attorney General directives and guidelines that impose a duty to report.

- c. Policy 1581 and Regulation 1581 – Section A.5. shall not prevent disclosure where to do so would result in physical harm to any person or jeopardize safety within the workplace.
    - (1) When information must be disclosed to protect the safety of individuals in the workplace, the HRO shall limit the breadth and content of such disclosure to information reasonably necessary to protect the safety of the disclosing employee and others and comply with the law.
    - (2) The HRO shall provide advance notice to the employee who disclosed information, to the extent possible, if the disclosure must be shared with other parties in order to maintain safety in the workplace or elsewhere.
    - (3) The HRO shall also provide the employee with the name and title of the person to whom they intend to provide the employee's statement and shall explain the necessity and purpose regarding the disclosure.
      - (a) For example, if the substance of the disclosure presents a threat to employees, then law enforcement will be alerted immediately.
  - d. Policy 1581 and Regulation 1581 – Section A. does not supersede applicable laws, guidelines, standard operating procedures, internal affairs policies, or New Jersey Attorney General directives and guidelines where mandatory reporting is required by the appointing authority or a specific class of employees.
6. Confidentiality of Employee Records
- a. To ensure confidentiality and accuracy of information Policy and Regulation 1581 – Section A.6. requires the HRO to keep all documents and reports of domestic violence in a confidential personnel file separate from the employee's other personnel records.

- b. These records shall be considered personnel records and shall not be government records available for public access under the Open Public Records Act. See N.J.S.A. 47:1A-10.
7. Public Employer Domestic Violence Action Plan
- a. Public employers in the State of New Jersey shall develop an action plan to identify, respond to, and correct employee performance issues that are caused by domestic violence, pursuant to N.J.S.A. 11A:2-6a, and in accordance with the following guidelines:
    - (1) Designate an HRO with responsibilities pursuant to A.3. and A.4. above.
    - (2) Recognize that an employee may need an accommodation as the employee may experience temporary difficulty fulfilling job responsibilities.
    - (3) Provide reasonable accommodations to ensure the employee's safety. Reasonable accommodations may include, but are not limited to, the following: implementation of safety measures; transfer or reassignment; modified work schedule; change in work telephone number or work-station location; assistance in documenting the violence occurring in the workplace; an implemented safety procedure; or other accommodation approved by the employer.
    - (4) Advise the employee of information concerning the NJ SAFE Act; Family and Medical Leave Act (FMLA); or Family Leave Act (FLA); Temporary Disability Insurance (TDI); or Americans with Disabilities Act (ADA); or other reasonable flexible leave options when an employee, or his or her child, parent, spouse, domestic partner, civil union partner, or other relationships as defined in applicable statutes is a victim of domestic violence.

- (5) Commit to adherence of the provisions of the NJ SAFE Act, including that the employer will not retaliate against, terminate, or discipline any employee for reporting information about incidents of domestic violence, as defined in Policy and Regulation 1581 – Section A., if the victim provides notice to their human resources office of the status or if the human resources office has reason to believe an employee is a victim of domestic violence.
- (6) Advise any employee, who believes he or she has been subjected to adverse action as a result of making a report pursuant to Policy and Regulation 1581 - Section B. of the civil right of action under the NJ SAFE Act.
  - (a) Advise any employee to contact their designated Labor Relations Officer, Conscientious Employees Protection Act (CEPA) Officer, and/or Equal Employment Opportunity Officer in the event they believe the adverse action is a violation of their collective bargaining agreement, the Conscientious Employees Protection Act, or the New Jersey Law Against Discrimination and corresponding policies.
- (7) Employers, their designated HRO, and employees should familiarize themselves with Policy and Regulation 1581. Policy and Regulation 1581 shall be provided to all employees upon Board approval and to all new employees upon hiring.
- (8) Information and resources about domestic violence are encouraged to be placed in visible areas, such as restrooms, cafeterias, breakrooms, and where other resource information is located.

8. Resources

Resources and program information will be readily available to assist victims of domestic violence. These resources should be provided by the designated HRO to any victim of domestic violence at the time of reporting.

9. Distribution of Policy

The Civil Service Commission and the Division of Local Government Services in the Department of Community Affairs shall distribute a Uniform Domestic Violence Policy, and any modifications thereto, to public employers. The Director of the Division of Local Government Services shall release Local Finance Notices setting forth any changes to the Uniform Domestic Violence Policy, as changes occur.

10. Other Applicable Requirements

In addition to Policy and Regulation 1581, the HRO and the public employer's appointing authority, if applicable, must follow all applicable laws, guidelines, standard operating procedures, internal affairs policies, and New Jersey Attorney General directives and guidelines that impose a duty to report. Additionally, to the extent that the procedures set forth in Policy and Regulation 1581 conflict with collective negotiated agreements or with the Family Educational Rights and Privacy Act (FERPA), the provisions of the negotiated agreements and the provisions of FERPA control.

11. Policy Modification and Review

- a. A public employer may seek to modify Policy and Regulation 1581 to create additional protocols to protect victims of domestic violence, but may not modify in a way that reduces or compromises the safeguards and processes set out in the Uniform Domestic Violence Policy.
- b. The Civil Service Commission will review and modify their Uniform Domestic Violence Policy periodically and as needed.

12. Policy Enforceability

The provisions of the Uniform Domestic Violence Policy are intended to be implemented by the Civil Service Commission. These provisions do not create any promises or rights that may be enforced by any persons or entities.

13. Policy Inquiries and Effective Date

Any questions concerning the interpretation or implementation of the Uniform Domestic Violence Policy shall be addressed to the Chair/Chief Executive Officer of the Civil Service Commission, or their designee. The Uniform Domestic Violence Policy and Policy and Regulation 1581 shall be enforceable upon the HRO's completion of training on the Uniform Domestic Violence Policy and Policy and Regulation 1581.

B. NJ SAFE Act – (N.J.S.A. 34:11C-1 et seq.)

1. The New Jersey Security and Financial Empowerment Act, N.J.S.A. 34:11C-1, et seq. (NJ SAFE Act), is a law that provides employment protection for victims of domestic or sexual violence.
2. Definitions (N.J.S.A. 34:11C-2)

The following terms are defined solely for the purpose of N.J.S.A. 34:11C-1 et seq. - NJ SAFE Act:

“Employee” means a person who is employed for at least twelve months by an employer, with respect to whom benefits are sought under the NJ SAFE Act, for not less than 1,000 base hours during the immediately preceding twelve-month period. Any time, up to a maximum of ninety calendar days, during which a person is laid off or furloughed by an employer due to that employer curtailing operations because of a state of emergency declared after October 22, 2012, shall be regarded as time in which the person is employed for the purpose of determining eligibility for leave time under the NJ SAFE Act. In making the determination, the base hours per week during the layoff or furlough shall be deemed to be the same as the average number of hours worked per week during the rest of the twelve-month period.

“Employer” means a person or corporation, partnership, individual proprietorship, joint venture, firm or company, or other similar legal entity which engages the services of an employee and employs twenty-five or more employees for each working day during each of twenty or more calendar work weeks in the then current or immediately preceding calendar year. “Employer” includes the State, any political subdivision thereof, and all public offices, agencies, boards, or bodies.

“State of emergency” means a natural or man-made disaster or emergency for which a state of emergency has been declared by the President of the United States or the Governor, or for which a state of emergency has been declared by a municipal emergency management coordinator.

3. Regulations Relative to Unpaid Leave for Employees and Family Members Affected by Certain Offenses (N.J.S.A. 34:11C-3)

- a. Any employee of an employer in the State of New Jersey who was a victim of an incident of domestic violence as defined in N.J.S.A. 2C:25-19, or a sexually violent offense as defined in N.J.S.A. 30:4-27.26, or whose parent-in-law, sibling, grandparent, grandchild, child, parent, spouse, domestic partner, or civil union partner individual, or any other individual related by blood to the employee, and any other individual that the employee shows to have a close association with the employee which is the equivalent of a family relationship, was a victim shall be entitled to unpaid leave of no more than twenty days in one twelve-month period, to be used in the twelve-month period next following any incident of domestic violence or any sexually violent offense as provided in N.J.S.A. 34:11C-3.

For purposes of N.J.S.A. 34:11C-3 and Regulation 1581 - Section B.3., each incident of domestic violence or any sexually violent offense shall constitute a separate offense for which an employee is entitled to unpaid leave, provided that the employee has not exhausted the allotted twenty days for the twelve-month period.

The unpaid leave may be taken intermittently in intervals of no less than one day, as needed for the purpose of engaging in any of the following activities as they relate to the incident of domestic violence or sexually violent offense:

- (1) Seeking medical attention for, or recovering from, physical or psychological injuries caused by domestic or sexual violence to the employee or the employee's parent-in-law, sibling, grandparent, grandchild, child, parent, spouse, domestic partner, or civil union partner individual, or any other individual related by blood to the employee, and any other individual that the employee shows to have a close association with the employee which is the equivalent of a family relationship;
- (2) Obtaining services from a victim services organization for the employee or the employee's parent-in-law, sibling, grandparent, grandchild, child, parent, spouse, domestic partner, or civil union partner individual, or any other individual related by blood to the employee, and any other individual that the employee shows to have a close association with the employee which is the equivalent of a family relationship;
- (3) Obtaining psychological or other counseling for the employee or the employee's parent-in-law, sibling, grandparent, grandchild, child, parent, spouse, domestic partner, or civil union partner individual, or any other individual related by blood to the employee, and any other individual that the employee shows to have a close association with the employee which is the equivalent of a family relationship;

- (4) Participating in safety planning, temporarily or permanently relocating, or taking other actions to increase the safety of the employee or the employee's parent-in-law, sibling, grandparent, grandchild, child, parent, spouse, domestic partner, or civil union partner individual, or any other individual related by blood to the employee, and any other individual that the employee shows to have a close association with the employee which is the equivalent of a family relationship, from future domestic or sexual violence or to ensure economic security;
- (5) Seeking legal assistance or remedies to ensure the health and safety of the employee or the employee's parent-in-law, sibling, grandparent, grandchild, child, parent, spouse, domestic partner, or civil union partner, individual, or any other individual related by blood to the employee, and any other individual that the employee shows to have a close association with the employee which is the equivalent of a family relationship, including preparing for, or participating in, any civil or criminal legal proceeding related to or derived from domestic or sexual violence; or
- (6) Attending, participating in, or preparing for a criminal or civil court proceeding relating to an incident of domestic or sexual violence of which the employee or the employee's parent-in-law, sibling, grandparent, grandchild, child, parent, spouse, domestic partner, or civil union partner, or any other individual related by blood to the employee, and any other individual that the employee shows to have a close association with the employee which is the equivalent of a family relationship, was a victim.

- b. An eligible employee may elect to use any accrued paid vacation leave, personal leave, or medical or sick leave of the employee, or any family temporary disability leave benefits provided pursuant to N.J.S.A. 43:21-27 during any part of the twenty-day period of unpaid leave provided under N.J.S.A 34:11C-3 and Regulation 1581 - Section B.3.a.

In such case, any paid leave provided by the employer, and accrued pursuant to established policies of the employer, or family temporary disability leave benefits, shall run concurrently with the unpaid leave provided under N.J.S.A. 34:11C-3.a and Regulation 1581 - Section B.3.a. and, accordingly, the employee shall receive pay pursuant to the employer's applicable paid leave policy, or family temporary disability leave benefits, during the period of otherwise unpaid leave. If an employee requests leave for a reason covered by both N.J.S.A. 34:11C-3.a and the "Family Leave Act," N.J.S.A. 34:11B-1 et seq. or the Federal "Family and Medical Leave Act of 1993," 29 U.S.C. § 2601 et seq., the leave shall count simultaneously against the employee's entitlement under each respective law.

Leave granted under N.J.S.A. 34:11C-3 and Regulation 1581 - Section B. shall not conflict with any rights pursuant to the "Family Leave Act," the "Temporary Disability Benefits Law," N.J.S.A. 43:21-25 et al, or the Federal "Family and Medical Leave Act of 1993."

- c. Prior to taking the leave provided for in N.J.S.A. 34:11C-3 and Regulation 1581 - Section B.3.a., an employee shall, if the necessity for the leave is foreseeable, provide the employer with written notice of the need for the leave, unless an emergency or other unforeseen circumstance precludes prior notice. The notice shall be provided to the employer as far in advance as is reasonable and practical under the circumstances.

- d. Nothing contained in the NJ SAFE Act (N.J.S.A. 34:11C-1 et seq.) and Regulation 1581 - Section B. shall be construed to prohibit an employer from requiring that a period of leave provided pursuant to N.J.S.A. 34:11C-3 and Regulation 1581 - Section B. be supported by the employee with documentation of the domestic violence or sexually violent offense which is the basis for the leave.

If the employer requires the documentation, the employee shall be regarded as having provided sufficient documentation if the employee provides one or more of the following:

- (1) A domestic violence restraining order or other documentation of equitable relief issued by a court of competent jurisdiction;
- (2) A letter or other written documentation from the county or municipal prosecutor documenting the domestic violence or sexually violent offense;
- (3) Documentation of the conviction of a person for the domestic violence or sexually violent offense;
- (4) Medical documentation of the domestic violence or sexually violent offense;
- (5) Certification from a certified Domestic Violence Specialist or the director of a designated domestic violence agency or Rape Crisis Center, that the employee or employee's parent-in-law, sibling, grandparent, grandchild, child, parent, spouse, domestic partner, or civil union partner, or any other individual related by blood to the employee, and any other individual that the employee shows to have a close association with the employee which is the equivalent of a family relationship, is a victim of domestic violence or a sexually violent offense; or

- (6) Other documentation or certification of the domestic violence or sexually violent offense provided by a social worker, member of the clergy, shelter worker, or other professional who has assisted the employee or employee's parent-in-law, sibling, grandparent, grandchild, child, parent, spouse, domestic partner, or civil union partner, or any other individual related by blood to the employee, and any other individual that the employee shows to have a close association with the employee which is the equivalent of a family relationship, in dealing with the domestic violence or sexually violent offenses.

For the purpose of N.J.S.A. 34:11C-3.c and Regulation 1581 - Section B.3.d.:

- (1) "Certified Domestic Violence Specialist" means a person who has fulfilled the requirements of certification as a Domestic Violence Specialist established by the New Jersey Association of Domestic Violence Professionals;
- (2) "Designated Domestic Violence Agency" means a county-wide organization with a primary purpose to provide services to victims of domestic violence, and which provides services that conform to the core domestic violence services profile as defined by the Division of Child Protection and Permanency in the Department of Children and Families and is under contract with the Division for the express purpose of providing the services.
- (3) "Rape Crisis Center" means an office, institution, or center offering assistance to victims of sexual offenses through crisis intervention, medical and legal information, and follow-up counseling.

- e. An employer shall display conspicuous notice of its employees' rights and obligations pursuant to the provisions of the NJ SAFE Act, in such form and manner as the Commissioner of Labor and Workforce Development shall prescribe, and use other appropriate means to keep its employees so informed.
  
- f. No provision of N.J.S.A. 34:11C-1 et seq. and Policy and Regulation 1581 – Section B. shall be construed as requiring or permitting an employer to reduce employment benefits provided by the employer or required by a collective bargaining agreement which are in excess of those required by the NJ SAFE Act. Nor shall any provision of N.J.S.A. 34:11C-1 et seq. and Policy and Regulation 1581 – Section B. be construed to prohibit the negotiation and provision through collective bargaining agreements of leave policies or benefit programs which provide benefits in excess of those required by the NJ SAFE Act. N.J.S.A. 34:11C-3.e and Regulation 1581 – Section B.3.f. shall apply irrespective of the date that a collective bargaining agreement takes effect.

Nothing contained in N.J.S.A. 34:11C-1 et seq. and Policy and Regulation 1581 – Section B. shall be construed as permitting an employer to:

- (1) Rescind or reduce any employment benefit accrued prior to the date on which the leave taken pursuant to the NJ SAFE Act commenced; or
  
- (2) Rescind or reduce any employment benefit, unless the rescission or reduction of the benefit is based on changes that would have occurred if an employee continued to work without taking the leave provided pursuant to Regulation 1581 – Section B.3.a.

g. All information provided to an employer pursuant to N.J.S.A. 34:11C-3.c and Regulation 1581 – Section B.3.d. above and any information regarding a leave taken pursuant to N.J.S.A. 34:11C-3.c and any failure of an employee to return to work, shall be retained in the strictest confidentiality, unless the disclosure is voluntarily authorized in writing by the employee or is required by a Federal or State law, rule, or regulation.

4. Certain Actions by Employer Prohibited (N.J.S.A. 34:11C-4)

An employer shall not discharge, harass, or otherwise discriminate, retaliate, or threaten to discharge, harass, or otherwise discriminate or retaliate against an employee with respect to the compensation, terms, conditions, or privileges of employment on the basis that the employee took or requested any leave to which the employee was entitled pursuant to N.J.S.A. 34:11C-3 of the NJ SAFE Act and Regulation 1581 – Section B.3. or on the basis that the employee refused to authorize the release of information deemed confidential pursuant to N.J.S.A. 34:11C-3.f and Regulation 1581 – Section B.3.g.

5. Violations; Penalties (N.J.S.A. 34:11C-5)

a. Upon a violation of any of the provisions of N.J.S.A. 34:11C-3 and Regulation 1581 - Section B.3., or N.J.S.A. 34:11C-4 and Regulation 1581 - Section B.4., an employee or former employee may institute a civil action in the Superior Court for relief. All remedies available in common law tort actions shall be available to a prevailing plaintiff. The Court may also order any or all of the following relief:

- (1) An assessment of a civil fine of not less than \$1,000 and not more than \$2,000 for the first violation of any of the provisions of N.J.S.A. 34:11C-3 or N.J.S.A. 34:11C-4 and not more than \$5,000 for each subsequent violation;

- (2) An injunction to restrain the continued violation of any of the provisions of N.J.S.A. 34:11C-3 or N.J.S.A. 34:11C-4;
  - (3) Reinstatement of the employee to the same position or to a position equivalent to that which the employee held prior to unlawful discharge or retaliatory action;
  - (4) Reinstatement of full fringe benefits and seniority rights;
  - (5) Compensation for any lost wages, benefits, and other remuneration;
  - (6) Payment of reasonable costs and attorney's fees.
- b. An action brought under N.J.S.A. 34:11C-5 shall be commenced within one year of the date of the alleged violation.
- c. A private cause of action provided for in N.J.S.A. 34:11C-5 shall be the sole remedy for a violation of N.J.S.A. 34:11C-1 et seq.

**2422 HEALTH AND PHYSICAL EDUCATION**

The Board of Education requires all students to participate in a comprehensive, sequential, health and physical education program aligned with the New Jersey Student Learning Standards (NJSLS) that emphasizes the natural interdisciplinary connection between wellness and health and physical education. The primary focus of the NJSLS is the development of knowledge and skills that influence healthy behaviors within the context of self, family, school, and the local and global community.

The NJSLS incorporate New Jersey statutes related to health and well-being of students in New Jersey schools. The following statutes incorporated into the NJSLS include, but are not limited to, the following requirements:

1. Accident and Fire Prevention (N.J.S.A. 18A:6-2) requires regular courses of instruction in accident and fire prevention.
2. Breast Self-Examination (N.J.S.A. 18A:35-5.4) requires offering instruction on breast self-examination for students in grades seven to twelve.
3. Bullying Prevention Programs (N.J.S.A. 18A:37-17) requires the establishment of bullying prevention programs.
4. Cancer Awareness (N.J.S.A. 18A:40-33) requires the development of a school program on cancer awareness by the Commissioner of Education.
5. Dating Violence Education (N.J.S.A. 18A:35-4.23a) requires instruction regarding dating violence in grades seven through twelve.
6. Domestic Violence Education (N.J.S.A. 18A:35-4.23) allows instruction on problems related to domestic violence and child abuse.
7. Gang Violence Prevention (N.J.S.A. 18A:35-4.26) requires instruction in gang violence prevention for elementary school students.

8. Health, Safety, and Physical Education (N.J.S.A. 18A:35) requires that all students in grades one through twelve participate in at least two and one-half hours of health, safety, and physical education each school week.
9. Drugs, Alcohol, Tobacco, Controlled Dangerous Substances, and Anabolic Steroids (N.J.S.A. 18A:40A-1) requires instructional programs on drugs, alcohol, anabolic steroids, tobacco, and controlled dangerous substances and the development of curriculum guidelines for each grade Kindergarten through twelve.
10. Lyme Disease Prevention (N.J.S.A. 18A:35-5.1 through 5.3) requires the development of Lyme Disease curriculum guidelines and training to all teaching staff members who instruct students with Lyme Disease.
11. Organ Donation (N.J.S.A. 18A:7F-4.3) requires information relative to organ donation to be given to students in grades nine through twelve.
12. Sexual Assault Prevention (N.J.S.A. 18A:35-4.3) requires the development of a sexual assault prevention education program by the Commissioner of Education for utilization by school districts.
13. Stress Abstinence (N.J.S.A. 18A:35-4.19 through N.J.S.A. 18A:35-4.22), also known as the “AIDS Prevention Act of 1999,” requires sex education programs to stress abstinence.
14. Suicide Prevention (N.J.S.A. 18A:6-111 through 113) requires instruction in suicide prevention in public schools.
15. Cardiopulmonary Resuscitation (CPR/Automated External Defibrillator (AED) (N.J.S.A. 18A:35-4.28 and 18A:35-4.29) requires public high schools and charter schools to provide instruction in cardiopulmonary resuscitation and the use of an automated external defibrillator to each student prior to graduation.
16. Sexually Explicit Images through Electronic Means (N.J.S.A. 18A:35-4.32 and 4.33) requires instruction, once during middle school, on the social, emotional, and legal consequences of distributing and soliciting sexually explicit images through electronic means.
17. **History of Disabled and LGBT Persons (N.J.S.A. 18A:35-4.35 and 4.36) requires instruction on the political, economic, and social contributions of persons with disabilities and lesbian, gay, bisexual, and transgender people for middle and high school students.**

- 18. **Financial Literacy (N.J.S.A. 18A:35-4.34) requires instruction with basic financial literacy necessary for sound financial decision-making in each of the grades six through eight.**
- 19. Other Statutory or Administrative Codes. The Board will incorporate into its health and physical education curriculum any other requirements of the NJSLS in Comprehensive Health and Physical Education.

In accordance with the provisions of N.J.S.A. 18A:35-4.7, any student whose parent presents to the Principal a signed statement that any part of the instruction in health, family life education, or sex education is in conflict with his/her conscience or sincerely held moral or religious beliefs shall be excused from that portion of the course where such instruction is being given and no penalties as to credit or graduation shall result.

The Board of Education must provide two and one-half hours of health, safety, and physical education courses in each school week, or proportionately less when holidays fall within the week. Recess period(s) shall not be used to meet the requirements of N.J.S.A. 18A:35-5, 7, and 8.

In accordance with N.J.S.A. 18A:35-4.31, the Board of Education shall provide a daily recess period of at least twenty minutes for students in grades Kindergarten through five. A recess period is not required on a school day in which the day is substantially shortened due to a delayed opening or early dismissal. The recess period shall be outdoors, if feasible. A student shall not be denied recess for any reason, except as a consequence of a violation of the school district's Code of Student Conduct, including a harassment, intimidation, or bullying (HIB) investigation pursuant to N.J.S.A. 18A:37-13 et seq. Students may not be denied recess more than twice per week for a violation of the Code of Student Conduct or HIB investigation and these students shall be provided restorative justice activities during the recess period. Restorative justice activities mean activities designed to improve the socioemotional and behavioral responses of students through the use of more appropriate and less punitive interventions thereby establishing a more supportive and inclusive school culture. The student's recess period should be scheduled in a manner that does not interfere with the implementation of a student's Individualized Education Program (IEP). School staff may deny recess for a student on the advice of a medical professional, school nurse, or the provisions of a student's IEP and/or 504 Plan.

A copy of the NJSLS for Comprehensive Health and Physical Education and all related curriculum/course guides and instructional material shall be available for public inspection in each school.

N.J.S.A. 18A:35-4.31; 18A:35-5; 18A:35-7; 18A:35-8

BOARD OF EDUCATION**

TEACHING STAFF MEMBERS

3421.13/page 1 of 2

Postnatal Accommodations

Mar 20

**3421.13 POSTNATAL ACCOMMODATIONS**

The Board of Education recognizes teaching staff members may be returning to work shortly after their child's birth and may need to express breast milk during the workday. The Patient Protection and Affordable Care Act (PPACA) amended Section 7 of the Federal Fair Labor Standards Act (FLSA) for nursing mothers to be permitted reasonable break times and a private location to express breast milk for their nursing child for one year after the child's birth.

Every employee position in the school district is designated as either "non-exempt" or "exempt" by the provisions of the FLSA. Generally, a teaching staff member entitled to overtime pay is designated as "non-exempt." A teaching staff member that performs duties that are executive, administrative, or professional in nature and not entitled to overtime pay is designated "exempt." The school district administration shall refer to the comprehensive definitions of "exempt" and "non-exempt" as outlined in 29 C.F.R. 541 et seq. in determining an employee's designation.

A Board of Education is required to provide reasonable break times to non-exempt teaching staff members to express breast milk for their nursing child. The non-exempt teaching staff member shall coordinate such breaks with their immediate supervisor. The non-exempt teaching staff member will not receive compensation during this break time unless the break time is during a non-exempt teaching staff member's compensated break time.

A Board of Education is not required under the FLSA to provide such breaks to exempt teaching staff members. However, exempt teaching staff members may take such breaks provided the breaks are coordinated with their immediate supervisor. If this break is taken during the exempt teaching staff member's duty free lunch period or duty free break period during the workday, the exempt teaching staff member will not be reduced in compensation.

The Principal or the nursing mother's immediate supervisor, in consultation with the school nurse, will designate a lactation room that is shielded from view and free from intrusion from co-workers and the public. The location must be functional as a space for expressing breast milk and shall include an electrical outlet, a chair, and nearby access to running water. If the space is not dedicated to

the nursing mother's use, it must be available when needed. A space temporarily converted into a lactation room or made available when needed by a nursing mother is sufficient; however, a bathroom, even if private, is not a permissible location under the FLSA.

All exempt and non-exempt teaching staff members are required to sign-out of work to begin the break to express breast milk and shall sign-in when they return to work after the break. The break shall be for a reasonable amount of time. For compensation purposes, the immediate supervisor shall forward all sign-in and sign-out information relative to break times for nursing mothers under the FLSA to the School Business Administrator/Board Secretary.

Postnatal Accommodations

## 4421.13 POSTNATAL ACCOMMODATIONS

The Board of Education recognizes support staff members may be returning to work shortly after their child's birth and may need to express breast milk during the workday. The Patient Protection and Affordable Care Act (PPACA) amended Section 7 of the Federal Fair Labor Standards Act (FLSA) for nursing mothers to be permitted reasonable break times and a private location to express breast milk for their nursing child for one year after the child's birth.

Every employee position in the school district is designated as either "non-exempt" or "exempt" by the provisions of the FLSA. Generally, a support staff member entitled to overtime pay is designated as "non-exempt." A support staff member that performs duties that are executive, administrative, or professional in nature and not entitled to overtime pay is designated "exempt." The school district administration shall refer to the comprehensive definitions of "exempt" and "non-exempt" as outlined in 29 C.F.R. 541 et seq. in determining an employee's designation.

A Board of Education is required to provide reasonable break times to non-exempt support staff members to express breast milk for their nursing child. The non-exempt support staff member shall coordinate such breaks with their immediate supervisor. The non-exempt support staff member will not receive compensation during this break time unless the break time is during a non-exempt support staff member's compensated break time.

A Board of Education is not required under the FLSA to provide such breaks to exempt support staff members. However, exempt support staff members may take such breaks provided the breaks are coordinated with their immediate supervisor. If this break is taken during the exempt support staff member's duty free lunch period or duty free break period during the workday, the exempt support staff member will not be reduced in compensation.

The Principal or the nursing mother's immediate supervisor, in consultation with the school nurse, will designate a lactation room that is shielded from view and free from intrusion from co-workers and the public. The location must be functional as a space for expressing breast milk and shall include an electrical outlet, a chair, and nearby access to running water. If the space is not dedicated to the nursing mother's use, it must be available when needed. A space temporarily converted into a lactation room or made available when needed by a nursing mother is sufficient; however, a bathroom, even if private, is not a permissible location under the FLSA.

### 5330 ADMINISTRATION OF MEDICATION

The Board of Education disclaims any and all responsibility for the diagnosis and treatment of an illness of any student. However, in order for many students with chronic health conditions and disabilities to remain in school, medication may have to be administered during school hours. Parents are encouraged to administer medications to children at home whenever possible as medication should be administered in school only when necessary for the health and safety of students. The Board will permit the administration of medication in school in accordance with applicable law.

Medication will only be administered to students in school by the school physician, a certified or noncertified school nurse, a substitute school nurse employed by the district, the student's parent, a student who is approved to self-administer in accordance with N.J.S.A. 18A:40-12.3 and 12.4, and school employees who have been trained and designated by the certified school nurse to administer epinephrine **and hydrocortisone sodium succinate** in an emergency pursuant to N.J.S.A. 18A:40-12.5 ~~and 12.6, , 12.29, and 12.30.~~

Self-administration of medication by a student for asthma or other potentially life-threatening illness or a life threatening allergic reaction, **or adrenal insufficiency** is permitted in accordance with the provisions of N.J.S.A. 18A:40- 12.3.

~~Medication no longer required must be promptly removed by the parent.~~

The school nurse shall have the primary responsibility for the administration of epinephrine **and hydrocortisone sodium succinate to the student**. However, the ~~certified~~ school nurse may designate, in consultation with the Board or the Superintendent, additional employees of the district who volunteer to be trained in the administration of epinephrine via a pre-filled auto-injector mechanism **and the administration of hydrocortisone sodium succinate** using standardized training protocols established by the **New Jersey Department of Education (NJDOE)** in consultation with the Department of Health ~~and Senior Services~~ when the school nurse is not physically present at the scene.

In accordance with the provisions of N.J.S.A. 18A:40-12.6.d, no school employee, including a school nurse or any other officer or agent of a Board of Education or a physician **or an advanced practice nurse** providing a prescription under a standing protocol for school epinephrine pursuant to N.J.S.A. 18A:40-12.5 **and/or hydrocortisone sodium succinate pursuant to N.J.S.A. 18A:40-12.29**, shall be held liable for any good faith act or omission consistent with the provisions of N.J.S.A. 18A:40-12.5 **and N.J.S.A. 18A:40-12.29**, nor shall any action before the New Jersey State Board of Nursing lie against a school nurse for any such action taken by a person designated in good faith by the school nurse pursuant to N.J.S.A. 18A:40-12.6.d **and N.J.S.A. 18A:40-12.33**. Good faith shall not include willful misconduct, gross negligence, or recklessness.

The school nurse or designee shall be promptly available on site at the school and at school-sponsored functions in the event of an allergic reaction **or an emergency requiring the administration of hydrocortisone sodium succinate**. In addition, the parent must be informed that the school district, its employees and agents shall have no liability as a result of any injury arising from the administration of epinephrine **or hydrocortisone sodium succinate** to the student

The parent of the student must sign a statement acknowledging their understanding the district shall have no liability as a result of any injury arising from the administration of the epinephrine via a pre-filled auto-injector mechanism **or the administration of hydrocortisone sodium succinate** to the student. ~~and~~ **In addition**, the parent shall indemnify and hold harmless the district and its employees or agents against any claims arising out of the administration of the epinephrine via a pre-filled auto-injector mechanism **or the administration of hydrocortisone sodium succinate** to the student

The permission for the emergency administration of epinephrine via a pre-filled auto-injector mechanism containing epinephrine to students for anaphylaxis **and/or the emergency administration of hydrocortisone sodium succinate for adrenal insufficiency** is effective for the school year it is granted and must be renewed for each subsequent school year.

Each school in the district shall have and maintain for the use of students at least one nebulizer in the office of the school nurse or a similar accessible location. Each certified school nurse or other persons authorized to administer asthma medication will receive training in airway management and in the use of nebulizers and inhalers consistent with ~~State Department of Education~~ **NJDOE** regulations. Every student that is authorized to use self-administered asthma medication pursuant to N.J.S.A. 18A:40-12.3 or a nebulizer must have an asthma treatment plan prepared by the student's physician which shall identify, at a minimum, asthma triggers, the treatment plan and other such elements as required by the State Board of Education.

All student medications shall be appropriately maintained and secured by the school nurse, except those medications to be self-administered by students. In those instances the medication may be retained by the student with the prior knowledge of the school nurse. The school nurse may provide the Principal and other teaching staff members concerned with the student's educational progress with such information about the medication and its administration as may be in the student's best educational interests. The school nurse may report to the school physician any student who appears to be affected adversely by the administration of medication and may recommend to the Principal the student's pupil's exclusion pursuant to law.

The school nurse shall document each instance of the administration of medication to a student. Students self-administering medication shall report each incident to a teacher, coach or other individual designated by the school nurse who is supervising the student during the school activity when the student self-administers. These designated individuals shall report such incidents to the school nurse within twenty-four hours of the self-administration of medication. The school nurse shall preserve records and documentation regarding the self-administration of medication in the student's health file.

Revised:

R 5330 ADMINISTRATION OF MEDICATION

A. Definitions

1. “Medication” means any prescription drug or over-the-counter medicine or nutritional supplement and includes, but is not limited to, aspirin and cough drops.
2. “Administration” means the taking of any medication by ingestion, injection, or application to any part of the body or the giving of direct physical assistance to the person who is ingesting, injecting, or applying medication.
3. “Self-administration” means carrying and taking medication without the intervention of the school nurse, approved through the school district policy and restricted to students with asthma, other potentially life-threatening illnesses, ~~or~~ life-threatening allergic reaction, **or adrenal insufficiency**.
4. “Life-threatening illness” means an illness or condition that requires an immediate response to specific symptoms or sequelae (an after effect of disease or injury) that if left untreated may lead to potential loss of life, ~~i.e. adrenaline injection in anaphylaxis~~.
5. “A pre-filled auto-injector mechanism containing epinephrine” is a medical device used for the emergency administration of epinephrine to a student for anaphylaxis.
6. “Noncertified ~~school~~ nurse” means a person who holds a current license as a registered professional nurse from the State Board of Nursing and is employed by the district, and who is not certified as a school nurse by the **New Jersey Department of Education (NJDOE)**.
7. “Substitute school nurse” means a person who holds a current license as a registered professional nurse from the State Board of Nursing and who has been issued a county substitute certificate to serve as a substitute for a certified school nurse in accordance with N.J.A.C. 6A:9B-7.6.
8. “School physician” means a physician with a current license to practice medicine or osteopathy from the New Jersey Board of Medical Examiners who works under contract or as an employee of the district. This physician is referred to as the medical inspector in N.J.S.A. 18A:40-4.1.
9. “Advanced practice nurse” means a person who holds **a current certification license** as nurse practitioner/clinical nurse specialist from the State Board of Nursing.

10. “Certified school nurse” means a person who holds a current license as a registered professional nurse from the State Board of Nursing and an Educational Services Certificate with a school nurse endorsement or school nurse/non-instructional from the Department of Education pursuant to N.J.A.C. 6A:9B-14.3 and 14.4.

B. Permission for Administration by a School Nurse or Registered Nurse

1. Permission for the administration of medication in school or at school-~~related~~**sponsored events functions** will be given only when it is necessary for the health and safety of the student.
2. Medication will not be administered to a student who is physically unfit to attend school or has a contagious disease. Any such student should not be permitted to attend school and may be excluded in accordance with Policy 8451.
3. Parent requests for the administration of medication in school must be made in writing and signed by the parent.
4. The parent must submit a certified statement written and signed by the student’s physician. The statement must include:
  - a. The student’s name;
  - b. The name of the medication;
  - c. The purpose of its administration to the student for whom the medication is intended;
  - d. The proper timing and dosage of medication;
  - e. Any possible side effects of the medication;
  - f. The time when the medication will be discontinued;
  - g. A statement that the student is physically fit to attend school and is free of contagious disease; and
  - h. A statement that the student would not be able to attend school if the medication is not administered during school hours.

5. The request for the administration of medication must be made to the ~~Principal~~ **Superintendent or designee** prior to any administration of medication or delivery of the medication to the school. The ~~Principal~~ **Superintendent or designee** may consult with the school nurse and the school physician in making his/her final determination to allow or deny the request.
  - a. An approved request will be signed by the ~~Principal~~ **Superintendent or designee** and given to the school nurse and the student's parent.
  - b. The parent will be informed of ~~the a~~ reason for a denied request; ~~a denied request may be appealed to the Superintendent.~~

C. Administration of Epinephrine to Students

1. **In accordance with N.J.S.A. 18A:40-12.5,** ~~t~~The parent may provide the Superintendent **or designee** authorization for the emergency administration of epinephrine via a pre-filled auto-injector mechanism containing epinephrine to a student for anaphylaxis provided:
  - a. The parent provides the Superintendent **or designee** a written authorization for the administration of epinephrine ~~with written orders from the physician or an advanced practice nurse that the student requires the administration of epinephrine for anaphylaxis.;~~
  - b. **The parent of the student provides the Superintendent or designee with written orders from the physician or an advanced practice nurse that the student requires the administration of epinephrine for anaphylaxis;**
  - ~~b. The school nurse has the primary responsibility for the administration of epinephrine. However, the school nurse shall designate, in consultation with the Board or Superintendent, additional employees of the district who volunteer to administer epinephrine via a pre-filled auto-injector mechanism to a student when the school nurse is not physically present at the scene. These volunteers shall be trained using standardized training protocols established by the New Jersey Department of Education in consultation with the Department of Health and Senior Services. The student's parent must consent in writing to the administration of epinephrine via a pre-filled auto-injector mechanism by the designee(s).~~
  - c. The parent ~~must be~~ **is** informed in writing by the Board **of Education** or Superintendent **or designee** that the school district and its employees or agents shall have no liability as a result of any injury to a student arising from the administration of epinephrine via a pre-filled auto-injector mechanism.;

- d. The parent ~~must~~ signs a statement acknowledging their understanding the district shall incur no liability as a result of any injury arising from the administration of epinephrine via a pre-filled auto-injector mechanism to the student and the parent shall indemnify and hold harmless the district and its employees or agents against any claims arising out of the administration of epinephrine via a pre-filled auto-injector mechanism to the student-;
- e. The permission for the emergency administration of epinephrine via a pre-filled auto-injector mechanism is effective for the school year it is granted and must be renewed for each subsequent school year upon the fulfillment of the requirements as outlined in a. through d. above-;
- f. **The Superintendent or designee requires:**
  - ~~f. (1) The school nurse shall be responsible for~~ **T**he placement of the student's prescribed epinephrine **to be** in a secure but unlocked location easily accessible by the school nurse and trained designees to ensure prompt availability in the event of an allergic emergency at school or at a school-**sponsored** function. The location of the epinephrine shall be indicated on the student's emergency care plan. Back-up epinephrine shall also be available at the school if needed-;
  - ~~g. (2) The school nurse or trained designee shall~~ **to** be promptly available on site at the school and school-sponsored functions in the event of an allergic reaction-; **and**
  - ~~h. (3) The school nurse or trained designee shall arrange for~~ **T**he transportation of the student to a hospital emergency room by emergency services personnel after the administration of epinephrine, even if the student's symptoms appear to have resolved.
- g. **The Superintendent or designee shall also:**
  - ~~i. (1) In accordance with the provisions of N.J.S.A. 18A:40-12.5.f,~~ **Permit** the school nurse or a ~~designated employee~~ trained **designee** to administer epinephrine via a pre-filled auto-injector mechanism ~~is permitted to administer epinephrine via a pre-filled auto-injector mechanism~~ to any student without a known history of anaphylaxis or to any student whose parent has not met the requirements outlined **above in Regulation 5330 – Section C.1.a., b., and d. and has not received the notice required in Regulation 5330 – Section C.1.c.** when the school nurse or trained designee in good faith believes the student is having an anaphylactic reaction-; **and**

- j- (2) **Require e**Each school in the district **to will** maintain in a secure, but unlocked and easily accessible location, a supply of epinephrine auto-injectors prescribed under a standing order from a licensed physician **or advanced practice nurse**, and ~~that~~ is accessible to the school nurse and trained designees for administration to a student having an anaphylactic reaction.
2. **In accordance with N.J.S.A. 18A:40-12.6, the school nurse shall have the primary responsibility for the administration of the epinephrine. The school nurse shall designate, in consultation with the Board of Education, additional employees of the school district who volunteer to administer epinephrine via a pre-filled auto-injector mechanism to a student for anaphylaxis when the nurse is not physically present at the scene. In the event that a licensed athletic trainer volunteers to administer epinephrine, it shall not constitute a violation of the “Athletic Training Licensure Act,” P.L.1984, c.203 (C.45:9-37.35 et seq.).**
- a. **The school nurse shall determine that:**
- (1) **The designees have been properly trained in the administration of the epinephrine via a pre-filled auto-injector mechanism using standardized training protocols established by the NJDOE in consultation with the Department of Health;**
  - (2) **The parent of the student consented in writing to the administration of the epinephrine via a pre-filled auto-injector mechanism by the designees;**
  - (3) **The Board or Superintendent or designee has informed the parent of the student in writing that the district and its employees or agents shall have no liability as a result of any injury arising from the administration of the epinephrine to the student;**
  - (4) **The parent of the student signed a statement acknowledging their understanding the district shall have no liability as a result of any injury arising from the administration of the epinephrine via a pre-filled auto-injector mechanism to the student and the parent shall indemnify and hold harmless the district and its employees or agents against any claims arising out of the administration of the epinephrine via a pre-filled auto-injector mechanism to the student; and**

- (5) The permission is effective for the school year for which it is granted and is renewed for each subsequent school year upon fulfillment of the requirements in subsections 2.a.(1) through 2.a.(4) above.
3. The NJDOE, in consultation with the Department of Health, shall require trained designees for students enrolled in a school who may require the emergency administration of epinephrine for anaphylaxis when the school nurse is not available.
4. Nothing in N.J.S.A. 18A:40-12.6 and Regulation 5330 – Section C. shall be construed to prohibit the emergency administration of epinephrine via a pre-filled auto-injector mechanism to a student for anaphylaxis by the school nurse or other employees designated pursuant to N.J.S.A. 18A:40-12.3(a)(1) when the student is authorized to self-administer epinephrine pursuant to N.J.S.A. 18A:40-12.3, or when there is a coexisting diagnosis of asthma, or when a prescription is received from a licensed health care professional for epinephrine coupled with another form of medication, or when the epinephrine is administered pursuant to N.J.S.A. 18A:40-12.5.f.
5. The certified school nurse, in consultation with the Superintendent or designee, shall recruit and train volunteer designees who are determined acceptable candidates by the school nurse within each school building as deemed necessary by the nursing services plan, in accordance with N.J.S.A. 18A:40-12.6c(b).
6. No school employee, including a school nurse, or any other officer or agent of a Board of Education, or a physician or an advanced practice nurse providing a prescription under a standing protocol for school epinephrine pursuant to N.J.S.A. 18A:40-12.5.f and Regulation 5330 – Section C.1.g., shall be held liable for any good faith act or omission consistent with the provisions of N.J.S.A. 18A:40-12.5 et seq., nor shall an action before the New Jersey State Board of Nursing lie against a school nurse for any such action taken by a person designated in good faith by the school nurse pursuant to N.J.S.A. 18A:40-12.6. Good faith shall not include willful misconduct, gross negligence, or recklessness.

**D. Administration of Hydrocortisone Sodium Succinate to Students**

- 1. In accordance with the provisions of N.J.S.A. 18A:40-12.29, the Board will permit the emergency administration of hydrocortisone sodium succinate through appropriate delivery devices and equipment to a student for adrenal insufficiency provided that:**
  - a. The parent of the student provides the Superintendent or designee a written authorization for the administration of hydrocortisone sodium succinate;**
  - b. The parent of the student provides the Superintendent or designee written orders from the physician or an advanced practice nurse that the student requires the administration of hydrocortisone sodium succinate for adrenal insufficiency;**
  - c. The Superintendent or designee informs the parent of the student in writing that the school district and its employees or agents shall have no liability as a result of any injury arising from the administration of hydrocortisone sodium succinate;**
  - d. The parent of the student signs a statement acknowledging their understanding that the district shall have no liability as a result of any injury arising from the administration of hydrocortisone sodium succinate to the student and that the parent shall indemnify and hold harmless the district and its employees or agents against any claims arising out of the administration of hydrocortisone sodium succinate to the student; and**
  - e. The permission for the administration of hydrocortisone sodium succinate is effective for the school year for which it is granted and must be renewed for each subsequent school year upon the fulfillment of the requirements as outlined in a. through d. above.**
  
- 2. In accordance with the provisions of N.J.S.A. 18A:40-12.29.b:**
  - a. The placement of the student's prescribed hydrocortisone sodium succinate shall be in a secure, but unlocked location easily accessible by the school nurse and trained designees to ensure prompt availability in the event of emergency situations at school or at a school-sponsored function. The location of the prescribed hydrocortisone sodium succinate shall be indicated on the student's emergency care plan.**

**Back-up hydrocortisone sodium succinate, provided by the student's parent, shall also be available at the school if needed;**

- b. The school nurse or trained designee shall be promptly available on site at the school and school-sponsored functions in the event of an emergency; and**
  - c. The student shall be transported to a hospital emergency room by emergency services personnel after the administration of hydrocortisone sodium succinate, even if the student's symptoms appear to have resolved.**
- 3. In accordance with N.J.S.A. 18A:40-12.30, the school nurse has the primary responsibility for the administration of hydrocortisone sodium succinate.**

**The school nurse shall designate, in consultation with the Superintendent or designee, additional employees of the school district who volunteer to administer hydrocortisone sodium succinate to a student when the school nurse is not physically present at the scene.**

**In the event that a licensed athletic trainer volunteers to administer hydrocortisone sodium succinate, it shall not constitute a violation of the "Athletic Training Licensure Act" - N.J.S.A. 45:9-37.35 et seq.**

**The school nurse shall determine that:**

- a. The designees have been properly trained in the administration of hydrocortisone sodium succinate using standardized training protocols established by the NJDOE in consultation with the Department of Health;**
- b. The parent of the student consented in writing to the administration of hydrocortisone sodium succinate by the designee(s);**
- c. The Superintendent or designee has informed the parent of the student in writing that the district and its employees or agents shall have no liability as a result of any injury arising from the administration of hydrocortisone sodium succinate to the student;**
- d. The parent of the student signed a statement acknowledging their understanding that the district shall have no liability as a result of any injury arising from the administration of hydrocortisone sodium succinate to the student and that the parent shall indemnify and hold harmless the district and its employees or agents against any claims arising out of the administration of hydrocortisone sodium succinate to the student; and**

**The permission is effective for the school year for which it is granted and is renewed for each subsequent school year upon fulfillment of the requirements in N.J.S.A. 18A:40-12.30 and D.3.a through d above.**

- 4. Nothing in N.J.S.A. 18A:40-12.30 and D.3. above shall be construed to prohibit the emergency administration of hydrocortisone sodium succinate to a student for adrenal insufficiency by the school nurse or other employees designated pursuant to N.J.S.A. 18A:40-12.30 and D.3. above when the student is authorized to self-administer hydrocortisone sodium succinate pursuant to N.J.S.A. 18A:40-12.3.**
- 5. The certified school nurse, in consultation with the Superintendent or designee, shall recruit and train volunteer designees who are determined acceptable candidates by the school nurse within each school building as deemed necessary by the nursing services plan, in accordance with N.J.S.A. 18A:40-12.32(b).**
- 6. No school employee, including a school nurse, or any other officer or agent of a Board of Education shall be held liable for any good faith act or omission consistent with the provisions of N.J.S.A. 18A:40-12.29 et al., nor shall an action before the New Jersey State Board of Nursing lie against a school nurse for any action taken by a person designated in good faith by the school nurse pursuant to N.J.S.A. 18A:40-12.30. Good faith shall not include willful misconduct, gross negligence, or recklessness, in accordance with N.J.S.A. 18A:40-12.33.**

**DE. Permission for Self-Administration of Medication**

**In accordance with N.J.S.A. 18A:40-12.3, the Board shall permit the ~~Permission for~~ self-administration of medication ~~of~~ by a student ~~with~~ for asthma, or other potentially life-threatening illnesses, or a life-threatening allergic reaction, or adrenal insufficiency ~~may~~ be granted under the following conditions provided that:**

- 1. The ~~p~~Parent of the student ~~must~~ provides the Board or Superintendent or designee written authorization for the self-administration of medication;**

2. The parent of the student ~~must also~~ provides the Board **or Superintendent or designee** with a signed written certification from the physician of the student that the student has asthma or another potentially life threatening illness, ~~or~~ is subject to a life-threatening allergic reaction, **or has adrenal insufficiency** and is capable of, and has been instructed in, the proper method of self-administration of medication. The written certification must include:
  - a. The student's name;
  - b. The name of the medication;
  - c. The purpose of its administration to the student for whom the medication is intended;
  - d. The proper timing and dosage of medication;
  - e. Any possible side effects of the medication;
  - f. The time when the medication will be discontinued, **if applicable**;
  - g. A statement that the student is physically fit to attend school and is free of contagious disease; and
  - h. A statement the medication must be administered during the school day or the student would not be able to attend school.
3. **The Board or the Superintendent or designee informs the parent of the student in writing that the district and its employees or agents shall incur no liability as a result of any injury arising from the self-administration of medication by the student;**
34. The parent of the student ~~have signed~~ a statement acknowledging that the school district shall incur no liability as a result of any injury arising from the self-administration of medication by the student and that the parent shall indemnify and hold harmless the school district, the Board, and its employees or agents against any claims arising out of the self-administration of medication by the student;
45. The parent's written authorization and the physician's written certification ~~shall be~~ **is** reviewed by the Principal or designee with the school nurse and the school physician. The school nurse and the school physician must agree the student is capable of self-administration of the medication. If it is determined the student may self-administer medication in accordance with the request:
  - a. The request will be signed by the Principal and given to the school nurse and the student's parent;

- b. The parent will be informed of ~~the a~~ reason for a denied request; ~~a denied request may be appealed to the Superintendent.~~
- 56. Permission to self-administer one medication shall not be construed as permission to self-administer other medication; and
- 67. Permission shall be effective on the school year for which it is granted and shall be renewed for each subsequent school year upon fulfillment of the requirements in E.1. through E.46. above.

~~E~~F. Custodianship of Medication

- 1. Medications to be administered by the school nurse or a registered nurse:
  - a. All medications must be delivered to the school by the parent.
  - b. All medications must be in the original container, with the prescription information affixed.
  - c. The school nurse shall be custodian of students' medication, which will be properly secured.
  - d. Any unused medication must be picked up by the student's parent.
  - e. After reasonable efforts to have the parent retrieve the medication have failed, any unused medication that remains in the school at the end of the school year or two school weeks after the student stops taking the medication, whichever first occurs, must be destroyed or discarded by the school nurse, in accordance with proper medical controls.
- 2. Medications to be self-administered by a student:
  - a. Time being of the essence in cases of asthma, **or** other potentially life threatening illnesses, or a life-threatening allergic reaction, **or adrenal insufficiency**, all medications to be self-administered by a student must be kept in the student's possession.
  - b. No student may possess medication for self-administration unless the proper permission has been granted by the Principal **or designee** and a record of the medication is on file in the office of the school nurse.
  - c. Students who are permitted to self-administer medications must secure their medication in such a manner that the medication will not be available to other students. The medication must be in a sealed container and clearly

labeled with the medication name, dosage, and ordering physician. The medication, if ingested by someone other than the student, shall not cause severe illness or death.

- d. Students who are permitted to self-administer medications shall only have in their possession the quantity of medication necessary for the time period of the student's school day.
- e. Notwithstanding any other law or regulation, a student who is permitted to self-administer medication in accordance with the provisions of N.J.S.A. 18A:40-12.3 shall be permitted to carry an inhaler or prescribed medication for allergic reactions, including a pre-filled auto-injector mechanism, **or prescribed medication for adrenal insufficiency**, at all times, provided the student does not endanger himself/herself or other persons through misuse.

**FG.** Administration of Medication

- 1. No medication shall be administered to or taken by a student in school or at a school-sponsored ~~event~~ **function** except as permitted by Board ~~P~~**policy 5330** and this ~~R~~**regulation**.
- 2. Medication will only be administered to students in school by the school physician, a certified or noncertified school nurse, a substitute school nurse employed by the district, a student who is approved to self-administer in accordance with N.J.S.A. 18A:40-12.3 ~~and 12.4~~, and school employees who have been trained and designated by the certified school nurse to administer epinephrine in an emergency pursuant to N.J.S.A. 18A:40-12.5 and 12.6 **and to administer hydrocortisone sodium succinate in an emergency pursuant to N.J.S.A. 18A:40-12.29 and 12.30.**
- 3. When practicable, self-administration of medication should be observed by the school nurse.
- 4. Students self-administering medication shall report each administration of medication and any side effects to a teacher, coach, or the individual in charge of the student during school activities. Such individuals shall report all administrations and any side effects reported or observed to the school nurse within twenty-four hours.
- 5. When a student attends a school-sponsored ~~event~~ **function** at which medication may be required (such as an outdoor field trip or athletic competition) and the school nurse cannot be in attendance, the student's parent will be invited to attend. If neither the school nurse nor the parent can attend and the student does not have

permission to self-administer medication and there is a risk that the student may suffer injury from lack of medication, the student may be excused from the ~~event~~ **function**.

#### **GH.** Emergencies

1. Any medical emergency requiring medication of students will be handled in accordance with Policy 8441 and implementing regulations on first aid and, as appropriate, the school physician's standing orders for school nurses. Arrangements will be made to transport a student to a hospital emergency room after the administration of epinephrine in accordance with N.J.S.A. 18A:40-12.5.e.(3) **and after the administration of hydrocortisone sodium succinate in accordance with N.J.S.A. 18A:40-12.29.b.(3).**
- ~~2. Nothing in N.J.S.A. 18A:40-12.6 prohibits the emergency administration of epinephrine via a pre-filled auto-injector mechanism to a student for anaphylaxis by the school nurse or other trained designated employees pursuant to N.J.S.A. 18A:40-12.6 when the student is authorized to self-administer epinephrine pursuant to N.J.S.A. 18A:40-12.3, or when there is a coexisting diagnosis of asthma, or when a prescription is received from a licensed health care professional for epinephrine coupled with another form of medicine, or when the epinephrine is administered pursuant to N.J.A.C. 18A:40-12.5.~~

#### **HI.** Records

The school nurse shall include the following in a student's health record:

1. The approved written request for the administration or self-administration of medication;
2. A record of each instance of the administration of the medication by the school nurse or a registered nurse;
3. A record of reports by teachers, coaches, and other individuals in charge of school activities who report student self-administration of medication;
4. Any side effects that resulted from the administration of medication; and

5. Whether the supply of medication provided in cases where the medication is to be administered by the school nurse or a registered nurse was exhausted or the parent removed the medication or, if the parent failed to remove the medication, the medication was destroyed and the date on which that occurred.

**II.** Notification

1. The school nurse may provide the Principal and other teaching staff members concerned with the student's educational progress with information about the medication and administration when such release of information is in the student's best educational interest.
2. The school nurse will provide teachers, coaches, and other individuals in charge of school activities with a list of students who have been given permission to self-administer medication.
3. The school nurse will inform the student's parent of any difficulty in the administration of medication or any side effects.
4. The school nurse will report to the school physician any student who appears to be adversely affected by the medication.

Supervision of Construction

Mar 20

**M****7243 SUPERVISION OF CONSTRUCTION**

The Board of Education directs that the School Business Administrator/Board Secretary or designee be responsible for the supervision of all building construction in this **school** district. Supervision shall include field inspection of the **construction** contractor's operations, administrative review of the activities of the architect relating to the construction, and any other construction matters relating to the interests of the school district.

The School Business Administrator/Board Secretary and Superintendent **or designee** shall report periodically to the Board **on the progress of** that by his/her personal knowledge the work of the construction contractor(s) ~~and the architect is being performed in accordance with the plans, specifications, and contracts approved by the Board.~~

**The Board shall not employ for pay or contract for the paid services of any person serving in a position which involves regular contact with students unless the Board has first determined, consistent with the requirements and standards of N.J.S.A. 18A:6-7.1 et seq., that no criminal history record information exists on file in the Federal Bureau of Investigation, Identification Division, or the State Bureau of Identification which would disqualify the individual from being employed or utilized in such capacity or position.**

**The Superintendent shall direct the School Business Administrator/Board Secretary or designee to act as liaison to all construction contractors for school facility and construction projects to obtain a list of the individuals who will have regular contact with students and will be employed by or working for the contractor on a school district project that will be undergoing a criminal history record check pursuant to the requirements of N.J.S.A. 18A:6-7.1 et seq. The liaison shall provide the list of those contracted employees to the Superintendent or designee and the Human Resources Director. The Superintendent or designee and the Human Resources Director who receive any adverse action correspondence from the New Jersey Department of Education (NJDOE) related to the criminal history record check process shall review the contracted company list in order to determine if the subject of that correspondence is either a school employee or an employee of any contract service provider and take**

**appropriate action. No employee of a contracted service provider shall commence work at a school facility without having first obtained an approval for employment from the NJDOE. Approvals for employment of these contracted employees shall be maintained with the liaison and copies forwarded to the Superintendent's office.**

A change order involving additional cost will be submitted by ~~the architect~~ **to the Board for review and approval.**

**A change order not involving monetary considerations may be acted upon solely by the Superintendent and Business Administrator and reported to the Board.**

Upon completion of a building project and a final inspection of all its aspects by the architect, contractors, and school officials, a recommendation for acceptance shall be made to the Board by the ~~architect~~ **Business Administrator or designee.**

8210/page 1 of 1  
School Year

### 8210 SCHOOL YEAR

The Board of Education recognizes that the preparation of a calendar for the instructional program of the schools is necessary for orderly educational planning and for the efficient operation of the **school** district.

The Board shall determine annually the days when the schools will be in session. Unless the Board exercises its right to alter the calendar for any particular calendar year, such school calendar shall consist of no fewer than the maximum number of instructional and staff attendance days contained in the negotiated agreements.

**A half-day class or shortened school day shall be considered the equivalent of a full day only if school is in session for four or more hours, exclusive of recess periods or lunch periods.**

The **Superintendent shall in consultation with the** Calendar Committee ~~shall~~ propose the school calendar for Board consideration. The Board reserves the right to alter the school calendar when feasible and advisable in the best interests of the children of the district; **the number of school closings during the school year extend the school year past a reasonable closing date in June; there is an extended school closing during the school year due to an unforeseen circumstance; and/or due to any reason deemed in the best interest of the student.**

The Board shall adopt annually a list of religious holidays which shall consist as a minimum of those holidays designated by the Commissioner of Education.

School Day

### 8220 SCHOOL DAY

The Board of Education shall **annually approve** ~~determine~~ the times that school will be in session, ~~for the purpose of providing adequate time for pupils to profit from the educational program of the district~~ **including the starting and ending time of a shortened day. A school day shall be in accordance with N.J.A.C. 6A:32-8.3.**

The schools of the district will be in session for pupils on those days ~~specified~~ **and times recommended by the Superintendent and annually approved** by the Board. ~~as recommended by the Superintendent.~~

The Superintendent may close ~~the~~ schools, delay the opening of school, or dismiss school early when such alteration in the regular session is required for the protection of the health and safety of pupils and staff members **or other good cause. A shortened school day, whether it is planned or emergent (as in the case of inclement weather), must meet certain requirements in order to count toward the one hundred eighty day requirement of N.J.S.A. 18A:7F-9.**

The Superintendent shall inform the Board President of any such alteration as soon as possible and shall prepare rules for the proper and timely notification of concerned persons in the event of any **delayed opening or** emergency school closing. ~~of the schools.~~

# REGULATION

## RIDGEWOOD BOARD OF EDUCATION

OPERATIONS  
R 8220/page 1 of 5  
School Closings

### R 8220 SCHOOL CLOSINGS

The following procedures will govern the unscheduled closing of school for the entire school day, the delayed opening of school, and the early closing of school. No single set of rules can anticipate the problems that may be encountered when schools must be closed, and Building Principals may be required to exercise independent judgment in individual circumstances. Any consequent deviation from these rules ~~should be reported~~ **shall be reported approved promptly to** by the Superintendent.

#### A. Notification Provisions

1. The district's alert system, Swift Reach (reverse 911), will inform parent(s) or legal guardian(s) of the emergency closings.

A message will be placed on the Central office line at (201) 670-2600\* and on the Superintendent's line at (201) 670-2700\*\*.

\*(201) 670-2600: Emergency Closing message can only be accessed until 7:55 a.m.

\*\* (201) 670-2700: Emergency Closing message will remain in effect throughout the day.

Emergency closing information can also be obtained from the following:

TV Channel 12 – News 12 New Jersey

Web sites [www.ridgewood.k12.nj.us](http://www.ridgewood.k12.nj.us) and [www.News12.com](http://www.News12.com)

2. The district's alert system, ~~Swift Reach~~ School Messenger (Skylert), (~~reverse 911~~), will inform parent(s) or legal guardian(s) of the early dismissal. Teachers will refer to the School Dismissal Form, completed by parent(s) or legal guardian(s), to determine each parent's or legal guardian's wishes as indicated on the form.
3. The Principal of each school building shall prepare an emergency call chain for the prompt notification of all teaching staff members and support staff members who regularly report to that school.
  - a. The staff call chain will be reviewed and updated annually. Each staff member is responsible for supplying the telephone number at which he/she can be reached for notification of the closing or delayed opening of school.

- b. A copy of the complete staff call chain will be maintained by the Principal and will be kept as a confidential document.
    - c. Portions of the staff call chain will be released to staff members as necessary for the integrity and efficient operation of the call chain process.
  4. The Superintendent's office will prepare and administer a staff call chain for central office employees.
  5. Each staff call chain should be so organized as to ensure that the first called are those staff members who live farthest from the school, office, or facility to which they regularly report.
- B. All Day Closing
  1. The decision to close schools for the day will be made in accordance with Policy No. 8220. As soon as the decision is made, the Superintendent will promptly provide notification (see paragraph A1).
    - a. All Building Principals,
    - b. The Transportation Coordinator,
    - c. Board President,
    - d. Private schools to which transportation is provided for district children, and
    - e. Ridgewood Police Department.
  2. Each Building Principal and other person responsible for a call chain will promptly institute the process of notifying staff members of the closing by means of the staff call chain. Every effort should be made to notify staff members as soon as practicable.
  3. In the event a staff member cannot be reached by telephone, the caller will report that fact to the Building Principal or other person responsible for the call chain.
  4. Unless the Superintendent determines otherwise, school office personnel and custodial personnel are expected to report for work on an emergency closed day. It is the intention of this rule that all school offices be uniformly closed or open on a day when the schools are closed for emergency.

## C. Delayed Opening

1. When circumstances are such as to require the late opening of school, the school day will ordinarily be delayed by two hours. All beginning schedules will be in effect, modified only by the two hour delay.
2. The decision to delay the opening of school will be made as soon as practicable. Notice of the delayed opening will be given in accordance with B.
3. Unless the Superintendent determines otherwise, school office personnel and custodial personnel are expected to report to work on time.
4. If weather conditions ~~deteriorate~~ **change** after a delayed opening has been announced, the Superintendent may decide to close schools for the day. This decision will be made as soon as practicable. Notice of the closing of schools for the day will be given in accordance with B.
5. The Principal of each school will modify the school's schedule to accommodate the shorter day. Morning schedules may be canceled. After-school and athletic events may be canceled.
6. Lunch will be served as usual, but may be delayed.

## D. Early Dismissal

1. ~~A~~ **The decision by the Superintendent or designee** to close school early will be promptly relayed to:
  - a. Building Principals in the affected schools,
  - b. The Transportation Coordinator,
  - c. Other individuals or offices to be notified,
  - d. Private schools to which transportation is provided for district children, and
  - e. Ridgewood Police Department.
2. Building Principals in the affected schools will promptly notify all **school** staff members of the early closing, using appropriate building procedures.

3. The district's alert system, ~~Swift Reach (reverse 911)~~ Skyward (School Messenger) will inform parent(s) or legal guardian(s) of early dismissal.
4. Buses may be loaded as soon as they arrive at the school and may depart as soon as all pupils assigned to the bus have boarded.
5. A parent(s) or legal guardian(s) may come to the school and sign out his/her child at any time after the decision to close early has been made. Any removal of a child must be in strict accordance with Policy No. 5230 regarding the person(s) to whom a child may be released.
6. The Principal will designate a safe and secure location in the school building to which may be assigned pupils whose parent or temporary caretaker could not be reached by telephone or other means **or the student was unable to be released from school early for good reason.**
  - a. A teaching staff member will be assigned to supervise the pupils who remain in the school.
  - b. ~~Pupils who have remained in the school will be released at the time school regularly closes, by whatever means of transportation they would have taken were the school not closed early.~~
  - c. ~~The Principal may arrange for a late bus or transportation by private vehicle for pupils retained at the school.~~

## E. Emergency Minimum Day

The Emergency Minimum Day option is intended for emergency conditions that are known or anticipated before the start of school, and are expected to occur or worsen during the afternoon hours.

Emergency Minimum Days will be announced in the same manner as procedures for closing of schools, delayed openings, and early dismissals.

On Emergency Minimum Days pupils will attend school as follows:

Kindergarten (AM)	8:45 a.m.- <del>11:20 a.m</del> <b>12:45p.m.</b>
Grades 1 – 5	8:45 a.m. – 12:45 p.m.
Grades 6 – 8	<del>8:050</del> a.m. – 12:15 p.m.
Grades 9 – 12	<del>7:475</del> a.m. – 12: <del>06</del> <b>10</b> p.m.

# RIDGEWOOD BOARD OF EDUCATION

OPERATIONS

8462/PAGE 1 OF 3

Reporting Potentially Missing  
or Abused Children

M

## 8462 REPORTING POTENTIALLY MISSING OR ABUSED CHILDREN

The Board of Education recognizes early detection of missing, abused, or neglected children is important in protecting the health, safety, and welfare of all children. In recognition of the importance of early detection of missing, abused, or neglected children, the Board of Education adopts this Policy pursuant to the requirements of N.J.S.A. 18a:36-2 and 18A:36-25. The Board provides this Policy for its employees, volunteers, or interns for the early detection of missing, abused, or neglected children through notification of, reporting to, and cooperation with the appropriate law enforcement and child welfare authorities pursuant to N.J.S.A. 18A:36-24 and 18A:36-25 et seq., N.J.A.C. 6A:16-11.1, and N.J.S.A. 9:6-8.10, **and N.J.A.C. 6A:22-4.1(d)**.

Employees, volunteers, or interns working in the school district shall immediately notify designated child welfare authorities of incidents of alleged missing, abused, and/or neglected children. Reports of incidents of alleged missing, abused, or neglected children shall be reported to the New Jersey State Central Registry (SCR) at 1-877 NJ ABUSE or to any other telephone number designated by the appropriate child welfare authorities. If the child is in immediate danger, a call shall be placed to 911 as well as to the SCR.

**The school district shall prominently display information about the Department of Children and Families' State Central Registry, a toll-free hotline for reporting child abuse, in each school of the district. The information shall give instructions to call 911 for emergencies and shall include directions for accessing the Department of Children and Families' website or social media platforms for more information on reporting abuse, neglect, and exploitation.**

**The information shall be in a format and language that is clear, simple, and understandable. The information shall be on a poster and displayed at each school in at least one high-traffic, highly and clearly visible public area that is readily accessible to and widely used by students, pursuant to N.J.S.A. 18A:33.28.**

The person having reason to believe that a child may be missing or may have been abused or neglected may inform the Principal or other designated school official(s) prior to notifying designated child welfare authorities if the action will not delay immediate notification. The person notifying designated child welfare authorities shall inform the Principal or other designated school official(s) of the notification, if such had not occurred prior to the notification. Notice to the Principal or other designated school official(s) need not be given when the person believes that such notice would likely endanger the reporter or student involved or when the person believes that such disclosure would likely result in retaliation against the student or in discrimination against the reporter with respect to his or her employment.

The Principal or other designated school official(s) upon being notified by a person having reason to believe that a child may be missing or may have been abused or neglected, must notify appropriate law enforcement authorities. Notification to appropriate law enforcement authorities shall be made for all reports by employees, volunteers, or interns working in the school district. Confirmation by another person is not required for a school district employee, volunteer, or intern to report the suspected missing, abused, or neglected child situation.

School district officials will cooperate with designated child welfare and law enforcement authorities in all investigations of potentially missing, abused, or neglected children in accordance with the provisions of N.J.A.C. 6A:16-11.1(a)5.

The district designates the Director of Special Programs as the school district's liaison to designated child welfare authorities to act as the primary contact person between the school district and child welfare authorities with regard to general information sharing and the development of mutual training and other cooperative efforts. The district designates the Superintendent or designee as the school district's liaison to law enforcement authorities to act as the primary contact person between the school district and law enforcement authorities, pursuant to N.J.A.C. 6A:16-6.2(b)1, consistent with the Memorandum of Agreement, pursuant to N.J.A.C. 6A:16-6.2(b)13.

An employee, volunteer, or intern working in the school district who has been named as a suspect in a notification to child welfare and law enforcement authorities regarding a missing, abused, or neglected child situation shall be entitled to due process rights, including those rights defined in N.J.A.C. 6A:16-11.1(a)9.

The Superintendent or designee shall provide training to school district employees, volunteers, or interns on the district's policy and procedures for reporting allegations of missing, abused, or neglected child situations. All new school district employees, volunteers, or interns working in the district shall receive the required information and training as part of their orientation.

There shall be no reprisal or retaliation against any person who, in good faith, reports or causes a report to be made of a potentially missing, abused, or neglected child situation pursuant to N.J.S.A. 9:6-8.13.

# RIDGEWOOD BOARD OF EDUCATION

PROGRAM  
2270/page 1 of 2  
Religion in the Schools

~~The Board believes that an understanding of religions and the contributions that religion has made to the advancement of civilization is essential to the thorough education of young people and to their appreciation of a pluralistic society. To that end, the curriculum may be developed to include, as appropriate to the various ages and attainments of the pupils, instruction about the religions of the world~~

~~The Board also acknowledges the degree to which a religious consciousness has enriched the arts, literature, music, and issues of morality. The instructional and resource materials approved for use in the schools of this district frequently contain religious references or concern moral issues that have traditionally been the focus of religious concern. That such materials may, therefore, be religious in nature shall not, by itself, bar their use by the district. The Board directs that teaching staff members employing such materials be neutral in their approach and avoid using them to advance or inhibit religion in any way.~~

~~The Board recognizes that religious traditions vary in their perceptions and doctrines regarding the natural world and its processes. The curriculum is chosen for its place in the thorough and efficient education of the children of this district, not for its conformity to religious principles. Pupils should receive unbiased instruction in the schools so that they may privately accept or reject the knowledge so gained in accordance with their own religious tenets.~~

**Any issues regarding religion in the schools and the provisions of this Policy shall be referred to the Superintendent of Schools who may consult with the Board Attorney.**

## POLICY

PROGRAM

2431.3/page 1 of 2

Ridgewood High School

Heat Acclimatization

### Heat Participation Policy for Student-Athlete Safety

2431.3 ~~RIDGEWOOD HIGH SCHOOL PRACTICE AND PRE SEASON HEAT ACCLIMATIZATION FOR SCHOOL SPONSORED ATHLETICS AND EXTRA CURRICULAR ACTIVITIES~~ HEAT PARTICATIPATION POLICY FOR STUDENT-ATHLETE SAFETY

The goal of the Ridgewood High School Heat Acclimatization Policy is to insure the safety of our student-athletes while enhancing exercise heat tolerance and the ability to exercise safely and effectively in warm to hot conditions. This policy includes practice guidelines and a system of evaluating individual student-athlete's hydration levels. All Ridgewood student athletes will receive an educational presentation on proper hydration and heat illness.

Therefore, the Board of Education requires the implementation of the practice and pre-season heat acclimation procedures as recommended by the New Jersey State Interscholastic Athletic Association (NJSIAA) for students participating in all school-sponsored athletic programs and extra-curricular activities during warm weather months. The Superintendent of Schools or designee shall ensure the implementation of the Practice and Pre-Season Heat-Acclimation Procedures.

#### Practice Guidelines:

For all sports, on days one and two, athletes may not participate in more than three total hours of practice. Warm-up, stretching, cool-down activities, and strength/speed training are included as part of the three hour practice time. A three hour recovery period, in a cool environment, should be inserted between practices. All athletes should be instructed to shower in cool water after each practice in order to reduce body temperature.

For football, on day one, helmets are the only protective equipment permitted. On day two, helmets and shoulder pads are allowed to be worn.

For all sports, on days three and four, athletes may not participate in more than 3.5 hours of practice and no practice can exceed three hours. A three hour recovery period, in a cool environment, should be inserted between practices. All athletes should be instructed to shower in cool water after each practice in order to reduce body temperature.

For football, full equipment may be worn.

For all sports, any day in which athletes participate in more than three hours of practice must be followed by a day in which athletes participate in no more than 3 hours of practice.

For all sports, beginning with day five, athletes may not participate in more than four hours of practice and no practice can exceed three hours. A three hour recovery period, in a cool environment, should be inserted between practices. All athletes should be instructed to shower in cool water after each practice in order to reduce body temperature.

For all sports, after six consecutive practices, athletes are required to have one complete day of rest (no conditioning, walk-throughs, or practice).

Because the risk of exertional heat illnesses during the preseason is high, the athletic trainer must be on site before, during, and after all practices.

Wet Bulb Globe Temperature Guidelines:

The Wet Bulb Globe Temperature (WBGT) is a composite temperature used to estimate the effect of temperature, humidity, and solar radiation. The athletic trainer will use a digital psychrometer to measure the wet bulb globe temperature 10-15 minutes before practice. The athletic trainer will inform all coaches of any necessary accommodations.

<i>Level</i>	<i>WBGT</i>	<i>Risk</i>	<i>Fluid</i>	<i>Accommodations</i>
Green	< 73°	Moderate	Every 15-20 mins	None
Yellow	73°-82°	High	Every 15-20 mins	Use caution
Red	82°-90°	Very High	Every 15 mins	Reduce intensity Modify practice Remove protective equipment for non-contact drills
Black	> 90°	Extreme	Rehydrate 24 oz per pound of wt loss	No outdoor practice

Hydration Guidelines:

All athletes will weigh in, before and after each practice. Weight charts will be monitored daily by the coach and the athletic trainer. Athletes with weight loss greater than 3% will be held from practice until they have adequately replaced their weight.

Water will be available to athletes throughout all practices. All athletes will be instructed to replenish fluids every 15 -20 minutes.

2622 STUDENT ASSESSMENT

The Commissioner of Education, in accordance with N.J.S.A. 18A:7C-1 et seq. and 18A:7E-2 and 3, may implement assessments of student achievement in any grade(s) and by such assessments as he or she deems appropriate. The Commissioner shall report to the State Board of Education the results of such assessments.

The Commissioner shall implement a system and related schedule of Statewide assessments to evaluate student achievement of the New Jersey Student Learning Standards (NJSLs). The Commissioner, with the approval of the State Board of Education, shall define the scope and level of student performance on Statewide assessments that demonstrate thorough understanding of the knowledge and skills delineated by the NJSLs at grade levels three through twelve. After consultation with the Commissioner, the State Board of Education shall establish by resolution uniform Statewide criteria defining adequate school district progress toward meeting the NJSLs.

State assessments provide parents with important information about their child's progress; detailed information about each individual student's performance that educators, parents, and students can utilize to enhance foundational knowledge and student achievement; and include item analysis which will clarify a student's level of knowledge and understanding of a particular subject or area of a subject. The data derived from State assessments can be assessed and may be utilized by teachers and administrators to pinpoint areas of difficulty and customize instruction accordingly as a student progresses to successive school levels.

Pursuant to N.J.A.C. 6A:8-4.1(b) and (c), all students at grade levels three through twelve, and at any other grade(s) designated by the Commissioner pursuant to N.J.A.C. 6A:8-4.1(a), shall take all appropriate Statewide assessments as scheduled. There is no provision for a student to opt-out of Statewide assessments. If a student is absent on a testing date, the student will be expected to take the missed test on another school day. Parents and students will be informed of all scheduled testing dates, including make-up testing dates for students who missed the initial testing date.

Statewide Assessments System

The Superintendent of Schools shall develop and annually present to the Board for its approval an assessment program that complies with the rules of the State Board of Education.

5111 ELIGIBILITY OF RESIDENT/NONRESIDENT STUDENTS

The Board of Education shall admit to its schools, free of charge, persons over five and under twenty years of age, pursuant to N.J.S.A. 18A:38-1, or such younger or older students as is otherwise entitled by law to a free public education.

Eligibility to Attend School

The Board shall admit students eligible to attend school free of charge that are domiciled within the district as defined in N.J.A.C. 6A:22-3.1.

A child who is domiciled within the school district and resides with a parent or guardian who is a member of the New Jersey National Guard or a member of the reserve component of the armed forces of the United States who is ordered into active military service in a time of war or national emergency shall be permitted to remain enrolled in the school district in which the child is domiciled at the time of the parent or guardian being ordered into active military service, regardless of where the child resides during the period of active duty. Following the return of the child's parent or guardian from active military service, the child's eligibility to remain enrolled in the school district pursuant to N.J.A.C. 18A:38-3.1 shall cease at the end of the current school year unless the child is domiciled in the school district.

The Board shall also admit any student that is kept in the home of a person other than the student's parent or guardian, where the person is domiciled in the school district and is supporting the student without remuneration as if the student were his or her own child in accordance with N.J.A.C. 6A:22-3.2. A student is only eligible to attend school in the district pursuant to N.J.A.C. 6A:22-3.2 if the student's parent or guardian files, together with documentation to support its validity, a sworn statement that he or she is not capable of supporting or providing care for the student due to family or economic hardship and the student is not residing with the other person solely for the purpose of receiving a free public education. In addition, the person keeping the student must file, if so required by the Board of Education, a sworn statement that he or she: is domiciled within the school district; is supporting the child without remuneration and intends to do so for a time longer than the school term; will assume all personal obligations for the student relative to school requirements; and provides a copy of his or her lease if a tenant, a sworn landlord's statement if residing as a tenant without a written lease, or a mortgage or tax bill if an owner. Pursuant to N.J.S.A. 18A:38-1, any person who fraudulently allows a child of another person to use his or her residence and is not the primary financial supporter of that child and any person who fraudulently claims to have given up custody of his or her child to a person in another district commits a disorderly person's offense.

A student is eligible to attend school in this school district free of charge pursuant to N.J.S.A. 18A:38-1 if the student is kept in the home of a person domiciled in the school district, who is not the parent or guardian and the parent or guardian is a member of the New Jersey National Guard or the reserve component of the United States armed forces and has been ordered into active military service in the United States armed forces in time of war or national emergency. Eligibility under this provision shall cease at the end of the current school year during which the parent or guardian returns from active military duty.

A student is eligible to attend school in this school district free of charge pursuant to N.J.S.A. 18A:38-1 if the student's parent or guardian temporarily resides within the school district and elects to have the student attend the school district of temporary residence, notwithstanding the existence of a domicile elsewhere. When required by the Board of Education, the parent or guardian shall demonstrate the temporary residence is not solely for purposes of a student attending the school district of temporary residence. When one of a student's parents or guardians temporarily resides in the school district while the other is domiciled or temporarily resides elsewhere, eligibility to attend school shall be determined in accordance with the criteria of N.J.A.C. 6A:22-3.1(a)1.i.

A student is eligible to attend this school district free of charge:

1. If the student's parent or guardian moves to another school district as the result of being homeless, subject to the provisions of N.J.A.C. 6A:17-2 - Education of Homeless Children;
2. If the student is placed by court order or by a society, agency, or institution in the home of a school district resident pursuant to N.J.S.A. 18A:38-2;
3. If the student previously resided in the school district and if the parent(s) or legal guardian(s) is a member of the New Jersey National Guard or the United States reserves and has been ordered to active service in time of war or national emergency, resulting in the relocation of the student out of the school district, pursuant to N.J.S.A. 18A:38-3. The school districts shall not be obligated for transportation costs; and
4. If the student resides on federal property within the State pursuant to N.J.S.A. 18A:38-7.7 et seq.

Notwithstanding the provisions of N.J.S.A. 18A:38-1 or any other law, rule, or regulation to the contrary, a student who moves out of the school district as a result of domestic violence, sexual abuse, or other family crises shall be permitted to remain enrolled in the school district for the remainder of the school year in pursuant to N.J.S.A. 18A:38-1.1 and in accordance with the provisions of N.J.A.C. 6A:22-3.2(h). If the student remains enrolled in the school district for the remainder of the school year, the school district shall provide transportation services to the student, provided the student lives remote from school, and the State shall reimburse the school district for the cost of the transportation services. Nothing in N.J.S.A. 18A:38-1.1 shall be construed to affect the rights of homeless students pursuant to N.J.S.A 18A:7B-12, N.J.S.A. 18A:7B-12.1, or any other applicable State or Federal law.

A student's eligibility to attend this school shall not be affected by the physical condition of an applicant's housing or his or her compliance with local housing ordinances or terms of lease.

Except as set forth in N.J.A.C. 6A:2-3.3(b)1, immigration/visa status shall not affect eligibility to attend school and the school district shall not condition enrollment in the school district on immigration status. A student's immigration/visa status and their eligibility to attend school shall be in accordance with N.J.A.C. 6A:22-3.3(b) and Regulation 5111.

## Proof of Eligibility

The Board of Education shall accept a combination of forms of documentation from persons attempting to demonstrate a student's eligibility for enrollment in the school district in accordance with the provisions of N.J.A.C. 6A:22-3.4. The Board of Education shall consider the totality of information and documentation offered by an applicant, and shall not deny enrollment based on failure to provide a particular form or a subset of documents, without regard to other evidence presented.

The Board of Education shall not condition enrollment on the receipt of information or documents protected from disclosure by law, or pertaining to criteria that are not a legitimate basis for determining eligibility to attend school as outlined in N.J.A.C. 6A:22-3.4(d). The Board of Education may consider, in a manner consistent with Federal law, documents or information referenced in N.J.A.C. 6A:22-3.4(d) or pertinent parts thereof if voluntarily disclosed by the applicant. The Board of Education may not, directly or indirectly, require or request such disclosure as an actual or implied condition of enrollment. ~~However,~~ In the case of a dispute between the school district and the parent or guardian of a student in regard to the student's eligibility to enroll in the school district or to remain enrolled in the school district pursuant to the provisions of N.J.S.A. 18A:38-1, the school district may request from the

Motor Vehicle Commission (NJMVC) the parent or guardian's name and address for use in verifying a student's eligibility for enrollment in the school district in accordance with the provisions of N.J.S.A. 18A:38-1-3. **The NJMVC shall disclose to a school district the information requested in accordance with procedures established by the NJMVC. However, the school district shall not condition enrollment in the district on immigration status or on the fact that the NJMVC does not have the name or address of the parent on file.**

## Registration Forms and Procedures for Initial Assessment

Registration and initial determinations of eligibility will be in accordance with N.J.A.C. 6A:22-4.1. The Board of Education shall use Commissioner-provided registration forms or locally developed forms that are consistent with the forms provided by the Commissioner. A district-level administrator designated by the Superintendent shall be clearly identified to applicants and available to assist persons who experience difficulties with the enrollment process.

Initial eligibility determinations shall be made upon presentation of an enrollment application, and enrollment shall take place immediately except in cases of clear, uncontested denials. Enrollment shall take place immediately when an applicant has provided incomplete, unclear, or questionable information, but the applicant shall be notified that the student will be removed from the school district if defects in the application are not corrected, or an appeal is not filed, in accordance with subsequent notice to be provided pursuant to N.J.A.C. 6A:22-4.2.

When a student appears ineligible based on the information provided in the initial application, the school district shall issue a preliminary written notice of ineligibility, including an explanation of the right to appeal to the Commissioner of Education. Enrollment shall take place immediately if the applicant clearly indicates disagreement with the district's determination and an intent to appeal to the Commissioner of Education. An applicant whose student is enrolled pursuant to this provision shall be notified that the student will be removed, without a hearing before the Board, if no appeal is filed within the twenty-one day period established by N.J.S.A. 18A:38-1.

When enrollment is denied and no intent to appeal is indicated, applicants shall be advised they shall comply with compulsory education laws. When the student is between the ages of six and sixteen, applicants also shall be asked to complete a written statement indicating the student will be attending school in another school district or a nonpublic school, or receiving instruction elsewhere than at a school pursuant to N.J.S.A. 18A:38-25. In the absence of this written statement, designated staff shall report to the school district of actual domicile or residence, or the Department of Children and Families, a potential instance of “neglect” for the purposes of ensuring compliance with compulsory education law, N.J.S.A. 9:6-1. Staff shall provide the school district or the Department of Children and Families with the student’s name, the name(s) of the parent/guardian/resident, and the student’s address to the extent known. Staff shall also indicate admission to the school district has been denied based on residency or domicile, and there is no evidence of intent to arrange for the child to attend school or receive instruction elsewhere.

Enrollment or attendance at the school district shall not be conditioned on advance payment of tuition when enrollment is denied and an intent to appeal is indicated, or when enrollment is provisional and subject to further review or information. The Board of Education shall ensure the registration process identifies information suggesting an applicant may be homeless so procedures may be implemented in accordance with N.J.A.C. 6A:17-2, Education of Homeless Children. Enrollment or attendance in the school district shall not be denied based upon the absence of the certified copy of the student’s birth certificate or other proof of a student’s identity as required within thirty days of initial enrollment, pursuant to N.J.S.A. 18A:36-25.1.

Enrollment in the school district shall not be denied based upon absence of student medical information. However, actual attendance at school may be deferred until the student complies with student immunization rules set forth in N.J.A.C. 8:57-4.

When enrollment in the school district, attendance at school, or the receipt of educational services in the regular education program appears inappropriate, the student shall not be denied based upon the absence of a student’s prior educational record. However, the applicant shall be advised the student’s initial educational placement may be subject to revision upon the school district’s receipt of records or further assessment of the student.

## Notice of Ineligibility

When a student is found ineligible to attend the school district pursuant to N.J.A.C. 6A:22 or the student's initial application is found to be deficient upon subsequent review or investigation, the school district immediately shall provide to the applicant notice that is consistent with Commissioner-provided sample form(s) and meets requirements of N.J.A.C. 6A:22-4 et. seq. Notices shall be in writing; in English and in the native language of the applicant; issued by the Superintendent; and directed to the address at which the applicant claims to reside. Notices of ineligibility shall include information as outlined in N.J.A.C. 6A:22-4.2.

## Removal of Currently Enrolled Students

Nothing in N.J.A.C. 6A:22 et seq. and this Policy shall preclude the Board of Education from identifying through further investigation or periodic requests for revalidation of eligibility, students enrolled in the school district who may be ineligible for continued attendance due to error in initial assessment, changed circumstances, or newly discovered information.

When a student who is enrolled and attending school based on an initial eligibility determination is later determined to be ineligible for continued attendance, the Superintendent may apply to the Board of Education for the student's removal in accordance with the provisions of N.J.A.C. 6A:22-4.3. No student shall be removed from school unless the parent, guardian, adult student, or resident keeping an "affidavit student" (as defined in N.J.A.C. 6A:22-1.2) has been informed of his or her entitlement to a hearing before the Board of Education. Once the hearing is held, or if the parent, guardian, adult student or resident keeping an "affidavit student", does not respond within the designated time frame to the Superintendent's notice or appear for the hearing, the Board of Education shall make a prompt determination of the student's eligibility and shall immediately provide notice in accordance with N.J.A.C. 6A:22-4.2. Hearings required pursuant to N.J.A.C. 6A:22-4.3 may be conducted by the full Board or a Board Committee, at the discretion of the full Board. If the hearing(s) is conducted by a Board Committee, the Committee shall make a recommendation to the full Board for action. No student may be removed except by vote of the Board taken at a meeting duly convened and conducted pursuant to N.J.S.A. 10:4-6 et seq., the Open Public Meetings Act.

## Appeal to the Commissioner

An applicant may appeal to the Commissioner of Education the school district's determination that a student is ineligible to attend its schools. Appeals shall be initiated by petition which shall be filed in accordance with N.J.S.A. 18A:3-1 and N.J.A.C. 6A:3-8.1 and shall proceed as a contested case pursuant to N.J.A.C. 6A:3. Pursuant to N.J.S.A. 18A:38-1., appeals of "affidavit student" eligibility determinations shall be filed by the resident keeping the student.

## Assessment and Calculation of Tuition

If no appeal to the Commissioner is filed following notice of an ineligibility determination, the Board may assess tuition for up to one year of a student's ineligible attendance, including the twenty-one day period provided by N.J.S.A. 18A:38-1 for appeal to the Commissioner. Tuition will be assessed and calculated in accordance with N.J.A.C. 6A:22-6.3 et seq. If the responsible party does not pay the tuition assessment, the Board of Education may petition the Commissioner pursuant to N.J.A.C. 6A:3 for an order assessing tuition, enforceable in accordance with N.J.S.A. 2A:58-10 through recording, upon request of the Board of Education pursuant to N.J.A.C. 6A:3-12, on the judgment docket of the Superior Court, Law Division.

If an appeal to the Commissioner is filed and the petitioner does not sustain the burden of demonstrating the student's right to attend the school district, or the petitioner withdraws the appeal, fails to prosecute, or abandons the appeal by any means other than settlement agreeing to waive or reduce tuition, the Commissioner may assess tuition in accordance with the provisions of N.J.A.C. 6A:22-6.2(a). Upon the Commissioner's finding that an appeal has been abandoned, the Board of Education may remove the student from school and seek tuition in accordance with N.J.A.C. 6A:22-6.2.

## Nonresident Students

The admission of a nonresident student to school free of charge must be approved by the Board, upon the recommendation of the Superintendent and subject to the needs of the district. No student otherwise eligible shall be denied admission on the basis of the student's race, color, creed, religion, national origin, ancestry, age, marital status, affectional or sexual orientation or sex, social or economic status, or disability. A written request for permission to enroll a child of a nonresident staff member, including school preference, must be submitted to and approved in writing by the Superintendent at least thirty (30) days prior to admittance. Transportation will be provided by the staff member. The continued enrollment of any nonresident student shall be contingent upon the student's maintenance of good standards of citizenship, academic standing and discipline, as well as family behavior toward school personnel and/or the needs of the district.

## Change in Residence

Seniors who have completed their junior year in Ridgewood High School and whose parent(s) or legal guardian(s) change their residence out of the district after that time may finish their studies at Ridgewood High School on a tuition basis. Other students may finish the year on a tuition basis if parent(s) or legal guardian(s) change residence out of district February 1 or later. Students whose parent(s) or legal guardian(s) change residence after May 1 may continue schooling on a non-tuition basis for the remainder of the school year.

## Other Nonresident Children

Other nonresident children, otherwise eligible for attendance, may be admitted to school in this district with payment of tuition if their admission is warranted by the inaccessibility of school in their home district, the singular availability of an appropriate educational program in this district, the avoidance of transfer and readmission of a child whose legal custody is shared by a parent(s) or legal guardian(s) residing in this district, or other good cause. The parent(s) or legal guardian(s) must submit an application to the Superintendent for review and consideration. Special Education students may not be enrolled in the district under this provision. Students in this provision are not eligible for any formal educational intervention services.

## Children of District Employees

Children of nonresident permanent, salaried staff members of the Board of Education may be admitted to the schools of the district at a tuition rate, set annually by the Board of Education at its Reorganization Meeting, upon the recommendation of the Superintendent and the approval of the Board. Special Education students may not be enrolled in the district under this provision. Students in this provision are not eligible for any formal educational intervention services.

- a. A written request for permission to enroll a child of a nonresident staff member, including school preference, must be submitted to and approved in writing by the Superintendent at least thirty (30) days prior to admittance. Transportation will be provided by the staff member.
- b. Annually, the nonresident staff member must submit a letter to the Superintendent requesting their child to be approved for admittance in the district in the subsequent school year. All such letters must be received by the Superintendent by May 15 of the current school year in order for the child to be considered for admittance in the following school year. The Superintendent will notify the nonresident staff member of his decision, in writing, no later than June 15 of the current school year. A written request for permission to enroll a child of a nonresident staff member, including school preference, must be submitted to and approved in writing by the Superintendent at least thirty (30) days prior to admittance. Transportation will be provided by the staff member.
- b. By August 1 preceding the new school year, all nonresident staff members will be billed by

## Eligibility of Resident/Nonresident Students

the Business Office at the rates established at the annual reorganization meeting. Payment is due to the Business Office no later than the last Friday prior to the opening of school for students. If this payment is not received in a timely fashion, interest will be charged at a rate of 1% per month until payment is received. If payment is not received by the last Friday in January, the nonresident staff member will be required to meet with the Superintendent to explain the reason for nonpayment. Within three days of that meeting, the Superintendent will issue, in writing, his decision concerning the continued enrollment of the staff member's child(ren).

## Home Construction

Families domiciled in the school district for a minimum of 12 months and attending the Ridgewood Public Schools prior to major home renovations where the family must vacate the premises, must obtain Board of Education approval to continue attending the district schools free of charge for a period of 18 months with proof of building permits/documentation. After 18 months, a one-time extension for a period of 6 months can be obtained and will necessitate additional proof of building status and progress. The Board of Education will assess tuition for students after the initial 24-month period. The Board of Education will require proof of occupancy when residence is reoccupied.

## F-1 and J-1 Visa Students

The school district **is not required to, but may** ~~will~~ permit the attendance of F-1 and J-1 Visa students into the school district only with the payment of full tuition and a signed tuition contract. The district may require advance payment of full tuition before providing the requested I-20 Form, in accordance with the provisions of Federal regulation 8 CFR 214.3. An F-1 Visa is granted to a foreign student through an application process that must include, but is not limited to, signed approval by the receiving school district exhibiting the receiving school district will accept the foreign student for enrollment and the foreign student's proof of financial means to pay the full tuition to the receiving school district for the academic year. **The host family must be domiciled in the school district and shall submit a request to the Superintendent of Schools with supporting documentation as determined by the Superintendent or designee. A student with an F-1 or J-1 Visa must be approved by the Board for attendance in the school district. The student's continued attendance in the school district shall be conditioned on a satisfactory attendance and disciplinary record.**

## R 5111 ELIGIBILITY OF RESIDENT/NONRESIDENT PUPILS

### A. Definitions

1. “Affidavit student” means a student attending, or seeking to attend, school in a district pursuant to N.J.S.A. 18A:38-1. and N.J.A.C. 6A:22-3.2(a).
2. “Appeal” means contested case proceedings before the Commissioner of Education pursuant to N.J.A.C. 6A:3, Controversies and Disputes.
3. “Applicant” means a parent, guardian, or a resident supporting an affidavit student who seeks to enroll a student in a school district; or an unaccompanied homeless youth or adult student who seeks to enroll in a school district.
4. “Commissioner” means the Commissioner of Education or his/her designee.
5. “Guardian” means a person to whom the court or competent jurisdiction has awarded guardianship or custody of a child, provided that a residential custody order shall entitle a child to attend school in the residential custodian’s school district unless it can be proven that the child does not actually live with the custodian. “Guardian” also means the Department of Children and Families for purposes of N.J.S.A. 18A:38-1.

### B. Eligibility to Attend School – Students Domiciled in the District

1. A student over five and under twenty years of age pursuant to N.J.S.A. 18A:38-1, or such younger or older student as is otherwise entitled by law to a free public education, is eligible to attend school in this school district if the student is domiciled within the district:
  - a. A student is domiciled in the school district when he or she is living with a parent or guardian whose domicile is located within the school district.

- (1) When a student's parents or guardians are domiciled within different school districts and there is no court order or written agreement between the parents designating the school district of attendance, the student's domicile is the school district of the parent or guardian with whom the student lives for the majority of the school year. This provision shall apply regardless of which parent has legal custody.
- (2) When a student's physical custody is shared on an equal-time, alternating week/month or other similar basis so the student is not living with one parent or guardian for a majority of the school year and there is no court order or written agreement between the parents designating the school district of attendance, the student's domicile is the present domicile of the parent or guardian with whom the student resided on the last school day prior to October 16 preceding the application date.
  - (a) When a student resided with both parents or guardians, or with neither parent or guardian, on the last school day prior to the preceding October 16, the student's domicile is the domicile of the parent or guardian with whom the parents or guardians indicate the student will be residing on the last school day prior to the ensuing October 16. When the parents or guardians do not designate or cannot agree upon the student's likely residence as of that date, or if on that date the student is not residing with the parent or guardian previously indicated, the student shall attend school in the school district of domicile of the parent or guardian with whom the student actually lives as of the last school day prior to October 16.
  - (b) When the domicile of the student with disabilities as defined in N.J.A.C. 6A:14 cannot be determined pursuant to N.J.A.C. 6A:22-3.1, nothing shall preclude an equitable determination of shared responsibility for the cost of such student's out-of-district placement.
- (3) When a student is living with a person other than a parent or guardian, nothing in N.J.A.C. 6A:22-3.1 is intended to limit the student's right to attend school in the parent or guardian's school district of domicile pursuant to the provisions of N.J.A.C. 6A:22.

- (4) No school district shall be required to provide transportation for a student residing outside the school district for all or part of the school year unless transportation is based upon the home of the parent or guardian domiciled within the school district or otherwise required by law.
- b. A student is domiciled in the school district when he or she has reached the age of eighteen or is emancipated from the care and custody of a parent or guardian and has established a domicile within the school district.
  - c. A student is domiciled in the school district when the student has come from outside the State and is living with a person domiciled in the school district who will be applying for guardianship of the student upon expiration of the six-month "waiting period" of State residency required pursuant to N.J.S.A. 2A:34-54 ("home state" definition) and 2A:34-65.a(1). However, a student may later be subject to removal proceedings if application for guardianship is not made within a reasonable period of time following expiration of the mandatory waiting period or if guardianship is applied for and denied.
  - d. A student is domiciled in the school district when his or her parent or guardian resides within the school district on an all-year-round basis for one year or more, notwithstanding the existence of a domicile elsewhere.
  - e. A student is domiciled in the school district if the Department of Children and Families is acting as the student's guardian and has placed the student in the school district.
2. When a student's dwelling is located within two or more school districts, or bears a mailing address that does not reflect the dwelling's physical location within a municipality, the school district of domicile for school attendance purposes shall be the municipality to which the majority of the dwelling's property tax is paid, or to which the majority of the dwelling's or unit's property tax is paid.
- a. When property tax is paid in equal amounts to two or more municipalities, and there is no established assignment for students residing in the affected dwellings, the school district of domicile for school attendance purposes shall be determined through assessment of individual proofs as provided pursuant to N.J.A.C. 6A:22-3.4.

- b. This provision shall not preclude the attendance of currently enrolled students who were permitted to attend the school district prior to December 17, 2001.
- c. When a student’s parent or guardian elects to exercise such entitlement, nothing in N.J.A.C. 6A:22-3.1 shall exclude a student’s right to attend the school district of domicile although the student is qualified to attend a different school district pursuant to N.J.S.A. 18A:38-1. or the temporary residency (less than one year) provision of N.J.S.A. 18A:38-1.

3. Notwithstanding the provisions of N.J.S.A. 18A:38-1 or any other section of law to the contrary, a child who is domiciled within the school district and resides with a parent or guardian who is a member of the New Jersey National Guard or a member of the reserve component of the armed forces of the United States who is ordered into active military service in any of the armed forces of the United States in a time of war or national emergency, shall be permitted to remain enrolled in the school district in which the child is domiciled at the time of the parent or guardian being ordered into active military service, regardless of where the child resides during the period of active duty. The school district shall not be responsible for providing transportation for the child if the child lives outside of the district. Following the return of the child’s parent or guardian from active military service, the child’s eligibility to remain enrolled in the school district pursuant to N.J.S.A. 18A:38-3.1 shall cease at the end of the current school year unless the child is domiciled in the school district.

C. Eligibility to Attend School – Other Students Eligible to Attend School

1. A student over five and under twenty years of age pursuant to N.J.S.A. 18A:38-1, or such younger or older student as is otherwise entitled by law to a free public education, is eligible to attend school in this school district pursuant to N.J.S.A. 18A:38-1.b if that student is kept in the home of a person other than the student’s parent or guardian, and the person is domiciled in the school district and is supporting the student without remuneration as if the student were his or her own child;

- a. A student is not eligible to attend this school district pursuant to this provision unless:
  - (1) The student's parent or guardian has filed, together with documentation to support its validity, a sworn statement that he or she is not capable of supporting or providing care for the student due to family or economic hardship and that the pupil is not residing with the other person solely for the purpose of receiving a free public education; and
  - (2) The person keeping the student has filed, if so required by the Board of Education:
    - (a) A sworn statement that he or she is domiciled within the school district, is supporting the child without remuneration and intends to do so for a longer time than the school term, and will assume all personal obligations for the student pertaining to school requirements; and
    - (b) A copy of his or her lease if a tenant, ~~or~~ a sworn landlord's statement if residing as a tenant without a written lease, or a mortgage or tax bill if an owner.
- b. A student shall not be deemed ineligible under this provision because required sworn statement(s) cannot be obtained when evidence is presented that the underlying requirements of the law are being met, notwithstanding the inability of the resident or pupil to obtain the sworn statement(s).
- c. A student shall not be deemed ineligible under this provision when evidence is presented that the student has no home or possibility of school attendance other than with a school district resident who is not the student's parent or guardian but is acting as the sole caretaker and supporter of the student.
- d. A student shall not be deemed ineligible under this provision solely because a parent or guardian gives occasional gifts or makes limited contributions, financial or otherwise, toward the student's welfare provided the resident keeping the student receives from the parent or guardian no payment or other remuneration for regular maintenance of the student.

- e. Pursuant to N.J.S.A. 18A:38-1.c, any person who fraudulently allows a child of another person to use his or her residence, and is not the primary financial supporter of that child, and any person who fraudulently claims to have given up custody of his or her child to a person in another school district commits a disorderly persons offense.
2. A student over five and under twenty years of age pursuant to N.J.S.A. 18A:38-1, or such younger or older student as is otherwise entitled by law to a free public education, is eligible to attend school in this school district pursuant to N.J.S.A. 18A:38-1. if the student is kept in the home of a person domiciled in the school district, who is not the parent or guardian and the parent or guardian is a member of the New Jersey National Guard or the reserve component of the United States armed forces and has been ordered into active military service in the United States armed forces in time of war or national emergency.
  - a. Eligibility under this provision shall cease at the end of the school year during which the parent or guardian returns from active military duty.
3. A student over five and under twenty years of age pursuant to N.J.S.A. 18A:38-1, or such younger or older student-as is otherwise entitled by law to a free public education, is eligible to attend school in this school district pursuant to N.J.S.A. 18A:38-1. if the student's parent or guardian temporarily resides within the school district and elects to have the student attend the school district of temporary residence, notwithstanding the existence of a domicile elsewhere:
  - a. When required by the Board of Education, the parent or guardian shall demonstrate the temporary residence is not solely for purposes of the student attending the school district of temporary residence;
  - b. When one of a student's parents or guardians temporarily resides in a school district while the other is domiciled or temporarily resides elsewhere, eligibility to attend school shall be determined in accordance with N.J.A.C. 6A:22-3.1(a)1i. However, no student shall be eligible to attend school based upon a parent or guardian's temporary residence in a district unless the parent or guardian demonstrates, if required by the Board of Education, the temporary residence is not solely for purposes of a student's attending the school district.

4. A student over five and under twenty years of age pursuant to N.J.S.A. 18A:38-1, or such younger or older student as is otherwise entitled by law to a free public education, is eligible to attend school in this school district pursuant to N.J.S.A. 18A:38-1. if the student's pupil's parent or guardian moves to another school district as the result of being homeless, subject to the provisions of N.J.A.C. 6A:17-2, Education of Homeless Children.
5. A student over five and under twenty years of age pursuant to N.J.S.A. 18A:38-1, or such younger or older student as is otherwise entitled by law to a free public education, is eligible to attend school in this school district pursuant to N.J.S.A. 18A:38-2 if the student is placed by court order or by a society, agency, or institution in the home of a school district pursuant to N.J.S.A. 18A:38-2. -As used in this section, "court order" shall not encompass orders of residential custody under which claims of entitlement to attend a school district are governed by provisions of N.J.S.A. 18A:31-1 and the applicable standards set forth in N.J.A.C. 6A:22.
6. A student over five and under twenty years of age pursuant to N.J.S.A. 18A:38-1, or such younger or older student pupil as is otherwise entitled by law to a free public education, is eligible to attend school in this school district pursuant to N.J.S.A. 18A:38-3.b if the student had previously resided in the school district and if the parent or guardian is a member of the New Jersey National Guard or the United States reserves and has been ordered to active service in time of war or national emergency, resulting in the relocation of the student out of the school district. A school district admitting a student pursuant to N.J.S.A. 18A:38-3.b shall not be obligated for transportation costs.
7. A student over five and under twenty years of age pursuant to N.J.S.A. 18A:38-1, or such younger or older student as is otherwise entitled by law to a free public education, is eligible to attend the school in the district pursuant to N.J.S.A. 18A:38-7.7 et seq. if the student pupil resides on Federal property within the State.
8. In accordance with N.J.S.A. 18A:38-1.1, a student who is not considered homeless under N.J.S.A. 18A:7B-12 and who moves to a new school district during the academic year as a result of a family crisis shall be permitted to remain enrolled in the original school district of residence for the remainder of the school year without the payment of tuition. A student attending an academic program during the summer, who is otherwise eligible except for the timing of the move, shall be permitted to remain in the school district for the remainder of the summer program if it is considered an extension of the preceding academic year.

- a. For purposes of N.J.A.C. 6A:22-3.2(h) and Policy and Regulation 5111, "family crisis" shall include, but not be limited to:
- (1) An instance of abuse such as domestic violence or sexual abuse;
  - (2) A disruption to the family unit caused by death of a parent or guardian; or
  - (3) An unplanned displacement from the original residence such as fire, flood, hurricane, or other circumstances that render the residence uninhabitable.
- b. Upon notification of the move by the parent or guardian, the original school district of residence shall allow the student to continue attendance and shall provide transportation services to and from the student's new domicile in accordance with N.J.S.A. 18A:39-1. The original school district of residence may request from the parent or guardian and may review supporting documentation about the reason(s) for the move; however, any such review shall not interrupt the student's continued enrollment in the school district and in the current school of attendance with the provision of transportation.
- (1) Examples of documentation include, but are not limited to, newspaper articles, insurance claims, police or fire reports, notes from health professionals, custody agreements, or any other legal document.
- c. If the parent or guardian or the relevant documentation indicates the child is homeless pursuant to N.J.S.A. 18A:7B-12, the school district liaison shall assume the coordination of enrollment procedures pursuant to N.J.A.C. 6A:17-2.5 and the student shall not be eligible for enrollment under N.J.S.A. 18A:38-1.1.
- d. If the original school district of residence determines the situation does not meet the family crisis criteria outlined in 8.a. above, the Superintendent or designee shall notify the parent or guardian in writing. The notification shall inform the parent or guardian of his or her right to appeal the decision within twenty-one calendar days of his or her receipt of the notification, and shall state that if such appeal is denied, he or she may be assessed the costs for transportation provided to the new residence during the period of ineligible attendance. It shall also state whether the parent or guardian is required to withdraw the student by the end of the twenty-one day appeal period in the absence of an appeal.

- (1) The parent or guardian may appeal by submitting the request in writing with supporting documentation to the Executive County Superintendent of the county in which the original school district of residence is situated.
  - (2) Within thirty calendar days of receiving the request and documentation, the Executive County Superintendent shall issue a determination whether the situation meets the family crisis criteria set forth at 8.a. above. The original school district of residence shall continue to enroll the student and provide transportation to the current school of attendance in accordance with N.J.S.A. 18A:39-1 until the determination is issued.
  - (3) If the Executive County Superintendent determines the situation does not constitute a family crisis, the school district may submit to the Executive County Superintendent for approval the cost of transportation to the ineligible student's new domicile. The Executive County Superintendent shall certify the transportation costs to be assessed to the parent or guardian for the period of ineligible attendance.
- e. When the original school district of residence determines the situation constitutes a family crisis pursuant to N.J.S.A. 18A:38-1.1, the Superintendent or designee shall immediately notify the parent or guardian in writing.
- (1) When the original school district of residence anticipates the need to apply for reimbursement of transportation costs, it shall send to the Executive County Superintendent a request and documentation of the family crisis for confirmation the situation meets the criteria set forth at 8.a. above.
  - (2) Within thirty days of receiving the school district's request and documentation, the Executive County Superintendent shall issue a determination of whether the situation meets the criteria for a family crisis. The original school district of residence shall continue to enroll the student and provide transportation to the current school of attendance in accordance with N.J.S.A. 18A:39-1 until the determination is issued, and shall not be reimbursed for additional transportation costs unless the Executive County Superintendent determines the situation is a family crisis or as directed by the Commissioner upon appeal.

# RIDGEWOOD BOARD OF EDUCATION

STUDENTS

R 5111/page 10 of 22

Eligibility of Resident/Nonresident Students

- f. In providing transportation to students under N.J.S.A. 18A:38-1.1, the Board shall use the most efficient and cost-effective means available and in conformance with all laws governing student transportation.
  - g. At the conclusion of the fiscal year in which the Executive County Superintendent has determined the situation constitutes a family crisis, the original school district of residence may apply to the Executive County Superintendent for a reimbursement of eligible costs for transportation services.
    - (1) Eligible costs shall include transportation for students who are required to be transported pursuant to N.J.S.A. 18A:39-1.
    - (2) The school district shall provide documentation of the transportation costs for the eligible student(s) to the Executive County Superintendent who shall review and forward the information to the Department's Office of School Facilities and Finance for reimbursement payment(s) to the school district.
    - (3) Payment to the school district shall be made in the subsequent fiscal year and shall equal the approved cost less the amount of transportation aid received for the student(s).
  - h. Nothing in N.J.A.C. 6A:22-3.2 shall prevent the Board of Education from allowing a student to enroll without the payment of tuition pursuant to N.J.S.A. 18A:38-3.a.
  - i. Nothing in N.J.A.C. 6A:22-3.2 shall prevent a parent or school district from appealing the Executive County Superintendent's decision(s) to the Commissioner in accordance with N.J.A.C. 6A:3-1.3. If the Commissioner of Education determines the situation is not a family crisis, his or her decision shall state which of the following shall pay the transportation costs incurred during the appeal process: the State, school district, or parent.
9. Children of nonresident staff members under contract to the Board of Education may be admitted to the schools of the district at a tuition rate, set annually by the Board of Education at its Reorganization Meeting, upon the recommendation of the Superintendent and the approval of the Board. **Special Education pupils may not be enrolled in the district under this provision.**

- a. A written request for permission to enroll a child of a nonresident staff member, including school preference, must be submitted to and approved in writing by the Superintendent at least thirty (30) days prior to admittance. Transportation will be provided by the staff member.
- b. Annually, the nonresident staff member must submit a letter to the Superintendent requesting their child to be approved for admittance in the district in the subsequent school year. All such letters must be received by the Superintendent by May 15 of the current school year in order for the child to be considered for admittance in the following school year. The Superintendent will notify the nonresident staff member of his decision, in writing, no later than June 15 of the current school year. Students must maintain good academic standing, citizenship, and discipline. Family members must behave properly toward school personnel.
- c. By August 1 preceding the new school year, all nonresident staff members will be billed by the Business Office at the rates established at the annual reorganization meeting. Payment is due to the Business Office no later than the last Friday prior to the opening of school for students. If this payment is not received in a timely fashion, interest will be charged at a rate of 1% per month until payment is received.

If payment is not received by the last Friday in January, the nonresident staff member will be required to meet with the Superintendent to explain the reason for nonpayment. Within three days of that meeting, the Superintendent will issue, in writing, his decision concerning the continued enrollment of the staff member's child(ren).

## D. Housing and Immigration Status

1. A student's eligibility to attend school shall not be affected by the physical condition of an applicant's housing or his or her compliance with local housing ordinances or terms of lease.
2. Except as set forth in a. below, immigration/visa status shall not affect eligibility to attend school. Any student over five and under twenty years of age pursuant to N.J.S.A. 18A:38-1, or such younger or older student as is otherwise entitled by law to a free public education, who is domiciled in the school district or otherwise eligible to attend school in the district pursuant to N.J.A.C. 6A:22-3.2 shall be enrolled without regard to, or inquiry concerning, immigration status.

- a. However, the provisions of N.J.S.A. 18A:38-1 and N.J.A.C. 6A:22 shall not apply to students who have obtained, or are seeking to obtain, a Certificate of Eligibility for Nonimmigrant Student Status (INS Form I-20) from the school district in order to apply to the INS for issuance of a visa for the purpose of limited study on a tuition basis in a United States public secondary school (“F-1” Visa).

### 3. F-1 Visa Students

The school district **is not required to, but may** ~~will~~ permit the attendance of F-1 Visa students into the school district with only with the payment of full tuition and a signed tuition contract. The district may require advance payment of full tuition before providing the requested I-20 form, in accordance with the provisions of Federal regulation 8 CFR 214.3. ~~An~~ F-1 or J-1 Visa is granted to a foreign student through an application process that must include, but is not limited to, signed approval by the receiving school district exhibiting the receiving school district will accept the foreign student for enrollment and the foreign student’s proof of financial means to pay the full tuition to the receiving school district for the academic year. **The host family must be domiciled in the school district and shall submit a request to the Superintendent of Schools with documentation as determined by the Superintendent or designee. A student with a F-1 or J-1 Visa must be approved by the Board for attendance in the school district. The student’s continued attendance in the school district shall be conditioned on a satisfactory attendance and disciplinary record.**

- E. Nothing in Policy and Regulation 5111 or N.J.A.C. 6A:22-3.2 shall be construed to limit the discretion of the Board to admit nonresident students, or the ability of a nonresident student to attend school with or without payment of tuition, with the consent of the district Board pursuant to N.J.S.A. 18A:38-3(a).

### F. Proof of Eligibility

1. The Board of Education shall accept a combination of any of the following or similar forms of documentation from persons attempting to demonstrate a student’s eligibility for enrollment in the school district:
  - a. Property tax bills; deeds; contracts of sale; leases; mortgages; signed letters from landlords; and other evidence of property ownership, tenancy or residency; and

- b. Voter registrations; licenses; permits; financial account information; utility bills; delivery receipts; and other evidence of personal attachment to a particular location;
    - c. Court orders; State agency agreements; and other evidence of court or agency placements or directives
    - d. Receipts; bills; cancelled checks; insurance claims or payments; and other evidence of expenditures demonstrating personal attachment to a particular location, or where applicable, to support of the student; pupil;
    - e. Medical reports; counselor or social worker assessments; employment documents; unemployment claims; benefit statements; and other evidence of circumstances demonstrating family or economic hardship, or temporary residency;
    - f. Affidavits, certifications and sworn attestations pertaining to statutory criteria for school attendance, from the parent, legal guardian, person keeping an "affidavit student," adult student, person(s) with whom a family is living, or others as appropriate;
    - g. Documents pertaining to military status and assignment; and
    - h. Any other business record or document issued by a governmental entity.
2. The Board of Education may accept forms of documentation not listed above, and shall not exclude from consideration any documentation or information presented by an applicant.
3. The Board of Education shall consider the totality of information and documentation offered by an applicant, and shall not deny enrollment based on failure to provide a particular form or a subset of documents, without regard to other evidence presented.
4. The Board of Education shall not condition enrollment on the receipt of information or documents protected from disclosure by law, or pertaining to criteria that are not a legitimate basis for determining eligibility to attend school. They include, but are not limited to:
  - a. Income tax returns;
  - b. Documentation or information relating to citizenship or immigration/visa status, except as set forth in N.J.A.C. 6A:22-3.3(b);
  - c. Documentation or information relating to compliance with local housing ordinances or conditions of tenancy; and
  - d. Social security numbers.

5. The Board of Education may consider, in a manner consistent with Federal law, documents or information referenced in 4. above, or pertinent parts thereof if voluntarily disclosed by the applicant. However, the Board of Education may not, directly or indirectly, require or request such disclosure as an actual or implied condition of enrollment.
6. In the case of a dispute between the school district and the parents or guardians of a student in regard to a student's eligibility to enroll in the school district or to remain enrolled in the school district pursuant to the provisions of N.J.S.A. 18A:38-1, the school district may request from the New Jersey Motor Vehicle Commission (NJMVC) the parent or guardian's name and address for use in verifying a student's eligibility for enrollment in the school district. **The NJMVC shall disclose to a school district the information requested in accordance with procedures established by the NJMVC. However, the school district shall not condition enrollment in the district on immigration status or on the fact that the NJMVC does not have the name or address of the parent on file.**

G. Registration Form and Procedures for Initial Assessment

1. The Board of Education shall use Commissioner-provided registration forms or locally developed forms that:
  - a. Are consistent with the forms provided by the Commissioner;
  - b. Do not seek information prohibited by N.J.A.C. 6A:22 or any other provision of statute or rule;
  - c. Summarize, for the applicant's reference, the criteria for attendance set forth in N.J.S.A. 18A:38-1 and specify the nature and form of any sworn statements to be filed;
  - d. Clearly state the purpose for which the requested information is being sought in relation to the criteria; and
  - e. Notify applicants that an initial eligibility determination is subject to a more thorough review and evaluation and that assessment of tuition is possible if an initially admitted applicant is later found ineligible.

2. The Board of Education shall make available sufficient numbers of registration forms and trained registration staff to ensure prompt eligibility determinations and enrollment. Enrollment applications may be taken by appointment, but appointments shall be promptly scheduled and shall not unduly defer a student's attendance at school.
  - a. If the school district uses separate forms for affidavit student applications rather than a single form for all types of enrollment, affidavit student forms shall comply in all respects with the provisions of G.1. above. When affidavit student forms are used, the school district shall provide them to any person attempting to register a student of whom he or she is not the parent or guardian, even if not specifically requested.
    - (1) The Board of Education or its agents shall not demand or suggest that guardianship or custody must be obtained before enrollment will be considered for a student living with a person other than the parent or guardian since such student may qualify as an affidavit student.
    - (2) The Board of Education or its agents shall not demand or suggest that an applicant seeking to enroll a student of whom the applicant has guardianship or custody produce affidavit student proofs.
  - b. A district-level administrator designated by the Superintendent shall be clearly identified to applicants and available to assist persons who experience difficulties with the enrollment process.
3. Initial eligibility determinations shall be made upon presentation of an enrollment application, and enrollment shall take place immediately except in cases of clear, uncontested denials.
  - c. Enrollment shall take place immediately when an applicant has provided incomplete, unclear, or questionable information, but the applicant shall be notified that the student will be removed from the school district if defects in the application are not corrected, or an appeal is not filed, in accordance with subsequent notice to be provided pursuant to N.J.A.C. 6A:22-4.2.
  - d. When a student appears ineligible based on information provided in the initial application, the school district shall issue a preliminary written notice of ineligibility, including an explanation of the right to appeal to the Commissioner of Education.

Enrollment shall take place immediately if the applicant clearly indicates disagreement with the school district's determination and an intent to appeal to the Commissioner.

- (1) An applicant whose student is enrolled pursuant to this provision shall be notified that the student will be removed without a hearing before the Board if no appeal is filed within the twenty-one day period established by N.J.S.A. 18A:38-1.
4. When enrollment is denied and no intent to appeal is indicated, applicants shall be advised they shall comply with compulsory education laws. When the student is between the ages of six and sixteen, applicants also shall be asked to complete a written statement indicating the student will be attending school in another school district, or a nonpublic school, or receiving instruction elsewhere than at a school pursuant to N.J.S.A. 18A:38-25. In the absence of this written statement that the student will be attending school in another school district or nonpublic school, or receiving instruction elsewhere than at a school, designated staff shall report to the school district of actual domicile or residence, or the Department of Children and Families, a potential instance of "neglect" for purposes of ensuring compliance with compulsory education laws, N.J.S.A. 9:6-1. Staff shall provide the school district or the Department of Children and Families with the student's name, the name(s) of the parent/guardian/resident, and the student's address to the extent known. Staff shall also indicate admission to the school district has been denied based on residency or domicile, and there is no evidence of intent to arrange for the child to attend school or receive instruction elsewhere.
5. Enrollment or attendance in the school district shall not be conditioned on advance payment of tuition in whole or part when enrollment is denied and an intent to appeal is indicated, or when enrollment is provisional and subject to further review or information.
6. The Board of Education shall ensure the registration process identifies information suggesting an applicant may be homeless so procedures may be implemented in accordance with N.J.A.C. 6A:17-2 - Education of Homeless Children.
7. Enrollment or attendance in the school district shall not be denied based upon absence of a certified copy of the student's birth certificate or other proof of his or her identity as required within thirty days of initial enrollment pursuant to N.J.S.A. 18A:36-25.1.

# REGULATION

# RIDGEWOOD BOARD OF EDUCATION

STUDENTS

R 5111/page 17 of 22

Eligibility of Resident/Nonresident Students

8. Enrollment in the school district shall not be denied based upon absence of pupil medical information. However, actual attendance at school may be deferred until the student complies with student immunization rules set forth in N.J.A.C. 8:57-4.
9. When enrollment in the school district, attendance at school, or the receipt of educational services in the regular education program appears inappropriate, the student shall not be denied based upon the absence of a student's prior educational record. However, the applicant shall be advised the student's initial educational placement may be subject to revision upon the school district's receipt of records or further assessment of the student.

## H. Notice of Ineligibility

1. When a student is found ineligible to attend the school district pursuant to N.J.A.C. 6A:22 or the student's initial application is found to be deficient upon subsequent review or investigation, the school district shall immediately provide notice to the applicant that is consistent with Commissioner-provided sample form(s) and meets the requirements of N.J.A.C. 6A:22-4 et seq.
  - a. Notices shall be in writing; in English and in the native language of the applicant; issued by the Superintendent; and directed to the address at which the applicant claims to reside.
2. Notices of ineligibility shall include:
  - a. In cases of denial, a clear description of the specific basis on which the determination of ineligibility was made:
    - (1) The description shall be sufficient to allow the applicant to understand the basis for the decision and determine whether to appeal; and
    - (2) The description shall identify the specific subsection of N.J.S.A. 18A:38-1 under which the application was decided.
  - b. In cases of provisional eligibility, a clear description of the missing documents or information that still must be provided before a final eligibility status can be attained under the applicable provision of N.J.S.A. 18A:38-1;

- c. A clear statement of the applicant's right to appeal to the Commissioner of Education within twenty-one days of the notice date, along with an informational document provided by the Commissioner describing how to file an appeal;
- d. A clear statement of the student's right to attend school for the twenty-one day period during which an appeal can be made to the Commissioner. It also shall state the student will not be permitted to attend school beyond the twenty-first day following the notice date if missing information is not provided or an appeal is not filed;
- e. A clear statement of the student's right to continue attending school while an appeal to the Commissioner is pending;
- f. A clear statement that, if an appeal is filed with the Commissioner and the applicant does not sustain the burden of demonstrating the student's right entitlement to attend the school district, or the applicant withdraws the appeal, fails to prosecute or abandons the appeal by any means other than settlement, the applicant may be assessed, by order of the Commissioner enforceable in Superior Court, tuition for any period of ineligible attendance, including the initial twenty-one day period and the period during which the appeal was pending before the Commissioner;
- g. A clear statement of the approximate rate of tuition, pursuant to N.J.A.C. 6A:22-6.3, that an applicant may be assessed for the year at issue if the applicant does not prevail on appeal, or elects not to appeal;
  - (1) If removal is based on the student's move from the school district, the notice of ineligibility shall also provide information as to whether district Policy permits continued attendance, with or without tuition, for students who move from the school district during the school year.
- h. The name of a contact person in the school district who can provide assistance in explaining the notice's contents; and of the notice

- i. When no appeal is filed, notice that the parent or guardian shall still comply with compulsory education laws. In the absence of a written statement from the parent or guardian that the student will be attending school in another school district or non-public school, or receiving instruction elsewhere than at a school, school district staff shall notify the school district of actual domicile/residence, or the Department of Children and Families, of a potential instance of “neglect” pursuant to N.J.S.A. 9:6-1. For purposes of facilitating enforcement of the State compulsory education requirement (N.J.S.A. 18A:38-25) staff shall provide the student’s name, the name(s) of the parent/guardian/resident, address to the extent known, denial of admission based on residency or domicile, and absence of evidence of intent to attend school or receive instruction elsewhere.

## I. Removal of Currently Enrolled Students

1. Nothing in N.J.A.C. 6A:22 and this Regulation shall preclude the Board of Education from identifying through further investigation or periodic requests for revalidation of eligibility, students enrolled in the school district who may be ineligible for continued attendance due to error in initial assessment, changed circumstances or newly discovered information.
2. When a student who is enrolled and attending school based on an initial eligibility determination is later determined to be ineligible for continued attendance, the Superintendent may apply to the Board of Education for the student’s removal.
  - a. The Superintendent shall issue a preliminary notice of ineligibility meeting the requirements of N.J.A.C. 6A:22-4.2. However, the notice shall also provide for a hearing before the Board of Education prior to a final decision on removal.
3. No student shall be removed from school unless the parent, guardian, adult student, or resident keeping an "affidavit student," has been informed of his or her entitlement to a hearing before the Board of Education.
4. Once the hearing is held, or if the parent, guardian, adult student, or resident keeping an "affidavit student," does not respond within the designated time frame to the Superintendent’s notice or appear for the hearing, the Board of Education shall make a prompt determination of the student’s eligibility and shall immediately provide notice in accordance with N.J.A.C. 6A:22-4.2.

# REGULATION

# RIDGEWOOD BOARD OF EDUCATION

STUDENTS

R 5111/page 20 of 22

Eligibility of Resident/Nonresident Students

5. Hearings required pursuant to N.J.A.C. 6A:22-4.3 may be conducted by the full Board of Education or a Board committee, at the discretion of the full Board. If the hearing is conducted by a Board Committee, the Committee shall make a recommendation to the full Board for action. However, no student shall be removed except by vote of the Board of Education taken at a meeting duly convened and conducted pursuant to N.J.S.A. 10:4-6 et seq., the Open Public Meetings Act.
6. The continued enrollment of a nonresident child admitted to school at the discretion of the Board, upon the recommendation of the Superintendent, shall be contingent upon the student's maintenance of good standards of citizenship, academic standing and discipline, as well as family behavior toward school personnel and/or the needs of the district.

## J. Appeal to the Commissioner

1. An applicant may appeal to the Commissioner of Education a school district determination that a student is ineligible to attend its schools. Appeals shall be initiated by petition which shall be filed in accordance with N.J.S.A. 18A:38-1 and N.J.A.C. 6A:3-8.1 and shall proceed as a contested case pursuant to N.J.A.C. 6A:3.
  - a. Pursuant to N.J.S.A. 18A:38-1.b(1), appeals of "affidavit student" ineligibility determinations shall be filed by the resident keeping the student.

## K. Assessment and Calculation of Tuition

1. If no appeal to the Commissioner is filed by the parent, guardian, adult student, or school district resident keeping an "affidavit" student following notice of ineligibility determination, the Board may assess tuition for up to one year of a student's ineligible attendance, including the twenty-one day period provided by N.J.S.A. 18A:38-1 for appeal to the Commissioner.
  - a. If the responsible party does not pay the tuition assessment, the Board of Education may petition the Commissioner pursuant to N.J.A.C. 6A:3 for an order assessing tuition, enforceable in accordance with N.J.S.A. 2A:58-10 through recording, upon request of the Board of Education pursuant to N.J.A.C. 6A:3-12, on the judgment docket of the Superior Court, Law Division.

2. If an appeal to the Commissioner is filed by the parent, guardian, adult student, or school district resident keeping an “affidavit” student and the petitioner does not sustain the burden of demonstrating the student’s right to attend the school district, or the petitioner withdraws the appeal, fails to prosecute, or abandons the appeal by any means other than settlement agreeing to waive or reduce tuition, the Commissioner may assess during which the hearing and decision on appeal were pending, and for up to one year of a student’s ineligible attendance in a school district prior to the appeal’s filing and including the twenty-one day period to file an appeal.
  - a. Upon the Commissioner’s finding that an appeal has been abandoned, the Board of Education may remove the student ~~pupil~~ from school and seek tuition for up to one year of ineligible attendance pursuant to N.J.A.C. 6A:22-6.1(a) plus the period of ineligible attendance after the appeal was filed. If the record of the appeal includes a calculation reflecting the tuition rate(s) for the year(s) at issue, the per diem tuition rate for the current year and the date on which the student’s ineligible attendance began, the Commissioner may order payment of tuition as part of his or her decision. In doing so, the Commissioner shall consider whether the ineligible attendance was due to the school district’s error. If the record does not include such a calculation and ~~but~~ the Board of Education has filed a counterclaim for tuition, the counterclaim shall proceed to a hearing notwithstanding that the petition has been abandoned.
  - b. An order of the Commissioner assessing tuition is enforceable through recording, upon request of the Board of Education pursuant to N.J.A.C. 6A:3-12, on the judgment docket of the Superior Court, Law Division, in accordance with N.J.S.A. 2A:58-10.
3. Tuition assessed pursuant to the provisions N.J.A.C. 6A:22-6 shall be calculated on a per-student basis for the period of a student’s ineligible enrollment, up to one year, by applicable grade/program category and consistent with the provisions of N.J.A.C. 6A:23A-17.1. The individual student’s record of daily attendance shall not affect the calculation.

# REGULATION

# RIDGEWOOD BOARD OF EDUCATION

STUDENTS

R 5111/page 22 of 22

Eligibility of Resident/Nonresident Students

4. Nothing in N.J.A.C. 6A:22 shall precludes an equitable determination, by the Board of Education or the Commissioner that tuition shall not be assessed for all or part of any period of a pupil's ineligible attendance in the school district when the particular circumstances of a matter so warrant. In making the determination, the Board of Education or Commissioner shall consider whether the ineligible attendance was due to the school district's error.

Issued: 7 December 2009

Revised: 19 July 2010

Revised: 9 May 2011

Revised: 26 August 2013

Revised: 18 July 2016

Revised: 1 April 2019

Revised:

The Board of Education shall, according to a schedule prescribed by the Commissioner, administer the applicable Statewide assessments, including the following major components: the elementary assessment component for grades three through five; the middle school assessment component for grades six through eight; the high school end-of-course ~~PARCC~~ assessments; and the alternative assessment for students with disabilities; and provide notification to each student entering grades three through twelve of the Statewide assessment schedule.

The Department of Education shall implement the elementary component of the Statewide assessment of the NJSLs consisting of continued administration of mathematics and English language arts in grades three, four, and five, and of science in grade ~~four~~ **five**.

The Department of Education shall implement the middle school component of the Statewide assessment of the NJSLs consisting of the following: continued administration of mathematics and English language arts in grades six, seven, and eight; and of science in grade eight.

The Department of Education shall implement a high school assessment program component of the NJSLs that assesses, at a minimum, English language arts, mathematics, and science with the exception that students may receive a waiver from the Board of Education from taking the high school end-of-course ~~PARCC~~ assessment in ELA 11 due to the student's participation in another English language/literature college placement assessment during the same school year.

The Board shall provide appropriate accommodations or modifications to the Statewide assessment system as specified by the Department of Education for English Language Learners (ELLs) and students with disabilities as defined in N.J.A.C. 6A:8-14.3 or eligible under Section 504 of the Rehabilitation Act as determined by the IEP or 504 Team in accordance with N.J.A.C. 6A:8-4.1(d)1. The Board may administer the Statewide assessments in mathematics to ELLs in their native languages, when available, and/or English. The Board of Education shall have the option for a first-year ELL of substituting a Department of Education-approved language proficiency test only for the English language arts section of the elementary or middle school component of the Statewide assessment, when the student has entered the United States after July 1 of the calendar year prior to the test administration.

The Board of Education shall ensure students with disabilities as defined in N.J.A.C. 6A:14-1.3 participate in Statewide assessments in accordance with N.J.A.C. 6A:14-4.10.

At specific times prescribed by the Commissioner of Education, the Board of Education shall administer the alternative assessment for students with disabilities to students with severe disabilities who cannot participate in other assessments due to the severity of their disabilities. The Department of Education shall implement alternative assessment for students with disabilities according to the schedules in N.J.A.C. 6A:8-4.1(c)1, 2, and 3. The alternative assessment for students with disabilities measures the progress of students who have been determined eligible for the alternative assessment for students with disabilities by the IEP team in accordance with N.J.A.C. 6A:14-4.10.

The Board of Education shall implement alternative ways for students to demonstrate graduation proficiency in accordance with N.J.A.C. 6A:8-5.1(f).

#### Test Administration Procedures and Security Measures

The Board of Education shall be responsible for ensuring the security of all components of the Statewide assessment system that are administered within the school district. All Statewide assessments shall be administered in accordance with the Department of Education's required test administration procedures and security measures. Any breach of such procedures or measures shall be immediately reported to the Superintendent or designee.

#### Documentation of Student Achievement

The Department of Education shall provide the Superintendent with documentation of student performance after each test administration in accordance with the provisions of N.J.A.C. 6A:8-4.2(a). ~~The Board shall maintain an accurate record of each student's performance on Statewide assessments in accordance with N.J.A.C. 6A:8-4.2.~~ Information regarding individual student test scores shall only be in accordance with Federal and State law.

The Board of Education shall transmit within ten business days any official records, including transcripts, of students who transfer to other school districts or institutions.

The Board of Education shall maintain an accurate record of each student's performance on Statewide assessments.

The Board of Education shall maintain for every student a ninth grade through graduation transcript that contains the following, as available:

1. Results of all applicable State assessments, including assessments that satisfy graduation requirements set forth in N.J.A.C. 6A:8-5.1(a)6;
2. Results of any English language proficiency assessments according to N.J.A.C. 6A:8-5.1(h);

3. Evidence of instructional experience and performance in the NJSLS;
4. Evidence of technological literacy;
5. Evidence of career education instructional experiences and career development activities;
6. Evidence of State-issued occupational licenses and credentials, industry-recognized occupational credentials, and/or technical skill assessments for students enrolled in Department of Education-approved career and technical education programs pursuant to N.J.A.C. 6A:19-3.2; and
7. Any other information deemed appropriate by the Board of Education.

#### Accountability

The Superintendent shall report preliminary and final results of annual assessments to the Board of Education **within sixty days of receipt of information from** ~~as required by~~ the New Jersey Department of Education **pursuant to N.J.A.C. 6A:8-4.3(a)**. The Board of Education will provide parents, students, and citizens with results of annual assessments according to N.J.A.C. 6A:8-4.2. The Board shall provide appropriate instruction to improve skills and knowledge for students performing below the established levels of student proficiency in any content area either on Statewide or local assessments. All students shall be expected to demonstrate the knowledge and skills of the NJSLS as measured by the Statewide assessment system.

#### Annual Review and Evaluation of School Districts

The Department of Education shall review the performance of schools and school districts in accordance with the provisions of N.J.A.C. 6A:8-4.4.

Public Reporting

In accordance with the requirements of N.J.A.C. 6A:8-4.5, the Department of Education shall report annually to the State Board of Education and the public on the progress of all students and student subgroups in meeting the NJSLs as measured by the Statewide assessment system by publishing and distributing the Department of Education's annual New Jersey School Report Card in accordance with N.J.S.A. 18A:7E-2 through 5. After each test administration, the Department of Education shall report to the Board **of Education** on the performance of all students and of student subgroups. The Department of Education shall report performance on the APA with the same frequency and in the same detail as it reports on other Statewide assessments, including school and school district means, and the number and percentage of participating students. In public reporting of school and district performance data, the Department of Education shall not compromise the confidentiality of individual students.

Parental Notification

Parents shall be informed of the district assessment system and of any special tests that are to be administered to their children.

BOARD OF EDUCATION**

PUPILS

5200/page 1 of 3

Attendance

M

**5200 ATTENDANCE**

In accordance with the provisions of N.J.S.A. 18A:38-25, every parent, guardian, or other person having control and custody of a child between the ages of six and sixteen shall cause the child to regularly attend school. The Board of Education requires students enrolled in the schools district attend school regularly in accordance with the laws of the State.

**Notwithstanding the requirements of reporting student absences in the school register for State and Federal reporting purposes, “excused” and “unexcused” student absences, for the purpose of expectations and consequences regarding truancy, student conduct, promotion, and the award of course credit is a local Board decision outlined in N.J.A.C. 6A:16-7.6 and Policy and Regulation 5200.** In accordance with the provisions of N.J.A.C. 6A:16-7.6, and for the purposes of this Policy and Regulation 5200, a student’s absence from school will **either** be excused or unexcused. ~~that~~ **Unexcused absences will** counts-toward truancy.

**A parent or adult student shall provide advance notice to the school prior to the student being absent from school. In accordance with N.J.S.A. 18A:36-25.6, if a student is determined to be absent from school without valid excuse, and if the reason for the student’s absence is unknown to school personnel, the Principal or designee shall immediately attempt to contact the student’s parent to notify the parent of the absence and determine the reason for the absence.**

In order for the Board of Education to fulfill its responsibility for providing a thorough and efficient education for each student, the complete cooperation of parents/guardians and students is required to maintain a high level of school attendance.

The frequent absence of students from classroom learning experiences disrupts the continuity of the instructional process and limits the ability of students to complete the prescribed curriculum requirements successfully.

**Excused Absences**

The Board considers the following as cause for excused absence:

- a. Illness
- b. College Visit
- c. Legal obligation
- d. Death in the family

- e. Family obligation
- f. Medical appointment
  
- g. Motor vehicle test
  
- f. Such good cause as may be acceptable to the Principal.

## Regular Release Of Students Before The End Of The Normal School Day

There are varying situations which may justify release of certain students from school before the normal time for closing. Such situations are justifiable only if the release does not jeopardize the student's educational program and the reasons for such release can be shown to have positive benefits for the student.

## Truancy

The Board will report to appropriate authorities infractions of the law regarding the attendance of students below the age of sixteen. Repeated infractions by enrolled students over the age of sixteen may result in the suspension or expulsion of the student.

It shall be the policy of the Board to consider the effectiveness and appropriateness to his/her needs of the educational program that is offered each student who is habitually and repeatedly absent from his/her assigned program and to consult with the Child Study Team for its recommendations.

Students that are absent from school for any reason are responsible for the completion of assignments missed because of their absence. **In accordance with N.J.S.A. 18A:36-14, A** student who is absent from school for observing a religious holiday shall not be deprived of any award, eligibility, or opportunity to compete for any award, or deprived of the right to take an alternate test or examination that was missed because of the absence provided there is a written excuse of such absence signed by the parent.

Prolonged or repeated absences, excused or unexcused, from school or from class, deprive ~~the~~ students of the educational and classroom experiences deemed essential to learning and may result in retention at grade level or loss of credit or removal from a course that would count toward the high school diploma in accordance with policies of this Board.

Students shall be subjected to the school district's response for unexcused absences that count toward truancy during the school year as outlined in N.J.A.C. 6A:16-7.68(a)4 and Regulation 5200.

Unexcused absences from school or from classes within the school day may subject a student to

consequences that may include the denial of a student's participation in co-curricular activities and/or athletic competition. Repeated absences from school interfere with efforts of ~~this~~ **the** Board and its staff in the maintenance of good order and the continuity of classroom instruction and such absences may result in the removal of the student from a class or course of study.

The Superintendent shall calculate and monitor the average daily attendance rate for the district and for each school in the district. Whenever the average daily attendance rate does not meet the New Jersey Department of Education requirements the Superintendent or designee shall develop a district improvement plan to improve student attendance pursuant to N.J.A.C. 6A:30-5.2.

## R 5200 ATTENDANCE

### A. Definitions

1. For the purposes of school attendance, a “day in session” shall be a day on which the school is open and students are under the guidance and direction of a teacher or teachers engaged in the teaching process. Days on which school is closed for such reasons as holidays, teachers’ institutes, and inclement weather shall not be considered as days in session.
2. A “school day” shall consist of not less than four hours, except that one continuous session of two and one-half hours may be considered a full day of Kindergarten.
3. “A day of attendance” shall be one in which the student is present for a full day under the guidance and direction of a teacher while school is in session.
  - a. Whenever over-crowded conditions make it necessary to hold two separate sessions with a different group of students in each session, a student attending for all of either session shall be regarded as having attended for the full day. An excused absence for any reason shall not be counted as a day of attendance in the school register.
4. A “half-day class” shall be considered the equivalent of a full day’s attendance only if in session for four hours or more, exclusive of recess periods or lunch periods.

### B. Attendance Recording

#### 1. **Attendance Recording in the School Register (N.J.A.C. 6A:32-8.1)**

- a. **The Board of Education shall be required to carefully and accurately track enrollment and attendance of all students in a manual school register format or in an electronic form of the school's choosing.**
- b. **The Commissioner shall issue and publish on the Department's website school register guidance for recording student attendance in all public schools of the State operated by district Boards of Education, except adult high schools.**
- c. **Student attendance shall be recorded in the school register during school hours on each day school is in session.**
- d. **School registers shall be kept for students attending preschool, Kindergarten, grades one through five, grades six through eight, grades nine through twelve, each preschool class for the disabled,**

**each class for the disabled, shared-time classes for regular students, shared-time classes for students with disabilities, full-time bilingual education programs and vocational day programs, and summer schools operated by the Board of Education.**

- e. A student who has been placed on home instruction shall have his or her attendance status recorded on the regular register for the program in which the student is enrolled. For the period beginning the first day the student is unable to attend school and ending the day before the first instructional day at the student's place of confinement, the student shall be marked absent. No absences shall be recorded for the student while on home instruction, providing the hours of instruction are not less than required by N.J.A.C. 6A:14-4.8 and 4.9. The number of possible days of enrollment for a student on home instruction shall be the same as for other students in the program in which the student is enrolled.**

**2. Attendance Recording for Board Policy (N.J.A.C. 6A:32-8.3)**

- a.1-** A record of the attendance of all students on roll in a school register shall be kept each day that school is in session by a teacher or other authorized person. It shall be the duty of this person to keep the attendance records according to these rules and the specific instructions issued by the Commissioner of Education.
- b.2-** No student shall be recorded as present unless the school is in session and the student so recorded is under the guidance and direction of a teacher in the teaching process.
- c3.** A student shall be recorded as absent in the school register when not in attendance at a session of the school while a member of the school, except students excused due to religious holidays who shall be recorded as excused.
- d4.** A student shall be recorded as either present, absent, or excused for religious observance, every day the school is in session after the student enters until the date the student is transferred to another school, transferred to an individual home instruction record, or officially leaves the school system.
- e5-** The Commissioner shall annually prescribe a list of religious holidays on which it shall be mandatory to excuse students for religious observance upon the written request signed by the parent or person standing in loco parentis.
- f6-** The mere presence of a student at roll call shall not be regarded as sufficient attendance for compliance with N.J.A.C. 6A:32-8.3. In a school which is in session during both the forenoon and the afternoon, a student shall be present at least one hour during both the forenoon and the afternoon in order to be recorded as present for the full day. In a school

which is in session during either the forenoon or the afternoon, a student shall be present at least two hours in the session in order to be recorded as present for the full day.

- g7. A student not present in school because of his/her participation in an approved school activity, such as a field trip, meeting, cooperative education assignment, or athletic competition will be considered to be in attendance.

C. **Unexcused Absences That Count Toward Truancy/Excused Absences for Board Policy**

1. **Notwithstanding the requirement of reporting student absences in the school register for State and Federal reporting purposes, “excused” and “unexcused” student absences for the purpose of expectations and consequences regarding truancy, student conduct, promotion, and the award of course credit is a Board decision outlined in Policy 5200 and this Regulation.**

24. **N.J.A.C. 6A:16-7.6(a)3 requires the Board of Education policies and procedures contain, at a minimum, a definition of unexcused absence that count toward truancy.** “An unexcused absence that counts toward truancy” is a student’s absence from school for a full or a portion of a day for any reason that is not an “excused absence” as defined below.

32. “An excused absence” is a student’s absence from school for a full day or a portion of a day for the observance of a religious holiday pursuant to N.J.S.A. 18A:36-14 through 16, or any absence for the reasons listed below:

- The student’s illness supported by notification to the school by the student’s parent;
- The student’s required attendance in court;
- Where appropriate, when consistent with Individualized Education Programs, the Individuals with Disabilities Act, accommodation plans under 29 U.S.C. §§ 794 and 705(20), and individualized health care plans;
- The student’s suspension from school;
- Family illness or death supported by notification to the school by the student’s parent;
- Visits to post-secondary educational institutions;
- Interviews with a prospective employer or with an admissions officer of an institution of higher education;
- Examination for a driver's license;
- Necessary and unavoidable medical or dental appointments that cannot be scheduled at a time other than the school day; supported by written notification by the doctor’s office;
- Take Our Children to Work Day;

- An absence considered excused by **the Commissioner of Education and/or** a New Jersey Department of Education rule;
- An absence for a reason not listed above, but deemed excused by the Principal upon a written request by the student's parent stating the reason for the absence and requesting permission for the absence to be an excused absence.

43. **For cumulative unexcused absences of ten or more, a student between the ages of six and sixteen is truant, pursuant to N.J.S.A. 18A:38-25** ~~“Truancy” means ten or more cumulative unexcused absences that count toward truancy of a student between the ages of six and sixteen as determined by the Board’s Attendance Policy and Regulation pursuant to N.J.A.C. 6A:16-7.6(a)4.iii. and the definition of school day pursuant to N.J.A.C. 6A:32-8.3. Any absence not listed in C.2. above shall be an unexcused absence counted toward truancy.~~

D. Notice to School of a Student's Absence

1. The parent or adult student ~~is requested~~ **shall notify** ~~to notify~~ the school office before ~~the start of the student's school day~~ **when the student will not be in school.**
2. The parent of the student or an adult student who will attend the morning session, but will not attend the afternoon session ~~should call or~~ **shall** provide notice to the school office before the start of the afternoon session.
3. **The parent of a student or an adult student shall notify the school office of a future absence if the absence is foreseeable.**
- 4.3. The parent or adult student who anticipates a future absence or anticipates that an absence will be prolonged ~~should~~ **shall** notify the school office to arrange make-up work.
5. **In accordance with N.J.S.A. 18A:36-25.6, if a student is determined to be absent from school without valid excuse, and if the reason for the student's absence is unknown to school personnel, the Principal or designee shall immediately attempt to contact the student's parent to notify the parent of the absence and determine the reason for the absence.**

E. Readmission to School After an Absence

1. A student returning from an absence of any length must present to the attendance officer in the form of a phone call, email, written note or verbal confirmation by the parent(s) or adult student, of the reasons for the absence.
2. A note explaining a student's absence for noncommunicable illness for a period of more than five days school days must be accompanied by a physician's statement of the student's illness.
3. A student who has been absent by reason of having or being suspected of having a communicable disease must present to the school nurse written evidence of being free of communicable disease, in accordance with Policy No. 8451.
4. **The Superintendent of Schools or designee may require a student who has been absent from school due to a suspension or other reason concerning the student's conduct to receive a medical examination by a physician regarding the student's physical and/or mental fitness to return to school. The Superintendent or designee will notify the student's parent of the specific requirements of the medical examination prior to the student's return to school.**

F. Instruction

1. Teachers shall cooperate in the preparation of home assignments for students who anticipate an excused absence of three or more school days duration. The parent or student must request such home assignments.
2. A student who anticipates an absence due to a temporary or chronic health condition may be eligible for home instruction in accordance with Policy 2412. The parent must request home instruction.
3. Students absent for any reason are expected to make up the work missed. The parent or student is responsible for requesting missed assignments and any assistance required. Teachers will provide make-up assignments as necessary.
4. In general, students will be allowed a day for each day they are out to make up missed work.
5. A student who missed a test or an exam shall be offered an opportunity to take the test, exam, or an appropriate alternate test.

**G. Denial of Course Credit**

1. The teacher will determine the credit to be awarded a student for make-up work. Where class participation is a factor in the learning process, the teacher may consider a student's absence in determining a final grade, except absences for the observance of a religious holiday or absence for a student's suspension from school will not adversely affect the student's grade. The teacher may record an incomplete grade for a student who has not had a full opportunity to make up missed work.
2. A Ridgewood High School student may be dropped from the course and denied course credit when he/she has been absent thirteen times from a full year course; seven times from a semester course; or two times from a quarterly course, whatever the reason for the absence, except that absences for the observance of religious holidays and absences caused by a pupil's suspension will not count toward the total.

Grade Advisors will have the right to waive loss of credit penalties where absences are clearly legitimate. In such cases, the student need not appear before the Attendance Committee. Waivers will generally not be given by the Grade Advisor where a pattern of absence is noted in a particular class, or where there is the appearance of abuse of the Attendance Policy.

3. An elementary student may be retained at grade level, in accordance with Policy No. 5410, when he/she has been absent twenty or more school days, whatever the reason for the absence, except that absences for the observance of religious holidays and during a student's suspension will not count toward the total. Exceptions to this rule may be made for pupils whose absences are excused and who have demonstrated through completion of home assignments and/or home instruction that they have mastered the proficiencies established for the assigned courses of study.

**H. School District Response To Unexcused Absences During the School Year That Count Toward Truancy**

1. For up to four cumulative unexcused absences that count toward truancy, the Principal or designee shall:
  - a. Make a reasonable attempt to notify the student's parent of each unexcused absence prior to the start of the following school day;
  - b. Make a reasonable attempt to determine the cause of the unexcused absence, including through contact with the student's parent;
  - c. Identify, in consultation with the student's parents, needed action

- designed to address patterns of unexcused absences, if any, and to have the child return to school and maintain regular attendance;
- d. Proceed in accordance with the provisions of N.J.S.A. 9:6-1 et seq. and N.J.A.C. 6A:16-10, if a potentially missing or abused child situation is detected; and
  - e. Cooperate with law enforcement and other authorities and agencies, as appropriate.
2. For between five and nine cumulative unexcused absences that count toward truancy, the Principal or designee shall:
- a. Make a reasonable attempt to notify the student's parent of each unexcused absence prior to the start of the following school day;
  - b. Make a reasonable attempt to determine the cause of the unexcused absence, including through contact with the student's parent;
  - c. Evaluate the appropriateness of action taken pursuant to N.J.A.C. 6A:16-7.6(a)4.i.(3) and H.1.c. above;
  - d. Develop an action plan to establish outcomes based upon the student's patterns of unexcused absences and to specify the interventions for supporting the student's return to school and regular attendance, which may include any or all of the following:
    - (1) Refer or consult with the building's Intervention and Referral Services Team, pursuant to N.J.A.C. 6A:16-8;
    - (2) Conduct testing, assessments, or evaluations of the student's academic, behavioral, and health needs;
    - (3) Consider an alternate educational placement;
    - (4) Make a referral to or coordinate with a community-based social and health provider agency or other community resource;
    - (5) Refer to a court or court program pursuant to N.J.A.C. 6A:16-7.6(a)4.iv. and H.4. below;
    - (6) Proceed in accordance with N.J.S.A. 9:6-1 et seq. and N.J.A.C. 6A:16-10, if a potential missing or abused child situation is detected; and

- (7) Engage the student's family.
      - e. Cooperate with law enforcement and other authorities and agencies, as appropriate.
  3. For ten or more cumulative unexcused absences that count toward truancy, a student between the ages of six and sixteen is truant, pursuant to N.J.S.A. 18A:38-25, and the Principal or designee shall:
    - a. Make a determination regarding the need for a court referral for the truancy, per N.J.A.C. 6A:16-7.6(a)4.iv. and H.4. below;
    - b. Continue to consult with the parent and the involved agencies to support the student's return to school and regular attendance;
    - c. Cooperate with law enforcement and other authorities and agencies, as appropriate; and
    - d. Proceed in accordance with N.J.S.A. 18A:38-28 through 31, Article 3B, Compelling Attendance at School, and other applicable State and Federal statutes, as required.
  4. A court referral may be made as follows:
    - a. When unexcused absences that count toward truancy are determined by school officials to be violations of the compulsory education law, pursuant to N.J.S.A. 18A:38-25, and the Board of Education's policies, in accordance with N.J.A.C. 6A:16-7.6(a), the parent may be referred to Municipal Court.
      - (1) A written report of the actions the school has taken regarding the student's attendance shall be forwarded to the Municipal Court; or
    - b. When there is evidence of a juvenile-family crisis, pursuant to N.J.S.A. 2A:4A-22.g, the student may be referred to Superior Court, Chancery Division, Family Part.
      - (1) A written report of the actions the school has taken regarding the student's attendance shall be forwarded to the Juvenile-Family Crisis Intervention Unit.
  5. For a student with a disability, the attendance plan and its punitive and remedial procedures shall be applied, where applicable, in accordance with the student's IEP, pursuant to 20 U.S.C. §§ 1400 et seq., the Individuals with Disabilities Education Act; the procedural protections set forth in N.J.A.C. 6A:14; accommodation plan under 29

U.S.C. §§794 and 705(20); and individualized health care plan and individualized emergency healthcare plan pursuant to N.J.A.C. 6A:16-2.3(b)5.xii.

6. All receiving schools pursuant to N.J.A.C. 6A:14-7.1(a), shall act in accordance with N.J.A.C. 6A:16-7.6(a)4.i. and H.1. above for each student with up to four cumulative unexcused absences that count toward truancy.

a. For each student attending a receiving school with five or more cumulative unexcused absences that count toward truancy, the absences shall be reported to the sending school district.

(1) The sending school district shall proceed in accordance with the Board of Education's policies and procedures pursuant to N.J.A.C. 6A:16-7.6(a) and H.5. above and the provisions of N.J.A.C. 6A:16-7.6(a)4.ii. through iv. and H.2. through H.5. above, as appropriate.

## I. Discipline

1. Students may be denied participation in co-curricular activities if the Board establishes attendance standards for participation.
2. Students may be denied participation in athletic competition if the Board establishes attendance standards for participation.
3. No student who is absent from school for observance of a religious holiday may be deprived of any award or of eligibility for or opportunity to compete for any award because of the absence.

## J. Recording Attendance

1. Teachers must accurately record the students present, tardy, or absent each day in each session or each class. Attendance records must also record students' attendance at out-of-school curricular events such as field trips.
2. A record shall be maintained of each excused absence, and each unexcused absence that counts toward truancy as defined in Policy and Regulation 5200.
3. A report card will record the number of times the student was absent and tardy in each marking period.
4. A student's absence for observance of a religious holiday will not be recorded as such on any transcript or application or employment form.

**K. Appeal**

1. Students may be subject to appropriate discipline for their school attendance record.
2. A student who has been retained at grade level for excessive absences may appeal that action in accordance with Policy 5410.
3. A student who has been dropped from a course and/or denied course credit for excessive absences may appeal that action in accordance with the following procedures:  
Elementary and Middle Schools
  - a. The student shall file a written appeal to the Principal or designee within five school days of receiving notice of the action. The appeal should state the reasons for each absence, any documentation that may support reducing the number of absences for the purposes of course credit, and reasons why the student should either continue to be enrolled in the course or receive course credit for a class the student completed.
  - b. The Principal or designee will respond in writing no later than seven school days after receiving the student's appeal.
  - c. If the student is not satisfied, he/she may submit a written request to the Principal for consideration by an Attendance Review Committee.
  - d. On a student's request for consideration by an Attendance Review Committee, the Principal shall convene an Attendance Review Committee. The Attendance Review Committee shall meet informally to hear the student's appeal. The student's parent and teacher(s) may attend the meeting.
  - e. The Attendance Review Committee shall decide the appeal and inform the student in writing within seven school days of the meeting.
  - f. The student may appeal an adverse decision of the Attendance Review Committee to the Superintendent, the Board of Education, and the Commissioner of Education in accordance with Policy 5710, Pupil Grievance and N.J.S.A. 18A. An appeal to the Attendance Review Committee shall be considered to have exhausted the first two steps of the grievance procedure outlined in Policy 5710.

**High School**

- a. The student shall file a written appeal to the Assistant Principal within ten school days of receiving notice of the action. The appeal should state the reasons for admitted absences, documentation that would reduce the number of absences,

and reasons why the student should continue to be enrolled in the course and/or receive course credit.

- b. On the student's request, the Assistant Principal shall convene an Attendance Review Committee consisting of a teacher(s), and Administrator(s). The Attendance Review Committee shall meet informally to hear the pupil's reasons for reenrollment and/or credit. The student's parent(s) and teacher may attend the meeting.
- c. The Attendance Review Committee shall decide the appeal and inform the student in writing within seven working days of the meeting. The committee may impose conditions on any reenrollment and may require the pupil to agree to those conditions.
- d. The student may appeal an adverse decision of the Attendance Review Committee to the Principal, Superintendent, the Board of Education, and the Commissioner of Education, in that order and in accordance with Policy No. 5710, Student Grievance. Resort to the Attendance Review Committee shall be considered to have exhausted the first step of the grievance.

L. Attendance Records

1. Attendance records for the school district and each school will be maintained and attendance rates will be calculated as required by the New Jersey Department of Education. The school district will comply with all attendance requirements and any improvement plans as required by the Department of Education.

**POLICY****RIDGEWOOD  
BOARD OF EDUCATION**

PUPILS  
5320/page 1 of 1  
Immunization  
June 2020

**5320 IMMUNIZATION**

In order to safeguard the school community from the spread of certain communicable diseases and in recognition that prevention is a means of combating the spread of disease, the Board of Education requires the immunization of students against certain diseases in accordance with State statute and rules of the New Jersey State Department of Health and Senior Services.

A student shall not knowingly be admitted or retained in school if the parent(s) ~~or legal guardian(s)~~ has not submitted acceptable evidence of the child's immunization, according to schedules specified in N.J.A.C. 8:57-4 – Immunization of Pupils in School. **However, a child may be admitted to school on a provisional basis in accordance with the requirements as outlined in N.J.A.C. 8:57-4.5 and Regulation 5320.**

Medical or religious exemptions to immunizations shall be in accordance with the requirements as outlined in N.J.A.C. 8:57-4.3 and 4.4. ~~A child may be admitted to school on a provisional basis in accordance with the requirements as outlined in N.J.A.C. 8:57-4.5.~~ **For students with a medical exemption pursuant to N.J.A.C. 8:57-4.3, the school nurse shall annually review student immunization records to confirm the medical condition for the exemption from immunization continues to be applicable in accordance with N.J.A.C. 6A:16-2.3(b)3.v.**

No immunization program, other than that expressly required by the rules of the New Jersey State Department of Health and Senior Services or by order of the New Jersey State Commissioner of Health and Senior Services, may be conducted in district schools without the express approval of the Board.

R 5320 IMMUNIZATION

A. **Proof of Immunizations on Admission (N.J.A.C. 8:57-4.2)**

1. **The No Principal or designee shall not knowingly admit or retain any child student who whose parent has not submitted acceptable evidence of the child's immunization according to the schedule(s) set forth in N.J.A.C. 8:57 et seq. and section E, I. of this Regulation, unless the student is provisionally admitted as provided in paragraph B.1. below A.2. or exempted as provided in section C, B. and D. of this Regulation, and N.J.A.C. 8:57-4.3, and 8:57-4.4.**

B. **Provisional Admission (N.J.A.C. 8:57-4.5)**

12. A student shall be admitted to ~~preschool or~~ school on a provisional basis if a physician, an advanced practice nurse, (a certified registered nurse practitioner or clinical nurse specialist) or health department can document that at least one dose of each required age-appropriate vaccine(s) or antigen(s) has been administered and that the student is in the process of receiving the remaining immunizations.
2. **Provisional admission for children under age five shall be granted in compliance with the specific requirements set forth in N.J.A.C. 8:57-4.10 through 4.15 and 4.18 for a period of time consistent with the current Advisory Committee on Immunization Practices (ACIP) of the United States Public Health Service or the American Academy of Pediatrics (AAP) immunization schedule, but shall not exceed seventeen months for completion of all immunization requirements.**
3. **Provisional admission for children five years of age or older shall be granted in compliance with the specific requirements set forth in N.J.A.C. 8:57-4.10 through 4.14 and 4.16 for a period of time consistent with the current Advisory Committee on Immunization Practices (ACIP) of the United States Public Health Service or the American Academy of Pediatrics (AAP) immunization schedule, but shall not exceed one year for completion of all immunization requirements.**

- a. ~~A child under five years of age lacking all required vaccines shall have no more than seventeen months to meet all immunization requirements in accordance with N.J.A.C. 8:57-4.5(b).~~
- b. ~~A child five years of age or older lacking all required vaccines shall have no more than one year to complete all immunization requirements in accordance with N.J.A.C. 8:57-4.5(e).~~
- 4e. Provisional status shall only be granted one time to **children** students entering or transferring into schools in New Jersey. If a student on provisional status transfers, information on their status will be sent by the original school to the new school **pursuant to N.J.A.C. 8:57-4.7(b)**. ~~Provisional status may be extended by a physician for medical reasons as indicated in N.J.A.C. 8:57-4.3.~~
- 5d. **Children** Students transferring into this district from **out-of-** another State or **out-of-** country shall be allowed a thirty day grace period in order to obtain past immunization documentation before provisional status shall begin. The thirty day grace period does not apply to students transferring **into this school district** from within the State of New Jersey.
6. **The school district shall ensure that the required vaccine/antigens are being received on schedule. If at the end of the provisional admission period the child has not completed the required immunizations, the administrative head of the school, preschool, or child care center shall exclude the child from continued school attendance until appropriate documentation has been presented.**
- e. ~~The Principal or designee shall ensure the provisionally admitted student is receiving required immunizations on schedule. If the student has not completed the immunizations at the end of the provisional period, the Principal shall exclude the student from school until appropriate documentation of completion has been presented.~~
- 7f. Students on provisional status may be temporarily excluded from school during a vaccine-preventable disease outbreak or threatened outbreak, as determined by the State Commissioner of Health and Senior Services or ~~his/her~~ designee **in accordance with the provisions of N.J.A.C. 8:57-4.5.**

**CB. Medical Exemptions from Immunization (N.J.A.C. 8:57-4.3)**

1. A **child student** shall not be required to have any specific immunization(s) **which that** are medically contraindicated.
2. **A written statement submitted to the school from a physician licensed to practice medicine or osteopathy or an advanced practice nurse (certified registered nurse practitioner or clinical nurse specialist) in any jurisdiction in the United States indicating that an immunization is medically contraindicated for a specific period of time, and the reasons for the medical contraindication, based on valid medical reasons as enumerated by the ACIP standards or the AAP guidelines, will exempt a student from the specific immunization requirements by law for the stated period of time.**
  - a. ~~A written statement from any physician licensed to practice medicine or osteopathy or an advanced practice nurse (certified registered nurse practitioner or clinical nurse specialist) in any jurisdiction in the United States indicating that an immunization is medically contraindicated for a specific period of time, and the reasons for the medical contraindication, based on valid reasons as enumerated by the Advisory Committee on Immunization Practices (ACIP) standards or the American Academy of Pediatrics (AAP) guidelines, will exempt a student from the specific immunization requirements by law for the period of time specified in the physician's statement.~~
- 3b. The physician's or an advanced practice nurse's (certified registered nurse practitioner or clinical nurse specialist) statement shall be retained by the school as part of the **child's** immunization record ~~of the student~~ and shall be reviewed annually. **When the child's medical condition permits immunization, this exemption shall thereupon terminate, and the child shall be required to obtain the immunization(s) from which he/she has been exempted.**

~~e. When the student's medical condition permits immunization, this exemption shall thereupon terminate, and the student shall be required to obtain the immunizations from which he/she has been exempted.~~

4. **Those children with medical exemptions to receiving specific immunizations may be excluded from school during a vaccine-preventable disease outbreak or threatened outbreak, as determined by the New Jersey Commissioner, Department of Health and Senior Services or designee.**

5. **As provided by N.J.S.A. 26:4-6, the school district may, on account of the prevalence of any communicable disease, or to prevent the spread of communicable diseases, prohibit the attendance of any school district teacher or student and specify the time during which the teacher or student shall remain away from school.**

a. **The Department of Health and Senior Services shall provide guidance to the school district on the appropriateness of any such prohibition.**

b. **The school district shall comply with the provisions of N.J.A.C. 8:61-2.1 regarding attendance at school by students or adults infected by Human Immunodeficiency Virus (HIV).**

**D. Religious Exemptions (N.J.A.C. 8:57-4.4)**

12. **A child student shall be exempted from mandatory immunization if the child's parent(s) or legal guardian(s) submits to the school a written, signed statement requesting an exemption pursuant to the requirements of religious exemptions established at N.J.S.A. 26:1A-9.1, on "the ground that the immunization interferes with the free exercise of the pupil's religious rights." that explains how the administration of immunizing agents conflicts with the student's exercise of bona fide religious tenets or practices. General philosophical or moral objection to immunization shall not be sufficient for an exemption on religious grounds.**

- a. **The school district is prohibited from exempting a child from mandatory immunization on the sole basis of a moral or philosophical objection to immunization.**
2. **The written statement signed by the parent(s) will be kept by the school as part of the student's immunization record.**
  - a. ~~The written statement signed by the parent(s) or legal guardian(s) will be kept by the school as part of the student's immunization record.~~
  - b. ~~Students enrolled in school before September 1, 1991 and who have previously been granted a religious exemption to immunization, shall not be required to reapply for a new religious exemption under N.J.A.C. 8:57-4.4(a).~~
3. **The school district may exclude children with religious exemptions from receiving immunization agents from school** ~~Students exempted on medical or religious grounds may be temporarily excluded from school during a vaccine-preventable disease outbreak or threatened outbreak, as determined by the State Commissioner of Health and Senior Services or designee.~~
4. **As provided by N.J.S.A. 26:4-6, the school district may, on account of the prevalence of any communicable disease, or to prevent the spread of communicable diseases, prohibit the attendance of any school district teacher or student and specify the time during which the teacher or student shall remain away from school.**
  - a. **The Department of Health and Senior Services shall provide guidance to the school district on the appropriateness of any such prohibition.**
  - b. **The school district shall comply with the provisions of N.J.A.C. 8:61-2.1 regarding attendance at school by students or adults infected by Human Immunodeficiency Virus (HIV).**

EE. ~~Documentation~~ **Accepted as Evidence of Immunization**  
(N.J.A.C. 8:57-4.6)

1. **The following documents** ~~Any of the following documents~~ shall be accepted as evidence of a **child's** ~~student's~~ immunization history, provided that the ~~document~~ **lists** the type of immunization and the ~~specific date (month, day and year)~~ when each immunization was administered **is listed**.
  - a. An official school record from any school or preschool indicating compliance with immunization requirements **of N.J.A.C. 8:57-4.1 et seq.;**
  - b. A record from any public health department indicating compliance with immunization requirements **of N.J.A.C. 8:57-4.1 et seq.;**
  - c. A certificate signed by a physician licensed to practice medicine or osteopathy or an advanced practice nurse (certified registered nurse practitioner, or clinical nurse specialist) in any jurisdiction in the United States indicating compliance with immunization requirements **of N.J.A.C. 8:57-4.1 et seq.;** or
  - d. The official record of immunization from the New Jersey Immunization Information System indicating compliance with immunization requirements **of N.J.A.C. 8:57-4.1 et seq.**
2. All immunization records submitted by a parent(s) ~~or legal guardian(s)~~ in a language other than English shall be accompanied by a translation sufficient to determine compliance with the immunization requirements of **N.J.A.C. 8:57-4.1 et seq. and this R**regulation.
3. ~~Parental verbal history or recollection or previous immunization is unacceptable documentation or evidence of immunization.~~

3. **Laboratory evidence of protective immunity, as enumerated by the Advisory Committee on Immunization Practices (ACIP) of the United States Public Health Service, shall be accepted as evidence of immunization if a parent cannot produce a documented history of immunization.**
4. **Parental verbal history or recollection of previous immunization is unacceptable documentation or evidence of immunization.**

**FD. ~~Immunization~~ Records Required (N.J.A.C. 8:57-4.7)**

1. **The school district** ~~Each school~~ shall maintain an official State of New Jersey **School Immunization Record** for every student. **This record** ~~which~~ shall include the date of each individual immunization **and shall be separated from the child's educational record and other medical records for the purpose of immunization record audit.**
- 2a. **If** ~~When~~ a child withdraws, is promoted, or transfers to another school **district**, ~~preschool or child care center~~, the immunization record, or a certified copy thereof, along with statements pertaining to religious or medical exemptions and laboratory evidence of immunity, shall be sent to the new school **district** by the original school **district** or shall be given to the parent(s) ~~or legal guardian(s)~~ upon request, within twenty-four hours of such a request.
  - b. ~~The immunization record shall be kept separate and apart from the student's other medical records for the purpose of immunization record audit.~~
  - c. ~~Child care centers, preschools, and elementary schools are to retain immunization records, or a copy thereof, for at least one year after the student has left the school. For children who are promoted from elementary to middle school or from middle school to high school within the same school system, this record retention requirement is not applicable in accordance with Department of Education rules and policies on transfer of student records.~~

3. **Parental verbal history or recollection of previous immunization is unacceptable documentation or evidence of immunization.**
4. **When a child graduates from secondary school, the record, or a certified copy thereof, shall be sent to an institution of higher education or may be given to the parent(s) upon request.**
- 5d. **Each child's student's official New Jersey Immunization Record, or a certified copy thereof, shall be retained by a secondary school for a minimum of four years after the student has left the graduates from the secondary school. Each child's official New Jersey Immunization Record, or a copy thereof, shall be retained by an elementary school for a minimum of one year after the child has left the school.**
  - e. ~~When a student graduates from secondary school, the record, or a certified copy thereof, shall be sent to an institution of higher education or may be given to the parent(s) or legal guardian(s) upon request.~~
- 6f. Any computer-generated document or list developed by the school district to record immunization information shall be considered a supplement to, not a replacement of, the official New Jersey **School** Immunization Record.

**G. Reports to be Sent to the Department of Health and Senior Services (N.J.A.C. 8:57-4.8)**

1. A report of the immunization status of the students in each school shall be sent each year to the State Department of Health and Senior Services by the Principal or **designee through mail or submitted electronically in accordance with N.J.A.C. 8:57-4.8(a).** ~~other person in charge of a school. The form for the report will be provided by the State Department of Health and Senior Services. The report shall be submitted by January 1 of the respective academic year. A copy of this report shall be sent to the local Board of Health in whose jurisdiction the school is located. Failure by the school district to submit such report by January 1 may result in a referral to the New Jersey Department of Education and the local health department.~~

2. **The form for the report will be provided by the New Jersey Department of Health and Senior Services.**
3. **The report shall be submitted by January 1 of the respective academic year after a review of all appropriate immunization records.**
4. **A copy of this report shall be sent to the local Board of Health in whose jurisdiction the school is located.**
5. **If the school does not submit the annual report by January 1 it shall be considered delinquent. A delinquency may be referred to the New Jersey Department of Education or the New Jersey Department of Children and Families, as appropriate based on the length of time delinquent, number of times delinquent, and efforts made toward compliance. The local health department will also be notified of the delinquency.**

**H. Records Available for Inspection (N.J.A.C. 8:57-4.9)**

13. **The Principal or ~~designee other person in charge of a~~ of each school shall maintain records of their children's immunization status. Upon twenty-four hour notice, these records shall be made ~~make immunization records~~ available for inspection by authorized representatives of the State New Jersey Department of Health and Senior Services or the local Board of Health in whose jurisdiction the school is located, ~~within twenty four hours of notification.~~**

**IE. Immunization Requirements**

1. The immunization requirements for school age children shall be in accordance with the requirements of N.J.A.C. 8:57-4 – Immunization of Pupils in School as outlined below:

PNEUMOCOCCAL  N.J.A.C. 8:57-4.18	(AGE 2-11 MONTHS) <sup>(1)</sup> : 2 doses (AGE 12-59 MONTHS) <sup>(2)</sup> : 1 dose	Children enrolled in child care or pre-school on or after 9-1-08. <sup>(1)</sup> Minimum of 2 doses of Pneumococcal vaccine is needed if between the ages of 2-11 months. <sup>(2)</sup> Minimum of 1 dose of Pneumococcal vaccine is needed on or after the first birthday.
MENINGOCOCCAL  N.J.A.C. 8:57-4.20	(Entering GRADE 6 <i>or comparable age level Special Ed program with an unassigned grade</i> ): 1 dose <sup>(1)</sup> (Entering a four-year college or university, previously unvaccinated and residing in a campus dormitory): 1 dose <sup>(2)</sup>	<sup>(1)</sup> For students entering Grade 6 on or after 9-1-08 and born on or after 1-1-97. <sup>(2)</sup> Previously unvaccinated students entering a four-year college or university after 9-1-04 and who reside in a campus dormitory, need 1 dose of meningococcal vaccine. Documentation of one prior dose is acceptable.
INFLUENZA  N.J.A.C. 8:57-4.19	(AGES 6-59 MONTHS): 1 dose ANNUALLY	For children enrolled in child care, pre-school or pre-Kindergarten on or after 9-1-08. 1 dose to be given between September 1 and December 31 of each year.

AGE APPROPRIATE VACCINATIONS (FOR LICENSED CHILD CARE CENTERS/PRE-SCHOOLS)	
CHILD'S AGE	NUMBER OF DOSES CHILD SHOULD HAVE (BY AGE):
2-3 Months	1 dose DTaP, 1 dose Polio, 1 dose Hib, 1 dose PCV7
4-5 Months	2 doses DTaP, 2 doses Polio, 2 doses Hib, 2 doses PCV7
6-7 Months	3 doses DTaP, 2 doses Polio, 2-3 doses Hib, 2-3 doses PCV7, 1 dose Influenza
8-11 Months	3 doses DTaP, 2 doses Polio, 2-3 doses Hib, 2-3 doses PCV7, 1 dose Influenza
12-14 Months	3 doses DTaP, 2 doses Polio, 1 dose Hib, 2-3 doses PCV7, 1 dose Influenza
15-17 Months	3 doses DTaP, 2 doses Polio, 1 dose MMR, 1 dose Hib, 1 dose PCV7, 1 dose Influenza
18 Months – 4 Years	4 doses DTaP, 3 doses Polio, 1 dose MMR, 1 dose Hib, 1 dose Varicella, 1 dose PCV7, 1 dose Influenza

PROVISIONAL ADMISSION:

Provisional admission allows a child to enter/attend school but must have a minimum of one dose of each of the required vaccines. Students must be actively in the process of completing the series. If a student is less than 5 years of age, they have 17 months to complete the immunization requirements.

If a student is 5 years of age and older, they have 12 months to complete the immunization requirements.

GRACE PERIODS:

- 4-day grace period: All vaccines doses administered less than or equal to four days before either the specified minimum age or dose spacing interval shall be counted as valid and shall not require revaccination in order to enter or remain in a school, pre-school or child care facility.
- 30-day grace period: Those children transferring into a New Jersey school, pre-school, or child care center from out of State/out of country may be allowed a 30-day grace period in order to obtain past immunization documentation before provisional status shall begin.

2. **The immunization requirements outlined in I.1. above may be revised by Statute, administrative code, and/or the Commission of Health and Senior Services.**

**JF.** Emergency Powers of the Commissioner of Health and Senior Services

- ~~1. If a threatened outbreak, or outbreak of disease, or other public health immunization emergency exists, as determined by the State Commissioner of Health and Senior Services or designee, all students with provisional, religious, or medical exemptions (which relate to the specific disease threatening or occurring) shall be excluded from school. If these students become immunized or produce serologic evidence of immunity to the specific disease the student may immediately be readmitted to school.~~
12. If **an outbreak or** threatened outbreak, ~~or outbreak~~ of disease or other public health immunization emergency exists, as determined by the State Commissioner of Health and Senior Services or designee, the State Commissioner or designee may issue either additional immunization requirements to control the outbreak or threat of an outbreak or modify immunization requirements to meet the emergency.
2. All children failing to meet the additional immunization requirements of N.J.A.C. 8:57-4.22 shall be excluded from school until the outbreak or threatened outbreak is over. These requirements shall remain in effect as outlined in **J.3. below and** N.J.A.C. 8:57-4.22(c).

3. **These requirements or amendments shall remain in effect until such time as the Commissioner, Department of Health and Senior Services or designee determines that an outbreak or a threatened outbreak no longer exists or the emergency is declared over, or for three months after the declaration of the emergency whichever one comes first. The Commissioner, Department of Health and Senior Services or designee may declare a state of emergency if the emergency has not ended.**
  
43. The Commissioner of Health and Senior Services or designee may temporarily suspend an immunization requirement **for the particular immunization** in accordance with the reasons as outlined in N.J.A.C. 8:57-4.22(d).

Administering an Opioid Antidote  
M

5330.04 ADMINISTERING AN OPIOID ANTIDOTE

N.J.S.A. 18A:40-12.24.a requires schools to adopt a Policy for the emergency administration of an opioid antidote to a student, staff member, or other person who is experiencing an opioid overdose.

N.J.S.A. 18A:40-12.24.a.(1) requires schools with any of the grades nine through twelve to comply with the provisions of the law.

N.J.S.A. 18A:40-12.24 requires a school to obtain a standing order for opioid antidotes pursuant to the “Overdose Prevention Act” - N.J.S.A. 24:6J-1 et seq. The school shall maintain a supply of opioid antidotes under the standing order in a secure, but unlocked and easily accessible location. The opioid antidotes shall be accessible in the school during regular school hours and during school-sponsored functions that take place in the school or on school grounds adjacent to the school building. **The Board may, in its discretion, make an opioid antidote accessible during school-sponsored functions that take place off school grounds.**

The school nurse and a designated employee who volunteers to administer an opioid antidote pursuant to N.J.S.A. 18A:40-12.24.c. are required to be trained for the administration of an opioid antidote in accordance with N.J.S.A. 18A:40-12.25.b. The school nurse or a designated employee who volunteers to administer an opioid antidote shall be promptly available on site at the school during regular school hours and during school-sponsored functions that take place in the school or on school grounds adjacent to the school building at any time.

N.J.S.A. 18A:40-12.24 permits the school nurse or a designated trained employee to administer an opioid antidote to any person whom the nurse or the trained designated employee who in good faith believes is experiencing an opioid overdose.

An overdose victim shall be transported to a hospital emergency room by emergency medical responders after the administration of an opioid antidote, even if the person’s symptoms appear to have resolved.

In accordance with N.J.S.A. 24:6J-4.a.(1)(f), a prescriber or other health care practitioner, as appropriate, may prescribe or dispense an opioid antidote directly or through a standing order to a school, school district, or school nurse. In accordance with N.J.S.A. 24:6J-4.a.(2)(c), whenever the law expressly authorizes or requires a school or school district to obtain a standing order for opioid antidotes, the school nurse(s) employed or engaged by the school or school district shall be presumed by the prescribing or dispensing health care practitioner to be capable of administering the opioid antidote, consistent with the express statutory requirement.

Notwithstanding the provisions of N.J.S.A. 24:6J-4.a.(3)(b) to the contrary, if the law expressly authorizes or requires a school, school district, or school nurse to administer or dispense opioid antidotes pursuant to a standing order under N.J.S.A. 24:6J-4 et seq., the standing order issued shall be deemed to grant the authority specified by the law, even if such authority is not specifically

indicated on the face of the standing order.

In accordance with the provisions of N.J.S.A. 18A:40-12.26, no school employee, including a school nurse or any other officer or agent of a Board of Education or charter school, or a prescriber of opioid antidotes for a school through a standing order, shall be held liable for any good faith act or omission consistent with the provisions of N.J.S.A. 18A:40-12.23 et seq. Good faith shall not include willful misconduct, gross negligence, or recklessness.

Any school, school district, school nurse, school employee, or any other officer or agent of a Board of Education or charter school who administers or permits the administration of an opioid antidote in good faith in accordance with the provisions of N.J.S.A. 18A:40-12.24 and pursuant to a standing order issued under N.J.S.A. 24:6J-4 shall not, as a result of any acts or omissions, be subject to any criminal or civil liability or any disciplinary action for administering, or permitting the administration of, the opioid antidote in accordance with N.J.S.A. 24:6J-1 et seq. **Nothing in this Policy shall be interpreted to prohibit the administration of an opioid antidote to a student, staff member, or other person in an emergency during school hours or during on-site school-sponsored activities by an emergency medical responder or other person authorized by law to administer an opioid antidote, in accordance with N.J.S.A. 24:6J-1 et seq.**

**The Overdose Prevention Act provides that when a person, in good faith, seeks medical assistance for an individual believed to be experiencing a drug overdose, whether the person is seeking assistance for himself/herself or another, the person calling for help and the person experiencing the overdose shall not be arrested, charged, prosecuted, or convicted for certain criminal offenses enumerated in N.J.S.A. 2C:35-30(a)(1-6) and N.J.S.A. 2C:35-31(a)(1-6).**

Notwithstanding the provisions of any law, rule, regulation, ordinance, or institutional or organizational directive to the contrary, any person or entity authorized to administer an opioid antidote pursuant to

N.J.S.A. 24:6J-4, may administer to an overdose victim, with full immunity: a single dose of any type of opioid antidote that has been approved by the United States Food and Drug Administration for use in the treatment of opioid overdoses; and up to three doses of an opioid antidote that is administered through an intranasal application, or through an intramuscular auto-injector, as may be necessary to revive the overdose victim. Prior consultation with, or approval by, a third-party physician or other medical personnel shall not be required before an authorized person or entity may administer up to three doses of an opioid antidote, as provided in N.J.S.A. 24:6J-4, to the same overdose victim.

A school district may enter into a shared services arrangement with another school district for the provision of opioid antidotes pursuant to N.J.S.A. 18A:40-12.27 if the arrangement will result

in cost savings for the districts.

This Policy and Regulation 5330.04 shall be reviewed and approved by the school physician prior to Board adoption and whenever this Policy is revised. This Policy shall be made available to school staff members, parents, and students in handbooks, on the school district's website, or through any other appropriate means of publication.

R 5330.04 ADMINISTERING AN OPIOID ANTIDOTE

A. Definitions

1. “Opioid antidote” means any drug, regardless of dosage amount or method of administration, which has been approved by the United States Food and Drug Administration (FDA) for the treatment of an opioid overdose. “Opioid antidote” includes, but is not limited to, naloxone hydrochloride, in any dosage amount, which is administered through nasal spray or any other FDA-approved means or methods.
2. “Opioid overdose” means an acute condition including, but not limited to, extreme physical illness, decreased level of consciousness, respiratory depression, coma, or death resulting from the consumption or use of an opioid drug or another substance with which an opioid drug was combined, and that a layperson would reasonably believe to require medical assistance.
3. “School-sponsored function” means any activity, event, or program occurring on or off school grounds, whether during or outside of regular school hours, that is organized or supported by the school.
  - a. **The requirements of N.J.S.A. 18A:40-12.23 through 12.27 only apply to school-sponsored functions that take place in the school or on school grounds adjacent to the school building.**

B. Acquisition, Maintenance, Accessibility, and Documentation of an Opioid Antidote

1. **In accordance with N.J.S.A. 24:6J-4(a)(1)(f) and N.J.S.A. 24:6J-4(a)(2)(c), the school physician may prescribe or dispense an opioid antidote through a standing order to the school district, school, or certified school nurse for administration to overdose victims. The school physician’s standing order must specify, at a minimum, the following:**
  - a. **The certified school nurse is authorized to directly administer the opioid antidote to overdose victims in the event of an emergency; and**
  - b. **The school district, school or certified school nurse may also dispense or grant access, in emergency situations, to other persons employed by the district or school who have certified to having received training in the administration of the opioid antidote and overdose prevention information.**

2. The school nurse in each school that includes any of the grades designated by the Board in Policy 5330.04 shall obtain a standing order for opioid antidotes pursuant to the “Overdose Prevention Act” – N.J.S.A. 24:6J-1 et seq.
  - a. **Written standing orders shall be reviewed and reissued before the beginning of the school year in accordance with N.J.A.C. 6A:16-2.3(a)4(vi).**
  
3. The school nurse shall be responsible to:
  - a. Maintain a supply of opioid antidotes that have been prescribed under a standing order in a safe and secure, but unlocked and easily accessible location in the school:
    - (1) The opioid antidotes shall be accessible in the school during regular school hours and during school-sponsored functions that take place in the school or on school grounds adjacent to the school building.
  - b. Document the administration of an opioid antidote on a student’s health record;
  - c. Monitor the on-site inventory and replacement of the opioid antidote supply; and
  - d. **Ensure the replacement of the opioid antidote supply following use or expiration of the opioid antidote; and**
  - e. Plan for the disposal of administered opioid antidote and expired opioid antidote applicators.
  
4. Opioid antidotes shall be maintained by a school pursuant to N.J.S.A. 18A:40-12.24.b.(1) in quantities and types deemed adequate by the Board, in consultation with the New Jersey Department of Education (NJDOE) and the Department of Human Services.

C. Authorization and Training for Administering an Opioid Antidote

1. The school nurse shall have the primary responsibility for the emergency administration of an opioid antidote.
2. However, the Board upon the recommendation of the Superintendent shall designate additional employees who volunteer to administer an opioid antidote in the event that a

person experiences an opioid overdose when the nurse is not physically present at the scene.

**Optional**

- a. **The district shall provide in writing to the school nurse and each employee designated by the Board written approval to administer an opioid antidote pursuant to N.J.S.A. 18A:40-12.24.c.(1). Each written approval shall be kept on file in the school nurse's office.**
  - b. **The district shall notify all school staff members of the identity of each employee approved and designated by the Board to administer an opioid antidote pursuant to N.J.S.A. 18A:40-12.24.c.(1).]**
3. The school nurse and designated employees shall only be authorized to administer opioid antidotes after receiving the training required under N.J.S.A. 18A:40-12.25.b **and N.J.S.A. 24:6J-5.**

~~a. Each school nurse and each employee designated to administer an opioid antidote pursuant to N.J.S.A. 18A:40-12.24.c.(1) shall receive training on standardized protocols for the administration of an opioid antidote to a person who experiences an opioid overdose. The training shall include the overdose prevention information described in the "Overdose Prevention Act" N.J.S.A. 24:6J-5. The school district will provide training by an appropriate entity or entities as specified by the NJDOE's guidelines. A school nurse shall not be solely responsible to train the employees designated pursuant to N.J.S.A. 18A:40-12.24.c. Each certified school nurse and each employee designated to administer an opioid antidote pursuant to N.J.S.A. 18A:40-12.24.c.(1) and N.J.S.A. 24:6J-5 shall receive training on standard protocols from the school physician issuing the standing order or through a written agreement by the school physician with an organization that addresses medical or social issues related to drug addiction.~~

**The training must address overdose prevention information, including but not limited to, the following:**

- (1) **Information on opioid overdose prevention and recognition;**
- (2) **Instruction on how to perform rescue breathing and resuscitation;**
- (3) **Information on opioid dosage and instruction on opioid**

**antidote administration;**

- (4) Information describing the importance of calling 911 Emergency telephone service for assistance with an opioid overdose; and**
- (5) Instructions for appropriate care of an overdose victim after administration of the opioid antidote.**

**b. The district shall collect and maintain written evidence of satisfactory completion of the required training program before a certified school nurse or an employee is approved to administer opioid antidote.**

- 4.** In the event a licensed athletic trainer volunteers to administer an opioid antidote pursuant to N.J.S.A. 18A:40-12.23 through 12.27, it shall not constitute a violation of the “Athletic Training Licensure Act” – N.J.S.A. 45:9-37.35 et seq.

**D. Administration of an Opioid Antidote**

- 1.** The school nurse or a trained employee designated pursuant to N.J.S.A. 18A:40-12.24.c.(1) shall be authorized to administer an opioid antidote to any person whom the nurse or trained employee in good faith believes is experiencing an opioid overdose.
  - a.** The school nurse or a trained employee designated pursuant to N.J.S.A. 18A:40-12.24.c.(1) shall be promptly available on site at the school during regular school hours and during school-sponsored functions that take place in the school or on school grounds adjacent to the school building at any time.
  - b.** Upon receiving a report or observing a possible opioid overdose in the school or at a school-sponsored function that takes place in a school or on school grounds adjacent to the school building at any time, the Principal or designee or any staff member present will immediately call the school nurse, if present, or a designated staff member who volunteered and was trained to administer an opioid antidote, and emergency medical responders.

**[Option – Option B.5. above must be included if Option D.1.c. below is selected**

- c. School-Sponsored Functions Off School Grounds: Upon receiving a report or observing a possible opioid overdose occurring at a school-sponsored function that takes place off school grounds, as designated by**

**the Superintendent or designee, a staff member shall immediately call the school nurse, if present, or a staff member who volunteered and was trained to administer an opioid antidote, if present, and emergency medical responders**

2. **The certified school nurse or employee designated to administer an opioid antidote pursuant to N.J.S.A. 18A:40-12.24.c.(1) and N.J.S.A. 24:6J-5 shall determine, in addition to the opioid antidote, whether any other emergency medical response is necessary, including but not limited to, cardiopulmonary resuscitation (CPR), Rescue Breaths, or the use of an automated external defibrillator (AED).**
3. **The certified school nurse and/or other** A staff member(s) shall **monitor the person who has received an opioid antidote and** keep the individual who may be experiencing an opioid overdose comfortable until emergency medical responders arrive on the scene.
4. An **individual overdose victim** shall be transported to a hospital emergency room by emergency medical responders after the administration of an opioid antidote, even if the person's symptoms appear to have resolved. **A student transported to the hospital shall be transported in accordance with the Board's Policy required in treating alcohol or other drug-affected students pursuant to N.J.A.C. 16-4.1(c)5.**
5. The Principal or designee shall notify the Superintendent or designee whenever an opioid antidote is administered.
6. The Principal or designee shall notify, as soon as practical, the parent of any student or a family member or other contact person for a staff member who may be experiencing an opioid overdose or has been administered an opioid antidote.
7. **Nothing in Regulation 5330.04 shall be interpreted to prohibit the administration of an opioid antidote to a student, staff member, or other person in an emergency during school hours or during on-site school-sponsored activities by an emergency medical responder or other person authorized by law to administer an opioid antidote, in accordance with N.J.S.A. 24:6J-1 et seq**

E. Use of Controlled Dangerous Substances

1. Any student or staff member who is found to be under the influence of a controlled dangerous substance shall be subject to the provisions of any applicable statutes and administrative codes and Board Policies and Regulations prohibiting the use of a controlled dangerous substance.

**F. Limitation of Liability**

- 1. Pursuant to N.J.S.A. 24:6J-4, the school district, school physician, certified school nurse, and other approved designees shall not, as a result of any acts or omissions, be subject to any criminal or civil liability for administering an opioid antidote.**
  
- 2. Any person or entity authorized under N.J.S.A. 18A:40-12.23 through 12.28 to administer an opioid antidote, may administer to an overdose victim with full immunity:**
  - a. A single dose of any type of FDA approved opioid antidote for use in treatment of opioid overdoses; and**
  
  - b. Up to three doses of an intramuscular auto injector or an intranasal application of opioid antidote, as needed to revive the overdose victim.**

**Adopted Issued:** 4 April 2019  
**Revised:**

5610 SUSPENSION

The Board of Education recognizes that even the temporary exclusion of a student from the educational program of this district is a severe sanction and one that cannot be imposed without due process.

Any student who is guilty of continued and willful disobedience, or of open defiance of the authority of any teacher or person having authority over him, or of the habitual use of profanity or of obscene language, or who shall cut, deface or otherwise injure any school property, shall be liable to punishment and to suspension or expulsion from school. Conduct which shall constitute good cause for suspension or expulsion of a student guilty of such conduct shall include, but not be limited to, the conduct as defined in N.J.S.A. 18A:37-2 and the school district's Student Discipline Code of Conduct Policy and Regulation in accordance with the N.J.A.C. 6A:16-7.1. et seq.

For the purposes of this policy, "suspension" means the temporary removal of a student from the regular instructional program.

For the purposes of this Policy, "short term suspension" means a suspension for one, but not more than ten consecutive school days or less and "long term suspension" means a suspension for more than ten consecutive school days.

In accordance with the provisions of N.J.S.A. 18A:37-4, a student may be suspended only by the Principal, who shall report any suspension to the Superintendent as soon as possible. The Superintendent shall report the suspension to the Board at its next regular meeting. The suspended student may be reinstated by the Principal or by the Superintendent prior to the second regular meeting of the Board following the suspension, unless the Board reinstates the student at the first regular meeting. No student suspended for reasons of assault upon a person in authority may be reinstated before the Board has held a hearing, within thirty calendar days of the suspension, to consider that student's expulsion from school. At its second regular meeting after the suspension and thereafter, the Board alone may reinstate the student or continue the suspension.

In accordance with the provisions of N.J.S.A. 18A:37-2a, a student in Kindergarten through grade two shall not receive an out-of-school suspension, except when the suspension is based on conduct that is of a violent or sexual nature that endangers others. Students in preschool shall not receive an out-of-school suspension except as provided pursuant to the "Zero Tolerance for Guns Act," N.J.S.A. 18A:37-7 et seq.

The district shall implement an early detection and prevention program to identify students in preschool through grade two who are experiencing behavioral or disciplinary problems and provide behavioral supports for these students which may include, but not be limited to, remediation of problem behaviors, positive reinforcements, supportive interventions, and referral services. An early detection program may be incorporated into the intervention and referral services required to be established in each school pursuant to State Board of Education regulations.

In each instance of a short-term suspension, the student will be provided oral or written notice of the charges and an informal hearing conducted by the Building Principal or designee in accordance with the procedures outlined in N.J.A.C. 6A:16-7.2. To the extent the student's presence poses a continuing danger to persons or property or an ongoing threat of disrupting the educational process, the student may be immediately removed from the student's educational program and the informal hearing shall be held as soon as practical after the suspension. In each instance of a long-term suspension, the district shall assure the rights of the student pursuant to N.J.A.C. 6A:16-7.3.

In each instance of a long-term suspension, the district shall assure the rights of the student pursuant to N.J.A.C. 6A:16-7.3.

The district will comply with the requirements of N.J.A.C. 6A:16-7.2 and 7.3, in addition to all the procedural protections set forth in N.J.A.C. 6A:14, for each student with a disability who is subject to a short-term or long-term suspension.

In each instance of a short- or long-term suspension, the district shall provide academic instruction, either in school or out of school, that addresses the New Jersey Student Learning Standards pursuant to N.J.A.C. 6A:8-3. et seq., which may include a public education program provided in accordance with the provisions of N.J.A.C. 6A:16-9 or 10. These services shall be provided within five school days of the suspension. Educational services provided to a student with a disability shall be provided consistent with the student's Individualized Education Program, in accordance with N.J.A.C. 6A:14.

may include a public education program provided in accordance with the provisions of N.J.A.C. 6A:16-9 or 10. These services shall be provided within five school days of the suspension. Educational services provided to a student with a disability shall be provided consistent with the student's Individualized Education Program, in accordance with N.J.A.C. 6A:14.

**In the event a student has experienced multiple suspensions or may be subject to a proposed expulsion from school, the Principal shall convene a meeting, as soon as practicable, between the student and a school psychologist, a school counselor, a school social worker, a student assistance coordinator, or a member of the school's intervention and referral services team in accordance with the provisions of N.J.S.A. 18A:37-2c.**

Student records are subject to challenge by parents and adult students in accordance with N.J.A.C. 6A:32-7.7 and Policy and Regulation 8330. The name of a disciplined student will not appear in the agenda or minutes of a public meeting or in any public record of this district; any such student will be designated by code.

## R 5610 SUSPENSION PROCEDURES

### A. Short-Term Suspensions

1. In each instance of a short-term suspension, the Principal or designee, shall assure the rights of a student suspended for one, but not more than ten consecutive school days by providing for the following:
  - a. As soon as practicable, oral or written notice of charges to the student.
    - (1) When charges are denied, an explanation of the evidence forming the basis of the charges also shall be provided.
  - b. Prior to the suspension, an informal hearing in which the student is given the opportunity to present his or her version of the events regarding his or her actions leading to the short-term suspension and is provided notice of the school district's actions taken pursuant to N.J.A.C. 6A:16-7.1(c)2. and 5.
    - (1) The informal hearing shall be conducted by a school administrator or designee;
    - (2) To the extent that a student's presence poses a continuing danger to persons or property or an ongoing threat of disrupting the educational process, the student may be immediately removed from the student's educational program and the informal hearing shall be held as soon as practical after the suspension;
    - (3) The informal hearing should take place even when a school staff member has witnessed the conduct forming the basis of the charge; and
    - (4) The informal hearing and the notice given may take place at the same time.
  - c. Oral or written notification to the student's parent of the student's removal from the student's educational program prior to the end of the school day on which the Principal decides to suspend the student. The notification shall include an explanation of:
    - (1) The specific charges;

- (2) The facts on which the charges are based;
  - (3) The provision(s) of the code of conduct the student is accused of violating;
  - (4) The student's due process rights, pursuant to N.J.A.C. 6A:16-7.1 (c)3 and N.J.A.C. 6A:16-7.2; and
  - (5) The terms and conditions of the suspension.
- d. Appropriate supervision of the student while waiting for the student's parent to remove the student from school during the school day; and
- e. Academic instruction, either in school or out of school, that addresses the New Jersey Student Learning Standards.
- (1) The student's academic instruction shall be provided within five school days of the suspension.
  - (2) At the completion of a short-term suspension, the Board of Education shall return a general education student to the general education program for which he or she was suspended.
  - (3) The academic instruction provided to a student with a disability shall be provided consistent with N.J.A.C. 6A:14.
2. The Principal suspending the student shall immediately report the suspension to the Superintendent, who shall report it to the Board of Education at its next regular meeting, pursuant to N.J.S.A. 18A:37-4.
3. An appeal of the Board's decision affecting the general education student's educational program shall be made to the Commissioner, in accordance with N.J.S.A. 18A:37-2.4 and N.J.A.C. 6A:3-1.3 through 1.17.
4. For a student with a disability, the provisions set forth in N.J.A.C. 6A:16-7.2 shall be provided in addition to all procedural protections set forth in N.J.A.C. 6A:14.

**B. Long-Term Suspensions**

1. In each instance of a long-term suspension, the Principal or designee shall assure the rights of a student suspended for more than ten consecutive school days by providing the following:
  - a. Notification to the student of the charges, prior to the student's removal from school;
  - b. Prior to the suspension, an informal hearing during which the student is given the opportunity to present his or her version of the events regarding his or her actions leading to the long-term suspension and is provided notice of the school district's actions taken pursuant to N.J.A.C. 6A:16-7.1(c)2 and 5;
  - c. Immediate notification to the student's of the student's removal from school;
  - d. Appropriate supervision of the student while waiting for the student's parent-to remove the student from school during the school day;
  - e. Written notification to the parent by the Superintendent or designee within two school days of the initiation of the suspension, stating:
    - (1) The specific charges;
    - (2) The facts on which the charges are based;
    - (3) The student's due process rights, pursuant to N.J.A.C. 6A:16-7.1(c)3 and N.J.A.C. 6A:16-7.3; and
    - (4) Further engagement by the student in conduct warranting expulsion, pursuant to N.J.S.A. 18A:37-2, shall amount to a knowing and voluntary waiver of the student's right to a free public education, in the event that a decision to expel the student is made by the Board, pursuant to N.J.S.A. 18A:37-2 and N.J.A.C. 6A:16-7.4.

- (a) The Board shall request from the parent and student written acknowledgement of the notification provided pursuant to N.J.A.C. 6A:16-7.3(a)5.iv subsequent to the removal of the student from his or her educational program, pursuant to N.J.A.C. 6A:16-7.3.
- f. A list of witnesses and their statements or affidavits, if any, no later than five days prior to the formal hearing, pursuant to j. below;
- g. For a student with a disability, a manifestation determination, pursuant to N.J.A.C. 6A:14-2.8 and the Federal regulations;
- h. Information on the student's right to secure an attorney and legal resources available in the community identified pursuant to N.J.A.C. 6A:16-7.1(c)7;
- i. Either in- or out-of-school educational services, that are comparable to those provided in the public schools for students of similar grades and attainments, pursuant to N.J.S.A. 18A:38-25, which may include a public education program provided in accordance with N.J.A.C. 6A:16-9 or 10.
- (1) The student's educational services shall be provided within five school days of the suspension.
- (2) The Board shall make decisions regarding the appropriate educational program and support services for the suspended general education student based on the New Jersey Student Learning Standards and the following considerations:
- (a) A behavioral assessment or evaluation including, but not limited to, a referral to the Child Study Team, as appropriate;
- (b) The results of relevant testing, assessments or evaluations of the student;
- (c) The student's academic, health, and behavioral records;
- (d) The recommendation of the Superintendent, Principal, or other relevant school or community resource;

- (e) Considerations of parental input; or
  - (f) Consultation with the Intervention and Referral Services Team, in accordance with N.J.A.C. 6A:16-8.
- (3) Educational services provided to a student with a disability shall be provided consistent with N.J.A.C. 6A:14.
- j. A formal hearing before the Board that shall, at a minimum:
- (1) Be conducted by the Board or delegated by the Board to a Board committee, a school administrator or an impartial hearing officer for the purpose of determining facts or making recommendations.
    - (a) Before taking final action, the Board as a whole shall receive and consider either a transcript or detailed report on the hearing.
  - (2) Include the opportunity for the student to:
    - (a) Confront and cross-examine witnesses, if there is a question of fact; and
    - (b) Present his or her own defense and produce oral testimony or written supporting affidavits.
  - (3) Take place no later than thirty calendar days following the day the student is suspended from the general education program; and
  - (4) Result in the Board's decision that shall be based, at a minimum, on the preponderance of competent and credible evidence.
- k. A written statement to the student's parent regarding the Board's decision within five school days after the close of the hearing. The statement shall include, at a minimum:
- (1) The charges considered;
  - (2) A summary of the documentary or testimonial evidence from both the student and the administration that was brought before the Board at the hearing;

- (3) Factual findings relative to each charge and the Board's determination of each charge;
  - (4) Identification of the educational services to be provided to the student pursuant to i. above;
  - (5) The terms and conditions of the suspension; and
  - (6) The right to appeal to the Commissioner of Education the Board's decision regarding the student's general education program, in accordance with N.J.S.A. 18A:37-2.4 and N.J.A.C. 6A:3-1.3 through 1.17.
- l. If at any time it is found that the student did not commit the offense, the student shall be immediately returned to the program from which he or she was removed; and
  - m. At the completion of a long-term suspension, the Board shall return the general education student to the general education program.
2. Any appeal of the Board's decision regarding the general education student's program shall be made to the Commissioner of Education, in accordance with N.J.S.A. 18A:37-2.4 and N.J.A.C. 6A:3-1.3 through 1.17.
  3. Suspension of a general education student shall not be continued beyond the Board's second regularly scheduled meeting following the suspension, unless the Board so determines, pursuant to N.J.S.A. 18A:37-5.
    - a. The Board shall determine whether to continue the suspension, pursuant to B.1 above, based on the following criteria:
      - (1) The nature and severity of the offense;
      - (2) The Board's removal decision;
      - (3) The results of any relevant testing, assessments or evaluations of the student; and

- (4) The recommendation of the Superintendent, after considering input from the Principal or Director of the alternative education program or home or other in-school or out-of-school instruction program in which the student has been placed.
    - b. The Board shall develop and adopt policies and procedures providing for action on the continuation of student suspensions in the event of cancellation of the first or second regular Board meeting pursuant to N.J.S.A. 18A:37-4 and 5.
4. When the Board votes to continue a general education student's suspension, it shall review the case, in consultation with the Superintendent, at each subsequent Board meeting for the purpose of determining:
  - a. The status of the student's suspension;
  - b. The appropriateness of the suspended student's current educational program; and
  - c. Whether the suspended student's current placement, pursuant to above, should continue or whether the student should return to the general education program.
5. When the Board votes to continue a general education student's suspension, it shall make, in consultation with the Superintendent, the final determination on:
  - a. When the student is prepared to return to the general education program;
  - b. Whether the student will remain in an alternative education program or receive home or other in-school or out-of-school instruction, based on the criteria set forth in B.3.a.(1) through (4) above; or
  - c. Whether to initiate expulsion proceedings in accordance with N.J.S.A. 18A:37-2, N.J.A.C. 6A:16-7.4 and Policy 5620.
6. The Board shall provide a general education student suspended under N.J.A.C. 6A:16-7.3 with an appropriate educational program or services, based on the criteria set forth under B.1.i.(2) above, until the student graduates from high school or reaches the age of twenty, whichever comes first.

Procedures

- a. The educational program shall be consistent with the provisions of N.J.A.C. 6A:16-9.2 and 10.2 and 6A:14-2 and 4.3, whichever is applicable; or
  - b. The educational services provided, either in- school or out-of-school, shall be comparable to those provided in the public schools for students of similar grades and attainments, pursuant to the provisions of N.J.S.A. 18A:38-25.
7. For a student with a disability who receives a long-term suspension, the Board shall proceed in accordance with N.J.A.C. 6A:14 in determining or changing the student’s educational placement to an interim or alternate educational setting.
- a. All procedural protections set forth in N.J.A.C. 6A:14 and N.J.A.C. 6A:16-7.3 shall be afforded to a student with a disability who is subjected to a long-term suspension.
  - b. All decisions concerning the student’s educational program or placement shall be made by the student’s Individualized Education Program team.
  - c. The provisions of B.2. through B.6. above shall not apply to students with disabilities.

**C. Meeting with Student - Multiple Suspensions or Possible Expulsion**

- 1. **In accordance with the provisions of N.J.S.A. 18A:37-2c, in the event a student has experienced multiple suspensions or may be subject to a proposed expulsion from school, the Principal shall convene a meeting, as soon as practicable, between the student and a school psychologist, a school counselor, a school social worker, a student assistance coordinator, or a member of the school’s intervention and referral services team.**
  - a. **The Principal may convene such a meeting, if after the student has been suspended for the first time, the Principal upon evaluation deems such a meeting appropriate.**
  - b. **The purpose of the meeting shall be to identify any behavior or health difficulties experienced by the student and, where appropriate, to provide supportive interventions or referrals to school or community resources that may assist the student in addressing the identified difficulties.**

Suspension

2. The requirements of C.1. above shall not apply when a student's immediate removal or suspension from the school's regular education program is required pursuant to:
  - a. The provisions of the "Zero Tolerance for Guns Act," (N.J.S.A. 18A:37-7 et seq.);
  - b. N.J.S.A. 18A:37-2.1 – Assault by Pupil Upon Teacher, etc.; Suspension; Expulsion Proceedings;
  - c. N.J.S.A. 18A:37-2.2 – Offense by Pupil Involving Assault, Removal from Schools Regular Education Program; or
  - d. In any other instance in which the safety and security of other students or school staff requires the student's immediate removal from school.
3. In the instances provided in C.2.a. through d. above, the meeting required in C.1. above shall take place as soon as practicable following the student's removal from the school's regular education program.
4. The provisions of N.J.S.A. 18A:37-2c and C. of this Regulation shall be construed in a manner consistent with the "Individuals with Disabilities Act," 20 U.S.C. § 1400 et seq.

## POLICY

STUDENTS  
5620/page 1 of 2  
Expulsion  
M

### 5620 EXPULSION

The Board of Education recognizes that expulsion from this district is the most severe sanction that can be imposed upon a student.

The Board may expel a general education student from school, pursuant to N.J.S.A. 18A:37-2, only after the Board has provided the following:

1. The procedural due process rights set forth in N.J.A.C. 6A:16-7.1(c) 3 and 7.3 and as outlined in Policy and Regulation 5610, subsequent to a long-term suspension pursuant to N.J.A.C. 6A:16-7.3; and
2. An appropriate educational program or service, based on the criteria set forth under N.J.A.C. 6A:16-7.3(f) and as outlined in Regulation 5610.
  - a. The educational program or service shall be consistent with the provisions of N.J.A.C. 6A:16-9.2 – Program Criteria; and N.J.A.C. 6A:16-10.2 - Home or Out-of-School Instruction for General Education Students; and N.J.A.C. 6A:14-2.1 et seq. - Special Education, Procedural Safeguards; and N.J.A.C. 6A:14-4.3 et seq. - Special Education, Program Options, whichever are applicable; or
  - b. The educational services provided, either in school or out of school, shall be comparable to those provided in the public schools for students of similar grades and attainments, pursuant to N.J.S.A. 18A:38-25.

An appeal of the Board’s decision regarding the cessation of the student’s general education program shall be made to the Commissioner of Education in accordance with N.J.S.A. 18A:6-9 and N.J.A.C. 6A:3-1.3 through 1.17. The Board shall continue to provide an appropriate educational program or services in accordance with N.J.A.C. 6A:16-7.4(a)2 until a final determination has been made on the appeal of the Board’s action to expel a student.

In accordance with the provisions of N.J.S.A. 18A:37-2a, a student in Kindergarten through grade two shall not be expelled from school, except as provided pursuant to the “Zero Tolerance for Guns Act,” N.J.S.A. 18A:37-7 et seq. Students in preschool shall not be expelled, except as provided pursuant to the “Zero Tolerance for Guns Act,” N.J.S.A. 18A:37-7 et seq.

The district shall implement an early detection and prevention program to: identify students in preschool through grade two who are experiencing behavioral or disciplinary problems; and provide behavioral supports for these students which may include, but not be limited to, remediation of problem behaviors, positive reinforcements, supportive interventions, and referral services. An early detection program may be incorporated into the intervention and referral services required to be established in each school pursuant to State Board of Education regulations.

**In accordance with the provisions of N.J.S.A. 18A:37-2c, in the event a student may be subject to a proposed expulsion from school, the Principal shall convene a meeting, as soon as practicable, between the student and a school psychologist, a school counselor, a school social worker, a student assistance coordinator, or a member of the school's intervention and referral services team. The purpose of the meeting shall be to identify any behavior or health difficulties experienced by the student and, where appropriate, to provide supportive interventions or referrals to school or community resources that may assist the student in addressing the identified difficulties.**

**The requirements of N.J.S.A. 18A:37-2c shall not apply when a student's immediate removal or suspension from the school's regular education program is required pursuant to: the provisions of the "Zero Tolerance for Guns Act," (N.J.S.A. 18A:37-7 et seq.); N.J.S.A. 18A:37-2.1 – Assault by Pupil Upon Teacher, etc; Suspension; Expulsion Proceedings; N.J.S.A. 18A:37-2.2 – Offense by Pupil Involving Assault, Removal from Schools Regular Education Program; or in any other instance in which the safety and security of other students or school staff requires the student's immediate removal from school. In these instances, the meeting required pursuant to N.J.S.A. 18A:37-2c shall take place as soon as practicable following the student's removal from the school's regular education program.**

**The provisions of N.J.S.A. 18A:37-2c shall be construed in a manner consistent with the "Individuals with Disabilities Act," 20 U.S.C. § 1400 et seq.**

A student with a disability shall only be expelled from his or her current program in accordance with N.J.A.C. 6A:14 et seq. An expulsion of a student with a disability from a receiving school shall be handled in accordance with N.J.A.C. 6A:14 et seq.

N.J.S.A. 18A:36A-9; 18A:37-2 et seq.; 18A:37-2a; 18A:37-2b;

8320 PERSONNEL RECORDS

The Board of Education believes that the orderly operation of the school district requires the retention of all records bearing upon an employee's qualifications for employment and employment history.

The Board requires that sufficient records be compiled and maintained to demonstrate an employee's qualifications for the position assigned; compliance with federal, state, and local benefit programs; conformity to district rules; the proper conduct of evaluations; and the employee's entitlement, as appropriate, to tenure and seniority.

The Superintendent shall be responsible for the custody and maintenance of personnel records. A single, central file of documents shall be maintained; temporary, subsidiary records will be permitted for ease in data gathering only. An employee's personnel file shall be maintained for six years following his/her termination of district service, provided the employment history record card is maintained a minimum of eighty years.

**A Board of Education and private agencies that provide educational services by means of public funds shall make employee records and information available for public access pursuant to N.J.S.A. 47:1A-10, the Open Public Records Act, but in accordance with N.J.S.A. 18A:6-120.(d) and 121.(d), and as provided in Policy and Regulation 8320 - Section H. Records maintained in the personnel files of this district are not public records and are not open to inspection except as provided for in this policy. Board minutes and other public records of this district and any computerized files maintained by this district may include only an employee's name, title, position, assignments, salary, payroll record, length of service in the district and in military service, the date and reason for separation from service in this district, and the amount and type of pension a former employee receives.**

Personnel records may be inspected by school administrators to the extent that such inspection is required in the performance of the inspector's duties.

Board members may have access to confidential information in the personnel files of only those employees recommended for or subjected to an employment action requiring a vote of the Board or where access to the information is essential for the performance of the Board member's duties. Board member access to personnel files is limited to the relevant portion of the file and is available only through the Superintendent. Board members may freely inspect employment applications filed by candidates for district positions.

An employee may inspect his/her personnel file provided that the employee requests such access in writing, reviews the record in the presence of the administrator designated to maintain the file,

makes no alteration or addition to the file nor removes any material from it, and signs a log attached to the file indicating the date on which it was inspected.

An employee may appeal to the Superintendent the inclusion or exclusion of records or for appropriate administrative review of the accuracy of any record in his/her personnel file.

The Superintendent shall prepare rules enumerating the records to be maintained for each employee of this district, including, as a minimum and as appropriate to the position, the completed application form, employment contract(s), a copy of the employee's qualifying certification, transcripts, report of an employment physical examination, oath of allegiance, criminal background check, income tax forms, retirement registration, hospitalization forms, annuity forms, rate of compensation, attendance record, assignments to positions, completed evaluations, reports of disciplinary incidents, records of special awards or distinctions, and reports of annual or special physical and mental examinations.

R 8320 PERSONNEL RECORDS

## A. Content of Record

1. A personnel file shall be assembled and maintained for each person employed by this district. Each file shall contain the original or copies, as appropriate, of the following documents regarding the employee:
  - a. The employee's current correct name, address, telephone number, and birthdate;
  - b. Application form, including transcripts of all academic work, records of prior military service, and other supporting documents;
  - c. Annual employment contract and/or annual salary notice, signed by the employee;
  - d. Certificates and/or licenses required for employment;
  - e. Documentation of fulfillment of requirements for any change in salary classification;
  - f. Income tax forms;
  - g. Retirement registration;
  - h. Hospitalization forms;
  - i. Annuity forms;
  - j. Rate of compensation;
  - k. Attendance record, including the starting and ending dates of all leaves of absence, whether the leave was paid or unpaid, and the purpose for which such leaves were granted;
  - l. Assignment to positions, including position title and building to which assigned;
    - m. Completed evaluations;
  - n. Reports of disciplinary incidents;

- o. Records of special awards, commendations, or distinctions;
  - p. Oath of allegiance;
  - q. Reports of routine physical examinations; and
  - r. Reports of physical and mental examinations required for cause.
- 2. No information will be placed in an employees' file that does not pertain to the employee's position in this district and the performance of the employee's duties.
  - 3. The content of personnel files will be reviewed annually and material no longer required will be destroyed.
- B. Custodian of Personnel Records
- 1. The Superintendent is custodian of all personnel records.
  - 2. Personnel records shall be maintained in the Human Resources' office, who shall be records manager responsible for the day-to-day maintenance of the files and for supervising access to the files.
- C. Notice of Content of Files
- 1. Each employee shall be informed of the content of his/her personnel file.
  - 2. Each employee will be notified of the inclusion in his/her file of any document that was not received from the employee or at the direction of the employee.
    - a. No evaluation form will be placed in a personnel file until it has been reviewed and signed by the employee.
    - b. No copy of a memorandum or letter sent by an administrator or other school official to an employee will be placed in the employee's file unless the original and copy include the notation "cc: Personnel File" or other clear indication of the author's intention to place the memorandum or letter in the employee's file.
    - c. No report or letter or memorandum from any source, other than documents referred to in C2b above, may be placed in an

employee's file until a copy of the same has been delivered to the employee.

D. Employee Access to Personnel Records

1. Each employee shall be granted access to his/her personnel file in accordance with these regulations, except as may have been negotiated with the employee's majority representative.
2. Written request for access shall be submitted to the Human Resources. Except in unusual circumstances, access shall be granted only during the regular working hours of the office in which the file is kept.
3. The employee shall review the record in the presence of the Manager of Human Resources or designee and, at the employee's request, a representative of the employee.
4. No alteration or addition or deletion may be made to the file, except that the employee may append to any document in the file his/her comment on that document.
5. The employee may handcopy any portion of his/her file and may receive photocopies of records on payment of the copying fees established for copies of public records.

E. Appeal of Content of the File

1. The employee may appeal to the Superintendent the exclusion or inclusion of any portion of his/her personnel file or the accuracy of any information in the file.
2. An appeal must be made in writing on a form available in the office of the Superintendent.
3. The Superintendent shall render a decision on the appeal as soon as possible, but not later than ten working days from the time the written appeal is submitted. The Superintendent's decision shall be in writing and shall be delivered to the employee and the records manager responsible for the employee's file.
4. Except as may be otherwise provided by contract negotiated with the employee's majority representative, the appellant may appeal the Superintendent's decision to the Board; a decision of the Board may

be appealed to the Commissioner of Education.

F. Access by Board Members and School Officials

1. Personnel files may be inspected by school officials only as required in the discharge of their professional or statutory duties and to the extent required in the discharge of those duties.
2. Personnel files may be inspected by Board members when such inspection relates to the Superintendent's recommendation of a candidate for employment, promotion, transfer, dismissal, or discipline.
3. Much of the information included in an employee's file is confidential; access to the employee's file for professional reasons necessarily imposes on the person reviewing the file the duty to respect the confidentiality of the record.

~~G. Computerized Records~~

- ~~1. Computerized personnel records may include only the following information about an employee:
  - a. Name, address, and telephone number;
  - b. Social security number;
  - c. Current assignment;
  - d. Work experience;
  - e. Employment date; and
  - f. Salary guide and step.~~
- ~~2. Computerized information may be used only for the following purposes:
  - a. Payroll;
  - b. An employee's individual employment record; and
  - c. Studies, reports, or surveys conducted by the district or a governmental agency and authorized by the Superintendent, provided that such studies, reports, or surveys do not identify specific employees.~~

**G. Public Access to Employee Records and Information**

1. **A Board of Education and private agencies that provide educational services by means of public funds shall make employee records and information available for public access, pursuant to N.J.S.A. 47:1A-10, the Open Public Records Act, but in accordance with N.J.S.A. 18A:6-120(d) and 121.(d) in accordance with N.J.A.C. 6A:32-4.3 and as outlined in this Regulation.**
2. **In accordance with the provisions of N.J.S.A. 47:1A-10, notwithstanding the provisions of N.J.S.A. 47:1A-1 et seq. or any other law to the contrary, the personnel or pension records of any individual in the possession of a public agency, including but not limited to, records relating to any grievance filed by or against an individual, shall not be considered a government record and shall not be made available for public access, except that:**
  - a. **An individual's name, title, position, salary, payroll record, length of service, date of separation and the reason therefore, and the amount and type of any pension received shall be a government record;**
  - b. **Personnel or pension records of any individual shall be accessible when required to be disclosed by another law, when disclosure is essential to the performance of official duties of a person duly authorized by the State of New Jersey or the United States, or when authorized by an individual in interest; and**
  - c. **Data contained in information which disclose conformity with specific experiential, educational, or medical qualification required for government employment or for receipt of a public pension, but not including any detailed medical or psychological information, shall be a government record.**
3. **Information related to the evaluation of a particular employee shall be maintained by the school district, be confidential, and not be accessible to the public pursuant to N.J.S.A. 47:1A-1 et seq., as amended and supplemented, in accordance with N.J.S.A. 18A:6-120.d and 18A:6-121.d.**

BYLAWS  
0143.2/page 1 of 2  
Pupil Representatives to the Board of Education

0143.2 PUPIL REPRESENTATIVES TO THE BOARD OF EDUCATION

The Board recognizes that pupils are the primary reason for the existence of the school district. It considers the experience gained by pupils in the district to be a valued source for improving the operation of the school district. The Board is also desirous of furthering the experience of pupils in the governance process and providing opportunities for pupils to contribute to the future direction of the school district. To this end, the Board authorizes the appointment of one pupil representative to the Board.

Term

Pupil representatives to the Board shall serve a term of one year, **and shall be limited to one term of service.**

Each pupil representative shall be appointed by the High School Principal.

Appointment shall occur at least four weeks prior to the organizational meeting of the Board.

Pupil representatives shall attend all public meetings of the Board and shall be entitled to speak at the discretion of the Board President on all matters before the Board except as may be prohibited by New Jersey Statute or Code. Pupil representatives shall not be entitled to vote. All confidential information obtained by virtue of membership shall be held as such by pupil representatives. Pupil representatives shall be held to the same code of ethics as elected and appointed members of the Board.

Duties and Responsibilities

Pupil representatives:

1. Attend all public Board meetings.
2. Shall be excluded from executive sessions of the Board.
3. Represent the views of the student body.
4. Suggest through appropriate channels Board agenda items.
5. Participate in Board discussions and deliberations at the discretion of the Board President.

6. Serve on Board committees and attend committee meetings at the discretion of the Committee Chairperson.
7. Shall be excluded from sensitive and confidential discussions and communications (e.g. matters involving personnel, grievances, negotiations, litigation, real property purchase and other sensitive matters).
8. Receive all Board public agendas.
9. May attend the Board orientation sponsored by the New Jersey School Boards Association.
10. Perform such duties as determined by the Board President in consultation with the Superintendent.

Pupil representatives are expected to adhere to all bylaws, policies and regulations of the Board in their role. The Board in no way relinquishes any of its authority, powers, prerogatives or responsibilities but rather adds to its membership a non-voting pupil representative(s) for the mutual benefit of the Board, student body, and the school district.

Adopted: 7 December 2009

## 0164 CONDUCT OF BOARD MEETINGS

### Parliamentary Authority

Roberts' Rules of Order, Newly Revised, shall govern the Board of Education in its deliberations and acts in all cases in which it is not inconsistent with statutes of the State of New Jersey, rules of the State Board of Education, or these bylaws.

### Presiding Officer

The President shall preside at all meetings of the Board. In the absence, disability, or disqualification of the President, the Vice President shall act in his/her place; if neither person is present, any member shall be designated by a plurality of those present to preside. The act of any person so designated shall be legal and binding.

### Announcement of Adequate Notice

The person presiding shall commence each meeting with an announcement of the notice given for the meeting or a statement regarding the lack of adequate notice, in accordance with law.

### Agenda

The Superintendent and the Administrative Cabinet, in consultation with the Board President, shall prepare an agenda of items of business to come before the Board at each meeting. The agenda shall be delivered to each Board member no later than ~~two days~~ **two business days**, except **when an unscheduled meeting is being called**, before the meeting and shall include such reports and supplementary materials as are appropriate and available.

**The meeting agenda shall be posted on the district's website and circulated via the district email system 48 hours prior to the meeting time. A reminder email with the agenda shall be sent on the day of the meeting.**

The order of business shall be as follows:

Call to order and roll call

**Optional:** Motion to go into executive session

**Optional: Call to order and roll call again after returning from the closed session**

Pledge of Allegiance

Opening statement by presiding officer

Initial Public Comments limited to 45 minutes total, 4 minutes per person

Presentations

Superintendent's report

~~Comments from the Public~~

Consent items – **regular and routine issues**

**Resolutions and Motions not included in the Consent Agenda**

Approval of bills  
Board member announcements  
Board committee reports  
~~Comments from the public~~  
Discussion items  
Acceptance of minutes  
Other business

**Comments from the public**

**Optional:** Motion to go into executive session

**Optional:** Reconvened public meeting

Adjournment

**Electronic Participation and Virtual Meetings**

**In the event of extraordinary circumstances (which shall be defined as a natural disaster, mandatory or self-imposed quarantine, a State of Emergency declared by the Governor of the State of New Jersey or similar situation), it may be necessary for the full Board to meet virtually, via teleconference or digital media platform, in order to take necessary action.**

**A. Electronic Participation in In-Person Board meetings**

**In the event that an individual board member is unable to attend an in-person meeting, where there is a quorum present, due to extraordinary circumstances as defined above, such member may participate telephonically or electronically, with the permission of the Board President, whose permission shall not be unreasonably withheld, provided that they are able to hear the proceedings and be heard.**

**B. Virtual Meetings**

**Under extraordinary circumstances as defined above, teleconference options and digital platforms may be used to enable virtual board meetings and action even when all members of the Board are not physically present as long as prior arrangements are made to afford the public the opportunity to hear and participate in the meeting.**

**The Board may conduct a public meeting via teleconference or digital platform where members of the public are given appropriate notice and granted access enabling them to listen to and participate in the meeting at the appropriate time. A teleconference or virtual medium will only be used to host a public meeting of the full Board in a situation that makes it impossible or impractical for a quorum of members to meet in person due to the extraordinary circumstances as defined above.**

**Telephonic participation in or the virtual hosting of closed or executive sessions of the full Board shall be limited and only used in situations where in person attendance or the holding of meetings are impossible or impractical as define. All closed or executive sessions shall be and remain confidential.**

## 0169.02 BOARD MEMBER USE OF SOCIAL NETWORKS

In accordance with the School Ethics Act - N.J.S.A. 18A:12-21 et seq., Board of Education members must avoid conduct which is in violation of the public trust or which creates a justifiable impression among the public that such trust is being violated. To avoid conduct that may be in violation or perceived to be in violation of the School Ethics Act, the Board of Education adopts this Policy to provide guidance to Board members in their use of social networks.

For the purposes of this Policy, “social network(s)” shall include, but not be limited to: Internet blogs, electronic bulletin boards, emails, social networking websites, text messages, or any other online platform where people may post or communicate interests, opinions, or any other information that may be viewed by others with or without permission from the person making such post or re-publishing such post. “Social networks” also means an Internet-based service that allows individuals to: construct a public or semi-public profile within a bounded system created by the service; create a list of other users with whom they share a connection within the system; and view and navigate their list of connections and those made by others within the system.

For the purposes of this Policy, “use of a social network” shall include, but not be limited to: posting to a social network, reposting another person’s post to a social network, messaging, or any other publication of material on a social network.

Nothing in this Policy prevents a Board of Education member from using a social network. However, a Board member must avoid conduct on a social network that would violate the School Ethics Act N.J.S.A. 18A:12-21 et seq., which includes the Code of Ethics for Board Members. Board members should be advised communications, publications, photographs, and any other information posted by the Board member or reposted by the Board member on a social network could violate the School Ethics Act and be cause for sanctions in accordance with the law.

While this Policy respects the right of Board members to use social networks, Board members shall recognize they are held to a higher standard than the general public with regard to standards of conduct and ethics. A Board member’s use of social networks shall not damage the reputation of the school district, employees, students, or their families. Board members who use social networks shall ensure their conduct is appropriate for a Board of Education member. Board members should exercise care in setting appropriate boundaries between their personal and public online behavior, understanding what is private in the digital world often has the possibility of becoming public, even without their knowledge or consent.

Board members should carefully review the privacy settings on social networks they use and exercise care and good judgment when posting content and information. When using social networks, Board members are advised to:

1. Not post anything that would violate any of the district’s policies for Board

members;

2. Uphold the district's value of respect for any individual(s) and avoid making defamatory statements about the Board of Education, the school district, employees, students, or their families;
3. Not disclose any confidential information about the school district or confidential information obtained as a result of being a Board member, about any individual(s) or organization, including students and/or their families;
4. Not use or refer to their Board of Education title or position when soliciting for a business organization that he or she or any immediate family member has an interest in, as well as posting or referencing any confidential information regarding the Board of Education or the school district obtained through their Board membership, unless authorized by law;
5. Refrain from having communications through social networks with other Board members regarding any Board of Education business to avoid any potential violation of the New Jersey Open Public Meetings Act;
- ~~6. Not respond to any postings regarding Board of Education or school district business or respond to any question or inquiry posted to the Board member or posted on any social network regarding Board of Education or school district business and shall refer any such questions or inquiries to the Superintendent of Schools to address, as appropriate; or~~
- 6. Board members are entitled to express themselves publicly on any matter, including issues involving the Board and the school district. Individual Board members cannot, however, express the position of the Board except as expressly authorized, in accordance with Board Policy No. 9120. Only the Board President or his/her designee shall authorize or make statements of official Board positions.**
7. Not post any information on a social network determined by the New Jersey School Ethics Commission to be a violation of the New Jersey School Ethics Act.

A Board member shall comply with all Board policies regarding acceptable use of computers and computer networks whenever a Board member is using a Board of Education electronic device.

If the Board or Superintendent believes a Board member's activity on any social network may violate the Board's policies or the New Jersey School Ethics Act, the Board ~~or Superintendent~~ may request the Board member cease such activity.

This Policy has been developed and adopted by this Board to provide guidance and direction to a Board member to avoid actual and/or a perceived appearance of inappropriate conduct or conduct prohibited by the School Ethics Act while using social networks.

Adopted: 5 March 2018

**MINUTES OF THE  
REGULAR MEETING  
OF THE  
BOARD OF EDUCATION**

**Ridgewood Public Schools**

**Bergen County, New Jersey  
October 5, 2020**

Minutes of the Regular Public Meeting of the Board of Education held on October 5, 2020, at 7 p.m., at the Education Center.

**I. CALL TO ORDER AND ROLL CALL**

At 7:00 p.m. Mr. Lembo called the regular public meeting to order and asked for a roll call.

**Present:**

Mr. Michael Lembo, President; Ms. Hyunju Kwak, Vice President; Ms. Sheila Brogan; Mr. Cristopher Kaufman; Mr. Saurabh Dani

**Also Present:**

Dr. Daniel Fishbein, Superintendent; Ms. Stacie Poelstra, Assistant Superintendent for Curriculum, Instruction & Assessment; Ms. Antoinette Kelly, Business Administrator/Board Secretary, Ms. Ojetta Townes, Manager of Human Resources, Zoe Kovac, Student Representative

**Visitors:**

Not applicable

**II. FLAG SALUTE AND PLEDGE OF ALLEGIANCE**

Mr. Lembo led those present in the Pledge of Allegiance.

**III. OPENING STATEMENT BY PRESIDING OFFICER**

Mr. Lembo announced that pursuant to the requirements of the Open Public Meetings Act, advance notice of this meeting had been given to The Ridgewood News, The Record, and the Clerk of the Village of Ridgewood. In addition, notices were posted in the office of the Board Secretary and in all school buildings. Due to health concerns related to the COVID-19 meeting the public cannot attend the meeting and public comments can be called in or submitted through the website.

**IV. PRESENTATIONS**

.

**A. STUDENT REPRESENTATIVE REPORT**

**Academics:**

- A new rotating drop schedule has been put in place to alleviate many of the concerns from RHS parents, teachers, and students. This schedule has also

added a Period 9 to allow for students to meet with their teachers for additional assistance.

- While the weather is still nice out, many of the RHS teachers have utilized the great outdoors and have experimented with conducting some of their lessons outside.
- Through the Senior Focus program at RHS, all seniors have been meeting once a week either "live" or virtually to review the college application process. During this time, they work on the common application, linking Naviance (which is an academic software RHS students use) with Common AP, essays, transcript request forms, teacher recommendations, virtual college visits to RHS, and anything they need assistance with when it comes to the college application process.

**Arts:**

- The RHS marching band has still been able to practice because they have been extra diligent in ensuring the safety of their musicians. They stay at least 10 ft apart from each other, when playing their instruments they wear special masks that have a slit in the mouth to allow for an instrument mouthpiece to fit through, they wear their standard masks when not playing their instruments, and all of their performances are pre-recorded to prevent mass gatherings.

**Athletics:**

- The Ridgewood Crew Team has been practicing with masks on (in and out of the boats), they spread the rowing machines out, and they have cut their schedule down to 3 days a week. They, unfortunately, cannot have traditional meets but they plan to do time trials meaning they will record their own scores at their own rivers and compare the scores between each team. The team is looking for more members so they're recruiting new athletes!
- The RHS girl's soccer team's tryouts went well, they did not have any concerns with COVID because they all wore their masks, socially distanced when they could, and they will be limiting the number of spectators for upcoming games.
- The RHS girl's track teams typically meet at Vets field to warm up. Before being allowed to participate, the runners are required to show their green checkmark they got from the daily questionnaire the school provides each morning. They then get their temperatures checked as well as use hand sanitizer before they actually warm up as a team. Everyone keeps their masks on when warming up and then they go off and run. They try to consistently stay with the same group of runners to minimize contact with other teammates. They run on many different routes; however, they stay on residential roads and avoid running in town and if there is another individual on the sidewalk or in close proximity of the runners, the athletes are required to cross the street.

**Activities:**

- Many of the RHS students have taken advantage of the virtual programs the Ridgewood Public Library is currently offering. Some of the programs offered include cooking tutorials, creative writing classes, art classes, homework help, and even one for parents hosted by a clinical psychologist who discusses managing stress regarding the new reality pertaining to school. These programs can be found right on the Ridgewood Public Library website.
- The RHS Speech and Debate team has attended numerous virtual tournaments including local tournaments as well as larger tournaments like one recently held at Yale University.
- The RHS Democrats Club held an outdoor socially distanced watch party to kick off the first presidential debate of the upcoming election.
- The Newplayers are getting ready to perform an outdoor showing of Macbeth. They have been rehearsing outdoors while socially distancing as well as wearing their masks and the show is at the end of October.

**Miscellaneous:**

- In an effort to hold the annual Project Graduation for the graduating senior class, a fundraiser was held on Saturday, September 26th right in town at Van Neste Square Park that included live music, a comedian, and individually wrapped meals from the local restaurant called Smoked.
- The Ridgewood Girls Soccer Team wore their masks and held a car wash at RHS on Sunday, September 27th.
- The RHS Class of 2024 held a fundraiser sponsored by the fast-food restaurant, Chiptole and 33% of the proceeds went to the class of 2020.

**B. STRENGTHENING GIFTED AND TALENTED EDUCATION ACT**

➤ Ms. Poelstra

Dr. Fishbein shared that we have not received any guidance from the New Jersey Department of Education regarding the Strengthening Gifted and Talented Education Act. Additionally, the committees that were working on this new legislation are still active and have not yet concluded their work. The district submitted the gifted and talented report that is required under the new law by the October 1 deadline. The state, however, is keeping the reporting system open past the deadline until December, anticipating that not all districts would be in compliance.

Ms. Poelstra gave a presentation on this new legislation, explaining the provisions of the new law, how we meet these provisions, and where the district is looking to grow. The law was passed in January 2020, and the New Jersey Association for Gifted Children (NJAGC) was asked by the state to form committees that would help disseminate information about the law. Ms. Poelstra served on the legislation committee, which was tasked with interpreting the legislation and determining what districts would be required to do.

Ms. Poelstra reviewed the provisions of the legislation, some of which were already

included in previous gifted and talented legislation, and she explained how the district meets each of these provisions. Each unit of study in our K-12 curriculum includes a "Differentiation for Enrichment" section, which identifies strategies and/or curricular extensions for students who demonstrate advanced proficiency. The K-12 identification process is ongoing and uses multiple measures to ensure equitable access for identification. Ms. Poelstra highlighted some of the measures used at the elementary and secondary levels. A list of students receiving services is maintained in our student information system, Skyward. A new component of this legislation is that districts must report the number of students who are identified as gifted and talented; however, there are no standard criteria set forth by the state for identification. At the elementary level, Individualized Differentiation Plans (IDPs) are used to document enrichment for identified students. The diverse course offerings at the secondary level ensure an appropriate level of challenge based on a student's strengths and therefore replace the IDP.

When identifying and serving students, districts should consider the six programming standards of the National Association for Gifted Children, all of which are areas that we review in all curriculum development. Ms. Poelstra shared an example of how differentiation is integrated into the classroom and the types of resources that are available to students. Another example is whole school enrichment that sparks critical thinking and creativity, as seen in the elementary STEAM curriculum, new middle school selectives (Creating by Design and Soundology), and extensions of classroom learning at the high school. Ms. Poelstra also recapped some of our recent professional development that has supported teachers in this area.

The district is currently beginning to explore the implementation of inquiry-based projects at the elementary level to support advanced study where appropriate. The elementary staff developer will also be working with teachers to support students with IDPs. At the middle school level, a portfolio experience is being integrated which will provide an opportunity for differentiated extension and enrichment. The district is also exploring professional development opportunities and graduate certificate programs for teachers.

Other provisions of the legislation include the creation of a new NJDOE position, Gifted and Talented Commissioner. The reporting requirement described earlier is a new provision. Districts must now report the number of gifted and talented students. Gifted and talented will be part of the QSAC monitoring process. A formal complaint process is part of the law; therefore, parents may appeal to the county superintendent if they feel the district is not compliant. The district process for parents involves first speaking with the teacher, then the principal, and finally the assistant superintendent. Lastly, all district websites must post information related to gifted and talented services.

The teachers differentiate very naturally and in the state of NJ there are half of the districts that do a pull out program and some that do not. There are mixed philosophies of the pull out versus the push in models. Here the focus is on differentiating and providing integrated services in the class.

Since the law was enacted, Ms. Poelstra has discussed with colleagues in other districts and has discovered they have not had much time to dedicate to the new gifted and talented law. People are currently working on programs to accommodate remote and live

instruction professional development and programs.

Mr. Dani stated there are parents who have reached out to principals and the board and asked what can we do for the parents who are not happy about the program before they go to the state or county superintendent.

Dr. Fishbein stated that students are being assessed now, if they are getting an IDP. Our process starts now and therefore we are not behind.

Ms. Poelstra stated that we are having students take assessments, parents who have a child that will receive an IDP will be notified. If a parent has a child that does not qualify, but believes that their child is gifted they should first discuss with the student's teacher and discuss the assessments and the reasons behind why the parent feels their child should receive an IDP. If they are not still not satisfied, they should then go to the principal, Ms. Poelstra and then the County Superintendent. The county will have 60 days to determine if the district is in compliance with the law.

Mr. Dani asked what is our communication channel to hear concerns of parents?

Ms. Poelstra has heard from one parent. If there is an issue that a parent would like to know, Ms. Poelstra would be happy to speak with them. We have things in place that meet the law. Students have currently not been identified yet.

Mr. Dani asked at the high school level, we have a lot of great classes and opportunities. Have you done a survey to see if parents or students can explore those classes? Do the students's schedules allow them to explore those options?

Ms. Poelstra answered that there are many classes that require prerequisites before they can be completed. For example, instead of taking a base line assessment like we do in elementary, part of their entrance into AP classes are the prerequisites that they have taken before. There are opportunities for the upper level courses.

Mr. Dani commented that as a parent of a high school student, he feels there are certain subjects that if you are in certain streams you don't have the opportunities to take certain classes.

Dr. Fishbein replied that there will always be scheduling conflicts, especially for students who are participating in a passion such as instrumental or choral. This is a perfect example of differentiation, they grow and get better in their instrument. If a student has a passion in those areas, it may limit flexibility to take certain classes.

Ms. Poelstra stated that each time we do a curriculum study in a subject area, for example now we are in the curriculum review process for the 6-12 science program. Parents will receive a survey for this topic now.

Ms. Brogan added that the guidance counselors are also a great resource and the navigators to assist students to fit classes based on their interests and what they need to do versus what they would like to do.

Zoe questioned the added stress to students when implementing this program? Especially

now, you can't scroll through social media without seeing the impact to student's mental health with the stress of the curriculum and the addition of more competition. As a freshman, she heard about RAHP and didn't know about them until the applications were done. Although she may not have participated in the program, she feels that the notification process can be improved.

Ms. Polestra stated that she would not be in favor of putting G&T on a High School transcript. Ridgewood has many other opportunities to define students.

Ms. Brogan questioned the conflict of interest in having an outside organization running the program rules instead of the state.

### **C. SCHOOL REOPENING UPDATE**

➤ Ms. Poelstra

Ms. Poelstra provided an update on school reopening. Based on feedback from the secondary students and staff, the middle school and high school schedules were modified to return to a drop rotate format. Pandemic Response Teams are meeting weekly or bi-weekly and reporting back to the leadership team. A teacher survey was conducted to gather feedback on their experience and suggestions as we move forward. Administrators met with the Federated HSA to review and collaborate on the development of the parent survey, which was emailed on Friday, October 2. The district continues to monitor the health data and communicates regularly with the Village of Ridgewood Health Department. Students (grades 6-12) will be receiving a survey to gather additional information. Ms. Poelstra shared that, in a preliminary look at the data, some parents feel that students should be attending a full day of school and others do not. In terms of logistics, there are many factors and considerations that will contribute to the development of Phase 2.

In reviewing the survey data that is coming in, there are some people who want a longer day and some who do not. Some of the details that need to be considered in taking the next step are lunch schedules, space within the buildings for social distancing. The success of phase one is contributed to taking the time and great input from the staff to make sure we were in a position to provide a safe environment for our students. Extending the day at an elementary level requires that we put specials into the schedule and this will impact students who are virtual, since they can not be developed synchronously. We need to examine how many sections are hybrid and remote and we will need to determine how we can accommodate the number of kids in the classrooms and the lunchrooms. The challenge is that we are teaching two models concurrently with the same staff and that requires a lot of behind the scenes of moving pieces and make them work together.

Following a discussion with the Board regarding the timeframe of phase two.

Dr. Fishbein stated that it is not feasible at this time to transition to Phase 2 on October 19. Notification of schedule changes will happen two weeks in advance.

## V. COMMITTEE OF THE WHOLE REPORTS

- Finance
  - August Financial Reports

Ms. Kelly presented the August financial reports including the transfers and shared that the district is in a good financial position. The district received approval from the commissioner for the use of the emergency fund to offset the reduction of state aid, which will be reflected in the October financial reports. Ms. Kelly also indicated that the finance section included acceptance of the Coronavirus Relief Fund Grant in the amount of \$156,896. This grant must be used for expenses related to reopening or continuing to provide instruction either remotely or in the hybrid model. With these funds, the district would like to purchase laptops for teachers who are providing remote instruction and dividers for all students, which will be essential when we do return to full-day instruction.

## VI. COMMENTS FROM THE PUBLIC

Anne Loving, 342 S Irving St., A citizen wrote to the board and Dr. Fishbein regarding comments on social media sites, one board member replied and no other board member or the administration were included in the response. She questioned if this is appropriate.

The following comments were submitted online:

Linda McNamara 575 Knickerbocker Road, Regarding the Gifted and Talented mandates, I feel the sharing of best practices on an accelerated basis would be allowing for optimum use of the varying professional talents in our district and bringing these programs to all children. As our student rep said sometimes chances are missed due to a lack of communication that should be available to all students possibly through the guidance department.

## VII. CONSENT ITEMS

Dr. Fishbein presented for consideration A. Attendance at Conferences

### A. ATTENDANCE AT CONFERENCES

The Ridgewood Board of Education, upon the recommendation of the Superintendent of Schools, approves Attendance at Conferences, as listed on **Attachment A**.

Ms. Brogan moved approval of A. Attendance at Conferences.

Mr. Kaufman seconded the motion, which was carried by the following roll-call vote:

AYES: Ms. Brogan, Mr. Dani, Mr. Kaufman, Ms. Kwak, Mr. Lembo

NAYS: none

Dr. Fishbein presented for consideration B. Administration.

Ms. Brogan requested to remove item B. iii. Approval: First Reading of Revisions to Policies for discussion.

**B. ADMINISTRATION****i. Approval: Receipt of Suspension and Harassment, Intimidation, and Bullying (HIB) Reports**

The Ridgewood Board of Education, upon the recommendation of the Superintendent of Schools, acknowledges it has received confidential information regarding suspensions and investigations of HIB that have occurred since the last Board meeting.

**ii. Approval: Second Reading & Adoption of New/Revised Policies**

The Ridgewood Board of Education, upon the recommendation of the Superintendent of Schools, approves the second reading and adoption of new/revised policies as listed below.

- Policy 1581 - Domestic Violence (**Attachment B**) *revised*
- Policy 2422 - Health and Physical Education (**Attachment C**) *revised*
- Policy 3421.13 -Postnatal Accommodations (**Attachment D**) *new*
- Policy 4421.13 -Postnatal Accommodations (**Attachment E**) *new*
- Policy 5330 - Administration of Medication (**Attachment F**) *revised*
- Policy 7243 - Supervision of Construction (**Attachment G**) *revised*
- Policy 8210 - School Year (**Attachment H**) *revised*
- Policy 8220 - School Day (**Attachment I**) *revised*
- Policy 8462 - Reporting Potentially Missing or Abused Children (**Attachment J**) *revised*
- Policy 2270 - Religion in Schools (**Attachment K**) *revised*
- Policy 2431.3 - Heat Participation Policy for Student - Athlete Safety (**Attachment L**) *revised*
- Policy 2622 - Student Assessment (**Attachment M**) *revised*
- Policy 5111 - Eligibility of Resident/Nonresident Students (**Attachment N**) *revised*
- Policy 5200 - Attendance (**Attachment O**) *revised*
- Policy 5320 - Immunization (**Attachment P**) *revised*
- Policy 5330.04 - Administering an Opioid Antidote (**Attachment Q**) *revised*
- Policy 5610 Suspension (**Attachment R**) *revised*
- Policy 5620 - Expulsion (**Attachment S**) *revised*
- Policy 8320 - Personnel Records (**Attachment T**) *revised*
- Bylaw 0143.2 - Pupil Representatives to the Board of Education (**Attachment U**) *revised*

**iv. Approval: Annual Review of the Memorandum of Agreement Between the School District and the Ridgewood Police Department**

The Ridgewood Board of Education, upon the recommendation of the Superintendent of Schools, approves the annual review of the Memorandum of Agreement between the school district and the Ridgewood Police Department.

The Board has received background information.

**v. Approval: Settlement Agreement SE#2/020-2021**

The Ridgewood Board of Education, upon the recommendation of the Superintendent of Schools, approves the Settlement Agreement SE#2/2020-2021 between the parents of

Student # 905304 and the Ridgewood Board of Education.

The Board has received background information.

Ms. Brogan moved approval of B. Administration with the exception of B. iii. Approval: First Reading of Revision to Policies.

Mr. Kaufman seconded the motion, which was carried by the following roll-call vote:

AYES: Ms. Brogan, Mr. Dani, Mr. Kaufman, Ms. Kwak, Mr. Lembo

NAYS: none

Dr. Fishbein presented for consideration C. Curriculum & Instruction.

Discussion for the pulled agenda item began.

**Approval: First Reading of Revisions to Policies**

The Ridgewood Board of Education, upon the recommendation of the Superintendent of Schools, approves the first reading of revisions to policies as listed below.

- Bylaw 0164 - Conduct of Board Meetings **(Attachment V)** *revised*
- Bylaw 0169.02 - Board Member Use of Social Media **(Attachment W)** *revised*

Ms. Brogan commented that Strauss Esmay and the board attorney do not recommend limiting the public comments to 45 minutes. In addition, she did not support moving the second comment period to the very end of the meeting. The movement of the presentations may be an issue since we need to be thoughtful of students who may be presenting or outside experts. There was some previous discussion to have students present before public comments. There are times when the public comment period is short and other times that there is more public comment input and she would not like to limit this time. Also, commented on concerns with the section regarding board members attending meetings remotely.

The board discussed updates to policy 0164 and decided to eliminate the 45 minute time limit, change to a 3 minute limit, define presentations, include wording from the new guidance and include the executive session information in terms of if members are participating in an executive session.

The board discussed policy 0169.02 and decided to rephrase #6 and to include "and" superintendent within the summary of taking action.

The updated policies will be added to the October 19 agenda for first reading review.

**C. CURRICULUM & INSTRUCTION**

i. **Approval: Field Trips**

The Ridgewood Board of Education, upon the recommendation of the Superintendent of Schools, approves field trips as listed on **Attachment X**.

ii. **Approval: Designation of the Week of Respect**

The Ridgewood Board of Education, upon the recommendation of the Superintendent of Schools, approves designating the week of October 5-9, 2020 as the Week of Respect, in accordance with the law.

iii. **Approval: Designation of School Violence Awareness Week**

The Ridgewood Board of Education, upon the recommendation of the Superintendent of Schools, approves designating the week of October 17-23, 2020 as School Violence Awareness Week, in accordance with the law.

iv. **Approval: Agreement with ABA Clinic, LLC**

The Ridgewood Board of Education, upon the recommendation of the Superintendent of Schools, approves the agreement with ABA Clinic, LLC for the delivery of Applied Behavior Analysis Technologies or consultation regarding ABA deliver, as specified in the agreement for the period October 1, 2020 through December 23, 2020 at the sum of \$105.00 per hourly rate.

The Board has received background information.

v. **Approval: Professional Development Agreement from Jennifer Goeke, Ph.D**

The Ridgewood Board of Education, upon the recommendation of the Superintendent of Schools, approves the professional development agreement from Jennifer L. Geoke, Ph.D. for High Quality IEP Development: From PLAAFP to Goals, in the amount of \$3,375.00

The Board has received background information.

vi. **Approval: Agreement with St. Joseph's School for the Blind**

The Ridgewood Board of Education, upon the recommendation of the Superintendent of Schools, approves the agreement with St. Joseph's School for the Blind to provide specialized services as per the contract for the period September 23, 2020 through June 30, 2021.

The Board has received background information.

Ms. Brogan moved approval of C. Curriculum & Instruction.

Mr. Lembo seconded the motion, which was carried by the following roll-call vote:

AYES: Ms. Brogan, Mr. Dani, Mr. Kaufman, Ms. Kwak, Mr. Lembo

NAYS: none

Dr. Fishbein presented for consideration D. Human Resources.

**D. HUMAN RESOURCES****i. Approval: Creation of Job Description for the 2020-2021 School Year**

The Ridgewood Board of Education, upon the recommendation of the Superintendent of Schools, approves the creation of a job description for the 2020-2021 school year, as listed below and on **Attachment Y**.

- Instructional Aide/Job Coach

**ii. Appointments**

The Ridgewood Board of Education, upon the recommendation of the Superintendent of Schools, approves the appointments listed below, subject to receipt of appropriate documentation and the New Jersey Department of Education (NJDOE) certificate, if required.

**Long-term Substitute**

FOERCH, Summer - Kindergarten Teacher, Hawes School, effective October 6, 2020 through **TBD**, at a daily rate of \$125 per day, until the assignment ends.  
Account # 11-110-100-101-11-02-019-000

**Field Placements**

CARSON, Savannah - Ramapo College of New Jersey, Social Work Field Experience, to shadow Susan Fink, Social Worker, Hawes School and Travell School, effective October 6, 2020 through May 20, 2021.

JEGAL, Lynn - Bergen Academies, Intern to shadow Victoria Scire-Banchitta, Third Grade Teacher, Ridge School, effective October 7, 2020 through May 26, 2021.

PREUSS, John - The College of New Jersey, Practicum placement to shadow Brittany Daidone, Special Education Teacher, George Washington Middle School, effective September 30, 2020 through December 11, 2020.

**Classroom Aides/Lunch Aides**

CARNEY, Elizabeth - Lunchroom Aide, Hawes School, effective October 6, 2020, or as soon after as possible, through December 4, 2020, pending verification of employment as outlined by Chapter 5, 5 hours per day, 5 days per week, at an hourly rate of \$17.50.  
Account # 11-000-262-107-00-02-002-001

KOLOGRIVOV, Valerie - Lunchroom Aide, Orchard School, effective October 6, 2020, or as soon after as possible, through June 22, 2021, pending verification of employment as outlined by Chapter 5, 2 hours per day, 5 days per week, at an hourly rate of \$17.50.  
Account # 11-000-262-107-00-03-003-001

SAMS, Niles - Self-Contained (LLD) Special Education Classroom Aide, Hawes School,

effective October 6, 2020, or as soon after as possible, through June 22, 2021, pending verification of employment as outlined by Chapter 5, 5.75 hours per day, 5 days per week, at an hourly rate of \$17.50.

Account # 11-204-100-106-00-02-024-001

SUPPES, Jonathan - Resource Room Special Education Classroom Aide, Benjamin Franklin Middle School, effective October 6, 2020, or as soon after as possible, through June 22, 2021, pending verification of employment as outlined by Chapter 5, 5.75 hours, 5 days per week, at an hourly rate of \$17.50.

Account # 11-213-100-106-00-08-024-001

### **Additional: Permanent Substitutes for the 2020-2021 School Year**

#### **George Washington Middle School**

- **Philip Kaukonen**, 5.75 hours per day, 5 days per week, at an hourly rate of \$21.50.
- **Brian Kuiken\***, 5.75 hours per day, 5 days per week, at an hourly rate of \$21.50.
- **Maureen Raymond**, 5.75 hours per day, 5 days per week, at an hourly rate of \$21.50.

Account # 11-130-100-101-00-00-019-002

---

\*Related to staff member

### iii. **Change of Assignments**

The Ridgewood Board of Education, upon the recommendation of the Superintendent of Schools, approves the following change of assignments, as listed below.

BROESLER, Breanna - **from** Resource Room Special Education Classroom Aide, Willard School, 5.75 hours per day, 5 days per week, **to** Long-term Substitute, Fifth Grade Teacher, Somerville School, effective September 29, 2020, through November 30, 2020.

Account # 11-120-100-101-09-05-019-000

COPPOLA, Jonathan - **from** Resource Room Special Education Classroom Aide, Ridgewood High School, 5.75 hours per day, 5 days per week, **to** Permanent Substitute, Benjamin Franklin Middle School, effective September 14, 2020 through June 22, 2021, 5.75 hours per day, 5 days per week.

Account # 11-130-100-101-00-00-019-002

KASPEROWICZ, Brianna - **from** One-to-One Special Education Classroom Aide, Somerville School, 5.75 hours per day, 5 days per week, **to** Resource Room Special Education Classroom Aide, Willard School, effective September 29, 2020 through June 22, 2021, 5.75 hours per day, 5 days per week.

Account # 11-213-100-106-00-07-024-001

LEVANTI, Stamatina - **from** Lunchroom Aide, Somerville School, 3.5 hours per day, 5 days per week, **to** One-to-One Special Education Classroom Aide, Somerville School,

effective September 17, 2020 through June 22, 2021, 5.75 hours per day, 5 days per week.

Account # 11-000-217-106-00-05-024-001

PERRY, Cynthia - Lunchroom Aide, Ridge School, **from** 2 hours per day, 5 days per week, **to** 5.5 hours per day, 5 days per week, effective October 6, 2020 through June 22, 2021.

Account # 11-000-262-107-00-04-004-001

PIELKA, Susan - **from** Long-term Substitute, Fifth Grade Teacher, Somerville School, **to** Resource Room Special Education Classroom Aide, Somerville School, effective October 1, 2020 through June 22, 2021, 5.75 hours per day, 5 days per week.

Account # 11-213-100-106-00-05-024-001

SALCEDO, Yosmari - Teacher Assistant (REACH), Glen School, effective September 1, 2020 through June 22, 2021, 5.75 hours per day, 5 days per week.

Account # 11-216-100-106-00-01-024-001

SCHIERLOH, Lauren - **from** Applied Behavior Analyst Aide (ABA), Ridge School, 5.75 hours per day, 5 days per week, **to** Resource Room Special Education Classroom Aide, Ridge School, effective October 6, 2020 through June 22, 2021, 5.75 hours per day, 5 days per week.

Account # 11-213-100-106-00-04-024-001

SHAHIDI, Terry - **from** Lunchroom Aide, Hawes School, 4 hours per day, 5 days per week, **to** Self-Contained (LLD) Special Education Classroom Aide, Hawes School, effective October 6, 2020 through December 4, 2020, 5.75 hours per day, 5 days per week.

Account # 11-204-100-106-00-02-024-001

VEHMAS, Heidi - **from** Lunchroom Aide, Ridge School, 2 hours per day, 5 days per week, **to** Applied Behavior Analyst Aide (ABA), Ridge School, effective October 6, 2020 through June 22, 2021, 5.75 hours per week, 5 days per week.

## **vii. Substitutes for the 2020-2021 School Year**

The Ridgewood Board of Education, upon the recommendation of the Superintendent of Schools, approves substitutes for the 2020-2021 school year, as listed below.

**Teachers: Linda Bryan, Ayana Collado, Zena Elsouccari, Aretoula Fullam, Sunghui Kim, Brian Kuiken\*, Danielle Miller, Nicole Parks, Rachel Rabin**

---

\*Related to staff member

Ms. Kaufman moved approval of D. Human Resources.

Mr. Lembo seconded the motion, which was carried by the following roll-call vote:

AYES: Ms. Brogan, Mr. Dani, Mr. Kaufman, Ms. Kwak, Mr. Lembo

NAYS: none

Dr. Fishbein presented for consideration E. Finance.

Ms. Brogan acknowledged Nancy Merck who has been in the district for 20 years.

**E. FINANCE**

**i. Acceptance of Restricted Donations:**

The Ridgewood Board of Education, upon the recommendation of the Superintendent of Schools, accepts the following restricted gifts for the **2020-2021** school year, to be used as indicated.

Donor	Amount	Use	Account Number
Korean Parents Association	\$2,000	To be used for Professional Development Training and College travel for Guidance Counselors.	20-043-200-580-00-10-010-005
RHS Class of 2020	\$10,000	To be used towards Editing and Digital Download of the RHS Senior Graduation, includes extra camera footage from 2 drones and a free download video to every RHS senior.	20-015-100-340-00-10-010-003

Acceptance of a gift in kind from the Willard HSA for playground equipment, valued at \$100,322.00.

Acceptance of a gif in kind from the Willard Activity Fund for playground equipment, valued at \$10,000.

**ii. Acceptance: Coronavirus Relief Fund Grant**

The Ridgewood Board of Education, upon the recommendation of the Superintendent of Schools, accepts the Coronavirus Relief Fund Grant in the amount of \$156,896.

**iii. Approval: Budget Appropriation Transfers**

The Ridgewood Board of Education, upon the recommendation of the Superintendent of Schools, approves transfers for **August 2020** as shown in the Journal Entry listing pursuant to Policy 6422.

The Board has received background information.

**iv. Approval: Secretary’s Line Item Certification**

The Ridgewood Board of Education, upon the recommendation of the Superintendent of Schools, approves the following resolution:

Whereas, the Board of Education has received the Report of the Secretary for the month

of **August 2020**,

Whereas, in compliance with N.J.A.C. 6:20-2A.10(d), the secretary has certified that, as of the date of the report(s), no budgetary line item account has obligations and payments (contractual orders) which in total exceed the amount appropriated by the district board of education, now, therefore, be it,

Resolved, the Board of Education accepts the above referenced reports and certifications and orders that they be attached to and made part of the record of this meeting, and Be it Further Resolved, in compliance with N.J.A.C. 6:20-A10(e), the Board of Education certifies that, after review of the secretary's monthly financial reports (appropriate section) and upon consultation with the appropriate district officials, to the best of its knowledge, no major account or fund has been over expended in violation of N.J.A.C. 6:20-2A.10(a)(1), and that sufficient funds are available to meet the district's financial obligations for the remainder of the school year.

The Board has received background information.

**v. Approval: Acceptance of the Board Secretary and Treasurer Report**

The Ridgewood Board of Education, upon the recommendation of the Superintendent of Schools, approves the following resolution:

Whereas, the Board of Education has received the report of the Secretary and Treasurer for the month of **August 2020**; now, therefore, Be it Resolved, the Board of Education accepts the above referenced reports and orders that it be attached to and made part of the official record of this meeting.

**vi. Approval: Award of Contracts to Cooperative Purchasing Vendors in Excess of \$40,000**

The Ridgewood Board of Education, upon the recommendation of the Superintendent of Schools, approves the award of contracts to Cooperative Purchasing Vendors in excess of \$40,000 for goods and services.

The Board has received background information.

**vii. Approval: Budgeted Out of District Placements and Extraordinary Services for the 2020-2021 School Year, Additional Out of District Placements and Extended School Year Out-of-District Placements for the 2020-2021 School Year**

<p><b>2020-2021 Out-Of-District Extraordinary Services for REGULAR SCHOOL YEAR</b></p>

<b>TOTAL</b>			<b>4,648,864.52</b>	

Ms. Kwak moved approval of bills reviewed by her.  
Mr. Lembo seconded the motion.

Approval of Bills carried by the following roll-call vote:

AYES: Ms. Brogan, Mr. Dani, Mr. Kaufman, Ms. Kwak, Mr. Lembo

NAYS: none

## **IX. BOARD MEMBER ANNOUNCEMENTS**

Ms. Brogan congratulated the district for the second year grant on the Unified Sports program.

## **X. BOARD COMMITTEE REPORTS**

The Federated Home and School Association met with Dr. Fishbein and Ms. Poelstra last week to review and discuss the parent surveys. The survey was very well received, and the collaboration with this group was instrumental in the development of the final version that was sent to parents. Mr. Lembo and Ms. Kwak also met with a smaller group from the Federated HSA to discuss parental involvement. The RHS HSA met and one of the main topics was the mental health of students. The Learning Services Home and School Association met last week. Dr. Fenwick had a representative from every school to provide an update. The LSHSA now has a representative on the Pandemic Response Teams, and they are pleased to be a part of those groups.

Mr. Lembo added that Ridgewood is fortunate to have its own Health Department. Our Health Officer speaks with Dr. Fishbein on a daily basis and with Mr. Lembo on a weekly basis. Dr. Fishbein has quickly communicated positive COVID-19 cases with the school community. If anyone was exposed to someone who has tested positive, he/she will be notified by the Health Department through the contact tracing process.

The Bergen County School Boards Association met on September 29. It was interesting to note that some of those districts are just reaching the point where students will be returning to school. There was discussion that some districts feel that their elections should be in April and not in November. There are 15 districts out of 60 plus districts who currently have their elections in April.

The Board is reviewing the Architect RFP and meeting to discuss the architect firms. The BA search is going well and the counsel RFP is moving along.

## **XI. COMMENTS FROM THE PUBLIC**

Laurie Weber, 235 S. Irving St., commented about the election dates. She stated the trend is yet to be known, it is too early to try and make an assessment about how many schools are having their elections in November. We have yet to see how many will move back to April.

Corrine Dillon, 217 Fairmount Ave, shared personal thoughts about G&T, she wants the same quality of education that she received over 20 years ago. She along with many other parents want an intellectually engaging curriculum. She wants a conversation and has a petition that she will send to the district about having a conversation with the administration regarding intellectually engaging curriculum.

The following comments were submitted online:

Boyd Loving 342 South Irving St., There were numerous audio problems associated with tonight's BOE webcast. On several instances, participants' microphones were not on, which made it impossible for taxpayers to hear what was being said. Also, the public comments that were telephoned in were difficult to hear because of feedback in the meeting room. Please address these issues prior to the next BOE webcast. Since taxpayers aren't allowed into the meeting room, the BOE webcast is the only way in which we can be kept informed. Thank you.

Deborah Liquori 319 Meadowbrook Ave., An open campus avoids the need to gather multiple students into one room indoors. Schools were closed for months to avoid groups gathering indoors. The lack of an open campus is a severe contradiction with the reason being that they may congregate off-campus, as they can clearly do this at 11:40 and for the whole rest of the day if they choose to. The lack of an open campus keeps these kids inside and sedentary for no reason that is apparent to me. All along we have been told it is safer to be outside, so please let them go out when they can.

Grade school kids are sedentary for hours. They barely go outside and all the in-school learning is core subjects with no breaks, for lunch, PE, art, assembly, recess, etc. My son doesn't like school anymore. He enjoys going to the Y. The Y is administering your hybrid program which is essentially homeschooling and the kids are not as restricted. They are all well and safe and the Y operates within the state guidelines as did several camps that allowed children this summer to play outside and learn outside. I understand that there is not enough space to be outside all the time, but there is hardly any outside time at all at a time when being inside is tantamount to solitary confinement. Please consider a modified Phase I now while the weather cooperates.

5 half days seem to be out of the question for grade school due to cleaning time. I understand that the high school kids switch classes and share classrooms and that they wipe their own desks down as they leave each class. My third grader also wipes his own desk down (at least that is what he told me). The grade school would only need to do this once in the morning. I don't understand why we need so much time to clean for an afternoon grade school class when multiple students have shared high school classrooms and desks for a month now without incident or change to the protocol.

Mary Micale 239 Heights Rd., I'd like to thank Dr. Fishbein, Ms. Poelstra and all the building principals who have been working tirelessly on the current remote and hybrid teaching models and transitioning to Phase 2. They have been consistently soliciting parent input via weekly Pandemic Response Team meetings as well as formal and informal discussions with HSAs and Federated even to the point of inviting input into parent surveys to ensure all factors were considered and shifting schedules mid-phase in response to student and parent concerns. You have taken a nearly impossible and clearly thankless task and continue to do a great job with it. As my kids would say, you're slaying it! Thank you.

Boshart, 296 Mountain Ave., Many of us were eager for phase 2 to begin on 10/19 and were barely getting through some of these ridiculously long and boring days. Knowing there was a "plan" for things to get better in phase 2 made it easier to endure the torture that was phase 1.

11 yr olds who want to go to school are stuck sitting in a required rigid position staring at a laptop from 8-3. Now that this phase 2 date is being postponed indefinitely, there has to be

some flexibility with these days, and realization that more time needs to be spent on academic subjects and perhaps less on specials. Middle schoolers have suffered the worst...enduring weeks of 80 min class blocks. The schedule has got to change. Let families opt out of specials. Let sports satisfy PE requirements. Let them have some time away from these screens! Most are being tutored anyway to not fall further behind in their academics, so realize that's another hour sitting still in a chair plus homework! The current schedule cannot continue indefinitely (for everyone's well being).

Mary Pilla, 333 Meadowbrook Ave., If we are trying to limit contact between people why did Ridgewood not look at wall mount thermometer scans like many coinciding districts? We are desensitizing kids putting a relative "gun" to a child's head.

Linda McNamara, 575 KNickerbocker Rd., Regarding the 2nd Public Comment, It should occur at the very end of the meeting. Currently, it happens at a time before important discussions and Board comments are made which allows for no response/ interjections from the public. At the Village Council, the entire agenda and discussions have occurred and then the final public comment portion is allowed. I know that can be late, but for those who have come to a meeting to comment, they are at a disadvantage if the topic comes up after the 2nd opportunity to speak.

Laurence Fine, has seen the list of goals on the board agenda- #3 he thinks it is an important goal and is glad to see that as one of the goals. It is good that we are acknowledging biases and helpful in combating prejudices.

Mary Pilla, 333 Meadowbrook Ave., is the district doing anything to explore options of the gun thermometer. There are some districts who are using or looking into the scan thermometer. Has there been discussion about what we should be doing for kids, and putting them into a place where they feel safe going into school, elementary students walking into school and seeing a person in a hazmat suit holding a gun thermometer does not make them feel safe.

Mr. Dani responded to Ms. McNamara's comment and said that tonight we will discuss the policy, and after two more meetings, the public will have the last word in the meeting.

Ms. Kelly made a correction to a public comment from the last meeting. The caller stated that the board secretary resigned in March 2019. Ms. Kelly advised that she is the Board Secretary/Business Administrator and she did not resign in March, her resignation was in July and the board accepted her resignation on July 27.

## XII. DISCUSSION ITEM

- 2020-2021 Board and District goals, as listed on **Attachment AC**.

Ms. Kwak stated that she thought at the last meeting it was discussed that the goal would be more inclusive and not just identify Gifted and Talented.

Mr. Dani wished to replace the current number #4 district goal with the following:

*The district will implement the ideals set forth in our mission statement, namely to work with the community to provide a rich and challenging learning environment that fosters intellectual curiosity amongst students and empowers each student to reach his/her unique potential by providing course work that allows them to achieve in accordance with their capability and policies to support this goal. The curriculum and policies should be rigorous enough to enable students for the transition to the next level and the result of this goal may be measured by tracking test scores, college admissions, outside tutoring and reduction in the number of Ridgewood residents going to parochial and private schools.*

Mr. Kaufman stated that his only problem is that we already do this, the reason he wanted the gifted and talented specified is because it's a state mandate and we won't have a way to identify how we are doing at the end of the year. We have never had a metric for the gifted and talented.

Mr. Dani stated that his concern is that it is very specific to gifted and talented identified students only. He wants to send a message to the residents and that we are willing to improve.

Ms. Kwak stated that there is no guidance by the state for G&T, in the absence of guidance to have the specific language she would like the goal to encompass all students.

Ms. Poelstra questioned the metrics specified in the proposed goals, including registration for private schools and tutors. This may not be a fair metric of our achievements, since people leaving are a difficult metric to identify.

Dr. Fishbein stated that we currently track through the mobility report the number of students who have left the district at the high school level. It is difficult to identify why people are leaving; some of which are for religious reasons or sports.

Mr. Kaufman stated that every year we see the presentation of test scores and would like that to continue, since we can measure that every year.

Ms. Poelstra added that this year we don't know what type of testing information we will have, but we provide SAT and testing data in our report. The high school course catalogue, the level and the variety of courses are another metric that we use.

Mr. Dani stated he is ok with removing the identified metrics from the goal and the administration can provide information on how to measure.

Ms. Brogan added that when we measure success we want our students to graduate and be successful. The high school is trying to gather information from Freshman college students. Some of the reasons that have been identified in the past for people transferring to another high school are the smaller class/school environment, sports and in some cases people perceive that the other school will put their child in a better position to get into a particular college. For example some of the catholic schools feed into catholic high schools. In some cases students return in their sophomore year for various reasons. She stated that the concept of the goal is good and may change the phrasing. Gifted and

talented is defined that a person is proficient or ahead of the curve in any subject, she thinks this is a good goal for 20-21 particularly in light of tonight's discussions. This year it has been made harder with remote learning, although this is a challenge to ensure we are not losing a child who is bored.

Mr. Lembo proposed keeping the draft and adding a sentence at the end.

Ms. Brogan stated that it is a goal about all of our students and to remove the first sentence, and add the mission wording and if there are deficiencies, we need specific things we are measuring.

Dr. Fishbein said if we are setting a baseline it is a goal we can achieve. With the last part of the proposed goal it is not something we can set up a plan to accomplish.

Ms. Brogan said that the mission statement is driven by the vision 20-24, maybe we go back to the vision of 20-24 in goal 3 and look at the student achievement aspects in vision 20-24 and then we have the metric. What are we trying to accomplish, resiliency, creativity, intellectual curiosity, literacy, citizenship, digital citizenship. We are looking at those as the metrics that are part of our strategic plan, and as we look at this goal since the whole board was not involved in the strategic plan which was about a year ago that we came together as a community and created, it may be helpful to understand the strategic plan which might be part of the goal of student achievement.

Mr. Dani said he is looking to as Dr. Fishbein is saying to have a baseline and instead of assuming that we are perfect and we are doing everything good. The first thing he wants to start is a market research and send out a survey, because he is hearing from parents who are not happy with the level of difficulty even for elementary and some at the Middle School. For High School, there are options but there are policies that prevent students from taking course work, he knows that we have courses available but there are policies in place and those policies are not consistent. That is his problem that the policies should be published and applied equally to all students. That is where he is going about policies and policies that support that goal. We can start with the survey, understand, acknowledge there is a problem and then move forward.

Ms. Brogan stated that we have done satisfaction surveys in the past, and we've done specific surveys such as when we did the technology survey 1 to 1 and really good data comes out of that, including workable actions since the data is shared with the principals. Ms. Brogan asked Mr. Dani, Is your goal getting the baseline? If that is the case then the goal should be that the board will implement and design with the superintendent or whoever else, a parent satisfaction survey to gauge.

Mr. Dani replied that is a board goal we are talking about the district goal. At the district, his goal is not just to do a survey, it is start with that and to acknowledge there is a problem. His goal is to implement coursework and policies, if we examine that we have differences in the policies or they are not implemented for all students equally we should fix that. That is the goal. We should not do a survey and then not act on it.

Dr. Fishbein asked what policies are in place that impede a student.

Mr. Dani stated he emailed Dr. Fishbein about the 10th grade self-study AP. That is not

applied equally.

Dr. Fishbein said he explained that some students come forward and they like to self study and the only thing the school does is allow them to take the AP test.

Mr. Dani stated not to all the students, we do not allow it to all 10th grade students.

Dr. Fishbein replied that is not what he said, students come forward and have an interest in an area and the school allows them to take the AP test.

Mr. Dani said we do not.

Dr. Fishbein replied that we do.

Mr. Dani replied, no we do not and that is what he is saying.

Mr. Lembo interrupted the conversation and asked to move forward with goal #4.

Ms. Kwak suggested rephrasing district goal #3 and requested to add hiring practices as part of the diversity and equity portion.

Ms. Brogan suggested adding a new goal regarding the search for the new superintendent since it is a key piece of work that needs to be completed.

Discussion continued regarding the phrasing of the Board goals and the addition of Ms. Brogan's suggestion for adding a goal about hiring a superintendent.

### **XIII. ACCEPTANCE OF MINUTES**

- August 28 Special Public Meeting
- August 31 Executive Session
- August 31 Regular Public Meeting
- September 3 Executive Session Meeting
- September 14 Executive Session
- September 14 Regular Public Meeting

Ms. Kwak made a motion to accept the amended September 3 Executive Session minutes as previously submitted and accept all Minutes.

Mr. Lembo reviewed the amended September 3 items included correction to the dates and the addition of one sentence. Mr. Lembo sent the amended version to the Board via email. The September 3 Executive Session minutes will be considered for acceptance instead of the minutes that were posted on the Board drive.

Mr. Lembo seconded the motion, which was unanimously approved.

**XIV. OTHER BUSINESS**

Mr. Lembo stated the interim superintendent posting was sent out last week and the closing is on the 16th of October. He hopes that the resumes will be received before October 19. He asked Ms. Townes to provide the board with a list of search firms for a permanent superintendent. He requested that she set up a presentation with the search firms.

The process for identifying search firms was discussed. An RFP can be done at the discretion of the board. Ms. Kwak stated that we should rely on the process that was used in 2007, which is to identify the firms, they make a presentation and then the board decides which firms to use to find a permanent superintendent.

Mr. Dani stated there are some firms that have reached out to them and those are the type of people that we want because they are proactive. He suggested we contact neighboring towns for names of search firms.

Mr. Lembo has sent Ms. Townes and the Board five search firms who had sent information to him. Per his conversation with Ms. Towns he hopes that they will make a presentation to the board. He referred to Ramsey's RFP.

Ms. Brogan explained that these are interviews rather than a presentation since we need to have information on their fees, their process, etc..

Dr. Fishbein advised that the interviews can be completed in an Executive Session.

Ms. Kwak asked what the benefit of an RFP would be in this situation.

Ms. Brogan answered that the RFP allows them to present to the board what their process is and gives us a sense of the fees and their process. What are the key characteristics that the firm has. The hiring of a superintendent is a major piece of work and should be done in public, as Ms. Kwak mentioned.

Ms. Kelly asked if the board would consider looking at additional search firms instead of just the five that were previously identified. Her only concern with an RFP for this process is the delay and the issue with timing.

Mr. Dani stated the only question would be that the firms that are called should be under the \$40,000 limit, as long as we don't need to advertise those. We want to hear from any highly respected firms.

The timeframe and details on the process were discussed.

It was decided that the firms will be given two weeks to submit the proposals (October 19), at that time the Board will decide if a special meeting is needed or if the firms will present at the November 2 meeting.

**XV. MOTION TO GO INTO EXECUTIVE SESSION**

**XVI. RECONVENED PUBLIC MEETING**

**XVII. ADJOURNMENT**

At 11:30 p.m. on a motion made by Mr. Lembo, seconded by Mr. Kaufman and unanimously approved, the meeting adjourned.

Respectfully submitted,

Antoinette Kelly  
Board Secretary

Lucy Papamichael  
Assistant Board Secretary

2020-2021 CONFERENCES FOR APPROVAL

Domestic Violence

Mar 20

M

### 1581 DOMESTIC VIOLENCE

Policy and Regulation 1581 - Section A. sets forth the New Jersey Civil Service Commission's Uniform Domestic Violence Policy that all public employers shall adopt and distribute to all their employees in accordance with the requirements of N.J.S.A. 11A:2-6a. The purpose of the Uniform Domestic Violence Policy is to encourage public employees who are victims of domestic violence, and those impacted by domestic violence, to seek assistance from their public employer's human resources officer(s) and to provide a standard for a public employer's human resources officer(s) to follow when responding to employees.

Policy and Regulation 1581 – Section B. provides employment protection for employees of those employers as defined in N.J.S.A. 34:11C-2, who are victims of domestic violence or sexual violence in accordance with the provisions of the New Jersey Security and Financial Empowerment Act (NJ SAFE Act) - N.J.S.A. 34:11C-1 et seq.

#### A. Uniform Domestic Violence Policy (N.J.S.A. 11A:2-6a)

All New Jersey public employees are covered under N.J.S.A. 11A:2-6a and Policy and Regulation 1581 – Section A. All public employers shall designate a Human Resources Officer (HRO) or equivalent to assist employees who are victims of domestic violence. The name and contact information of the designated HRO must be provided to all employees. Managers and supervisors are required to refer any employee who is experiencing domestic violence or who report witnessing domestic violence to the designated HRO.

Employees who are victims of domestic violence are encouraged to seek immediate assistance from their HRO. Employees who have information about or witness an act of domestic violence against an employee are encouraged to report that information to the designated HRO, unless the employee is required to report the domestic violence pursuant to applicable laws, guidelines, standard operating procedures, internal affairs policies, or New Jersey Attorney General directives and guidelines that impose a duty to report, in which case the employee must report to the appropriate authority in addition to reporting to the designated HRO.

Nothing in the Uniform Domestic Violence Policy and Policy and Regulation 1581 – Section A. shall preclude an employee from contacting 911 in emergency situations. HROs shall remind employees to contact 911 if they feel they are in immediate danger.

Each designated HRO shall comply with the requirements outlined in Regulation 1581 – Section A.4.d. In responding to reports of domestic violence, the HRO shall seek to maintain confidentiality to protect an employee making a report of, witnessing, or experiencing domestic violence, to the extent practical and appropriate under the circumstances and allowed by law.

# **RIDGEWOOD BOARD OF EDUCATION**

## **POLICY**

ADMINISTRATION

1581/page 2 of 3

Domestic Violence

To ensure confidentiality and accuracy of information, the Uniform Domestic Violence Policy 1581 and Regulation 1581 – Section A.6. require the HRO to keep all documents and reports of domestic violence in a confidential personnel file separate from the employee's other personnel records.

Public employers in the State of New Jersey shall develop an action plan to identify, respond to, and correct employee performance issues that are caused by domestic violence, pursuant to N.J.S.A. 11A:2-6a, and in accordance with the guidelines outlined in Regulation 1581 - Section A.7.

Resources and program information will be readily available to assist victims of domestic violence.

A public employer may seek to modify Policy and Regulation 1581 to create additional protocols to protect victims of domestic violence, but may not modify in a way that reduces or compromises the safeguards and processes set in the Uniform Domestic Violence Policy.

**B. The New Jersey Security and Financial Empowerment Act – (N.J.S.A. 34:11C-1 et seq. - NJ SAFE Act)**

The New Jersey Security and Financial Empowerment Act, N.J.S.A. 34:11C-1 et seq. (NJ SAFE Act), is a law that provides employment protection for victims of domestic or sexual violence. Any employee of an employer in the State of New Jersey as defined in N.J.S.A. 34:11C-2, who was a victim of an incident of domestic violence as defined in

N.J.S.A. 2C:25-19, or a sexually violent offense as defined in N.J.S.A. 30:4-27.26, or whose parent-in-law, sibling, grandparent, grandchild, child, parent, spouse, domestic partner, or civil union partner individual, or any other individual related by blood to the employee, and any other individual that the employee shows to have a close association with the employee which is the equivalent of a family relationship, was a victim shall be entitled to unpaid leave of no more than twenty days in one twelve-month period, to be used in the twelve-month period next following any incident of domestic violence or any sexually violent offense as provided in N.J.S.A. 34:11C-3.

The unpaid leave may be taken intermittently in intervals of no less than one day, as needed for the purpose of engaging in the activities outlined in N.J.S.A. 34:11C-3 and Regulation 1581 - Section B.3.a.(1)-(6) as they relate to the incident of domestic violence or sexually violent offense as outlined in Regulation 1581 - Section B.3.b.

An eligible employee may elect to use any accrued paid vacation leave, personal leave, or medical or sick leave of the employee, or any family temporary disability leave benefits provided pursuant to N.J.S.A. 43:21-27 during any part of the twenty-day period of unpaid leave provided under N.J.S.A. 34:11C-3.a.

# RIDGEWOOD POLICY

# BOARD OF EDUCATION

ADMINISTRATION

1581/page 3 of 3

Domestic Violence

Prior to taking the leave provided for in N.J.S.A. 34:11C-3 and Regulation 1581 - Section B., an employee shall, if the necessity for the leave is foreseeable, provide the employer with written notice of the need for the leave, unless an emergency or other unforeseen circumstance precludes prior notice. The notice shall be provided to the employer as far in advance as is reasonable and practical under the circumstances.

Nothing contained in the NJ SAFE Act (N.J.S.A. 34:11C-1 et seq.) and Regulation 1581 - Section B., shall be construed to prohibit an employer from requiring that a period of leave provided pursuant to N.J.S.A. 34:11C-3 and Regulation 1581 - Section B. be supported by the employee with documentation of the domestic violence or sexually violent offense which is the basis for the leave. If the employer requires documentation, the employee shall be regarded as having provided sufficient documentation if the employee provides supporting documentation outlined in N.J.S.A. 34:11C-3.c and Regulation 1581 – Section B.3.

An employer shall display conspicuous notice of its employees' rights and obligations pursuant to the provisions of the NJ SAFE Act.

An employer shall not discharge, harass, or otherwise discriminate, retaliate, or threaten to discharge, harass, or otherwise discriminate or retaliate against an employee with respect to the compensation, terms, conditions, or privileges of employment on the basis that the employee took or requested any leave to which the employee was entitled pursuant to N.J.S.A. 34:11C-3 of the NJ SAFE Act or on the basis that the employee refused to authorize the release of information deemed confidential pursuant to N.J.S.A. 34:11C-3.f of the NJ SAFE Act.

Upon a violation of any of the provisions N.J.S.A. 34:11C-3 or N.J.S.A. 34:11C-4, an employee or former employee may institute a civil action in the Superior Court for relief. All remedies available in common law tort actions shall be available to a prevailing plaintiff. The Court may also order any or all of the relief outlined in N.J.S.A. 34:11C-5. An action brought under N.J.S.A. 34:11C-5 shall be commenced within one year of the date of the alleged violation. A private cause of action provided for in N.J.S.A. 34:11C-5 shall be the sole remedy for a violation of the NJ SAFE Act.

N.J.S.A. 11A:2-6a

N.J.S.A. 34:11C-1 et seq.

**2422 HEALTH AND PHYSICAL EDUCATION**

The Board of Education requires all students to participate in a comprehensive, sequential, health and physical education program aligned with the New Jersey Student Learning Standards (NJSLS) that emphasizes the natural interdisciplinary connection between wellness and health and physical education. The primary focus of the NJSLS is the development of knowledge and skills that influence healthy behaviors within the context of self, family, school, and the local and global community.

The NJSLS incorporate New Jersey statutes related to health and well-being of students in New Jersey schools. The following statutes incorporated into the NJSLS include, but are not limited to, the following requirements:

1. Accident and Fire Prevention (N.J.S.A. 18A:6-2) requires regular courses of instruction in accident and fire prevention.
2. Breast Self-Examination (N.J.S.A. 18A:35-5.4) requires offering instruction on breast self-examination for students in grades seven to twelve.
3. Bullying Prevention Programs (N.J.S.A. 18A:37-17) requires the establishment of bullying prevention programs.
4. Cancer Awareness (N.J.S.A. 18A:40-33) requires the development of a school program on cancer awareness by the Commissioner of Education.
5. Dating Violence Education (N.J.S.A. 18A:35-4.23a) requires instruction regarding dating violence in grades seven through twelve.
6. Domestic Violence Education (N.J.S.A. 18A:35-4.23) allows instruction on problems related to domestic violence and child abuse.
7. Gang Violence Prevention (N.J.S.A. 18A:35-4.26) requires instruction in gang violence prevention for elementary school students.

8. Health, Safety, and Physical Education (N.J.S.A. 18A:35) requires that all students in grades one through twelve participate in at least two and one-half hours of health, safety, and physical education each school week.
9. Drugs, Alcohol, Tobacco, Controlled Dangerous Substances, and Anabolic Steroids (N.J.S.A. 18A:40A-1) requires instructional programs on drugs, alcohol, anabolic steroids, tobacco, and controlled dangerous substances and the development of curriculum guidelines for each grade Kindergarten through twelve.
10. Lyme Disease Prevention (N.J.S.A. 18A:35-5.1 through 5.3) requires the development of Lyme Disease curriculum guidelines and training to all teaching staff members who instruct students with Lyme Disease.
11. Organ Donation (N.J.S.A. 18A:7F-4.3) requires information relative to organ donation to be given to students in grades nine through twelve.
12. Sexual Assault Prevention (N.J.S.A. 18A:35-4.3) requires the development of a sexual assault prevention education program by the Commissioner of Education for utilization by school districts.
13. Stress Abstinence (N.J.S.A. 18A:35-4.19 through N.J.S.A. 18A:35-4.22), also known as the “AIDS Prevention Act of 1999,” requires sex education programs to stress abstinence.
14. Suicide Prevention (N.J.S.A. 18A:6-111 through 113) requires instruction in suicide prevention in public schools.
15. Cardiopulmonary Resuscitation (CPR/Automated External Defibrillator (AED) (N.J.S.A. 18A:35-4.28 and 18A:35-4.29) requires public high schools and charter schools to provide instruction in cardiopulmonary resuscitation and the use of an automated external defibrillator to each student prior to graduation.
16. Sexually Explicit Images through Electronic Means (N.J.S.A. 18A:35-4.32 and 4.33) requires instruction, once during middle school, on the social, emotional, and legal consequences of distributing and soliciting sexually explicit images through electronic means.
17. History of Disabled and LGBT Persons (N.J.S.A. 18A:35-4.35 and 4.36) requires instruction on the political, economic, and social contributions of persons with disabilities and lesbian, gay, bisexual, and transgender people for middle and high school students.

**POLICY****RIDGEWOOD  
BOARD OF EDUCATION**

PROGRAM  
2422/page 3 of 4  
Health and Physical Education

18. Financial Literacy (N.J.S.A. 18A:35-4.34) requires instruction with basic financial literacy necessary for sound financial decision-making in each of the grades six through eight.
19. Other Statutory or Administrative Codes. The Board will incorporate into its health and physical education curriculum any other requirements of the NJSLS in Comprehensive Health and Physical Education.

In accordance with the provisions of N.J.S.A. 18A:35-4.7, any student whose parent presents to the Principal a signed statement that any part of the instruction in health, family life education, or sex education is in conflict with his/her conscience or sincerely held moral or religious beliefs shall be excused from that portion of the course where such instruction is being given and no penalties as to credit or graduation shall result.

The Board of Education must provide two and one-half hours of health, safety, and physical education courses in each school week, or proportionately less when holidays fall within the week. Recess period(s) shall not be used to meet the requirements of N.J.S.A. 18A:35-5, 7, and 8.

In accordance with N.J.S.A. 18A:35-4.31, the Board of Education shall provide a daily recess period of at least twenty minutes for students in grades Kindergarten through five. A recess period is not required on a school day in which the day is substantially shortened due to a delayed opening or early dismissal. The recess period shall be outdoors, if feasible. A student shall not be denied recess for any reason, except as a consequence of a violation of the school district's Code of Student Conduct, including a harassment, intimidation, or bullying (HIB) investigation pursuant to N.J.S.A. 18A:37-13 et seq. Students may not be denied recess more than twice per week for a violation of the Code of Student Conduct or HIB investigation and these students shall be provided restorative justice activities during the recess period. Restorative justice activities mean activities designed to improve the socioemotional and behavioral responses of students through the use of more appropriate and less punitive interventions thereby establishing a more supportive and inclusive school culture. The student's recess period should be scheduled in a manner that does not interfere with the implementation of a student's Individualized Education Program (IEP). School staff may deny recess for a student on the advice of a medical professional, school nurse, or the provisions of a student's IEP and/or 504 Plan.

3421.13 POSTNATAL ACCOMMODATIONS

The Board of Education recognizes teaching staff members may be returning to work shortly after their child’s birth and may need to express breast milk during the workday. The Patient Protection and Affordable Care Act (PPACA) amended Section 7 of the Federal Fair Labor Standards Act (FLSA) for nursing mothers to be permitted reasonable break times and a private location to express breast milk for their nursing child for one year after the child’s birth.

Every employee position in the school district is designated as either “non-exempt” or “exempt” by the provisions of the FLSA. Generally, a teaching staff member entitled to overtime pay is designated as “non-exempt.” A teaching staff member that performs duties that are executive, administrative, or professional in nature and not entitled to overtime pay is designated “exempt.” The school district administration shall refer to the comprehensive definitions of “exempt” and “non-exempt” as outlined in 29 C.F.R. 541 et seq. in determining an employee’s designation.

A Board of Education is required to provide reasonable break times to non-exempt teaching staff members to express breast milk for their nursing child. The non-exempt teaching staff member shall coordinate such breaks with their immediate supervisor. The non-exempt teaching staff member will not receive compensation during this break time unless the break time is during a non-exempt teaching staff member’s compensated break time.

A Board of Education is not required under the FLSA to provide such breaks to exempt teaching staff members. However, exempt teaching staff members may take such breaks provided the breaks are coordinated with their immediate supervisor. If this break is taken during the exempt teaching staff member’s duty free lunch period or duty free break period during the workday, the exempt teaching staff member will not be reduced in compensation.

The Principal or the nursing mother’s immediate supervisor, in consultation with the school nurse, will designate a lactation room that is shielded from view and free from intrusion from co-workers and the public. The location must be functional as a space for expressing breast milk and shall include an electrical outlet, a chair, and nearby access to running water. If the space is not dedicated to

the nursing mother's use, it must be available when needed. A space temporarily converted into a lactation room or made available when needed by a nursing mother is sufficient; however, a bathroom, even if private, is not a permissible location under the FLSA.

All exempt and non-exempt teaching staff members are required to sign-out of work to begin the break to express breast milk and shall sign-in when they return to work after the break. The break shall be for a reasonable amount of time. For compensation purposes, the immediate supervisor shall forward all sign-in and sign-out information relative to break times for nursing mothers under the FLSA to the School Business Administrator/Board Secretary.

5330 ADMINISTRATION OF MEDICATION

The Board of Education disclaims any and all responsibility for the diagnosis and treatment of an illness of any student. However, in order for many students with chronic health conditions and disabilities to remain in school, medication may have to be administered during school hours. Parents are encouraged to administer medications to children at home whenever possible as medication should be administered in school only when necessary for the health and safety of students. The Board will permit the administration of medication in school in accordance with applicable law.

Medication will only be administered to students in school by the school physician, a certified or noncertified school nurse, a substitute school nurse employed by the district, the student's parent, a student who is approved to self-administer in accordance with N.J.S.A. 18A:40-12.3 and 12.4, and school employees who have been trained and designated by the certified school nurse to administer epinephrine and hydrocortisone sodium succinate in an emergency pursuant to N.J.S.A. 18A:40-12.5 12.6, , 12.29, and 12.30.

Self-administration of medication by a student for asthma or other potentially life-threatening illness or a life threatening allergic reaction, or adrenal insufficiency is permitted in accordance with the provisions of N.J.S.A. 18A:40- 12.3.

The school nurse shall have the primary responsibility for the administration of epinephrine and hydrocortisone sodium succinate to the student. However, the school nurse may designate, in consultation with the Board or the Superintendent, additional employees of the district who volunteer to be trained in the administration of epinephrine via a pre-filled auto-injector mechanism and the administration of hydrocortisone sodium succinate using standardized training protocols established by the New Jersey Department of Education (NJDOE) in consultation with the Department of Health and Senior Services when the school nurse is not physically present at the scene.

In accordance with the provisions of N.J.S.A. 18A:40-12.6.d, no school employee, including a school nurse or any other officer or agent of a Board of Education or a physician or an advanced practice nurse providing a prescription under a standing protocol for school epinephrine pursuant to N.J.S.A. 18A:40-12.5 and/or hydrocortisone sodium succinate pursuant to N.J.S.A. 18A:40-12.29, shall be held liable for any good faith act or omission consistent with the provisions of N.J.S.A. 18A:40-12.5 and N.J.S.A. 18A:40-12.29, nor shall any action before the New Jersey State Board of Nursing lie against a school nurse for any such action taken by a person designated in good faith by the school nurse pursuant to N.J.S.A. 18A:40-12.6.d and N.J.S.A. 18A:40-12.33. Good faith shall not include willful misconduct, gross negligence, or recklessness.

The school nurse or designee shall be promptly available on site at the school and at school-sponsored functions in the event of an allergic reaction or an emergency requiring the administration of hydrocortisone sodium succinate. In addition, the parent must be informed that the school district, its employees and agents shall have no liability as a result of any injury arising from the administration of epinephrine or hydrocortisone sodium succinate to the student

The parent of the student must sign a statement acknowledging their understanding the district shall have no liability as a result of any injury arising from the administration of the epinephrine via a pre-filled auto-injector mechanism or the administration of hydrocortisone sodium succinate to the student. In addition, the parent shall indemnify and hold harmless the district and its employees or agents against any claims arising out of the administration of the epinephrine via a pre-filled auto-injector mechanism or the administration of hydrocortisone sodium succinate to the student

The permission for the emergency administration of epinephrine via a pre-filled auto-injector mechanism containing epinephrine to students for anaphylaxis and/or the emergency administration of hydrocortisone sodium succinate for adrenal insufficiency is effective for the school year it is granted and must be renewed for each subsequent school year.

Each school in the district shall have and maintain for the use of students at least one nebulizer in the office of the school nurse or a similar accessible location. Each certified school nurse or other persons authorized to administer asthma medication will receive training in airway management and in the use of nebulizers and inhalers consistent with NJDOE regulations. Every student that is authorized to use self-administered asthma medication pursuant to N.J.S.A. 18A:40-12.3 or a nebulizer must have an asthma treatment plan prepared by the student's physician which shall identify, at a minimum, asthma triggers, the treatment plan and other such elements as required by the State Board of Education.

All student medications shall be appropriately maintained and secured by the school nurse, except those medications to be self-administered by students. In those instances the medication may be retained by the student with the prior knowledge of the school nurse. The school nurse may provide the Principal and other teaching staff members concerned with the student's educational progress with such information about the medication and its administration as may be in the student's best educational interests. The school nurse may report to the school physician any student who appears to be affected adversely by the administration of medication and may recommend to the Principal the student's pupil's exclusion pursuant to law.

The school nurse shall document each instance of the administration of medication to a student. Students self-administering medication shall report each incident to a teacher, coach or other individual designated by the school nurse who is supervising the student during the school activity when the student self-administers. These designated individuals shall report such incidents to the school nurse within twenty-four hours of the self-administration of medication. The school nurse shall preserve records and documentation regarding the self-administration of medication in the student's health file.

7243 SUPERVISION OF CONSTRUCTION

The Board of Education directs that the School Business Administrator/Board Secretary or designee be responsible for the supervision of all building construction in this school district. Supervision shall include field inspection of the construction contractor's operations, administrative review of the activities of the architect relating to the construction, and any other construction matters relating to the interests of the school district.

The School Business Administrator/Board Secretary and Superintendent or designee shall report periodically to the Board on the progress of that by his/her personal knowledge the work of the construction contractor(s).

The Board shall not employ for pay or contract for the paid services of any person serving in a position which involves regular contact with students unless the Board has first determined, consistent with the requirements and standards of N.J.S.A. 18A:6-7.1 et seq., that no criminal history record information exists on file in the Federal Bureau of Investigation, Identification Division, or the State Bureau of Identification which would disqualify the individual from being employed or utilized in such capacity or position.

The Superintendent shall direct the School Business Administrator/Board Secretary or designee to act as liaison to all construction contractors for school facility and construction projects to obtain a list of the individuals who will have regular contact with students and will be employed by or working for the contractor on a school district project that will be undergoing a criminal history record check pursuant to the requirements of N.J.S.A. 18A:6-7.1 et seq. The liaison shall provide the list of those contracted employees to the Superintendent or designee and the Human Resources Director. The Superintendent or designee and the Human Resources Director who receive any adverse action correspondence from the New Jersey Department of Education (NJDOE) related to the criminal history record check process shall review the contracted company list in order to determine if the subject of that correspondence is either a school employee or an employee of any contract service provider and take

appropriate action. No employee of a contracted service provider shall commence work at a school facility without having first obtained an approval for employment from the NJDOE. Approvals for employment of these contracted employees shall be maintained with the liaison and copies forwarded to the Superintendent's office.

A change order involving additional cost will be submitted to the Board for review and approval.

A change order not involving monetary considerations may be acted upon solely by the Superintendent and Business Administrator and reported to the Board.

Upon completion of a building project and a final inspection of all its aspects by the architect, contractors, and school officials, a recommendation for acceptance shall be made to the Board by the Business Administrator or designee.

N.J.S.A. 18A:18A-16; 18A:18A-43; 18A:18A-44

Adopted: 7 December 2009

### 8210 SCHOOL YEAR

The Board of Education recognizes that the preparation of a calendar for the instructional program of the schools is necessary for orderly educational planning and for the efficient operation of the school district.

The Board shall determine annually the days when the schools will be in session. Unless the Board exercises its right to alter the calendar for any particular calendar year, such school calendar shall consist of no fewer than the maximum number of instructional and staff attendance days contained in the negotiated agreements.

A half-day class or shortened school day shall be considered the equivalent of a full day only if school is in session for four or more hours, exclusive of recess periods or lunch periods.

The Superintendent shall in consultation with the Calendar Committee propose the school calendar for Board consideration. The Board reserves the right to alter the school calendar when feasible and advisable in the best interests of the children of the district; the number of school closings during the school year extend the school year past a reasonable closing date in June; there is an extended school closing during the school year due to an unforeseen circumstance; and/or due to any reason deemed in the best interest of the student.

The Board shall adopt annually a list of religious holidays which shall consist as a minimum of those holidays designated by the Commissioner of Education.

N.J.S.A. 18A:25-3; 18A:36-2; 18A:36-16  
N.J.A.C. 6A:32-8.3

### 8220 SCHOOL DAY

The Board of Education shall annually approve the times that school will be in session, including the starting and ending time of a shortened day. A school day shall be in accordance with N.J.A.C. 6A:32-8.3.

The schools of the district will be in session for pupils on those days and times recommended by the Superintendent and annually approved by the Board.

The Superintendent may close schools, delay the opening of school, or dismiss school early when such alteration in the regular session is required for the protection of the health and safety of pupils and staff members or other good cause. A shortened school day, whether it is planned or emergent (as in the case of inclement weather), must meet certain requirements in order to count toward the one hundred eighty day requirement of N.J.S.A. 18A:7F-9.

The Superintendent shall inform the Board President of any such alteration as soon as possible and shall prepare rules for the proper and timely notification of concerned persons in the event of any delayed opening or emergency school closing.

8462 REPORTING POTENTIALLY MISSING OR ABUSED CHILDREN

The Board of Education recognizes early detection of missing, abused, or neglected children is important in protecting the health, safety, and welfare of all children. In recognition of the importance of early detection of missing, abused, or neglected children, the Board of Education adopts this Policy pursuant to the requirements of N.J.S.A. 18a:36-2 and 18A:36-25. The Board provides this Policy for its employees, volunteers, or interns for the early detection of missing, abused, or neglected children through notification of, reporting to, and cooperation with the appropriate law enforcement and child welfare authorities pursuant to N.J.S.A. 18A:36-24 and 18A:36-25 et seq., N.J.A.C. 6A:16-11.1, and N.J.S.A. 9:6-8.10, **and N.J.A.C. 6A:22-4.1(d)**.

Employees, volunteers, or interns working in the school district shall immediately notify designated child welfare authorities of incidents of alleged missing, abused, and/or neglected children. Reports of incidents of alleged missing, abused, or neglected children shall be reported to the New Jersey State Central Registry (SCR) at 1-877 NJ ABUSE or to any other telephone number designated by the appropriate child welfare authorities. If the child is in immediate danger, a call shall be placed to 911 as well as to the SCR.

**The school district shall prominently display information about the Department of Children and Families’ State Central Registry, a toll-free hotline for reporting child abuse, in each school of the district. The information shall give instructions to call 911 for emergencies and shall include directions for accessing the Department of Children and Families’ website or social media platforms for more information on reporting abuse, neglect, and exploitation.**

**The information shall be in a format and language that is clear, simple, and understandable. The information shall be on a poster and displayed at each school in at least one high-traffic, highly and clearly visible public area that is readily accessible to and widely used by students, pursuant to N.J.S.A. 18A:33.28.**

The person having reason to believe that a child may be missing or may have been abused or neglected may inform the Principal or other designated school official(s) prior to notifying designated child welfare authorities if the action will not delay immediate notification. The person notifying designated child welfare authorities shall inform the Principal or other designated school official(s) of the notification, if such had not occurred prior to the notification. Notice to the Principal or other designated school official(s) need not be given when the person believes that such notice would likely endanger the reporter or student involved or when the person believes that such disclosure would likely result in retaliation against the student or in discrimination against the reporter with respect to his or her employment.

The Principal or other designated school official(s) upon being notified by a person having reason to believe that a child may be missing or may have been abused or neglected, must notify appropriate law enforcement authorities. Notification to appropriate law enforcement authorities shall be made for all reports by employees, volunteers, or interns working in the school district. Confirmation by another person is not required for a school district employee, volunteer, or intern to report the suspected missing, abused, or neglected child situation.

School district officials will cooperate with designated child welfare and law enforcement authorities in all investigations of potentially missing, abused, or neglected children in accordance with the provisions of N.J.A.C. 6A:16-11.1(a)5.

The district designates the Director of Special Programs as the school district's liaison to designated child welfare authorities to act as the primary contact person between the school district and child welfare authorities with regard to general information sharing and the development of mutual training and other cooperative efforts. The district designates the Superintendent or designee as the school district's liaison to law enforcement authorities to act as the primary contact person between the school district and law enforcement authorities, pursuant to N.J.A.C. 6A:16-6.2(b)1, consistent with the Memorandum of Agreement, pursuant to N.J.A.C. 6A:16-6.2(b)13.

An employee, volunteer, or intern working in the school district who has been named as a suspect in a notification to child welfare and law enforcement authorities regarding a missing, abused, or neglected child situation shall be entitled to due process rights, including those rights defined in N.J.A.C. 6A:16-11.1(a)9.

The Superintendent or designee shall provide training to school district employees, volunteers, or interns on the district's policy and procedures for reporting allegations of missing, abused, or neglected child situations. All new school district employees, volunteers, or interns working in the district shall receive the required information and training as part of their orientation.

There shall be no reprisal or retaliation against any person who, in good faith, reports or causes a report to be made of a potentially missing, abused, or neglected child situation pursuant to N.J.S.A. 9:6-8.13.

N.J.S.A. **18A:33-28**; 18A:36-24; 18A:36-25 et seq.

## 2270 RELIGION IN THE SCHOOLS

The Board of Education recognizes that religious belief and disbelief are matters of personal conviction rather than governmental authority and the pupils of this district are protected by the First Amendment of the United States Constitution and by Article I, Paragraph 4 of the New Jersey State Constitution from the establishment of religion in the schools. The First Amendment requires public school officials to show neither favoritism toward nor hostility against religious expression such as prayer.

The United States Department of Education's Guidance on Constitutionally Protected Prayer and Religious Expression in Public Elementary and Secondary Schools (USDOE Guidance) provides information on the current state of the law concerning religious expression in public schools.

The following activities as outlined in the USDOE Guidance will be permitted upon applying the governing constitutional principles in particular contexts related to: prayer during non-instructional time; organized prayer groups and activities; teachers, administrators, and other school employees' activities; moments of silence; accommodations for prayer during instructional time; prayer in classroom assignments; pupil assemblies and noncurricular events; prayer at graduation; and/or baccalaureate ceremonies;

The following activities as outlined in the USDOE Guidance will be permitted upon applying the governing constitutional principles in particular contexts related to religious expression: religious literature; teaching about religion; student dress codes and policies; and/or religious excusals.

The Equal Access Act, 20 U.S.C. Section 4071, is designed to ensure that student religious activities are afforded the same access to Federally funded public secondary school facilities as are student secular activities. The United States Department of Justice has developed guidance for interpreting the Equal Access Act's requirements outlined in the USDOE Guidance in the area of general provisions, prayer service and worship exercises, means of publicized meetings, lunch-time and recess, and leadership of religious student groups.

## 2431.3 HEAT PARTICATIPATION POLICY FOR STUDENT-ATHLETE SAFETY

The goal of the Ridgewood High School Heat Acclimatization Policy is to insure the safety of our student-athletes while enhancing exercise heat tolerance and the ability to exercise safely and effectively in warm to hot conditions. This policy includes practice guidelines and a system of evaluating individual student-athlete's hydration levels. All Ridgewood student athletes will receive an educational presentation on proper hydration and heat illness.

Therefore, the Board of Education requires the implementation of the practice and pre-season heat acclimation procedures as recommended by the New Jersey State Interscholastic Athletic Association (NJSIAA) for students participating in all school-sponsored athletic programs and extra-curricular activities during warm weather months. The Superintendent of Schools or designee shall ensure the implementation of the Practice and Pre-Season Heat-Acclimation Procedures.

### Practice Guidelines:

For all sports, on days one and two, athletes may not participate in more than three total hours of practice. Warm-up, stretching, cool-down activities, and strength/speed training are included as part of the three hour practice time. A three hour recovery period, in a cool environment, should be inserted between practices. All athletes should be instructed to shower in cool water after each practice in order to reduce body temperature.

For football, on day one, helmets are the only protective equipment permitted. On day two, helmets and shoulder pads are allowed to be worn.

For all sports, on days three and four, athletes may not participate in more than 3.5 hours of practice and no practice can exceed three hours. A three hour recovery period, in a cool environment, should be inserted between practices. All athletes should be instructed to shower in cool water after each practice in order to reduce body temperature.

For football, full equipment may be worn.

For all sports, any day in which athletes participate in more than three hours of practice must be followed by a day in which athletes participate in no more than 3 hours of practice.

For all sports, beginning with day five, athletes may not participate in more than four hours of practice and no practice can exceed three hours. A three hour recovery period, in a cool environment, should be inserted between practices. All athletes should be instructed to shower in cool water after each practice in order to reduce body temperature.

# POLICY

# RIDGEWOOD BOARD OF EDUCATION

PROGRAM

2431.3/page 2 of 2

Ridgewood High School

Heat Participation Policy for Student-Athlete Safety

For all sports, after six consecutive practices, athletes are required to have one complete day of rest (no conditioning, walk-throughs, or practice).

Because the risk of exertional heat illnesses during the preseason is high, the athletic trainer must be on site before, during, and after all practices.

### Wet Bulb Globe Temperature Guidelines:

The Wet Bulb Globe Temperature (WBGT) is a composite temperature used to estimate the effect of temperature, humidity, and solar radiation. The athletic trainer will use a digital psychrometer to measure the wet bulb globe temperature 10-15 minutes before practice. The athletic trainer will inform all coaches of any necessary accommodations.

<i>Level</i>	<i>WBGT</i>	<i>Risk</i>	<i>Fluid</i>	<i>Accommodations</i>
Green	< 73°	Moderate	Every 15-20 mins	None
Yellow	73°-82°	High	Every 15-20 mins	Use caution
Red	82°-90°	Very High	Every 15 mins	Reduce intensity Modify practice Remove protective equipment for non-contact drills
Black	> 90°	Extreme	Rehydrate 24 oz per pound of wt loss	No outdoor practice

### Hydration Guidelines:

All athletes will weigh in, before and after each practice. Weight charts will be monitored daily by the coach and the athletic trainer. Athletes with weight loss greater than 3% will be held from practice until they have adequately replaced their weight.

Water will be available to athletes throughout all practices. All athletes will be instructed to replenish fluids every 15 -20 minutes.

2622 STUDENT ASSESSMENT

The Commissioner of Education, in accordance with N.J.S.A. 18A:7C-1 et seq. and 18A:7E-2 and 3, may implement assessments of student achievement in any grade(s) and by such assessments as he or she deems appropriate. The Commissioner shall report to the State Board of Education the results of such assessments.

The Commissioner shall implement a system and related schedule of Statewide assessments to evaluate student achievement of the New Jersey Student Learning Standards (NJSLs). The Commissioner, with the approval of the State Board of Education, shall define the scope and level of student performance on Statewide assessments that demonstrate thorough understanding of the knowledge and skills delineated by the NJSLs at grade levels three through twelve. After consultation with the Commissioner, the State Board of Education shall establish by resolution uniform Statewide criteria defining adequate school district progress toward meeting the NJSLs.

State assessments provide parents with important information about their child's progress; detailed information about each individual student's performance that educators, parents, and students can utilize to enhance foundational knowledge and student achievement; and include item analysis which will clarify a student's level of knowledge and understanding of a particular subject or area of a subject. The data derived from State assessments can be assessed and may be utilized by teachers and administrators to pinpoint areas of difficulty and customize instruction accordingly as a student progresses to successive school levels.

Pursuant to N.J.A.C. 6A:8-4.1(b) and (c), all students at grade levels three through twelve, and at any other grade(s) designated by the Commissioner pursuant to N.J.A.C. 6A:8-4.1(a), shall take all appropriate Statewide assessments as scheduled. There is no provision for a student to opt-out of Statewide assessments. If a student is absent on a testing date, the student will be expected to take the missed test on another school day. Parents and students will be informed of all scheduled testing dates, including make-up testing dates for students who missed the initial testing date.

Statewide Assessments System

The Superintendent of Schools shall develop and annually present to the Board for its approval an assessment program that complies with the rules of the State Board of Education.

The Board of Education shall, according to a schedule prescribed by the Commissioner, administer the applicable Statewide assessments, including the following major components: the elementary assessment component for grades three through five; the middle school assessment component for grades six through eight; the high school end-of-course assessments; and the alternative assessment for students with disabilities; and provide notification to each student entering grades three through twelve of the Statewide assessment schedule.

The Department of Education shall implement the elementary component of the Statewide assessment of the NJSLs consisting of continued administration of mathematics and English language arts in grades three, four, and five, and of science in grade five.

The Department of Education shall implement the middle school component of the Statewide assessment of the NJSLs consisting of the following: continued administration of mathematics and English language arts in grades six, seven, and eight; and of science in grade eight.

The Department of Education shall implement a high school assessment program component of the NJSLs that assesses, at a minimum, English language arts, mathematics, and science with the exception that students may receive a waiver from the Board of Education from taking the high school end-of-course assessment in ELA 11 due to the student's participation in another English language/literature college placement assessment during the same school year.

The Board shall provide appropriate accommodations or modifications to the Statewide assessment system as specified by the Department of Education for English Language Learners (ELLs) and students with disabilities as defined in N.J.A.C. 6A:8-14.3 or eligible under Section 504 of the Rehabilitation Act as determined by the IEP or 504 Team in accordance with N.J.A.C. 6A:8-4.1(d)1. The Board may administer the Statewide assessments in mathematics to ELLs in their native languages, when available, and/or English. The Board of Education shall have the option for a first-year ELL of substituting a Department of Education-approved language proficiency test only for the English language arts section of the elementary or middle school component of the Statewide assessment, when the student has entered the United States after July 1 of the calendar year prior to the test administration.

The Board of Education shall ensure students with disabilities as defined in N.J.A.C. 6A:14-1.3 participate in Statewide assessments in accordance with N.J.A.C. 6A:14-4.10.

At specific times prescribed by the Commissioner of Education, the Board of Education shall administer the alternative assessment for students with disabilities to students with severe disabilities who cannot participate in other assessments due to the severity of their disabilities. The Department of Education shall implement alternative assessment for students with disabilities according to the schedules in N.J.A.C. 6A:8-4.1(c)1, 2, and 3. The alternative assessment for students with disabilities measures the progress of students who have been determined eligible for the alternative assessment for students with disabilities by the IEP team in accordance with N.J.A.C. 6A:14-4.10.

The Board of Education shall implement alternative ways for students to demonstrate graduation proficiency in accordance with N.J.A.C. 6A:8-5.1(f).

#### Test Administration Procedures and Security Measures

The Board of Education shall be responsible for ensuring the security of all components of the Statewide assessment system that are administered within the school district. All Statewide assessments shall be administered in accordance with the Department of Education's required test administration procedures and security measures. Any breach of such procedures or measures shall be immediately reported to the Superintendent or designee.

#### Documentation of Student Achievement

The Department of Education shall provide the Superintendent with documentation of student performance after each test administration in accordance with the provisions of N.J.A.C. 6A:8-4.2(a). Information regarding individual student test scores shall only be in accordance with Federal and State law.

The Board of Education shall transmit within ten business days any official records, including transcripts, of students who transfer to other school districts or institutions.

The Board of Education shall maintain an accurate record of each student's performance on Statewide assessments.

The Board of Education shall maintain for every student a ninth grade through graduation transcript that contains the following, as available:

1. Results of all applicable State assessments, including assessments that satisfy graduation requirements set forth in N.J.A.C. 6A:8-5.1(a)6;
2. Results of any English language proficiency assessments according to N.J.A.C. 6A:8-5.1(h);

3. Evidence of instructional experience and performance in the NJSLS;
4. Evidence of technological literacy;
5. Evidence of career education instructional experiences and career development activities;
6. Evidence of State-issued occupational licenses and credentials, industry-recognized occupational credentials, and/or technical skill assessments for students enrolled in Department of Education-approved career and technical education programs pursuant to N.J.A.C. 6A:19-3.2; and
7. Any other information deemed appropriate by the Board of Education.

#### Accountability

The Superintendent shall report preliminary and final results of annual assessments to the Board of Education within sixty days of receipt of information from the New Jersey Department of Education pursuant to N.J.A.C. 6A:8-4.3(a). The Board of Education will provide parents, students, and citizens with results of annual assessments according to N.J.A.C. 6A:8-4.2. The Board shall provide appropriate instruction to improve skills and knowledge for students performing below the established levels of student proficiency in any content area either on Statewide or local assessments. All students shall be expected to demonstrate the knowledge and skills of the NJSLS as measured by the Statewide assessment system.

#### Annual Review and Evaluation of School Districts

The Department of Education shall review the performance of schools and school districts in accordance with the provisions of N.J.A.C. 6A:8-4.4.

Public Reporting

In accordance with the requirements of N.J.A.C. 6A:8-4.5, the Department of Education shall report annually to the State Board of Education and the public on the progress of all students and student subgroups in meeting the NJSLs as measured by the Statewide assessment system by publishing and distributing the Department of Education's annual New Jersey School Report Card in accordance with N.J.S.A. 18A:7E-2 through 5. After each test administration, the Department of Education shall report to the Board of Education on the performance of all students and of student subgroups. The Department of Education shall report performance on the APA with the same frequency and in the same detail as it reports on other Statewide assessments, including school and school district means, and the number and percentage of participating students. In public reporting of school and district performance data, the Department of Education shall not compromise the confidentiality of individual students.

Parental Notification

Parents shall be informed of the district assessment system and of any special tests that are to be administered to their children.

5111 ELIGIBILITY OF RESIDENT/NONRESIDENT STUDENTS

The Board of Education shall admit to its schools, free of charge, persons over five and under twenty years of age, pursuant to N.J.S.A. 18A:38-1, or such younger or older students as is otherwise entitled by law to a free public education.

Eligibility to Attend School

The Board shall admit students eligible to attend school free of charge that are domiciled within the district as defined in N.J.A.C. 6A:22-3.1.

A child who is domiciled within the school district and resides with a parent or guardian who is a member of the New Jersey National Guard or a member of the reserve component of the armed forces of the United States who is ordered into active military service in a time of war or national emergency shall be permitted to remain enrolled in the school district in which the child is domiciled at the time of the parent or guardian being ordered into active military service, regardless of where the child resides during the period of active duty. Following the return of the child's parent or guardian from active military service, the child's eligibility to remain enrolled in the school district pursuant to N.J.A.C. 18A:38-3.1 shall cease at the end of the current school year unless the child is domiciled in the school district.

The Board shall also admit any student that is kept in the home of a person other than the student's parent or guardian, where the person is domiciled in the school district and is supporting the student without remuneration as if the student were his or her own child in accordance with N.J.A.C. 6A:22-3.2. A student is only eligible to attend school in the district pursuant to N.J.A.C. 6A:22-3.2 if the student's parent or guardian files, together with documentation to support its validity, a sworn statement that he or she is not capable of supporting or providing care for the student due to family or economic hardship and the student is not residing with the other person solely for the purpose of receiving a free public education. In addition, the person keeping the student must file, if so required by the Board of Education, a sworn statement that he or she: is domiciled within the school district; is supporting the child without remuneration and intends to do so for a time longer than the school term; will assume all personal obligations for the student relative to school requirements; and provides a copy of his or her lease if a tenant, a sworn landlord's statement if residing as a tenant without a written lease, or a mortgage or tax bill if an owner. Pursuant to N.J.S.A. 18A:38-1, any person who fraudulently allows a child of another person to use his or her residence and is not the primary financial supporter of that child and any person who fraudulently claims to have given up custody of his or her child to a person in another district commits a disorderly person's offense.

A student is eligible to attend school in this school district free of charge pursuant to N.J.S.A. 18A:38-1 if the student is kept in the home of a person domiciled in the school district, who is not the parent or guardian and the parent or guardian is a member of the New Jersey National Guard or the reserve component of the United States armed forces and has been ordered into active military service in the United States armed forces in time of war or national emergency. Eligibility under this provision shall cease at the end of the current school year during which the parent or guardian returns from active military duty.

A student is eligible to attend school in this school district free of charge pursuant to N.J.S.A. 18A:38-1 if the student's parent or guardian temporarily resides within the school district and elects to have the student attend the school district of temporary residence, notwithstanding the existence of a domicile elsewhere. When required by the Board of Education, the parent or guardian shall demonstrate the temporary residence is not solely for purposes of a student attending the school district of temporary residence. When one of a student's parents or guardians temporarily resides in the school district while the other is domiciled or temporarily resides elsewhere, eligibility to attend school shall be determined in accordance with the criteria of N.J.A.C. 6A:22-3.1(a)1.i.

A student is eligible to attend this school district free of charge:

1. If the student's parent or guardian moves to another school district as the result of being homeless, subject to the provisions of N.J.A.C. 6A:17-2 - Education of Homeless Children;
2. If the student is placed by court order or by a society, agency, or institution in the home of a school district resident pursuant to N.J.S.A. 18A:38-2;
3. If the student previously resided in the school district and if the parent(s) or legal guardian(s) is a member of the New Jersey National Guard or the United States reserves and has been ordered to active service in time of war or national emergency, resulting in the relocation of the student out of the school district, pursuant to N.J.S.A. 18A:38-3. The school district shall not be obligated for transportation costs; and
4. If the student resides on federal property within the State pursuant to N.J.S.A. 18A:38-7.7 et seq.

Notwithstanding the provisions of N.J.S.A. 18A:38-1 or any other law, rule, or regulation to the contrary, a student who moves out of the school district as a result of domestic violence, sexual abuse, or other family crises shall be permitted to remain enrolled in the school district for the remainder of the school year in pursuant to N.J.S.A. 18A:38-1.1 and in accordance with the provisions of N.J.A.C. 6A:22-3.2(h). If the student remains enrolled in the school district for the remainder of the school year, the school district shall provide transportation services to the student, provided the student lives remote from school, and the State shall reimburse the school district for the cost of the transportation services. Nothing in N.J.S.A. 18A:38-1.1 shall be construed to affect the rights of homeless students pursuant to N.J.S.A. 18A:7B-12, N.J.S.A. 18A:7B-12.1, or any other applicable State or Federal law.

A student's eligibility to attend this school shall not be affected by the physical condition of an applicant's housing or his or her compliance with local housing ordinances or terms of lease.

Except as set forth in N.J.A.C. 6A:2-3.3(b)1, immigration/visa status shall not affect eligibility to attend school and the school district shall not condition enrollment in the school district on immigration status. A student's immigration/visa status and their eligibility to attend school shall be in accordance with N.J.A.C. 6A:22-3.3(b) and Regulation 5111.

#### Proof of Eligibility

The Board of Education shall accept a combination of forms of documentation from persons attempting to demonstrate a student's eligibility for enrollment in the school district in accordance with the provisions of N.J.A.C. 6A:22-3.4. The Board of Education shall consider the totality of information and documentation offered by an applicant, and shall not deny enrollment based on failure to provide a particular form or a subset of documents, without regard to other evidence presented.

The Board of Education shall not condition enrollment on the receipt of information or documents protected from disclosure by law, or pertaining to criteria that are not a legitimate basis for determining eligibility to attend school as outlined in N.J.A.C. 6A:22-3.4(d). The Board of Education may consider, in a manner consistent with Federal law, documents or information referenced in N.J.A.C. 6A:22-3.4(d) or pertinent parts thereof if voluntarily disclosed by the applicant. The Board of Education may not, directly or indirectly, require or request such disclosure as an actual or implied condition of enrollment. , In the case of a dispute between the school district and the parent or guardian of a student in regard to the student's eligibility to enroll in the school district or to remain enrolled in the school district pursuant to the provisions of N.J.S.A. 18A:38-1, the school district may request from the

Motor Vehicle Commission (NJMVC) the parent or guardian’s name and address for use in verifying a student’s eligibility for enrollment in the school district in accordance with the provisions of N.J.S.A. 18A:38-1-3. The NJMVC shall disclose to a school district the information requested in accordance with procedures established by the NJMVC. However, the school district shall not condition enrollment in the district on immigration status or on the fact that the NJMVC does not have the name or address of the parent on file.

**Registration Forms and Procedures for Initial Assessment**

Registration and initial determinations of eligibility will be in accordance with N.J.A.C. 6A:22-4.1. The Board of Education shall use Commissioner-provided registration forms or locally developed forms that are consistent with the forms provided by the Commissioner. A district-level administrator designated by the Superintendent shall be clearly identified to applicants and available to assist persons who experience difficulties with the enrollment process.

Initial eligibility determinations shall be made upon presentation of an enrollment application, and enrollment shall take place immediately except in cases of clear, uncontested denials. Enrollment shall take place immediately when an applicant has provided incomplete, unclear, or questionable information, but the applicant shall be notified that the student will be removed from the school district if defects in the application are not corrected, or an appeal is not filed, in accordance with subsequent notice to be provided pursuant to N.J.A.C. 6A:22-4.2.

When a student appears ineligible based on the information provided in the initial application, the school district shall issue a preliminary written notice of ineligibility, including an explanation of the right to appeal to the Commissioner of Education. Enrollment shall take place immediately if the applicant clearly indicates disagreement with the district’s determination and an intent to appeal to the Commissioner of Education. An applicant whose student is enrolled pursuant to this provision shall be notified that the student will be removed, without a hearing before the Board, if no appeal is filed within the twenty-one day period established by N.J.S.A. 18A:38-1.

When enrollment is denied and no intent to appeal is indicated, applicants shall be advised they shall comply with compulsory education laws. When the student is between the ages of six and sixteen, applicants also shall be asked to complete a written statement indicating the student will be attending school in another school district or a nonpublic school, or receiving instruction elsewhere than at a school pursuant to N.J.S.A. 18A:38-25. In the absence of this written statement, designated staff shall report to the school district of actual domicile or residence, or the Department of Children and Families, a potential instance of “neglect” for the purposes of ensuring compliance with compulsory education law, N.J.S.A. 9:6-1. Staff shall provide the school district or the Department of Children and Families with the student’s name, the name(s) of the parent/guardian/resident, and the student’s address to the extent known. Staff shall also indicate admission to the school district has been denied based on residency or domicile, and there is no evidence of intent to arrange for the child to attend school or receive instruction elsewhere.

Enrollment or attendance at the school district shall not be conditioned on advance payment of tuition when enrollment is denied and an intent to appeal is indicated, or when enrollment is provisional and subject to further review or information. The Board of Education shall ensure the registration process identifies information suggesting an applicant may be homeless so procedures may be implemented in accordance with N.J.A.C. 6A:17-2, Education of Homeless Children. Enrollment or attendance in the school district shall not be denied based upon the absence of the certified copy of the student’s birth certificate or other proof of a student’s identity as required within thirty days of initial enrollment, pursuant to N.J.S.A. 18A:36-25.1.

Enrollment in the school district shall not be denied based upon absence of student medical information. However, actual attendance at school may be deferred until the student complies with student immunization rules set forth in N.J.A.C. 8:57-4.

When enrollment in the school district, attendance at school, or the receipt of educational services in the regular education program appears inappropriate, the student shall not be denied based upon the absence of a student’s prior educational record. However, the applicant shall be advised the student’s initial educational placement may be subject to revision upon the school district’s receipt of records or further assessment of the student.

## Notice of Ineligibility

When a student is found ineligible to attend the school district pursuant to N.J.A.C. 6A:22 or the student's initial application is found to be deficient upon subsequent review or investigation, the school district immediately shall provide to the applicant notice that is consistent with Commissioner-provided sample form(s) and meets requirements of N.J.A.C. 6A:22-4 et. seq. Notices shall be in writing; in English and in the native language of the applicant; issued by the Superintendent; and directed to the address at which the applicant claims to reside. Notices of ineligibility shall include information as outlined in N.J.A.C. 6A:22-4.2.

## Removal of Currently Enrolled Students

Nothing in N.J.A.C. 6A:22 et seq. and this Policy shall preclude the Board of Education from identifying through further investigation or periodic requests for revalidation of eligibility, students enrolled in the school district who may be ineligible for continued attendance due to error in initial assessment, changed circumstances, or newly discovered information.

When a student who is enrolled and attending school based on an initial eligibility determination is later determined to be ineligible for continued attendance, the Superintendent may apply to the Board of Education for the student's removal in accordance with the provisions of N.J.A.C. 6A:22-4.3. No student shall be removed from school unless the parent, guardian, adult student, or resident keeping an "affidavit student" (as defined in N.J.A.C. 6A:22-1.2) has been informed of his or her entitlement to a hearing before the Board of Education. Once the hearing is held, or if the parent, guardian, adult student or resident keeping an "affidavit student", does not respond within the designated time frame to the Superintendent's notice or appear for the hearing, the Board of Education shall make a prompt determination of the student's eligibility and shall immediately provide notice in accordance with N.J.A.C. 6A:22-4.2. Hearings required pursuant to N.J.A.C. 6A:22-4.3 may be conducted by the full Board or a Board Committee, at the discretion of the full Board. If the hearing(s) is conducted by a Board Committee, the Committee shall make a recommendation to the full Board for action. No student may be removed except by vote of the Board taken at a meeting duly convened and conducted pursuant to N.J.S.A. 10:4-6 et seq., the Open Public Meetings Act.

## Appeal to the Commissioner

An applicant may appeal to the Commissioner of Education the school district's determination that a student is ineligible to attend its schools. Appeals shall be initiated by petition which shall be filed in accordance with N.J.S.A. 18A:3-1 and N.J.A.C. 6A:3-8.1 and shall proceed as a contested case pursuant to N.J.A.C. 6A:3. Pursuant to N.J.S.A. 18A:38-1., appeals of "affidavit student" eligibility determinations shall be filed by the resident keeping the student.

## Assessment and Calculation of Tuition

If no appeal to the Commissioner is filed following notice of an ineligibility determination, the Board may assess tuition for up to one year of a student's ineligible attendance, including the twenty-one day period provided by N.J.S.A. 18A:38-1 for appeal to the Commissioner. Tuition will be assessed and calculated in accordance with N.J.A.C. 6A:22-6.3 et seq. If the responsible party does not pay the tuition assessment, the Board of Education may petition the Commissioner pursuant to N.J.A.C. 6A:3 for an order assessing tuition, enforceable in accordance with N.J.S.A. 2A:58-10 through recording, upon request of the Board of Education pursuant to N.J.A.C. 6A:3-12, on the judgment docket of the Superior Court, Law Division.

If an appeal to the Commissioner is filed and the petitioner does not sustain the burden of demonstrating the student's right to attend the school district, or the petitioner withdraws the appeal, fails to prosecute, or abandons the appeal by any means other than settlement agreeing to waive or reduce tuition, the Commissioner may assess tuition in accordance with the provisions of N.J.A.C. 6A:22-6.2(a). Upon the Commissioner's finding that an appeal has been abandoned, the Board of Education may remove the student from school and seek tuition in accordance with N.J.A.C. 6A:22-6.2.

## Nonresident Students

The admission of a nonresident student to school free of charge must be approved by the Board, upon the recommendation of the Superintendent and subject to the needs of the district. No student otherwise eligible shall be denied admission on the basis of the student's race, color, creed, religion, national origin, ancestry, age, marital status, affectional or sexual orientation or sex, social or economic status, or disability. A written request for permission to enroll a child of a nonresident staff member, including school preference, must be submitted to and approved in writing by the Superintendent at least thirty (30) days prior to admittance. Transportation will be provided by the staff member. The continued enrollment of any nonresident student shall be contingent upon the student's maintenance of good standards of citizenship, academic standing and discipline, as well as family behavior toward school personnel and/or the needs of the district.

## Change in Residence

Seniors who have completed their junior year in Ridgewood High School and whose parent(s) or legal guardian(s) change their residence out of the district after that time may finish their studies at Ridgewood High School on a tuition basis. Other students may finish the year on a tuition basis if parent(s) or legal guardian(s) change residence out of district February 1 or later. Students whose parent(s) or legal guardian(s) change residence after May 1 may continue schooling on a non-tuition basis for the remainder of the school year.

## Other Nonresident Children

Other nonresident children, otherwise eligible for attendance, may be admitted to school in this district with payment of tuition if their admission is warranted by the inaccessibility of school in their home district, the singular availability of an appropriate educational program in this district, the avoidance of transfer and readmission of a child whose legal custody is shared by a parent(s) or legal guardian(s) residing in this district, or other good cause. The parent(s) or legal guardian(s) must submit an application to the Superintendent for review and consideration. Special Education students may not be enrolled in the district under this provision. Students in this provision are not eligible for any formal educational intervention services.

## Children of District Employees

Children of nonresident permanent, salaried staff members of the Board of Education may be admitted to the schools of the district at a tuition rate, set annually by the Board of Education at its Reorganization Meeting, upon the recommendation of the Superintendent and the approval of the Board. Special Education students may not be enrolled in the district under this provision. Students in this provision are not eligible for any formal educational intervention services.

- a. A written request for permission to enroll a child of a nonresident staff member, including school preference, must be submitted to and approved in writing by the Superintendent at least thirty (30) days prior to admittance. Transportation will be provided by the staff member.
- b. Annually, the nonresident staff member must submit a letter to the Superintendent requesting their child to be approved for admittance in the district in the subsequent school year. All such letters must be received by the Superintendent by May 15 of the current school year in order for the child to be considered for admittance in the following school year. The Superintendent will notify the nonresident staff member of his decision, in writing, no later than June 15 of the current school year. A written request for permission to enroll a child of a nonresident staff member, including school preference, must be submitted to and approved in writing by the Superintendent at least thirty (30) days prior to admittance. Transportation will be provided by the staff member.
- b. By August 1 preceding the new school year, all nonresident staff members will be billed by

## Eligibility of Resident/Nonresident Students

the Business Office at the rates established at the annual reorganization meeting. Payment is due to the Business Office no later than the last Friday prior to the opening of school for students. If this payment is not received in a timely fashion, interest will be charged at a rate of 1% per month until payment is received. If payment is not received by the last Friday in January, the nonresident staff member will be required to meet with the Superintendent to explain the reason for nonpayment. Within three days of that meeting, the Superintendent will issue, in writing, his decision concerning the continued enrollment of the staff member's child(ren).

## Home Construction

Families domiciled in the school district for a minimum of 12 months and attending the Ridgewood Public Schools prior to major home renovations where the family must vacate the premises, must obtain Board of Education approval to continue attending the district schools free of charge for a period of 18 months with proof of building permits/documentation. After 18 months, a one-time extension for a period of 6 months can be obtained and will necessitate additional proof of building status and progress. The Board of Education will assess tuition for students after the initial 24-month period. The Board of Education will require proof of occupancy when residence is reoccupied.

## F-1 and J-1 Visa Students

The school district is not required to, but may permit the attendance of F-1 and J-1 Visa students into the school district only with the payment of full tuition and a signed tuition contract. The district may require advance payment of full tuition before providing the requested I-20 Form, in accordance with the provisions of Federal regulation 8 CFR 214.3. An F-1 Visa is granted to a foreign student through an application process that must include, but is not limited to, signed approval by the receiving school district exhibiting the receiving school district will accept the foreign student for enrollment and the foreign student's proof of financial means to pay the full tuition to the receiving school district for the academic year. The host family must be domiciled in the school district and shall submit a request to the Superintendent of Schools with supporting documentation as determined by the Superintendent or designee. A student with an F-1 or J-1 Visa must be approved by the Board for attendance in the school district. The student's continued attendance in the school district shall be conditioned on a satisfactory attendance and disciplinary record.

5200 ATTENDANCE

In accordance with the provisions of N.J.S.A. 18A:38-25, every parent, guardian, or other person having control and custody of a child between the ages of six and sixteen shall cause the child to regularly attend school. The Board of Education requires students enrolled in the school district attend school regularly in accordance with the laws of the State.

Notwithstanding the requirements of reporting student absences in the school register for State and Federal reporting purposes, “excused” and “unexcused” student absences, for the purpose of expectations and consequences regarding truancy, student conduct, promotion, and the award of course credit is a local Board decision outlined in N.J.A.C. 6A:16-7.6 and Policy and Regulation 5200. In accordance with the provisions of N.J.A.C. 6A:16-7.6, and for the purposes of Policy and Regulation 5200, a student’s absence from school will either be excused or unexcused. Unexcused absences will count toward truancy.

A parent or adult student shall provide advance notice to the school prior to the student being absent from school. In accordance with N.J.S.A. 18A:36-25.6, if a student is determined to be absent from school without valid excuse, and if the reason for the student’s absence is unknown to school personnel, the Principal or designee shall immediately attempt to contact the student’s parent to notify the parent of the absence and determine the reason for the absence.

In order for the Board of Education to fulfill its responsibility for providing a thorough and efficient education for each student, the complete cooperation of parents/guardians and students is required to maintain a high level of school attendance.

The frequent absence of students from classroom learning experiences disrupts the continuity of the instructional process and limits the ability of students to complete the prescribed curriculum requirements successfully.

Excused Absences

The Board considers the following as cause for excused absence:

- a. Illness
- b. College Visit
- c. Legal obligation
- d. Death in the family

- e. Family obligation
- f. Medical appointment
  
- g. Motor vehicle test
- f. Such good cause as may be acceptable to the Principal.

**Regular Release Of Students Before The End Of The Normal School Day**

There are varying situations which may justify release of certain students from school before the normal closing. Such situations are justifiable only if the release does not jeopardize the student’s educational program and the reasons for such release can be shown to have positive benefits for the student.

**Truancy**

The Board will report to appropriate authorities infractions of the law regarding the attendance of students below the age of sixteen. Repeated infractions by enrolled students over the age of sixteen may result in the suspension or expulsion of the student.

It shall be the policy of the Board to consider the effectiveness and appropriateness to his/her needs of the educational program that is offered each student who is habitually and repeatedly absent from his/her assigned program and to consult with the Child Study Team for its recommendations.

Students that are absent from school for any reason are responsible for the completion of assignments missed because of their absence. In accordance with N.J.S.A. 18A:36-14, a student who is absent from school for observing a religious holiday shall not be deprived of any award, eligibility, or opportunity to compete for any award, or deprived of the right to take an alternate test or examination that was missed because of the absence provided there is a written excuse of such absence signed by the parent.

Prolonged or repeated absences, excused or unexcused, from school or from class, deprive students of the educational and classroom experiences deemed essential to learning and may result in retention at grade level or loss of credit or removal from a course that would count toward the high school diploma in accordance with policies of this Board.

Students shall be subjected to the school district’s response for unexcused absences that count toward truancy during the school year as outlined in N.J.A.C. 6A:16-7.6(a)4 and Regulation 5200.

Unexcused absences from school or from classes within the school day may subject a student to

consequences that may include the denial of a student's participation in co-curricular activities and/or athletic competition. Repeated absences from school interfere with efforts of the Board and its staff in the maintenance of good order and the continuity of classroom instruction and such absences may result in the removal of the student from a class or course of study.

The Superintendent shall calculate and monitor the average daily attendance rate for the district and for each school in the district. Whenever the average daily attendance rate does not meet the New Jersey Department of Education requirements the Superintendent or designee shall develop a district improvement plan to improve student attendance pursuant to N.J.A.C. 6A:30-5.2.

## 5320 IMMUNIZATION

In order to safeguard the school community from the spread of certain communicable diseases and in recognition that prevention is a means of combating the spread of disease, the Board of Education requires the immunization of students against certain diseases in accordance with State statute and rules of the New Jersey State Department of Health and Senior Services.

A student shall not knowingly be admitted or retained in school if the parent has not submitted acceptable evidence of the child's immunization, according to schedules specified in N.J.A.C. 8:57-4 – Immunization of Pupils in School. However, a child may be admitted to school on a provisional basis in accordance with the requirements as outlined in N.J.A.C. 8:57-4.5 and Regulation 5320.

Medical or religious exemptions to immunizations shall be in accordance with the requirements as outlined in N.J.A.C. 8:57-4.3 and 4.4. For students with a medical exemption pursuant to N.J.A.C. 8:57-4.3, the school nurse shall annually review student immunization records to confirm the medical condition for the exemption from immunization continues to be applicable in accordance with N.J.A.C. 6A:16-2.3(b)3.v.

No immunization program, other than that expressly required by the rules of the New Jersey State Department of Health and Senior Services or by order of the New Jersey State Commissioner of Health and Senior Services, may be conducted in district schools without the express approval of the Board.

5330.04 ADMINISTERING AN OPIOID ANTIDOTE

N.J.S.A. 18A:40-12.24.a requires schools to adopt a Policy for the emergency administration of an opioid antidote to a student, staff member, or other person who is experiencing an opioid overdose.

N.J.S.A. 18A:40-12.24.a.(1) requires schools with any of the grades nine through twelve to comply with the provisions of the law.

N.J.S.A. 18A:40-12.24 requires a school to obtain a standing order for opioid antidotes pursuant to the “Overdose Prevention Act” - N.J.S.A. 24:6J-1 et seq. The school shall maintain a supply of opioid antidotes under the standing order in a secure, but unlocked and easily accessible location. The opioid antidotes shall be accessible in the school during regular school hours and during school-sponsored functions that take place in the school or on school grounds adjacent to the school building. The Board may, in its discretion, make an opioid antidote accessible during school-sponsored functions that take place off school grounds.

The school nurse and a designated employee who volunteers to administer an opioid antidote pursuant to N.J.S.A. 18A:40-12.24.c. are required to be trained for the administration of an opioid antidote in accordance with N.J.S.A. 18A:40-12.25.b. The school nurse or a designated employee who volunteers to administer an opioid antidote shall be promptly available on site at the school during regular school hours and during school-sponsored functions that take place in the school or on school grounds adjacent to the school building at any time.

N.J.S.A. 18A:40-12.24 permits the school nurse or a designated trained employee to administer an opioid antidote to any person whom the nurse or the trained designated employee who in good faith believes is experiencing an opioid overdose.

An overdose victim shall be transported to a hospital emergency room by emergency medical responders after the administration of an opioid antidote, even if the person’s symptoms appear to have resolved.

In accordance with N.J.S.A. 24:6J-4.a.(1)(f), a prescriber or other health care practitioner, as appropriate, may prescribe or dispense an opioid antidote directly or through a standing order to a school, school district, or school nurse. In accordance with N.J.S.A. 24:6J-4.a.(2)(c), whenever the law expressly authorizes or requires a school or school district to obtain a standing order for opioid antidotes, the school nurse(s) employed or engaged by the school or school district shall be presumed by the prescribing or dispensing health care practitioner to be capable of administering the opioid antidote, consistent with the express statutory requirement.

Notwithstanding the provisions of N.J.S.A. 24:6J-4.a.(3)(b) to the contrary, if the law expressly authorizes or requires a school, school district, or school nurse to administer or dispense opioid antidotes pursuant to a standing order under N.J.S.A. 24:6J-4 et seq., the standing order issued shall

be deemed to grant the authority specified by the law, even if such authority is not specifically indicated on the face of the standing order.

In accordance with the provisions of N.J.S.A. 18A:40-12.26, no school employee, including a school nurse or any other officer or agent of a Board of Education or charter school, or a prescriber of opioid antidotes for a school through a standing order, shall be held liable for any good faith act or omission consistent with the provisions of N.J.S.A. 18A:40-12.23 et seq. Good faith shall not include willful misconduct, gross negligence, or recklessness.

Any school, school district, school nurse, school employee, or any other officer or agent of a Board of Education or charter school who administers or permits the administration of an opioid antidote in good faith in accordance with the provisions of N.J.S.A. 18A:40-12.24 and pursuant to a standing order issued under N.J.S.A. 24:6J-4 shall not, as a result of any acts or omissions, be subject to any criminal or civil liability or any disciplinary action for administering, or permitting the administration of, the opioid antidote in accordance with N.J.S.A. 24:6J-1 et seq. Nothing in this Policy shall be interpreted to prohibit the administration of an opioid antidote to a student, staff member, or other person in an emergency during school hours or during on-site school-sponsored activities by an emergency medical responder or other person authorized by law to administer an opioid antidote, in accordance with N.J.S.A. 24:6J-1 et seq.

The Overdose Prevention Act provides that when a person, in good faith, seeks medical assistance for an individual believed to be experiencing a drug overdose, whether the person is seeking assistance for himself/herself or another, the person calling for help and the person experiencing the overdose shall not be arrested, charged, prosecuted, or convicted for certain criminal offenses enumerated in N.J.S.A. 2C:35-30(a)(1-6) and N.J.S.A. 2C:35-31(a)(1-6).

Notwithstanding the provisions of any law, rule, regulation, ordinance, or institutional or organizational directive to the contrary, any person or entity authorized to administer an opioid antidote pursuant to

N.J.S.A. 24:6J-4, may administer to an overdose victim, with full immunity: a single dose of any type of opioid antidote that has been approved by the United States Food and Drug Administration for use in the treatment of opioid overdoses; and up to three doses of an opioid antidote that is administered through an intranasal application, or through an intramuscular auto-injector, as may be necessary to revive the overdose victim. Prior consultation with, or approval by, a third-party physician or other medical personnel shall not be required before an authorized person or entity may administer up to three doses of an opioid antidote, as provided in N.J.S.A. 24:6J-4, to the same overdose victim.

A school district may enter into a shared services arrangement with another school district for the provision of opioid antidotes pursuant to N.J.S.A. 18A:40-12.27 if the arrangement will result

in cost savings for the districts.

This Policy and Regulation 5330.04 shall be reviewed and approved by the school physician prior to Board adoption and whenever this Policy is revised. This Policy shall be made available to school staff members, parents, and students in handbooks, on the school district's website, or through any other appropriate means of publication.

5610 SUSPENSION

The Board of Education recognizes that even the temporary exclusion of a student from the educational program of this district is a severe sanction and one that cannot be imposed without due process.

Any student who is guilty of continued and willful disobedience, or of open defiance of the authority of any teacher or person having authority over him, or of the habitual use of profanity or of obscene language, or who shall cut, deface or otherwise injure any school property, shall be liable to punishment and to suspension or expulsion from school. Conduct which shall constitute good cause for suspension or expulsion of a student guilty of such conduct shall include, but not be limited to, the conduct as defined in N.J.S.A. 18A:37-2 and the school district's Student Discipline Code of Conduct Policy and Regulation in accordance with the N.J.A.C. 6A:16-7.1. et seq.

For the purposes of this policy, "suspension" means the temporary removal of a student from the regular instructional program.

For the purposes of this Policy, "short term suspension" means a suspension for one, but not more than ten consecutive school days or less and "long term suspension" means a suspension for more than ten consecutive school days.

In accordance with the provisions of N.J.S.A. 18A:37-4, a student may be suspended only by the Principal, who shall report any suspension to the Superintendent as soon as possible. The Superintendent shall report the suspension to the Board at its next regular meeting. The suspended student may be reinstated by the Principal or by the Superintendent prior to the second regular meeting of the Board following the suspension, unless the Board reinstates the student at the first regular meeting. No student suspended for reasons of assault upon a person in authority may be reinstated before the Board has held a hearing, within thirty calendar days of the suspension, to consider that student's expulsion from school. At its second regular meeting after the suspension and thereafter, the Board alone may reinstate the student or continue the suspension.

In accordance with the provisions of N.J.S.A. 18A:37-2a, a student in Kindergarten through grade two shall not receive an out-of-school suspension, except when the suspension is based on conduct that is of a violent or sexual nature that endangers others. Students in preschool shall not receive an out-of-school suspension except as provided pursuant to the "Zero Tolerance for Guns Act," N.J.S.A. 18A:37-7 et seq.

The district shall implement an early detection and prevention program to identify students in preschool through grade two who are experiencing behavioral or disciplinary problems and provide behavioral supports for these students which may include, but not be limited to, remediation of problem behaviors, positive reinforcements, supportive interventions, and referral services. An early detection program may be incorporated into the intervention and referral services required to be established in each school pursuant to State Board of Education regulations.

In each instance of a short-term suspension, the student will be provided oral or written notice of the charges and an informal hearing conducted by the Building Principal or designee in accordance with the procedures outlined in N.J.A.C. 6A:16-7.2. To the extent the student's presence poses a continuing danger to persons or property or an ongoing threat of disrupting the educational process, the student may be immediately removed from the student's educational program and the informal hearing shall be held as soon as practical after the suspension. In each instance of a long-term suspension, the district shall assure the rights of the student pursuant to N.J.A.C. 6A:16-7.3.

In each instance of a long-term suspension, the district shall assure the rights of the student pursuant to N.J.A.C. 6A:16-7.3.

The district will comply with the requirements of N.J.A.C. 6A:16-7.2 and 7.3, in addition to all the procedural protections set forth in N.J.A.C. 6A:14, for each student with a disability who is subject to a short-term or long-term suspension.

In each instance of a short- or long-term suspension, the district shall provide academic instruction, either in school or out of school, that addresses the New Jersey Student Learning Standards pursuant to N.J.A.C. 6A:8-3. et seq., which may include a public education program provided in accordance with the provisions of N.J.A.C. 6A:16-9 or 10. These services shall be provided within five school days of the suspension. Educational services provided to a student with a disability shall be provided consistent with the student's Individualized Education Program, in accordance with N.J.A.C. 6A:14.

may include a public education program provided in accordance with the provisions of N.J.A.C. 6A:16-9 or 10. These services shall be provided within five school days of the suspension. Educational services provided to a student with a disability shall be provided consistent with the student's Individualized Education Program, in accordance with N.J.A.C. 6A:14.

In the event a student has experienced multiple suspensions or may be subject to a proposed expulsion from school, the Principal shall convene a meeting, as soon as practicable, between the student and a school psychologist, a school counselor, a school social worker, a student assistance coordinator, or a member of the school's intervention and referral services team in accordance with the provisions of N.J.S.A. 18A:37-2c.

Student records are subject to challenge by parents and adult students in accordance with N.J.A.C. 6A:32-7.7 and Policy and Regulation 8330. The name of a disciplined student will not appear in the agenda or minutes of a public meeting or in any public record of this district; any such student will be designated by code.

5620 EXPULSION

The Board of Education recognizes that expulsion from this district is the most severe sanction that can be imposed upon a student.

The Board may expel a general education student from school, pursuant to N.J.S.A. 18A:37-2, only after the Board has provided the following:

1. The procedural due process rights set forth in N.J.A.C. 6A:16-7.1(c) 3 and 7.3 and as outlined in Policy and Regulation 5610, subsequent to a long-term suspension pursuant to N.J.A.C. 6A:16-7.3; and
2. An appropriate educational program or service, based on the criteria set forth under N.J.A.C. 6A:16-7.3(f) and as outlined in Regulation 5610.
  - a. The educational program or service shall be consistent with the provisions of N.J.A.C. 6A:16-9.2 – Program Criteria and N.J.A.C. 6A:16-10.2 - Home or Out-of-School Instruction for General Education Students; and N.J.A.C. 6A:14-2.1 et seq. - Special Education, Procedural Safeguards; and N.J.A.C. 6A:14-4.3 et seq. - Special Education, Program Options, whichever are applicable; or
  - b. The educational services provided, either in school or out of school, shall be comparable to those provided in the public schools for students of similar grades and attainments, pursuant to N.J.S.A. 18A:38-25.

An appeal of the Board’s decision regarding the cessation of the student’s general education program shall be made to the Commissioner of Education in accordance with N.J.S.A. 18A:6-9 and N.J.A.C. 6A:3-1.3 through 1.17. The Board shall continue to provide an appropriate educational program or services in accordance with N.J.A.C. 6A:16-7.4(a)2 until a final determination has been made on the appeal of the Board’s action to a student.

In accordance with the provisions of N.J.S.A. 18A:37-2a, a student in Kindergarten through grade two shall not be expelled from school, except as provided pursuant to the “Zero Tolerance for Guns Act,” N.J.S.A. 18A:37-7 et seq. Students in preschool shall not be expelled, except as provided pursuant to the “Zero Tolerance for Guns Act,” N.J.S.A. 18A:37-7 et seq.

The district shall implement an early detection and prevention program to: identify students in preschool through grade two who are experiencing behavioral or disciplinary problems; and provide behavioral supports for these students which may include, but not be limited to, remediation of problem behaviors, positive reinforcements, supportive interventions, and referral services. An early detection program may be incorporated into the intervention and referral services required to be established in each school pursuant to State Board of Education regulations.

In accordance with the provisions of N.J.S.A. 18A:37-2c, in the event a student may be subject to a proposed expulsion from school, the Principal shall convene a meeting, as soon as practicable, between the student and a school psychologist, a school counselor, a school social worker, a student assistance coordinator, or a member of the school’s intervention and referral services team. The purpose of the meeting shall be to identify any behavior or health difficulties experienced by the student and, where appropriate, to provide supportive interventions or referrals to school or community resources that may assist the student in addressing the identified difficulties.

The requirements of N.J.S.A. 18A:37-2c shall not apply when a student’s immediate removal or suspension from the school’s regular education program is required pursuant to: the provisions of the “Zero Tolerance for Guns Act,” (N.J.S.A. 18A:37-7 et seq.); N.J.S.A. 18A:37-2.1 – Assault by Pupil Upon Teacher, etc; Suspension; Expulsion Proceedings; N.J.S.A. 18A:37-2.2 – Offense by Pupil Involving Assault, Removal from Schools Regular Education Program; or in any other instance in which the safety and security of other students or school staff requires the student’s immediate removal from school. In these instances, the meeting required pursuant to N.J.S.A. 18A:37-2c shall take place as soon as practicable following the student’s removal from the school’s regular education program.

The provisions of N.J.S.A. 18A:37-2c shall be construed in a manner consistent with the “Individuals with Disabilities Act,” 20 U.S.C. § 1400 et seq.

A student with a disability shall only be expelled from his or her current program in accordance with N.J.A.C. 6A:14 et seq. An expulsion of a student with a disability from a receiving school shall be handled in accordance with N.J.A.C. 6A:14 et seq.

N.J.S.A. 18A:36A-9; 18A:37-2 et seq.  
N.J.A.C. 6A:16-7.4; 6A:14 et seq.

8320 PERSONNEL RECORDS

The Board of Education believes that the orderly operation of the school district requires the retention of all records bearing upon an employee's qualifications for employment and employment history.

The Board requires that sufficient records be compiled and maintained to demonstrate an employee's qualifications for the position assigned; compliance with federal, state, and local benefit programs; conformity to district rules; the proper conduct of evaluations; and the employee's entitlement, as appropriate, to tenure and seniority.

The Superintendent shall be responsible for the custody and maintenance of personnel records. A single, central file of documents shall be maintained; temporary, subsidiary records will be permitted for ease in data gathering only. An employee's personnel file shall be maintained for six years following his/her termination of district service, provided the employment history record card is maintained a minimum of eighty years.

A Board of Education and private agencies that provide educational services by means of public funds shall make employee records and information available for public access pursuant to N.J.S.A. 47:1A-10, the Open Public Records Act, but in accordance with N.J.S.A. 18A:6-120.(d) and 121.(d), and as provided in Policy and Regulation 8320 - Section H.

Personnel records may be inspected by school administrators to the extent that such inspection is required in the performance of the inspector's duties.

Board members may have access to confidential information in the personnel files of only those employees recommended for or subjected to an employment action requiring a vote of the Board or where access to the information is essential for the performance of the Board member's duties. Board member access to personnel files is limited to the relevant portion of the file and is available only through the Superintendent. Board members may freely inspect employment applications filed by candidates for district positions.

An employee may inspect his/her personnel file provided that the employee requests such access in writing, reviews the record in the presence of the administrator designated to maintain the file, makes no alteration or addition to the file nor removes any material from it, and signs a log attached to the file indicating the date on which it was inspected.

An employee may appeal to the Superintendent the inclusion or exclusion of records or for appropriate administrative review of the accuracy of any record in his/her personnel file.

The Superintendent shall prepare rules enumerating the records to be maintained for each employee of this district, including, as a minimum and as appropriate to the position, the completed application form, employment contract(s), a copy of the employee's qualifying certification,

transcripts, report of an employment physical examination, oath of allegiance, criminal background check, income tax forms, retirement registration, hospitalization forms, annuity forms, rate of compensation, attendance record, assignments to positions, completed evaluations, reports of disciplinary incidents, records of special awards or distinctions, and reports of annual or special physical and mental examinations.

0143.2 PUPIL REPRESENTATIVES TO THE BOARD OF EDUCATION

The Board recognizes that pupils are the primary reason for the existence of the school district. It considers the experience gained by pupils in the district to be a valued source for improving the operation of the school district. The Board is also desirous of furthering the experience of pupils in the governance process and providing opportunities for pupils to contribute to the future direction of the school district. To this end, the Board authorizes the appointment of one pupil representative to the Board.

Term

Pupil representatives to the Board shall serve a term of one year, and shall be limited to one term of service.

Each pupil representative shall be appointed by the High School Principal.

Appointment shall occur at least four weeks prior to the organizational meeting of the Board.

Pupil representatives shall attend all public meetings of the Board and shall be entitled to speak at the discretion of the Board President on all matters before the Board except as may be prohibited by New Jersey Statute or Code. Pupil representatives shall not be entitled to vote. All confidential information obtained by virtue of membership shall be held as such by pupil representatives. Pupil representatives shall be held to the same code of ethics as elected and appointed members of the Board.

Duties and Responsibilities

Pupil representatives:

1. Attend all public Board meetings.
2. Shall be excluded from executive sessions of the Board.
3. Represent the views of the student body.
4. Suggest through appropriate channels Board agenda items.
5. Participate in Board discussions and deliberations at the discretion of the Board President.

6. Serve on Board committees and attend committee meetings at the discretion of the Committee Chairperson.
7. Shall be excluded from sensitive and confidential discussions and communications (e.g. matters involving personnel, grievances, negotiations, litigation, real property purchase and other sensitive matters).
8. Receive all Board public agendas.
9. May attend the Board orientation sponsored by the New Jersey School Boards Association.
10. Perform such duties as determined by the Board President in consultation with the Superintendent.

Pupil representatives are expected to adhere to all bylaws, policies and regulations of the Board in their role. The Board in no way relinquishes any of its authority, powers, prerogatives or responsibilities but rather adds to its membership a non-voting pupil representative(s) for the mutual benefit of the Board, student body, and the school district.

0164 CONDUCT OF BOARD MEETINGS

Parliamentary Authority

Roberts' Rules of Order, Newly Revised, shall govern the Board of Education in its deliberations and acts in all cases in which it is not inconsistent with statutes of the State of New Jersey, rules of the State Board of Education, or these bylaws.

Presiding Officer

The President shall preside at all meetings of the Board. In the absence, disability, or disqualification of the President, the Vice President shall act in his/her place; if neither person is present, any member shall be designated by a plurality of those present to preside. The act of any person so designated shall be legal and binding.

Announcement of Adequate Notice

The person presiding shall commence each meeting with an announcement of the notice given for the meeting or a statement regarding the lack of adequate notice, in accordance with law.

Agenda

The Superintendent and the Administrative Cabinet, in consultation with the Board President, shall prepare an agenda of items of business to come before the Board at each meeting. The agenda shall be delivered to each Board member no later than two business days, except when an unscheduled meeting is being called, before the meeting and shall include such reports and supplementary materials as are appropriate and available.

The meeting agenda shall be posted on the district's website and circulated via the district email system 48 hours prior to the meeting time. A reminder email with the agenda shall be sent on the day of the meeting.

The order of business shall be as follows:

Call to order and roll call

Optional: Motion to go into executive session

Optional: Call to order and roll call again after returning from the closed session

Pledge of Allegiance

Opening statement by presiding officer

Initial Public Comments limited to 45 minutes total, 4 minutes per person

Presentations

Superintendent's report

Consent items – regular and routine issues

Resolutions and Motions not included in the Consent Agenda  
Approval of bills  
Board member announcements  
Board committee reports  
Discussion items  
Acceptance of minutes  
Other business  
Comments from the public  
Optional: Motion to go into executive session  
Optional: Reconvened public meeting  
Adjournment

#### Electronic Participation and Virtual Meetings

In the event of extraordinary circumstances (which shall be defined as a natural disaster, mandatory or self-imposed quarantine, a State of Emergency declared by the Governor of the State of New Jersey or similar situation), it may be necessary for the full Board to meet virtually, via teleconference or digital media platform, in order to take necessary action.

##### A. Electronic Participation in In-Person Board meetings

In the event that an individual board member is unable to attend an in-person meeting, where there is a quorum present, due to extraordinary circumstances as defined above, such member may participate telephonically or electronically, with the permission of the Board President, whose permission shall not be unreasonably withheld, provided that they are able to hear the proceedings and be heard.

##### B. Virtual Meetings

Under extraordinary circumstances as defined above, teleconference options and digital platforms may be used to enable virtual board meetings and action even when all members of the Board are not physically present as long as prior arrangements are made to afford the public the opportunity to hear and participate in the meeting.

The Board may conduct a public meeting via teleconference or digital platform where members of the public are given appropriate notice and granted access enabling them to listen to and participate in the meeting at the appropriate time. A teleconference or virtual medium will only be used to host a public meeting of the full Board in a situation that makes it impossible or impractical for a quorum of members to meet in person due to the extraordinary circumstances as defined above.

BYLAWS  
0164/page 1 of 2  
Conduct of Board Meetings

Telephonic participation in or the virtual hosting of closed or executive sessions of the full Board shall be limited and only used in situations where in person attendance or the holding of meetings are impossible or impractical as define. All closed or executive sessions shall be and remain confidential.

## 0169.02 BOARD MEMBER USE OF SOCIAL NETWORKS

In accordance with the School Ethics Act - N.J.S.A. 18A:12-21 et seq., Board of Education members must avoid conduct which is in violation of the public trust or which creates a justifiable impression among the public that such trust is being violated. To avoid conduct that may be in violation or perceived to be in violation of the School Ethics Act, the Board of Education adopts this Policy to provide guidance to Board members in their use of social networks.

For the purposes of this Policy, “social network(s)” shall include, but not be limited to: Internet blogs, electronic bulletin boards, emails, social networking websites, text messages, or any other online platform where people may post or communicate interests, opinions, or any other information that may be viewed by others with or without permission from the person making such post or re-publishing such post. “Social networks” also means an Internet-based service that allows individuals to: construct a public or semi-public profile within a bounded system created by the service; create a list of other users with whom they share a connection within the system; and view and navigate their list of connections and those made by others within the system.

For the purposes of this Policy, “use of a social network” shall include, but not be limited to: posting to a social network, reposting another person’s post to a social network, messaging, or any other publication of material on a social network.

Nothing in this Policy prevents a Board of Education member from using a social network. However, a Board member must avoid conduct on a social network that would violate the School Ethics Act N.J.S.A. 18A:12-21 et seq., which includes the Code of Ethics for Board Members. Board members should be advised communications, publications, photographs, and any other information posted by the Board member or reposted by the Board member on a social network could violate the School Ethics Act and be cause for sanctions in accordance with the law.

While this Policy respects the right of Board members to use social networks, Board members shall recognize they are held to a higher standard than the general public with regard to standards of conduct and ethics. A Board member’s use of social networks shall not damage the reputation of the school district, employees, students, or their families. Board members who use social networks shall ensure their conduct is appropriate for a Board of Education member. Board members should exercise care in setting appropriate boundaries between their personal and public online behavior, understanding what is private in the digital world often has the possibility of becoming public, even without their knowledge or consent.

Board members should carefully review the privacy settings on social networks they use and exercise care and good judgment when posting content and information. When using social networks, Board members are advised to:

1. Not post anything that would violate any of the district’s policies for Board

members;

2. Uphold the district's value of respect for any individual(s) and avoid making defamatory statements about the Board of Education, the school district, employees, students, or their families;
3. Not disclose any confidential information about the school district or confidential information obtained as a result of being a Board member, about any individual(s) or organization, including students and/or their families;
4. Not use or refer to their Board of Education title or position when soliciting for a business organization that he or she or any immediate family member has an interest in, as well as posting or referencing any confidential information regarding the Board of Education or the school district obtained through their Board membership, unless authorized by law;
5. Refrain from having communications through social networks with other Board members regarding any Board of Education business to avoid any potential violation of the New Jersey Open Public Meetings Act;
6. Board members are entitled to express themselves publicly on any matter, including issues involving the Board and the school district. Individual Board members cannot, however, express the position of the Board except as expressly authorized, in accordance with Board Policy No. 9120. Only the Board President or his/her designee shall authorize or make statements of official Board positions.
7. Not post any information on a social network determined by the New Jersey School Ethics Commission to be a violation of the New Jersey School Ethics Act.

A Board member shall comply with all Board policies regarding acceptable use of computers and computer networks whenever a Board member is using a Board of Education electronic device.

If the Board or Superintendent believes a Board member's activity on any social network may violate the Board's policies or the New Jersey School Ethics Act, the Board may request the Board member cease such activity.

This Policy has been developed and adopted by this Board to provide guidance and direction to a Board member to avoid actual and/or a perceived appearance of inappropriate conduct or conduct prohibited by the School Ethics Act while using social networks.

## **JOB DESCRIPTION**

I. Title: Instructional Aide/Job Coach

II. Qualifications:

- A. Associate degree or higher, or 2 years college coursework preferred.
- B. Passed the ETS paraprofessional test showing the ability to assist with the teaching of reading, writing, and mathematics preferred.
- C. CDL preferred.
- D. Experience working with students with disabilities who present with special education and behavioral needs.
- E. Able to effectively communicate with people at all levels and from various backgrounds.
- F. Ability to understand and adhere to established policies, procedures, and protocols.
- G. Acute attention to detail; strong documentation skills.
- H. Ability to work independently.
- I. Good judgment with the ability to make timely and sound decisions.

III. Position Summary:

Follow the special education teacher directives in providing for physical and instructional support of students with disabilities in special education/vocational settings. Provide direct support to a student at a job site, to enhance the success of this student within an employment training setting. Assist with the classroom programs including self-help, behavior management, and instruction. Work under the general supervision of the Transition Coordinator, Special Education Supervisor, and Director of Special Programs.

IV. Reports to: Director of Special Programs, and Supervisors of Special Education, and Principal

V. Major Duties and Responsibilities:

**Instructional Support:**

- A. Help the teacher prepare instructional materials.
- B. Help maintain a neat and orderly classroom.
- C. Help with inventory, care, and maintenance of equipment.
- D. Help the teacher maintain administrative records and required reports.
- E. Provide orientation and assistance to substitute teachers.

**Student Management:**

- A. Assist students with physical disabilities according to their needs, including transferring to and from wheelchairs, lifting, or positioning.
- B. Assist students with physical needs and personal care, including feeding, bathroom needs, and personal hygiene.

- C. Help manage behavior of students. This includes intervening in crisis situations and restraining disruptive or dangerous student behavior as needed.
- D. Assume responsibility for learning and adapting to each student's special medical, physical, communicative, and emotional needs.
- E. Work with individual students or small groups to fill out job applications, interface with business managers for interviews, learning specific job duties, scheduling, and job performance.
- F. Help supervise students throughout the school day, inside and outside the classroom.
- G. Assist students with disabilities in job training/employment and community-based instructional sites.
  - 1. Analyze the job to be performed.
  - 2. Implement systematic instruction and data collection procedures at the work site.
  - 3. Remain on-site with the worker.
- H. Abide by the rules of confidentiality and refer any questions regarding a student back to the Special Education professional responsible for that student.
- I. Uphold and enforce federal, state, and local policies, procedures and guidelines, and specific campus procedures and guidelines.
- J. Work cooperatively with campus and district personnel and job site personnel.
- K. Drive school suburban in order to transport student(s) to and from their assigned vocational job site.
- L. Contribute towards a positive and professional learning environment in the school and on the job site.
- M. Participate in staff development programs, faculty meetings, and special events as assigned.
- N. Other duties as assigned.

VI. Job Expectation:

Work Environment: Must be able to work within various degrees of noise, temperature and air quality. Job responsibilities require both inside and outside assignments. Interruptions of work are routine. Flexibility and patience are required. Must be self-motivated and able to complete job assignments without direct supervision. Occasional after-hour work may be required. Must be able to work under stressful conditions. Sitting, standing, lifting and carrying (up to 50 pounds), reaching, squatting, climbing stairs, kneeling, and moving light furniture is likely required.

Physical Requirements: Sitting, standing, lifting, and carrying (up to 50 pounds), reaching, climbing, squatting, kneeling, and moving light furniture may be required.

Safety and Health Requirements: Bloodborne Pathogens Standard Training.

Equipment/Material handled: Must know how to properly operate or be willing to learn to operate all multimedia equipment including current assessment materials and educational technology.

VII. Terms of Employment:

Contract, at ABA Aide rate; maximum not to exceed 5.75 hours per day

Ten months; compensation established by the Board of Education.

VIII. Evaluation:

In accordance with Board policy on evaluation of staff and the administrative code.

---

## **2020-21 District Goals**

1. During the 2020-21 school year, the district will evaluate, implement, and enhance ways to address mental health issues that surface due to the educational disruption resulting from the COVID-19 pandemic. The School-Based Mental Health District Coordinator working with the crisis intervention counselors, social workers, school psychologists, guidance counselors, and Ridgewood Intensive Therapeutic Supports will determine and if necessary implement mental health assistance and provide supportive interventions to students, parents, and staff.

2. The District's 2020-21 reopening plan provides students with instruction through a hybrid model allowing for a combination of in-person and remote learning or a fully remote model. Appropriate adjustments to increase in-person instruction will be made with the goal of resuming full-time, in-person instruction for all district students if we can provide a healthy environment for students and staff based on community, region, and state health data.

3. The district administration, in partnership with staff, students, and the community, will advance the district's core beliefs and values as defined in our Strategic Plan: Vision 2024. In the 2020-21 school year, the district will examine our practices related to diversity and equity and foster open collaboration and communication with all stakeholders on these issues to ensure that all who enter the Ridgewood Public Schools feel safe, respected, and valued.

4. New Jersey State Statute requires school districts to identify gifted and talented students and provide them with appropriate instructional adaptations and services. During the 2020-21 school year, the district will examine our current method of identifying students who demonstrate a high level of achievement in one or more content areas, the instructional practices in place, the consistency of implementation, and instructional resources available to provide an appropriate educational challenge. If improvements or enhancements are identified, the district will develop a plan to best address the needs of students who would benefit from curricular and instructional modifications.

## **2020-21 Board Goals**

1. The Board of Education will negotiate and adopt a new collective bargaining agreement with the REA.
2. The Board of Education through an RFP process will interview and appoint the Board's General Counsel as well as an Engineering and Architectural Firm.
3. In collaboration with the Superintendent, the Board of Education will develop the 2020-21 budget to investigate efficiencies and to determine if it is possible to reduce expenses without disturbing educational progress.
4. Where and whenever possible, the Board of Education will foster increased public participation, collaboration, and open communication with all stakeholders.

**MINUTES OF THE  
REGULAR MEETING  
OF THE  
BOARD OF EDUCATION**

**Ridgewood Public Schools**

**Bergen County, New Jersey  
October 19, 2020**

Minutes of the Regular Public Meeting of the Board of Education held on October 19, 2020, at 7:02 p.m., at the Education Center.

The meeting was called to order by Mr. Lembo, President.

**I. CALL TO ORDER AND ROLL CALL**

**Present:**

Mr. Michael Lembo, President; Ms. Hyunju Kwak, Vice President; Ms. Sheila Brogan; Mr. Christopher Kaufman; Mr. Saurabh Dani

**Also Present:**

Dr. Daniel Fishbein, Superintendent; Ms. Stacie Poelstra, Assistant Superintendent for Curriculum, Instruction & Assessment; Ms. Antoinette Kelly, Business Administrator/Board Secretary, Ms. Ojetta Townes, Manager of Human Resources, Zoe Kovac, Student Representative

**Visitors:**

Not applicable

**A. MOTION TO MOVE INTO EXECUTIVE SESSION**

Mr. Lembo moved the following resolution. Ms. Kwak seconded the motion, which was unanimously approved.

Whereas, said law requires the Board to adopt a resolution at a public meeting before it can meet in such Executive Session; now therefore,

Be it resolved, by the Ridgewood Board of Education, that it does hereby determine that it is necessary to meet in Executive Session to discuss a personnel and/or litigation matter and/or negotiations and/or contract matter.

Mr. Lembo announced the Board has been meeting in Executive Session pursuant to NJSA:12. The minutes from this meeting will be released when the need for confidentiality no longer exists. The Board was meeting to discuss issues of Personnel.

**B. MOTION TO OPEN REGULAR SESSION**

At 7:02 p.m., Mr. Lembo called the Regular Public Meeting to Order.

**C. REGULAR PUBLIC MEETING SESSION CALL TO ORDER AND ROLL CALL**

**Present:**

Mr. Michael Lembo, President; Ms. Hyunju Kwak, Vice President; Ms. Sheila Brogan;

Mr. Cristopher Kaufman; Mr. Saurabh Dani

**Also Present:**

Dr. Daniel Fishbein, Superintendent; Ms. Stacie Poelstra, Assistant Superintendent for Curriculum, Instruction & Assessment; Ms. Antoinette Kelly, Business Administrator/Board Secretary, Ms. Ojetta Townes, Manager of Human Resources, Zoe Kovac, Student Representative

**Visitors:**

Not applicable

**II. FLAG SALUTE AND PLEDGE OF ALLEGIANCE**

Mr. Lembo led those present in the Pledge of Allegiance.

**III. OPENING STATEMENT BY PRESIDING OFFICER**

Mr. Lembo announced that pursuant to the requirements of the Open Public Meetings Act, advance notice of this meeting had been given to The Ridgewood News, The Record, and the Clerk of the Village of Ridgewood. In addition, notices were posted in the office of the Board Secretary and in all school buildings. Due to health concerns related to the COVID-19 meeting the public cannot attend the meeting and public comments can be called in or submitted through the website.

**IV. INFORMATION**

Mr. Lembo read the information below and congratulated the students who were named Merit Scholarship semifinalists and commended students.

**A. NATIONAL MERIT SCHOLARSHIPS**

Eight Ridgewood High School students have been named National Merit Scholarship semifinalists and 22 others have received letters of commendation. About 1.5 million students took the 2019 Preliminary SAT/national Merit Scholarship Qualifying Test (PSAT/NMSQT) last October and entered the National Merit Program, a nationwide competition for recognition and awards. Only some 16,000 who qualified as semifinalists have an opportunity to continue in the competition for Merit Scholarships to be offered next spring.

The following eight students have been designated semifinalists:

**Dev Chhabra, Alexander Cho, Alexandra Jerdee, Aum Mundhe, Samantha Ngai, Skyler Snow, William Stewart, Saori Takahashi**

In addition to the eight semifinalists, the following 22 students have been identified as Commended Students in the 2019 competition:

**Emre Alptuna, Hannah Calaman, Catherine G. Chu, Jason J. Clark, Matthew E. DeMeulder, Patrick A. DeMeulder, Blaise R. Deleon, Julianne E. Flusche, Aaron Friedman, Daniella M. Granin, Justin A. Ivanov, Linda Kalna, Kyu Hong Kim, Marin Y. Kim, Zachary L. Kim, Kateryna Morhun, Nicolas R. Pruitt, Kai Sarma, Decklan L. Spencer, Clair Sullivan, Daniel J. Weispenning, Daniel Y. Woo.**

## V. PRESENTATIONS

### A. RECOGNITION OF TRADITION OF EXCELLENCE AND ASHBY AWARD WINNERS

- Annette Tucker (Tradition of Excellence)
- Jean Schoenlank (Ashby Award)

Dr. Fishbein announced the Tradition of Excellence and Ashby Award Winners. The Tradition of Excellence Award recognizes a support staff member for extraordinary service to the district in five categories. The Ashby Award was established in 1966 to honor former Superintendent Lloyd W. Ashby and his wife, Lois, for their distinguished service to the community. It is the highest honor that the district can bestow on a staff member. Honorees are selected by a committee after a careful review of all nominations. Dr. Fishbein read remarks about each award winner.

This year's Tradition of Excellence Award winner is Annette Tucker, Classroom Aide at George Washington Middle School.

The recipient of the Ashby Award is Dr. Jean Schoenlank, Principal of Ridge School.

Dr. Schoenlank said she was incredibly honored and has an amazing career in Ridgewood and particularly at the Ridge School. It was her dream job to be the Principal of Ridge and is honored to have the opportunity. She loved being a teacher and loves and supports teachers. She is touched by this award because it honors teaching. She is honored that her name has been added to the list of recipients. She thanked everyone.

### B. STUDENT REPRESENTATIVE REPORT

Zoe Kovac presented the Student Representative Report. She stated, it's been eight months since our normal has become anything but; however, she is proud to be a student and member of the Ridgewood school community because she has gotten to witness firsthand how everyone has come together (students, staff, families & board members) in dealing with the constant stresses and issues around health & safety. While we have a long way to go as a village and quite frankly as a society, Ridgewood is doing the absolute most to ensure a safe and healthy rest of the school year.

#### Academics:

- In an effort to highlight female success in the fields of science and math, bulletin boards in the hallways of RHS are decorated with posters of women who have excelled in both math and science.
- The PSAT was successfully administered at RHS this past Saturday... Everyone wore their masks and followed the regulations that typically apply on a normal school day.

- The Student Congress Officers for the 2020-2021 school year have officially been picked and the students of RHS could not be more excited to have a fabulous set of leaders on their side
- The RHS Student Government has been super busy putting together the senior slideshow and trying to figure out the best way possible to execute it successfully. They have also been working on designing new apparel for the students of RHS and any concerns they hear from students of all grade levels they report to the staff and faculty.
- The ACT exam will be administered at RHS on October 24th. All safety precautions will apply
- On October 29th, the guidance department is holding a parent meeting that will cover the college application process for current 11th grade students.

**Arts:**

- The students in the ceramics classes have gotten to test out the pottery wheels at RHS and they tried making their own vases
- The RHS Newplayers show of Shakespeare's Macbeth is set to be performed October 29th through October 31st. Their outdoor rehearsals have been going smoothly and the Newplayers feel excited and prepared for their first show.
- The Newplayers are also putting on a virtual show of 'A Christmas Carol'; the auditions were individually recorded and each segment of the show will also be recorded and then edited into one seamless virtual performance
- The RHS marching band has been safely performing at the home football games and they have competitions which are recorded and then submitted online
- The RHS choir and acapella groups have been either learning new music via Zoom, humming tunes under their masks while in person, or singing while being distanced outside.

**Athletics:**

- The RHS Girls Varsity soccer team is hosting the annual Columbus Day Girls Soccer Clinic on November 5th (it was postponed due to rainy weather). Players of all ages and grades will play soccer and learn new skills. Those who wish to participate in the event must pay a small fee that includes a t-shirt and all of the proceeds are going to support the Ridgewood Soccer Association.
- The RHS cheer team has been flipping, stunting, dancing, and cheering for the RHS football players while they socially distance and wear their masks.
- In an effort to prevent large gatherings, athletes of various sports are given 2-3 tickets to give to their family members; however, all spectators are required to wear a mask while attending.
- The RHS football team has been very successful in preventing any cases of COVID as they have not had any cases since the beginning of August; they have outdoor locker rooms with separated chairs, they wear their masks under their

- helmets when they are not on the field, they separate their pads, water, and other equipment while they attend practice, and the players have taken the new regulations very seriously

**Activities:**

- The RHS Family Promise Club held a large food drive where the students cooked, packaged, and donated food to a local soup kitchen to help feed about 150 homeless families in our area. All of the food was made at RHS and then given out at motels where the residents of the Hackensack Homeless shelter are currently staying or the food was handed out at the loading docks. Along with the food, the RHS students made over 150 cards to brighten the individuals' days.
- There were several car wash fundraisers held the past few weekends. The RHS choir, RHS baseball team, and boys soccer team all held car washes right in the parking lot of RHS.
- The RHS Green Club spent one Sunday morning cleaning up the litter at Habernickel Park right here in Ridgewood
- The RHS German Club is holding a sticker fundraiser where all of the profits will go to the California Wildfire Relief funds.
- The RHS Democrats Club held a very successful Vice Presidential debate outdoor watch party where the members socially distanced and wore masks. They also held a week-long voter registration drive at the entrances of RHS.

**Miscellaneous:**

- The Ridgewood Public Library is holding a virtual Halloween costume contest. Those who wish to participate can submit their costumes up until October 21st... they then can vote for their favorite costumes from October 22nd - October 30th... and then on October 31st they can join a live Halloween Pet Parade which will be followed by an award ceremony where prizes such as Starbucks gift cards, Tea Shop gift cards, Ben and Jerry's gift cards and so much more will be given out to the costume winners. More details about this event can be found on the Ridgewood Public Library website.

**C. REOPENING PLAN: TRANSITION TO PHASE TWO**

- Ms. Poelstra

Ms. Poelstra opened her presentation by sharing COVID-19 activity level data for New Jersey, which currently has the entire state at the moderate level. The district continues to closely monitor health data as it informs our reopening plan and its various phases. Recently, the district surveyed staff, parents, and students to collect feedback on the reopening and input regarding considerations for the next phase. Additionally, our Pandemic Response Teams are meeting consistently to review our plans and progress. Department, faculty, and administrative team meetings also continue to evaluate the reopening, and Dr. Fishbein meets regularly with the Health Officer, Dr. Yankus, and other

physicians.

Ms. Poelstra reviewed the data collected in the surveys beginning with PreK-5 staff, noting that the majority of teachers believe that the fall reopening has been more successful than remote instruction in the spring. The PreK-5 staff survey indicated that the most positive aspect of the reopening has been establishing relationships with students while planning for both virtual and in-person instruction has been a significant challenge. Most open-ended comments on this staff survey recommended the continuation of the current schedule.

Ms. Poelstra thanked the Federated Home and School Association for their collaboration on the development of the parent surveys. They met with Dr. Fisbhein, Ms. Poelstra, and a group of administrators to review and provide input on the surveys, and the extensive amount of time and effort they contributed to this process was recognized. The survey of Glen School parents indicated that 95% of respondents were satisfied with the Phase 1 experience, and the K-5 parent survey showed that 75% of respondents were satisfied with the Phase 1 experience.

K-5 parents were asked whether they would prefer to continue with the current A/B rotation with each day of the month assigned or switch to consistent days with one rotating day per week, and the responses were very close with a slightly higher percentage who prefer consistent days. When asked if parents would be in favor of maintaining the current model of instruction/schedule as it is now, 69% of parents indicated yes. About 54% of parents indicated that they would be in favor of a longer in-person school day with lunch, understanding that there will be no live teacher contact on the at-home day. Based on the K-5 data, the current recommendations are to bring all elementary special education students to the buildings for in-person instruction five days per week for the minimum day schedule beginning on October 26. Another enhancement is to integrate live streaming into the hybrid model. Also, based on discussions with health officials, the district will open the playgrounds for scheduled time slots with proper cleaning protocols and mask-wearing.

Similar to the elementary survey, 6-8 teachers indicated that establishing relationships with students has been the most positive aspect of the reopening; planning for all classes and models has been the most challenging aspect. The 6-8 parent surveys showed a 77% satisfaction rate with the Phase 1 experience with only 5% being dissatisfied, and 94% of parents would be in favor of continuing the drop-rotate schedule that was introduced on September 25. Regarding having lunch in school, 65% of parents indicated they are comfortable with their child having lunch in school. The 6-8 students were surveyed by school, and the results were very similar regarding the satisfaction rate (66-67%) and whether they are in favor of continuing with the current model/schedule (86-87%).

The 9-12 parent responses reflected a 76% satisfaction rate with the Phase 1 experience. When asked whether they are comfortable with their child having lunch in school, 57% of parents selected yes, but almost 69% indicated they would like to return to an open campus if we are going to have lunch in school. The 9-12 student survey showed a 54% satisfaction rating with 95% of students in favor of continuing with the current

model/schedule. Less than 50% of the high school students indicated they wanted to have lunch in school, yet over 81% would want to have an open campus if lunch is introduced. In the open-ended section of the survey, many students who wrote responses expressed that they did not feel comfortable eating lunch in school. Based on the data collected, the current recommendations for 6-12 are to continue with the drop-rotate schedule and to develop protocols for shared equipment in art, science, and physical education, which will enhance the student experience in these areas.

Dr. Fishbein made a statement following Ms. Poelstra's presentation. He reminded everyone that there was no statewide plan for the reopening or for what districts do once they opened. Some districts have not yet opened for in-person instruction, and some are not planning to do so until after the start of the new year. Additionally, individual municipalities have different departments of health. About 30 municipalities work through Bergen County, but the Village of Ridgewood is fortunate to have its own health department, which is very attentive and helpful to the schools. Dr. Fishbein reiterated that we are currently experiencing an increase in infection rates locally and throughout the state. At the same time, everyone is experiencing COVID fatigue.

Our local health officials, our school physician, and other practitioners who have volunteered their time to help us through this process have expressed concern about having lunch in school. Research demonstrates that, without wearing proper PPE, the virus does linger in the air and move beyond the six feet of social distancing. Therefore, eating in school without PPE is a serious cause for concern. When considering the current rate of infection, surrounding districts closing due to positive cases, the upcoming holidays, the return of college students, and expected travel, the health professionals that we consult believe there is an increased risk at the K-12 level. Dr. Fishbein recommended that we do not extend the day at this time but continue to work on improving what we are doing within the current schedule. He added that we may hold off on considering extending the school day until after the start of the new year to protect the health and safety of our students and staff, as well as our entire community.

Mr Dani is interested in knowing that there were 5% of parents who were not satisfied and a little bit higher at Middle School or High School, have we asked those parents who were dissatisfied what they are looking to have improved.

Ms. Poelstra stated that she reviewed the comments from the surveys and put the #3 answers into the dissatisfied group. Reading through the comments it seems that the asynchronous times when kids are not in school it is a little bit more difficult for students to follow along. There were parent concerns with Special Education that they were not satisfied and we are addressing that concern.

Mr. Dani stated that he would think that since it's a survey, those who scored low would have provided a comment.

Ms. Poelstra answered that sometimes people put comments and sometimes they did not.

Mr. Dani asked if we have considered different policies for elementary, middle or high. Can we look at elementary separately, he feels they can be eating their lunch at their desk

so there is no rotation and parent schedules are not affected.

Dr. Fishbein answered that there was a percentage of parents who did not want us to change the schedule of the other schools, since they have students at other schools. There is a slide within Ms. Poelstra's presentation that identifies that information. Also, the issue is not the kids moving around to do lunch, it is the taking off of masks to eat lunch. Research is showing the virus lingers in the air over 12 feet, we don't have that type of space to social distance to that degree.

Mr. Dani said going back to his original question, have we considered different rules for elementary?

Dr. Fishbein answered that we can show the slide with the information that shows the different consideration from the presentation.

Ms. Poelstra added that the K-5 lunch issue is also around staffing, in the staff data we see that they are adding much more time for planning and we have a contractual obligation to provide the teachers with 45 minutes of lunch and prep time, if we ask them to have lunch in the classroom with the students then we have to find time in the day to give teachers a 45 minute lunch and the contractual prep time. It becomes a staffing challenge, we don't have enough bodies to not diminish the educational at home experience. We have heard from parents during phase 1 that they want a more robust at home program, if we add lunch and have to meet our teacher obligation we will not get a more robust at home day, we will get a much less robust program. The lunch issue at the elementary is different than the lunch issue at the MS and HS. We go back to what our teachers and administrators say which is that 4 hours of solid instruction when they are in person is valuable. We hope to enhance the virtual day by training our teachers, live streaming, purchasing extra monitors to make the home instruction improved without putting the kids and our staff at greater risk and meeting our teacher contractual obligations.

Mr. Kaufman asked if any other district has moved from a hybrid model to a more robust model.

Dr. Fishbein answered there are some that were there already simply because they are small districts that have small class sizes. They can socially distance 12-14 kids in a classroom, they can do this from the beginning. We can't because of our class size.

Dr. Kaufman asked if there are other districts that are similar to our size who have gone to a more robust in person schedule?

Dr. Fishbein answered no.

Mr. Kaufman asked when you say staff, have you consulted with only the principals or all of the teachers.

Ms. Poelstra answered that we surveyed all of the staff and continue to receive feedback through their departmental meetings and faculty meetings.

Mr. Kaufman added that some of the challenges of extending the school day past lunch, the teachers have a hard time teaching the kids and then going to the remote process. It will be a challenge for the teachers and will be difficult to address. Can we give the teachers more training for remote learning?

Dr. Fishbein stated that election day is a professional development day and we will have the new monitors in and they will receive training on how to use the two monitors.

Ms. Poelsta stated that we will use that day for collaborative colleague training sessions to address all of the tools they have available, best practices etc.

Mr. Kaufman added that one of the things he was previously disappointed about was when the kids are home they should have been part of the classroom, but what he realizes now is that it is very difficult. When teaching an in person class and live streaming kids at the same time, it may be a bad scenario.

Dr. Fishbein answered that we have success to varying degrees, there will always be students who push the envelope and it's part of the beauty of teaching. Parts of the classes will be able to have remote students live stream and it will look different for elementary than it does for secondary.

Ms. Poelstra added that the elementary principals were skeptical about this plan working, but they went to neighboring districts and viewed how the students are streamed into a live class. There are certain limits to the success, but with the hybrid model those students are coming into class the next day and the teachers can discuss with students regarding possible inattentiveness. With elementary even when the teacher is live, they have mini lessons because little people have a shorter attention span with direct instruction for a certain period of time. Kids will stream in for a mini lesson and then go to independent practice and then return for the rest of the lesson.

Mr. Kaufman stated that whatever we do, phase 2 has to happen after the new year since there are so many variables with people going away. Phase 2 will have to have more robust involvement with the community almost like a town forum. When we send the surveys, when we have 1% of a certain response we don't know why they responded that they were unhappy. If the majority is happy we need to think about the small group that is unhappy.

Dr. Fishbein replied that is why we have the pandemic teams and we are counseling people to come to the HSA's because that's where these topics are discussed. The schools have conducted meetings with parents. It is hard to get a deep conversation when there are 100 people on a screen, it is a challenge. We offer opportunities for people to come forward and share their thoughts. The principals share what is working and what is not, our administrators are honest in that way. And people are not shy in town to express their questions. It may not be effective to have all of one school in one google meet with the principal who would have to mediate that meeting.

Ms. Kwak asked in terms of the slides how is it split K-3 versus 4-5? Would that have

changed the results. The parent feedback for the younger learners k-3 would be different than the 4-5.

Ms. Poelstra replied that we did not split it up by grade level, but she does agree that the older the students get, the less challenging it becomes.

Ms. Kwak stated that when we think of the satisfaction and the data, it does not show the full picture if you don't segment by the k-3 versus 4-5. She would love to see the split data, it is not a monolithic community.

Ms. Poelstra replied that since the parent dissatisfaction rate is less than 5% it is so low that it would not make the results any different. It does not mean that we can't do things better and although the younger students are more negatively impacted, breaking out K-3 would not make the results dramatically different with the small percentage in the results.

Ms. Kwak stated that she is also thinking not just about the dissatisfaction rate but also the question about would you continue with this model or the full day option question.

Ms Poelstra answered that it could be that people are ok with both. They are not mutually exclusive.

Ms. Kwak questioned in terms of the 5 day, half day option for the special needs community, which is very valuable; can't that be applied to the younger students?

Ms. Poelstra replied that space is the challenge and the number one safety concern, that is why we had to split them in the first place, and it would be an option if we get rid of social distancing.

Ms.Kwak asked if there was any thought in treating each of the schools with a different approach high school, versus middle school and elementary.

Dr. Fishbein answered that we have differentiation now, in the high school and elementary school after the half day of live instruction the students go home and have remote classes for the rest of the day which is not the case at the elementary level.

Ms. Kwak stated that the concern is with the younger learners and the challenges with this model cannot be overstated. She is echoing a lot of parents that were looking forward to the start of phase 2. It is disappointing and she is not diminishing all of the efforts that have been made, but it is a surprise statement for her to hear that you believe this model should be continued for months.

Dr. Fishbien said he qualified his decision based on the map, if the map were all green he would have come with a different recommendation. Especially with the longer breaks including teachers convention and Thanksgiving. Those will be the times that covid fatigue will break people down and they will be going out and visiting. The New York Times had the map of the United States during the summer, September and now, the virus is exploding all over the United States including New Jersey. Unfortunately this is what they said would happen and we are starting to see the rebound. We are fighting like crazy to do the best we can to continue to do what we are doing. The closing of a school for two

weeks, as per colleagues who have had to do it, is devastating. At a high school level, all of the things that Zoe reported on stopped, all of the activities stopped for two weeks. In this scenario, if a student is working on a play there are no more practices unless they are done remotely, for athletes there are no competitions or practices and we are fully remote on learning. It would be easier for us to be in school at the same time, it would be best educationally, but even the dividers as the research shows are only good for a sneeze or cough, but not for the covid vapor that lingers. There would be nothing better for us than to teach regularly everyday, but with the current numbers we need to look at health first and education second.

Ms. Brogan added that it is hard to listen to all of the voices and come to a decision. She is stuck with the concept of covid fatigue and the increase in indoor activities, presenting a whole new challenge. She is concerned about how indoor sports will impact the current situation. She would like to see our energy concentrated on improvements we need to make in order to make elementary, middle school and high school instructional programs stronger in the times that we can do that. She is very pleased about bringing the special education needs students back in who have pull-out programs. It is a positive to have them in school 5 days a week. This is tough because we also have a whole group of kids coming into our community from college over thanksgiving break. It is in that two week period that kids arrive back and if they have siblings. This is a tough decision and will go with being very cautious and thanking our teachers. They have really invested in our students' success and they are struggling through this new norm. She has noticed the ability of our staff to listen and that shows in the high school drop schedule. She asks after the PD day to have a report back on some of the things that we have learned from the PD day and what the enhancements are to the instructional program as we move forward. Until there is a vaccine, there isn't an easy answer to all of this. Kudos to families, students, staff that we have not had to close any schools at this point and it would be great if we could continue with this success rate.

Dr. Fishbein was surprised that the governor has allowed indoor sports in the manner that has been stated. He added, when students who are in college test positive, they put their home address on the report and our health department has been notified. It will be interesting to see the time between Thanksgiving and winter break when college students return.

Mr. Lembo said he knows we are in month 7 and two weeks to stop the spread now, and is the only person in this room who has the most experience with covid people. He can tell everyone that we are the best prepared and our plan is very good. He has some questions, in the slides there was no survey question asking if you are comfortable to move to phase 2.

Ms. Poelstra replied that the phase 2 question about lunch and the longer school day is implied. We had to define phase 2 and when we met with Federated they asked what does phase 2 mean? Originally Ms. Poelstra had a shorter question asking about phase 2 but she was asked to identify what exactly it would look like if parents can answer yes or no and that is how we came up with the question that asks if you would be in favor of lunch, longer school day.

Mr. Lembo stated that with the special ed students it is a great, positive move and he echoes the board here that its concerning with the statistic that was told to him if children are not reading by 3rd grade on a grade level, they have a 50% chance of not graduating and that is scary. Are we going to look at our students if they are struggling in this model, if a student does not have an IEP and is struggling will they be looked at?

Dr. Fishbein said yes we have an I&RS model, a child will be referred and discussed through the I&RS team and there can be accommodations and assistance offered to the student. It is a pre-special education intervention.

Mr. Lembo questioned what about the students that were doing that at the end of last year?

Dr. Fishbein replied that we don't start over, the kids who went through the process at the end of last year who did not have enough achievement to go off of the program, it would continue.

Mr. Lembo asked what do you suggest should happen if a parent notices a child that is struggling?

Ms. Poelstra replied that they should contact the student's teacher with the concerns. The elementary principals are going to send out an FAQ update and one of the points refers to the intervention and referral process. If the child is struggling they should reach out to the teachers first and if necessary will refer to the I&RS team. If we see a student in need of intervention we take the extra step to provide the support that the student needs.

Mr. Lembo said that he knows that we are going to indoor sports that it is coming, it concerns him that the issues that were brought up in the survey such as space, lunch staffing are the same issues we talked about two weeks ago. It is the same things we need to look at.

Ms. Poelstra replied that those issues will be the same since we can't make more classrooms and hire more teachers.

Mr. Lembo's concern is that he would like to have a reevaluation date that we can look at. Vaccines are starting production now and it could keep changing and he keeps hearing that it could stay through the end of the year. He is gathering that he would like to see a reevaluation. There are high schools in Bergen County that are full day and have not shut down. They may not be the same size as us but it is happening.

Dr. Fishbein questioned what high schools are full day and have not shut down?

Mr. Lembo answered Catholic Schools, they are high schools who are full day and have not shut down. He added that he is saying that we should consider it.

Ms. Poelstra stated that there isn't a single day that goes by that we are not reevaluating, that is why we changed the middle school and high school model because we are reevaluating every day. The decision to bring special ed students back is weeks in the

making, Janel Nese and the child study team in the elementary schools have worked on this plan.

Mr. Lembo added that we will have an influx of students in the classrooms with the special ed students returning, and it's a good thing and if this holds we should look at it.

Ms. Poelstra stated that even with the special ed students coming back we are still following all of the safety protocols for cleaning, ppe and social distancing and that is why we had to wait to ensure we could place every single student in a socially distanced environment so we could bring them back every day. There is not a day that goes by that we are not looking at some aspect or having some meeting about what we can do next and how to continually improve, she wants people to know that we are not saying, ok this is done and we will not look at it for two months.

Mr. Lembo added that is why he wants to know if we can put a date that we will reevaluate. He knows this is at the forefront but now we are saying this is how it is going to be until the end of the calendar year. Is there some way we can say we are reevaluating this. Covid fatigue is real and he doesn't want people to give up.

Dr. Fishbein stated that he will send a letter.

Ms. Kwak added that it is true that the rates are increasing, but they are not at the point where a harder difficult decision has to occur. There is some flexibility at this particular moment and if there could be some thought around making the elementary school experience more robust.

Dr. Fishbein said that is what we have explained that we will do.

Ms. Kwak said she heard today for the first time that phase 2 will be delayed way past November and asked if we can reevaluate sometime mid-November so we don't leave parents hanging and our young learners without a clear roadmap about how this experience can be improved.

Dr. Fishbein replied that he understands that and there was a point in March and April where we were at this point and the curve went up where we hit the orange and red and we had to shut down. The reason behind showing the map is that there is an increase in the infection rate and we do not want to cause more of an infection rate. There are other factors that are involved that we have to take into consideration such as teachers convention, Thanksgiving break, college students coming back and the December break. This is a concern not only for us as administrators, but for our health professionals who we go to for guidance on these things.

Ms. Kwak said she is hearing it for the first time tonight and that is where the questions are rising from.

Mr. Lembo thanked everyone for the presentation and understands all of the hard work that went into it.

**VI. COMMITTEE OF THE WHOLE REPORTS**

- Finance
  - September Financial Reports

Ms. Kelly reviewed the September financial reports, sharing that we are in a good financial position.

Ms. Kelly explained that the Federal money we applied for is a little different and we need to work in conjunction with the municipality. She will file for the funds on our behalf. We would like to spend the majority of the funds on the purchase of dividers for all students k-12 and purchase laptops to teach remotely and do teach the combination of live stream and in person teaching. The majority of the funds are for those two areas, the PPE that we already purchased we are able to charge to our required maintenance per the recommendation of the county business administrator, we are permitted if needed to use our maintenance reserve to purchase additional PPE. We are purchasing some health PPE through some of those budget accounts as well. We purchased a lot of PPE in 2019/20 and we received some funds from the Care's act. We have done a good job at staggering those purchases through the two school years.

Ms. Kelly explained two items that were on the agenda for approval: the 2021-2022 Budget Development Schedule and Submission of the Comprehensive Maintenance Plan. Every year, the district is required to develop a budget calendar, which is fluid since we have to wait for the budget election calendar distributed from the State. For this year, we have extended the time for principals and supervisors to enter their budgets. The meetings with the budget managers and principals have also been scheduled at a later time to give the new Business Administrator and the Interim Superintendent sufficient time to gain an understanding of the budget.

The district is required to submit the Comprehensive Maintenance Plan annually in November. The report is a summary by school of actual expenditures for required maintenance for the prior year, the budget for required maintenance for the current year, and planned required maintenance for the future year.

Ms. Kwaked asked that on the budget worksheet column F: annual target expenditure \$261,000, will that tie to the maintenance?

Ms. Kelly replied that is a minimum requirement. Where it says anticipated budget for 21-22, that is a 2% increase from last year it is not set in stone, it is planned but it is typically what the budget will be.

Ms. Kwak asked if this is exclusive of any Capital spending, it is pure maintenance?

Ms. Kelly replied yes, this pertains to the section of the budget that is strictly maintenance.

**VII. COMMENTS FROM THE PUBLIC**

The following callers addressed the board:

Mary Micale, 239 Heights Road, She has reviewed the proposed changes in policy for board

member use of social network that is on tonight's agenda and would like the board to discuss and clearly articulate why it is necessary to change the policy to from board members are advised not to engage in social media in regards to matter of the board to the changes where board members can comment and express their opinions, so long as they state its individually. She does not understand what the benefit is for board members engaging in social media on matters of business before the board. She does not see how it benefits the BOE and the board members individually, she does not see how this type of engagement in social media on topics that can be discussed in the meetings, since the social media platforms are not run professionally or in a way that lead to productive and mutually respectful dialogue. How will it benefit the schools and how it will help board members do their job? She asks to consider this, since board members are held to a higher standard, they work hard and donate their time, efforts and skills and she does not know why they would put themselves in a position on matters that can and should be discussed in a board meeting in an environment that can be a free for all. With regard to the decision regarding phase 1 and phase 2; we are taking a calculated risk with everything we do and when sending our children to school and appreciates Dr. Fishbein and Ms. Poelstra's comments about considering everyone's health when making the decision.

Laura McKenna, 861 Bingham Road, there is zero evidence that covid is spreading through schools, articles in every major newspaper, journal and Anthony Fauci made that point that covid is not being spread through schools. Instead they are seeing the spread through in home family and friends get together. Why are the decisions on school openings being made on a conjecture by people whose expertise is education and not science. Especially since the science available to guide our decision. Special education has been problematic. In her home, she has a special ed student who's teacher said that he's gone from every other word of stuttering to every word. We can see a quantitative regression because he has not had the same education that he should be getting, in person all day. What should I do? As a special ed parent we don't have a great opportunity to express our point of view. Our HSA meets every other month, she has questions that nobody is answering. She lives a house or two away from Glen school and sees kids practicing outdoor sports. Why is that going on and not in person learning? Why are we prioritizing sports? Or social group activities for special ed students. Her child is an out of district student, and other schools are considering renting space in other properties so kids can go to school, they are putting cameras in classrooms so that kids who are home can observe what is happening in the classroom. Private schools are open full time, as many of the board members know first hand. Also, she believes that we need to work on the wording of the survey questions. Most parents on her block want more in person for their kids and there has to be a way to work through the lunch problem.

Monica Lula, 129 Undercliff Road, it is imperative for parents to find out when the schedule will be released for the month of November and December. Can someone answer that question during this meeting? As of right now she does not have a schedule to submit to work. She cannot understand why we are not moving to phase 2, how can day care, the red program, the reach program, Infant Toddler program, the YMCA, private and catholic schools manage to go to all day - every day. The Ridgewood schools have not managed this and we are falling behind. We are thinking of teachers and not on the education of the children. That should be the most important thing and nothing else should surpass that.

The following comments were submitted online:

Rachel Meehen, 222 East Glen Ave., I made many comments in the survey and included my contact information. My daughter is not getting a fair and appropriate public education and cannot continue this way any longer. She is suffering. Special needs children deserve more. Per what Dr. Fishbein just said regarding class sizes, there are a handful of children in my daughter's classes. They could DEFINITELY go full day safely. I would love to be contacted to discuss my issues. I have provided detailed information in every survey with my contact information. As far as I can tell, nothing is happening with my feedback. In my experience providing feedback does nothing.

Deirdre Scali, 599 Heights Rd., Is it realistic to think that specials in the Elementary School ~Art, Music, Library, PE, Instrumental, Steam, Stem will occur in this school calendar year? OR is it a mute point? In the ES there are classes that live streaming is occurring and my first hand opinion is it not going smoothly. Has there been any exploring of keeping virtual learners with just virtual learners etc?

THANK YOU to all that planned and took the time to finally allow the ES Special Education students to come into the school for their pull out programs. It has been direly needed on a personal level. My family personally thanks you!

Nancy Sabtiel, 989 E. Ridgewood Ave., You seem to be indicating some level of shared materials (art, etc.). This is not something in the parent survey. Curious why this is being considered and do you expect to get parent feedback or make a policy change.

Justin Fox, 325 Crest Rd., Per Ms. Poelstra, lack of aid staff is an impediment to us allowing elementary students to eat lunch in schools. A viable solution, that I would have expected to have been discussed by now, would be to ask for parent volunteers to perform that aid function on a volunteer basis. A survey should be leveraged to determine parent level of comfort with that option.

Board member Lembo at 7:39pm asked Ms. Poelstra, "When you say 'lunch' in school, are you talking about an extension to full day or just to include lunch?" The recent survey question on this topic was worded ambiguously, unfortunately, despite your multiple reviews and likely did not capture accurate data. The question did not clearly indicate what "longer day, including lunch" meant. If parents had known it meant a full day that would include both lunch AND additional instruction, and not "just lunch," perhaps more than 54% of parents would have answered your question "Yes." It's disappointing that there has been no mention of leveraging gymnasiums, cafeterias or outdoors spaces in any useful way.

Mr. Lembo stated that it was Board member Kaufman that asked that question. They both had a problem with the phrasing of that question.

Monica Lula, 129 Undercliff Ct., When will the new schedule for elementary school be released? Parents need to plan in advance for child care. The current schedule is up until Nov 6.

Caryn Friedan, 660 Wyndemere Ave., I am a parent of a Kindergarten student and I have

been an educator for 15 years. We are running a full live synchronous hybrid model of instruction in the district that I work in. Live synchronous instruction is proving to be extremely challenging for our elementary learners. While it may sound enticing to families, it requires an immense amount of supervision from parents and/or caregivers for younger elementary students. It is also very difficult for teachers to manage. A great deal of time is spent troubleshooting technology issues. I implore you to speak with more teachers who are currently implementing this model before adding this to the virtual instruction program for hybrid learners. There are many ways to make the virtual learning days more robust without adding more live sessions for the sake of adding live sessions.

Dr. Fishbein stated the calendar will go out in an update.

Ms. Kwak asked if the elementary school calendar that was presented is the current AB schedule or fixed days?

Ms. Poelstra answered that the plan is to stick with the rotation because the difference between the parent feedback on the two versions was very small and there were parents who commented that they have children in multiple schools and the inconsistency would be challenging for them to manage.

Ms. Kwak wanted to follow up that there was a case based on the health data to operate in a cautious manner, but there is also the educational component so are we going to be assessing where we are and what phase 2 could look like sometime in November. Our next meeting is November 16, can we revisit it?

Dr. Fishbein replied that we can look at it, but we won't be able to make a determination on the date at that time. We can discuss what phase 2 will look like.

Ms. Kwak said she thinks that would be very helpful. As Mr. Kaufman pointed out, we need to have more input. It is a surprise to her that the timeframe has been pushed back even further to a to be determined time, it is not fair to the parents in our community and everyday it makes a big difference to our younger learners.

Dr. Fishbein stated that he understands that and we have asked people to be flexible and continue to ask people to be flexible. A few weeks ago the NJ map did not look like it does now, he has been looking at it and he wants the numbers to change so that New Jersey is green and we can make changes.

Ms. Kwak asked that it sounds like on November 16 we will reevaluate this?

Dr. Fishbein stated that as he said we will not be able to come out with a definitive date on November 16.

Ms. Poelstra added that her point earlier was that we are consistently reevaluating this. When we decided to change the high school and middle school schedules at the end of September, it was not expected and not within a set time, but as a response to a real need that was identified and at the time we could accommodate. Bringing our special ed students back on the 26th of October has been an ongoing reevaluation and reassessment of our

plan, what we can do better, do we have the space, do we have the staffing. Just because we didn't meet the goal on a set date, does not mean that we will not reevaluate and wait for a set date. We want to evolve and move forward and bring as many kids in as we can on an ongoing basis, while looking at the ongoing recommendations from our health professionals. Bringing in live streaming is an enhancement that was not held off for a phase 2. Looking back we almost regret putting the dates out there, because we have from the end of September have made 3 substantial changes to our program. It is ongoing and its unfortunate that we did not know what we were getting into. For the HS change, we could have said that's part of phase 2 and we need to wait until that date but we are trying to be responsive and take input from people, weigh the factors and take a step forward. It may not be a hard and fast date.

Mr. Lembo said he thinks that the problem is that he gets it that we are reevaluating, but we are not because in two weeks we can't go to phase 2. If the map were green tomorrow we wouldn't be ready, that's the problem.

Ms. Kwak stated that we don't have visibility, neither the community or the board what phase 2 could look like.

Mr. Lembo said we are looking too much at the negative and not enough at the positive.

Ms. Kwak said we are not planning for phase 2, what this data has said is the data to validate the continuation for phase 1. If the map were to change to green what would phase 2 look like for the parents? She does not know.

Ms. Poelstra responded that ideally it would look like all the kids come back to school everyday and we get back to normal.

Ms. Kwak and Mr. Lembo replied that it would be considered phase 3.

Dr. Fishbein added that we have said several times he regrets putting a date out there, because it sets an expectation we could not meet. Phase 2 could look like a full day, every other day but it will have limitations on how the remote day would look like.

Ms. Kwak said she is pushing for some visibility, for some consideration, some more data. Can we discuss on November 16. It will be an opportunity for parents to not be surprised and provide the input necessary, and the details for k-3 versus 4-5 because she believes there is a difference.

Ms. Brogan asked if looking at phase 2 she suspects that we will have to look at increased staffing.

Mr. Dani stated that as one of the parents commented that for elementary school if our only limitation is the 45 minute break, we can ask for parent volunteers to do that.

Dr. Fishbein replied that we are currently not having volunteers in the schools and that there would be dozens of people we would be asking to come into our buildings.

Mr. Dani replied if there is a way for something during the 45 minute, if we can find a solution it would be great.

Mr. Poelstra added also with the understanding that the students that are home for that day will have much less teacher contact. That is a significant trade off at the elementary level and wants to make sure people understand that parameter.

Ms. Brogan commented that it would impact how specials are offered as well. There seem to be more challenges than the 45 minute lunch.

## VIII. CONSENT ITEMS

Dr. Fishbein presented for consideration A. Attendance at Conferences

### A. ATTENDANCE AT CONFERENCES

The Ridgewood Board of Education, upon the recommendation of the Superintendent of Schools, approves Attendance at Conferences, as listed on **Attachment A**.

Ms. Brogan moved approval of A. Attendance at Conferences.

Mr. Kaufman seconded the motion, which was carried by the following roll-call vote:

AYES: Ms. Brogan, Mr. Dani, Mr. Kaufman, Ms. Kwak, Mr. Lembo

NAYS: none

Dr. Fishbein presented for consideration B. Administration.

Ms. Kwak moved to amend B. ii. Approval: First Reading of Revisions to Policies. The revisions on the agenda do not reflect the changes that were agreed upon at the last meeting and asked if they can be amended so they can qualify for a first reading.

Mr. Dani stated the changes are very minor and he can mention the changes and they can still be considered as first reading.

Policy 0164 Conduct of Board meetings, the line that states: *students and outside vendors/consultant presentations. The Presiding Officer has the discretion to move presentations listed on the agenda to before initial public comments.*

Should instead read as: *students and outside vendors/consultant presentations. The Presiding Officer has the discretion to move presentations listed on the agenda to before or after initial public comments.*

The other change based on Mr. Lembo's email, the 3 minutes changes to 4 minutes.

For Policy 0169.02 Board member use of social networks the line that states:

If the Board and Superintendent believe a Board member's activity on any social network may violate the Board's policies or the New Jersey School Ethics Act, the Board and Superintendent may request the Board member cease such activity. The words "*and Superintendent*" should be removed.

Dr. Fishbein stated that with this change as it is written, instead of the Board President and the Superintendent just addressing it with someone, it has to raise to the level of the entire board.

Mr. Lembo said it could be any member of the board or the superintendent, it would have to rise to the level that the board president would reach out to them.

Ms. Kwak said it's fine, it is duly noted and we can vote.

Ms. Brogan had a concern with iv. 2020-2021 Board and District Goals, district goal #4:

*During the 2020-21 school year, the district will continue to examine our current method of identifying students who demonstrate a high level of achievement in one or more content areas, the instructional practices in place, the consistency of implementation, and instructional resources available to provide an appropriate educational challenge. While continuing to implement the ideals set forth in our mission statement, namely to work with the community to provide a rich and challenging learning environment that fosters intellectual curiosity amongst students and empowers each student to reach his/her unique potential.*

Ms. Brogan stated that she would like to rephrase this to make it a sentence instead of a group of phrases. The changes she is proposing is to take the last sentence which is a group of phrases and bring it up, and state that it would be in accordance with our mission statement which is what they talked about.

Mr. Dani said he is not comfortable changing that at this point.

Ms. Kwak said this is fine since we talk about the strategic vision on #3.

Mr. Dani stated they have discussed that multiple times, if the purpose is the same then lets not reword. We can take a vote.

Ms. Kwak stated it is duly noted.

Ms. Brogan stated that she thinks when we have goals it should be in a sentence.

Mr. Dani said that is just a change in sentence versus phrase.

Ms. Brogan explained that she is suggesting that we don't have to restate the mission statement, because it is not a sentence and add "in accordance with mission statement" as part of the sentence in the beginning.

Mr. Dani questioned if she was removing the last four lines.

She said yes, because it is the mission statement, and her recommendation is just adding it to the beginning, she suggested the following rephrasing:

*During the 2020-21 school year, the district in accordance with the ideals set forth in our mission statement, will continue to examine our current method of identifying students who demonstrate a high level of achievement in one or more content areas, the instructional practices in place, the consistency of implementation, and instructional resources available to provide an appropriate*

*educational challenge.*

Mr. Dani stated that he thinks it is fine the way it is written, we are reinforcing the same thing. There is no harm in reinforcing it.

Ms. Brogan stated that there is no harm in reinforcing it, but as a board she thinks we should have something that is grammatically correct.

Ms. Kwak stated that she doesn't think that there is anything grammatically incorrect, it is a style decision, we had it on the agenda.

Mr. Lembo stated that Ms. Brogan proposed the amendment and she can do so. He asked if there was a second on it.

There was no second on the proposed amendment.

## **B. ADMINISTRATION**

### **i. Approval: Receipt of Suspension and Harassment, Intimidation, and Bullying (HIB) Reports**

The Ridgewood Board of Education, upon the recommendation of the Superintendent of Schools, acknowledges it has received confidential information regarding suspensions and investigations of HIB that have occurred since the last Board meeting.

### **ii. Approval: First Reading of Revisions to Policies**

The Ridgewood Board of Education, upon the recommendation of the Superintendent of Schools, approves the first reading of revisions to policies as listed below.

- Bylaw 0164 - Conduct of Board Meetings **(Attachment B)** *revised*
- Bylaw 0169.02 - Board Member Use of Social Media **(Attachment C)** *revised*

### **iii. Approval: 2020-2021 Memorandum of Agreement Between the Ridgewood Board of Education and the Bergen County Special Services School District for a Suspension Alternative Program (SAP)**

The Ridgewood Board of Education, upon the recommendation of the Superintendent of Schools, approves the 2020-2021 memorandum of Agreement between the Ridgewood Board of Education and the Bergen County Special Services School District for a Suspension Alternative program (SAP).

This program provides the district five weeks of SAP services per school year, at a fee of \$750.

Services requested beyond the five weeks will be billed at \$125 per week.

The Board has received background information.

iv. **Approval: 2020-2021 Board and District Goals**

The Ridgewood Board of Education, upon the recommendation of the Superintendent of Schools, approves the 2020-2021 Board and District Goals as specified on **Attachment D**.

Mr. Dani moved approval of B. Administration, with the changes noted.

Ms. Kwak seconded the motion, which was carried by the following roll-call vote:

AYES: Ms. Brogan, Mr. Dani, Mr. Kaufman, Ms. Kwak, Mr. Lembo

NAYS: none

Ms. Brogan added that she will vote yes for the concepts, but is still aggrieved that we do not want to do it grammatically correct.

Dr. Fishbein presented for consideration C. Curriculum & Instruction.

Ms. Kwak moved to amend vii. Proposal for Diversity, Equity and Inclusion Training through Cultural Intelligence/Race-Relations Consulting with 3CP-3rd Culture People. She would like to exclude the last line: additional optional services not to exceed \$20,500.

Dr. Fishbein asked for clarification that if they feel that is necessary can they come back to the board.

Ms. Kwak answered yes, she wants to see, because it is a new program and sounds like a wonderful program in accordance with our vision and would like to see it more efficiently delivered and all teachers have the benefit.

Dr. Fishbein added that this is over 5 years and we cannot do everyone all at once.

Ms. Poelstra added that the extra \$20,000 is if we decide we want to add new services that they provide.

Ms. Kwak replied that this is a new vendor for us and would like to get the feedback, but would like to exclude at this point.

Mr. Dani questioned what other schools had this firm engaged?

Ms. Poelstra replied that he has not worked specifically with schools, but corporations and civic organizations and was recommended to us. After going through interviews including some administrators and Ms. Poelstra they were impressed with his experience. There are neighboring districts that have done other types of training and the cost was comparable. Montclair and Livingston have had similar programs with similar costs. She looked at this organization as one that will be responsive to our needs in terms of the issues raised through the strategic plan and meetings with RAG and Ridgewood for Black Liberation groups.

Dr. Dani commented that we will be the first school experimenting with them. The way that he understands it is eight hours of workshop for up to 70 teachers. How many teachers will attend in one batch?

Ms. Poelstra answered that in this type of agreement it is not just the 8 hours that is packaged and they come and deliver, even in creating the proposal he spent 3 hours on the phone with Ms. Poelstra getting to know our district and ensure that he was going to be able to meet our needs. We will form a subcommittee to form the agendas, get together to set the agenda for the next meeting and make changes accordingly. Even though the formal meetings are for a set amount of staff members, there is an ongoing communication that happens through this type of proposal and that is where the cost comes in. Some examples of costs with similar programs; the Undoing Racism program charges \$350 per person for a two day type session. Having worked with GSP and knowing Livingston going with them, this is a fair and comparable rate. We have had some good conversations and she respects the experience that Mr. Johnson has, he has trained professionals, people in civic and religious organizations and has done work internationally. He will bring a unique perspective, he is also from New Jersey and knows our area very well. He checked a lot of the boxes for us and she thinks he will be a great fit for us.

Mr. Dani added that all of the things that Ms. Poelstra mentioned are great and his question was not about his qualifications or the need of the program, he agrees he is well qualified. The way it is written in the proposal, he understands there will be 4-two hour sessions for all of the 70 staff members at once, how will it be done since it is difficult to have 70 people on the screen?

Ms. Poelstra replied that we may make adjustments and break up into two groups of 35, he is amenable to adapt in this environment. The original proposal is if all things could work out, we would do it that way, but it does not mean we are set in stone to conduct in the original way it was received.

Mr. Dani questioned given the 4 hour sessions, it looks more like a webinar and does not see how 70 people can do it. We have more than 70 staff members, what happens with the rest of them? Do we learn from it and utilize that?

Ms. Poelstra added that it is something that we assess as we go along, there are certain parts of the program that we can turn-key based upon what our staff members take away from it. There will be times when we need to rely on his expertise to cast the net a little wider and bring in another set of people. We will proceed similar to the Great Schools program that we have been using during the last two years. It is difficult to say definitively exactly what the next step will be. The idea is for us to have a long term relationship, take what the staff has learned and build collaboration amongst our own staff and figure out a way to get the highest number of people trained in the shortest amount of time. He originally built a five year program, but looking at the budget this type of work is expensive. There were other PD options that we were considering and we pulled resources to make this happen. This is a long term process that we are committed to and we will adjust and monitor

with the idea that we want to get as many teachers trained as we can.

Mr. Dani asked what is the duration for the commitment we are signing today.

Ms. Poelstra replied just this school year, we are committing to year one and if we don't have the funds or something goes awry we take what we have and do the most that we can. If we can continue the partnership and grow and bring the training to more teachers we will be happy with that.

Ms. Brogan asked do you feel the removal of the additional \$20,000 training diminishes the opportunities that we give to our staff?

Ms. Poelstra replied that it was put in there, in the situation where after he does the first session and it is so well received, people go back to their buildings and are really excited and they ask if there is a way to move the training along faster. The 20,000 as an option will allow us to do it. It doesn't mean that if it happens we can have Mr. Johnson come back with a new proposal and we move forward, taking it out now does not stop what we formally have put in place. Should the need be for us to do more and we have the resources to do it, we can do another proposal.

## C. CURRICULUM & INSTRUCTION

### i. **Approval: Field Trips**

The Ridgewood Board of Education, upon the recommendation of the Superintendent of Schools, approves field trips as listed on **Attachment E**.

### ii. **Approval: Professional Development Agreement with The College of New Jersey**

The Ridgewood Board of Education, upon the recommendation of the Superintendent of Schools, approves the professional development agreement with the College of New Jersey on November 3, 2020, in the amount of \$1,500.00

The Board has received background information.

### iii. **Approval: Contract for Services with The Great Schools Partnership, Inc.**

The Ridgewood Board of Education, upon the recommendation of the Superintendent of Schools, approves a contract for services with The Great School Partnership, Inc. to support members of the Growth Learning Assessment Mindset (GLAM) network, for the period October 6, 2020 through June 30, 2021, not to exceed \$19,500.

The Board has received background information.

### iv. **Approval: Contract for Instructional and Tech Support with TechVision, LLC**

The Ridgewood Board of Education, upon the recommendation of the Superintendent of Schools, approves a contract for instruction and technical support services with TechVision, LLC, for a visually impaired student, at the rate of \$130 per hour as specified in the contract.

The Board has received background information.

v. **Approval: Contract for consulting services with Irene Cook Autism Ed & Associates**

The Ridgewood Board of Education, upon the recommendation of the Superintendent of Schools, approves a consultative and professional development for the RISE program with Irene Cook Autism Ed & Associates beginning September 24, 2020, at the rate of \$1,000 per day, not to exceed five days of service.

The Board has received background information.

vi. **Approval: Contract for substance abuse services with New Pathway Counseling, Inc**

The Ridgewood Board of Education, upon the recommendation of the Superintendent of Schools, approves the agreement with New Pathways Counseling to provide substance abuse services to students as specified in the contract beginning on September 18, 2020, at the rate of \$600 per week.

The Board has received background information.

vii. **Approval: Proposal for Diversity, Equity and Inclusion Training through Cultural Intelligence/Race-Relations Consulting with 3CP-3rd Culture People**

The Ridgewood Board of Education, upon the recommendation of the Superintendent of Schools, approved the proposal with 3CP-3rd Culture People to provide diversity, equity and inclusion training for the 2020-2021 school year, in the amount of \$30,000.

The Board has received background information.

Ms. Kwak moved approval of C. Curriculum & Instruction, with the change on vii. to take out additional services not to exceed \$20,500.

Mr. Kaufman seconded the motion, which was carried by the following roll-call vote:

AYES: Ms. Brogan, Mr. Dani, Mr. Kaufman, Ms. Kwak, Mr. Lembo

NAYS: none

Dr. Fishbein presented for consideration D. Human Resources.

## D. HUMAN RESOURCES

### i. **Appointments**

The Ridgewood Board of Education, upon the recommendation of the Superintendent of Schools, approves the appointments listed below, subject to receipt of appropriate documentation and the New Jersey Department of Education (NJDOE) certificate, if required.

**Administrator**

BISIG, Scott - School Business Administrator/Board Secretary, Education Center, effective December 19, 2020, or as soon after as possible, through June 30, 2021, pending County approval and verification of employment as outlined by Chapter 5. \$190,000 pro-rated

Mr. Bisig's credentials are as follows:

- Lyndhurst Public School District, Business Administrator/Board Secretary - September 15, 2017 - Present.
- Oradell Public School District, Business Administrator/Board Secretary - July 2016 - September 14, 2017.
- Bergenfield School District, Business Teacher - September 1, 2005 - June 30, 2016.

Education:

- Thomas Edison State College, Post Masters Certificate Educational Leadership - 2009.
- American InterContinental University, The Master of Education, Major: Instructional Design - 2004.
- William Paterson University, Bachelor of Science Degree, Major: Business Management - 1995.

Possesses the following Standard New Jersey Standard Certificates:

- School Business Administrator
- Supervisor
- Teacher of Business (Finance & Economics & Law)
- Elementary School Teacher in Grades K-6

Account # 11-000-251-104-00-40-019-000

## **vi. Substitutes for the 2020-2021 School Year**

The Ridgewood Board of Education, upon the recommendation of the Superintendent of Schools, approves substitutes for the 2020-2021 school year, as listed below.

**Teachers: Brigit Baines, Paul Boddy, Lauren Breiter, Marylou Fulford, Shayna Jennings, Morgan Knight, Erin Mannion, Gabrielle Rezzonico, Emily Shovlin, and Catherine Vaughan**

Account # TBD

Mr. Lembo moved approval of D. Human Resources.

Ms. Brogan seconded the motion, which was carried by the following roll-call vote:

AYES: Ms. Brogan, Mr. Dani, Mr. Kaufman, Ms. Kwak, Mr. Lembo

NAYS: none

Ms. Brogan recognized Ms. Kelly’s work and added that we have a new BA on the agenda.

Ms Kelly stated that they will have a solid week together if not more, as he will use some of his vacation time to shadow Ms. Kelly before his official start.

Ms. Brogan recognized and thanked Karen Price, Speech Language Therapist, Glen School, effective January 1, 2021, with twenty-three years of Ridgewood service.

Mr. Lembo echoed the thought that he will miss Ms. Kelly and wants the public to know that we have a great BA coming and we will be in good hands. Ms. Kelly did a great job here so the transition will be seamless. Ms. Price will definitely be missed.

Dr. Fishbein presented for consideration E. Finance.

**E. FINANCE**

**i. Acceptance of Restricted Donations:**

The Ridgewood Board of Education, upon the recommendation of the Superintendent of Schools, accepts the following restricted gifts for the **2020-2021** school year, to be used as indicated.

Donor	Amount	Use	Account Number
Orchard Home and School Association	\$15,297.00	To be used to purchase voice amplification systems	20-025-100-610-00-03-003-000

**ii. Approval: Submission of the Comprehensive Maintenance Plan and M-1 Form**

The Ridgewood Board of Education, upon the recommendation of the Superintendent of Schools, approves the following resolution for submission of the Comprehensive Maintenance Plan and M1 Form, as shown on **Attachment H.**

Whereas, the Department of Education requires New Jersey school districts to submit three-year maintenance plans documenting “required” maintenance activities for each of its public school facilities, and

Whereas, the required maintenance activities as listed in the attached document for the various school facilities of the Board of Education of the Village of Ridgewood are consistent with these requirements, and

Whereas, all past and planned activities are reasonable to keep school facilities open and safe for use or in their original condition and to keep their system warranties valid,

Now Therefore, Be It Resolved, that the Ridgewood Board of Education hereby authorizes the Business Administrator/Board Secretary to submit the attached Comprehensive Maintenance Plan and M-1 Form for the Ridgewood Public School District.

**iii. Approval: Budget Appropriation Transfers**

The Ridgewood Board of Education, upon the recommendation of the Superintendent of Schools, approves transfers for **September 2020** as shown in the Journal Entry listing pursuant to Policy 6422.

The Board has received background information.

**iv. Approval: Secretary’s Line Item Certification**

The Ridgewood Board of Education, upon the recommendation of the Superintendent of Schools, approves the following resolution:

Whereas, the Board of Education has received the Report of the Secretary for the month of **September 2020**,

Whereas, in compliance with N.J.A.C. 6:20-2A.10(d), the secretary has certified that, as of the date of the report(s), no budgetary line item account has obligations and payments (contractual orders) which in total exceed the amount appropriated by the district board of education, now, therefore, be it,

Resolved, the Board of Education accepts the above referenced reports and certifications and orders that they be attached to and made part of the record of this meeting, and Be it Further Resolved, in compliance with N.J.A.C. 6:20-A10(e), the Board of Education certifies that, after review of the secretary’s monthly financial reports (appropriate section) and upon consultation with the appropriate district officials, to the best of its knowledge, no major account or fund has been over expended in violation of N.J.A.C. 6:20-2A.10(a)(1), and that sufficient funds are available to meet the district’s financial obligations for the remainder of the school year.

The Board has received background information.

v. **Approval: Acceptance of the Board Secretary and Treasurer Report**

The Ridgewood Board of Education, upon the recommendation of the Superintendent of Schools, approves the following resolution:

Whereas, the Board of Education has received the report of the Secretary and Treasurer for the month of **September 2020**; now, therefore,

Be it Resolved, the Board of Education accepts the above referenced reports and orders that it be attached to and made part of the official record of this meeting.

vi. **Approval: Substitute Rates of Pay for the 2020-2021 School Year**

The Ridgewood Board of Education, upon the recommendation of the Superintendent of Schools, approves the Substitute Rates of Pay for the 2020-2021 school year effective November 1, 2020 as listed below.

**Per Diem Substitute**

**From:** \$100.00 per diem **To:** \$115.00 per diem

**Permanent Substitute:**

**From:** \$21.50 for 5.75 hours **To:** 24.35 for 5.75 hours

**Long Term Substitute:**

**From:** \$125.00 per diem **To:** \$150.00 per diem

**Substitute Nurse:**

**From:** \$150.00 per diem **To:** 170.00 per diem

\* The rates are subject to review for the 2021-2022 school year.

vii. **Approval:2021-2022 Budget Development Schedule**

The Ridgewood Board of Education, upon the recommendation of the Superintendent of Schools, approves the 2021-2022 Budget Development Schedule, as listed on **Attachment I**.

Ms. Brogan moved approval of E. Finance.

Mr. Kaufman seconded the motion, which was carried by the following roll-call vote:

AYES: Ms. Brogan, Mr. Dani, Mr. Kaufman, Ms. Kwak, Mr. Lembo

NAYS: none

Mr. Lembo read the donation into record and thanked the responsible party. He added that there is so much that the HSA's do for us and thanked them.

**IX. APPROVAL OF BILLS**

The Ridgewood Board of Education, upon the recommendation of the Superintendent of Schools, approves the payment of bills as listed below.

Ms. Kwak seconded the motion.

Approval of Bills carried by the following roll-call vote:

AYES: Ms. Brogan, Mr. Dani, Mr. Kaufman, Ms. Kwak, Mr. Lembo

NAYS: none

#### **X. BOARD MEMBER ANNOUNCEMENTS**

Mr. Lembo announced that the NJSBA Convention is virtual this year, taking place on October 20 - 22, 2020. The tagline for Workshop 2020 is "Imagine. Create. Lead." Topics include Educate the Whole Child, 2020 School Facilities, 21st Century Learning, Technology and Cost Savings, and Leading in COVID-19. The sessions will be available for a year, which is beneficial for anyone who cannot attend a session at its scheduled time.

Ms. Brogan stated the good news is that the sessions will be online for a year and anyone who cannot attend can view them at their leisure.

#### **XII. COMMENTS FROM THE PUBLIC**

No additional public comments.

#### **XIII. DISCUSSION ITEM**

There were no additional discussion items

#### **XIV. ACCEPTANCE OF MINUTES**

- October 5, 2020 Regular Public Meeting
- October 6, 2020 Executive Session Meeting

Mr. Lembo made a motion to accept the minutes.

Ms. Kwak seconded the motion, which was unanimously approved.

#### **XV. OTHER BUSINESS**

No other business at this time.

#### **XVI. ADJOURNMENT**

AT 9:36 p.m., on a motion made by Mr. Lembo, seconded by Ms. Kwak and unanimously approved, the meeting adjourned.

Respectfully submitted,

Antoinette Kelly  
Board Secretary

Lucy Papamichael  
Assistant Board Secretary

0164 CONDUCT OF BOARD MEETINGS

Parliamentary Authority

Roberts' Rules of Order, Newly Revised, shall govern the Board of Education in its deliberations and acts in all cases in which it is not inconsistent with statutes of the State of New Jersey, rules of the State Board of Education, or these bylaws.

Presiding Officer

The President shall preside at all meetings of the Board. In the absence, disability, or disqualification of the President, the Vice President shall act in his/her place; if neither person is present, any member shall be designated by a plurality of those present to preside. The act of any person so designated shall be legal and binding.

Announcement of Adequate Notice

The person presiding shall commence each meeting with an announcement of the notice given for the meeting or a statement regarding the lack of adequate notice, in accordance with law.

Agenda

The Superintendent and the Administrative Cabinet, in consultation with the Board President, shall prepare an agenda of items of business to come before the Board at each meeting. The agenda shall be delivered to each Board member no later than two business days, except when an unscheduled meeting is being called, before the meeting and shall include such reports and supplementary materials as are appropriate and available.

The meeting agenda shall be posted on the district's website and circulated via the district email system 48 hours prior to the meeting time. A reminder email with the agenda shall be sent on the day of the meeting.

The order of business shall be as follows:

Call to order and roll call

Optional: Motion to go into executive session

Optional: Call to order and roll call again after returning from the closed session

Pledge of Allegiance

Opening statement by presiding officer

Optional: Student and outside vendors/consultants presentations (Presiding Officer has the discretion to move presentations listed on the agenda to before initial public comments)

Initial Public Comments (3 minutes per person)

Presentations

Superintendent's report

Consent items – regular and routine issues

Resolutions and Motions not included in the Consent Agenda  
Approval of bills  
Board member announcements  
Board committee reports  
Discussion items  
Acceptance of minutes  
Other business  
Comments from the public  
Optional: Motion to go into executive session  
Optional: Reconvened public meeting  
Adjournment

#### Electronic Participation and Virtual Meetings

In the event of extraordinary circumstances (which shall be defined as a natural disaster, mandatory or self-imposed quarantine, a State of Emergency declared by the Governor of the State of New Jersey or similar situation), it may be necessary for the full Board to meet virtually, via teleconference or digital media platform, in order to take necessary action.

##### A. Electronic Participation in In-Person Board meetings

In the event that an individual board member is unable to attend an in-person meeting, where there is a quorum present, due to extraordinary circumstances as defined above, such member may participate telephonically or electronically, with the permission of the Board President, whose permission shall not be unreasonably withheld, provided that they are able to hear the proceedings and be heard.

##### B. Virtual Meetings

Under extraordinary circumstances as defined above, teleconference options and digital platforms may be used to enable virtual board meetings and action even when all members of the Board are not physically present as long as prior arrangements are made to afford the public the opportunity to hear and participate in the meeting.

The Board may conduct a public meeting via teleconference or digital platform where members of the public are given appropriate notice and granted access enabling them to listen to and participate in the meeting at the appropriate time. A teleconference or virtual medium will only be used to host a public meeting of the full Board in a situation that makes it impossible or impractical for a quorum of members to meet in person due to the extraordinary circumstances as defined above.

Telephonic participation in or the virtual hosting of closed or executive sessions of the full Board shall be limited and only used in situations where in person attendance or the holding of meetings are impossible or impractical as defined. All closed or executive sessions shall be and remain confidential.

All members who participate in executive sessions telephonically and/or virtually shall do so privately behind closed doors without any non-members of the board being present. Those members will use remote access methods that do not allow non-board members to hear or see the meeting. No portion of the executive session shall be recorded, photographed, or otherwise reproduced in a video or audio format by anyone. Upon adjournment, all members will leave the meeting promptly.

## 0169.02 BOARD MEMBER USE OF SOCIAL NETWORKS

In accordance with the School Ethics Act - N.J.S.A. 18A:12-21 et seq., Board of Education members must avoid conduct which is in violation of the public trust or which creates a justifiable impression among the public that such trust is being violated. To avoid conduct that may be in violation or perceived to be in violation of the School Ethics Act, the Board of Education adopts this Policy to provide guidance to Board members in their use of social networks.

For the purposes of this Policy, “social network(s)” shall include, but not be limited to: Internet blogs, electronic bulletin boards, emails, social networking websites, text messages, or any other online platform where people may post or communicate interests, opinions, or any other information that may be viewed by others with or without permission from the person making such post or re-publishing such post. “Social networks” also means an Internet-based service that allows individuals to: construct a public or semi-public profile within a bounded system created by the service; create a list of other users with whom they share a connection within the system; and view and navigate their list of connections and those made by others within the system.

For the purposes of this Policy, “use of a social network” shall include, but not be limited to: posting to a social network, reposting another person’s post to a social network, messaging, or any other publication of material on a social network.

Nothing in this Policy prevents a Board of Education member from using a social network. However, a Board member must avoid conduct on a social network that would violate the School Ethics Act N.J.S.A. 18A:12-21 et seq., which includes the Code of Ethics for Board Members. Board members should be advised communications, publications, photographs, and any other information posted by the Board member or reposted by the Board member on a social network could violate the School Ethics Act and be cause for sanctions in accordance with the law.

While this Policy respects the right of Board members to use social networks, Board members shall recognize they are held to a higher standard than the general public with regard to standards of conduct and ethics. A Board member’s use of social networks shall not damage the reputation of the school district, employees, students, or their families. Board members who use social networks shall ensure their conduct is appropriate for a Board of Education member. Board members should exercise care in setting appropriate boundaries between their personal and public online behavior, understanding what is private in the digital world often has the possibility of becoming public, even without their knowledge or consent.

Board members should carefully review the privacy settings on social networks they use and exercise care and good judgment when posting content and information. When using social networks, Board members are advised to:

1. Not post anything that would violate any of the district’s policies for Board

members;

2. Uphold the district's value of respect for any individual(s) and avoid making defamatory statements about the Board of Education, the school district, employees, students, or their families;
3. Not disclose any confidential information about the school district or confidential information obtained as a result of being a Board member, about any individual(s) or organization, including students and/or their families;
4. Not use or refer to their Board of Education title or position when soliciting for a business organization that he or she or any immediate family member has an interest in, as well as posting or referencing any confidential information regarding the Board of Education or the school district obtained through their Board membership, unless authorized by law;
5. Refrain from having communications through social networks with other Board members regarding any Board of Education business to avoid any potential violation of the New Jersey Open Public Meetings Act;
6. Board members are entitled to express themselves publicly on any matter, including issues involving the Board and the school district. Board members when making such expressions shall indicate that the statement is their individual opinion, and not that of the Board of Education. In addition, individual Board members when making such statements shall comply with the provisions of the School Ethics Act and Bylaw 0142. Individual Board members cannot, however, express the position of the Board except as expressly authorized, in accordance with Board Policy No. 9120. Only the Board President or his/her designee shall authorize or make statements of official Board positions.
7. Not post any information on a social network determined by the New Jersey School Ethics Commission to be a violation of the New Jersey School Ethics Act.

A Board member shall comply with all Board policies regarding acceptable use of computers and computer networks whenever a Board member is using a Board of Education electronic device.

If the Board and Superintendent believe a Board member's activity on any social network may violate the Board's policies or the New Jersey School Ethics Act, the Board and Superintendent may request the Board member cease such activity.

This Policy has been developed and adopted by this Board to provide guidance and direction to a Board member to avoid actual and/or a perceived appearance of inappropriate conduct or conduct prohibited by the School Ethics Act while using social networks.

## **2020-21 District Goals**

1. During the 2020-21 school year, the district will evaluate, implement, and enhance ways to address mental health issues that surface due to the educational disruption resulting from the COVID-19 pandemic. The School-Based Mental Health District Coordinator working with the crisis intervention counselors, social workers, school psychologists, guidance counselors, and Ridgewood Intensive Therapeutic Supports will determine and if necessary implement mental health assistance and provide supportive interventions to students, parents, and staff.
2. The District's 2020-21 reopening plan provides students with instruction through a hybrid model allowing for a combination of in-person and remote learning or a fully remote model. Appropriate adjustments to increase in-person instruction will be made with the goal of resuming full-time, in-person instruction for all district students if we can provide a healthy environment for students and staff based on community, region, and state health data.
3. The district administration, in partnership with staff, students, and the community, will advance the district's core beliefs and values as defined in our Strategic Plan: Vision 2024. In the 2020-21 school year, the district will examine our practices related to diversity and equity and foster open collaboration and communication with all stakeholders on these issues to ensure that all who enter the Ridgewood Public Schools feel safe, respected, and valued.
4. During the 2020-21 school year, the district will continue to examine our current method of identifying students who demonstrate a high level of achievement in one or more content areas, the instructional practices in place, the consistency of implementation, and instructional resources available to provide an appropriate educational challenge. While continuing to implement the ideals set forth in our mission statement, namely to work with the community to provide a rich and challenging learning environment that fosters intellectual curiosity amongst students and empowers each student to reach his/her unique potential.

### **2020-21 Board Goals**

1. The Board of Education will hire a search firm and in collaboration with the search firm will design the process to ultimately hire a new Superintendent.
2. The Board of Education through an RFP process will interview and appoint the Board's General Counsel as well as an Engineering and Architectural Firm.
3. The Board of Education will negotiate and adopt a new collective bargaining agreement with the REA.
4. In collaboration with the Superintendent, the Board of Education will develop the 2021-2022 budget while preserving financial flexibility and reducing inefficiencies without undermining educational progress.
5. Where and whenever possible, the Board of Education will foster increased public participation, collaboration, and open communication with all stakeholders.

**MINUTES OF THE  
REGULAR MEETING  
OF THE  
BOARD OF EDUCATION**

**Ridgewood Public Schools**

**Bergen County, New Jersey  
November 2, 2020**

**AGENDA**

\* \* \* \* \*

Minutes of the Regular Public Meeting of the Board of Education held on November 2, 2020, at 6 p.m., at the Education Center

**I. CALL TO ORDER AND ROLL CALL**

At 6:00 p.m. Mr. Lembo called the regular public meeting to order and asked for a roll call.

**Present:**

Mr. Michael Lembo, President; Ms. Hyunju Kwak, Vice President; Ms. Sheila Brogan; Mr. Christopher Kaufman; Mr. Saurabh Dani

**Also Present:**

Dr. Daniel Fishbein, Superintendent; Ms. Stacie Poelstra, Assistant Superintendent for Curriculum, Instruction & Assessment; Ms. Antoinette Kelly, Business Administrator/Board Secretary, Ms. Ojetta Townes, Manager of Human Resources, Zoe Kovac, Student Representative

**Visitors:**

Not applicable

**II. FLAG SALUTE AND PLEDGE OF ALLEGIANCE**

Mr. Lembo led those present in the Pledge of Allegiance.

**III. OPENING STATEMENT BY PRESIDING OFFICER**

Mr. Lembo announced that pursuant to the requirements of the Open Public Meetings Act, advance notice of this meeting had been given to The Ridgewood News, The Record, and the Clerk of the Village of Ridgewood. In addition, notices were posted in the office of the Board Secretary and in all school buildings. Due to health concerns related to the COVID-19 meeting the public cannot attend the meeting and public comments can be called in or submitted through the website.

**IV. PRESENTATIONS**

**A. SUPERINTENDENT SEARCH FIRM INTERVIEWS**

R-PAT Solutions, LLC

Dr. James Patterson and Dr. Robert Rosado provided an overview of the firm and the search process. Dr. Rosado explained that the firm is about to enter its 24th year in

business in New Jersey. The firm does not have any associates; therefore, when they are hired, Dr. Patterson and Dr. Rosado do all of the work from start to finish. R-PAT Solutions has a breadth of experience in terms of the size and location of districts, and they typically engage in three to four searches per year.

Recently, the firm has completed searches for Mountain Lakes, Springfield, and Roselle. The entire search process for Roselle and part of the process for Mountain Lakes was conducted via Zoom; therefore, R-PAT Solutions has the background to conduct the search in either mode depending on the current circumstances. Additionally, they offer one of the most comprehensive community surveys. Dr. Patterson added that R-PAT Solutions is an independent firm, and they are not affiliated with a college or university.

At the start of the process, a timeline would be developed with the Board of Education. Dr. Patterson and Dr. Rosado would conduct a rigorous screening process of the applicants based on initial conversations with the Board and then would schedule interviews with approximately 7-8 candidates.

Mr. Dani asked will the board get to see all of the resumes that came in and the rationale for not moving them to round two or just the resumes that the firm recommends?

Dr. Patterson replied that the board will see both. The firm will deliver a schedule of interviews of first round packets for each board member and the resumes of all applicants. They do not answer why they did not select someone. The most common reason is that they did not answer the question fully. In the 24 years they've been in business, only 2 boards have not accepted their recommendation for the finalists.

Mr. Dani asked about the scope of the search regarding advertising. People have reached out to him about doing a national search and not limiting our search to a local candidate. Can the firm shed light on how they do advertising and how do they include national advertising.

Dr. Rosado replied that the search will be picked up through avenues such as indeed, or monster. Usually they pick up about 8-10 candidates from New York, Pennsylvania, Florida, Utah, all over the country. If the board wants to go national it will incur a significantly higher expense, the board can choose to use Ed Week that will be an additional expense. However, in his experience there has not been an out of state candidate that has made it through the process and successfully appointed in quite awhile. Mostly because New Jersey has strict licensing laws and out of state candidates will have to apply for new licensing through the NJ Department of Education. Depending on the person's background, it can take anywhere from 3-7 months to finalize. Normally, they would get retired candidates from New York or Pennsylvania who come from very large Districts and have difficulty drilling down to a district that will have to be hands on, since they are used to having people do that work for them. Sometimes they have approximately 100 people in the central office.

Ms. Brogan asked how internal candidates are handled.

Dr. Rosado answered that they will interview any interested internal administrators who are certified for the job. They will ask what level the board wants to move forward. They normally would interview the candidate and discuss with the board their options for moving forward. He provided some examples of candidates with various levels of experience.

Ms. Brogan asked the firm in looking at our district most recently, do they feel we will have trouble attracting candidates?

Dr. Patterson stated that the district has done very well for many years and has been very desirable. Ridgewood is one of the larger districts within New Jersey, and is considered as a step up for candidates at various levels. The typical candidate was between 45-65 years old in the last ten years there has been a 10 year age drop in candidates. Now there is a checkerboard approach where some people consider the superintendent role without being a principal. There are a lot more paths than before.

Ms. Brogan stated that the superintendent cap that is no longer in effect, may have watered down the experience of candidates. Has that changed now that the cap in salary has been lifted? Has the quality of candidates improved?

Dr. Patterson answered that the quality of the candidates has been very good and about 3-4 years ago the pool became deeper. Now it is very competitive and we are cutting the candidate list back. Last year's searches have led to 40-55 candidates.

Dr. Rosado added that the better the pool of candidates the more difficult the decision of the board to select. As they interview candidates they advise them of the interview dates so that they can keep the dates open.

What is the recommendation on having the administrative staff advisory. When they have whittled down to two finalists.

Dr. Patterson stated they go to the staff, administrators and parents throughout the process. In the 24 years, the only other people involved in the board process is the business administrator and once or twice they have made it a larger group of people including administrators and one or two community members. This made it tough on the board since they could not come to a consensus.

Most of the time the board does the interviews. In the situations where there were professionals and parent involvement, the parent top candidate was the professional side's bottom candidate and vice versa.

Ms. Brogan followed up the question and asked specifically regarding including the administrative team who works closely with the Superintendent, as being part of the process

Dr. Patterson reviewed a scenario where the administrative staff interviews and does not agree with the board. They believe the board and the administrative team have different views about the requirements. They do not recommend a vote or a position

paper by a union. It is recommended that they are given a card and they provide their thoughts on the candidates.

Both finalists will be asked to spend a day in the district and the board can solicit feedback, but not a vote from staff or administration.

Mr. Lembo asked them to review the timeline.

Mr. Patterson replied that since the board reorganizes in May, the challenge will be the clause in the superintendent contract. The state minimum is 60 days, many contracts have a 90 day and they have seen 120 day clauses. During the first round of interviews the process is completely confidential and references cannot be contacted, in NJ boards can fire a superintendent for interviewing. It is common that once the board finds out that a person is interviewing they will not renew the Superintendent's contract when the time comes up. During the second round, if the board chooses to check references you will need to tell the candidate ahead of time and then begin the process. When you decide to offer a contract, you must send the terms to the county superintendent. The county superintendent sends it to a group of accountability attorney's in Trenton who will review the contract and send it back to the district, this can take 4-5 days to two weeks. Then a meeting will be scheduled to appoint the person. The following day, the person can resign and their clock starts for their clause. In order for someone to start at the Reorg meeting, you should back up 60 days to all of March. The person would need to be hired by March 1 for the 60 day clause and if there is a 90 day clause you would need to be done by January.

Mr. Lembo added he is looking if we decide to go with your firm, the parent, teacher survey, etc. how long does that process take?

Dr. Patterson answered that the firm can do that part fairly quickly. The challenge is the superintendent clause time to have that person start before the reorg meeting.

Dr. Rosado said if they were to be hired tonight, they would run ads for one month and the survey would open in November which runs for 2-3 weeks. During that time, the firm comes to the district to meet everyone. The earliest to get the candidates in would be in January. The board will have to work quickly to have everyone interviewed and approved at that time.

Dr. Patterson said that 90 days will cover most of the candidates, but the 120 clause will need to be considered as a problem.

Ms. Kwak asked if there are candidates that they have placed that they know of that might be a good fit for the district but have not submitted a resume, is this a scenario they have encountered?

Dr. Rosado answered that the largest group that does searches for the state is the NJ school boards, but they cannot recruit candidates and steal from another district to place with you. The only place that the firm will not recruit is with candidates they have placed in other districts because that would be unethical. The only time we use a candidate

from another superintendency is if they reach out to them and they had been placed previously and are ready to move to a bigger district.

Dr. Patterson stated that it is not ethical to contact their candidates personally. They will receive their newsletter and communication.

#### Hazard Young Attea Associates

Dr. Monica Browne and Dr. Bill Adams provided an overview of the search process including engagement, recruitment, selection, and transition. Dr. Browne opened the presentation by focusing on what sets their firm apart from other firms that work in New Jersey and nationally. During the engagement phase, the firm gets to know the Board, the community, and its needs through a planning meeting with the Board, as well as focus groups. By doing so, the firm is able to match the needs with the skills of the candidates they recruit. The information is presented to the Board in a leadership profile with a list of desired characteristics.

Dr. Browne explained that a significant amount of time is spent on recruiting. Dr. Browne shared that the firm has regional expertise, but additionally, they have a strong national reach. The firm also offers several guarantees: 1) they will work with the district to find the right person, 2) they won't solicit candidates for any other searches, and 3) they guarantee a price match. Dr. Adams added that they offer two unique surveys. One is a research-based survey out of the corporate headquarters, which can be utilized for an additional fee. This survey provides an opportunity to compare input from the community with similar communities in New Jersey and across the country. They also offer a no-cost research-based proposal that does a SWOT (Strengths, Weaknesses, Opportunities, and Threats) analysis of perceptions of stakeholders, both internal and external. A portal will be set up for Board members so that they have access throughout the entire process.

Mr. Kaufman asked if they have placed out of state candidates and what is the time frame?

Dr. Browne answered 25 states have an agreement for reciprocity, NJ does accept applications from some states. It is relatively easy from New York, Pennsylvania. Florida for example does not have a Superintendent certification. Out of state will depend on where the person is from. If the person is qualified and has the experience we could ask for an expedited review. Depending on the Executive County Superintendent and the relationship with the commissioners office, they have had success with expediting the process. They do not look at this as an impediment for getting the best possible candidate. There are hoops to jump through and they have done it. There are challenges that out of state candidates will have, it depends on the state they are coming from. Now he is finishing up pemberton with 67 applicants and 45 are in New Jersey or worked in NJ. When you do a national search, you find people who had moved out of state and are now looking to move back. The certification is problematic, but there are solutions to reaching a good conclusion.

Ms. Brogan asked how they handle internal candidates.

Dr. Brown answered that when they engage with the board during the planning meeting, that is one of the discussions. When they say they customize the search, they find out how the board would like to have that happened. There are some boards that do not want internal candidates because they are looking for change. The firm will bring to the board everyone that they are recommending and would provide all of the information. They suggest that the internal candidates are held to the same standards as the external candidates.

Ms. Brogan asked if they are doing focus groups as part of the process.

Dr. Brown stated they will customize the type and number of focus groups based on the board requests. Typically they ask an administrative person to work with the firm and assist with the process.

Ms. Brogan asked if the board whittles it down to two finalists, what is the involvement of the administrative team, in terms of advisement in the process.

Dr. Brown stated that she knows in Ridgewood it is a tradition to include them. She will work with the board to customize that. She recommends that any groups that you have the finalists meet with, there are confidentiality issues that have to be worked through. Typically by the time a candidate is a finalist their board president should be aware, but the community that they work in is not aware and they try to be as delicate as possible. There is great value in having buy-in from the internal stakeholders. She recommends that they do not rate or rank them, so that problems don't arise later if they don't agree with the board rankings. She thinks that a meet, greet and reflect session is helpful. Given the team of Ridgewood administrators, it would be wise to ask them to give some feedback.

Ms. Brogan asked if the firm does training with the board in terms of the questions they can legally ask?

Dr. Brown stated they will customize that process, they will be there for the interviews and for the discussion afterwards. Especially if there are internal candidates, objectivity is very important.

Mr. Dani stated that he understands there are usually around 70-75 candidates and asked how many are moved to the second round for the board to interview. Do they get to see all of the resumes that are received with the reasons why they were not moved forward.

Dr. Brown said the board will tell them how many they want to see in the first round. They will bring that slate to the board with the characteristics they are looking for. They will then allow the board to look at any other candidates they want to see. It can be done electronically or printed out. The process they use is that all of the candidates are on a spreadsheet and look at the desired characteristics with notes. Often boards like to see that instead of going through all of the resumes. Out of the 60 candidates, 20 may be people who should not have applied.

Dr. Adams added that they will get 60 applicants, as they get in they receive an email and look at it when it comes in. After reviewing the resume, they build a file on each candidate, midway through the process they create the spreadsheet that Dr. Brown was referencing. Reference checks are done up front, because of confidentiality and the concern of the board not finding out they will not contact the district. They may google the information. They will get to the round that is part of the slate that the board decides on at the planning meeting, the board decides how many candidates they want to see. They use an adelphi technique that asks each board member to rate the candidates individually to narrow down the candidates. The firm will work with the board to develop the interview questions which are tailored to the district's needs. When the board gets down to the 5, the process gets difficult since these are the best of the best candidates. They recommend to keep things confidential until you get to the finalists. They will go over the options during the planning meeting with the board. The firm works for the board and they think it is best to give the board options to choose from to fit the needs of the community.

Ms. Brogan asked if they recommend site visits with the finalists?

Dr. Brown answered that it depends on the situation. They leave some time between the timeframe of deciding who the board wants and who is actually appointed. This would be the site visit time. The site visit can also be from the top two finalists so they can interact with teachers, administrators have lunch with a board member, in order to have a less formal opportunity to meet the candidate. The visit can be done on site in Ridgewood or at the candidates districts.

Dr. Adams added that the firm will go over the pros and cons of site visits and it is included as part of their consulting service. Today there is so much information electronically that site visits don't yield as much as they did in the past. The candidates often ask to interview teachers at the different levels and students. Site visits can identify the culture of the schools. Background checks are very important and the firm uses a third party that does an investigation on the finalists, including a criminal, civil, financial and driving records. They also do a 5 year media and social media review. Those reviews yield a lot of information that you would not get in a different way.

Mr. Lembo asked how many school district searches do they do at the same time.

Dr. Brown said that they have finished up 2 districts in South Jersey, and currently there are many districts in the North that have openings. They do not have an assignment in the North currently. They are working on a small district in New Hampshire.

They generally do not like to do two searches at the same time and specifically in the same area, so they can devote their time and find the best candidates.

Mr. Lembo asked about the firm's success rate.

Dr. Adams stated they provide a guarantee for 2 years. If the person leaves within the two years, they would come back and do the work for nothing. The fit is important. They have done 1400 searches and personally he has had one where the superintendent left

within the 2 years. From the year 2000 to 2016 82% of the superintendents that have gotten jobs through the firm are still in the job or have retired from the job. It is important to get good focus groups and community input. The firm can meet with the bargaining unit leadership teams, parent groups and central office administrators to get the leadership characteristics of what they are looking for.

Dr. Brown stated that everyone she has worked on is still working where she has placed them.

Mr. Lembo asked for the firm's timeline.

Dr. Adams referred to the firm's proposal that identifies the timeline. They were basing the timeline on a July 1 start day and backed up to a 90 day notice for a successful candidate. Early March should be a negotiated announcement. Their suggested timeline is set for a March 1 announcement.

Dr. Brown recommends that if selected they would start immediately with a planning meeting and start setting up the focus groups to present the leadership characteristics within the first 3 weeks. They would like at least 30 days for recruitment. The timeline is listed in the proposal.

There is a little bit of a challenge for the reorg if the person does not start before March 1, since you will have to redo the contract at the reorganization meeting. This is a little nuance in New Jersey since it is the law.

Mr. Dani asked for clarification on the 30-45 days for recruiting, when does that start?

Dr. Brown answered the recruiting starts after the community meetings and the board has approved the desired characteristics and profile. As they are meeting, they would not wait to start recruiting and wait to ask people to apply but not make any recommendations until the documents are in place.

Dr. Adams added that the applicants are not reviewed until after the board has identified the characteristics, but the search is started on their website so that applicants can start to submit their applications before they have the desired characteristics. They also post on the NJSA website, formal advertising will happen after the planning meeting with the board and ask the board to approve the advertising.

Mr. Lembo asked about the consulting fee and the additional printing fee. Is advertising extra?

Dr. Brown answered that they are a green company and will provide all information electronically, if the district wishes that they print the information there is an additional fee. District administrative support can assist with this. The board will choose the advertising package. By listing on their website which is a go-to site across the country, they not only search their searches but other searches as well which makes it very desirable for candidates. They can advertise in Edweek in various formats and that can be decided at the planning meeting with the board. The background check does have a

range in pricing, typically it is about 1900 per candidate and it is highly recommended. Mr. Lembo asked is that recommended for a finalist?

Dr. Brown replied it is recommended for the finalist, but if there are two finalists that are being considered then it would be for both.

Mr. Dani asked if we do a background check internally already, including a credit check?

Dr. Brown answered that the only mandatory is a criminal background check.

Ms. Kwak asked if Connecticut has a reciprocity law?

Dr. Brown answered that she has not done a search from Connecticut, but can look it up.

Ms. Kwak asked how many of the candidates are from the Seton Hall program?

Dr. Brown answered that she did a charter school outside Philadelphia and a person was from the Seton Hall program. She believes there are usually several candidates but the pool/slate are based on the characteristics, but there haven't been any placed from the program that she has done.

Ms. Kwak asked what Dr. Brown's sense of the current pool of candidates? Outside of recruiting?

Dr. Brown answered that it is pretty good now. They were very slow during the early part of the pandemic, but in the searches that they are ending in south Jersey they have had approximately 65-68 candidates. Ridgewood has an amazing reputation and will get interest from people in Bergen county and the tristate area.

Dr. Adams when will the board be making the selection.

Mr. Lembo answered that the decision will be made this evening.

## **B. STUDENT REPRESENTATIVE REPORT**

Zoe stated that having been in school for just 2 months now, so much has changed. From having to essentially rethink education, to just figuring out how to adjust to these crazy times, it has been clear that the Ridgewood public school system has our backs. While there is a lot that can be improved, there isn't a day that goes by that the Ridgewood staff, faculty, and Board of Education members aren't putting the students and teachers first.

### **Academics:**

- Several students at RHS have been commended for their academic performance in the annual National Merit Scholarship Program

- 14 RHS students ranked nationally in the annual Le Grand Concours competition which evaluates students on their written, oral, and listening comprehension skills in French.
- The senior focus program which helps seniors with the college process has received great feedback from the students. With the college process being a bit unusual at the moment, seniors feel at ease and prepared when they are in this class.
- The student government is trying to plan a safe senior prom. Currently, they are in the process of choosing a location so they have been busy contacting and looking at different venues. On top of that, they also have their hands full with planning the senior slideshow.
- The junior class president and vice presidents have been chosen. The juniors feel excited about the set of leaders and delegates they have on their side that will make sure we have a great school year.

**Arts:**

- The RHS Orchestra held a fundraiser where they sold fall bulbs to students, parents, and staff.
- The Newplayers outdoor showing of Shakespeare's Macbeth has unfortunately been postponed due to cast members needing to quarantine.

**Athletics:**

- The boy's basketball team has yet to hold full group in-person practices so most of the players go to the Ridgewood YMCA to shoot some hoops. They have also utilized the RHS fitness center to do daily lift sessions and they have games on Tuesdays and Thursdays.
- The RHS girls cross country team has been safely practicing every day to get ready for meets that are held every Saturday.
- The RHS football team has been able to move from outdoor locker rooms to using the RHS gym 1 as their locker room. It is big enough to allow for social distancing and the players have remained diligent in following protocol.
- Some of the Ridgewood Girls Varsity Lacrosse players got together to mentor, teach, and play with younger lacrosse players

**Activities:**

- The RHS Democrats Club held an awesome outdoor debate watch party to kick off the last presidential debate of the upcoming election
- The RHS Psychology Club hosted its first-ever guest speaker at the most recent meeting. Dr. David Fiegly, a sports psychologist who teaches at Rutgers University provided a fun and engaging experience for the club members.
- The RHS Speech and Debate Team has been holding weekly meetings where they practice and plan for the upcoming tournaments.
- The RHS Cambodia Club is selling masks in an effort to help their sister school in Cambodia.

**Miscellaneous:**

- For anyone who wishes to take out a book from The Ridgewood Public Library can. They can schedule a 30-minute appointment on their website which

ensures entry to the Children's Center on Sunday afternoons. Staff will be available to assist with material selection.

### C. SENIOR FOCUS PRESENTATION

Jeff Nyhuis, Assistant Principal of Guidance, Curriculum, and Instruction at Ridgewood High School, presented the Senior Focus program. This is the second year that the high school is running Senior Focus. The goal of this program is to provide consistent information about the college application process to all students and eliminate the need for a private counselor. The high school has a strong guidance department, and our counselors have visited over 400 colleges. Another goal of this program was to increase instructional time. Senior Focus has been built into the schedule so that students are pulled out of their free periods. Senior Focus is a way to reduce the stress that students experience.

Seniors are given a timeline to prepare them for the college admissions process. Google Classroom and Screen Casts are used to reach all virtual and hybrid students this year.

Mr. Nyhuis showed what the Senior Focus Google Classroom looks like, highlighting the many local scholarship opportunities for our seniors. He announced a new scholarship, The Dr. Daniel A. Fishbein Scholarship. Mr. Nyhuis read a letter about the scholarship which honors Dr. Fishbein's years of service, leadership, enduring empathy, and commitment to all Ridgewood students. A complete list of donors to the fund will be sent to Dr. Fishbein in mid-December.

The scholarship appears in the scholarship books sent to all Ridgewood seniors as follows:

*"Dr. Fishbein served with distinction as Superintendent of the Ridgewood Public Schools from 2008-2020. Dr. Fishbein, a career educator and resident of Ridgewood, consistently demonstrated leadership, character, and empathy for the community, the students, the administrators, teachers, and staff members. Dr. Fishbein led the schools through challenging times shaped by changes in society that reached into the schools. The Dr. Daniel A. Fishbein Scholarship is awarded to the student who, in the face of challenge, has demonstrated the natural leadership ability, strength, character, and empathy towards others."*

Mr. Nyhuis concluded by summarizing future plans. The goal is to expand these advisory groups by adding a Sophomore Focus and Junior Focus. Sophomore Focus will incorporate the MI Advantage Survey, Learning Style Survey, and Career Interest Survey. Information gathered from these surveys and follow-up discussions will serve as a tremendous resource for counselors in their work with the students. With the juniors, the goal is to add a college kickoff, summer work to prepare for the college application process, and the Do What You Are Survey. A speaker will be presenting to juniors this spring on how the college essay is used and how to write the essay. Mr. Nyhuis thanked The Foundation for supporting this effort.

**V. COMMITTEE OF THE WHOLE REPORTS**

- None at this time

**VI. COMMENTS FROM THE PUBLIC**

None at this time.

**VII. CONSENT ITEMS**

Dr. Fishbein presented for consideration A. Attendance at Conferences.

**A. ATTENDANCE AT CONFERENCES**

The Ridgewood Board of Education, upon the recommendation of the Superintendent of Schools, approves Attendance at Conferences, as listed on **Attachment A**.

Ms. Brogan moved approval of A. Attendance at Conferences.

Ms. Kwak seconded the motion, which was carried by the following roll-call vote:

AYES: Ms. Brogan, Mr. Dani, Mr. Kaufman, Ms. Kwak, Mr. Lembo

NAYS: none

Dr. Fishbein presented for consideration B. Administration.

Ms. Brogan made a motion to pull item iii. Second Reading & Adoption of Revisions to Policies for discussion. She believes there is a discrepancy on what was agreed upon and what is updated as the policy for approval.

Mr. Kaufman seconded the motion.

Ms. Brogan stated that in the first reading the board had agreed that the phrase would read "*student presentations and outside/vendor consultants presentations (Presiding Officer has the discretion to move presentations listed on the agenda to before or after initial public comments)*". The agenda item tonight does not include outside/vendor consultants. She thinks if it were agreed to in first reading, it should match the second reading.

Ms. Kwak stated she thought they had agreed at the last meeting after a discussion that outside vendors should not take priority over the public.

Ms. Brogan answered that was not what we changed in the first reading. That was a previous discussion when we were discussing to put it into first reading.

Mr. Dani thinks it was a typographic error, since it was like this in first reading, and nobody asked for a change. He believes we can keep it as it was in the first reading.

Mr. Lembo stated that it may be a small error and the vendor/consultants was omitted and can be added.

Ms. Brogan stated that going forward the policy committee reviews it when it is going onto the agenda, when there is a change. It is confusing when the first reading does not match the second reading.

Ms. Kwak asked for clarification.

Mr. Lembo stated the words "Outside/vendor Consultants" would be added to the item.

## B. ADMINISTRATION

### i. Approval: Receipt of Suspension and Harassment, Intimidation, and Bullying (HIB) Reports

The Ridgewood Board of Education, upon the recommendation of the Superintendent of Schools, acknowledges it has received confidential information regarding suspensions and investigations of HIB that have occurred since the last Board meeting.

### ii. Approval: School Self-Assessment for Determining Grades Under the Anti-Bullying Bill of Rights Act and Opportunity

The Ridgewood Board of Education, upon the recommendation of the Superintendent of Schools, approves the School Self-Assessment for Determining Grades under the Anti-Bullying Bill of Rights Act and Opportunity.

### iii. Approval: Second Reading & Adoption of Revisions to Policies

The Ridgewood Board of Education, upon the recommendation to the Superintendent of Schools, approves the second reading and adoption of revisions to Policies as listed below:

- Bylaw 0164 - Conduct of Board Meetings (**Attachment B**) *revised*
- Bylaw 0169.02 - Board Member Use of Social Media (**Attachment C**) *revised*

Ms. Brogan moved approval of B. Administration.

Mr. Dani seconded the motion, which was carried by the following roll-call vote:

AYES: Ms. Brogan, Mr. Dani, Mr. Kaufman, Ms. Kwak, Mr. Lembo

NAYS: none

Mr. Dani wanted to highlight the changes to the policies. Currently as our policy stands residents receive the agenda email on the day of the meeting, sometimes a couple of hours before the meeting time. With the revised policy the agenda will be posted on the district website and circulated via the district email system 48 hours prior to the meeting time, a reminder email with the agenda will be sent the day of the meeting. If the residents remember, we approved the board goals and one of the goals was to increase transparency and this is in line with that. Also we changed the

order of business at the board meetings, there are two opportunities to make public comments at the board meetings. The first one used to be that the public comments were after the presentations and the second one towards the end but not really the last item on the agenda. Public comment period was unpredictable and often after several hours of wait, there were often discussions that came after the second public comment period. With the changes today, the first public comment should start at the beginning of the meeting and some days we may give priority to student presentations or outside vendor presentations but the presiding officer will have control over this and move public comments before the presentations. As many residents know there is a gold plated plate installed on the podium in the counsel chambers in the Village Hall engraved with Roger Weingast strongly held belief that the public will always have the final word. This will start here at the Board of Education meeting, we are moving our second public comments to the end of the meeting where there will be no discussion items after the public comments and the public will have the final word. We have added a new section for Superintendent's report and a new section for items that are not suitable for the consent agenda, any items that do not qualify as routine business will be read in full and voted separately. Lastly, there are positive changes for board members' use of social network policy, with that he votes yes.

Ms. Kwak thanked Mr. Lembo and Mr. Dani for their hard work and Ms. Brogan for catching that.

Dr. Fishbein presented for consideration C. Curriculum & Instruction.

## C. CURRICULUM & INSTRUCTION

### i. Approval: Field Trips

The Ridgewood Board of Education, upon the recommendation of the Superintendent of Schools, approves field trips as listed on **Attachment D**.

### ii. Approval: Professional Development Agreement with Joseph J. Goebel Jr. Ph.D.

The Ridgewood Board of Education, upon the recommendation of the Superintendent of Schools, approves the professional development agreement with Joseph J. Goebel Jr. Ph.D for Strengthening a WL program: Pushing the Standards and Input Workshop, in the amount of \$1,800.

The Board has received background information.

### iii. Approval: Additional Budgeted Out of District Placements and Extraordinary Services for the 2020-21 School Year and Additional Budgeted ESY Placement for the 2020-2021 School Year

The Ridgewood Board of Education, upon the recommendation of the Superintendent of Schools, approves the additional budgeted Out-of-district Placements and Extraordinary Services for the 2020-21 School Year and the additional ESY Placement for the 2020-21 School Year, as listed below.

<b>2020 - 2021 ESY Out-Of-District Placements</b>	
<b>School</b>	<b># of Students</b>
Morris-Union Jointure Commission, New Providence, NJ	1
River Dell Regional, River Edge, NJ	1
<b>2020 - 2021 Out-Of-District Extraordinary Services</b>	
<b>SCHOOL</b>	<b># OF STUDENTS</b>
Morris-Union Jointure Commission, New Providence, NJ	1
Franklin Lakes Board of Ed, Franklin Lakes, NJ	1
<b>2020 – 2021 Out-Of-District Placements for REGULAR SCHOOL YEAR TUITION</b>	
<b>SCHOOL</b>	<b># OF STUDENTS</b>
Paradigm Therapeutic Day School, Midland Park, NJ	1
River Dell Regional, River Edge, NJ	1
Rockland BOCES, West Nyack, NY	1
Franklin Lakes Board of Ed, Franklin Lakes, NJ	2

Ms. Brogan moved approval of C. Curriculum and Instruction.

Mr. Kaufman seconded the motion, which was carried by the following roll-call vote:

AYES: Ms. Brogan, Mr. Dani, Mr. Kaufman, Ms. Kwak, Mr. Lembo

NAYS: none

Dr. Fishbein presented for consideration D. Human Resources.

#### **D. HUMAN RESOURCES**

i. **Appointments**

The Ridgewood Board of Education, upon the recommendation of the Superintendent of Schools, approves the appointments listed below, subject to receipt of appropriate documentation and the New Jersey Department of Education (NJDOE) certificate, if required.

**Teacher**

EBENHACK, Kayley - Leave of Absence Replacement Resource Room Teacher (non-tenure track), Willard School, effective December 1, 2020, or as soon after as possible, through June 23, 2021. Ms. Ebenhack possesses an NJDOE Certificate of Eligibility with Advanced Standing as a Teacher of Students with Disabilities and Certificate of Eligibility with Advanced Standing as an Elementary School Teacher in Grades K-6. Ms. Ebenhack will be registered into the NJDOE Provisional Teacher Program.

### iii. **Resignation**

The Ridgewood Board of Education, upon the recommendation of the Superintendent of Schools, approves the resignation listed below.

#### **Lunch Aide**

JOHNSON, Hallie - Lunch Aide, Somerville School, effective October 23, 2020.

### iv. **Resignations for the Purpose of Retirement**

The Ridgewood Board of Education, upon the recommendation of the Superintendent of Schools, approves the resignations for the purpose of retirement listed below.

#### **Teacher**

**Revision:** PRICE, Karen - Speech Language Therapist, Glen School, **from** effective January 1, 2021, approved by the Board at its meeting on October 19, 2020, to effective March 1, 2021, with twenty-three years of Ridgewood service.

#### **Infant/Toddler Development Center**

##### **Classroom Aide**

GALLAND, Joan - Teaching Assistant, effective November 1, 2020, with 30 years of Ridgewood service.

**v. Leave of Absences**

The Ridgewood Board of Education, upon the recommendation of the Superintendent of Schools, approves the leave of absences listed below.

BARBA, Ashley – Third Grade Teacher, Ridge School, effective February 5, 2021 through June 23, 2021, with a reinstatement date of August 31, 2021, using sick days in accordance with the REA/Board Agreement and utilizing the FMLA and/or NJFLA leave entitlement.

BOURQUE, STEVEN – Music Teacher, Ridgewood High School, effective March 22, 2021 through May 7, 2021, with a reinstatement date of May 10, 2021, using sick days in accordance with the REA/Board Agreement and utilizing the FMLA and/or NJFLA leave entitlement.

**Revision:** EMPLOYEE #6558 – Special Education (RISe) Teacher, Benjamin Franklin Middle School, **from** effective June 15, 2020 through June 19, 2020; and September 1, 2020 through December 14, 2020, with a reinstatement date of December 15, 2020, approved by the Board at its meeting on June 29, 2020, **to** effective June 15, 2020 through June 19, 2020; and September 1, 2020 through November 25, 2020, with a reinstatement date of November 30, 2020, using sick days in accordance with the REA/Board Agreement and utilizing the FMLA and/or NJFLA leave entitlement.

**Revision:** KIM, Linda - Social Studies Teacher, Benjamin Franklin Middle School, **from** effective September 1, 2020 through November 25, 2020, with a reinstatement date of November 30, 2020, approved by the Board at its meeting on June 29, 2020, **to** effective September 1, 2020 through April 30, 2021, with a reinstatement date of May 3, 2021, using sick days in accordance with the REA/Board Agreement and utilizing the FMLA and/or NJFLA leave entitlement.

\*Related to staff member

Ms. Brogan moved approval of D. Human Resources.

Mr. Kaufman made a motion to remove the item regarding Ridgewood Wrestling staff due to a concern that was brought up last school year by a parent to discuss further.

Dr. Fishbein stated that nobody has been riced for this meeting.

Mr. Kaufman said he will not bring up names, but has made his intentions clear about his concerns.

Ms. Kelly confirmed with Mr. Lembo that we were pulling that item off and voting for the others.

Dr. Fishbein stated that in the future based on the bylaws that were passed there won't need to be a second to be passed, but that's what occurred earlier tonight. Therefore he asked if there is a second to pull that item off to discuss? There would need to be a second to Mr. Kaufman's motion to pull off the wrestling coaches for discussion.

Ms. Kwak wants to understand if there is some sensitivity issue with this item that they cannot discuss.

Dr. Fishbein stated that you cannot talk about a person's terms of employment in public unless they have been properly noticed and agreed to have that discussion in public, otherwise it would be an exec item.

Ms. Brogan confirmed that in order to pull it, somebody has to second the motion.

Dr. Fishbein stated if there is a second, the board can discuss it but it would have to be in an exec session if it is about an individual. If there is no second, it gets voted on.

There was no second to Mr. Kaufman's motion.

Mr. Lembo seconded the motion, which was carried by the

following roll-call vote:

AYES: Ms. Brogan, Mr. Dani, Ms. Kwak, Mr. Lembo, Mr. Kaufman; excluding the wrestling staff that he votes no.

NAYS: none

Dr. Fishbein presented for consideration E. Finance.

## E. FINANCE

### i. Acceptance of Restricted Donations:

The Ridgewood Board of Education, upon the recommendation of the Superintendent of Schools, accepts the following restricted gifts for the **2020-2021** school year, to be used as indicated.

Donor	Amount	Use	Account Number
Ridge HSA donation	\$1,120	To be used for the Library Book Gifting Program	20-025-100-610-00-04-004-002

### ii. Approval: 2021 Lemelson-MIT InvenTeam Grant Agreement

The Ridgewood Board of Education, upon the recommendation of the Superintendent of Schools, approves the grant agreement between the Massachusetts Institute of Technology (M.I.T.) and the Ridgewood Board of Education for the Lemelson-MIT InvenTeams grant in the amount of \$8,500.

Hsuan Labowsky, Educator Supervisor, will supervise the Ridgewood High School InvenTeam in the development of an invention prototype as part of a course and/or out-of-school time activity to support invention education through a collaborative approach designed to foster group decision-making and self-directed learning. The grant period is from October 1, 2020 to June 19, 2021.

### iii. Approval: Renewal of Transportation Contracts for the 2020-2021 School Year

The Ridgewood Board of Education, upon the recommendation of the Superintendent of Schools, approves the renewal of transportation contracts for the 2020-2021 school year, as listed below. The contracts reflect a 1.7% CPI index which has been mandated by the state of NJ for 2020-2021.

Route #	Contractor	School	Annual Cost

iv. **Approval: Submission of The School Security Grant Application**

The Ridgewood Board of Education, upon the recommendation of the Superintendent of Schools, approves the submission of the Securing Our Children's Future Bond Act School Security Grant application. The District's allocation of funds is \$323,215. The district had the available funds in case the project cost exceeded the grant allowance.

v. **Approval: Revision of Effective date for the new Substitute Rates of Pay for the 2020-2021 School Year, approved by the Board at its meeting on October 19, 2020**

The Ridgewood Board of Education, upon the recommendation of the Superintendent of Schools, approves the revision of the effective date of the new Substitute Rates of Pay for the 2020-2021, approved by the Board at its meeting on October 19, 2020 to be effective November 16, 2020.

vi. **Approval: Award of Contracts to Cooperative Purchasing Vendors in Excess of \$40,000**

The Ridgewood Board of Education, upon the recommendation of the Superintendent of Schools, approves the award of contracts to Cooperative Purchasing Vendors in excess of \$40,000 for goods and services.

The Board has received background information.

Ms. Brogan moved approval of E. Finance.

Ms. Kwak seconded the motion, which was carried by the following roll-call vote:

AYES: Ms. Brogan, Mr. Dani, Mr. Kaufman, Ms. Kwak, Mr. Lembo

NAYS: none

Ms. Brogan wanted to thank Dr. Labowsky, it is a great opportunity to help with our students with the invention teams grant. They have been working hard on that since last year. They presented at Super Science and there may be another opportunity for them to present at Super Science again virtually. Congratulations to the students and to Dr. Labowsky for her leadership in this area.

Mr. Lembo read the donations into the record and thanked the responsible parties.

## VIII. APPROVAL OF BILLS

The Ridgewood Board of Education, upon the recommendation of the Superintendent of Schools, approves the payment of bills as listed below.

DATES	DESCRIPTION	CHECK NUMBER	AMOUNTS	REVIEWED BY
Oct 28	Columbia Bank On-Line	099706-099898	1,956,853.43	S. Dani
Oct 15	Payroll Transfer	P32658	3,148,452.26	S. Dani
Oct 19	Electronic Transfer	L32657	24,514.00	S. Dani
Oct 8	Electronic Transfer	R32659	1,491.07	S. Dani

Oct 27	Colombia Bank Void Check	099571	(22,773.33)	S. Dani
<b>TOTAL</b>			<b>5,034,071.92</b>	

Mr. Dani moved approval of bills reviewed by him.

Ms. Kwak seconded the motion, which carried by the following roll-call vote:

AYES: Ms. Brogan, Mr. Dani, Mr. Kaufman, Ms. Kwak, Mr. Lembo

NAYES: none

#### IX. BOARD MEMBER ANNOUNCEMENTS

Ms. Brogan announced school construction continues to be discussed in Trenton as the Education Law Center prepares to file a suit against the state for its failure to provide school construction aid to the 31 poorest districts in the state. These 31 districts, once known as the Abbott Districts, include the following districts:

- Asbury Park Public Schools (Asbury Park)
- Bridgeton Public Schools (Bridgeton)
- City of Burlington Public School District (Burlington City)
- Camden City Public Schools (Camden)

- East Orange School District (East Orange)
- Elizabeth Public Schools (Elizabeth)
- Garfield Public Schools (Garfield)
- Gloucester City Public Schools (Gloucester City)
- Harrison Public Schools (Harrison)
- Hoboken Public Schools (Hoboken)
- Irvington Public Schools (Irvington)
- Jersey City Public Schools (Jersey City)
- Keansburg School District (Keansburg)
- Long Branch Public Schools (Long Branch)
- Millville Public Schools (Millville)
- Neptune Township Schools (Neptune Township)
- New Brunswick Public Schools (New Brunswick)
- Newark Public Schools (Newark)
- Orange Board of Education (Orange)
- Passaic City School District (Passaic)
- Paterson Public Schools (Paterson)
- Pemberton Township School District (Pemberton Township)
- Perth Amboy Public Schools (Perth Amboy)
- Phillipsburg School District (K-12 from Phillipsburg, 9-12 from Alpha, Bloomsbury (in Hunterdon County), Greenwich Township, Lopatcong Township, and Pohatcong Township)
- Plainfield Public School District (Plainfield)
- Pleasantville Public Schools (K-12 from Pleasantville, 9-12 from Absecon)
- Salem City School District (Salem, New Jersey)
- Trenton Public Schools (Trenton)
- Union City School District (Union City)
- Vineland Public Schools (Vineland)
- West New York School District (West New York)

Prior to the COVID 19 shutdown, there was discussion about the state issuing bonds for \$7 billion, \$4 billion for school construction projects in the Abbott districts, and \$3 billion to replace the lead-contaminated water infrastructure. Discussions ended when COVID struck and the state revenues declined.

In 1997, the state Supreme Court issued an order that the state had to allocate funds to build and renovate school buildings in the 31 Abbott districts. Work began shortly after, and the allocated funds were used. More school construction was needed, and the state added \$3.9 billion in 2007.

As the legislature allocated that money, they also provided rodd grants to regular operating districts. We benefited from that, we got paid back some money for the high school construction that we did in 1999 and we also benefited when we did construction in 2010.

Even if the state had money to allocate, the School Development Authority has been under investigation for managerial malfeasance; therefore, there may be a reluctance to issue any further bonds at this time. The Supreme Court will have to decide the next step for school construction in the Abbott districts.

Earlier this month, Governor Murphy appointed Dr. Angelica Allen-McMillan to be the Acting Commissioner of Education.

Acting Commissioner Allen-McMillan has a 25-year career in education. She began her career as a substitute teacher in Essex County and taught in East Orange Public Schools before she launched the Marion P. Thomas Charter School in Newark. She served as an assistant principal and principal in the South Orange-Maplewood School District, and as an assistant superintendent in both Irvington and Newark Public Schools. Most recently, Acting Commissioner Allen-McMillan served the New Jersey Department of Education as the Interim Executive County Superintendent for Morris County. As a resident of Montclair, she also served on the Montclair Board of Education.

Mr. Lembo stated the NJBSA's Virtual Workshop 2020 was held two weeks ago. The videos are available for the entire year. Mr. Lembo shared that there were some fantastic presentations on topics including leading during COVID-19, a legislation update, social justice, and elementary night school to help teachers connect with working parents.

Ms. Brogan also congratulated the district on the parent academy videos designed to help elementary parents through virtual learning.

## **X. BOARD COMMITTEE REPORTS**

Mr. Dani attended the Parks and Recreation Committee meeting, and one of the items they brought up was ways that we can think of to stop vandalism.

Dr. Fishbein shared that some port-a-johns were burned over the weekend, which was captured on video. These port-a-johns cost the district about \$1,000 each.

Mr. Dani said that the committee asked that the district explore ways to help prevent vandalism, adding more cameras or anything else.

Mr. Kaufman stated that there is a Fields Committee scheduled to meet on November 3, and the issue of vandalism would be discussed at that meeting

## **XI. COMMENTS FROM THE PUBLIC**

Laurie Weber, 235 South Irving Street, Regarding the presentations for the prospective superintendent search firms. She was surprised to hear a name and see someone she recognized from her children's days at elementary school, Monica Brown. She believed she came to the district when she was expecting her first child and then had another one during her time with us, she remembers her pretty well and since Monica brought up her connection with Ridgewood Public Schools and knows that Ridgewood sometimes favors people with a connection. During the years that Monica Brown was with us there were some lessons, involving school bullying, including staff members, substitute staff and in spite of witnesses she can't help but remember that she did not do anything. She wants to point out

if the board is considering hiring her firm, she urges them to look at her further.

The following comment was submitted online:

Mary Micale, 239 Heights Rd., At the last meeting on 10/19 I asked for an explanation from the BOE as to the justification of the change in the social media policy, specifically how allowing BOE members to comment on matters before the Board or re: the schools on social media furthers the mission of the BOE or benefits our students and schools. I am disappointed that none of my questions were addressed at the last meeting or tonight, even after Mr. Dani read a prepared statement discussing the policy changes regarding public comment and the order of business (which I think are beneficial changes). Yet, not one word re: the change in the social media policy was mentioned. In the interest of transparency -- a stated goal of this Board -- the public is entitled to an answer to this question. I urge the Board to address the change in the policy. Thank you.

Mr. Lembo answered the question and stated that the change in the social media policy is not for the board members to go out and speak on positions of the board, it was to allow board members to answer certain questions. It is not to be split apart and go out there and speak, we are still members of the public and can speak out. We are held to a higher standard but we are still going to make sure that we are out there giving good words, that's why that was there.

## **XII. DISCUSSION ITEM**

Mr. Kaufman discussed the Gifted and Talented program and understands that the deadline has been extended to December.

Ms. Poelstra stated that our report was submitted by October 1 as outlined by the law. The state identified that districts can submit until December, but if it were after October 1 they would not be in compliance.

Mr. Kaufman asked what is involved in that report?

It required us to show that we have information posted on our website regarding our process. The items on our website are what were submitted to the state, it is under Curriculum.

Mr. Kaufman said that from talking to a few parents he wants to discuss what he understands. If a child is identified as gifted and talented they are given busy work to do on the side during class. He suggested that the district explores the idea of funding a gifted and talented club or a separate teacher to run the club so that those kids can reach their potential. He does not think a kid in the class who is given extra work will not reach their potential.

Dr. Fishbein shared that, during his observations of teachers, he has witnessed the seamless integration of differentiation activities in the classroom. He has not seen it as busy work, the teachers work with the student doing the work as well as the other students who do not receive those extensions.

Ms. Poelstra added that the district is identifying students who meet certain criteria for Individualized Differentiation Plans (IDP). This year, the staff developer is reviewing the IDPs, and teachers will be sharing them with parents during individual conferences. The district will continue to review practices in this area. It is a very small number of students who get these accommodations. As teachers see students who grasp a concept quickly, they can differentiate on the spot without a prior plan.

Mr. Kaufman asked if we will get feedback from the parents of those students?

Mr. Dani said that he has heard only one parent has reached out to us, but Mr. Dani has forwarded an email to Ms. Poelstra with a petition from parents.

Ms. Poelstra has received the email today. She stated that the state will not provide specific criteria.

Ms. Brogan stated our goal #4, this year our goal is to take a look at that and there should be some action plans from our administrators to identify how we are looking and recognizing that. This is looking at how we are enhancing our curriculum.

Mr. Kaufman wants to steer us to a place where we can provide more outside of the classroom, and after school program that is funded by the district.

Ms. Poelstra also explained that the law says that those services must be provided as part of the instructional day; therefore, any afterschool program would not be compliant with the law. Should we want to do more, we would have to do budgeting and work it into the development of the budget. We are looking at our practices in this area. The staff developer is working with our teachers, we've enhanced our math curriculum, this is an area we are focusing on and paying attention to.

Ms. Brogan stated at one point we had teachers who were resources for staff and worked with all students. This would be something to strive for if our budget would allow for it.

### **XIII. ACCEPTANCE OF MINUTES**

- October 19, 2020 Regular Public Meeting

Ms. Kwak asked about the October 19 Exec Session minutes.

Ms. Kelly answered that those minutes were received late and that is why they are not on there for approval. They will be put on for the next board meeting.

Ms. Brogan moved Acceptance of Minutes. Mr. Lembo seconded the motion, which was unanimously approved.

### **XIV. OTHER BUSINESS**

Mr. Dani asked about the switchgear/transformer project, he wanted to understand some

history of the project and where we are with that.

Dr. Fishbin explained in May of 2018 the Board of Education approved that project in public discussion. The switchgear is a big lever that when pulled shuts the electricity off to the building so that repairs can be made. The switchgear is antiquated and there is a fear that if we engage it, it won't turn back on. This is a project that they approved and we were targeting to do last summer, unfortunately when we brought PSE&G into the project to talk about the crossover, they asked to see the transformer which are in a crypt adjacent to where the switchgear is. They informed us at the time that they don't do transformers anymore and they don't allow transformers to be subterranean which changed the scope of the project. Because there is a lead time of 6 months for these transformers, we could not do the project during that summer and we pushed to move it to this coming summer.

Mr. Dani stated he looked through some of the meeting minutes and he did attend some of the meetings as an audience. The way he understands it, this project was approved for 18/19 school year, approved on May 18 in the 17/18 school year that was approved to be submitted to the state but from the 18/19 budget. What happened to the money that was earmarked for that project?

Ms. Kelly answered that it went back to capital reserve, because timing wise we were approved in May by the state and it was too late since it takes 26 weeks to order the transformer. We were not able to do that project during that school year and the money went back to capital reserve.

Mr. Dani stated still after that we had two more summers.

Ms. Kelly responded that in 18/19 it was in there again, but what we discovered from PSE&G with the additional scope to the project; the original project we were thinking was going to be approximately \$400,000 but was more like \$750,000 and we did not do the project again because we did not have enough capital reserve for the projects we had budgeted with this additional expense.

Dr. Fishbein also stated the timing, because we have to do this project in the summer.

Mr. Dani stated that he is going from the timing perspective, we had 2 summers after when we were unable.

Dr. Fishbein the first summer was just a few months away, and then as they explored the scope of the project that is when PSE&G came in and we couldn't reuse the transformers, they will come and take them out but we cannot reuse them the way they are. That came to this past summer and we could not do the work because of the timing of purchasing the transformer

Ms. Kelly added that it was very hard to get PSE&G to cooperate, we tried and tried to get them to come so that we could do the project, they took so long to get them to physically come and look at it, that by that time it was too late again.

Dr. Fishbein stated that while this is a transformer project there are times when we've

approved window replacements, another long lead time item. It is not done in the budget year that we approved the money but in the subsequent year. It is allowable and then is done.

Mr. Dani stated that the capital budget he understands that part, when we talk about the reserves you mentioned that we need to put at least 750,000 in reserves and we put more than that. Is that for the reserve for the current year 20/21 or for 21/22?

Ms. Kelly stated we budgeted part of it, what we have in there right now can be used for next year. We appropriated for this year's budget, she thinks 1.5 million what's left is 1.3 or .4, what is left is available for us to review and utilize going forward into next year's budget.

Mr. Dani said ok, we did discuss this project and there is more than 1 million dollars in the budget for that project, but the communication he is seeing is putting into the next year's budget.

Ms. Kelly answered correct it is not in this year's budget, it is for next year's budget. When we do the budget with our new business administrator he will have to put the reserve money into the budget to do that project in the upcoming summer.

Mr. Dani stated for the current year we do not have capital projects planned.

Ms. Kelly said we did them already for the year we are in now, we did the field, the gym and Orchard.

Mr. Dani confirmed from this year's budget?

Ms. Kelly answered yes. The money that is left over 1.3 million is available to move forward.

Mr. Dani said he may have the timing wrong because he thought we had to approve by June 30 to be in the last year's budget.

Dr. Fishbein said that you always approve your capital projects in the year before because you try to do them in the summer.

Mr. Dani stated he thinks that we are aware of the project and we are aware of the money and where it is. His next question is on the scope of the project and the way or the process that we are currently in, he understands we need 26 weeks for the transformer. The original scope of the project was for the switchgear that we paid the architects in 2018 was for the switchgear project, they did not know that as part of the switchgear replacement we also have to move the transformers out from subterranean, an expert architect should have known that.

Dr. Fishbein stated that was a PSE&G decision.

Mr. Dani asked to finish his thought, he believes and they may completely disagree with him, he believes that an architectural firm that is representing school district and is

undertaking a 400,000 project to replace the switchgear, submitting paperwork to the state they should have known that when we are changing the switchgear and we call PSE&G for transformers they would not move those transformers from subterrain to outside and it would be a project for them. Regardless, none of the school boards in Ridgewood have ever approved this project for any architectural firm for transformers, the only approval was for switchgear.

Ms. Kelly said, but it is part of the project.  
Ms. Kwak stated but the scope has changed.

Ms. Kelly asked everyone to stop, and stated that you need to do this project and you need to do it now.

Mr. Dani asked Ms. Kelly to allow him to finish, we get these types of projects that you need to do it and you need to do it now otherwise it will be too late, we have seen that movie before. His question is we do not have an architect of the record today, it's a \$750,000 plus project, this is the only project that we have planned for this year, we have architects interviews coming up next week and if we are going ahead and allocating this project or rewarding this project without a Board approval to any architectural firm that is currently not officially on the record are we not undermining the process of interviews?

Dr. Fishbein answered no and asked for the opportunity to explain, the term architect of record allows them to advise us, if they do a project there is a separate engagement letter that we receive and get approval from the Board of Education, we have expended funds in this process already, it would be wasteful for us not to move forward with the engineering that has already occurred, that they already understand and bring another firm in to redo the work that has already been done, because no architectural firm will take another's architectural or engineering specifications and use it as theirs.

Mr. Dani said we have interviews next week and we can ask the firms that and we can decide at the November 15 meeting.

Ms. Kelly asked why would we do that and waste money?

Ms. Kwak said she is curious about the fact that you said the scope changed but you said they had done the work, so who authorized that?

Dr. Fishbein answered the Board of Education.

Ms. Kwak said she didn't see it was in 2017/2018, that was the prior board.

Dr. Fishbein replied that there is no prior board, the actions of this board no matter who is sitting in the chairs is the actions of this board, whether it happened ten years ago, two years ago or eight months ago

Ms. Kwak said but noone voted on that specific project, that is all she is saying.

Ms. Kelly said that we already had a contract with LAN to do the work, we have an open

purchase order that got delayed because of ancillary other things that went on. We have to do this project, to bring someone else in to do the work all over again will waste time and you will not have enough time to do this project.

Mr. Kaufman asked if we already paid LAN?

Mr. Lembo asked everybody to stop and relax.

Ms. Kelly asked to speak.

Ms. Kwak said to Ms. Kelly that the President has the floor.

Mr. Lembo told everyone to relax, there is a project that needs to get done. He asked Ms. Kelly, has work we already contracted out with LAN, has work already been started whether it's preparation, or there has been money paid, correct?

Ms. Kelly replied correct.

Mr. Lembo asked Ms. Kelly to finish.

Ms. Kelly stated if we bring in another firm at this point, they will have to go and redo what they have already done. We have to get these things ordered so we can do the project in the summer. If we don't do it again and the power goes out and we can't get that building back up, it will be out for a few months. We have to anticipate what is coming forward to use as far as the budget and the capital projects that need to be done, to her, it is silly to wait and hire another architect of record to come in and redo the project that we have already started.

Mr. Dani stated that he has searched all of the minutes in 2018 and he has not found any approval by board, except for submission of plans for switchgear project to the state that was done in 2018 and the numbers at that time were in the range of \$400,000 , any revised plans or any revised numbers were not approved by this board, for any design work or bidding work. The other thing he has pointed out twice is what he has read that all the bidding documents should be issued by the business administrator and that work should not be outsourced to an outside consultant. Right now we do not have an architect of the record, we cannot be doing the bidding or getting the transformer ordered from a firm that is not our firm.

Dr. Fishbein stated that he does not know of any district who doesn't engage an architect or engineer to do the specifications or the bid documents.

Mr. Dani said it's not about the bid documents, what he is saying is giving those bid documents to the vendors. The district is responsible to issue the bid documents and to the vendors and not the design, but the actual bid documents and getting the bids is part of the school district responsibility. To him, we have interviews next week and if we are doing something this week and awarding the projects without board approvals, that is undermining the architectural interviews.

Dr. Fishbein said his answer would be the same, he does not know of one district that distributes the bid documents, and the board has approved this project.

Ms. Kwak stated at \$400,000.

Dr. Fishbein said the bids did not go out and while we had an estimate of that cost before we knew about the transformers, there is a change in the scope, but that is at the whim of PSE&G.

Ms. Kwak stated that a project goes from 400,000 to \$750,000, she is saying where is the approval for the \$750,000 project?

Ms. Kelly said it is an estimate.

Mr. Kaufman wants to know how much we have spent on this project so far.

Ms. Kelly answered that the only thing we've spent so far is LAN, the total fee was 32 and change, they spent up to the construction phase, because we never got there. There is a balance of \$6800 for construction administration services.

Mr. Kaufman asked are we still responsible for the remaining \$6800.

Ms. Kelly answered once they start doing construction work, the monitoring of it we will pay the \$6800.

Mr. Kaufman asked if it is responsible of us to walk away after spending \$32,000 on a project, we can use a different architect and we are not undermining anybody this is a project that was talked about 2-3 years ago. What is the concern? He gets that Mr. Dani brings up the facts, but asked him to get to the point. Is it the problem, because of LAN?

Mr. Dani said are we saying the total commitment for LAN is \$6800?

Ms. Kelly replied that is the amount that is left, we already spent the majority from the proposal.

Mr. Dani asked do we know the total scope of the project?

Ms. Kwak asked what do we owe LAN if we go ahead with this.

Mr. Dani said looking at the emails we don't know the total scope of the project, it can vary.

Ms. Kelly confirmed if he was asking if we will owe LAN additional money?

Mr. Dani replied right because if what they are proposing, they are saying that we don't know yet. The total scope can vary from 800,000 to 1,000,000, the total scope is changing. We have seen 200,000, 400,00 and 750,000 and now he's seeing 800,000 to 1,000,000 the project is not yet scoped.

Mr. Lembo asked are these numbers based on 2 years ago?

Mr. Dani said now it's 850,000 to 1,000,000 the overall project is not scoped. LAN's total cost of 10% to 13% is not scoped. That is his question, the 6,800 will cover everything that LAN will get?

Ms. Kelly said it's a flat fee, it is not a percentage of the project.

Mr. Dani said the transformer cost \$44-50,000 what is the remaining 750,000?

Ms. Kelly answered it is to do the entire project, it is not just the transformer.

Mr. Dani asked will the \$6800 include construction management and bid management, everything from now until the end of the project?

Ms. Kelly said her understanding is that it is a flat fee proposal for this project.

Mr. Kaufman asked if Ms. Kelly could find that out, before we do anything.

Mr. Dani asked for a copy of the contract.

Ms. Kelly added that they have the proposal.

Ms. Kwak said Mr. Kaufman has a valid point, if this project gets undertaken by LAN what is our exposure. She understands the subcost element, but if they take on this project. She is still confused how the project went from 400,000 to 750,000 and the board does not know about it and that there was no approval.

Ms. Kelly asked Ms. Kwak to stop saying that there was no approval because by approving that purchase order, regardless of whether it is in the agenda, the board has approved it.

Mr. Dani said the approval is for \$6800, he does not see 32,000 .

Ms. Kelly said no, it was for the whole thing, it was 32 and change, the last part is for 6800 for the construction section.

Ms. Kwak said she wants to put a point of order here, they are trying to get to the bottom of this. The board, she is genuinely confused. She resents and hopes that Ms. Kelly can accord them some guidance and shed some light

Ms. Kelly said she is trying to explain what happened and what is going on, we had a contract with LAN through this purchase order to do the design, bidding, the overseeing of the project. Unfortunately it got delayed 2 summers because PSE&G was not available and then springing on us that we cannot do the project anymore this way, and that they don't move the transformers.

Mr. Dani said he understands the cost of the transformers, he wants to understand the rest of the cost of project.

Dr. Fishbein asked if Mr. Dani wants to see the bid document.

Mr. Dani said yes, something that tell us where the money was going.

Mr. Lembo asked Ms. Kelly, you're telling us that this project was already approved with LAN?

Ms. Kelly answered yes, LAN was approved to go ahead and do the design and each phase of the project as the architect.

Mr. Lembo questioned, the entire project?

Ms. Kelly said yes.

Mr. Lembo answered, we are not able to say lets order the transformer and when we get a new architect of record, we can't cut it and change architects?

Dr. Fishbein said they won't take designs from another firm.

Mr. Kaufman added yes, architects won't do that.

Ms. Kwak asked what is the district's financial exposure on this project. What do we owe LAN? Will 6800 take us to the completion of the project?

Ms. Kelly said there is 6,800 left on the purchase order which is to monitor the project from not until the end.

Ms Kwak asked 6800 is the complete, absolute exposure.

Ms. Kelly answered from LAN's contract.

Ms. Kwak said that project is both the transformers, the switch board, the \$750,000, which we have approval of when? When did we vote on this? In 2018 it was for \$400,000 was approved and the scope changed.

Dr. Fishbein added that the board does not approve an estimated number, the board will approve the bid. When it comes in and we have definite numbers that is what the board approves. The board approved giving the administration and LAN the green light to go ahead with the project.

Ms. Kwak stated, so the board approved a \$400,000 project.

Dr. Fishbein answered no. The board did not.

Mr. Kaufman stated no we just approved the project, we did not approve any money at all. We approved to move forward, that this is something that needed to happen, so the previous board, which is still us as a board, said yes we need to do this project and we are still waiting on the final numbers.

Ms. Kwak said when the final number is almost double the initial estimate, don't we have a fiduciary responsibility to assess and vote on it? We approved a project without numbers, now we have a bid that is 800,000, she does not really know. Don't we have an obligation to vote on it at such a number? Right now she doesn't know what they are doing. She does not know how much their exposure is from LAN. She does not know the size of the project.

Ms. Kelly said she just said that it is \$6800.

Ms. Kwak said \$6,800 but what is the size of the project?

Ms. Kelly said it is between \$800,000 to \$1,000,000.

Ms. Kwak said that is a big range.

Ms. Kelly answered that is because you have to go out to bid, we don't know what the numbers are.

Ms. Kwak stated that she thinks it behooves us to understand, rather than saying here is our checkbook. \$800,000 to 1,000,000 is a big range. She is saying that right now, what is the status of this.

Mr. Kaufman said it is pending.

Mr. Lembo said we have to pay the \$6800 to LAN and we have to order the transformer.

Ms. Kelly added we have to order the transformer no later than December because it takes 26 weeks for the lead time.

Ms. Kwak said we are meeting with architects, interviewing them next week, that is within the December 1 timeframe.

Dr. Fishbein stated that the district will order the transformer, we are expecting it to be within the bid threshold, so we will order the transformer.

Mr. Lembo said we should at least have the equipment, no matter who puts it in, we can always look at that, but he thinks we need to have the equipment available since it will take 6 months.

Ms. Kelly said it will be 26 week lead time just for the transformer. The other equipment we need still has a lead time. You will have to go out to bid, per the architectural firm by January and award for the project for it to be done in the summer, because you need the time to put the equipment together.

Mr. Lembo asked so we need to bid for the construction that is separate from LAN?

Ms. Kelly said no, LAN will oversee as the architect.

Mr. Lembo confirmed that LAN will be doing the bidding?

Dr. Fishbein said yes, they have put the bid documents together.

Mr. Dani said LAN has already charged. The \$6,800 is only pending, so we've already paid them for bidding, design was separate, we have already paid them and bidding is not done yet.

Ms. Kelly said we still have to do the bidding.

Mr. Dani said if it is \$6,800 he does not have a problem, but based on the numbers we have seen the architects charge for the total project commission, if it is a \$750,000 project, he would like to see the scope to confirm that it is only \$6,800.

Mr. Lembo said he thinks we will get that.

Mr. Kelly said she will confirm with LAN.

Mr. Kaufman added if the concern is \$6800, if we are looking at a new architect, we are looking at a lot more money than \$6800.

Mr. Dani said we don't know that, his question is that we don't know the scope and we should not be moving forward and buying equipment.

Mr. Kaufman added let's just wait and find out the answer and then we can decide how we want to move forward.

Ms. Kwak said she wants to know if it will be 400, 750, 800 to \$1,000,000.

Dr. Fishbein answered that we won't know definitively how much until the bids come in.

Ms. Kwak said ok, that is all she needs to know because right now it sounds like we are proceeding and paying LAN something to be determined, they are in charge of something for a project that could be a wide range, that is her concern. If you are saying that the board will get information, will get to vote on this project.

Dr. Fishbein answered that the board always votes on a bid.

Ms. Kwak said she didn't know about this until just now, they didn't get to vote on anything. She has just been told that it will be LAN.

Ms. Kelly said you don't vote until we go out to bid, and we have not done that yet. That is why Ms. Kelly brought it up again now, because of the time that we need to do this. That is why she met with Dr. Fishbein and said we will run out of time again. We have to do this now.

Mr. Lembo said he appreciates that.

Ms. Kwak she appreciates that, but she wishes she had heard about it a little earlier.

Ms. Kelly answered that she has talked about it before. She brought it up last June when we were putting money in the reserve, she said at that time that the project has to be done and it will be about \$750,000, she has said it before. She brought it up again now, because unfortunately she will not be here for this project and they will have to move on it, if we don't take the opportunity to order the things we need now we will not have the time to do the project in the summer, we have the money in capital reserve, so it needs to be part of the budget. That is why she is also bringing it up because the budget process is starting and we need to think about that too.

Ms. Kwak stated that we are just waiting for information.

Ms. Kelly asked what information besides the \$6,800 do you want?

Mr. Kaufman said just the confirmation of that and that there are no hidden charges.

Mr. Dani said the information he is looking for, he understands \$44-50,000 of the cost of the transformer, and some high level breakdown for the cost of the remaining \$750,000.

Ms. Kelly stated that she thought sent a 2-3 pager with a diagram from the architect.

Mr. Lembo confirmed that the information was sent just to him and Mr. Dani.

Ms. Kelly confirmed that she did give Mr. Dani documents that have information on the scope.

Mr. Dani said he wants an estimated cost, if you are saying that it will be \$750,000 that we will spend, what are the different large items that we are spending money on.

Ms. Kelly said ok, she will see what she can do.

Ms. Brogan asked where are we on this, are we getting more information? Will it be a discussion for the 16th?

Dr. Fishbein said yes, we can send it out.

Mr. Lembo said there is nothing to vote on.

Mr. Dani said we don't have enough information to vote on.

Dr. Fishbein added there is nothing to vote on now.

Mr. Lembo said that there is nothing to vote on, if we should just be preparing. If we get this information back and it is 20 million or something ridiculous, we can stop it. But he thinks we have to move forward, and he believes it is under the threshold anyway.

Ms. Kelly responded yes it is. When we got quotes on it last time it was. She is hoping that is the case now.

Mr. Dani said at this point anything we say to move forward will be after the fact, because we have already moved forward.

Mr. Lembo said we are not saying move forward because it has already been approved.

Mr. Kaufman added the project, not the amount, the project was approved.

Ms. Kwak said now it is the amount which is a big deal.

Mr. Dani said the switchboard was approved.

Ms. Kwak said right, it is the specifics.

Ms. Kelly will call them first thing in the morning and get it in writing.

Ms. Brogan asked is the question is not having LAN do it, it is just getting more information?

Mr. Dani said the question is what is the scope of LAN's work. If it is 6800 and part of their original contract then sure, that was already voted on. If it is something new then the board needs to know that.

Ms. Kwak said yes we need to know, she just doesn't know, we need to get more information.

Ms. Brogan said she was just seeking clarity on this discussion, she is wondering what is the bias against LAN on a regular basis.

Mr. Dani said there is no bias against any vendor. The question is the board voted on June 1 that we want to get a new architect, we are in November now and we don't have a new architect. We have the interviews next week so when we have the final interviews we should not be undermining that process by awarding a \$1,000,000 project to an architect who is not currently on contract. If it was already voted on last year that is a different question.

Ms. Kelly added just to be clear they are not getting awarded a contract for \$1,000,000, whoever will be the vendor who does the project. They were awarded 30 something thousand.

Mr. Dani said he understands that.

Ms. Brogan confirmed the cost of the project will be whatever the bids come in.

Ms. Kelly answered yes, that will be the cost.

## **XVI. MOTION TO GO INTO EXECUTIVE SESSION**

Mr. Lembo moved to go into executive session to discuss matters pertaining to the selection of the search firm.

Ms. Kwak seconded the motion, which was unanimously approved.

Ms. Brogan confirmed we are going into exec and then will come back into the public session.

**XVII. RECONVENED PUBLIC MEETING**

Mr. Lembo announced that the board was meeting in an executive session discussing the search firms.

Ms. Kelly read the following resolution for approval.

Approve: Appoint RPAT Solutions to conduct the Superintendent search effective immediately.

Mr. Lembo made a motion to approve.

Ms. Kwak seconded the motion, which was carried by the following roll-call vote:

AYES: Ms. Brogan, Mr. Dani, Mr. Kaufman, Ms. Kwak, Mr. Lembo

NAYS: none

**XVIII. ADJOURNMENT**

At 11:00 p.m., on a motion made by Mr. Lembo, seconded by Ms. Kwak and unanimously approved, the meeting adjourned.

## 2020-2021 CONFERENCES FOR APPROVAL

Staff Member	Name of Conference Location & Dates	Rationale	Estimated Cost for Approval	# of Sub Days required
Megan Galanti	Navigating Legal Risks: Case Managing the Special Ed Student in 2020 Virtual Cornerstone Day School October 27, 2020	Professional Development	\$0.00	0
David Pfeiffer	25th Annual Conference on Advancing School Mental Health Virtual National Center for School Mental Health October 29, 2020	Professional Release Time	\$0.00	0
Megan Galanti	25th Annual Conference on Advancing School Mental Health Virtual National Center for School Mental Health October 29, 2020	Professional Development	\$0.00	0
David Tashian	25th Annual Conference on Advancing School Mental Health Virtual National Center for School Mental Health October 29, 2020	Professional Development	\$0.00	0
Jessica Vasquez	American Physical Therapy Association Pediatric Virtual Conference Virtual American Physical Therapy Association November 14-15, 2020	Professional Development	\$250.00	0
Allison Mende	BLS Instructor Recertification Fairfield, NJ Lifesavers, Inc November 17, 2020	Professional Development	\$65.00	1
Mark Ferreri	2020 NCSS Virtual Conference Virtual National Council for the Social Studies December 4 – 6, 2020	Professional Development	\$175.00	0
Megan Galanti	Addressing Behavior Challenges in the Classroom: A Look at Classroom Management Ramapo College, NJ TMI Education/Council for Exceptional Children January 26, 2021	Professional Development	\$0.00	0
Stephanie McAloon	Addressing Behavior Challenges in the Classroom: A Look at Classroom Management Ramapo College, NJ TMI Education/Council for Exceptional Children January 26, 2021	Professional Development	\$0.00	0

The total cost for these conferences is \$490.00. Upon Board approval of these conferences, the total expenditure for travel and conferences for 2020-2021 will be \$23,183.56 leaving a balance of \$176,816.44.

The total cost of substitutes for these conferences is \$100.00. Upon Board approval of these conferences, the total expenditure for substitutes for travel and conferences for 2020-2021 will be \$1200.00.

**0164 CONDUCT OF BOARD MEETINGS****Parliamentary Authority**

Roberts' Rules of Order, Newly Revised, shall govern the Board of Education in its deliberations and acts in all cases in which it is not inconsistent with statutes of the State of New Jersey, rules of the State Board of Education, or these bylaws.

**Presiding Officer**

The President shall preside at all meetings of the Board. In the absence, disability, or disqualification of the President, the Vice President shall act in his/her place; if neither person is present, any member shall be designated by a plurality of those present to preside. The act of any person so designated shall be legal and binding.

**Announcement of Adequate Notice**

The person presiding shall commence each meeting with an announcement of the notice given for the meeting or a statement regarding the lack of adequate notice, in accordance with law.

**Agenda**

The Superintendent and the Administrative Cabinet, in consultation with the Board President, shall prepare an agenda of items of business to come before the Board at each meeting. The agenda shall be delivered to each Board member no later than two business days, except when an unscheduled meeting is being called, before the meeting and shall include such reports and supplementary materials as are appropriate and available.

The meeting agenda shall be posted on the district's website and circulated via the district email system 48 hours prior to the meeting time. A reminder email with the agenda shall be sent on the day of the meeting.

**The order of business shall be as follows:**

- Call to order and roll call
- Optional: Motion to go into executive session
- Optional: Call to order and roll call again after returning from the closed session
- Pledge of Allegiance
- Opening statement by presiding officer
- Optional: Student presentations (Presiding Officer has the discretion to move presentations listed on the agenda to before or after initial public comments)
- Initial Public Comments (4 minutes per person)
- Presentations
- Superintendent's report
- Consent items – regular and routine issues

Resolutions and Motions not included in the Consent Agenda  
Approval of bills  
Board member announcements  
Board committee reports  
Discussion items  
Acceptance of minutes  
Other business  
Comments from the public  
Optional: Motion to go into executive session  
Optional: Reconvened public meeting  
Adjournment

## Electronic Participation and Virtual Meetings

In the event of extraordinary circumstances (which shall be defined as a natural disaster, mandatory or self-imposed quarantine, a State of Emergency declared by the Governor of the State of New Jersey or similar situation), it may be necessary for the full Board to meet virtually, via teleconference or digital media platform, in order to take necessary action.

### A. Electronic Participation in In-Person Board meetings

In the event that an individual board member is unable to attend an in-person meeting, where there is a quorum present, due to extraordinary circumstances as defined above, such member may participate telephonically or electronically, with the permission of the Board President, whose permission shall not be unreasonably withheld, provided that they are able to hear the proceedings and be heard.

### B. Virtual Meetings

Under extraordinary circumstances as defined above, teleconference options and digital platforms may be used to enable virtual board meetings and action even when all members of the Board are not physically present as long as prior arrangements are made to afford the public the opportunity to hear and participate in the meeting.

The Board may conduct a public meeting via teleconference or digital platform where members of the public are given appropriate notice and granted access enabling them to listen to and participate in the meeting at the appropriate time. A teleconference or virtual medium will only be used to host a public meeting of the full Board in a situation that makes it impossible or impractical for a quorum of members to meet in person due to the extraordinary circumstances as defined above.

Conduct of Board Meetings

Telephonic participation in or the virtual hosting of closed or executive sessions of the full Board shall be limited and only used in situations where in person attendance or the holding of meetings are impossible or impractical as defined. All closed or executive sessions shall be and remain confidential.

All members who participate in executive sessions telephonically and/or virtually shall do so privately behind closed doors without any non-members of the board being present. Those members will use remote access methods that do not allow non-board members to hear or see the meeting. No portion of the executive session shall be recorded, photographed, or otherwise reproduced in a video or audio format by anyone. Upon adjournment, all members will leave the meeting promptly.

N.J.S.A. 10:4-10  
N.J.S.A. 18A:16-1.1

Adopted: 7 December 2009  
Revised: 18 March 2013  
Revised:

**0169.02 BOARD MEMBER USE OF SOCIAL NETWORKS**

In accordance with the School Ethics Act - N.J.S.A. 18A:12-21 et seq., Board of Education members must avoid conduct which is in violation of the public trust or which creates a justifiable impression among the public that such trust is being violated. To avoid conduct that may be in violation or perceived to be in violation of the School Ethics Act, the Board of Education adopts this Policy to provide guidance to Board members in their use of social networks.

For the purposes of this Policy, “social network(s)” shall include, but not be limited to: Internet blogs, electronic bulletin boards, emails, social networking websites, text messages, or any other online platform where people may post or communicate interests, opinions, or any other information that may be viewed by others with or without permission from the person making such post or re-publishing such post. “Social networks” also means an Internet-based service that allows individuals to: construct a public or semi-public profile within a bounded system created by the service; create a list of other users with whom they share a connection within the system; and view and navigate their list of connections and those made by others within the system.

For the purposes of this Policy, “use of a social network” shall include, but not be limited to: posting to a social network, reposting another person’s post to a social network, messaging, or any other publication of material on a social network.

Nothing in this Policy prevents a Board of Education member from using a social network. However, a Board member must avoid conduct on a social network that would violate the School Ethics Act N.J.S.A. 18A:12-21 et seq., which includes the Code of Ethics for Board Members. Board members should be advised communications, publications, photographs, and any other information posted by the Board member or reposted by the Board member on a social network could violate the School Ethics Act and be cause for sanctions in accordance with the law.

While this Policy respects the right of Board members to use social networks, Board members shall recognize they are held to a higher standard than the general public with regard to standards of conduct and ethics. A Board member’s use of social networks shall not damage the reputation of the school district, employees, students, or their families. Board members who use social networks shall ensure their conduct is appropriate for a Board of Education member. Board members should exercise care in setting appropriate boundaries between their personal and public online behavior, understanding what is private in the digital world often has the possibility of becoming public, even without their knowledge or consent.

Board members should carefully review the privacy settings on social networks they use and exercise care and good judgment when posting content and information. When using social networks, Board members are advised to:

1. Not post anything that would violate any of the district’s policies for Board

members;

2. Uphold the district's value of respect for any individual(s) and avoid making defamatory statements about the Board of Education, the school district, employees, students, or their families;
3. Not disclose any confidential information about the school district or confidential information obtained as a result of being a Board member, about any individual(s) or organization, including students and/or their families;
4. Not use or refer to their Board of Education title or position when soliciting for a business organization that he or she or any immediate family member has an interest in, as well as posting or referencing any confidential information regarding the Board of Education or the school district obtained through their Board membership, unless authorized by law;
5. Refrain from having communications through social networks with other Board members regarding any Board of Education business to avoid any potential violation of the New Jersey Open Public Meetings Act;
6. Board members are entitled to express themselves publicly on any matter, including issues involving the Board and the school district. Board members when making such expressions shall indicate that the statement is their individual opinion, and not that of the Board of Education. In addition, individual Board members when making such statements shall comply with the provisions of the School Ethics Act and Bylaw 0142. Individual Board members cannot, however, express the position of the Board except as expressly authorized, in accordance with Board Policy No. 9120. Only the Board President or his/her designee shall authorize or make statements of official Board positions.
7. Not post any information on a social network determined by the New Jersey School Ethics Commission to be a violation of the New Jersey School Ethics Act.

A Board member shall comply with all Board policies regarding acceptable use of computers and computer networks whenever a Board member is using a Board of Education electronic device.

If the Board and Superintendent believe a Board member's activity on any social network may violate the Board's policies or the New Jersey School Ethics Act, the Board may request the Board member cease such activity.

**MINUTES OF THE  
REGULAR MEETING  
OF THE BOARD OF EDUCATION**

**Ridgewood Public Schools**

**Bergen County, New Jersey  
November 12, 2020**

Minutes of the Regular Public Meeting of the Board of Education held on November 12, 2020 at 4:00 p.m., at the Education Center.

The meeting was called to order by Mr. Michael Lembo, President.

**I. CALL TO ORDER AND ROLL CALL**

**Present:**

Mr. Michael Lembo, President; Ms. Hyunju Kwak, Vice President; Ms. Sheila Brogan; Mr. Christopher Kaufman; Mr. Saurabh Dani

**Also Present:**

Dr. Daniel Fishbein, Superintendent; Ms. Stacie Poelstra, Assistant Superintendent for Curriculum, Instruction & Assessment; Ms. Antoinette Kelly, Business Administrator/Board Secretary, Ms. Ojetta Townes, Manager of Human Resources,

**Visitors:**

Not applicable

**II. FLAG SALUTE AND PLEDGE OF ALLEGIANCE**

Mr. Lembo led those present in the Pledge of Allegiance.

**III. OPENING STATEMENT BY PRESIDING OFFICER**

Mr. Lembo announced that pursuant to the requirements of the Open Public Meetings Act, advance notice of this meeting had been given to The Ridgewood News, The Record, and the Clerk of the Village of Ridgewood. In addition, notices were posted in the office of the Board Secretary and in all school buildings. Due to health concerns related to the COVID-19 meeting the public cannot attend the meeting and public comments can be called in or submitted through the website.

Mr. Lembo announced since this is the first meeting since our policy changed, we will have comments now.

**IV. COMMENTS FROM THE PUBLIC**

None at this time.

**V. PRESENTATIONS**

**A. ARCHITECT OF RECORD PRESENTATIONS AND INTERVIEWS**

Architecture firms presented an overview of their firm and services to the Board. Following each presentation, the Board had the opportunity to ask questions of the

presenters from each firm. The entire meeting can be found on the district website: [https://www.ridgewood.k12.nj.us/our\\_district/board\\_of\\_education/b\\_o\\_e\\_webcast](https://www.ridgewood.k12.nj.us/our_district/board_of_education/b_o_e_webcast)

#### ENV Group Architects

ENV Group Architects, formerly Environetics, has been in business for ten years is located in Englewood Cliffs. The firm has received numerous awards and public recognitions. The firm focuses heavily on sustainability in their approach to architecture, interior design, and engineering. The presenters discussed examples of their work in relation to some of the needs of the Ridgewood Public Schools.

#### Paulus, Sokolowski & Sartor Architecture and Engineering, PC (PS&S)

PS&S has been in business for over 56 years, and they have a staff of over 250 employees with 25 architects. The firm outlined the architectural services they provide to school districts, including in-house engineering services. The presenters reviewed some of the needs of the district, project execution, and facilities strategies related to COVID-19.

#### LAN Associates

LAN Associates was formed in 1965 and is located in Midland Park with three additional offices. The firm has worked with the Ridgewood Public Schools for most of the last 40 years and has completed over 300 jobs for the district. The firm assisted the district with two referendums, and the presenters reviewed some of the projects they completed within the district including capital improvement projects and additions to seven schools.

#### FKA Architects

FKA Architects was established in 1977 and is located in Oakland. Most of their clients have had long-term relationships with the firm, and about ninety-percent of their projects are for the education sector ranging from the pre-kindergarten level through higher education. The presenters shared examples of their work with other school districts and explained their history of successful referendums.

#### Solutions Architecture

Solutions Architecture is a multi-disciplinary architectural and interior design firm located in Verona. The firm is experienced with long-range facilities and referendum planning, QSAC preparation, and facilities design and maintenance. The presenters discussed how the facilities needs of the district are linked to the governance goal of the Vision 2024 Strategic Plan.

#### RSC Architects

RCS Architects is a 50-person firm located in Hackensack that was established in 1971. The firm has experience with new schools, additions, renovations, long-range facilities plans, and capital improvements. The presenters described some of the work they have done throughout the Village of Ridgewood. The firm does some of the largest projects in the state, and they are currently in the pre-referendum process with multiple districts.

DiCara Rubino Architects

DiCara Rubino Architects is a full-service firm with an experienced team of school architects, planners, and interior designers. About ninety-percent of their assignments are school facilities in New Jersey. The firm has a proven track record of successful referendums. DeCara Rubino Architects serves as the Architect of Record for 53 school districts with 23 of those in Bergen County.

**VI. BOARD MEMBER ANNOUNCEMENTS**

None at this time

**VII. DISCUSSION ITEMS**

None at this time.

**VIII. OTHER BUSINESS**

None at this time.

**IXV. COMMENTS FROM THE PUBLIC**

None at this time.

**XV. MOTION TO GO INTO EXECUTIVE SESSION**

At 8:30 p.m., Mr. Lembo moved that the Board go into Executive Session to discuss the matter of special services. He stated that the minutes of the Executive Session would be released when the need for confidentiality no longer exists. Ms. Kwak seconded the motion, which was unanimously approved.

**XVI. RECONVENED PUBLIC MEETING & ADJOURNMENT**

At 9:30 p.m., on a motion made by Mr. Lembo, seconded by Ms. Brogan, and unanimously approved, the public meeting reconvened and adjourned.

Respectfully submitted,

Joann Khoury-Frias  
Assistant Business Administrator

Lucy Papamichael  
Assistant Board Secretary

**MINUTES OF THE  
REGULAR MEETING  
OF THE  
BOARD OF EDUCATION**

**Ridgewood Public Schools**

**Bergen County, New Jersey  
November 16, 2020**

Minutes of the Regular Public Meeting of the Board of Education held on November 16, 2020, at 7:00 p.m., at the Education Center.

The meeting was called to order by Mr. Michael Lembo, President.

**I. CALL TO ORDER AND ROLL CALL**

**Present:**

Mr. Michael Lembo, President; Ms. Hyunju Kwak, Vice President; Ms. Sheila Brogan; Mr. Cristopher Kaufman; Mr. Saurabh Dani

**Also Present:**

Dr. Daniel Fishbein, Superintendent; Ms. Stacie Poelstra, Assistant Superintendent for Curriculum, Instruction & Assessment; Ms. Antoinette Kelly, Business Administrator/Board Secretary, Ms. Ojetta Townes, Manager of Human Resources,

**Visitors:**

Not applicable

**A. MOTION TO MOVE INTO EXECUTIVE SESSION**

Mr. Lembo moved the following resolution. Ms. Kwak seconded the motion, which was unanimously approved.

Whereas, said law requires the Board to adopt a resolution at a public meeting before it can meet in such Executive Session; now therefore,

Be it resolved, by the Ridgewood Board of Education, that it does hereby determine that it is necessary to meet in Executive Session to discuss a personnel and/or litigation matter and/or negotiations and/or contract matter.

Mr. Lembo announced the Board has been meeting in Executive Session pursuant to NJSA:12. The minutes from this meeting will be released when the need for confidentiality no longer exists. The Board was meeting to discuss issues of Personnel.

**B. MOTION TO OPEN REGULAR SESSION**

At 7:02 p.m., Mr. Lembo called the Regular Public Meeting to Order.

**C. REGULAR PUBLIC MEETING SESSION CALL TO ORDER AND ROLL CALL**

**Present:**

Mr. Michael Lembo, President; Ms. Hyunju Kwak, Vice President; Ms. Sheila Brogan; Mr. Cristopher Kaufman; Mr. Saurabh Dani

**Also Present:**

Dr. Daniel Fishbein, Superintendent; Ms. Stacie Poelstra, Assistant Superintendent for Curriculum, Instruction & Assessment; Ms. Antoinette Kelly, Business Administrator/Board Secretary, Ms. Ojetta Townes, Manager of Human Resources, Zoe Kovac, Student Representative

**Visitors:**

Not applicable

**II. FLAG SALUTE AND PLEDGE OF ALLEGIANCE**

Mr. Lembo led those present in the Pledge of Allegiance.

**III. OPENING STATEMENT BY PRESIDING OFFICER**

Mr. Lembo announced that pursuant to the requirements of the Open Public Meetings Act, advance notice of this meeting had been given to The Ridgewood News, The Record, and the Clerk of the Village of Ridgewood. In addition, notices were posted in the office of the Board Secretary and in all school buildings. Due to health concerns related to the COVID-19 meeting the public cannot attend the meeting and public comments can be called in or submitted through the website.

**V. PRESENTATIONS****A. STUDENT REPRESENTATIVE REPORT**

Zoe Kovac stated with Halloween having just passed, and Thanksgiving, the holidays, and New Year's right around the corner, the Ridgewood Public School System is making sure to prioritize the health and safety of our students, teachers, staff, and faculty. Nevertheless, everyone is working together to make sure we can still enjoy these times but in a safe manner so that the school year can still prevail.

**Academics:**

- The RHS Guidance department had their 8th-grade parent meeting virtually last Thursday night, welcoming 8th-grade parents and talking about high school programming, clubs, and sports. The student peer leaders also held a question and answer session.
- Author, Alisa Roth virtually visited the RHS students who are in the RAHP program to discuss her book titled "Insane." The students found the discussion very interesting; they were able to ask questions about mental health and they learned about how people are affected by the criminal justice system.
- As students are going from virtual to hybrid and hybrid to virtual, teachers are constantly having to adapt to a changing classroom setting. With that said, they are experimenting with different software, technical gadgets, and various setups to most effectively teach their in-school students as well as their online students to the best of their ability during this abnormal time.

**Arts:**

- The RHS Band is holding its annual poinsettia and amaryllis plant fundraiser.
- The RHS Art Beat Program held a very successful event this past Friday called Fall Fusion where student musicians performed socially distanced in the campus center at the high school. The event was live-streamed through Zoom so all could watch.

- While there is no set date for the Newplayers outdoor showing of Macbeth, they are still rehearsing and preparing for the show. The performance date will be announced sometime in the future. They are also working on their virtual performance of A Christmas Carol; the directors have gotten super creative with different costumes and backdrops for the cast. Each cast member is recording their own parts and then each segment will be edited into one fluid show.

**Athletics:**

- The soccer, football, tennis, and cross country teams have been very successful lately both in preventing COVID cases but also with winning their game/matches/meets.

**Activities:**

- The Project Interact club, one of RHS' most recognized clubs has been super active recently. They have raised hundreds of dollars for numerous organizations such as the Gold Star Mothers Association and cancer research organizations, they arranged scarecrows at a local senior housing complex, they are raising money for the Kelly Creegan Memorial Fund, and they are making cozy care packages for senior citizens in the area.
- In an effort to maintain a clean environment and promote sustainability in and outside of the schools, the RHS Green Club helped to clean up the Ridgewood Duck Pond. With so many other locations to clean up, the Green Club is always encouraging and welcoming new members to join and help out.
- After months and months of phone banking, canvassing locally and in Pennsylvania, text banking, poll greeting, and so much more, the RHS Democrats Club celebrated once hearing that Joe Biden is the president-elect and that Kamala Harris is the vice president-elect.

**Miscellaneous:**

- The annual Kelly Creegan Coat Drive is scheduled for Saturday, November 28th at the Graydon Parking Lot right here in town. It will go from 9 am to 12 noon and you can drop off any coats you wish to donate. If you're not able to make it on the 28th, you can drop off your coats prior to the event at 136 Circle Ave.

**VI. COMMENTS FROM THE PUBLIC**

Boyd Loving, 342 South Irving Street, on October 6 the Department of Community Affairs released new guidelines for government agencies including the board of education in New Jersey who have virtual meetings. He understands that the board is adopting a policy tonight that goes along with these guidelines, but he is disappointed that it has taken the board this long to do it. He does not believe that tonight's meeting complies with those guidelines and he does not know why it is taking so long to comply with guidelines from the state. Also disappointed that the zoom platform does not allow the public to participate by zoom, it is a lot easier to make comments on the zoom platform than it is to dial all of these numbers on the phone. Also made a comment about the last public meeting that was held on November 2 he was alarmed by the discussion that took place at the end of the meeting. Where there seemed to be a little bit of out of control behavior by some of the board members and particularly some of the staff members. He appreciates the board president bringing things under control but he hopes it doesn't happen again in the future.

Dr. Fishbein replied that we will adopt the policy, but there is an executive order that starts

tomorrow that limits groups to 10. We will have to make adjustments for the next board meeting.

Mr. Lembo said we have been trying to get the public to participate as best we can, but there are a lot of guidelines.

Dr. Fishbein said he has heard from his Superintendent round table that those are guidelines and Strauss Esmay who does our policies made those changes, but there could be changes in the future once the guidelines are further vetted.

Mr. Dani confirmed that once we adopt the policies tonight for the next meeting we will follow that policy.

Dr. Fishbein said not based on the executive order starting tomorrow.

Mr. Dani said the guidelines say if we meet with audio video then we have to allow participation with audio/video. Before the meeting when we open the public comments, they need to be opened up before the public comments and they should be read in full.

Dr. Fishbein said the only time we didn't read them in full is when we received many and we abbreviated them.

Mr. Lembo said we will look into that and make sure we are in compliance. He then closed the public comments.

## **VI. PRESENTATIONS**

### **A. MENTAL HEALTH PRESENTATION**

➤ Mr. Basil Pizzuto and Ms. Lauren DePinto

Mr. Pizzuto, RHS Assistant Principal, and Ms. DePinto, LCSW, District Coordinator of School-Based Mental Health Services and Crisis Intervention Counselor, gave a presentation on the mental health model of the Ridgewood Public Schools. For the past two years, Mr. Pizzuto and Ms. DePinto have been invited to present this model at the Annual Conference of Advancing School Mental Health. This unique model has evolved over the past several decades, as explained in the timeline of its development.

The mission of the mental health model is to increase positive connections between adults and students at all levels and to strengthen our capacity to provide prevention, intervention, and postvention at all three tiers of service. Ms. DePinto explained Dr. Dan Hughes' PACE (Playfulness, Acceptance, Curiosity, Empathy) Method, which is used in the district model. Prior to COVID, the mental health team developed a Multi-Tiered System of Support (MTSS) including universal, targeted, and intensive supports and interventions based on the New Jersey Tiered System of Supports framework. Self-direction and self-control are the primary modes of student management, which allows us to do unique things at Ridgewood High School.

Mr. Pizzuto shared how the team continues to work toward the mission of the mental health model during school re-entry and COVID. The focus on school culture and climate

has been one of the biggest challenges during COVID because the model is relationship-based. COVID-19 specific supportive practices have been incorporated at all tiers. A school-based mental health and wellness website is being developed to clearly communicate support services and provide resources to students and families. Additionally, a virtual wellness speaker series is also being developed to expand outreach to families.

The presentation can be found on the district website.

Mr. Kaufman commented that it's hard to find positives out of covid, but there is a stigma coming out of mental health and a virtual option is great. This is a positive.

Ms. Brogan said with covid, students aren't as engaged in as many activities. Have the stress levels become less?

Mr. Pizzuto said from his standpoint, he expected a higher level of anxiety and stress from students, and we have not found that. Even the questionnaire responses are very low with students saying they are not doing well. The reduction in demands has helped students weather the storm. Students are sleeping more and doing much less, even the sports teams are out there and not practicing as long and hard and not participating in as many competitions. It remains to be seen going forward how we will sustain. Keeping kids as engaged is very important, they've tried to do new things virtually such as family feud for the school. Although the stress created by demands is down, the disconnection is concerning.

Discussion concerning mental health and student experiences during covid ensued.

Mr. Kaufman asked about thoughts regarding later start times? Especially going from hybrid to start of school.

Mr. Pizzuto answered that there are many studies and we have talked about it a lot. In terms of covid, it has shown that we can work differently and get a lot done. In terms of the number of minutes, it has been reduced very little. In doing this virtually, it allows time for teachers to do some fantastic things. Students are saying that they are choosing to work virtually, not because of the virus, but because of the additional sleep time that is available to get ready for school.

Discussion regarding class times, virtual help and scheduling ensued.

## **B. SSDS 2019/2020 ANNUAL REPORT**

➤ Mr. Basil Pizzuto

Mr. Pizzuto reviewed the School Safety Data System report for 2019-2020. The State of New Jersey collects data in a number of categories including violence, vandalism, substance abuse, and HIB, and this data is shared twice a year at a public meeting. Mr. Pizzuto gave a brief explanation of each category before sharing the data for the district. Mr. Pizzuto said that, when looking at a comparison of data since around 2005, our

numbers have been consistently going down.

Mr. Pizzuto stated that COVID has taken out so many dynamics in school that it has cut down on incidents that are occurring. We want to help our kids learn and grow from their interactions. This report identifies zero vandalism incidents for January 2020 through June 2020, we were virtual starting in March and therefore the interactions were zero for certain categories. COVID has lead to lower numbers.

Last year we installed vape detectors in the bathrooms in the High School and when the detectors go off, we begin an investigation. We have found incidents with vapable marijuana which is very accessible in the states around us. In the past we used to find marijuana in bags, everything now is labeled and manufactured and produced by companies that make our jobs easier to readily identify. Therefore we can easily intervene with students. Vape detectors have helped us, but have made our numbers go up which we can tolerate if it means we can help our students.

State reporting procedures have changed since 2018 and therefore our numbers look different than in years prior to 2018.

Mr. Lembo asked from March 13 to the end of school year, the numbers were nonexistent because we were virtual. Now that we are in the hybrid models, have we seen the numbers increasing?

Mr. Pizzuto answered that he gets the data when he gets the reports, so he is not aware currently what is happening everywhere throughout the district. If the numbers were significantly higher there would have been discussions. At the High School, the numbers are very low. We've had some online issues that were with students outside of the district. These are things that we dealt with, but were not student to student in the district. The reduction in interaction is what he is most concerned with. He believes that the reduction in interactions is not indicative in what is happening in the real world, since items such as lunch, free period are the times that interactions occur and lessons can be learned. Young people need to have times to make mistakes and get past them.

Dr. Fishbein confirmed that it has been quiet with HIB reports also.

Mr. Pizzuto asked for Board approval on the report.

Ms. Brogan made a motion to accept the 2019/2020 SSDS report.

Mr. Lembo seconded the motion, which was carried by the following roll-call vote:

AYES: Ms. Brogan, Mr. Dani, Mr. Kaufman, Ms. Kwak, Mr. Lembo

NAYS: none

### **C. SCHOOL REOPENING PLAN UPDATE**

➤ Ms. Stacie Poelstra

Dr. Fishbein began the update with a discussion by stating that today we had to close GW to go remote until November 30th and there were positive results in two other

buildings. Lucy Papamichael, Dr. Fishbein, Dan Kilday and Dawn Cetrulo from the village work together to review the cases and put together the letters. As you will see in Ms. Poelstra's presentation, the numbers are increasing. Last week the county reported over 60 cases to Trenton. We are the only district that started on September 2 and until today have kept going continuously. There are several districts in Bergen county that have not even opened for in school instruction and are looking towards the end of January. He pleads with the community to make smart decisions, especially during the next two months with the holidays and COVID fatigue. We have to be strong in order to keep the schools open. Have a good time with the people in your house for the holidays and think of each other's safety. We are not seeing infections coming from in-school interactions, but from behaviors outside of school. It is important to note that schools are safe places, we are following the rules in regards to social distancing, wearing masks and sanitation.

Ms. Poelstra opened the presentation with the New Jersey COVID-19 Activity Level Reports, which show an increase in the case rate and percent positivity approaching the high activity level. All cases are investigated by the Village of Ridgewood Department of Health. There have been 24 cases in the district up to this point. To continue to make improvements to our plan, several things have been done since October 19. Elementary special education students were given the option to attend school in-person on a daily basis. Elementary teachers received equipment and training to begin the implementation of live streaming for students on their at-home day in the hybrid model.

Ms. Poelstra reviewed the numbers of transitions between models at each level, noting that there has been a much larger number of students at the high school who have moved from hybrid to remote. While schools do not appear to be a source of transmission due to the safety protocols, there is a growing concern about a post-holiday COVID spike due to travel and gatherings. We are seeing some larger districts going (or staying) all remote until after the new year. Closure of schools is a local decision made in conjunction with the local health department and will vary from municipality to municipality based on data. Also, Governor Murphy signed a new Executive Order on November 16, which lowers the limits on indoor and outdoor gatherings. As indicated in a letter from Dr. Fishbein yesterday, George Washington Middle School is closed until November 30. At this time, the district will continue to monitor state health data and maintain the current plan, while considering additional options for enhancing the student experience.

Mr. Kaufman asked if there is discussion to go full remote after the holidays.

Dr. Fishbein stated that this has come up and was included in a letter he sent to the district last week. If a district is open like we are, we can only go remote if the health official asks us to do that based on the guidelines or the governor does that again. We have discussed at our Superintendent County Roundtable, we cannot go remote based upon anticipated illness.

Mr. Lembo asked if the 24 cases are currently active cases?

Dr. Fishbein answered no, those are the numbers that add up all of the letters we've

sent.

Ms. Kwak asked what are the numbers on a weekly basis?

Dr. Fishbein said he sent a letter out today based on 5 cases, last week there were two letters. The vast majority of cases have been in the past two weeks. The issues that we contend with is that schools are safe, what we are seeing is student infection versus adult infection which is scary. We have adults in the buildings and while medicine has learned a lot in the treatment, we are still seeing hospitalization and people dying in New Jersey.

Ms. Poelstra stated that we had 8 cases in September and October and 18 in November.

Mr. Lembo added that the schools are safe, we still need to wear our masks. There's a lot of people picking up and dropping off wearing masks, We need to do this in our daily lives. We can't let go. We have to keep up our family traditions, but keep it in the family. He hopes the community sticks together by not being together right now.

Ms. Kwak stated that she is struck by the remote to hybrid number, she has always been sensitive to the younger learners. The rate of people moving from remote to hybrid, is a significant number. We have 38, in K-5. She wants to emphasize that we can't shut down a school in anticipation of a projected transmission or illness.

Dr. Fishbein answered that we are not.

Ms. Kwak stated that she understands there is a concern we need to work as a community and stay safe, but if we get to that scenario where things need to be assessed. Would you consider looking at it from a building to building perspective. K-5, Middle School

Dr. Fishbein said yes, that is what we did today. It will be a building to building decision, unless as per a colleague the health department asked them to shut all the schools down. Right now we are taking it as a case by case situation, as per today in the letter there were two other buildings that had cases but did not warrant a shut down. Through contact tracing the health department was able to determine where the person got this from, in the case of GW they were not able to do that and it makes us with an abundance of caution to shut it down for the 14 days. It will be a case by case, which may lead to a building closing. There is a lot of deliberation and discussion that goes on for each case.

Mr. Lembo added that if the community is not taking precautions and there are increased cases in the community, the health department may shut us down. He keeps telling people, when you get called from the contact tracer you will need to tell them if you went to a party or event, it will help everyone. He wants people to think before they go to someone's house, be smart about it. Don't be the person who shuts our schools.

Mr. Dani asked for the covid notifications that are going out, can you talk about the delay in testing times? For today's notifications, when were they tested?

Dr. Fishbein said that we have that information, but he does not have it at the top of his head right now. Our turn around with the health department is the same day.

Mr. Dani asked is the turnaround 6-7 days for testing times?

Dr. Fishbein answered that when someone tests, they are usually already staying at home. They are not coming in and then waiting for the results. The good thing also with this time of year, with teacher's convention, people did not come in since we didn't have school and the 48 hour look back has been helpful since we were not in school.

Ms. Kwak asked as per one of the slides, can you talk about enriching or making the remote delivery more robust?

Ms. Poelstra explained that we have started live streaming for the at-home day for elementary students, we are trying to think outside of the box for some other options to provide students with instructions. This is still in the talking stages, but we are exploring options that are in discussions. At this time, she can't review those options because they are in discussions and she does not want to overpromise and under deliver.

## **VI. SUPERINTENDENT'S REPORT**

**A.** None at this time.

## **VII. COMMITTEE OF THE WHOLE REPORTS**

- Finance
  - October Financial Reports
  - 2021/22 Budget Overview

Ms. Kelly asked for questions on the transfer report and the other financials on the agenda for approval tonight. The treasurer's report needs to be reconciled and it will be on the December 7 agenda.

Ms. Kelly provided a 2021-2022 Budget Overview. Principals and supervisors are currently entering their budgets into the budgetary accounting system. The Acting Superintendent and the Business Administrator will hold budget review meetings in early January with principals and supervisors. They will need time to review the current year budget and their plans going forward.

Ms. Kelly recommended that capital reserve funds in the amount of one million dollars be put into the budget to complete the electrical upgrade and switchgear project at the high school. The track at Benjamin Franklin Middle School also needs to be resurfaced, which will cost between \$250,000 to \$300,000. Ms. Kelly also recommended that the Board consider reinstating the \$500,000 for summer maintenance projects.

Since contract negotiations are beginning, the salary increases will need to be estimated. Regarding health benefits, the new rates come out in the new calendar year; therefore, we will be consulting with our insurance agent to get a recommendation for the percentage

increase. We have been lucky the last few years that the rates have gone down. The plan has changed, we only have 3 plans available and the rates when down. The savings if any from people moving to the new plan will go back to the taxpayers as a tax relief. We have not gotten full guidance from the state how that will be calculated. For the district our size, we don't have a lot of individuals who have moved to the new plan.

Ms. Kelly also indicated that the district is hoping to get the 18-21-year-old program into its own location so that will need to be considered in the budget as well.

Mr. Dani thanked Ms. Kelly for the details and her time in the district. He stated about the capital budget recommendation that she is making, we already have that money in reserve, he asked if her recommendation is to move that money from capital reserve to the capital budget.

Ms. Kelly said yes, it will be a revenue.

Mr. Dani asked that there was some anticipation that we may have to use capital reserve for COVID expenses, we have not used any that?

Ms. Kelly answered that would be maintenance reserve that you could use for that. We have not had to go and appropriate additional money for that.

Ms. Brogan asked if there are anticipated expenses for the STEPS program.

Ms. Kelly answered yes, that is the 18-21 program that she reviewed. We have hired one teacher

Dr. Fishbein added expenses will be space, materials and if the program further grows we will need aides, job coaches, etc

Ms. Brogan asked, when the program moves from BF will there be expenses?

Dr. Fishbein replied there will be expenses with the lease.

Ms. Brogan commented about the infant toddler program, after the 1st of the year it might be agenda item so we can see where we are, how we're doing and how to move forward.

## **VIII. CONSENT ITEMS: REGULAR AND ROUTINE ISSUES**

Dr. Fishbein presented for consideration A. Attendance at Conferences.

### **A. ATTENDANCE AT CONFERENCES**

The Ridgewood Board of Education, upon the recommendation of the Superintendent of Schools, approves Attendance at Conferences, as listed on **Attachment A**.

Ms. Brogan moved approval of A. Attendance at Conferences.

Ms. Kwak seconded the motion, which was carried by the following roll-call vote:

AYES: Ms. Brogan, Mr. Dani, Mr. Kaufman, Ms. Kwak, Mr. Lembo

NAYS: none

Dr. Fishbein presented for consideration B. Administration.

He added that Mr. Bisig's contract has been approved by the Interim County Superintendent of Schools. The process is that the Board approves it, we send to the county for approval and then the Board approves it again.

## **B. ADMINISTRATION**

### **i. Approval: Receipt of Suspension and Harassment, Intimidation, and Bullying (HIB) Reports**

The Ridgewood Board of Education, upon the recommendation of the Superintendent of Schools, acknowledges it has received confidential information regarding suspensions and investigations of HIB that have occurred since the last Board meeting.

### **ii. Approval: Reading & Adoption of New Policy, to be approved in one reading as per Bylaw 0131**

- Bylaw 0164.6 - Remote Public Board Meeting During A Declared Emergency (**Attachment B**) *new*

### **iii. Approval: School Safety and Security Plan Annual Review Statement of Assurance**

The Ridgewood Board of Education, upon the recommendation of the Superintendent of Schools, approves the New Jersey High School Voter Registration Law Annual Statement of Assurance.

The Board has received background information.

### **iv. Approval: Contract for District Administrator**

The Ridgewood Board of Education, upon the recommendation of the Superintendent of Schools, approves the contract listed below, effective December 19, 2020 through June 30, 2021. This contract has been approved by the Interim Executive County Superintendent as required by law.

- Scott Bisig, Business Administrator/Board Secretary

### **v. Appointment of General Board Counsel**

The Ridgewood Board of Education, upon the recommendation of the Superintendent of Schools, approves the following resolution:

WHEREAS, the Ridgewood Board of Education requires the professional services of Board Counsel, and

WHEREAS, the nature of the services to be performed meet the definition of “professional services” set forth in the Public School Contract Law, and

WHEREAS, funds are available to obtain such professional services, and

ACCORDINGLY, the Ridgewood Board of Education, at the public meeting held on November 16, 2020, authorizes the award of the following professional services appointment and contract:

Cleary, Giacobbe, Alfieri, & Jacobs LLC, Oakland, NJ, be appointed Board Counsel for the period January 1, 2021 through December 31, 2021, at the rate of \$165 per hour.

This professional services contract is made and awarded without competitive bidding as the services will be rendered by the persons experienced in the practice of a process requiring specialized knowledge and resources.

Board Counsel to assist with negotiations between the Ridgewood Board of Education and the Ridgewood Education Association, effective November 17, 2020.

vi. **Adoption: Current Board Policy Manual**

The Ridgewood Board of Education, upon the recommendation of the Superintendent of Schools, approves the adoption of the current Board Policy Manual

Ms. Brogan welcomed Mr. Bisig to the Board table.

Mr. Lembo stated that Mr. Bisig has sat next to Ms. Kelly for the last two meetings, he welcomed him to the Ridgewood family. He said it is the last meeting with Ms. Kelly, he is proud of her and thanked her for her work in the district. He wished her well in her future endeavors.

Ms. Brogan moved approval of B. Administration.

Ms. Kwak seconded the motion, which was carried by the following roll-call vote:

AYES: Ms. Brogan, Mr. Kaufman, Ms. Kwak, Mr. Lembo  
Mr. Dani; excluding ii. Approval: Reading & Adoption of New Policy, to be approved in one reading as per Bylaw 0131

NAYS: Mr. Dani only for item B.ii. Approval: Reading & Adoption of New Policy.

Dr. Fishbein presented for consideration C. Curriculum & Instruction.

**C. CURRICULUM & INSTRUCTION**

**Dr. Fishbein**

i. **Approval: Field Trips**

**Dr. Fishbein**

The Ridgewood Board of Education, upon the recommendation of the Superintendent of Schools, approves field trips as listed on **Attachment C.**

Ms. Kwak moved approval of C. Curriculum & Instruction.

Ms. Brogan seconded the motion, which was carried by the following roll-call vote:

AYES: Ms. Brogan, Mr. Dani, Mr. Kaufman, Ms. Kwak, Mr. Lembo

NAYS: none

Dr. Fishbein presented for consideration D. Human Resources. He stated that Tom Gorman is in this section to be approved as the Acting Superintendent. Dr. Fishbein is very happy about that and stated he will do a great job. Basil Pizzuto and Jeff Nyhuis will step up and help at the high school while Dr. Gorman is the Acting Superintendent. Joann Khoury-Frias will help in the interim between Ms. Kelly leaving and Mr. Bisig coming. He stated that we have people in the right places and things will run smoothly.

#### D. HUMAN RESOURCES

**viii. Substitutes for the 2020-2021 School Year**

**Dr. Fishbein**

The Ridgewood Board of Education, upon the recommendation of the Superintendent of Schools, approves substitutes for the

2020-2021 school year, as listed below.

**Teachers: Christine Doyle, Julie Greaney, Shannon Karch, Patrick Meyer, and Jason Wejnert**

Mr. Lembo moved approval of D. Human Resources.

Ms. Kwak seconded the motion, which was carried by the following roll-call vote:

AYES: Ms. Brogan, Mr. Dani, Mr. Kaufman, Ms. Kwak, Mr. Lembo

NAYS: none

Ms. Brogan thanked Dr. Gorman for serving as Acting Superintendent during the transition period. She also thanked Mr. Nyhuis and Mr. Pizzuto for overseeing the management of the high school and Ms. Khoury-Frias for serving as Acting Business Administrator/Board Secretary until Mr. Bisig assumes his new role. There are many to thank who step up everyday and particularly during this time of transition.

Mr. Dani is excited about Dr. Gorman's appointment, Dr. Gorman stated during his interview that he does not want to keep the status quo even though he is the acting superintendent and from day one will start implementing the new board's goals and policies. He's sure that with Mr. Nyhuis and Mr. Pizzuto we are in good hands at the high school. He has been interacting with Ms. Frias for a long time as a resident and she has always been prompt and he is happy about that.

Ms. Kwak welcomed Dr. Gorman and everyone who has stepped up.

Mr. Lembo said he is so proud to make Dr. Gorman the interim as he helps to transition during the search for the new superintendent. For the last eight years Dr. Gorman has continued the tradition of excellence, he knows the district, the community and is a graduate himself. He knows the traditions we instill in the community, We don't expect him to be a placeholder but a leader during this time of transition. He stated that we are fortunate to have administrators such as Mr. Nyhuis, Mr. Pizzuto and Ms. Khoury-frias to help us during this time.

Dr. Gorman thanked the board for allowing him this opportunity. He is humbled and honored to be part of this transition. He looks forward to working with everyone as we move forward. He stated that we are in difficult, challenging times but knows that this district with its parents and staff is second to none. This role will be the biggest professional challenge of his career, but working with the BOE, the community and parents we can prevail and achieve the board goals.

Mr. Dani added that during this time both the Superintendent and the Board president are Ridgewood alumni.

Dr. Fishbein presented for consideration E. Finance.

## **E. FINANCE**

i. **Acceptance of Restricted Donations:**

The Ridgewood Board of Education, upon the recommendation of the Superintendent of Schools, accepts the following restricted gifts for the **2020-2021** school year, to be used as indicated.

Acceptance of a gift in kind from the Korean Parents Association for Face Masks  
valued at \$1,000.00.

ii. **Approval: Authorization of the Cancellation of Outstanding Columbia Bank Checks Drawn on the General Account**

The Ridgewood Board of Education, upon the recommendation of the Superintendent of Schools, approves the authorization of the cancellation of outstanding Columbia Bank checks drawn on the General Account as listed below.

Whereas, the Business Office has reviewed the disbursement activity of these accounts and found that these outstanding checks are approximately six months or more old and should be cancelled; now therefore,

Be it Resolved, that the Ridgewood Board of Education authorizes the cancellation of the Columbia Bank check as listed below:

<b><u>General Fund Account</u></b>		
<b>Date</b>	<b>Check #</b>	<b>Amount</b>
4/16/20	097704	\$40.50

iii. **Approval: Budget Appropriation Transfers**

The Ridgewood Board of Education, upon the recommendation of the Superintendent of Schools, approves transfers for **October 2020** as shown in the Journal Entry listing pursuant to Policy 6422.

The Board has received background information.

iv. **Approval: Secretary's Line Item Certification**

The Ridgewood Board of Education, upon the recommendation of the Superintendent of Schools, approves the following resolution:

Whereas, the Board of Education has received the Report of the Secretary for the month of **October 2020**,

Whereas, in compliance with N.J.A.C. 6:20-2A.10(d), the secretary has certified that, as of the date of the report(s), no budgetary line item account has obligations and payments (contractual orders) which in total exceed the amount appropriated by the district board of education, now, therefore, be it,

Resolved, the Board of Education accepts the above referenced reports and certifications and orders that they be attached to and made part of the record of this meeting, and Be it Further Resolved, in compliance with N.J.A.C. 6:20-A10(e), the Board of Education certifies that, after review of the secretary's monthly financial reports (appropriate section) and upon consultation with the appropriate district officials, to the best of its knowledge, no major account or fund has been over expended in violation of N.J.A.C. 6:20-2A.10(a)(1), and that sufficient funds are available to meet the district's financial obligations for the remainder of the school year.

The Board has received background information.

Ms. Brogan moved approval of E. Finance.

Mr. Lembo seconded the motion, which was carried by the following roll-call vote:

AYES: Ms. Brogan, Mr. Dani, Mr. Kaufman, Ms. Kwak, Mr. Lembo

NAYS: none
